CREeping CAPITALISM

It is much too early to tell what economic course the new Soviet regime will pursue but the fact remains that the Communist nation which once threatened to "bury" capitalism has, instead, been borrowing capitalistic ideas. According to competent observers the introduction of free enterprise principles by Russia and her satellites has reached a very significant stage. Ironically, the biggest "cup of sugar" that Russia has bor-

rowed from our economic system is the profit motive, which had always been the prime target of Communist denunciations. Belatedly recognizing the vital role of profits in the achievement of economic well-being, Soviet planners have instituted a profit incentive program in a number of factories, to increase production. Managers and workers get bonuses if their plant shows a profit. Installment buying, once banned as a "capitalistic device to enslave workers" is

now permitted and the volume is climbing rapidly. Last year, consumer credit hit \$2.3 billion.

Czechoslovakia is putting into practice a new system of economic management under which individual businesses will be allowed much more latitude than in the past, and the amount of profit will determine the wages and bonuses paid workers. In Bulgaria more than 50 industrial enterprises are experimenting with profit motives and free competition, while state subsidies have been withdrawn.

Along the agricultural front, the "private plot" program is expanding throughout the Soviet bloc. This permits small-scale farmers to sell their produce in the open market. As a result of this special inducement the private plots are out-producing the "collectives" and immense state farms. Like kids who cheat in school, the Soviets know from whom to copy.

A NEW SIN

A few days ago, a priest in Chicago called moving traffic violations "one of the new sins that have arisen since Moses received the Ten Commandments."

The Reverend John S. Banahan told a conclave of traffic judges, prosecutors and clergymen that he wished his parishioners would include their "traffic sins" in their confessions.

This is not a bad idea. It might encourage more drivers to stay alive long enough at least to get to church. They are hardly doing so now. The National Safety Council's latest semi-annual traffic accident data shows a 12 percent increase in the national traffic accident death rate. There were 21,280 victims in the first half of this year — 2,240 more than last year, and a new all time high, following the 1962 all time high, following the 1961 . . . and so on, ad nauseam.

Is it not odd that in this country the people choose the automobile as their favorite weapon of aggression? Maybe the reformers who want to limit gun sales are shooting at the wrong target!

For ourselves, we would rather not limit anything that doesn't need limiting. But we can only agree with the insurance people who are calling for a more positive and intelligent method of driver qualification.

This plea was put in temperate and sensible language by Kemper Insurance in a recent "Call To Action" addressed to press and public. Pointing to the surprising frequency of accidents involving drinkers and young people, Kemper made the reasonable suggestion that there are some causes of accidents that merit immediate public consideration to be followed by whatever action seems necessary.

Something should certainly be done about the little-regarded fact that 30 percent of drivers involved in accidents are in the "under-25" age group, which comprises only 17.7 percent of all drivers.

Something should certainly be done about the even less regarded fact that autopsies show alcohol in 43 percent to 60 percent (depending on the state) of all driver fatalities.

Two buckets of live crabs side by side at the fish market, were labeled "\$1.50 a dozen," and "\$2 a dozen." A dowager viewed them and suddenly a crab from the \$1.50 dozen tub climbed up with much effort and dropped into the \$2 a dozen tub.

"That's the sort of thing," the dowager told her companion, "which could only happen in America."

"WE'LL BURY CAPITALISM!"

UNCHANGED

The world is anxiously waiting to learn what the ouster of Premier Khrushchev will portend.

Many of us had just learned to spell Khrushchev and now we've got to go to work on some new names — like Alexi Kosygin and Leonid Brezhnev who are said to have taken over Khrushchev's posts. But difficulty with spelling is apt to be the most minor problem involved in the change. No matter how they're spelled, the names still come out Communist.

It is said that Khrushchev was deposed because of his policy of peaceful co-existence (and what a farce that was), the continued failure of Soviet agriculture, and the split with the Chinese Communist Party. Karl Marx set out in detail the long-range objective of the Communists long ago in his Communist Manifesto — world domination. Perhaps Khrushchev wasn't getting there fast enough to suit the Presidium

which ramrods the Communist show.

In any event, no matter what personnel changes are made in the Red hierarchy, the Marxist goal of the Communists remains unchanged. —Sturgis, S.D., Black Hills Press.

... WASHINGTON SLEPT HERE

Washington — your federal city — has the largest number of municipal employees in the country among cities of comparable size.

The Commerce Department gathered statistics that show: Washington's sanitation department employs 2,515 men. This compares with the national average of 987.

Washington's highway department employs 1,366, com-

pared with the national average of 568.

Washington's police department, which seems to have more problems than it can cope with, cannot count personnel among these. Its authorized strength is 3,033. National average: 1,721.

And so on.

That's how Washington takes care of its own affairs. Want it to take care of your city?

- "This ad kills me..."
- "Incredible!"
- "Ridiculous!"
- "Far fetched!"
- "Hooley!"

To the 5 out of 10 people who didn't believe this ad... a sporting proposition

Take a no-obligation test drive in a 1965 Ford. Maybe you just couldn't believe the ad (reprinted above) which appeared in this paper a few weeks ago. After all, many consider Rolls-Royce to be one of the world's finest cars. But Ford does ride quieter. The world's leading acoustical experts (Bolt, Beranek and Newman, Inc.) made the tests. The U.S. Auto Club certified the results.

This year's Ford has the strongest body ever... a revolutionary new frame that "tunes out" vibrations... new ultrasoft coil-spring suspensions—all contributing to the new hushed ride. But the ride is only part of what's new.

- New swept-back instrument panel adds five inches extra knee room.
- Transmission tunnel is lower than in competing cars for extra foot room.
- Trunk has more usable space than ever—holds four 2-suiters standing upright.
- New ultra-luxurious LTD series — unmatched by any other car in Ford's class.
- Silent-Flo ventilation (standard on 4-door hardtops) removes stale air, provides fresh air even with all windows closed.
- Exclusive new twin-edge key—works with either side up.
- Hot, but hushed, 289-cu. in. V-8 is standard equipment in XL and LTD models.
- Smooth, thrifty all-new Big Six in other models—the most powerful standard Six offered by any car in Ford's class.
- V-8 options to 425 hp.
- All Ford automatic transmissions have 3 speeds, not 2 as in many competing cars.
- Fully synchronized manual transmissions—you can even shift down to first without clashing gears.

If all this sounds like a lot for one car to offer... take a test drive. See why more people are buying Fords than ever before in post-war history.

Chemistry - Biology Departments At Sacred Heart Get Additions

Changing trends in teaching methods, advancement of student-learning levels and large classes have prompted the enlargement and enrichment of biology and chemistry curriculum at Sacred Heart High School.

The department under the direction of Sister Barbara has added a third chemistry lab table, new and large, sink area on all tables, glass-enclosed storage shelves in the biology room, and a large amount of chemicals and student equipment.

The students of the biology class have made singular contributions. One class project has been the purchase of a thirty-gallon aquarium to be stocked and used as a source of experimental material for the year's work.

Joe David Bayer, son of Mr. and Mrs. Alfred Bayer, has constructed several screened cages in which the class proudly displays their collection of

live snakes. These "friends from the wild" have been contributed by interested grade and high school students.

Enterprising biology students are attempting to reassemble the skeleton of a dog carried home from an earlier Saturday field trip. On the agenda for the year is the reassembling of a cow skeleton.

A completed project houses seven five-week old chicks, survivors of an embryological development study. Beginning with the second day of incubation, the students opened one or two eggs on each of the succeeding days, observing the major steps in chick development.

Various ideas are being considered in anticipation of a spring science exhibit.

A major project under way is the purchase of a sufficient number of professional microscopes for individual student use. These are essential for protozoan structure-and-population study, examination of minute biological structures and knowledge of both beneficial and destructive bacteria.

Sister Barbara requests that hunters and fishermen contact her before disposing of any small animals. Some can be used for dissection while others can be added to the school collection of specimens. Any contributions will be appreciated.

Sister Barbara holds her B.S. in Biology and Chemistry from St. Mary's, Notre Dame, Ind. She is currently enrolled in the summer Teacher Training Program for Master of Science at N. D. University.

Cubs End Season In 38-6 Win Over Gainesville Kids

Walter Wolf's Sacred Heart Cubs closed their season at Gainesville Tuesday night with a 38-6 win over the Seventh Graders of Gainesville Junior High. Most of the game was played in a heavy rain.

The Cubs made a slow start, fumbling the ball away the first three times they got possession of it. The third one, on the Cub 39, seemed to inspire the quickie drive that gave Gainesville its only score. Three plays made the distance.

First play after the kickoff that followed put Sacred Heart very much back into the game. Clifford Sicking went 65 to the goal and also went over again for extra points, making the count 8-6 at the end of the first quarter.

Next one started when Kenneth Stoffels intercepted on the 11. From there they made 89 in 6 plays. Sicking gained 41 on 4 tries, Leroy Hess gained 36 and Alcuin Schilling scored from the 12. Sicking added two points.

Starting the third period Sicking carried twice for 10 and 49, to score the third TD. On the kickoff that followed Hess booted into the end zone. The Gainesville receiver elected to run anyway and was caught behind the line. The safety raised Sacred Heart's score to 24-6.

Still in the third period Sacred Heart completed another drive. It went 69 yards in 5 plays and the pay off was a run by Hess for 27.

In the last period Cub reserves did most of the playing. 37 boys made the trip and all got into the game. The final TD came in that period as Alcuin Schilling blocked a kick and recovered it in the end zone. Sicking went over for bonus points.

Muenster Juniors Nip Lindsay 16-6 In Slosly Battle

The Juniors of Muenster Public School broke their losing streak Tuesday night nudging the Lindsay kids by a score of 16-6. The game was played on the local field, through rainfall from beginning to end.

The visiting Lindsay boys were first to get on the score board. A long sustained drive in the first period ground out the yardage for the touchdown.

Muenster tied the count in the second period on a dandy 35 yard run by Sammy Sparkman and took the lead on Larry Wallace's run for extra points.

Again in the next period Wallace, on a double reverse play, got loose and sailed around right end for 70 yards and the second touchdown. Wallace also added extra points.

The rest of the game was an offensive battle. Both teams made nice drives but were not able to finish the jobs. Fumbles were frequent, with the wet ball and slosly field. At one time Lindsay made a fine drive and then fumbled inside the 10.

Miss Trubenbach And Alfred Hermes Say Vows at Mass

— Boyd and Breeding Photo

Miss Charlotte Trubenbach became the bride of Alfred (Fritz) Hermes in an afternoon nuptial service in Sacred Heart Church Saturday, Nov. 7. Father Alcuin Kubis celebrated the mass and presided for the exchange of vows in a double ring ceremony at 4 p.m.

The bride is the daughter of Mr. and Mrs. Joe Trubenbach of Muenster. Parents of the groom are Mr. and Mrs. Joe Hermes of Lindsay.

For her wedding the bride chose a formal gown of white peau de soie and Alencon lace. It was designed with a fitted bodice, bateau neckline and long sleeves. The slim skirt was topped with an over-skirt, that swept into a semi-train. She was given in marriage by her father.

A crown of lace and seed pearls held the bride's fingertip veil and her flowers were white roses atop her prayer book, a gift from the groom. For something old and borrowed she carried a white handkerchief that her grandmother, Mrs. Tony Trubenbach Sr., carried at her wedding 55 years ago.

Miss Janice Trubenbach was her sister's maid of honor and the groom's sister, Mrs. Hank Walterscheid, was bridesmaid. They wore avocado green brocade dresses with gold overlay. Their open-crown hats with circular veils matched their dresses. Each carried a single gold mum.

Brothers of the couple attended the groom. Johnny Hermes was best man and Wayne Trubenbach was groomsmen. Pat Klement and Gilbert Hermes were ushers.

Anthony Luke and the men's choir presented music for the mass. Before the service Mrs. Norbert Walterscheid and Mrs. David Walterscheid sang a duet. After the service Mrs. Norbert Walterscheid was solo-

ist when the bride placed the traditional bouquet on the Blessed Virgin's altar.

Wedding reception and buffet catered by Mrs. Joe Lehnertz were in the Parish Hall, some 300 guests attending. They were registered by Mrs. Harvey Schmitt and Miss Margie Knabe. The wedding dance was in the VFW Hall.

Mrs. Trubenbach attended her daughter's wedding in a moss green knit sheath with beige accessories. The groom's mother wore a two-piece royal blue dress with black accessories. Both had corsages of miniature yellow mums.

When the newlyweds left on their honeymoon, not revealing their destination, she was wearing a two-piece gray suit with black accessories.

They will be at home in Gainesville at 1303 Fair Ave. He is employed by Dowell Chemical Co. and she's a beautician at Vanity Fair Beauty Shop.

Attend Wedding Of Kin in Pampa

Mr. and Mrs. W. L. Scoggins, Mrs. Harry Scoggins and children Bobby and Vickie attended the wedding of the Scoggins' granddaughter Nov. 6 in Pampa. Joining them there were Mr. and Mrs. Carl Hanza Jr. and daughters Marie and Carrie of Gotobo, Okla. Mrs. Hanza is the former Yvonne Scoggins.

Miss Brenda Rogers became the bride of Riley S. Walters Jr. in a 6 p.m. service in Barrett Baptist Church in Pampa with the pastor, the Rev. M. B. Smith officiating.

The bride is the daughter of Mr. and Mrs. B. M. Rogers and the groom is the son of Mr. and Mrs. Riley S. Walters, all of Pampa.

The bride's brother Stephen Rogers was candle lighter. Mr. and Mrs. Douglas Rogers, brother and sister-in-law of the bride were honor attendants. Carla and Robbie Walters, sister and brother of the groom were junior attendants.

B. M. Rogers sang "I Love You Always" and then presented his daughter for marriage. Wedding reception was held in Fellowship Hall at the church. Mrs. Harry Scoggins was one of the hostesses serving cake and punch.

On the way back home the five Scoggins stopped in Wichita Falls to visit the V. K. Barriers who were unable to attend their niece's wedding.

About 70,000 visitors are attracted each year to the observation deck atop the 27-story Tower which is The University of Texas' visual symbol around the world. The Tower, completed in 1937, is 307 feet tall, higher than any other building in Austin. March is invariably the favorite month for viewing the city and surrounding area from the Tower. Almost 8,000 people visited the observation deck in March of last year. The observation deck is open from 8 a.m. to 5 p.m. Monday through Saturday and from 1 to 5 p.m. Sunday. Children under 16 are not allowed on the deck unless they are accompanied by an adult.

Garden Club Sets Benefit Bake Sale For December 12

Münster Civic League and Garden Club members have set their annual benefit bake sale for December 12. That was the date chosen by the group at their meeting Monday night.

Mrs. Joe Galloway was hostess in her home with Mrs. Ted Gremminger as co-hostess.

Mrs. Henry Weinzapfel conducted the business session and committee chairmen gave their reports. Mrs. Tony Gremminger reported the largest cemetery collection to date. Over \$500 has come in for the cemetery fund through the Nov. 1 church door collections and other voluntary contributions either handed to or mailed to the committee. She also turned in additional profits from greeting card sales for the hospital landscaping fund.

It was announced that the home economist from Lone Star Gas Company will present a program Wednesday night, Nov. 18, in the Public School home ec room. It's a free demonstration on Preparing and Packaging Foods for Christmas.

The program featured a short study on peonies led by Mrs. Donald Bayer and a study of leaves and fruits of plants by Mrs. John Mosman. The hostesses served refreshments carrying out the Thanksgiving theme from a table centered with a cornucopia of fruits and nuts.

Seventeen members and two guests, Mrs. Martin Kralicke and Mrs. Walter Grewing, were present.

Nurses on US Tour

Seeing the U.S.A. are Misses Elaine Schmitt and Pat Bormes, registered nurses whose homes are in Yakima, Wash. Elaine is the daughter of former Münsterites Mr. and Mrs. Leo Schmitt.

They spent four days here last week as houseguests of Elaine's grandmother, Mrs. J. W. Hess, enroute from the east coast to the west coast. They spent seven months nursing in New York City and seeing the sights. Then toured the New England states. From Münster Saturday they headed for Louisiana, Florida and California. They'll work next in Seattle, Wash.

BIRTHS

From Bossier City, La. comes announcement of the birth of a daughter to Mr. and Mrs. Leroy Schmitz. Their other children are boys, Tommy and Kevin. The new baby, born Oct. 2, has been named Rosemary. John Schmitz of Thackerville, formerly of Lindsay, is the paternal grandfather. The maternal grandparents live in Dallas. Mr. and Mrs. Al Horn have been asked to be godparents for their new niece. They plan to spend the weekend with her brother and family.

Birthday Dinner Has Two Honorees

A dinner party Sunday honored Father Harry Fisher and his grand-nephew Jimmy Schwartz when Mr. and Mrs. Henry Pick were hosts in their home entertaining for her brother and their grandson. Both have birthdays on Nov. 6. Jimmy was 3.

Others present were Mr. and Mrs. Jim Schwartz and their other son Phil of Fort Worth.

A birthday cake centered the table and there were gifts for both honorees. Father Harry was over from Gainesville and attended the open house at Cains' rest home before returning.

St. Joseph Society Has Business Meet

Planning ahead, members of St. Joseph's Society at their recent meeting discussed arrangements for their annual New Year's dinner - dance. Committees are in charge of the details which will include a Bohemian band.

In other business the men were encouraged to attend the district meeting of the Catholic State League in Scotland Nov. 15.

Dan Haverkamp announced that the club house is available for private parties. Also for rent at a nominal fee are the club's chairs and tables. Forty-four members were present. Sylvan Walterscheid, president, conducted the meeting in the presence of Father Bruno who led the opening and closing prayer.

Mr. and Mrs. C. C. Hogan and Mrs. Charles Hogan and children of Fort Worth were among guests of the Dick Cains Sunday and attended the open house party.

Mr. and Mrs. Melvin Schumacher and family of Gainesville spent Sunday with her parents, the Ted Gremmingers. It was the twin boys' first visit to Münster, and other relatives stopped in to see infants Gary and Jerry Schumacher.

Weekending with Mrs. Joe Luke and visiting Mr. Luke at the hospital were their son and family, the Norman Lukes of Shreveport, La., and Mrs. Norman Luke's sister Miss Cecile Schaefer also of Shreveport. Thursday visitor with the Lukes was a cousin, Mrs. Oliver Stone of Robstown.

Mrs. J. A. Sanders of Fort Worth was back one day the past week to have lunch with the Joe Linns after visiting over night with her sister Mrs. M. A. Slaughter in Gainesville.

Five former school mates are house mates since they work and live in Dallas. Their Royal Oaks apartment is manned, literally by an all man crew. They share cooking, washing, cleaning and other household chores. The five are Bobby Yosten, Lennie Vogel, Roger Fleitman, Lloyd Klement and Butch Hudspeth.

LaVerne Otto Wins Queen Contest for SHH Homecoming

Miss LaVerne Otto, a senior at Sacred Heart High School has captured the Tigers' crown and will reign over homecoming festivities Saturday, Nov. 14. She's a brunette and the daughter of Mr. and Mrs. John Otto.

Results of the contest were tabulated Monday after four candidates, one from each of the high school classes, wound up an intensive vote gathering campaign.

Miss Otto was in the lead with 69,755 votes. Runner-up is Cathy Derichswieler, junior, with 35,125 votes. Gloria Gieb, sophomore candidate, ended the race with 26,535 votes and Sandra Sicking, freshman contender, gathering up 26,693 votes for third place.

The three will be princesses in the queen's court.

Crowning ceremonies will take place on the football field before the homecoming game with Bishop Lynch High.

New Employee for Colonial Acres

Colonial Acres Farm has added a new employee, Alex Sakellaris, who is in charge as feeder and groomer for the Medders' red and black Angus cattle.

He was with Black Mark at Louisville, Texas, until the recent dispersal of that herd.

Alex and his wife Ann and two-year-old son Travis are living in Gainesville at Shadwood Apartments until living quarters become available here.

Father Joe Weinzapfel of Dallas drove over for a Wednesday afternoon visit with his parents.

Margie Hess Is Queen at Lindsay '64 Homecoming

Miss Margie Hess, daughter of Mr. and Mrs. Henry Hess, was crowned homecoming queen at Lindsay Friday night. The coronation ceremony

preceded the football game with Community High and was a joyous occasion with the homecoming crowd applauding the winner. Queen Margie was one of four high school seniors chosen by the class. The final decision was made by the football squad. All four of the girls wore

pink two-piece suits and mums corsages. Co-captain Ronnie Zimmerer did the honors of crowning and co-captain Ronnie Fuhrmann presented a bouquet of red roses to the new queen.

Others in the ceremony were Jimmy Arendt, crown bearer and Sharon Hess and

Pam Fuhrmann, pages. The high school student body participated by forming a V on the field.

After the formalities Queen Margie went to Gainesville Hospital to show her mother the crown and flowers. Then she reigned over the homecoming game.

Frank Haverkamp, Weldon Bezner, and the Zimmerer Brothers (Henry, Bruno and Vincent) proudly present this modern new building as the first step in the development of Park View Acres, a 25 acre site in the northeast part of Lindsay, to be platted and improved for residential and commercial construction.

Behind the counter of Cut Rate Bottle Shop are Bruno Zimmerer, Vincent Zimmerer, Frank Haverkamp, Weldon Bezner, Joe B. Hundt, and Henry Zimmerer. The Zimmerers and Bezner are co-owners, Haverkamp is co-owner and manager, Hundt is assistant manager.

The wine cellar, two steps down from the floor level, is the connoisseur's department of Cut Rate Bottle Shop. Featured there is a large variety of fine wines and champagnes imported from famous wine producers of the old world and this country. Frank Haverkamp points out that bottles here are stored lying down, as in the old wine cellars of Europe, and shelving is built especially for such storage.

Local News BRIEFS

Cooke County visitor this week is Sister Anacletus of Clarksville, Ark., dividing time between her sisters, Mrs. Adam Wolf Sr. at Gainesville and Mrs. Robert Knabe in Muenster. She's trying to see all the nieces and nephews too. First part of her trip was spent in Windthorst with relatives.

Weekending in Eldorado were Mr. and Mrs. J. J. Haverkamp and their son and family, the Ferd Haverkamps, Leroy and Jimmy. They were guests of the Troy Coopers, daughter and son-in-law of the J. J. Haverkamps.

Mr. and Mrs. Joe Hoenig went to Irving Sunday to spend the day with their son and his wife, the Raymond Hoenigs, and join in a birthday dinner honoring Raymond.

Weekend visitors at the home of Russ Linn and son Jack Linn made a complete family reunion. The guests were Mr. and Mrs. Jim Minto and daughter Michelle, Mr. and Mrs. Ray Smith and sons Craig and Pick Hemphill, all of Dallas, and the Tommy Linas and son Jerry of Gainesville.

Mr. and Mrs. Al Yosten were in Celina Sunday to spend the day with her dad Joe Tischler. Other family members were there too. Joining in the get-together were Mr. and Mrs. Homer Savage of Garland, the Charlie Tischlers and family of Pilot Point and the Justin Jezeks of Celina.

Mr. and Mrs. Martin Boyd of Fort Worth have let her grandmother, Mrs. Henry Stelzer, know that they are settled in their new home in Forest Hills. It's a three-bedroom brick with central heat and air.

Mrs. John Pappas of Jacksonville, Fla., the former Florentine Trubenbach of Muenster, has advised they escaped "Hilda" but "Ethel" was the vicious one there. They watched the St. John's tides . . . they are only two blocks from the mighty river. The children liked using hurricane lamps and transistors. The family suffered no personal or property damage.

Mrs. Oscar Detten spent two weeks in Amarillo with her children and grandchildren . . . came back in time to get organized during the weekend at Golden Years Rest Home where she is kitchen supervisor and dietitian.

Virgil Hess who has been working in Perryton is at home for a visit with his parents, Mr. and Mrs. Albert Hess and family. He came home Sunday with his dad and Mr. and Mrs. R. D. Morris who spent the weekend at Perryton with the Johnny Morrises.

Mr. and Mrs. Ernest Medders had as guests Sunday Melton Ezell, his parents and a friend of Wayne, Okla. Melton Ezell is a senior at Oklahoma State University and runs a herd of cattle at Wayne where the family lives. He selected a Black Angus bull for his herd and will be back to get it. The animal is a son of Great Oaks Bardolomere 60, herd bull for Colonial Acres Farm.

Mr. and Mrs. Joe Spaeth and children of Longview spent the weekend with their families. They were with her parents, the John Rohmers, Saturday and joined in a family reunion honoring his mother Mrs. George Spaeth Sunday.

Gary Hess has added five more pure bred Charolais to the herd he is building. The new animals are a cow and four heifers and make eight of the Charolais he has purchased to date.

7 Families Change Homes in Moves; 2 Are Newcomers

Five families have changed homes in Muenster and two families are new coming from California.

The newcomers are Mr. and Mrs. Bill Streng, their son George William and their daughter Colleen who moved here from Santa Maria, Calif., and will be in the dairy business on the farm of his parents, the Henry Strengs. Colleen is a student at Muenster Public School.

The Strengs married daughter and her family also moved here from California. They are Mr. and Mrs. Raymond Heathcock and daughters Ruth Ann, 4, and Patricia, 15 months.

In local moves the Andy Monday family moved from the country to their town home which had been occupied by Mr. and Mrs. Anthony Grewing. The Grewings moved into the place formerly occupied by the Fred Hoedebecks.

The Schenk farm place vacated by the Mondays has become the home of the Eddie Hacker family.

Mr. and Mrs. Carl Moody and son moved from Andy Yosten's rent house to the L. A. Bernauer rent house, corner of Sixth and N. Oak. The place the Moodys vacated is now the home of Mr. and Mrs. Leon Hess who moved there from the Gehrig Estate house, corner of Second and Oak.

Return from Trip To Spokane, Wash.

Back in Muenster after a visit in Spokane, Wash., are Joe Lehnertz and Mrs. G. H. Hellmen. They drove out with their son and nephews, Claude Lehnertz and Walter Fette, when they returned after vacationing in Muenster and came back Friday with Don Lehnertz who is on vacation here now.

In Spokane the Muenster pair were guests of the five Lehnertz brothers, Gene, Don, David and Claude, who own and operate the famous Longhorn Barbecue, and Quintin, who is farming near Spokane. Together the group went hunting—had marvelous luck with pheasants—and got a deer. Mrs. Hellman and Mr. Lehnertz also enjoyed seeing some of the Klement relationship. They brought back a potato from the Lehnertz boys' garden. It's a red potato, weighs three and a half pounds.

Rural Carriers Leave Cards for Livestock Survey

Rural mail carriers from the Muenster Post Office will leave some livestock survey cards along their routes beginning November 13.

"Information reported on these cards is used to set the yearly inventory of livestock and poultry on Texas farms," Postmaster Arthur Endres explained.

Rural carriers distribute the cards at random in boxes along their routes.

"This means that not every box will get a card," Mr. Endres said. "For this reason, it's important for everyone who gets a card to return it filled out so that USDA can get a true sample of the State's livestock holdings."

Carriers assisting with the survey are: Edward W. Endres, Route 1, and Henry J. Pels, Route 2.

Facts and figures secured in this survey are the basis for Texas and National pig crop report and inventories of livestock and poultry on farms as of the first of the year. Stockmen and many other use this information in making business decisions.

Survey results will be widely distributed through Texas Crop and Livestock Reporting Service releases, newspapers, farm magazines, radio, and television.

In Texas . . . after bowling, beer is a natural

After you've bowled a game or two, or when you're winding up the evening at the neighborhood bowling center, it's good to relax with friends and compare scores. What better way to add to the sport and the sociableness than with a refreshing glass of beer? However you take your fun--skiing, skating, or at your ease in the game room--beer always makes a welcome addition to the party.

Your familiar glass of beer is also a pleasurable reminder that we live in a land of personal freedom--and that our right to enjoy beer and ale, if we so desire, is just one, but an important one, of those personal freedoms.

Mrs. Spaeth's 80th Celebrated in Air And in Two States

"Never such a good birthday as the 80th" says Mrs. George Spaeth of Lindsay about her recent birthday. It was celebrated first in Arizona, then aboard a jet airliner, then in Lindsay, and finally Sunday in Muenster. The first observance came on Oct. 29, the actual date, while she and her daughter, Miss Frances Spaeth of Denison, were visiting in Tucson with another daughter and her family, the Mark Kutas. Enroute home there was a party on the plane with presentation of a special decorated cake to mark the occasion.

Back in Lindsay, Nov. 3, long-time lady friends of Mrs. Spaeth gathered at her home for an afternoon party and enjoyed among other refreshments the airline's cake.

The following day, Mrs. Andy Schoech prepared a dinner and took it to her mother's home. Guests were the honoree's brothers and their wives, the Bill and Frank Sandmanns.

Sunday's celebration was in Muenster in the home of Mr. and Mrs. Arthur Felderhoff. This was a family reunion with Mrs. Spaeth's children and a number of grandchildren present for a total of 35.

These included Mr. and Mrs. Joe Spaeth of Longview, Messrs. and Mmes. Joe Kneupper and Henry Spaeth and children of Gainesville, the Wilfred Reiters and Andy Schoechs and children and the Lee Haverkamps, all of Muenster. Mrs. Henry Spaeth baked the handsome cake and decorated it with candles and an 80.

All the parties were gift occasions and Mrs. Spaeth has many useful and pretty remembrances of a happy 80th.

Lindsay News

Lindsay Knights end the football season Friday at Cad-do Mills. Game time is 7:30.

Delegates from St. Peter's Parish are getting ready to attend the North Texas District meeting of the Catholic State League in Scotland Sunday. Named by the men's society are Ray Hermes, Joe Hundt, Gregory Hundt and Clem Hermes Jr. St. Anne's Society named Mmes. Pete Block, Bill Eberhart, Henry and Bill Fleitman.

Discussion Club leaders met with Father John Walbe Monday night to re-organize the CCD study groups for a new season. First meetings will be held in the various homes Sunday night.

Lindsay's annual clothing drive for the world's needy started this week with St. Anne's Society in charge of details. The society has set the drive to end Friday and asks cooperation. Everyone is reminded to bring clothing, shoes and bedding to the Parish Hall this week so that the items can be shipped to reach the Holy Father's storehouse in time for Christmas distribution.

Gold Bond Group Paints at Meeting

The Gold Bond committee of Lindsay Craft Club met for November in the home of Mrs. Norbert Rohmer to count gold bond points and plan ahead.

During the meeting the hostess showed what she did with gold bond ball point paints. She displayed a bed spread, table cloth, baby quilt and a shift dress.

After that each member painted on an apron for herself, and the hostess served pie and coffee.

Members discussed means of acquiring more points and are reminding everyone to ask for validated covers for the craft club when redeeming filled books for Christmas gifts.

Liquor Store at Lindsay to Have Formal Opening

A new building, now open for business and planning a big formal opening Saturday is the first unit in a 25 acre site now under development in the northeast part of Lindsay.

The building is Cut Rate Bottle Shop owned and operated by Frank Haverkamp, Weldon Bezner and The Zimmerer Brothers, Henry, Bruno and Vincent.

The site, identified as Park View Acres and owned by the same five men, is located south of Highway 82 west of the FM road leading into the east part of the city of Lindsay. Their intention is to develop it for both residential and commercial construction.

The Bottle Shop is a handsome, modern building measuring 45x50 feet. It is made of Acme baked tile with two thirds of the north side and one third of the east side in plate glass. It is located a generous distance from the four lane highway allowing ample parking space and also two islands for desert gardens — featuring rocks, cactus, yucca and other desert growth. In front is an 8x10 foot electric sign in four colors.

The interior of the building is divided into store area, office, rest room, and storage. Walls in the store area are brick and panel wood, the floor is paver brick and the ceiling is suspended acoustical tile. It's a gold medallion building with electric furnace and air conditioner for year round temperature control.

Dominant feature inside is a carpeted wine cellar two steps down from the main floor. It has wines and champagnes from leading producers of this country and Europe, also follows their practice of lying bottles on the shelves instead of standing them. Shelves are built diagonally for that purpose.

Principle equipment items in the store are the long counter with Formica top, a 7-door walk-in refrigerator, a 2-door reach-in refrigerator, an ice making machine, plus shelving and racks for the stock.

Frank Haverkamp and Joe B. Hundt are manager and assistant manager of the liquor store. Their formal opening, to be held all day Saturday will end in a drawing for three attendance prizes with a total value of \$100. First one is \$50 in trade, second is \$35 in trade and the third is \$15 in trade. Anyone over 21 years of age may register for the drawing, which will be held at 10 o'clock.

Bro. Louis Packing For Africa Trip

Fond farewells were said Monday at Lindsay by Brother Louis Fuhrmann and his family, the H. S. Fuhrmanns. Brother Louis ended a three-week visit — his last for some time. He's headed for missionary work in Nigeria, Africa.

While he was at home the family had their first complete reunion in nine years. His sister, Sister Catherine Henry, came from Pasadena, Texas, to join the ones from Lindsay and Muenster.

Brother Louis is presently at his monastery in Subiaco, Ark., preparing for the trip by freighter to Africa. Going with him will be Brother Paul Halliburton, also of Subiaco. They will join four Benedictine priests from Subiaco who left in August 1963 and are operating a school similar to the American High School. Present enrollment is 180 boys.

The Brothers, working with the operation and maintenance of the school, will relieve the Reverend Fathers of some of those duties so they can devote more time to parish work. The Brothers were chosen by the Rt. Rev. Michael Lensing, Abbot of New Subiaco Abbey, for this new undertaking.

At leaving Brother Louis expressed thanks to all who remembered him with gifts and other kindnesses during his visit.

Craft Club Works On Quilt Blocks

Craft club girls headed by Mrs. Norbert Rohmer had their November craft session Monday after school in the Parish Hall. Mrs. Harold Schmitz assisted with the activity which consisted of painting quilt blocks with ball point paints secured through the Gold Bond project.

Twenty-two members were present and had refreshments. The children were reminded that the contest going on now will end on Thanksgiving and were urged to bring in their validated certificates.

not have a choice. They're stuck with the party's selection and can't do anything about it. To a limited degree the same applied here in several past elections. We had a choice of persons but not much choice if policy. This year it was different. The nation had a clear cut choice. It was a

real election. Even though conservatives were clobbered they had the satisfaction of having their say, and most of them are hoping they will have the same satisfaction from now on.

Liberal GOPs, if they have a sense of fair play, ought to take that factor into account. The decent thing for them to do is to join the party that fits their policy, as they did during the campaign, and not continue their effort to foul up the organization they would not support.

Indications now are that policies of our two major political parties are more sharply defined than they have been for several decades. Let's keep it that way. Let's give voters a choice from now on, and, in the real tradition of the American system, let the wish of the majority prevail.

The important thing for the good of our country is to give people a real opportunity to express themselves. And it's better for the voters too, even when they're losers. The disappointment of being swamped isn't as bad as the frustration of being ignored.
