NUMBER 9

Senator Lloyd Benisen calls attention to a study made at Washington University of St. Louis which concludes that government regulation of business cost the nation \$65 billion in 1976. The senator added that he intends to call a congressional hearing on the subject and try to determine whether something can be done about it. It can be assumed that most of the country — except perhaps the bureaucrats who do the regulating — would cheer Benisen for the effort and look eagerly for favorable results.

The \$65 billion referred to includes \$3 billion as the cost to taxpayers in supporting the federal regulatory agencies and the remaining \$62 billion is the cost to business and industry in complying with the regulations. Combined, the two figures represent an expenditure of \$300 for every man, woman and child in the country. Putting it another way, they are the equivalent of 3.6 per cent of the nation's Gross National Product.

It is hard to visualize such enormous expense until we realize that many of the bureaucratic requirements apply to millions of units. In the auto industry, for instance, there are emissions and safety standards which add substantially to the price of every vehicle. Also there are rigid requirements for clean air and clean water applying to smokestacks, industrial or municipal wastewater disposal plants and water treatment plants. Expense of installing and operating all that expensive equipment eventually has to be paid by individual consumers in higher cost of products or utilities or city services.

And of course, there's the initial expense of originating the regulations by Washington bureaucrats and the paper work of submitting compliance reports on all the requirements. One can reasonably assume that the combined paper-work task force of business and industry just to respond to bureaucratic demands, is considerably greater than the number of Washington regulators.

This is an unfortunate feature of the civil service system in government, which has become as much a problem as the evil it replaced. At one time we had the spoils system in which an incoming administration awarded jobs to faithful supporters, booting out the employees of the other party. It brought on a bad situation in which workers had no job security and government had decreased efficiency from inexperienced beginners at each change of administration.

The civil service act removed the problem and created the bureaucrats who are firmly entrenched in lifetime jobs conducting the business of government as a sort of unchangeable hierarchy. Laws passed by the legislature are administered by them in a manner calculated to make the job as big as possible. The bigger a department the bigger the pay and prestige of its heads.

Those extensive and snooty federal forms serve a definite bureaucratic purpose. They occupy a vast work force in dreaming up the forms and they occupy many more in processing the millions of reports that have to be filled out and returned by business and industry. One has to wonder who are the principal beneficiaries of all that paper work demanded by federal agencies. Is it we, the people, or they, the bureaucrats? Someone has suggested that the country would be ahead if the bureaucrats quit grinding out the regulations and reports and just lived up their fat pay. Incidentally, a recent survey shows that 59,000 government employees in the Washington area — almost 1 out of 5 — are paid \$30,000 a year or more.

As much as we resent the bureaucrats imposing on us, we have to admit that some of it at least is a necessary evil. A free society like ours is founded on self discipline. When we fail to respect the rights of other people, government has to take over the responsibility. The only trouble is that government so often becomes too demanding and we have to abide by regulations of ridiculous extreme. There's too much Naderism.

Computerized Operation of Bank Will Begin February 1

Computerized control of accounts will become effective at Muenster State Bank on February 1, also the bank's capitalization increased by \$204,000 in the past year and its deposits increased by \$1.2 million.

Those were the principal facts disclosed last week in the annual stockholders meeting of Muenster State Bank where a detailed account of the year's operation was presented.

In spite of increased expense, as well as increased income tax and other taxes,

Two Homes Are Big Fire Losses

Muenster volunteer firemen had a moderately easy year in 1977 with 22 fire calls as compared with 49 the year before. However losses were about as great as in '76.

Fire Chief Herbert Knabe said that the principal losses were the Berry Home at Roston and the Ed Hess home in Muenster, where the interior and furniture were destroyed but the frame and exterior were mostly intact. Another was the Pagel Store where the fire did little damage but loss from smoke was extensive, requiring a big fix-up, paint-up project and the sacrifice sale of smoke damaged merchandise.

Another alarm was for a premature homecoming bonfire. The loss was nil because the material was intended for that purpose and another stack was built for the scheduled event a few days later.

As usual, grass fires caused the majority of fire runs. Two were inside the city limit and a dozen were in the 'country. The biggest of those was a range fire of grass and timber in the Valley Creek area. It kept the firemen busy about 12 hours. Others were small blazes that usually required only a few minutes.

Muenster FHA to Collect for MOD

Cooperating with the March of Dimes Campaign, the Future Homemakers of America of Muenster High School are in charge of the Mother's March in Muenster.

The students will begin their campaign at 5 p.m. Monday evening, January 23, and will go door-to-door to request contributions to help stamp out birth defects.

Originated 40 years ago specifically to combat polio, its aims now include research, treatment and assistance in the field of heart disease, rubella, diabetes, and the RH factor, and other areas of birth defects.

City Gets \$1,383 Sales Tax Check

Muenster was one of hundreds of Texas cities receiving its first sales tax rebate of the year from Comptroller Bob Bullock this week. He sent out checks totaling \$18.5 million for the period ending January 5, 1978.

This city's check was in the amount of \$1,383.73 for total collections of \$1,440.84 less a 2% collection fee and 2% retained for contingencies. Cities with a net of less than \$500 had payment retained until the next period.

Also this week Bullock issued a statement reminding 250,000 retailers who remit sales tax collections quarterly that January 31 is the deadline for their next reports. Those remittances are due to be substantial, including much of the tax on Christmas sales.

Some other cities of the area receiving rebate checks were Gainesville, \$14,140.35; Lindsay, \$2,916.60; Nocco, 2,463.59; Pilot Point, \$608.10; Whitesboro, \$695.83.

Leon Bayer underwent surgery at Texoma Medical Center of Denison on Thursday, January 12, and was under intensive care until Sunday. He is making good progress toward recovery. Leon is the son of Mr. and Mrs. Alfred Bayer.

Rick Stewart Is Chief of Muenster Volunteer Firemen

Rick Stewart is the new chief of the Muenster Volunteer Firemen succeeding Herbert Knabe who has held the office for six years. Stewart moves up to the top position after serving six years as assistant fire chief.

He was elected last Thursday night in the department's annual election of officers. Others were Harvey Schmitt, the new assistant fire chief, Herb Knabe, trustee, and Tom Swirczynski, re-elected secretary and treasurer.

Knabe's trustee term is for three years. Also on the board are Henry Pels with three years remaining and John Yosten with one year.

As the new year begins the Muenster fire department has 21 members. They are Clinton Endres, Clyde Fisher, Earl Fisher, Mike Frost, James Gehrig, Alvin Hartman, Ervin Henschel, Tommy Herr, Henry Knabe, Herbert Knabe, Henry Pels, Harvey Schmitt, Ed Schneider, Rick Stewart, Thomas Swirczynski, James Vogel, Robert Vogel, James Voth, Rick Walterscheid, Robert Walterscheid and John Yosten.

After the election directors had an organizational meeting at which they elected officers as follows: J. M. Weinzapfel, chairman of the board; Herb Meurer, president; Earl Fisher, executive vice-president; Henry G. Weinzapfel, vice-president; John D. Meurer, cashier; Teresa Kaiser, assistant cashier.

Stockholders were advised that the bank will be completely set up for computer operation by February 1. Effective on that date customers will be expected to use personalized checks and deposit slips showing personal account numbers.

All members of the bank's board of directors were re-elected as follows: J. M. Weinzapfel, Herbert Meurer, J. W. Fisher, J. R. Dangelmayr, John D. Meurer, Earl Fisher and Henry G. Weinzapfel.

Discount Pharmacy, the community's newest business, started operation during the weekend following receipt of the last of several licenses and permits. Its location is that formerly used by the barber shop, in the Tom and Jerry Building.

The owners are Don Woodruff, Bob Pels and JD Hanna, who also own and will continue to operate Muenster Pharmacy in the Medical Center. Woodruff is in charge of the downtown store, Pels remains at Muenster Pharmacy and Hanna is the replacement for days off at both places.

22 Booths Planned For Mardi Gras

There will be 22 booths for fun and skill at the Mardi Gras on Sunday, February 5. Some of the new ones include "Fonzi Freeway", "Chuck-a-Chip", "Crazy Ball" and "Sucker in a Haystack".

Of the familiar booths there will be "Plants for Sale", "Goblet-Toss", "Cake Walk", "Country Store" and "Book Store" and many of interest to children.

Refreshments will be available. The Country Store is in need of items for its shelves, home baked and canned foods and hand-made pieces. More information may be obtained from Mrs. Ted Henschel, 759-4280.

General chairman for Mardi Gras are Messrs. and Mrs. Tommy Felderhoff, Julian Walterscheid, Rufus Henschel and Virgil Henschel.

Bewley Named on All State Team

Jackie Bewley, the sensational quarterback of the bidistrict champion Era Hornets has been named on the Texas Sports Writers Association's Class B all state team. He is the first team quarterback.

Bewley has a great record in his three year career at Era including 2809 yards rushing and 1781 yards passing. As a senior he scored 114 of his team's 409 points.

Mark Miller, son of the W. J. Millers returned to school Tuesday with his broken left leg in a cast, hip to toe, the result of a fall on ice Saturday.

The next time a Yankee criticizes the South, ask him if he ever heard of anybody retiring and going North.

4 Cowboys Report For Surgery at Muenster Hospital

A portion of the price for last Saturday's victory by the Dallas Cowboys in Superbowl XII is being paid this week at Muenster Memorial Hospital. Four members of the team are here for repair of injuries that were sustained or worsened in their very physical encounter with the Denver Broncos.

The report is that more expect to come later to have their team physician, Dr. Marvin Knight, start their off-season healing process.

Present patients are Roger Staubach for surgery on his right index finger, Butch Johnson for surgery on his right thumb, John Fitzgerald for surgery on his right knee, and Randy Hughes for surgery on his right foot. Staubach and Johnson had operations Wednesday, Fitzgerald and Hughes will have theirs Friday.

Before the earth moving job has been started for the athletic field program at Muenster Public School, the trustees are preparing to start on the next phase of work.

They advertised this week for bids on building an all weather track surrounding the future football field. If all goes well they expect to have the new track ready for the coming season.

The program consists of moving fill-in dirt from the west and north to establish a higher level for the track and football field and route drainage water around both sides. Equipment has been here two weeks while the job is delayed by weather. Building the track will have to await completion of this work, however bids for it are scheduled to be opened on February 9.

Frank Scoggin Seeks Re-election

Frank Scoggin, county clerk of Cooke County, has authorized the Enterprise to announce that he is a candidate for re-election subject to the Democratic Primary.

His formal statement will appear in a later issue of this newspaper.

Larry Sullivant Seeks Re-Election As District Judge

Larry B. Sullivant, district judge of the 235th Judicial District, including Cooke, Wise and Jack Counties, as authorized the Enterprise to announce that he is a candidate for re-election subject to action of the Democratic Primary.

His formal statement to voters will appear in a later issue of The Enterprise.

Home-School Meeting

The SHS Home-School Society will meet on Tuesday, January 24 at 8 p.m. in the Sacred Heart High School. David Bright will speak on the Muenster Lake Project.

Cookbooks Coming

Friends of the Library are happy to announce, that, at long last, the cookbooks "Cooking With Friends" are enroute from the shipper, according to notification, on January 11.

The books will be offered for sale at the Muenster Public Library. Sponsors stress that it is not necessary to phone or reserve a copy.

St. Anne's Sponsors Recollection Day

A "Day of Recollection" sponsored by St. Anne's Society of Lindsay, will be held on the first Sunday of Lent, February 12 in the Parish Hall, 1-5 p.m. closing with Mass in St. Peter's Church.

Father Babb, S.J. of Montserrat Retreat House, Lake Dallas will speak.

Lindsay St. Anne's members are inviting neighboring women to attend. Mrs. Clara Hermes is president of the sponsoring organization.

Meeting Postponed

The Hospital Auxiliary meeting, originally scheduled for this week Thursday, has been postponed until Thursday, January 26 at 7:30 p.m. in the hospital meeting room.

Community Covered By 4 Inches of Snow

The second and more severe siege of Winter in two weeks came to Muenster Wednesday with a 4 inch blanket of snow that brought local activity practically to a halt.

As a result both schools are closed, along with all others of the county. In fact, school is out all over North Texas and the Metroplex, according to Thursday radio reports.

Also, like business over a wide area, Muenster's dress factory and livestock auction are shut down, and business activity is down to near zero at other places in town.

Driving is slippery but can hardly be classified as hazardous. Though the traffic moves at a snail's pace, there have been no accident reports up to 8 a.m. Thursday.

Almost all of the snow fell Wednesday afternoon, and, fortunately there was only snow. The dreaded freezing rain predicted in weather reports did not arrive. But the cold weather came as expected. Tuesday morning's reading of 12 was the lowest, and Thursday's was 19. According to Steve Mosler's record, the lows of the week have been below freezing except a balmy 47 at Monday's 7 a.m. reading, but that was followed by a plunge later in the day to the 12 which showed at 7 a.m. Tuesday. Low-high readings of the week were as follows: 12th 29 & 34, 13th 21 & 47, 14th 18 & 37, 15th 26 & 37, 16th 47 & 53, 17th 12 & 30, 18th 23 & 30, 19th 19.

Meanwhile moisture is improving little by little. According to Steve Mosler's report the 4 inches of snow measures .4 inch in moisture, which brings the January total to 1.16 inch.

More snow is expected, according to the 8 a.m. forecast. However it will have to near double the present depth to match last January 30, when the snow measured 7 inches.

Bids Invited for Construction of All-Weather Track

Before the earth moving job has been started for the athletic field program at Muenster Public School, the trustees are preparing to start on the next phase of work.

They advertised this week for bids on building an all weather track surrounding the future football field. If all goes well they expect to have the new track ready for the coming season.

Equipment has been here two weeks while the job is delayed by weather. Building the track will have to await completion of this work, however bids for it are scheduled to be opened on February 9.

Quilters Needed

Several members of SNAP have begun quilting again on Tuesdays and Thursdays, after a rest during the holidays. They have a quilt up now and have several more scheduled. The ladies are requesting help from others who enjoy quilting and urge them to join them.

Promotion Under Way for Biggest German Fun Run

The Third Annual German Fun Run, sponsored by Muenster Knights of Columbus, is beginning to shape up. Chairman Dan Hamric is getting started on an extensive distribution of information sheets and entry forms which hopefully will attract 1000 participants.

The goal, though ambitious, is not regarded as out of reach. There were 251 entries in the first race two years ago, and there were 569 last year. After only two years it ranks as the third largest event of its kind in Texas, and local enthusiasts are pushing hard to make it Number 1.

Reports coming back here are that the Fun Run is known and interest is growing in all of the state's big runs. Moreover local runners, especially Ronnie Hess and his running companions, are spreading the word wherever they go. Hess said that good reports from runners who have been here are also a big help to the event.

The German Fun Run, which will start at 2 p.m., Sunday, April 30, is a 15 kilometer race over paved and unpaved roads. It will be the principal feature of the Ger-

District Manager Named for TP&L Gainesville Office

Thomas G. Parsons, of Rockwall, has been named district manager in Gainesville for Texas Power & Light Company, Robert Campbell, TP&L president, announced.

Parsons succeeds Michael Arrington, who has assumed duties as TP&L district in Carrollton-Farmers Branch.

A native of Waco, Parsons has served as TP&L manager for the Rockwall-Royse City area since 1976. He joined TP&L in 1964 as a customer service representative in Irving, and later worked in Lufkin, Waco, Tyler and in TP&L's marketing office in Dallas.

Parsons attended Tarleton State University in Stephenville and received a BBA in Management and Economics from Baylor University in 1964. He has done graduate work at Southern Methodist University.

Active in the Methodist Church, Parsons was President-elect of the Rockwall Rotary Club, a director of the Rockwall Chamber of Commerce, and a vice-president of the Royse City Chamber of Commerce.

He is married to the former Marilyn Smith of Waco. They have two daughters: Melanie, 15; and Dawn, 13.

Muenster Mutual Shows Continued Growth in 1977

A very successful year, though slightly above average in losses, was reported Monday at the 83rd annual general meeting of the Muenster Farm Mutual Fire Insurance Association.

Ed Endres, secretary, told 44 delegates of the five districts that the association had experienced gains in membership and total insured valuation as well as a gain in assets. Also the sum of losses and operating expense was higher than usual but still considerably below the total assessments.

The losses from fire, lightning, storm and vandalism amounted to \$29,404.21, as compared with \$9,773 in 1976. Other items of expense increased total disbursements to \$73,022.75. Included in those items are salaries and expenses of officers and appraisers, postage, printing and expenditure of \$27,021.48 for catastrophe and re-insurance.

The cost of insurance per \$100 of insured valuation was 26 cents, as compared with 11.6 cents in 1976. Some other costs of recent years were 43.5 cents in 1972, 15.5 in 1970, 15 cents in 1969 and 26 cents in 1968.

Total income for the year was \$127,551.58, which is \$54,528.23 more than total disbursements. The principal item of income was \$76,289.82 from assessments of 35 cents per \$100 of insured valuation. Premiums account for \$17,976.11 and interest for \$30,438.18. The year's gain added to previous assets accounts for the present \$462,759.72 in cash and reserves. This amount is slightly below the state insurance commission's recommendation of 2 per cent of total insured valuation.

Total insurance in force now is \$26,051,385, a gain of \$4,976,440 during the year.

Total membership of the association is 1104 a gain of 101 during the year. They have 1364 policies, a gain of 89.

Still aiming at the recommended 2 per cent ratio of reserves to total insurance, the delegates voted to continue their 35 per cent assessment. Under normal conditions it should be enough to get near the goal.

All directors were re-elected for another year. They are J. A. Klement, president, Al Walter vice-president, Victor Hartman, treasurer, Ed Endres, secretary, and Alfred Bayer.

Delegates represented districts of Muenster, Lindsay, Electra, Windthorst and Valley View.

Housewarming at Paul Dangelmayrs

A surprise party in the new home of Mr. and Mrs. Paul Dangelmayr had two honorees who were doubly surprised Saturday evening, January 14. Guests arrived at 7:30 to honor the Dangelmayr family with a housewarming and to honor Mrs. Tony Klement on her birthday.

Family members brought covered dishes for a bountiful buffet supper and neighbors and friends joined them for a group of about 50 guests. Special guests were Mr. and Mrs. Jake Horn of Windthorst. Guests visited, toured the new home and enjoyed seeing movies of the house under construction.

There were gifts for both honorees and two decorated cakes, one for the birthday, one for the housewarming.

Sunday noon family members were together again in the Paul Dangelmayr home, joined by the Horns and also Mr. and Mrs. Harold Schmitz of Lindsay. There were card and domino games in the afternoon.

Honored Students

On January 12, 1978, the faculty of Sacred Heart High elected Mr. and Miss Sacred Heart. Nominees were chosen on Leadership, Scholarship and Good Moral Character. The highest honor that can be bestowed on a student is to be named Miss or Mr. Sacred Heart. To receive this title a student must possess the qualities of leadership, scholarship and good moral character.

"Since they are the epitome of what Sacred Heart High School is, Miss and Mr. Sacred Heart must be true to their Alma Mater's precepts at school, at home, everywhere."

Selected were Mary Margaret Rohmer, daughter of Mr. and Mrs. Arnold Rohmer and Lloyd Reiter, son of Mr. and Mrs. Wilfred Reiter. Nominees were Brenda Voht, Shelta Qualls, Carolyn Luke, Janet Krahl, Dan Walterscheid, Bernie Fette, Gary Rohmer and Gene Yosten.

An auction will be held on February 27 for Slave Day. Seniors will have first bids on freshmen. On February 28 freshmen will serve as slaves and seniors as their masters.

Gina Hofbauer was elected reporter for the Student Council.

Paul Bartush and Bernie Fette were appointed to present design ideas and cost analysis for a bulletin board to be placed in front of Sacred Heart High School.

Fr. Placidus was honored at a special liturgy Friday celebrating his namesday. The entire student body of both the grade and the high school were present.

His work as the Pastor of the Parish, his loving care for the sick, his building of the Community Center, and his love for golf were cited as some of the many things he has done not only as pastor of Sacred Heart Parish but also as the Superintendent of Sacred Heart School.

The High School Chorus led the congregational singing. The High School Liturgy Committee planned the Mass.

Frank Luke announced that the Subiaco Academy Men's Chorus will present a concert Sunday, March 5, in the Community Center. This will be the first time the Chorus has performed in Muenster.

Work continues on Sacred Heart's spring musical. "Olivier" will be presented March 10 and 12 this year. Mrs. Joan Larson and Frank Luke are co-directors of the musical.

The Senior class had a bake sale Tuesday, Jan. 10, at the dress factory. The money raised will go to the cost of their Senior retreat, Feb. 17-18 at Montserrat. Graduation invitations and remembrance books were ordered. Senior pictures will be taken February 6th. With the arrival of the annuals, the senior class plans to have an annual signing party.

The Junior class has decided to sponsor a few volleyball tournaments to collect money for the prom. They have had a few dances and plan to have another disco-dance some weekend in February. They are working hard to make a successful prom, which is their current goal for the year.

The Sophomore class has been busy lately trying to decide on different ways to make money for next year's prom. They have a number of volleyball tournaments to raise money.

For the past several weeks the Freshmen have been working on ways to raise money. The Freshman boys have been picking up rocks for different people; the girls have been picking up pecans.

Student Council
 The Sacred Heart Student Council is making plans for future events. There will be an election on February 13 for Mr. and Miss School Sweetheart. The two winners will each receive a \$5.00 gift certificate to the Dairy Inn. A corsage will be presented to the girl named.

Dr. Don Merki will speak on February 21 on Drugs, Sexual Behavior and Problems Facing Young Adults.

4-H Club News

The Muenster Community 4-H Club met January 10 at 7:30 p.m. in the TP&L Building. Carmen Flusche and Donna Wolf led the opening song. Assistant Home Demonstration Agent Karen Gillman introduced the new Assistant Extension Agent Bill Claxton. He showed slides of Kingstone and South Texas and they taught a new game with words. Claude Flusche is the reporter for the group.

Two Travel in Spain

Mrs. Hilda Self and Mrs. Mary Kappas joined a tour group for a holiday visit in Spain, and saw the New Year in by observing another culture in the South of Spain. They viewed the great Rock of Gibraltar and went by ferry to Tangier. They sailed through the Strait of Gibraltar and walked through the narrow streets of the Kasbah, the older, native quarter of Algiers. The two thought the Moroccan dancers and drummers were very good. They also had an opportunity to ride a camel but declined.

Among the more unusual sights was the cork forest in Spain. They were told that cork comes from bark of the cork tree. It grows to a one inch thickness in 7 years, then is stripped and allowed to grow again.

The group visited Granada and the Alhambra, a splendid example of Arab architecture. They also visited the tomb of Ferdinand and Isabella. They went to Malaga, a seaport in Southern Spain on the Mediterranean and visited the 16th century cathedral that took 250 years to build.

In every town, the Bull Ring was shown to them, with pride. Mrs. Self said Ronda was very mountainous and very beautiful. Spain has many almond, olive, lemon and orange groves. The orange trees were loaded with fruit. Some sugar cane is also grown there, also wine-grapes, wheat and barley.

The tour group was shown where beautifully inlaid wood tables were built. The Spanish also excell in making leather goods, coats, shoes and purses etc.

Included in the tour was also a bit of the night life of Torremolinos. A sidelight on the economics of Spain indicated several

items the group found of interest. Cars are very small — gasoline sells for \$2.40 per gallon. Farm land sells for \$3,000 per acre. The average salary is \$300 a month. Sugar sells for 50c a pound. Beef is very expensive. So they eat a lot of pork and chicken. The average rainfall is 4 1/2 inches — however in 1977 the total was 20 inches.

The tour arrangements were made by All World Tours. Mrs. Self and Mrs. Kappas stayed at the Ataloya Park Hotel in Costa Del Sol, Spain and after 9 days the group returned to D-FW.

Cler Baptism

Elizabeth Rose, infant daughter of Mr. and Mrs. Charles Cler was baptized in Sacred Heart Church on Sunday, January 8 at 2 p.m.

Father Placidus Eckart officiated and god-parents were the baby's grandparents, Mr. and Mrs. Werner Cler. Also attending were the maternal grandparents Mr. and Mrs. C. William Hermes of Hood. All were guests in the Werner Cler home for an informal family gathering following the baptismal service.

Police Officer: "I say, Miss, did you see this terrible smash-up?"

Ravishing Red-Head: "No, officer, I didn't. I was bending over at the time to pick up a bus token I had dropped."

Why is Texas Power & Light asking for a rate increase?

On December 21, 1977, Texas Power & Light Company applied to all incorporated cities and towns it serves and to the Public Utility Commission of Texas for authority to increase its rates for electric service. The rate schedules will result in an 18.4 per cent increase in the gross revenues of Texas Power & Light Company.

In coming weeks, our application will be under consideration by the cities and towns served by the Company and by the Public Utility Commission. Texas Power & Light wants you to know why we are asking for this rate increase.

1 TP&L MUST CHANGE THE FUELS NEEDED TO PRODUCE ELECTRICITY FROM NATURAL GAS . . .

1. The State of Texas requires a phase-out of the use of natural gas for generation of electricity. It appears that Federal law may require even faster phase-out than required by State law.
2. Gas supplies are limited.
3. Rising cost of gas: Our average cost in 1975, \$.89 per million BTU's in 1976, \$1.23 per million BTU's, in 1977, \$1.45 per million BTU's

... TO LIGNITE AND NUCLEAR POWER

1. A large supply of lignite is available in Texas.
2. Lignite is cheaper. Average cost in 1977 was \$.42 per million BTU's.
3. The use of lignite instead of gas saved our customers \$87 million in one year.
4. The future also favors nuclear power as a cheaper means of producing electricity. First nuclear unit in 1981.

2 TP&L MUST BUILD MORE ELECTRICITY PRODUCING PLANTS

1. Our customers are increasing at the rate of about 20,000 per year, and . . .
2. The demand for electricity will double in 10 years.
3. Plants using high-priced natural gas must be phased out, held for peak-use periods, or rebuilt to use coal.

3 THE COSTS OF NEW PLANTS ARE INCREASING

1. Today, lignite plants cost 3 times as much as gas-fueled plants:
in 1972, \$135 per kilowatt
in 1975-80, \$275 per kilowatt*
in 1980-85, \$477 per kilowatt*
2. Nuclear plants cost 6 times as much as

- gas-fueled plants:
in 1980-83, \$740 per kilowatt*
3. Our construction costs have increased from \$64 million in 1968, to \$279 million in 1977, to \$325 million in 1978*
*estimated

4 TP&L MUST INSTALL COSTLY POLLUTION-CONTROL DEVICES

1. Government regulations now require pollution-control devices that cost millions of dollars.
2. On a new plant in 1972, anti-pollution devices cost \$2.50 per kilowatt. Today, these costs have jumped to \$59.40 per kilowatt.
3. On four units now under construction, cost of anti-pollution devices will be \$178,000,000.
4. Anti-pollution devices increase generating costs 15 to 20%.

5 TP&L MUST STAY FINANCIALLY STRONG IF WE ARE TO PROVIDE FOR THE FUTURE, BUT . . .

1. Interest coverage (earnings available to pay interest) is down from 6 times in 1968 to 3.7 times in 1977.
2. Average interest cost is up from 4.3% in 1968 to 7.6% in 1977.
3. Rate of return on investment is not adequate.

TP&L'S PRESENT RATES WILL NOT SUPPORT . . .

- COSTS TO MEET INCREASING CUSTOMER DEMAND FOR ELECTRICITY
- CONSTRUCTION COSTS NECESSARY TO CHANGE FUELS USED TO PRODUCE ELECTRICITY
- AN ADEQUATE RETURN ON INVESTMENT, NOR A RETURN NECESSARY TO ATTRACT NEW INVESTMENT DOLLARS

SH Teams Drop 2 at Notre Dame

After completing the first round of their district schedule, the basketball teams of Sacred Heart are out of contention. The Tigerettes lost all three of their games and the Tigers lost two of three.

Playing Notre Dame at Wichita Falls Tuesday night, the SH girls were outscored in three quarters and came out with a loss of 72-52. Shelta

Qualls was top scorer with 31, Sharon Grewing added 13, Monica Gehrig 6 and Gina Hess 2.

The Tigers lagged behind by just a few points in each period amounting to a 13 point deficit at the end. Scores were 14-10, 26-20 37-28 and 60-47. Joe Hoedebeck led the scoring with 15. Glen Walterscheid made 10, Ken Felderhoff 8, Mel Walterscheid 8, Ken Hartman 4, Angelo Nasche 2.

5 Junior Teams Play in Tourney

Muenster schools have five teams in the current junior high tournament at Nocona and only one of them is in the champ bracket. Sacred Heart girls beat Goldberg 16-4.

In the other openers SH boys lost to Goldberg 27-13, Muenster B boys lost 26-8 to Prairie Valley, Muenster A boys lost 32-14 to Montague and Muenster girls 19-12 to Montague.

SH Juniors Lose 2 to Notre Dame

Junior Varsity boys of Sacred Heart got close but had to settle for a two point loss in overtime to the Notre Dame kids here last week. Junior High boys were less fortunate, losing by 8 points.

The JV Tigers got a bad start, trailing 18-5 at the quarter and gained in the next three, still trailing 28-21, and 33-29 before tying it 42-42 at the end of regular time. But momentum did not extend to overtime, and they lost 46-44.

Mark Nasche made 17, Mel Walterscheid 15, Craig Walterscheid 5, Brian Bednorz 4 and Brian Bindel 2.

Junior High also made a slow start for a 13-7 first quarter deficit. After that they played about even, keeping the deficit at 21-13, 25-16 and 29-21.

Point makers were Brian Herr 7, Gene Fuhrmann 4, Greg Walterscheid 3, T. J. Walterscheid 2, Britt Smith, Hal Mollenkopf 2, Darrell Herr 1.

Six Birthdays Observed at SNAP

Six members of SNAP were honored during the birthday observance for January, on Tuesday afternoon in the Community Center. A lovely birthday cake was served to 51 senior citizens who also attended the noon luncheon.

Honorees were Mrs. Rosie Walterscheid, Joe Hoenig, Alphonse Hoenig, Mrs. Matt Muller, Mrs. John Kupper and Mrs. John Fleitman. Table games followed until 5 p.m.

JV Teams Take Two From Callisburg

Junior varsity teams of Muenster High won both games in their twin bill with the Callisburg JV's on the MHS court Monday night. The Hornets took a close one, 38-34, after which the boys won big, 49-28.

Muenster girls had to hustle all the way to hold a slim margin of 10-6, 16-14, 26-24, and finally 38-34. Their scorers were Julia Bright 11, Renee Wilde 11, Wanda Schneider 4, Judy Walterscheid 3, Norma Richardson 2, Toni Dittfurth 2, Glenda Sicking 2, Judy Dittfurth 2 and Cathy Flusche 1.

The junior Hornets led 8-4 at the first quarter, jumped to 24-9 half time lead, and kept gaining to 33-16 at the third and 49-28 at the end. Top scorer was Floyd Felderhoff 16, then Mark Felderhoff 12, Ricky Winn 8, Todd Richey 8, Kevin Klement 4, Glen Fisher 1.

Public School Happenings

Nominees for membership in the Society of Distinguished American High School Students have been selected by Mr. Winn, principal, from the senior, junior and sophomore classes. Those receiving the "Outstanding Student

Award" will have their names published with other outstanding students from over the nation and become eligible for scholarships to a chosen college. Prime purpose of the Society is to honor and reward top achievers from every high school of the nation.

A notice was given to students who took the October 1977 PSAT-NMSQT test. The

Muenster Public JV boys and girls had a basketball game Thursday evening January 12 at 6:00, with Callisburg's JV boys and girls.

PSAT-NMSQT mathematical score label on the score reports mailed to schools were discovered to be incorrectly placed on the 20-80 score scale. All the verbal scores were correctly reported. The mathematical scores of 58 or higher were not affected by the error and there was no change. If the mathematical scores were between 21 and 57, the score reported was 1 to 4 points lower than it should have been. The revised scores were provided to the National Merit Scholarship Corporation and all other organizations that use PSAT-NMSQT scores.

The Biology class instructed by Mrs. Nancy Perryman will begin a dissecting project soon. The subject will be fetal pigs. The pigs are preserved in formaldehyde; this also protects the students from any contaminants the pigs might possess.

The Muenster Public School Health class was offered extra credit work to earn four points added to their grade. Students are doing reports on many types of diseases.

FHA officers of Muenster High School met at 12:15 noon Tuesday, January 10 and decided to set a date for the Mother-Daughter banquet.

Coach Stinson, head of the tennis teams for the 1978 season, conducted a meeting on Tuesday, January 10. Those wishing to play signed up. Eliminations will be held later for doubles and singles teams. Coach Stinson told the students to begin practice early.

ment has been brought to Muenster Public School to begin work on the new football field and track. The equipment is ready and waiting to begin, but has been delayed by weather conditions.

Muenster Hornets and Hornets will host the Archer City Wildcats and Wildcatettes Friday, January 20 at 7 p.m. in the Muenster High School Gym. This is the third District game for both teams.

Muenster High scheduled a game with Petrolia Varsity boys and girls played Friday, January 13 at 7 p.m.

Students who will enter prose and poetry have been practicing for their meet in Pottsville, January 25. They are also practicing for the future district meet in the Spring.

Book Reports will be due February 1, 2 and 3, Wednesday, Thursday and Friday and will be given orally. Ninth and tenth grades were assigned biographies.

Fly to Houston
Mr. and Mrs. Joe Horn have fond memories of Christmas holidays spent in Houston with their daughter and family. Mr. and Mrs. Paul Deltz and Terry, Carole, Michael and Sharon. Other guests were the paternal grandparents, Mr. and Mrs. John Deltz of Galveston and Paul's 93 year old Great-Aunt Annie and his uncle and aunt, Mr. and Mrs. Gustaf Sonni of Galveston. Mr. Sonni is a retired sea captain.

Local News BRIEFS

Guests of Mr. and Mrs. Ed Cler last week Tuesday through Friday were Mr. and Mrs. William Scully of Seattle, Washington, who are parents of the Cler's daughter-in-law, Mary, Mrs. Gary Cler. The Scullys were enroute to Midlothian to visit relatives after vacationing since November in Nebraska and Iowa.

Weekend guests in the home of Coach and Mrs. Eddie Stock were her parents, Mr. and Mrs. Dale Quinn of Dallas.

Mr. and Mrs. Al Yosten were in Dallas Sunday as dinner guests of their daughter and family, the Dan Phillips. Other guests were Mr. and Mrs. Homer Savage of Garland.

Mr. and Mrs. Al Swirczynski of Mesquite and their daughter and son-in-law, Mr. and Mrs. Virgil Doty of Dallas were recent guests of Mrs. Aggie Yosten at St. Richard's Villa and also visited with the Joe Horns.

On January 7 Mr. and Mrs. Walter Bartel and family Marceline, Lorene, Timmy, Terry, Juline and Bernice moved into their new home constructed recently west of town.

New residents at St. Richard's Villa are Mrs. J. S. Hogan of Amarillo, mother of Mrs. Richard Cain, and Mrs. Willie Fuhrmann of Lindsay.

Guests of the Joe Horns Sunday afternoon were Mr. and Mrs. Jake Horn of Windthorst, who also attended a housewarming and surprise party in the Paul Dangelmayr home.

Picture Framing Program Seen at HD Club Meeting

Mrs. Evelyn Yeatts, County Extension Agent, presented a program on Framing Pictures and handmade items such as needlepoint and embroidery, during the January home demonstration club meeting in the home of Olivia Wimmer. The hostess displayed a beautiful needlepoint landscape created by her daughter, Mary Cain. She also showed a king size quilt top which she made.

During the business meeting, presided by Rose Rohmer, the club prayer, pledge to the flag, minutes and treasurer's report were given. Announcement was made of bake sales on March 11 in Muenster and Gainesville as a benefit for the 4-H scholarship fund. All members of each home demonstration club in Cooke County will be

asked to donate baked goodies for this project.

Roll Call was answered by 11 members and one new member, Wanda Flusche, who

was welcomed into the club. The hostess served a refreshment plate of chicken salad sandwiches, cake and coffee to the group.

Burleson to Give USDA Yearbooks

Congressman Omar Burleson is pleased to advise that he has on hand in his office in Washington a number of miscellaneous Department of Agriculture Yearbooks for past years, some as far back as 1946. The Congressman indicates he will be pleased to send these Yearbooks to anyone requesting them, on a first-come-first-serve basis. Although volumes for each year are not available, every effort will be made to provide those requests. Those interested may write to: Congressman Omar Burleson, U. S. House of Representatives, Washington, D. C. 20515.

Beta Kappa Will Sponsor Pageant

Beta Kappa Chapter of ESA will sponsor the Miss Muenster Pageant for German Week. Members agreed during their December meeting in the home of Mrs. Gerry Caldwell of Forestburg and will announce more information soon. Members discussed the ESA District meeting scheduled for January 8 at Green Oaks Inn of Fort Worth and made plans to attend.

Mrs. Barbara Felderhoff presented a program on Blood Pressure, discussing effect on health, warning signs of hypertension and high blood pressure, medication and techniques of control. After adjournment the hostess served refreshments in the holiday manner.

McCoy Baptism

The infant son of Mr. and Mrs. Peter McCoy, Joseph Ronald, was baptized in Sacred Heart Church on Saturday, December 31 at 5 p.m. with Father Placidus officiating. Baptismal sponsors were the baby's great-aunt Marla Magalena Espinosa and the uncle Jose Ignacio Gonzalez, both of Mexico City. Mr. and Mrs. Rufus Henscheid acted by proxy.

Others attending were Joseph Ronald's grandmother Mrs. Ronnie Hoagland, his parents and brother Martin. The group was together for dinner at Rohmer's following the church service.

Trachta Baptism

Michelle Dawn Trachta, infant daughter of Mr. and Mrs. Tom Trachta was baptized Saturday, January 7 at 4 p.m., with Father Placidus officiating in Sacred Heart Church. Her god-parents were an uncle and aunt, Mr. and Mrs. Jack Flusche. Michelle Dawn wore the same christening gown as her brother, Travis. It was a gift from the paternal grandmother, Mrs. David Trachta. Attending the rites were the maternal grandparents Mr. and Mrs. J. P. Flusche, Mrs. David Trachta, the baby's parents and brother, Travis.

"A floater policy - whatzat?"

It's insurance on expensive items that you may carry with you, such as jewelry, furs, cameras, musical instruments and the insurance coverage 'floats' with the item. Available from FMW Agency a floater policy provides coverage against theft, loss, or accident damage.

YOU CAN BANK ON IT!

The world's most notorious robber still is at large. He may be here - or headed here. His name is Carelessness.

The bank will help protect you from this brazen bandit - even when you must carry large amounts of money. By issuing travelers checks, the bank assures that your money is fully protected while you still have total access to it wherever you are. A \$10 travelers check is a spendable as a \$10 bill, but if it is lost or stolen you are reimbursed. Because a travelers check issued to you is worthless to anyone else. Each check is signed when it is purchased, and signed again when used.

The checks are as good as cash at most any place of business by the simple comparison of the two signatures. And they are acceptable all over the world. If any are lost, simply notify the nearest agent - usually the local bank. You will be promptly reimbursed... you can BANK on it!

I'M CONVINCED... THIS IS REALLY GREAT WALL PAINT.

It looks great when you put it on, and it stays that way. The colors match, and they don't fade or yellow. I've scrubbed it with scouring powder, and the paint stays put, while all the dirt marks I added came off.

If you want your next wall painting project to be fast and easy, look great, and stay that way... try Satin-Tone, by Colony Paints.

Sherrill Sisters On Hawaiian Tour

Sending New Year's greetings this year from Hawaii were Mary Anne and Vickie Sherrill of Myra. They were members of a group of 10 girls, students of Bishop Lynch High School of Dallas, accompanied by one sponsor and one grandmother.

On December 26 they flew on a 747 Braniff through to Honolulu and visited three islands, Hawaii, Maui and Oahu, touring the Arizona Memorial, Diamond Head, the Punch Bowl, a Mu Mu Factory and shopped at the International Market Place. They also swam and surfed on Waikiki Beach.

Vickie Sherrill was enjoying her first plane ride. The weather was usually about 80 degrees and beautiful flowers were everywhere.

Mr. and Mrs. Charles Sherrill and Sally saw them off at D.F.W. Sister Kateri La Von of Bishop Lynch was the school representative.

Fat Stock Show Starts January 25

The 82nd annual Southwestern Exposition and Fat Stock Show will begin Wednesday, Jan. 25, but the show-sponsored All-Western Parade in downtown Fort Worth will be held at 2 p.m. Friday, Jan. 27.

"We have added two performances to the World's Original Indoor Rodeo and two days to livestock judging," reported W. R. Watt Jr., president-manager, "but our parade will be continued on the traditional Friday."

The parade is the world's largest all western trek, in that motorized vehicles are not allowed to participate. Only horse drawn vehicles, saddle sitting riders and marching units are found in the lineup.

Parade chairman Chuck Shytles said the parade will assemble at the west parking lot of Dillard's Department Store near the Trinity River. The route will be from the parking lot to the Tarrant County Court House, south

on Houston to 7th Street, east to Main and north to the court house.

In all, the parade is about two miles and current indications are that the march to finish will take about two hours.

Tickets for the Rodeo are available at the box office in Will Rogers Coliseum lobby from 9 a.m. until 6 p.m. daily, including Sunday. All seats are \$4 each, with good tickets remaining for 15 of the 22 rodeo performances. Watt said best seats are available for the rodeos during the week.

Special rodeo entertainer this year is Judy Lynn from Las Vegas. She and her band are back by popular request, having performed at the rodeo here several times.

Over 700 cowboys will be contesting for a rodeo purse exceeding \$165,000. The stock will be provided by the Mike Cervi Championship Rodeo Co. of Sterling, Colo., the world's largest rodeo stock contractor.

The most economical source of vitamin B1 in the food supply is potatoes.

Planting a Tree Urged to Observe Texas Arbor Day

Why not plant a tree on Texas Arbor Day, January 20? Future generations will thank you for doing so. "There is no better way we can aid in preserving our environment than by planting a tree adapted to our area of this great state," says Everett Janne, horticulturist with the Texas Agriculture Service.

Trees are valuable for other purposes than to provide lumber and shade. Tree barriers can reduce noise levels as much as 50 percent. They also serve as giant air cleaners, filtering out dust as well as using carbon dioxide in the air to produce the lumber and shade we need.

The horticulturist stresses that "we should initiate programs in our community to plant trees in home yards, parks, public grounds and many of the so-called waste lands," . . . and "for permanent plantings, select oak, pecan, cedar, bald cypress, Oeod cedar and similar species.

Texas Arbor Day occurs in the prime tree planting season, when cold, usually moist soil allows tree roots to become established before top growth occurs.

SW Tractor Pull And Farm Show Set March 10-12

Champion tractor pullers from across the nation will converge on the Tarrant County Convention Center March 10, 11 and 12 for the 7th annual Southwest Championship Tractor Pull.

Modified, super stock and stock tractor pullers will compete for more than \$30,000 in prize money before expected sell-out crowds.

According to R. B. Allen, Executive Vice President of the Southwest Hardware and Implement Association, sponsor of the event, over 27,500 fans attended the pulls last year to cheer for their favorite tractor.

The pulls are held each year in conjunction with the Southwest Farm Show, which is free and will feature millions of dollars of the latest farm and ranch equipment for Southwest crop and livestock producers.

SH Sweeps Pair With Thackerville

Varsity basketball teams of Sacred Heart made a clean sweep of their double header with Thackerville Friday night on the SH court. Tigerettes started the good work with a come-from-behind victory of 62-58, after which the Tigers won by a more comfortable count of 54-44.

With a strong start, SH girls took a 17-5 first quarter lead, then turned cold and ended the half trailing 31-30. Third period was better for a 47-43 deficit, and finally they got re-organized and sailed to the 62-58 happy ending. Shelta Qualls hit 28 points, Sharon Grewing 22 and Monica Gehrig 12.

The Tigers gained slow and steady in the first two periods for leads 14-10 and 26-18, then went cold in the third allowing their visitors to take up most of the slack and trail by only 36-34. The fourth period was a dandy in which SH took charge and gained to the 54-44 win.

Tiger scorers were Glen Walterscheid 19, Joe Hoedebeck 10, Gary Rohmer 8, Ken Felderhoff 6, Ken Hartman 6, Danny Walterscheid 2, Angelo Nasche 2, Mel Walterscheid.

MHS Callisburg Split Twin Bill

Muenster High teams broke even at Callisburg Tuesday night in their second encounters of the 13-A basketball race. The girls lost 45-37 and the boys won 68-43.

After trailing 15-10 at the first quarter the Hornets had a hot second for a 24-19 half time lead, then the home team started gaining. MHS still led 32-31 at the third quarter but it was Callisburg 45-37 at the end. Robin Walterscheid scored 27, Lou Dyer 8 and Sandy Schneider 2.

The Hornets led 15-6 at the quarter then Callisburg gained gradually, tying it at 23-23 early in the third. From there on MHS was in high gear and roared away to the final lead of 68-43.

David Felderhoff poured in 26 points, Todd Richey 18, Lenzy Dyer 15, Nick Walterscheid 5, Neil Walterscheid 2 and Kim Walterscheid 2.

Ending the first two encounters, Muenster boys have a standing of 1-1 and the girls are 0-2. In other standings Archer City and Holiday lead both divisions with 2-0. Both Petrolia teams are 1-1, both Lindsay teams are 0-2, and Callisburg has 1-1 for the girls, 0-2 for the boys.

Next on schedule for the Muenster teams will be Archer City here Friday and Lindsay here Tuesday.

Lose 2 to Lindsay

Sacred Heart junior teams were two time losers in games with Lindsay. Junior High boys lost 37-21 and Junior Varsity lost 44-38.

After an 8-8 first quarter Lindsay JV's gained to 18-14 at the half, held on for the close lead of 27-26 at the third period, and gained again for a 44-38 win. Tiger scorers were Mark Nasche 14, Ken Hartman 12, Mel Walterscheid 8, Monte Endres 2, Craig Walterscheid 2.

SH junior high boys took a 9-4 lead in a slow first quarter and Lindsay was in control for the balance of the game leading by scores of 14-13, 24-17 and 37-21 in the next three periods. Brian Herr scored 8, Britt Smith 5, Hal Mollenkopf 4, Mike Bar-tush 2, Gene Fuhrmann 2.

Confetti - - -

Opinions vary on that, of course. Some people regard Nader the No. 1 benefactor, others the No. 1 nuisance. Somewhere between those extremes there ought to be a happy medium. Obviously we have to have some regulations. Just as obviously, we don't need as much as we have.

MHS Teams Start District 13-A Race With Two Losses

Muenster High teams started the district basketball race on a sad note last Friday, losing both ends of a double header at Petrolia.

The Hornets game was a disaster combining an injury to a key player with 51 turnovers, such as bad passes, traveling, double dribble etc. The result was that Petrolia girls had possession in their end of the court most of the time. Nevertheless, Muenster trailing 21-34 was still in contention at the half. Then Robin Walterscheid had to quit early in the third period and MHS scoring practically came to an end. Final count was 60-30. Robin Walterscheid scored 20, Lou Dyer 6 and Linda Endres 4.

The Hornets played a real thriller leading three quarters by close counts of 14-10, 27-24 and 48-45. They had a fair period in the fourth, adding 14 points, but that's when the Pirates caught fire. Aided by five 3-point plays, they made 20 points and finished at the happy end of 65-62.

Lenzy Dyer led the Hornet effort with 26 points. Todd Richey and David Felderhoff each added 12, Neil Walterscheid hit 6, Nick Walterscheid 4 and Floyd Felderhoff 2.

The shapely blonde dancer finished her act and returned to the male patron's table.

"Tell me," said the rich playboy, "why do you, a beautiful, talented, educated girl, dance in a cheap sordid joint like this?"

"I don't know," she replied, "unless it's because I meet a lot more prominent, refined and well educated men here than I did when I worked in the public library."

VFW Auxiliary Chooses Activity For Germanfest

During the VFW Auxiliary meeting Monday night, members discussed participation in Germanfest '78, with plans to operate the same booth as last year, that is, the goblet toss and ice cream novelties.

They also planned to be refreshment hostesses for the district officers meeting in Muenster on Sunday January 29 at 2 p.m. in the Post Home. The buffet will feature Muenster cheese and country sausage.

Mrs. Mary Ann Hess was welcomed as a new member. The month's participation activity was a contribution to the State Nursing Scholarship Fund. The auditing committee met preceding the business meeting and trustees reported all books in order. Linda Knabe presided for the business meeting. Frances Bayer was refreshment hostess for twelve who attended. Peggy Walterscheid won the door prize.

Don't open your oven door to "peek in". Everytime you do, it lowers the temperature in the oven. Baking takes that much longer and wastes energy.
