VOLUME XXIX

MUENSTER, COOKE COUNTY, TEXAS 76252 NOVEMBER 19, 1965

NUMBER 52

Two unrelated incidents within a week ought to give a jolt to this country's complacent attitude on the subject of security. Tuesday evening, November 9, a gigantic power blackout spread across the north east part of this country and a portion of Canada. Less than a week later our Supreme Court declared that a law requiring communists to register as foreign agents is unconstitutional. A new freedom is granted to our enemies just a few days after an accident points out the gigantic paralysis that could be accomplished by an act of sabotage.

After such an experience it seems hard to believe that a thinking person would consider relaxing the nation's control on the people who are dedicated to its destruction. Such an awakening rightfully should have inspired a determination for greater effort than ever before toward compiling a complete list of enemy agents and thoroughly watching their activities.

The need to be identified and watched applies also in other activities, not just those related to blackouts. For instance, in riots, sit-ins, campus demonstrations, racial friction, strikes and other forms of trouble. You can bet there would be far less rabble rousing if all the commies involved in the rousing could be identified and dealt with properly. We'd have fewer of them mixing in student bodies and faculties and business and labor and government and racial relations if all of them were required to stand and be counted.

But suppose reds try to evade the requirement by operating in secret, by declining to register. As originally set up, the law provided stiff penalties for any who were discovered. Such pressure probably would not have wiped out the reds but it certainly would have hampered their effectiveness.

The whole case in a nutshell is that enemy agents do not have a right to work for the country's downfall nor the various disturbances that weaken it, nor the subtle influences that poison people's minds. When caught in the act they should be treated as enemies. Application of the communist registration act according to its original intent would go far toward eliminating our troubles.

The extremes to which the idea of human rights can be carried are amazing. Some claim that a person's convictions should not deprive him of being on a faculty or in government or in a union. On the other hand we can make a claim for the public's right when minds are poisoned and security information is given (Continued on page 8)

Back in the United States after living in Germany and Italy for two years are Mr. and Mrs. Hugh (Cotton) Endres and young son Kelly. They're in Muenster since Sunday for a visit with his mother, Mrs. R. R. Endres and family. Mr. and Mrs. Donald Endres met them upon their arrival by plane in Dallas.

They'll visit her parents in Albuquerque, N.M., enroute to Fullerton, Calif. where they lived before going to Europe. He works for Hughes Tool Company.

L. B. Bruns Heads Christmas Seal Sales in County

L. B. Bruns, superintendent of Muenster Public School, is serving as Cooke County's chairman of TB Christmas Seals this year.

Mrs. Bess Harvey, executive secretary of the Cooke County Tuberculosis Association announced this week that 5,645 letters containing Christmas Seals have been mailed to citizens of the county.

In urging residents to buy and use the bright yellow, blue, red and green 1965 seals, Mr. Bruns pointed out that contributions to the association for these seals — symbols of Christmas — fight tuberculosis and other respiratory diseases all the way from the common cold to the potentially fatal emphysema.

Guy Lombardo to Play at Opening Of Show Barn

To the tune of Guy Lombardo and his Royal Canadians the elaborate new Colonial Acres livestock show barn will be formally shown next Tuesday night, Nov. 23. About 1000 couples from several states are expected by the hosts, Mr. and Mrs. Ernest Medders.

The dance will be held on a special portable floor built in sections for the livestock arena, which measures 30x190 feet. A contractor from Dallas arrived Thursday to install the floor. After the dance it will be removed and stored for use at future special events.

Along with the special floor there will be a temporary sidewalk extending from the show barn about 100 feet east to the horse stable. It will be made of plywood covering the dirt and new, unpacked gravel.

The show barn, now nearing completion, is THE cow palace of North Texas. J. D. Howard, manager of Colonial Acres Farm, said that it will be used for horse and cattle shows, for livestock sales, for cutting horse shows and rodeos. Portable chutes will be moved in for handling bucking stock. Present seating space consists of four 150 foot rows at both sides accommodating about 800 additional stands will be built to bring total seating capacity to about 2000.

The structure, measuring 100x200 feet, has walls and roof of prefabricated steel. It's roof is insulated and further control of temperature is achieved by eight big ventilators along the center ridge of the roof. Central heating and air conditioning will be added soon, but not in time for next week's dance.

Lighting, which is practically daylight, consists of sixty four 2-tube fluorescent fixtures arranged in four rows of sixteen each — a total of 128 power type tubes, each 96 inches long.

Current for these lights, as well as electrical equipment, is carried underground from the transformer to the switch box through 159 feet of special conduit. That type of conductor is an extra precaution against the danger of heavy exposed overhead wires.

An addition to be built soon is a 40x60 steel building at the front of the barn. It will have two offices and a snack bar.

Hornets Coast to 46-28 Win Over Alvord Bulldogs

Muenster's Hornets in their game with the Alvord Bulldogs here Friday night ran up a comfortable lead and then turned over the job to their youngsters. The final count was 46-28 and the Alvord boys went home with their biggest score of the season to date.

A big return by Dale Klement on the opening kickoff almost became the Hornets' first score but he was bumped out of bounds on the Bulldog 39. Two plays later a pass from Virgil Swirczynski to Bob Russell was good for the first score.

After the next kickoff the visitors made two first downs to midfield and had to kick on the next series. Two plays later Klement set sail for 78 yards and the second TD, then kicked true for an extra point.

A kick ending the Bulldog second series started the Hornets again on their 31. Eight plays made the 69 yards and the big ones were 18 by Stormer, 16 by Swirczynski and the last 27 by Klement. His kick added a point and the count was 19-0 just as the second quarter opened.

Next was the visitors' turn. Facing Hornet reserves they responded fast for 75 yards in two plays. Turlington went 67 for the TD and Dodd went over for extra points.

The Hornets fouled up their first series after that and had to kick but got back in business the next play on Swirczynski's pass interception on the Bulldog 49. A pass to Louis Hellman reached the 19, another pass was incomplete and Jimmy Robison on an end-around play weaved his way to pay dirt. Klement's kick made the score 26-8.

Next the visitors kicked on their first series and the return plus a penalty put the Hornets on the 13. However an interception two plays later delayed the score. Alvord failed to move, kicked to end (Continued on page 8)

Over 200 Attend Anniversary Event At Golden Years

Golden Years Rest Home Sunday observed its first anniversary with an open house and rededication for which Mr. and Mrs. Dick Cain were hosts from 2 to 5 p.m.

Over 200 guests attended and ministers from six area churches spoke.

Mrs. Cain gave the welcome address and stated that it is a pleasure and a privilege to be administrator of the rest home. She introduced the Rev. Bob LaGrone, pastor of Myra Baptist Church, who was master of ceremonies.

Ministers speaking, reading from scripture and paying tribute to the home owners, the management and the patients were, in the order of appearance, The Rev. John Culpepper, pastor of Muenster Baptist Church; Father Russell Clapp, pastor of St. Paul's Episcopal Church, Gainesville; Father Benedict Buerger of Sacred Heart Church, Muenster; the Rev. The Rev. Barkus paid tribute to the memory of Mrs. Gertrude Harris, and the Rev. LaGrone to the memory of J. S. Bagwell, former patients.

Afterward Mrs. Culpepper was at the piano for group singing of hymns, the concluding number the rest home's favorite "I Must Tell Jesus."

Visitors toured the home, chatted with patients and had refreshments. The lace covered serving table in the dining room held the crystal punch service and the silver coffee service. Misses Debbie Cain, Linda Fisher and Patricia Hogan poured punch. Mrs. Jack Hogan presided at the coffee service and guests helped themselves to homemade cookies.

Win At Callisburg Will Give Hornets 9-B Second Place

The Hornets will be scrapping for undisputed claim to the runner-up title of District 9-B when they end their season at Callisburg Friday night.

At this time Muenster is in second place with a 5-1 record, the only loss being to Saint Jo, which has a perfect record so far and a cinch for the champ title.

In third spot is Sanger with a 4-2 record. It is the team with which Muenster will have to share the second spot in case the Hornets lose at Callisburg.

Indications this week are that the MHS boys will not let that happen, says Coach James Polk. They have been enthusiastic in their practice with a firm conviction they will have a good job on their hands. In spite of being in the loop's lower bracket Callisburg has plenty of potential and cannot be taken for granted. It has been a tough foe all season, and its losses have been by small margins.

Physically the Hornets are handicapped for this game, but only slightly. A broken finger will keep Chris Cain off the defensive lineup and a few old injuries are hanging on in the reserves. All is fine as long as the starting lineup can keep going but trouble can develop if replacements are needed.

Outclassed Tigers Blasted 45-6 by Friars of Dallas

The game proceeded about as expected Saturday night as the outclassed Sacred Heart Tigers were annihilated 45-6 by the Bishop Lynch Friars of Dallas.

With a football roster about the size of Sacred Heart High's total enrollment, the Friars have an abundance of speed and power that seemed able to score any time it wanted to.

To start the game Kralicke returned the kickoff to the Tiger 44 and three first downs reached the Friar 17 before running into trouble. The next series fell short and the Big D boys took over in their 10.

Then came a 90 yard drive in 11 plays for the first touchdown. Rager's sweep around left end for 33 yards finished the job.

The second score came only three plays later. The Tigers fumbled on their second try and the next play was a touchdown pass for 36 yards from Rager to Lawrence. A kick for extra point was good.

Following that the Tigers came close for the second time of the game but ran into too much defense near the goal. Three first downs, including a 25 yard pass from Leon Endres to Willie Wimmer made 46 yards to the 14. Next three plays lost ground to the 19 and a pass to Larry Hess reached the 8.

Starting from there the Friars headed goalward again making five first downs before being stopped on the 15 by Leon Endres' pass interception.

For the rest of the period Sacred Heart made one series and kicked on the second, Bishop Lynch made a series and ran out of time in the second. The count was 13-0 at intermission.

Sacred Heart started the second half with its best performance of the game. A stout defense held the Friars on their first series and Kralicke stormed through to block their kick. That was on about the 25 and the ball tumbled back to the 6. From there three tries made only 2 and the last effort, a pass to Wimmer over the line, was good for a touchdown. (Continued on page 8)

Tigers Will Host Austin Team in Bi-District Clash

The Tigers will play St. Edward's Academy of Austin on the Sacred Heart field, Saturday night, starting at 7:30, in the bi-district play off for District 4AA and 6AA of the Texas Catholic Interscholastic League.

Arrangements for the game were made Monday when Father Alcuin Kubis and Coach Walter Wolf met in Waco with representatives of St. Edward's.

Representation of District 4AA turned out different than expected last week. St. Mary's of Fredericksburg was the leader then but the loop was thrown into a three way tie by St. Mary's defeat and St. Ed's got the nod to play the bi-district. Sacred Heart is automatically the representative of District 6AA because it is the only TCIL school of the area.

Indications are that the game will be a dandy, according to Coach Walter Wolf. The visitors will have a definite advantage in weight but Sacred Heart will have the benefit of playing at home. Records of the teams are about the same: 6-4 for St. Ed's and 5-4-1 for Sacred Heart.

The Tigers will go into the game in top condition. They come through without injury in last week's tussle at Dallas.

WITH DOUBLE-STRONG CONSTRUCTION

Chevy pickups for '66 are built strong to stand up to tough jobs. Cabs, for example, have double-wall roof construction, a rigid double-wall cowl and husky framing around door openings. Lower side panels of Fleetside models are also double-walled. Chassis, too, is designed for extra strength. You can get a 6½-, 8-, or 9-ft. body and a big new 250-cu.-in. Six. Or specify a rugged 327-cu.-in. V8. Get a double-strong pickup that's a glutton for work!

How long since Mother received a gift that was hers alone?

The Mother's Ring

Twin bands of 14 Karat Gold symbolize Mother and Father — joined by lustrous synthetic stones of the month, one for each child in the family

Absolutely unique — and very sentimental! The Mother's Ring symbolizes her life, her marriage, her children, her happiness. She is the only one who may wear it. This beautifully-executed tribute created by fine jewelry craftsmen of solid 14K gold.

There is only one "Mother's Ring". It is so distinctive, so unique, that it has been awarded U. S. Patent #186,183. Ask for it by name, confirm it by its identifying tag.

The baby and his mother are at their own home now after spending a week with the Alphons Reiters.

Mr. and Mrs. Tom Hennigan of Wilson, Okla., were Sunday visitors with relatives. They had dinner with the Fred Hennigans and joined them in attending the KC memorial service, then together visited their brother Henry Hennigan, a surgical patient at Muenster Hospital. The Tom Hennigans were guests in the home of their nephew and family, the Pat Hennigans, before returning to Oklahoma in the evening. They also enjoyed visiting with Mrs. Henry Hennigan who is here staying with the Pat Hennigans and attending her husband's bedside. They live in Fort Worth.

Weekending in Muenster with the Norbert Klements were their daughter and grandson, Mrs. J. E. Marr and little Jimmy, of Fort Worth. HAMRIC'S

Visitors Saturday afternoon with Mrs. Henry Stelzer and the Bill Stelzers were Mr. and Mrs. Henry Luebbert and their daughter and family, the Don Christians and three children, all of Fort Worth. They stopped in Gainesville first to visit Henry's mother, Mrs. Fred Luebbert who recently moved to town from the farm and had dinner with her. They were seeing her new place for the first time. They drove over to Muenster to check on their uncle Bill Stelzer who has been sick.

Mrs. Burt Hamric and son Michael of Durango, Colo., are visiting here with the Ervin Hamrics while Burt is in Ponca City, Okla., on business.

Mr. and Mrs. Joe Hoenig attended First Communion services for a grandson, Danny Hoenig, son of the Rupert Hoenigs of Carrollton Sunday. The 10:30 a.m. ceremony was in Farmers Branch church. Also attending from here were Mr. and Mrs. Jerry Hoenig, Danny's godparents, and their children. Others present were Miss Shirley Neu and Mr. and Mrs. Bill Thomas and family of Dallas. They all had dinner in the Rupert Hoenig home after the service.

Mrs. Lucy Jensen of Canon City, Colo., is visiting her sister, Mrs. J. M. Weinzappel and other relatives this week. She came here from Windthorst where she also visited relatives. Since her arrival here she has been a dinner guest of a nephew and niece, the Herbert Meurers, and visited one afternoon with the L. A. Bernauers and joined them in visiting friends at Golden Years Rest Home.

Mrs. George Petrus Sr. is visiting her son and family since Mrs. George Petrus Jr. had surgery at Muenster Hospital last Thursday. Visitors with them Sunday were her parents, Mr. and Mrs. Charlie Patak of Ennis and her sister and husband, Mr. and Mrs. Harry Matus of Dallas.

Larry Yosten, NTPA plant manager and Frank Stoffels, superintendent, attended a three-day dairy short school in Lubbock at Texas Tech last week. They enjoyed seeing and chatting with Charlie Cunningham, former plant superintendent, who is a student at Texas Tech, studying to become pharmacist.

Spending the weekend with Mrs. Harold Walterscheid and son Lambert were their daughter and sister and her family, Mr. and Mrs. Jim Harris, Jimmie Lynn, Starla Macheile and Dayna Marie of Oklahoma City and another daughter and sister, Miss Shirley Walterscheid of Fort Worth.

Mr. and Mrs. Al Walter left Thursday to visit in Illinois and New Jersey. They'll visit his sister Sylvia and family, the Charles Everettes in Olney, Ill., and their son and family, the Claude Walters in Edison, N.J., and get acquainted with a new granddaughter, Amy Walter.

Hawaiian Holiday Gives Mr. Fisher Happy Memories

Many happy, never to be forgotten memories and souvenirs came back with Joe Fisher Sr. from his Hawaiian holiday. He spent eight days on the islands. With this trip to the 50th state he now lays claim to seeing all 50 states of the U.S.

He traveled alone by jet airliner making the trip right after his 88th birthday. A surprise greeted him aboard United Airlines after leaving Los Angeles when the stewardess brought him a decorated cake and said congratulations. Others on the flight helped eat the cake amid good wishes. Mr. Fisher has no idea how they knew he was observing a birthday.

The itinerary was arranged in Dallas with Virginia Allen, American Airlines travel consultant and included many interesting sights from the time he arrived at Oahu and was decked with garlands until he was garlanded again upon his departure.

Highlighting sight - seeing were Waikiki Beach, Honolulu, Kamuela and a boat trip to Pearl Harbor.

He visited Alfred Walter in Honolulu and he joined him for some of the sight-seeing.

Mr. Fisher especially enjoyed his tour of Parker Ranch with its 262,000 acres. He noticed that Hawaiian cowboys dress like Texas cowboys in blue jeans or khakis — their western hats are circled with bright garlands. He also saw hundreds of acres of sugar cane, bananas, coconuts and pineapples.

The outstanding social event was a luau where delicacies included roast pig prepared with hot stones. Over 600 persons attended the feast.

He visited the National Memorial Cemetery at Honolulu and the Garden of the Missing with its more than 26,000 white markers in memory of those missing during World War II and the Korean War. And he attended services at the world famous St. Augustine Church by the Sea of Waikiki.

Added happiness and interest came on the way back when he spent a few days in Los Angeles with his granddaughter and family, the David Shenks (Mildred Fisher), and saw again great-grandchildren Stephanie and Robert Shenk. They took him sight-seeing. Among highlights there was the famous old Capistrano Mission.

Salvation Army to Send Truck Nov. 22

The Salvation Army needs school clothing, usable or repairable book satchels, and other school items, announces Major Bryon A. Freeman, commanding officer of the Men's Rehabilitation Center, Dallas.

The Salvation Army truck will be in Muenster on Monday and Tuesday next week, Nov. 22 and 23, to pick up clothing and household items. A call to 759-4311 will bring the Salvation Army truck to any home or business in the Muenster area.

The men's rehabilitation center operates the truck service and repair shop which handles household discards and helps over 1000 men find a new lease on life each year. Giving to the Salvation Army makes needed items useful again and fully supports the Salvation Army's rehabilitation efforts in this area.

First Colonists Arrived 76 Years Ago November 14

It was 76 years ago Sunday, Nov. 14, 1889, when the first settlers arrived in the open prairie which was to become Muenster. None of that group of pioneers is living to tell about the arrival.

Mrs. John Rohmer who was a baby, the daughter of Mr. and Mrs. Frank Hesse, is the only survivor of that small group of brave colonizers.

Muenster history records that a small piece of paper

nailed to the nearest telegraph post informed these people they were in Muenster. It took men with courage to tell their families that this was the place where they intended to settle, to work, to pray, to raise families, to build church and school, to make their fortunes.

They made the best of circumstances as only pioneers can do. One of the barns was converted into a community kitchen, another into a dormitory for the men who outnumbered the women at the time. Women and children slept in the land office of Flusche Bros. John Knoll soon erected a tent which had arrived by wagon from Kansas along with other supplies including several barrels of apples. This tent served as a temporary boarding house.

During the next few weeks landseekers from the Midwest arrived in droves, even before the surveyors had finished their work, before arrangements could be made where they could stay. Some found temporary housing in Gainesville; quite a few returned to their midwestern homes.

St. Mary's Society Sponsors Annual Clothing Drive

St. Mary's Altar Society at its Wednesday meeting planned the annual Thanksgiving Clothing Drive which is now in progress. Anyone wishing to contribute to the campaign may leave clothing at 414 Carnes St. until Nov. 21.

Mrs. Lambert Bezner opened the meeting with prayer and a committee of four, Mmes. Bill Graham, Royce Trimble, Willard Kuhn and Joe Krahl was appointed to work on the new constitution and by-laws.

Mrs. T. L. Anderson reported on the NCCW convention held in Dallas recently.

Mrs. Nick Dieter and Mrs. Henry Kuhn served refreshments to 25 present in the First State Bank community room.

4-H Girls Hear About Nutrition

Fifth grade Sacred Heart 4-H Club girls, meeting for November, had a demonstrated lecture on "The Train of Nutrition." Evelyn Yeatts, assistant county agent, gave the discussion demonstrating with a train constructed of five styrofoam cars that held foods that should be eaten for good nutrition and those that should be avoided or eaten sparingly.

Janet Swirczynski, president, presided for the business meeting and Janice Fisher read minutes from the previous meeting and called the roll. Debby Walterscheid counted 24 members present. Glenda Gieb and Nancy Fuhrmann led the recreation.

Mrs. Yeatts gave the same program to Sacred Heart eighth grade girls and this group also discussed money making projects.

Janell Reiter, president, presided and Rita Owen led the inspirational.

Twelve members and two adult leaders, Mrs. Ed Sicking and Mrs. Wilfred Sicking, attended. Theresa Becker is club reporter.

Sacred Heart seventh grade club had 17 members present for a lesson on food and nutrition by Mrs. Evelyn Yeatts. They also discussed ways to raise funds for the treasury.

Mary Medders, president, presided. Laurie Wimmer led the inspiration. Suzanne Huchton read minutes of the previous meeting and Donna Endres reported on the 4-H Achievement Banquet. The group played a game for recreation. Peggy Sicking is reporter.

Father Joe Weinzapfel of Dallas visited his parents Wednesday afternoon arriving in time to have lunch with them.

Local News BRIEFS

Two local hunters, first in Muenster and among the first in Cooke County to get deer after the season opened Saturday were Don King and Willie Walterscheid. Early in the morning they drove into town with their kill. King got his near Sivells Bend and Walterscheid got his north of Muenster. It had 16 points. Other happy hunters reporting were Ernest Medders and Jimmy Dangelmayr who shot theirs Sunday and Dave Trachta and Dan Haverkamp who brought theirs in Monday. The four were bagged north of Muenster.

Mr. and Mrs. Joe Zipper of Dallas are visiting here, house guests of Mrs. R. M. Zipper and are also calling on friends including Mrs. Clarence Wilson. Meanwhile Miss Joan Zipper had joined a friend from Dallas on a trip to Mexico City.

Mr. and Mrs. J. C. Trachta were in Fort Worth Sunday at gift markets and stopped by to see Mrs. Roman Trachta before going to Dallas for a visit with Joe's nephew, Roman Trachta at the VA Hospital. Before returning home they visited the Larry Walterscheid's at their home.

Visiting here since Sunday is Miss Lu Vogel of Houston, guests of her mother, Mrs. Emil Vogel. It's a forced vacation ... she has her right arm in a cast ... broke it in a fall.

The infant daughter of Mr. and Mrs. Martin Krahl of Valley View has been named Brenda Dianne. She was baptized Sunday in St. Mary's Church, Gainesville, with Father Thomas Taaffe officiating. Sponsors were her uncle and aunt, Mr. and Mrs. Steve Krahl.

Msgr. Anthony Daly of Dallas made a pop call on the J. M. Weinzapfels Wednesday afternoon to check on Mr. Weinzapfel. The Monsignor was enroute back to Dallas after a visit in Wichita Falls.

J. D. Rumley Feted On 13th Birthday

J. D. Rumley, 13 years old Nov. 16, celebrated his first teen birthday Tuesday afternoon with a party at the public school. His mother, Mrs. Melba Kinsey and his sister, Mrs. Richard Herr, were hostesses.

It was a hamburger party with birthday cake and ice cream.

Guests were schoolmates Henry, Andy and Eddie Knabe, Gary, Chris, Pat, Kenny and Ricky Walterscheid, Bobby and Frank Tuggle, Ricky Tuggle, David Stormer, Charlie Haverkamp, Dwight Wolf, Carl Endres and Barney Reed.

Mrs. H. H. Homsley drove in from Fort Worth Monday evening to see her new grandchild, the infant daughter of Mr. and Mrs. Willie Walterscheid, at Muenster Hospital. She stayed until Tuesday with the family.

Juniors Lose 44-0

By a score of 44-0 Callisburg's Juniors ran over the Muenster Juniors Tuesday night. They made a touchdown in each of the first three quarters and three in the last quarter.

As usual his kids were out-classed, but they did fine in spots, Coach Polk said. Their defense was good in the first half, and their offense made progress especially in the third period. They made four first downs to the 15 then fumbled away their chance to score.

The Callisburg quarterback figured in all of his team's touchdowns. He went over for five of them and threw a pass for the sixth.

A coffee Wednesday afternoon honored Mrs. Lucy Jensen in the home of her sister, Mrs. M. J. Weinzapfel, before her return to Canon City, Colo., after a visit here. Guests were Mmes. John Hartman, Albert Dangelmayr, Tony and Ted Gremminger, T. S. Myrick, Joe Swirczynski, Herbert Meurer and Bill Becker.

A meeting was being held at the church in a small community to consider the purchase of a chandelier. Midway in the proceedings, an old fellow in the back row stood up and announced himself "agin" it. "In the first place," he said, "we can't none of us spell it. And in the second place we can't none of us play it. And in the third place, we need some new light fixtures a lot worse than we need a chandelier." Oceans cover almost three-fourths of the world.

CDA Court Hears Father Alcuin as Meeting Speaker

Father Alcuin Kubis, chaplain of Muenster CDA Court, was guest speaker at the November meeting of the organization Friday night in the KC Hall.

He delighted his audience with his talk about Baroness Maria Von Trapp, telling things that she tells on her speaking tours of the nation, along with other interesting bits he gathered while visiting with her while she was a guest of the Ernest Medders recently.

Business was brief and routine. Mrs. Al Schmitt, grand regent, presided. Committee chairmen gave reports.

Mrs. Paul Fisher reported on the recent regional CDA meeting she attended in Wichita Falls. Also at that meeting from the local court were Mmes. Ted and Tony Gremminger and Miss Elizabeth Herr.

Mrs. Rufus Henscheid gave a report on the court's annual benefit bazaar which was one of the most successful the organization has ever sponsored for its various charitable projects.

Mrs. Andy Schoech told about the monthly birthday party at Golden Years Rest Home. She was chairman for the month, attended with other members, taking a cake and flower arrangement.

Mrs. Eddie Schmitt reported on dinners prepared by the court for families of deceased on the day of the funeral. These are served in the KC Hall and the Knights have recently added cabinets and a double sink to kitchen equipment. She said the women who do the cooking need to know in advance what is being brought in and would appreciate a phone call to that effect fairly early in the morning when they prepare their menu. Other organizations assisting in this project are the St. Anne's Society and the VFW Auxiliary.

After adjournment Mrs. Tommy Knabe and Mrs. Charles Bayer served coffee and cookies.

Lone Star Brews Millionth Barrel For Fiscal 1965

Lone Star Brewing Company has brewed and sold its one millionth barrel of beer for fiscal 1965. The "first" for the 25 year old brewery coincided with its Silver Jubilee Anniversary and Millionth Barrel — Happy Birthday luncheon celebrating the events at San Antonio.

The coveted Million Barrel mark was recorded with nearly a month to go before the close of the fiscal year, November 30, 1965. With sales continuing at the present pace, the million barrel figure also will be surpassed for the calendar year of 1965.

At the luncheon on the Lone Star Brewery property, it was primarily a family party. Guests included employees, officials and the distributors from the five state marketing area where Lone Star Beer is sold: Texas, Oklahoma, Louisiana, Arkansas and New Mexico.

Lindsay School Set For Homecoming

Lindsay is ready to welcome homecoming crowds Saturday night when Lindsay High School and the Lindsay Athletic Association unroll a program of festivities before and after the Knights tangle with Gunter in the homecoming football game.

Beginning at 7 p.m. the show is on with crowing of the 1965 football queen. Game time is 7:30.

All ex-students of Lindsay school as far back as the early 1900s have been invited to attend the formalities which include a social hour and buffet in the school cafeteria and a dance in the Gun Club Hall. Anyone who ever attended Lindsay School and failed to get an invitation is welcome, in fact urged, to attend.

Name of the queen will not be revealed until the coronation. There are four candidates: Linda Hoelker, Diane Zimmerer, Margie Fuhrmann, and Janet Arendt. Three of them will be princesses in the queen's court.

Achievement Day Plans Mapped by Lindsay 4-H Club

Lindsay 4-H Community Club made plans for an Achievement Day program when they discussed business at their November meeting. Carolyn Block, president, presided. A committee was named to make arrangements for the achievement event.

It was the newly organized community club's second meeting, attended by 21 members and seven adult leaders.

Cathy Arendt led the inspiration and Charles Bezner led the club motto. Christine Bengfort reported on the County Achievement Banquet. For entertainment Marilyn Stoffels and Joyce Hellingger recited a poem entitled "Little Orphan Annie."

After adjournment refreshments were served by the adult leaders.

the series and Klement's return of about 25 yards reached the 17. Stormer went in from there, and Klement kicked another point. Half time score was 33-8.

Starting the second half the Hornets held Alvord on the second series and started goalward again. A pass missed and one to Klement made 18. Another missed and one to Stormer made 41. A quarterback sneak gained 2 and Robison went over for the last 2 yards. Klement's kick made the score 40-8.

After that Hornet reserves saw lots of action, and Alvord started moving. The drive ran out of steam on the Muenster 40 but got going after a recovered fumble on the next play. Eight plays made the 36 yards and Barnett scored from the 3.

Hornet regulars back on the job fumbled on their second series and started again after a nice kick return by Klement. Ten plays later Swirczynski sneaked over from the 1.

One play after kickoff was enough for Alvord's next. It was a pass Turlington to Pylant for 47 yards followed by Turlington's run for bouns points.

Last one was the last play of the game. Turlington rambled 42 yards for the TD.

down. A pass from Leroy Hess to Leon Endres was good for bonus points but spoiled by an offside penalty. Another try failed.

The next one for Bishop Lynch came in a hurry. Three plays made 65 yards and the TD was a 43 yard ramble by Lawrence.

Sacred Heart lost time on the kickoff that followed and was nailed on its 10. An interception two plays later gave the Friars a set up on the 17. Three plays made it, Adams going the last 10.

Sacred Heart came back with a short drive that made two first downs before it was stopped by an interception and the Frars started again from mid field. Five plays were enough and Rener scored from the 1.

Next time Bishop Lynch got possession they needed only one play. Rager scooted 75 yards for it.

The final score less than a minute from the end was on a pass for 30 yards.

Tigerettes Win Two in Basketball

Sacred Heart's basketball girls made it another double win Tuesday night when they hosted the Gainesville State School girls in the local gym.

away and vital work is stopped by strikes. The situation is very similar to over-concern for the rights of criminals — which amounts to under-concern for the rights of society.

Last week's power failure has been described as a sort of chain reaction of interconnected systems resulting from a single failure. When one system went out another automatically took over, and was knocked out in turn by the increased load. And so on and on until thirty million people were in the dark.

The situation points to frightening possibilities in case of sabotage or attack. Millions of people are haunted now by the fear of what can happen and the electrical industry is confronted by the problem of providing a safety factor which will handle such emergencies in the future.

Finally, it's gratifying to note that the blackout had its bright side. There have been many reports of amusing incidents but, so far as this column knows, no reports of panic.

Half a million children in the United States will swallow poisonous substances this year, according to estimates.
