CCAD Chief Appraiser is fired

by Elaine Schad

Several months of turmoil surrounding the Cooke County Appraisal District came to a head this week when the CCAD board of directors voted unanimously to fire Chief Appraiser Pat Pickett.

The vote came after a 10-minute executive session of the board. Senior Appraiser Brenda Urrutia will serve as interim chief appraiser, officials said.

Following the meeting, Appraiser Mazie Dailey submitted her resignation, effective immediately. Mapping department supervisor Earl Alldridge has resigned, effective on Friday. Alldridge has accepted another job offer, officials said.

CCAD Board President Roger Martin declined to comment on the reasons for Pickett's termination. He said the board will move quickly to find a new chief appraiser. "The bottom line is that

the chief appraiser serves at the pleasure of the board," Martin said. "When the board becomes displeased, then you let them go."

Pickett, who was hired in November 1988, also declined to state specific reasons for the termination, but faulted some board members for their lack of support. "When a couple of the members are in left field, then they're very difficult to deal with," she said. "I can understand why some chief appraisers get out completely after having a bad experience with the board."

Pickett credited former CCAD Board President Jim Zachary as a stabilizing force on the board. Zachary, who represented the City of Gainesville on the board until January of this year, was replaced by Sandra Currie. "I felt that Jim Zachary was a very strong board member and was very supportive," she said. "Sandra has been

an excellent board member, but when Jim Zachary was here, the board was in control."

Martin defended the board, saying they've had some very hard choices to make in recent months. "We've got a good board," he said. "We've got to move fast because we've got some problems."

The CCAD is facing an estimated \$25,000 in legal fees for the second consecutive year due to lawsuits filed by disgruntled taxpayers against the district. The latest came last month, when 47 county residents joined in a group lawsuit against the CCAD, contending that their property has been unfairly appraised and that the district is granting preferential treatment to some people.

Officials with the City of Muenster have charged for the past two years that the tax rolls for the city that were prepared by the

appraisal district were riddled with errors, to the tune of about \$1 million, with properties listed on city rolls that were not located in the city.

CCAD Appraisal Review Board Chairman Clyde Woods abruptly resigned in August, two days after Pickett read a public statement defending the county's appraisal process and charging that she and the district's employees were being harassed.

CCAD employees two weeks later made public statements before the CCAD board of directors, urging them to support district employees.

The district's proposed budget was another source of controversy. Pickett has proposed raises of up to 18 percent for some appraisal district employees after her office did a comparative salary study using other appraisal

United Way donations make possible many local youth activities

This summer Muenster was the only town in Texas to offer swim lessons to area children free of charge. The Muenster pool was also the only city pool in Cooke County to conduct swim lessons.

Jeanne Flusche, Red Cross Swim Instructor, reported that 500 youths participated in swim lessons during the two weeks that they were offered this summer.

The Muenster Swim Program is almost entirely dependent on United Way funding. According to Mrs. Flusche the program receives \$300 from United Way each year. They also receive donations from the VFW and the VFW Ladies Auxiliary and a few private donations.

"We just skim by on these," said Mrs. Flusche. Expenses include badges, patches and certificates which are awarded to each student as they accomplish a unit; equipment; and printing on T-shirts for instructors. The Coca Cola Co. donates the shirts that distinguish instructors from students, but the Swim Program must finance the printing.

More than 60 people volunteer their time as instructors. Through the years Muenster counted several handicapped children among their students and also some adults who were terrified of the water and required special instruction.

A number of students have completed all of the Red Cross Swim Lesson units and gone on to get Life guard and instructor certificates. This enabled them to get summer jobs or college jobs.

It is impossible to measure the benefits that have been received by Muenster's youth from swim lessons or guess at the number of lives that the lessons may have saved.

Muenster has set a goal of \$10,000 for this year. As of Wednesday morning \$6,040.00 has been collected in Muenster which is around 60 percent of the goal, according to Muenster Park Board member Mattie Swirczynski.

A sign placed in Muenster Mid-park will allow residents to watch donations climb toward the goal.

Pat Dennis selected "Good Neighbor"

KCs hold first awards banquet

The Muenster Council Knights of Columbus announced their selection of Pat Dennis as the 1990 "Good Neighbor" on Saturday, Sept. 22, following the 5 p.m. Mass in Sacred Heart Church.

The "Good Neighbor" award is given annually to a non-Catholic member of the Muenster community who the KCs feel best exemplifies a good neighbor.

John Walterscheid said, while making the introduction, "Each year we receive many nominations for this award, and this year is no exception; we received more than a dozen nominations. With this many good neighbors in our community, it makes it difficult to select only one."

Pat Dennis was employed by the Muenster Memorial Hospital from 1968 to 1973. She moved to Muenster in 1985 and now operates her own business, Pat Dennis and Associates. She is also a partner in Muenster's first Bed and Breakfast.

A member of the First Baptist Church of Muenster, Mrs. Dennis teaches Ladies' Sunday School and is an officer in the Women's Missionary Union.

For two years, Pat Dennis served on the Muenster City Council and helped to implement the city's personnel policy. She also was a member of the Centennial Committee and has helped with many other projects such as Muenster Madness Bike Rally.

Pat is the mother of two children, Debbie of Nocona, and Eddie, who is in the Army, stationed at Ft. McClellan, Alabama.

Knights of Columbus members and their families participated in the Liturgy of the 5 p.m. Mass. John Walterscheid gave the Readings and Grand Knight Ben Bindel and his wife, Tina, brought the Offertory gifts to the altar.

Bringing gifts to the altar, symbolic of the KCs community involvement, were Eddie and Mary Ann Fleitman, Waylon Poole family, Danielle Bindel, Joe Fenton and Dan Hamric.

PAT DENNIS accepts a plaque from Ben Bindel, designating her selection as "Good Neighbor of 1990" on Saturday.

Following Mass, the Knights of Columbus held their first Installation and Awards Banquet in the KC Hall. Dan Hamric was Master of Ceremonies.

Ben Bindel, Incoming Grand Knight, presented Membership Pins to the following: John Bayer, Ben Bindel, Chuck Fisher, Steven Fisher, Gary Don Klement, Joe Koessler, Mike Walterscheid, 5-Year Pins; John Bartush, John Dangelmayr, Donald Eckart, Jack Flusche, Bernard Hesse, Mike Stoffels, Bert Walterscheid, 10-Year Pins; Thomas Hennigan, Robert Knauf, Bill Luke, Raymond Walterscheid, 15-year pins; Kenneth Bierschen, Thomas Dankesreiter, Maurus Hacker, Thomas Hesse, Michael C. Vogel, Kenneth Walterscheid, 20-year pins.

Also Harold Bindel, Al Hess, Robert Vogel, 25-year pins; Tony Rohmer, Victor Rohmer, 35-year pins; Lawrence Bruns,

Eddie Fleitman, Harold Knabe, Cyril Walterscheid, 40-year pins; Earle Otto Arnold Rohmer, Urban Rohmer, 45-year pins; Ed Endres 50-year pin; Oscar Walter, Joseph John Wimmer, 60-year pins; Nick Miller, Charley Stelzer, Al Walter, 65-year pins.

J.M. Weinzapfel received a plaque for 75 years of membership. He is the first Muenster member to achieve 75 years. It is so unusual that there are no 75-year pins made and therefore he was presented a plaque.

A number of awards were presented for outstanding service. Robin Hess and Nancy Sicking were recognized for their many years of work with T-ball; Ed Endres for his numerous years as financial secretary; Windy Bindel for ticket sales and Club Manager; Charles Wimmer, ticket sales; Please See KNIGHTS, Page 3

MHS prepares for 1990 Homecoming

School spirit is soaring at Muenster Public School as the students and staff prepare for the 1990 Homecoming festivities. The Hornets will match their skills against the Gunter Tigers in the Homecoming Football game this Friday at 8 p.m.

The identity of the 1990 Homecoming Queen will be revealed during half-time ceremonies when she will be crowned by last year's Queen, Lisa Robison. Miss Robison will be escorted by Michael Bierschen. Muenster High's

Principal Jerry Metzler will emcee the ceremony.

Senior Homecoming Queen candidates are Kim Anderle, daughter of Johnny and Annette Anderle; Melissa Bayer, daughter of Dan and Mary Bayer; Jane Klement, daughter of Kenneth and Mary Klement; and Marcia Vogel, daughter of Larry and Kathy Vogel.

Members of the 1990 graduating class, Scot Vogel, Marshall Smith, Keith Vogel, and Yancy Culp, will escort the candidates. Princesses selected by the

Muenster High School students are Julie Hess, daughter of Dennis and Kathy Hess; Lori Graham, daughter of Gerald and Donna Graham; and Amy Otto, daughter of Ed and Darlene Otto. They will be escorted by 1990 graduates Jerry Brawner, James Hennigan, and Jeff Hellman, respectively.

The Muenster Hornet Marching Band will perform during halftime. They will be led by Marlene Hess, assistant drum major.

Queen candidates and princesses will be formally

presented at the 3 p.m. Pep Rally Friday afternoon.

On Saturday, Sept. 29 a Homecoming Dance will be held in the Muenster VFW Hall with music by The Entertainer. It will start at 8 p.m. and end at midnight. No alcoholic beverages will be allowed in the hall.

A special Liturgy was planned for the 8 p.m. Mass on Wednesday. Muenster Hornet football players, the Hornet coaches, cheerleaders, class princesses, queen candidates, and Hornet fans were particularly invited to attend.

MVFD asks cooperation in obtaining floor plans

In an effort to improve efficiency, save property and possibly lives, the Muenster Volunteer Fire Department is undertaking a monumental task.

The Muenster V.F.D. will be gathering floor plans of all structures within the community and all areas served. Floor plans will be plastic-laminated and stored in a 3-ring binder for reference in the unfortunate event that fire should occur.

When a fireman enters a burning building he is wearing 50-60 pounds of protective clothing while carrying a 1 1/2" charged water hose with 100 pounds of pressure. The fireman is under tremendous physical strain. Also

he must mentally prepare himself to enter a building that, according to firemen, is so smoky that you cannot see your hand in front of your face. "It is an eerie feeling going through a house not knowing where doors will lead. A fireman has no idea whether the door will lead into another room or a closet," said a local firefighter.

The local fire department is encouraging citizens to cooperate in this effort. By having floor plans, the firemen will be able to familiarize themselves with the layout of the structure before entering the building. At the present time, firemen are invited into businesses to gain the same type of

information should a fire ever occur.

The volunteer members will be distributing instructions and drawing sheets to local property owners. The 8 1/2" x 11" paper grids will be scaled so that one square inch will represent one square foot.

Project chairman, Ronnie Felderhoff, asks that property owners draw an exact replica of their floor plans and indicate all doors, the direction that they open, and all windows. Also mark the location of all service connections, i.e. gas and electricity; furnaces and hot water heaters; and storage places of any firearms, paint, gasoline, insecticides, oxy-

gen bottles or any other explosive substance.

Property owners should indicate which rooms are bedrooms and also mark the garage and indicate if a vehicle is normally kept there.

All of this information will be kept strictly confidential, will not leave fire department hands, and will be used only in the event of a fire.

The Muenster fire department hopes to enhance the safety of their members and improve fire protection of local property owners with this new program. Grid sheets will be available at City Hall and a number of other Please See FIRE, Page 2

THE MUENSTER HISTORICAL COMMISSION has given final approval to the redesigned Muenster emblem. Changes to the original Muenster Centennial emblem were made by graphic artist Dianne Walterscheid. According to the Commission, the emblem background will be white; the banner and circle, red; the lettering in the banner will be white and all other lettering will be black; the outline of Texas and the church will be black and the starburst, gold. Chairman Juanita Bright said that all businesses and organizations are encouraged to use the emblem on paperwork, signs and any proper graphic opportunity.

Good News!

Do not conform yourselves to this age but be transformed by the renewal of your mind, so that you may judge what is God's will, what is good, pleasing and perfect.

Letters to the Editor

Dear Mr. Editor:

In October of last year we discovered that our son needed surgery. Our company insurance did not cover the costs of the surgery. Because we are a working family, we made too much money to qualify for state or federal assistance, but like most middle class families, we don't make enough to fully afford the high costs of special surgery.

In November we contacted State Representative Ric Williamson and told him of our problem. Over the next ninety days he worked with Cook Children Medical Center to develop a way for us to obtain the surgery needed by our son.

I don't know anything about the fellow from Gainesville who is running against Ric. I do know that Ric took the time to help us with our problem. I hope we re-elect Ric Williamson because he seems to care about people. My husband and I will vote for him because he took the time to listen to our problems and then helped us solve the problem.

Sincerely,
Mrs. Robert Grimes

Letter to the Editor

As the November election is on the horizon, I would like to describe to your readers my experience with your current State Representative, Ric Williamson. Ric Williamson has been a constant and strong advocate for programs that help abused children and troubled families.

I know about his advocacy first hand, you see, because I am a "lobbyist" and I have spent a lot of time in Austin advocating for programs that impact children and families. Having chosen to lobby on my own time and expense, I do what I do as a labor of love. Over the last ten years I have had the opportunity to work closely with most, if not all, of the House and Senate members in leadership positions; therefore, I can speak of Ric's work as it compares to other influential legislators.

No one works harder or longer hours than does Ric - ask anyone in the Capitol area. No one spends more time researching the issues than does Ric. And when he understands and believes, no one is more forceful in promoting a sound legislative solution than is Ric Williamson. His strong advocacy of programs that benefit children and families, even in the face of controversial budget problems, has helped those who cannot help themselves across your country and across your state.

I hope the voters in your county, Democrat, Republican and Independent, return Ric Williamson to Austin. He is an experienced problem solver that we desperately need for the future.

Sincerely,
Susan Bush

To the Editor:

As a former representative of Legislative District 63, I have observed with some degree of pride and interest, the legislative prowess of my successor, Ric Williamson. From his election, Ric grasped legislative functions with rapid success and through his tireless and fulltime efforts has risen to the top of House leadership. Ric's business experience and his uncanny knack of getting to the bottom line of budgetary matters has elevated him through the ranks to an unmatched position of leadership and respect among his colleagues.

The unprecedented honor of being the only House member to serve on both the Appropriations Committee as well as the Ways and Means Committees, plus his appointment to the Legislative Budget Board, reflect the confidence of the Speaker of the House as well as of the leadership of the entire Texas Legislature. These appointments are the most powerful and influential positions that any member can hope to attain - positions enabling Ric to have a direct input in the interpretation of policies which have a direct bearing on our district and our state. His decisions affect the outcome of highway construction, criminal justice grants, economic development policies, health and human resources, environmental issues, public and higher education, as well as all other vital issues within the state budget.

District 63 is fortunate that Ric has the willingness, independence, and family support that enable him to devote his full efforts to addressing your needs on an individual basis. Ric always listens and responds to the concerns and needs of his constituents - the main responsibility of any elected official.

The upcoming session of the Texas Legislature will present many highly complex issues and problems - now more than ever we need to keep this experienced legislator on the job, working for the best interests of this district. I know that Ric will address the issues in a straight, forthright manner that will be beneficial to all Texans. I am very proud of Ric, and I have confidence in the decisions he will make as he represents this district. Let's send this man back to Austin, and let's keep him there for a long, long time - good officials are hard to find!

Sincerely,
Bill Coody

Contracted waste pickup begins Oct. 1

Muenster residents and commercial businesses will have to become accustomed to a new garbage collection system beginning Oct. 1, when the city's contract with Waste Management of Sherman takes effect.

All residents must have their trash bagged and at the curb by 8 a.m. sharp on Tuesdays and Fridays to assure pickup. Most commercial businesses will share dumpsters. The dumpsters have been in place since last week.

There will no longer be a certain day for the collection of brush, limbs and yard waste. Instead brush and limbs should be cut in four-foot lengths and securely tied in bundles which can easily be handled by two men for pickup by the Waste Management Company. They will be picked up on Tuesday and Friday with the other garbage.

Discarded furniture, appliances, etc. (also known as "white goods") shall be picked up at curbside monthly. Residents requiring this service should contact City Hall to have their name placed on the list.

The city will be notified in advance of when the items will be collected. Residents on the list will then be alerted as to when the items should be put out for collection.

Construction waste such as discarded lumber, roofing, etc. must be collected in containers provided by the Waste Management Co. Arrangements must be made in advance with City Hall to

obtain the necessary container. A fee will be charged according to the size of container needed.

Waste Management Co. will not accept bottles or jugs still filled with chemicals, car batteries, car tires, buckets of paint or any other toxic material. They will accept chemical containers that have been emptied and washed out, as well as empty hair spray and insecticide cans, etc.

Residents will continue to use the trash bags supplied by the city.

Businesses using the dumpsters must bag their trash before placing it in the dumpster, but they can use any type of bag.

The City of Muenster will continue to add the fee for garbage collection on to the city water bill. The fee should remain the same for residents. The city has signed a two-year contract with Waste Management with a two-year option for renewal.

City employees who are now working with the trash collection

system will be transferred to other work in the street, water or sewer departments. "We will be able to do work that has been neglected because of a shortage of manpower," said City Manager Joe Fenton. "The city was either going to have to hire more employees or make a change like this. This will give us the opportunity to pay more attention to these repairs before the damage becomes more extensive and costs the city even more money to repair."

Lindsay Council holds busy meeting

by Elaine Schad

The Lindsay City Council met at its October meeting if it will pursue paving of Pecan Street, which runs north and south and is located on the west side of the city park.

Mayor Doyle Cogburn will be contacting property owners along the road to seek how much interest there is in pursuing the project. The council will then meet with the city's engineer, Tim Morris, about whether to pave the street as part of this year's paving project.

The council, at its regular September meeting, heard a report from Texas Waste Management that there has been about 50 percent participation so far by the city's residents in using the new garbage pickup service once a week.

The city contracted with the firm after deciding to close the landfill

due to new, more stringent, environmental regulations for landfills that will take effect in about a year.

The landfill is now closed and has been covered with new dirt. An official with the Texas Department of Health is expected to visit the site for inspection, officials said.

Texas Waste Management officials told the council they should be able to keep to a schedule for garbage pickup in Lindsay between noon and 1 p.m. on Wednesdays. Customers and the city will be notified in case of any change in schedule, officials said.

In other business, the council heard that about a third of the money has been received from property owners for the street paving project completed along Willow and Bezner streets and Community Estates. About another third of the money is expected within the month, while the rest will come in over a two-year payout arrangement, officials said.

The city council decided to authorize its attorney to file suit against WGA Cable, which holds the city's cable franchise. The city is seeking to break its contract with the company for what the city claims is poor service. The suit could cost the city an estimated \$20,000 in legal fees, but the council felt it best to pursue the injunction for breach of contract so the council could begin negotiations with other cable companies that will hopefully provide good service, officials said.

The council is still working through the Texoma Council of Governments in drawing up procedures, code of conduct and written policies for a city police department. The council is also working on revising its subdivision regulations and are beginning to look at the cost effectiveness of present water and sewer fees. Officials said the current fees are not generating enough revenues that will help the system pay for itself and for repairs and renovations that are expected in coming years.

County entities decide on approval of budget

by Elaine Schad

Taxing entities in Cooke County have until Oct. 15 to take action on a \$653,820 budget approved by the Cooke County Appraisal District for 1991.

The board on Sept. 15, after more than two hours, approved the budget by individual line item. The CCAD board of directors met in special session Sept. 20 to give a final audit of the budget. Board President Roger Martin said, however, that the Sept. 15 date is the date of official approval.

The Texas Property Tax Code states that the budget will automatically take effect unless a majority of the county's taxing entities disapprove the budget and contact the CCAD office in writing by Oct. 15.

The new budget includes \$110,935 for the collection, a duty the CCAD will assume for the first time in two years. The City of Muenster will again take over the collection of its own taxes, officials said. The county has had those duties for the past two years

after voters approved moving it out of the CCAD.

The appraisal part of the budget is \$522,885, an 18 percent increase over last year's appraisal budget of \$442,010. The increases include a \$3,600 car allowance for the chief appraiser, a five percent across-the-board raise for CCAD employees, with the exception of the chief appraiser, who will receive no raise, but will receive an additional \$2,400 for taking on extra duties for collection. Total salary for the chief appraiser including car expense, collection salary and regular salary is \$41,600.

Other increases include raising salaries for three CCAD supervisors to \$16,800, which represent raises of up to 12 percent. The mapping department will increase from \$50,000 to \$93,000, an 86 percent increase. That will include two new temporary deed clerks and a \$10,000 contingency and computer fund. The budget also includes \$25,000 for legal fees and \$12,000 for overtime expenses.

Muenster chairman asks, "What's Larry afraid of?"

PIERRE - Larry Pressler is dodging the important issues and debates in order to avoid having to explain his Senate record and conduct in office, U.S. Senate candidate Ted Muenster's campaign chairman said recently.

Muenster Campaign Chairman Jim Burg said Pressler's decision to refuse a statewide televised debate on KELO - only one day after the first Senate debate on KOTA in Rapid City - proves that Pressler plans to hide from Muenster and

issues such as the federal deficit and the savings and loan scandal.

"Ted Muenster has accepted 11 offers, under the terms set by the sponsoring groups," Burg said. "Pressler is setting preconditions that make some debates impossible."

Muenster has agreed to seven debates and four joint appearances. One debate and one joint appearance have already taken place. Pressler has accepted only three of the 11 offers.

Lindsay School Board hires attorney for delinquent taxes

by Elaine Schad

The Lindsay School Board hired the law firm of Huke and Burroughs of Fort Worth to collect delinquent taxes for the district for 1990-91 at its regular September meeting.

Cooke County taxing entities have the choice to hire their own delinquent tax attorney or use the attorney hired by the Cooke County Appraisal District.

In other business, the board tabled action on the Cooke County Appraisal District's budget. The budget was approved Sept. 14 by the CCAD board of directors.

Local taxing entities have until Oct. 14 if they wish to disapprove the budget, or it will take effect automatically.

In other business, the school board:

- Approved Library Science for local credit.

- Approved Computer Science for high school credit. About three students are taking the course at Cooke County College due to conflicts in their schedules.

- Hired Johnny Metzler as a full-time aide to assist with Special Education, Physical Education and the library.

Chief Tompkins warns gas thieves, revelers, illegal parkers

Muenster Chief of Police Helen Tompkins has announced complaints of four individuals who reported theft of gasoline, either from vehicles or tanks, in the recent several weeks. "A theft of this nature" said Tompkins "is no simple theft. The act is an automatic third degree felony and is not handled by county courts, but by the District Attorney and District Court.

Anyone caught in the act, or found guilty of the offense, will automatically go to jail. The guilty parties probably have no idea of the severity of the theft or of the ensuing penalty. They just don't realize that the case will be turned over to the District Attorney and the thief will be sent to Huntsville," said Chief Tompkins. Also announced was the in-

stallation of new signs at the Community Center parking lot, Church or in School or in the Rectory; but it is not for late-night partying, tail-gate parties, games, frisbee parties at 3 a.m. and a few other noisemakers, keeping neighbors awake." Chief Tompkins added: "We will give warnings for several weeks. After that vehicles parked illegally will be towed away."

Making presentations was District Deputy Robert Sutherland. **Dave Fette Photos**

KNIGHTS

Ronnie Hess and Dan Hamric were given satin jackets with the KC logo for Germanfest Fun Run chairmanship.

Certificates of Award were presented to chairmen Ed Fleitman, Music at KC Christmas parties; Tim Fette, CF Spaghetti Supper; Jerry Walterscheid, Turkey Dinner; and Urban Endres, Gin Tournament.

Pat Dennis was presented with a plaque for 1990 "Good Neighbor."

Grand Knight Ben Bindel honored the wives of deceased members who attended by presenting each with a long-stemmed red rose. Honored ladies were Mmes. Frank Herr, Herman Swirczynski, Andy O'Conner, Andy Monday, John Otto, Alfons Walterscheid, John Mosman, Henry Pick, Theo Vogel, John Fisher, Charlie Fisher, Lou Wolf, and Jake Schilling (George Gehrig).

Special thanks and recognition were given to several people who contributed to the remodeling work done recently on the upstairs of the KC Hall. Walt Klement, Doodle Wimmer, and Windy Bindel - painting; Butch Fisher and Allen and Martha

Sicking - cleaning ceiling tiles; and the Catholic Daughters - making curtains.

New officers were installed by Robert Sutherland, District Deputy. Officers for 1990-91 are Father Victor Gillespie, Chaplain; Father Sebastian Beshoner, Chaplain; Ben Bindel, Grand Knight; Butch Fisher, Deputy Grand Knight; Joe Hellman, recorder; Harold Knabe, chancellor; Allen Sicking, treasurer; Joe Hoeng, warden; John Walterscheid, financial secretary; Gerald Walterscheid, advocate; Ronnie Klement, guard; Dan Hamric, guard; Eddie Fleitman, trustee; Joe Fenton, trustee; Bob Knau, trustee; and Urban Endres, lecturer.

Outgoing Grand Knight John Walterscheid gave a farewell speech and Grand Knight Ben Bindel remarked on the coming year. Bindel presented his wife, Tina, with a half dozen red roses.

Officers received cross pins engraved with their name and the KC logo.

Rose Hofbauer won the door prize, a centerpiece flower arrangement. The banquet was catered by Rohmer's Restaurant and decorated by Bouquets and Gifts.

TU Electric applies to refund \$\$ to customers

DALLAS - TU Electric recently filed an application with the Public Utility Commission asking authorization to refund about \$68 million, including interest, to its customers.

The amount the company is asking to refund has overcollected from March 1990 through July 1990 primarily because weather in the company's service area was milder than normal during that period.

When weather is milder than normal, customers use less electricity. Therefore, TU Electric is able to use less of its higher-priced fuel supplies to meet customers' needs.

Under the company's proposal, the refund would be made in November through a credit to bills. Residential customers who use 1,000 kilowatt-hours would receive refunds averaging about \$13. The exact refund month will depend on when PUC approval is received.

TU Electric provides electric service in 87 counties in Texas to more than 2.1 million customers, or about one-third of the state's population.

THE BOMAC TRADING COMPANY opened their door last Tuesday in the old Speedy's Conoco on East Hwy. 82 in Muenster. The small building houses mainly baseball and football trading cards, both old and new, with a wide selection of current Nolan Ryan and Bo Jackson cards. Owner Helen Bomac said she will gladly help collectors price their cards and let them use their price guides. New cards they now handle include Fleer, Score, Bowman, ProSet and Donruss. The store also has for sale a variety of antiques, including furniture, postcards and other nostalgia items. Bomac's will be opened 1 to 5:30 p.m. Tuesday through Friday and 11 a.m. to 6 p.m. on Saturday. **Janie Hartman Photo**

A group of local elves have joined together to begin raising funds for Christmas decorations for Muenster streets. Last year, when the overhead lights were not put up, it was the first time since the early '60s that Muenster did not have Christmas lights on display. The lack of that traditional lighting caught many people by surprise. That surprise and disappointment has given birth to a new effort to raise funds for their replacement.

The group trying to raise the funds is not affiliated with any organization. They are citizens who have fond memories of the past, and they decided to do something to benefit Muenster.

They hope to foster the same environment which gave them their memories. Plans are being made to speak to local clubs and organizations to build a fund that can be used as a "matching incentive" for donations from individuals and businesses.

While the cost to hang overhead lighting was becoming expensive (\$600-\$800 annually), the impact of overhead lighting cannot be denied. If anyone can be of help with ideas on what decorations may be appropriate for Muenster, the group asks that they provide their comments to Margie Starke at 759-2227, or volunteer to be on the study group which will decide what the decorations will be. Margie is the Chamber secretary, and she will be the telephone contact for the citizen group.

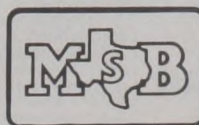

The group feels it is too late to help for this Christmas season, however they will be trying to raise minor funds to decorate the streetlights with ribbons and garland. Donations of small change will be requested at local stores over the next 30 days. The group has a pledge from a private source that will donate \$1 for every dollar collected up to \$400. Look for collection points at local merchants.

Congratulations!

Muenster State Bank congratulates Pat Dennis, honored by the Muenster Knights of Columbus as as their 1990 Good Neighbor. "Thanks, Pat, for your unselfish service and outstanding example to our community."

Couple exchange vows Sept. 6 in Sacred Heart Church

MRS. JOHN WILLIAM KINTZ
...nee Karla Jo Hartman...

Karla Jo Hartman and John William Kintz were married in Sacred Heart Church of Muenster on Thursday, Sept. 6 at 5 p.m. with Father Victor Gillespie OSB officiating for the double ring ceremony and Nuptial Mass.

The bride is the daughter of Leonard Frank and Emily (Fette) Hartman of Muenster and the groom is the son of Joseph and Jane Kintz of Topack, Arizona.

A 1983 graduate of Sacred Heart High School of Muenster, the bride is also a graduate of St. Mary's University in San Antonio where she received a Bachelor's Degree in 1987, majoring in Biology; and a Bachelor of Science Degree in Nursing in 1990 from the University of Texas Health Science Center of San Antonio. She is a Registered Nurse employed in the Intensive Care Unit at Scott and White Memorial Hospital in Temple.

The groom attended St. Joseph Catholic Schools of South Bend, Indiana and graduated from high school in 1980. He will study Creative Writing and English Literature in Austin beginning in January and is employed by HEB Food Company in Georgetown as a cashier.

In a setting of lighted candles and floral arrangements, the bride was presented at the altar by her

father. She was wearing an original gown of bridal white satin, custom made by "Especially For You" Bridal Shop of San Antonio. The off-shoulder gown with shoulder drapes featured a princess seamed bodice beautifully appliqued with Alencon lace and accented with satin roses at the shoulders. The gored skirt extended into a chapel length train.

She carried a bridal cascade of gardenias and ivory bridal roses with English ivy designed by Lora's Flowers.

ATTENDANTS

Jeanann Biffle of Muenster was her sister's matron of honor. Marilynn Hartman of San Antonio, bride's sister, Mary E. Kintz, groom's sister of Topack, Arizona, and Laura G. Villarreal, a friend of the couple of San Antonio, were bridesmaids. They were attired in petal pink satin off-shoulder gowns, designed with shoulder drape, and tea length skirts gathered to the basque waists, featuring overskirts delicately gathered at the hemline to create a scalloped effect, with satin rose accents.

They carried arrangements of bridal pink roses tied with tulle bows.

Flower girls were Rachael and Rita Macias of Phoenix, Arizona, nieces of the groom. The ring

bearer was Kirk Hartman, son of the Tim Hartmans, and nephew and godchild of the bride. A nephew of the groom carried the Unity candle.

Thomas Lenz, a friend of the couple of Oxford, California, was best man. Larry Kintz of Houston and Fred Kintz of Huntington, Indiana, both brothers of the groom, and David Macias of Phoenix, groom's brother-in-law, were groomsmen.

Ushers were John E. Hartman and Tim R. Hartman both bride's brothers, of Muenster.

Justin Hartman and Tony Hartman, bride's cousins of Muenster, were Mass servers.

Classical, traditional and Latin wedding music was provided by Ruth Felderhoff, organist, and Christy Hesse, vocalist.

Following the recitation of vows by the bride and groom, the bride's parents renewed their wedding vows in observance of their 40th anniversary on Sept. 6, with restatement and blessing of vows officiated by Father Victor Gillespie.

Mrs. Hartman was attired in a powder pink floor length gown designed with lace bodice, Sabrina

neckline and slight V-back and satin charmeuse skirt. Their original attendants, Florence Rohmer and John Virgil Walter were present.

RECEPTION

A reception, dinner and dance followed in the Sacred Heart Community Center. Gwen Kintz and Sharon Kintz, groom's niece and sister, presided at the bride's book, registering more than 125 guests.

The dinner was catered by Cathie and Francis Fuhrmann, who also baked, decorated, and served the wedding cakes.

Guests danced to music by Adam Arendt of Gainesville.

In an informal, after-dinner program, John Virgil Walter offered a toast to the couple celebrating their 40th anniversary and reminisced about "our early days," to the delight of the guests.

The rehearsal dinner was held Wednesday evening at the Leonard Hartman Lake, emphasizing an informal picnic atmosphere, with swimming and games of horseshoe.

The couple is at home in Georgetown, Texas. They plan a wedding trip at a later date.

First birthday celebrated for Kaitlin Nicole!

KAITLIN WILDE

Kaitlin Nicole Wilde celebrated her first birthday on Sunday, Sept. 16. Her parents, Greg and Shirley Wilde, hosted a Sunday lunch in her honor.

Celebrating with Kaitlin were grandparents Ray and Marcy Wilde, great grandmother Sadie O'Connor; friends Greg and Julie Walterscheid and Eric; brothers Jeff and Matt Wilde; and her parents.

In the afternoon cake and ice cream were served. The birthday cake was decorated with teddy bears, rabbits and balloons and was a creation from the Farmers Kitchen. Pictures and videos were made all during the day.

Also joining the afternoon celebration were Dan Wilde and Scott, Melanie and Josh; Chris and Jan Cain and Christin, Cory, Chisam and Chase; Kaitlin's godmother Joni Sturm and Amy,

Kimberly and John; and Tina Womack and Chelsea and Brad.

On Monday, Sept. 17, Kaitlin shared birthday cupcakes with all of her friends at Tender Loving Day Care Center.

SH religious education program has good start

The religious education program of Sacred Heart Parish, (CCD) is off to a smooth start, with the opening meeting on Wednesday evening, Sept. 12, when all the parents and all the students gathered in the Community Center.

Barbara Fuhrmann, parish director, showed a video on "Religious Education and Your Child" and then outlined new guidelines for the students and parents and accepted their signatures on contracts agreeing to abide by them. This was followed by an opening Mass.

On Wednesday, Sept. 19 all 22 classes met for the first time. Hav-

ing that many classes enables the program to keep the classes small. There are approximately 50 volunteer teachers, aides, hall monitors and helpers.

Announcement was made that the required parent-child meeting for those preparing for the Sacrament of Reconciliation will be in the Community Center at 7 p.m. on Tuesday, Oct. 2. This announcement was requested because it was inadvertently left off the letter to the parents.

Knabe Love Fund opened

Lindsay St. Anne's plan fall activities

Members of Lindsay's St. Anne's Society announced several important activities to highlight their customary fall schedule, when they met on Wednesday, Sept. 12 in the Parish Hall following the 7 p.m. Mass in St. Peter's Church.

Members will participate in Lindsay's Jaycee Octoberfest on Oct. 7 by sponsoring, staffing, and supplying the Country Store by bringing baked goods, crafts, canned goods, etc.

The Centennial Committee will also sponsor a cake-walk, and therefore requests all its members to bring a cake each.

Members will collect bottles of hand and body lotions, gift-wrapped and placed in a box in the church vestibule to be sent before the holidays to residents of convalescent homes near Dec. 1.

A clothing drive will be held the first week of November. Good, clean, usable clothing may be brought to the Parish Hall.

The business meeting was conducted by Nell Hess; Juanita Bengfort read the minutes of the previous meeting; Viola Schmidkofer gave the treasurer's report.

Two new members were received by Father Bart Landwermeyer, assisted by St. Anne Society officers. They are Edith Hess and Ann Hess.

Diane Hermes urged everyone to concentrate on getting their family stories prepared for the Lindsay Centennial History now. Included are present day residents, former residents, pioneer families, current businesses, former businesses, that is everyone or anything that will help to make the history of Lindsay more complete. Centennial books may be ordered for \$45.00 but after Jan. 1, 1991 the price will increase.

Father Bart Landwermeyer OSB spoke briefly to the 30 members present. Edith Hess won the door prize. Marie Fuhrmann is reporter for the organization.

Baptism

Bindel

Brandon Joseph Bindel, infant son of Benedict Joseph and Tina Danette Bindel, was baptized in Sacred Heart Church on Saturday, Sept. 8, 1990 in a 6:00 p.m. ceremony celebrated by Father Victor Gillespie. Baptismal sponsors were Gary and Marlene Fisher.

A white satin suit complete with bowtie and coordinating blanket, made especially for Brandon by his Grandpa Bindel was worn at the baptism. Completing the outfit were a gold cross necklace, presented to him by his godparents, and a gold cross lapel pin, a special gift to Brandon from his daddy.

The traditional baptismal candle, personalized for Brandon by his daddy, was presented to the baby and his parents by Father Victor from Sacred Heart Parish.

Chuck Koessler made a videotape of the baptismal ceremony.

Brandon's parents and sister, Danielle, hosted a celebration dinner in their home following the ceremony. Refreshments included a symbolic cross-shaped cake,

decorated with blue roses and a sleeping angel, made by a friend, Doris Koessler.

Other gifts were a porcelain guardian angel night light from Brandon's godparents; a Precious Moments Bible from his sister, Danielle; and a porcelain crucifix from his MawMaw and PawPaw Garrett.

Guests included his godparents, Gary and Marlene Fisher and Eric, Karl and Lana; Mr. and Mrs. Wilfred Bindel and Mr. and Mrs. Dan Garrett; special friends Chuck and Doris Koessler and Jessica, Tony and Kristina; and "Aunt" Cindy Walker.

VFW Ladies Auxiliary plans special projects

Plans for the annual Bake Sale and the "In Lieu of Christmas Cards" project were developed by Auxiliary members as Janet Barnhill conducted the Ladies Auxiliary to the VFW meeting Sept. 17 at the Post home.

Following opening ceremonies the regular business meeting was conducted which consisted of voting for contributions to the program participation project - the Hospital pledge. Contributions were made to several families in the community who are in need.

Members were informed that the membership quota, that of 50 percent has been reached.

Jaci Bilderback, membership chairman, with the aid of other Auxiliary members, has mailed

out membership dues reminders along with bake sale information.

The yearly Bake Sale will be conducted Oct. 12 at the local grocery store. All members were asked to contribute baked goods or money for the event.

The "In Lieu of Christmas Cards" campaign will be conducted again this year. Juanita Knabe volunteered to help in this project before Christmas. Local families and President, Special Project: Camp Sweency will be recipients in this program.

Lunch was served by Juanita Knabe to 15 members. New luncheon hostess next month is Agnes Hesse. The door prize was won by Rose Hudspeth.

News of the Sick

Good news from the family of Duane Knabe is the report that he shows great improvement while he receives treatment in ICU. Get well cards should be addressed to Duane Knabe, Harris Methodist Hospital, HEB, 1600 Hospital Parkway, Bedford, Tx. 76022.

Evie Felderhoff is recuperating at home, since dismissal from Dallas Rehabilitation Center. She

entered on Sept. 7, underwent back surgery twice, and returned home on Sept. 22.

Frank Felderhoff is a patient at Medical City Hospital in Dallas, since entering Monday, Sept. 24. On Wednesday afternoon, he underwent a successful angioplasty (balloon) procedure. The good news from his family is that he will probably be dismissed this weekend.

LEONARD and EMILY HARTMAN
... on their 40th anniversary ...

Photo by Janie Hartman

LEONARD FRANK HARTMAN and Emily Marie (Fette) Hartman were married in Sacred Heart Church of Muenster on Sept. 6, 1950 and celebrated their 40th wedding anniversary the same day as their daughter's wedding, when Karla Jo became the bride of John Kintz. She is the daughter of Gertie (Otto) Fette and the late Joe Fette; and he is the son of the late John and Helena (Hess) Hartman. A reception in the home of the bride's parents followed the Nuptial Mass. The couple's wedding trip took them to Carlsbad Caverns, El Paso and Old Mexico. Attendees at the wedding were her sister, Florence (Fette) Rohmer and the groom's nephew, John Virgil Walter. Emily is a graduate of Sacred Heart High School and St. Paul's School of Nursing, and is a Registered Nurse. Leonard is a graduate of Sacred Heart High School and is a prominent farmer-rancher. He is active in the Cooke County Farm Bureau, which he serves as president. They are parents of five children, Tim Hartman, Jeannan Biffle, John Hartman, Karla Kintz and Marilynn Hartman.

KAREN WOLF and Ron Dangelmayr have chosen Nov. 10, 1990 for their wedding day. Their engagement and approaching marriage have been announced by her parents, Adam and Alma Wolf of Muenster. Parents of the future-groom are Paul and Patsy Dangelmayr of Muenster. Father Alcuin Kubis, OSB, of Scranton, Ark., bride's great-uncle, will officiate for the double-ring ceremony and will be celebrant of the Nuptial Mass. The bride-elect is a 1986 graduate of Muenster High School, holds an Associate of Science degree at Cooke County College and is attending the University of North Texas. She is employed by The Muenster Enterprise as a typesetter. The future-groom is a 1984 graduate of Sacred Heart High School. He is employed by Tony's Seed and Feed of Muenster. The couple will reside in Muenster.

Parent group votes for changes in format of gala

The Parent Group of the Sacred Heart Pre-School gave particular attention to its annual fund-raiser, the New Year's Eve Dance, when members met on Sept. 24 at 7 p.m. in the pre-school building.

In a departure from the usual practice of selling tickets at the door until the very last minute, members voted to respond to many complaints in the past, due to overcrowding in the Community Center. Therefore, they have set a deadline on ticket sales and are encouraging early ticket purchases due to limited ticket sales, and the fact that none will be sold at the door. Tickets are available from any pre-school parent.

In addition, members point out that no one under 21 years of age will be allowed in, unless accompanied by parents.

The parent-group hired Andy Serna and the Captive Hearts for

dance music and entertainment.

There will be drawings for door prizes. Set-ups will be available, but please! No coolers may be brought in! The food table, it is promised, will be bigger and better! Reservations may be made by calling Rhonda Hartman, 759-4972.

The evening's program included a presentation in Practical Life Area by four children, Todd Hess, Frank Klement, Courtney Hartman and Kathleen Sanchez.

Secretary Kenya Endres read minutes from the previous meeting; Donna Walterscheid gave the treasurer's report. Fifteen parents were present along with Principal Jack Murdock, who led the opening and closing prayers, and teacher, Pam Dangelmayr, and aide Kathy Berres and the four students who presented the program.

THE QUEEN CANDIDATES for the 1990 Lindsay High School Homecoming include l-r, Bethany Krebs, Melanie Anderson, Kristy Krebs and Emily Corcoran. A queen will be crowned Friday, Oct. 5 during pre-game activities at the Knight vs. Sacred Heart football game. Gene Hermes photo

Brother and sister celebrate birthdays

Eric and Sarah Stoffels, children of Traci and Frankie Stoffels celebrated their birthdays together with a cupcake party on Sept. 14, with friends in the home of their babysitter, Jacque Endres.

Another party was given for them in the home of their maternal grandparents on the night of Sept. 14. They shared a birthday

cake and a hamburger supper with their grandparents, parents and cousins.

The week before their birthdays, they opened gifts and had a Mickey Mouse cake with their parents, Frankie and Traci Stoffels. Eric's actual birthday is on Sept. 7 and Sarah's is on Sept. 10.

Grief seminar Sept. 27

by Elaine Schad

A grief recovery seminar for those experiencing grief or loss due to death, life threatening illness, divorce or other loss situation as well as those needing some help in attaining a position direction will be presented in six sessions beginning at 7 p.m. Thursday, Sept. 27, at the Gainesville National Bank, 100 East California.

The seminar is sponsored by Home Hospice of Cooke County. Sessions will continue weekly on Oct. 4, 11, 18, 25 and on Nov. 1. Some 53 people from Cooke and area counties attended a similar session presented by home hospice last year, officials said.

The seminar will be a closed group, meaning that all are welcome to attend the first two meetings, but after the second session, no new person will be allowed to join the group, officials said.

Marilyn Dickson, associate minister and pastoral counselor at Northway Christian Church in Dallas, will be facilitator. Participants should bring a spiral notebook to the sessions.

Dickson, a former high school teacher and adolescent counselor, had led grief recovery seminars since 1985, serving some 500 people. She has trained professionals in grief and loss recovery. She holds a bachelor of science degree, a bachelor of education degree

and a master of divinity degree.

Session one will include an introduction, which will outline the goals, purposes guidelines of the group, assignment of tasks, and normal reactions to loss.

Session two will cover early vs. late grief, including the nature of loss, barriers to grieving, personal assets and liabilities for the future, problems associated with the grieving process.

Session three will include factors affecting personal coping mechanisms, stress management and relaxation, the "unmentionable" losses, the impact of suicide, a film on widowhood and starting the good-bye process.

Session four deals with problems associated with anger, guilt and denial, changes in physical, emotional, psychological and spiritual perspectives, loss of faith, personal loss history profile, a film on denial, permission to grieve and permission to stop grieving.

Session five includes the long-term effects of grief, long-term recovery process, controlling depression, the positive side to loneliness, coping with anniversary dates and holidays, support groups and closure.

Session six will include a potluck supper and local program. For more information about the seminar, call Home Hospice of Cooke County at 665-9891.

Muenster FHA Chapter is having a good time

Submitted by Cindy Culp

The FHA officers met last week to discuss plans for this year's events. The outlook is bright. On Wednesday, Sept. 19 the FHA

members worked hard on preparing refreshments for Hiroko Miura's welcoming party. Hiroko is a Japan exchange student and a member of Future Homemakers of Japan. About fifty FHA members showed up for the snacks for her lunch.

Several of the FHA members joined Mrs. Sturm in going to the Justin High School workshop after school on Tuesday, Sept. 18. Betty Balthrop, Misty Gieb, Kay Grewing, Ronda Hacker, Michelle Hennigan, Jami Kemper, Kristen Klement, Kim Stewart, Amy Sturm, Tracey Vogel and Dalana Walterscheid attended. The girls learned a lot about FHA leadership. The FHA are working hard and looking good.

Area 4-H leaders are recognized

by Cassie Bullock
Two 4-H leaders from each of the 18 counties in the North Central Texas area were among volunteers honored September 22 with Distinguished Service awards at the Texas A&M University Research and Extension Center in Dallas.

"Reaching for the Stars Through 4-H" was the theme for the awards event sponsored by 4-H's parent organization, the Texas Agricultural Extension Service.

Evelyn Sicking of Muenster and Jack Martin of Valley View were recognized as the top two adult 4-H leaders from Cooke County. The Distinguished Service Awards were presented by Judy Edwards and Randy Upshaw, District Extension Directors, and Dennis Gray, District Leaders Association Chairman.

Evelyn Sicking has been an effective leader for the 4-H Club. Key activities have included leading the Muenster Club to be active in Community Service Projects, transporting and chaperoning 4-H'ers to Roundup, Leadership Lab and training sessions, and initiating the Adopt-A-Highway project in Muenster.

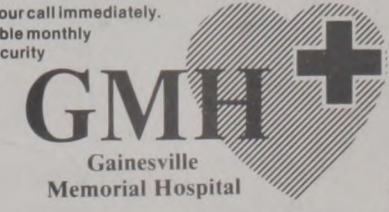

Jack Martin also has directed and provided leadership for many 4-H activities with the Valley View Club. Among those activities have been serving as swine leader, livestock project leader, creating Valley View 4-H members and Grandparents friendship program, and sponsoring 4-H Recreation Day.

Early scores give Muenster Hornets second win of season

Heavy rains late last week delayed Muenster's football contest at Bryson to Saturday night. "The field was in fairly good condition," said Hornet Coach Grady Roller. "It wasn't a contributing factor in the game." Bryson's coach did show Roller several places where the water was 3-4 inches deep on the field Friday night.

Roller also stated he really didn't care for Saturday night games. "The boys sat around all day long with the game on their mind, which seems to get the kids pretty flat." The Hornets did gain their second victory for the season with a 14-6 win.

Muenster booted the opening kickoff, held the Cowboys and forcing them to punt. Mike Hacker contributed a quarterback sack, giving Bryson a 9-yard loss.

The Hornets began their first drive on their host's 43-yard line. Short runs by Ryan Sicking, Mike Vogel, Troy Pagel, Mike Gobble and Kenneth Walterscheid moved the ball to the 2-yard line. A short run by Vogel and a kick by Rajko Jelen gave the Hornets an 8-0 score with 2:56 remaining in the first quarter.

Bryson controlled the ball the remaining time, then punted the ball to the Hornets the first play of the second quarter. Muenster ran six plays, punting the ball back to the Cowboys, but a 15-yard flag for spearing gave the Hornets another chance; however, a fumbled ball two plays later gave possession back to the Cowboys. Again, Muenster's defense held with the Hornets taking over on their own 21-yard line. Ryan Sicking gained 41 yards on the first play of the series, then on the fourth play, a pass run from Mike Gobble to Steven Fisher was good for 37 yards and 6 points. The extra point kick by Jelen was good and Muenster led 14-0 with 2:17 remaining in the half.

The Cowboys got in two plays, the second a fumbled ball covered by Doug Hennigan at midfield. Several incomplete passes failed to pay off for the Hornets, who attempted a field goal as time ran out.

"We scored an early touchdown and the kids got it in their heads it was going to be easy, but it wasn't," said Coach Roller. "The touchdown at the end of the first half helped, because they shut us down in the third quarter."

Muenster got in three plays to start the second half, when Bryson picked off a pass, taking over on the Hornets' 45-yard line. Two good runs and a pass moved the ball to the 12-yard line where the Cowboys ran in for 6 points. A bad snap on the extra point attempt kept the score at 14-6.

Muenster and Bryson exchanged

possession with the Cowboys controlling the ball going into the final period. Moving to the 8-yard line and first and goal, Muenster's goal line defense held tight, stopping Bryson on the 6-yard line.

The Hornets punted the ball back to their host after six plays, then stopped their drive with a fumble recovery by Terry Felderhoff. Muenster's offense played out the remaining time, with the game ending at 14-6.

"Bryson has a good ball club," said Roller. "I look for them to make the playoffs."

Muenster's defense was led by Chris Kubis, who was credited with 10 tackles. Other outstanding tacklers were Troy Pagel, Michael Hacker and Tony Perryman, whom Coach Roller credited for having a good ball game. Terry Felderhoff, Doug Hennigan and Kenneth Walterscheid are also noted for covering fumbled balls.

The Hornets' offense gained 198 yards in 48 carries and completed two passes for an additional 45 yards. Ryan Sicking led his team, gaining 88 yards on 14 carries with Mike Vogel carrying 19

yards for 81 yards. Others gaining yardage were Troy Pagel, Mike Gobble, and Kenneth Walterscheid. Steven Fisher completed one pass for 37 yards with Terry Felderhoff making an 8-yard catch.

"We're getting better on our blocking," said the Hornets' coach. "Two more games before district could show a lot of improvement."

Muenster hosts Gunter this Friday for the Hornets Homecoming. "Gunter's going to be tough," said Roller. "Sean Terry will be quarterbacking and his younger brother is the full back. Gunter will get a lot of mileage out of both of them." Roller believes 75 percent of the Tigers' offense will be the Terry brothers. "Sean passes, punts, kicks and gets extra points," continued Roller. "He's talented, big and has a little speed, but he can beat you all by himself. We'll have to keep him bottled up."

Game time is 8 p.m.

(Game statistics submitted by Nick Walterscheid)

Muenster Jr. High wins first game 6-0

Last Thursday night the Jr. High Hornets began their season against the Bryson Cowboys. With the air damp and the field wet, the game figured to be played mostly on the ground. In the first quarter Muenster had the ball for only four offensive plays. The Cowboys were able to mount a drive that ended deep in Hornet territory when Maurus Hacker recovered a fumble. The second quarter was an offensive stalemate, with neither team able to move the ball.

The third quarter was much the same. The Cowboys tried to move the ball through the air, but

several fine defensive plays by Cody Klement and Jason Huchton prevented the Cowboys from completing a pass. The fourth quarter began with Muenster recovering a Bryson fumble deep in Cowboy territory. Two plays later Cory Cain connected with Jason Huchton for an 18-yard touchdown pass. Muenster was able to shut down the Bryson offense to preserve the victory in the Hornets' first game of the year.

Muenster junior high will play at Gunter Thursday, Sept. 27. Game time is 6:00 p.m.

Cheerleaders and Drill Teams in UIL competition

Stop laughing, it might happen ... The Legislative Council standing committee on policy of the UIL this past June recommended that the UIL regulate and sponsor competition for cheerleading and drill teams in Class 5A and 4A ... The six-member committee will recommend to the Legislative Council that the proposal be placed on a referendum ballot, with a favorable recommendation, to Class 5A and 4A superintendents ... If accepted by the Legislative Council and passed by the Class 5A and 4A superintendents, cheerleading and drill team competition could become a UIL activity during the 1992-93 school year.

Tragedy cancels Tiger game with Collinsville

The tragic death of Collinsville football player Jamey Brookshear led to the cancellation of the Sacred Heart-Pirate football game Friday night at the request of Collinsville High School officials. The Collinsville junior was killed when the vehicle he was driving was hit by a train at a crossing west of town at 4:00 p.m.

"It was frustrating not being able to play," said Tiger Coach John Nasche. "Our sympathy goes out to Collinsville and we understand their reason." Nasche said the Tigers were ready to play and maybe a little flat, "but it might even be better...it's like waiting an extra week for Christmas." The coach also said the week off gave the team time to heal up some bumps and bruises.

Sacred Heart will play at Saint Jo Friday. The Panthers, 0-3 for the season, should not be taken for granted. "We haven't been too successful in the past to get over confident," said the Tiger coach. "I am looking forward to get back on the field." Nasche is preparing his defensive ends for Saint Jo's passing game and figures the Tigers will have to run the ball right at the Panthers, hoping Chris and Ryan Hess and the offensive line can take care of Saint Jo's defense.

Several players have missed practices earlier this week but all will hopefully come around by Friday.

Game time is 8:00 p.m. at Saint Jo.

Tiger J.V. steals first win of season

Sacred Heart's junior varsity hosted Lindsay last Thursday and squeaked by with an 8-6 win.

Lindsay scored first, but was later surprised when Scott Hennigan stole the ball from the Knight's quarterback and ran into the end zone. "Scott played an incredible game," said Coach John Nasche. "He was in the backfield making tackles and sacks all night long." Nasche also noted Arnie Hess for outstanding defense including two knockdown passes and several key tackles, and was pleased with the improvement of defensive ends Jordan and Jeremy Bayer.

Offensive standouts for the J.V. Tigers included Aaron Berres, Willie Hess, Darren Klement, Martin McCoy and the offensive line. "The J.V. 'HOGS' came a long way, I'm pleased with the improvement," said Nasche. The line includes Werner Becker, Jeremy, Jordan, Kelley and Weldon Bayer.

Berres was 1-1 in passing with the lone pass caught by Jody "Hands" Fleitman for a 10-yard gain.

Sacred Heart's junior high hosted Collinsville last Thursday, and were defeated 28-0.

The Cubs host Saint Jo Thursday, Sept. 27 for a 6:00 game followed by the junior varsity's game with S&S on Tiger field.

Entries tie in contest

Week three of the Pigskin Payoff Contest saw a drop in contestants with nine failing to reenter, but six newcomers joining the group to make a total of 53 entries.

The Sacred Heart vs. Collinsville game was cancelled, giving everyone a correct guess, but leaving us without a tiebreaker. Mark Grewing and Henry Kessler correctly guessed 19 games, therefore splitting the \$15 weekly prizes at \$7.50 each. They picked up their winnings at Tops and Teams, the tiebreaker sponsor.

Finishing with 18 games were Bob Ambrose, Barbie Barnhill, Edna Hermes, and Alan Hudspeth.

The most missed game this week was Mississippi's unusual win over Arkansas, with every contestant picking Arkansas. Forty-seven contestants believed Gainesville would defeat Northwestern, while 38 missed the Philadelphia-L.A. Rams game and 23 picked Oklahoma St. over TCU. Only one picked Baylor to lose, while the Cowboys still have six believers.

In high school games, 25 missed Lindsay's win while 29 picked Valley View to defeat Era. Only one entry chose Muenster to lose, two picked Saint Jo to win and four missed the S&S vs. Whitesboro game. Twenty-four correctly selected Lubbock Christian and 25 picked Windthorst to win in TAPPS action.

In the running for the grand prize, taking the top two of three scores, Mark Grewing leads with a 19-19 score. Henry Kessler follows one game behind, 18-19, then Barbie Barnhill with 18-18 correct entries. Tied in fourth place with 18-17 are Bob Ambrose, Steve Fuhrmann, Edna Hermes and Alan Hudspeth.

The contest will run another seven weeks, or longer if either or both Muenster and Sacred Heart make the playoffs.

And for those who were just wondering, only 20 contestants chose Sacred Heart to defeat Collinsville. The majority had around a seven point spread. The worst score for the Tigers was a 6-36 defeat and the most favorable was a 24-0 win.

1. Only one entry per person per week. Persons entering must be 12 years old or older.
2. This page of schedules, results, predictions, pictures and the contest itself is supported by the advertisers appearing here. Each ad contains a scheduled high school, college or pro game for Friday, Saturday or Sunday of the week of publication. Read each ad and circle the winner. Entries on forms other than this newspaper page will not be accepted.
3. In order to determine the prize winners in case of ties, you must predict the score for the tie breaker game listed in the featured ad above.
4. Print your name, address and phone number clearly in the space provided.
5. Deliver the full contest entry to **The Muenster Enterprise** BEFORE 5 p.m. FRIDAY, the week of publication. Mailed entries will be accepted only if postmarked before Friday, 5 p.m. Address for mailing entries is P.O. Box 190, Muenster, Texas 76252.
6. The featured ad is picked at random each week. It contains the tie-breaker listing and is one of the winner/loser picks. Winner will pick up their prizes at that business each week on or after Tuesday of that week.
7. To be the grand prize winner, a contestant must enter every week. Contest will continue as long as either Muenster team remains in play. Winner of the \$100.00 grand prize will be determined by the best winning percentage throughout the contest after the lowest score is thrown out.

Lindsay whitewashes Whitewright Tigers 40-18

In danger of going 0-3, the Whitewright Tigers came to Knight field Friday night hoping to take home a victory, but the powerful Lindsay offense quickly washed all dreams from the Tigers' minds.

"The coach was real pleased with the boys. 'We were able to put things together,'" said Coach Pat Benton.

Lindsay piled up 24 first downs and a total of 513 yards while holding Whitewright to 14 first downs and 371 total yards in offense.

Jessey Barnes led the Knights on the ground, scoring Lindsay's first touchdowns and rushed 206 yards on 15 carries. Jeff Hermes added 75 yards, Scott Hermes 32 yards, Fred Hughes 31 and Marty Neu 26 yards.

"Jessey (Barnes) had an outstanding game," said Benton. "He was running with authority...running over people."

The Knights gained 141 yards in the air behind the throwing arm of quarterback Scott Hermes. Pat Corcoran caught three passes for 85 yards with Chris Hanks and Marty Neu each catching two for 35 and 21 yards.

Coach Benton complimented Hermes on his ball throwing and Corcoran and Hanks for catching the ball so well. He also noted center David Parson, guards Russell Almond and Herb Price, and tackles Kenny Fleitman and Matt Zimmerer for playing outstanding offense on the line.

Defensively Fred Hughes is credited for 10 tackles, assisted by Jeff Hermes, Herb Price and Patrick Schully. Schully covered a fumble for the Knights. Four Tiger passes were picked off by Corey Sandmann, Chris Hanks, Travis Huchton and Fred Hughes. "The defensive played real well," said Benton, "besides the three bad reads in our secondary that gave Whitewright three touchdowns. But I hope to get over that when district play begins."

Lindsay took the opening kickoff, starting on the Tigers' 40-yard line, moving 59 yards for a first and goal. On the Knights' ninth play, Jessey Barnes scored on a 1-yard run. The PAT didn't count and with 9:53 remaining in the first quarter, Lindsay led 6-0.

After Whitewright punted away on their second possession, the Knights drove 82 yards in six plays for the second score of the game. Two passes to Patrick Corcoran for 20 and 57 yards highlighted Lindsay's drive. Barnes ran in from two yards out with 9:22 remaining in the second quarter. Scott Hermes passed to Chris Hanks for two points, giving the Knights a 14-0 lead.

A surprising Whitewright pass for 69 yards put the Tigers on the board seconds later. The PAT failed and the score read 14-6. Lindsay returned the excitement when Barnes slipped away for a 62-yard run two plays later, setting up the Knights' third touchdown. An 8-yard pass to Patrick Corcoran gave Lindsay a 20-6 lead with 7:13 remaining in the half. The extra point attempt failed.

Whitewright controlled the ball for eight plays before Corey Sand-

mann picked off a pass on their own 6-yard line. With 2:36 on the clock, Lindsay moved the ball behind the rushing of Barnes and Hermes and a pass to M. Neu to the Whitewright 28-yard line in six plays. With 30 seconds remaining in the half, Scott Hermes connected with Chris Hanks for a touchdown. The PAT by S. Hermes failed and Lindsay extended their lead 26-6 going into the lockerroom for halftime.

Whitewright's first and second possessions in the third quarter were halted when Chris Hanks and Travis Huchton picked off Tiger passes. Whitewright's defense held the Knights on two drives but the third was a charm as the Knights moved the ball 45 yards in 9 plays with Fred Hughes running in from the 1-yard line to give the Knights another touchdown. S. Hermes kicked the extra point making the score 33-6 with nine seconds remaining in the third quarter.

Whitewright came back early in the final period, topped with a 30-yard touchdown pass with 10:09 remaining in the game. The extra point didn't count and the scoreboard read 33-12.

Lindsay moved the ball to the 5-yard line and on five attempts with the hindering of a penalty, failed to score, giving the Tigers the ball on their own 12-yard line. On the first play of the series, Patrick Schully covered a loose ball giving possession back to the Knights. Three plays later Schully ran in from two yards out, scoring Lindsay's fifth and final touchdown. S. Hermes kicked the extra point which was good and the Knights had a 40-12 lead with 4:53 remaining in the game.

Whitewright drove the ball, on the final possession of the game, 64 yards and scored on a 13-yard pass as time ran out.

The PAT was no good and the game ended 40-18.

The Knights travel to Nocona this Friday to take on the Class 2-A Indians. Nocona, 2-1 for the season, defeated Petrolia, 12-2 and Pottsboro 15-7 and lost 21-6 to Whitesboro.

"We plan to get a good show against Nocona," commented Coach Benton. The game begins at 7:30 p.m. (Game statistics submitted by Bridgette Anderle)

Lindsay Jr's. win over Whitewright

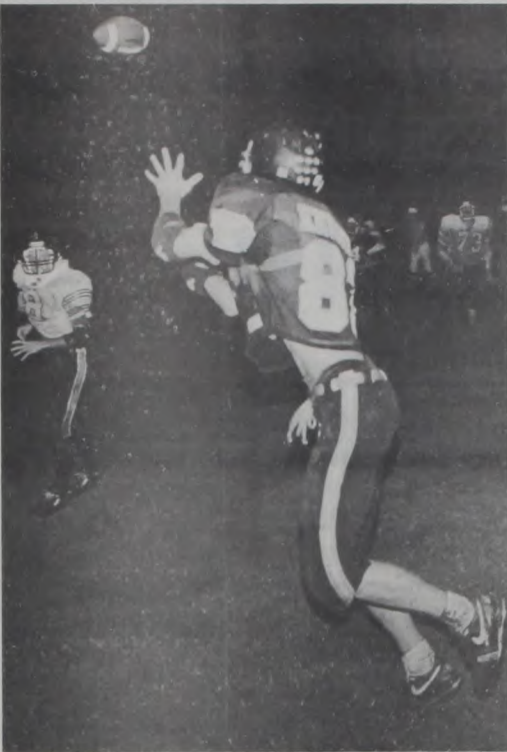

The Lindsay Junior High Knights took on the Whitewright Tigers last Thursday night at Whitewright.

The seventh grade team didn't play a regular game, but scrimmaged their opponents to a 1-0 victory. The single score came from a 70-yard run by Jess Hale. Coach Linus Fuhrmann noted Chris Escobedo and Garrett Helling as defensive standouts.

The eighth grade game followed, with Lindsay coming out on top 20-8. The junior Knights' first score was made on a 20-yard run by Chris Brown. Will Thomason ran in for the extra point to give Lindsay an 8-0 lead. George Lutkenhaus completed a pass from Thomason and ran 60 yards for the second touchdown. Lindsay's third scoring drive was completed with a 10-yard run by Thomason. Extra points failed on two attempts.

Coach Linus Fuhrmann included Keith Webb and Chris Brown as defensive standouts for Lindsay.

Lindsay juniors, joined by the high school junior varsity, host Nocona Thursday, Sept. 27. The first game begins at 5:00 p.m.

Bowie C of C schedules Fall Bash event for Oct. 6

Plans are pedaling along for the 1990 Bowie Chamber of Commerce Fall Bash scheduled for Oct. 6 in downtown Bowie, Texas.

Volunteers for the various activities are working hard to get things in order for the annual event, which will feature the Bowie Bash Bike Banter (formerly the Cross Timbers bike ride), an arts and crafts show and a brisket, chicken and rib cookoff.

The bike banter is expected to bring in 500 cyclists to tour the beautiful and rolling Montague County countryside. The routes, beginning en masse at 9 a.m., will include a 100K ride going out around Lake Amos Carter into Newport and back into Bowie. Trophies will be given to the first through third riders in the male and female divisions for the 100K. The other routes will include a 27-mile ride and a 10-mile ride.

There will be trophies and money payback for all three cookoff categories for first

through third places. Plaques will go to fourth through tenth place winners. These cookoff contests are becoming very popular throughout the Southwest, replacing the longtime popular chili cookoff. Turn-in times for chicken are 1 p.m. Oct. 6; 1 p.m. for ribs; and 2 p.m. for brisket.

The crafts show will welcome an array of local and area artists. The show is scheduled to begin at 8 a.m. and run until 6 p.m. in the 200-300 block of Tarrant Street.

The bike banter will begin in front of the Bowie Chamber of Commerce office, 115 E. Tarrant. Other activities, including live music from the Bowie band, "Sleepless Knights," will abound in this area and throughout downtown.

Persons wishing to register for the bike ride or brisket cookoff, or interested in renting a booth in the arts and crafts fair can contact the Bowie Chamber of Commerce, 817-872-1173.

Cross country meet set

Muenster will attempt to host its first cross country run, Saturday, Sept. 29 at the Turtle Hill Ranch. The event was to be held last weekend, but was rescheduled because of muddy conditions on the course.

The first race will start at 9:00 a.m., followed in 30 minute intervals for the four divisions scheduled to run. According to Charlotte Klement, co-organizer of the meet, more schools have called wanting to compete, so the number of runners have increased.

The girls will run a 2-mile course and the boys will run 3-miles over rolling hills, through trees, across cow pastures, and through two creeks.

Muenster withdrew from the Crawford meet at the Possum Kingdom Dam that is scheduled for Saturday.

Parents and spectators are again asked to attend and all volunteers

are welcome. Contact Charlotte or Dale Klement for more information.

Farm & Ranch

Announcement of director election posted

An election of a soil and water conservation district director to serve in Zones I and II on the Upper Elm-Red Soil and Water Conservation District is scheduled for Oct. 12, 1990 at the Fenoglio Restaurant, West Hwy. 82, Nocona, Texas, announced Clyde Hale, chairman of the board. The elections will be held at 7 a.m. and 7:10 a.m.

State law decrees that to be eligible to vote in a soil and water conservation district director election, a person must own agricultural land within the district where the election is being held. The person must also live in a county all or any part of which is in the district and the voter must be 18 years old.

Legal qualifications state that a candidate for the office of a soil and water conservation district director must own land in the zone he represents, be 18 years of age and be actively engaged in farming or ranching. He must also live in a county all or part of which is in the district. Soil and water conservation district directors serve four-year terms of office.

Zone I of the district includes all lands lying within the boundaries of Montague County which comprise commissioners precincts 1 and 2.

Zone II's boundary lines include the following area: All lands lying within the boundaries of Montague County, which comprise commissioners precincts 3 and 4.

Current members of the board of directors of the Upper Elm-Red SWCD are Clyde Hale, chairman, Sherman; J.K. Brite Jr., vice-chairman, Bowie; Henry Berry, secretary, Nocona; C. William Hermes, director, Gainesville; Rudolph Vincent Zimmerman, director, Lindsay.

The purpose of the Upper Elm-Red SWCD, with headquarters in Gainesville, Texas is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters.

The district board of directors coordinates the conservation efforts of various local, state and federal agencies and other organizations and has authority to enter into working agreements with these governmental agencies and private concerns to carry out its purposes.

All conservation programs managed by the district are of a voluntary nature to the landowner or operator.

Calf roping, barrel racing benefit fund

Former AQHA world champion Robbie Schroeder will take on former PRCA Great Lakes Circuit champion Terry McCutcheon in a special 10-head calf roping match at the Cooke County College Equine Center on October 6 (Saturday), with proceeds benefiting the college's scholarship fund for Equine Technology majors.

Two five-head sessions will be sandwiched around an electronically timed open barrel race. Entry fee is \$25 for the one-run jackpot. There will be no timer fee, but \$5.00 of each entry fee will go to the scholarship fund.

Additional scholarship funds will be generated by a special drawing which will enable the donor-purchaser of the winning ticket to take home a broke, trained horse.

The match is set to begin at 3 p.m. at the Equine Center's outdoor arena but will be moved indoors should there be inclement weather. The CCC Equine Center is situated a quarter mile north of the main campus on Bonner Road.

Admission charge at the gate will be \$2.00 for adults and \$1.00 for youngsters 12 and under. Because of limited seating, spectators are urged to bring lawn chairs. Hamburger dinners and soft drinks will be available at the arena.

McCutcheon, who came to Gainesville from River Falls, Wisconsin to become coordinator of the CCC Equine Technology program, was a nationally prominent collegiate rodeo performer at Murray State College in Kentucky and, as a pro, also won the PRCA Great Lakes Circuit steer wrestling and all-around titles in addition to his calf roping honors.

Schroeder has made quite a name for himself in American Quarter Horse Association-sanctioned competition, having won AQHA Honor Roll championships in calf roping, reining and working cowhorse classes as well as an AQHA world championship in heading.

"We hope to make this an annual affair that will continue to grow in scope," McCutcheon said. "We feel very fortunate to have a man of Robbie Schroeder's stature participating in this first year. I know I'm personally honored to have the opportunity to compete against him. In future years, we hope to bring in at least one and possible even two pairs of world-class competitors for head-to-head matchups."

"We're very proud of the success we've had so far in attracting students who are working toward two-year associate degrees in Equine Technology or one-year certificates in Horse Management & Training or Breeding Farm Management. However, we also want to make it clear that we welcome students who may want or need to take just one or two courses."

County Agent's Report

by Craig Rosenbaum

County Producers can extend their warm season pasture grazing period by sod seeding a cool season grass or legume. Annual Italian ryegrass is an important forage crop for livestock owners in Cooke County. This ryegrass can be sod seeded into bermudagrass on another warm season perennial grass. Producers should consider the advantages and disadvantages of sod seeding before making a planting decision.

Because of the warm season base grass, sod seed pastures furnish less fall and early winter grazing than those planted on a prepared seed bed.

Also, the sod seeded grass can retard the early spring growth from the warm season perennial grass.

On the plus side, sod seeding will use land during a normally unproductive period of the fall and winter to extend pasture grazing periods. Sod seeding also provides better footing for grazing livestock thus eliminating problems associated with wet weather and muddy fields. In addition, fertilizer applied to ryegrass can carry over and benefit your warm season pasture in the spring and summer.

There is a need to decide between sod seeding and prepared seed bed winter pasture. Stocker calf producers need fall and winter pasture and so they must pick the prepared seed bed. Spring calving cows can winter well on good hay, and the sod seed pastures will provide them with plenty of early spring growth.

allows seed to come in contact with the soil. Ryegrass should be planted at 20 to 30 pounds per acre. Apply fertilizer after the ryegrass is up and growing and the bermudagrass is dead from frost. A fertilizer should be applied by using a soil test. If no soil test has been run on the land a "good rule of thumb" is to add an actual N-P-K at the rate of 50-40-40 on our sandy type soils of 50-0-0 on the heavy black land soils. Hopefully, your pasture system will allow the ryegrass to grow 5-6 inches before grazing.

Most all varieties of ryegrass produces very well in the Cooke County area. The following chart shows a 1985-1987 forage production of ryegrass varieties at the Texas A&M Experimental Station at Overton in East Texas.

WBAP Radio recognized for outstanding service

DALLAS - A special award for outstanding service to 4-H has been presented to WBAP Radio by the 4-H Adult Leaders Association and the Texas Agricultural Extension Service.

Joe Holstead, WBAP's Farm and Ranch Director for News, accepted the award for the station during a 4-H leadership luncheon here September 22.

"WBAP has helped tell the 4-H story of positive youth development to North Central Texans with a comprehensive and cooperative effort," said Dan James, Dallas Extension 4-H specialist.

"We are proud of their commitment to the value of 4-H to our young people. Their promotional efforts have supported our adult

leaders and have contributed to scholarships for college-bound 4-H participants," continued James.

In presenting the award, James noted a list of WBAP programs for 4-H.

"WBAP demonstrates a commitment to serving their listening audience and the future of North Central Texas with sound information on 4-H and its potential for helping youth grow up to be confident and self-directed citizens," said James.

"We hope to make this an annual affair that will continue to grow in scope," McCutcheon said. "We feel very fortunate to have a man of Robbie Schroeder's stature participating in this first year. I know I'm personally honored to have the opportunity to compete against him. In future years, we hope to bring in at least one and possible even two pairs of world-class competitors for head-to-head matchups."

Stocker cattle workshop set for Oct. 10

Livestock producers and stocker cattle producers in the area are invited to a Stocker Cattle Workshop on Wednesday, Oct. 10, at the Cooke County Fairgrounds at Gainesville. Activities will begin at 5:30 with a hamburger supper. Area industrial representatives of livestock and forage supplies will have exhibits and will answer questions about their products. A program will then begin at 7 p.m. with Noble Foundation Forage and Livestock Specialists R.L. Dalrymple and Clay Wright, and Extension Livestock Specialist Ron Gill.

Topics to be covered include "Forage Grazing Systems," "Mineral and Protein Supplements for Stocker Cattle," "Copper Deficiency in Livestock" and "Getting the Most from Your Supplemental Dollar."

The Workshop is planned and sponsored by TU Electric Ag Services Division, the Extension Livestock Committee and Cooke County College Ag Department. All area producers are invited to this free program and meal.

Also, if you decide to sod seed, allow the warm seed grass to make early fall growth but don't fertilize. In late September as much of the forage should be removed from the grass so sunlight can reach the soil. Sod seed ryegrass in late September or early October. There are various ways to do this. A standard grain drill will work to get ryegrass in contact with the soil. One other most popular method is to aerate by using a pasture renovator or disc. This too

Coy Paton Roach, 92, dies Sept. 25

Funeral services for Coy "Cobe" Paton Roach were held Thursday, Sept. 20, 1990 at 2:30 p.m. in the Rosston United Methodist Church.

Rev. Marshall Stewart, pastor of Prairie Point Church of the Nazarene, and Rev. Richard Dugger, pastor of the Forestburg Baptist Church, officiated.

Interment was in Rosston Cemetery under the direction of Vernie Kael Funeral Home.

Mr. Roach passed away Tuesday morning in the Muenster Memorial Hospital.

He was born November 30, 1897 in Sulphur Springs. His parents were James R. and Betty Duncan Roach.

He and Miss Ruby Sutton were married Feb. 13, 1921 in the old Neislar house next to the Baptist Church in Rosston.

Mrs. Roach preceded him in death on October 2, 1976.

Mr. Roach was associated with Prairie Point Church of Nazarene. He was a retired farmer and cotton picker.

Survivors are one daughter Mrs. Audilee Lovette, and one son Coy W. Roach, both of Prairie Point; one sister, Mrs. Bessie English of Gainesville; six grandchildren and 11 great grandchildren.

Pallbearers were Richard Sutton, Jimmy Sutton, Charles Roberson, P.W. Ford, Travis Sutton, and A.G. Sutton.

In the funeral service Rev. Stewart, after reading scriptures, mentioned Mr. Roach enjoying his farming, and their love for the neighboring children and having them for dinner on Sundays. Mr. Roach was a good neighbor and was interested in his community, and loved his family.

Rev. Poore conducts funeral for former classmate, Dr. L.B. Page

by Ruth Smith

Graveside services were held for Dr. Lot B. Page Thursday at 2 p.m. in Lincoln Cemetery, Lexington Road, Lincoln, Mass.

Dr. Lot B. Page, 67, passed away in his home August 29, 1990 in Lincoln, Mass.

Dr. Page was a physician who contributed to understanding hypertension and kidney disease and was former chief of medicine at Veterans Administration Medical Center, Manchester, N.H.

He was born in Tarrytown, N.Y. He also lived in West Newbury, Mass. where he and Rev. Elwood Poore of Gainesville graduated from Westbury High School 50 years ago.

In 1945 he graduated from Middlebury College. In 1949 he graduated from Harvard Medical School.

During World War II, he served in the U.S. Army. During the Korean conflict, he served in the U.S. Army Medical Corps.

In the early 1960s Dr. Page and a colleague at Massachusetts General Hospital developed a method for measuring a blood chemical associated with a certain type of hypertension or chronic high blood pressure.

From 1966 to 1972 he took part in Harvard's Solomon Islands Project - a study that found no hypertension among thousands of islanders, none of whom had ever ingested sodium.

He headed the hypertension clinic at Massachusetts General Hospital before becoming Chief of Medicine at Newton-Wellesley Hospital in 1966. In 1985 he moved to Washington D.C., to head a cardiovascular research program at the National Institute of Aging. He returned to New England in 1989 as Chief of Medicine at the Veterans Administration Medical Center in Manchester, N.H.

In 1985 a symposium on hypertension was held in his home in Boston, Mass.

In addition to all his research and clinical work and teaching at Tufts and Harvard Medical schools, he was a flutist, beekeeper, photographer, and a

naturalist who delighted in sharing his knowledge of the life cycles of lichens, insects, birds and other creatures he encountered.

He was also an authority on poisonous mushrooms, he made himself available on weekends to Boston's Poison Center to advise victims of such poisoning.

Family members surviving Dr. Page are his wife Patricia of Lincoln, Mass.; one daughter Deborah Peterson of Falmouth, Mass.; two sons, Jesse R. Page of Syracuse, N.Y. and John H. Page of Cambridge, Mass.; a brother, Bryant R. Page of Acton, Mass., and nieces and nephews.

Rev. Elwood Poore, United

Methodist Minister in Gainesville and pastor of Era, Rosston and Spring Creek churches, was called to conduct the funeral service. He and Dr. Page were classmates and graduated together at Westbury High in Mass. We feel it was a nice honor for Rev. Poore when they are many other ministers.

St. Mary's Fall Festival scheduled for Sept. 30

by Katherine Vickers

The one and only fundraiser for St. Mary's School is scheduled for Sunday, Sept. 30. This annual event which raises thousands of dollars for the school promises to be filled with lots of good food and fun for everyone.

The fun begins at 11:00 a.m. on Sunday with a chicken and dressing dinner in St. Mary's Parish Hall. The tickets for this are \$5 for adults and \$3 for children age 10

and under. The meal includes roasted chicken, dressing, gravy, mashed potatoes, green beans, green salad, dessert, iced tea and coffee. Lunch will be served from 11:00 a.m. to 2:00 p.m.

A carnival will also take place from 11:00 a.m. to 4:00 p.m. on the school parking lot. There will be games and prizes for all ages.

The Fall Festival auction is scheduled to begin at 4:30 p.m. in the Parish Hall and last until every

item is sold. Items to be auctioned include a rifle, handmade quilt and gift certificates and much more.

The evening will conclude with the drawing of the raffle winners. The grand prize in the raffle is \$2,000.00 cash.

The day promises to be filled with good food, fun and friendship. Please plan to come and join us!

NOTICE!

Cooke County Chorale members will meet every Monday this fall for regular practice at 7 p.m. at St. Paul's Episcopal Church in Gainesville, to rehearse for the planned Christmas program, Handel's "Messiah." New members are welcome. The Cooke County Chorale has invited other choirs to join in the presentation and more are welcome. Handel's "Messiah" will be performed on Dec. 6 at 7 p.m. at First United Methodist Church in Gainesville. More information may be obtained from Ned Newman, chorale president.
