MUENSTER, COOKE COUNTY, TEXAS

NOVEMBER 29, 1963

NUMBER 1

Almost a week has passed since the incredible tragedy. People of America and the world are adjusting themselves to the fact that President Kennedy is dead. The soul searing incident in Dallas last Friday is not a terrible nightmare. It is a terrible reality.

Millions of times the questions have been asked: Why did it happen? How could it happen? We think of our president as a man chosen by us for the highest honor we can bestow on anyone. He is the symbol, the personification of our nation's greatness. As such he is due the same loyalty and respect that is due our nation. The thought of destroying him is as horrible as the thought of destroying our country.

Perhaps this very fact suggests an answer to the first question. President Kennedy was murdered because as the living symbol of our country he was passionately hated by one who hated our country. Lee Oswald must have realized, with fiendish correctness, that the terrible crime he planned would inflict the greatest harm and the greatest pain that he personally could have inflicted on the country he hated.

Facts revealed about his recent years leave little doubt about his attitude. He proudly identified himself as an ardent communist and pro Castroite. He renounced his country in defecting to Russia. When he returned here he indicated it was not his wish, and he tried to go back recently. Unknown to all of us, he was our enemy. Though an insignificant punk, he was our greatest and most dangerous enemy. He was small enough to proceed unnoticed with his wicked plans but big enough in his black hearted depravity to see his plans through.

Regardless of the propaganda poured out by Soviet big shots, communism along with Lee Oswald stands indicted before the world for Kennedy's assassination. Red hurried to point an accusing finger at rightists and segregationists, but Oswald himself set the record straight. By stating his communist membership he gave a grim meaning to the well known remark "We will bury you."

This is not claiming the murder resulted from an international plot. Big reds, despite their evil, world wrecking motives, are more shrewd and practical than that. Still, it is a product of their cruel and treacherous system which justifies any crime that serves their purpose. Oswald carried out his infamous act as a dedicated communist. Whether he did it alone, or whether more are involved, it was a communist act.

Normally we say that a group can not be judged by one of its members. Not so in this case. The way of communism has been shown too often by the murder of millions in Russia and China and satellite countries. Oswald's behavior is the rule, not the exception. Murder is a standard policy of the system.

Countless eulogies of the past several days have referred to President Kennedy as a martyr. The word was well chosen because it implies that his life was sacrificed for the American ideal, which in itself implies that his life was taken by a force or being hostile to the American way. From the frequency of the remark we must assume that the speakers are aware of the identity of the hostile force. Let us resolve that this martyrdom shall not have been in vain, that we will dedicate ourselves anew to our country's noble ideals, and put greater effort than ever before to the job of eliminating the red menace from our nation and the world. The President was an inspiring man in life. May his death inspire a greater alertness to the dangers of the red menace.

Regarding that other question, how could it happen?, a plausible answer was given Thursday by Commentator Paul Harvey. He notes that dictators take fewer risks because no one is trusted in their countries. Few would dare a violent act because they expect secret police and informers everywhere. But here it is different. Crowds are free and unworried. In that environment a potential

AN ASSASSIN'S BULLETS in Dallas last Friday killed President John F. Kennedy, wounded Texas Governor John Connally, and elevated Vice President Lyndon B. Johnson to the office of this nation's chief executive. Lee Oswald, a communist, was captured after he killed Policeman J. D. Tippitt and was charged with the murder of the President. On Sunday Oswald was murdered by Jack Ruby.

Jack Ruby, the assassin of President John F. Kennedy, was shot in the back of the head by a Dallas police officer on Sunday, November 24, 1963.

Memory of JFK Honored Here by Special Services

Hundreds of prayerful Muenster residents joined countless millions across the nation and throughout the world in mourning and in special memorial services for President John F. Kennedy on the day of his funeral. At Sacred Heart Church a requiem high mass was sung by the school children, Father Alcuin Kubis officiating, at 8 a.m. It was the second time that the Benedictine Sisters and some 570 children were in church praying for the late Chief Executive.

As soon as the tragic news was learned Friday the nuns and children went to church to pray the rosary led by Father Alcuin. That was the first of many rosaries recited. Monday, throughout the day until classes dismissed at 3:30, groups of children and nuns took turns in church reciting the rosary, the groups changing each half hour. Other parishioners joined in these services.

On official request of Mayor Earl Fisher all business ceased in the city from 11 a.m. to 2 p.m. which he designated as a period of prayer and meditation. Another requiem high mass was celebrated Tuesday morning in Sacred Heart Church as a final tribute to the local Fourth Degree Knights of Columbus.

A basketball game between Muenster High and Sacred Heart High Friday night was cancelled.

Honor Roll Listed At Muenster High

The honor roll at Muenster High School was listed as follows for the past six weeks by Principal George Petrus. A honor roll: Joe Hartman. B honor roll: Sandra Cain, Pat Fette, Doris Fisher, Janet Lutkenhaus, Donna Tuggle, Margaret Lawson, Joyce Rumley, Robert Fisher, Glenn Fleitman, Dale Klement, Carl Mosman, Jimmy Robison, Robert Russell, Linda Fisher, Wayne Klement, Doris Lutkenhaus.

Tigerettes Split With Lindsay Gals In Pair of Games

Sacred Heart Tigerettes, after two very successful seasons, made a bad start in this one. In their game with Lindsay last Thursday night it was very apparent that they are handicapped by a shortage of experience. Only two lettermen are back and the squad is made up mostly of freshmen and sophomores.

The Tigerette regulars lost 36-30 and the second stringers won 26-14 in the contest with Lindsay. The visitors pulled ahead for a 21-16 half time lead and Sacred Heart in a good third narrowed the Lindsay lead to 28-26. Then came another bad period in which the Tigerettes dropped back 36-30.

Top scorers for Sacred Heart were Laverne Otto and Rita Noggler with 14 and 9. Lindsay leaders were Karen Loerwald and Betty Haverkamp with 14 and 13. The B string contest was Sacred Heart's all the way. Future Tigerettes gained steadily for a half time count of 10-6 and the final score of 26-14. Their top scorers were Debbie Schilling and Mary Wimmer with 9 each and Mary Knabe with 8.

Maximum Speed On Rural Roads Is Still 60 MPH

"There has been some misunderstanding about the recent change in speed limits, on the rural highways by drivers of pick-up trucks, panel trucks and other light commercial vehicles," Major Guy Smith said today. Major Smith, Regional Commander of the Department of Public Safety in Dallas, pointed out that the new speed law, which went into effect August 23, 1963, did not change the maximum speed limits for these vehicles. The maximum speed limit for pick-up trucks, panel trucks and all other type of commercial vehicles is 60 mph during daytime and 55 mph during the night hours on rural highways and at no time are they permitted to drive faster.

The Major further pointed out that this speed limit applies to any vehicle including a passenger car that might be towing another vehicle or a trailer. This includes motorists that pull rental trailers, boat trailers, horse trailers or any other type of trailer.

Formal Opening Of Hess Furniture Set for Saturday

Mr. and Mrs. Al Hess announced this week that they will have the formal opening of their furniture store on Saturday, November 30.

This seems to be the best time for the event, Al Hess said Wednesday. Most of the merchandise ordered for it has arrived. Some items still are not here, but the opening cannot be postponed for them because other items will be sold out by then. So the owners have decided to show off their place now as well as circumstances will permit.

The opening is an all day affair at which Mr. and Mrs. Hess invite visitors to notice the quality of their stock and the lowness of their prices. All who come have the opportunity to register for three attendance prizes: a swivel rocker, a bedspread ensemble and a table lamp.

A group of University of Chicago scientists report that about 20 percent of a normal night's sleep is spent dreaming. The time is divided into five or six dreams, with the final one lasting as long as 45 minutes.

BIRTHS

Announcing arrival of a son, Joseph Bernard, are Mr. and Mrs. Barry Blevins of Cookeville, Texas. Their seven pound one ounce boy was born Nov. 20. He's a grandson for Mr. and Mrs. Joe Walter of Gainesville and a great-grandson for Mr. and Mrs. John Walter of Muenster. Others welcoming him are his sister Belinda and his brothers Tommy and Phillip.

Proudly announcing their first child, an eight pound six ounce boy, are Mr. and Mrs. Bobby Simmel of Pilot Point. The little lad was born Saturday, Nov. 23, 9:30 p.m. at Flow Hospital in Denton. Welcoming their first grandchild are Mr. and Mrs. James Eckart. Mr. and Mrs. Andrew Simmel of Pilot Point are the paternal grandparents. Mrs. John Walterscheid is great-grandma again.

NEWS OF THE SICK

Clive F. Gobble entered Veterans Hospital at McKinney Tuesday as a surgical patient. Mrs. Gobble went with him and saw him settled. She's been making daily visits since. Mr. Gobble will be a patient long enough to enjoy cards. Address them to him at the VA Hospital, Room 106, McKinney, Texas.

Leo Prescher of Valley View has been dismissed from Gainesville Hospital, Lindsay Street, after medical care.

Casper Haverkamp is recovering successfully from a foot ailment that put him in the hospital at Fort Worth. Since being dismissed he's with his son, Edward Haverkamp, and will enjoy hearing from friends. The address is 2719 Ave. J, Fort Worth, Texas, 76105.

Mrs. John Steele is back at her home after being dismissed from Gainesville Hospital Friday evening.

Claude Klement is a shut-in at the home of his parents, the Walter Klements, on account of a broken ankle, the result of falling from a load of hay. The break is in a cast and Claude will be "on vacation" from the fourth grade for about six weeks.

Notes on Building and Improvement

Newest of the new homes here is the one just started for Al Hess. It's a 3 bedroom brick house with two baths, double garage, central heating and cooling.

A little farther along is the future new home for W. H. Endres. It has two bedrooms, two baths, double garage, brick siding, central heating and cooling.

Arthur Hess is almost ready to move into his new place, a 3 bedroom house, two baths, central heating and cooling, double carport.

David Strittmatter at Lindsay is well advanced on his new home... three bedrooms, two baths, brick siding, attached garage, central heating and cooling.

Work has just started on an additional bathroom in the Mrs. Arnold Hess home.

Norbert Klement, Frank Bayer and J. M. Weinzapfel have new interior paint jobs on their homes and Richard Wilde has a new exterior paint job.

Richard Grewing is building a 12x24 office on his equipment lot. An old poultry house on the Gary Hess place has been cut and converted into two machine sheds. A 40x50 section at Gary's, a 40x60 section on the Hess Drilling Company lot near Arthur's.

Lawrence Martin is building a double garage. Improvements on the Alfons Koesler house included an additional room for a kitchen, inside remodeling and sheet rock and insulated siding.

A general face lifting job favors the building occupied by Hess Furniture... a new front of brick and asbestos siding, exterior paint, general repair and repaint inside.

Hospital Preview And Dedication Scheduled Dec. 8

With only a little more than a week to go, the indication is that Muenster's new hospital can have its dedication on December 8.

However that date is not being considered for a formal opening. Though work is well advanced it is not far enough along for an adequate showing of the building and its facilities. Rather it will serve as a sort of preview. The building will be open and all are invited to see what can be seen at the time.

December 8 was favored as the dedication date because it is generally regarded as the community's birthday. On that day in 1889 Muenster's original settlers had their first public gathering, the attendance at mass on the feast of Immaculate Conception. They decided to regard that day as Muenster's birthday.

At this time many installations are still required and the principal job is cleaning up after completion of the other work. The goal of all concerned is to get enough done before the dedication to give visitors a fairly complete idea of what the hospital will be like.

Actual opening, the day of accepting the first patient will probably be early in January. The formal opening will be shortly before then.

Outside as well as inside the work moves forward. Paving has just been finished. And Garden Club ladies expect to have some of their shrubs planted for the ceremony on December 8.

Tigers Win 55-52 Over Alvord High. Girls Lose 46-16

Coach Adam Wolf's Sacred Heart Tigers gave promise of a nice basketball season by winning a thrilling 55-52 game at Alvord Tuesday night.

With a good crowd of lettermen back on the job and lots of apparent improvement the Tigers looked good as they came from behind and nudged their hosts for the three point win. It was a hot contest all the way. The Bulldogs led 8-6 at the first period and were comfortably ahead 23-17 at intermission. The third period was the big one for Sacred Heart. Outsourcing their hosts by nine points they turned the former deficit into a 39-38 lead. Last period Alvord tried desperately to overcome that lead but the Tigers were equally determined. The clubs broke even and Sacred Heart still led by three points.

Hot shots for the Tigers were Virgil Hess 21, and Tommy Fuhrman 15. The girls game, first on the double header event, was a different story, however. The Tigerettes' only satisfaction was in taking an early lead, which did not last long. Ending the first period they trailed 7-6. After that Alvord gals kept gaining and scores ending the other quarters were 21-10, 30-15 and 46-16.

Top scorers for Sacred Heart were Laverne Otto 5, and Kathy Derichsweller 4.

Doctors Organize Medical Staff at Muenster Hospital

The first gathering of doctors who plan to practice in Muenster Memorial Hospital was held here last Thursday night. Along with Sisters Mildred and Romaine and directors of the Hospital Authority, they had supper and the meeting at Rohmer's Restaurant.

To some extent the event was a get acquainted party. It was the first opportunity for most doctors and directors to meet Sister Romaine, who will be supervisor of nurses. Also the first meeting of some doctors with Sister Mildred and the directors.

In their organizational meeting the doctors elected Dr. L. O. Laughlin as their chief of staff, Dr. James Cole as vice-chief and Dr. Kenneth Dobbs as secretary-treasurer. Dr. Laughlin then appointed a credentials committee composed of Doctors Cole, Dobbs and Finley to prepare a report on each staff applicant for directors of the hospital.

Actually the staff still is not officially formed. Each admission is subject to approval of the board of directors. Thirteen medical men have applied for membership. Doctors at the meeting also reviewed hospital by-laws which had been previously adopted by the directors.

Muenster Donates 5000 Pounds of Clothes to Needy

Muenster's 1963 Thanksgiving Clothing Drive has come to a successful close with about 5000 pounds of clothes, bedding and shoes crated ready for shipment to the National Catholic Welfare Council in San Francisco. From the west coast it will be routed overseas.

The bishop's annual clothing drive for the Holy Father's storeroom was conducted here as a quickie campaign during three days. This method has been successful during recent years. The drive annually is sponsored by the parish St. Anne's Society with the assistance of other women of the community. Mrs. Alphonse Hoening, general chairman, expresses grateful appreciation to all who helped in any way to make the drive successful.

News of the Men in Service

Arthur O. Moody, 17, son of Mr. and Mrs. Ogden W. Moody, 408 Sycamore, Muenster, enlisted in the U. S. Army on 22 November, so informed S-Sgt. Aston, local Army recruiter. Pvt. Moody is now at Ft. Polk, La., undergoing the initial phases of basic training. Upon completion of basic, he will receive advanced instructions in the automotive field of the Artillery. Moody attended school in Throckmorton, before moving to Muenster.

Pfc. Don Wilson who was in Exercise Big Lift to Germany is on leave due to the death of his mother, Mrs. Nig Wilson. He was home on weekend passes during her illness. He is based at Fort Hood.

Long Illness of Mrs. W. B. Wilson Ended by Death

Mrs. W. B. (Nig) Wilson, 49, died at 8:30 p.m. Tuesday in Gainesville Hospital after an extended period of ill health. She was in the hospital since last week Thursday.

Funeral services will be held at 2 p.m. Friday in the George J. Carroll & Son Chapel and burial will be in Fairview Cemetery. Dr. Earl J. Patton and the Rev. O. B. Hutson, both of Gainesville, will officiate.

Mrs. Wilson was the former Miss Lucille Burks, born May 14, 1914, in Love County, Okla. She married Mr. Wilson Oct. 22, 1932 at Marietta. They were residents of Marysville community, Rt. 1, Muenster most of the time since.

Surviving are her husband; two sons, Pfc. Don Wilson of Fort Hood and Dan Wilson of the home and one daughter, Linda Wilson of the home. Also her mother, Mrs. Hattie Burks of Myra; three sisters, Mrs. T. J. Richardson of Gainesville, Mrs. J. C. Solley of Newark, Calif., and Mrs. E. O. Farris of Bell Chase, La.; and five brothers, Marl F. Burks of Cape Girardeau, Mo., M. T. Burks of Denison, J. D. Burks of Milpitas, Calif., L. D. Burks of Bakersfield, Calif., and W. H. Burks of Hayward, Calif.

City Yule Lights Start Next Week

Christmas lights across Muenster streets will probably be burning at the end of next week, City Manager Steve Moser said. The present plan is to start installing the lights early next week provided the TP&L line crew is available to help at that time. Otherwise there may be a slight delay.

Lighting this year will be the same as it was last year. There will be about 770 lights of five colors suspended on 22 strings across Main Street and the highway. Also, they will again be turned on and off automatically by a time clock.

St. Mary's Parish To Host Deanery Meeting of NCCM

The Sherman Deanery Council of Catholic Men is sponsoring a series of conferences in St. Mary's School at Gainesville Sunday and invites all who will come to attend one or more of the workshops. The program will start at 2 and conclude at 4 p.m. Men and their wives are urged to participate.

There will be four seminars with a panel of experts to preside over each conference. The conferences are: The Christian Family. Discussed here will be the purpose of the Christian family and Dr. John Rock's Theory of Family Limitation. Medical experts will discuss this and questions from the audience will be invited. There will be two workshops on the Christian Family.

Medical Care for the Aged through Social Security. There will be arguments for and against it. No debate. Only an attempt to present facts and let participants make up their own minds. The Problems and Hopes of Ecumenism. This subject creates not only a new hope but also ushers in new problems which will be discussed in this seminar.

KCs Honor 68 at Memorial Service

Sixty eight deceased members of the Muenster Knights of Columbus were remembered in the council's annual memorial service last Sunday at 3 o'clock in the KC Hall. Four of the names on the council's memorial roll have been added since last year's service. They are W. T. Richter, Andy Hofbauer, Charles Taylor and Tony Yosten.

THE POLITICAL YARDSTICK

There's a story about a banker and an Indian. The Indian wanted to borrow a thousand dollars. The banker asked, "How many ponies do you have?"
 The Indian said, "Fifty."
 The banker said, "I'll take them for security and let you have the money."
 The Indian sold his ranch, paid off the loan and had a lot of money left. The banker said, "You should put your money in the bank where it will be safe."
 The Indian said, "How many ponies you got?"
 This reminds me of the fable about the smart politician who was elected to a

very important political position.
 He never said a word to stop the workers in the factories when they forced their employers to raise wages, but when the factories started to raise prices to make up for the increased labor cost, he said that it was not in the public interest and he forced them to back up.
 A representative of the employers asked the bigshot of office holder how come? It was all right for the workers to raise their rates but against the public interest for the employers to raise prices to keep even on the profit side.
 The politician said, "The workers have twenty million votes. How many votes do you have?"

WHY WE CELEBRATE THANKSGIVING

Any schoolboy can tell you that the Thanksgiving celebration is derived from the first feast of thanks of the grateful Pilgrims.

Yet very rarely are we reminded of why the feast was held, the hunger the Pilgrims endured, or what caused their fortunes to change. And that story was really the discovery that we often refer to as Americanism. It's a story that warrants frequent retelling.

As we know, the Pilgrims landed on Plymouth Rock in December, 1620 — after fleeing religious and economic persecution in England.

According to Bradford's History "of Plimouth Plantation," taken from Governor Bradford's own log, the first thing they did was "to erecte ye first house for commune use to receive them and their goods." It was natural in those days to have a common house, in which all food and other production would be stored. All property belonged to the people "in common." In other words, the Pilgrims were practicing the nearest thing in history to pure communism — "from each according to his ability, to each according to his need."

But within three months, half of the 100-odd Pilgrims had already perished. Even half of the strong Mayflower crew members died before the ship could return to England the following April.

After two horrible years of starvation and misery, the Governor summoned the leaders of the colony to a meeting. After much deliberation, they decided to try something that appeared heartless on the surface. Henceforth, instead of each man being responsible for his neighbors' well-being, they gave each family its own parcel of land. Private property came to Plymouth Colony — and the results were extraordinary.

Bradford states: "This had very good success; for it made all hands very industrious, so as much more corne was planted then other wise would have bene by any meanse ye Govr or any other could use. The women now wente willingly into ye feild, and tooke their little-ones with them to set corne, which before would aledg weakness, and inability; whom to have compelled would have bene thought great tiranie and oppression."

Whereas each had resented working for others, now every individual had the greatest incentive to produce. The private enterprise system had been born, and it accomplished miracles — as it always has and always will. No wonder the Pilgrims were so thankful that first Thanksgiving day. They had discovered the secret that man had sought for ages. And, as Governor Bradford told it, "any general wante or famine hath not been amongst them since to this day."

This Thanksgiving, let us pray that God's mercy will give us an undeserved second chance. Let us discover the secret of plenty that comes from self-reliance and individual responsibility. Let us reconstruct the great system of private enterprise that we have allowed to slip away.
 And let us do it before it is too late.

BAD EXAMPLE

Herbert Hoover set a bad example years ago when he gave his salary to the government. Ever since, they've been wanting all of us to do like-wise.
 —Hailey, Idaho Times
 Some people work like a horse — only when the boss is riding them.

WHAT WILL BE LEFT?

There is one apparently popular myth that should be exploded once and for all. It is the belief that the enormous increase in federal spending in late years, and the enormous increase in the public debt that has resulted, are generally attributable to the needs of defense.

Listen to what Senator Byrd says: "In the 10 years since the end of the Korean War, we have had seven deficits; the federal debt has gone up nearly \$40 billion, and the annual cost of the Federal Government has been increased by approximately \$20 billion, or more than 25 per cent. Of the \$20 billion increase, \$17 billion has been for strictly domestic-civilian programs, projects and purposes, and interest."

And a very substantial number of these programs, with all their concurrent costs, have been of a Welfare State variety, based on the philosophy that the government should do just about everything for just about everybody.

What will the end be, if this philosophy continues to rule? Here is Senator Storm Thurmond's grim view: "If our government continues in the direction it is headed, we had all better enjoy our freedoms of today and all the extra spending possible, because there may not be much of either left over for the future, for us or our children."

IT MAKES SENSE

The states of Wyoming, Texas, Nevada, Louisiana, Georgia, and South Carolina have formally approved the Liberty Amendment.

It provides: "Congress shall not levy taxes on personal incomes, estates and/or gifts." This may seem unreasonable at first glance. Where would our government get the necessary funds to operate? This amendment has the answer to this also in Section One of the bill. "The Government of the United States shall not engage in any business, professional, commercial, financial, or industrial enterprise except as specified in the Constitution."

If this should come about, the states would again gain control of their governments and have jurisdiction over lands and materials within their borders. Private taxpaying management would take over the businesses now being run by the federal government.

The more we hear and read, the more sense the Liberty Amendment makes and the more we appreciate our Texas solons for endorsing the Bill.
 —Beeville, Tex. Bee-Picayune

If Communism is as wonderful as they claim it is, it seems that they would take down their iron curtain and put in some picture windows.

Telephone directories of 2,800 areas in the U.S. consume 130,000 tons of newsprint a year, including the 1,783-page Manhattan book and the 2,360-page Los Angeles Yellow Pages. Sounds like a lot? Consider this: a few of the larger metropolitan daily newspapers use more than 200,000 tons a year.

From National Review: "A British firm sells 47 radar predictors to the Pentagon for \$2,145, 739.60. They are declared surplus. The British firm kindly takes them off our hands (still uncrated) — for \$114,500. British firm turns around and sells them to Portugal for \$439,500. Portugal gets the money to pay for them from the United States. Scoreboard: Portugal has 47 radar predictors; British firm is \$2,524,739.60 richer; U. S. is \$2,524,739.60 poorer, plus shipping charges which the U. S. paid."

73 Attend NCCW Deanery Meeting At Valley View

Seventy-three women of the Sherman Deanery NCCW gathered at Valley View for the quarterly meeting on Nov. 21, with members of St. John's Parish as hostesses.

Program topics related to Advent and Christmas. Mrs. Lawrence Zimmerer of Lindsay presented a demonstration and explanation of the Advent Wreath. It was done in play-let form. Three members from Denton sang "O Come Em-

manuel." Mrs. Otis Moore of Denton spoke on "The Twelve Days of Christmas."

Added program interest was supplied by Mrs. J. M. Weinzapfel who mentioned some of the highlights of her European trip. Mrs. Joe Krahl of Gainesville and Mrs. Will Bierschenk of Valley View told about workshops they attended at the diocesan convention in Wichita Falls.

Father James Gillespie of Pilot Point urged the women to attend one or more of the conferences to be given in St. Mary's School at Gainesville

next Sunday, Dec. 1, from 2 to 4 p.m.

The afternoon began with Benediction of the Blessed Sacrament in St. John's Church at 1:30. Meeting was held in the Community Building.

The Very Rev. John Duesman of Sherman, deanery moderator, opened with prayer and Mrs. Alvin Rauschuber of the host parish extended welcome. Father Anthony Gajda, host pastor, introduced visiting clergy. In addition to Father Duesman and Father Gillespie those present were Fathers Martin Fischer of Muenster, John Walbe of Lindsay, Joseph Thomas of Denton, and James Boyle of McKinney.

Mrs. T. L. Anderson of Gainesville gave the deanery president's message. Parish presidents' reports were handed in instead of being read due to the length of the meeting.

After adjournment the hostesses served coffee and cookies.

Attending from Muenster were Meses Paul Fisher, H. J. Fuhrman, Frank Bayer, J. M. Weinzapfel, Adolph Walterscheid, Steve Moser, Herbert McDaniel and Ted Gremminger.

The traveling Madonna was won by Valley View for having the most members present on a percentage basis of membership. Registrations, including the parish pastor, showed the following: Denton four, Denton 12, Gainesville 18, Lindsay five, McKinney three, Muenster nine, Pilot Point eight, Sherman five, Valley View 11.

Betty Landsfeld Stanley Krenek To Marry Dec. 5

Announcement has been made of the approaching marriage of Miss Betty Landsfeld and Stanley Krenek of Fort Worth. The young couple has set the date for Thursday, Dec. 5.

Miss Landsfeld is the daughter of Mrs. Wesley Landsfeld and the late Mr. Landsfeld of Muenster. She is a graduate of Sacred Heart High School and is in beauty college in Fort Worth.

The future groom's parents are Mr. and Mrs. Stanley Krenek of Fort Worth.

The wedding will be solemnized in St. Thomas Church at Fort Worth during nuptial mass at 7 p.m. The reception will follow in nearby Sokol Hall. Miss Ann Landsfeld will be her sister's maid of honor.

Mr. Krenek who has been attending the University of Texas and needs one semester to get his electrical engineer degree has orders to report for induction in the army on Dec. 12.

29 at Dinner in Vic Hartman Home

Twenty-nine came to dinner Sunday in the Victor Hartman home while Mr. and Mrs. Willard Hartman and daughter Madonna of Fort Smith, Ark., were weekending with his parents. Her parents were Sunday guests, Mr. and Mrs. Ed Kosel coming from Rosebud.

Other dinner guests were Mr. and Mrs. Ray Kosel and children of Fort Worth, Mr. and Mrs. Teddy Gremminger and children of Garland, Mr. and Mrs. Gene Hartman and daughter of Denton, Mr. and Mrs. Walter Wolf and children of Gainesville, Patsy Hartman and Johnny Yosten.

Joining them for afternoon visiting were the Alvin Hartmans and children and the Harvey Schmitts. Six-year-old Deanna Wolf accompanied the Willard Hartmans back to Arkansas for a visit.

Any time the going seems easier, better check to see if you're not going downhill.

Brothers Share Birthday Honors

Brothers had a joint celebration for their birthdays Sunday at the home of their parents, the Melvin Schumachers at Gainesville.

Ronnie and Dennis Schumacher were dinner honorees and their grandparents, the Ted Gremmingers were special guests. A decorated cake and gifts added a festive touch to the family party.

Ronnie was three Sunday, Dennis was four Monday. Both were Thanksgiving babies. Dennis was born on Thanksgiving Day in 1950 and Ronnie on Thanksgiving Day 1960.

Interested Group At Cooking Class

An interested group of some 30 women and girls enjoyed a program on Christmas cooking and care of the electric range presented Monday night in Muenster High home-making room.

Mrs. Tulu Hickerson, home service adviser for Texas Power & Light Co., who presented the program, baked a turkey, cranberry bread, and cheese tree cookies, demonstrated chocolate bon bons and spiced nuts. These foods were served to the assemblage. She also demonstrated the use of an electric knife, those present using it to slice a piece of turkey for themselves.

The food was displayed on a holiday decked table covered with a Christmas cloth and centered with a white net tree. Several recipes were distributed.

Too many women would rather mend their husbands' ways than their socks.

UNIQUE, NEW CEILINGS FROM Armstrong

These unique, new Armstrong Ceilings feature delicate decorative effects created by dimensional plastic designs. They're something different in modern ceilings. An exclusive new process puts delicate raised white-on-white plastic designs right on the ceiling surface. And these attractive ceilings are unusually washable, too. They don't crack, chip, or peel, either! Something else: it's easy to install an Armstrong Cushiontone® Ceiling yourself.

Available in two genuine acoustical Cushiontone designs, Berkshire and Fairfax. This decorative finish is also available in two nonacoustical Bermuda Temlok® Ceilings accented with subtle color chips and metallic flecks.

Over Hundred at Home-School Meet Cheer Tots' Acts

Over 100 members of the Sacred Heart Home-School Society attended the November meeting of the organization Tuesday night in the grade school auditorium.

A program by Sister Genevieve's first graders preceded the business session and the youngsters charmed the audience with their dance, songs and recitations appearing in appropriate costumes for their acts.

New drapes on the stage were admired. These were made by Mrs. Leonard Yosten, the school furnishing the material, and were hung by Messrs. and Mmes. Dan Luke, Leonard Yosten and Joe Galoway.

Clyde Fisher, president, presided for business. The membership committee assumed new duties — that of program planning. Members are Mrs. Gary Hess, Mrs. Frank Schilling and Mrs. Arnold Rohmer and Paul Sicking and Clyde Fisher.

Sister Canisia agreed to tend to details connected with the annual visit of St. Nicholas at school on Dec. 6. Another committee headed by Mrs. Clyde Fisher and Mrs. Arnold Rohmer is in charge of Christmas gifts for the nuns and pastors.

that the first and second graders will present a Christmas program for the public on Dec. 17 and that they are hoping for a big attendance.

Father Bruno Fuhrmann and Father Alcuin-Kubis were present and directed a few well chosen words to the assemblage. Father Bruno pointed up the importance of teaching children respect for persons and property. Father Alcuin pointed up the need for parent-teacher cooperation.

The group voted a mass for President Kennedy and the Kennedy family.

The children who performed had refreshments of candy and soda pop with entertainment in one of the classrooms during the meeting. Coffee and cookies were served to adults after adjournment. Hostesses were Mmes. Billy Joe Miller, Robert Bayer, Albert Hess, Henry Pels Jr., Ray Sicking, Leo Hesse and Norbert Koesler.

Blue Birds

Third Grade Blue Birds, meeting Friday, made table centerpieces for their home decorations on Thanksgiving and Christmas. They fashioned arrangements from acorns, shell macaroni, candles and pie plates and sprayed them gold. Helping with the project were Mrs. Richard Swirczynski, leader, Mrs. Ed Schneider, assistant leader, and Miss Margaret Ann Lawson, junior assistant. Nancy Fuhrmann was refreshment hostess. Her mother, Mrs. Val Fuhrmann, assisted in serving punch and cookies.

Second Grade Blue Birds met Friday, all ten members present and making surprise Christmas gifts for their mothers. Rose Sicking was refreshment hostess, assisted in serving by her mother, Mrs. Joe Sicking. Leaders helping with the crafts were Mrs. Martin Becker and Mrs. Robert Bayer, and Elizabeth Knabe, junior assistant.

Mrs. J. C. Trachta, Mrs. John Wieler and Mrs. Ray Swirczynski were Dallas shoppers Tuesday.

Local News BRIEFS

Mr. and Mrs. Frank Haynes Jr. and children Marie, Kenneth and David of Eules were Sunday visitors with her parents, the M. F. Milners.

Mrs. Jerry Hoening and children Wilma and Billy took a several days' vacation visiting relatives in Dallas, San Antonio and other points. While they were away daughters Pamela, 1, and Donna, two years old, stayed with the Herb McDaniels.

When Edd McGannon was in Jonesboro, Ark., Thursday to Monday, to visit his daughter, Novice Jeanette at Holy Angels Convent, he also enjoyed visits with former Muenster pastor, Father Louis

Deuster who showed him around town. He also exchanged greetings with former local nuns and with Miss Margaret Simons. All sent regards back home.

Three sisters visiting together this week in Gainesville drove over to Muenster Tuesday afternoon to visit Mr. and Mrs. Joe Linn. They are Mrs. J. A. Sanders of Fort Worth, Mrs. John Miser of Sand Springs and Mrs. M. A. Slaughter of Gainesville. Mrs. Sanders reported having a new great-grandchild, her sixth, the daughter of Mr. and Mrs. Doug Holcomb of Fort Worth, a sister for Randy and Debbie and a grandchild for the Walter D. Cookes of Fort Worth.

Miss Gloria Haverkamp enjoyed a Sunday visit in Denison with the Raymond Hesse family. She made the trip with her grandparents, Mr. and Mrs. J. J. Haverkamp, and got acquainted with the new baby in the family, infant Lloyd Hesse.

Birthday of Mrs. Frank Evans was observed Friday when her sisters-in-law got together at her home for a visit. They took gifts and a decorated cake. Making up the party were Mmes. Ray, Albert, Arnie and Archie Hess, joined by Mrs. Henry Hess of Lindsay.

Gathering at the J. A. Klement home for a Sunday visit were Mr. and Mrs. Jerry Klement of Denton, Mr. and Mrs. Dick Schleicher and children Cliff and Susan of Fort Worth and Mr. and Mrs. Harold Bindel.

Holiday visitors with Mr. and Mrs. Lee Toothaker are his niece and nephew, Mrs. Alice Webster of Oldsburg, Kansas, and Ralph Tibbets of Topeka. They arrived Monday for her first visit in Muenster, will be here through this week. Tuesday the Toothakers took their guests to Fort Worth to visit their son and family, Wallis Lee Toothaker and the hosts entertained with a barbecue venison dinner for them. Wallis Lee had just returned from a successful deer hunt. Mrs. Lee Toothaker also visited by phone with former Muensterite, Mrs. Byron Sears. She's recovering from a recent illness that required hospital care but is back at her home now.

Street-Bridge Level on Sixth Raised Four Feet

The city's new bridge on West Sixth Street is finished and awaits work on the two approaches before it is ready for use. That job calls for about four feet of dirt fill and finally a top of gravel.

Two purposes were served in putting in the new bridge. First was to assure an open street in wet weather, also a wider space for traffic. The other was making the replacement that was due anyway.

Heretofore, since the lake just south was completed, every heavy rain put the bridge and road under water. Now, according to estimates of Soil Conservation Service personnel the water will seldom get over the road. Extra heavy rains, however, the kind that raise lake water near or over the spillway level, will cover the road and bridge.

The old road level was about two feet above the permanent pool's water level. The new one will be six feet above.

10th Birthday

J. D. Rumley was the honoree at a party on Nov. 16 at his home to celebrate his birthday. It was his tenth. His sister, Joyce Rumley and Diane Amoroso served birthday cake and other refresh-

ments to 11 guests. Gifts and games were other party highlights. Present were Mike Carlson, Ricky, Kenny, Chris and Gary Walterscheid, Charlie Haverkamp, John Monday, Ricky Tuggle, Ricky Steadham, Inga Kieninger and Alice Haverkamp.

Aerospace products — planes and missiles — cost about \$10 a pound in World War II, a period of very high production, says the Aerospace Industries Association of America. In the 1950's cost went to \$100 a pound. Today it's rocketed to \$1,000 a pound.

Charles Fleitman Celebrates Ninth
 Nine classmates helped Charles Fleitman celebrate his ninth birthday Sunday at the home of his parents, the Ben Fleitmans. His sisters, Helen, Christine and Pauline helped with party plans and served birthday cake, ice cream and Cokes.

Party favors were dart guns, balloons and candy.

Present were Hank Trachta, Stephen Taylor, Curtis Klement, Larry Bayer, Richard Fisher, Roy Klement, Lonnie Hellman, Mark Schmitt and Ronald Flusche.

Birthday Surprise For Cynthia Bindel
 Thirteenth birthday of Cynthia Bindel was celebrated at her home with a surprise party Sunday afternoon for which her mother, Mrs. Wilfred Bindel was hostess.

Cynthia was a dinner guest of Joan Fetch and when they arrived at the Bindel home about 2 p.m. the group of 20 classmates was there to greet the honoree who became a teenager on Saturday.

Games and record playing entertained the girls and Mrs. Bindel served refreshments including a decorated birthday cake. A shower of gifts was on display.

Birthday Surprises
 Surprises greeted Mrs. John Schmitz twice this week in observance of her birthday which was Tuesday. Monday night her niece and nephew, the Nick Blocks and daughter Carolyn came from Lindsay with a handsome cake. Tuesday night the Bill Lutkenhauses, the Tom Sickinges and the Joe J. Wimmers came for the evening. They brought a decorated cake, ice cream and other refreshments.

A mighty mite among monsters, quarterback Eddie LeBaron of the Dallas Cowboys (left) takes time out for an instant non-fat milk toast with rookie linebacker Harold Hays before a National Football League exhibition win over the Los Angeles Rams.

A pro football phenomenon is Eddie LeBaron of the Dallas Cowboys.

At 5'7" he can hardly see over the shoulder pads of many of his teammates. He is faced with half a ton of charging enemy linemen practically every time he gets the ball. Yet, he is entering his 11th season of professional football as one of the brightest stars in a big man's game.

Last season, LeBaron was the number-three passer in the National Football League, behind Bart Starr of the champion Green Bay Packers and Y. A. Tittle of the runner-up New York Giants.

While a maximum degree of physical fitness is important to all athletes, it's a matter of survival to diminutive Eddie. Pro football players need a diet high in protein in order to keep fit and "up" throughout a game. Because it provides all of milk's proteins and other nutrients without fat, Carnation Instant Nonfat Milk is becoming a popular high-energy fuel among athletes large and small.

WOULD YOU TRUST A MAIL ORDER DIAGNOSIS?

Of course you wouldn't. You realize how important it is to know your doctor and discuss your health problems with him face-to-face. It is equally important to know your pharmacist—to meet him face-to-face, as you do at this Pharmacy, and talk to him about dosage directions and other pertinent information. His personal interest in you cannot be duplicated by mail order "prescription factories."

Kiddie Care Told Four-H Club Girls

Sacred Heart Junior and Intermediate 4-H Club girls had a lesson on "Kiddie Care" at their November meetings. Mrs. Evelyn Yeatts gave the same program at each of the separate meetings.

She showed a "pleasure bag" to help keep youngsters entertained and gave helpful hints in connection with baby sitting. She handed out leaflets on the subject.

Elaine Otto, president of the junior club, presided for the meeting of her group and Darlene Walterscheid counted 58 members present. Recreational leaders Monica Yosten and Connie Endres led a game until the meeting adjourned.

Imogene Vogel was presiding officer for the Intermediate group. Kathy Medders gave a report on the leaders training meeting and Janice Wilde and Doris Schilling reported on the 4-H Achievement banquet. Rita Fette and Janet Klement led songs for recreation. Diane Hess, reporter, counted 33 members present.

Tots and Parents At Party in Dallas

Five children and their parents from Muenster were among the several hundred guests Sunday at the annual diocesan party for the youngsters and their adoptive parents.

The local group enjoyed seeing others they see every year at the get-together including three sets of parents and their five children from Gainesville. Attending from Muenster were Mr. and Mrs. Martin Klement and Karl, Karlyn and Kellye Kim; Mr. and Mrs. Alvin Fuhrman and Kent and Mr. and Mrs. Steve Mosler and Frank.

Those from Gainesville were Mr. and Mrs. Bill Graham and twin sons Kyle and Kirk, the William Pultes and daughter and Mr. and Mrs. Doc Kasperic and Johnny and Doris. The group gathered first in St. Cecilia's Church for Benediction then went to the school for a program that delighted the grownups almost as much as it did the kiddies.

Officer Friendly and his puppet Jimmy Duck were present in person to play games with the children and sing songs. A champion spin top thrower gave a demonstration and each child got a Duncan Spin Top as a gift.

Afterwards Santa Claus appeared, spoke to each of the little ones, and handed out Christmas stockings filled with toys and goodies.

Very Rev. Msgr. C. L. Mulholland was host. Bishop Gorman was not present. He's in Rome at the Second Vatican Council. Rt. Rev. Msgr. William Robinson of the host parish attended. It was mentioned that some 60 children have been placed with adoptive parents during the past year and the number is more than 500 since the program began in 1950.

Even though women often wear tennis outfits when they can't play, and ski suits when they can't ski, they sure mean business when they put on a wedding dress.

The four major flyways followed by ducks as they migrate from Canadian nesting grounds to southern winter homes are (right to left) the Atlantic, Mississippi, Central, and Pacific flyways.

More ducks and more liberal regulations are in store for the nation's duck hunters this season.

According to the Fish and Wildlife Service of the Department of the Interior, longer seasons or increased bag limits in all flyways are a direct result of an increase in waterfowl production during the summer.

A restricted season last year plus improved water conditions in the important northern nesting grounds in Canada led to the increase in duck population.

Claiming the title of duck hunting capital of the world is Stuttgart, Arkansas, in the heart of the lower Mississippi flyway (white dot in the map above). It is the focal point for hunters throughout the country each November and December.

A three-day trip for two to Stuttgart during the peak of the season and two Remington automatic shotguns are the first prize in a sweepstakes contest being conducted by Friskies Pet Foods. Twenty of the new Remington shotguns will be awarded to other winners, and all entries will be given free a Friskies dog feeding bowl. Entry blanks are in supermarkets and grocery stores.

4-H'ers Find It Pays to Keep Electrical Equipment Tip-Top

Just as electricity revolutionized American industry before the turn of the century, it has within the past two decades revolutionized communication, recreation and housekeeping. Millions enjoy more leisure hours, better health and safety.

Meanwhile young and old have had to learn to use the hundreds of new electrical items. Knowing how to maintain and repair lamps, motors, appliances and power tools—to name a few—is a distinct advantage and money-saver. Families realize that electricity actually is a silent servant, and if properly treated will give dependable service 24 hours every day of the year.

Learn About Electricity

Keeping pace with the growing use of electrical power and equipment are the nation's 4-H Club members. The national 4-H electric program was launched about the same time hundreds of new electrical items reached the market for farm and home use.

Now in its 28th year, the program covers up-to-date projects spelled out in an expanding series of why-and-how-to-do-it guide sheets. Subjects range from basic cord repair to complicated wiring systems and electronic devices.

According to 4-H boys and girls completing electric projects, what they learned and applied resulted in more utility, comfort and enjoyment in the home. Dollar savings or increased values also were reported.

Said a recent national 4-H scholarship winner: "From the

time I was a little boy, I watched my father wire light sockets, put in receptacles and repair appliances. I wanted to know what electricity was; why it could only be seen in light bulbs; why it could shock a person, and answers to countless other questions about this mysterious servant."

Electric Medal

Apparently the young man found many of the answers in tackling some 1,300 different electrical jobs during his 4-H membership.

Offer \$500 Scholarships

Sponsor of the 4-H electric program since its inception is the Westinghouse Educational Foundation. Besides helping to develop the wealth of educational material made available to electric club members and leaders, Westinghouse annually provides funds for county medal awards, trips to the National 4-H Club Congress in Chicago for 50 state winners and six \$500 college scholarships, an increase of \$100 each over last year.

Current enrollment in all 50 states is around 160,000, according to the Cooperative Extension Service.

The first attempt to carry U. S. mail by air took place in August, 1859. A pouch containing 123 letters was placed aboard a balloon at Lafayette,

Ind., for carriage to New York. Unfortunately, the balloon was forced down near Crawfordsville, Ind., and the mail had to be forwarded by train.

Local News BRIEFS

Visiting in Muenster the past week were Mr. and Mrs. Al Alford of Orange, Calif. They were guests of her brother and family, the Lynton Courseys. The Alford left to spend Thanksgiving in Louisiana with his relatives and will be back for another visit here before returning to California.

Miss Shirley Walterscheid of Fort Worth came home Sunday to spend the day with her parents, the Harold Waltersheids. She brought personal greetings to her dad on his birthday.

Changing their Muenster address from Route 2 to city are Mr. and Mrs. Ervin R. Walterscheid and children, Joey, Damian, Ruthie and Timothy who have moved from north of town to occupy the house on N. Pecan St. recently vacated by the Roy Endres Jr. family.

Mr. and Mrs. Bobby Howell and daughters Rebecca and Stephanie of Fort Worth weekended with her mother, Mrs. Tony Gremminger and her sister and family, the Maurice Pagels.

Sunday visitors with the Ray Wildes were her sister, Mrs. Rosalie Cox and niece Mary Beth Schmitz, both of Dallas.

Miss Janie Endres was at home for a weekend visit with her parents, Mr. and Mrs. Arthur Endres. She returned to Fort Worth Monday afternoon.

Miss Jeanette Klement of Fort Worth came home Friday

for a visit with her family, the Walter Klements.

Andy Yosten of Fort Worth spent the weekend with his Muenster relatives.

Mrs. Gordon Lins and baby son left Saturday to return to Kansas City after a week's visit with her parents, the Edd McGannons. Seeing them off at Love Field on a plane were Mrs. McGannon, Mrs. Gene Schmitz and son Jerry. Mrs. Lins and little Karl were here while her husband was on a business trip to Miami, Florida.

Edd McGannon has returned from a visit in Jonesboro, Ark., with his daughter, Novice Jeanette, at Holy Angels Convent.

Arriving Saturday for a visit with the Gehrigs was their uncle John Gergen of Idaho. It's his annual visit through the winter months with his nephew and nieces.

Children and grandchildren have been cheering Mrs. Joe Smiddy with visits since she entered Gainesville Hospital for medical care. Her sons, C. B. Smiddy of Kansas City and Robert L. Smiddy of Decatur, Ga., have come and gone. S. D. Smiddy of Williamsburg, Ky., is staying for a longer visit. Coming during the weekend were Joe Smiddy Jr. of Wise, Va., and three of Mrs. Smiddy's grandsons Jim Smiddy of Cleveland, Tenn., and Jack and Charles Smiddy of Knoxville, Tenn. They are all guests of their sister and aunt, Mrs. Ernest Medders and family.

Christened Sunday was the infant son of Mr. and Mrs. Raymond Hesse of Denison. His name is Lloyd. Godparents are his uncle and aunt, Mr. and Mrs. Willard Zimmerman of Dallas who were there with their children Allen, Karen and Brenda. Other dinner guests were the baby's grandparents, Mr. and Mrs. J. J. Haverkamp and Darrell and Donna Hesse. The two youngsters had spent a week with their grandparents in Muenster. Darrell came back with them for another visit and Donna accompanied the Zimmerers home for a visit.

Mr. and Mrs. J. C. Trachta observed their 17th wedding anniversary Monday at their home with a noon dinner with a small group of friends present. They watched TV afterwards.

After Mr. and Mrs. Steve Moster and son Frank attended the children's party in Dallas Sunday they went to see friends, the Don Fergusons, before returning home. Mrs. Ferguson and Mrs. Moster were classmates at OLV in Fort Worth. They also drove the route that President Kennedy made, saw the place of his assassination and the building from which the shot was fired. Traffic was bumper to bumper in the area.

Mrs. Dick Cain spent the weekend in McKinney with her son and family, the Dickie Cains. She took Tammi Cain back to her home but little Troy Cain stayed for a longer visit with his grandparents, the Norbert Klements.

Herbert Mosman of Dallas, formerly of Gainesville, a son of Mr. and Mrs. Pete Mosman of Gainesville, was only a few yards away from President Kennedy's car Friday when the chief executive was shot. He heard the three shots and saw the events that followed. Herbert was on a routine business trip across town at the time, and watched the parade. Telephone calls to the parents told about the experience. Jack Joyce and Joe M. Leonard Sr. of the Gainesville Register and Mrs. Leonard were waiting at the time in the Trade Mart. They were among special guests for the luncheon.

Mr. and Mrs. Felix Becker are back from a trip to Indiana and Maryland. They were gone two weeks attending a funeral and visiting relatives. At Fort Wayne they were among relatives at the funeral of Richard Mudrack and were guests of the Andy Mudracks. From there to Silver Springs, Md., to visit their son Vincent Becker and family, and to get acquainted with their newest grandchild, Patricia Becker. Then back to Fort Wayne for more visiting with kinfolks. It was a train trip.

Mr. and Mrs. E. M. Shiflet of Pilot Point visited Wednesday afternoon with his sister and husband, the J. W. Fletchers.

Mr. and Mrs. Al Wiesman who had been entertaining their grandson, Ricky Guthrie, for three weeks took him to his home and stayed for a weekend visit with their daughter and son-in-law, the Edward Guthries at Waxahatchie. They were seeing the Guthries' new home for the first time. They moved about three weeks earlier from Fort Worth.

Reynold Reiter has returned to Madill, Okla., to continue work for a seismograph company. He's in the office department.

MORE KINDS OF CHEVROLETS THAN EVER BEFORE!

JET-SMOOTH LUXURY CHEVROLET 15 models. Four series. One brand-new series—the Impala Super Sports. More luxury, too. Even the Biscaynes are now fully carpeted. There's seven different engines' worth of power—140 hp to 425 hp (optional at extra cost). It's a matter of knowing if you'd like your luxury on the gentle side or on the other side.

Model shown: Impala Sport Coupe

TOTALLY NEW CHEVELLE! 11 models. Three series. An entirely new line of cars sized a foot shorter than the big cars, so you get the handling ease of smaller cars. But don't sell it short! Chevelle gives you generous passenger and luggage room. Engine choice: 120 to extra-cost 220 hp.

Model shown: Malibu Sport Coupe

NEW CHEVY II Six models. Two series—Nova and Chevy II 100. Both now offer an extra-cost 195-hp V8 or a 155-hp six, to give you more Chevy II power than ever before. Match this added power with Chevy II thrift, and you can see why Chevy II will be harder than ever to keep up with this year.

Model shown: Nova 2-Door Sedan

NEW CORVAIR Seven models in four series. Two Greenbriers. A new standard 95-hp engine (nearly 19% livelier). An extra-cost 110-hp engine on all Corvairs and a 150-hp Turbo-charged engine in the Monza Spyder. Styling? Never been cleaner. Interior? Never been brighter. Fun to drive? Never been more so.

Model shown: Monza Club Coupe

NEW CORVETTE Two models—the Sport Coupe with a new one-piece rear window plus improved interior ventilation, and the dashing Sting Ray Convertible. Both boast smoother rides, improved sound insulation. Both go with four big V8's, including a new extra-cost 375-hp engine with Fuel Injection.

Mass, Reception Mark Paul Devers' 25th Anniversary

Mr. and Mrs. Paul Devers, 6922 Mohawk Drive, Dallas, will celebrate their silver wedding anniversary Saturday, Nov. 30, with a religious service and an open house.

Anniversary mass will be at 11 a.m. in Our Lady of Perpetual Help Church. The Rev. Edward J. Devers of Sherman, brother of Mr. Devers, will be celebrant. He married the couple 25 years ago in Sacred Heart Church at Muenster on Nov. 21, 1938.

Relatives and friends will join the silverweds at the service and will be guests at their home afterwards for an open house and buffet.

Mr. and Mrs. Devers have three daughters and two sons: Patricia, Judy, Barbara, Paul Jr. and Kevin.

Mrs. Devers is the former Miss Margaret Fuhrmann, daughter of Mr. and Mrs. Matt Fuhrmann of Lindsay. Mr. Dever's parents are deceased.

Another event on the same day will be the marriage of the silverweds' daughter Judy to David Haynes of Dallas. The wedding will take place at 4 p.m. in Holy Trinity Church at Dallas.

Knights Travel to New Waverly for Regional Contest

A long journey to New Waverly, near Houston, ends a big football season for the 1963 Knights of Lindsay. There, at 7:30 Thanksgiving night the two bi-district winners will tangle for the regional championship in eight man football.

Place and time of the game was decided Saturday night after the Knights bumped Pickton's Hornets 14-6 in a rugged and thrilling contest. Representatives of New Waverly were there to scout the game and negotiate with the winner. Superintendent Glenn Hellman and Coach Henry Schroeder met them and eventually decided that the trip would help their athletic fund more than a home game.

Reports seem to indicate that the Knights will have a full sized job at New Waverly. The hosts are matching a perfect 11-0 record against Lindsay's 10-1. Most important is the fact that New Waverly won decisively in bi-district.

Lindsay Repeats, Licks Pickton in Bi-District, 14-6

For the second consecutive year the battling Knights are bi-district champions. They earned the trophy in a classic of offensive perseverance and defensive alertness in Leper Stadium, Gainesville, Saturday night.

The big, hard working Lindsay boys had to stretch their efforts to the limit to put on the two drives which produced their scores. Pickton's Hornets, mindful of their 28-18 loss to the Knights last year, came to play. Lindsay definitely earned what it got.

The same applied to Lindsay's defense. Sharpshooting Folmer filled the air with passes. Keeping on their toes the Knights broke up enough aerials to stop all but one sustained drive.

That drive came late in the first quarter and put the visitors temporarily in the lead. Starting from the Lindsay 36 Pickton drove by air to the 1 and Folmer made the score on a sneak play.

The second quarter was another defensive struggle until Sandmann started a 62 yard march with runs of 26 and 14. Then, with precious time ticking away, the Knights settled down to solid work for the remaining 22. Several short power plays did it. Sandmann crunched over for the last 4 with 39 seconds left in the period, then plunged again for the 2 pointer that put Lindsay ahead 8-6.

Even then the period was far from ended. Pickton hit back with a series of passes that reached the 17 before time ran out.

The second half gave Lindsay boys more scares as Folmer threatened constantly. However completions were scattered, thanks to the Knights tight defense.

Lindsay's final scoring drive was made up of raw determination. Ronnie Zimmerer was the main work horse in three series each of which required the fourth play to barely make a first down. Finally Zimmerer tore over for the big two yards that put the game in the bag. A pass for bonus points failed, but the count was still a comfortable 14-6.

killer has a better chance to carry out his plan.

Dallas police and Secret Service men worked hard to protect the President. They did their part, no doubt as thoroughly as usual. Oswald succeeded because the atmos-

phere prevailing was one of cheerfulness and freedom. The tragedy was regrettable. But who of us wants a police state as a precaution against such occurrences?

It can be added also that the city of Dallas has been gravely wronged by a flood of unfav-

orable comment. The fact is that the President was cheered by their enthusiastic and respectful greeting. They can't be held accountable for a single scoundrel. Those who accuse should sympathize instead. It could have happened in some other city.
