NUMBER 8

Troubles for Uncle Sam are stacking up in Asia. Reports during the weekend reveal that Sukarno, the smart ace dictator of Indonesia, is getting extra chummy with Red China's Mao, and communist infested Cambodia insolently announced that, instead of accepting continued U. S. aid, it now puts U. S. at the top of its hate list.

Meanwhile conditions keep getting worse in South Vietnam. The government can't get organized and the troops can't cope with the raiding Viet Cong guerrillas swarming into their country from North Vietnam and Red China.

The situation certainly does not seem to justify the reported confidence of Secretary Rusk, who sees eventual success "if they can obtain the unity and assistance needed for that purpose." The "if" just seems to be too big, insofar as neither their unity nor our assistance has been adequate so far.

Of course we should admit, in fairness, that the good guys over there have had little chance to make a good showing. We and the South Vietnamese are fighting another Korea type war. It's all defense. The enemy pours across the border and raids at will. We just fight off attacks when and where the enemy chooses but we are not permitted to smash him at the source. Under that kind of handicap how can Rusk be confident?

Optimism in spite of such a gloomy outlook prompts this column to wonder whether our government is playing this hand with an ace in the hole. Anybody knows that it doesn't make sense to keep putting in on a losing hand, so the fact that this looks so hopeless may be a good sign.

A possible clue is the report from Taipei on January 2 that 100,000 Red Chinese "volunteers" are massed and ready to move into the Vietnam struggle.

Suppose that should happen. Could there be a better opportunity for Chinese Nationalists to make their long awaited invasion of the Chinese mainland?

Since the days of the Korean war many people have wondered why the crack troops of Formosa have not been permitted to get at the big job they have been waiting and training for. All the time our country kept them bottled up, in the interest of peace, and communism kept on spreading while the spirit of freedom kept weakening. Obviously, this thing has already gone dangerously far. If anything will ever be done to stop it, it needs to be done soon.

Is this the plan behind our stubborn struggle against apparently impossible odds in Southeast Asia? This column hopes so. A counter attack by Nationalist Chinese seems like not only the last chance for freedom, but the ace in the hole which can turn the course of the war.

Reports from Formosa have told how Ching's forces expect to carry out their mission. They are depending on millions of people on the mainland, fed up with communist privation and tyranny, to join them as the war of liberation moves forward. They know the plan can succeed because it succeeded some thirty years before in Franco's liberation of Spain. He started with a small group of men but his army grew and grew as volunteers flocked to him by the thousands.

It's accepted as a fact that the showdown in Vietnam is vital. If Uncle Sam pulls out the reds will have clear sailing the rest of the way. Freedom's few remaining forces will not have a chance.

On the other hand the tide can possibly be turned and communism can be defeated in Asia by the Nationalist Chinese plan. If it should, as Ching's men confidently predict, succeed in wiping the red scourge out of China, freedom would take new heart all over Asia and communism would not last long.

Is this how it's going to go? Only the top people of government know the answer, of course. But it's hard to imagine that we would let the Asian conflict be written off as a dismal failure when we can possibly turn the tide to glorious victory just by ac-

AIRPLANE PRESENTED TO TEXAS RANGERS

A twin-engine aircraft has been presented to the Texas Department of Public Safety for the use of the Texas Rangers by Col. D. Harold Byrd of Dallas.

The Lockheed Lodestar, which seats ten passengers, was accepted on behalf of the Texas Department of Public Safety by Col. Homer Garrison, Jr., Director. "We are grateful for Colonel Byrd's generosity in presenting this airplane to the State of Texas to be used to enhance the State's law enforcement effort and emergency services," Col. Garrison said.

"This aircraft will be utilized to great advantage on occasions when speed is of the essence in transporting law enforcement and other personnel and equipment from one part of the State to another," Col. Garrison said.

This is the second aircraft that Col. Byrd has presented to the Texas Department of Public Safety. The other was a Twin Beech which he gave to the Department in 1958.

Col. Byrd, who has been active on behalf of aviation in Texas and the nation for many years, is an honorary captain in the Texas Rangers.

NEWS OF THE SICK

Herb McDaniel and John Streng are recovering normally from major surgery performed Saturday at Muenster Hospital.

Mrs. Frank Kaiser left Monday for Houston to have a routine check-up. This was previously set for February but was changed the past week. She left Monday morning by train from Gainesville.

Former Muenster resident Mrs. Raymond Hesse of Denison was dismissed from Madonna Hospital Sunday and is continuing recovery at home following varicose vein surgery last week Thursday.

Word has reached here that Father Martin Fischer, former assistant pastor at Sacred Heart Church, is a patient at Crawford County Memorial Hospital in Van Buren, Ark.

Mrs. Maurice Pagel is a patient at St. Joseph's Hospital in Fort Worth since Saturday for tests and treatment.

Mrs. Ray Otto is a surgical patient at Muenster Hospital Her operation was Monday.

Pat Fisher underwent hernia surgery Tuesday at Muenster Hospital.

Tommy Walterscheid had an operation for appendicitis Tuesday at Muenster Hospital.

Ray Swirczynski underwent surgery Tuesday at Muenster Hospital.

Joanie Rohmer, 11-year-old daughter of the Alois Rohmers entered Muenster Hospital Monday as a medical patient.

L. A. Bernauer was dismissed from Muenster Hospital Wednesday and is up and around the house continuing to regain his strength after major surgery.

Mims Lewis is a patient at Parkland Hospital in Dallas since last Thursday getting ready for surgery.

HOSPITAL NOTES

The following patients were admitted and dismissed at Muenster Memorial Hospital during the past week.

Thursday: Admit — Johnny Henschel. Dismiss — Mrs. Joe Fleitman, Mrs. J. W. Hess, Ben Luke.

Friday: Admit — John Streng. Dismiss — Mrs. Mary Voth, Elizabeth Koelzer, Al Walterscheid.

Saturday: Admit — Mrs. C. J. Hellman, Hellman daughter born. Dismiss — Sister Florentine.

Sunday: Admit — Mrs. Ray Otto, Mrs. Mark Hermes.

Monday: Admit — Mrs. T. H. Watson, Saint Jo, Pat Fisher, Rosalee Price, Gainesville, Joan Rohmer, Thomas Walterscheid, Ray Swirczynski, Mrs. J. D. Meurer. Dismiss — Johnny Henschel.

Wednesday: Admit — Wm. R. Eaton, Saint Jo, Mrs. Ferd Luttmere. Dismiss — Mrs. T. H. Watson, Saint Jo, Mrs. J. D. Meurer, L. A. Bernauer, Mrs. W. H. Endres.

Patients in the hospital Wednesday afternoon were Herbert McDaniel, Pat Fisher, Mrs. John Hartman, Lois Embury, Ray Swirczynski, Wm. R. Eaton, Tony Rohmer, Joan Rohmer, Mr. and Mrs. Joe Smiddy, Rosalee Price, Clyde Matherly, Mrs. Ray Otto, Gertrude Harris, Mrs. J. P. Flusche, Pearl Gammill, Rudolph Zipper, John Streng, Thomas Walterscheid, Mrs. J. B. Klement, Mrs. Ferd Luttmere.

Dr. Martin Kralicke announced that he has installed his own phone, 759-2246, and asks patients to discontinue calling the hospital number to talk to his office. He also says his office hours are 9-12 and 2-5 Monday, Tuesday, Thursday and Friday; and 9-12 only on Wednesday and Saturday. His home phone, in case of emergency, is 759-2940.

The Pharmaceutical Manufacturers Association reports that 70 per cent of the prescriptions filled today could not have been written 10 years ago because the drugs they call for were unknown. It also says that in the past decade, the socialist Soviet systems of Russia did not produce a single important drug discovery.

Mrs. Weinzapfel Quits at Library

Muenster CDA court accepted with regrets at its January meeting Friday night the resignation of Mrs. J. M. Weinzapfel as librarian of the court-sponsored and operated City Library.

Mrs. Weinzapfel has agreed to continue serving until a replacement can take over. She has served as chairman of the library committee for over five years—ever since the library opened for business.

Mrs. Al Schmitt, grand regent, conducted the meeting and announced Mrs. Weinzapfel's resignation.

Mrs. Adam Wolf Jr., financial secretary, gave her report and stated that the court now has 141 members.

An appeal was made for old but wearable cotton dresses for women patients at the State Hospital in Wichita Falls.

Mrs. Weinzapfel said that books, magazines, clothes, hand work, sewing material, buttons, thread and other articles useful to these patients are always welcome and will be taken to the hospital regularly.

Mrs. Schmitt read a letter of thanks from state officers who attended the court's golden jubilee. She also thanked all members who had a part in making the program a success.

Looking ahead to November, some members have already started making articles for the annual Christmas bazaar. It was suggested that these be brought to next month's meeting, along with ideas to be shared with other members.

After adjournment Mrs. Gene Schmitz and Mrs. Cecil Sims served refreshments.

Mrs. Mike Kleiss Cuts Cake Tuesday On 90th Birthday

Mrs. Mike Kleiss celebrated her 90th birthday Tuesday surrounded by four generations of the family at an afternoon party in her home.

She cut a decorated birthday cake and it was served with a buffet of finger foods. Among her gifts was a pink rose corsage which she wore for the party.

While the family was together they telephoned Sister Aloysia in Lake Arthur, La. She was the only one of the honoree's six children unable to attend. They all talked, letting her in on the party for a while by long distance.

Mrs. Kleiss, the former Miss Angeline Rohmer, came to Muenster 73 years ago among the early pioneers. She was born Jan. 12, 1875, in Rulo, Neb., one of the ten children of Mr. and Mrs. John Rohmer.

She was 17 when the family moved to Muenster from Harlington, Mo. She soon went to work in Gainesville for the Merzbachers and Bomers and later kept house at Sacred Heart Rectory for Father Bonaventure and then Father Joseph.

On January 6, 1902, she married Mike Kleiss. They made their home in Pesotum, Ill., the first year, then returned to Muenster to stay.

Mrs. Kleiss lives in her house on the hill south of town since 1925. Her husband died in 1937. A sister, Miss Odella Rohmer lives with her.

Mrs. Kleiss has three sons, Joe, John and Aloys of Muenster and three daughters, Mrs. C. M. Walterscheid, Mrs. Clem Hofbauer, both of Muenster and Sister Aloysia, a member of the Olivetan Benedictine Sisters of Jonesboro, Ark.

The family has grown to include 17 grandchildren and 33 great-grandchildren.

In addition to the children—and the grandchildren and great-grandchildren who came and went all afternoon—those at the party included another sister of the honoree, Mrs. Joe Pautler, their brother John Rohmer and his wife, sisters-in-law Mrs. Emil Vogel and Miss Lena Kleiss, and nieces Sister Romana Rohmer, Miss Hilda Pautler and Miss Mary Rohmer, all of Muenster.

Mrs. Kleiss has one other sister, Sister Margaret Rohmer of the order of Divine Providence in San Antonio. The four sisters and one brother are all that are left of the family of ten children.

"That pain in your leg is caused by old age," the doctor said.

"Don't be silly," replied Grandpa.

"My other leg's the same age and it don't hurt!"

Bank Will Accept Poll Tax Payments

Muenster State Bank's customary accommodation to poll tax payers is offered again for the benefit of persons who prefer not to make the trip to the court house.

Those who wish to do it the convenient way are invited to stop in the bank, fill out the form with information for the tax receipt and pay the \$1.75 tax. The bank forwards the information and pay to the county tax collector's office and the taxpayer receives his receipt directly by mail a few days later.

Mrs. J D Hanna Is New President Of Garden Club

Mrs. J D Hanna was elected to head Muenster Civic League and Garden Club as president for the next two years when members held their biennial election of officers during their January meeting Monday night.

Also new on the executive committee is Mrs. Donald Bayer vice president. Returned to office are Mrs. Steve Moser, treasurer, and Mrs. R. N. Fette, secretary. As vice president Mrs. Bayer will also be program and yearbook chairman.

Officers will be installed in May and begin their two-year terms in September. The club does not meet during the summer but the yearbook committee is active planning material for study during the club year.

In other business Mrs. Steve Moser reported on the successful bake sale which was a benefit for the Hospital Landscaping Fund.

Mrs. J. M. Weinzapfel offered to have a live oak tree at City Park replaced with one from her yard.

The program featured Clive Gobble as guest speaker. He talked on "Proper Pruning" and displayed several of the better pieces of pruning equipment for good grooming of trees and shrubs which contribute toward both healthy growth and good appearance. He also answered questions in a round table discussion on the subject and gave each member a book on rose pruning.

Mrs. Dan Luke led the featured short study on "Growing Orange Trees." She told about one she has growing in a redwood tub. It was a seed she planted six years ago. The beautiful glossy leaves do not fall at the change of seasons. During the second summer after first blooming the trees may carry ripe oranges, green oranges and blossoms at the same time, she said.

Mrs. J D Hanna and Mrs. Victor Hartman were co-hostesses in the former's home and served refreshments to 19 members and one guest, Mrs. Walter Wolf of Gainesville, after adjournment.

Next month's meeting will feature a talk on bulbs by Mrs. Steve Moser and a study of dahlias by Mrs. C. M. Walterscheid.

John D. Meurer Named to Vacancy On Bank's Board

Stockholders of the Muenster State Bank, in their annual meeting Tuesday elected John David Meurer to succeed Mrs. T. S. Myrick on the board of directors. The action was taken after Mrs. Myrick resigned, stating she is out of town too often at meeting time.

The other six directors were re-elected. They are J. R. Dangelmayr, Earl Fisher, J. W. Fisher, Herbert Meurer, Henry Weinzapfel and J.M. Weinzapfel.

After the stockholders' meeting directors had their regular meeting to name officers of the bank and elected their new director the assistant cashier to fill the vacancy left some two months ago by the resignation of Mrs. Marian Gruber.

Officers re-elected are J. M. Weinzapfel, president; Herbert Meurer, executive vice-president; Earl Fisher, vice president and cashier; Henry Weinzapfel, assistant vice-president.

U. S. Bureau of Public Roads announced that there are more miles of roads in Texas than any other state—236,464 miles, compared to California's 154,519; Kansas' 132,823, and Alaska's 6,230.

City's Annexation Election Fails in Vote Count of 3-3

Monday's referendum on the annexation of about 50 blocks to the city of Muenster ended in a 3-3 tie vote. Lacking a majority it fails to carry and the annexation fails, at least for a while.

Actually eight of the nine eligible voters of the area came to the polls but two of them came after the specified voting time. Mayor Earl Fisher said that their votes could not be legally accepted.

The outcome leaves an unsolved problem in a portion of the area proposed for annexation. Development into building sites depended upon the availability of city services, especially a sewer line. And those, in turn, depended on the annexation.

Other requests too were before the city for annexation. To accept each one individually would result in a very irregular boundary line. The council still has hopes that an arrangement can be worked out whereby people can be accommodated without the zig-zag boundary.

SH Alumni Plans Volley Tournament Early in March

The annual volleyball tournament sponsored by Sacred Heart Alumni will be held the first week of March. The date was set and planning was started at the organization's meeting Tuesday night. Ted Miller will serve as general chairman.

Members decided they will start early in an effort to organize their biggest tournament ever. Within the next few days they expect to send invitations to a large number of prospective participants, and to follow up with a second invitation a few weeks later to teams who have not accepted up to then.

Their intention is to invite before the teams receive other invitations, but they are also aware that an early invitation can be forgotten, hence the follow-ups.

Games will be played Monday, Tuesday, Thursday Friday and Saturday. Wednesday is skipped because many communities have church services that night. Admission charges will be as before, 25 cents for participants of student and 50 cents for adults.

There will be champ and consolation brackets for both men and ladies and trophies for the champ, the runner-up and the consolation winner of each division.

An announcement at the meeting advised local volleyball teams that they will be expected to pay hereafter for their practice sessions in Sacred Heart gym. The charge is \$1.00 per team per night, to help pay for the lights and maintenance.

Frohsinn Singers Of Dallas to Be Here February 27

A touch of the old country is planned when the Dallas Frohsinn Singers join Muenster's Sacred Heart Choir for their annual joint concert and dance in the Parish Hall here February 27.

The evening will begin with dinner featuring German food. After the meal, the choirs individually and combined will present a program of German songs. Dancing to the music of the Polka Peppermints who do polkas, waltzes, novelty and new time will conclude the evening.

Choir members are getting the word around so the date can be saved for this event. They're urging the men to give the lady of the house a night out this last Saturday before Lent to dine, dance and join in the singing that is sure to echo all evening with the Frohsinn Singers present.

Schedule of Coming Events

FRIDAY, Jan. 15, Basketball, MHS at Callisburg.

TUESDAY, Jan. 19, Basketball, MHS at Saint Jo.

WEDNESDAY, Jan. 20, Idle Eight meeting in the home of Mrs. Joe Kathman, 2 p.m.

MHS Participates In National Test on Science Aptitude

A national engineering aptitude test for the north central Texas area will be given Friday at Muenster High School. Mrs. Marie Mosman, science instructor at MHS, said that the nation wide test is part of the program sponsored by JETS (Junior Engineering Technical Society) and results of it will be returned to the school for recording on the student's transcript of credits.

The science club of Muenster High is affiliated with the Texas A&M chapter of JETS, and Muenster was selected as one of the testing centers.

Although the test here is intended for students from a large area, it is likely to be taken only by the Muenster students. Mrs. Mosman said that the only takers known so far are 8 from Muenster High and three from Sacred Heart.

Lt. Wm. R. Otto Completes Officer Course in Marines

QUANTICO, VA. — Marine Second Lieutenant William R. Otto, son of Mr. and Mrs. Harry J. Otto, graduated Dec. 18 from the 26-week Officers Basic Course at Marine Corps Schools, Quantico, Va.

The course, for newly-commissioned Marine officers and officers from allied countries, consist of classroom work in personnel administration, first aid, map reading, weapons and leadership techniques. Practical application of the classroom subjects are conducted in the field by the students. In addition, the practical aspects of communications and employment of supporting weapons are applied.

Young Farmers at State Convention

Young farmers of the Muenster chapter came back with a cash award from a state convention of Young Farmers held in Dallas last Friday and Saturday.

The money was a welcome addition to recognition which had been received earlier—when Muenster was named runner-up in the selection of outstanding chapter of Area 5. Bridgeport chapter was the winner.

Also winner was the Valley View chapter. It received an award for outstanding new chapter of the area.

Members attending were President Jerry Sicking, Past-President Wylie Lewis and Paul Fleitman, along with Advisors Edgar Dyer and Dan Boone.

Asked why she refused to take tranquilizers prescribed by her doctor, a woman said: "The last time I was taking them, I found myself being friendly to people I wouldn't even speak to otherwise."

BIRTHS

Mr. and Mrs. C. J. Hellman, 1707 Mill St., Gainesville, have announced the birth of their daughter at Muenster Hospital Saturday, January 9, 9:12 p.m. The little girl weighed five pounds six ounces. She's a granddaughter for Messrs. and Mmes. Clarence Hellman and Oscar Walter and a great-grandchild for Mr. and Mrs. John Walter and Mrs. Katherine Huchton, all of Muenster.

It's a girl for Pfc and Mrs. Jim Myrick, their first child. The little daughter arrived at Fort Sill base hospital Thursday Jan. 14, 12:30 a.m. weighing six pounds twelve ounces. News of the birth was promptly telephoned to Muenster to the paternal grandmother, Mrs. T. S. Myrick. The baby's mother is the former Miss Jane Hesse.

Welcoming a new daughter are Mr. and Mrs. Albert Zimmerer of Lindsay. Their six pound 14 ounce girl arrived at Gainesville Hospital Sunday, Jan. 10, 12:55 a.m. She has one sister, Debbie and four brothers, Albert Jr., Deryl, Gary and Johnny. The Johnny Zimmerers and the Bill Flusches are the grandparents and Mrs. Anna Loerwald, Lindsay, and the Ed Eberharts of Gainesville are the great-grandparents.

MHS Teams Lose Double Headers to Valley View, Era

Basketball teams of Muenster High School are still looking for their first win in the current 36-B district race. They lost double headers to Valley View and Era last Friday night and Tuesday night.

The girls game with Valley View ended on a dismal count of 49-9. For the first half Muenster went scoreless while the visiting girls poured in 29 points. Next half was better but still far from good as MHS made 9 while Valley View added 20. Cindy Cain made 8 of the points for Muenster.

They were outclassed again Tuesday as Era gained in three periods and coasted through the fourth for a win of 46-23. MHS leaders were Cindy Cain 11 and Linda Wilson 8.

The Hornets made good starts in both of their games and led at intermission but dropped back when opponents put on the steam. Lack of height has been the big problem for the boys. They get too few of the rebounds.

With Valley View the Hornets went down 50-37 after a 22-20 lead at the half time. Leading scorers were Robison 14, Russell 9 and Cain 8. Next game they lost 45-37 after a half time lead of 13-11. Best scorers were Cain 13 and Flusche 9.

LEARNING FROM HISTORY

If history is a reliable thing—we haven't got much farther to go until the same thing that collapsed the Roman Empire will be here.

Let us think about it for a moment. Here we have the greatest nation on the face of the earth. Half of the money in the entire world is made

and spent here. We produce more than fifty percent of the world's goods.

We started with a land of plenty a land of opportunity, a land of freedom and one that respected God and the rules of Morality.

We grow, grow and continue to grow, just like the Romans did. They had a democracy too. But, the politicians kept getting more plentiful and big government kept getting bigger. With that fantastic growth, more and more people were moving to the big cities. They forgot about the earth and its life sustaining crops and resources. They hired more farmers to go to work in the city, to keep the warehouses, file the paper work, look after the more prosperous government men, etc., etc.

Then one day, something happened. They were having a big, big party in the big city

where all the government boys lived. They really were living it up, they drank, they ate they brought in the girls—they drank and ate some more and brought in more girls...

All of a sudden, someone said, "bring us some more food and some more wine, we can't stop now we are having too great a time."

But strange as it may seem... someone said, "the food is all gone, and there are no more peasants to bring us food and drink."

What had happened?... they were all working for the government, and besides, they quit working for themselves, because they could get a big fat job working for the government and not have to tend to the sheep, work the fields, and do all those messy jobs on the farm... and they had been taxed so heavily there were no more incentives anyway... they couldn't make a profit to stay in business.

HIDDEN TAXES

The Tax Foundation has devised a simple rule of thumb by which you can figure out how much you pay in hidden taxes.

For every dollar of your federal income tax, you pay another \$1.20 in other federal taxes, most of them hidden. For instance, if your weekly income tax deduction is \$15, you pay another \$18 weekly in various other federal taxes. Your total of federal taxes is \$33 a week.

That's an average calculation, of course, and a particular individual might pay more or less, depending on his buying habits and the size of his income.

Some of the federal taxes can be seen. Examples are the Social Security tax and the 10 per cent added to the purchase price of cosmetics. A great many others are hidden, added somewhere along the line to the manufacturer's price of a wide variety of goods, but not shown as separate items in the final purchase.

Seen and unseen, they add up to one-fifth more than your income tax, if it is around the average. If your income is low or you have a lot of deductions, your hidden taxes are higher in relation to your income tax. If you have a very high taxable income, your hidden taxes may not come to so high a relative figure.

Now you know. Does it make you want to get out and beat the drums for more federal spending—or less?

'POVERTY HUT' RENTED IN WASHINGTON

There's nothing cheap in the government's plan to eradicate poverty from the national scene. It's going first class, at least in administrative circles anyway.

The General Service Administration has announced that a lease has been obtained for the top seven stories of a new office building in midtown Washington at an annual rental of \$8,225 million.

When one figures all the government employees to be housed in this "poverty hut" for administrative purposes and then add the others who will be on field duty throughout the nation, it is obvious that the administrative cost of the war on poverty will be considerable.

The initial appropriations for Mr. Johnson's anti-poverty program were around \$35 million. But none of this went to alleviate the drudgery on any of the poverty stricken. It went for scouts to ferret out the poverty areas so that the government planners can map strategy for the poverty war.

These are only preliminary steps for bigger things to come. No one, that we've heard, has dared to place an estimate on the ultimate cost of the poverty program... and that's understandable. When politics and poverty spending because fulltime partners, then who would hazard a guess as to the number of taxpayers' dollars it will take to meet wants?

If the government is going to spend \$4.70 per square foot for rental space for workers to take care of the paper work in the poverty war, then one shudders to think what the cost per square mile will be for the program's application.

WHAT IS 'WORLD OPINION'?

The United States makes a vast mistake when it assesses the rantings of semi-savages, Communists and two-bit tyrants who make up a large part of the so-called African-Asian bloc as world opinion.

It isn't anything of the kind. It is simply a kind of maneuvering designed to feed the self-importance—and to express the jealousy—of men who know their countries are generally ignorant, poverty-stricken, and, in some cases, populated mostly by plain savages.

'HARMONY BETWEEN MAN & SOCIETY'

The United States in the years to come, and starting right away, is to far outdo that Biblical reference to a land of milk and honey, according to the 3,900 word State of the Union message delivered by President Johnson at a 9 p.m. joint overtime session of the 89th Congress on its first day of business.

And the inference was plain that if you don't happen to like milk and honey, that's what you're going to get anyway. The broad objective of the "Great Society" (a strictly Federal institution), will be to "improve the quality of life for all." It will teach us "how to see our wealth as well as how to create it." It will, among other things, take over education, eradicate disease, improve our cities, beautify America (including its high-ways) end air and water pollution, support art, outlaw state right-to-work laws, provide hospitalization to the elderly under social security, campaign against waste and inefficiency.

Earlier in his address, the President drew the first applause in saying that we would "help men defend their freedom," but would "put American interests first." He would, he said, follow the example of Andrew Jackson and: "Ask nothing that is not right. Submit nothing that is wrong."

There seemed little question as to who would be the arbiter of right and wrong.

THE 'DOWN' FEELING

The General Services Administration held a little auction in New York City the other day. It sold 20,000 pounds of goose and duck down. That's pretty slim pickin's, as it turned out; Uncle Sam still has a reported nine million pounds of feathers and down stockpiled, and is trying to

get rid of it.

We have no idea why so many feathers are sitting in government warehouses. Some of the stuff supposedly was imported from China of pre-Communist days.

But we do have a suggestion. If the GSA finds any tar in its strategic stockpile, it might tar and feather the gentlemen who conned the taxpayer into paying for so much waste.

Chevelle Malibu Super Sport Coupe

(discover the difference)
Find out what 350 hp feels like
 in America's favorite intermediate size car

Next time you're feeling low, come on in and plunk yourself down in the bucket seat of a Chevelle Malibu Super Sport. Flick the ignition—bring that special-order 350-hp power plant to life. Then go find a road and try not to smile.

discover the difference

We think it's the greatest pep pill since weekends—and that goes for the other Chevelle V8's too. The 195-hp. And the 250- and 300-hp jobs we can order for you.

And of course if power doesn't sell you right off, maybe Chevelle's short turning radius and overall handling ease will. Or its Full Coil suspension ride. Or its all-vinyl, carpeted interior. Or maybe it's just plain old Chevelle value.

jacket at the January meeting Monday night.

The FHA programs for the December and January meetings included a guest speaker, Mrs. Lorene Schmitz, Muenster Avon representative, who gave a demonstration on the art of cosmetics. To fulfill the need for action through citizenship, a panel discussion presented the Ten Commandments to Good Citizenship.

The FHA has also made plans for a Valentine party on February 1.

After the meeting Monday evening the FFA and FHA adjourned for a joint party with cokes and cookies as refreshments.

The Science Club had its annual Christmas party December 18. The party was held in the home of the club's president, Glenn Fleitman and consisted of games, refreshments, and exchanging gifts.

STATE FFA PRESIDENT VISITS MUESTER

Calvin Brients, state FFA president, spoke to the Muenster High student body in assembly Friday, January 8. He talked about world problems of today and how the people of this country need to realize that they are taking for granted the freedoms and privileges that they have. He also emphasized the need for advancing one's education. Calvin, who is 19 years old, lives in Crosbyton with his mother and father. He spends most of his time on the road for the FFA but plans to enter Texas Tech in Lubbock when his term of office is up.

Daniel Boone, student teacher in the agriculture department, will be leaving soon since he has completed his student teaching course under the direction of Edgar Dyer. He will return to East Texas State College in Commerce to finish his final semester.

TESTS SCHEDULED FRIDAY

The second of three physical education tests will be given Friday, January 15, by Coach James Polk. The purpose of these tests is to improve the physical status and well-being of the students.

Friday, January 15, Mrs. Mosman will give a special Jets' test, sponsored by the American Jet Association, to the junior and senior science

students who want to take the test. A \$2.50 fee will be charged for taking the test.

The science department of Muenster High School has purchased a projector to show pictures and slides of nature to the science students.

The members of the Muenster High School Science Club were presented with their membership cards for the Science Clubs of America at the last monthly meeting Wednesday night, January 6. The meeting was held in the science room. After the regular order of business, refreshments were served.

PTA BUYS BOOKS

Approximately 100 new books are now arriving at the Muenster Public School Library. The purchase of these additional books has been made possible by a donation from the PTA.

Mr. L. B. Bruns returned January 8 from a meeting of the School Administrators' Advisory Conference on Education in Austin. Mr. Bruns is planning to attend a Denton meeting of the Texas Association of School Administrators on January 19.

The Muenster Hornets will host the visiting Callisburg Wildcats in a district 9-B encounter. The game will start at 7:00 p.m., Friday, January 15. On Tuesday, January 19, the Hornets will invade the Saint Jo Panther's territory.

Class of '54 Has Holiday Reunion

A class reunion of the class of Sacred Heart High School of 1954 was held during the holidays with two events on the day's program. Both were in the VFW Hall. The graduates invited all who started in their first grade with them.

In the afternoon parents and their children had a party and in the evening the couples had a catered meal.

About 20 couples and 40 children attended the afternoon social. Also present were three Benedictine Sisters who were their teachers: Sisters Henrietta, Geraldine and Genevieve and Music Teacher Sister Leonarda.

Those present pointed with pride to three of the students. The class produced a priest, a brother and a sister. They are Father Eugene Luke, Brother Thomas Moster and Sister Christine Hesse.

Among out of town class members present were Mr. and Mrs. C. J. Newman and four children of Wichita Falls, Mr. and Mrs. Frank Mages III and two children of Grapevine, Mr. and Mrs. Loffie Smith of Carrollton, Mr. and Mrs. Kenneth Reynolds and three children of Forestburg, Gene Walter of Las Vegas, Nev., Mr. and Mrs. Nick Dieter and five children, Mr. and Mrs. Randy Bayer and two children and Mr. and Mrs. Ronnie Herr and six children, all of Gainesville.

Quantanamo Bay, Cuba is the United States' oldest overseas naval base, acquired through a lease agreement with Cuba in 1903.

Society Welcomes Two New Members

St. Joseph Society welcomed two new members at the January meeting Sunday night. Introduced to the membership were Wencil Muck who recently moved here from Gainesville, and Harold Knabe.

Business was routine, President Sylvan Waltersheid presided and expressed thanks to Muenster Milling Co. and Shamburger Lumber Co. for cash donations. He also told of thanks received from the three pastors and Brother Thomas who acknowledged Christmas gifts from the society. And he thanked all who helped make the New Years Eve social a success.

Dan Haverkamp reported on St. Joseph's Club activities and finances. He said the socials on the first and third Tuesdays are drawing good attendance.

Father Alcuin, spiritual director, spoke briefly. He mentioned there are still 75-year history books left and those who want one can get it at the rectory.

Loretta Schmitt Named to National Honor Fraternity

Miss Loretta Schmitt, daughter of Mr. and Mrs. Al J. Schmitt, and senior at Our Lady of the Lake College, has been initiated as a national member of Sigma Tau Delta, honorary English fraternity.

To achieve national membership students must maintain a B average in English and have junior standing.

Miss Schmitt is also teacher and treasurer in the Confraternity of Christian Doctrine and a dormitory counselor at Our Lady of the Lake. Her major is English.

Third Order Plans To Attend Meet at St. Francis Village

Members of the Third Order of St. Francis, meeting Sunday afternoon for a prayer service and business session discussed two coming events after recitation of the office and the St. Francis Crown Rosary.

On February 28 there will be a general meeting in Fort Worth at the new St. Francis Village. All fraternities of the Upper Texas Area are invited to attend, according to Father Elias Koppert, provincial of Chicago, who will be there.

The afternoon meeting will include a business session and conference by Father Elias at 2:30, Mass at 4 o'clock and dinner in the Village cafeteria at 5. Only charge is \$1.50 for the meal.

Muenster members planning to attend are asked to notify one of the local officers so arrangements for transportation can be made. Cars will be provided for the trip.

The other coming event is the local fraternity's annual tridium, set for March 2, 3 and 4 with Father Elias in charge of services and conferences.

Mrs. J. W. Fisher, prefect, led the prayers in Sacred Heart Church and presided for the business meeting. Mrs. Leo Henscheid gave a spiritual reading on "Daily Mass." Twenty-two members were present.

A card of thanks was read from Miss Gertrude Esker, a shut-in member, who expressed appreciation for blessed candles from the fraternity and for individual gifts from members.

A salesman, held up in a small Wyoming town by a bad snow storm, wired his firm: "Stranded here due to storm. Telegraph instructions." Back came the reply: "Start summer vacation immediately."

Get-Together Club Meets for Social

Get-Together Club members had their January meeting Wednesday afternoon in the home of Mrs. Joe Hoeng with Mrs. John Wieler as club hostess.

In a progressive 42 series Mrs. Hoeng was high scorer. Mrs. Joe Horn drew the door prize. Mrs. Ben Seyler won the consolation award. She was one of the three guests. The others were Mrs. John Kathman and Mrs. Katie Meurer of Windthorst who was visiting Mrs. J. B. Wilde.

After the games, members and guests were served cherry pie a la mode and coffee.

Production Honors Shared by Herds In County DHIA

Honors were scattered among herds in the Cooke County Dairy Herd Improvement Association for the month of October according to the summary for that month released this week.

A cow owned by Wilfred Sicking led the association in butterfat production with a markup of 84. A cow from Pete Prescher's herd was the champion individual milk producer with 2480 pounds. High test went to a cow owned by Charlie Fisher with 6.0.

Herd-wise top honors went to Richard Frasier's cows with 1270 pounds of milk and 44 pounds of butterfat. Pete Prescher's herd was second with 1240 pounds of milk and Paul Fetsch's cows were third with 1150 pounds.

Second spot for butterfat was tied at 38 by Paul Fisher's and Paul Fetsch's herds and Prescher's and Charlie Fisher's cows were close behind, tied at 37 pounds.

Eleven herds were tested with 392 cows in milk. A total of 91 cows produced 50 or more pounds of BF. Average pounds of milk per cow was 950 and average pounds of butterfat per cow stood at 32.

Diploma Requirement Reduced At St. Paul Hospital Nursing School

The St. Paul (Hospital) School of Nursing will start a three-academic year program in September 1965, Sister Regina, the school's director, announced Saturday.

The school year will consist of two 18-week semesters which coincide with regular semesters. The essential difference in the plan is a change from three calendar years to three-academic years with no summer school.

The change in the School of Nursing program was necessitated by the announcement from State Board of Nurse Examiners that "By September 1, 1965, the administrative officers and faculty of the Traditional Diploma Programs in Texas show cause for continuing to conduct the hospital-schools of nursing on the basis of three calendar years."

Many schools of nursing in Texas changed to a program whereby the student completes prescribed college courses before enrolling in the school. However, the administrative officers and faculty of St. Paul, after extensive study, came to the conclusion that the school objectives would be met best by enrolling the student when she started her college work, Sister Regina said.

Freshmen students will be admitted as usual this September. However, seniors in the new program will graduate in May, rather than September as they have done in the past. The new plan will provide an opportunity to enrich the school by having faculty members free during the summer months for workshops and

Marysville News

By Mrs. John Richey

MARYSVILLE, Jan. 12—Mrs. C. W. Miller of Fort Worth visited Friday with her parents, Mr. and Mrs. Reeve Cooke.

Visitors with the Grady McElreaths Saturday afternoon were Mr. and Mrs. Clay Landers of Collinsville, overnight guests were the Melton Ramseys of Whitesboro, and Sunday afternoon visitors were Mr. and Mrs. Billy Joe Dennis and family of Irving.

Mr. and Mrs. W. F. Davidson attended funeral rites for Frank Martin at Lindsay Friday and then visited with family members at the Lawrence Martin home in Muenster. Sunday evening the Davidsons visited Mr. and Mrs. J. W. Breckenridge at Gainesville.

Spending last week with the George Ritchersons was her sister Mrs. Dovie Pond of Wichita Falls. Joining them for visiting Thursday through Friday was his sister, Mrs. Pearl Cunningham of Gainesville.

Don Ray Moon and a boy friend, both of Rockwall, visited Saturday with Mr. and Mrs. Bill Moon.

Mrs. Buford Whitt, joined by her sister Mrs. John Snider of Grapevine were Wednesday visitors with their sister, Mrs. Toska Woody, a patient at Richey Street Hospital in Gainesville.

Mr. and Mrs. Paul Hickman of Carrollton and Fred Hickman of Gainesville visited the Milton Hickman family Saturday.

Mr. and Mrs. Raymond Davidson had as guest Mrs. Agnes Cowley of Sulphur, Okla., who spent the weekend and to Wednesday. Another weekend guest was the Davidsons' daughter Margaret Ann of NTSU, Denton.

The Earl Robisons had as Saturday supper guests Dan Boone and the Edgar Dyers of Muenster.

Sunday afternoon visitors with V. M. Ramsey and the Sam Sparkmans were Mrs. Willis Robison and the Rev. Orval Cogdill of Gainesville and Billy Joe Dennis of Fort Worth.

Jack Tuggle is recovering from bronchial pneumonia. Visiting him and the family Sunday were his daughter and her husband, Mr. and Mrs. Eddie Joe Reves and Eddie Joe's father Louis Reeves of Saint Jo.

Mr. and Mrs. Joe Doughty had Sunday dinner for the Rev. and Mrs. Delbert Taylor and daughters of Fort Worth after services at the Baptist Church. The Jimmy Doughitys and daughters of Muenster joined them for a visit.

Mr. and Mrs. L. V. Akins and family of Gainesville spent Sunday with the Nathan Whitts and also made calls at the homes of the Charlie Winchesters and Jack Tuggles.

Mrs. Grady McElreath visited Monday last week with Mrs. Robert Nichols Jr. at Gainesville and made the acquaintance of the Nichols' new daughter.

Money still talks, but in these days of inflation it takes a sizeable wad of it to say something important.

Mrs. McElreath Is Honored at Party

A gift shower honored Mrs. Grady McElreath Sunday afternoon at the home of Mrs. Sam Sparkman with Mrs. Melton Ramsey of Whitesboro and Mrs. Sid Ramsey of Arlington as co-hostesses.

A pink and blue party theme was stressed in decorations, shower gifts and refreshments. Twenty were present including those from Marysville and Mrs. Clay Landers of Collinsville, Miss Jenny Ramsey of Arlington, and Mrs. Clyde Howard of Archer City.

Birthday Dinner Has Six Honorees

Six birthdays were observed Sunday when Mr. and Mrs. John Richey were host in their home for a turkey dinner to fete the honorees whose birthdays ranged from Jan. 5 to 17. Honored ones were Mrs. Robert Richey of Sivells Bend whose birthday is Jan. 5; Mrs. John Barnes of Era, Jan. 7; Keith Tupman, who was three on Jan. 8; twin sisters Mrs. Earl Cochran of Gainesville and Mrs. John Richey whose birthdate is Jan. 13; and Johnny Richey of Sivells Bend who will be five years old Jan. 17.

Those who attended brought covered dishes for the noon meal which made a banquet buffet. Gene Tupman offered the table grace.

Present with the honorees and hosts were the Fred Richeys and Larry and Robert Richey and family all of Sivells Bend, Mrs. Raymond Reed and children, the Tom Bin-fords, Lorna Binford, Anna Lois Cochran all of Gainesville; the Joe Wyatts of Callisburg, John Barnes and children of Era the Gene Tupmans and daughter Kathy of Fort Worth.

Leorwalds Unite For First Reunion In Eighteen Years

The two Loerwald brothers and their three sisters were together Sunday, the first time all five were together at the same time in 18 years.

They are Mrs. Al Walterscheid in whose home the reunion dinner was held, Mrs. Frank Walterscheid or Hereford, Miss Theresia Loerwald of Lindsay, Joe Loerwald of Gainesville, and Henry Loerwald of Lu Verne, Iowa.

Mr. and Mrs. Frank Walterscheid came from Hereford bringing her brother with them for the weekend. He had stopped off at Hereford enroute to Iowa after visiting in California.

Also at the reunion dinner were Al Walterscheid who had been dismissed from Muenster Hospital two days earlier, Mrs. Joe Loerwald of Gainesville and the group's uncle, Theo Schmitz of Lindsay. Other guests were Mrs. Walter Acker and children Ronnie and Dayna of Bartlesville, Okla., who were spending ten days with her parents, the Al Walterscheids.

Other family members from Muenster joined in spending the afternoon to visit with the out of town relatives.

4-H Girls Hear Recreation Talk

Four-H junior club girls of Sacred Heart School at their January meeting heard a discussion on recreation. Mrs. Evelyn Yeatts, assistant home demonstration agent, met with the group and led the program. She also gave ten tips on recreation.

Donna Marie Rohmer brought the meeting to order with the 4-H Pledge. Karolyn Schoech vice president, read a story for inspiration. Patty Felderhoff called the roll.

Donna Kay Endres reported on the food groups and Laurie Wimmer told about the Christmas party. Donna Wimmer, reporter, counted 47 members present. Mrs. Ed Sicking, 4-H leader, attended the meeting.

Almost a million persons in the nation suffer from epilepsy.

Over \$47 Million Will Be Invested By TP & L in 1965

Texas Power & Light Company will spend \$47,043,000 in 1965 for construction of new facilities, W. W. Lynch, TP&L president reported.

A large part of the expenditure will be for work on three electric generating stations. Two of the units, Trinidad No. 6 between Athens and Corsicana, and Stryker Creek No. 2 in East Texas, with estimated maximum capabilities of 240,000 kilowatts and 500,000 kilowatts, will be completed in 1965 and 1966. Work will begin this year on the Valley No. 2 unit in North Texas. It has an estimated maximum capability of 550,000 kilowatts and will be completed in 1968.

To be constructed also in 1965 are several major transmission lines and new substations which will provide ample electric power for needs of TP&L customers.

Transmission lines will be constructed in Tyler, in the Collin-Denton-Dallas county areas and in the Richardson-Lavon areas. Substations will be built in Irving and Lufkin. Improvements also will be made to the Company's distribution system.

Lynch said that on a nationwide basis the electric industry in the U. S. will place in service 60.8 million kilowatts of new generating capacity from 1964 through 1968.

"This 60.8 million kilowatts is greater than all of the similar capacity in service in the country in 1948, which amounted to 56.6 million kilowatts," he stated. He added the United States leads the world in electric power resources with capacity equivalent to that of the next 5 nations combined and nearly three times that of the second-ranking Soviet Union.

Lynch concluded that the generating capability of the U. S. power systems will reach 305 million kilowatts by 1970 and 1.7 billion kilowatts by 2000. He said this tremendous amount of power will be one of the nation's greatest national resources in the future, just as the present power supply is today.

A farmer had planted a crop of flax, and had a tablecloth made from the linen he produced. Sometime later he re-

marked to a guest at dinner: "I grew this tablecloth myself." "Did you really?" the lady remarked with a little sarcasm. "How do you ever manage to grow such things?" "Promise you won't tell, medam?" he asked. She promised. "Well," he whispered solemnly, "I planted a napkin."

The house cat is believed to be a cross between the sacred cat of Egypt and the European wildcat.

"How many in your family?" the censes taker asked. "Me, the old man, the kid, the cow, and the cat," a harried housewife replied.

"And the politics of your family?" was the next question. "Mixed," was the answer. "I'm a Republican, the old man's a Democrat, the kid's wet, the cow's dry, and the cat's on the fence."

HAPPY BRIDE... she's moving into an ELECTRICALLY HEATED HOME!
Happy bride... happy groom... smart couple because they've selected flameless electric heating for their new home.
Electric heating provides amazingly even temperature control... no cold spots or sudden drafts of hot air. It lets furniture, walls and curtains stay fresh longer because there's no fuel combustion.
Cost? Electric heating is your best buy today and in the years ahead. Electricity is the only fuel whose cost trend has been consistently downward... now less than half that of 25 years ago... and TP&L's home-heating rate is now as low as 1¢ per kilowatt-hour.
Like to know exactly what it would cost to heat your home electrically? See any of the firms in your area displaying the "Certified Electric Heating Dealer" emblem... ask about the written two-year guarantee on the cost of operation of an electric heating system and all other electrical equipment in your home.

So perfect the COST OF OPERATION CAN BE GUARANTEED in writing!

Lindsay News

CCD discussion club leaders met in the rectory with Father John Monday night to review the lesson the groups will study at their January meetings.

Mr. and Mrs. Pete Helling Jr. and daughters joined her parents, the Matt Mullers of Muenster, on a trip to Arlington Sunday to visit her sister and family, the C. D. Richards.

Father John has announced Forty Hours Devotion for St. Peter's Parish Jan. 31, Feb. 1 and 2.

Theo Schmitz and Theresa Loerwald joined a reunion of the Loerwald family in Muenster Sunday at the home of their niece and sister, Mrs. Al Walterscheid. It was the first time in 18 years that the three Loerwald sisters and two brothers were all together at the same time.

Three adult 4-H Club leaders from Lindsay were among those at the training program for 4-H Clothing Leaders in Gainesville this week Wednesday and Thursday. They were Mmes. Ed Schad, Al Bengfort and Bruno Zimmerer. Training was conducted by Miss Elton Tinsley, director of education for Singer Company. The program is sponsored by the Texas Agriculture Extension Service in cooperation with the National Committee on Boys and Girls Club and the Singer Sewing Machine Co. A similar program will be held in February. Only 4-H leaders are eligible.

Out of Town Kin At Martin Funeral

Among out of town relatives and friends at the funeral of Frank Martin were Mr. and Mrs. Marvin Hillard of Detroit, Mich., Roy Martin of Redondo Beach, Calif., Miss Irene Martin, Mrs. Freda Gardner, Mr. and Mrs. Ed Martin and daughter Joyce, Tom Oldman, E. D. Baker and Joe Wagner, all of Dallas.

Mr. and Mrs. Richard Martin and daughter Linda of Fort Worth, Mrs. John Roe and Mr. and Mrs. Bill Roe of Whitesboro, Mr. and Mrs. Chester Riddles of Valley View, Mr. and Mrs. Anton Doerr Jr. and son John and Mr. and Mrs. Clem Doerr, all of Cleburne.

Contest Closes

Lindsay Craft Club's Gold Bond contest conducted at school closed Monday and leaders picked up boxes which had been placed in each classroom. Results of the contest were not announced this week, awaiting a meeting of the leaders to count points to determine which room will be winner.

Girl Group Paints Project at Home

Cold weather Monday cancelled the regular meeting of craft club girls headed by Mrs. Norbert Rohmer but the group continued on the current project at home.

Mrs. Rohmer sent the girls' quilt blocks to school and they took them home. The blocks are painted with ball point paints secured through the club's Gold Bond project.

Lindsay Hi Teams Lose to Saint Jo And Callisburg

Lindsay High's boys and girls lost all of their basketball games of the past week. Last week Friday the girls dropped a 35-20 decision to Callisburg and the boys lost 56-36. Tuesday at Saint Jo the girls lost 41-28 and the boys dropped a 53-52 thriller.

Both girls games were one sided and Patsy Zimmerer was the leading Lindsay scorer in each, with 14 and 18 respectively.

Playing Callisburg the Knights had three good quarters and kept the count close. But a Wildcat rampage in the fourth jumped the lead to 20 points. Ronnie Fuhrmann hit 16 for his team.

The tussle with the Panthers gave fans their money's worth. Lindsay had a slim 32-28 lead at the half, Saint Jo got ahead in the third quarter, and Lindsay came back for a brief lead in the fourth before Saint Jo finally took the lead and held on for the final one point margin. Actually the game was lost on the foul line. Knights hit only 2 of their 12 tries. Top scorers for Lindsay were Fuhrmann 22 and Zimmerer 14.

Hacker Family Gathers to Visit Sister Frowina

Home of Mr. and Mrs. John Hacker was the gathering place Sunday for the relationship to visit Sister Frowina Hacker who came to Muenster on a surprise visit for the weekend. Sister and Miss Katie Hacker were diner guests and the rest of the relationship and friends spent the afternoon.

These included Mr. and Mrs. Ed Hacker and son Larry of Valley View, Miss Joyce Hacker of Denton, Mr. and Mrs. Joe Strittmatter and family of Pilot Point, Mrs. Clyde Muller and daughters Debbie and Vickie, and Mr. and Mrs. Frank Hacker and children Alvin and Leona.

The group remembered that the day was the 28th wedding anniversary of Mr. and Mrs. John Hacker and voiced a round of congratulations.

Sister Frowina made the trip with Rev. Mother Philippa and three other nuns from Jonesboro.

YOUNG TEXAN FOR DECEMBER — Frank P. (Pete) Brinkman III of Tyler has been selected by Texas Optimist Clubs to receive the Troy V. Post Award designating him Young Texan of the Month. Pete, 17, is a senior and president of the student council at Tyler Catholic High School. He has the top scholastic average in school, is halfback on the football team and a Boy Scout. Pete and the 11 other monthly winners will compete for valuable scholarships to be awarded at the statewide Troy Post Awards Banquet in Austin on February 27, 1965. He was chosen Young Texan of the Month in competition with nominees throughout Texas by a panel of Texas leaders headed by U. S. Supreme Court Justice Tom C. Clark.

Muenster Native Is Featured in Puerto Rico Paper

Muenster was well publicized recently in Puerto Rico when the newspaper "El Mundo" carried a full page and a half page of pictures and story in its Saturday Supplement about Miss Judy Hellman, a native of Muenster, the daughter of Mr. and Mrs. P. W. Hellman of Tulsa, Okla.

Twenty-three year old Judy, now a resident of the island, is an aviation instructor, one of the few women instructors, and the youngest in Puerto Rico. She works for Caribbean Distributors, Inc., in San Juan.

The lengthy story tells that Judy was born in Muenster and was initiated into aviation the summer after high school in Tulsa. Her dad, also a flying enthusiast, took her to an air show and it was then she decided that "to fly is to live."

But she went to college at OSU, majored in English and earned her B. A. degree. It was during college summers that she entered a program for pilots offered by the University. She got her student's private and permanent license in 1961.

Before graduation from college she passed examinations for an instructor's rating which was approved in 1963.

During college days she was a member of the team of Flying Aggies at OSU. She has made 34 parachute jumps and won various trophies in different events including navigation and precision landing. In 1962 she was the only girl on the otherwise all-boy team. For two consecutive years she won the trophy naming her the best pilot of her sex at the University.

During the summer she also worked as a camp counselor and taught water skiing.

After graduation she worked for a small airline in Tulsa and taught flying. When she saw an advertisement for an instructor in San Juan last fall she applied and got the job.

Flying is in the family, Judy says as she tells that her dad and mother both have pilot's licenses. They own a plane which they use for transportation and for pleasure.

The newspaper with the pictures and story is a treasured possession of the grandparents, Mr. and Mrs. J. M. Weinzapfel and Mrs. G. H. Hellman of Muenster.

Membership Drive For Farm Bureau Starts February 8

With a goal for an all time high membership, the Cooke County Farm Bureau is planning now for an intensive 1965 membership drive. At a meeting held Monday night, Jan. 4, Al Bengfort of Lindsay was named chairman of the drive and February 8 was set as the kick-off date.

A special state meeting for drive workers will be held in Dallas on February 4. Efforts are under way to have representatives from all communities of the county at that meeting.

Granville Hanks of Lone Star Fertilizer was introduced as a new member of the County FB.

cepting the help of eager and dedicated men.

Besides, there's another matter even more important than our country's part in the Southeast Asia venture. We have a sacred duty to allow the Chinese Nationalist their chance of remaining free and of turning back the reds.

Anyone knows what would develop if we were to pull

out of Vietnam. Red control of all Southeast Asia would soon be complete. And the next logical step would be to wipe out the opposition on Formosa, thereby removing the last obstacle to communist supremacy. In other words, if we quit in Vietnam we deny Nationalists their chance of saving the continent and at the same time doom them to slavery. It's not a pretty

thought, especially when we remember that we're to blame in the first place for Nationalist China's present predicament.

Before Almighty God and before all mankind we owe the men of Formosa a chance at survival and return to their rightful place in the world.

First U. S. Postal Card was issued on May 1, 1872.

The gallant suitor had gone overboard in presenting his fiancée's parents with expensive gifts—cigars and cuff links for the father, orchids and perfume for the mother. One day, tho, the father told him, "My boy, please discontinue showering us with gifts. But just in case you wish to pamper my principal desire, bring me a copy of your last income tax report."
