NUMBER 45

It is hardly necessary to say that this column is delighted over the outcome of Saturday's election. The favorable vote by a 5-2 ratio was more than just an approval of the hospital district and tax. It was a strong endorsement. It leaves no doubt whatever that the people of this area want their hospital and that they are willing to take on the responsibility of paying its outstanding debt.

It also indicates a wide spread practical attitude toward the problem at hand. People compared their share of the hospital's debt with the many benefits it offers them, and they decided that the proposed debt retirement plan is a good deal. It was as simple as that. They chose not to be scared off by the reminder that they would be taxed, and revealed clearly that they consider this tax a bargain. They placed our hospital in the category of various public services that deserve support of the general public.

In a way our election was similar to the original campaign for funds. Those who voted FOR were saying that they are willing to make a sacrifice to help keep the hospital. In most cases they were voting an extension of previous donation and pledge.

There was a difference, of course, in that the election involves responsibility of the community as a unit whereas the fund campaign involved separate responsibilities of only persons who approved.

This difference was a big bone of contention to some people. They claimed it is not right for a majority of people to impose an obligation on the minority, and they emphasized the point strongly in their efforts to stop the district proposal in the state legislature. The attitude is understandable. Human nature objects to helping a project one does not approve. But an equally strong claim can be presented on the other side — that it is not right for a minority to deprive the majority of facilities it wishes to have.

Obviously society must have a solution to that clash of opinion. And it does. In our form of government it states simply that the wish of the majority prevails and the minority will abide by that wish. It is our way of electing officials and deciding issues. It is our way of maintaining an orderly, progressive society.

Actually, it can be said that most of the minority in this case did not fare so badly after all. They can, if they wish, take some satisfaction from the fact that they will have to share responsibility in only half of our hospital project. As we know, the community's share is about \$600,000, half of it already paid, the other half remaining as a debt. The first part was paid by those who gave voluntarily. The next half will be paid by all, including those who previously gave.

That is the arrangement approved by voters last week but it is not necessarily the arrangement that must apply all the way. The tax is a sure way of getting our job done, however it does not rule out a better way if one happens to come along. Contributions are still welcome. And who knows but what in future years someone may be inclined to share his blessings with the community. Attitudes change as all of us know. The possibility exists even though it is not in sight now.

In the meantime we have the satisfaction of knowing that no matter what the source of payment, it will cost the community less under the present plan. The tax bond will have a lower interest rate. In the long run we will pay less because of it.

Because of remarks that have been made about high taxes and their detrimental effect on the community, it is in order to point out here that Muenster is still far more fortunate than most other places. Those who have had taxpaying experience in almost any large city will agree to that. And we don't have to go far to find school districts with double our rate of valuation plus a fifty per cent higher rate of tax. Even after figuring our hospital tax at the maximum rate our total tax bill is much lower.

Another thought: How will your hospital tax compare with your income tax? Compare the figures and then compare your part of their respective bene-

Local Investors Invited to Buy Muenster Hospital District Bonds

Directors of the Muenster Hospital District after a meeting Wednesday night announced that the Muenster Hospital District bonds are available here for a limited time, provided all are bought here.

Persons interested in buying them are advised to contact Norbert Felderhoff, Al Felderhoff or Tim Stormer immediately. Opportunity to buy without paying commission to an investment firm will end next Wednesday, October 6.

If bonds are to be sold locally all of them must be sold immediately. Otherwise all of them will be sold to an investment firm.

County to Vote on 2 New Buildings At County College

Voters of Cooke County in a special election October 19 will decide for or against a proposed expansion program for Cooke County Junior College.

The Board of Regents of the Junior College at their meeting Monday night ordered the election to be held on a \$300,000 bond issue for construction of a classroom building and physical education building.

The bond issue, as proposed, does not involve an increase in the present tax. As explained by John H. Parker, CCJC president, the tax to support the bond issue will begin after the present college bond tax is retired. The tax for the proposed project is to begin seven years from now and to continue for ten years.

Cost of the two new buildings is estimated at slightly less than \$500,000. A federal grant is expected to provide \$194,990 and the bond issue will provide the remaining capital.

Paul Campbell, president of the college board of regents said that more space is urgently needed at CCJC. Present enrollment is over 750 day students and the total enrollment is more than 1000. President Parker said that addition of the two buildings will enable the college to accommodate up to 1500 students.

Campbell said it was decided to hold the election in the college only in the interest of economy. Estimated cost of using all the county's voting locations is \$2000 to \$2500, which can be used better in buying vocational training equipment.

Tiger Reserves Take 34-6 Tussle

Reserves of the Sacred Heart Tigers stormed their way to a 26 point lead over Saint Jo reserves in the first half of last Thursday night's game and then settled for a 34-6 win.

Walter Wolf's B stringers were in control almost all of the way. During the first half they scored every time they got hold of the ball. During the second half they bogged down three times and fumbled the ball away once. They led 21-4 in the record of first downs.

They started by holding the young Panthers on the second series and moved 48 yards for the first TD. Hess, Schilling and Sicking shared the totting in the seven plays and Schilling made the last 6.

Next drive was for 42 yards after a Panther fumble. Ten plays were used, Leroy Hess made the last foot, Sicking added 2 points.

Another fumble started the Tigers from the Panther 38. Sicking went over from the 10 ending a push that needed four tries.

For the third time the Sacred Heart boys got started on a Panther fumble. Four plays made 26 yards, 16 of them in one gallop by Leroy Hess, and Stoffels sneaked over from the 1 foot line. The score was 26-0 as the half ended.

The second half was different. Tigers were stopped twice before they were able to score. First time it was on a fumble, the other time they lost possession on downs. The interrupted drive went for 57 yards and Stan Endres made the last 3. Alcuin Schilling made 2 more points.

Moments later the visitors made their only counter. Joe Smith raced 64 yards for it and a run for extra points was short. In the closing minutes Smith made another big play, but with a sad ending. After an 85 yard run he was tackled by Steve Hess on about the 3. The ball tumbled over the line and was recovered by a Tiger for a touchback.

Iowa Park 'B' and Hornets Tie 18-18 In Grid Thriller

Football was fast and furious on the Muenster High field Friday night as the Hornets and Iowa Park's B team deadlocked in a sizzling 18-18 tie.

Failure to get points after touchdowns is what hurt the Hornets. They had three opportunities and fell short on all three. Otherwise they would have nudged ahead for a well earned and most welcome victory. Statistically they were ahead 14 to 10 in first downs and 341 to 288 in total yardage.

The game started with a bang on the very first play from scrimmage. McDonald fired a long one to Eke, who was in the open and hot footing for a TD. Total distance was 71 yards. McDonald's run added two points. The count was 8-0 in the opening seconds.

The Hornets struck back with determination. Ken Stormer made 16 and Dale Klement 22. A pass to Bob Russell was good for 16 and the scoring play was a pass from Virgil Swirczynski to Louis Hellman for 15. The drive took 10 plays and covered 76 yards. A run for bonus points was short and MHS trailed 8-6.

Again the visitors came back with fire. Five plays made 42 to the Hornet 17 and a pass four plays later appeared to be good for a score. But a penalty wiped out the play and the next try stopped on the 14.

On the first play from there Klement plowed to the 31 and fumbled as he went down but Stormer was there to recover it. Four plays later the Hawks intercepted on the Hornet 43. But five plays after that Hellman intercepted for the Hornets on the 16.

Two plays netted a yard loss then Stormer got a pass from Swirczynski and streaked down the right sideline for a TD. It was a beautiful 85 yard play. The run for bonus points failed again leaving the Hornets (Continued on page 6)

Tiger Cubs Nudge Lindsay Kids 6-0

The Tiger Cubs of Sacred Heart marked up their second win of the season Tuesday night by slipping past Lindsay's Juniors 6-0.

For most of the time the game was a standoff. Each team made an occasional first down but usually it was a matter of giving up the ball on a fourth down kick.

The Cubs' score was set up by a Lindsay fumble which Jerry Schmitz recovered on the 2. On the next play Melvin Schilling went over.

The Cubs missed another nice opportunity in the first quarter when they got a first down on the 8. Next four plays, however, went the wrong way. The series lost four yards. Another threat was a 35 yard run by Clifford Zimmerer.

Lindsay too threatened once as Anthony Felderhoff made 25 to the 20 just before the game ended. Defensively both teams did a nice job. Standouts in the Cub line were Jerry Schmitz, Dale Felderhoff and David Fette. In the Lindsay line it was Jerry Laux, Sammy Beizer and James Germany.

Hospital District Gets Approval of Strong Majority

Voters of Muenster, by a count of 507 to 198, in the special election last Saturday, created the Muenster Hospital District with a tax to retire the bonded debt of the local hospital and to provide for the care of indigents of the district.

The total vote of 705 is estimated at about three fourth of the total voting strength of the area concerned. That includes all of the Muenster School District and the Cooke

Hornets to Host Ardmore 'B' Team Thursday Night

Another adventure in B football faces Coach Polk's MHS Hornets Thursday night as they take on the reserves of Ardmore High School. They have no idea what to expect, except the very indefinite quantity of talent remaining after first stringers are scratched off the squad list.

That's what will be here, Polk said, and it may be good, like last year. In that contest the Hornets were clearly outclassed but managed to hold down their loss to 12-8. Without information to the contrary the Hornets are looking for stout opposition.

Even so Polk is confident that his boys can make the grade. He is proud of their tie last week with a hot B team from Iowa Park. He also has a feeling that a similar performance could win this week.

Jaycees Select 12 Candidates for Miss Muenster

First step in the selection of Miss Muenster to participate in German Day activities at the State Fair on Oct. 17 was completed Tuesday night by Muenster Jaycees when they selected 12 from some 30 names submitted in nominations by the community.

One of the 12 will be a member of the official party representing the community at the fair.

Those selected to compete for the title are Mary Wimmer, Patsy Hartman, Paulette Walterscheid, Donna Tuggle, Candy Fette, Gloria Haverkamp, Debbie Schilling, Barbara Schmitt, Paulette Endres, Margie Fuhrmann, Janice Yosten and Janice Trubenbach. A Jaycee wife is assigned to each as counselor.

Next step in the contest will be a tea at Colonial Manor with Mrs. Ernest Medders as hostess Sunday afternoon, Oct. 3, at 2 p.m.

Judges, identity not revealed, will observe the girls at the tea, have personal interviews with them and note their qualifications for the title. Jaycee wives will attend with them.

All will return to Colonial Manor for a dance on the following Saturday night, Oct. 9, for further observation and at some time during the party winners will be announced. These will be Muenster Day queen, runner-up and alternates. Jaycees and their wives will also be guests at the dance.

Spirits Are High As Tigers Tackle Rugged Anna High

A determination to keep up the good work is in the air at Sacred Heart as the Tigers get ready for Friday night's game at Anna.

Coach Walter Wolf says the boys have lots of enthusiasm and they are also in fine physical condition. After four games they still have no one out with an injury.

Other signs that inspire confidence in Wolf and his boys is a reference to last year's game, which the Tigers won by the thin margin of bonus points. Tigers are doing better now than then, so their chances are better unless the Coyotes have also improved.

County portion of Saint Jo School District. Fifteen absentee ballots were cast before the election and 690 were cast Saturday.

The election is the final step necessary for creation of Muenster Hospital District and was permitted by a special law passed in May by the 59th Texas Legislature. Procedure of setting up the district will be delayed thirty days as required by state law but preparations are under way now.

When the district administrative organization is formed it will assume responsibility over Muenster Memorial Hospital succeeding Muenster Hospital Authority. It will also issue tax bonds to retire the debt, replacing the revenue bonds issued by the hospital authority.

Maximum tax rate authorized for the district is 75 cents per \$100 valuation on county tax rolls. The actual rate will be determined by the schedule directors will adopt for retirement of the bonds.

Directors of the hospital district are Al Trubenbach, president, J. H. Bayer, vice-president, Joe Galloway, secretary, and Alphonse Felderhoff, Norbert Felderhoff, Albert Dangelmayr, Tim Stormer, Robert Bayer and Ray Voth. Until the election they served as temporary directors.

Soil District Sets Contest Saturday In Grass Judging

The sixteenth annual Upper Elm-Red Soil Conservation District Grass Judging Contest will be held Saturday, October 2 in CCJC gymnasium. Registration will open at 8 a.m. and contestants will move into action at about 9 o'clock. Soil Conservation Service personnel of the district will be in charge of the contest.

The contest is open to Future Farmers of America Chapters and to 4-H organizations of the district. A total of 48 teams are included in the district but usually not more than half of them compete.

Junior and senior divisions will be held again this year and plaques will be awarded in each event. High individuals will receive special recognition also.

Supervisors of the Upper Elm-Red District will host participants for a noon luncheon, announce winners at that time and present awards. Annually there are between 80 and 100 participating in the contest.

Each contestant will be required to give the common name of 50 plants selected from several hundred which grow in the district. He will also be asked to further identify the plant by giving additional facts such as annual or perennial, cool or warm season grower, native or introduced to this country, good, fair or poor for wildlife and for grazing value, and whether the plant is poisonous to livestock.

The board of supervisors of the Upper Elm-Red District started the contest in 1950 and is pleased to note that it is still going strong. More than 1200 boys have participated in the annual contests and more than 5000 boys have received training in plant identification and grass judging.

Miss Emma Fisher was at home over the weekend with her parents, the Charlie Fishers, checking on her dad who is on the mend but still taking it easy after illness that sent him to Muenster Hospital for medical care.

Heather Christian Makes TV Debut

Having a great-granddaughter appearing on television is a new and interesting experience for Mrs. Henry Stelzer of Muenster and Mrs. Fred Luebbert of Gainesville.

Little Heather Christian of Fort Worth is appearing on Mary Lynn's program "Romper Room," Channel 11, at 8:30 a.m. each morning for two weeks.

Heather, who will be five on Oct. 1, made her debut Monday. She's the daughter of Mr. and Mrs. Don Christian, and granddaughter of Mr. and Mrs. Henry Luebbert, all of Fort Worth.

The next time some disgruntled character tells you he's living a dog's life, congratulate him warmly. For there is reason to believe that our dogs may be achieving the Great Society faster than their masters. New Mexico and Old Mexico were vacation sites this year for Carrie Roberg, traveling in company of Joan Roberg and Mrs. Frances Tillery of Fort Worth. They made a tourist's tour of New Mexico with emphasis on Santa Fe. Driving back to El Paso, they visited Mrs. Tillery's relatives and a sister-in-law accompanied them into Old Mexico. They were away 12 days, returned home Saturday.

Former Resident Is Nominee for Lineman of Week

Butch Walterscheid, son of Mr. and Mrs. Frank Walterscheid of Hereford and a native of Muenster, received national recognition as a football great last week when he was nominated for Associated Press Lineman of the Week. The high honor results from his outstanding performance the week before when his team, the West Texas Buffaloes of Canyon, beat Ohio University 7-0. Butch, a 215 pound tackle, is credited with leading the defensive effort which held Ohio to a net of minus 1 yard in rushing for the game. The Ohio coach said his was "the greatest performance I have ever seen by a lineman." Butch considers the honor the biggest thrill of his football career. Next biggest thrill was blocking a punt and recovering it for a touchdown against San Jose State last year.

Cousins Together At Reunion for Illinois Guests

A reunion of the Tempel relationship was held in Muenster Parish Hall last Thursday night with a covered dish supper honoring Father Lawrence Schumacher of Henry, Ill., and his brother Father John Schumacher of Toluca, Ill., while they were visiting Cooke County cousins. Sixty relatives attended and honored Father John in observance of his birthday which occurred while he was in Texas. Mrs. Henry Voth Jr. presented a handsome birthday

cake that she baked and decorated and he cut. It was served to the group. Pictures were taken.

The two priests held the group spellbound with their interesting talks on their recent trip around the world. Recitation of the rosary together, a song by the Fathers, group singing and the priests' blessing concluded the event.

Other events in which the Rev. Fathers Schumacher participated included breakfast at the home of Mr. and Mrs. Tony Trubebach Jr. There were 13 present.

A dinner honored them in the home of Mr. and Mrs. Alois Trubebach. Nine relatives were present. Another dinner was in the home of Mr. and Mrs. Norbert Rohmer. Twelve were present.

The visitors also made a tour of Colonial Acres Farm and visited Muenster Hospital and Golden Years Rest Home. Each morning the Fathers visited classes at Lindsay School and gave travel talks about their trip around the world, and one day Father Lawrence visited Sacred Heart School where he spent some time with Sister Aloysia's fourth grade in which a relative, Shirley Becker, is a student.

The priest brothers spent six days with Muenster, Lindsay and Gainesville cousins.

Joe Walters Have Hawaiian Holiday

Vacation for Mr. and Mrs. Joe Walter of Gainesville was a trip to Hawaii this year. They are back after two weeks in Honolulu, Oahu, visiting his brother Sgt. Alfred Walter and Mrs. Walter. They came back with orchid lei and colored photos and slides. On both arrival and departure by jet airline they were greeted and decorated with the colorful garlands.

Sight-seeing included a tour of a pineapple cannery and a perfume factory. Mrs. Walter received perfume samples. Together they visited former Gainesville residents, the Rev. and Mrs. Victor Koon, and while the two Mrs. Walters enjoyed tours of interest to them Joe Walter flew to Maui Island for a visit.

Beckers Back from 3 Week Vacation

Mr. and Mrs. Felix Becker have returned from a 3-week vacation visit in Maryland and Indiana. It was a train trip in company of their grandson Skippy Becker as he returned to his home in Silver Springs, Md., following a visit here after his discharge from the army at Fort Sill. They were accompanied home by another grandson, Johnny Becker, for a few weeks' vacation. Going and returning the Beckers stopped at Fort Wayne, Ind., where they visited her brother and sister-in-law, the George Hartmans, and a nephew and niece, the Andy Mudracks and other family members. All sent regards to Muenster relatives and friends.

In Silver Springs they were guests of their son and family, the Vincent Beckers, and visited again the National Shrine of the Immaculate Conception in Washington D.C. It was their sixth visit.

Visiting over the weekend and Monday with Mr. and Mrs. Don C. Cooke was her sister, Mrs. H. G. Andrews of San Antonio, driving over from Fort Worth where she is on an extended visit nursing her 92-year-old mother-in-law who had surgery recently. The Cookes and their guest drove to Gainesville Monday for visiting and shopping.

Mrs. Weinzapfel Is Birthday Honoree

It was a happy birthday for Mrs. J. M. Weinzapfel Tuesday with out of town family members in Muenster to help her celebrate.

Msgr. Thomas Weinzapfel and Father Joe Weinzapfel drove over from Dallas and Mrs. P.W. Hellman and son Gus flew over from Tulsa. They joined Mr. and Mrs. Weinzapfel for birthday dinner out — a treat from the Dallas sons.

Later they were together at the Henry Weinzapfel home for a visit and birthday treat.

Gus Hellman and his mother were guests for morning coffee at the home of his grandmother, Mrs. G. H. Hellman. Gus is an aviation student almost ready to receive his flying license. The trip was a cross-country flight in his training program.

covered. Sacred Heart had possession on the 24. There the similarity ends. Tigers bogged down and lost the ball on downs on the 22 yard line. Three plays later Era's kick put the Tigers back to the 39. After that Hess and Kralicke sparked the touchdown drive. Leon Endres made the last foot on a quarterback sneak. Kralicke went over right tackle for bonus points. The

count was 22-0, and Sacred Heart had 113 yards of gains in 7 first downs. Meanwhile Era got nowhere — no first downs and net gains of only 7 yards.

After intermission the game changed and the teams battled it out on almost equal terms. Era led 7-4 in first downs and 94 to 83 in total yards gained but Sacred Heart scored again and Era remained scoreless.

Tigers kicked after failing on their first series. Era made a first down and fumbled on

the next. Then Sacred Heart made one first down and fell short on the next series.

Next came the Hornets' best show of the game. Four plays gained 36 and three successive first downs, but the next one was a fumble recovered by Streng. Tigers again failed to go and kicked. Era made one first down and kicked but it was blocked by Hofbauer.

After that Sacred Heart made a first down but penalties spoiled the next series. The Tigers kicked and Era was on its 20.

Two nice passes reached mid field but a penalty and two losses went back to the 16 where the ball went over on downs.

That's when the Tigers got their last TD. Five plays did it, the last 4 by Robert Klement through the right side of the line. The run for extra points failed.

Era came back with a final effort. A pass gained 15 but Willie Wimmer's recovery of a fumble on the next play practically ended the game. Sacred Heart ran out the clock.

Hornets - - - -

nets with a 12-8 lead.

The rest of the first half had no more scoring but lots of action. The Hornets made three first downs to one for the Hawks, and mixed into the action were a fumble and two interceptions. The Hornets fumbled a kick. Iowa Park made a series and Swirczynski stole a pass to stop the second. Muenster also gained and was stopped by an interception. Then the Hawks were stopped and Muenster was moving as the half ended.

Starting the second half Muenster promptly got into trouble. A short kick ended the first series putting the visitors on the 33. They too failed to gain and their kick put Muenster back on the 1 yard line. Three plays from there gained only a yard and on the fourth Swirczynski conceded 2 points for the privilege of kicking from the 20. That made the score 12-10.

After returning the kick to the 40 the Hawks gained to the 30 and fumbled. Then two big plays gave the Hornets another touchdown. Swirczynski's pass to Dale Klement went to the 25 and Stormer went the rest of the way. The count: 18-10.

From then until the middle of the last period neither team made any real progress. Then McDonald got loose on a beautiful 57 yard sprint to pay dirt. A run was good for 2 more, knotting the count at 18-18.

After that the Hornets failed on their second series and the Hawks seriously threatened to

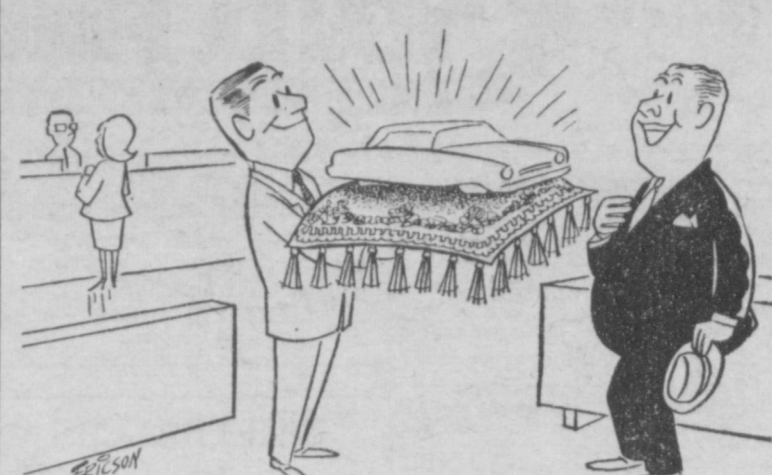

break the tie. Following three first downs they were finally stopped on the 11. In the remaining seconds the Hornets got back to mid-field on a pass to Jimmy Robison.

Birthday Fete for Shirley Becker

Birthday observance for Shirley Becker Saturday was a trip to Dallas, a tour of a 707 Astrojet at the airport, dinner at the home of her grandparents, the Henry Voths, and a cousin as a guest for the rest of the day and overnight. Shirley was ten.

The trip to Dallas was to see relatives off after a visit with Cooke County cousins. Father John Schumacher of Toluca, Ill., and Father Lawrence Schumacher of Henry, Ill., left Dallas for home at 7 a.m. Waving them off were Mr. and Mrs. Norbert Rohmer, their daughters Betty and Barbara, of Lindsay, and Mrs. Martin Becker and Shirley. The girls got American Airlines souvenirs including junior stewardess rings, on the jet tour. After breakfast in Dallas the Lindsay and Muenster group drove to Gainesville to the Henry Voth home for Shirley's birthday dinner complete with a decorated cake. Betty Rohmer accompanied Mrs. Becker and Shirley home for the rest of the day and overnight.

101 PTC Members At Meeting Learn About Modern Math

A record-breaking crowd of 101 adults attended the Wednesday night meeting of Lindsay Parent-Teacher Club to hear new math methods and see blackboard demonstrations. Freshman and sophomore classes were on the program.

President Norbert Mages called the meeting to order and Father John Walbe led the opening prayer. Mrs. Julius Hermes Jr. accepted the secretary's job to fill the unexpired term of Mrs. Robert Beyer who resigned on account of health reasons.

The group voted to hold future meetings at 8 p.m. and to take over the Gold Bond project previously conducted by the Craft Club. Mrs. Norbert Rohmer previous chairman, will continue as Gold Bond chairman.

Parents and teachers made plans to again sponsor the children's annual, Halloween party.

Superintendent Glenn Hellman announced coming events and said that the school district has acquired a new bus. Three are in use, one is a stand-by in case of trouble.

After adjournment refreshments were served and discussion of modern math continued among members. Father John Schumacher of Toluca, Ill., a guest at the meeting, drew the door prize and Mr. and Mrs. Vincent Zimmerer won.

Confetti - - - fits.

Still, that is not the important consideration. Our principal concern here involves just two factors, value and price. What is the hospital worth to each individual and how much will he have to pay. A good number of people thought that over and decided to buy. It was the same as a contract to pay installments on a car, an appliance or a piece of farm equipment. For the same reason the payments need not be any more unpleasant, even though they are called taxes.

A welcome treat for a happy birthday greeted Mrs. Victor Hartman at her home Monday when her daughters, Mrs. Walter Wolf of Gainesville and Mrs. Harvey Schmitt prepared and served the noon meal for family members. Other birthday cheer came in long distance phone calls from out of town children and grandchildren.

Mr. and Mrs. Harry Scoggins and Bobby were in Dallas Tuesday for Bobby's dental check.

Craft Group Has Final Meeting

Leaders of the Lindsay Craft Club met for the last time Wednesday afternoon and settled accounts of the no-longer operating organization. Inventory was taken, accounts brought up to date and books balanced. Regular equipment and supplies were given to Lindsay School.

Leaders expressed thanks to all who helped in any way — there were many ways in which help came — during the years the club operated and flour-

ished. Special thanks went to those who worked so hard on the Gold Bond Project.

The group met with Mrs. Al Bengfort and she served coffee and cake after business.

Knights Clobber Quinlan Hi 62-6

Lindsay Knights broke their losing streak in a big way Friday night by annihilating Quinlan 62-6 on the Lindsay field.

The game was a cinch from

the very start as the Knights stopped the initial effort of their visitors and then turned their first play into a touchdown. To match the lop sided score they led 20-1 in first downs, 288-41 in rushing yardage and 48-4 in passing yardage. They completed 14 out of 18 passes whereas Quinlan completed 2 of 9.

Scoring plays were a 42 yard run by Joe Bezner, a 43 yard run by Beyer and a 22 yard sprint by Louis Geib. Next a pass, Mike Hundt to David Arendt for 28, Geib's run for 20 yards and also for boun-

points, then the Hundt-Arendt pass combination again for 7 yards. Hundt's pass to James Hellingner was good for two more.

Quinlan's big play was on the second half kickoff, a 55 yard touchdown run. Then Lindsay took over again. Hundt passed to Mark Fuhrmann for 5 yards and the TD and ran across for extra points. Last one was a 3 yard plunge by Kenny Laux then a pass from Hundt to Gary Beyer for extra points.

Next action for the Knights is Pickton at Lindsay Friday
