## Good Weather Prevails as 1966 Harvest Begins

Make a deal with the reds to end the war in Vietnam and settle down to a serious effort at winning the war against poverty. That in essence is the advice given by Martin Luther King in his appearance Sunday on the TV program Face the Nation.

The 1966 grain harvest is under way in Muenster. Combining of oats and barley are well advanced. Combining of wheat is just getting started and, if favorable weather continues, is due to be at top speed about the end of the week.

First wheat was received here last Friday by Muenster Milling Company from Alexander Brothers of Era. The first load at Tony's Seed and Feed was received Saturday from Sandmann and Dudenhoeffer of Gainesville. Stockman's Feed Store got its first at the Myra elevator Monday from Fred Arent of Lindsay.

Quality reports on wheat received to date are about the same. Tests are about 60 except in grain that has been damaged by rust. And moisture is generally running high because of early cutting. Scattered reports so far indicate that the yield is expected to average about 20 bushels per acre, however, no final figure from a finished field is reported to date.

Harvesting weather to date has been exceptionally good. Since the first cutting of oats, for baling, there has been one rain, which caused little damage or delay. Combines can go to work as soon as the grain is ready.

## Gene Hoedebeck is New Grand Knight Of Muenster KCC

Gene Hoedebeck is the new grand knight of the Muenster Knights of Columbus succeeding Walter Klement who served as the council's head two and a half years.

His new assignment is one of five made in the organization's annual election of officers Wednesday night — an election in which the members kept practically the same slate of officers but changed some of the titles.

Other new officers are Albert Herr as deputy grand knight succeeding Ed Schneider, Eddie Fleitman as chancellor succeeding Albert Herr, Ed Schneider as advocate succeeding Eddie Fleitman, Walter Klement as trustee for three years succeeding John Mosman and Al Fleitman as trustee succeeding Gene Hoedebeck for the unexpired two years of his term.

Five officers were re-elected. They are Carl Walterscheid, recorder; Joe Horn, treasurer; Joe Hoening, warden; Donny Hess and Wilfred Bindel, inside and outside guards. J. A. Klement, continuing for another year as trustee completes the list of the council's elected officers.

In addition there are three appointed officers: Father Alcuin Kubis, chaplain; Ed Endres, financial secretary and Donald Endres, lecturer.

Preceding the election the council heard a report on the KC state convention by Delegates Walter Klement and Donald Endres. It was presented by Klement.

Before the meeting members were guests of the council for the annual chicken supper catered by Emil Rohmer.

## Ballot Is Short For Saturday's Run-Off Election

Saturday, June 4, is election day in Texas although there is little indication of it in public interest. For the state as a whole it is time to decide the outcome of a run-off in the Democratic primary and select the party's nominee for the office of attorney general.

Candidates are Crawford Martin, favorite of conservatives, and Franklin Spears, favorite of liberals and the AFL-CIO. Martin led by more than 100,000 votes in the first primary but did not get a majority. Liberals, banking on a light vote, are working for an upset by a strong turnout of their supporters.

Another race is on the Cooke County portion of the ballot. Bob Smith and Dr. Atchison, both of Gainesville, are running for the non-salaried job of County Democratic Chairman.

That's the extent of the voting here, two of four names to be scratched.

Voting time in Muenster will be as usual, 8 a.m. to 7 p.m., and voting places will also be as usual. North box is in the public school with Joe Luke presiding. South box is the building at the city park entrance with Paul Fisher presiding.

## Martha Sue Meurer Texas Tech Grad Going to London

Miss Martha Sue Meurer, daughter of Mr. and Mrs. Herbert Meurer, was one of 1500 students who received degrees at Texas Tech's commencement exercises in Lubbock on May 28. Her major is elementary education and her minor is Spanish.

The family attended commencement exercises and Martha Sue accompanied her parents home for a short visit. Meanwhile she's getting ready to fly to London, England, June 8.

Through the affiliation of the Association of Colleges, Miss Meurer will be employed in London until the fall.

Others at her graduation included her sister, Mrs. Kenneth Wiesman of Austin, brothers Robert Meurer of Washington, D. C., and John Meurer and Mrs. John Meurer. Mrs. Wiesman and Robert Meurer accompanied the family home for a visit.

## Tax Equalization Hearing Scheduled Next Wednesday

The Muenster city council, in special sessions last Thursday and Friday nights, reviewed all tax renditions and made assessments for the year. Following its custom of recent years, the council assumed the job of equalizing taxes rather than appoint a special board of equalization.

The council also set Wednesday, June 8, as the date for hearing by the board of equalization. It will be in the city hall starting at 7:30 p.m. Notices of the hearing were mailed to all persons whose assessments this year are different from last year's. Whoever does not think he is properly assessed is asked to come and be heard.

The number of those notices is relatively small this year. Most assessments established in long sessions during the past several years, remain as they were. As usual some renditions were low and were raised back to the previous figure. Other notices were sent on property built last year and taxed for the first time this year. And a few changes overlooked in previous equalizations were made this year.

People who failed to render for tax had their renditions made for them by the equalization board. Those whose assessments differed from last year received a notice.

## Frank Medders Is Military Graduate

Mr. and Mrs. Ernest Medders flew to Lebanon, Tenn., for the May 29 graduation of their son, S. Sgt. Frank Medders, from Castle Heights Military Academy.

He accompanied them home to spend most of the summer working on the Medders ranch.

## Thirty Report For Course in Driver Training

This community's first summer course in driver training got off to a perfect start at the registration Tuesday. Superintendent L. B. Bruns said that the maximum of 30 were signed up but no applicants had to be turned away.

Likewise the students got off to a good start in their class work. Their first session, Wednesday morning, was featured by a lecture and a safety movie presented by Patrolman George King of the Department of Public Safety.

Instructor is James Ray Polk, regular driver training instructor at Muenster High. The course consists of thirty hours of class work divided into twenty sessions of one and a half hours each. The student who is present for every class is eligible to take an exam on June 21. And students who pass the exam become eligible for the next part which consists of six hours of observing instruction and six hours of instruction in the car with Polk. The complete course is due to end in six weeks.

After that students will be taken in groups to Gainesville for their drivers license tests by an officer of the Department of Public Safety. Those who pass the test will receive their licenses.

That ends the course as far as the school is concerned. Students who fail to pass are on their own to try later for the license.

The program is not federally sponsored and the charge is \$25 per student. To be eligible for it a student must be 14 years old as of June 1.

## Memorial Plea: Honor the Dead And Re-Dedicate

"Let all be aware of a two fold purpose of Memorial Day Services, to pay tribute to the dead who served our country in war, and to re-dedicate ourselves to liberty."

That was the message of Father Alcuin Kubis speaking at the memorial service Sunday morning in Sacred Heart Cemetery. It was the annual event sponsored by Muenster VFW Post in cooperation with the pastors of Sacred Heart Church.

Father Alcuin said that our purpose is to honor and pray for those who gave their lives for the survival of our nation, but more especially now, as we again have men on the battlefield, to strengthen our determination to preserve the standards they fought for.

He was also concerned with a spiritual memorial for the deceased service men. "They fought and many died so that we would be able to live in peace, so let us now pray for their eternal peace."

Referring to the present war Father Alcuin asked for daily prayers for an honorable and just peace.

The memorial service, after the 7:30 Mass in Sacred Heart Church, started with a procession to the cemetery headed by the color guard and rifle squad of the VFW Post.

In the center of the cemetery the procession stopped briefly as a VFW Auxiliary officer laid a floral arrangement at the crucifixion group and the pastor led in prayers for all of the community's dead.

Then it proceeded to the service men's section where Auxiliary officers placed floral and Buddy Poppy arrangements at the main monument and girls of this year's first communion class placed flowers on service men's graves. Then Father Alcuin delivered his memorial sermon and led in prayer for the service men.

The observance ended with traditional military service conducted by the Muenster VFW Post.

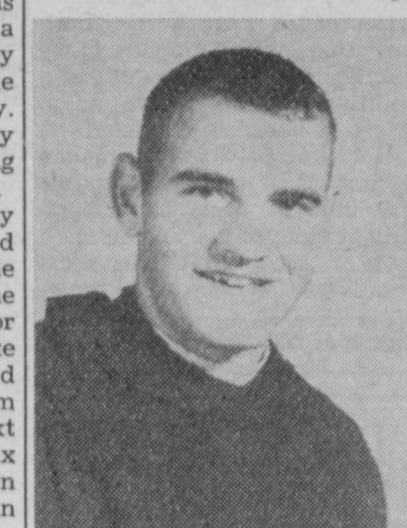

Mrs. J. H. Wimmer underwent major surgery Wednesday at Bethania Hospital in Wichita Falls... will be there a week to ten days and will enjoy hearing from friends.

## Correction

Gloria Reiter who received the award for the highest scholastic average for the 11th grade in commencement exercises for Sacred Heart High School was missed in the listing in last week's Enterprise.

## Swimming Pool Opens Saturday

Swimming season in Muenster begins Saturday at 2 p.m. That's when the city pool will open with Carl King as manager and Terry Cason as his assistant.

Preparations for the opening have been under way for several days last week and this week. City Manager Steve Moser has been supervising a general clean-up, fix-up, paint-up program — especially new paint for the children's pool and a new coat of non-skid paint on areas that remain wet most of the time. Water was turned on Tuesday and the pool was full about twenty-four hours later.

The schedule of operation will be the same as last year. The pool will be open every day except Monday from 2 to 9 p.m. No one will be admitted after 8 o'clock and the pool will close then if no swimmers are present.

Admission charges remain at 20 cents for children under 12 and 40 cents for adults and children 12 years old or older. Soft drinks and candy will be available through vending machines.

## Seventeen Enroll For Head Start Pre-School Class

A head start program in Muenster was organized Tuesday night as a group of parents met in the public school with Tom Riddlehuber program director of Cooke County and Superintendent L. B. Bruns. Seventeen are enrolled in the class, which will begin next Monday and continue for eight weeks, Monday through Friday. Each school day begins with hot breakfast at 7:30 and ends at 11:30.

The local program is one of thirteen that have been approved in six schools of the county. Some of the schools have one class, those with larger enrollment have two or more classes. Its purpose is to give children special training to qualify them better for regular classwork when they enter the first grade in September.

In charge of the class is Mrs. Josie Christian, who taught the two pre-school classes earlier this year. Her assistant is Mrs. Josephine English, first grade teacher of the public school. The cook in charge of each day's breakfast and snack is Mrs. Ira Fleitman.

## Service Held for Dangelmayr Baby

John Dangelmayr, five-day old son of Mr. and Mrs. Billy Joe Dangelmayr, died Sunday at 8:30 a.m. in Muenster Hospital where he was born May 24.

Funeral services were held at 6 p.m. Sunday from Sacred Heart Church with Father Thomas Taaffe of Gainesville officiating and Nick Miller Funeral Home in charge of burial in Sacred Heart Cemetery.

In addition to the parents, the infant is survived by a sister, Janet, a brother, Tommy Joe, and grandparents, Messrs. and Mmes Herman Dangelmayr and Frank Schilling.

For the first time in its 76-year history Sacred Heart Parish Saturday will witness the ordination of a native son to the priesthood in the parish church.

The Rev. Frowin Schoech will be ordained in ceremonies beginning at 10 a.m. with the Most Rev. Bishop Thomas K. Gorman of the Dallas-Fort Worth Diocese conferring the Sacrament of Holy Orders.

Sunday will be another outstanding day for the community. At 10:30 a.m. in Sacred Heart Church Father Frowin will celebrate his first Solemn Mass. Father Eugene Luke, also a native of the parish, will deliver the sermon.

The Eucharistic sacrifice will be followed by a joyous celebration including a community dinner prepared and served by the Catholic Daughters and afternoon reception honoring the new priest.

Eugene Schoech was born in Muenster in 1940 a son of Mr. and Mrs. Andrew Schoech. He attended Sacred Heart School and entered Subiaco Academy in 1954. So far all his college work has been done entirely at Subiaco. In 1959 he entered the novitiate and made his solemn profession in 1963. Since 1964 he has participated in the liturgy as a deacon. This summer he will study religious education at the Catholic University in Washington, D.C.

While he is the first in his family to study at Subiaco, he comes from an area with a long tradition of Benedictine vocations. A younger brother, Richard, is also studying for the priesthood.

A distinguished group of hierarchy and clergy is expected to attend the two events. Native sons in the priesthood or seminary who will participate in the ceremonies are the Rt. Rev. Abbot Alfred Hoening of Corpus Christi; Very Rev. Msgr. Thomas Weinzapfel of Dallas; Fathers Paul Hoedebeck, Leo Koessler and Eugene Luke of Subiaco; Fathers Joseph Weinzapfel of Jacksboro, Edward Devers of Sherman and Harry Fisher of Fort Worth; Fraters Guy Pels and Xavier Kleiss of Subiaco; Seminarians Jerry Taylor and Jerry Mosman of Dallas; and Seminarians Charles Sicking, Richard Schoech, Eugene Kleiss, Robert Fetsch, Michael Felderhoff, Paul Hoedebeck, Michael Stoffels, Michael Hennigan, J. The following is a tribute to J. C. Porter of Wichita Falls presented by Clyde H. While a well merited tribute to one person, the article is an enumeration of worthy standards for all to live by.

time past for the want of commitment.

He realizes that one must make a decision for a way of life, establish a set of standards — refer to those standards regularly and proceed with wholesomeness.

He realizes the greatest security a person can have comes from within himself. Give to your work whatever it takes — enthusiasm - talent - energy - determination. To do this, one will find an inner strength that can never be taken away.

He realizes that to be courageous does not necessarily require exceptional qualifications, no magic formula, no special combination of time, but it does require untiring effort.

He realizes that ours is a strong nation that may require defending with service — that sacrifices are part of every man's life.

He realizes that opportunity is sooner or later presented to all to be received of passed by.

He realizes that the noblest task that confronts us all today is to leave this country unspotted in honor and unexhausted in resources.

He realizes that there is a sense of responsibility that man must carry to be associated with our natural resources which touches the lives of all.

He believes with all of his might that:

1. God is the Maker of all things.
2. The land is the Lord's and the fullness thereof.
3. The land is second only to the heavens in the order of creation.
4. Land is God's greatest material gift to man.

Further, he fully realizes that:

1. With the right to own goes the duty to conserve.
2. Nature must be cooperated with and her laws obeyed.
3. The three necessities of life — food — clothing and shelter come from the land.

He realizes that conservation farming or ranching is the badge of good citizenship for he who tends the soil with care and diligence shall reap a greater stock of religious merit than he could by the repetition of ten thousand prayers.

Courage, faith and leadership must be a part of man's makeup for followers to follow with admiration — with enthusiasm and appreciation.

The example he set by his actions causes his service to be remembered by all of those who knew him.

This was your friend and mine — and let it be said — well done thou good and faithful servant — J. C. Porter.

Urban renewal and other federal programs are major causes of despondency and decay among the very people the projects are supposed to help, members of the United States Commission on Civil Rights said at a recent meeting in Cleveland, Ohio. One member of the Commission, the Rev. Theodore M. Hesburgh, president of Notre Dame University, said that federal rebuilding programs, as administered here and in other cities were actually immoral and that people find their houses bulldozed from under them. And the present Administration's proposal for 60 to 70 "demonstration cities" could end up the same way. These would seem to be good arguments for defeating this federal proposal.

## DHIA Production Honors Divided

A cow owned by Vernon Friedrich produced 2,910 lbs. of milk during March to lead all others in the Cooke County Dairy Herd Improvement Association and helped put the Friedrich herd in top spot in both milk and butterfat production for the month. Averages were 1740 for milk and 54 for butterfat. "Daisy" produced 70 pounds of butterfat with a 2.4 test.

In second spot for milk production and in third place for butterfat was the Leon Fleitman herd. Those figures were 1300 pounds of milk and 40 pounds of butterfat.

Three herds tied for second place in B.F. production at 47 — Pete Prescher's, Richard Frasher's and Hi-Lo Farms. Hi-Lo Farms was third in milk production with 1180 pounds.

High test of the month was 7.0 from a cow owned by F&M Dairy. The figures were 1180 pounds of milk and 83 of B.F. High butterfat production was from a cow owned by Hi-Lo Farms. The cow produced 117 pounds of B.F. during the month with a test of 4.7 percent.

During the month, 124 cows produced 50 or more pounds of butterfat with the average set at 40. Average pounds of milk was 1100. Cows in DHIA totaled 430 with 347 in milk.

## SOIL CONSERVATION DISTRICT NEWS

Supervisors of the Upper Elm-Red Soil Conservation District say that weed control is essential on recently sodded bermudagrass pastures. Weeds rob the grass of moisture and fertilizer. Weeds also shade the grass and the shade reduces growth of the grass and prevents spreading.

Fertilizer should be applied after recently sodded grass has started to make runners. This will help the grass to spread faster and get complete cover quicker, but fertilizer without weed control is only fertilizing the weeds.

Many SCD cooperators are using chemicals for weed control, while others are using mowers or shredders. If shredders are used at least two mowings are needed. The larg-

er weeds need to be reduced now, then the smaller weeds will need controlling later. If cooperators wait and try to get all weeds with one late mowing, the weeds have already damaged the grass, according to the District Supervisors.

Weed control is essential on recently established bermudagrass pasture and will also increase forage production on old pastures. For maximum yields, weeds must be controlled.

**Denison Is Host For Deanery NCCW Quarterly Meeting**

Members of Denison National Council of Catholic Women were hostesses for the Sherman Deanery's quarterly NCCW meeting Wednesday afternoon.

The session started at 1:30 with Benediction in St. Patrick's Church by the Very Rev. John Duesman of Sherman, deanery moderator.

Members then went to the KC Hall for a book review by Father Harold Gaudin of Jesuit Retreat House, Lake Dallas. His review of "The Nun in the World" delighted and sometimes amazed his audience. "Where there is a gathering of women, a nun should be present," he said. He also urged, "Invite nuns into your homes for coffee breaks. Time was when nuns were not permitted this small luxury. This is no longer true."

A social period followed with women of the host parish serving refreshments and members reconvened for the business session.

Mrs. Jack Barton presided and Mrs. Stephen Bruno gave the welcome.

Mrs. Harold Knabe of Muenster was named deanery secretary for a two-year term filling the office which was vacated by the resignation of Mrs. Martin Becker.

Mrs. Lawrence Zimmerer, rural life chairman, read a paper on soil conservation. Other committee chairmen gave their reports.

Clergy present were introduced: Fathers Carl Vogel of Denison, Anthony Gajda of Valley View, John Gillespie of Pilot Point and Joseph Thomas of Denton. They were introduced by Father Duesman.

Attending from Muenster were Mmes. Harold Knabe, Al Hess, Gary Hess, Ted Gremminger, Frank Herr. From Lindsay: Mmes. John Schmidkofer, Henry Hess Sr. and Lawrence Zimmerer.

Valley View won the travel-in Sacred Heart statue for membership percentage present. It was the second straight win for the women of St. John's Parish.

Other parishes represented were Denton, Gainesville, Paris, McKinney, Pilot Point, Sherman and Denison.

Next quarterly meeting will be in Denton.

**O. G. Reeds Feted In Observance of 50th Anniversary**

Mr. and Mrs. O. G. Reed who were married May 31, 1916, in a buggy in front of the officiating minister's residence, observed their golden wedding anniversary Sunday at an open house in their ranch home southeast of Saint Jo.

Their children hosted the party and many guests attended including relatives, neighbors and lifetime friends. Mrs. Augie Knabe, Sivells Bend, and Miss Frances Reed, Saint Jo, granddaughters of the honor couple, registered guests at a table decorated with a pot of gold mums.

Assisting the goldenweds in receiving were their daughter Mrs. Noble Ashley of Saint Jo and their sons Willis, M.D. and Gene Reed of Saint Jo and Grady Reed of Euless.

Yellow glads, mums and carnations formed the centerpiece for the refreshment table which was covered with pale yellow lace over gold. The board held the crystal punch service and a handsome four-tier cake topped with a miniature bridal pair and the symbolic 50.

Mrs. Theo Vogel of Muenster poured punch and Mrs. Brian Gaston and Mrs. Grady Reed served the cake.

Both Mr. and Mrs. Reed are natives and life-long residents of Saint Jo. Mrs. Reed is the

former Rommie Graham. Their family includes 13 grandchildren and one great-grandchild. The minister who performed the wedding ceremony in the buggy was the late Squire R. L. (Bob) Sampson.

Services were conducted at 2 p.m. in Memorial Christian Church and burial followed in Jacksboro Cemetery.

Surviving are four daughters including Mrs. Homsley, one son, 14 grandchildren and 13 great-grandchildren.

Mr. and Mrs. Willie Walterscheid and sons Terry and Kim were among relatives at her grandmother's funeral.

**Dancing Recital Gets Raves From Large Audience**

Charlotte's School of Dance, taught by Miss Charlotte Wolf, gave its annual recital for the public Sunday evening and drew raves from a large audience.

The first stage setting was "Dancing In Action," featuring tap, jazz, softshoe and baton numbers. The next scene was "Come Dance With Me" — ballroom dancing from the 1920s through 1966. The second half of the program, "Western Rhythm," stressed ballet type dancing. Stage settings and costumes included western wear, Indians, cow-girls, dance hall girls, Spanish costumes and evening gowns.

Miss Wolf recognized Donna Endres, Marlene Herr, Lisa Mollenkopf, Sherry Luke, Debbie Muller and Laura Kralicic for having perfect attendance. A special award went to Donna Endres for not missing a lesson in six years.

Local pupils on the program were Elaine Otto, Donna Endres, Donna Pedigo, Cheryl Otto, Sandra Sloan, Marye Medders, Marlene Herr, Susan Sloan, Lisa Mollenkopf, Sara Medders, Sherry Luke, Debbie Muller, Brenda Walterscheid, Carla Ashford, Janet Henschel, Laura, Diane and Elizabeth Kralicic, Margie and Tommy Felderhoff, Joanie and Glenn Rohmer, Pam and Stephen Walterscheid.

Guest performers from Gainesville will be Jeanne Timmis, Janet Street, Debbie Miller, Valire Hosea, Carolyn Gordon, Janet Priest, Cindy Maniss, Patricia Levell, Harriet Hall, Sheree Bunyard, Debbie Interwicz, Marcy Hammer and Stephanie Smith.

**Felderhoff Family Has Lake Outing**

Members of the Tony Felderhoff family gathered in reunion Sunday at Sycamore Lake while Charles Felderhoff of Houston was at home giving the clan an opportunity to visit with him.

Other special guests were Mrs. Clovis Lewis and sons Victor and Pat, visitors from Jackson, Miss. All the children and grandchildren of the hosts were present except one daughter and her family, the Sylvan Waltersheids, who missed the fun because their children Laurie and Greg had chicken pox.

Charles Felderhoff was at home for the holiday weekend and left Tuesday for Arlington, Va., for a month of study. He left from Dallas by jet, his parents seeing him off, for Washington, D.C., where he planned to spend several days before reporting for classes.

**Morning Coffee For Candy Fette**

A morning coffee Sunday honored Miss Candace Fette bride elect of Gene Riggs in the Val Fuhrmann home with Miss Margie Fuhrmann as hostess. She presented the honoree a corsage of white daisies and a hostess gift.

Twenty guests were served hot punch, sweetheart rolls and other pick up foods. Miss Debbie Fette poured punch from a table covered with a lace cloth and centered with an arrangement of white daisies and yellow day lilies in a crystal container. Yellow tapers in crystal holders flanked the arrangement.

Student: "What's that you wrote on my paper?" Teacher: "I asked you to write more plainly."

**Library Donations Acknowledged at Meeting of Board**

Regular monthly meeting of Muenster Public Library board of directors consisted of routine reports and acknowledgment of recent contributions.

Mrs. Joe Luke, librarian, reported on the recent library open house, attended by 152 persons. About \$135 was donated for new books. Thanks went to Fisher's Market and Mrs. J. D. Hanna for the punch, and CDA court for the cookies — enough to send a tray each to the local convent and rest home.

Mrs. Luke also reported 352 books checked out one day giving an idea of the volume of work done. During the month nine teachers and their students visited the library and the students registered for library cards.

An order has been placed for over \$200 worth of books and these are due in shortly, reported Mrs. Hanna for the Books and Magazines Committee.

Henry Weinzapfel of the Building, Supplies and Finance Committee advised the library is now air conditioned.

Mrs. Ernest Medders, reporting for the Employees, Library Programs and Extension Committee, offered, through the library staff to let the CDA court, library sponsors, serve meals at the National Quarter Horse Show at Colonial Acres Coliseum as a money raising project for the library.

Because regulations governing the board of directors require one closed meeting a month it was decided to hold this meeting after the regular meeting adjourns.

unchanged. Vietnam is still our first line of defense and victory is still as vital as it ever was. Under the circumstances it seems the time has arrived for us to state the second motive in clear terms and work seriously at winning the war.

In doing so we can also continue to stand by our first motive. The only change needed is in procedure. Instead of moving out as soon as Viet Cong are licked we'd have to stick around a while until the opposing civil factions quit their fussing. We could help in Vietnam the same way we helped in Japan. And you can bet that this method of helping both Vietnam and ourselves will be more effective than the fumbling effort we

have made so far. Getting back to that TV appearance of Martin Luther King, let's think again of his proposal to pull out over there and give all attention to the poverty war. What a remark for an American to make! A double dose of pro-commu-

nism! If he really means that he wants us to turn over Vietnam and then all of Asia to the Reds, and then wait in terror for the inevitable clash that will come our way. Again, if he really means that he wants to wreck the American economy as well as the

American spirit with his wild super-socialistic poverty war schemes. Following his plans, the country would go communist before the red military conquest could get to us. Reds ought to love him for both remarks. In both he spoke like a true communist.
