

# MUENSTER ENTERPRISE

VOLUME XXXI

MUENSTER, COOKE COUNTY, TEXAS 76252 NOVEMBER 10, 1967

NUMBER 51

Depending on a person's point of view, Tuesday of this week was a day of glory or a day of shame in the Soviet Union. It was the fiftieth anniversary of communism in that country, a day on which the Kremlin's party members pointed to great achievements, a day on which millions of informed people in and out of Russia pointed to dismal failures.

Eugene Lyons, an editor of Reader's Digest, who spent six years as a correspondent in the USSR, tells the story in his new book "Workers' Paradise Lost," a condensation of which appears in the current issue of Reader's Digest. The book is most revealing and should be regarded as "must reading" by anyone who really wants to know what happened to the Russian people while their country was developing into a great world power.

To begin, one must accept the fact of Soviet progress in many respects. It has made great strides scientifically and militarily. It competes with United States for global leadership in both of those categories. It controls about a third of the world's population. It is an awesome contender for world domination.

But the Soviet claim to greatness ends there. On the basis of its contribution to civilization or to the welfare of its own people, it is the greatest failure of world history. It is a nation built on terror, treachery, cruelty, despotism and social and economic incompetence. It is a horrible example of the perpetual misery inherent in a totalitarian society.

Despite boasted advances in scientific and military fields, the economic and social levels of its people are lower than in 1917. Formerly an exporter of foods, it is currently an importer. With 75 per cent more cropland than the United States and four times as many farm workers it produces less than half as much grain. The livestock population is lower than fifty years ago. Collectivized farming, stubbornly continued after decades of failure, leaves vast areas almost barren by comparison with small family gardens which peasants are allowed to work for themselves. The effects of socialist mismanagement are dramatically evident year after year but still they make no changes.

The industrial picture is equally pitiful. By comparison with other modern countries wages are low and living costs are high. Bare necessities of food, clothing and housing require all of most people's income. Few have anything left for luxuries.

That primitive level of living is accompanied by constant fear. People must be eternally cautious of word or deed that arouses suspicious of the secret police. Above all they must carefully avoid any (Continued on page 10)

Royal ceremonies were at half-time in the game with Dallas Christian. Miss Koelzer is the daughter of Mr. and Mrs. Earl Koelzer. She is a junior at Sacred Heart High School. (Boyd & Breeding photo)

## Hornets Prep for Hot Game at Era

The Hornets of Muenster will be definite underdogs when they take on the Hornets of Era Friday night, but that has not convinced them that the outcome is a cinch.

They have ideas of an upset and Coach Glenn Richardson shares the idea with them. Two factors are needed for a Muenster win, he said. They'll need their top effort plus some breaks. He's confident of the first and hoping for the second.

As the record shows, Era enjoys a long advantage. It has a perfect record to date and is leading in the District 7-B race. Muenster has a 3-5 record for the season and a 2-2 record in the district.

The boys will be ready for this one, according to Richardson. They have been working for and talking for a surprise. Though they have lots of respect for the loop leaders they are not conceding anything.

## Lost Contact Lens Found by Surgery

An unusual case of eye surgery, believed to be the only one of its kind in medical history, concerns Mrs. Jan McGee, until her recent marriage, Charlene Otto Smith of Muenster.

Last week she experienced a sensation of something under her left eyelid and consulted a Gainesville eye specialist. He discovered a growth and advised immediate surgery. Following the operation the tumor was sent to a laboratory for examination to check possibility of a malignancy.

Lab technicians were amazed when they cut into the growth. They found a contact lens. Mrs. McGee remembered that she lost a contact lens two years ago. The hidden lens had not bothered her until recently.

The McGees live in Denton since their marriage but Mrs. McGee is staying in Muenster to be near her doctor as eye treatments are still necessary. There is no reported injury to the eyeball or vision.

## Post Office Closes On Veterans Day

The Muenster Post Office will be closed on Saturday, November 11, in observance of Veterans Day. Window service will not be provided on this day and there will not be any delivery of mail by the rural carriers. However lock box service will be provided and special delivery mail will be delivered in the city.

Since employees will not be on regular duty, patrons are asked to deposit out-of-town mail in the collection box outside the building.

## Parish Conducts Two Day Drive For Old Clothes

Muenster's annual Thanksgiving clothing drive for the world's needy in the nineteenth annual campaign for the Holy Father's storeroom will be held next Monday and Tuesday, Nov. 13 and 14.

Those dates were set Sunday by St. Anne's Society, sponsors of the drive for Sacred Heart Parish.

As in previous recent years this will be a "quickie" campaign.

The Parish Hall, upstairs, will be the collection depot. Everyone is urged to cooperate by getting their contributions in on those days. Also emphasized is to have clothing clean and mended. Time does not permit a staff of sewers and menders.

This campaign is accepting all-weather clothing, shoes, and bedding.

Members are urged to help with sorting and packing on Monday afternoon and all day Tuesday. Volunteers are needed.

Plans for the clothing drive featured the business session. Mrs. Al Walterscheid, president, presided. She appointed a nominating committee consisting of Mmes. Albert Hess, C. M. Walterscheid and John Fleitman to draw up a slate of officers for the election in January.

Mrs. Leo Henschel read a sermonette, "False Prophets," and members heard two recordings by Father Bertin Roll. One was on the racial problem, the other was entitled "Harbor the Harborless."

Mrs. Andy Monday won the door prize and after adjournment members joined St. Joseph's society for a talk by Charles Neal, deputy sheriff of Valley View. This was followed by a social hour and a cold buffet.

## Memorial Honors Deceased Knights Of Local Council

Seventy five deceased members of the Muenster K of C council were remembered Sunday in the organization's annual memorial service.

Included on the memorial list were two names appearing for the first time. They were Joe Fisher Sr. and Joe Fette, who died since the memorial service of 1966.

The service was held in the K of C Hall beginning at 7 p.m. It consisted of the order's ritual along with a Mass celebrated by Father Alcuin Kubis, chaplain.

## Dress Factory to Have Open House Sunday, 1-4 p.m.

The new and expanded operation of Jr. Elite's dress factory in Muenster will be on display at Open House 1 to 4 p.m. next Sunday.

Mrs. Ola Roberg, local manager, said the owners of the firm are planning this event as a get-acquainted party at which Muenster people will be able to see the products and the plant. Employees will be there to explain and demonstrate, also to serve refreshments of cookies, coffee and punch.

Owners of the business, Lou Kreditor, Sy Thum and Jerry Frankle, all of Dallas, will also be there.

Jr. Elite was organized by those men three years ago. Their business volume for this year is estimated at a million dollars and they are planning to double that next year.

Jr. Elite now ranks as the Southwest's leading manufacturer of junior dresses. It has eight salesmen, markets in Dallas, New York and Los Angeles, also outlets in Miami, Memphis, Atlanta, Charlotte, San Antonio and New Orleans.

The company came to Muenster in May 1966, buying the former operation of Mrs. Roberg. Recently it bought equipment of the Raden Company and has occupied the larger location formerly used by Raden.

## Tom Trachta Is Optimist Club's Boy of the Month

Tommy Joe Trachta has been named Boy of the Month by Gainesville Breakfast Optimist Club for October. He and his father, David Trachta, were honor guests at the club's breakfast when the announcement was made.

Tom is a senior at Muenster High School. He was freshman favorite boy and vice president of his class. He has lettered in football four years and is captain of the team this year.

He has been a member of the Science Club for two years and is president of the club this year. He has maintained a B average throughout high school. He is a member of Sacred Heart Church and served as an altar boy for five years.

## Parish Donates \$419 to Cemetery

The Sacred Heart Cemetery fund was increased by \$419.55 at the semi-annual collection conducted by Garden Club members at church services on All Saints Day.

The amount was about normal for that collection, according to Mrs. Steve Moster, a gratifying increase over last year's \$369.25. She also said that any who forgot can still give or send their contribution to her or to the Cemetery Fund at Muenster State Bank.

Collections for the fund are taken on Nov. 1 and on a Sunday near Memorial Day. The money is used for general maintenance.

## Cable TV Tower Awaits Erection

Cable TV can be available in Muenster by the end of November. Whether it will be is the question now bugging Alvin Fuhrman of Muenster Telephone Corp., which is in the process of establishing the service.

Antenna equipment has been here for two weeks but the erecting crew still is not here. However, when that is finished the project will be under control, Fuhrman said.

Trunk cable and feeder cable are all installed and ready for service cables direct to customers.

The tower, to be located about a mile northeast of town, will be 250 feet tall. Eight separate antennas will be mounted on it at varying heights from 75 feet to 240 feet. Another antenna will receive 3 frequencies of FM radio signals.

All those signals received separately on antennas designed for best reception of the channel, pass through a control unit then are fed into the cable.

Another channel will be available for weather report service or programs of local origin.

If you haven't a few bruises you haven't been playing the game.

## County Program to Ban Brucellosis Starts Next Week

The Brucellosis eradication program in Cooke County will begin next week and will continue into 1968 until the job is finished. An announcement by Area Veterinarian Dr. Horn set November 15 as the starting date and suggested that livestock owners arrange with their local veterinarians for the testing. The cost of testing will be paid by state and federal funds.

According to word received by Dr. Larry Tisdale the program also includes payments for vaccinating heifer calves aged 3 months to 1 year. All beef cattle over 12 months are to be tested, except those between 12 and 30 months which have been vaccinated.

The present program complies with the wish of county stockmen who recently voted to have the county certified as free of brucellosis. All beef cattle must be tested in order to get the certification. Dairy cattle do not need to be tested if they have received a negative ring test.

An organized testing program will be set up in the county early in 1968 to finish the eradication program.

## Outclassed Tigers Walloped 20-0 by Chargers of Big D

The husky and speedy Chargers of Dallas Christian cast a 20-0 gloom over homecoming festivities at Sacred Heart Saturday night. In keeping with their fine season record, the Big D fellows had lots of power offensively while confining the Tiger gains to very limited yardage.

Their passing defense was especially effective. Sacred Heart's normally good record in that department was almost wiped out as the Chargers allowed four completions out of eighteen tries for a total of 21 yards. Combined gains by ground and air were 79 yards. Meanwhile the visitors piled up 360 in rushing and passing.

Defense featured the game's opening as both teams kicked on first series. On the next effort the Tigers made a first down and had to kick on the second series.

That's when the visitors cranked up their first scoring drive. Nine plays gobbled up 67 yards and the big gainer was an interference ruling giving 28 yards on a pass. The scoring play was a 15 yard pass from Mullins to Patrick and an attempted kick for extra point was wide.

Another first down plus a pair of breaks then combined to give Sacred Heart its best scoring opportunity. The first down followed the kickoff and a kick on the next series set the Chargers back to their 42. On the next play Lee Roy (Continued on page 10)

## Funeral Rites for Charles Everette Held in Illinois

Members of the Walter family were in Olney, Ill., Wednesday to attend funeral services for their brother-in-law Charles Everette, 50, who died suddenly Sunday at 7:15 p.m. at his home. He had had a heart condition for several years.

Requiem Mass was celebrated in the parish church and burial followed in the parish cemetery.

Charles Everette was the husband of the former Miss Sylvia Walter of Muenster, daughter of Mr. and Mrs. John Walter. He was a Navy Veteran of World War II. The family lived here during the war years.

Surviving with the widow are two daughters, Mrs. Bill Long of Rantoul, Ill., and Sylvia Ann of the home; seven sons, Charles of Olney, Allen of Riverside, Calif., twins Tom and Rod in the Navy based in San Francisco, Kenny, Billy and Pat of the home; three grandchildren, his mother and two sisters of Illinois.

Charles Jr. was in Muenster visiting relatives when word of his father's death reached here. He left immediately for home accompanied by an uncle, Al Walter, and an aunt, Mrs. Paul Endres.

Others leaving Monday to attend the funeral were Messrs. and Mmes. Frank Bayer, Oscar Walter, W. J. Miller of Muenster and Mr. and Mrs. Joe Walter of Gainesville.

The Everette home address is Route 6, Olney, Ill. 62450.

## Texans Will Vote On 6 Amendments

It's election week once more all over Texas.

Voters in 254 counties will decide Saturday (Nov. 11) whether they want six more amendments to the State's Constitution. According to Secretary of State John Hill, voters in five areas of Texas will choose legislators to fill vacancies created by death or resignation. There are six vacant seats in the House of Representatives and one in the Senate.

A light-to-moderate vote is predicted. Nov. 11 is opening

Voting places here for the election will be located as follows. North Muenster box will be in the TP&L building with Joe Luke presiding. South Muenster box will be in Stockmen's Feed Store with Paul Fisher presiding. Hours at both will be 8 a.m. to 7 p.m.

day of the deer and turkey hunting season in most counties. This means a lot of hunters will be in the field instead of the voting booth.

However, election day also is Veterans Day, and backers of the proposed amendment to revive the veterans land program are staging an active get-out-the-vote campaign. So are supporters of two other amendments — the one authorizing the state to issue bonds to finance expansion of the Texas parks system and that permitting state officials and employees to hold more than one

## Tigers Travel to Windthorst Friday

With three successive losses haunting them, Tom Williams and his Sacred Heart Tigers are determined that it's time for a change when they square off against the Windthorst Trojans Friday night.

The game will be at Windthorst starting at 8 o'clock.

Concerning comparative records on the two teams, Coach Williams has little hope on which to figure his prospects. Windthorst has been playing in an 8-man loop and the teams have not had a common foe up to now. Its season record to date is 3-5 and Sacred Heart's is 3-4. Williams also noted that squads are about the same size and the teams can probably be rated as even.

Physically and mentally the Tigers are ready, says Williams. They came through without an injury last week and they have had lots of fire in practice this week.

## Final Rites for John E. Nehib, 72 At Valley View

Funeral services with Requiem Mass were held Monday at 10 a.m. in St. John's Church, Valley View, for John E. Nehib, 72, long-time resident of the Valley View area who died Saturday.

Father Anthony Gajda officiated. Burial in Fairview Cemetery, Gainesville, was directed by George J. Carroll & Son Funeral Home.

Nehib was found dead in a barn on the Ralph Couch farm, four and a half miles southeast of Valley View, early Saturday morning. Justice of the Peace Carl Burchfield ruled death due to natural causes. He was apparently fatally stricken about 5 p.m. Friday.

Nehib was born Sept. 19, 1889 in Sugarland. He was employed as a worker on a farm at the time of his death. Survivors include three sons including Tony Nehib of Gainesville and Ed Nehib of Valley View, six daughters, 33 grandchildren, 16 great-grandchildren and three sisters.

Relatives and friends attending the funeral from Muenster were Mr. and Mrs. Frank Schilling, Johnny Streng, Mrs. Regi Bayer, Messrs. and Mmes. Henry Pick, Joe, Charlie and Paul Fisher. Father Harry Fisher attended from Fort Worth.

## Open House Will Mark Rest Home's 3rd Anniversary

Muenster's Golden Years Rest Home, marking its third anniversary on Nov. 9, will have open house, re-dedication and a program Sunday, Nov. 12, 2 p.m.

Mrs. Dick Cain, owner and manager of the home extends a general welcome to everyone to attend.

office.

Seventy candidates, including 14 Republicans, are running for legislative places. Republicans hope to improve their position. Presently they have only three representatives in the 150-member House and one senator in the 31-member Senate.

There are two representative races in Harris County; another in Cameron County; one in Matagorda and Wharton Counties; one in Travis County; and another in Bailey, Cochran, Hockley, Terry and Yoakum Counties. Twenty Dallas candidates are running for the Senate seat of the late George Parkhouse.

Six constitutional amendments are on the ballot in the following order:

1. To authorize counties to place all their tax revenues in a single general fund, rather than separate, special-purpose funds.

2. To get local political subdivisions which have hospital districts spend tax money for mental health and mental retardation services.

3. To revive the veterans land program through an additional \$200,000,000 bond issue, permitting war veterans, including those of the Vietnam conflict, to purchase land on low-interest, 40-year-payback loans.

4. To permit counties to pay medical benefits for their law enforcement officers injured in line of duty.

5. To authorize a \$75,000,000 state bond issue (supported by an admission fee at selected parks) for park land buying and development.

6. To permit non-elective state officials and employees to serve on state and federal boards and commissions if there is no conflict of duties.

This is the first general election in Texas since the "scratch out" method of voting was eliminated. Now an "X" indicates your choice.

## Annual Memorial Rite Held Sunday For Parish Dead

Annual memorial prayers for deceased members of Sacred Heart Parish were held last Sunday in the church and the cemetery. Fortunately the service had been postponed from All Saints' Day. Weather was more pleasant and the ground was dry, encouraging a good attendance.

Speaking before the monument at the center of the cemetery, Father Alcuin Kubis deplored the spiritual neglect of loved ones after death, the failure to help them by prayer to attain a happier eternity. He also emphasized that twenty-six had been buried during the previous twelve months. They were of all ages, a grim reminder that anyone can be next and it's wise to live as if one might be next.

After the sermon Father Alcuin and the choir recited and sang from the church's funeral ritual.

Services started with Benediction in Sacred Heart Church. From there people marched in procession to the cemetery while reciting the rosary. Father Benedict led the recitation speaking through the amplifier in the church tower. His voice was clearly audible to the cemetery.

## Jaycees Will Send Yule Packages to Men in Vietnam

Muenster Jaycees have adopted a project of sending Christmas packages to local young men serving in the Vietnam War, but do not have a complete list of those men. Accordingly they are asking for names and addresses.

Local people who want their sons or brothers remembered are asked to give the information immediately to Herman Grewing or Butch Fisher. Promptness is urged because the packages must be sent soon.

Garden Club to Meet Monday

A program on "Cacti and Succulents" by Miss Bettye Dodds will be presented to members of the Muenster Garden Club at their meeting Monday night at 8 o'clock. It will be in the home of Mrs. Pat Stelzer with Mrs. T. S. Myrick as co-hostess.

The cost of testing will be paid by state and federal funds.

According to word received by Dr. Larry Tisdale the program also includes payments for vaccinating heifer calves aged 3 months to 1 year. All beef cattle over 12 months are to be tested, except those between 12 and 30 months which have been vaccinated.

The present program complies with the wish of county stockmen who recently voted to have the county certified as free of brucellosis. All beef cattle must be tested in order to get the certification. Dairy cattle do not need to be tested if they have received a negative ring test.

An organized testing program will be set up in the county early in 1968 to finish the eradication program.

## Outclassed Tigers Walloped 20-0 by Chargers of Big D

The husky and speedy Chargers of Dallas Christian cast a 20-0 gloom over homecoming festivities at Sacred Heart Saturday night. In keeping with their fine season record, the Big D fellows had lots of power offensively while confining the Tiger gains to very limited yardage.

Their passing defense was especially effective. Sacred Heart's normally good record in that department was almost wiped out as the Chargers allowed four completions out of eighteen tries for a total of 21 yards. Combined gains by ground and air were 79 yards. Meanwhile the visitors piled up 360 in rushing and passing.

Defense featured the game's opening as both teams kicked on first series. On the next effort the Tigers made a first down and had to kick on the second series.

That's when the visitors cranked up their first scoring drive. Nine plays gobbled up 67 yards and the big gainer was an interference ruling giving 28 yards on a pass. The scoring play was a 15 yard pass from Mullins to Patrick and an attempted kick for extra point was wide.

Another first down plus a pair of breaks then combined to give Sacred Heart its best scoring opportunity. The first down followed the kickoff and a kick on the next series set the Chargers back to their 42. On the next play Lee Roy

## Funeral Rites for Charles Everette Held in Illinois

Members of the Walter family were in Olney, Ill., Wednesday to attend funeral services for their brother-in-law Charles Everette, 50, who died suddenly Sunday at 7:15 p.m. at his home. He had had a heart condition for several years.

Requiem Mass was celebrated in the parish church and burial followed in the parish cemetery.

Charles Everette was the husband of the former Miss Sylvia Walter of Muenster, daughter of Mr. and Mrs. John Walter. He was a Navy Veteran of World War II. The family lived here during the war years.

Surviving with the widow are two daughters, Mrs. Bill Long of Rantoul, Ill., and Sylvia Ann of the home; seven sons, Charles of Olney, Allen of Riverside, Calif., twins Tom and Rod in the Navy based in San Francisco, Kenny, Billy and Pat of the home; three grandchildren, his mother and two sisters of Illinois.

Charles Jr. was in Muenster visiting relatives when word of his father's death reached here. He left immediately for home accompanied by an uncle, Al Walter, and an aunt, Mrs. Paul Endres.

Others leaving Monday to attend the funeral were Messrs. and Mmes. Frank Bayer, Oscar Walter, W. J. Miller of Muenster and Mr. and Mrs. Joe Walter of Gainesville.

The Everette home address is Route 6, Olney, Ill. 62450.

## Texans Will Vote On 6 Amendments

It's election week once more all over Texas.

Voters in 254 counties will decide Saturday (Nov. 11) whether they want six more amendments to the State's Constitution. According to Secretary of State John Hill, voters in five areas of Texas will choose legislators to fill vacancies created by death or resignation. There are six vacant seats in the House of Representatives and one in the Senate.

A light-to-moderate vote is predicted. Nov. 11 is opening

Voting places here for the election will be located as follows. North Muenster box will be in the TP&L building with Joe Luke presiding. South Muenster box will be in Stockmen's Feed Store with Paul Fisher presiding. Hours at both will be 8 a.m. to 7 p.m.

day of the deer and turkey hunting season in most counties. This means a lot of hunters will be in the field instead of the voting booth.

However, election day also is Veterans Day, and backers of the proposed amendment to revive the veterans land program are staging an active get-out-the-vote campaign. So are supporters of two other amendments — the one authorizing the state to issue bonds to finance expansion of the Texas parks system and that permitting state officials and employees to hold more than one

## Tigers Travel to Windthorst Friday

With three successive losses haunting them, Tom Williams and his Sacred Heart Tigers are determined that it's time for a change when they square off against the Windthorst Trojans Friday night.

The game will be at Windthorst starting at 8 o'clock.

Concerning comparative records on the two teams, Coach Williams has little hope on which to figure his prospects. Windthorst has been playing in an 8-man loop and the teams have not had a common foe up to now. Its season record to date is 3-5 and Sacred Heart's is 3-4. Williams also noted that squads are about the same size and the teams can probably be rated as even.

Physically and mentally the Tigers are ready, says Williams. They came through without an injury last week and they have had lots of fire in practice this week.

## Final Rites for John E. Nehib, 72 At Valley View

Funeral services with Requiem Mass were held Monday at 10 a.m. in St. John's Church, Valley View, for John E. Nehib, 72, long-time resident of the Valley View area who died Saturday.

Father Anthony Gajda officiated. Burial in Fairview Cemetery, Gainesville, was directed by George J. Carroll & Son Funeral Home.

Nehib was found dead in a barn on the Ralph Couch farm, four and a half miles southeast of Valley View, early Saturday morning. Justice of the Peace Carl Burchfield ruled death due to natural causes. He was apparently fatally stricken about 5 p.m. Friday.

Nehib was born Sept. 19, 1899 in Sugarland. He was employed as a worker on a farm at the time of his death. Survivors include three sons including Tony Nehib of Gainesville and Ed Nehib of Valley View, six daughters, 33 grandchildren, 16 great-grandchildren and three sisters.

Relatives and friends attending the funeral from Muenster were Mr. and Mrs. Frank Schilling, Johnny Streng, Mrs. Regi Bayer, Messrs. and Mmes. Henry Pick, Joe, Charlie and Paul Fisher. Father Harry Fisher attended from Fort Worth.

## Open House Will Mark Rest Home's 3rd Anniversary

Muenster's Golden Years Rest Home, marking its third anniversary on Nov. 9, will have open house, re-dedication and a program Sunday, Nov. 12, 2 p.m.

Mrs. Dick Cain, owner and manager of the home extends a general welcome to everyone to attend.

office.

Seventy candidates, including 14 Republicans, are running for legislative places. Republicans hope to improve their position. Presently they have only three representatives in the 150-member House and one senator in the 31-member Senate.

There are two representative races in Harris County; another in Cameron County; one in Matagorda and Wharton Counties; one in Travis County; and another in Bailey, Cochran, Hockley, Terry and Yoakum Counties. Twenty Dallas candidates are running for the Senate seat of the late George Parkhouse.

Six constitutional amendments are on the ballot in the following order:

1. To authorize counties to place all their tax revenues in a single general fund, rather than separate, special-purpose funds.

2. To get local political subdivisions which have hospital districts spend tax money for mental health and mental retardation services.

3. To revive the veterans land program through an additional \$200,000,000 bond issue, permitting war veterans, including those of the Vietnam conflict, to purchase land on low-interest, 40-year-payback loans.

4. To permit counties to pay medical benefits for their law enforcement officers injured in line of duty.

5. To authorize a \$75,000,000 state bond issue (supported by an admission fee at selected parks) for park land buying and development.

6. To permit non-elective state officials and employees to serve on state and federal boards and commissions if there is no conflict of duties.

This is the first general election in Texas since the "scratch out" method of voting was eliminated. Now an "X" indicates your choice.

## Annual Memorial Rite Held Sunday For Parish Dead

Annual memorial prayers for deceased members of Sacred Heart Parish were held last Sunday in the church and the cemetery. Fortunately the service had been postponed from All Saints' Day. Weather was more pleasant and the ground was dry, encouraging a good attendance.

Speaking before the monument at the center of the cemetery, Father Alcuin Kubis deplored the spiritual neglect of loved ones after death, the failure to help them by prayer to attain a happier eternity. He also emphasized that twenty-six had been buried during the previous twelve months. They were of all ages, a grim reminder that anyone can be next and it's wise to live as if one might be next.

After the sermon Father Alcuin and the choir recited and sang from the church's funeral ritual.

Services started with Benediction in Sacred Heart Church. From there people marched in procession to the cemetery while reciting the rosary. Father Benedict led the recitation speaking through the amplifier in the church tower. His voice was clearly audible to the cemetery.

## Jaycees Will Send Yule Packages to Men in Vietnam

Muenster Jaycees have adopted a project of sending Christmas packages to local young men serving in the Vietnam War, but do not have a complete list of those men. Accordingly they are asking for names and addresses.

Local people who want their sons or brothers remembered are asked to give the information immediately to Herman Grewing or Butch Fisher. Promptness is urged because the packages must be sent soon.

## Garden Club to Meet Monday

A program on "Cacti and Succulents" by Miss Bettye Dodds will be presented to members of the Muenster Garden Club at their meeting Monday night at 8 o'clock. It will be in the home of Mrs. Pat Stelzer with Mrs. T. S. Myrick as co-hostess.

### SOME SOCIAL SECURITY NOTES

In January of this year, the Secretary of the Treasury, Henry Fowler, stated that "unless Congress raises the debt limit the government can cover only about half the Social Security checks due to go out in March. Congress raised the debt limit, and the checks were covered. All of them.

But the problem remains. And so long as there is a Secretary of the Treasury in this country obliged to meet the payments required under the present law, that officer is going to have to make such a threat to Congress at the beginning of each year. And Congress is going to have to respond, probably by raising the debt ceiling.

It should give you an empty feeling in your stomach to realize that the Social Security kitty is empty. All the money that millions of Americans have paid into the fund has been paid out to cover current expenses. And for the retirement benefits that we are entitled to under the law there are some fine-print IOU's which attest that in 20 or 30 years, when we are retirement age, our children will ante up the funds necessary. Can you imagine what would happen to insurance company officers who ran their insurance business on such a promissory basis? They'd be in jail.

Listen to Social Security Commissioner, Robert Ball: "...for a young worker, the benefits of social security are

not equal to the contributions. Young employees do not get their money's worth."

Or to Missouri's Congressman Tom Curtis: "I am afraid that Social Security is going to hit the rocks in another ten years."

The arithmetic of the matter is that the young wage earner can get a better retirement program by investing the same amount of money in a private insurance company than the government's program provides. And he can be sure that the funds he pays in are going to be there for him to draw upon when he reaches retirement age, whereas some of us who have been making mandatory payments to the government program for thirty years have to live with the reality that not a dime of our money is waiting for us in our retirement years.

Sooner or later the monstrous Social Security program is going to have to be phased out, and a voluntary program offered in its place, permitting the individual to choose between government and private insurance programs.

### OUT OF BOUNDS

The National Labor Relations Board has too often made it a practice to impose penalties which would be beyond the pale of legal precedent and practice in a court of law. Now it has happened again. NLRB has found that a firm, in its opinion, has engaged in unfair labor practices contrary to the National Labor Relations Act. Although the company involved believes that it is not guilty of violations and plans to appeal the case, the NLRB has ruled that it must mail a notice of the violations to all of its employees, post it on all company bulletin boards, and at a meeting of all its employees, have a company official read the notice. According to The Wall Street Journal, the District of Columbia Court of Appeals has ruled that any such forced confession was "degrading."

This case will eventually be decided in the Supreme Court, and it is to be hoped that the precedent of forced public confession will be reversed. It jeopardizes a fundamental tenet of human freedom—that no person believing himself innocent should be forced to declare publicly that he is guilty.

### THE POVERTY LINE

Poverty exists, there is no mistake about that. But as times change so do values, including the definition of poverty, which is a relative thing. Some comparisons made in the House of Representatives the other day are interesting. In 1920 it was concluded that only 50 per cent of the families in the United States had a minimum adequate diet or better. In 1965, 95 percent were rated as having an adequate diet. In 1920 only 28 per cent of the families had gas or electric ranges; in 1965, 99 per cent had such an appliance. An electric refrigerator was found in only 1 per cent of the homes in 1920; in 1965 such appliances were in 99 per cent of the homes. In 1920 no one had a television set; today they are found in 88 per cent of the homes. In 1920 there were telephones in only 35 per cent of the homes; today there are phones in 98 per cent.

The gains shown in the 45 years between 1920 and 1965 were managed largely by private enterprise, not by government programs. —Arizona Republic

### Spacious World Bridger

In the fall of 1969, the speed, comfort, convenience and safety, not to mention the pleasure of air travel will be dramatically enhanced. At that time, this country's leading overseas airline will put the first Boeing 747 into scheduled service. This plane will be a major breakthrough in the advance of air transport.

Statistics on the performance and size of this aircraft are unprecedented. Its engines produce twice the power of those used on the smaller Boeing 707, and they are quieter and more economical. Fully loaded its gross weight is 680,000 pounds, more than twice that of the big jets in service today, yet the 747 will fly faster by some 50 miles-an-hour and land and take off on the same runways as current jet transports less than half its size.

Everything about the 747 is impressive. But, the most intriguing question is what will it be like to join more than 360 other people in a flight aboard one of these planes. The first impression upon entering the aircraft through one of the four, wide double doors will be one of spaciousness. The cabin, 19.5 feet wide, is partitioned into four sections and looks more like a large living room or theatre than a tubular cabin. In flight, you can wander down the aisles visiting with fellow passengers or stroll to the observation lounge for an astronaut's view of the world. From the first-class section a staircase leads to the second deck where private staterooms can be used for conferences or dictation.

A most important fact about the new 747 is not visible. The speed, efficiency and passenger capacity of this new jet, it is expected, will reduce by 30 percent the operating costs per seat mile. A major contribution will thus be made toward the continuing goal of lowering air fares and encouraging broader travel between the nations. A world of neighbors with common experiences will someday be a world of peace.

### A NOTE IN PASSING

A card from a reader asks: "It is true that H. Rap Brown was on the Poverty Program payroll too?" We have researched and can say yes!

He was employed as a neighborhood worker, for the united Planning Organization (UPO) in the District of Columbia from March 1965 to June 1966. Since becoming the head of SNCC (Simple Nuts Causing Confusion) ... he has become a militant symbol with his talk of an "eye for an eye ... a tooth for a tooth, and a life for a life."

There you have it in capsule form. He was on a government program, being helped with your money, became a Judas ... is now trying to 'bring down', as he would put it, a government that made it possible for him to earn a living before he became a Judas! —Tipton, Ind., Tribune

### THE POVERTY WARRIOR

His references read something like this:

—In 1948 he was expelled by the International Association of Machinists for parroting the Communist line.

—In 1952 he was chairman of a conference to repeal the Smith Act, under which Communists had been indicated.

—After his expulsion of the Machinists, he became international representative of the Mine, Mill and Smelter Workers Union, which had been expelled in 1950 by the parent organization, the AFL-CIO, as a Communist-dominated union. —In 1962 he was listed as a former official of the International Mine, Mill and Smelter Workers Union who had been a member of the Communist Party.

—In 1962 he was cited by the Federal Subversive Activities Control Board as a Communist Party member.

In spite of these references—or possibly because of them—he was appointed by Mayor John Lindsay of New York City as head of the Neighborhood Youth Corps, part of the "War on Poverty," employing 40,000 young New Yorkers. He still holds that position.

His name is Robert Schrank. His background was disclosed by Rep. Paul Fino of New York who was—to us, anyway—understandably unhappy.

"The plain truth," said Rep. Fino, "is that the so-called war against poverty is a well-heeled gray train for agitators, 'Black Power' advocates and Communists."

—Marysville, Calif., Appeal

Lecturing a group of farmers on the latest contributions of chemistry to agriculture, the young scientist declared: "The time is coming when a farmer will be able to carry all the fertilizer for an acre of ground in one pants pocket." "Sure," grunted an old farmer, "and all the crop in the other."

## Local News BRIEFS

Miss Dianne Felderhoff and her roommate, Miss Karen Bernhardt, both of NTSU, Denton, spent the weekend with Dianne's parents, the Arthur Felderhoffs. It was Karen's first visit in Muenster. Victoria is her hometown.

Mrs. Gary Hess and Mrs. Bob Swirczynski, joined by Mrs. Loraine Talley of Saint Jo, were in Dallas Monday — Mrs. Hess buying merchandise for her shop and the other two attending a Mary Kay cosmetic sales meeting. Also

at the sales meeting were Mrs. Gene Hartman of Denton and Mrs. Bill McCollum of Dallas. The five ate out together before returning to their homes.

Visitors over the weekend at the Paul Walterscheid home were their son-in-law and daughter, Mr. and Mrs. Daniel Hudspeth and two-week-old daughter Kelly Marie of Garland. It was the baby's first trip to Muenster. They also visited the paternal grandparents Mr. and Mrs. Clarence Hudspeth at Myra. Kelly Marie was baptized the previous Sunday at St. Bernard's Church in Dallas. Attending as godparents for their first grandchild were Mr. and Mrs. Paul Walterscheid. The Hudspeths moved recently from Dallas to Garland.

Dr. and Mrs. Martin Kralicke were in Houston over the weekend guests of their son Steve Kralicke at the University of Houston for homecoming festivities highlighted by the homecoming football game in the Astrodome. While Dr. Kralicke was away, Dr. Eliznando of Denton was at Muenster Hospital taking care of patients.

### Claudia Endres and Dennis S. Taylor Say Vows at Mass

Miss Claudia Maria Endres and Dennis Stephen Taylor exchanged wedding vows in a double ring ceremony at Mass in Sacred Heart Church 6 p.m. Friday. Father Alcuin Kubis, pastor, officiated.

Parents of the couple are Mr. and Mrs. Raymond R. Endres Jr. of Muenster and Mr. and Mrs. John S. Taylor Jr., of Port Angeles, Washington.

Given in marriage by her father, the bride wore an original creation of candlelight peau de soie that was made by her mother. The A-line gown was designed with a portrait neckline, long fitted sleeves, and aisle-wide cathedral-length train attached at the shoulders by tiny covered buttons. Seed pearl encrusted appliques of lace adorned the skirt and train. Her triple tiered veil was elbow length and her flowers were a cascade of white roses and ivy centered with a yellow-throated white orchid. For something old she wore her mother's gold locket, and she carried a borrowed crystal rosary.

Miss Rachael Endres of Dallas was her sister's maid of honor. Miss Sheila Davey, Burkburnett, and Mrs. James Fassnacht, Irving, classmates of the bride, were bridesmaids. Miss Susan Endres was her sister's junior bridesmaid, and another sister Miss Sally Endres, was flower girl.

All five wore identically designed full-length A-line crepe dresses in crushed cranberry shade with wateau trains of peau de soie attached by small self-fabric roses. Their headpieces were matching circular veils and they carried single

long-stemmed white mums.

After the service, the flower girl handed a long-stemmed red rose to the bride and she placed it on the Blessed Virgin's altar.

Ron Friedburg of Dallas was best man. Ted and Tim Endres, bride's brothers, and James Fassnacht were groomsmen. Pat Endres, another brother, escorted his sister Sally. Alfred Neu of Lindsay, bride's uncle, and Alvin Hartman ushered.

Wedding music was by Anthony Luke, organist, and Dr. Martin Kralicke and Mrs. David Walterscheid, vocalists.

Wedding reception was in the Public School Dining Room where Mrs. David Yosten of San Antonio registered guests. Miss Carrie Vinson of Dallas and Mrs. Frank Schilling Jr. served punch and the wedding cake. Other members of the house party were Mrs. Joe Lehnertz and Mrs. Susie Noggler.

After their honeymoon the newlyweds will be at home 417 Haley St., Irving. For traveling the bride wore a winter white wool dress topped by a matching coat. Her accessories were in burgundy red.

Mrs. Taylor is a graduate of Sacred Heart High School and attended the University of Dallas. She is a senior nursing student at St. Paul's Hospital in Dallas. Mr. Taylor is a pharmacist in Dallas. He was graduated from Delano High and Bakersfield Junior College in California and the University of Oklahoma.

### Wedding Guests

Wedding guests included grandparents of the bride, Mrs. R. R. Endres, and Mr. and Mrs. Matt Neu of Lindsay. Other guests included Messrs. and Mmes. Carl Herr of Pilot Point, Cecil Chaney of Saint Jo, Fred Harper of Killeen, David Endres of Garland, Robert Gier Sr. and Robert Gier Jr. of Richardson, Paul Neu of Lindsay, J. W. Tippie and George Davis of Galesville, Mrs. Susan Johnson, Mrs. Patsy Chick, Miss Loraine Boyles, and Miss Sheila Klausner, all of Dallas.

### Rohmer, Endres in UD Presentation

Two Muenster youths, Donald Rohmer and Ricky Endres, students at the University of Dallas, appeared in the college drama department's play "The Visit." It showed to the public three nights last week and the parents attended Friday night's performance.

Seeing their sons in the play were Mr. and Mrs. Arnold Rohmer and Mr. and Mrs. Paul Endres. Also there were Misses Linda, Donna Marie and Mary Margaret Rohmer, Mr. and Mrs. Bernard Swirczynski and Sister Maureen.

## Exes Gather for S H Homecoming

They gathered in Muenster from far and near Saturday night to join the natives at Sacred Heart High School for a homecoming celebration. It was the biggest and best ever — except for the Tigers being on the short end of a 20-0 football score in the game with Dallas Christian.

Ex-students and their spouses flocked in early for a reunion and buffet at 6 p.m., attended the game at 8 with other fans, applauded when Miss Beverly Koelzer was crowned homecoming queen, and concluded with dancing. Two dances were going on.

The coronation ceremony was held at half-time and the queen's identity had been kept secret. Only the football squad and Coach Tom Williams knew who would wear the crown.

Beverly is a brown-eyed, brown-haired brunette, a junior at Sacred Heart High, the daughter of Mr. and Mrs. Earl Koelzer. She wore a pink chiffon formal and had Lee Roy Hess as her escort. He did the honors at coronation time.

Three other queen candidates were princesses in the royal court: Laurie Truebenbach, senior, escorted by Tom Hess; Darlene Hess, sophomore, escorted by Stan Endres; and Donna Endres, freshman, escorted by Steve Hess.

Miss Gloria Gieb of Dallas, 1966 queen was there to relinquish her crown to the new queen. Miss Barbara Schmitt of Dallas, 1965 queen, handed Her Majesty a bouquet of red roses, and Mrs. David Hess (LaVerna Otto) 1964 queen presented the queen's banner. Mrs. Ed Schneider was at the microphone.

More than 200 ex-students, spouses or escorts attended the reunion in Sacred Heart Gym where Ervin Henscheid, president of the Alumni Association, sponsors of the program, welcomed visitors. He also emceed a short program for which Father Benedict Buegler was principal speaker and Father Alcuin and Sister Roberta also spoke.

Father Benedict introduced this year's honored graduates, those of 1947 and 1957.

Mrs. Joe Lehnertz catered the buffet, assisted by Mrs. Gertrude Bayer and Mrs. Al Walterscheid, in the home economics room.

Both dances drew crowds. The Circle played in the gym and appealed especially to teens. The Del Rays provided the rhythm in the Parish Hall.

**Out Of Town Visitors**  
Among out of town guests attending were Paul Hesse, Eileen and Mary Hesse, Angeline Hess, Gloria Gieb, Barbara Schmitt, Dennis Hess, Dianne Endres, Mr. and Mrs. Doug Reiter, Mr. and Mrs. Roy Monday, Mr. and Mrs. Paul Luke, all of Dallas.

Spec. 4 and Mrs. David Hess of Lawton, Okla., Mr. and Mrs. Gene Hartman, Dianne Gehrig and Debbie Fette of Denton; Mr. and Mrs. Jim Myrick, Mr. and Mrs. C. D. Richards and Clarence Bayer of Arlington; Mr. and Mrs. Harold Neu of Denison, Mr. and Mrs. Randy Bayer of Grapevine, Pvt. Donald Hess of Fort Hood.

Mr. and Mrs. Francis Novacek and Mr. and Mrs. Joseph Moncada of Fort Worth, Mr. and Mrs. David Endres of Garland, Charles Everette Jr. of Olney, Ill., and others from Gainesville and Lindsay.

## News of the Men in Service

### Back From Okinawa

Pfc. Roy Monday has finished overseas duty in Okinawa and is back, reunited with his wife Janie, and getting acquainted with his seven-month-old son Chris, born while he was overseas. He surprised everyone, his wife most of all, by arriving about a month earlier than expected and not telling anyone. He flew into Dallas on Halloween and made like "trick or treat" at his wife's apartment in Dallas. They were in Muenster over the weekend dividing time with their parents, Messrs. and Mmes. Andy Monday and Al Hess. Pfc. Monday will go to Fort Sill, Okla., Sunday to be separated from the service. There were too many to process in California on the way back.

**Assigned in Vietnam.**  
Army Private First Class Donald Hellman, 20, son of Mr. and Mrs. Charley Hellman, has been assigned as an infantryman in Co. A, 4th Battalion of the 25th Infantry Division's 23rd Infantry near Cu Chi, Vietnam.

**Continues At Fort Polk**  
Leonard Hacker telephoned his parents, Mr. and Mrs. Martin Hacker of Valley View, that he will remain at Fort Polk for his next seven weeks of training following completion of basic there. He is in radio maintenance. His new address is Pvt. E. 1 Leonard Hacker, US 54 442 356; Class 45, Co. E, 2nd Bn., 4th Tng. Bde.; Fort Polk, La. 71459.

**Mr. and Mrs. Angelo Nasche** of Hurst announce the birth of their third son Monday, Nov. 6, at 11:33 p.m. He's a brother for Angelo Jr. and Mark. The maternal grandparents are Mr. and Mrs. Gary Hess of Muenster and John Knabe is the great-grandfather. The paternal grandmother is Mrs. Carmelia Nasche of Fort Worth.

**Mr. and Mrs. Jim Schindler** of Pilot Point proudly announce the arrival of their new son, Douglas James. He was born Sunday, Oct. 29, at Gainesville Hospital checking in at 11 pounds 4 1/2 ounces. Welcoming a baby brother are Stevie, Johnny and Kathy. Grandparents are Mr. and Mrs. William Bezner of Lindsay and Mr. and Mrs. Frank Schindler of Pilot Point. Douglas was baptized Sunday, Nov. 5, in St. Thomas Church by Father James Slovacek. Godparents are Sister Bernadette Bezner of San Antonio and Joe Bezner of Pasadena, Tex. Mrs. William Bezner stood as proxy for Sister Bernadette who was unable to attend.

## FHA Girls Plan December Activity

Members of Muenster High Homemakers of America planned December activity at their November meeting this week.

Christmas projects are making candy and cookies for local servicemen in Vietnam, sending Christmas cards to patients to mail to family and friends at Christmas, and caroling on December 18 at Muenster Memorial Hospital and Golden Years Rest Home.

The candy and cookie project is an assist to local Jaycees who are sending packages to Muenster men in Vietnam. Robert Fisher represented the Jaycees at the meeting with the chapter.

Karen Vogel, chapter president, presided and Suzanne Huchton gave the devotional. Senior members thanked everyone who had helped in the recent scrap paper drive they sponsored as a senior class benefit.

Current money-making project for the chapter is selling cookbooks. The price is \$2.95. Mrs. Charles Cash presented the program on ceramics. She displayed a number of pieces she made and recommended ceramics as a constructive leisure-time activity.

Mrs. Henry Weinzapfel, chapter adviser, met with the girls.

## Lawman Speaks to Parish Societies

Members of St. Joseph's Society had a guest speaker at their November meeting Sunday night and were joined by members of Saint Anne's Society for the lecture in St. Joseph's Club.

Charles Neal, deputy sheriff of Valley View, presented an informative talk on law enforcement, discussed new driver license laws and answered questions from the floor in a round table discussion. He was introduced by Dan Luke, society president.

Each organization held its own business session before joining for the lecture and a social afterward.

## Muenster Members At District VFW Meet in Denton

Muenster VFW Post and Auxiliary were represented in Denton at the weekend District I convention by Post Commander Virgil Henscheid, Auxiliary President Mrs. Don Flusche and Mr. Flusche, Carl Schilling, Henry Pels Jr., Herbie Herr and Mr. and Mrs. Dick Case.

Some 200 members from 13 of the 14 posts in the district attended. Charles Cannon of Fort Worth, Department chief of staff was key speaker. He urged backing the boys in Vietnam and pushing the sale of Christmas Seals from the VFW National Home. Harold Rogers of Denison, Department commander, was among officials present.

Average Texas well yields 14.7 barrels per day.

**THANKS**

The students of Grades 1 and 2 of Muenster Public School wish to thank the merchants who contributed to their gift shop at the Halloween carnival. Your help made our booth a big success.

With deepest gratitude we express our sincere thanks for the many kind acts of sympathy in the loss of our loved one. The spiritual bouquets, flowers, food, words of condolence, the lovely service and thoughtful deeds leave us with grateful hearts.

—Mr. and Mrs. R. J. Fuhrmann and Family.

I wish to express my appreciation for the cards, flowers, visits and many kindnesses shown me while I was a patient at Muenster Hospital. My family is grateful too.

—Mrs. Ray Wilde

All the thanks in the world for all the remembrances while I was hospitalized. The prayers, cards, flowers, and concern of friends are appreciated. A "rooting section" like that helped speed my recovery. My wife and Larry join in this expression of gratitude for every favor.

—Clive Gobble.

Many thanks for many kind and thoughtful deeds while I was a patient at Muenster Hospital. Special thanks to Doctor Kralicke, Sister Mildred, Sister Andrew and the entire hospital staff. My parents and family are grateful too.

—Teresa Black.

**Auxiliary to VFW Adds New Members At Monday Meeting**  
 Muenster VFW Auxiliary admitted three new members at the November meeting Monday night in the VFW Hall, Presiding at the reception ritual for Mrs. Henry Pels Jr., Mrs. Donald Henigan and Mrs. Virgil Henscheid was Mrs. Don Flügge, organization president.

During the business session members approved honor roll requirements for the month consisting of a contribution for a bronze plaque that will list past Department presidents of the Auxiliary. This is a new project. The group also sent a donation to the Denton State School in compliance with the requirement to contribute to a special school or youth program, and collected ten percent of members dues.

Mrs. Flügge reported on the District I convention she attended in Denton over the weekend. She also appointed Mrs. Tommy Hesse as secretary succeeding Mrs. Robert Hammer who moved to Lewisville.

After adjournment, refreshment hostesses, Mmes. Leo Hesse and Tommy Hesse, served a cold buffet and Mrs. Norbert Walterscheid drew the door prize. Twenty-four members were present.

**MHS Band Gets Rating of "Fair"**  
 Members of the Muenster High School band and their director, Gerald Payne, came back happy with a rating of 4 (fair) from the regional Interscholastic League band meeting at Weatherford Tuesday.

The rating is one point better than last year, and it's the second highest grade given during the first two hours, while the Muenster band was there. About eight bands were rated during that time and one of them got a 3 (good) rating.

Payne said that the band looked sharp and performed well, and he was proud of them. This was their first time to participate in a marching demonstration. Their formations were those presented during half time at football games.

The band will participate again in the spring for grading on its concert performance. Last year, its first year, the band was rated 5 (poor) at that event.

**Local Kids Beat Era Juniors 44-22**  
 Officially the Little Monsters beat Era's Juniors 44-22 Tuesday night, but Era kids would rather look at the game as two contests. They beat the Muenster B string and lost to the A string.

The two parts of the game were both one-sided. Monster regulars ran up a big lead in the first half and Era kids trimmed down the lead in the second half.

Statistically too, Era has reason to be pleased. It led 16-11 in first downs and 218-90 in rushing gains. On passes Muenster gained 204 and the visitors none. However, two Muenster passes were intercepted.

The first scrimmage play of the game was a pass, Jim Endres to Henry Knabe for 60 yards and a TD.

Next score was a 1 yard sneak by Endres ending a 34 yard drive in six plays.

Four scrimmage plays later Endres went 60 yards to a TD on a punt return.

Early in the second quarter Endres made 28 for a touchdown on a keeper play.

Reserves came in shortly after that and Ricky Wimmer scored on a pass from Ricky Swirczynski. The play went for 42 yards.

Opening the second half Henry Knabe kicked and recovered Era's fumble on the play. Next play Mike Trubenbach scored on a 31 yard pass.

Era Juniors made a steady 71 yard march to the goal, after which the Monsters first team went 45 yards in 8 plays for its last score. A pass to Claude Klement for 9 finished the drive.

The visitors made 2 touchdowns in the final quarter and added bonus points after both.

Jim Endres kicked true on two of six tries after touchdowns for the only bonus points. A run after the other TD was short.

**Monsters Blast Alvord Kids 42-20**  
 Last Thursday night was another big one for the Little Monsters of Muenster Public School. They triumphed over Alvord's Puppies by a convincing count of 42-20 on the Alvord field.

They started strong and kept going that way for a 36-6 lead in the first half, then Coach Richardson sent in the second string for the greater part of the second half. Alvord did better during that time and sweetened the score by two touchdowns. First stringers meanwhile added another score to the Muenster count.

Mike Trubenbach scored first for Muenster on a 70 yard play around end. Later he added another TD for Muenster. Henry Knabe likewise crossed the goal twice. Other Monster scorers were Gary Walterscheid and Jim Endres.

Mrs. Ralph Poteet is shown enjoying cooking on her electric range in her Gold Medallion Home in Mesquite.

**You don't have to live in a Gold Medallion Home to ENJOY ELECTRIC COOKING\***

\*... but it helps

The kitchen is the heart of the modern home... and the electric range is the heart of the modern kitchen.

If you are about to replace your present range, remodel your kitchen, or build a new home, talk to homemakers like Mrs. Ralph Poteet of Mesquite and learn first-hand of the many advantages of electric cooking.

You'll find that electric cooking is cool cooking... heat doesn't spill out into the room. It's clean... pots, pans, walls and curtains stay "white-glove" clean. It's automatic... simply set and forget it. It's economical... costs only about \$2.25 a month for a family of four.

If you put your heart in your cooking... you'll love an electric range.

Electric cooking is only one of the enjoyable features of living in an all-electric Gold Medallion Home. When Mr. and Mrs. Ralph Poteet of Mesquite recently modernized their home to include an all-electric kitchen, laundry, water heater, ample lighting and air conditioning... their home also became the

### Local News BRIEFS

Mrs. T. S. Myrick is back in Muenster after being away four months with her daughter, Mrs. Arthur Bordeau and family in Mexico, Maine. On the way back she stopped in Arlington, Va., to visit her sisters Miss Lu Bradshaw and Mrs. Mike Tarantola and family, and then spent two weeks with her son John Myrick and family in New Bern, N. C. At home to spend the weekend with her were her son and family, the Jim Myricks, Jill and Julia of Arlington. Sunday they celebrated Jim's birthday. While in Virginia Mrs. Myrick joined her sisters sight-seeing in Washington, D. C., and also visited at Walter Reed Army Hospital. Mike Tarantola Jr., an Army lieutenant, is hospitalized there recovering from a leg injury. He was wounded in Vietnam.

Visiting Mr. and Mrs. Lou Wolf and Charlotte last week were their daughter and sister, Mrs. Chris Hammond and little son Stephen of Beruit, Lebanon. Mr. Hammond flew over with them but remained in New York on business. Mrs. Hammond flew back to New York Friday to spend this week there and Stephen, almost three, remained here

with his grandparents. Miss Charlotte Wolf and Stephen will fly to New York to join the Hammonds for the weekend and the little boy will stay with his parents to accompany them back to Beruit. Charlotte will return to Muenster Monday. While Mrs. Hammond was here, her brothers spent a weekend. Mitchell Wolf came from Houston and Roger Wolf of Brandon, Fla., came over from Dallas where he was on a business trip.

Delbert Walterscheid and Don Ray Moon flew over from Rockwall Monday morning for a short visit with the former's mother, Mrs. Harold Walterscheid. Don Ray piloted the plane.

Mr. and Mrs. John Wieler visited Monday in Fort Worth with their daughter, Mrs. Mike Newbill and family, and Mrs. Wieler remained there while her husband went on to Dallas for business.

Mr. and Mrs. Tom Williams had as weekend guests friends from Fort Worth, Mr. and Mrs. Joseph L. Moncada, who joined them in attending SHH homecoming.

Mr. and Mrs. Meinrad Hesse had their children Paul and Misses Eileen and Mary Hesse, all of Dallas, with them over the weekend. They came home especially to attend SHH homecoming.

The Travis Wickliffes of Irving were weekend visitors with her parents, the Lee Haverkamp, and attended SHH homecoming.

Misses Dianne Gehrig, Annette Sicking and Gloria Reiter students at TWU in Denton, spent the weekend with their parents.

Among out of town people at the memorial service here and procession to Sacred Heart Cemetery were Mrs. Lena Bernauer and Mrs. George Lutkenhaus, former residents. Afterward they visited friends, patients at Muenster Hospital and others at their homes.

Mr. and Mrs. P. W. Hellman flew over from Tulsa Thursday to visit her parents, the J. M. Weinzapfels and the family had lunch together. Joined by the David Brights and Henry Weinzapfels, they ate out.

Mrs. Victor Hartman, her daughters Mrs. John Yosten, Mrs. Harvey Schmitt and son Stephen and Mrs. Walter Wolf, and a daughter-in-law, Mrs. Alvin Hartman spent last Wednesday in Arlington visiting another daughter and sister, Mrs. Keith Tompkins and family.

Msgr. Thomas Weinzapfel and Father Joe Weinzapfel, both of Dallas, visited one day with their parents, the J. M. Weinzapfels and the rest of the relationship. Msgr. Weinzapfel told them about his recent European tour.

Mr. and Mrs. Alfred Kuhn and daughter Lauren of Midland have returned to their home after a weeks visit with their families the Ben Lukes here and the Jake Kuhns at Lindsay.

In recent city moves, Muenster lost four and gained two for a drop of two in population. Mrs. Ruth Needham and Clyde Adress are Gainesville residents now. They moved residents now. The Henry Starkes left the country for the city and are occupying the place vacated by the Steve Grewings when they moved to their new home. In an earlier move, Mr. and Mrs. Fritz VanMeter left Muenster to live in Nocona. They had been occupying the former Bergman place on the highway.

### Rules Reviewed on Voter Registration

Voter registration for the big 1968 election year is getting into full swing. Secretary of State John L. Hill already is busy sending out detailed instructions for county tax assessor.

As chief election officer, Hill discussed current problems with an advisory committee of tax officials (who are local registrars) and reviewed suggested ground rules.

He remains firm in his agreement with an attorney general's opinion that voters must bring or mail in their own registration applications or submit them through authorized members of their immediate family.

Bloc or bulk registrations are outlawed by an October 11 opinion. It brought critical comment from former State Sen. Franklin Spears, head of a liberal-backed drive to register five million voters.

Hill encourages house-to-house registration drives and says there is no restriction on the manner or the extent of distributing application forms. He is advising local registrars that:

There is no limit on reproduction of sample registration forms by third parties or purchase of those ordered by official registrars.

Solicitors may encourage individuals to register but must avoid inducing registration through false or misleading representation.

Assistance to the applicant is all right (including filling out forms), but the voter must supply the necessary information himself and sign the form or place his mark on it.

Drives may furnish envelopes and even stamps to voters, but the applicant or family members must mail the form.

Local registrars should provide blank, sample forms to all who request them, but each registrar may fix his own policies as to furnish forms in large quantities to solicitors.

Spears has called on registrars to ignore the attorney general's opinion, and accept applications delivered by third party solicitors in bulk, or a group of applications sent in the same envelope. Spears claims the opinion is the result of a "plot" to keep the registration low.

### Distress Signal

The Greater New York Safety Council reminded motorists recently that the most easily recognizable distress signal along the roadside was still a white handkerchief tied to the car's antenna or door handle.

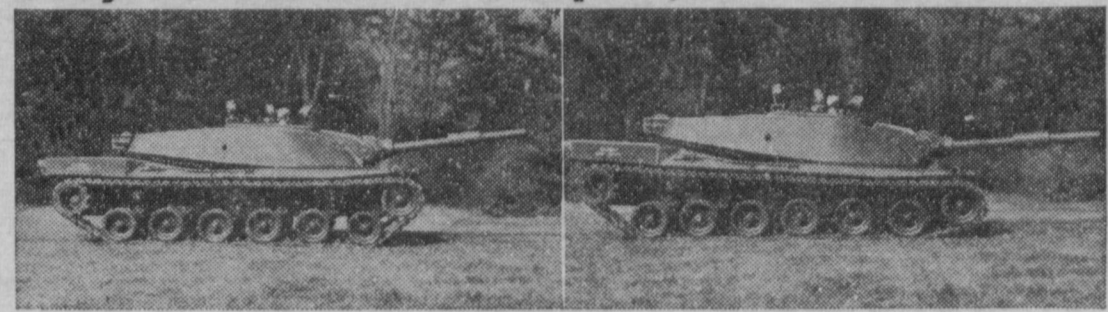

Michael G. Birmingham, director of council's traffic and transportation division, said some motorists raised the car hood as a distress signal. He said this might be mistaken by passing motorists, especially in hot weather, as a sign that the stalled motorist was simply cooling his engine.

He advised: "If your car becomes disabled or there is some other emergency such as sudden illness, pull to the side of the road and display the handkerchief signal. It's all right to raise the hood also, but be sure the handkerchief is displayed to indicate you are in need of help and not just cooling the engine."

Mr. Birmingham appealed to motorists to pull over and give assistance when they see the distress signal or, in cases where heavy traffic on an expressway does not permit them to pull over safely, to report the location of the distressed motorists to the first highway officer, toll gate attendant or service station operator they reach.

## Only Tank That Can Squat, Duck, Bow & Lean

Six Wheels on Terrain

Tilted Forward

Crouching — All Wheels Down

Tilted Backward

This is the MBT-70, a revolutionary new Main Battle Tank designed and developed by the United States and the Federal Republic of Germany for production in the 1970s. The U.S. Army reports it can outrun, outshoot and outmaneuver any known tank while at the same time providing unprecedented crew protection. Prototypes of the MBT are being fabricated by the Allison Division of General Motors, the U.S. contractor, at the Cleveland Army Tank-Automotive Plant. Representing the Federal Republic of Germany is the German Development Corporation. Unique features of the vehicle which can fire missiles as well as conventional ammunition include an air-conditioned capsule for the crew, a suspension system that can raise and lower the vehicle front and back or tilt it from side to side to conform to all types of terrain, a more powerful engine/transmission combination, a more accurate fire control system, and greatly improved armor protection. The vehicle can be elevated for maximum mobility or lowered for maximum concealment.

### Officers Elected By Four-H Council

Members of Cooke County 4-H Council, meeting Tuesday night, had annual election of officers as their principal business. Outgoing president Larry Schumacher, president.

Heading the group as new president is Patty Pybas. Others on the executive committee as a result of the election are Peggy Endres, vice president, girls; Jimmy Gaston, vice president, boys; Yvonne Gehrig, reporter; Carolyn Block, secretary; Tommy Felderhoff and Christine Bengfort, recreational leaders.

Council officers are elected from presidents and council delegates of all the county clubs.

Announcements revealed that the annual Share-the-Fun contest will be held on December 4 at Cooke County Junior College combined with the annual county-wide 4-H Christmas party.

As a fund raising project the group decided to sell school record books. Each club is expected to participate and cash prizes of ten and five dollars will be awarded to the persons selling the most books -- a minimum of 25 books for first place and 12 for second place.

Parents and adult leaders at-

tended the meeting with the young people. Ralph Hermes gave the 4-H motto and pledge, Louann Moody gave the inspiration, and Margaret Pybas called the roll. Donna Schroeder concluded with the 4-H prayer.

Attending from Muenster were Peggy Endres, Yvonne Gehrig, Chris and Tommy Felderhoff, Shirley Becker, Donna Knabe, Allen Fleitman and Susan Sloan, members, accompanied by parents and adult leaders Mike Sloan and Mmes. Eddie Fleitman, Thomas Felderhoff, Martin Becker, and George Gehrig.

### Mrs. Walterscheid Is Club Hostess

Members of Muenster Get-Together Club had their November social in the home of Mrs. C. M. Walterscheid and spent the afternoon playing progressive 42.

Mrs. Joe Hoenig led the scoring and Mrs. Jake Pagel won the consolation award. Mrs. Joe Horn was door prize winner.

The hostess was assisted by her daughter, Mrs. James Mollenkopf, in serving a refreshment plate of chicken salad sandwiches, chips, cookies and coffee.

### Auction of Wando Raises \$251.50 for Crippled Children

Sales of Wando the sheep to 37 separate buyers at Muenster Livestock Auction raised \$251.50 for crippled children of Texas at the Gonzales Warm Springs Foundation.

The sales are sponsored statewide by Texas Jaycees, and it was sponsored locally by Muenster Jaycees, who are also sponsoring match displays at several business houses where donors can leave their contributions in exchange for free matches.

Dr. Larry Tisdale said that the displays will remain for another week or two and a separate report will be given on their proceeds. Donations can also be made to the Texas Jaycees Hospital Fund, Box 1116, Austin.

High bidders at Wando's auction were the Jaycees, \$50, Muenster Livestock Auction, \$25, and Bob Monroe, \$15. The other 34 bids ranged from \$1.00 to \$12.50.

**A BIRTHSTONE FOR EACH CHILD**  
in 14K Gold

Cornelia, mother of ancient Rome, described her most valuable worldly possessions by pointing to her children and saying, "These are my jewels." We present this modern day symbol . . . a mother's birthstone ring. Beautifully fashioned in elegant style with hand-textured Florentine finish, each ring has synthetic or genuine birthstones set on a circlet of 14K gold . . . one for each child. A most exquisite gift for either Mother or Grandmother, it is personalized with the birthstones of your choice.

### Frank Moster, 10 Birthday Honoree

Frank Moster, 10 on November 1, celebrated with an afternoon party at the home of his parents, Mr. and Mrs. Steve Moster. Twelve classmates and neighbors and his brother Chris helped him celebrate.

Indoor games with prizes, playing with birthday gifts, and refreshments of cake and cold drinks were highlights of the party.

There were two birthday cakes, one made by his mother and the other made by his aunt, Miss Theresa Sicking of Gainesville.

Guests were Roger Endres, Bruce Fuhrmann, Paul Reiter, Leon Bayer, Mark Hess, Doyle Klement, Karl Koesler, Kevin Pels, Mark Mollenkopf, Scotty and Kenny Felderhoff and Bobby Schmitz.

### James Wiesman on Overseas Leave Is Feted by Family

Airman James Wiesman, on overseas leave, visiting his parents, Mr. and Mrs. Al Wiesman, has been the inspiration for a number of family gatherings. He's headed for Vietnam.

Family gatherings included his sister and brother-in-law Mr. and Mrs. Edward Guthrie and son Ricky of Fort Worth and his brother and family, the Kenneth Wiesmans, Klair and Kurt of Austin.

The Wiesmans spent the weekend here dividing time between his folks and her parents, the Herbert Meurers.

Airman Wiesman has been stationed at McCoy AFB in Florida. His leave ends here on Dec. 8. He will join the overseas group on Dec. 9 at Tacoma, Wash.

### TEXAS MARCH OF DIMES LEADERS

A football and an airplane have more than just a passing meaning for this youngster and the two men with him. The boy, 4-year-old Kerry Browder of Garland, Tex., is a victim of birth defects, and the football and airplane symbolize the professions of the two prominent men who'll head the 1968 March of Dimes campaign to fight birth defects in Texas and the Southern region. They are Clint W. Murchison Jr., left, owner of the Dallas Cowboys, and Harding Lawrence, president of the Dallas-based Braniff International Airways. Murchison has been named Texas chairman of the March of Dimes and Lawrence chairman for a 12-state region, including Texas. The March of Dimes will be conducted Jan. 1-31 with all proceeds financing a research, treatment and education program against birth defects. Kerry, who was born with a one-fatal gastro-intestinal defect, is the son of Mr. and Mrs. Jon Browder of 3505 Plaza Park, Garland.

## Lindsay News

Lindsay's delayed Halloween Carnival was held Sunday night with a large crowd of youngsters and oldsters in attendance. In the costume contest prizes went to six children in three groups. Pre-school winners were Natalie and Adrien Hellinger, tiny witches. In the next division Danny Schad and Danny Hess were winners and in the third group Margie Stoffels and Michael Zimmerer won the prizes. Other prizes given away were a ham won by Chris Neu, a stuffed toy won by Gerald Metzler and a bicycle won by Tom Hemp-hill.

Mr. and Mrs. Gene Pelzel were joined by her sisters and their husbands, the Johnny Schmitzes of Gainesville and the Doug Reiters of Dallas, in attending Sacred Heart High homecoming festivities Saturday night.

Lindsay's St. Peter Church was filled beyond capacity Sunday for annual memorial services followed by procession to the cemetery. Father John led prayers in church—rosary and litany—delivered the sermon and gave benediction, then conducted memorial rites in the cemetery.

### Sheila Arendt Is Queen at Lindsay High Homecoming

Miss Sheila Arendt won the crown and the title of 1967 Football Queen at Lindsay High homecoming celebrations. She is a senior, the daughter of Mr. and Mrs. Johnny Arendt. She was escorted by Hank Arendt.

In the pre-game ceremony participants included the three other queen candidates, Sharon Loerwald escorted by Steve Zimmerer, Joanie Zimmerer escorted by Danny Eberhart and Charlotte Sandmann escorted by Arnold Zimmerer.

Also in the royal ceremonies was Miss Janet Arendt, daughter of Mr. and Mrs. Paul Arendt Jr., 1966 queen. She wore the crown and carried a bouquet of red roses. Her escorts were co-captains Gary Beyer and Mark Fuhrmann.

When Queen Janet relinquished her crown Mark Fuhrmann placed it on the head of Queen Sheila. Gary Beyer accepted the roses and presented them to the new queen.

A pep squad exhibition include a drill formation forming the letters L and K and another in which they formed a crown with the queen, her princesses and escorts at the base. With lights out the pep squad turned on flashlights to outline the crown, simulating sparkling jewels.

Visitors with the Raymond Zimmerers Saturday were their daughter Linda of the University of Dallas, and their son Richard and family of Grapevine. They all attended S.H.H. homecoming together. Linda remained over Sunday with her parents, Richard and family went on to Wichita Falls to spend Sunday with the Ray Zimmerers.

### Jim McCall Gives Program for 4-H Club at Lindsay

Lindsay 4-H Community Club members at their November meeting Thursday, heard Jim McCall, assistant county agent, as program leader discussing care and training of animals.

Carolyn Block, president, presided. Members recited the 4-H motto in unison and Betty Rohmer called the roll.

Christine Bengfort reported on the county council meeting stating that plans have been made to have the Share-the-Fun contest in connection with the annual county-wide Christmas party. The date is December 4 and the place is Cooke County Junior College. Two groups will enter from Lindsay.

Cindy Geray reported on a cleanup job members did at the church grotto.

Next month's meeting will feature a talk and slides on "Birds of Texas." Mrs. Cheryl Harrison will present the program.

Games were played after adjournment and refreshments were served to 21 present.

however. The Tigers were 6 inches short of the goal after three tries and were pushed back to the 3 on their final effort. That was Sacred Heart's only scoring threat of the game.

For the remainder of the first half neither team was able to make any progress. The Chargers made four scattered first downs and the Tigers made none.

After intermission the visitors promptly got going on a drive that gained 41 for a first down on the 4. A stout Tiger defense took charge then and the next four tries lost 5 yards.

The Tigers took over on the 9, kicked to end their first series, and the Chargers started again with 48 yards to go. Seven tries including three completed passes from Mullins made the distance. Billingsley caught one, Patrick caught two, including the 14 yard touchdown play. A crash into the line by Miller added extra points.

Final score came about midway in the last quarter following a 66 yard blitz in eight plays. There were three big gainers, a run for 14, a pass for 24 and a 19 yard scoring sprint by Miller. A pass for extra points failed to connect.

The rest of the game featured a desperate passing effort by Sacred Heart, which was stopped twice by Charger interceptions.

### Gayle Arendt and Ronald Chyba Plan December Wedding

Mr. and Mrs. Arthur Arendt, 1501 Culberson St., Gainesville, have announced the engagement of their daughter Miss Gayle Joyce Arendt and Ronald Lee Chyba of Riverside, Calif.

Their wedding is being planned for late December in St. Mary's Church, Gainesville.

Miss Arendt is a 1966 graduate of Gainesville High School and is a sophomore at Texas Woman's University in Denton. The future bridegroom, son of Mrs. Ann R. Chyba of Deadwood, South Dakota, is stationed with the Army at Fort Wolters. He holds a sophomore standing at the University of the City of San Francisco.

Grandparents of the future bride are Mr. and Mrs. W. W. Otto of Muenster and Mrs. Paul Arendt Sr. of Lindsay.

### Confetti

indication of religious belief. Physically and mentally they are the slaves of the ruthless totalitarian machine.

These are the people of the nation which was boastfully proclaimed the workers' paradise. These are the people who by the thousands have risked their lives to escape from that "paradise." The record of refugees alone is conclusive evidence of the failure of the system.

The country's great tragedy, however, is not its economic blunder but its horrible his-

tory of inhumanity. No nation of all history can match the communists in that respect. Barbarous extermination of all opposition by mass murder, starvation and slavery is conservatively estimated at 50 million persons. That applies only to those who died, not to the millions of women and children left homeless and starving by the purges.

That is the other side of the great achievement which the hypocritical scoundrels of Moscow are bragging about this week. It is the story which should be told to all of the world, especially to some of us Americans who think we should build bridges of better understanding with the Soviets. If more of us knew and let our feelings be known, perhaps our national attitude would change toward the evil mob that perpetrated those past and present tragedies.

There is still another side, the American side, to the Soviet story. Even the successes they claim are not rightfully theirs. Many of their so called achievements were not their own but rather the results of ill advised help from this country, which history will eventually record as the world's great boners, along with our ill advised tolerance of treachery and deceit—some more great boners.

Our first blunder was recognition of the evil regime in 1933 followed by massive rural and industrial help, despite full knowledge of its bloody record in the preceding years. Our next was the alliance in World War II, when Stalin and Hitler, arch criminals of the century, should have been allowed to exhaust

each other until the civilized world saw fit to step in and restore order.

We goofed again in helping Stalin get favorable settlements after the war and in helping establish the UN, which has worked ever since to the advantage of communism and the detriment of free people. We goofed in our laxity to red spies who stole

much of their "progress" from us. We goofed in betraying China to red rebels, in failing to win in Korea, in allowing Castro to take over Cuba, and now in the half-effort in Vietnam.

With very much shame US must admit that the success story about which Soviets are boasting is in great part a story of American failure.
