MUENSTER, COOKE COUNTY, TEXAS 76252 OCTOBER 13, 1967

NUMBER 47

A subject that bugs this column constantly received attention in last week's Celina Record. The writer, like yours truly, can't go along with the idea of throwing out a charge against a criminal because some fault is found in an officer's method of arresting him or in the method of getting evidence. Here are the Celina editor's very pertinent remarks.

"Would you like to be stopped for a minor traffic violation and see a policeman tear out the inside of your car looking for a pistol?"

"This was the question asked by a Dallas News editorial writer at the conclusion of an editorial in which he defended Federal Judge W. M. Taylor Jr., for freeing a man who was found guilty of robbing a Dallas motel in 1961.

"The judge freed him because the arresting policeman searched the culprit's car without a warrant, after stopping him for a traffic violation.

"The policeman found money stolen from the motel, a gun and a handkerchief. Later motel employees identified the man as the robber and he was convicted.

"Judge Taylor nullified the conviction because he said a policeman is not legally free to search a car because he feels like it.

"What has all this got to do with whether the man was guilty or not?"

"The bandit was proven to be guilty of the motel robbery beyond any reasonable doubt.

"Is it not a heavy price to pay for a policeman's possible error to free a criminal — turn him loose upon society to rob again?"

"As for a policeman searching our car, we have never had it to happen. We don't think it will happen to us, so long as we keep our nose clean — and we propose to do just that.

"And if we are stopped, and a cop wants to look, he's welcome to go ahead. We've got nothing in our car we'd be afraid for him to see.

"It is not the well-behaved, law-abiding, decent citizen whom Judge Taylor and the others who are following his line are protecting by such decisions — it is the criminal. "And the law's protection of the peaceable citizen from the criminal is being eroded every day by such decisions."

This column feels the same way about the subject, and it would like to add an observation of its own. The attitude seems to say that two wrongs make a right. A criminal who is guilty beyond the shadow of a doubt automatically becomes innocent if an officer on the case is out of line in any way.

Well, what do you think? Is the criminal any less guilty, does he deserve punishment any less, because another person violated some letter of the law in arresting him?"

In the interest of justice he should have to pay for his misdeed. He should be held accountable for the evidence against him. Certainly he does not deserve to be excused because of an officer's improper procedure.

As it seems to us, an officer's honor, or misconduct, is a separate offense with no relation to the criminal's misdeeds. It should be dealt with in separate disciplinary action that affects him only, and the criminal's status should remain unchanged.

Another thought on the subject: When a criminal becomes the victim of an officer's misdeed he is excused. But the person who was a victim of the criminal's misdeed remains a victim. There's compensation for a criminal but not for his victim. Such a system can't be right. It needs to be corrected.

Some people receiving their county tax statements last week apparently were not aware that they also received forms to apply for voter registration certificates.

The form is printed on the back of the pink copy, providing about the most convenient method possible to get that registration chore under control. All a person needs to do is fill out the form — there are two of them, for man and wife — and return it to the county tax office along with his tax remittance. A few days later he will receive the registration certificate, or certificates, along with his tax receipt. So the job is done quickly and easily and the person is ready for the elections.

Others eligible to register, who did not receive tax statements, can get their certificates.

David Bright Is Administrator of Muenster Hospital

David Bright, recently retired from the U.S. Air Force, is the new administrator of the Muenster Hospital District.

His appointment was announced Tuesday by Al Trubebach, president of the hospital board, following a meeting Monday night of hospital directors and personnel with the new administrator.

Trubebach stated further that, contrary to recent rumors, the Benedictine Sisters will not leave the hospital. Sister Mildred Felderhoff, who was in charge since the hospital opened in February 1964, will remain as assistant to the administrator and Sister Andrew continues as director of nursing service.

Plans Mapped for SH Homecoming On November 4

Plans have been mapped for festivities at Sacred Heart High's annual homecoming on November 4. Sacred Heart Alumni, sponsors of the program, outlined events at a meeting Monday night.

The homecoming football game, in which the Tigers will vie with Dallas Christian, will kick off entertainment for the public. Royal ceremonies in which a Tiger Queen will be crowned are included.

Before game time there will be a reunion and buffet for ex-students and after-game highlights will be a dance for which everybody is welcome.

Honored this year will be graduates of 1947 and 1957. They will be guests of the Alumni Association for the game and dance.

Invitations are being mailed to all ex-students whose addresses are available but a mailed invitation is not necessary as everyone is welcomed, even urged, to attend.

Identity of the queen will not be revealed until time for the coronation ceremony. She will be one of these: Laurie Trubebach, senior; Beverly Koelzer, junior; Darlene Hess, sophomore; Donna Kay Endres, freshman. Three of them will be princesses in the queen's court.

Procedure for selecting candidates started with each of the high school classes choosing four favorites. This narrowed to the four finalists by a vote of the Tiger squad and in a secret ballot following the boys chose their favorite. Votes were handed over to Coach Tom Williams who will make the announcement at coronation time.

Attending the planning meeting with Alumni members were Fathers Benedict and Andrew and Sisters Roberta and Richard.

Kenneth Kaden Has Landscape Lecture For Garden Club

Kenneth Kaden of Gainesville was guest speaker at the October meeting of Muenster Civic League and Garden Club Monday night when members met in the home of Mrs. John Fisher with Mrs. Joe Fisher as co-hostess.

Kaden, a landscape architect with a degree from A&M, themed his landscaping talk on shrubs around a small house. He listed shrubs that do well in this part of the country, describing how tall each one grows, and care that these plants need. He showed specimens from a box of cuttings as he lectured. A question and answer session followed.

Mrs. Ernest Jaska, vice president, conducted the business session during which Mrs. Tony Gremminger of the cemetery committee lined up volunteers to help with the semi-annual cemetery collection at the church doors on All Saints Day, Nov. 1. This is one of the two yearly collections for cemetery maintenance, the organization's chief project.

Miss Bettye Dodds had potted lantanas for members. These were distributed. Planting and growing lantanas is the club's horticulture project this year.

After adjournment the hostesses served punch and pick up foods to 13 members and one guest, Mrs. Al Fleitman.

The November meeting will have Miss Dodds as program leader on Cacti and Succulents. Mrs. T. S. Myrick and Mrs. Pat Stelzer will be co-hostesses in the Stelzer home.

Jaycees Promote Benefit Auction of Wando the Sheep

Wando, the sheep that became famous bucking for a Texas hospital, returns to Muenster Oct. 26. He will be sponsored by Muenster Jaycees at the Muenster Livestock Auction in behalf of the Gonzales Warm Springs Foundation.

Wando has been sold thousands of times at livestock auction sales in Texas, but has never been delivered to a buyer. The understanding always is that the buying price is the amount of a donation to the hospital and Wando remains to be sold again and again.

Al Berry of Gonzales is Wando's caretaker and hauls him from place to place in a special air conditioned sedan. He has worked on the promotion since 1962. This year he and Wando are sponsored statewide by the Texas Jaycees.

Selling Wando at the Muenster sale barn on the 26th will begin at noon. All who are willing to help the good cause are invited to be there, or send a contribution.

Dinner Launches County U F Drive

Three couples from Muenster, Messrs. and Mmes. Ernest Jaska, A. J. Endres and Dan Luke, attended the kickoff dinner for Cooke County's 1967 United Fund drive in Gainesville last Thursday night. Jaska is serving his third year as chairman for the Muenster drive.

Jaska said that this year's county goal is \$51,000 but no definite figure has been set for this community's quota in it. Work on organizing the local drive has started. As soon as that's finished the solicitations will start.

He also said that Muenster Youth Council is again listed as an organization participating in United Fund. It will receive \$650. Money received last year was used to improve the baseball park and to buy a canoe. The Boy Scouts have been named custodians of the canoe but it is also available to other supervised youth groups.

Knights Observe Columbus Day at Mass, Program

The annual observance of Columbus Day by Muenster Knights of Columbus was a big event, beginning with a Mass in Sacred Heart Church and ending with a brunch and program in the parish hall.

It was the solemn part of observing the feast of the order's patron. The social part will be a dinner dance Saturday night in the parish hall.

Sunday's event began with a Mass at which the celebrant was Bishop Augustine Dangelmayr, native son, after whom the Muenster assembly of Fourth Degree Knights of Columbus was named.

Father Alcuin Kubis delivered the sermon, which he started with congratulations and good wishes to Bishop Dangelmayr on the twenty-fifth anniversary on Oct. 7, of his consecration as bishop. The remainder of the sermon praised the K of C order for its help to the Church and urged members to continue their good record.

The color corps of the Abram B. Ryan Fourth Degree Assembly of Dallas was the bishop's honor guard. Sir Knights J. M. Weinzapfel and Joe Horn of the local assembly were his attendants. Father Alcuin assisted at the Mass.

The brunch program, at which J. A. Klement was master of ceremonies, featured special recognition to the 25 and 50 year members and presentation of the council's good neighbor award.

The latter, a part of the local Columbus Day observance for several years, is made to a local person not of the faith who has given outstanding service to the community. Mike Sloan was selected for that honor this year.

Seven 50-year pins were presented to members who have been in the order that length of time or longer. They are J. M. Weinzapfel, H. P. Hennigan, Jake Pagel, Edd McGannon, Ben Luke, J. C. Trachta and L. A. Bernauer. The latter three enjoy added distinction of being charter members at

Uphill Struggle Awaits Hornets At Callisburg

Muenster Hornets face another uphill struggle Friday night when they go to Callisburg to take on the Wildcats. Kickoff time is 7:30.

On paper the Wildcats are definite favorites. The record so far is 3-1 and one of those wins was over the highly respected Bulldogs of Howe. On the other side of that record is a decisive loss to S&S Consolidated. Prognosticators apparently have the figures to predict according to their liking.

Still, the plain fact tells that Callisburg is 3-1 and Muenster is 1-4. But in spite of it Coach Richardson and the Hornets are still optimistic. Their morale continues high in this week's practice sessions despite the loss of their conference opener to Alvord last week. Their physical condition too is good. Paul Rennels, last week's only injury, expects to be back to normal.

Hornets Lose 18-8 In 7-B Opener With Alvord High

Hard times continued to haunt the Muenster Hornets as they opened their 7-B district season last Friday. They fell victims to Alvord's Bulldogs by a count of 18-8.

About the only consolation Coach Richardson and his boys can get out of the game is the fact that they gave the visitors a good tussle. They led 173-172 in total gains. However they were slightly shy of the speed and power to make yardage where it counted most.

The first score came about midway in the first period when the Bulldogs uncorked a big offense in a few plays. Turlington stepped off 20 on a bootleg play, Thompson gained 12 and Turlington the last 3.

Four plays after kickoff Muenster tied the count as Herbie Sicking broke through the middle and kept going for 47 yards. Neither team got bonus points and the count was 6-6.

The Hornets missed a nice opportunity following an interception by Rennels and a 30 yard run back to the Alvord 23. Their next four tries gained only a yard.

A penalty set Alvord back to the 11 and two plays later Don Hartman and David Fette teamed to clobber a runner behind the line. Muenster went

Lindsay to Vote On Bond Issue for Water and Sewer

Resident taxpayers of Lindsay will go to the polls Saturday to decide for or against a proposed \$150,000 bond issue to finance improvement in the water and sewer systems.

The election calls for \$125,000 in sewer bonds and \$25,000 in water bonds, and the overall improvement plan also includes a federal grant of \$47,000 to help the project.

Supporters of the bond issue point to it as an essential to the continued growth and welfare of Lindsay. The present sewer system is described as inadequate and a threat to community health.

The plan calls for selling bonds only as they are needed. If any are left after the work is finished they are to be held for possible sale in a future expansion program.

PP&K Contest Set Saturday, Oct. 14

Muenster's Pass, Punt & Kick contest, sponsored by Endres Motor Company, will be held on the Sacred Heart field Saturday, October 14, beginning at 9 a.m.

Boys 8 through 13 are eligible to enter and will be admitted up to the contest.

MHS Bees Nudge Sanger B 20-12

The Bees of Muenster High held on to their perfect record last Thursday night by nudging the second stringers of Sanger by a count of 20-12.

The game was a treat for the fans, featuring Clifford Sicking in a pair of long scoring runs and a pair of brothers, James and Jackie Kemp, who were standouts for Sanger. The little fellows, weighing possibly 110 each, with rocks in their pockets, scooted around the field like a couple of cottontails. Jackie was a fine passer too.

On total yardage the teams were about evenly matched, however Muenster gains were mostly on the ground and Sanger's in the air. Muenster gained 253 in all, Sanger gained 259.

Muenster got on the scoreboard in a hurry. On second scrimmage play Sicking went around left end on a 60 yard gallop.

A short time later Earl Koelzer killed a Muenster kick on the 1 and three plays later Johnny Schneider got an Indian behind the line for a 2-pointer.

Promptly after that the Bees made a 57 yard drive that bogged down on the 16. Two plays later they set the Indians back 10 yards, then Jackie Kemp fired a pass to Kevin Carlson who kept going all 94 yards to pay dirt. Muenster led 8-6 at the half.

Starting the third period Alcuin Schilling and Sicking went 21 and 16 to the 12 and Schilling crashed over five plays later on the 1.

Again early in the third period Sicking ran from a punt formation for 43 yards and another Muenster score.

The visitors came back fast from that one. Jackie Kemp

Dads of Tigers Will Be Honored At Friday Game

Dads will be on the field giving special encouragement to the Sacred Heart Tigers when they take on Greenhill High's Hornets Friday night.

It is Dad's Night at the parochial school. Each player will be accompanied on the field by his father and will be introduced with him. And during the game dads will be at the sideline with the reserves.

Coach Tom Williams said the dads will probably have a special job of helping get special effort out of the boys. Indications are that sideline inspiration will be very much in order.

According to Williams, the Hornets have a big team with a fast and strong backfield. And they have a 3-1 record, just like the Tigers have.

But Williams is confident that his Tigers will win again. Last week in their game at Fort Worth they looked better than ever before. And in practice this week they appeared to be tuned up for another big effort. Physical condition, too is fine. There are no injuries.

Action will be on Sacred Heart field beginning at 7:30 o'clock.

Tigers Storm to 37-6 Victory over Cowtown Team

As if redeeming their loss of a week before, Sacred Heart's Tigers went on a rampage when they met Fort Worth Day School last Friday. The final tally was 37-6.

Coach Tom Williams said they were at their season's best as they tore into the Cowtown Falcons. Their spirit was high and their teamwork was slick. They annihilated their hosts in the first half and led 31-0 at intermission.

Starting the second half Williams sent in his youngsters — Gilbert Hess, Bill Bayer, Fred Fuhrmann, Tim Bindel, Jim Dangelmayr, Doyle Hess and Kevin Swirezynski — to replace most of the starters. They gave him a pleasant surprise, playing the Fort Worth boys to a standstill until late in the last quarter. The Falcons made their touchdown then. Tiger regulars took charge after that and added another TD to their score.

Scorers for Sacred Heart were as follows. Lee Roy Hess carried over once from the 2 and once from the 15. Tommy Hess scored twice on

Cubs Win 12-0 Over Gainesville

Sacred Heart's Tiger Cubs evened their record Tuesday night by springing a 12-0 surprise on the seventh graders at Gainesville. Their standing now is 1-1.

Coach Tom Williams said that a fine team effort in the second half is what did it for the youngsters. The first half had produced no points and only one first down for them. In the next half they responded nicely to pointers that had been given to them at half time. After that they mixed their plays with good effect and moved steadily. Defense too improved in the second period. Alertness accounted for recovery of two Gainesville fumbles.

Both scores were made by Ronnie Hess. First one was a reverse play that went for about 30 yards, the other was a crash through the middle for 5 yards.

CYC Plans Trip To Frisco Meet

Members of Muenster CYC, meeting Tuesday night in Sacred Heart Library, made plans to attend the deanery holy hour and meeting in Frisco Sunday, Oct. 15 at 7 p.m.

A poster committee was named to publicize Youth Week next week.

Seventeen members were present, Father Andrew led the opening and closing prayer, and Cynthia Bindel, president, presided.

The Salvation Army truck will be in Muenster next Monday or Tuesday to pickup household discards and clothing. A call to 759-4311 will bring the truck to any home or business in the Muenster area.

Jr. Elite Buys Raden Equipment Rents Building

An early expansion in sewing factory activity in Muenster came into sight Monday when all equipment of the local Raden plant was purchased by Jr. Elite. The Raden operation had been shut down for several months, since its facilities were taken over by the Muenster Industrial Foundation.

Another development is Jr. Elite's lease of the building formerly used by Raden. It provides for an increase in space to accommodate the increase of equipment.

Mrs. Ola Roberg continues in charge of the Jr. Elite operation and announces the intention to move into the new location as soon as possible. That will probably be two weeks from now, she said. The move is to be made during the week-end so no production time will be lost.

After the move, Mrs. Roberg said, she will want more workers. There are 67 on the payroll now. Eventually it is expected to reach 150.

Parents Urged to Attend Meeting on Religion Classes

Parents of both Muenster schools whose children are receiving religion instructions at Sacred Heart are urged to attend the next meeting of Sacred Heart Home-School Society. It will be in the parish hall next Tuesday night, the 17th.

Larry Yosten, president of the society, said that the meeting's program will present explanation and discussion on the modern method of teaching religion. He said that people who have been puzzled by the present method will find Tuesday's meeting their best opportunity to learn why it was adopted and what it accomplishes.

Deposits Increase In Muenster Bank

Deposits in Muenster State Bank went up during the past year and loans went down.

That is the information brought out Tuesday in the state's official call for a report of condition as of Oct. 4.

Deposits on the day were \$3,554,522.26, an increase of \$384,383.22 over the figure a year ago. Loans were \$1,717,952.88 for a decline of \$6,651.87.

Muenster was in tune with other banks of the county in both departments. Combined deposits of the four banks gained and loans dropped. The deposits added to \$25,507,554.71 for an increase of \$2,138,387.75. Loans added to \$11,717,952.88 for a decline of \$6,651.87.

The report also reflects a 3 months gain in both deposits and loans here. As of June 30 deposits were \$3,340,657.34. Loans were \$1,816,366.57.

Faye Embrey Is Football Queen at MHS Homecoming

Faye Embrey of the senior class was the favorite of the Hornets for the title of 1967 football queen. She was crowned Friday night by Ray Swirezynski of the school board in homecoming ceremonies before the football game.

Her escort was Herbert Sicking. Princesses attending her and their escorts were Jan Wilde and Don Hartman, Debbie Yosten and Mike Felderhoff, Rita Owen and Tommy Trachta.

Also in the ceremony were Mrs. Dolphy Hellman presenting a bouquet to the queen and Mrs. Harold Bindel, Mrs. Henry Weinzapfel and Miss Charlotte Wolf presenting corsages to the princesses.

Over 100 out of town exes were back to join home folks for the occasion. After the game they gathered in the gym for a buffet and dance.

New officers elected are Jimmy Jack Biffle, president, succeeding Mrs. Dolphy Hellman; Butch Fisher, vice president, succeeding Mrs. Henry Weinzapfel; Mrs. John Pagel, secretary, succeeding Mrs. Rody Klement; Miss Doris Lutkenhaus, treasurer, succeeding Miss Charlotte Wolf.

You can cook a 3-minute egg faster with gas than with electricity.

Here's why. With a modern gas range there's no slow warm-up period. You turn the burner on and get the desired amount of heat — instantly! Burner-with-a-Brain holds that precise temperature until cooking is done. No waiting, no watching, no wondering with flame fast gas. You can see the flame go to work the instant you turn the burner on.

(Of course, faster cooking means less gas used and more economy for you!) Only modern gas cooking gives you this much control, flexibility and speed. See the wide variety of modern gas ranges at your local gas appliance dealer or LONE STAR GAS.

Eileen Knauf and Frank Schilling Jr. Say Vows at Mass

Miss Eileen Knauf and Frank Schilling Jr. pledged wedding vows in a double ring ceremony at Nuptial Mass in Sacred Heart Church Saturday. Father Alcuin Kubis, pastor, officiated at the 4 p.m. service. Parents of the young couple are Mr. and Mrs. Joe Knauf and Mr. and Mrs. Frank Schilling.

The bride, given in marriage by her father, wore a formal length gown of white peau de soie touched with imported French re-embroidered Peau de ange lace appliques. It was designed with a high rise Empire bodice, long fitted sleeves, rounded neckline and detachable chapel-length train. Her veil was elbow length attached to a headpiece of bridal jewels and her flowers were a gold throated white orchid and white feathered carnations.

Mrs. Theodore Walterscheid was her sister's matron of honor and Mrs. Billy Joe Dangelmayr and Miss Debbie Schilling, sisters of the bridegroom, were bridesmaids. They wore identical full length Empire dresses of Kelly green crepe with free-flowing full length back panels covered with lace. Their headpieces, covered with veiling, matched their dresses and each carried a long-stemmed gold mum.

Little Miss Renita Walter-

scheid, niece of the bride, was flower girl, a miniature duplicate of the three attendants, carrying a basket of bronze baby mums. Brian Herr, nephew of the bridegroom, was ring bearer.

Spec. 4 Dwayne Schilling of Fort Carson, Colo., attended his brother as best man. Leon Knauf, bride's brother and Billy Joe Dangelmayr were groomsmen. Robert Pels and Paul Dangelmayr ushered.

Sacred Heart men's choir and Anthony Luke, organist, provided Mass music and Mrs. David Walterscheid was vocal soloist. She sang "Ave Maria" before the service and "Holy Queen, We Come Before Thee" after the ceremony when the bride placed the traditional bouquet on the Blessed Virgin's altar.

Wedding reception and buffet were in the Parish Hall attended by about 300 guests. Misses Dolores and Joan Pels, cousins of the bride, presided at the bride's book. Others in the house party included Mmes. Joe Lehnertz, Gertrude Bayer, Herb Cunningham, Al Walterscheid, Ed Schneider, Susie Noggler and Misses Cynthia and Phyllis Bindel.

The wedding dance was in the VFW Hall.

For her daughter's wedding Mrs. Knauf wore a beige knit suit with beige and gold accessories. Mrs. Schilling, mother of the bridegroom, wore a gold knit suit with matching accessories. Both had corsages of

Social Part of KC Observance Booked Saturday

The Hawaiian luau dinner-dance, booked for Saturday evening and night as the second part of the KC council's Columbus Day observance, is developing into a super party. It is sponsored by the knights, who invite all to come and join in the fun.

The event will be in the parish hall starting at 6:30. Every guest will receive a lei on arrival.

It begins with the dinner complete with floor show by pupils from Charlotte's School of Dance. The menu lists Inland chicken salad, Polynesian balls, Wiki Wiki sweet potatoes, sea shell macaroni, spring peas, Luau apples, pineapple cream mold, South Sea pickles, hot rolls, coffee, iced tea, angel food pie.

The dance, from 9 to 1, will feature rhythm by the Music Masters of Ennis.

Advance tickets can be bought from Dan Luke or Gene Hoedebeck. The charge is \$3.00 per person.

Hornets

ahead 8-6.

A free kick by the Bulldogs after that put Muenster on its 35. A penalty, a 13 yard pass to Bruns and 27 yards by Don Hartman were big gainers that reached the 7. But then another chance fizzled. Four downs reached the 3.

Next Alvord got going again. Two big plays made 33 to the 12 and Turlington bootlegged it across seconds before the half ended.

Hornets' hopes nose dived early in the third period. They kicked on the first series and Alvord was on the Hornet 44. Two plays later Thompson got loose for 42 yards to pay dirt. Tommy Henscheid blocked the kick for extra point. But the Hornets trailed 18-8.

The rest of the game was a standoff. Neither team was able to manage two first downs in succession. The Hornets kept the Bulldogs on their side of midfield until the closing minute of the game when Thompson ran from kick formation and almost got loose. He gained 31 to Muenster's 38 before he was hauled down.

The Hornets missed another opportunity about midway in the fourth quarter. From the 24 they made only 9 on the next series and lost possession on the 15.

A heartbreaker occurred shortly before that. Bruns recovered a fumble on the Alvord 3 but the official ruled that he had whistled the play dead before the fumble.

THANKS

We can never adequately thank all those who were so good to us during the illness and at the death of our loved one. We are so very grateful for all those thoughtful deeds, the care and consideration of the Sisters and nurses at Muenster Hospital, Dr. Kralick and Father Alcuin, for the prayers, flowers, food, help, the many other expressions of sympathy and the beautiful service. Such kindness can never be forgotten. — Mrs. Ed Pels and family, Henry Pels Sr., Sisters and Brothers.

Many times "Thank You" to all who remembered me while I was a patient at Muenster Hospital. The flowers, gifts, get-well cards and other favors are all appreciated. Special thanks to Father Alcuin, and to Dr. Kralick, the nurses and entire hospital staff. My husband is grateful too. — Mrs. Louis (Ola) Roberg.

Muenster Juniors Lick Callisburg

The little Monsters of Public School Elementary had little trouble Tuesday night in marking up a 44-8 win over the Kittens of Callisburg.

After taking a comfortable 30-0 lead midway in the second quarter Coach Glenn Richardson had reserves in action most of the time and the game settled down to more of an even match.

Muenster kids moved 84 yards in six plays after receiving the opening kickoff. Runs of 47 and 18 by Henry Knabe were the big gainers and Bobby Tuggle made the last 12. Jim Endres followed over for extra points.

Next they forced the visitors to kick on the first series of downs and had possession on their 41. From there Endres passed long to Knabe who went all the way. Mike Trubench added 2 points.

Next they forced the visitors to kick on the first series of downs and had possession on their 41. From there Endres passed long to Knabe who went all the way. Mike Trubench added 2 points.

Shortly after that Muenster made its first kick which was touched but not fielded by the Kitten back. Knabe covered it on the 1. Two plays later Ricky Wimmer went over. A run for points failed. The score was 30-0.

For the rest of the period Richardson turned it over to second stringers and Callisburg moved steadily. The drive went for 64 yards, ending on the 4 as the half ended.

Regulars were back to start the second half, blocked a kick on the first series and had possession with 28 to go. A pass from Endres to Trubench made it on the next play.

Two big runs by Ronnie Meeks took the visitors 62 yards to Muenster's 10 but the threat ended in a fumble on the next play.

After Muenster's kick they started again from the 41 and made it in five plays. Meeks went over from the 6. Virgil Wright added 2 points.

A few regulars helped the reserves on Muenster's last drive, which used most of the last quarter. Claude Klement accounted for most of the 72 yards. Gary Walterscheid scored from the 1. Klement made bonus points.

HANDLE MANURE AS A LIQUID
Quickly, easily, at a low cost.

The new Clay Honey Wagon liquid manure spreader allows one man to load and spread 5,000 gallons per hour. It's the first real answer to getting valuable manure (liquid, solids and bedding) out of pits or livestock areas and spreading it on your fields. Easy loading is provided by Honey Wagon's dual purpose PTO-powered pump which produces a vacuum in the big 800 and 1,475 gallon tanks. Tank fills in 4 minutes or less. Reverse process and pump produces pressure to force manure out in exceptionally even, 25-foot-wide spray pattern. Agitator in tank homogenizes solids and liquids to keep tank from ever clogging. Isn't it time you started handling your manure the logical way . . . in a liquid? See us today for complete details . . . or better yet . . .

Lindsay PT Club Makes Plans for Halloween Event

Principal business at the monthly meeting of Lindsay Parent-Teacher Club concerned the annual Halloween Carnival the organization will again sponsor this year. The date is Oct. 28.

Roommothers accepted chairmanship of the various booths, concessions and costume contest.

In other business the group voted to buy books for the high school library and appropriated fifty dollars from treasury funds for this project.

Vincent Zimmerer, president, presided. Mrs. Johnnie Arendt introduced the speaker for the program, Mrs. James Marshall of Gainesville. She works with handicapped children and gave an inspiring and informative talk on this activity.

Mrs. Ed Schad reminded members, and anyone else, with Gold Bond books to redeem to have the covers validated for points for the club. After adjournment hostesses served refreshments and Joe Schmidkofer won the door prize.

the council's founding in 1910. Emcee Klement named the members as Ed Endres presented the pins. Klement also named 33 members who are in the 25 and 30 year groups. All of them received pins from the council and all of them, along with the 50 year members, were guests of the council for the occasion.

Klement also named members between 35 and 50 years, who had received 25 year pins about ten years ago. There were 28 of them.

Others on the program for brief remarks were Bishop Danglemyr, Father Alcuin Kubis, Grand Knight Gene Hoebeck, J. W. Fisher and Ernest Jaska.

The second part of the program was turned over to members of the Abram B. Ryan Fourth Degree KC assembly of Dallas. Their purpose was to present the story of the Fourth Degree - its history, organization, ideals and methods.

Dr. E.M. Laake explained the emblem signifying the Holy Trinity. The globe of the emblem signifies God the Father, creator of the world; the cross signifies God the Son, redeem-

er; and the dove signifies God the Holy Spirit, sanctifier. Dr. Laake also presented an article on patriotism, the virtue specially emphasized by the order. He called for devotion and loyalty to the Christian principles on which our nation is founded and fidelity to the law of God. That is the essence of patriotism, he said, not the superficial displays referred to as flag waving.

Others of the visiting group told about the history of the order and of their assembly. They also told about their programs and projects, especially the chalice fund through which each deceased member is remembered with a memorial chalice presented to a needy priest or parish.

About 85 members from Dallas were present in the crowd of about 250. After the program they socialized with Muenster members in the KC hall until departure of their chartered busses at 6 o'clock.

An hour before the busses left visitors were treated to a conducted tour of Muenster and vicinity with J. M. Weinzapfel at the loud speaker in the lead bus giving the commentary. Many of the Dallasites were seeing Muenster for the first time.

Muenster Plans Representation at German Day Ball

Plans are to have Muenster well represented at German Day festivities on the night of Oct. 14 in Dallas.

A Pioneer Ball will be the highlight of the evening. It will be held in the Marriott Motor Hotel in Dallas beginning at 6:30 p.m. Its features are a concert by Sacred Heart men's choir and the Frohsinn Singers of Dallas, music by the Fourth U.S. Army Band from Fort Sam Houston and the presence of Col. and Mrs. John Eisenhower who will be the most honored guests. He will accept a tribute to his father, former President Dwight D. Eisenhower, one of Texas' famous sons.

Miss Texas, Miss Molly Grubb of Tyler, will be seated at the main table and Dallas Mayor Erik Jonsson will receive honored guests including mayors from Fredericksburg, New Braunfels and Muenster Mayor Earl Fisher.

The following day is German Day at the State Fair. Killen is the honored city this year. Governor John Connally has proclaimed the day as German Day in Texas.

ates at the tax office. Otherwise they'll likely have other opportunities, assuming we'll have the customary registration campaigns.

One point of special importance to people around here is a new law, applicable for the first time this year, requiring that everyone must have the certificate to vote. Formerly people over 60 in towns of under 10,000 did not need poll tax receipts and last year they did not need registration certificates. That is changed now. Everybody needs the certificate to vote, regardless of age. All oldsters are urged to keep that fact in mind.

With politics already warming up for the next presidential race, it's hardly necessary to mention here that next year will offer plenty opportunity to use the certificate. There'll be the national election, state and county elections, city elections and school district elections. In addition, one never knows when a special election will develop.

Of course it's assumed that everyone wants to qualify for a vote. So everyone will want to remember he has to apply for the registration certificate. Perhaps it will help a little

if everyone will recall that poll tax has been abolished. There is no charge for a registration certificate.

passes from Lee Roy Hess. One was for 30 yards the other for 17 yards.

Chris Walter's score from the 5 yard line was only a small part of his activity for the afternoon. He gained over 100 yards and was terrific on defense as well.

Melvin Schilling scored on a 15 yard pass from Hess.

The only point after touchdown was a kick by Lee Roy Hess.
