Campaign oratory has the primary purpose of getting votes, not presenting facts. We've been hearing it lately claiming that the country needs a Democratic congress because the administration does nothing about inflation.

But that isn't necessarily what the record shows. For instance, President Ford asked for a three months postponement of a proposed pay raise for government workers as a temporary means to hold down expense and fight inflation. But 64 senators voted to ignore the president's request, thereby granting an immediate pay raise averaging \$66.23 a month.

Pressure put on by the government workers' lobby is said to account for the senate action, and only a third of the lawmakers had the gumption to consider the taxpayers' side of the issue rather than the tax eaters'. It makes us wonder how the other two thirds can vote that way while seeming to be so very concerned about inflation. By their action they added \$700 million to the federal payroll of those three months. That's \$7.7 million a day, over \$5,000 a minute. This column is glad to learn that our senator, John Tower had the courage to support the president's effort at checking inflation.

Those who voted for the raise are saying now that they only did what's fair for federal workers to keep them abreast of private industry. Well, that's a matter of opinion. With pay increases totaling more than 30 per cent in the past five years, they were well in line with other workers. In fact, many business people say that the claim is actually reversed and the government people already have the better deal, that private employers find it hard to compete with the government for workers. In addition the government offers fringe benefits which far exceed anything that business can offer.

Readers Digest this month has a revealing article on this subject under the title of "Will Runaway Government Payrolls Bankrupt Us?"

Last year public employment reached 13,887,000 or 18.1 per cent of the nation's work force. That's almost one out of every five persons whereas it was one out of 26 at the turn of the century and one out of 9 at the end of World War II.

Nor is there any sign of a slowing down trend. Official figures show that the number of civilian employees in government is increasing twice as fast as the population. And at the same time the rate of pay is increasing. Combining those two factors has a rocketing effect on the tax bill. In the ten years preceding 1973 the number of federal white collar workers outside the Postal Service went up 19 per cent but the cost of paying them went up 132 per cent.

Regardless of the inflationary pay raise just voted by the Senate, the Digest article shows convincingly that U.S. is all wrong in its employment policy. First of all there are already too many workers. We need to eliminate jobs instead of creating more of them and we also need to get more work out of each worker. Along with that we need to consider fringe benefits along with pay raises and then make certain that public jobs keep in line with private jobs.

Considering the already handsome pay of government employees, one wonders how they can have the gall to insist on still higher pay when their employer is known to be in financial trouble.

Sandy Reiter Is No. 1 in State in 4-H Consumer Ed

Sandy Reiter, a Cooke County 4-H girl who has learned many wise buying techniques through her 4-H projects, has been named state winner in the Consumer Education Program, according to state 4-H officials at Texas A&M University. Sandy will receive an expense-paid trip to National 4-H Congress in Chicago, Dec. 1-5. The trip is being sponsored by Montgomery Ward, which also provides six \$700 scholarships for national winners. Sandy's award-winning record book will be entered in the national competition. The 4-H youth is the 17-year-old daughter of Mr. and Mrs. Wilfred Reiter. She is a member of the Sacred Heart Senior 4-H Club and is a senior at Sacred Heart High School.

Because of her interest in consumer education, Sandy took the leadership in establishing a 4-H consumer education project group in her county. She has spent much time and energy to help other 4-Hers learn how to buy wisely as well as to sew and cook to save money.

In 1971 Sandy was on the team from Cooke County that placed first in the community improvement demonstration at State 4-H Roundup. She has also competed in the farm and ranch management demonstration at 4-H Roundup. She has won numerous county medals for her work in dress revue, health, food preservation, conservation, home improvement and consumer education.

She held a number of offices in her local club as well as in the county 4-H council. In addition to consumer education, Sandy has completed projects in foods, clothing, beef, home improvement and food preservation.

In high school she is a member of the choir, National Honor Society, National Forensic League, drill team, Spanish Club and Student Council. She has served as Student Council president.

Sandy plans to study journalism at North Texas State University after she finishes high school.

Legal Action on Ash St. Project Due This Month

After months of delay it seems now that action can be expected soon on developing Ash Street at the west city limit. The city has been advised that legal action, which has delayed the work, is due to be resolved late in October.

The difficulty was that some tanks, sheds and rod lines on the oil lease of Raimey and Wylie needed to be moved to clear the street's right of way, and a dispute resulted regarding who would pay for the moving. Finally the case is coming to court where the verdict, regardless of who it will favor, will at least enable the city to go on with its project.

Unfortunately, however the delay and court requirements have already been costly, according to City Superintendent Steve Moser. A special survey of the area cost \$1600 and the estimated increase of cost due to inflation is \$1000.

Non-Paying Guests Nabbed at Motel

Two 15 year old youngsters got into trouble and a stolen pickup was identified last week Wednesday night after the boys tried to steal a night of free lodging at the A-OK Motel.

Jerome Pagel, motel operator found them when he investigated an occupied room for which no one had signed. The kids bolted as he entered the room but he grabbed one and called Officer McDonald, who later found the other one in the area. They had entered the room through a rear window.

Questioning revealed that they were run-aways from a foster home in Tyler and had stolen in Dallas the pickup they were driving. McDonald turned them over to Cooke County juvenile authorities.

Sacred Heart 6, Lindsay 18

Recent history repeated itself Friday night at Lindsay when the Sacred Heart Tigers for the second time in fifteen days were turned back in the final period by Lindsay Knights.

The score this time was 18-6 but it was still anybody's game early in the fourth when the Tigers failed by just two yards to keep their drive going at the 9 yard line. And a few plays later a seemingly sure interception was fumbled depriving them of four more tries inside the 10. At that time a touchdown and the point after would have given Sacred Heart the lead, with possibly the inspiration to hold it. As it was the Knights stormed to another TD in the final seconds.

Like the earlier encounter, this one was close, with Lindsay having the moderate leads of 15-11 in first downs and 245-185 in total yardage. Divided into the halves Lindsay led 156-47 in first half gains whereas Sacred Heart led 138-89 in second half gains. Also Lindsay led 10-3 in first downs the first half, SH led 8-5 in the second.

The Knights appeared to be headed for their first score as the game opened. From their 31 they used ten plays in going 57 yards to the Tiger 12. Doug Gossett was the drive's work horse carrying for 4 plays and receiving a screen pass. But the drive fizzled there and lost 3 yards in the next four plays.

The Tigers responded with two first downs and had to kick on the third series. Lindsay too had to punt, and the Tigers again before the Knights caught fire. Gossett romped 15 to the Tiger 40. A penalty put the ball back 5 yards then a screen pass to Gossett gained 40 big yards to the 5. Three plays later Quarterback Harold Owen went around end for the first score. The try for bonus points failed.

Following the next kickoff Sacred Heart moved again, until stopped by an interception in the second series. The turnover seemed to inspire another drive, which went 53 yards in ten plays. Gossett accounted for 35 of the yards and also stormed over from the 1. The period's two scores gave the Knights a 12-0 halftime lead.

Sacred Heart came out strong (Continued on Page 10)

Sacred Heart Will Meet Callisburg Here Friday at 8

A closely contested football game is expected on the Sacred Heart field Friday night at 8 when the Tigers square off against Callisburg's Wildcats.

As it looks to Coach Bob Steele the teams appear to be about equal in size and power and have similar records of 2-3 to date. However comparative scores point slightly in Sacred Heart's favor. Both lost to Lindsay, but Callisburg more decisively. Both beat S&S but Sacred Heart by the bigger margin. Also Era beat the Wildats and lost to the Tigers.

Overall size will be about the same and Callisburg will have the advantage in backfield speed. It has a paid of speedsters who have been getting loose for big plays. On the other hand Craig Sangster is a break away prospect for the Tigers and Mark Hess is a steady power runner.

The Tiger coach was well pleased with his boys in their two touchdown loss to Lindsay last week. They were definitely in the running until midway in the final period. Their game was better than their score.

KC Head to Give Radio Talk Sunday For Columbus Day

A special Columbus Day address will be heard over Radio KGAF on Sunday, October 13, at noon, according to an announcement this week by Dan Hamric, grand knight of the Muenster K of C Council. It will be delivered by Dr. John W. McDevitt, supreme knight of the Knights of Columbus. His subject is "Freedom: a Treasure and a Trust."

The program is one of several events observing the 482nd anniversary of the discovery of the North American continent by Christopher Columbus following one of the most daring and courageous exploratory sea voyages in the history of mankind.

At the 7 p.m. Mass Sunday the local council's annual Good Neighbor Award will be presented to Aubrey Tugle. This event was originated several years ago in the ecumenical spirit of promoting better relations between Catholics and members of other faiths.

Also on the KC calendar is a Circus Ball October 19 in the KC hall for members and their guests. It will consist of a happy hour at 7, a banquet at 8 and a dance from 9 to 1. Dan Hamric can be contacted about tickets.

C of C Continues Plans for Yule Parade, Drawing

The Muenster Chamber of Commerce at its regular luncheon meeting Tuesday continued with plans for the Santa parade and drawing to usher in the Christmas season.

The dual event, scheduled for Saturday December 7, will be followed that evening by turning on the city's Christmas lights.

Muenster Jaycees, who are cooperating in the over all program, will have charge of the parade and extend a general invitation to anyone who wishes to participate. They will welcome bands, drill teams, riding clubs, Boy Scouts and other such organizations along with floats entered by organizations and business firms. Anyone wishing to enter may get particulars from Dennis Hess or John Pagel. Special feature of the parade will be Santa Claus with goodies for the kids.

The drawing will be a multiple event with each participating firm offering its own prize or prizes at its own individual give-away to names selected from its own registrants. Registration forms will be available at participating firms about a month before the drawing. People may sign up as often as they wish whether or not they are buying. A list of participants will be published a short time before registrations begin.

Regarding Christmas lighting the Chamber of Commerce proposes to have lights across Main at Sixth and Seventh Streets, at Sacred Heart Church, if the city agrees to assume the bill for fuel consumption. The Chamber would buy the lights and give them to the city. In addition the Chamber is counting on the same lighting arrangement that was used two years ago. It consists of streamers across main and the highway plus the Noel display on the water tower.

In other business David Bright reported that a first copy of constitution and by laws is almost ready for directors and the final form may be ready for consideration of members at their next meeting.

Special entertainment was the presentation of two numbers by the MHS stage band under direction of Bob Hayes.

Exes Welcomed for MHS Homecoming

All the planning is complete for a packed program Saturday night at the homecoming of Muenster Public School's ex-students and friends.

Top attraction will be the meeting of the MHS Hornets and Notre Dame Knights on the football field. Muenster will put a perfect record on the line whereas Notre Dame will make a strong bid to break its losing streak. However ND losses are misleading because some were to strong teams by close scores.

Activity begins the day before with a bonfire Friday

Hornets to Host Knights Saturday For Homecoming

Coach Neal and his MHS Hornets seem to have the advantage when they meet Notre Dame of Wichita Falls in their homecoming game Saturday night, but they're not taking anything for granted.

The Knights have had a disappointing season to date but their losses have been close ones to good teams. That applies especially to last week's 31-0 loss to Nolan of Fort Worth, which would be classified as Triple A in the UIL. Another creditable showing was a 22-15 loss to Cistercian of Irving.

Operating from an unbalanced line, the Knights are described as basically a running team, but also packing a good passing threat. Hornet defense is spending this week getting ready for that unbalanced system.

As regards offense, Coach Neal said the first job is to work out mistakes that showed up last week. However he was well pleased with the team's over all performance, especially the offensive blocking which enabled Tom Bright and Darren Neal to step off steady yardage. Another bright side was Randy Wolf's on-target passing for 8 out of 12 completions.

Since the MHS junior varsity has no game this week the full roster of 44 boys will be in uniform for this contest. And they are all in good physical condition except Calvin Otto who sustained a knee sprain last week. He rates as a doubtful player.

Hornets Blast Coons 31-0

The Hornets of MHS won their fifth straight Friday night by dumping the defending champs of District 14-A. When the excitement was over they had a decisive 31-0 win over Frisco Coons.

The contest was equally one sided in statistics, which favored Muenster 19-8 in first downs, 350-111 in total gains, and 4-0 in turnovers. Terry Walterscheid and Neil Huchton got interceptions, Harold Sandel and Darren Neal recovered fumbles.

MHS started promptly after the opening kickoff as Tom Bright and Darren Neal hammered the line for 35 yards before bogging down on the fourth series. That was followed by kick exchanges in which the visitors, with a stout wind behind them, kept the Hornets deep in their own area.

That situation changed at the quarter, and following the next punt Muenster got to start from its 48. Three plays advanced to the Coons' 37 and Randy Wolf fired a long one to Terry Walterscheid, who was wrestled down at the 2. Neal went in from there and Danny Endres kicked true for an

extra point.

The next one came only a short time later. After Frisco's poor kick ending the first series the Hornets were 30 yards away. Six plays were enough and the TD resulted from an 11 yard pass by Randy Wolf to Bob Endres. The kick for extra point was blocked.

For a short time then the visitors had a bit of success. A major penalty and their night's two completed passes gained 35 to the Frisco 46. Then Huchton intercepted on the next play with 69 yards and 32 seconds to go.

Bright went 14 on the next play. Two tries later Wolf passed to Bob Endres for 17 and two more plays later a long pass was spoiled by a Frisco defender's interference as the clock ran out. Officials gave Muenster the ball at the 6 and one more try. A pass on that effort was good for only (Continued on Page 10)

City Taxpayers Billed for \$32,536

City taxpayers last week received their annual bad news in window envelopes but are still sweating out their tax bills for the county and school and hospital districts. According to City Secretary Celine Dittfurth total property valuations this year are \$2,169,084 and the tax rate is \$1.50 per \$100 of valuation, which accounts for a total tax of \$32,536.26.

Still to be billed are the taxes on oil property within the city. The figures have not been received to date, however it is assumed higher oil prices will be reflected in higher valuations than last year. Those valuations last year were \$8,084 and the total tax on them was \$121.28.

night at 7 on Speedy Reiter's place about four miles north of town on Highway 373. School kids by the hundreds will be there screaming for the Hornets and everybody else is invited to join.

First on the program for Saturday night is a social at 6:30 in the K of C hall under direction of Mrs. Gene Hoenig. It consists principally of re-reading '54 and '64 class prophesies and calling on exes to tell where they live, what they do, etc.

While that's under way a parade will be shaping up, starting at 7 p.m. at Main and First. It will have a float for homecoming queen and princesses plus the band and pep squad, and others who wish to join.

Formalities of crowning the queen will come at half time of the game. The queen will receive her crown from last year's queen, Shirley Swirczynski, who will be escorted by Jim Endres. Her identity will not be revealed until then. She has been elected by the football team from four candidates of the senior class. The other three candidates along with representatives of the three lower classes will be princesses.

At crowning the queen will receive a bouquet from Chris Cain, president of the exes, and his wife. Also princesses will receive nose gays from former queens, Mrs. Lloyd Klement and Mrs. Bill McCollum, escorted by their husbands.

Queen candidates and their escorts will be Dianne Klement and Lyle Klement; Dianne Yosten and Alan Sicking; Lisa Mollenkopf and Dan Sicking; Debbie Reynolds and Robert Johnson. Princesses and their escorts will be Debbie Schneider and Ronnie Felderhoff; Tina Mollenkopf and Curtis Klement; Thelma Lewis and Tony Cler.

After the ball game there will be a dance in the KC hall for MHS exes and friends with music by the Down and Under Band. Grads of '54 and '64 will be guests for the event.

City Reports Loss On Six Months of Garbage Service

Attention of the city council Monday night was taken up mostly in discussing a report on the first six months of trash and garbage service.

The figures show that the service received \$12,824.48 in revenue but spent \$17,416.18 for a net loss of \$4,591.70.

Actually the loss isn't that much. It was pointed out that the disbursement figure includes the full number of bags purchased but about a fourth of them, estimated at \$1500 were still unused. Another factor was free service the first month. Combined value of the bags and free service is estimated near \$3,500, which accounts for all except about \$1000 of the red ink.

It was also pointed out that the service is not intended to show a profit and slight deficits can be paid out of the income from revenue sharing and sales tax.

The council also discussed the proposed pavilion and rest rooms for the city park with Larry Le Baron of the Texoma Regional Planning Commission. He will apply for a grant from Texas Parks and Wildlife for half of the project's cost, which is estimated at \$25,000. The Jaycees' fund for that purpose was reported at \$10,000.

Stockard Resigns From City Police

The City of Muenster has an opening in its police department since last Wednesday when Mike Stockard resigned and moved to Lake Dallas.

Reason for the move, he said was an offer from Lake Dallas for higher pay as well as better working hours.

Garden Club Meets Monday Muenster Garden Club will meet Monday, Oct. 14, 8 p.m., in the home of Mrs. Ray Wilde with Mrs. Mel Stephens as co-hostess. Mrs. Paul Endres will give the program.

Joyce Neu, Bride Of Mike Bengfort In Lindsay Rites

LINDSAY — Mr. and Mrs. Michael Joseph Bengfort are at home in Lindsay following their honeymoon in Colorado. She is the former Miss Joyce Debra Neu, daughter of Mr. and Mrs. Charles Neu. The groom's parents are Mr. and Mrs. Leonard Bengfort, all of Lindsay.

The couple exchanged wedding vows in a double ring ceremony at Nuptial Mass on Saturday, Sept. 28, in St. Peter's Church at 5 p.m. Father Hubert Neu of Arling-

ton, uncle of the bride, officiated.

Arrangements of pink, blue, and white carnations and pink gladioli were on the altar and baskets of pink and white flowers held vantage spots in the sanctuary. Pink and blue bows marked the center aisle pews and blue tiered candelabra and greenery were at the communion rail.

Given in marriage by her father, the bride wore a formal gown of white nylon organza. The full skirt formed of three tiers of ruffles edged in sequined Chantilace swept into a train. Lace covered the bodice and formed ruffles at the wrists of the full sleeves.

Ruffles also accented the high-rise neckline. Her full-length veil was edged in matching lace and fell from a headpiece of sequined lace, satin and seed pearls. Her flowers were pink, blue, and white miniature carnations, pink sweetheart roses and baby's breath with long white satin streamers.

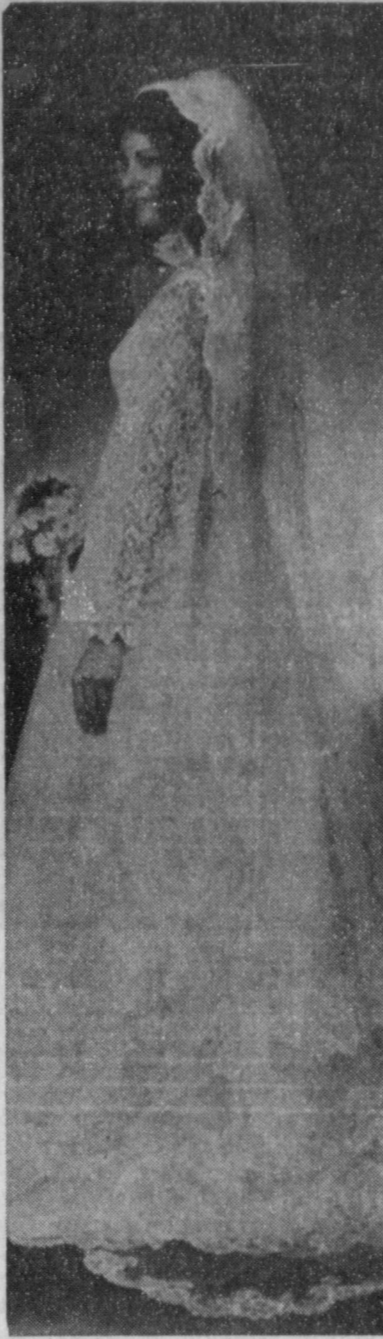

For sentiment she wore an antique chain and cross belonging to her grandmother Mrs. Jos. F. Neu, a gift from her mother on her first communion. She carried a blue crystal rosary, gift from the groom's grandmother Mrs. John Herr, and had a 1955 birthdate penny in her shoe.

Wedding Attendants
 Miss Marilyn Neu, sister of the bride, was maid of honor with Miss Connie Bengfort, sister of the groom, and Miss Doris Hundt bridesmaids.

The maid of honor wore a white-dotted blue dacron polyester cotton gown with white Venise lace trim on the high collar and at the Empire waistline. A ruffle edged the slightly full skirt and the long sleeves were ruffled at the wrist. Her headpiece was fashioned of blue flowers and streamers.

The bridesmaids wore identically designed gowns in pink with white dots and had pink flower headpieces. Each carried two long-stemmed blue carnations with blue ribbons.

Roger Harrison of Muenster was best man. Tom Neu, brother of the bride and Randy Stoffels, groom's cousin,

were groomsmen. Joey Bengfort, brother of the groom, and cousins Sam Hess of Muenster and Stan Stoffels were acolytes. Roger Luttmner and Steve Felderhoff were ushers.

Wedding music was presented by Pat Hennigan Jr. of Gainesville, organist, and Mrs. Kenneth Krebs, vocalist. Their numbers included "A Time for Us," "Words," "Let It Be Me," and "One Hand, One Heart."

Wedding Reception
 Wedding reception and a catered dinner were held in the KC Hall at Gainesville and Tanner played for dancing. Misses Diana Neu and Julie Bengfort, sisters of the couple registered guests.

Mrs. Gerald Walterscheid of Muenster made and cut the wedding cake. It was a four-

tier confection decorated with pink and blue flowers, hearts and bells and topped with wedding bells and hearts. Misses Donna Zimmerer, Carol Zimmerer, Diana Neu and Julie Bengfort served the cake.

When the newlyweds left on their honeymoon she was wearing a pink and blue print dress. She is a 1974 graduate of Lindsay High and he is a 1972 graduate of Lindsay High. He is employed by Leonard Bengfort Construction.

Dedication of Olivetan Benedictine Sisters' New Motherhouse Set Oct. 12

Dedication ceremonies of the new Holy Angels Convent in Jonesboro, Ark., will be held on Saturday, Oct. 12 at 2:30 p.m. with a special liturgy and a tour of the Olivetan Benedictine Sisters' unique motherhouse. It is located on 160 acres of rolling forest land seven miles north of Jonesboro at the foot of Crowley's Ridge.

All the local Benedictine Sisters and Brother Thomas Moster will leave for Jonesboro Friday afternoon to attend the ceremonies. A consecrated Mass at 11 a.m. will be followed by a luncheon. The local group will return home Sunday.

New Holy Angels Convent is a unique cluster of interconnected buildings forming a Benedictine cross. The lower extension of the cross formed by the Motherhouse complex houses public, administrative, dining, library, recreation and guest space. The other three extensions of the cross house the Sisters' living areas.

Focal point of the convent at the hub of the cross is the chapel with seating for 150 persons surrounding the chancel on three sides. The chapel roof, approximately 35 feet

high is supported by laminated wood beams. An enclosed "cloister" that surrounds the chapel connects with the four wings and has large windows overlooking the landscaped yard.

The west wing is the entrance with the convent administrative area to the left of the lobby. Parlors, overnight guest rooms and the chaplain's quarters are to the right. Dining, recreation, library, classroom and lounge areas connect the west wing to the chapel. The north, east and south wings include 96 bedrooms. Living quarters are all self-contained with complete bath facilities and lounge areas.

Groundbreaking ceremonies were held last July 11. The new motherhouse has been a long-standing need of the Olivetan Benedictine Sisters. Part of the primitive and obsolete previous convent was built at the turn of the century. And there is a need of adjacent St. Bernard's Hospital for expansion.

Mother Benedicta said the convent will be ever open to any woman who embraces Christ and seeks to pledge her life in total service to Him. She recalled that 77 years ago three individuals made that personal decision of total giving when they established the Olivetan Benedictine order in northeast Arkansas. Today 110 members form the nucleus of that same community. She added that 124 departed Sisters have also served on missions in Arkansas, Texas and Louisiana.

The 1,600 pound convent bell will ring again in the new motherhouse. Placed atop the old convent in 1962 it was rung at 6 a.m., noon, 6 p.m. and 7 p.m. In recent years the ringing practice was discontinued due to a greater populace around the convent that might be disturbed by the ringing.

St. Anne's Society Elects Delegates To Wichita Meet

Members of St. Anne's Society at their meeting Sunday night named delegates to attend the Fort Worth NCCW diocesan meeting in Wichita Falls on Oct. 17. Representing the local society will be Mmes. Al Hess, Frank Herr, Joe Hoenig and Denis Walter-scheid. Others interested in attending are invited to call Mrs. Al Hess.

It was announced that the northern district Catholic State League meeting will be held in Scotland on Oct. 27.

Members agreed to sponsor New Eyes for the Needy with Mrs. Hess in charge and Hess Furniture as the collection center for used eye glasses, discarded frames, old watches and jewelry. Formerly the late Mrs. Joe Swirczynski was chairman for this project.

New Eyes is a unique non-profit, volunteer charity which never asks for money — only discarded eyeglasses and precious metal scrap such as jewelry, real or costume, silverware, dentures, hearing aids, etc. Every pair of glasses and each broken piece of jewelry helps.

In other business conducted by Mrs. Hess members voted to donate from the treasury \$25 to Honduras Hurricane victims and \$100 to the new parish center.

A thank you note was signed by the 31 members present and sent to Sister Lenore who was in charge of the children's special Mass on Oct. 5.

Father Stephen, spiritual director, met with the group and asked members to recite the family rosary and also to ask for guidance of the Holy Spirit when Benedictine fathers select a new abbot for Subiaco Abbey. Mrs. Leo Henschel read a short article entitled "False Prophets." And members were reminded to make more quilt blocks for the mission quilt.

Members decided to treat St. Joseph's Society after the November meeting. Each was asked to prepare a covered dish.

Mrs. Wilfred Bindel won the door prize.

After adjournment the women joined St. Joseph's Society for fried chicken and table games.

Special Liturgy Observes Youth Day in SH Parish

School children of Sacred Heart Parish participated in a special liturgy service at 9 a.m. Saturday, Oct. 5, honoring Our Lady of Fatima on International Youth and Children's Day. The service was sponsored by the local St. Anne's Society under direction of Sister Lenore, religion coordinator.

Father Placidus Eckart, pastor, said the Mass and delivered the homily on the Blessed Mother.

As the congregation sang "Immaculate Mary" students of grades one through four filed into church for the entrance procession. A large statue of the Madonna was enthroned in front of the altar. As the children arrived at the altar each placed a flower at the feet of the statue.

Scripture readings pertaining to the Mother of God were given by Bert Miller, Brenda Henschel, and Terry Knabe. Petitions were given by Sam Hess, Tina Hesse, Carol Walterscheid, Sharon Voth, Dean and Darrell Swirczynski and Dale Swirczynski.

The congregation sang "Hail Holy Queen" as students, symbolic of the mysteries of the rosary, took offertory gifts to the altar. These students were Julia Bright, Kent Reiter, Ted Koerschner, Jackie Knabe, Hal Mollenkopf, Greg Rohmer, Kirk Mollenkopf, Janie Moster, Troy Wolf, Virginia and Angela Bartush, Jenny Felderhoff, Jon Stephens, James Bright, Bob Hamric, Gregory Luke and Gene Fuhrman.

After communion, Mark Miller, Tim Veth and Brian Herr led the congregation in reciting an act of consecration to Our Lady.

Recessional hymn was "Sing of Mary." Sixth grade students Mary Lyn Koessler, Christi Felderhoff, and Denise Haverkamp led the singing. Lynda Miller, senior, was organist.

Muenster Juniors Win and Lose in Pair with Frisco

Junior teams of Muenster and Frisco divided a pair of games last Thursday night at Frisco. In the first contest the Little Monsters of Muenster Junior High were blanked 14-0 and in the second the Junior Varsity of MHS won 12-6.

First quarter of the opener was a deadlock including one fumble recovery by Frisco and one by Eddie Serna of the Monsters, and the second quarter featured Muenster's failure to cash in on a fat opportunity. After gaining 19 to the 5 Muenster failed on the next series and lost possession inches short of the goal. By half time the action was back to mid field and the teams were scoreless.

Early in the second half Serna received a nice pass from David Felderhoff and fumbled when tackled. Three plays later Frisco got loose for a 55 yard romp to the goal. Also in the last half Frisco recovered a fumble on Muenster's 35 and scored on the next play.

Muenster JV started with a drive to midfield and lost possession on a fourth down try. Then Frisco moved downfield to the 5 before running out of steam.

Muenster drove back to the 20 and fumbled it away but promptly after that Neil Walterscheid intercepted and returned it almost the length of the field before being caught on the 3.

The Little Hornets failed to go in from there. The ball went over after 4 plays inches short of the goal. Frisco could not move from there and the fourth down punt was blocked by Doug Cler and recovered across the line for a touchdown.

Shortly after that Frisco scored almost the same way. After blocking a punt on the 20, it went in for a TD. The half time score was 6-6.

The last touchdown started shaping up just before the third quarter ended with Jim Koelzer's interception on Frisco's 32. A pass to Neil Walterscheid reached the 10, next play lost 4 yards, then Nick Walterscheid scored from the 14.

That was early in the fourth and neither team made any headway for the rest of the game.

Tiger Cubs Take 20-12 Game from Valley View Kids

The Cubs of Sacred Heart Junior High took over the first half of their game with Valley View here Tuesday night and then coasted to a 20-12 win.

They got started on first possession with a 55 yard drive in four plays. Joe Bartush hit twice for 5 each and Bert Hesse for another 5 and Craig Walterscheid stepped off the remaining 40. Bartush went over for extra points.

After that Valley View had to punt on the second series and the Cubs started from 63 yards away. They ground out the distance in fourteen plays, the big gains being for 14 and 10 by Joe Bartush. The latter was good for the score.

The next drive was more of the same. The visitors kicked on first series and Sacred Heart again had 63 to go. This time they needed only eight plays. Largest one was Bert Miller's scot for 26 and Bartush scored from the 1.

In the second half Valley View started strong with a 60 yard drive in five plays. The pay off was a 40 yard run around left end.

For the rest of the quarter and most of the fourth the ball changed possession five times before the Little Eagles got organized again. Then they gained 22 on a pass and 19 on an end run and finished the job in two more tries. That made the score 20-12.

In the remaining few minutes Sacred Heart drove 38 yards to the 20 and ran out of time.

Forestburg News

By Myrt Denham

FORESTBURG — Visiting with Mr. and Mrs. T. W. Smith the weekend of Sept. 28-30 were Mrs. Smith's cousin and her husband the C. W. Trowbridges of New Braunfels. Then on Oct. 2 Mrs. Smith's brother, Edgar Klopper, also of New Braunfels, appeared on the scene. He spent a few days with them and has now taken up residence with us Denhams for a few days.

Marion and Howard Sockwell had as their house guests from Oct. 1-5 Mr. and Mrs. Cecil Ross of Saint Louis, Mo. The Sockwell-Ross friendship dates way back to their young adult days in Denton. In fact, Marion says that Mr. Ross was the culprit that got her and Howard together.

Rachel (Hunt) Gentry, Ruth (Hunt) Hovish, Georgie (Hunt) Greenwood relived many happy memories Sunday afternoon, Sept. 29. They went to the Sim Freeman place — formerly the Foster place — from there they walked over the trail that Aunt Becky Walton and Mrs. Lanier used to use. They spent some time walking around Aunt Becky's old homeplace. The Hunts used to live in that area when they were children so they really did have a very pleasant afternoon. They were accompanied by JoAnn Greenwood and Wynona Riddles.

Dale Hudspeth took his children Mabelle and Tad in tow and spent Sept. 29 in Wichita Falls visiting with his two sisters and their families, the Raymond and the Gerald O'Briens.

Nancy and Gary Perryman's young son Tony is a patient in the Sherman Hospital. Little Tony is only 8 months of age. Talked to Gary Oct. 5 and he says they were not sure when Tony could come home.

Joe Hunt, New Harp, is back home after a stay in a Wichita Falls Hospital and is doing fine.

Darlene Eatman and Ronnie Robertson of Fort Worth were guests of the J. C. Robertson family, New Harp, Sunday, Sept. 29.

The weekly 42 party was at the Barney Brogdons' residence Thursday night, Oct. 3. Those enjoying the evening

were the Bill Forresters, J. M. Dunns, Blake Freeman, Jack Greshams, Frances Brewer, Decie Ellzey and Grace Scott.

Mr. and Mrs. Charles Edwards and family were in Fort Worth Sunday 29 to visit Mrs. Edward's brother and family, the Dewey Embrys.

The first and second grades of our school had their election for King and Queen this past week. Mrs. Mary Hays is their teacher and she reports that Misty Walker was chosen Queen and Tracy Lanier was chosen King. All classes will hold these elections for the Halloween festivities coming up.

Sonny and Dee Cole and their grandson Stephen Chism of Saint Jo were dinner guests of Mrs. Grace Scott Sunday 29.

Talked to Mrs. Jack Miller of Mallard and she said that her mother Mrs. John (Eunice) Thompkins of Montague cele-

brated her 88th birthday Saturday, Oct. 5. There was a birthday dinner and party held in her honor at the Farm Bureau Community Room in Montague. All of her seven children were present. They are Marvin, Royce and Red Thompkins all of Montague, F. M. Thompkins of Spanish Fort, Ralph Thompkins of Saginaw, Mrs. Nell Biter of Odessa and Mrs. Jack Miller, Montague. Also present were a host of grandchildren, great-grandchildren, relatives and friends. Mrs. Thompkins received many nice gifts and all present had a most delightful time.

Sammy Miller and son Stephen of Keller spent Oct. 7 visiting his folks the Jack Millers.

"I'd like to
know more about
the nuclear power
plant you're planning."

Q. "Where will it be located?"

A. The Comanche Peak Nuclear Generating Station will be built on a site about five miles north of Glen Rose in Somervell County.

Q. "Will some other companies be getting power from the plant?"

A. Yes. The plant will be jointly owned and utilized by Texas Power & Light, Dallas Power & Light and Texas Electric Service.

Q. "How much land area will be involved?"

A. Approximately 8,500 acres. This will include a 3,200-acre lake adjoining the plant which will provide cooling water for the plant.

Q. "Have you started construction?"

A. No. The planning phase was begun in 1972 and is still in progress. Construction of the plant is expected to begin during 1975.

Q. "When will TP&L customers start getting electric power from the plant?"

A. The first of two 1,150,000-kilowatt units is scheduled to go into operation in 1980 and the second in 1982.

Q. "Why is a nuclear plant necessary?"

A. Rising costs and a shortage of future supplies of natural gas and oil compel a change to more economical and readily available fuels for generating plants. Within the next five years, TP&L will reduce its dependency on gas and oil with plants designed and constructed to burn lignite coal. While it is anticipated that lignite will continue to be an important fuel well beyond the year 2000, the long-range solution to fuel problems appears to lie in nuclear generating plants.

Q. "How safe will the plant be?"

A. The planning, construction and operation of the Comanche Peak plant is subject to close examination and rigid regulation by the Atomic Energy Commission and other federal and state agencies. Devices and procedures in the plant will guard against every conceivable possibility which might endanger plant employees or the general public. Today, there are 50 nuclear generating units in the United States and there has never been a nuclear-related injury to a commercial nuclear power plant worker or member of the public.

Era Juniors Beat Tiger Cubs 22-16

Sacred Heart's Tiger Cubs scored first and last in their game here Tuesday night with the Era junior high kids, but the visitors got three TD between for a victory of 22-16.

A feature of the game was big plays by the Era boys whereas the Cubs ground out their yardage in short gains. The Cubs led 173-118 in total yardage and also 9-5 in first downs.

The Cubs started moving on first possession and went 43 yards before fumbling the ball away then got it back on a fumble three plays later on the 20. Five tries were enough from there. Joe Bartush, who made most of the yardage on the drive went over from the 4 and also made bonus points. After an exchange of kicks Era had fine position on the 15 and on the third play Don Bentley scored from the 8.

Starting the second half Era gained 12 and got 15 free yards to the 47 and two plays later Mark Dick scooted 42 yards to pay dirt. Bentley added 2 for a lead of 14-8.

Again in the third quarter the Cubs lost possession on their 38 and the visitors went the distance in five plays. Robert Morales went over from the 15. A pass from Bentley to Dick added 2 points.

The greater part of the last quarter was used in a 95 yard drive by the Cubs. Big gains in their fourteen plays were 28 by Craig Walterscheid, a 10 yard pass from Gene Luttmeyer to Jeff Hess and the 8 yard touchdown by Bartush, who also went over for extra points.

Mass, Open House Observe Junemans' 50th Anniversary

Mr. and Mrs. Norbert P. Juneman of Necedah, Wis., formerly of Richardson and frequent visitors with friends in Münster, will observe their golden wedding anniversary Sunday, Oct. 13. A Mass of Thanksgiving will be celebrated in St. Michael's Church at Sioux City, Iowa, a family dinner will follow at the Normandy and an open house will be held from 2 to 5 p.m. at Sloan Community Club House. No invitations were sent. The couple's favorite charity is the Unwanted Infants Home in Necedah.

Friends of the Junemans, on Oct. 20, will honor them at a dinner at the Alaskan Supper Club in Mauston, Wis. Father James Barney will remember them at the 8 a.m. Mass.

The Junemans were married at Leola, S. D. on Oct. 15, 1924. They are former residents of Sioux City and Sloan, Iowa, where they were in the hardware and implement business for many years. About three years ago they moved from Richardson to Necedah. They have one daughter Mrs. Mary Jane Zimmerman, five grandchildren and four great-grandchildren.

Monsters Lose to Lindsay Squires

The Little Monsters of Münster Junior High had a hard time when the Lindsay Squires came to town last Thursday night. As a result of one touchdown in the first quarter and two more in the fourth, the visitors were victors by a score of 22-0.

A fumble early in the first period gave the Lindsay kids a set up close to the goal and they needed only one play to put the ball across.

Throughout the game the Monsters made very little headway, however they managed to stop the Squires for the remaining part of the first period as well as the second and most of the third.

Then Lindsay got going on a nice drive that ended with a two yard plunge early in the fourth. And finally it scored again just before the end of the game.

Mmes. Lucille Littell, Edith Self, Vera Mae McGee and Decie Ellzey accompanied Rev. Bob Carroll to Duncanville to attend the United Methodist Women's Annual Conference. Lucille reports they found it most interesting and had a delightful time.

Oct. 4-7 guests of Mr. and Mrs. J. M. Dunn were Mr. and Mrs. Wilson Stanford of Kerr-

ville and Mrs. Loyes Parsons of Dallas. On Saturday they visited Mr. Stanford's sister Mrs. Jack Seibold who is a resident of the Cameron Rest Home in Gainesville. Then on Sunday they all attended the Dyemound Homecoming. Mr. Stanford used to live there but this was the first time he had ever attended the Homecoming there.

Mr. and Mrs. Tolbert Fanning and their grandson of Abilene and their son Steve from Mesquite held a family reunion for Mrs. Fanning's brothers, sisters, nieces and nephews Oct. 5-6 at the Fanning place out at the Stoney Point area. They had a camp-out affair, pitched tents, etc. There were many folks there. Three children of the late Elbert Fanning joined them Sunday p.m. — they were Mrs. Doris Jackson and daughter of Odessa, Earl Fanning and wife of Muenster, Mrs. Ella Mae McMahan of Saint Jo. Other guests were Andrew Jackson and daughter of Colorado, and the Ross Littells joined them for supper Sunday p.m. The Tolbert Fannings plan to make this an annual affair.

As all of us in the area know — Woodrow Galmor was laid to rest in the Perryman Cemetery Friday, Oct. 4. Woodie passed away in the V. A. Hospital in Dallas Wednesday, Oct. 2 at 9 p.m. We will all miss him and his cheerful way. Woodie was very well known and very well liked by everyone in this area.

The Jack Dills, Howard Sockwells, Ted Jacksons, Alice Shears, Decie Ellzey, Edith Self, and Vera Mae McGee attended the open house and dedication services for the New United Methodist Parsonage in Saint Jo Sunday, Oct. 6. Rev. Noel Bryant, district supt. of the Wichita Falls district, officiated at the dedication services.

Let's not forget the 60th wedding anniversary celebration for Willie and Ida Kuykendall Sunday, Oct. 13 at the Forestburg Community Center. Drop in and wish them well.

Kin Get Together In Windthorst at Golden Wedding

Relatives from a wide area, including a group from Muenster, gathered in Windthorst Sunday for the golden wedding celebration of Mr. and Mrs. William Weinzapfel. Mass, dinner and reception honored the 50-year married couple.

The day began at 10:45 a.m. in St. Mary's Church where the anniversary Mass was celebrated by Father Cletus Post, pastor, Msgr. Thomas Weinzapfel of Dallas, Father Joseph Weinzapfel of Irving, nephews of the couple, and Father Anthony Weinzapfel of Evansville, Ind., who is a cousin of the honorees. Grandsons of the jubilarians were acolytes.

The dinner and reception were held in the KC Hall and were hosted by their children, Mr. and Mrs. Arthur Weinzapfel of Austin, Bill Weinzapfel of Dallas and Mr. and Mrs. Albert Osterman of Windthorst, and grandchildren.

William Weinzapfel and the former Bertha Munchrath were married Oct. 8, 1924. He is a native of Windthorst and she came from a New York foundling hospital when she was two years old.

They have lived all their married life in Windthorst except for seven years when they operated a store in Scotland.

He ran a general store and retired in 1959. During that time he was acting postmaster for nine years. He now operates a recreation center. He is a 50-year honorary member of the Knights of Columbus and she is a 50-year honorary member of the CD of A.

Attending from Muenster were Mr. and Mrs. J. M. Weinzapfel, Mrs. Tony Gremminger, joined by Mrs. Margaret Rasch of Houston, brother and sisters of the couple, and Mr. and Mrs. Henry Weinzapfel. Others present included Mrs. Marian Mayer of Pilot Point and Mr. and Mrs. H. L. Jackson of Fort Worth, nephews and nieces of the honorees.

Mrs. Margaret Rasch arrived from Houston during the weekend and accompanied the Muenster group to Windthorst Sunday to attend the golden wedding celebration of Mr. and Mrs. William Weinzapfel. Mrs. Rasch is continuing her visit with Muenster relatives this week.

Are we in a recession or a depression? A few organized groups are doing everything possible to draw the nation's attention to their problems. Some dairymen are threatening the slaughter of calves — to get attention — yet most of us remember when it was common practice to kill dairy type bull calves at birth because it was not profitable to raise them to maturity.

The cattle feeders, cattle raisers and the dairymen are hurt because of the price of grain. Now that the price of grain is going down the grain farmer is complaining.

When wheat was around \$1.25 per bushel the big Russian deal took place raising the price to over \$4. Many farmers thought they had been cheated because they had sold their grain before the transaction. Those who held their grain made a nice profit. Many people think the Russian deal started our inflation spiral. Now the administration has cancelled the Russian shipments and many of those farmers who sold too soon a year ago — held their grain too long and are seeing the market go down.

All of the above groups and others want government help. It's odd that when something goes wrong it seems to be the government's fault and federal help is demanded but when

it's a good year, the individual or industry made it so.

In farm areas, the businesses suffer along with the farmer, when conditions are not favorable, yet there is no government help for them. Also think about those people who depend on the stock market for their income. So far this year the total stock market has dropped 45% — some stocks as much as 90%.

Millions of people have seen their investment values drop billions of dollars. There is no government help for them. They are rather like the cattlemen — if they need money they sell and take their loss, otherwise they hold with the hope the price will go back up.

A dinner dance sponsored by the K of C's will be held Saturday night, Oct. 19th. Everyone welcome — Call Dan Hamric for reservations.

The Ross Point community will have their annual Harvest supper on Saturday, Oct. 19th. Remember how good it was last year.

The pessimist grumbles because God put thorns on roses. The optimist thanks God for putting roses on thorns.

A Gift of Memories
Muenster High seniors are taking orders now for the new 1975 Hornet Annual to be given as Christmas gifts. They think it is an ideal gift for parents to give their children — a gift of memories. Although the annual will not be delivered until after the school term ends those who receive it as a gift will receive an attractive Christmas greeting card to exchange for the annual on arrival. And the revenue from advance sales will help make the book bigger and better. To order, call Diane Yosten, Hornet editor, or Debbie Reynolds, financial editor.

First place winners in the PP&K contest are Phil Wolf, Floyd Felderhoff, Steve Neu, Dan Bezner, Mike Bedrick, and Gary Dankesreiter. With them are Steve Hess and Urban Endres.

Winners Named In PP&K Contest

Sixty nine boys aged 8 to 13 participated Saturday in the annual punt, pass and kick competition sponsored by Endres Motor Co. and the Muenster Jaycees.

The event was the beginning of a nation wide elimination ending eventually at the Super Bowl game and listing of the winners in the Football Hall of Fame.

Next stage in the elimination is the contest for first place winners this week Saturday at 9:30 at the Boys Club of Wichita Falls. Endres Motor will provide rides for local entries unless they have other transportation. Those who want the ride are asked to be at Endres Motor at 7:30. The local contest was held on

the Muenster High football field under direction of Steve Hess, project chairman of the Jaycees. Others were Urban Endres, John Yosten, Bill Bedrick, J. J. Biffle and Jaycees Mark Lippe, Glenn Felderhoff, John Schneider and Robert Miller.

- Winners of the first three places in each age group received gold, silver and bronze trophies as awards. They and their scores are listed as follows.
- Age 8: Gary Dankesreiter 179, James Bartush 165½, Neil Hesse 162.
 - Age 9: Mike Bedrick 276½, Kevin Felderhoff 254, Stephen Burrough 203.
 - Age 10: Dan Bezner 296½, Dale Swirczynski 268, Matt Pelzel 224.
 - Age 11: Steve Neu 292½, Monte Endres 247½, Jon Stephens 241½.
 - Age 12: Floyd Felderhoff 274, Mike Hesse 268½, Kirk Mollenkopf 263.
 - Age 13: Phil Wolf 293½, Andy Bezner 274¾, Kenny Hartman 262.

Callisburg, Era Win First Places In Grass Judging

Callisburg and Era were the senior and junior winners respectively in the 25th annual grass judging contest sponsored by the Upper Elm Red Soil and Water Conservation District in Gainesville last week.

Eighty eight contestants from eleven schools over the three county district participated in the event, and all of them, as well as their coaches, were guests of the district for the supper and program at which awards were presented to the winning teams and high scoring individuals.

The five top teams of the senior division and their scores were listed as follows, Callisburg FFA, 1511; Lindsay FFA 1499; Forestburg FFA, 1493; Era FFA, 1478; Nocona FFA, 1389.

The leading five teams of the junior division and their scores were Era FFA, 1400; Callisburg FFA, 1397; Lindsay FFA, 1332; Sherman FFA, 1173; Prairie Valley FFA, 1153.

Method of the contest is to allow four members on a team to participate for individual scores and add the three high figures to determine the team score.

This contest was remarkable in that so many made high scores and also that there were a number of ties. In cases of those ties the individual ranking was determined by spelling and neatness. The top ten individuals and their scores were listed as follows. 1, Ronnie Neu, Lindsay, 507; 2, Bobby Delashaw, Callisburg, 507; 3, John Gage, Callisburg, 507; (the top three were perfect scores) 4, Charles Lanier, Forestburg, 506; 5, Dean Sicking, Muenster, 505; 6, Randy Leverett, Callisburg, 497; 7, David Nortman, Lindsay, 497; 8, Kenny Woods, Forestburg 497; 9, John Erwin, Era, 496; and in a 3-way tie for 10th are James Penton, Era, 495; Darrell Neu, Lindsay, 495; Barry Willett, Forestburg, 495.

At the awards presentation J. H. Bayer, chairman of the board, said "Plants are a vital part of our ecology as well as our economy and their care and management plays a vital role in our existence. This contest encourages high school students to learn more about the common plants of our district. We appreciate all who participate."

Hornets Win - - -

The score at intermission was 13-0. Beginning the second half Frisco got off a bad kick to end the first series and Muenster had fine position on the 30. Six plays from there were enough, Mark W. Sicking stepping off the last 7 yards.

Following that score the Coons made a first down and kicked on the next series. The Hornets were 48 yards away and a 15 yard pass to Huchton two plays later reached the 29. Four plays later a 7 yard pass to Bob Endres got to the 16 after which Neal made 4, Sicking 5 and Neal went the last 7.

A kick by Muenster was the last play of the third quarter and the next play was the beginning of Frisco's best effort of the night. Starting from the 3 it made four first downs to the Hornet 44 and lost possession three plays later when Sandel recovered on the 36.

Then the Hornets went the other way with Bright and Neal slashing away for consistent gains in a drive of 61 yards to the 3 in nine plays. Next try lost 2 and the next one was penalized for 15. Then came a pass to Huchton and an interference ruling on the 1. Neal crashed over for that distance on the next play. Final count was 31-0.

A stubborn Hornet defense did not allow the visitors even to threaten a score. Frisco managed to get across the midfield stripe only twice, once to the 27 and once to the 44.

Carol Knabe, newly elected council delegate, accepted the award at the first council meeting for the 1974-75 year.

Members, who by their attendance, helped win the award are Gayle Miller, Sharon Rohmer, Beverly Walterscheid, Mary Hess, Janette Yosten and Stacy Walterscheid, and Jack Dangelmayr, Chris Felderhoff, Paul Reiter, and Garry Fetsch.

SH Senior Girls
October meeting of Sacred Heart senior girls was held Friday, Oct. 4, in the library with Ava Knapp, assistant county Extension agent leading a discussion on the club's project for this year, "Teens Explore Parent Education." She showed slides in connection with the discussion.

President Sandy Reiter presided, Janet Henscheid led the club motto and pledge, Linda Miller read the inspiration and Sharon Rohmer called the roll and read the minutes. Gayle Miller gave a report on the county council meeting Sept. 30 at which SH 4-H senior clubs won the 4-H plaque for best attendance at council meetings last year. She also reported that the annual 4-H Achievement Banquet will be held on Monday, Oct. 28.

SH 7 & 8 Grade Boys

Wilfred Luttmr, reporter, counted 20 members present. They talked about the State Fair and about the Share-the-Fun contest. Gene Kennedy was a guest and talked about an automotive project.

Tigers Lose - - -

in the second half and moved 70 yards to its only touchdown in just six plays, five of which were run by Mark Hess.

A ten yard kickoff return put the pigskin on the Tiger 30. From there Hess gained 9 and 5 and Craig Sangster stepped off 9. Then Hess was at it again on runs of 12 and 8 before slashing through left tackle for a 36 yard gallop to pay dirt.

On the next series Lindsay had to punt and Melvin Hess blocked it giving Sacred Heart fine position on the 26. However Knight defense was equal to the job. The Tiger series was four yards short.

Again the Knights had to kick and the Tigers started again from midfield. Five plays made two first downs to the 27 and four more were short by 6 yards.

That was followed by a Lindsay first down and a fumble on the second series recovered by George Luke. So, the Tigers tried again with 39 yards to go. Mark Hess in 4 plays gained 22 to the 17, and Lindsay defense got tough again. Four more tries got only to the 9.

After being stopped the third time Sacred Heart almost had another chance when an interception was barely missed. Next play a kick put them back on the 40.

Tigers then tried a pass and Gossett intercepted for Lindsay. Then with 45 yards to go the Knights made their last drive. Fifteen plays ground out the distance, and the TD was scored by Owen on a

quarterback keeper as the scoreboard clock showed 19 seconds remaining.
