## Patriotic spirits soar at parade and rally

American pride and patriotism ran high at the Cooke County Desert Storm Parade and Rally, held Sunday, Feb. 10, in Gainesville. An emotional crowd, estimated to number between 2,500 and 3,000, marched from Heritage Park to the Courthouse Square.

Many participants carried flags, banners, signs and other items showing support. Family members of military personnel serving in the Mid East often carried signs with their name or picture.

"It was wonderful, more than we ever expected," remarked Sue Goodwin, spokesperson for Project Yellow Ribbon, the group sponsoring the event. "Cooke County can be proud of itself right now."

Names of all the men and women in the military with ties to Cooke County were read during the rally by David Bright of Muenster.

Entertainment at the rally included Joyce Chavez of Bonham, singing the song she wrote, "An American Soldier;" Brad Adam singing "Bring Him Home;" a rap song by children from a Gainesville Middle School; a

patriotic yell by the Lindsay High School Cheerleaders; Kenny Phelps' rendition of "God Bless The USA;" and "The National Anthem" by Gloria Deeds.

Several Cooke County mayors, including Ted Henscheid of Muenster, Donna Skaggs of Oak Ridge, Charles Woolfolk of Gainesville were present and made short speeches.

"During the rally, it was great to look around and see everyone participating - singing, praying, crying, cheering," said Brenda Rigby of Muenster. She also noted that the children of the soldiers appeared very brave, showing faith in God and country, as well as showing strength.

Groups from Muenster who attended included members of the VFW and VFW Ladies Auxiliary, Muenster Trail Blazers Camp Fire and Muenster Scouts.

The event was covered by KGAF Radio and Channel 12 TV of the Sherman-Denison area. Interviews were conducted with several local people with sons serving in the Mid-East, including Herbie and Edna Knabe and David and Juanita Bright.

## Three from county recognized... Werner Becker Jr. feted at Education Banquet

Werner Becker, Jr., a member of the Sacred Heart School Board for ten years, six as president of the board, was recognized at the Diocese of Fort Worth annual Catholic Schools Education Banquet on Feb. 2, for dedicated service to his school, and for outstanding service to Catholic schools. He was named when school principals were directed to select someone other than a teacher who has served the school with distinction, who is an asset to his church and community, and whose livelihood or occupation is local.

Qualified by ten years for the school, seven years on the Muenster Hospital Board, six years as a Eucharistic Minister, one session in RENEW, and operator of a farm and dairy for many years, Becker was selected to represent Sacred Heart School in 1991.

He and his wife, Linda, were accompanied to the banquet by several Sacred Heart staff members, including Sister Genevieve McConnell, Sister Monica Swirczynski, Father Sebastian Beshoner, Leon Fuhrmann, Debbie and Doyle Hess and Mr. and Mrs. Jack Murdock.

Presentation of his award was made by Bishop Joseph P. Delaney and Superintendent of Schools, Ed Doherty.

Also honored among the 15 selected individuals, each with unique gifts and contributions to Catholic Education, was former resident of Muenster, Sister Mary Helen Fuhrmann, daughter of the late Henry and Lena Fuhrmann. She is a sister of Michael Fuhrmann of Lindsay, Leon, Francis and Jerome Fuhrmann of Muenster, Mrs. Cletus (Anita) Bauer of Atlanta and Mrs. David (Eileen) Endres of Garland.

Sister Mary Helen Fuhrmann, SSMN, a nominee for Principal of the Year of NCEA, a member of the Sisters of Our Lady of Victory Convent in Fort Worth, in her tenth year as administrator at St. Peter's School. Before that she was principal of Notre Dame Elementary in Wichita Falls for

nine years. She has been named the diocesan nominee for the Principal of the Year Award of the National Catholic Education Association. She received her current award at the Fort Worth banquet from Bishop Joseph P. Delaney and Diocesan Superintendent of Schools, Ed Doherty.

Also named for recognition at the banquet was a third resident of Cooke County, Patsy Henry, kindergarten teacher and elementary music teacher of St. Mary's School in Gainesville. Mrs. Henry was St. Mary's honoree at the event.

She is helping to pioneer an innovative computer-based project in the diocese for 5-year-olds, called "Write To Read." She took a course of intensive instruction in Atlanta, Georgia learning how the program works and how to implement it at St. Mary's School. Principal Diane Middlebrooks of St. Mary School gave high praise to the new program.

Patsy Henry is the wife of Eddie Henry. They are parents of four children. Mrs. Henry is the daughter of Mr. and Mrs. Henry Spaeth of Gainesville.

The annual Catholic Schools Education Banquet was held in Fort Worth on Saturday, Feb. 2 and attended by 300 educators and benefactors. Auxiliary Bishop Carl Fisher SSJ of the Archdiocese of Los Angeles was the principal speaker. He was introduced by the Fort Worth Diocese Associate Superintendent of Schools, Sister Marguerite Connors, a member of the Holy Spirit Order.

At the banquet, Msgr. Charles B. King, pastor of St. John the Apostle Church was a special honoree of the Diocese. A scholarship fund was established in his name, in recognition of his years of leadership in support of Catholic Schools in North Texas and as a faculty member at Bishop Lynch High School in Dallas, Msgr. Nolan High School in Fort Worth and Holy Trinity Seminary in Dallas.

Brad Wright, anchorman for KXAS-TV, channel 5, was master of ceremonies.

## Blazer collides with 18-wheeler Tuesday

Kenneth Walterscheid Jr., 16, of Muenster was uninjured when the 1983 Chevrolet Blazer he was driving hit the left side of a freight liner that was westbound on US Hwy. 82 at 6:40 p.m. on Tuesday. Walterscheid was traveling north when the accident occurred at the Ash Street intersection.

According to investigating of-

ficer, Robert Stovall of the Muenster Police Dept., the truck is owned by KLLM, Inc. from Jackson, Miss. There were no injuries in the accident. Walterscheid's Blazer was totaled.

Members of the Muenster Volunteer Fire Dept. responded to the accident to assist with traffic and wash down the accident scene.

HIGH WINDS and dry conditions hampered local firefighters Wednesday afternoon as a wild fire burned over 1,000 acres of grassland and timbers northwest of Muenster. Fire departments from Muenster, Saint Jo, Montague and Gainesville responded, assisted by neighbors and passersby, working against the flames that jumped county roads and creeks. A backfire finally halted the flames which also destroyed approximately 175 large hay bales. The fire was started by a welder.

## Forestburg boy dies in barn fire

The adventures of two boys playing in a hay barn ended in tragedy Saturday afternoon. Gabriel Lee Allison, 12, died from smoke inhalation after a haystack in which he and an 11-year-old friend were playing was accidentally ignited by a match. The younger boy was unharmed. Allison had apparently fallen into a hole in the hay.

Forestburg's Volunteer Fire Dept. was called to the scene at approximately 5:15 p.m. The volunteer firemen and numerous citizens made efforts for nearly an hour to get into the haystack and locate Allison. Heavy smoke hampered their efforts.

The victim was located at 5:55 p.m. and pronounced dead by a Justice of the Peace at 6 p.m., according to Deputy Fondren of the Montague County Sheriff's Dept. After an investigation was conducted, the death was ruled accidental by smoke inhalation.

An estimated 2,500 bales of hay were in the barn at the time of the

fire. All were lost in the fire, many smoldered for several days. The barn was constructed of metal and didn't burn but was damaged during rescue attempts.

Six rural fire departments assisted at the scene. They were from Forestburg, Rosston, Sunset, Bowie, Montague and Nocona. The barn was owned by David Steadham and located three-tenths of a mile east of Forestburg on FM 922.

"It was a terrible tragedy caused by matches being used in the wrong environment," commented Deputy Fondren.

Funeral services for Gabriel Allison were held at 3 p.m. Tuesday, Feb. 12, in Bowie. Interment was in Elmwood Cemetery, with Kreig-Owens-Brumley Funeral Home in charge.

Gabriel is the son of Jennifer Allison of Forestburg and Raymond Allison of Bowie. He resided in Forestburg with his mother in the home of her parents, Mr. and Mrs. Charles Black.

## Good News!

O God, you are my God whom I seek; for you my flesh pines and my soul thirsts like the earth, parched, lifeless and without water. PSALM 63:2

## Letters to the Editor

## Dear Muenster Enterprise,

The Texas Association of Student Councils in conjunction with the Texas Energy Education Development Project/National Energy Education Development Project, has declared the week of February 11 through February 15 to Energy Education Week.

Sacred Heart Student Council is promoting energy awareness during that week. As a part of our campaign to increase community and school awareness of energy issues, we are asking you to run the enclosed Public Service Announcement.

We appreciate your help with this important project.

Thank you,  
Sacred Heart Student Council

## Public Service Announcement

February 11 through February 15 is  
National Energy Education Week  
Sacred Heart Student Council  
asks everyone to...  
CONSERVE AND PRESERVE

## Teenagers' assault is fatal to Jimmy Pruitt, 55, of Alvord

Injuries that momentarily appeared to his daughter as the result of a supposed fall from a ladder in his barn were quickly determined by medical authorities to be gunshot wounds to his head, causing the death of Jimmy Pruitt, 55, of Alvord in Wise County.

Pruitt, owner of Red Angus Farm on FM 1655, about five miles north of Alvord, had gone to his barn on Wednesday, Feb. 6, to do some work. He was found by his daughter about 6 p.m., lying on the concrete floor just inside the barn, bleeding from head wounds. He was transported to Decatur Community Hospital by Wise County EMS ambulance, and died there a short time later.

It is believed two suspects were not inside the barn, but were hiding nearby in order to steal a vehicle to escape. Reports were that they said they hoped to escape to Atlanta, Georgia. It is also suspected that they feared Pruitt had recognized them, because of a statewide alert broadcast for two burglaries they committed and therefore they shot him. They are also suspected of stealing Pruitt's 1983 model

pickup, because one of the boys told the Wise County Sheriff's Dept. where to find the vehicle, which has been recovered.

The two suspects, reportedly seen walking in the vicinity earlier in the day, an 18-year-old and a 16-year-old, were apprehended 17 hours later in Decatur. The older of the two is under \$500,000 bond and remains in jail, charged with capital murder. The younger has been placed in Denton County Juvenile Intake and Detention Center. According to Texas law, there are several options in the handling of his case. He could be certified as an adult or juvenile, or face sentencing to 30 years in the Texas Dept. of Corrections, or held by the Texas Youth Commission until 18 years of age when more prison time would be faced. The capital murder case will be turned over to the Grand Jury as soon as possible after completion of this investigation.

Both of the suspects are students of Alvord High School, where one was possibly involved in the assault of another high school student Wednesday morning. After leaving the school, the pair is alleged to have continued on a crime spree by burglarizing two area homes. In one burglary, \$6,000 was taken. The money has been recovered.

Capt. Doug Whitehead, Chief of Detectives for the Wise County Sheriff's Dept., said evidence linking the two to the crime scene included fingerprints, plaster casts of footprints, money and expensive items taken in the two burglaries, and weapons, which the suspects had in their possession. Most of the money has been recovered.

Funeral services were held Saturday, Feb. 9, at 1 p.m. at the family farm. Rev. Larry Braswell officiated at the graveside.

Pruitt was born July 28, 1935 in Fort Worth and married Juanita Taylor on March 22, 1954 in Haltom City. He was a member of the Alvord School Board, a former member of the National Guard and a past member of the Smithfield Masonic Lodge.

Survivors include his wife, Juanita Pruitt; two sons, Jimmie of Bedford and Danny of Haltom City; one daughter, Linda Kay Bryan of Alvord; one brother, M.E. "Bob" Pruitt of Alvord; one sister, Minnie Engstrom of Alvord; and five grandchildren.

Stunned by the death of the well-known farmer, rancher and community leader, and frightened by the burglaries of several homes, residents of the entire area are mourning the passing of Jimmy D. Pruitt.

## John Sharp reports on '91 tax exemptions

AUSTIN - State Comptroller John Sharp said recently that in fiscal 1991 state sales and franchise tax exemptions will save taxpayers and cost the state \$12 billion.

In a report to the Governor and Legislature required by state law, Sharp said that figure, exemptions from sales tax will total \$11.8 billion and franchise tax breaks will reach \$200 million. Sharp's report did not make any recommendations for keeping, eliminating or modifying any exemptions.

The sales tax - at \$7.6 billion in fiscal 1990 - is the largest source of revenue for Texas state government. About 56 cents of every state tax dollar comes from the sales tax.

Basic necessities, such as groceries, prescription medicines and residential gas and electricity, are among such items exempted from the state's 6 1/4 percent sales tax. Farmers and ranchers receive exemptions for machinery, livestock, feed, seed and other agricultural purchases.

In Texas, sales tax is also not due on most services. In 1991, these service exclusions will be worth an estimated \$1.7 billion -

an amount equal to almost 21 percent of expected total sales tax collections.

The highest-dollar service exclusions are professional services, such as medical, dental and other health care (\$445 million); legal services (\$178.5 million); accounting and audit services (\$74.5 million); engineering and architectural services (\$86.5 million); real estate agencies and brokers (\$74.3 million); financial securities brokerage (\$46.4 million); and veterinary services (\$22.7 million).

Of the \$200 million in franchise tax exemptions in 1991, \$101 million will go to profit-making businesses. The largest exemption for these corporations - 55.2 million in 1991 - will go to insurance companies that already pay the Texas insurance gross premiums tax. Nonprofit corporations, such as charities, colleges and civic groups, will claim \$98.3 million.

If the Legislature eliminated an exemption, the state would not necessarily collect the same amount listed in the Comptroller's report. Actual revenue would depend on a variety of factors including the timing of any change and taxpayer compliance.

## Army discusses war and its effects on economy

by Elaine Schad

An Allied ground engagement against Iraq could begin within two weeks, but ground forces will be used mainly to expose the enemy to a superior Allied air attack, U.S. Rep. Dick Arme told a group of about 50 people during a reception held this week at the Gainesville Area Chamber of Commerce.

Arme, who represents southern Cooke County as part of the 26th District in the U.S. House of Representatives, was also guest speaker in Gainesville at the North Texas Oil and Gas Association meeting, sponsored by Felderhoff Drilling.

Arme, R-Flower Mound, said ground forces will perform a

somewhat different role than they have in other military conflicts. "They will flush the enemy out of the holes so the air force can knock them out," he said.

The public should be aware of two critical points where ground warfare is concerned, said Arme. If there is a ground attack, air activity will increase, not decrease, he said. Second, casualties are not expected to be as high as what some people are now believing, he said.

It's hard to tell when the conflict will terminate, but Arme has a couple of theories of what may happen as the war comes to a close. "If someone doesn't take Hussein into some sort of protective custody, he's a dead man," said

Arme. "The Israelis will kill him, and I can't say I will feel bad about that."

There should not be a final diplomatic solution to the Iraq conflict that does not deal with the Palestinian issue, said Arme, who predicted the war could end within a couple of months.

Arme said he was one of the last conservatives in Congress to throw his support behind the commitment of ground forces and authorizing President Bush to uphold the U.N. resolutions. "There was a reason for my tardiness," he said. "I became convinced that there was a way to fight an engagement with Saddam Hussein where it could be built into the plan minimal risk to our fighting men and women."

Now that the war is almost a month old, several points are now evident, said Arme. "It's been a well-planned and well-executed plan," he said. Secondly, the high-technology military equipment works, especially the Stealth technology.

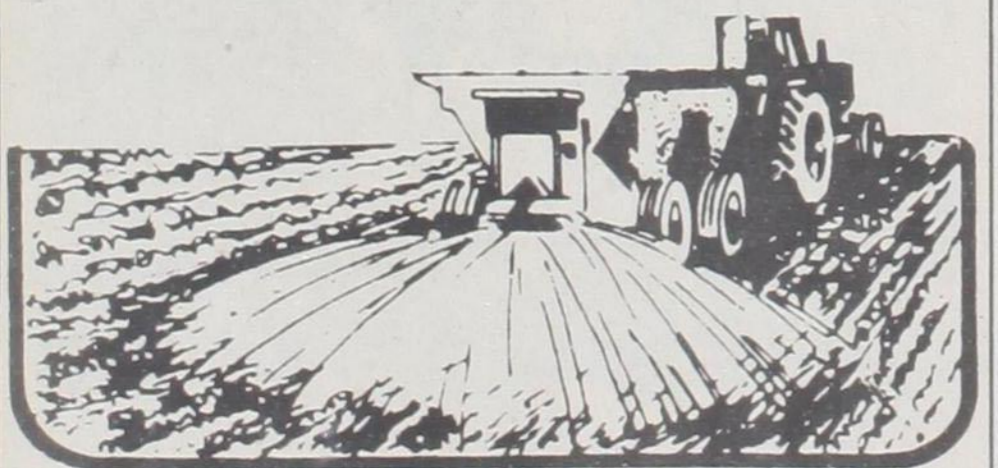

In other matters, Arme predicted a short recession, with people tending to believe that the economy will pick up if the conflict in the Middle East is short. He blamed House leadership for the recession, saying the House was stopped from passing capital gains legislation that would have gone far in preventing an economic slowdown, while throwing in tax increase.

While a lot of Congressmen will be fighting to redistrict so that they'll stay in office, Arme said he is confident that he has enough support to remain in office, so will not be concerned about redistricting. That will allow him to work to make changes in how the budget process works, he said.

"My job is to go to Washington, raise Cain and disrupt the system," he said. "If business as usual isn't good enough, we should do something about it."

It will take a new budget model, like one that has been proposed by

## A PROCLAMATION

WHEREAS, the 759,388 members of the Ladies Auxiliary to the Veterans of Foreign Wars of the United States have volunteered 21 million hours and donated 27 million dollars conducting their community service and patriotic programs throughout America in the past year,

WHEREAS, members volunteered more than 4 million hours in America's Veterans Administration Medical Centers, nursing homes and other hospitals; raised \$3,143,265 for their cancer aid and research program; and provided 8,894 students with the opportunity to express their patriotism through art as well as compete for scholarships,

WHEREAS, Auxiliary members have demonstrated concern for the citizens of Muenster by sponsoring youth groups, raising funds for numerous charitable organizations, providing hunter safety classes, donating flags to community groups and offering many other services to the community,

WHEREAS, the organization represents veterans and the families of those patriots who have protected our country abroad so that we might enjoy freedom at home today,

WHEREAS, this year's leader of the Auxiliary, National President Fran Booth, is rallying members to provide even greater service to America with her theme, ACCEPTING THE CHALLENGE FOR GOD AND COUNTRY,

AND WHEREAS, Mrs. Booth has scheduled Austin, Texas for an official visit, I, Ted Henscheid, do hereby declare February 27, 1991 as VFW AUXILIARY DAY in honor of the National President and all Auxiliary members who have given so generously of their time, talents and resources to protect our freedom and to build an even better America.

/s/ Ted Henscheid, Mayor

**STEVE HENSCHIED**, center, practices CPR techniques with coaching from fellow student **Bob Endres**, right. Course instructor **Judson Perry**, Safety Coordinator for Cooke County Electric Cooperative, looks on. Six Muenster Volunteer Firemen completed the American Red Cross Basic First Aid and CPR Course, which was sponsored by CCEC. During their training, the volunteer firemen used CPR mannequins recently acquired by the Cooke County Chapter of the American Red Cross through donations from CCEC and the Gainesville City Letter Carriers, National Association of Letter Carrier Branch 304. CCEC's employees have been trained in CPR and first aid. Since the Co-op is well equipped to administer certified courses, they are offering this training as a public service to rural firemen in the CCEC's service area. (CCEC Photo)

## Kelly Ray Matthews of Lindsay dies at age 28

Funeral services were held on Tuesday for Kelly Ray Matthews, 28, of Lindsay. He died in Gainesville Memorial Hospital on Sunday, Feb. 10, 1991.

Born on Nov. 25, 1962 in Garland, he was the son of Burl and Angie Matthews of Lindsay. He was a graduate of Brenham High School, attended Blinn College in Brenham and Vernon Junior College in Vernon and was a member of Commerce Street Church of Christ. He was employed as a truck driver by Driver Pipeline of Irving.

Survivors are his parents, Burl and Angie Matthews of Lindsay; one brother Tommy Matthews of

Mustang, Oklahoma; one sister Rhonda Clover of Gainesville; his grandparents Mr. and Mrs. William Burl Matthews of Burk Burnett; and several uncles, aunts, cousins, nieces and a nephew.

Officiating at the funeral service in Vernie Keel Chapel on Tuesday, Feb. 12 at 2 p.m. was Percy Parrish, pastor of Commerce Street Church of Christ. Interment in Fairview Cemetery was directed by Vernie Keel Funeral Home.

Pallbearers were David Partain, Ricky Clark, Elgin Amoroso, Nick Partain, Tim Partain, and Rickey Alexander.

## PROJECT FAIR PAY: Three Weeks to Pay Up on Back Taxes

Every year, thousands of Texas businesses cheat their consumers, their competitors and their fellow Texans out of millions of dollars. The deception is simple, and illegal — they collect sales tax from their customers but fail to turn it in to the State.

Here at the Comptroller's Office, we're extremely serious about making sure that every taxpayer complies with the law. Right now, we have in our sights 8,000 firms who owe the State more than \$52 million in delinquent sales taxes.

That's \$52 million they've "stolen" from their customers, who honestly believed they were paying sales tax to the State on their purchases.

That's a \$52 million advantage for these cheating businesses because they can undercut the prices of their law-abiding competitors by up to 8.25 percent and still stay ahead of the game.

Today, more than ever, as the state faces a multi-billion-dollar budget crunch, we're determined to collect every single penny in taxes owed. Texas needs that money to educate its children, feed its hungry, build its roads and lock up its criminals.

We signalled our determination

this past week by closing down some of the worst violators. Our message to the rest of the cheaters is simple: Pay up before we close you down.

We can audit them, suspend their sales tax permits or liquor licenses, seize their bank accounts and — when all else fails — shut them down. Once we padlock their doors, we won't let them back in until they pay all their back taxes, plus penalty and interest. And even when they do open back up, the publicity that accompanied our operation won't be good for their business. I can promise that.

For the next three weeks, however, we're putting our raids on hold. Our *Project Fair Pay* offers amnesty to most of those delinquent taxpayers who want to come clean. We want them to call our special hotline — 1-800-252-5555 — or contact their local office of the Comptroller of Public Accounts before March 1. If they make arrangements to pay what they owe — in some cases we even can set up a payment plan — then we'll waive the penalty on all delinquent taxes owed as of the first of the year.

I have to point out here that this

amnesty doesn't apply to everyone. All taxpayers under criminal investigation by our office and those suspected of fraud don't qualify for *Project Fair Pay*. They'll be prosecuted to the fullest extent of the law.

And let me warn the rest of them right up front: If we don't hear from them by the first of March, all bets are off. Once this grace period is over, my enforcement team will be back in action. We'll track down retailers who charge sales tax and keep the money for themselves. We'll find businesses operating without tax permits. And we'll catch up with those operations that buy large volumes of goods from outside the state and don't pay the Texas use tax on those purchases.

We know where these delinquents are. Some already have heard from us. Others we haven't reached yet. But we will.

The overwhelming majority of Texas businesses pay their sales taxes, on time, without any tough action on our part. For that small percentage who seem to feel they're above the law, we're about to bring them back down to earth.

## 4-H'ers attend Share-the-Fun activities

by **Cassie Bullock County Extension Agent**

Over 275 4-H'ers, parents, friends and relatives attended Share-the-Fun at the Gainesville Middle School Saturday night, Feb. 9. Share-the-Fun is the finale of the 4-H drama projects. Several weeks ago, groups of 4-H'ers and their coaches, began putting together acts including singing, puppets, dancing and skits. Several acts this year focused on Operation Desert Storm and sup-

port of our troops. Some acts have a 4-H theme, some are just funny, and some address issues facing our youth.

Share-the-Fun is a lot of fun, but it is a learning experience as well. 4-H'ers learn cooperation, self-confidence, planning, and how to develop their talents and leadership abilities. The acts are judged on audience appeal, creativity, showmanship, talent, costumes and props, and appropriateness of the material.

This year the Junior Act "Rudent Revival" presented by Mountain Springs placed first.

Placing first in the Senior Division and representing Cooke County at District, was the act "Love Makes the World Go Round" by Mountain Springs.

Mountain Springs also placed second in the Junior Division with the act "Saudi Sweeties and Sarge."

Silver Cedar 4-H placed second in the Senior Division with the act "Friday Night Live."

The audience was entertained by eight more entries in the Junior Category.

Silver Cedar's "The Birthday Pie" received a red ribbon. Mountain Springs's 4-H'ers performed the act "Good Grief What's Under the Reef?" which received a blue ribbon.

"The Imp's Defeat" was presented by the Lindsay Junior Club and received a red ribbon. Carol Fuhrmann, Diane Hermes, and Charlene Lutkenhaus coached team members Leah Hermes, Robert Lutkenhaus, Erica Fuhrmann, Michelle Secret, Cody Secret, Amber Griffith, Cara Griffith, Nicole Crutsinger, and Blake Crutsinger.

Era's act, "Off to War," consisted of Erin Alphin, Jeremy Johnson, Hope Bentley, Kelly Graves, Chelsie Lockhart, and Nancy Rodriguez. Their act received a red ribbon. Cindy Lawler was their coach.

Another group from the Lindsay Junior Club received red ribbons for their act "Father Keeps House." George Lutkenhaus, Stephanie Sandmann, Gina Armstrong, Andrea Fuhrmann, Megan Sandmann, Abbie Bezner, Karlee

O'Dell, Amy Hoberer, and Amanda Hellinger received red ribbons. Pam Hoberer and Brenda Fuhrmann coached the team.

"The Gentle Giant Killer" presented by the Era club received white ribbons. Participants Ann Bowles, Jennifer Lawler, J.R. Lewter, Amanda Myers, Meredith Ellis, Prairie Endres, April Selby, and Bethany Puckett were coached by Mary Ellis.

The third act by Lindsay Junior 4-H was "4-H Youth Round-Up" which received red ribbons. Puppets were used in the skit. Team members were Molly Trammell, Sadie Trammell, Abby Trammell, Sarah Trammell, Diana Schad, Mandy Schad, Jennifer Hoberer, and Donna Lester. Coaching the team were Donna Schad and Jill Trammell.

"Rocky" presented by Jeff Graves, Matt Bullard, and Luke Meyers of Era 4-H earned white ribbons. Coaching the team was Cindy Meyers.

Sherilyn Sicking and Werner Becker, 4-H County Council Officers, and members of the Muenster 4-H club served as emcees for the event. They, along with Rocky Barnes (time keeper), and Charlene Lutkenhaus, of the Lindsay Senior 4-H club, worked backstage to keep the program running smoothly.

Our thanks to the Valley View Young Farmers for sponsoring Share-the-Fun again this year.

## Muenster programs to undergo review by TEA

During the 1991-92 school year, Muenster I.S.D. will be visited by the Texas Education Agency staff as part of the accreditation process. This process, which occurs approximately every five years, serves to ensure schools are meeting state mandates and meeting community standards. One part of the accreditation process will be a "sunset" review of the district's vocational programs.

Currently, M.I.S.D. offers vocational programs in Home Economics, Industrial Technology, and Agriculture. Each of these programs has been part of the M.I.S.D. curriculum for many years - but this review is designed to determine the effectiveness of each program and document a continued need in the community for the type of skills taught in the respective classes.

The first step in the review process was the naming of the Local Evaluation Coordinator. Jerry Metzler, MHS Principal, will serve in this role. Later this semester, Mr. Metzler will be choosing at least two community members, along with one school district employee, to serve as pro-

gram evaluation teams for each of the three programs. Members of the evaluation teams should have some knowledge of the occupational area being reviewed and, of course, must be willing to participate in the sunset review process. Team members do not have to have children in M.I.S.D. schools.

Often, school officials must solicit community members to serve on committees. Understandably, most people view such assignments as time-consuming and, perhaps, as a "rubber stamp" of school staff recommendations. The Vocational Program Review teams represent a different opportunity for community members - this is a chance to help improve past programs and set the course for future vocational training in the school district. Anyone interested in serving on the review team should call Mr. Metzler at 759-2281 and he will be glad to discuss the process and the amount of time required. M.I.S.D. will try to have the review teams in place by the end of this month.

**Remember!**

The Butterfield Stage Playhouse in Gainesville will continue presentation of "Graceland" through Feb. 15, 16, 21, 22 and 23 at 7:30 p.m. nightly. The box office is accepting reservations.

**PERFORMANCE - NOT PROMISES**

Many life companies today project values as if there would be no mortality charges or company expenses. Clients, and sometimes professional advisors, often make the mistake of accepting value projections as if they were reality; of course, they are not. More and more professionals are insisting on evaluating the company behind the numbers. Of 2,500 life companies in the U.S. market, only 13 are rated Aaa (highest mark) from Moody's Investors Services, for their ability to meet policyholder obligations and pay claims. We offer products from 3 of those 13 companies.

## Lifestyle

**MR. and MRS. JODIE BOB LOVETT** of Gainesville announce the engagement and approaching marriage of their daughter, Amy Michelle, to Craig Paul Voth, son of Mr. and Mrs. Ray Voth of Muenster. The wedding will be held in Sacred Heart Catholic Church with Father Victor Gillespie, OSB, officiating at 5 p.m. on March 2, 1991. The bride-elect is a 1988 graduate of Valley View High School and is employed by Groendyke Transport. The future-groom is a 1987 graduate of Sacred Heart High School of Muenster. He is attending the University of North Texas and is employed at Wal-Mart. The couple plans to reside in Gainesville.

## Baptism

### Zimmerer

Kyleigh Diana Zimmerman, daughter of Steve and Pat Zimmerman, was baptized in St. Peter's Catholic Church in Lindsay Sunday, Feb. 10, 1991 after the 9:30 a.m. Mass, with Father Bart Landermeyer officiating.

Godparents were her uncle and aunt, Adam Arendt and Gina Arendt.

Kyleigh wore the same christening gown that her brother, Ryan, wore at his baptism.

After the baptism, dinner was served at the Steven Zimmerman home. Guests included Kyleigh's brother, Ryan; great-grandmother Mary K. Wolf; grandparents Paul and Mary Arendt and Marie Zimmerman; uncles and aunts Earl and Janet Cunningham and Adam and Gina Arendt. Also cousins Tony, Michael and Dalana Cunningham; and friends Daniel, Darlene, Daryl and DeeDee Dudenhoefter and Dana Fleitman.

## VFW, Auxiliary attend Mid-Winter Roundup

The State VFW and Auxiliary Mid-Winter Roundup was held in Austin, beginning with a rally at the State Capitol at 9 a.m. on Thursday, Jan. 24.

At 4 p.m. the council meetings of the VFW and Ladies Auxiliary were called to session by State Commander Charles S. Pearson of San Antonio and State President Betty Royston of Lewisville.

On Friday the business session began with a joint meeting of the VFW and Auxiliary. Charles S. Pearson presided and introduced the VFW National Jr. Vice Commander, John M. (Jack) Carney of Florida, who spoke to the crowd about his moving visit with the troops in Saudi Arabia. The Ladies National representative, Jr. Vice President Maye Votin of Minnesota, was also introduced and spoke to the assembly.

Friday afternoon and Saturday were spent in program workshops and meetings. The Mid-Winter Roundup closed Sunday morning with a Memorial Service.

One of the highlights of Roundup for Frances Bayer, District I president, was a "night out on the town," a reward given to all district presidents who reached 85 percent of membership before Dec. 31, 1990. During this gala banquet, Betty Royston presented a gold medallion to Mrs. Bayer. Of the 30 district auxiliaries

presidents, 28 received the gold medallion.

At the membership rally, District I again received an award for bringing in the most transmittals for a total of 154. Mrs. Bayer also received a watch presented by State Membership chairman Edna Burke and Joyce Burke. District I is the second largest district in Texas with 3,023 members. District I was also recognized for awards in 100 percent program reporting, community activities, program participation, cancer aid and research, National Home, POW-MIA, hospital and rehabilitation and Camp Sweeney for Diabetic Children, (the State President's project).

Muenster Auxiliary No. 6205 was represented at Mid-Winter Roundup by Frances Bayer, District I president; Janet Barnhill, local auxiliary president; Julia Cunningham and Bonnie Hess. The Muenster Auxiliary brought home a 100 percent membership plaque award. Eight auxiliaries of the 19 in District I received this award. Muenster Auxiliary also received citations for 100 percent reporting and program participation.

Attending the VFW sessions and representing the Muenster VFW Post No. 6205 was Arthur Bayer.

**FOUR AUXILIARY OFFICERS** gathering at Mid-Winter Roundup in Austin included, l to r, Betty Royston, state president; Frances Bayer, District I president; Maye Votin, national jr. vice-president; and Juanita Workman, state conductress. Photo courtesy Frances Bayer

Feb. 8 - Darrell Lee Charles,

Feb. 10 - Sylvia Gamez, Grand Prairie; Linda Louise Stovall, Nocona.  
Feb. 11 - Dorothy Zimmerer, Lindsay; William Robert Landers, Jr., Forestburg.  
Feb. 12 - Juanita Bright, Muenster; Hubert Griffin, Bowie; Mary Lee Fiset, Gainesville.

## Winners announced

Winners of prizes at the Mardi Gras Carnival, sponsored by Sacred Heart Home-School Society, are: Ginny Schneider, 200 Muenster Marks worth \$1.00 each, Muenster Milling Co.; Gene Gieb, 200 Muenster Marks, Charles F. Bartush Sr.; Gary Endres, 100 Muenster Marks, Farm Bureau Insurance; Agnes Rohmer, 100 Muenster Marks, Chuck Bartush Jr., Attorney at Law; Karl Trubebach, Black & Decker Cordless Vac, Community Lumber Co.; Helen Prescher, \$75.00 Gift Certificate, Fischer's Meat Market; Brenda Becker, \$50.00 Gift Certificate, Bayer's Kolonialwaren; Lois Cook, 50 Muenster Marks, WFW Well Service; Marie Vogel, Jogging Suit, Tops & Teams; Mrs. Mary Bartush, Jogging Suit, Tops & Teams; Helen Lewis, Safari Dressed Doll, Edelweiss Kinderhaus; Paul Becker, \$25.00 Gift Certificate,

Hamric's; Victor Sicking, \$25.00 Gift Certificate, Gehrig Hardware; Sylvan Walterscheid, \$25.00 Gift Certificate, Elizabeth's Jewelry; Agnes Hess, \$20.00 Gift Certificate, Ben Franklin Store; Danielle Bindel, Dinner for Two, The Center Restaurant; Bill Miller, American Silver Eagle Coin, Muenster State Bank; Earl Fisher, Haircut and Curl, Vickie's Cut-N-Up; Enrique Maldonado, Pearl Necklace and Earrings (Costume), A Friend.

## NOTICE!

Mr. Cowan of Nocona is planning a senior citizen defensive driving course set for sometime in March. As soon as enough people register, a date will be set. If interested, contact Joe Hoening, 759-2942.

## Love Fund established

Muenster Public School's Student Council has opened a Love Fund at the Muenster State Bank to benefit Joe Paul Walterscheid and his family. The Love Fund is intended to help his parents, Theresa and James Walterscheid, with their expenses in caring for him while he is hospitalized in Fort Worth. Also, jars are being placed in the high school office, by the vending machines, and in the elementary school for students and teachers who wish to donate money for the family.

The community is invited to help by donating at any of these locations.

## Muenster ISD offers classes in computer

Muenster High School is surveying interest in a hands-on introductory computer class to be taught in March. Anyone interested in such a course is encouraged to call the M.H.S. office at 759-2281, and provide input as to the time, length and depth of such a class. Dennis Shoup, M.I.S.D. teacher will be conducting the class.

## PUBLIC SERVICE NOTICE

The Department of Energy has set aside funds dedicated to the conservation of energy resources. These funds have been set aside to assist the elderly, handicapped, and low income citizens of Cooke, Fannin and Grayson counties.

The primary purpose of these funds is to reduce the level of energy used to heat and cool our homes by installing new doors and weatherstripping, new windows, attic insulation, and caulking to reduce air infiltration.

If you are low income, elderly, or handicapped, and paying high utilities to stay warm, you should contact the Texoma Council of Governments. Ask about your qualifications. For more details, please call (903) 786-2955 and ask for the Weatherization Department.

**TEAM NO. 4** will arrive in Muenster on March 16, to bring the NET Ministry to youth of the community. Photo courtesy Emily Klement

## NET returns in March

Becoming quite a tradition in Muenster, entering its third year, the National Evangelization Team from St. Paul, Minn. will be hosted by this community, in welcoming a whole new team on March 16-18.

Team No. 4 will be ministering here. There are twelve members in this group: from Minnesota, Wisconsin, California, Illinois, Missouri, Kansas, Wyoming, Ohio, South Dakota, and one is from Dallas.

At the present time, one of Sacred Heart Parish's own members, Ricky Walterscheid, is serving on NET No. 1. That group is now in Louisiana, traveling from diocese to diocese.

There are 90 teams traveling throughout the United States, Canada and Australia.

Locally, plans are being made for a high school retreat, a junior high rally, and a family enrichment seminar.

As before, the team brings the Good News through talks, drama, music, and their genuine love and concern for young people. There have been many beautiful experiences brought to Muenster because of the Evangelization Team's ministry.

Putting the dates of March 16-18 on the calendar and planning to be part of these memorable events is priority.

Saturday, March 16, 2 p.m. to 5 p.m., Jr. High Rally. Sunday, March 17, 1 p.m. to 5 p.m., High School Retreat. Monday, March 18, 7 p.m. to 10 p.m., Family Seminar.

## Serving Our Stars and Stripes

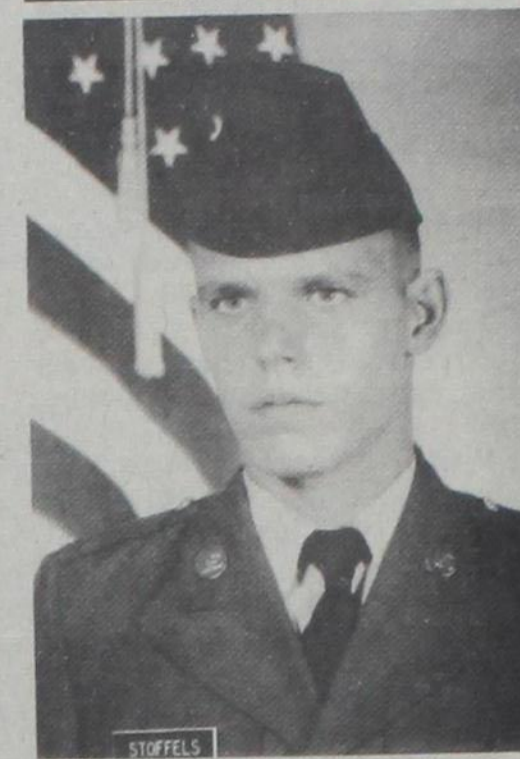

1990. He drives trucks, transporting equipment and supplies.

Stoffels joined the U.S. Army in October 1989 and received his training in Missouri. He was deployed to Saudi Arabia from Germany.

He is the son of John and Terry Ann Stoffels of Springhill, FL., and the grandson of Albert and Wilda Stoffels of Muenster.

The Stoffels have received a number of letters from John and his parents received a phone call last week.

## Tour of Jones Farm set

by Elaine Schad  
Two historic farms now under investigation as part of the Ray Roberts Lake project will be open during a special "UNT Archaeology Open House," set for this Saturday from 10 a.m. to 3 p.m.

UNT has contracted with the U.S. Army Corps of Engineers to conduct archaeological research on the Jones Farm and the Johnson Homeplace. Both will be open during the tour, scheduled from 10 a.m. to 3 p.m. Visitors should go east on Lone Oak Road, located just south of Valley View along Interstate 35, and then follow the signs to the site.

Included in the tour will be a guided walk around the Jones Farm and displays of farm implements and preserved artifacts. There are plenty of flat, grassy places to have a picnic lunch, so bring a blanket or folding chairs if desired.

The tour is subject to the weather, but will go on as scheduled in light rain or mist.

The Friends of the Jones Farm group has formed in Cooke and Denton counties with the desire to develop the Jones Farm into a historic place for visitors. The farm is located within the Johnson Branch Park.

## Cubs study bike safety

Cub Scouts of Den 4 opened their meeting Feb. 11 with the Pledge of Allegiance. The boys learned bicycle safety rules and how to check the important parts to make sure they are in good working order. They learned the proper hand signals to use when riding and how to ride in traffic. They will check their bicycles at home and re-check them next week before going on a den bicycle ride. They will also complete a skills course before attempting their den ride. Any parents in-

terested in riding with the Scouts are welcomed to come along.

After practicing bicycle safety the boys learned to make plaster casts of animal prints. Each boy was able to make a fox print to take home.

A new denner and assistant denner was elected for the month of February. Wade Van Hoozen will serve as assistant denner with Eric Knabe as denner.

The Scouts were reminded to turn in their popcorn order sheets Friday, Feb. 15. They were also reminded to bring their bicycle next week and to be sure to be in uniform.

Refreshments of cookies and Kool-Aid were served by Eric Knabe. Jim Stoffels will bring refreshments next week.

## 4-H, FFA make final Show plans

Parents of the Muenster 4-H Club members and the Muenster FFA members who have livestock to show will have a meeting on Monday, Feb. 18, at 7 p.m. in the Muenster Public School Ag Classroom.

The date for the FFA and 4-H Livestock Show is Sunday, March 3.

This meeting will be to finalize plans for the show. All parents are invited and encouraged to attend.

**New Arrivals**

### Wilson

Mrs. John Otto (Tillie) is proud to announce the birth of her 30th grandchild, Christine Renee, who is the first child of Carla and Tracy Wilson. Christine Renee was born in Germany at the Spangdahlem Air Base on Jan. 30, 1991 weighing 7 lb. 9 oz.

### Halbert

Deana and Terry Halbert of Paris, Texas announce the arrival of their daughter, Abigail Nicole, born on Monday, Jan. 28, 1991 at 5:03 p.m. in the McCushtian Hospital. She weighed 8 lb. 1 oz. and was 20 3/4 inches long. She joins a sister, 11-year-old Shawna Halbert. She is the namesake for her maternal great-great-grandmother, Abbey Bayer. Abbi's grandparents are Georgia and Walter Wolf of Gainesville, and Marla and Preston Crump of Bogata. Great-grandparents are Mrs. Victor Hartman of Muenster, Mrs. Mary Wolf of Gainesville, Mrs. Minnie Moon of Fort Worth and Mr. and Mrs. J.T. Lane of Alvarado.

### Zimmerer

Steve and Pat Zimmerer of Lindsay are proud to announce the arrival of their daughter, KyLeigh Diana, on Feb. 1, 1991. KyLeigh was born Jan. 7, 1991, weighing 7 lb. 7 oz. and measuring 19 1/4 inches in length. She joins a brother, Ryan William, age 4. Their grandparents are Paul and Mary Arendt and Mrs. Marie Zimmerer all of Lindsay and the late Norbert Zimmerer. The great-grandmother is Mrs. Mary K. Wolf of Gainesville.

### Rohmer

Announcing the birth of a baby girl are Stephen and Kim Rohmer of Coppel. Their second daughter, Michelle Lynn, was born on Feb. 4, 1991 at 12:56 p.m., weighing 7 lb. 14 oz. and measuring 20 1/2 inches in length, at Denton Regional Medical Center. Michelle Lynn joins Nicole at home. Their grandparents are Tony and Marjorie Rohmer of Muenster, and Kenneth and Rose Zwinggi of Lindsay. Mrs. Mary Grewing of Lindsay is the great-grandmother.

### Reynolds

Clara and David Reynolds of Collinsville are parents of a son, born in Gainesville Memorial Hospital on Feb. 7, 1991 at 9:59 p.m., weighing 8 lb. 14 oz. and measuring 20 inches long. They have named him Cory David. He is a brother for 5-year-old Courtney Deann. Their grandparents are Mr. and Mrs. Albert Knabe of Muenster and Mrs. Mary White of Collinsville.

### Moster

On Friday, Feb. 8, 1991, Chris and Patricia Moster of Sanger became parents of a 6 lb. 14 oz., 19-inch long baby girl, Kaylyn Ann. She has a 2 1/2-year-old brother, Christopher Joseph (C.J. for short). Steve and Mary Moster are the proud paternal grandparents. Larry and Mary Sell of Denton are the maternal grandparents. Mrs. Frank Yosten (Annie) is counting another great-grandchild.

# Tigerettes emerge second in District

Sacred Heart's Tigerettes opened the District Tournament with a solid 60-33 win over Alamo Catholic. The Tigerettes exploded for 38 first half points while limiting their foe to just 14. J.J. Dowd led ten Tigerettes in scoring with a game high of 18. The win over Alamo propelled the Tigerettes into the championship game against Lubbock Christian.

witnessed a girls' team play!" The Lubbock defense forced the Tigerettes into 25 second half turnovers.

Seniors J.J. Dowd and Sharon Fuhrmann combined for 19 of the Tigerettes' 20 first half points while the well executed Tigerette defense held the Lubbock girls to 13. "We had a defensive game plan and the girls executed it to perfection," said Coach LeBrasseur. "In the second half Lubbock turned up the defense. That was the finest half of man-to-man defense I have ever

Even with the Tigerette miscues with 4:00 remaining in the game the Tigerettes found themselves only trailing 32-27. A missed lay-up and missed free shots allowed the Lady Eagles to go on to a 56-33 win. The Tigerettes having to foul late in the game resulted in Lubbock connecting on 13 of 15 free shots down the stretch.

J.J. Dowd led the Tigerettes with 17 and teammate Sharon Fuhrmann pumped in 9. Jennifer Walter hit for 3 and Deann Bayer and Vickie Bayer got 2 each. The Tigerettes, with the second finish, moved into the state playoffs on Tuesday night in bi-district action. See related story.

**TIGERETTES** Sharon Fuhrmann, Vickie Bayer and J.J. Dowd put pressure on Alamo Catholic of Amarillo, a big assist to their tournament win. Janie Hartman Photo

## Tigers finish with win!

The Tigers took place in the TAPPS District Basketball Tournament last weekend. After losing in the first round, Sacred Heart ended the season in third place.

Action opened against West Zone No. 1 seed Lubbock Christian. "We got in trouble early. Several foul calls and poor shooting put us in a hole early," said Tiger Coach John Nasche. The Tigers trailed by as much as 23 points in the first period, ending the quarter 27-4.

"After we settled down and started playing defense, the Tigers kept Lubbock at bay," said Nasche. "After the first period, we stayed even with them." The Tigers went on to lose by 29, only 6 points difference after the first period. The final score was 76-47. "We really played a good three quarters, but it just wasn't enough," concluded the Tiger coach.

Stevan Nasche was high scorer with 21 points, assisted by 13 points from Shawn Dangelmayr. Five other Tigers added points.

The loss put the Tigers out of the playoffs, but gave them another chance in the tournament.

In their last game of the season, the Tigers defeated Alamo Catholic 61-51 for a third place district finish. "I was very pleased with the guys during this game. Alamo offered us several chances

to fold, but the Tigers answered every call," said Coach John Nasche. "Our seniors gave us a wake-up call in the second period after trailing by 3 points in the first that gave us a boost of confidence."

The Tigers' 2-2 1/4 court press allowed only 13 points in the period while Sacred Heart scored 22 to take a 35-29 halftime lead.

A cold shooting third period by Sacred Heart allowed Alamo to cut the lead to 3 at the end of the quarter. A good solid defensive effort, according to Nasche, gave the Tigers the 10-point margin of victory.

Dangelmayr and Nasche again led the Tigers offensively with 19 and 18 points, assisted by seniors Jason Beyer and Jason Endres with 9 and 7 points.

"Even though we had a lot of close losses, I'm still pleased with the Tigers' progress. We won more games than last year, so that's an improvement," said Nasche. "We're gonna have to fill large holes due to graduation, but, with consistent effort and some work in the off-season, I expect the Tigers to be better next year." Nasche said the four seniors - Beyer, Dangelmayr, Endres and Steven Youngblood - will definitely be missed and wishes them the best of luck in the future.

## Daredevils to perform in Denton Feb. 21

The Bud Light Daredevils, the most unique slam-dunk act in the country, will perform during halftime at the University of North Texas basketball game against Stephen F. Austin State University on Thursday, Feb. 21, at the Superpit Coliseum.

Tip-off time is 7:30 p.m. Extensively trained in acrobatics and gymnastics, the Bud Light Daredevils as a group have made more than 500 appearances with nearly every NBA team, 13 Continental Basketball Association teams, and 200 colleges and college tournaments in 13 countries.

The team's act consists of an eight-minute slam dunk and acrobatic halftime show, highlighted by several daring feats of agility, including an all-time crowd favorite - "Twist & Shout." In this act two team members approach the mini trampolines simultaneously. They each pass a basketball off the backboard and catch them while doing front somersaults with one-half twists. The duo then passes to two other team members for a climatic double slam dunk. Other dunk acts include "Dial 9-1-1" and "Shake Down the Rafters 'til the Morning After."

This year, the Bud Light Daredevils will perform at approximately 125 national and international events before more than one million fans.

**BATTLE** under the boards includes Tigers Stevan Nasche, Jeremy Bayer and Jason Frost. Janie Hartman Photo

## Junior High Results posted

The North Texas Independent Junior High Basketball Conference wrapped up play for another season Monday night as Forestburg triumphed over Terral in the last make-up games. Conference schools include Montague, Gold-Burg, Sacred Heart, Terral, Prairie Valley, and Forestburg.

Final standings in girls' basketball are as follows: **Montague**, 1st, 10-0, (18-0); **Sacred Heart**, 2nd, 8-2, (8-3); **Prairie Valley**, 3rd, 6-4, (9-6); **Forestburg**, 4th, 4-6, (4-10); **Gold-Burg**, 5th-tie, 1-9, (1-13); **Terral**, 5th-tie, 1-9, (1-15).

Final standings in boys' basketball: **Montague**, 1st, 10-0, (16-1); **Terral**, 2nd-tie, 6-4, (9-7); **Sacred Heart**, 2nd-tie, 6-4, (7-6); **Forestburg**, 4th-tie, 4-6, (7-8); **Prairie Valley**, 4th-tie, 4-6, (7-8); **Gold-Burg**, 6th, 0-10, (0-14).

In three years of NTI competition, the Montague girls and boys have swept the basketball conference for three titles each. The Montague girls haven't lost in three years of conference play and are 52-2 overall. The Eagle boys have lost one conference game in 30 and stand 46-7 for the past three seasons. The Sacred Heart Cubs are the only football school in the conference and usually start the basketball season slow and finish tough. This year was no exception as they dropped three first round games and only one in the second half. The Lady Cubs only lost three games the entire year, all to Montague and the young girls from Sacred Heart are looking forward to next season with revenge in their eyes.

All schools are gearing up for the spring events, however, and are looking forward to another shot at basketball next year.

In the spring meeting last week held in Montague, dates were firmed up for the remaining events of the year. The conference literary meet will be held April 9 at Sacred Heart. Boys' tennis will be April 30 at Bowie High School, girls' tennis May 2 at Bowie High School. The conference track meet is scheduled for May 7 at Sacred Heart.

WERE FIGHTING FOR YOUR LIFE

## Tigerettes heartbroken after game

An unusual atmosphere lingers around the halls of Sacred Heart School Wednesday morning. For the first time in a decade the Tigerette basketball season is over before Valentine's Day. The Tigerettes closed out the 1990-1991 season Tuesday night with a 51-48 loss to Trinity Christian Cedar Hill. "It was an outstanding effort," said Coach LeBrasseur of his Tigerette troops. "We have nothing to be ashamed of, as we left it all on the court."

The Tigerettes controlled the tap and senior Sharon Fuhrmann nailed a 17-footer to give the Tigerettes an early command. Playing good defense and controlling the boards the Tigerettes used a last second bucket by junior forward Vickie Bayer to take a 13-9 lead at first period's end.

Both teams warmed-up the offense in the second frame as the Tigerettes used a 3-pointer by junior Shirley Henschel to close the half with a 9-point lead, 32-23. Tigerette leading scorer J.J. Dowd ran the floor to perfection in the period and junior point guard Jennifer Walter delivered the ball. Dowd dominated the period with 10.

Both teams started slow in the third with each team looking to control the tempo. Trinity's division I prospect Cathy Harper found the range for six in the period to cut the Tigerette lead to 40-36. A basket by Dowd pushed the Tigerette lead to 6 and a big rebound by sophomore forward April Truobenbach gave the Tigerettes the ball for the last shot. A miscue by the Tigerettes resulted in a Trinity score to end the period with the Tigerettes on top 42-38.

Two baskets by Whitfield and an NBA runner by Harper enabled Trinity Christian to take a 44-42 lead with a little over three minutes remaining. At the 2:20 mark Sharon Fuhrmann called her own number and ripped a 3-pointer to put the Tigerettes back in the lead 45-44. "We put the play in last week and Sharon came over to the bench and called Butch," said LeBrasseur. "She wanted it, and delivered." Playing great defense the Tigerettes stopped the Lady Tigers of Trinity and with 1:35 remaining the Tigerettes milked the clock to 1:10 when Fuhrmann penetrated and sliced a pass to Vickie Bayer. Bayer made a great move to the bucket only to see the ball go half way down and pop out. Trinity pushed the ball up and Hanie fired a 3 only to

have it bounce into the arms of Whitfield who got the points back to push Trinity up by one. Walter pushed the ball up for the Tigerettes and found Fuhrmann who swished an NBA range 3 to give the lead back to the Tigerettes with under a minute. Trinity's Hanie came right back and countered with a 3 at the 50 second mark. Working for a shot Harper stole a pass and took the ball to the bucket to give Trinity a 51-48 lead with 30 seconds remaining. The Tigerettes called time and elected to go inside as Trinity pressured the perimeter. A walk resulted, but smart play by the Tigerettes to foul, resulted in Trinity missing the charity toss.

A Deann Bayer rebound gave the Tigerettes the ball with 20 seconds and in the spread offense the Tigerettes were looking for a 3. Shirley Henschel's 3 attempt was partially blocked and the Tigerettes again using heads up play fouled immediately. The Lady Tigers misfired on the charity toss only to have the ball carom into the hands of a Trinity player. Harper dribbled the clock out, and the Tigerette season.

"From start to finish we played our best game of the year," said LeBrasseur. "Sure we made some mistakes but we were very consis-

## Knights practice with Farmers

The Lindsay Knights traveled to Howe for a practice match against Class AA Farmersville Tuesday night. The Farmers are ranked sixth in the state, with only one loss all season.

Lindsay played fairly even with their opponents the first quarters, 29-21 and 20-15, to end the half behind 49-36. A cold third quarter allowed Farmersville to extend their lead to 26 points going into the final frame. A close 17-16 quarter ended the game 87-62. "Farmersville's defense was the toughest we've played," said Lindsay Coach George Thomason. "We had some errors that shouldn't have been made, but overall I was pleased with the boys' performance." The Farmers had several 3-point shooters, which added 30 points to their score.

Lindsay's top gunner for the game was John Krebs with 19 points. Kenny Fleitman followed with 18 and Ronnie Dieter with 11. Scott Hermes contributed 9. "Corey (Sandmann) made only 3 points, but did a good job on

defense and handling the ball," concluded the coach.

### BI-DISTRICT

Lindsay will face District champions, Ponder, on Thursday, Feb. 21. The Bi-District game will be held at Denton High School and begins at 7:30. The Era boys are matched up with the District runner-up, Alvord. Their Bi-District game is also scheduled for Thursday, Feb. 21, at Decatur. Game time is 7 p.m.

# Lindsay roundballers split championship

The Lindsay Knightettes and Era Hornets took district championships Friday evening after two hard fought games broke the district ties to determine first and second place. The contest, played in Gainesville, left the Knights and Hornettes in second place.

The girls' bi-district games will be played Friday, Feb. 16 in the University of North Texas Superpit. Lindsay will face runner-up Ponder at 7:00 p.m., followed by the Era, Slidell girls' game at 8:30. Winners will advance to the regional tournament to be held Feb. 22-23.

Coach George Thomason said the game with Ponder will be an interesting game. The Lady Knights have lost twice to the Lions, both times by only 4 points. Ponder has a good 3-point shooter and post player. "Either team could be on or off to determine the game," commented the Lindsay coach.

**MISTY MATHEWS** attempts to block Knightette **Gretchen Hoenig** in the Lindsay-Era game.

off a bit." Free throw shooting hurt the Lady Knights, hitting only 4 of 24 attempts.

Gretchen Hoenig was high scorer with 22 points, assisted by Kristy Krebs with 8. Melissa Knabe led the Lady Hornets with 13 points.

Coach Thomason credited the bench for a fine performance, saying all the girls played and all but two scored. "They held on to win."

Eric Cellabo's and Jeff Young's scoring, which totaled 44 points for Era, took the Hornets to a 69-53 victory over Lindsay. "They (Era) hurt us at the free throw line, scoring 29 points," said Coach Thomason. "They drove into the basket, drawing the fouls." Lindsay scored only 9 points at the charity stripe and had three players foul out of the contest.

**JEFF YOUNG (11)** and **Eric Cellabo** move in on Knight **John Krebs**.

*Gene Hermes Photo*

Leading Lindsay in scoring was Scott Hermes with 17 points. Kenny Fleitman added 13, John Krebs 10 and Pat Corcoran 9. "Pat came in to cover from the bench," said the coach.

Era took an 18-8 first quarter lead, ending the half ahead 33-25. A low scoring third quarter was followed by a high scoring, 20-26 fourth. "We didn't look very sharp. They were sharper and quicker," commented Thomason. "We were down by only 10 going into the 4th, but we made some errors, started to gamble, allowing them to pull away."

## MPS 5th/6th graders hold basketball tourney

Muenster Public School's fifth and sixth graders completed their basketball competition Saturday with a tournament. The four girls' and four boys' teams played each other the past several Saturdays in preparation for the tournament. The teams were numbered 1, 2, 3 and 4.

Saturday's action began with girls' teams 1 and 2 playing at 9:00 a.m., with No. 1 winning 16-12. Girls' teams 3 and 4 played at 11:00, with No. 4 victorious, 15-10.

The consolation contest matched teams 2 and 3, with 2 coming from behind to win 16-15.

The championship game was won when team No. 1 defeated 4, 21-16.

Members of the girls' teams included: **Team No. 1**, Brandi Lutkenhaus, Jenny Schneider, Mindy Endres, Valerie Erwin, Joyce Hacker and Donna Black; **Team No. 2**, Holly Mullins, LeAnn Klement, Amanda Baldwin, Kammi Barnhill, Stephanie Huchton, and Kristine Hartman; **Team No. 3**, Jennifer Sicking, Kimberly Sturm, Amanda Boaz, Chrisyon Harris, Leigh Ann Reiter, Chrissy Yetter and Mary Knabe; **Team No. 4**, Becky Fette, Leslie Hellingner, Amanda Russell, Emily Felderhoff, Telisha Reid, Angela Russell, and Julia Fleitman.

In boys' action, team 4 opened with a 15-5 win over No. 1. At noon, teams 2 and 3 played with No. 3 victorious, 22-18.

## Lindsay teams schedule several practice games

The Lindsay Knights and Knightettes traveled to Leonard Saturday night for practice games with Campbell and Saltillo, winning both matches.

Gretchen Hoenig and Kristy Krebs led the Lady Knights with 18 and 16 points. "Everyone played, in and out quite a bit," said Lindsay Coach George Thomason. Debbie Fangmann also saw action.

The Knightettes had a 1-point lead at the end of the first period, but Campbell led 22-21 at halftime. When the third quarter ended Lindsay tied the game 30-30. The final frame saw the Lady Knights outscoring the opponents 18-14 to take a 48-44 win. The game improved the Knightettes' season record 23-5.

The Knights led Saltillo throughout the game 16-13 the first quarter, 25-23 at half and 41-38 going into the final quarter. In a comeback, Saltillo outscored the Knights 25-15 to close the final score to 66-63.

"They were a young team, yet had 20 wins this season," said Thomason, "they relied on their outside shooting, which they missed a lot."

Scott Hermes was high scorer with 23 points. Ronnie Dieter contributed 12 points, Pat Corcoran 11 and Kenny Fleitman 8 for the Knights. The victory gave Lindsay a 24-4 season record.

Saltillo is coached by ex-Era coach, Sam Moore.

## Soccer registration set

Registration for spring soccer with the Cooke County Soccer Association began Monday, Feb. 11. The registration period will run through March 4 with regular season play to begin March 23 and end on May 11. Games will be played on Saturdays in Gainesville.

New team categories are Under 14, Under 16 and Under 19 in the boys' division and there will be an Under 19 girls' small sided league.

Registration fees for players

who participated in the Fall is \$10, and \$25 for new players. This includes uniforms and insurance.

Coaches for new teams will be needed also. Anyone who is interested in coaching may contact Sam Dawson in Valley View at 726-3387, Debby Tabbert in Gainesville at 668-6957 or Shirley Knabe in Muenster at 759-2888.

One Under 8 team already formed in Muenster is in need of a coach. Any help will be greatly appreciated.

Grandma and Grandpa A,  
Happy Valentine's Day, with love from your 21 grandkids!

Happy Valentine's Day to a real sweetheart of a Valentine's Baby!

Roses are Red, Violets are Blue. I need some lovin' - how about you?  
Valentine - Thank you for 43 great years together!  
Your Loving Husband

Oma!  
I thought Valentines as great as you were all extinct!  
Happy Valentine's, Nicholas

Happy Valentine's Day to my favorite sunshine playmate!  
Love, J

To Pappy Dog,  
You are my strength, my weakness and my best friend!  
I love you, Bunny Rabbit

Dad,  
You've stood by me through good and bad, and you're the best milkhand I've ever had!  
Happy Valentine's, Wayne

## Country Tidings

by Ruth Smith

**The Rosston Baptist Church** will have their regular dinner at the church Sunday, Feb. 17 after worship services. Everyone is invited to come.

**Ed Watkins of Dallas** and his friend Billy Riley of San Diego, California spent the day Saturday visiting Mr. and Mrs. W.B. English.

**Mrs. Louise Shults** attended the funeral of Mr. Jess Thomas in Gainesville Monday.

Mrs. Shults was surprised Tuesday when her cousins Hobart and Annie Kelley drove up from Dallas for a visit.

Mrs. Louise Shults visited the Todd Solomons and boys in Granbury Saturday and Sunday.

**Mrs. Odessa Berry** and James went to Gainesville Tuesday where they met Mrs. Mae Fletcher and Mrs. Katie Cook of Marietta, Ok. for lunch. When Mrs. Odessa Berry returned home there was a call that her brother Emory Fletcher of Gainesville was sick and needed to go to the Veteran's Hospital in Dallas. He was having chest pains. Emory is undergoing treatment and tests at this writing.

Katie and Johnnie Cook of Marietta spent Sunday with Mr. and Mrs. Jack Berry and James.

**Mrs. Evelyn Brown** met Mrs. Joyce Brown, Carol and Courtney of Alvord in Forestburg Sunday afternoon and they drove to Gainesville. When they returned to Forestburg Mrs. Evelyn Brown visited Mrs. Emma Lee Steadham.

**Mrs. Josephine Berry** and Mrs. Brenda Haverkamp went to Dallas Saturday, Feb. 2 to attend the birthday party for Mrs. Berry's sister, Mrs. Jimmie Cook. The party was from 2 to 4 p.m. in Three Fountains Recreation Room and was hosted by Mrs. Cook's son and daughter-in-law, Clay and Linda Cook of Colville, Wash. Mrs. Berry returned to Gainesville Friday, spent the night with Brenda, then returned to her home Saturday.

Brandon Berry of Laurel, Maryland visited Mrs. Josephine Berry and Joe Frank Berry Sunday.

**Ricky Gaston of Dallas** and his children Coy, Tyler and Bali of Nocona visited Mr. and Mrs. Kenneth Hutson during the weekend.

Mrs. Kenneth Hutson and Mrs. JoDell Gaston were in Denton Sunday afternoon.

**Mrs. Ima King** and a friend of Bowie visited Mrs. Lois Bewley and Clyde Saturday afternoon.

**Bill and Dorothy Christian** of Stephenville visited Mr. and Mrs. C.H. Christian Wednesday and Thursday.

Richey Christian of Springton and a friend spent Sunday with the C.H. Christians.

**Mrs. Juanita Greanad** and **Ran Greanad** attended the funeral of Jim Tatum in Gainesville Saturday.

Guests of the Greanads during the weekend were Gary and Brenda Greanad of Cleburne, and Idell Greanad of Dallas. They came after attending the funeral.

**Mr. and Mrs. Ted Jackson** and relatives received word from Mrs. Johnny Brogdon of Miami that Mrs. Brogdon's daughter Mrs. Karla Scott, who lives near Lafayette, La., will have surgery Wednesday, Feb. 12. At this writing Mr. and Mrs. Johnny Brogdon of Miami and their daughter Pam Williams of Shamrock will leave for Louisiana Monday to be at Mrs. William's bedside for a few days.

T. and Olivia Warford of Slidell visited Mr. and Mrs. Ted Jackson Sunday afternoon.

Jackie and Joe Phillips visited Mr. and Mrs. Ted Jackson Sunday evening after church.

**Mr. and Mrs. Jim Penton** visited with Jim's aunt Mrs. Jessie (MaGee) Penton by phone. Mrs. Jessie Penton is 95 years old. Mrs. Penton lives in California with her daughter Lillian. She is recovering from some broken ribs she received in a fall from a stool in her home. Her husband Nick passed

# National FFA Week Feb. 16-23

# County Agent's Report

by Craig Rosenbaum

Submitted by Glen Debnam  
Agriculture Instructor

More than 387,000 FFA members will promote FFA, agricultural education, and the food and fiber industry during National FFA Week, February 16-23. FFA members in more than 7,600 chapters across the U.S., including the District of Columbia, Puerto Rico and the Virgin

Islands, will be organizing events and activities to create awareness of, and support for, agricultural education and FFA.

This year's theme, "FFA - Leadership for a Growing Planet," will be seen throughout communities nationwide, not only through promotional efforts of the local members, but also through a national public service announcement campaign.

FFA activities and agriculture classes emphasize leadership skills, analytical thinking and the application of both to the industry of agriculture.

Larry Case, national FFA advisor, said today's young people are aware of their responsibilities as agricultural leaders for tomorrow. "Our members realize the world in which we live is growing larger and more interdependent," he said. "These young people will be leading the effort to provide enough food and fiber for a larger population, as well as ensuring the preservation of the environment."

FFA Week is held each year during the week of George Washington's birthday to recognize his leadership and commitment to American agriculture. Both the National FFA Center and the National FFA Hall of Achievement are located on part of Washington's original Mount Vernon estate near Alexandria, Virginia.

FFA is a national organization of 387,042 members in 7,634 local chapters preparing for careers in the science, business and technology of agriculture. Local, state and national activities and award programs provide opportunities for students to apply knowledge and skills acquired through agricultural education. FFA members strive to develop agricultural leadership, cooperation and citizenship.

## Cattlemen's Roundup set for Tuesday in Bowie

The North Texas Cattlemen's Roundup is an annual event for cow-calf, stocker and feedlot operations. The Montague County Extension Livestock Committee, in cooperation with all agriculture service organizations and financial institutions in the county, extends an invitation for cattlemen to attend and learn more about the business.

The event will be held at the VFW (formerly the Armory) in Bowie on Tuesday, Feb. 26, Commercial Exhibits, opening at 4:00 p.m. "Grazing Hour" begins at 6:00.

John Merrell, TCU Ranch Management Director and Rancher, will have a program, "Integrated Resource Management, Putting It All Together," beginning at 7:15 p.m. "Controlled Rotational Grazing: Principles and Examples," will be given by R.L. Dalrymple, Forage Specialist for The Noble Foundation. This program will begin at 8:00, followed by adjournment at 9:00. At this time guests will again be able to visit the exhibits.

This educational activity, normally draws 600 to 800 cattlemen from the North Texas and Southern Oklahoma area.

### Deworming Program

To assist producers, a lab on cattle parasite treatment will be set-up at the Roundup.

"How do you determine a need to deworm?" Visual observation of animals and consultation with an animal health advisor in conjunction with an analyst of fresh manure samples for parasites and eggs is a good start.

Samples (2-3) should be collected from each pasture. Place samples (at least one teaspoon) in a plastic bag. Identify according to pasture, and bring to the Roundup between 9 a.m. and 6 p.m. Samples collected early should be refrigerated.

A representative will be on hand to provide results. This information can then be used by you and your veterinarian in planning a parasite control program for your herd.

## Apply herbicides early on broadleaf weeds

by Bob Keating  
From A Farmer's Friend

Winter broadleaf weeds will come on early in wheat with warmer weather. So on fields where a problem needs to be treated, the herbicide application should be made as early as possible.

Early treatment during a period of open weather also eliminated possibility of not being able to spray if bad weather persists later in the spring. It's important to study herbicide labels to help determine which one is best for a situation. Then it needs to be applied at the proper time to get maximum benefit.

If Glean is used in a grower's program, it can be put down with fertilizer. Making that application early is important for two reasons. First, the fertilizer should be in the soil in time to help the wheat growth. Also, the Glean needs to be applied so rainfall can activate it before weeds start rapid growth.

The Glean manufacturer recommends mixing a small amount of another herbicide such as 2,4-D or Banvel with it to help kill any resistant weeds that might escape Glean. That also will broaden the spectrum of weeds controlled.

Either Banfel or 2,4-D also can be used by itself. Each label should be read to determine the weeds the herbicide will control effectively.

Ally has little more contact activity than Glean. If weeds are growing rapidly in the spring, Ally may be a better choice. It also can be used when spring-germinating weeds come up in wheat.

Ally and Glean both carry over in the soil to injure certain rotation crops, so rotation plans should be considered before choosing a herbicide.

## Brochures for clean water available now

To help defend the fertilizer industry against the anticipated media hype following release of the EPA's National Drinking Water Well Survey, the Fertilizer Institute (TFI) is offering a brochure, "Clear Facts About Clean Water," to answer the increasing questions on nitrates, groundwater and drinking water.

The brochure is edited for the consumer. For copies of "Clear Facts About Clean Water," contact Ron Phillips, TFI, 501 2nd Street, NE, Washington, DC 20002, (202) 675-8250.

Another brochure, "Water Quality Protection: Frank answers to the 20 most frequently asked questions," also provides excellent information. The brochure was produced by ACRE and is available, free of charge, by contacting the Texas Agriculture Chemical Association.

### Grazing cut-off

It's rapidly approaching the time producers need to be considering removing cattle from small grain pastures if they plan to harvest a wheat crop. The old saying of the March 1 cattle removal date is "old news." With the development of new wheat varieties, producers need to not think about dates for livestock removal but monitor their wheat crop for its growth stages.

Many new varieties have earlier heading dates which would call for earlier livestock removal. With the current warm weather conditions, wheat should start to joint fairly soon. Things that can hold jointing back include grazing pressure and temperature. Considering these factors, we still need to be looking at approximately a Feb. 15 removal date.

Producers can monitor their grain's growth by simply checking for the first growth node. This node can be found by either running your fingers along a tiller and feeling for the bump or by stripping back the leaf sheaths to find this node. The wheat or other

small grain head is on top of the node and will appear as a very tiny arrow shape. Once this head is removed through grazing or any other type of weather condition, another head will not appear.

This week we were in fields and could not find any jointing beginning. However, all fields are different so producers need to monitor their own situation.

If you have not topdressed, don't forget topdressing should be done before small grains begin to joint. This will increase both seed size and the amount of tillers that can be produced by the plant. Concerning small grains, producers have a lot of decisions to make in the next week to ten days.

### 4-H Dairy Cattle Workshop

4-H members with Dairy Projects or those members interested in Dairy are invited to a 4-H Dairy Cattle Workshop to be held Saturday, Feb. 16, from 10 a.m. until noon, at the Werner Becker Dairy in the Hood Community. The Becker Dairy is located near

the intersection of FM 1198 and County Road 318.

4-H members will receive training on various phases of Animal Health, Record Keeping, and Fitting and Showing of the project animals.

Additional information concerning the project meeting should be directed to Werner or Michael Becker at 665-9686.

### 4-H Rabbit Project Training

4-H members with Rabbit Projects are invited to a Workshop to be held from 2 p.m. until 4 p.m. on Saturday, Feb. 16, at the Cooke County Fairgrounds in Gainesville. This project is designed to acquaint 4-H members with Nutrition, Health, Housing, and Fitting and Showing of their Rabbit Projects.

Eric Brennan, who judged last year's Rabbit Show at the Cooke County 4-H and FFA Livestock Show, will be a guest at this meeting. Eric has shown rabbits about 13 years, and will be talking about what to look for in a rabbit. 4-H members should bring their rabbits so they can practice Showmanship during the afternoon program.

Parents are also encouraged to attend this meeting. Members and parents will have the opportunity to ask questions at the meeting. Additional information on this project meeting can be obtained from Sherilyn Sicking at 759-4388.

## CCC class to teach basic hay baler repair, adjustment

"Make hay while the sun shines," the old saying goes, but today's farmer knows that mechanical breakdowns can be just as threatening to hay baling operations as approaching rain clouds. Balers who can't quickly make their own field adjustments and repairs when the thunder starts rumbling are in double trouble.

Steve Thompson, who will be teaching a special day-long hay baler repair course on Feb. 23 for Cooke County College, said the ability to handle one's own basic repairs and adjustments not only can minimize an operator's down time, but save him money as well.

The Saturday class will run from 8 a.m. to 5 p.m., with half of the time devoted to square balers and the other half devoted to round balers. It is open to all interested persons, and the cost is \$25 per student.

Class will meet in the diesel mechanics shop on the CCC campus.

Thompson is just as much at home on a tractor working his farm as he is at the head of a college classroom teaching English. Because of a lifelong interest "in anything mechanical," he has become a specialist in the repair and reconditioning of farm equipment of all kinds and will be teaching the square baler half of the class.

"Most balers are fundamentally similar, but the square baler can be very difficult to master because of the necessary timing of the baler components. We'll be focusing closely on these timing adjustments, including the timing of packer fingers to plunger and plunger to needles procedures."

The class will feature the complete tear-down and reassembly of a wire baler timing system.

Using a John Deere Model 535 machine, round baler instructor Paul Bladl will explore all aspects of round baler operation. Bladl, with 32 years of training experience with John Deere, says this will include a close look at computer input to the round baler.

## Muenster FFA shows projects

The following FFA members and Jr. FFA members showed livestock at the Southwestern Livestock Show and Exposition held Jan. 21 through Feb. 2. Showing barrows were: Mike Hacker, Jimmy Hacker, Brandy Debnam, Darren Bindel, Kody Truebenbach and Scott Debnam. Students who entered their steers were: Jefflyn LaFevre, Brandon Walterscheid, Chad Bayer, Jason Biffle, Melissa Biffle, Chad Cheaney, and Ryan Klement.

Students placing at the livestock show included: Jefflyn LaFevre, 4th place European Cross Steer; Darren Bindel, 7th place Berkshire Barrow; Brandy Debnam; and Scott Debnam, 19th place Berkshire Barrow.

Congratulations to all FFA and Jr. FFA members who participated, "for a job well done."

## Young Farmers and Ranchers hold annual dinner meeting

Cooke County Young Farmers and Ranchers held their second annual dinner meeting at The Center Restaurant on Friday, Feb. 8, 1991.

A special guest was Jamie Gipe of Waco, Director of Leader Development of Texas Farm Bureau. He presented a film on proposed activities for the coming year. Another special guest was Angela Evans, secretary of Farm Bureau in Gainesville.

Topics of discussion during the business meeting were developing goals for the year, also, the gold and silver awards, and the Spring Conference for members of the Young Farmers and Ranchers Assoc. scheduled for Feb. 22-24 in Austin.

The next regular meeting of the local group will be at Cooke County Electric Co-op Building auditorium on March 14 at 7:30 p.m.

Members in attendance at the Feb. 8 meeting included: Matt and Janet Bezner; Mike Bartush; Karl Trubenbach; Dale and Leslie Bell; Tom Dangelmayr; Scott Klement; Dick Trubenbach; Terry Bartel; Ronnie Bayer; Jack Dangelmayr; Jared Bayer; T.J. and Jeannine Walterscheid; and Kurt Bayer.

## "Wall of Cattle" going to market to keep prices down

by Mary Mahoney  
COLLEGE STATION - Cattle should continue hitting the market in large numbers next month, keeping beef prices down for consumers through much of February.

Dr. Ernest Davis, livestock marketing economist with the Texas Agricultural Extension Service, said that most market analysts are expecting "a wall of cattle" to move from feed lots to refrigerators before March 1.

"Cattle feeders probably can't escape this extremely large marketing quarter," he said.

Davis said the expected increase in beef supply can be traced to late 1990 feedlot placements.

"Feedlot operators have been placing unusually lightweight steers on feed, however, and that's made predicting their market schedules difficult," Davis explained.

Extremely large fed cattle marketings, for example, had been predicted last April and August, yet this did not occur.

Brisk fed cattle marketings in late December and January, however, have already increased meat supplies at supermarkets and provided savings for consumers on many beef cuts.

"The dip in beef prices that we have seen in recent weeks will continue during much of February," said Dr. Dick Edwards, a food

marketing specialist with the Extension Service.

"Beef prices are expected to be off about 10 percent, and grocery specials will put some beef cuts 25 to 30 percent below regular December prices," Edwards said.

Davis noted that first-quarter marketings should make only a ripple in cattle prices, which are expected to remain high through 1991.

Davis expects the U.S. Department of Agriculture's Jan. 1 count of cattle and calves - to be released in February - will indicate the nation's cattle herd continues under 100 million head for the fourth consecutive year.

He said this relatively low supply of cattle in Texas and the rest of the nation helped keep cattle prices high last year, a situation likely to continue this year.

Animal placement time on feedlots, and size and frame of those going on feed, Davis said, determine marketing schedules.

Davis predicted that for calendar 1991, fed cattle prices are likely to average \$2 to \$3 per hundredweight below 1990 levels. Even though lower feed grain prices are anticipated, lightweight feeder cattle prices will be strong, Davis said, and will continue to squeeze feedlot profit margins.

He predicted that cattle prices will stay fairly strong until producers get bullish on expansion.

CHAIN SAW QUIZ Fact or Fiction?  
The proper way to adjust the carburetor on a chainsaw is to adjust until you reach maximum speed, then slow it down just a little. True or False?

False: This may have been true for saws made 25 years ago, but not with the saws we are using now. Many saws are capable of being adjusted to speeds of up to 18,000 RPMs, but they are not made to stand up to speeds over 13,000 RPMs. A saw running faster than it is supposed to will lose power, run hotter and, if continued for as little as 2 minutes at that speed, will completely lock down. We have spec sheets on every saw model and always set the top speed with an electronic meter. If ever in doubt, bring your saw in for a free RPM check.
