Recent emphasis by some members of Congress and the media on the enormous profits being made by the major oil companies apparently leads up to renewed attacks on the depletion allowance deduction on the income tax of oil and gas producers. Presently oil men are allowed to deduct 22 per cent of their gross income from producing property as a way of compensating for depletion of that property's production. The principle is similar to that allowing deductions for depreciation of equipment.

Certain members of Congress consider depletion allowance as a tax loophole that should be denied to the big companies, which already have fabulous incomes. But, unfortunately, they seem to have overlooked the thousands of independent operators who are not making the huge profit, and can't make ends meet without the allowance.

According to the records, the independents drill 80 per cent of all domestic wells. And it's also a fact that they have to drill many exploratory wells for every producer they bring in. This means that the investment per producing well is tremendous, actually more than they can reasonably risk if not allowed some kind of tax incentive.

Ironically, the politicians are trying to take some of the fat profits away from major companies, but the people to be hurt most are the little fellows who are not getting the big profit. Many of the small operators will have to quit the business if they can't have the depletion allowance. Certainly Congress has no intention to cause that. It's hard to imagine a greater folly than disrupting even the small segment of the industry. After all, it employs thousands and pays millions in taxes.

And, needless to say, the folly would be compounded during the current energy crisis, when the nation so desperately needs to find more production. A person would think that the smart policy now is to increase the oil man's inducement. It seems that Congress, as a way of striving for national self sufficiency, ought to think of raising depletion allowance instead of reducing or eliminating it.

In addition to those considerations there is still another that the politicians should keep in mind. Depletion allowance, after all, is only a way of recovering some of the cost of oil production. If it is eliminated the cost will have to be recovered another way, which probably means that prices of petroleum products will have to be raised.

In this connection it would be a good idea to remember the old saying that industries do not pay taxes, only people do. Congress may find a way to get more tax out of the oil companies, but it should know that the extra cost will be added to their selling prices. We consumers eventually pay the taxes.

Of course the politicians can still please a large segment of the public by claiming that this or that tax is being charged to big business rather than to us individuals. Well, it's time for the public to understand that it is paying all the tax bill. In relation to depletion allowance, we can assume it will pay more for gasoline if the oil man's tax goes up.

Theoretically, the final decision on depletion allowance should not make a big difference to us consumers. If oil producers pay more tax ours should be less, but oil prices higher. Otherwise producers pay less tax, and we pay less for oil products and more for personal tax. But it doesn't work that way. All of us know that politicians do not relieve our tax load when they soak the industries for more tax. Rather they are just increasing their tax revenue. The end result is that we consumers have to pay for the increase.

Of course, we resent the prospect of higher prices on petroleum products, but the immediate and important issue here is the adverse effect on independent operators, who need the allowance to stay in business. And that would be followed by a record slump in development of oil and gas resources. Anybody knows that we need profits and tax incentives to keep people in the oil field, and eventually to beat the energy crisis.

Religious, Social Events Mark Parish Anniversary

Religious and social observances last Sunday marked the 85th anniversary of the founding of Sacred Heart parish. Special liturgy at the 4 p.m. Mass in church, along with the confirmation of 62 students by Bishop Dangelmayr, took note of the first mass on December 8, 1889, which the community pioneers officially designated as the origin of the parish.

And later during the dedication and dinner in the new community center a special place of honor was reserved for Mrs. John Rohmer, the only living person who attended the first mass and her sister, Mrs. August Walterscheid, the first person born in the new community.

Ceremonies at Sunday's mass combined the confirmation and the anniversary as a number of children presented items symbolic of the sacrament and of the first mass. Special participants in this ceremony

were Mrs. Rohmer and Mrs. Walterscheid and their daughters Sister Fidelis and Sister Francesca.

Children participating were Teddy Walterscheid as narrator and Steve Hennigan, Pamela Hoinig, Colleen Fette, Shellie Walterscheid, Cynthia Knabe, Virginia Bartush, Benji Luke, Margie Knabe, Glenda Sicking, Charles Lutkenhaus, Monte Endres, Monte Wimmer, Troy Wolf, Greg Rohmer, Brenda Wimmer, Jeff Tempel and Craig Bayer.

Fourth Degree KCs assisted as the bishop's honor guard and two of the visiting clergy, Fathers Francis Zimmerer and Harry Fisher, were his attendants. Other clergy there were Abbot Alfred Hoinig and Fathers Jerry Mosman, Ambrose Branz, Servius Blank, Bede Mitchell, Anthony Gajda, James Gillespie and Stephen Eckart. Father Placidus Eckart was celebrant of the mass. Altar boys were Terry and Jack Knabe, Clarence Hess, Bert and Mark Miller.

In his brief sermon Bishop Dangelmayr referred to the parish anniversary and reminded the 62 students being confirmed that on reaching spiritual adulthood they are receiving special graces to help them live up to the will of God.

Some 400 persons were at the dedication and dinner in the new community center. The ceremony consisted of (Continued on Page 6)

Public School Has Two More Holidays For Christmas

A Christmas gift for students of Muenster Public School is a two day extension of their holidays. Principal C. O. Cash announced this week that classes will resume on Monday, January 6 instead of Wednesday, the 2nd.

However, there's a catch. The school will take back those two days at Easter time. The original calendar shows holidays for the Thursday and Friday before Easter and the Monday and Tuesday after. The revised calendar includes only Friday and Monday.

The changes were made to avoid conflict with the Inter-scholastic League calendar.

Fleitman Succeeds Bayer on Board of Muenster School

Robert Bayer, a member of the Muenster school board for the past eight years, resigned at the board's regular meeting last Thursday night. He said that other responsibilities are keeping him busy and he has decided to relieve himself of this duty.

After accepting the resignation other members decided on Eddie Fleitman as successor until the next election when someone will have to be elected to serve the remaining two years of the unexpired term. Bayer was elected in April 1974.

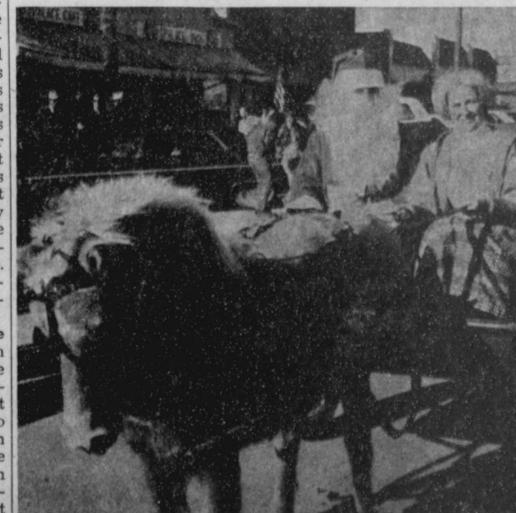

Other members of the board are Urban Endres, pres.; Dan Hamric, secretary, and Ed Cler, Adam Wolf, Theresa Walterscheid and Ray Swirczynski.

Ray Hoedebeck Dies in Denison

Mrs. Clem Reiter and Gene Hoedebeck received word Wednesday night of the sudden death of their brother Ray Hoedebeck of Denison who suffered a heart attack. He was 65.

A native of Muenster, he was a son of Mr. and Mrs. Fred Hoedebeck.

Survivors include his wife, five children, 11 grandchildren, two sisters and eight brothers.

Santa arrived by a different method for his visit with Muenster kiddies last Saturday. With him in the pony cart is Mrs. Mel Stephens.

KCs Urge Displays Putting Christ Into Christmas

With home decorating for the holidays just getting started, Muenster Knights of Columbus call attention to their current program of putting Christ back into Christmas. They encourage all to favor decorations which refer to the original Christmas.

As inducements they offer prizes of \$25, \$15 and \$10 for displays which best carry out the theme of the feast. A team of three out-of-town judges will determine the winners. All homes within the city limits will be considered in the contest and rural homes will also be judged if the judges are invited. Rural people who want to be included may call W. J. Miller, 759-2955.

Judging will be next Thursday, Dec. 19. Any display relative to the birth of Jesus — the Nativity scene, magi, shepherds, angels, etc. — will be eligible.

Deadline for Cash In Lieu of Cards Set December 16

This weekend is the time to get in the cash in lieu of Christmas cards.

Deadline has been set as Monday, Dec. 16, if the donor wishes to get his name listed in the Enterprise Christmas edition Dec. 20.

This is the sixth consecutive year that Muenster Hospital Auxiliary is giving its members, other friends of the hospital, and business people an opportunity to divert Christmas card money to a charitable cause and also save the time usually spent in addressing the greetings.

Donations will go into the Auxiliary's present project fund — a sterilizer and a ventilator for the hospital. Contributions may be left at Hamric's or mailed to Mrs. Jerry Walterscheid, Rt. 2, Box 33, Muenster.

As before, donors names but not amounts will be published in the Enterprise.

Making plans for the future is often a way to escape work for the present.

Rainfall for '74 Now Near Normal

A half year of drought plus a half of above normal wetness is adding to a year of near normal moisture here. A report from Steve Moser Wednesday shows the total to then as 36.51 inches, as compared with the average of 37.28 for the past ten years.

December readings to date are .12 on the 6th and .69 on the 11th, making a total of .81 in. The November total was 1.96 in.

Parade, Drawing and Santa Bring in Christmas Season

About 1500 persons were there Saturday afternoon as the Muenster Chamber of Commerce and Muenster Jaycees kicked off the holiday season with a Christmas parade followed by Santa's visit with the kiddies and a multiple drawing for prizes given by forty business people.

The parade, with 27 separate entries, originated at the east city limit and moved to Main then to Sixth before breaking up. Then Santa came back to visit with the kiddies in front of Hamric's and the business firms had their drawing in front of Tom and Jerry's.

Jaycees, with Roger Taylor as chairman, had charge of the parade. Their list of entries includes the Muenster High Band, Sacred Heart High Drill Team, a group of local baton twirlers, Young Marines of Dallas, Muenster Cub Scouts and Boy Scouts, Gainesville National Guard.

Santa and Mrs. Mel Stephens

were in a 2-wheel cart pulled by a Shetland pony, Happy Bluebirds and Working Bluebirds, Little Misses, Gainesville Riding Club, Muenster Trail Riders, Miss Ford Country on horseback, John Deering of Myra in Indian costume, two antique cars by Endres Motor and one each by C. E. Dishman of Gainesville and David Bright, a car by Endres Motor, and floats by Hamric's, Charm Shop, Mary Kay Cosmetics, Muenster Telephone Corp., R&W Cycles, Dairy Inn, Muenster Dress Factory and Budweiser.

In behalf of the Jaycees Taylor thanks all who participated. About 250 little ones met with Santa after the parade for Christmas talk and goodies, an increase of 75 over last year.

Principals at the drawing were Al Hess, chairman, Willie Walterscheid at the PA system and Mr. and Mrs. L. J. Endres recording. An added attraction through most of it was Sandy Lankford, Miss Ford Country, drawing names from the boxes.

Lucky winners at the drawing were Kaye Pagel, Mrs. Wilfred Sicking, Mark Miller, Mrs. Ray Vogel, Betty Miller, Margie Walterscheid, David Bayer, Fred Hennigan, Mrs. W. J. Miller, Russ Linn, Glenn Miller, Tom Flusche, Mattie Endres, Albert Schilling.

Plans Shaping to End United Fund Drive This Week

Last week's announced plan to close out the United Fund drive in record time appears to be running on schedule. Ray Wilde, community chairman, said Tuesday that work kits have been distributed to business firms and will be picked up at the end of this week.

Meanwhile he urges each business to get its own donation ready as well as to contact all employees for their donations. He also suggests that people who are not connected with a business give their contributions through the business firms.

He stressed again that United Fund is a comprehensive drive to finance over a dozen charitable institutions, all of which deserve public support, and several of which are of direct benefit to this community. The United way makes it possible to help all of them without having a separate drive for each.

Wilde's assistants in the local drive are Albert Lippe, Bill Bedrick, J. D. Meurer, Henry Weinzapfel, John Pagel, L. B. Bruns, Al Hess and Mrs. Gerald Hess.

Tigers Win Third Place Trophy at Saint Jo Tourney

Sacred Heart's Tigers won a trophy and the Tigerettes were blanked in the invitation basketball tournament at Saint Jo during the past weekend. It was the consolation trophy, the first received in basketball by the Tigers in six years.

The SH boys made their start by losing a tough one 78-68 to their hosts, then edged Alford 57-53 and finally rolled over Petrolia B 73-49.

The girls lost their opener 36-29 to the Pantherettes and were eliminated from the consolation bracket by Prairie Valley in the second game. Score was 47-30.

Tigers made a slow start in their first one and trailed 28-13 at the first quarter. After gaining in the second they were still behind 43-34 and a big third quarter put them ahead 57-56. But it did not last. The Panthers rallied in the fourth for a 78-68 win.

Rick Walterscheid led Sacred Heart with 28, Roger Endres made 26, Pat Endres 8, Joe Hoedebeck 4, Bob Hartman 2.

In their consolation semifinal the Tigers trailed Alford for three periods by scores of 16-10, 25-20 and 40-34 before hitting a hot streak that won for them 57-53.

Roger Endres made 15 of his 32 points and Rick Walterscheid made 8 of his 19 during that last quarter. Other scorers, for the full game, were Pat Endres 4, Joe Hoedebeck 2, Robert Hartman 2.

Consolation final was easy as Sacred Heart gained all the way by scores of 25-10, 37-14, 54-26 and 73-49. They improved their free shot record in that game hitting 7 of 14 tries. In the first game they made 2 of 5, in the second 3 of 20.

Tiger scorers were Roger Endres 25, Rick Walterscheid 16, Joe Hoedebeck 8, Pat Endres 6, Glenn Walterscheid 6, John Henscheid 5, Robert Hartman 4, Kenny Felderhoff 3.

Tigerettes started their first one with a 10-6 first quarter lead over the Pantherettes and, after a miserable second quarter, were behind 22-13 at the half. From there on Saint Jo coasted to the win of 36-29.

Laura Kralicke led SH scoring with 16, Gloria Hess made 6, Marlene Pagel 3, Mary Hess 2, Sharlene Pagel 2. Guards were Cindy Bartush, Janet Bayer, Elizabeth Kralicke, Linda Klement.

Second game was similar. Prairie Valley girls started early and gained in every period for scores of 10-6, 22-17, 34-23 and 47-30.

Marlene Pagel was high pointer with 12, Gloria Hess made 10, Laura Kralicke 6, Kathy Luke 2.

Texas FB Elects Dalhart Rancher As New President

Voting delegates of the Texas Farm Bureau elected a new president and two new directors at the organization's 41st annual convention held here this week (Dec. 1-4). They also approved TFB policies for 1975 and recommendations to the American Farm Bureau Federation on national issues.

Some 1,074 voting delegates — a record number — from 170 counties participated in the deliberations. Total registration at the convention was nearly 1,500.

Elected as president of the 166,216-member organization was Carrol G. Chaloupka of Dalhart. The new directors are Doug James, Lubbock, District 2, and Jack Osborne of Pampa who was selected to replace Chaloupka as director for District 1.

Immediately following the convention, the new TFB Board of Directors met to elect a vice president and secretary-treasurer from among their own number. Bill Reid of Lamesa was elected vice president, and W. Reed Lang of Rio Hondo was named secretary-treasurer.

Chaloupka succeeds J. T. (Red) Woodson of Gober who has been president four years. Chaloupka was first elected to the TFB Board of Directors in 1969 and the following year was named secretary-treasurer. In 1972, he was elevated to the vice presidency.

He farms and ranches some 10,000 acres near Dalhart raising wheat, grain sorghum and livestock. He served three years as president of the Dalhart County Farm Bureau.

Miss Glynis Tietjen, daughter of Mr. and Mrs. Egon Tietjen of Schulenburg, was picked as FB queen for 1975. She is an 18-year old high school senior who is interested in drama.

workshop at Midwestern University in Wichita Falls Saturday, Nov. 23.

Workshops were held in drama, prose, poetry, informative speaking, etc., slide rule, numbers sense, science, reading writing and journalism.

Attending were Lisa Mollenkopf, Mary Lou Fleitman, Debbie Reynolds, Charlotte Jackson, Ray Luke, Leo Lutkenhaus, Damian Luke, Monty Reiter, Kirk Johnson, Sam Bright, John Eckart, Dean Sicking, and Jack Endres accompanied by sponsors Robert McDaniel and Gary Chism.

Second grade students and their teachers Mrs. Janie Weinzapfel concluded a social studies unit on Japan with a Japanese tea party. Students provided cookies called rice cakes and these were served with hot tea. In keeping with the Japanese custom, the children removed their shoes and sat on the floor during the tea party. Each child had made a fan and used it during the tea.

In a unit studied earlier on India one student made and displayed a clay house similar to the ones in some villages in India.

Small wood carvings and a picture made by hand from rice straw also were displayed. These had been brought from India by Father Williams and given to Mrs. Weinzapfel.

Fifth and sixth grades visited the Planetarium at CCC in Gainesville Thursday. Mrs. Walterscheid and Mrs. Selby accompanied their students.

Kevin Braizer celebrated his birthday Monday in kindergarten class. Mrs. David Braizer, his mother, furnished refreshments for the group.

A Teams Win Two B Boys Lose One In Games at Era

Muenster High basketball teams, playing at Era Monday night, won their two varsity games and lost the boys' junior varsity game.

Starting the evening's show, the B boys took a 4-2 first quarter lead and trailed the rest of the way by scores of 10-9, 20-14 and 28-14. Scorers for Muenster were Kenny Koelzer 11, Lenzy Dyer 6, Kim Walterscheid 3, Terry Lewis 1.

Muenster girls had a hot contest through the first half for an 8-8 tie ending the first quarter and a slim 19-16 lead at the second. Then they had a big third quarter in which they gained 10 for a count of 35-22 and finally gained 4 more for the 52-35 final score.

MHS point makers were Deb Schneider 20, Becky Fields 13, Sandy Dittfurth 11, Tracey Klement 8. Girls who did a good job as guards were Gina Felderhoff, Mary Lou Fleitman, Kim Klement and Lisa Mollenkopf.

Strong first and third quarters won the game 42-26 for the Muenster boys. Ending the first they led 14-5, and they still had a 9 point lead of 23-14 at half time. Third quarter they put on another spurt and gained 10 to the 41-22 lead. The final quarter was all defense in which neither side got a field goal. Muenster got 1 lonely free throw and Era got

4, and the game ended at 42-26. Point makers for MHS were Tim Felderhoff 17, Randy Wolf 11, Danny Endres 8, Terry Walterscheid 6.

MHS Teams Win Two and Lose Two Playing Pottsboro

Muenster High basketball teams split with Pottsboro Monday night in a four game program at Pottsboro. Boys won and girls lost in the preliminaries played by junior varsity teams; girls won and boys lost in the main events by the varsity.

MHS girls continued a perfect record in their win but had a hard time in doing it. After trailing 15-14 and 32-24 in the first two quarters they got hot in the third and soared to a 49-40 lead. In the last period they gained two more for the final count of 64-53.

Deb Schneider scorched the net for 23. Tracey Klement made 16. Sandy Dittfurth 15 and Becky Fields 10. Meanwhile Lisa Mollenkopf, Kim Klement, Mary Lou Fleitman, Gina Hofbauer, Gerri Knabe and Kenya Hale did fine job at guarding. Schneider, Mollenkopf, Klement and Felderhoff fouled out.

The Hornets fell behind 15-6 in the first period and took up just a little slack but not enough the rest of the way. Scores the other three periods were 24-16, 36-31, and 57-50. It was the season's first loss for the Hornets.

Foul trouble was a problem as Danny Endres, Terry Walterscheid and Tim Felderhoff had to play cautious before the first half ended and went out in the fourth. Randy Wolf had a big night for 30 points. Danny Endres made 8, Terry Walterscheid 6, Tim Felderhoff 2, Glenn Henscheid 2, Kirk Johnson 2.

A sad first half, in which they trailed 36-13 was too much for the Muenster B girls. They gained in the second half, but not enough and ended at the short end of the 60-41 score. Thelma Lewis scored 20, Barbara Klement 17 and Anita Grewing 4. Guards were Karen Barnhill, Gay Mollenkopf and Debbie Neal.

The junior Hornets came from behind in the fourth quarter for their 40-36 win. The visitors led 12-6 in the first quarter after which Muenster pushed hard trailing 17-15 and 27-25 ending the next two periods. Scorers were Kenny Koelzer 16, Mike Davidson 10, Kim Walterscheid 5, Tim Wolf 4, Neil Huchton 2, Terry Lewis 2, Tom Bright 1.

Blue Birds News

Muenster Public School second grade Working Bluebirds met Nov. 21, starting their meeting with refreshments served by Kim Eldred. The girls examined the first aid kit they received from sponsor Dorma Flusche. Mrs. David Reiter, leader, congratulated the group on their candy sales. I'M CONVINCED... THIS IS REALLY GREAT WALL PAINT.

It looks great when you put it on, and it stays that way. The colors match, and they don't fade or yellow. I've scrubbed it with scouring powder, and the paint stays put, while all the dirt marks I added came off.

Pam Walterscheid And Kenny Yosten Say Vows at Mass

Mr. and Mrs. Kenneth Michael Yosten are at home in Muenster following their marriage and wedding trip. She is the former Miss Pamela Kay Walterscheid, daughter of Mr. and Mrs. Joe H. Walterscheid. The groom's parents are Mr. and Mrs. Werner Yosten.

The couple exchanged vows in a double ring ceremony at Nuptial Mass in Sacred Heart Church on Saturday, Nov. 30, 5 p.m. Father Placidus Eckart officiated. Anthony Luke, organist, provided wedding music. Decorations included two tall white antique urns with pink carnations and baby's breath in the sanctuary.

Given in marriage by her father, the bride wore an Empire gown of white silk organza and Venise lace. Laced-edged pleated organza was at the Victorian neckline, the cuffs of the long, full sleeves, and circled the attached chapel train. Venise rose motifs enhanced the skirt and bodice. A pearl-beaded Juliet cap held her veil and her flowers were a cascade of pink sweetheart roses, white carnations, baby's breath, 20 white crystal prisms, stephanotis, and a white orchid centered on white Belgium lace and showered with lovers

knots. Adding sentiment she wore a pair of antique earrings 100 years old, borrowed from her mother and originally belonging to the bride's great-grandmother Mrs. Theodore Wiesman, and carried a lace handkerchief brought from Belgium by her brother Steve Walterscheid. And she had a good luck penny in her shoe.

Wedding Attendants

Bride's attendants were Mrs. James Fleitman, matron of honor with Mrs. Charles Cler of Gainesville, Misses Flo Hess, Cheryl Mollenkopf and Karen Walterscheid sister of the bride, bridesmaids, Glenda Richardson of Ardmore, Okla., was flower girl.

They were identically gowned in Empire formals of American Beauty rose velvet with long sleeves and self-material ruffles at the small stand-up collar and cuffs. Their matching velvet picture hats were banded with pink ribbon and ornamented with pink flowers. They carried nosegays of pink carnations, gladioli and streamers.

Jerry Yosten was his brother's best man. Groomsmen were Steve Walterscheid, bride's brother, Glen Cler, Gary Gieb and Mark Yosten, brother of the groom. Dickie Trubenbach was ring bearer. The groom and fathers of the couple wore solid black tuxedos with white boutonnières

and white ruffled shirts. Attendants wore gray coats with black velvet trim and black trousers with ruffled pink shirts and pink boutonnières.

Mass servers were Clarence Hess, Terry and Jackie Knabe, Brian Hess and Mike Walterscheid. Ushers were Gary Walterscheid, Danny, Steve and Ronnie Yosten, brothers of the couple.

After the ceremonies the newlyweds went to the Blessed Virgin's altar where they presented a pair of long-stemmed pink carnations.

Before Mass the bride presented a long-stemmed rose to her mother. After the service she handed one to her mother-in-law. Mrs. Walterscheid attended her daughter's wedding in a dusty rose polyester crepe gown topped with a flower-brocaded coat. Mrs. Yosten, mother of the groom, wore a formal pink polyester knit with matching jacket.

Wedding Reception

Wedding reception and catered dinner were held in the new Parish Center for about 330 guests. Mrs. Allen Trubenbach and Mrs. Andy Trubenbach Jr. presided at the bride's book. Misses Darlene Wolf, Paula Sicking and Karen Schilling served the wedding cake.

The bride and groom toasted with champagne brought back from Paris, France, by Steve Walterscheid. White linen from Germany, a gift from Franz-Josef Schroer, was used at the center of the banquet table along with decorative candles, also from Germany. Pink carnations formed the centerpiece flanked by antique candelabra from Germany holding pink candles. For the background, three arched eight-foot panels were covered with American Beauty rose velvet, with a cascade of pink carnations and two white doves on the center panel. On each side were white candelabra with votive lights.

Guests danced under an antique gold and white chandelier covered with crystal prisms and holding 12 votive candles. This also was brought from Germany.

The couple's wedding trip took them to points in Texas, New Mexico, Colorado, Utah,

Nevada and Arizona. In El Paso they visited the bride's uncle and aunt, the Carl Ellisons and Danny.

They are at home here at 412 North Maple. Both are graduates of Muenster High School. He is parts manager at Wilde Chevrolet and she is employed at Jr. Elite dress factory.

Wedding Guests

Wedding guests included the bride's grandmother Mrs. Henry Koelzer and Mr. Koelzer of Fort Worth and the groom's grandmother Mrs. Nick Yosten. Other relatives from a distance included Messrs. and Mmes. Robert Hale Sr. of Dallas, Walter Huchton of Bedford, Kevin Huchton of Fort Worth, Gilbert Yosten and family of Hereford, James Hale, Roger Huchton and Bryan Huchton of College Station.

The rehearsal dinner was hosted by the groom's parents at their home for about 40 guests.

Pre-Nuptial Parties

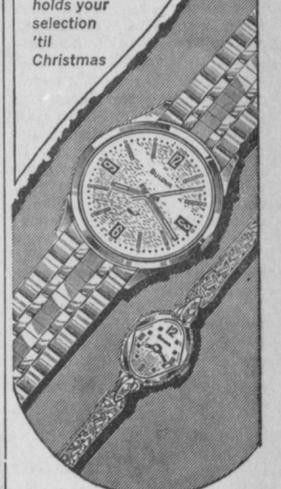

Pre-nuptial parties included a dinner hosted by Carla Trubenbach; a miscellaneous shower at TP&L building hosted by Cheryl Mollenkopf and Flo Hess with corsages for the honoree and mothers and refreshments for 15 guests, a rice bag party with Carla Trubenbach as hostess in her home with a buffet for 15 guests; a surprise wedding day luncheon at the home of Mrs. Albert Henschel with Cheryl Mollenkopf and Flo Hess hostesses assisted by the other bridesmaids with 18 present including mothers of the couple; and a bachelor party for Kenny given by Jerry Yosten and Gary Gieb in the VFW Hall for 20 guests.

ings raised the price to near \$440,000. About a third has been paid to date leaving the present parish debt at about \$300,000.

The exterior is buff brick, matching the color used for the church, high school and Sister's convent. It is surrounded by a sidewalk providing access to entrances at all four sides. The front, facing west, has steps and a wheel chair ramp leading to the entrance. Directly in front of it is the old Parish Hall which is due to be removed and the entire area, measuring almost a half block will become a parking lot.

Principal rooms inside are the main hall and the adjoining cafeteria, about half as large, with a partition of sliding doors between. When used as one room it is three times as large as the old Parish Hall. Other rooms are a meeting room, also with a divider, a kitchen, a combined bar room and auxiliary kitchen, front office, rest rooms and storage rooms.

Dominant material for the walls is spectro glaze tile to a height of about seven feet, and painted heydite tile above that. Floors are white terrazzo with speckles of black and brown, except carpet in the meeting room and tile in the kitchen.

Ceilings are acoustical tile with recessed fluorescent lighting. Air conditioning is provided through separate units for the main hall, the cafeteria, the kitchen and the north group of rooms. Their combined capacity is 87½ tons.

Life would be very simple if more people were willing to be themselves.

bleasing and mounting a crucifix in the school cafeteria followed by special prayers of blessing in each of the rooms.

Emphasizing the German background of the parish, the dinner featured German dishes and old German costumes of waiters, waitresses and the parish choir. The choir presented several numbers and led in the closing hymn "Holy God, We Praise Thy Name."

The program included remarks of appreciation by Father Placidus and recognition of those involved in the building project. They were Contractor Jack Owens and his wife, Foreman Henry Kuhn Jr. and his wife, Architect Al Salem and members of the parish building committee and their wives. The members are Rufus Henscheid, chairman, and Arthur Bayer, Robert Pels, Dick Pagel, Tony Klement, Larry Hennigan, John Pagel, Walter Klement and Ted Henscheid.

Also recognized were Mrs. Rohmer and Mrs. Walterscheid as representatives of the community's beginning.

The new building is a handsome, spacious and functional successor to the old Parish Hall which served the community during the past 68 years. It is the future home of practically all parish events except church services, and will also be available for other gatherings such as meetings, weddings, dances, etc., plus daily use as a cafeteria for Sacred Heart school children.

Measuring 95x137 feet, the building was contracted at a low bid of \$386,944, and the cost of equipment and furnish-

Hornets Are 4th In Tournament at County College

Muenster High Hornets competed with the big boys in the invitation basketball tournament at Cooke County College during the past weekend and came out as the fourth place winner. It was a definite achievement in that the first two opponents were Class AA teams and the other was the always potent Azle team.

In addition MHS had the distinction of placing a player, Randy Wolf, on the all tournament team.

The Hornets drew a bye in the first round of games and took on Sulphur, Okla., of the champ bracket in their first encounter. They won it 60-41, thereby advancing to the champ semifinal with Bowie. After losing that 63-38 they played Azle for third place honors, and lost again by a count of 79-54. So they ended in fourth.

Playing the Sooners, Muenster trailed 10-9 at the first quarter and gained the rest of the way for scores of 26-18, 42-28 and 60-41 ending the next three periods.

Danny Endres led MHS scoring with 18, Tim Felderhoff made 17, Randy Wolf 13, Terry Walterscheid 4, Bobby Endres 4, Kirk Johnson 2, Mike Davidson 2.

The semifinal with Bowie was similar except that the lead went the other way. Ending the four periods, the Jack-rabbits led by scores of 8-6, 29-16, 43-28 and 63-38. Point makers for the Hornets were Randy Wolf 18, Danny Endres 12, Tim Felderhoff 6, Terry Walterscheid 2.

In the third Azle surged to a 36-18 halftime lead and Muenster closed the gap to 51-41 ending the third period, then Azle took off again for the 79-54 win.

MHS scorers were Danny Endres 13, Tim Felderhoff 13, Randy Wolf 12, Terry Walterscheid 9, Bobby Endres 2, Kenny Koelzer 1.

MHS Teams Win Two and Lose One In Trio at Sanger

Muenster High teams took two of a 3 game outing Tuesday night at Sanger. Junior varsity boys went down for a count of 40-22 after which the varsity girls annihilated the Indian maids 71-35 and varsity boys won theirs 61-45. The wins gave Hornets a 7-4 season record and extends the girls' perfect record to 8-0.

MHS girls ran away with their game by scores of 14-6, 36-11 and 57-16 in the first three periods. After that reserves took over and Sanger gained to the 71-35 final count. In doing that the girls had an all around good game. Becky Fields was outstanding in ball handling, Mary Lou Fleitman got 12 rebounds, field goal record was 34 per cent and free throws were 15 of 24.

Scorers were Tracey Klement 20, Sandy Dittfurth 17, Debbie Schneider 16, Becky Fields 16, Charlotte Johnson 2. Also Lisa Mollenkopf, Kim Klement, Mary Lou Fleitman, Gina Felderhoff, Kenya Hale and Gerrie Knabe did fine as guards.

The Hornets were behind 10-8 at the first quarter and jumped to a 23-16 half time lead, then gained again to 42-26 at the third period. With reserves in for the fourth they broke even and ended at the big end of 61-45. Tim Felderhoff and Danny Endres each got 10 rebounds, field goal shooting record was 31 per cent and free throw record was 21 of 39.

Randy Wolf led the scoring with 20. Tim Felderhoff and Terry Walterscheid each made 13, Danny Endres 8 and Bobby Endres 7. Others playing were Kirk Johnson, Mark Stoffels, Glenn Henscheid and Darren Neal.

The junior varsity game went the other way as the young Indians gained steadily to their 40-22 win. Muenster scorers were Kenny Koelzer 6, Terry Lewis 4, Mike Davidson 3, Neil Huchton 2, Kim Walterscheid 2, Nick Walterscheid 2, Neil Walterscheid 2, Mark L. Sicking 1.

This weekend the Muenster girls will participate in a tournament at Cooke County College and the boys will get a rest.

St. Nick Keeps Annual Date with Dangelmayr Clan

Continuing a family tradition of long standing the Tony Felderhoffs and their family and the Bruno Fleitmans and their family celebrated the feast of St. Nicholas on Dec. 6.

Begun long ago when their children were small, the late Mr. and Mrs. Joseph Dangelmayr planned the observance to include the birthday of their daughter Bertha, Mrs. Bruno Fleitman, with St. Nick's visit. Not once has the celebration been missed since then.

This year Mr. and Mrs. Fleitman were hosts in their home for their children and grandchildren and for the Felderhoffs' children and grandchildren.

During the evening St. Nicholas came just as the little ones knew he would with a heavy sack of goodies over his shoulder. Traditionally he asks the children to show that they know their prayers, to answer his questions, and to sing. Grownups joined the kiddoes in singing Christmas carols.

St. Nick then distributed 40 sacks of goodies.

The group sang "Happy Birthday" to Mrs. Fleitman and had refreshments including birthday cake.

Present with Messrs. and Mrs. Fleitman and Felderhoff were the Don Lesters and the A. J. Felderhoffs and family of Gainesville, the J. D. Fleitman, Joe Felderhoff, Sylvan Walterscheid and Alvin Hartman families. Unable to be there but joining in by phone for a little while and wishing Mrs. Fleitman happy birthday were her daughter Janie and family; the Frank Coxes of Houston and the Felderhoffs' son Charles and family of Dallas.

St. Nick left a bag of goodies for the Fleitmans' daughter Blondie who missed the party but arrived from Denver, Colo., the next day.

Jerry Fleitman had called earlier from ETSU, Commerce, to say he would be unable to attend and wished his mother a happy day and year.

MHS Teams Win 1 Lose 3 in Games With Pottsboro

Muenster High's two girls teams won and lost by decisive scores and the two boys teams lost by a single point Monday night in their second four-game series with Pottsboro. In the first preliminary MHS B girls lost 35-14 and in the second local B boys were nudged out 23-22. Then in varsity action the Hornettes had an easy time taking their seventh straight win by a count of 42-30, after which the visiting boys took theirs by a point, 40-39.

MHS varsity girls allowed their visitors 2 points in the first quarter and blanked them in the third for a comfortable lead of 29-12. Reserves took over in the fourth and Pottsboro took up some of the slack. Final score was 42-30. MHS scorers were Deb Schneider 15, Sandy Dittfurth 13, Becky Fields 12, Tracey Klement 2. Guards who kept the visitors under control were Lisa Mollenkopf, Kim Klement and Mary Lou Fleitman. This was the first game in which the Hornettes had team captains, elected last Friday by the team. They are Deb Schneider, Sandy Dittfurth and Mary Lou Fleitman.

The boys game changed leads frequently and the advantage of either was seldom over two points. Pottsboro led 10-8 ending the first period and Muenster 18-16 at the half. Pottsboro led 26-24 at the third quarter, then 40-39 at the end. Hornets can blame their poor foul shooting for the loss. They made only 7 of 17 while the visitors made 10 of 14. Point makers for MHS were Danny Endres 15, Randy Wolf 11, Terry Walterscheid 5, Tim Felderhoff 4, Bobby Endres 4.

B boys, like the varsity, had a hot contest with a see saw last quarter that was not decided until the final whistle. Muenster led 7-6 ending the first period and the visitors led at the other three by 12-9, 18-16, and 23-22.

Hornets scorers were Mike Davidson 9, Lenzy Dyer 9, Kenny Koelzer 2, Terry Lewis 2.

The JV girls did not have a chance as Pottsboro gained all the way to the 35-14 win. MHS scorers were Barbara Klement 11, Shirley Monday 2, Sandy Schneider 1. Guards were Gay Mollenkopf, Karen Barnhill, Debbie Neal and Ruth Walterscheid.

Studio Visitors See Themselves On Channel 2 TV

Visitors touring the local TV studio during open house Sunday had an opportunity to see themselves on television. Alvin Fuhrman, chief engineer and program director, had the cameras on and those who wanted to could see themselves on the screen.

Studio equipment was moved recently from the old high school building to the new parish hall and open house was held in connection with the parish center dedication.

A storage room serves both as the TV control room and storage for equipment. The partitioned west meeting room serves as the studio. Two 1000 watt and three 500 watt quartz floodlights which light up the studio for programs are supported on pipe rails built into the ceiling to be out of the way of other uses of the room.

The control room features the TV and audio control console. An operator can monitor four cameras and select the one that will be transmitted over the 12-mile cable television system that serves Muenster. A one-half inch Sony video tape recorder allows programs to be video taped and replayed into the system.

Rack-mounted FM tuners feed Gainesville radio station KGAF on Channel 2 when the studio is not in use and Stereo 96 Dallas FM station on Channel 7. During church services at Sacred Heart the audio PA system is switched into Channel 7 so that church services can be heard at home. A similar arrangement allows First Baptist Church services to be heard on Channel 2 on Sundays.

The Rev. Bede Mitchel, host for the Father Bede Program, started his sixth year with the first program in the new studio on Monday before Thanksgiving with Father Francis Zimmerer as guest.

The new studio is located convenient to both schools and students from both schools attended by an adult are encouraged to use the facilities.

Sacred Heart speech students taught by Brother Thomas Moster will continue their program after the first of the year Tuesday and Thursday 9 to 9:30 a.m.

You may have a wonderful excuse for your failure but the world pays cash for success.

Illinois Couples Feted While Here

Mrs. Joe Swingler and Mr. and Mrs. Albert Schilling entertained guests from Illinois, December 4 to 9. They were Mrs. Swingler's brother-in-law and wife Mr. and Mrs. Arnold Swingler of Sigel and her sister-in-law and husband Mr. and Mrs. Victor Walk of Neogo, Ill. They are uncles and aunts of Mrs. Albert Schilling and the Walks were houseguests in the Schilling home while the Swinglers were houseguests of Mrs. Swingler.

The Illinois couples spent one day in St. Francis Village, Fort Worth, visiting the priest who married them. He was pastor in their hometown for 27 years, is now retired and is a resident at the Village.

Sunday Mr. and Mrs. Albert Schilling were hosts in their home for a reunion with dinner and supper honoring the visitors.

Joining them and Mrs. Joe Swingler were the Clinton Endres family, the Steve Fettes, the Gene Riggs family from Dallas, and Dale, Nick, Neal and Barbie Walterscheid making four generations present.

Grandma: "Were you a good little girl at church this morning?"

Susie: "Oh yes! A nice man offered me a big plate full of money, but I said 'No, thank you.'"

The average man lives longer today than he did three decades ago. He has to in order to get taxes paid.

"Food prices are ridiculous," the city dweller told the farmer. "Never have farm products cost so much." "You're right," agreed the farmer, "but understand: when a farmer is supposed to know the botanical names of what he's raisin', and the entomological name of the insect that eats it, and the pharmaceutical name of the chemical that kills it, somebody's got to pay for that education."

The boys started with a 4-4 first quarter and dropped back for counts of 18-6 and 23-6 in the next two, then finally made it 34-15. Scorers were Gene Luttmer 7, Jeff Hess 4, Joe Bartush 2, Greg Wilde 2.

"Now that people are conserving electricity, why does TP&L keep building power plants?"

Your wise use of electricity helps you reduce the amount of your electric bills . . . helps TP&L stretch short supplies of natural gas and oil necessary to run power plants . . . and, at the same time, strengthens TP&L's ability to meet current needs of all its customers.

However, wise use alone will not assure that there'll be enough electricity in future months and years. TP&L must build new power plants for two reasons.

Reason One: New customers. On a continuing basis, TP&L must forecast the needs of new customers and, to be ready to meet these needs, begin construction of plants three to five years in advance. For example, in 1973 almost 18,000 new customers requested service and two large generating units which were placed in operation in 1972 helped assure power for their requirements.

Reason Two: The "fuel shift." Within the next five years, TP&L will steadily reduce its dependency on gas and oil for running power plants. Seven generating units designed to use readily available lignite-coal are now under construction and others will be started soon. By 1980, TP&L expects to begin supplying power from a nuclear-fueled generating unit.

Your careful use of electricity and TP&L's continuing programs of planning and building new plants, lines and other facilities are helping assure that there'll be no shortage of electric power in the North, Central and East Texas areas served by TP&L.

 Do you know of anyone or have those in your own home with bad eyesight? They can hear the word of God from cassettes or record albums. Faith cometh by hearing and hearing by the word of God, Romans 10:17. Without faith it is impossible to please God, Hebrew 11:6.
 Maybe you are too busy to read the Bible to the non-readers in your own family. Solve your problem with cassettes or records, and you will enjoy the blessing also as you go about your work.
 Many senior citizens in their homes and other homes would appreciate hearing the Word, but cannot read. They could share the New Testament on tape or record with their aged friends.

"GOSPEL IN A NUT SHELL"
 Children are a heritage of the Lord Psalm 127:3. Train up a child in the way he should go: and when he is old, he will not depart from it Proverbs 22:6.
 Parents you have received your children from God. Have you given them back to Him by leading them to receive Jesus as their Saviour and Lord? There is no greater thrill than to see a child, your child, accept Jesus and the assurance he is a child of God's John 1:12.
 The "Gospel in a Nut Shell" will help you and be a visual aid to the child's understanding as the truth is given.

The gold ribbon stands for heaven where God and Jesus live. They want us all to come live with them John 14:2,3.
 The black ribbon stands for sin Romans 3:23, Ezekiel 18:20, Romans 6:23.
 The red ribbon stands for the blood of Jesus which cleanseth us from all sin I John 1:7b. God knew we could not die for our sin and live again, therefore He sent His Son to die for all the sin of the world Isa. 53:6, II Cor. 5:21, I Peter 2:24.
 The white ribbon stands for the clean person after he has believed Jesus was his substitute in death and receive Jesus as Saviour John 1:12,13. These two verses tell of three gifts God gives to the believer, power to become a child of God, his new family and new birthday. John 10:28 tells why a new birthday, eternal life, the very life that raised Jesus from the dead, has been received. If the child fails to understand ask him to blow on his hand. He did not see that air enter nor come out of his body. God is like the wind John 3:8, and new Life entered his body without being seen.
 Now he is ready to go to heaven, but God leaves him here to grow and the green ribbon stands for growing in grace and knowledge of our Lord Jesus Christ II Peter 3:18.
 The blue ribbon stands for the dedicated life Romans 12:1.

I have a very patriotic land-lord. He foresaw the energy crisis as long as four years ago and he's been cutting down on the heat ever since.

At age 20 we don't care what the world thinks of us; at age 50 we find out that the world wasn't thinking of us at all.

Marine Melvin Luke reported for duty last week at Camp Lejeune, N. C., after three weeks of leave with his parents, the Tony Lukes.

Mrs. Quintin Hess Writes About Life In Broughty Ferry, Dundee, Scotland

Mr. and Mrs. Quintin Hess and children, living in Broughty Ferry, Dundee, Scotland, find life there interesting according to a letter from Mrs. Hess. She writes in part:

We live in Broughty Ferry, Scotland, a suburb of Dundee. It is right on the sea and the sea is about three blocks from our house. We're about eight blocks from downtown. It is a very beautiful place with a lot of old homes that were built in the 1800s and before. There's a castle and a museum for sight-seeing and a lot of shops for buying all sorts of Scottish gifts. They are known for their table linens, bed coverings and carpets. They have the most beautiful carpets, very colorful.

We have an old home with 12 rooms. There are two big public rooms (living rooms) with bedrooms upstairs. We live across the street from a big park and the children love it. All four of them play there on warm-enough days.

The oldest children Billy, 9, and Shelli, 8, go to St. An-

drew's Catholic School. It is a very good school. Of course a few towns in Scotland really load down on Catholics, such as Glasgow. They are mostly Irish descent from North Ireland and their schools are segregated. Catholics go to one and Protestants to the other and they don't mix. It is even dangerous at times.

The mixed football games are getting terrible with fights and the police have to go to all of them to half-way keep peace.

This town is really pretty peaceful. It is very cold now and damp since we are so close to the sea. It rains at least three or four times a week and there's a heavy frost each night.

Quintin works in the North Sea, off the Shetland Islands close to Bergen, Norway. He's with Halliburton Services working on Conoco's Rig Norjarl.

The people here believe all Americans are very rich and have life on a silver platter. Most people here don't make 100 pounds a month and they raise good-sized families on it. Of course, doctors, hospitals and all medical supplies are free. Prescriptions for children are free and not over 50 pence for adults. People are given living allowances for children for milk and cheese and vitamins and most live on what we call welfare and they call government assistance and feel it's right to not work and have it given to them.

The people are the friendliest in the world and most things are very reasonable except that our money isn't worth much. Here \$2.33 1/2 of our money equals one pound of their money.

Meat that we would pay 98 cents for in the states is 98 pence but to us it's \$2.29. For us that is high but to people here it is reasonable. The beef is very good . . . known as the best in the world . . . Aberdene Angus. In closing Mrs. Hess says to tell all their friends hello.

Lens-View

Did you ever see such a variety of opinions on the economic conditions and future outlook of our nation? Each economist has his opinion and the most radical seems to get the most publicity. Some would have us believe we are due to starve along with the rest of the world in a few years. Our highways will be used for bicycles and buses — no cars will be in use. Russia will continue to get stronger while our country gets weaker and may go under. Our dollars will have no value — there will be a universal monetary system based on gold. Its no wonder people get depressed and are so concerned about the future.

We can expect gas rationing or a big tax on gas. A way must be found to keep the Arab nations from bankrupting the industrial nations. Inflation won't be stopped but it is beginning to slow down. For the next few weeks we should forget the gloom and get into the spirit of Christmas. There is so little we can do to solve the world problems so let's hope the men we elected to run our country do their work. After all they are closer to the situation and are just as concerned as we to improve our conditions.

Remember the CDA's 60th anniversary Dance on Saturday night. Music by the Polkatones.

A little old lady who lived upstairs fell and broke her leg. The doctor put it in a cast and told her to stay off the stairs. When he removed

the cast six weeks later, she asked if she could now use the stairs. When he said it would be OK she told him that she was glad because she was tired going up and down the drain pipe.

Garden Club Has Talk on 'Herbs at Christmas Time'

Miss Sylvia Hofbauer, program and yearbook chairman of the Muenster Garden Club was the speaker at the club's annual combined Christmas party and regular December meeting Monday night. She presented a program on "The Role of Herbs at Christmas Time," discussing the practical use of herbs in cooking and baking at holiday time and the artistic use of herbs in flower arranging. She told how to plant and care for herbs for both indoor and outdoor use and also showed how to make a fragrant potpourri by blending several herbs with spices. The potpourri and a dish garden of watercress were door prizes won by Mrs. Paul Endres and Mrs. Victor Hartman.

Mrs. John Mosman presided for the business meeting and led plans for the club's observance of Arbor Day January 17. She appointed to a nominating committee Mrs. Bill Bedrick, Mrs. Harold Flusche and Mrs. Roger Taylor; this group will report at the January meeting.

Mrs. Arthur Endres accepted chairmanship of the club's flower show in May. Members brought gift items for the Child Development Center. The club met in the home of Mrs. H. H. Houtchens with Mrs. John Mosman as co-hostess. A covered dish supper was served to twelve members and one guest, Mrs. Richard Pagel who was welcomed as a new member.

Christmas decor included a decorated tree, a table arrangement using votive lights with greenery and flowers and poinsettias in a room divider. Serving tables were centered with candles and holly.

Next month's meeting will be in the home of Mrs. B. J. Swirczynski with Mrs. Wayne Richards as co-hostess. County Agent Neil Tibbets will speak on "Plant and Tree Diseases."

Why some men marry is a mystery. When a man takes two or more wives it's a big-mystery.

Essay Contest - - -

\$100 first prize and a beautiful trophy. In addition to the grand prize in the state, there will be regional winners and trophies for fifteen other essay writers. Bayer urges every Vocational Agriculture Instructor in the three-county district along with all the English Instructors to use this essay contest as an incentive in urging their students to write a good composition as well as strengthen the student's mind in the field of soil, water and plant conservation.

This thought-provoking subject will enable the participant to have a better knowledge of conservation and its importance. Students are urged to start now and send entries of 300 words or less to J. H. Bayer, Route 2, Muenster, Texas 76252, prior to January 31, 1975. The essay must have the entry's name, address and name of school plainly written on the front page or attached thereto. This does not jeopardize Texas Interscholastic League eligibility.
