VOLUME XXXIX

MUENSTER, COOKE COUNTY, TEXAS 76252 MARCH 12, 1976

NUMBER 16

Along with the big hassle in Congress over the proposed military budget of \$112.7 billion, some of the doves have been mouthing off about fringe benefits for service men, particularly the savings possible in commissaries and post exchanges. The charges stand out as good examples of that old motto about people in glass houses throwing stones.

Senator Barry Goldwater lowered the boom on the critics, enumerating a long list of fringe benefits that congressmen themselves are enjoying at the expense of taxpayers. He started by pointing out that Senate and House restaurants and basement stores are comparable to commissary and PX in that they are heavily subsidized so that the lawmakers can buy at reduced prices.

The senator continues: "Like the military, we have free haircuts and free towels, and even add gratis combs and hairbrushes. We, too have fine gymnasiums and pools. "Pictures for display in our offices are framed free of charge. Our own side benefits range all the way from free shoeshines and haircuts to ascending amounts for travel, greatly increased staff allowances, and political contributions available for special purposes.

"At the Capitol, legislators have fine medical offices, courtesy of the taxpayers. We have free medical examinations on a priority basis — no waiting. And free prescriptions are included.

"We pay no income tax to the District of Columbia, even if we live within the federal city. And we are allowed \$3,000 tax deduction for living expenses away from our home states.

"Each Congressman is supplied with a \$1,000 set of law books that are his to keep when he leaves the office. Our parking garages are magnificent. Up here on the Hill, we have been increasing our staffs and our committees so rapidly that we long ago ran out of room, but not money.

"And we have our rooms for cocktail parties and dinner parties for free — and help when we want it, for free. Summed up, we take pretty good care of ourselves."

The Senator adds that members of the military should not be above criticism, and any abuses should be exposed and corrected. But when the doves complain about fringe benefits being too extravagant for the military, they are out of line. If they want to save they really ought to start at home.

Of course we realize that complaints about personal inducement to service men are only nit picking compared with the military budget as a whole. The real beef of the objectors is the proposal to increase this country's over all military strength. Convinced by their own idealism or influenced by the detente propaganda that communists are spreading over the country, those people argue that the money could be spent more wisely and more humanely on social programs.

No one will deny that their program is more desirable. Everybody agrees that it is better to concentrate on improving our way of life than to make these expensive preparations for death and destruction. But the objectors ignore the most important point. That is that the Soviets are expanding their military as fast as possible, and prudence demands that we maintain the capability to defend ourselves if that power should challenge us.

Well, it is a documented fact that the Russians are already ahead of us in power and still gaining, as shown in a recently completed study by the Library of Congress. It shows, among other things, that the Soviet combat force outnumbers ours 4.8 million to 2.1 million. Also, in the European theatre Russia and its allies of the Warsaw Pact have 895,000 troops stationed whereas the NATO countries have only 625,000. And the comparison of weapons is even more one sided. NATO is outnumbered 19,000 to 7,000 in tanks, 2,900 to 2,300 in tactical aircraft. Meanwhile the reds continue their military build-up as fast as they can.

Whoever doubts the purpose of that buildup needs only to look toward Angola

Final Rites Held For J. W. Morrison

Funeral service for John William Morrison, 78, who died Sunday at 1:40 in Gainesville Hospital, was held Tuesday at 2 p.m. in the Vernie Keel chapel at Gainesville with Dr. Harry Roark officiating.

Interment in Rest Haven Memorial Park was directed by the Vernie Keel Funeral Home. Pallbearers were Alvin Fuhrman, Dr. Larry Tisdale, Edgar Dyer, Francis Fisher, Lloyd Hurst and Richard Sandlin.

Mr. Morrison was a resident of Muenster since 1948 when he came here as an employee of Texaco Oil Company. He was born in Georgetown on October 20, 1897, a son of the late Mr. and Mrs. Alfred T. Morrison. He was married to Miss Odessa Akers on October 25, 1923, in Sweetwater. He was a retired Texaco employee and a member of First Baptist Church, Muenster.

Survivors are his wife; one son, Alfred, of Hobbs, N.M., one daughter, Mrs. Harold Hurst, of Houston; one brother, Thomas, of Breckenridge; one sister, Mrs. Myrtle Scott, of Moran; seven grandchildren; and five great grandchildren.

PTO Officers Plan Year End Activity

Among items for consideration at the PTO Executive meeting on March 8 were the Jr. High Banquet, the All-Awards Banquet, and the Bicentennial Play. Plans are to present the play during German Week, admission free, and for the PTO to make a donation to the Chamber of Commerce.

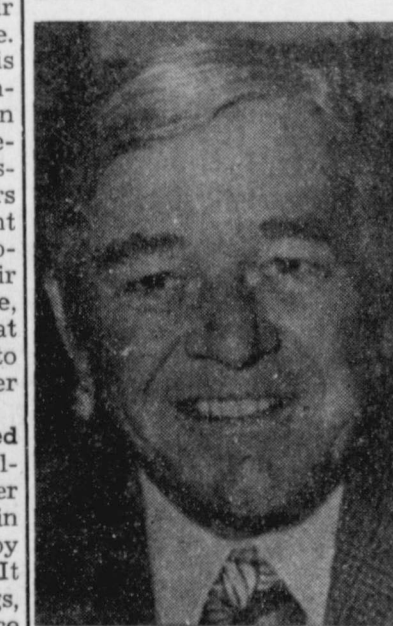

Schedule for the March meeting includes nomination of new officers. Supt. L. B. Bruns will speak on the function of U.I.L. and will answer questions. The language departments of the Jr. High and High School will present Poetry and Prose interpretations. The PTO will hold its final meeting of the '75-'76 school year on April 12, when new officers will be installed.

Chamber of Commerce to Have Banquet Thursday

An address by State Senator Tom Creighton will be the highlight of the annual Chamber of Commerce banquet Thursday night in the Knights of Columbus hall. The event will begin with a happy hour at 6:30 and the dinner will be served at 7:30.

Mayor David Bright will be the toastmaster, introducing the speaker, making concluding remarks and directing the remainder of the program.

Entertainment feature will be an American Medley by Emily Klement, assisted by Lynda Klement as guitarist. Also in tune with the Bicentennial will group participation in the Pledge of Allegiance and in singing "God Bless America."

Retraining Class Booked Next Week For Red Cross WSI

Water Safety Instructors of Cooke County are being notified of a Red Cross re-training program offered by the county chapter Monday, Tuesday and Wednesday of next week. The training will be given in the heated pool of Gainesville State School from 4 to 7 p.m. each day.

Mrs. Frances Yarbrough, the chapter's WSI trainer, points out that current WSI ratings will become invalid on December 31 and re-authorization will not be given unless the person has been re-trained. The reason is that the life saving part of the Red Cross water safety program has been completely changed.

Persons who wish to re-train are asked to report to the State School swim pool next Monday at 4. If they can't attend then they have another opportunity to re-train in May during the annual WSI program.

School Week Observed at Open House

Muenster Public School held Open House Wednesday to observe Public School Week, March 1-5.

Wednesday events included tours of the school plant when teachers were in their classrooms to exhibit students' work and visit with parents.

An arts and crafts fair was held in the lunchroom for the elementary grades' display and in the library for the Jr. Hi and High School work. The woodworking class had an outstanding exhibit. Entries were in all aspects of arts and crafts, clothing construction, painting, sculpture, macrame, posters, floral arrangements, offering a very interesting display of varied items.

Refreshments furnished by the PTO were served in the Home Economics Department by Homemaking students.

After all is said and done, more is said than done.

Small Rain Gets Great Welcome

The community's weekend rainfall measured only 1.16 inch but it was enthusiastically welcomed by area farmers. Though far short of area needs it brings relief to the near-drought that has been hanging on for the past eight months.

With a total of only .5 inch in January and February and 9.2 for the preceding six months, the community has had only 9.7 since July 1, and vegetation has been just hanging on. Ranges are tinder dry and grain crops, though still having a bright color, have no height.

General opinion is that the weekend rain will give the grain a pick-up while waiting for the next moisture, which, hopefully, will not be long in coming. Pastures got a similar assist. They can get started but need more rain.

This rainfall, plus .01 measured earlier, brings the month's moisture total to 1.17 inch, and the year's total to 1.67.

Band Members Get High Ratings In UIL Audition

Fifteen members of the Muenster Hornet Band and their director, Bob Hayes, attended the Region V UIL solo and ensemble contest at North Texas State University on Saturday, March 6. Solos and ensembles are rated on their performances and given ratings of I (Superior through V (Poor). The music is selected from the Texas UIL prescribed music list and is graded in three grades of difficulty: Class I (difficult), Class II (medium), and Class III (easy).

Pat Davidson, junior, received a Division I (superior) rating for her French horn solo, "A Tear" by Moussourgsky. She was accompanied by Annetta Earl of Gainesville. Tina Mollenkopf, junior, was awarded a Division I (Superior) rating for her trumpet solo, "Contempor Suite" by Gordon Young. She was accompanied by Juanita Bright. Pat and Tina performed class II solos and were awarded silver medals for their performances. Allen Bayer, freshman, received a Division I (Superior) rating for his class III tuba solo, "Russian Medley" by William Bell. Allen was accompanied by Juanita Bright and received a bronze medal for his performance.

The following students received Division II (Excellent) ratings for their performances: Sam Bright, junior, class II trumpet solo, "Contempor Suite" by Gordon Young, accompanied by Allen Bayer; Melissa Weinzapfel, senior, class II baritone solo, "Bluebells of Scotland" by Buchtel, accompanied by Juanita Bright; Lisa Trubenbach, freshman, class III baritone solo, "In the Clouds" by Goldman, accompanied by Melissa Weinzapfel; Julia Bright, 8th grade, class III flute solo, "Canzona" by Guenter, accompanied by Lou Dyer; Kathy Davidson, class III clarinet solo, "Serenade" by Buchtel, accompanied by Allen Bayer, and a clarinet quartet composed of Kathy Davidson, Toni Dittfurth, Judy Walterscheid and Kim Walterscheid.

Receiving Division III (Good) rating were Beverly Trubenbach, class III flute solo, and a cornet trio composed of Tami Fanning, Lou Dyer, and Linda Endres.

Retiring directors are Al Hess, Herbert Miller, L. B. Bruns and Willie Walterscheid.

Two Jaycee Meetings Muenster Jaycees have two meetings on schedule for the coming week. The first one is a work party for all members in the city park Saturday starting at 12:30. Next one is a regular meeting with election of officers next Thursday at 7:30 p.m. in the Electric Co-op building.

Blood Pressure Check The monthly free blood pressure check for people 55 years of age and over will be at Soroptimist Friendship House, 209 N. Morris on March 15 from 2-5 p.m.

MARY LOU FLEITMAN

Mary Lou Fleitman Dies in Car Accident

Muenster was saddened this week by the tragic death of Mary Lou Fleitman, 19, daughter of Mr. and Mrs. Eddie Fleitman, in a traffic accident.

She was one of a group of four students and an assistant coach of Ranger Junior College returning home from a weekend visit with friends at Texas A&M. Three of them were in one car, she and the coach in another.

Near Marlin, while avoiding another car on the rain-slick pavement, their car went out of control and skidded into another vehicle. Mary Lou and her companion and one person from the other car were killed.

Rosary was recited in Miller Funeral Home at 2:30, 4 and 8 Tuesday, and funeral service with Mass was held Wednesday at 9:30 in Sacred Heart Church with Father Stephen Eckart officiating.

Father Placidus Eckart assisted, gave the funeral sermon and also led in graveside prayers.

side prayers. He described Mary Lou as a talented, kind and generous girl, always ready to help others, and a faithful attendant at CCD classes and services.

Burial was in Sacred Heart cemetery under direction of Miller Funeral Home. Pallbearers were cousins: Glenn Felderhoff, Bobby Bauer, Steven Krebs, Patrick Krebs, Dale Bauer and Bill Bauer.

Miss Fleitman was born in Muenster on October 3, 1956, and lived here with her family until the present school year, when she enrolled at Ranger Junior College on an athletic scholarship. She participated in the school's basketball and track programs and was on the Dean's List for the past semester.

She graduated last year from Muenster High School where she was an honor student, a member of the National Honor Society, the Hornet band, class drama and the basketball and track teams. During high school she held offices in FHA and her classes, and played a guitar and sang with a group calling themselves The Sounds of Silence. In addition she was active in 4-H for nine years.

Survivors are her parents; two brothers, Allen of Nacogdoches and Larry of the home; two sisters, Lenora, stationed in Germany with the WACS, and Charlotte of the home; her maternal grandfather Joe Bauer of Gainesville; and paternal grandparents, Mr. and Mrs. Al Fleitman.

The family asks that expressions of sympathy be in the form of contributions to the memorial fund in her name at the Muenster Public School Library. Memorials may be given to the Muenster bank.

Committee Jobs For German Week Listed by C of C

Planners for the German Week Bicentennial Festival, to be held here April 29 to May 2, continued their preparations in last week's meeting with an objective of making it an event to be long remembered. The celebration, sponsored by the Chamber of Commerce, will be headquartered at the Community Center.

The group took on responsibilities as follows. Bertha Hamric, president of the sponsoring organization, is honorary chairman and Leonard Endres is general chairman. Others are David Bright, finance; Bill Bedrick, utilities; L. B. Bruns, program and advertising; Al Hess, booths; Willie Walterscheid, games and sports; Herbert Miller, clean-up; Albert Lippe, city decorations; Alvin Fuhrman, music; Johnny Fisher, bicentennial ball; Al (Shorty) Walter, security.

The committee, anticipating a big attendance of visitors, emphasized the desirability of making the town as attractive as possible for the occasion. It suggests a general face lifting, including fix-up and paint-up, removal of litter and junk, and grooming of lawns and shrubbery. It reminds all that the German look primarily features neatness and cleanliness.

Also recommended are mustaches and goatees, especially for those who will be active during the celebration. A special meeting for persons who will have booths is next on the planning schedule. The date will be announced when determined. Booth sizes and locations will be decided then.

Stephen Bartush Of Detroit Dies

Mr. and Mrs. Charles Bartush and eight of their children have returned from the funeral of his father Stephen J. Bartush, 84, who died last Friday in Detroit, Mich.

Services were held Monday in St. Hugo of the Hills Church in Bloomfield Hills, Mich., a suburb of Detroit. Mr. Bartush was a retired food processor and a member of the Fourth Degree Knights of Columbus.

Services Held for Mrs. Thetford, 83

Funeral services for Mrs. Emmie Alabain Thetford, 83, of Gainesville, long time resident of the Valley Creek community, was held Sunday at 2:30 p.m. in Shiloh Baptist Church with the Reverend W. B. Burkhardt officiating.

Burial was in Shiloh Cemetery under direction of Vernie Keel Funeral Home.

Mrs. Thetford died Friday at 5:10 p.m. in a Sherman hospital. She was the former Emmie Gibson, born on January 29, 1893 in Woods County, Texas, and was married on August 27, 1914, to the late Martin Simmons Thetford, who died on May 4, 1975. Pallbearers were grandchildren: Roger Fleitman, Troy Thetford, Lynn Thetford, Doyle Thetford, Cord Newton and Martin Newton.

Survivors are two sons, Reverend Martin Thetford of Collinsville and C. D. Thetford of Gainesville; three daughters, Mrs. Albert Fleitman of Muenster, Mrs. Kenneth Clark of Gainesville and Mrs. Edith Newton of Big Spring; one brother, H. H. Gibson of Brenham, 20 grandchildren and 23 great-grandchildren.

Only one living creature can fly faster than a commercial plane. It is the deerfly, which has been clocked at 816 miles an hour.

Queen for German Week To Be Selected at Pageant

The Miss Muenster Pageant sponsored by the Muenster Hospital Auxiliary will be held Thursday, April 29 in the Community Center as part of the community's German Week and Bicentennial observance.

Single girls, ages 16-20 as of April 1, are eligible to enter. Girls attending Sacred Heart and Muenster High have been contacted. Those out of school or away at college, or whose homes are in the surrounding area are also eligible if they have attended Muenster schools and are within the age limit and have not been married.

There will be talent and bicentennial costume categories, but judging will be primarily on personality, poise and patriotic attitude. Auxiliary members stress that this is not a beauty contest.

A Hospital Auxiliary member will be assigned to each entrant as a sponsor who will assist and advise where needed, especially concerning costume and talent. The sponsor will accompany the contestant to the salad luncheon before the pageant.

Each girl who enters will receive a charm from the auxiliary. The winner will receive

Parents Urged To Attend Program On Drug Abuse

An informative program of special interest to parents on Use and Abuse of Drugs will be sponsored by the Muenster Hospital Auxiliary on Thursday, March 18 at 7:30 p.m. in the Muenster High School Gym. James McDonald will be the speaker and the meeting is open to the public. Following the open program, the Hospital Auxiliary will hold its regular monthly business meeting.

Roy Swirczynski Returns to Norway

Roy Swirczynski began his return trip to Norway, Thursday, March 11 after a three week vacation with his parents, Mr. and Mrs. Bob Swirczynski, and visits with friends.

A family birthday party on March 7 honored Kevin, Roy and Bob Swirczynski, whose birthdays occur within the month.

He said he is enjoying the cheap prices here since Norway is one of the most expensive countries in the world, where prices are at least 100% higher than in the States. He also said he is savoring the hamburgers here, especially.

Swirczynski was disappointed in not being able to fly home on the Concorde, since at this time it does not fly to the States.

For the past year he has been working in the famous "Ekofisk" field of the North Sea and living in Stavanger, Norway. Before returning to Norway he will visit in Copenhagen, Denmark, for a few days.

Memorial Fund Established by Cancer Society

In response to numerous requests from families and individuals the American Cancer Society has inaugurated a memorial fund. Families and friends of cancer victims are invited to contribute to commemorate their loved ones.

Cancer Society, and a memorial card is sent to the family stating that a memorial gift has been received and giving the name of the donor. These contributions may be in any amount," said Horace Lesley, Memorial Committee Chairman, of the Cooke County unit. "Memorial Funds are used to support the Society's three-fold attack on cancer through research, education, and service," explained Mr. Lesley.

Mr. Lesley explained that the American Cancer Society is deeply grateful to individuals and families throughout the county who are using this practical means of assisting the Society to carry on the fight against cancer.

Memorial funds should be sent to the American Cancer Society, Cooke County Unit, % Horace Lesley, P. O. Drawer A, Gainesville, Texas 76240.

Tulu Hickerson, Home Service Advisor of Cooke County Electric Cooperative Assn., will attend the first annual workshop of the North Texas Chapter Electrical Women's Round Table, Inc. to be held March 12, 1976 in Fort Worth at Texas Christian University in the Home Economics Department.

Mrs. Hickerson is Vice President of the North Texas Chapter. The Electrical Women's Round Table is a national organization with the purpose of finding better ways to use electricity and electrical equipment and to keep the homemaker and consumer informed. Membership in the organization is open to women working in the electrical industry or in a field concerned with electricity or electrical equipment.

Public School Happenings

Kindergarten

The Kindergarten is very proud of the ribbons earned at the PTO-sponsored Arts and Crafts contest Wednesday, March 3. The contest was held with Open House during Public School Week. White ribbons were won by Amy Henscheid, Deano Bayer and Darla Bindle. Red ribbons were won by Meredith McDaniel and Michael Walter and Blue ribbons by Michael Reiter, Melody Klement, Michelle Monday, Deano Bayer and Laurie Fisher. Best of Show ribbon in his division went to Deano Bayer.

Julie Rohmer

Julie Rohmer reached her sixth birthday on Thursday, March 4 and celebrated with her classmates in kindergarten. Her mother, Mrs. Arnold Rohmer brought refreshments of punch and cupcakes. Treats for everyone were balloons and bubble gum.

Amy Miller's Kin Attend Communion

Amy Miller, daughter of the Ted Millers of Plano, was the honoree at a family observance of her First Communion Day Sunday, February 29. She received Communion with her family, her grandparents, god-parents and several other relatives during the 10:30 a.m. Mass at St. Mark's Church.

Amy wore the veil worn by her mother on her own first communion day. Attending with Mr. and Mrs. Ted Miller and Amy were her brothers Brian and Darrell, grandfather Theo Miller, Mrs. Rosalie Hoffman, Mr. and Mrs. Stan Yosten, Mr. and Mrs. Jim Yosten and twin daughters, all of Fort Worth (Jim is Amy's baptismal sponsor); also Amy's grandparents Mr. and Mrs. John H. Wimmer and her cousins Janet and Tammie Reiter.

Following the church services the visitors were dinner guests in the Miller home and the honoree opened and displayed her gifts.

Mr. and Mrs. Herman Stoffels have announced the engagement and approaching marriage of their daughter Janel to Kenneth Atkins, son of Mr. and Mrs. George Atkins of Decatur. The wedding will be in Sacred Heart Church on April 24. The bride-elect is a graduate of Muenster High School, attended Cooke County College, North Texas State University in Denton and El Centro College in Dallas. She is employed at the First National Bank of Decatur. The future groom is a graduate of Decatur High School, and received a BA degree from NTSU. He is a teacher of English and Journalism at Decatur High School. The couple will reside in Decatur.

TEJAS 1876

March 2-9, 1876

NUECES COUNTY — The great cattle drive of Capt. R. King is now underway. The number of cattle, of all grades, that are now on their way to Kansas is roughly 30,000. There are twelve different trail gangs, each with from 2700 to 2900 cattle under their charge. Seventeen men constitute each gang, including the cook and head man. They are paid — the men under \$25 per month, cook \$30 and head man \$100. It takes 800 head of horses, the bulk of which Capt. King had to purchase, to supply the needs of the different parties. Besides the cost of the stock, for the months of travel, etc., the outlay for labor and food alone, in cash, will amount to somewhere near \$30,000.

WASHINGTON, D. C. — The Secretary of War, General William W. Belknap was forced to submit his resignation to President U. S. Grant Friday, and was subsequently unanimously impeached of high crimes and misdemeanors after a House Committee on Expenses in the War Department discovered "overwhelming proof of Belknap's selling an Indian trading post at Fort Sill for a large sum."

SAN ANTONIO — There will surely be a general revolution. Diaz and his staff are still in Brownsville. Large revolutionary forces under Nuna and Gonzales are coming up from the South, and will likely join, between Camargo and Matamoros, the revolutionists from this side.

HOUSTON — One of the Direct Navigation Company's barges caught fire and between 300 and 400 bales of cotton were burned. The burning bales were thrown overboard into Buffalo Bayou. Estimated loss, \$15,000.

ROBERTSON COUNTY — Quantities of counterfeit coin half dollars were put into circulation recently at Hearne.

GALVESTON — The Chief of Police has been instructed to enforce payment of the vehicle licenses, and will proceed at once against delinquents.

DENISON — Lam Gray, a Choctaw desperado, lately arrested here for attempting to kill the barkeeper of Le Grande Saloon and out on bail, "lit out" and got killed in an altercation at Dead Fall, on Red River. Gray was one of the worst desperados and cattle thieves and had killed several men.

Advertised in Leading Texas Newspaper — Bottled Beer: The Coming National Drink.

After the expenditure of a great deal of time and money, Messrs. E. Anheuser and Co. of the Bavarian Brewing Association of St. Louis have succeeded in producing and bottling an article of beer that retains all its delicate flavor and brilliant qualities of the Southern climate. They use in the manufacture of their beer the finest Utah barley and the finest hops; their brewers are thoroughly educated to their business, and the beverage produced has no equal in the market. It has become the favorite beer of Texas.

Mr. and Mrs. Sylvan Walterscheid and sons Danny and Greg attended the Tractor Pull and Farm Show in Fort Worth Saturday and Mrs. Walterscheid took time out to see the Natural Fibers Fashion Review in which Mmes. Albert Zimmerer, Melvin Voth and Don Fenly participated.

Junior Biology Class
The Junior Biology class of Sacred Heart High and their instructor Tom Stalik were in Fort Worth Friday for a field trip to the Fort Worth Zoo. Purpose of the field trip was to provide the opportunity to see the various forms of animal life studied in the unit of biology.

The Men In Service

Navy Boiler Technician Fireman Timothy J. Bindel, 23, son of Mr. and Mrs. Wilfred P. Bindel, is taking part in a five-nation naval exercise off the California coast as crewmember of the guided missile cruiser USS Chicago. Named "Valiant Heritage" to commemorate America's Bicentennial, the exercise involves 41 ships, 200 aircraft and more than 18,000 men.

The eleven-day exercise, including forces from Australia, Canada, New Zealand, the United Kingdom and the U. S., is designed to test the ability of the allied navies in joint operation. The maneuvers will include missile firings at the Pacific Missile Test Center, Point Mugu, Calif., carrier operations, underway replenishment, communications and gunnery tests.

A 1971 graduate of Sacred Heart High School, he joined the Navy in April 1974. Bindel spent a recent leave in Muenster with his parents.

THANKS

I am so very grateful to Fathers Placidus and Stephen for their visits while I was a patient at Muenster Memorial Hospital; also to Dr. Kralicke and the staff and employees for such wonderful care. For all the prayers, visits and flowers and kind deeds by my family, friends and neighbors, I am truly grateful. Leo joins me in saying "Thank you".

Mildred Lawson

My gratitude and deep appreciation are expressed to the staff and doctors of Muenster Memorial Hospital and to friends for prayers, visits, flowers and cards.

Mrs. Clive Gobble

We want to thank the friends who helped us move, our former neighbors and new neighbors who have been so kind and thoughtful, and all those who came with food when we arrived and others who helped in any way.

Pop and Daisy Thompson

I wish to express my sincere thanks to all who remembered me during my stay in the hospital. I am grateful for the prayers, cards, flowers, gifts and other kindnesses and especially for the visits and prayers of Fathers Placidus, Stephen, Damian and for the care received from the doctors and nurses of Muenster Memorial Hospital. My husband joins me in expressing our thanks.

Mrs. John J. Hess

St. Joseph Society Elects Officers

Election of officers was held Sunday evening during the March meeting of Saint Joseph's Society. Denis Walterscheid was re-elected secretary and Gilbert Knabe succeeds Jim Gehrig as treasurer. President and vice president offices were filled last year and elections will be held next year for these.

Plans for observance of Saint Joseph's Day were completed. Cafeteria personnel will prepare a roast beef meal. Tickets are available from Wilfred Bindel, phone 2729 or Denis Walterscheid 4457. Reservations are urged. An invitation is issued to everyone to attend the March 19 Mass and dinner.

Get-well cards were signed for Al Bayer, John Rohmer, John Wieler, Tony Wimmer and Clive Gobble.

Andy Monday won the door prize. Father Placidus, spiritual adviser, attended the meeting.

Local News BRIEFS

Mrs. B. J. Swirczynski presented a program on a relatively new method of gardening when she spoke to the Garden Club during the March meeting held in the home of Mrs. John Mosman. Mrs. Swirczynski discussed "Gardening by Composting and Mulching" which stresses the use of a permanent year-round mulch method of an 8 inch layer of mixed leaves, hay and clippings. She quoted devotees of this method as stating that permanent year round mulch 8 inches thick will result in a saving of time, energy, moisture and money and an end to tilling.

Sylvia Hofbauer presided for the business meeting. Mrs. Roger Taylor discussed the flower show. Mrs. B. J. Swirczynski reported a mini-park agreement between the Myrick estate and the garden club committee. Mrs. Richard Pagel will be chairman of the annual Cleanup Week, April 11-17, two weeks before German Week. Miss Hofbauer reported plans for participation in the bicentennial observance.

Mrs. Arthur Endres, recording secretary of the Council of Garden Clubs will attend the district convention of Texas Garden Clubs, Inc., in Fort Worth two days this week. Mrs. John Mosman was announced as the newly elected secretary of the Gainesville County Council of Garden Clubs.

Sister Mary John Seyler appealed for participation in the monthly paper drive sponsored by Sacred Heart School.

Plans were made for a St. Patrick's Day party at Hillcrest Manor. Announcement was made of the selection of Mrs. Ed Pels' yard and home for "Yard of the Month" honors. The annual plant and flower exchange will be held at Leonard Park in Gainesville on April 14.

Mrs. Mosman and co-hostess Mrs. H. H. Houtchens served a dessert course to 15 members and one guest, Mrs. Alex Lutkenhaus. Members exchanged surplus flower and garden seeds.

Next month's meeting will be in the home of Mrs. Ray Wilde, with Mrs. Paul Endres as co-hostess. Mrs. R. N. Fette will present a program on "Keeping Plants Healthy and Beautiful", with information on insects and insecticides. Mrs. August Felderhoff and Mrs. Roger Taylor will exhibit spring flower arrangements.

Garden Club Told Of Gardening with Mulch, Compost

Mrs. B. J. Swirczynski presented a program on a relatively new method of gardening when she spoke to the Garden Club during the March meeting held in the home of Mrs. John Mosman. Mrs. Swirczynski discussed "Gardening by Composting and Mulching" which stresses the use of a permanent year-round mulch method of an 8 inch layer of mixed leaves, hay and clippings. She quoted devotees of this method as stating that permanent year round mulch 8 inches thick will result in a saving of time, energy, moisture and money and an end to tilling.

First "gas war"? In 1927, the Denver News offered a free gallon of gas to anyone inserting a want ad. Not to be outdone, the Denver Post offered two gallons. The News countered with three and the Post topped the News with four. The bidding finally stopped at five gallons.

A contributing factor to New York's financial problem is a provision in the Civil Service Employees Association contract which permits workers to take paid days off to engage in union activities — annual cost is estimated at \$700,000.

Paper Drive at SHS

The paper drive to be held the first full week of every month is in full swing at Sacred Heart School. Bins are provided by the salvage company and placed between the two school buildings on the paved area. Because the bins are large open wire construction, only boxed, tied or sacked paper can be accepted. Paper collection is an aid to better ecology and will earn money for the school fund.

NOTES FROM THE LIBRARY

Due to lack of space we are giving away back issues of magazines such as "Flower and Garden", "Organic Gardening", "Popular Mechanics" (1970-1974), "Sports Illustrated", "Family Circle", "Woman's Day", "American Home", "McCalls", "Southern Living", "American Girl" and "Children's Digest". If any of these interest you, please come by and help yourself.

We have added four Junior Literary Guild selections for ages 10 and up. "Goalkeepers Are Different", (a story of a soccer team), "The Cow Neck Rebels", (the Battle of Long Island, 1776), "The Golden Coyote" (an Indian boy and his coyote), and "The House at World's End" (the story of four parentless children who survive against great odds and come out winners).

Two adult Literary Guild selections ready for checking are "The Greek Treasure" (Irving Stone's story of the 19th century amateur archaeologist who uncovered the ruins of Homer's fabled Troy) and "The Lynmara Legacy" by Catherine Gaskin (the story of the bonds between one of England's greatest homes and the generations it controlled.)

Library hours continue the same: Tuesday and Thursday 8:30-5:00 p.m., Wednesdays 3-6 p.m.

FmHA Loans for Farm Improvement Now Available

Farm owners in Texas can share in some \$50 million of funds now available in the nation for loans to develop, conserve and improve land and water resources, according to Stanley M. Reed, County Supervisor of the Farmers Home Administration (FmHA).

Measures to alleviate problems of waste disposal and pollution control on farms may be eligible for financing through this source.

"These funds are available on a first-come, first-served basis throughout the nation," Mr. Reed said.

He explained that soil and water loans from FmHA can be used to develop water supplies for home use, livestock watering or irrigation. The funds also can be used for drainage projects, to install water or waste facilities associated with pollution abatement and control and to build other structures that contribute to conservation and meet health, safety and environmental requirements.

Funds also may be used to level land, establish permanent pasture, develop farm forests, and to carry out basic soil treatment practices such as liming, fertilizing, and subsoiling.

These loans may be repaid in terms as long as 40 years with an interest rate of five percent charged on the unpaid principal.

Applications may be obtained at the Farmers Home Administration county office in Room 215, Federal Building, Gainesville.

A century ago, complaints about kerosene quality were usually traced directly back to consumers themselves who, instead of buying "regulation" wicks for their lamps, substituted grocery string.

Elections will have one race on four ballots: Al Felderhoff files for hospital board succeeding John Bayer; Herbert Miller is challenged by Earl Walterscheid in contest for city alderman; four unopposed incumbents seek reelection on two school ballots. Mrs. Charles Davidson is elected new president of Public School PTA. MHS Ag students are ready for projects show. Measles cut attendance in lower grades of Sacred Heart School. Ronnie Hess wins first in mile run at Red River Relays. Sunday will be March of Dimes Day in Muenster. Mrs. John Grewing breaks right shoulder in fall on porch after snow storm. Two Muenster entries are champs in 4-H County Stock Show. Father Elias Koppert from Chicago meets with local Third Order. Carol Mosman and William J. Hop-

fer marry here and go to Panama where he is in the Army. New arrivals: boys for the James Fietmans and Clyde waterscheus; girls for the Jimmy Boernarts and Daniel Deyvers.

Feed teenagers plenty of milk, whole grain cereals, leafy green and yellow vegetables and good protein foods such as meat, fish, poultry, eggs and cheese.

It is almost impossible to get enough calcium or riboflavin without drinking a lot of milk.

Camp Sweeney for Diabetic Children Will Open May 30

Camp Sweeney Diabetic Educational Training Center for diabetic boys and girls (6 through 16 years of age) will open for the 27th year of operation May 30, 1976 with three-three week sessions as follows: May 30 to June 19, June 20 to July 10, and July 11 to July 31.

of Gainesville on 338 acres of rolling timbered hills with three dormitories for boys and three for girls, a non-denominational chapel; a modern hospital; a 30 acre lake for boating, fishing and water-skiing, a sanitary swimming pool, tennis courts, recreational pavilion, target range and 20 gentle saddle horses.

Under the supervision of a specialized medical staff, dietitian and counselors, these children are taught their proper diet with regulated exer-

cise, how to take their own urine tests and give their own insulin injections. Of major importance, through this group association with other young diabetics, they realize they are not alone with their disorder and with proper knowledge and instruction they can learn how to live with their lifelong companion — Diabetes.

Diabetes is hereditary, incurable and increasing yearly. It is the 3rd killer of diseases and ranks 3rd as the cause of

blindness. Medical authorities estimate one-fourth of the World's population carries the diabetic gene and some 5,000,000 cases of diabetes are in the United States of which more than 500,000 are children.

Help for a diabetic child can be obtained by contacting Southwestern Diabetic Foundation, Inc., P.O. Drawer 918, Gainesville, Tex. 76240.

TP&L residential customers in 247 cities pay less for electricity than the people who live in Austin, Chicago, Cleveland, Detroit, Los Angeles, New York, Philadelphia, San Antonio, and Washington, D.C. ... to name just a few.

COST OF 1,000 KW HR. RESIDENTIAL ELECTRICITY DECEMBER, 1975

In Corsicana and most other cities in the Texas Power & Light service area, 1,000 kilowatt-hours of residential electricity costs less than in most areas of Texas and the nation.

We're not overlooking the fact that in recent years the price of electricity has gone up everywhere, including the area served by TP&L. Skyrocketing costs of producing and supplying power have left TP&L and other companies no choice but to ask customers to pay more for their electric service.

Even so, the price of TP&L electricity today is far less than it would have been if we were not constantly working to hold down the price. One of the ways we're doing this is to build and operate generating plants which use lower cost lignite coal as fuel rather than natural gas. Two lignite plants are now producing power for TP&L customers and others are under construction and being planned.

For almost sixty-four years, Texas Power & Light has supplied dependable electric service at a fair price. We're working to keep it that way.

Blount Makes Statement To Voters of Precinct 3

Jim Blount, a candidate for Cooke County Commissioner's Precinct 3 post, has issued the following statement.

I am married to the former Margaret Bartlett. We reside on Route 4, Gainesville, in the Hood community. We are the parents of four children, two married and two still at home, and two grandchildren.

We have been engaged in Grade A dairying since 1955. I am a veteran of World War II having served in the Southwest Pacific theater.

I am a member of the Era United Methodist Church. I have been a teacher in the church school for more than 15 years.

I am a member of the Farm Bureau, I have served as president of the Hood Community Club which I helped to organize in the early 1960s and I have served as president of the local district of the AMPI Coop.

I was educated in local schools and graduated from Gainesville High School. I have

also attended Cooke County College and have more than 60 hours of credits including six hours of government.

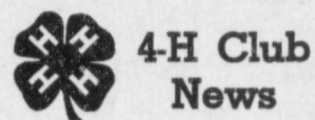

As I did not enter this race without a lot of thought and consideration, I feel I have the experience and background to qualify me for the office of Commissioner of Precinct 3. I am aware of the burden of taxes on everyone. I am aware of the many problems, and decisions the commissioner has to make.

If elected to this office, I pledge I will make every effort to conduct the affairs of this office with dignity and efficiency and as conservatively as possible consistent with good government.

I will try to always keep in mind I am a representative of you, the people of Cooke County and the voters of Precinct 3.

I respectfully solicit your vote, support and influence.

Sincerely
Jim Blount

4-H Club News

Sacred Heart senior boys 4-H Club met Tuesday, March 2. Assistant County Agent Larry Weise discussed with the boys the 4-H livestock shows and method demonstrations. He also showed slides of some of his own work. Paul Reiter presided for the meeting. George Luke is secretary and Lloyd Reiter is reporter. Twenty three attended.

Twenty members attended the Sacred Heart senior girls 4-H meeting on March 2. Mary Hinton, assistant Home Demonstration Agent taught folk dances. The girls made plans for the method demonstrations on March 26. Sharon Rohmer, president, presided for the meeting, with Sandy Voth as secretary. Stacie Walterscheid led the inspiration and Monica Hartman reported the meeting.

During the March 2 4-H meeting of 5th and 6th grade girls at Sacred Heart School discussion was held on money management, dress revue, concession stand and Method Demonstration on March 26. Eighteen members attended, also assistant Home Demonstration Agent Mary Hinton. Susie Felderhoff presided for the meeting. Donna Trubebach is secretary and Sharon Voth is reporter.

Seventh and eighth grade girls of Sacred Heart 4-H met March 2 with Mary Hinton, adult leader present. They signed up for chosen Method Demonstrations and sewing projects and discussed the stock show on March 19 at Gainesville Fair Grounds.

A 4-H Bowling project will begin the 1st week in April, with 5 meetings from 4-6 p.m. Bowling leaders will teach scoring, selection of correct weight of ball, and standard bowling rules.

Another learning project for March is money management, saving money and using money wisely. Christy Felderhoff is reporter.

Gainesville and Montague Teams Win Volley Tourney

Montague Fire Department and Black Gold of Gainesville were winners of the two champ trophies in the volleyball tournament sponsored Sunday by Sacred Heart Alumni in the SH gym.

The Montague fellows took the men's division with a win over Fuhrmann Brothers of Lindsay, who claimed the second place honor. Winner of the consolation bracket was National Building Centers.

Runner up trophy winner of the ladies division was Sappington of Saint Jo, who were turned back by the Gainesville girls in the final. Lites of Muenster won the consolation.

Herb Fette Jr. was the surprised honoree Sunday afternoon when Mr. and Mrs. Herbert Fette observed his birthday by inviting his brother Jeff and his sister Colleen for a dessert party, serving a German Sweet Chocolate birthday cake and ice cream. Home movies were made of the party.

Blue Birds News

Chirping Bluebirds made red felt heart shaped pin cushions woven with white ribbon as Valentine gifts for their mothers, during the February 12 meeting in the Community Center. Joaline Henschel was leader, assisted by Mrs. Robert Knabe. Eileen Knabe served refreshments. The meeting closed with the Bluebird Goodbye song.

On February 19 the Chirping Bluebirds made name cards for the Father-Daughter Box Supper. Name cards were made to resemble Cherry Trees with each child's name and her dad's name inscribed. Kay Pagel was leader and Colette Biffle was assistant. Judy Biffle served refreshments of brownies and milk. The meeting opened with the "Bluebird Wish."

Chirping Bluebirds met February 28 and then went to a song fest at Edison School in Gainesville. The girls learned several new songs for the box supper. Joaline Henschel, Sharon Knabe and Kay Pagel drove cars for the trip. Chirping Bluebirds are sponsored by Community Lumber Company.

Wheat Topdress

URAN® does it fast, long and uniformly for higher quality and higher yields.

For topdressing wheat, you need nitrogen that goes to work fast. Also nitrogen that keeps on feeding a long time. Nitrogen to make the grain stool out, fill better, and develop large heads of plump kernels.

You also want smooth, uniform application. Because you don't want a pattern of hills and valleys in your wheat that can hurt yields and profits.

What nitrogen can do all that? Our nitrogen solution, URAN.

URAN is nitrogen in its most useable form for quick uptake by the crop. Plus, URAN is two other forms of nitrogen for long-lasting feeding. And because URAN is a liquid, it goes on uniformly, for uniformly higher yields. You can even add herbicides to URAN and get two jobs done in one easy trip.

Order URAN from us today. It's everything you need for topdressing wheat.

Hornet Trackmen Are Number 1 at Saint Jo Relays

Don Ostermann's Hornet trackmen of Muenster High made a fine start in their '76 season Saturday by winning the champ trophy of the Class A division of Saint Jo's Red River Relays.

Competing against some 22 schools they were comfortably in front with 92 points. Next was Marietta, Okla., with 63½, Lake Dallas with 62½, Pottsboro with 56 and Grandview, Okla., with 48½.

Their score was made up of four first places, including the mile relay, two second places, a third, three fourths two fifths and four sixths. A tough break on the first event possibly deprived them of more points. Because of a dropped baton in the qualifying run,

the 440 relay team failed to get into the race.

Muenster's points were earned as follows.

880 yard run: Mark L. Sicking 1st, 2:10.3; Neil Walterscheid 6th, 2:15.6.

120 hurdles: Jim Koelzer, 4th, 16.4; Kenny Koelzer, 5th, 16.5; Dan Endres 6th, 16.6.

100 yard dash: Mark W. Sicking, 1st, 10.5; Bryan Sicking, 4th, 10.6.

440 yard dash: Nick Walterscheid, 3rd, 55.4.

330 hurdles: Bryan Sicking, 1st, 40.9; Ken Koelzer, 6th, 43.3.

220 yard dash: Mark W. Sicking, 2nd, 23.9.

Mile run: Andy Serna, 2nd, 5:02.9; Dean Sicking, 5th, 5:08.5; Eddie Serna, 6th, 5:09.2.

Mile relay: Muenster 1st, 3:42.2. Randy Sawyer, Mark W. Sicking, Mark L. Sicking, Bryan Sicking.

Discus: Dan Endres, 4th, 128 ft.

where Russia and Cuba have just helped the local red forces take over the country.

And now there is talk that Rhodesia and South Africa are on the red program for eventual conquest.

This kind of news tells us, as the communists told us many years ago, that their goal is world domination. Unless we're willing to accept that kind of fate we'd better prepare to resist it. In the long run, no program proposed by the doves can possibly be as important.

General Lee's sword was returned to him by General Grant after Lee's surrender at Appomattox.

Events in which the Tigers got their scores are as follows.

Mile run: John Henscheid, 1st, 4:52.4; Paul Reiter, 2nd, 4:52.5.

880 yard run: Bruce Fuhrmann, 1st, 2:04.1.

Mile relay: Sacred Heart, 1st, 3:41; Roger Endres, Mark Hess, Joe Sicking, Bruce Fuhrmann.

440 yard relay: Sacred Heart, 4th, 46.7; Roger Endres, Joe Sicking, Mark Hess, Craig Sangster.

Shot put: Mark Hess, 5th.

Intermediate hurdles: Mark Hess, 5th, 43.7.

A casualty of the meet was Bob Grewing. Warming up for the pole vault he made a bad landing and fractured his right ankle.

The Tigers will have their next action Saturday at Bridgeport competing in a big field of A and B teams.

Reiter is Third In State Finals of KC Free Throw

Renee Reiter barely missed one of the two awards for her age group in the state finals of the Free Throw Competition sponsored by the Knights of Columbus. She took third place.

The final competition in six age groups was held last Saturday morning at St. Edward's University.

Renee is twelve years old, a seventh grader at Muenster Public School, a daughter of Mr. and Mrs. Bill Reiter. She was accompanied to Austin by her parents and Mr. and Mrs. Jerry Walterscheid. The five spent Friday night there and came home Saturday after a tour of the state capitol.

Program on Decals Heads HD Meeting

Mrs. Judy McDaniel was program leader and hostess for the meeting of Home Demonstration Club No. 2 on Tuesday evening. Her program was on "How to Decal It".

For the business meeting Kay Bedrick gave the inspiration and Carol Naegeli gave the council report. Eileen Fisher will head a committee to plan the County Home Demonstration Clubs' float in the Gainesville July 4 parade. Carol Naegeli will be in charge of a luncheon for all clubs of the County on May 11 in the Cooke County Electric Co-op Building.

Members heard reports on the Valentine party at Hillcrest Manor on February 13, and on the Heart Fund donation of \$50 given by members to the KGAF marathon.

"Pennies for Freedom" were collected. This is a fund for a club project planned for the THDA meeting in Renner.

Following the meeting, Mrs. McDaniel served a dessert plate to 13 members.

Next month's meeting will be a field trip on Saturday, April 10 when club members will go to Dallas. In the evening members will have a party when husbands will be guests. Committee chairmen are Kay Bedrick, Monica Hess and Sharon Walterscheid.

Garden Project Is Booming Again

It's planting time again at the Willow Creek Gardens just south of the Weinzapfel Lake on Maple Street. Some thirty persons there are working on their separate projects and almost all are repeats from last week.

The gardens include 45 plots measuring an average of 50 x 50 feet, thoroughly cultivated and waiting for seed. And water, for free, from the lake is piped to each location. A fringe benefit is that it is pure rain water, not treated with chemicals, and regarded as better for vegetation.

Thirty such lots were available last year and all were taken. This year Weinzapfel reclaimed some adjoining land and divided it into 15 plots, most of which are still available at \$15 for the year.

The circumference of the globe is 25,020 miles.
