NUMBER 48

In a recent statement to people of his district, State Representative Bill Sulivant said that House Bill 22 concerning taxation of farm and ranch land according to productivity did not actually become law as reported to the press by Speaker Bill Clayton.

Sulivant is especially concerned and frustrated about the bill because he authored it and he thinks farmers and ranchers ought to be informed as to what really happened.

"Most constitutional lawyers and scholars are of the opinion that though HB22 passed it cannot take effect because it violates Article VIII Section 1d of the Texas Constitution. An Attorney General's opinion to the Legislature during the recent special session indicated that he agrees with this position.

However, a companion constitutional amendment was introduced in the last legislature which would have assured that HB22 would take effect. The amendment failed by 2 votes in the House.

A poll of House members indicated that well over two thirds of them would support the amendment if it were changed to exclude large corporations from receiving the tax break Sulivant then changed the amendment so as to allow the tax break only to individual farmers and family corporations and advised Speaker Clayton that he had the votes to pass the Amendment. But Clayton refused to allow the bill back on the House floor unless large corporations were left in it. Therefore the amendment failed.

As another resort, Sulivant sent a letter to Governor Briscoe just before the Special Session asking that he open the session to consideration of the Constitutional Amendment, but the governor refused to allow its consideration. In conclusion Sulivant states that "Unfortunately, this badly needed relief for farmers and ranchers is extremely unlikely to materialize. If Governor Briscoe and Speaker Clayton were for this tax relief they both passed up golden opportunities to grant it. I expect our land owners would like to know why the Governor and Speaker blocked passage of the amendment.

Kevin Felderhoff Advances in PP&K Zone Competition
Kevin Felderhoff son of Mr. and Mrs. Henry Felderhoff survived the second test in nation-wide Punt, Pass and Kick competition here last Saturday.

With a score of 295 he was first place winner in the 12 year old division of the zone contest, which was sponsored by Endres Motor Company and the Muenster Jaycees. Eliminated as second place winners were Gary Dankesreiter and Dan Bezner both of Lindsay. Other entries representing the local dealer were Brian Hess 8, Dickie Trubach 9 and Chris Dangelmayr 10.

A familiar name among the winners was Wayne Fleitman of Gainesville in the 10 year class. He had a score of 288. Muenster's lone winner, Kevin Felderhoff, improved on his local score by 4 points whereas the two runners up fell below the previous scores, which would have won this event. Dankesreiter formerly had 325 and was topped this time by 287. Bezner formerly had 342 and was topped by 327.

Actually the local leader in the 13 year olds was Dale Swirzynski with 348. He had to drop out because of a football injury two days before and Runner-Up Bezner became eligible.

One Hundred fourteen boys from nineteen dealerships participated in the zone competition.

More Good Neighbors
The Enterprise has been reminded that it did not remember far enough back in naming former recipients of the K of C Good Neighbor award. Others are Clive Goble, Dick Cain, Mike Sloan, Lee Toothaker, and Edgar Dyer. If there are still more The Enterprise would like to be told.

Ray Sicking Is New President of Cooke County FB

Ray Sicking is the new president of Cooke County Farm Bureau succeeding J. A. Klement. He was elected last Thursday night at the organization's annual convention held at the Gainesville Community Center. At the same time E. B. Fox was elected first vice president and Ray Lynch was elected second vice president.

Others elected were directors representing the several communities of the county. They are Martin Bayer and J. A. Klement of Muenster, Joe Sandmann and Harold Northman of Lindsay, J. T. Cole and Paul Hickman of Sivelles Bend, Hugh Morgan, B. F. Almon, and Richard Schumacher of Gainesville, Ray Lynch and E. B. Fox of Woodbine, Leonard Hartman and Ray Sicking of Myra, Grady McElreath and Jimmy Robinson of Bulcher.

State President Carroll Chaloupka headed the program as speaker and District 4 Director Joe Fisher attended. Other speakers were Kathy Davidson, Mary Margaret Rohmer and Helen Pulte with their impressions of the annual citizenship conference at Waco sponsored by the State Farm Bureau.

Membership of the organization was reported at 1217, a gain of 45 over last year. Members voted down a resolution to raise county dues and followed promptly with a motion to use excess state funds in lieu of dues.

Another resolution urges the State FB to assist members in allocation of water on their property. The issue results from Dallas' exclusive claim to water rights on the Trinity watershed.

Hornets Nip Wildcats 20-14

MHS Hornets and their fans were scared stiff in their game at Callisburg Friday before eventually surviving with a 20-14 victory. They had clobbered the Cats in taking a 20-0 halftime lead. Apparently the game was comfortably led away, but Callisburg's big second half comeback came close to turning the thing around.

The important thing, however is that Muenster finally came out at the happy end of the score and starts the 13-A season with a win.

Action started with Bryan Sicking almost breaking away. He gained 37 before being stopped on the 26. Next the Hornets lost possession on a fumble and regained possession the same way two plays later at the 26. Six plays from there put them on the board with Nick Walterscheid scoring from the 5 and also kicking the extra point.

After the kickoff Callisburg had to punt on first series, and Nick's nice return set up great field position on the 30. Sicking reached the 18 in two tries, four more plays reached the 6 and an offside penalty gave free yardage to the 3.

Sicking knifed into the end zone the next play but officials said a Hornet had been holding. So, instead of the TD, MHS was 18 yards away, and worse was yet to come. Nick Walterscheid was sacked twice in the series. Instead of scoring the Hornets had to give up 42 yards and the ball.

Still more trouble came moments later. Callisburg gained 10 and fizzled on the next series. On the punt that

YHA Meeting Set For October 26

A meeting will be held Wednesday, October 26 at 7 p.m. in the MHS Homemaking Department, to acquaint women of the community with the "Young Homemakers of Texas", an organization sponsored by the Texas Education Agency for the purpose of creating a better home and community environment. Eligible to participate are women, out of school, ages 15-35. Women over 35 may be considered honorary members. The public is invited to the meeting. More information may be obtained from Jolene Richey, 759-4878 or Joni Sturm, advisor, 759-2724.

Course Available On Saving Energy

A three part energy conservation short course, open to any interested person and free of charge, is offered this Thursday and the next two Thursdays. Each session will be presented at 1:30 at Cooke County Electric Co-op and will be repeated at 7 p.m. in the Chamber of Commerce, Gainesville. Anyone is invited to attend all or any of the sessions.

The purpose of the course is to save energy, which translates to a saving of money for the consumer. It will place emphasis on actual energy saving and also point out some false claims about saving energy.

Persons heading the program are Dr. Bill Stewart of the Extension Service in a general overview of energy conservation and what a homeowner can do.

Mrs. Mary Charlotte Castel of Lone Star Gas will discuss caulking and weatherstripping and Elvis Miller of TP&L will discuss energy efficient home planning.

And Gene Davenport of Cooke County Electric will talk about insulation.

Everyone is welcome to attend the programs and absorb ideas that can reduce gas and electric bills.

Barber Shop Open Three Days a Week

A change in schedule at the barber shop will become effective next Thursday the 27th when Jim Eaves reduces his barbering time to Thursday Friday and Saturday.

Two reasons were given for the change. Eaves will increase his duty time with the Muenster police department, and barbering requires less time than it used to. Eaves thinks three days a week is plenty to accommodate his customers.

Annual CDA Bake Sale Set Nov. 19

During the October meeting last week Thursday, Catholic Daughters of America set Saturday, November 19, for the organization's annual bake sale. It will be held in the Knights of Columbus Hall. Proceeds will go to the Diabetic Retinopathy Foundation and for the Sacred Heart and C.C.D. Religion programs.

Preceding the meeting, Dr. Les Schachar of Gainesville spoke to the group about diabetic retinopathy, the leading cause of blindness in the United States; he also spoke on the treatment of diabetes and the research that is taking place in this field. He was accompanied by Dr. Ron Schachar and Glenn Schachar, his brothers.

Other routine business conducted by Dorothy Fisher, Regent, consisted of plans for observance of National Catholic Daughters of America Day and hearing reports of various committees. After a delicious variety of homemade sweets.

Crippled Hawks Cancel SH Game

A disappointment to the Tiger team and its fans was the cancellation of this week's game with Cistercian High of Irving. In a telephone message last Thursday, Coach Ed Stock was informed that the Hawks' small roster was wrecked by injuries and sickness and was not able to keep its date with the Tigers.

The cancellation followed a scheduled open date idling the SH boys for the second consecutive week. Coach Stock is unhappy about the situation, considering it a handicap for the rest of the season.

A team needs competition as well as practice, he said. Still on schedule are the Tigers' three district games in TCIL: Tyler Gorman, Christ the King and Notre Dame.

Too often habits make men instead of men making habits.

Change of Bank's Method Ups Interest on Savings

The Muenster State Bank announced it has completed converting the savings accounts and time certificates to computer operations. In making this change, the bank also changed its method of figuring interest on savings accounts.

In the past, interest was figured and paid semi-annually. Under the new method, interest will be figured and paid from the date deposited to the date of withdrawal with interest being paid and compounded quarterly. This method increases the amount of earnings for the customer.

In the change to computer, it is anticipated that passbooks will be discontinued in the near future. Instead of passbooks, the bank will mail a quarterly statement to each customer when there has been any activity on the account. If no activity, other than interest payments, a statement will be mailed at the end of each year.

Local United Way Reaches Half Way

In Muenster as in Cooke County, the current United Way drive was about on schedule at the beginning of the week. According to chairmen of both the local and county campaigns, slightly more than half the contacts have been made and approximately half the quotas have been reached.

Virgil Henscheid said that 59 cards have been returned and 40 are still out, and the local fund has reached \$1,991 of its \$3,445 goal. Mike Arrington reports that the county has \$38,000 of its \$80,000 goal.

Persons who have not given are urged to complete their organization contacts and get their payments and pledges ready for campaign workers as soon as possible. Also, local people are reminded that a big portion of the donation comes back to the community. Besides direct support to the local summer recreation program the community shares in support to 4-H, FFA, Boy Scouts, Red Cross, etc.

Daniel Fette with Army in Germany

2nd Lt. Daniel Fette is in West Germany since Monday assigned to the 1st Battalion, 76th Field Artillery of the US Army. His location is at Kitzingen in Central Germany, near Wurzburg and about midway between Frankfurt and Nurnberg. His parents, R. N. Fettes, and Bernie saw him off Sunday night at D-W Airport.

Daniel received his commission on graduation from A&M University in May, and since then has been in the officer basic course at Fort Sill, Okla.

Lindsay Jaycees Set October 30 for Golf Tournament

Jaycees of Lindsay announced this week that they will sponsor a low ball golf tournament at Gainesville's municipal course Sunday, October 30, starting at 9 a.m. Entry fee is \$15 for a two man team.

The tournament will have four divisions: 70's, 80's, 90's and 100's, and trophies will be given for the first three places in each division. Trophies will be given also for the longest drive and tee shot nearest to the pin.

To enter, persons are asked to give names of team members, the division to be entered and a check for \$15 payable to the Lindsay Jaycees. Also suggested is sending a phone number. Entry deadline is Thursday the 27th.

Entries may be addressed to Lindsay Jaycees, P.O. Box J, Lindsay, Tex 76250. For more information call evenings to Mark Krebs, 665-7173 or Richard Hunt, 665-9877.

Five Compete in Lawton Fun Run

Five young men from Muenster were among 123 runners participating in the 15 kilometer First Annual Run of the German American Oktoberfest in Lawton, Okla., Sunday.

Ronnie Hess, 4th over all, received first place trophy in the 19 to 29 year division. Tim Endres was 19 over all, Scottie Felderhoff 34, Ronnie Wimmer 54 and Jim Dangelmayr 67.

Hess invited the runners to the Germanfest fun run in April and discovered that many were planning to be here. About one third of them were here for the last fun run.

Tiger Bus Still Has Room
A few seats are still available on the chartered bus going to Tyler on Saturday the 28th for Sacred Heart's game with Tyler Gorman. The bus is scheduled to leave here at 3 p.m., arrive there in time for the 7:30 kickoff and return home after the game. Reservations or information are available from Angelo Nasche, 759-4386.

Tips Offered by County Tax Office

The following tips offered by Jo Hillis, county tax assessor-collector are intended to help taxpayers avoid mistakes.

"Check all your tax statements before paying taxes to be sure you are paying on the current property especially if you have bought or sold property during the year.

"Please bring your statements with you when you come in to pay or if you mail them in send statements along with payment in order to receive proper credit.

"If you own property and have not received a statement by the last week of October, contact our office and we will check on this for you, as statements on real estate purchased by you after April 30th, 1977 will probably go to the former owner unless you notified us to send it to you.

"Check your statement on motor vehicles to be sure you are paying on the ones you owned as of January 1st, 1977.

"Applications for agriculture, over 65, and disabled veteran exemptions must be made each year. These applications must be made and filed in our office between January 1st and April 30th, 1978. No applications will be accepted after April 30th, 1978."

Muenster Assigned to District 14-A of UIL

Muenster will continue in Class A of the University Interscholastic League during the next two school years but will transfer from District 13 to 14. That is the listing released Monday by UIL headquarters of Austin.

A school's enrollment for UIL classification is determined by average membership during 24 weeks of last year and the full preceding year. The formula as applied to Muenster shows an average daily membership of 138.68 in the 1975-76 school year and average daily membership of 127.93 during the first 24 weeks of last year. Combining the figures and dividing by 2 indicates an average membership of 133.31, which is barely above the 130 minimum of Class A. If classification were based on present enrollment instead of previous enrollment, Muenster High would be in Class B instead of A. Opening day enrollment was 124 and only a few have been added since.

Representatives of District 14-A drew up their 1978 conference schedules Tuesday in a meeting at Pilot Point. Muenster's will be as follows: Sept. 29, Pilot Point, here Oct. 6, Celina, here Oct. 13, Callisburg, here Oct. 20, Pottsboro, here Oct. 27, Sanger, here Nov. 3, Aubrey, here Nov. 10, Lindsay, here

Game time will be 8 p.m. through October 27 and 7:30 for the final two games. For the "99 schedule Lindsay moves to the front of the list and others follow in the same order, and place of the games will be the opposite.

The schedule leaves the first three dates of the season for non-district games. Contacts to book them are in progress now.

Judges were Vernon Sparkman, Patti Eberhart, Steve Walterscheid, Linda Vogel and Monica Hess.

The Bluebonnet Home Demonstration Club, sponsoring organization, thanks all who entered. Judges said they were well pleased with the quality of the entries, all of which portrayed German traditions and heritage.

Funeral Service Held Monday for James T. Cole, 79

Funeral services for James T. Cole, 79, long time resident of the Hays Community north-east of Muenster, was held Monday at 2 p.m. in the chapel of Vernie Keel Funeral Home. Dr. Harry Roark and the Rev. Aubrey Spiers officiated.

Burial in Fairview Cemetery was directed by the Keel funeral home and pallbearers were Martin Bayer, J. A. Klement, Raymond Davidson, O. H. Dennis, Thurman Ward, Ben Turbeville and Rafe McElreath.

Cole died Saturday in Baylor Hospital, Dallas. He was a deacon in the Marysville Baptist Church, a member of the Fish Creek Masonic Lodge, member of the York Rite Hella Shrine Temple and Gainesville Shrine Club, director of the Federal Land Bank, past president of the Cooke County Farm Bureau and Sivelles Bend Farm and Ranch Club.

Survivors are his wife; two sons Dr. James Cole of Gainesville and Ralph Cole of Sanger; a daughter, Mrs. Eva King of Frisco, five brothers, Earl of Azle, Omer of White Oak, Clem of Fort Worth, Clyde of McAllen and J. B. of Toga; eight grandchildren and five great grandchildren.

Burt Hamric of Houston Promoted

From Houston comes a report disclosing that Burt Hamric has been named senior vice-president of Ashland Explorations, Inc. In his new position he will assume additional managerial responsibilities as well as retain the over-all functions of domestic operations. Burt is a son of Bertha Hamric and the late Ervin Hamric, a graduate of Muenster High School.

THANKS

The family of Clarence Zimmerman wishes to express appreciation to employees at Jr. Elite, to Frank and Anthony Lake and the choir for beautiful music, also to other relatives and friends in the Muenster area for the Masses, floral offerings, food and other expressions of sympathy.

Sincerely,
Charlotte Zimmerman

My family and I wish to thank Father Placidus, Father Stephen, Bishop Dangelmayr, Father Harry Fisher and all the nurses on the Muenster Hospital staff, also the cooks. Thanks to Dr. Menzies, Dr. Juarez and all who sent flowers and cards.

National CDA Day Observed by Court

Catholic Daughters of America, Court St. Mary No. 249, observed National CDA Day with a special liturgy emphasizing Christian Family Life.

The Mass was celebrated by Father Stephen Eckart, Sunday evening at 7 p.m. at which time he praised the organization for its many

charitable works.

Members participating in the liturgy were Dorothy Fisher, Regent, the readings, Dorothy Bengfort, District Deputy, the petitions; the Mike Kleiss family, the offerings; and Stella Hess and Marge Schmitt, song leaders.

A social was held in the Knights of Columbus Hall following the Mass for members and their families. Refreshments and a buffet of pick-up foods were served

BIRTHS

Mr. and Mrs. Larry Jones of Fort Worth, are parents of a daughter, Brenda Rae, born in Harris Hospital on Saturday, October 15 at 8:15 a.m., weighing 10 lb. 5 oz. Her grandparents are Mr. and Mrs. Raymond Jones of Dallas and Mr. and Mrs. Walter Klement of Muenster. Brenda Rae is a little sister for Susan. Mrs. Billy Don Wolf is spending several days with her sister and family and the Walter Klements will visit soon. Mrs. Larry Jones is the former Jeanette Klement.

Mr. and Mrs. Dale Hellman announce the birth of their son, Jamie Lee, in Muenster Memorial Hospital on Friday, October 14, his mother's birthday, at 6:22 a.m., weighing 8 lbs. 8 oz. Jamie Lee's grandparents are Mr. and Mrs. Charles Hellman and Mr. and Mrs. Wayne Ponder of Alford. His great-grandparents are Mr. and Mrs. J. L. Ponder of Hereford and the great-great-grandmother is Mrs. A. J. Ponder of Healdton, Oklahoma. Mrs. Dale Hellman is the former Leona Ponder.

A. Enderby Elected Zone 4 Director Of Soil District

Andrew Enderby of Valley View, was elected to the Upper Elm-Red board of directors, Thursday, Oct. 6. He represents Zone 4 of the district.

The purpose of the Upper Elm-Red SWCD, with headquarters in Gainesville is to promote sound soil and water conservation programs on farms and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landowners.

In Texas there are 198 soil and water conservation districts. Each is a legal subdivision of state government organized by local agricultural landowners with the assistance of the Texas State Soil and Water Conservation Board. Unlike most other legal subdivisions of state government, SWCD's do not have the powers of taxation or eminent domain. All conservation programs managed by the districts are of a voluntary nature to the landowner or operator.

Other members of the board of directors are chairman J. H. Bayer, of Muenster, Hinds Clark, vice chairman, of Nona, Clyde Hale, secretary of Sherman, and Wade Bond of Bowie.

Installation Held By FHA Chapter

Future Homemakers of America officers and members of Muenster High School were installed during a candle lighting ceremony in the Public School Auditorium on September 21. During the ceremony each officer stated her duties and recited one of the eight chapter purposes as she lit a candle.

Officers for 1977-78 are: President Robin Walterscheid, Vice president Gay Mollenkopf, Secretary Kathy Davidson, Treasurer Ruth Walterscheid, Song leaders Lisa Trubenbach and Kathie Fisher, Reporter Beverly Trubenbach, Parliamentarian Shirley Monday, Pianist Lou Dyer, Historian Clara Knabe, Sergeant-at-arms Mechal Reid.

New members were welcomed into the Chapter by Robin Walterscheid, new president, with the presentation of the chapter's emblem. Installing officer duties were performed by Judy Fisher, last year's vice president.

New members are: Carol Klement, Glenda Sicking, Judy Dittfurth, Claudia Flusche, Renee Wilde and Cindy Knabe.

Refreshments prepared by the homemaking classes were served in the Homemaking room to members and their parents.

Special guests were MHS Principal and Mrs. Alfordean Winn and Forestburg FHA advisor Mrs. Jo Ann Sicking.

Relatives Attend Rite in Jacksboro

Attending the funeral of Sherri Louise, infant daughter of Mr. and Mrs. Reinard Walterscheid of Jacksboro, were the baby's grandmother, Mrs. Harold Walterscheid accompanied by Mrs. Herman Grewing, Mrs. Johnnie French, Mr. and Mrs. Charlie Stelzer of Muenster and Mr. and Mrs. Roy Plumlee of Wichita Falls.

Funeral services were held Saturday morning at 10, with Father Albert Nienart of St. Mary's Church of Jacksboro officiating for graveside rites.

The infant died Thursday, a week after her birth in a Fort Worth hospital.

SH Junior Varsity Nips Notre Dame Youngsters 28-0

Junior Varsity youngsters of Sacred Heart were in control last week Wednesday in their meeting with Notre Dame's kids and marked up an impressive 28-0 victory.

They headed for their first touchdown on their first possession, starting from their 31 yard stripe. The drive used only four plays including 11 by Kirk Mollenkopf and 14 by Jesse Walterscheid. A pass from Mollenkopf to Walterscheid added bonus points.

Next TD was somewhat slower in coming. Knights on their second possession fumbled and John Hartman recovered on the 23. Three tries from there reached the 8 and three more yielded a TD. Jesse Walterscheid scored from the 4.

Still in the first half, Floyd Haverkamp inspired another drive with a fumble recovery on the Tiger 47. A 34 yard pass, Mollenkopf to Walterscheid reached the 4 and Walterscheid went in from there.

The next one came early in the second half after an exchange of possessions. A pass to Curtis Grewing gained 32 yards to pay dirt.

Ruth Needham Makes Foliage Tour

Mrs. Ruth Needham returned Saturday, October 8, after spending three weeks in New England and Eastern Canada as a member of a group of 33 who participated in the 1977 Escorted Fall Foliage Tour.

In the company of Mrs. Lois McMackin of Wichita Falls, she left here on September 17 and they joined the group at the Dallas Sheraton. An experience never to be forgotten — the tour arranged by Continental Trailways Tours, Inc., on Trailways Silver Eagle motorcoach — began, after leaving Dallas, by driving through the hills of East Texas, with a stop in Little Rock, Arkansas, then across the Mississippi for the first overnight stop in Memphis, Tennessee. Along the way each day there were stops for places of interest, or just to view the beautiful scenery.

A congenial and very knowledgeable tour guide, assigned especially to this group, traveled with them constantly, to point out unusual or interesting places and to answer questions.

With autumn scenery ever-changing, they drove toward Nashville and then east to the Smoky Mountains. The third day they drove along the Appalachian Mountains into Virginia, stopped to view the National Bridge, and followed the Blue Ridge Mountains into Lexington, Va. where they were privileged to view military formations at V.M.I.

Driving into the serenity of the Shenandoah Valley, through Maryland, into Pennsylvania they came to the center of Pennsylvania Dutch Country, and toured Amish Farmlands, and were delighted with a special treat — an Amish dinner.

On the fifth day they visited Valley Forge State Park, drove into New York City and along the coast of Long Island Sound. Scenery and sights, were always memorable. The drive across Massachusetts, and into the Green Mountains of Vermont was no less spectacular. The lavish display of white pines, hemlock and maple trees, mountain springs and brooks blended into the scenery of New Hampshire where they stopped to see the famous Red Brick Store and walk on a covered bridge from yesterday. At Franconia Notch they saw the Great Stone Face, 40 feet high. One of the most scenic drives went through the White Mountains. The maple trees were turning color and flowers of endless varieties were, says Ruthie, "twice the size of ours".

The seventh day they drove into Maine, where, in Portland, they toured stately, historic homes, the lighthouse and a museum. They saw the Paul Bunyan statue in Bangor and spent the afternoon and night at Bar Harbor, Maine, famous as a resort area, with the sea, mountains, the lakes and forests adding to the beauty.

Early the morning of the 8th day, the tour group left for a seven hour cruise aboard ship to the western tip of Nova Scotia where they remained overnight and spent

the next day driving along the coast to visit historical sites and also went sightseeing at Grand Pre National Park, and in the region of Longfellow's "Evangeline" in Halifax the next day they saw the water-front, public gardens, churches, the famous fishing village of Peggy's Cove and in the afternoon they had time to use as they chose.

The next day they visited the Old City Market of New Brunswick, and drove to Quebec to spend two days. There were special tours of both historic and modern Quebec City, the Plains of Abraham, and elegant residential sections. In the afternoon there was again time to go sightseeing at their own pace.

The group crossed the St. Lawrence River on their 14th day out and then visited Montreal, Canada's largest city, seeing St. Joseph's Oratory, Mount Royal, Notre Dame Church and many other places. A separate tour took them to the French Quarter and Old Montreal.

The following morning they left Canada to re-enter the U. S. through upper New York State. The lakes and fall foliage of the Adirondok Mountains led them towards Ticonderoga and Lake George, passing through fishing and resort communities. They followed the Hudson River into Albany, to spend the night. In the morning of the 16th day they drove to Buffalo, N. Y., crossed the Niagara River, and drove towards Niagara Falls, which they saw twice, in daylight and illuminated at night. Mrs. Needham said that nighttime view was probably the highlight of her three week tour.

A day later they visited in Michigan and toured the famous Greenfield Village, and a number of other places. Scenery in Ohio, Kentucky

and Indiana was memorable, and seeing Churchill Downs, home of the Kentucky Derby was exciting.

After an elegant farewell dinner and overnight stop and more sightseeing, the tour group drove through the ever changing scenery of Tennessee, and on the 20th day crossed the Mississippi. They spent part of the next day approaching Texas and arrived in Dallas to complete the tour. Mrs. Ruth Needham and Mrs. Lois McMackin remained for an overnight visit with the former's cousin, who brought them home to rest, to revel in the memories of a once-in-a-lifetime adventure and to delight their friends with accounts and pictures of the tour.

They paid special credit to the tour guide and driver, saying that these play a vital part in the success of a conducted tour. Their group was lavish in their praise of guide Robert Renfro of Fort Worth and driver Al Johnson of Dallas.

Student Outing at Moss Lake Hosted By Alice Hellman

Patrick Hellman and his parents, the Monte Hellmans of Dallas were hosts to the junior class of Cistercian High School of Irving when the students spent last week Thursday at Moss Lake. All were guests of Pat's grandmother, Mrs. Alice Hellman and they enjoyed boating and water skiing.

Accompanying the students were Mrs. Cissom, whose son was among the group, also Dr. Ramey, Father Denis and Dr. Monte Hellman.

Hood Club Hears Talk on Energy

When the Hood Community Improvement Club met Tuesday, October 11, at 8 p.m. Tulu Hickerson, Home Service Advisor at Cooke County Electric Co-op, was program leader. She spoke on Energy Conservation, pointing out that insulation is the best way to save both energy and money. She showed several types of insulation and explained where and how to use them.

Albert Zimmerer presided for the business meeting. Wm.

Hermes led the opening prayer and Mary Evelyn Hermes presented minutes and the treasurer's report.

The group completed plans for the annual Thanksgiving supper, scheduled for November 5, and agreed to meet on November 3 at 9 a.m. to clean and decorate the hall.

The next meeting will be a pot-luck supper on November 9, at 7:30 p.m.

The style changers sell men and women new clothes each year they don't need and out date clothes they do need.

Convenience Foods Heads Program of Muenster HD Club

Mrs. Evelyn Yeatts, Cooke County Extension Agent, brought a program on "Convenience Foods" to the Wednesday afternoon meeting of the Muenster Home Demonstration Club in the home of Mrs. Bertha Pick.

She gave a slide presentation and evaluated foods as to taste, energy used to prepare, time to prepare, and cost in comparison.

Members voted to partici-

pate in the "Christmas in November" show November 10-11 in Gainesville and to be hostesses on Friday morning 10:30-12:00.

The annual county council Christmas party will be held in Muenster on December 13, and members will be co-hostesses with the Bluebonnet Home Demonstration Club.

Suggestions were made for various ways to raise money to contribute to a 4-H Scholarship Fund.

A field trip was planned for November 6 and the annual Christmas party for members and husbands will

be on December 10.

Mrs. Alice Hellman read the council report and announced dates for Energy Programs which will be held at the Cooke County Electric Co-op Building on October 20, 27 and November 3. She also gave a brief report of the state convention, which she attended in Galveston in September.

The hostess, Mrs. Pick, served apple pie a la mode and coffee to 16 members.

Some plants, we are told, derive benefit from the use of artificial light. The electric plant is one of them.

Program on Birds Features Meeting Of Garden Club

Ronnie Herring, Soil Conservationist of the Upper Elm-Red Soil Conservation Muenster office, was program leader for the October meeting of Muenster Garden Club.

In his talk he mentioned the importance of birds in the environment, discussed birds native to certain areas, noted advantages of coaxing birds into backyards and called attention to their feeding habits. He said also that winter is a stressful time for birds, because they usually don't get enough to eat, although most can manage for shelter.

In addition, Mr. Herring showed a program of slides and a film: "Invite Birds to Your Home" and shared descriptive pamphlets.

Thirteen members attended the meeting in the home of Mrs. August Felderhoff. Mrs. Paul Endres, club president conducted the business meeting. New yearbooks were distributed by Mrs. Koch. Mrs. James Roark reported enrollment of six new members.

Announcement was made of the Fall District Meeting on November 8-9, in the Sheraton Inn of Dallas.

Mrs. King Koch reported on the Grape Myrtle project, in which the club hopes to enhance local landscaping by encouraging both members and non-members to plant Grape Myrtle shrubs. Each garden club member has been asked to buy and plant at least 5 Grape Myrtles and Sister M. John Seyler suggested donating and placing a number of the shrubs in the school landscaping.

A lipstick plant belonging to Mrs. Arthur Endres was used as the exhibit of the month and shown by Mrs. Roark in the absence of Mrs. Endres. Special plants will be exhibited each month.

Members discussed special plant problems during a brief mini-clinic.

The attractive refreshment table was decorated in the Halloween theme. The hostess, Mrs. August Felderhoff served dessert and coffee or hot apple cider to the speaker and to thirteen members, including new members, Mrs. Ed Knauf and Mrs. Johnny Eldred.

Next month's meeting will be held in the home of Mrs. King Koch. "Holiday Designs for Doors, Tables and Mantels," contributed by all members, will be a feature of the meeting.

Learn from the mistakes of others—you don't live long enough to make them all yourself.

YOU CAN BANK ON IT!

One of the most misunderstood — and most valuable — services offered by any bank may be special accounts. These are the same as regular checking accounts, except they are set up for a specific purpose and the depositor withdraws funds for that specific purpose only. For example, special accounts often are set up for emergencies or vacation funds. To set up a special account for emergencies, for instance, go back over the previous year's spending and add up your "emergency" expenses. If such spending amounts to approximately \$1,000, you would deposit about \$85 each month in a special account. When emergencies arise you will be able to meet them without going heavily into debt. A special account certainly offers more peace of mind than trying to ward off the inevitable. If you have questions about a special account, please check with any of our officers. When they tell you about opening a special account... you can BANK on it!

and your electric bill.

Fuel is essential in the production of electricity. Texas Power & Light Company generating plants burn very large amounts of natural gas or lignite coal and, when supplies of gas are short, oil to produce steam which operates turbine generators. Fuel costs are charged to each TP&L customer according to the number of kilowatt-hours of electricity used by the customer. Before July 1, 1977, your basic rate for electric service included a fuel cost of about eight-tenths of one cent for each kilowatt-hour. The additional cost of fuel used to produce your electricity was shown on your bill as a fuel adjustment factor. Since July 1, 1977, under requirements of the new Public Utility Commission of Texas, all fuel costs have been removed from the basic rate. Now, the entire amount you pay for the fuel required to produce the electricity you used is shown on your bill in the space identified, *Fuel Amt.* This amount is figured by multiplying the number of kilowatt-hours of electricity you used by a fuel adjustment factor which appears on your bill in the space identified, *Fuel Cost per Kwh.* This factor is simply the per kilowatt-hour cost of all fuel required to produce your electricity. The fuel cost per kilowatt-hour and the fuel amount on your electric bill will vary from month to month. These variations, either up or down, occur as the price TP&L pays for each kind of fuel fluctuates and as the amount of each kind of fuel used varies.

Family Observes
T. Miller's 82nd

Theo Miller celebrated his 82nd birthday at his home Sunday, October 16, with his children and grandchildren in attendance.

There was a covered dish dinner at noon and card games and sheephead in the afternoon, and birthday gifts for the honoree. A number of the guests brought birthday cakes, which were served for dessert.

Together for the day were Mrs. Rosalee Hoffman of Muenster, Mr. and Mrs. Stan Yosten and Greg, Mr. and Mrs. Paul Yosten and Paulette, Mike, Joel and Melinda, and Mr. and Mrs. Tom Baker and Brandon all of Fort Worth; Mr. and Mrs. Henry Miller of Idaho; Mr. and Mrs. Tom Felderhoff, Sr. and family and Mr. and Mrs. Tom Felderhoff Jr., Mr. and Mrs. Bill Miller and Mark, Mr. and Mrs. Alan Miller, Mr. and Mrs. Robert Miller, Mr. and Mrs. Jack Flusche, Mr. and Mrs. Herb Miller and Bert, Mr. and Mrs. Dave Berres, Mr. and Mrs. Ervin Henscheid and family, all of Muenster, Mr. and Mrs. Ted Miller and family of Sherman and Mr. and Mrs. Randy Bayer and family of Grapevine.

Rudy Koeslers Get
Housewarming

Family members surprised Mr. and Mrs. Rudy Koesler Friday evening when they arrived with a housewarming gift and an array of pick-up foods.

Guests, who presented a pair of wicker chairs, were her parents, Mr. and Mrs. Robert Cargile of Ardmore, Oklahoma; Sister Francesca Walterscheid of Dallas, Mrs. Anna Walterscheid and Mr. and Mrs. Larry Kostyniak of Fort Worth and a number of local relatives, for a total of about 22 present.

Mr. and Mrs. Herbert Richardson and son had as their guests Sunday, October 16, his mother, Dorothy Richardson of Irving and his grandmother, Mrs. Forrest Raney of Gainesville and Rev. Andy Stowe and family of Fort Worth.

2 Share Honors at
Anniversary Party

Gussie Felderhoff's fourth birthday and the 35th anniversary as a bishop of his great-uncle, Bishop Augustine Danglmayr, were observed Friday, October 7, when Mr. and Mrs. Gus Felderhoff entertained in their home at noon.

Guests were Mr. and Mrs. Hubert Felderhoff, Mr. and Mrs. Henry Droll, Mr. and Mrs. Bruno Fleitman, Mrs. Tommy Felderhoff, Sr., and Gussie's little sister, Julie.

Gussie's birthday cake was decorated in a cowboy motif, and was served for dessert. The honorees opened and displayed their special gifts.

Henry Baptism

Michael David Henry, infant son of Mr. and Mrs. Eddy Henry of Gainesville, was baptized Sunday, October 9 in St. Mary Catholic Church, with Father James Gillespie officiating. The god-parents were his uncle, David Spaeth and his cousin, Miss Mary Ann Voth.

Others attending the baptism were the baby's grandparents, Mr. and Mrs. Henry Spaeth and Mr. and Mrs. Lawrence Henry, both of Gainesville; the great-grandparents Mr. and Mrs. Hubert Felderhoff of Muenster; an uncle Mike Henry, Nancy Morrison of Denton; an aunt Mrs. David Spaeth and children George and Brenda of Gainesville. Special guest was the great-aunt Miss Frances Spaeth of Gainesville, whose birthday was the same day he was born.

Following the church service, the baby's parents hosted dinner for the above group, in their home. Informal visiting followed.

Michael David Henry was born on September 19 at Flow Memorial Hospital in Denton, weighing 9 lb. 7 oz.

The Hornets - - -
 starting point for the next TD. The 80 yard drive used up 11 plays ending with Nick's 17 yard pass to Todd Richey 12 seconds before the half. Nick's kick upped the score to 20-0. After intermission the Wildcats came out passing and turned the game around. Quarterback Erlanson did a good job of throwing and his favorite receiver, Dutton, had hot

hands.
 On second possession they went to the air and moved 73 yards to a TD on three passes plus 20 yards in penalties. The scoring play was to Dutton for 6 yards. A pass for bonus points was incomplete. Early in the next quarter the Cats seemed to be stopped but got another chance on a roughing the kicker penalty. On next series a 15 yard pass kept 'em going. And the following series lost yardage.

However, the punt that followed was fumbled by Muenster giving the Cats a set up on the 20. Five rushing plays made the yardage, Erlanson sneaked over from the 2. A pass to Dutton made the score 20-14.

Following an exchange of fumbles Callisburg got the passes working again. Two big completions gained 45 to the Hornet 23 where the situation was critical. But Hornet defense was equal to the job. Four tries lost four yards and Muenster took possession on the 27 with 3:55 left on the clock.

What followed was like early in the game. Muenster stormed up the field with Sicking doing most of the gaining, meanwhile running out the clock. On the final play Nick Walterscheid scrambled in the backfield until the buzzer sounded.

**Weekend Brings
 13-A Volleyball**

The mini-season for 13-A volleyball has almost arrived. Faye Hamric, coach of the Muenster High team announced this week that preliminary games of the district tournament will be played Saturday and Monday and the finals will follow soon after.

Muenster and Callisburg will have their play-off at this area of the district while Holliday and Petrolia do likewise in their area. The MHS girls will play at Callisburg at 9 a.m. Saturday and at Muenster at 5 p.m. Monday.

After that the east and west winners will play for the 13-A title.

Pre conference activities of the team includes two wins and a loss at Nocona, also wins over Frisco and Byers and losses to Whitesboro and Electra.

**A. J. Endreses See
 Sights Up North**

Mr. and Mrs. Arthur Endres vacationed for ten days in ideal weather and remarkable scenery during the height of the Fall Foliage season in Illinois, Wisconsin, Michigan and Kentucky.

In Rockford, Illinois they were guests of his sister Dolly, Mrs. Jack Gorman and family and in Wisconsin they visited cousins of the Endres families.

Particularly enjoyable was the cruise across Lake Michigan to Ludington and the drive to Midland, Michigan. There they were guests of Dr. and Mrs. Howard Mollenkopf and family, who recently moved to Midland from Connecticut. Mrs. Mollenkopf is the former Ruth Endres.

In Plymouth, Michigan, Mr. and Mrs. Arthur Endres visited Sue's relatives and in Lincoln Park, Michigan, they saw relatives of the Hartman families.

Enroute home, there were several stops in Kentucky for visits with Mrs. Endres' relatives.

The Endreses said their trip came just ahead of the first snow flurries and just before the frost affected the glorious fall foliage.

**Lignite Operation
 of TP&L Receives
 Engineer Award**

Texas Power & Light Company's use of lignite coal for a portion of its generation of electricity has saved customers many millions of dollars in fuel costs since 1971. The savings in 1976 alone exceeded \$80 million, and company officials say increased use of lignite will result in even greater savings in 1977.

Recognition of these savings was made by the National Society of Professional Engineers in citing the company's Monticello Steam Electric Station, near Mount Pleasant, as one of the Ten Outstanding Engineering Achievements of 1976. The

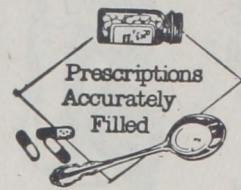

plant is one of three lignite-fueled plants that provide electricity for TP&L customers.

The Monticello plant is comprised of two 575,000-kilowatt generating units now in operation, and a 750,000-kilowatt unit to go into service in early 1978.

Projects receiving the award are those which, in the opinion of the Society, have contributed most to human and social needs. In addition to the Monticello plant, three other energy related projects and the Viking mission to Mars were included on the list.

The Society recognized Monticello for the innovation and foresight reflected in the plant's design and for the timeliness of the decision to build it. Planning for Monticello began before the price of natural gas began to spiral.

A racket is any form of making money without giving Nature does her best to persuade mankind that this is a worthwhile service in return, pleasant earth.
