NUMBER 51

CON-FETTE
BY
CON-FETTE

After the first excitement of the Stilwell-Chiang fuss settles down we find it isn't such a great catastrophe after all. It may even prove a favorable development for us in that it will save thousands of American lives without hindering our successful prosecution of the war.

Resulting from the inability of Vinegar Joe and the Generalissimo to get along, the fracas indicates that America will be less active in China. Which is exactly as it should be. This was China's war long before it was ours and there's no good reason why she should not do the fighting on her soil. We're holding up more than our share of the alliance when we furnish her equipment and attack her enemies from this side.

Furthermore we can, if necessary, beat Japan from this side without China's help. After which there won't be any enemy left for Chiang to worry with — only his internal problems, which, from present reports are about as serious as his war.

Exposure of the situation makes us feel like suckers. Here we've been sending thousands of our young men to fight and die for a people who don't have enough national spirit to cooperate when their very existence is at stake. No wonder most of the news from that vicinity has been bad. It's a good thing another variety of skill and spunk is working from this side of the Nips would have their world empire practically in the bag by now.

In connection with that affair, it is appropriate for us to consider war statistics published only a few days ago. Our total casualty list on that date was crowding the half million mark. By this time it is probably more than a half million. Of that number 110,000 are known dead, more than 60,000 are missing in action, and almost 60,000 more are listed as prisoners. And, of course, there are other hundreds of thousands scattered and disabled for the rest of their lives.

This, in addition to an astronomical debt, is the price we are paying for putting other people's houses in order. Certainly we're not going to complain if some of them decide whatever the reason may be, to do a little more of the housework themselves.

There's a limit to the amount of abuse any person or any group of persons will take. Then they start doing something about it. Three states are now in the act of doing something about the labor situation. As a starter they have proposed an amendment for the general election — which will be voted upon before this is printed — to ban closed shops in their states. If passed it will mean that henceforth no union can bind an employer to an agreement to hire union labor only. It will also mean that workers can get jobs without paying tribute to labor racketeers or submitting to policies that do not meet with their approval.

A particularly attractive feature of the amendment is that it gives the unions just as much power as they ought to have but no more. Workers can stick together voluntarily to secure the pay scale and working conditions to which they are entitled, but they can quit the union and still keep on working if they feel that the union's demand is unreasonable or if they grow tired of bulldozing by union bosses.

If every state adopts that amendment we will be well on our way to solution of our labor woes. Policies will be governed by the judgement of normal people, not by the whims of power crazed labor czars.

Whether or not any political significance was intended in Churchill's recent prediction on the war's duration is anybody's guess. But the mere fact that it offers an occasion for doubt makes it highly improper at this time.

The remark fits too well with a campaign slogan of one of the parties in our current political campaign. As such it amounts practically to a recommendation. Among the many things the American public does not like, one is being told how to vote. There's quite a furore under way now over the activity of former communists and fellow travelers in that respect. The well known presidential nod has caused resentment more than once. Four years ago we had a deluge of unfavorable comment on Churchill's expressed desire to see a certain man retained in office. We simply don't like it.

Normally we're interested in any of Churchill's comments about the war. But here we have a set of abnormal circumstances. For months a political candidate has been ballyhooed in connection with winning the war. And just a week before election we are

(Continued on Page 6)

OUR BOYS WITH THE COLORS

Sgt. Lutkenhaus Home From Panama Canal Zone
Sgt. Arthur (Bobby) Lutkenhaus, 25, son of Mr. and Mrs. Joe Lutkenhaus, arrived Wednesday from the Panama Canal Zone to spend a 30-day furlough. He served for 27 1/2 months in the Caribbean theatre and has not been home since leaving camp Wolters a few weeks after his induction in April, 1942.

The long trip home was made in a huge ATC plane, with four other Texans, to Miami army airfield. After completion of his furlough Sgt. Lutkenhaus will report to Randolph Field, go from there to Miami and thence overseas again to his station. He asked for a re-assignment to that post, where he serves with a telephone communications unit.

Completes Furlough
Pvt. Jeff Linn of Camp Hood visited his parents, Mr. and Mrs. Joe Linn, on furlough last week. He left Thursday for his new station at Fort Ord, Calif., and is expecting an overseas assignment in the near future.

Weekend Pass
Pfc. Arnold Swirczynski of Camp Maxey was home for a weekend visit with his family. Sunday afternoon his wife and brother, Bob, drove his back to camp.

Doing Sea Duty
A letter this week from Earl Fisher, Y2C, advises that he is doing sea duty. He wrote that he is the only yeoman in a bomber squadron and that is taking more time than a day has. Best wishes were included to all his friends.

Home On Pass
Lt. Mary Alice Bernauer, a nurse on duty at Camp Maxey, spent a three day pass with her brother, Buddy Bernauer and other relatives here last week.

SGT. KLEMENT HAS EXCITING EXPERIENCE OVERSEAS RECENTLY

Sgt. Martin Klement, writing his brother, Norbert Klement, has the following to say:
New Guinea Oct. 25, 1944

Dear Bud and Family,
Received your welcome letter yesterday and had better answer right away. Maybe this will make up in some way for the letters I've promised to write but never did. I guess you have been wondering about my leaving this place and then returning so soon. I can't say much, but will tell what I can.

After leaving we were ship wrecked. Two of our own boats ran together and the one I was on caught fire. We had to leave the ship but were picked up a few hours later. I did not know I could swim until then, but soon learned how. I had a life jacket on that would have kept me afloat for quite a few hours.

The only personal thing I saved was my neck, which I valued above all. When I was picked up I had lost everything (including my shorts). I now have all new clothing so am in need of nothing. I am back at the same place which is probably a safer one than I would have been in if this had not happened.

I lost all my pictures which I hated, but things like that happen.

You are kidding me about cooking. The only recipe I could give you is for corned beef with carrots, which is our main food. However we have been getting quite a bit of fresh meat which helps. As I was serving breakfast this morning, one of the boys said "What is that?" To answer I said "French toast." Recipe: Take one thick slice of bread, dip in a mixture of powdered milk and dehydrated eggs with a little sugar added. Burn well on both sides and serve cold with sugar water. He didn't say any more. I wonder if Kate Smith could beat that.

You mentioned it being dry at home. I wish I could send you some of this excess rain. It still rains every day.

Write when you have time and give my best regards to all.
Marty

CAR STOLEN
John Wieler's Dodge sedan was stolen Friday afternoon while parked in front of a garage in Gainesville, and while police have been searching for the vehicle no report had been received by Wednesday of this week.

WINS FOURTH TERM

President Roosevelt's fourth term victory, looming larger by the hour, held the prospect Wednesday, of surpassing his third term triumph. He was leading in 34 states with 407 electoral votes. Texas and Cooke county gave him a heavy majority and in Muenster he polled 174 votes to the Republican's 148 and the Texas Regulars' 146.

TAKES IT SMILING

New York's governor, Thomas E. Dewey, smiled in sportsmanlike acceptance of the loss of the highest honor of the land. He who fought Mr. Roosevelt strenuously in the nation's first wartime election of a president in 39 years said: "I am confident that all Americans will join me in the hope that Divine Providence will guide and protect the president of the United States."

Record Ballot For Presidential Race Cast Here Tuesday

Pfc. Cecil Harry Is Casualty In Holland, Oct. 18

Forestburg Youth, 22, Was With Paratroops Invading Holland

Mr. and Mrs. B.A. Harry of Forestburg received a telegram from the War Department last Friday advising them that their son, Pfc. Cecil Harry, 22, had been killed in action on October 18 in Holland. He was a member of the Paratroops, and an intimate friend of Pfc. Alphonse Felderhoff of this city. The two boys had been together in training and in action ever since their entry in the service in December 1942.

Survivors are the parents, four sisters: Mrs. Clifford Hudspeth, Forestburg; Mrs. Wilford Thompson, San Diego, Calif.; and little Misses Montez and Norman Jean who reside at the family home, 208 Grandparents, Mr. and Mrs. O.H. Cauble, Alvarado, Texas, and Mrs. G.A. Harry of Forestburg.

Pfc. Harry was born in Forestburg and attended school at Ross Point. When he entered the service he was assigned to the infantry but three months later, while stationed at Camp Roberts, Calif., transferred to the paratroop division and was trained at Fort Benning, Ga. He received his wings in April and in September went overseas, was stationed in England and shared in the invasion of France on D-Day. His last mission was for the liberation of Holland.

CLASS OF 75 WAS CONFIRMED SUNDAY

The Most Rev. Augustine Dangelmayr, Auxiliary Bishop of Dallas conferred the sacrament of Confirmation on a class of 75 here Sunday following the 10-30 high mass. Rev. Thomas Buerger, pastor, officiated at the mass in the presence of the Most Rev. Bishop, who delivered a sermon addressed to the candidates.

Members of the local Fourth Degree Knights of Columbus, attired in full dress regalia, formed a guard of honor for the Most Rev. Bishop.

Tuesday Rain Benefits Pastures, Plowed Land

Although not urgently needed, last Tuesday's rain recorded at 1 1/2 inches was tremendously helpful to this entire farming community. The rain fell between 4 and 8 a.m., in alternating light and heavy showers and practically all of it soaked into the ground.

It was especially welcomed by farmers who had planted grain, and by those whose fields it conditioned for future tillage. The effect on pastures was also cheering. It assures several more weeks of good grazing.

COAL AND WOOD STOVES ARE RATION FREE

All types of coal and wood stoves are ration free by an order of OPA. But it is pointed out that gas and oil stoves continue to require certificates before they may be purchased.

FDR Demos Lead With Republicans Second, Regulars Close Third

Joining the rest of the nation in its record breaking election, Muenster cast one of the largest general election vote in its history Tuesday. The north precinct polled 352 votes and the south precinct 135.

In the combined boxes 174 voted straight FDR tickets, with the Republicans second with 148 votes and the Texas Regulars close behind them with 146 votes. 15 ballots in the north box did not express a preference in the presidential race. According to the election judge, some voters were interested only in state candidates and several who intended to vote in the principal race nullified their choice by failing to scratch the minor parties.

Split ticket voting was prevalent, shown by the fact that Texas Regulars and Republicans cast their votes for the state, county, district and local Democratic candidates after scratching the Democratic electors. Less than 50 straight Republican tickets were polled.

The nation's first wartime election of a president in 30 years caused considerable discussion locally, which for weeks indicated that the score would be close. The outcome was no surprise.

In Cooke county as in Texas a heavy majority was given the President. Unofficial county votes Wednesday evening were: Democrats, 1955; Republicans, 437; Texas Regulars, 336.

A fourth term victory for the President increased hourly up to Wednesday evening when this newspaper went to press. The Champ's new running mate is Harry S. Truman.

YOUTH BAND MEETS WITH NEW DIRECTOR, ELECTS OFFICERS

On last Thursday evening the local Youth Band met for the first time under direction of its new leader, John Hoffman, who replaces the former director and organizer, Rev. Richard Evid.

Pfc. Harry was born in Forestburg and attended school at Ross Point. When he entered the service he was assigned to the infantry but three months later, while stationed at Camp Roberts, Calif., transferred to the paratroop division and was trained at Fort Benning, Ga. He received his wings in April and in September went overseas, was stationed in England and shared in the invasion of France on D-Day. His last mission was for the liberation of Holland.

Organization then took place, with Norbert Koesler, president, being acclaimed to that office, while Rose Marie Endres was elected vice-president by acclamation and Mary Wiedemann carried the votes for the office of secretary. Gerald Bayer and A.J. Felderhoff were chosen as wardens. The election of a business manager and treasurer was postponed for the present.

Director Hoffman suggested that roll call be read at each practice session, and that such periods be each Thursday evening from 8-30 until 10 o'clock. After business, several numbers were played and certain parts emphasized.

PARISH TO OBSERVE THANKSGIVING ON THURSDAY, OCT. 30

Muenster will observe Thanksgiving on the traditional last Thursday, with a customary social Father Thomas pastor, and general chairman of the affair, announced this week. Due to war time restrictions there will be no community dinner, he said, but all other features are expected to be in prominence.

Tentative plans call for a social beginning at about 1 o'clock and continuing during the evening hours at which time a dance will also be held.

Members of the four parish societies will sponsor the party and committees are to be named to take charge of the various details. Observance of the day will begin at 9 o'clock with a high mass of thanksgiving and prayers for peace, followed by Sacraments, Benediction at Sacred Heart church, Father Thomas stated.

Four local boys, Johnny Rehmer, Norbert Felderhoff, Marcus Fuhrmann and Buddy Yosten were in Dallas last Wednesday for army examinations. With the exception of the latter, all were accepted for military training.

War Chest Fund Fails Keep Pace

In Muenster and in Cooke county the War Chest fund is failing to keep up the pace necessary to meet the goal by November 11, when the drive is to be ended.

For the first time since the war began, Cooke county faced the prospect of failing to meet a war fund goal, unless contributions are received in larger amounts than during the past week. Should this community not meet its quota it will be the first time either during war time or peace time, that Muenster fell short of its designated quota.

Additional gifts to the War Chest, bringing Muenster's total to approximately \$715.00, are acknowledged as follows:

- \$12.50 — Ben Seyler.
- \$10.00 — Wailes Painter Co., Tony Trubenbach Sr.
- \$5.00 — J.R. Dangelmayr, Jos. Kretz, John Kretz, Leo Henschel, Jos. Fisher, Sr., Joe Pauler, T.M. Hammer, Tony Felderhoff, Henry Wiseman, J.P. Flusche, Bruno Fleitman, John Fisher, Ray Evans, H.G. Stelzer, O.J. Robertson, Nick and Adelina Miller, John Hartman, A.J. Endres.
- \$3.00 — Al Wiseman, Albert Reiter.
- \$2.50 — John Walterscheid, John Bayer, Alphonse Hoenig.
- \$2.00 — Jos. Dangelmayr, F. J. Yosten, Frank Herr, Joe Sturm, H.J. Fuhrmann, Alphonse Luke, C.J. Bernauer, Anna Fleitman, Darrell McCool, Robert Gruber.
- \$1.00 — Bernice Kathman, E. E. Wells, P.J. Schenk, Mrs. T.N. Felder, Betty Hartman, Mrs. Volp Fuhrmann, Dorothy Hartman.

THIRTEEN FROM HERE JOIN KC RANKS AT PILOT POINT SUNDAY

Thirteen candidates from this city, along with some 40 members of the local council Knights of Columbus, were in Pilot Point Sunday when a regular district initiation took place. This was held in connection with Pilot Point council's 25th anniversary celebration.

Exemplification of the first, second and third degree took place in the W.O.W. hall and in the evening a banquet was held at the parish hall.

This city's candidates were: Rev. John Walbe, Norbert Felderhoff, John A. Knabe, Bernard Swirczynski, Leo, Al and Eddie Schmitt, Alois Truberbach, Andrew Schoech, Norbert Koesler, Alois Wiseman, Alois Hess.

Most of the men's wives accompanied them to Pilot Point and during the afternoon local ladies were entertained in the home of Mrs. Andy Flusche.

CANNING SUGAR DEADLINE SET FOR NOVEMBER 18

There will be no more canning sugar coupons issued by the county ration board after November 18. Austin Reed, chairman, announced Saturday.

Canning sugar coupons issued before that time are valid until February 28, 1945, he said.

Loss Of Machine And Roll Of Film Results From Fire At Relax

Show As Usual Thursday

A fire at the Relax Theatre here Wednesday evening at 8:15 burned up one machine and a roll of film. Frightened patrons rushed and stampeded to the exits, never giving a thought to the fact that the projection booth is absolutely fire proofed, and that fire in the booth cannot spread to the rest of the building. "Tampico" which was showing, lost a roll of film and fans were presented with rain checks.

The theatre management immediately put in a long distance call to Dallas for another machine and business will continue as usual on Thursday evening, it was stated. The loss was covered by insurance.

The local fire department was called to the scene but its services were not needed as Operator Joe Horn had everything under control by the time it arrived. None of the stampeding fans were reported injured.

PVT. A.J. HIGGINS OF MYRA IS GIVEN ARMY DISCHARGE

Pvt. A.J. (Killer) Higgins, Jr., son of Mr. and Mrs. A.J. Higgins of Myra, arrived home last week from the strain hospital at Langley Field, Va., having been given a medical discharge from the army.

He had been in the service three years and nine months and for 22 months was in the China-Burma-India theatre. It was there that he sustained serious injuries in a motorcycle accident which resulted in his discharge. He has been back in the states since February.

Visiting in Muenster during the week, he looked exceptionally well and said he felt fine. He walks without a limp in spite of the fact that he suffered double compound fractures of both legs in the accident when his motor and one driven by a native collided.

Entering the services in January 1941, he trained at Kelly Field, Salt Lake City, Utah, and Boise, Idaho, and served as a mechanic on B-17s. He was stationed in Hawaii, and was only 8 days out of Pearl Harbor when the Japs attacked on Dec. 8. He was subsequently stationed in the Fiji Islands, Australia and India.

His decorations include the Good Conduct medal and Bronze Star, the Asiatic-Pacific campaign bar with one bronze star and a Presidential group citation.

GARDEN CLUB WILL HAVE ELECTION OF OFFICERS TODAY

The regular meeting of the Civic League and Garden Club this Friday afternoon at 3:15 promises to be an interesting one with election of officers, a discussion of the topic, "Chrysanthemums for our Locality," and the drawing of names for Christmas gifts.

Members are urged to be present in full numbers.

Misses Dorothy Mae Yosten and Cella Haverkamp spent Wednesday in Fort Worth visiting with Miss Lois Brock.

LOCAL NEWS BRIEFS

Short Items of Interest About Folks You Know

R.L. McNelley left Tuesday for Saint Louis on a business trip.

Mr. and Mrs. L.W. Flusche and children of Decatur were here Sunday for a visit with relatives.

Mrs. Jim Cook went to Bowie to spend several days with relatives and friends.

Mr. and Mrs. Al Reiter and children of Era visited their parents here Wednesday.

Mrs. E.P. Buckley and Betty visited relatives and friends in Ft. Worth and Dallas last weekend.

Mrs. Nick Miller and Misses Dorothy and Betty Hartman were Fort Worth visitors Monday.

Henry Pazel of Denison visited his father and other relatives here Saturday.

Mr. and Mrs. Charles Fisher and daughters of Valley View were guests of relatives here Sunday.

Since last week Miss Veronica Rollman is employed at Camp Howze.

Catholic Daughters of America will have their regular monthly business session this Friday evening in the K of C hall at 8 o'clock.

Mrs. Hugh Jackson and little son of Fort Worth spent the latter part of last week with her parents Mr. and Mrs. J.M. Weinzapfel.

Mr. and Mrs. Albert Reiter were honored with a party in their home Friday evening in observance of their wedding anniversary.

Miss Mary Wiesman of Fort Worth was here for a weekend visit with her mother, Mrs. Theodore Wiesman.

Pfc. D.M. (Mickey) Valencia, formerly of Camp Howze, and well known locally has written Miss Katie Mae Walterscheid that he is now on duty in France.

Mrs. Adolph Knabe who is employed at a Camp Howze PX spent Wednesday with her parents, Mr. and Mrs. Clem Reiter. Mrs. Knabe makes her home in Gainesville.

The Most Rev. Augustine Dangelmayr, Auxiliary Bishop of Dallas spent Sunday and Monday here with his parents, Mr. and Mrs. Jos. Dangelmayr, and family.

A son, Larry Lee, was born at the local clinic on Nov. 3 to Mr. and Mrs. S.A. Spark of Valley View. The baby is the grandson of Mr. and Mrs. V.M. Ramsey of this community.

Mrs. Joe Yosten is here this week visiting her husband's relatives. She arrived from California where she had been with her husband and will leave Monday for Dallas to be employed.

Miss Anne Gordon of Dallas spent the weekend here as the guest of Rosa Driever and other friends. She is in Dallas as assistant advertising manager at Neiman Marcus after being engaged in similar activity in El Paso for three years.

W.H. Endres will this week complete construction of a pond on his farm located in the County Line Conservation group west of the city. This pond was constructed by Mr. Endres' son, who recently purchased a bulldozer.

Mr. and Mrs. John Hacker (nee Bertha Walterscheid) announce the birth of a 9 3/4 pound daughter at the local clinic Monday. The young lady was named Joyce Angeline at her baptism the same day. Father Thomas officiated assisted by Mr. and Mrs. James Eckert as sponsors.

Announcement was made Sunday by the reading of the marriage banns of the approaching wedding of Miss Armella Flusche, daughter of Mr. and Mrs. Jos. Flusche to Gus Lutkenhaus, son of Mr.

and Mrs. George Lutkenhaus. The rites will be solemnized at Sacred Heart church on Tuesday November 21.

Frank Hoedebeck, Mrs. Clem Reiter and sons, Leon and Basil, and Mrs. Adolph Knabe of Gainesville, drove to Denton Monday to visit their parents and grandparents, Mr. and Mrs. Fred Hoedebeck, and Alfred Hoedebeck, a sergeant in the army, home on furlough. Mrs. Fred Hoedebeck accompanied the Muenster group home for a several days' visit.

A letter this week from Rev. Father Richard, former assistant pastor of Sacred Heart church, now stationed at Refugio County Hospital, Refugio, Texas, as chaplain, advises that he is getting settled and that he finds his new work very interesting. The hospital is conducted by Sisters of St. Francis. Best wishes and regards were included to all his friends in this parish and community.

HEARS FROM COUSIN IN LIBERATED HOLLAND

Mrs. Wm. Walterscheid had a letter last week from her cousin, Sister Agnella a nun at St. Anthony convent, in free Holland. It was her first letter from the nun since 1939, before Hitler invaded that country.

Sister Agnella wrote that the American soldiers are wonderful and was high in her praise for them. She mentioned that she would welcome any boys from this community now stationed in Holland if they would come to visit the convent. She recently observed her 25th jubilee as a nun and is also a cousin of the other members of the Hess family here.

The letter was sent through regular army channels by a Catholic chaplain on duty in that sector.

thank him for everything he has done for us. We wish you God's Blessing and success in your future work.

Rev. Father John, O.S.B., new assistant pastor, visited Sacred Heart High School for his first class last Tuesday. We are very happy to have you with us, Father, and hope you will enjoy your classes during the coming year.

Sacred Heart High vs. Public School

The S.H.H. Volley Ball team emerged victorious in the first game of the season played last Wednesday against the Public School.

The second team played the first two games and the third team the last one. The scores of the respective games were: 15-9, 15-10, and 15-12. The games were close and held breath taking moments but S.H.H. triumphed.

Both S.H.H. teams and Public School team are to be congratulated for their grand playing.

It was the first game of this season and this victory was only the beginning. S.H.H. teams hope to have games with teams or surrounding schools in the near future.

A Visitor In School

Last week Corporal T.J. Hoffman who was home on furlough, visited school and explained to the science classes how, when and where the gas mask is used. It correlated very nicely with the work of the Chemistry class which is just now studying gases and their uses. We enjoyed your talk very much Corporal and we hope you visit us again.

S.H.H.S. Red Cross Work

We're at it again. Work for the Red Cross is an all-important job to us. S.H.H. School is proud to report that we are 100 per cent

contributors to the Red Cross. In a few words, we are all Junior Red Cross Members and we "do" it for our boys, hoping that our small help will give them much help.

Peepin' Through

As we gazed through our telescope, we were astounded at the studiousness of the students. Of course there were a few who did not seem to care, but they were only a few.

The Sophomore Science class really is doing pretty work. The class has also christened its Botany Note Book "The Liberty Book". What patriotic students!

The Junior-Senior class is now reading Macbeth. Better pay close attention every one, because a book report must be handed in.

The Freshman class experienced a thrill of satisfaction when they witnessed the making of oxygen in the laboratory. Dreams come true! We wonder why some did not care to watch the experiment.

Henry and Mildred seemed to have a serious case of argumentation — an algebra problem! Billy Joe injured his left knee last week when he was playing football.

For some reason Monte Hellman said he saw hills this past week every time he tried to look past his nose.

When a man has been away a long time many will not remember him when he returns, and some will not know he has been away.

Subscription Drive Completed

A one-week subscription drive for Curtis publications came to a close last Tuesday. The grades seven to twelve participated in the drive and were divided into two teams, the red and the blue.

The drive opened with a bang on the first day when bars of candy were awarded for each subscription and an army mule to the one having obtained the highest number of subscriptions at the end of the first day. The latter prize was awarded to James Bayer, eighth grade pupil. Monte Hellman came out second in the race.

EDWARD JAMIESON
Edward Jamieson is one of the country's leading correspondents included in the tour of Texas being planned November 13 to 19. He represents the Houston Chronicle, the Dallas Times Herald, the Fort Worth Star Telegram, the Wichita Falls and the Amarillo News Globe in Texas, as well as several other important papers in other parts of the country. Jamieson is in the Bascom Timmons bureau in Washington as chief correspondent. Sponsoring the trip, with the theme being industrialization of the south, are The General Tire & Rubber company, the Ford Motor company, U. S. Steel corporation, Humble Oil company and Dow Chemical company.

—Bomb the Japs With Junk!—

The Halloween party given by the P.T.A. Tuesday evening was a huge success. The costumes brought forth many cheers and laughs. Costume prizes were won by Darla June Edelen, Pete Hammer, Ramona Wells, Buddy Samner, Bobby and Jackie Robertson. Parents enjoyed domino games while the children played other games in keeping with the occasion. Sandwiches, pie, coffee and punch were served to 135.

The past is often forgotten for the present.

Parents spend half their time worrying how their children will turn out; and the other half worrying when they will turn in.

plimented the equipment. Another visitor was the Red Cross lady from Gainesville. She explained the purposes of the Junior Red Cross. We plan to be enrolled 100 per cent.

The following room mothers have been elected: Mr. Hoffman's room, Mrs. G. Hammer; Mrs. Burchfield's room, Mrs. Matt Stelzer and Mrs. Jack Robertson; Mrs. Thompson's room, Mrs. Ray Evans; Miss Luke's room, Mrs. Blanton Standifer and Mrs. Orlen Edelen. We appreciate these mothers willingness to help us and look forward to some good times together this year.

Here is the A Honor Roll from the school and congratulations to the following: Peggy Morrison, Anna Lee Mitchell, Rowena Fielder, Bonnie Nell Hammer, Patsy Moore, Jackie Robertson, Mary Alice Hollars, Alene Moore, Patsy Ezell, Mary Jo Williams and Harold Reeves.

The following are on the B Honor Roll: Billy Joe Nieball, Jimmy Jack Biggle, Sandra Kay Standifer, Klough Edelen, Jo Burchfield, Rosemary Fielder, Ruby Lee Boulware, Kenneth Chapman Leon Brent, Janie Marie Reeves, Murlin Joe Evans, Donald Brent, Maynard Williams, Dorothy Sickling, Millie Yeakley, Junior Hammer, Joan Robery, Katherine Reeves.

**A NEW LAUREL FOR
TEXAS' WAR RECORD**

Texas-Made Tires

With well deserved pride, Texas greets leading representatives of the nation's Press, come to participate in "Texas-In-The-War" week and eager to tell all America of the tremendous contributions Texans and Texas industry have made to the war effort.

And, Texas can take particular pride that November 13th marks the dedication of the first tire ever to be built in Texas . . . at the huge new plant of The General Tire & Rubber Company at Waco.

Truly, Texas has gone all the way to meet America's immediate need for greatly increased production of military tires.

A year and a half ago, at Baytown, we began operation of the first synthetic rubber plant in Texas . . . established there to make full use of the priceless minerals found in such lavish abundance under the soil of Texas.

Since then, with the aid of willing Texas hands, we have produced

synthetic rubber in quantities beyond all estimates.

Now comes the final step. For today Texas has its own tire plant . . . from which Texas-made tires will speed to the fighting fronts . . . and where Texas will build the finished product from raw materials drawn from every corner of its own great Commonwealth.

We of General Tire are happy to reaffirm our faith in the productive capacity of Texas and to become an even closer partner in its industrial progress.

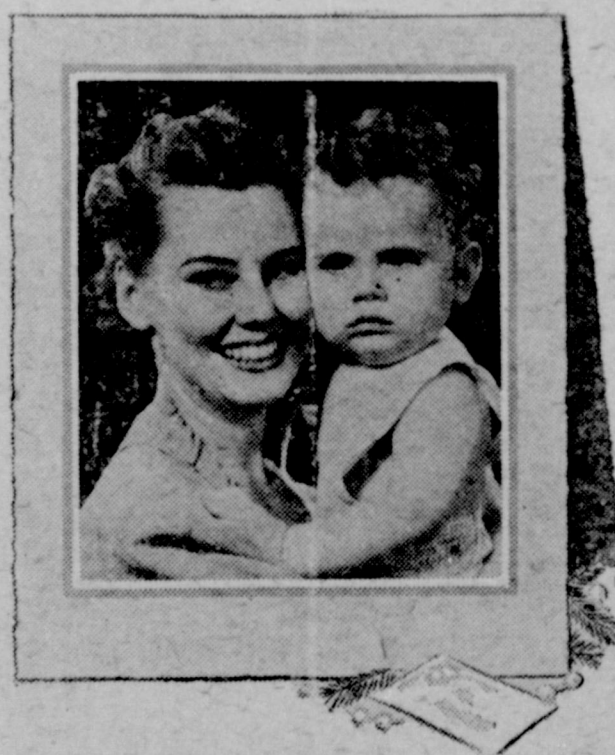

When Texas enters its tremendous peacetime future . . . this General Tire plant will be ready with Texas-made passenger car tires, truck tires and aircraft tires for all of the South and Southwest . . . thus assuring Texas that it will be the hub of supply for this area's expected expansion of transportation on rubber.

100% war production at Waco will hasten that day.

DOG TALES

by Kellie

(Submitted by Mr. Richard Morris, Franklinville N. Y.)

Fritz was a pampered Belgian Shepherd, and like most pampered pets, he had a favorite spot for keeping warm on cold days—on top of a foot-square floor register in the downstairs hall.

He had spent many a contented hour in that cozy corner when the snow was falling so hard outside. But Fritz was a watchdog. He had been taught to post himself each night on the landing of the stairs between the first and second floors.

One particularly frigid night, Fritz was snoozing on the landing of the stairs, but he evidently didn't appreciate the chilly air that swept across him. His dog mind must have started working overtime, for somehow an idea struck him that was quite an achievement from a dog's viewpoint.

His Master tells that he was awakened suddenly in the middle of the night by a loud crash and clatter, and bounding out of bed, he raced toward the stairs to learn the cause of such a racket.

What he found amused him highly, and brought about a great respect for his dog. For, on the landing of the stairs was one shaggy Belgian Shepherd, faithful to his duty, but also mindful of his comfort,—sleeping peacefully on top of a ten-pound floor register.

Somehow he had pulled it out of the floor downstairs and dragged it up the stairs to the landing.

Give your dog an extra pat for his constant loyalty. And feed him well with the nutritious dog food, *unrationed*, at *Four Acres*.

Kellie will pay \$5.00 for every original true dog story accepted for publication. Send them to Grand Central Post Office, Box 439, New York City. Unaccepted manuscripts will not be returned. All manuscripts submitted become Kellie's property. Do not submit stories which have been published previously.

KELLIE—his mark

Magic PORTAL

The well-planned house of the future will afford an abundance of convenience outlets... magic portals through which the full use of the new and exciting electrical equipment available after the war may be yours. Electrical refrigerators... washing machines... quick-freeze units... electric dish-washers... dozens of other conveniences which will cut down on the time and effort spent on household duties. Possibly you are planning to build a new home after Victory has been won... or perhaps a remodeling job for your present home. Whatever your plans, be sure to include in them provision for adequate wiring in your home, so that you may enjoy the full benefits of your electric service. Adequate wiring means: Enough outlets in every room for present and anticipated appliance and lighting needs; enough circuits to distribute the electric load properly, and take care of all the appliances you want to use; wiring of high standards, and adequate protection for all electrical circuits.

Assurance of a brighter tomorrow, in which you can enjoy the better living which peace will bring, means Buying War Bonds today and making every other contribution possible toward Victory.

ON THIS Armistice Day

We pay tribute not only to those courageous men who fought and fell in World War I — but now added to that honor roll are these men's stalwart sons who bravely fight and fall in World War II — fight and fall in a valiant effort to win the Peace that flickered and burned out after the last bloody battle of 1914-1918.

Yes, to all liberty-loving men we pay tribute on this Armistice Day. For, to keep our blessed land a land where we might live as a free people, they have made the supreme sacrifice. They have paid the highest price for Victory and Peace.

With bowed heads and a prayer in our hearts let us pause and meditate on this Armistice Day, 1944 for those who did not return from the last war—for those who will not return from this war—for the speedy return of those who still fight—for Total Victory and a Lasting Peace.

FARM NEWS

from **YOUR COUNTY AGENT** FOR FREEDOM

TEXAS EXTENSION SERVICE

Pecan Culture and Harvesting

Cooke County pecan trees, now literally drooping under one of the best nut crops in many years, should be safe-guarded against damage during harvesting. Albert Brient, county agent says. Limbs and twigs threshed excessively with heavy poles will suffer damage. But if the nuts simply are knocked off with an ordinary cane pole no ill effects will result, he says.

Pecans may be eaten as soon as harvested if the weather is dry, but Brient believes they will shell out and taste better 30 to 60 days afterward. If there is a large crop to store the nuts will dry quickly if housed in a well-ventilated place. But they will become too warm and mold if the storage space is damp and poorly ventilated.

Scotch Oat Bread Liven's Up a Meal

Breads can do much to "liven up" a meal—especially such ones as the pictured Scotch Oat Bread, says the Country Cooking editor of Capper's Farmer, a publication of national circulation.

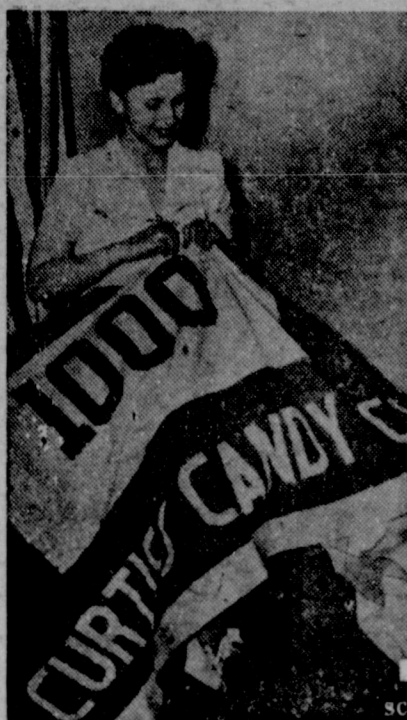

This crusty, tempting loaf is made from a famous recipe handed down by an early Scotch settler. For breakfast, toast it and serve with butter and jam; it's made to order for snacks; or serve for a supper dessert with creamy cottage cheese and a bowl of homemade jelly, advises the Capper's Farmer expert.

Scotch Oat Bread.

2 cups flour	1 teaspoon salt
1/2 cup sugar	1 1/2 cups buttermilk
2 1/2 teaspoons baking powder	2 tablespoons shortening
1/2 teaspoon soda	1 cup raisins or cooked prunes
1 cup quick-cooking rolled oats	

Sift flour, then measure. Sift with sugar, baking powder, soda and salt. Add rolled oats and mix thoroughly. Combine milk and melted shortening. Add diced fruit, stirring just enough to moisten dry ingredients. Turn into a well-greased loaf pan and bake in a moderate oven for 1 hour.

Betsy Ross--1944

CHICAGO, ILL. — When Curtis Candy Company's honor roll of employees in the armed forces recently indicated that 1000 of the company's men and women have joined various branches of the service, Lorraine McCarthy became a modern Betsy Ross and sewed a large "1000" on the company's service flag.

Politicians are great fellows. They have to straddle the fence and keep both ears to the ground.

Try praising your wife, even if it does frighten her at first.

To be popular you must endure being told many things you already know.

The earth was first classified in the climate zones now in use by Thales of Miletus in 640 B.C.

Venus is the nearest planet to the earth.

Lightning is classified into three types, forked, sheet and ball.

Saul was the first king of Israel.

Savages usually believe that animals have souls sometimes calling them "blood brothers."

The first Christian martyr was St. Stephen.

The game of chess originated in China.

In skiing, a hole in the snow into which a skier has fallen is called a "bathtub."

SEND CHRISTMAS GIFTS BY DECEMBER 1!

Obviously, the energies of the nation are concentrated on one vital war job. That is to maintain, without interruption, the gigantic flow of urgently needed military goods and supplies to our armed forces bitterly fighting the enemy, on land and sea, on battlefronts all over the globe.

Uncle Sam is determined that the Christmas holiday shipping, which usually reaches huge proportions in December, shall not interfere with the war traffic in any way this year. So he is urging

the American public to complete the sending of their Christmas packages to recipients in this country at a very early date. That closing date is December 1!

The Office of Defense Transportation has enlisted the assistance of the postal service, the Railway Express Agency and other important package-carrying mediums in the drive. With retail and department stores everywhere, they are backing up the slogan: "Shop Early and Send your Christmas packages before December 1!"

The RITE-WAY MILKER

SOLVES YOUR MAIN PRODUCTION PROBLEMS

If your producing herd is big enough to require machine milking, especially with acute labor shortage, then make sure that you get the one milker that gives you correct milking action.

There is no machine on the market like the Rite-Way. It is fast and safe, because its individually designed inflations massage gently and naturally, as does the feeding calf. Our special Rite-way pulsator has no springs or gaskets. These two features should quickly settle your question of choice — in a hurry.

Call in to examine it, or phone for any information you want.

We have one in use daily

sion to drive their own car and were fortunate in securing living quarters on the post.

LINDSAY SCHOOL TATLER

Monday, October 30, County Superintendent, Mr. O'Brien, made a short visit to Lindsay School. He spent a few minutes in each classroom talking with the pupils. The latter appreciate the maps and the books on the "Unit on Electricity" Mr. O'Brien left for them. His stay was brief, but his cheerful attitude and interest brought a feeling of encouragement, both to the students and the faculty. We hope the County Superintendent will visit us again in the near future.

As part of the American Education Week the school is sponsoring a Courtesy Campaign. Each student in the entire school received a set of twenty-five specific points which are to be observed. These are intended to bring to mind clearly certain minor rules of discipline which have been violated to some extent. The contest is to be an all-out, two weeks' campaign for strict observance of the rules enumerated. An intensive

Bing Crosby and Rie Stevens are a new hit team starred in Paramount's "Going My Way," with James Brown, Jean Heather and Barry Fitzgerald.

CEDRIC FOSTER

To tell the listening audience in the largest network in America of the advantage of Texas and industrial area, Cedric Foster, news commentator for the Mutual Network, will be in Texas November 13 to 19.

He is coming as one of a group of newspaper, magazine and radio men to report on the contributions of Texas to the war during Texas in the War Week, proclaimed by Governor Coke R. Stevenson.

His first Texas broadcast will be from Waco November 13, when the General Tire & Rubber company dedicates its new tire factory, the first one in the state.

Foster's broadcasts ordinarily originate at Station WNAC, Boston, home station for the Yankee network, which is affiliated with Mutual.

bulletin board exhibit is keeping apace with the campaign. Home-room teachers are abating the campaign by displaying pictorial material, slogans, and other reminders on the blackboards of their class rooms. The reaction to the campaign is interesting. We all believe that "Courtesy is the flower of good breeding and proper education."

The two picture-show parties the SCA-ites had lately proved very enjoyable according to reports. Both pictures were classic, therefore profitable.

Our own library is swelling because new books are being added every year. Yet, we do appreciate the services of the Book Mobile which appeared in front of our school lately. Good books feed the mind and provide good thoughts. There is only one step from a proper thought to a proper action.

MARY ANNA STRAUSS
PFC. CLAUDE ROACH
MARRIED SUNDAY

Miss Mary Anna Strauss of Gainesville became the bride of Pfc. Claude E. Roach of Camp Howze Sunday evening at 5 o'clock. The service was performed at Saint Mary's rectory with Rev. John P. Brady, pastor, officiating. The bride wore a pale blue dress with black accessories and a corsage of white carnations. She

was attended by her sisters, Misses Juanita and Lucy Agnes Strauss, who also wore blue frocks. Attending the groom as best man was Pfc. Harold Nowak of Camp Howze.

After the ceremony the bridal party were honored with dinner at the home of the bride's parents, Mr. and Mrs. C.S. Strauss, three miles southwest of Gainesville.

Mrs. Roach is a graduate of Gainesville High School, Gainesville Junior college and Saint Mary's Commercial school. She is employed in the First State Bank at Gainesville.

Pfc. Roach is the son of Mr. and Mrs. Jack Roach of Bonham. After a short wedding trip the couple will reside in Gainesville.

Oil Field Notes

Richards and Son, drilling for Texas Oil Company of Indianapolis, Ind., spudded in Tuesday on Henry Fleitman land north of the city. The well is located 450 feet north of the south line and 150 feet west of the east line on

Fleitman farm. This well is a double offset to Hudspeth's well on Tony Trubench farm. The same company will drill a well on Henry Wiesman land, to be begun in the next few days. Ralph A. Scott, in charge of production for the company, was here this week supervising details.

Confetti---

(Continued from page 1)
reminded that the war will last two more years. It has all the earmarks of a political plug. We'd think much more of the comment — and of the man who made it — if he had waited until November 8 to express it.
