Laura Bush leads VIP congratulations ...

MISD in Texas' top 5 districts

by Janet Felderhoff

Parents and community leaders joined students and teachers from all three Muenster ISD campuses on Thursday, Oct. 13 to celebrate the district's status as an exemplary school district. Muenster ISD was one of five districts in the entire state to achieve this honor bestowed by the Texas Education Agency.

Laura Welch Bush, wife of Texas gubernatorial candidate George Bush; State Representative Ric Williamson; and Muenster Mayor Bill Miller were guest speakers at the assembly. Steve Cooper, Muenster ISD superintendent, opened the recognition ceremony by having all of the students of the elementary, junior high, and high school stand for a round of congratulatory applause. He continued in the same manner with the schools professional staff and the school board.

MUENSTER ISD held a school-wide assembly last Thursday to celebrate being named an Exemplary School District. Standing near the sign that will soon be on display near the entrance of Muenster High are, from left, Muenster ISD Superintendent Steve Cooper, State Representative Ric Williamson, Muenster Mayor Bill Miller, Muenster's mayor, Bill Miller, Muenster's mayor, commended the students, teachers, school board, superintendent, and parents on the award and other great things accomplished by Muenster ISD.

State Representative Ric Williamson shared his thoughts on public education noting that he felt it is about excellence in academics and nothing more; not about social engineering or solving the world's social problems, but about

community and academics. "Muenster Independent School District most exemplifies my thoughts about public education," he said.

Williamson remarked that the Bush family represents the standards that Muenster ISD sets for the rest of the schools.

"When I took office in 1985 we did not recognize exemplary school districts," remarked Williamson. When he asked why they weren't recognized he was told that they didn't want those who failed to feel bad. "I thought a lot about that because you know what life really is about is winners and those who are trying to win," he reflected. "A lot of people say it is about winners and

losers. I don't like that. I don't think that any person is a loser. I don't think any organization is a loser. I think that life is about winning and trying to win. Today we celebrate the fact that you won."

Mr. Cooper remarked that usually when you are the best at something you are usually showcased. This is an election year and there is a lot of rhetoric and a focus on the public schools, a lot of talk about what to do to have better schools.

"I need to point out to those of you who are here today a question that has gone through my mind," Cooper said. "Muenster ISD is one of the five best school districts in the state... something that was given to us because we earned it. My

question is if we are really concerned about our schools, then why have not any of our top school leaders taken the time to even make a simple phone call to congratulate the best? They simply haven't."

Mr. Cooper then expressed special appreciation to Mrs. Bush and Mr. Williamson for taking time to personally participate in the award's celebration. Laura Bush is a former educator and librarian.

"Education is a community project," commented Laura Bush. "George Bush believes that educating our children should be the first priority of our state. He believes that parents, teachers principals, and local school boards

know what is best for the children of their communities. We cannot accept anything less than excellence in educating you, our children. We all know that an educated work force is essential for a prosperous future for Texas and that an educated child is less likely to commit a crime."

Local efforts were commended by the former educator. "Our best hope for school improvement lies with local parents, patrons, educators and school boards," Laura Bush continued. "In Muenster you have proven that local people can and will solve local problems. As a former teacher who's been on the front lines of education, I know that we must create a system of education that supports, not stifles local community innovation."

"George is running for governor because he wants to save the next generation from the troubling trends that we are seeing in our society today. The problems of violence, gangs, and drugs."

The importance of parental and community support was stressed by Laura Bush. "Congratulations to each and every one of you," she concluded. "George and I know that it takes parents who are willing to sit down with your children at night and work with them on their homework. It takes teachers who are dedicated and who give every ounce of their energy, at a salary lower than their efforts deserve, to come into our classrooms every day to work their hearts out for their children, and finally it takes students who choose to be responsible for their behavior and work hard to succeed. You truly are our future."

MMH gains new doctor

by Janet Felderhoff

Muenster Memorial Hospital's Board of Directors and Administrator Jack Endres had some much awaited news to announce to the local community during the October 19 board meeting. Edd G. Advincula, M.D. will be opening an office in Muenster.

Dr. Advincula is board certified in Canada in general and internal medicine. "He is ready to come," said Endres. His office should open around Nov. 1. He will at first be located in the south wing of the hospital.

Patients seeking a family doctor will be glad to know that Dr. Advincula will be here just in time for the flu season.

BOBBYE and FRANK CROMEENS, at right, were selected for the Muenster Knights of Columbus Good Neighbor Award. Also pictured are Grand Knight Ed York and Fr. David Bellinghausen, who presented the award at the KC's annual Good Neighbor Breakfast Sunday.

Knights of Columbus award "Good Neighbor" to Frank and Bobbye

In observance of Columbus Day 1994, the Muenster Knights of Columbus Council #1459 held their traditional "Good Neighbor" Award Sunday, Oct. 16.

Activities began as they and their honored guests worshipped together as a faith community at the 8 a.m. Mass in Sacred Heart Church.

Every year the KCs honor someone of another faith in the ecumenical spirit of encouraging greater harmony among creeds. The "Good Neighbor" Award is presented to someone whose pursuit of excellence is exemplified by his love of God and love of his fellow men, whose generous contributions and extensive services to the community are performed in a gentle, quiet manner, shunning all publicity.

In this spirit, Grand Knight Ed York explained, "we salute the 1994 winners of the 1994 'Good Neighbor' Award, Frank and Bobbye Cromeens" as he presented the couple to all attending the church service.

A breakfast and presentation ceremony followed in the Knights of Columbus Hall. After the meal, Father David Bellinghausen, OSB introduced Mr. and Mrs. Cromeens and said: "My first memory of hearing the name, Frank Cromeens, was early in my arrival here as pastor when we had our parish picnic. He had donated valuable objects for our auction.

Service, and success now in oil and ranching. He's still working on having the best cutting horse in the world.

As a true Texan, Frank likes to share his success with others--as a good neighbor. You know, the true Texas genius is to share one's success and good fortune with others so that everyone is enriched.

Frank has helped the community by providing facilities for political meetings, by providing his facilities for hospital fund-raising activities, and he has been a great supporter of our parish activities.

Today, with this plaque, we honor Frank and his lovely wife, Bobbye, for their involvement in our community, in our hospital, and in our churches."

The program for the morning included Grand Knight C. Ed York as Master of Ceremonies; Father Frowin Schoech with the Invocation; Bill Bivin leading the Pledge of Allegiance; Butch Fisher with welcoming remarks; Bob Bauer presenting Membership pins; C. Ed York, recognizing the Past Grand Knight, Butch Fisher; and Father David Bellinghausen OSB, who presented the award to Frank and Bobbye Cromeens.

Hacker, Martin state their qualifications for Precinct 4 Justice of the Peace

Two candidates are seeking the position of Justice of the Peace for precinct 4. Incumbent Royce Martin is being challenged by Republican candidate Robin Hacker.

Justice of the Peace candidate Robin Hacker says she has based her candidacy upon the desire to return honor and professionalism to the office.

Hacker is married to Cooke County native Frank Hacker. They live on a farm northeast of Valley view where they raise Simmental cattle. Frank is a vocational technology teacher at R.L. Turner High School in Carrollton. Robin is a background in long-term care and adult literacy tutoring, is a member of the public library system, and a proud member of Texas Young Farmers.

Mrs. Hacker cites her major accomplishments as being a conservative, tax-paying wife and mother. She reports concern for time, education, and economics, stating that the judicial impact that can be made on these issues locally is a full-time justice of the peace being overlooked.

"Crime can be dealt with locally in an efficient manner by bringing the needs and opinions of enforcement, and setting bond fit the crime," remarked Hacker. "Education can be effectively improved by promoting and reporting a "back to basics" approach to education with more

ROBIN HACKER

Hacker proposes that fines will be collected, bonds set according to the crime, and no cut-rate fines set forth in an all-encompassing attempt to avoid the supposed inconvenience of arraignment on the weekend or after normal business hours, should she be elected. Robin strongly believes that an elected official should be available 24 hours a day, seven days a week, not precluding Germanfest weekend. She vows to participate and attend all county and state promulgated judicial training sessions.

Other issues Hacker will approach as circumstance dictates are the handling of an inquest in an ethical and dignified manner. "I will not use the office of justice of the peace to promote my perception of a situation, neither verbally or in a material manner; thus hindering an on-going investigation," remarked Hacker.

Finally, Hacker believes that no man is above or beneath the law.

Royce D. Martin of Valley View is seeking re-election for the office of Justice of the Peace, Precinct Four. Martin states he is seeking re-election in hopes that professionalism can remain with the office, enabling continued service to his constituents.

He is a lifetime resident of Cooke County. He is married to Zelta (Bennie) Martin and they have four married children, six

ROYCE D. MARTIN

grandchildren, and one great-grandchild. Royce has a 15-year-old daughter attending Valley View High School.

He is honorably retired from the United States Air Force and served as a Military Policeman and Combat Instructor in Korea and Vietnam.

He has an Associate of Science degree in Criminal Justice from Cooke County College.

He was employed by the Texas Department of Corrections for four years and the Texas Youth Council for two and a half years.

Please See MARTIN, Page 2

Among the many local projects of the Knights of Columbus, a Catholic, family, fraternal service organization are: Right to Life - Lone Rose on the Altar; Super Bowl Board - State Deaf Fund; Youth Council of Muenster - T-Ball, Girls Softball; Boy Scouts - Charter Sponsor; Mass Servers Appreciation Party; SNAP Program Sponsor; Mini-Bus Sponsor; Vacation Bible School - Sponsor; Youth Groups Appreciation Parties; Kids Swim Party; Kids Christmas Party; JAM, Girl Scouts and other Youth Groups; Clergy Christmas Appreciation Party; Donation of Building Use for Funeral Meals, Blood Drives, Beta Kappa, Catholic Daughters - Pro-Life Meetings; Youth Night to Texas Ranger Baseball Game; And Others...

Good News!

Depart from me, all evildoers, for the Lord has heard the sound of my weeping; The Lord has heard my plea; the Lord has accepted my prayer.

PSALM 6:9-10

Letter to the Editor,

In the August 30 Register, on the Democratic HQ opening, Bill Sullivan, Democratic chairman for Cooke Co., said he thinks fiscal conservatism, as practiced by friendly and caring people, is the overriding political philosophy of the people of Cooke County.

If this is the case, I ask the Democrats of Cooke Co. to help rid our district of one of the most liberal voices in Austin District 30: St. Sen. Steve Carriker. He stands for everything that is opposite what the good, hardworking, conservative, ethical Cooke Co. voters seek as their voice in Austin.

If you asked three people the solution to the math problem 2+2=; one might say 2+2=4, the next one maybe 2+2 somewhere between 3 and 5, Steve Carriker's answer, being the career politician he is, would be; Well, what do you want it to be?

Steve Carriker described himself in the following way: "I am the trial lawyer's candidate. The trial lawyers are going to come at me with.....a lot of money." Anyone who remembers Carriker's stand on worker's comp. reform will realize he meant exactly what he said. If anyone caught the article in the Dallas Morning News 9-16-94, trial lawyers are the contributors of more money to political candidates than any other group. Enough said here - get the hint.

Carriker has supported the unbelievable growth in our state budget since 1983, when he first went to Austin as a representative which brings us to 11 years. He should be gone anyway, but Steve Carriker is a strong opponent of term limitations. In fact, he used his position as a committee chairman in the last session to kill the term limitations bill. As Cooke Co. voters and nationwide well over 75% of voters are for term limitations, he is not even speaking for his electorate.

Steve Carriker voted against a bill put forward by Sen. Buster Brown which made it a capital offense to kill a child under the age of six (referred to as the Baby Killer Bill). Additionally, this bill would have made it a capital offense to kill a policeman or fireman as well as other categories of murder.

So in closing, all of you fiscal, conservative voters in Cooke Co.; let's end the career of a career politician and send Carriker packing. He has not represented your wishes anyway and let's send a man with integrity to Austin, one who isn't a career politician, doesn't aspire to be one and will be one of our leaders in Austin to establish term limitations. Let's make Mr. Tom Haywood our next State Senator District 30.

Mike Felderhoff

Letter to the Editor:

Time is drawing near for one of the more important elections in the history of Cooke County and the State of Texas. Here in Cooke County, we have a chance to send a message that conservative traditional Christian values are important. Locally, the Republican Party has a great group of qualified conservative candidates who believe county government can be more efficient.

As one of many local citizens who attended the Cooke County Republican Convention last spring, I witnessed a long list of pro-family/traditional value

amendments that were adopted by the convention delegates. All the citizens of Cooke County should be aware that these same pro-family/traditional value amendments were presented to the Cooke County Democratic Convention as well, but they were turned down.

Of course, at that time, the word from Gov. Ann Richards was to attack all Christians who dared show an interest in politics as bigots and hate mongers. (Was it because these meddling Christians were welcome in the Republican Party?) Then, this summer, a poll was released revealing that a whopping 66% of Texans identify themselves as conservative Christians. Now we know why Ann Richards and the state Democratic leaders haven't been bashing Christians this fall like they did earlier this year.

Let's send a message to the Courthouse, to the Statehouse and to the White House that to conservative government and conservative traditional values really do go hand in hand. We can send that message by voting Republican in this election.

759-2904

Dear Council Members:

We feel that the public should be made aware of the great service you performed by restoring lost funds to the Muenster Public Library. Our budget lost \$4,000.00 due to the Cooke County tax rollback. This amount would have greatly reduced our ability to meet our obligations to the children, students and citizens of Muenster.

We are both grateful and proud of our city council for making certain that our library remains open and able to serve the public. We sincerely thank you.

The Muenster Public Library Board

To the Editor:

When my wife and I decided that she would like to run for Justice of the Peace, Pct. 4, we felt there was a big change needed in this office. She felt the only way this could occur was to pursue the office.

The right to run for public office is everyone's right and should be respected accordingly.

My wife is a caring and considerate person who has always worked to better herself and her family.

She will make a fine Justice of the Peace because she will bring to the office what is now lacking. She will deal only in issues during the campaign as she has shown in ads and public meetings. We are county residents and want to remain neighbors and friends after this election.

Not only do I publicly support her, I encourage the voters of Pct. 4 to do so also.

Please vote Nov. 8 as this is your right.

Thanks,
Frank Hacker

Promise Keepers to meet

Promise Keepers, an organization of men dedicated to accepting Jesus Christ as their Lord and Savior, will meet at Texas Stadium on Oct. 28-29 for "Texas II," beginning at 7 p.m. on Friday and ending at 10 p.m. on Saturday. Eight men comprise the speaking team. Their topics include "A Man and His God," "A Man and His Friends," "A Man and Worship," "A Man and the Word of God," "A Man and His Community," "A Man and His Family," "A Man and His Brothers/Church" and "A Man and His Mission."

Maranatha! Men's Praise Band will lead the worship with special music.

Because the Conference for Promise Keepers, "Denton '94" at Fouts Field went down as an unforgettable day, the strong winds and torrential downpour did not dampen the intent of the nearly

35,000 men who packed the stadium and worshipped together until the storm hit just before 1 p.m. The roaring winds toppled a speaker tower and damaged electronic and sound equipment. Behind the scenes, the leadership and speaking team assembled in prayer, seeking direction from God for the rest of the conference. Very few of the men went home. By 5:45 p.m., enough equipment had been salvaged to allow the conference to continue until 8:30 p.m. Concerned for the safety of the thousands attending, leaders and directors called for adjournment, and later began plans for "Texas II" on Oct. 28-29.

Because of the shortened conference caused by the storm, each man who paid to attend Denton '94 will receive a \$15.00 discount off the registration price of "Texas II" or an equal discount off audio or video tapes.

**Memories of 1941-1944
50 Years Ago in WWII**

Fifty years since the painful days of WWII, memories have not dimmed nor has the pain lessened for those who lived through the trauma of waiting for information that was long in coming and sometimes never came. Memories are still as poignant as if it was "only yesterday."

On Dec. 7, 1941, Japanese treachery at Pearl Harbor caused great anxiety for relatives of young men who were serving in or near the area. The shock was intensified when the report was received of the first casualty in Cooke County - Ensign Robert Weinzapfel of Muenster who crashed into the sea from the carrier U.S.S. Lexington near the Johnston Islands on Dec. 9, 1941.

By December 1943, the "Honor Roll" of Muenster men serving in WWII reached 176, with two Gold Stars, designated on the banner hung to the side of the main altar in Sacred Heart Church, making the total of 178.

On Dec. 22, 1944, the Service Flag held 221 Stars, nine of them were Gold Stars.

Muenster residents, just like other Americans in 1941-44, experienced the same fears, loneliness and crushing losses, overshadowed by the blessings of pride and patriotism.

Pride, patriotism and prayer came as healing graces to support and guide families and their young men.

Through the cooperation of families and friends of these men, **The Muenster Enterprise** has been privileged to print the stories of many of them during the past year. In respectful memory, and in observance of the 50th anniversary, we are requesting stories and memories from relatives, or from the men themselves, to be printed as special features in **The Muenster Enterprise**. Several relatives have called to say that their stories are not quite complete but will be forthcoming.

As the anniversary year draws nearer to a close, we appeal for more responses in succeeding weeks, from servicemen, from parents, or brothers, sisters or friends, to honor the young men who served. After each story that we printed in **The Enterprise**, response from readers, young and old, was gratifying.

MARTIN

He has 320 hours of Justice Court certification training given by Southwest Texas State University, San Marcos, Texas.

During his tenure in office, he has ruled on 191 inquests out of 195 reported deaths in his precinct and has conducted numerous inquests in the absence of other justices.

He has served the constituents of Precinct Four for over fifteen years and has never been censured by the State Commission of Judicial Conduct.

Mr. Martin would like to continue to operate Justice Court #4 in a worthy manner and he seeks the privilege of continuing that service.

CITY OF MUESTER
hereby proclaims, in cooperation with Texans' War on Drugs, the National Federation of Parents, the Texoma Council on Alcoholism and Drug Abuse, and the Texoma Community Partnership
October 22 - 31, 1994

Red Ribbon Week

Whereas, alcohol and other drugs have reached epidemic stages and have claimed the lives of numerous Texoma teens and adults; Whereas, in an effort to combat the continuing demand for drugs in our State, it is imperative that members of our communities launch visible, unified prevention education efforts directed toward both youth and adult age groups; and

Whereas, Ann Richards of Texas is serving as State Honorary Chairperson, and will help provide statewide focus for a Drug-Free State during this week-long promotion; and

Whereas, Texans' War on Drugs is sponsoring the Red Ribbon Campaign all across Texas during Red Ribbon Week, to offer Texans the opportunity to demonstrate their commitment to drug-free lifestyles; and

Whereas, individuals and groups in business, government, law enforcement, education, religious institutions, sports teams and service organizations, as well as youth, physicians, senior citizens, members of our State's Armed Forces and others will demonstrate their commitment to drug-free, healthy lifestyles, by wearing and displaying Red Ribbons during Red Ribbon Week;

Now, therefore, I, William J. Miller, Mayor of Muenster, do hereby proclaim the week of October 22 - October 31, 1994 as Red Ribbon Week and call on all citizens to join me in recognizing the efforts of the Texans' War on Drugs toward eliminating the illegal use of drugs in our communities by sponsoring the Red Ribbon Campaign to foster a high quality of life for the youth and adults in Texoma, Texas and throughout the United States.

In witness whereof, I have hereunto set my hand and caused the Great Seal of the City of Muenster, Texas to be affixed this October 19, 1994.

Attest:
Celine Dittfurth
City Secretary
William J. Miller, Mayor
City of Muenster

"Civic Outlook" by Mayor Bill Miller

I am sure by now everyone has heard that our present City Secretary Celine Dittfurth is resigning in May of 1995. She put in 20 years in the city office as Secretary to the Mayor, taking minutes at the City Council meetings, sending out water bills and bookkeeping. Most of those years, she performed all the office duties by herself.

I certainly want to commend her for her years of service.

When I heard of her upcoming resignation, I talked with Traci Stoffels who has worked in the office for nine years. She reported that she is familiar with all the operation procedures and could carry on the work without much transition. Her plans are to work for the city for several more years, but she did not wish to take on the City Secretary position.

In a panic, the City Council voted to run an ad for City Secretary

applicants in August. Now, they have insisted upon having a special meeting on Oct. 26, 1994, to immediately choose a replacement for Mrs. Dittfurth.

I feel that the City Council is acting prematurely and will cost the citizens about \$10,000.00 extra dollars to have three people working in the city office for the next seven months.

In addition, I feel that the present City Council is overstepping their responsibilities. The law requires that the City Administrator choose three applicants and present them to the City Council for review when he is ready to hire.

City Administrator Yosten runs a conservative operation and could accurately make his own decisions, if they would let him.

I am against wasting any tax dollars and will report to you the outcome of this meeting.

United Way donations increase at some Muenster businesses

Cooke County United Way Drive in Muenster has raised \$6,634.40 in cash and pledges so far this year on the way toward a goal of \$11,500.

With 61 of 122 accounts reporting, there's a good chance to meet the goal within a couple of weeks, according to Phil Slater, who is leading the drive in the Muenster area.

Several firms have shown significant growth. For example, the employee and corporate contribution from Muenster Telephone Corporation increased from \$1,296 last year to \$1,566.40 this year. At Cooke County Electric

Cooperative, the combined corporate and employee contribution will total \$1,559, up from \$410 last year.

Other major contributors from the Muenster area this year include Frybrant, Inc. with a combined employee and corporate gift of \$1,270 and the Muenster Jaycees with a donation of \$500.

Mr. Slater said it's important for people with packets out to contribute and turn in cash and pledges soon. The United Way hopes to reach its goal for the annual fund drive by Oct. 25.

Mamie Haverkamp dies Oct. 17 at age 91

Mamie M. Haverkamp, 91, died on Oct. 17, 1994 at 10:15 p.m. at St. Richard's Villa following a lengthy illness.

Mass of Christian Burial was offered on Thursday, Oct. 20, at 10 a.m. in Sacred Heart Church, officiated by Father Frowin Schoech, OSB, and Father David Bellinghausen, OSB.

Mamie Haverkamp's grandchildren participated in the special funeral liturgy. Lisa Schilling gave the First Reading from the Old Testament Book of Wisdom. Kerry Dangelmayr read the Responsorial Psalm. Peachy Braughton gave the Second Reading from the New Testament; Sharon Burkhardt led Prayers of the Faithful.

Beverly Haverkamp, Jeanie Hess and Marcy Mullins presented Offertory gifts at the altar.

Eucharistic Ministers were friends, Peggy Walterscheid, Miriam Caplinger, Carol Grewing and Regina Pels.

Dr. Martin Kralicke and Christy Hesse presented sacred music, including a duet, "How Great Thou Art." A granddaughter, Holly Mullins, read a Communion Meditation composed by Pauline Mullins.

A Rosary service was held at McCoy Funeral Chapel on Wednesday at 4 p.m. and Vigil at 7 p.m.

Burial, in Sacred Heart Cemetery, was directed by McCoy Funeral Home of Muenster. Pallbearers were Lacy Shotwell, Randy Wilson, Gene Haverkamp, Duane Haverkamp, Charlie Switzer and Larry Switzer. Honorary pallbearers were Roger Haverkamp and Glenn Hess.

Mamie M. (Grewing) Haverkamp was born on April 11, 1903 in Muenster to Steve and Margaret (Knauf) Grewing. On Nov. 11, 1931, she was married to Bernard A. Haverkamp in Sacred Heart Church. She was a homemaker, wife, mother and beloved grandmother; a member of Sacred Heart Church and St. Anne's Society.

Survivors are two daughters, Marcy Switzer of Muenster and Lorene Wilson of Gainesville; and two sons, Bernard Haverkamp and Leonard Haverkamp, both of Muenster. There are 20 grandchildren, 28 great-grandchildren and one great-great-grandchild.

She was preceded in death by her parents; by her husband who died on Sept. 25, 1986; by two brothers, John Grewing and Henry Grewing; and by one sister, Anna Rollman.

Mamie Haverkamp had several hobbies. She had a special love for animals and a special pride in a

MAMIE HAVERKAMP

large garden. There were always chickens and geese at her home. She enjoyed having her children's friends come to her home and treated them as her own, preparing meals for them and giving them a place to stay when needed. She continued to do this for many of her grandchildren. They will always remember her kindness and loving nature. None will forget her home-baked bread and her home-churned butter. Many times she delighted a small grandchild by baking a small individual loaf for him or her as a gift. Her bread, butter and jelly were special treats to them. Many times they'll remember that she made up and baited lines so the youngsters could enjoy crawfishing.

When she and her husband sold their home on South Elm Street and moved to the new house they built on North Main, she continued to have a big garden. She enjoyed talking with friends and neighbors, watching TV and reading, and delighted in having "the kids come home for visits."

During her last few years, she became virtually homebound and particularly enjoyed the visits of the priests from Sacred Heart Church. She listened to daily Mass on Channel 2, praying along. She had a great love for the Rosary which she prayed daily for the health of her children. She had a firm belief that her prayers were heard when her son, Benny, recovered from leukemia and successfully underwent a kidney transplant. She continued to have a keen mind and interest in her family, keeping up with their activities. For the last six months of her life, she was a resident of St. Richard's Villa.

Charles B. Bilderback dies at 76

Charles B. Bilderback of Myra died in Gainesville on Oct. 15, 1994 at 7:25 a.m. following a lengthy illness.

He was born on July 12, 1918 in Oakland City, Indiana to Wesley and Maude (Barrack) Bilderback. On March 12, 1959, he married Maurine "Jaci" Kelly in Seguin, Texas.

He was a retired Master Sergeant in the U.S. Air Force, a lifetime member of the VFW Post #8573 of Canyon Lake, Texas and veteran of WWII. He was stationed at Pearl Harbor when Japan struck in 1941 and at Eniwetok on the first Hydrogen Bomb Test.

Survivors are his wife, Jaci Bilderback of Myra; three daughters, Donna Boaz of Myra, Jolayne Martin of Boerne, Texas and Nancy Poseval of Garland. Also one sister, Georgia Kohl of Ft. Thomas, Kentucky; and one brother, Dr. J.W. "Woody" Bilderback of Bandera, Texas. There are six grandchildren, 10 great-grandchildren and five great-great-grandchildren. He was preceded in death by his parents, one brother and three sisters.

Graveside rites were held on Monday, Oct. 17, at 2 p.m., presided by Rev. Elwoode Poore. Burial in Reed Cemetery of Myra was directed by McCoy Funeral Home of Muenster. Military rites were conducted by Muenster VFW Post #6205. Participating in the Honor Guard were Arthur Bayer, leader; Don Hellman and Don Hess, color bearers; James Hess and Pat Knabe, color guards. Riflemen participating in the 21-gun salute were Bernard Hesse, Gilbert Hess, Johnny Rohmer, Melvin Luke, Virgil Henscheid and Willie Fisher. "Taps" was played after the rifle salute. Johnny Rohmer presented the U.S. Flag to Charles Bilderback's wife, Mrs. Jaci Bilderback, at the end of the ceremony.

Local schools join national Red Ribbon campaign

Students from Muenster ISD and Sacred Heart School will be observing Red Ribbon Week Oct. 22-31 along with the rest of the nation. The Red Ribbon Campaign began as a passionate, grass root's expression of concern in 1985.

It was initiated by a group of parents in Illinois and Virginia following the brutal murder of Enrique Camarena, a Drug Enforcement Administration (DEA) agent, by drug traffickers. By urging citizens to wear the symbolic red ribbon, they created the backbone of support for the Red Ribbon Campaign.

Today the Red Ribbon symbolizes the commitment of countless citizens to eliminate substance abuse in their communities. The Red Ribbon Campaign is now an ongoing

comprehensive alcohol and other drug abuse prevention education program with the last week in October designated as Red Ribbon Week.

The Red Ribbon Campaign is designed to:

- Create awareness concerning the problems related to substance abuse
- Build community coalitions to implement substance abuse prevention strategies
- Support substance abuse free lifestyles
- Encourage neighborhood prevention planning and activities

Muenster Elementary School students and teachers will join hands around the school on Tuesday, Oct. 25 as a symbol of their pledge to keep the school drug free. Parents, friends and students from the junior high and high school are invited to join in the event.

Muenster High's student council is sponsoring a poster contest in conjunction with Red Ribbon Week. Judging will take place Friday, but winners will not be announced until the Hornet pep rally on Oct. 28. Posters will be on display all during Red Ribbon Week. Prizes will be awarded to a grand prize winner and to grade winners. They are furnished by the Student Council.

Sacred Heart's Student Council has also made plans for Red Ribbon Week. They will tie red ribbons on all vehicles at school and will distribute red ribbons to fellow students with the slogan "Drug Free". Small prizes will be distributed to students.

The People Support Team (PST) at Johnson & Johnson Medical, Inc.

THE WEEK OF OCTOBER 22-30 IS RED RIBBON WEEK and your local McCoy's Building Supply Center invites you to show your support by pinning on a red ribbon. Red Ribbon Week is held annually to raise awareness about America's war on drugs. McCoy's is a drug-free company and supports anti-drug education. Stop by your local McCoy's for your Red Ribbon and "Pin One On!" Both Muenster and Sacred Heart Schools are participating in Red Ribbon Week activities next week and they also encourage you to support this endeavor. Pictured are, clockwise, Jennifer Hess, Lucas Bayer, Joanna Gehrig, Adam Barnhill, Kristen Knauft and Duncan Campbell.

Janie Hartman Photo

will show their support and kick-off Red Ribbon Week on Saturday, Oct. 22 at 10 a.m. at the corner of FM 1417 and Highway 75. They will link hands and form a human chain

to present a unified and visible commitment and take a stand against unlawful drug use. Red Ribbons will be distributed to all

participants. The event is being sponsored by Texans' War on Drugs, Texoma Council on Alcoholism and Drug Abuse and the Texoma Community Partnership.

Everyone is invited to participate. If you need additional information, please call the Texoma Community Partnership at (903)786-2955 or 1-800-677-8264.

Michael C. Distefano wins Texaco scholarship

Michael Charles Distefano, graduated senior of Strake Jesuit College Preparatory in Houston, has been selected as one of the 99 Texaco Foundation Scholarship winners nationwide in 1994. Michael is the son of Charles and Peggy Distefano of Missouri City, Texas, and grandson of Wilfred and Polly Reiter of Muenster.

The Texaco Foundation underwrites the entire cost of the scholarships, which are granted on the basis of nationwide competitive examinations.

Michael is attending Texas A&M University in College Station, Texas, this fall, where he is pursuing studies in the field of biomedical engineering. His sister, Julie Ann, also attends A&M.

While a student at Strake Jesuit, Michael was the secretary of the National Honor Society, Student Council representative, member of the Spanish Club and Ecological Society, an All-State Swimmer for three years, Captain of the swim team and Co-captain of the water polo team.

MICHAEL C. DISTEFANO

BLAKE MICHAEL GREWING

Blake Grewing celebrates first

Blake Micheal Grewing turned one on October 7. He celebrated his first birthday on October 9 at the home of his parents Mark and Carol Grewing. A dinosaur theme was carried out throughout the party.

Mark and Carol prepared a chicken dinner for the 36 guests including his sister Rebecca, grandparents, uncles, aunts and cousins. Blake enjoyed his chocolate birthday cake which was decorated with a blue dinosaur.

After the meal Blake opened gifts. Then the children lined up according to their age to try to crack the red, candy-filled dinosaur pinata. Blake took the first swing, but it was Brandon Grewing who sent the candy flying and the children scrambling to get their hands full of candy.

All the children received a treat bag full of surprises and a kite. It was a perfect day for flying a kite. So all the children with the help of their fathers, flew their kites in vacant lots nearby.

Many pictures were taken and a video was made so that Blake could remember that day forever.

Greetings from Arkansas!

Sister Henrietta, Sister Theresina, Sister Amora, Sister Michael and Sister Florentine, all of Holy Angels Convent in Jonesboro, Ark. sent greetings to Muenster friends, when they were visited by Alvin and Joanie Hartman, Edna Tompkins and Mrs. Willard Hartman, who made this one of many stops during a three week vacation.

Muenster teacher integrates curriculum

Kim Walterscheid, Muenster Elementary teacher, is integrating Spanish, mathematics, art, science, and group activities in her classes. Fourth and fifth grade students divided into teams to complete a group project, illustrating their knowledge of Spanish, art and science. Each team drew posters to illustrate the seasons. They used the Spanish words for the months and seasons they illustrated. Finished posters are on display in the elementary building.

Mrs. Walterscheid is also integrating the Spanish curriculum with the mathematics curriculum. Spanish students practice speaking Spanish and basic mathematics facts by using Spanish names for

Oops!

The total number of private and public elementary schools receiving Blue Ribbon Awards should have been 276, rather than the erroneous 126 number listed in last week's article. There were 220 public and 56 private schools as the article stated.

the numbers. Elementary Spanish students have already figured out that it is much easier to respond in Spanish if they think in Spanish. Language students often do not learn this technique until they have had several years of instruction in a second language.

MISD announces Kiwanis Students of the Month

In conjunction with a program sponsored by the Muenster Kiwanis Organization, teachers at Muenster ISD have selected students to be honored as September Students of the Month.

An honor student, William Hacker, was selected from the Elementary School. Mrs. Fuhrmann, his second grade teacher says, "William does a great job of getting his homework done and turned in. He has improved his spelling ability."

William's favorite subjects are mathematics, social studies and science because he likes to learn about numbers and shapes, color and write about what he has learned, do book reports, and study about spiders and insects.

In his leisure time, William likes to go to the lake, jet ski, go to the movies, go walking or help with the ostriches at his grandma's house.

When William grows up, he plans to be a police officer or a fire fighter because they have dangerous and exciting jobs and make lots of money.

Pat and Kathy Hacker are William's parents.

Muenster Junior High's Student of the Month is Dolly Patel, daughter of V.J. and Sudha Patel. She is on the academic honor roll and enjoys science and history. Dolly is a junior high cheerleader and will play basketball and run track. She likes to relax by reading.

Jeff Flusche is the High School Student of the Month. Jeff, a junior, is an academic honor student and is very active at MHS serving as class president, vice-president of the National Honor Society, and Student Council parliamentarian.

Football occupies Jeff's after school time presently. Away from school, Jeff enjoys hunting and fishing. He is the son of Tom and Judy Flusche.

New Arrivals

Hanson

Robert and Lynn Hanson of Flower Mound joyfully announce the birth of their first child, a daughter. They have named her Madeline Nichole. She was born at 3:57 p.m. on Wednesday, October 5, 1994, in Baylor Hospital. Madeline weighed 6 lb., 12 oz., and measured 19 1/2 inches long. Grandparents are Donald and Norma Muller of Denton and Robert and Joan Hanson of Saint Cloud, Minnesota. Robert and Joan Hanson are spending the month of October in Texas to get acquainted with granddaughter Madeline.

ANNOUNCEMENTS:

The Rosston Baptist Church will celebrate "Great Day in the Morning" on Sunday, Oct. 30. There will be a dedication service for the new steeple and porch. The service will start at 10:30 a.m. with no Sunday School hour that Sunday. All former and present members, along with those involved in the construction, are invited to come and be a part. A dinner in the reception hall will follow the special service. That is also High Attendance Day and clocks will need to be set back one hour.

The Area Singing, sponsored by the local churches, will be Sunday, Oct. 30, at 6 p.m. at the Forestburg Baptist Church. Everyone is invited to come and sing or just come and listen to good singing.

C.H. Christian and his wife, Ruth, have returned to their home after Tip's surgery and stay in the Harris Hospital in Fort Worth. After Tip's dismissal from the hospital, they spent some time at Jimmy and Sandy Christian's in Springtown, then returned home. The doctor says Tip is ahead of time in his recovery. Mrs. Dorothy Christian of Stephenville brought them home. Their son, Fred, of Stephenville spent Friday and Saturday with them.

Visitors in the Christian home Sunday afternoon were C.E. and Nora Jo Hudspeth of Pilot Point, Bret and Vickie Boker and Amy and Lauren of Sherman, Gene and Glendor Davenport of Gainesville, Jean and Helen Haines of Lake Kiowa and Bill Christian of Stephenville.

Mrs. Josephine Berry is on the sick list.

Mrs. Louise Shults had as her overnight guests Tuesday John C. and Neida Blankenship of Lindsay, Oklahoma.

Mrs. Foncile Cole of Denton and Mrs. Anna Young of Greenwood visited Mrs. Shults Thursday.

Mr. and Mrs. Bill Shults of Denton visited Louise Sunday

afternoon and attended the funeral of Gean Scott.

Mr. and Mrs. Buddie Jobe of Lubbock visited Mr. and Mrs. Marvin Maberry Thursday. They were on their way home from Arkansas.

J.C. and Dorothy Barr of Nocona visited with Jack and Odessa Berry Monday.

Faye and Lee McKown spent Thursday afternoon the Berrys.

Odessa and Jack visited Wanda and Wilbur DeBorde in Era Saturday.

Mr. and Mrs. Fred Wakeman of Wichita Falls spent Sunday night with his mother, Mrs. Oma Wakeman.

Mrs. Gladys Balthrop and Mrs. Anna Kirk attended the Baptist Association meeting and dinner Monday evening in Gainesville at the Grand Avenue Baptist Church. Members from four counties attended.

Early Childhood Screening set for Oct. 28

On Oct. 28, from 8:30 a.m. to 12 noon, an early childhood screening will be held at B.T. Washington School to identify children who may have handicapping conditions or might have low potential for success in school.

A child who needs to be screened is one who does not appear to act, see, hear, speak, understand or learn as others of his age.

Children who are handicapped are eligible to attend school from age 3, from birth if visually or hearing impaired. If you have a child who is suspected of having a handicapping condition and is three (3) years old, please call the special education office at 665-0773 for an appointment. If your child is younger than three but you are concerned, call Project Kind at 665-1464. The tests include vision and hearing and motor ability procedures, as well as some learning tests.

Before screening, each child must have a permission slip, signed by a parent, giving consent for screening. Forms are available at the Special Education Office located at 1420 Rice Avenue or Booker T. Washington School located at 701 Muller. Margaret Cotter, director of

the Special Education Cooperative, notes that a babysitter may bring the child to be screened, but the form signed by the parent is a necessity.

If your child is enrolled at Head Start, there is no need to attend this screening.

Baptism

Flusche

Adria Charmaine Flusche, newborn daughter of Phillip and Brenda Flusche, was baptized on Sept. 25, 1994, at St. Mary's Church of Gainesville. Godparents were Eric Redder of Gainesville and Judy Maliska of Decatur.

Others attending were the grandparents, Martin and Nancy Krahl of Valley View and James and Sally Flusche of Decatur. A dinner at The Smokehouse in Gainesville followed the baptism.

KAITLYN AND RYAN FELDERHOFF

Mackenzie turns four

Mackenzie Herr, daughter of Darrell and Shawna Herr, celebrated her birthday at home with family and friends on Oct. 9, and at her preschool with her family, teachers and classmates on Oct. 10, her actual birthday.

On Oct. 9, she had a "Barbie" birthday party at her home, with everyone enjoying games and a piñata that caused a great bit of laughter. Gifts were opened, consisting mostly of Barbie doll items, jewelry and spending money. A hot dog supper followed and later cake and ice cream were served.

Attending were Mackenzie's mom and dad and her little sister, Morgan; and grandparents, Tom and Virgilla Herr; aunts and uncles, Sherri and Monte Haverkamp and Sylvia and Brian Herr; cousins Kelsey, Derek and Nathan Haverkamp and Tanner Herr; uncles Kenneth and Matthew Grewing; family and friends Terri and Shelby Hess; Ruth Magee of Era; Mackenzie's playmates Kara and Kirk Felderhoff and Kaitlyn Felderhoff; Sara and Eric Stoffels with their mother, Traci.

MACKENZIE HERR

Mackenzie had her "Celebration of Life" on her actual birthday, Oct. 10, at her Sacred Heart preschool, sharing special memories with teachers Pam Dangelmayr and Kathy Berres and classmates. Her mother and sister Morgan also attended. Her mother shared with the class a favorite book and many pictures. Treats were served.

Mackenzie also received other gifts from friends and family members who were unable to join in the celebration.

MISD Kindergarten students tour Endres Motor, learn about transportation

Muenster ISD Kindergarten toured Endres Motor Company on Oct. 7. John Yosten, service manager, showed the students the sales office, show room and new cars. He explained different parts for cars and showed the Kindergarten the service department.

Mr. Yosten demonstrated the overhead air hoses and car lift. He explained the importance of computers and knowing how to read for mechanics and salesmen.

After Mr. Yosten answered all the students' questions, the Kindergarten group ate lunch in the showroom.

Christy Yosten and Joy Schneider gave the students Ford key chains as they completed their tour. This field trip concluded the Kindergarten unit on transportation.

Birthday party honors Kaitlyn and Ryan

A joint birthday party honored Kaitlyn and Ryan Felderhoff on Saturday, Oct. 8. It was held in the home of their parents, Scott and Sandy Felderhoff. Kaitlyn turned four on Sept. 18 and Ryan was two on Oct. 1.

A buffet supper was served to guests. Birthday cake and ice cream followed. Ryan's cake was decorated in a Mickey Mouse theme and Kaitlyn's depicted a scene with Cinderella.

Party activities included taking turns trying to break a piñata. It was filled with candy treats for the children.

Guests included grandparents Theo and Millie Voth and Al and Sis Felderhoff; uncles, aunts and cousins Ross and Janet Felderhoff and Deann and Jody; Kenny Felderhoff and Kayla, Kara and Kirk; Gene Voth of Denton; Tim and Debbie Voth of Fort Worth; and a friend Mackenzie Herr.

Kaitlyn also shared birthday cupcakes with her classmates and teachers at Sacred Heart Preschool on Sept. 27 when her mother presented Kaitlyn's Celebration of Life. Special guests were grandmas Sis Felderhoff and Millie Voth and Kaitlyn's brother Ryan.

3rd graders perform German dance

Third Graders in Muenster Public School and Sacred Heart School recently learned the German folk dances and movements to a musical theme popular in Germany for many generations. "Liebe Schwester Tanz mit Mir" (Dear Sister Dance With Me) was a challenge the children met eagerly and performed beautifully.

The first performance was in Denton at the North Deanery celebration of the 25th Anniversary of the Fort Worth Diocese. Pictured above are the students, 6 from Public School and 6 from Sacred Heart, who participated. That same day, 3rd graders from both schools performed for the talent show in the Sacred Heart Gym. Their performance was so well received he group has been invited to perform again for visitors at the antique Auto Show in Muenster on November 12 and again at Krist Gringle Markt on November 26.

Mrs. Leoba Mollenkopf designed and made 6 aprons and 6 pair of suspenders for the Denton performance. She generously donated the materials and her time which is greatly appreciated.

Bob Stovall presents program to 4-H Club

The second meeting of the Muenster 4-H Club during the current school year was held on Oct. 11. A report was given by Jonathan Yosten on the recent 4-H Achievement Banquet. Achievements of last year's 4-H'ers were honored at this banquet.

Officer Bob Stovall presented a program on "Security for Children at Home Alone."

The door prize was won by Jayna Biffle. Next month's meeting will be held on Nov. 8.

THIRD GRADERS participating in the Fort Worth Diocese 75th anniversary celebration are, 1 to r, front row - Kyle Endres, Kristi McAden, Cameron Walterscheid, Robyn Hermes, Nathan Sicking, John McCoy; back row - Lynn Sicking, Cindy Hartman, Deann Dangelmayr, Kate Sepanski, Kevin Walterscheid, Adam Taylor and coordinator Mrs. Juanita Bright.

What's happening at the Library

Students in Muenster ISD's preschool and kindergarten and children at Wanda's Tender Loving Care Day Care Center have been enjoying stories read to them by Mrs. Pat Weaver, head librarian at Muenster Public Library. Mrs. Weaver visits to read one Thursday per month.

Pat Weaver and Betty Felderhoff attended a membership meeting and seminar sponsored by North East Texas Library System (NETLS) on

October 4. The afternoon session was particularly of interest to them since it applied to the Muenster Public Library. It was titled Public Library Patron Confidentiality. Overdues: Fees, Fines and Management Workshop.

On Nov. 8-9 Pat Weaver will attend a small library training program in Hillsboro. It is sponsored by the Library Development Division of Texas State Library.

Brianna wins in pageant

Brianna Klement, daughter of proud parents Brian and Melinda Klement, won the third runner up prize at the America's Cover Miss Pageant. A winner and four runner ups were chosen in each age division. The Pageant was held Saturday October 15 at Denton Triangle Mall.

Brianna's grandparents are Wade and Shirley Perryman of Rosston, Charles and Linda Smith of Bowie, and Robert and Laujuana Klement, both of Muenster.

Her great-grandparents are Calvin Sam Hill of Nocona, Cecil Smith of Wichita Falls, Tony and Sis Klement of Muenster and Betty Montgomery of Gainesville.

BRIANNA KLEMENT

Panthers fall to the Muenster Hornets

The Muenster Hornets went west last Friday night to take on the Panthers of Saint Jo. The second district battle was much more relaxed than the opener against Era, as the Hornets swarmed over Panther Field for a 48-0 victory. The win improves their district record to 2-0 as they now prepare for their next battle - the Alford Bulldogs.

Muenster took the opening kick to their 38-yard line. Two runs by quarterback Jason Huchton and one by Scott Debnam carried the ball to the Panther 32-yard line. On the fifth play of the game, Huchton passed to Matt Cotter for a 34-yard touchdown play. Jerry Reed added the extra point and two minutes into the game the Hornets had a 7-0 lead.

Saint Jo got in 5 runs before punting on 4th and 11. Muenster began their second drive on the Panther 47-yard line. Cody Sicking, Huchton and Debnam exchanged 6 runs to the 6-yard line. After an incomplete pass, James Klement found pay dirt. Reed added the kick and the Hornets led 14-0 with 4 minutes remaining in the first period.

The Panthers were unable to get 10 yards on their second drive and again punted.

Jerry Reed got in a good 24-yard run before Panther Joe Hennigan picked off a Muenster pass. Saint Jo's offense took the ball into the 2nd quarter, but again the Panthers couldn't get 10 yards and punted. A one yard punt gave the Hornets the ball on the 21-yard line. Three Debnam runs took the Hornet offense to the 5. A Huchton keeper put more points on the scoreboard. Reed's point after made it 21-0 with 10:24 left in the half.

Saint Jo again punted their possession away on 4th and 15. The short kick set Muenster on the Saint Jo 27. The next play, Scott Debnam broke free for another Hornet touchdown. Again, Reed's kick cleared the goal posts to give Muenster a 28-0 lead with 8:25 remaining in the 1st half.

The Panthers got a good drive going on their next possession, highlighted by a fake punt picking up 16 yards. But the drive ended in Hornet territory when Scott Debnam picked off a Saint Jo pass near mid-field.

Matt Cotter ran for 12 yards and a pass to Tony Hartman gained another 8. The next play, Debnam found an opening for a 25-yard touchdown. Reed put in another PAT for a 35-0 Muenster lead with 1:43 on the clock.

Again it was 3 runs and punt for Saint Jo. The Hornets played out the remaining time till the half-time break.

"We went to Saint Jo with a goal to play good solid ball until the game got out of hand," said Muenster Coach Grady Roller. "Everyone played, with the second teams getting in a lot of playing time the second half. It was a good hard effort from all the players. They went out and did what we asked."

Saint Jo took the opening 2nd half kick, but failed to gain any yardage, punting on 4th and 17. A short kick again gave Muenster good field possession on the 29.

Three short runs by Debnam, and 6-yards by Klement and Chad Roller, carried the Hornets to the 11-yard line. Scott Debnam took the ball in from there for 6 points. Reed added another point for a 42-0 score with 5 1/2 minutes off the clock.

The Panthers got in 4 runs before their drive ended with an intercepted pass by Eric Miller. Debnam, Huchton, Klement and Reed all had runs taking the ball into the final quarter.

The Hornets came up one yard short for a first down and Saint Jo took over on their 25-yard line. Going to the air, after two incomplete passes, Cory Cain intercepted on the 37-yard line for Muenster.

Debnam got in a 33-yard run to the 4. Roller moved in 2 more yards, then Debnam carried the ball in for the touchdown. The PAT was no good and Muenster had a 48-0 lead.

Saint Jo struggled on their next drive. A Maurus Hacker sack and a penalty forced a punt on 4th and 24. Another short punt put the Hornets in excellent field possession. From the Panthers 18-yard line Muenster's offense struggled, unable to get the needed yardage and punted on 4th and 20. The Panthers attempted to get out of the hole, starting from their 6-yard line, but an intercepted pass by Jamie Hellman ended the game, giving Muenster their 2nd district win.

"The boys are really coming around. The last couple of years we were weaker and had to change our game plan every week to keep our opponents off balance, but this year we're able to work on our basic sets," Roller commented. "Our offensive line is starting to click."

Coach Roller also bragged about the Hornet defense with Cory Cain and Maurus Hacker leading the team with 99 and 89 tackles on the year. Also playing good defense were Jeff Flusche, Matt Chisam, Darrell Charles and the Hornet secondary that has given up only one big run this season.

"We are looking forward to the next three weeks. We want to be the district champions, outright," concluded Roller.

Game reported by Nick Walterscheid

Next Action - Alford
Muenster will host the Alford Bulldogs this Friday. The Bulldogs defeated Saint Jo 50-7 in their district opener. Last Friday Alford beat Collinsville 25-13. "Alford is a young ball club. They made key mistakes at Collinsville, not playing their best game," stated Coach Roller. "We're going to stick with our basic defense and not make too many changes," continued Roller. "On offense, we'll probably use two of our 5 or 6 sets."
Action begins at 7:30 on the Hornet Field.

Game results cause upsets

Several surprising outcomes of last week's Muenster Enterprise Football Contest games kept contestants' scores low.

The most missed game was Valley View's win over Nocona. Only two correctly guessed Notre Dame's loss, Oregon State's win, the Owls upset over the Longhorns and the Colts over the Bills. Four entries picked Houston over SMU, while 5 correctly chose Collinsville over Alford.

Everyone knew Gainesville would win while only one missed TCU and Dallas. Two were wrong on the Lindsay, Callisburg and Whitesboro games.

Locally, all contestants correctly picked Muenster, while 2 believed Sacred Heart would get beat. On the

tiebreaker score, Barbie Barnhill and Charles Edwards each predicted a 28-21 final score.

Last week's winner was Benny Haverkamp, with 24 correct winning games. Five entries guessed 23, but Steve Beavers took second place with only 8 points difference on the tiebreaker. Doug Stoffels came in 3rd with 10 points on the tiebreaker. The winners collected their winnings from Muenster Building Center, Bayer's Kolonialwaren and Schilling Fina.

Also finishing with 23 games and their tiebreaker points were Jamie Hellman 17, Tim Bindel 19, and Carol Grewing 22 points. Six contestants missed 9 while 8 missed 10.

Take Heart!

Put your heart into it - it's time to find out how your health stacks up at the next National Heart Attack Risk Study screening for Cooke County.

If you're already participating in this national study, it's time for your six-month rescreening. If you haven't gotten on board yet, it's not too late; you can start any time during the five-year study period.

You'll be monitored for five key health factors every six months for five years, with a professional health assessment at the end of each screening. Besides

learning more about your health, you'll be part of a national research project on heart disease.

Screenings are only \$10.00.

The National Heart Attack Risk Study is brought to the Gainesville area by Gainesville Memorial Hospital. It is based in this region at Texoma Medical Center's Texoma Heart Center in Denison and co-sponsored by KXII-TV Channel 12.

Put your heart into it. Sign up for the National Heart Attack Risk Study, and find out if you're at risk today. ♥

- ♥ **WHAT:** National Heart Attack Risk Study screening - a professional assessment of your cholesterol and blood sugar levels, blood pressure, weight and smoking history
- ♥ **WHEN:** 8 a.m. - 5 p.m., Tuesday, October 25, 1994
- ♥ **WHERE:** Gainesville Memorial Hospital Richey Street Lobby
- ♥ **SIGN UP:** Call 1-800-226-RISK (7475) for appointment
- ♥ **QUESTIONS:** 665-1751, Ext. 401
- ♥ **WHO:** NEW PARTICIPANTS and those last screened in April

Please fast 2 hours before your screening.

Tigers trounce Masonic Home

The Sacred Heart Tigers tangled with district foe Masonic Home last Friday and pulled out a 27-22 nail-biter victory to stay on top of the TAPPS District 1-A race. "We need to concentrate on not giving up big plays," commented Tiger Coach John Nasche. "It almost came back to haunt us."

Sacred Heart possessed the ball 8 times and scored on 4 of those possessions in drives of 79, 92, 87 and 51 yards.

The Mighty Mites took the opening kick but failed to get a first down, punting to the Tiger 21-yard line. Three plays later, Scott Frost took off down field for 71 yards, but the run was nullified on a clipping call. The following play, a flag on the Mites gave Sacred Heart

Neil Berres got in two good gains, 27 and 16 yards, before the Tigers ran out of downs. The Mites slowly ate away at the clock, moving into Tiger territory, threatening to score. But the Mites offense was finally stopped 1 yard short of a 1st down on the 36.

The Tigers needed to control the ball, but one good run by Berres was not enough and they kicked the ball away, giving the Mites 31 seconds to play. Good defense by the Tigers caught the Mites in the back field on 2 consecutive plays as time ran out.

On defense, Coach Nasche credits the linebackers for outstanding play, the pass defense for allowing only one complete pass and the backs for a good job.

On offense, Paul Swirczynski caught 5 passes, 2 for touchdowns. "Paul was there in key situations when we really needed a completion," said Nasche, who also recognized Jason Hess's passing game and Scott Frost and Neil Berres for running the ball. Also the offensive line did their job blocking, allowing the Tigers to pass and run the ball. "Our offensive strength and balance attack in both throwing and running enabled us to move the ball," concluded Nasche.

Game reported by Alvin Hartman

Next Action - Lakehill

Sacred Heart continues their district competition this Friday as they take on the Lakehill Warriors. "Lakehill's a big, strong team with good speed. They run and throw well," said Coach Nasche. "We'll have to eliminate the big play mistakes and work on our special teams."

Lakehill entered district action with a 5-0 record, but actually won only 3 games. Their loss to Calvary flipped into a win when Calvary was caught with an ineligible player and St. Mark's JV canceled their game. The Warriors lost their district opener to Masonic Home 49-8, then played non-conference last week.

Directions to the Game

a 1st down. Neil Berres and Frost picked up another 1st, then a 27-yard Jason Hess quarterback keeper carried the Tigers to the Mites 26. Berres carried the ball to the 10, then to the 8 where Frost dove over for the touchdown. The point after failed for a 6-0 score with 4:06 remaining on the clock.

The Mites showed their might on the kick return when Hugo Ramos took the kick 76 yards for a touchdown. The PAT kick counted and Masonic Home took a 7-6 lead with 3:52 on the clock.

The teams exchanged punts as two runs by Frost for 21 yards carried the Tigers into the 2nd quarter. Three straight passes from Hess to Paul Swirczynski were good for 21, 14 and 29 yard gains to the 7-yard line. Frost edged the ball closer to the end zone. From the 4, a Hess pitch to Berres was good for 6 points. Frost ran in the extra points for a 14-7 Tiger lead with 9:30 left on the clock.

Again the teams exchanged punts that left the Mites deep on their 10-yard line. Masonic Home drove to the 7-yard line in 14 plays. Then the Tigers defense toughened. An incomplete pass and a gang tackle by Jake McCoy, Brandon Bayer and Scott Poole put the Mites on the 12-yard line. With 4 seconds on the clock, Masonic Home attempted a field goal, but it was blocked by the Tigers, who took a 14-7 lead into the locker room at the popcorn break.

The second half saw the teams again exchange punts. The Tigers second drive began on their 13-yard line. A run by Frost and Berres carried the ball to the 26. A Hess pass to Berres added another 13 yards, with a fumble play and an incomplete pass temporarily slowing the drive. Scott Frost broke away for a 43-yard run to the 13-yard line. Frost and Berres took the ball a little closer to the 9 where Hess hooked a pass to Paul Swirczynski to end the 87-yard drive with 6 points. Becker booted the extra point that gave the Tigers a 21-7 lead with 2:32 on the clock.

Six plays later, Masonic Home again caught the Tigers off guard when Ramos took off on a 61-yard touchdown run. The extra run was good and the Mites closed the score to 21-15 going into the final quarter.

Sacred Heart began their next drive at mid-field. A Hess to Swirczynski pass gained another 18 yards. Three runs later, Hess again connected with Swirczynski for a 25-yard touchdown pass. The PAT kick failed and the score was 27-15 with 9:57 on the clock.

Masonic Home was not going to give up. Seven plays later, Ramos ran in from the 36 for another score. The PAT kick was good and the Mites closed the scoring gap to 27-22 with 7:35 remaining in the game.

CONTEST RULES:

- Only one entry per person per week. Persons entering must be 12 years old or older.
- This page of schedules, results, predictions, pictures and the contest itself is supported by advertisers appearing here. Each ad contains a scheduled high school, college or pro game for Friday, Saturday or Sunday of the week of publication. Read each ad and circle the winner. Entries on forms other than original newspaper page will not be accepted.
- In order to determine the prize winners in case of ties, you must predict the score for the tie breaker game listed in the featured ad above.
- Print your name, address and phone number clearly in the space provided.
- Deliver the full contest entry to **The Muenster Enterprise** BEFORE 5 p.m. FRIDAY, the week of publication. Mailed entries will be accepted only if postmarked before Friday, 5 p.m. Address for mailing entries is P.O. Box 190, Muenster, Texas 76252. Entries received late because of postal delay will be counted for the grand prize, but will not be eligible for the weekly prize.
- The featured ad is picked at random each week. It contains the tie-breaker listing and is one of the winner/loser picks. Winner will pick up their prizes at that business each week on or after Tuesday of that week.
- To be the grand prize winner, a contestant must enter every week. Contest will continue as long as either Muenster team remains in play. Winner of the \$100.00 grand prize will be determined by the best winning percentage throughout the contest after the lowest score is thrown out.

Todd Johnson drops the runner as Mike Schilling (62) and Toby Hess (75) move in.

Season Prizes \$100-\$50 Weekly Prizes \$15\$10\$5

Sacred Heart juniors sweep Cross Country

The North Texas Independent Junior High Conference Cross-Country Meet was a wave of red and white. Last Tuesday, Oct. 11 at Montague, the Sacred Heart Lady Cubs A & B squads finished 1st and 2nd along with the Cubs A who captured 1st and the B-team which finished 3rd. Also participating were Montague, Forestburg and Prairie Valley.

The girls 1 mile course had 24 runners competing. The Sacred Heart A finished with 19 points, followed by the B-team scoring 46 and Montague finishing 3rd with 72.

Jo Sparkman, Joanna Gehrig, and Anne Flusche led the Lady Cubs as they finished the course one, two, three. Betty Trevino finished 5th and Jana Coker 8th to round out the Lady Cub A-team scoring. Grace Cochran 9th and Jessica Berres 12th also ran strong for the A-team.

The Lady-Cub B-squad was led by Kayla Felderhoff with a 10th place finish, Debra Dangelmayr 13th, Debra Voth 14th. Rounding out the scoring for the Lady-Cub "B" were Loren Hermes 17th and Summerlynn Twyman 18th.

Placing four runners in the top 10 of the Cubs "A" to a first place finish. In the boys 2 mile run, 26

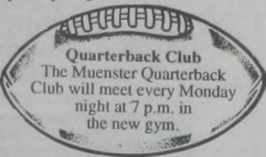

participated with the "A" Cubs earning 35 points. Montague finished 2nd with 48 and the Sacred Heart "B" came in 3rd with 84.

John Flusche 4th, Lucian Gehrig 5th, Charlie Mosler 6th, and Duncan Campbell 8th were aided by teammates Matt Bayer 12th, Kenneth Grewing 13th and Josh Walterscheid 20th. Forestburg finished 1-2-3 as individuals, not having enough boys to make a team.

The Cub "B" squad made a third place showing. Represented were Jeff Hartman 11th, Joseph Reiter 15th, Nicholas Yosten 18th, Russell Fette 19th, Matthew Nasche 21st, and Joe Becker 23rd.

THE MUESTER JAYCEES held their annual Punt, Pass and Kick competition last Sunday. Not even the weather could drown the football fun the contestants had. Winners were, 1 to r, front row - 3rd grade: 3rd Kyle Endres, 2nd Nathan Sicking, 1st Kevin Walterscheid; 4th grade: 3rd Mike Bayer, 2nd Dustin Walterscheid, 1st Jack Biffle. Back row - 5th grade: 3rd Kevin Hermes, 2nd Mitch Endres, 1st Erin Walterscheid; 6th grade: 3rd Josh Ashley, 2nd Dillion Sicking, 1st Elliot Klement. New UIL rules eliminated 7th and 8th graders from participating. Dave Fette Photo

MHS has last tune-up in Cross Country

This past Saturday at the Lake Dallas Cross-Country meet, Muenster High School had its last tune-up in preparation for District. The Varsity Girls racked up another third place finish at 114 points. Gunter won with 98 points. Julia Fleitman finished 7th, Valerie Erwin was next with a 15th, Makie Otsuka 18th, Hollie Fuhrmann 35th, and Misty Klement 39th. Lisa Lippe finished 64th and Mindy Hennigan came in 70th. Two girls participated in the J.V. contest. Denise Russell finished 51st and Melissa Biffle 86th.

Four boys participated in the Varsity Boys race. Bradley Fisher came in 40th, Erik Walterscheid 47th, Ryan Klement 60th, and Brad Escobedo 79th.

The teams travel to Mineral Wells for the District meet next Monday, October 24. The races begin in the afternoon. If you need information about the meet and/or directions please call or come by the school office.

Lindsay falls to Era

The Lindsay Knights played a close, hard-fought battle at Era last Friday, but a few turnovers and big plays by the Hornets handed Lindsay their second district loss this season.

The Knights' offense took to the field after the opening kick, beginning the drive on the 21-yard line. Chris Brown's second run of the game carried the Knights to midfield. A run by Jeff Hale, Brown and Pat Hogan took Lindsay to the 32. Two minor penalties slowed the Knights' progress, but a fumbled ball stopped the drive. Jody Wilson covered for the Hornets.

Matt Lyons and Wilson ran the majority of the plays on Era's first possession, pushing to the 14-yard line. But their drive also ended with a fumble. Jeff Hale got the turnover on the 11-yard line.

Brown and Hale carried the Knights into the second quarter. A 32-yard Hogan run moved the ball to the Hornets' 33. Hale, Hogan and Brown continued to progress to the 18-yard line before coming to a 4th and 7. An attempted 37-yard field goal was unsuccessful and Era took

20-0 lead.

The Knights got in only 2 runs when Era intercepted a Lindsay pass. Eight plays later, the Knights returned the favor when Robert Sharp picked off an Era pass. Starting deep on their 8-yard line, a penalty pushed the Knights back so, on 3rd and 12, Chris Brown quick-kicked the ball 51 yards as the Hornets' offense began the final quarter. Four runs later, Lyons scurried 39 yards for a 26-0 score.

A fumbled play cost the Knights 10 yards and forced a punt on 4th and 16. Era's next drive didn't go anywhere either. Good defense by Brian Hermes and Robert Sharp were followed by a quarterback sack by Greg Arendt for a 10-yard loss plus a minus-3-yard sack by George Lutkenhaus, forcing an Era punt.

Lindsay's last drive of the game erased the egg on the scoreboard as the Knights drove 75 yards in 12 plays. Keeping on the ground, runs were mixed by Brown, Hale and Hogan to the 3-yard line. Chris Brown had the honor of making the score. Tanner Neidhardt added the

Dave Fette Photo

CHRIS BROWN takes advantage of the opening made by the offensive line.
Dave Fette Photo

over on the 20. The Hornets ate up 7 minutes off the clock in an 80-yard touchdown drive. The 15 plays were runs by Lyons, Jerry Beavers and Ryan Worthey to the 3-yard line. A Worthey pass to Jeff Wilson was good. The PAT kick failed and Era took a 6-0 lead with a minute remaining in the first half.

Era's kick off hit a Lindsay player and the Hornets covered the ball near midfield, playing out the remaining time.

"We had the opportunity to score the first half, but didn't," said Coach Charlie Meurer. "Era scored with the assistance of a questionable interference call. The 3rd quarter, three errors cost us 14 points," commented Meurer, on not having enough men on the field.

The Hornets took the 3rd quarter kick and, in 4 runs, lit up the scoreboard. Lyons ran 2 dozen yards, with Beavers adding 17 and Worthey taking the ball in on a 26-yard run. Worthey ran in the points after for a 14-0 score with 10:42 on the clock.

Lindsay was led by Chris Brown on their first 2nd half drive. Brown ran 5 consecutive plays for 31 yards before 2 other plays came up short.

Era started on their 41, three plays took them to the 46, where Worthey took advantage of Lindsay's mistake and carried the ball in for another touchdown. With 5 minutes on the clock, Era had a

extra points. With 41 seconds remaining in the game, the scoreboard read 26-7. Era got in one run as time ran out.

"I was real pleased with the team. They played hard and together as a team," said Meurer. "Era has lots of talent that's hard to win over."

Game reported by Bridget Anderle

Next Action - Saint Jo

Lindsay will host the Saint Jo Panthers this Friday. Both teams are looking for their first district win. "We won't take Saint Jo lightly," commented Coach Meurer. "They have lots of talent and have just been plagued with mistakes, kind of like us."

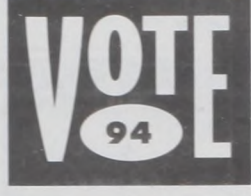

Game time is 7:30 p.m. on the Knights Field.

SPECIAL NOTICE

NOTICE OF PUBLIC HEARING
 The Muenster Zoning Board has received a request for a variance, special use permit or if necessary rezoning 50 ft. x 145 ft. at 921 N. Main in Block 70 of the City of Muenster from R-1 Residential to R-2 Multi-Family in order that a duplex may be constructed at that location.
 A public hearing will be held on the request on Tuesday, Nov. 1, 1994 at 7 p.m. in the City Council meeting room, 400 N. Main. All interested persons may appear at that time and speak for or against the request.

NOTICE OF APPLICATION FOR FLUID INJECTION WELL PERMIT
 Hacker Bros. Oil Company, P.O. Box 39, Muenster, Texas 76252 has applied to the Railroad Commission of Texas for a permit to inject fluid into a formation which is productive of oil or gas.
 The applicant proposes to inject fluid into the Strawn Formation, Becker Lease, Well Number 9. The proposed injection is located 3 miles north of Muenster, Texas in the Cooke County Regular Field in Cooke County. Fluid will be injected into strata in the subsurface depth interval from 867-873.
LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as amended, title of the Natural Resources Code, as amended, and the statewide rules of the Oil and Gas Division of the Railroad Commission of Texas requests for a public hearing from persons who can show they are adversely affected, or requests for further information concerning any aspects of the application should be submitted in writing, within fifteen days of publication, to the Underground Injection Control Section, Oil and Gas Division, Railroad Commission of Texas, Drawer 12967, Capitol Station, Austin, Texas 78711 (telephone 512-445-1373).

Seed testing vital to healthy crops

by Ramona Nye
 Some 90 percent of our food supply relies on just 20 plant species, and wheat, corn and rice supply more than half the world's meals, according to a Harvard biologist. An important factor in the food chain is good, healthy, viable planting seed, and the Texas Department of Agriculture's seed testing labs are ensuring that farmers and consumers get what they pay for.
 TDA has three seed labs in Giddings, Stephenville and Lubbock which enforce two separate seed laws - the Texas Seed Act and the Texas Seed and Plant Certification Act. The labs ensure that seeds will germinate as labeled, that seeds produce the plant variety promised and that seeds are not contaminated with large amounts of noxious weed seed.
 "Seed qualities - genetic and physical - were essential in advancing Western civilization," said Jim Pollard, assistant commissioner for TDA's Regulatory Programs.
 The Texas Seed and Plant Certification Act regulates the genetic purity of certified seed as well as other non-seed plants. TDA provides a type of pedigree system for certified seed with rigid quality controls that include field testing on certified seed crops. During the state's last fiscal year, which ran from Sept. 1, 1992 to Aug. 31,

1993, TDA certified 212,410 acres of seed crops. Certified seed use is important for crops such as cotton, rice and peanuts, in which genetically pure seeds are associated with yield increases, high germination, strong vigor and a lack of weed seeds.
 Since cotton is the state's number one cash crop, most of the certified seed crop in Texas - some 44 to 50 percent - is devoted to cottonseed.
 More than 90 percent of the world's hybrid grain sorghum seed and a large amount of hybrid sunflower seed also is produced in Texas - mainly in West Texas at the edge of the Caprock escarpment. This area's arid climate and isolation from similar native plant species help produce a genetically pure sorghum and sunflower seed.
 In addition to conducting field tests, TDA also "grows out" a representative sample of the certified sorghum and sunflower seed crops to ensure genetic purity. This strict testing method is one reason why Texas sorghum and sunflower seeds are in high demand in the export market. Rice, soybeans peanuts also are large seed crops in Texas.
 The second state law governing seeds, the Texas Seed Act, requires seed labels to accurately reflect purity and germination rate. TDA randomly samples seeds at retailers and wholesalers - 6,981 samples were taken in FY 1993.

From My Side of the Fence

by Ed Cler
 The following story was related to me by Eddie Fleitman, one of our good neighbors of long standing.
 It seems that in the year 1941, when Eddie was a boy of 12 years, his father, Al Fleitman, was preparing to build a new combination barn and feeding shed. The new structure, probably the largest barn in the area, was to be built on the same location that the old barn and another shed stood.
 As was the custom then, the old buildings were carefully dismantled and all usable lumber was salvaged to be used again in the new project. This, plus cleaning up the entire area, the removal of old foundations, manure, old hay, etc. entailed much labor, causing Al to hire several boys and neighbors to speed up the job.
 One of these men, Joe Lehnertz, had for years carried a silver dollar in one of his pockets and he called it his "Lucky Silver Dollar." After working there for several days, Joe reached in his pocket for something and found that he no longer had his lucky piece. After an unsuccessful search, it was decided that Eddie and his cousin, Windy Bindel, had unwittingly loaded the dollar, along with old hay and manure, in the manure spreader and it was somewhere in the field. On the chance that the coin was still in the remaining waste matter, Al directed Eddie and Windy to spread the remaining loads in the pasture where the grass was extremely short, and the chances of seeing the bright silver dollar were much better.
 Well, Eddie said he was determined to find the coin and return it to Joe, thus becoming the hero of this story, but that was not to be.
 Time elapsed and Eddie became a young man and began working in the oil fields, then spent a year in the service of his country before, at age 22, being married to Maryanne Bauer April 12, 1951.
 The young couple moved to a farm 6 miles north of Muenster where they operated a very successful dairy-farming and cattle-raising venture, in partnership with Eddie's uncle Bruno.
 In 1967, Eddie and Maryanne bought the Al Fleitman farm and, in 1977, after selling out the dairy and closing out their partnership with his uncle, they moved to their own home and farm.
 Eddie had never forgotten about the lost silver dollar and each time he walked across the pasture or field where he and Windy had spread the manure, he would keep a wary eye out for it.
 In the fall of '93, he had occasion to walk across the field in search of an expectant mother cow, when he noticed a small blackish disc protruding out of the ground, and just a bit excitedly he picked it up and, after 52 years, he had found the lost coin.
 All the farming, fertilizing and fertile soil had failed to cause the coin to germinate and Joe Lehnertz had long before gone to his reward by that time, but Eddie's determination had finally paid off. He made a buck!

Area rainfall is near seasonal average

Muenster skies of late have been overcast revealing little or no sunshine. This lack of sun hasn't left the area with an over abundance of moisture. Mrs. Mary Moster, who officially keeps Muenster's moisture records, has recorded 2.47 inches of rain for the first 17 days of October. Other areas of Texas have recently suffered with 15 to 20 inches of rain that has caused loss of life and property. The total moisture recorded for Muenster from January 1 through September 30 is 29.35. This is about average. After a dry summer, the arrival of September rains was applauded.

Keep Cooke County Judge RAY RUSSELL

County Judge RAY RUSSELL is licensed by the STATE BAR OF TEXAS and is therefore qualified to hear all cases pending before the court:

Criminal (DWI, etc.)
 Civil (up to \$5,000.00)
 Probate (estates worth millions)
 Juvenile
 Mental Illness/Drug Dependency
 Appeals from justice of the peace and municipal courts

If a non-licensed person were elected to this court, the following will occur:

An untrained person will be presiding over important, complicated legal matters. But, since the lawyers or the parties can demand the transfer of most cases to a court with a judge who has been licensed (district court), the following are more likely:

These cases will be transferred to District Court (but our District Judge is already too busy to hear them).

Lawyers can be hired as "Special Judges" to hear these cases (but these matters take up nearly 1/2 of the judge's time - - 3.5 hours per day x 5 days per week x 52 weeks x \$75.00 per hour, at least, equals \$68,250.00 per year over current expenses.

A county court at law could (and most likely would) be created - - but the Denton county court at law judges make \$87,209.00 (almost \$5,000.00 more than Judge Russell and his entire three person staff!
