VOLUME XXXVII

MUENSTER, COOKE COUNTY, TEXAS 76252 AUGUST 30, 1974

NUMBER 41

Congressman Omar Burleson's report this week reveals the alarming fact that our Senate has passed a bill to re-impose sanctions against Rhodesia and the House of Representatives will be voting soon on the same bill. Purpose of the sanctions is to ban all trade between US and the small South African nation.

As a background to this issue we need to recall that sanctions were first imposed in 1966 by the United Nations under a provision in the UN charter saying that such action shall be taken if the Security Council finds that a country "imposes a threat against international peace and security."

How this ruling could have been applied to Rhodesia defied all understanding at that time, especially when nothing was said or done about the real trouble makers like Russia, North Vietnam and Communist China. Actually such communist nations were principally responsible for the vote of sanctions by the UN. United States voted along with the red countries and by presidential order imposed a ban on US business with Rhodesia soon after the UN action.

The ban remained in effect until nullified by an amendment to the Defense Production Act in 1971. Reason for the congressional action was that chrome ore, the principal export product of Rhodesia, is urgently needed in the US. It is essential to the manufacture of stainless steel, which is used extensively in a great variety of products including equipment for national defense. Congressmen wisely decided that we must not be dependent on a potential enemy for a material that is essential to national defense. They were also influenced by the fact that the chromium price had doubled during the five years that US had to buy it from another source.

Ironically, our new supplier was Russia, which ignored the sanctions it had promoted against Rhodesia and bought the chrome ore in vast quantities — then doubled the price before selling to the U.S. Our nation was in the absurd position of paying an exorbitant price to a potential enemy for a vital defense material. Our lawmakers were prudent in removing the ban in 1971. Since then we have been dealing directly with Rhodesia, and the price has been right.

In view of those conditions it becomes most difficult to understand the attitude of the Senate in its recent decision to boycott Rhodesia, which actually amounts to renewing our dependence on Russia for vital material and also exposing ourselves to a renewal of price gouging.

When the sanctions were first imposed in 1966 there was a great howl in the UN about the injustice of a country that is 95 per cent black being run by an all white government. Of course the country was given no credit for being the most peaceful and prosperous in Africa, or for the fact that Rhodesian people were well pleased with the arrangement. What little friction there was came from outside agitators, not the Rhodesians.

The unjustified complaint was made all the more ridiculous by the very evident hypocrisy of the people who fanned the accusing flames. Russians and their many red stooges insisted that representation in government should be proportional to population, but the world knows that this principle does not apply in any of the red countries. If sanctions are in order in Rhodesia they should apply also to the red countries and most of the other African countries where governments took over by intrigue and conquest rather than election.

A dominant influence in the US vote for sanctions against Rhodesia was Britain, which vowed to ruin the little country for its successful declaration of independence from England. Considering our own country's background, one should expect us to be very sympathetic toward Rhodesia. But, abandoning our own principles, we fell in line with England and the red countries. We have had ample time since then to see our folly of 1966 and our wisdom of 1971. That's why it is so hard to understand that the old mis-

Jaycees Will Have Chicken Fry Sunday

Muenster Jaycees are completing preparations this week for their twelfth annual big community cook-out in the city park. After eleven years of serving catfish, they are being different this time and will head their menu with fried chicken.

The event is booked for Sunday evening, with serving to begin at 6 o'clock. However other attractions such as beer, soft drinks and carnival type concessions will start about 4:30 o'clock.

Along with the fried chicken the menu has coleslaw, potato salad, baked beans, bread, butter and iced tea. Ticket price "for all you can eat" will be \$3.00 for adults and \$1.50 for children under 12.

The supper is another benefit affair to raise funds for the chapter's number 1 project, the park improvement program which started several years ago and receives additional attention every year.

If weather permits the latest improvement will be on

display for the party Sunday. It is a pedestrian steel bridge crossing the creek almost due south from the swim pool entrance. It was finished this week by Flusche Enterprises in time for installation before the supper, but work has been held up by rain since Tuesday. The bridge is 50 feet long, 46 inches wide, has an arched steel floor, side guards of 4 foot chain link fencing and turnstiles at each end. It leads to an area cleared and sodded by the Jaycees earlier this year.

Another sizeable project is construction of combination rest rooms and pavilion. Plans for it were firmed up considerably last week when the Jaycees obtained the city council's permission to build and started on plans and bid data with a view to qualifying for financial help from Texoma Regional Planning Commission.

The improvement program started with clearing out small trees and brush, filling in a gully and planting carpet grass. Additions since then include a pair of tennis courts with lights and chain link backstops, picnic tables, concrete platforms, barbecue grills, repairs to playground equipment and general fix up and paint up. The city has cooperated by providing much of the material, paving the driveway and installing mercury lights.

Tiger Teams Win In Scrimmages With Pottsboro

The Sacred Heart Tigers looked fine in their first test of the new football season. Both the varsity and the junior varsity won by a touchdown in scrimmages with the Pottsboro teams last Thursday night.

Method of the scrimmage was to give each team a turn of 15 plays at offense, then repeat the procedure. In the first round both of the varsity teams as well as both junior varsity teams failed to score. In the second round each of the Sacred Heart teams made a touchdown while holding Pottsboro scoreless. Mark Hess did it for the varsity with a 10 yard burst, and Robert Hartman succeeded for the junior varsity with a quarterback sneak on the final play of his team's possession.

Coach Bob Steele was delighted with his boys' achievement. He said they showed good progress in both offense and defense, and, more important, they showed good physical condition — a payoff for weeks of voluntary work in pre season conditioning. From the start they were more aggressive in blocking and tackling, and toward the end they were still going strong when the opposition showed signs of tiring. Special-ly commended were Ricky Walterscheid, J. T. Pagel, George Luke, Roger Endres and Bruce Fuhrmann.

The Tiger coach finds additional satisfaction in the fact that his teams were the winners in spite of a lower classification by UIL standards. Sacred Heart is in Class B whereas Pottsboro is in A and due to be promoted to AA at the next re-classification.

Next action for Sacred Heart is a scrimmage with Alford's Bulldogs here Friday night. A week after that they'll open their season with Era on the Tiger field.

SH School Repeats Policy on Free and Low Price Meals

The program of free and reduced price lunches for children of needy families is in effect again at Sacred Heart School, according to an announcement this week by Father Placidus Eckart, superintendent.

Notice of the program along with a scale of family income criteria in relation to size of family has been sent with students to their parents. Families which can qualify under that scale are invited to apply for the free or reduced price lunches for their children.

Provisions are made also in the case of families which have incomes above those specified on the scale but face higher than normal expenses. Such exceptions are high medical bills, shelter cost in excess of 30 per cent of income, special educational expense of a handicapped child, and casualty or disaster losses.

People who can qualify are invited to fill out application forms which were sent with the information sheets and send them to the principals, Sister John and Sister Georgia, who will review applications and determine eligibility. If a person is not pleased with the ruling it may be referred to Father Placidus for further consideration.

Information received on an application form and the identity of children receiving the program's benefits will be kept confidential. Also no child will be discriminated against because of race, color, sex or national origin.

Mrs. William Fette Of Kilgore Dies

Mrs. William Fette, a former resident of this community died Tuesday in her home at Kilgore following a long illness, and funeral services were held there Thursday at 10 o'clock.

The deceased was the former Miss Rena Schnitker, a native of Iowa who came here with her parents in the early nineteen hundreds. She was married to William Fette on January 31, 1912. The couple was engaged in farming for several years, then in oil field teamster contracting. Shortly after their move to Kilgore in 1930 they quit the teams and entered the trucking business. Mr. Fette died on Jan. 3, 1960.

Survivors of Mrs. Fette are a son, Irvin of Kilgore, two daughters, Mrs. V. O. Henderson of Kilgore and Mrs. Jack Tucker of Corpus Christi and a number of grandchildren and great-grandchildren. Also a sister, Mrs. Alfred Schumacher of Wichita Falls.

Hornets to Meet Nocona Indians In Practice Play

MHS Hornets expect to get a sample of their season's toughest competition Friday night at Nocona as they take on the big Indians in their second and last pre-season practice scrimmage.

Unlike last week, when they encountered the Class B Panthers, they compete above their rating this time. Nocona a district foe of Muenster for four years has been promoted to Class AA. And it will have most of last year's team which lost a close one, 27-21 to the Hornets last year. It means that both teams will have many of the previous players along with a year of growth and experience.

Another measure of Nocona's ability is its good showing against Frisco last week. It led in the statistics as well as the scoring. Coach Neal expects the practice to be fruitful to both his Hornets and the Indians.

The evening is due to be full of football. Starting at 7 p.m. there will be 60 plays for the junior varsity and 120 plays for the varsity. That's expected to take at least twice as long as last week's meeting with Saint Jo which lasted only an hour and fifteen minutes.

The Hornets pulled through that one without an injury and since then Randy Barnhill has joined the squad. Player count now is 46.

Gets BS Degree

Miss Karen Sicking, daughter of Mr. and Mrs. Leo Sicking, received her BS degree in physical therapy and a certificate in the fourth annual commencement of the School of Allied Health Sciences of the University of Texas, Health Science Center of Dallas, on Sunday, Aug. 18, third highest in her class of 30. She has been working in Houston and San Antonio and the Caruth Rehabilitation Center in Dallas. She will be on the staff at Presbyterian Hospital in Dallas. Attending the graduation program were her parents, brothers Dan and Dean Sicking, joined there by a sister and brother-in-law Mr. and Mrs. Jim Fights and son Keith of Denton.

25th Annual Grass Judging Contest Set for October 1

The 25th annual grass judging contest sponsored by the Upper Elm-Red Soil and Water Conservation District will be held Tuesday, October 1. The date was set in a meeting of district directors with other agricultural workers of the district.

It will be held in the Community Center Building in Gainesville. Registrations will start at 1 p.m. and the judging at 2. It is open to all 4-H and FFA chapters in the three counties of the district. Directors hope to have at least ninety boys competing.

J. H. Bayer, board chairman, said that the contest, which was started in 1950, has been interesting and useful to all of the boys. It is unique in that it is based on a knowledge of fifty plants growing on farms and ranches of the district. These plants are identified by name and classified according to grazing value, wildlife value, annual or perennial, native or introduced, cool or warm weather growing plant. It would be purely accidental to make a high score by guessing. Students who score high study and practice before the contest to learn the characteristics of common plants of the area. That information can be helpful later in life, particularly to those who will operate farms.

The contest will be held in two divisions — the junior division for first year agriculture students and the senior division for the more advanced students. Four students may participate on a team and the three highest individual scores are combined for the team score. Each school or 4-H club is invited to enter a team in each division.

After the contest members of all teams and their coaches will be supper guests of the district directors. As that time awards will be presented to the winning teams and the individual high scorers.

Tigers-Bulldogs Scrimmage Looks Like a Toss-up

After gratifying results in their first scrimmage last week at Pottsboro, the Sacred Heart Tigers are getting set for their second try-out Friday night. They'll face Alford's Bulldogs in that tussle, starting at 7:30 p.m., on the Sacred Heart field.

According to Coach Steele's estimate, this should be a good match. The Bulldogs, after losing only a few by graduation and gaining by a season's growth and experience, are rated as tougher than the outfit which was runner-up in last year's 7-B race. Another indication of power was their 1 to 1 tie last week with Boyd. As Steele sees it, the signs point to lots of good experience for both of the teams.

People who come to see are promised lots of action taking up more time than the average game. Actually there will be three separate matches. First teams will start it with 15 plays each on offense and defense. Second strings will be next, also with 15 plays on offense and defense. And then the third teams will have 10 each on offense and defense. That's a total of 80 plays in the first half. Same program applies to the second half.

Two minor casualties from last week will be out of the action Friday, however they should be ready for the first game a week later. Scott Felderhoff has a sprained ankle and Chris Sicking has bruised back muscles.

Honor Society Meets

Muenster Junior High Honor Society met Monday, Aug. 26, with its new sponsors Rudy Koessler and Mrs. Nancy Perryman. Business included election of a vice president to succeed Mike Richardson who moved this summer. Sam Bright was elected. Other business included discussion of projects and plans for an assembly concerning the American flag.

Car Wash Saturday

Sacred Heart High juniors have announced they will sponsor a benefit car wash Saturday, Aug. 31, on the school grounds from 9 a.m. to 3 p.m.

83 Pints Donated to Muenster Blood Bank

By the slim margin of only three pints, the Muenster community again topped its quota in a semi-annual collection for the local blood bank. The quota was 80, for which 89 donors reported and 83 were accepted.

The occasion was the regular visit of a bloodmobile from the regional Red Cross blood center of Wichita Falls. This Community is one of 26 included in the regional system. Each of those areas is supplied by the system and each in its turn provides blood for all the system. The quota of each is determined by average use of the community during a half year.

David Bright, hospital administrator, was pleased to see the community top its quota, but also disappointed that it fell so far below the previous collection of 114 pints. A big factor in the difference was that about 50 students aged 17 responded then but only half as many this time. Hopefully more will have reached the acceptable age by time of the next collection.

Eagerness to go over the top in the collection results to

a great extent from local appreciation of the program, which enables the hospital and local people to save substantially on blood transfusions. The hospital avoids a high storage fee and a patient does not have to pay for the blood. It is donated, so the only cost of a transfusion is the services of collection, packaging, storage, transportation, etc. Persons eligible are patients of the hospital and residents of the hospital district who receive a transfusion in another hospital.

Included with the donors were ten gallon club members, persons who have given a total of one gallon to date. Six of them reaching their goal at this collection are Butch Fisher, John Yosten, Mrs. Raymond Walterscheid, Wayne Klement, Dan Hamric and Harold Bindel. The others are Ray Walterscheid, Dolphy Hellman, Ben Fleitman Jr., and Dickie Pagel.

Technicians of the Wichita Falls blood center were in charge of the collection. They were assisted by Billie Johnson, lab technician, Joan Walterscheid and Aileen Cler, registered nurses; Gloria Stoffels and Lou Ann Shaw, graduate nurses; and Lola Bright, student nurse.

Also helping were the following members of the Muenster Hospital Auxiliary: Loretta Wimmer, Joaline Henscheid, Shirley Grewing, Kaye Pagel, Cecilia Wimmer, Della Hellman, Betty Rose Walterscheid, Carolyn Bayer, Carol Henscheid, Jo Ann Pagel, Juanita Bright, Margie Starke, Gladys Lutkenhaus, La Christa Krahl, Louise Trubenbach, Kathy Berres, Dorma Flusche, Theresa Walterscheid.

Hornets, Panthers Meet Thursday in First Grid Action

The score was tied at one touchdown each but the Hornets were decisive winners in other categories of the practice scrimmage Friday night with the Saint Jo Panthers on the Hornet field.

The visitors got their score on a pass interception and 85 yard gallop by Curtis Goff, and the hosts made theirs on a steady drive from mid field.

On two other occasions the Hornets seemed to be on their way. Starting from the Panther 49 they made two first downs and were stopped abruptly in the next series by the interception and long return.

Next time they started from their 30 and made four successive first downs for 52 yards before fumbling the ball away on the 18.

Otherwise Muenster dominated the action. It gained 137 yards in rushing and made 9 first downs. The visitors had a net yardage of minus 5 and made one first down. Neither of the teams completed a pass. The method of scrimmage was to start on the 30 and allow three downs to make a first down. If the series failed the ball was advanced 40 yards in lieu of a punt and the other team got its three tries.

Starting the tussle Saint Jo made one first down out of its first four possessions and Muenster made none on its first three. Then, eventually, the Hornets got organized. They made two first downs before being stopped by the interception. Next time they made four first downs and fumbled, then went all the way. Principal ball carriers were Tom Bright, Darren Neal and Mark W. Sicking. Bright went over for the score.

The evening started with a test of the junior varsity teams, in which the Hornets led the scoring as well as the statistics. They made two touchdowns whereas Saint Jo made none, also were ahead 108 to 8 in net yardage and 5 to 1 in first downs.

The young Hornets started their first scoring drive after the Panthers fumbled on their first series. Gary Hermes and Jim Koelzer did most of the ball toting as the drive went 33 yards in nine plays. Hermes went over from the 1.

The next time Saint Jo failed on its first series and the ball was given to the Hornets on their own 38. The drive used 7 plays to make the distance and overcome one five yard penalty. Big gainers were 21 and 28 yard runs by Hermes and 14 by Bryan Sicking. Sicking plunged over for the last yard.

After that Saint Jo made its only first down, a gain of 15 on one run and fumbled on the next series. Then a dead-lock developed. Muenster failed to move on two series, Saint Jo on one.

J. Monday Heads Quarterback Club

The Muenster Quarterback Club, getting set for another football season, held an organizational meeting Monday night in the MHS field house.

It elected John Monday as president for the year, Clifford Sicking as vice-president, and Ronnie Wimmer as secretary-treasurer-reporter.

A report stated that line markers for the football field, authorized early in the year, have been received and installed. There are 22 circular plastic signs of black numerals on a yellow background with spring supports allowing them to resume position after being bent over. They have numerals at both sides and are erected on both sides of the field, on the goal lines and 10 yard intervals.

The club voted again to sponsor the printing of football programs for the Hornets' home games. They are soliciting advertising on the back of the program to finance their project.

Next meeting will be Tuesday night at 8 in the MHS auditorium.

Masters Degree

Mrs. Tommy (Glenda) Kennedy, daughter of Mr. and Mrs. I. J. Davidson, Route 1, Muenster, received her masters degree in counseling and guidance from North Texas State University in summer commencement on Aug. 17. Glenda and her husband Tommy make their home in Houston where he is a journalist for the Houston Post and she teaches in Spring Branch High School.

Fritsch Comes to Muenster Hospital

Tony Fritsch, place kicker of the Dallas Cowboys, is the latest member of that team to come to Muenster Hospital for treatment to correct a football injury.

He was brought here by Dr. Marvin Knight, team physician, with a torn ligament of the left knee sustained in last Saturday's game with the New Orleans Saints. He underwent surgery Wednesday.

Greetings from Abroad

Alice Hellman sends greeting from Bulgaria after leaving Jugoslavia August 15. She adds it's a beautiful country especially the drive along the Adriatic. She will be going to Rumania and Hungary before completing the tour.

Week's Rainfall Measures 3.33

A total of 3.33 inches of rain during the past week was the most abundant rainfall Muenster has had in many months, topping in one week the measures of seven of the past eight months. The only exception to the previous extended scarcity was 4.96 inches in April.

A number of small rains accounts for the week's total. Readings on Steve Moster's gauge were .04 on Friday, .03

on Saturday, .67 on Monday .33 on Wednesday, .93 Thursday at 7 a.m. and 1.33 later Thursday. Combined with 1.18 earlier in the month it brings the August total to 4.51 inches and the year's total to 15.38.

As a result the moisture condition is greatly improved and points to better grazing plus a possible hay cutting in the near future. However it comes too late for most of the

years' crops. Also it still leaves Muenster behind other North Texas communities, some of which are above average for this time of the year.

The present total of 15.33 is more than 8 inches below the local 10 year average, also less than half of last year's 33.08 through August. Driest on the 10 year record here for the 8 months was 10.95 in 1972. Wettest was 33.57 in 1968.

Jesse Kuykendall is still a patient in the Bowie hospital at this writing. Am told he is some better.

The Reynolds family held their annual family reunion Sunday August 18 in the Bowie National Bank Community Room. Myrtle McMillion reports a nice bunch of folks showed up.

Mr. and Mrs. Jim Barnett, Dewey, and Mr. and Mrs. Tony Vann and Toby enjoyed an afternoon in the Gainesville park August 18. Seems it was Tony's birthday so Uncle Jim treated them all to dinner out that p.m.

Lisa Boyd reached the ripe old age of 11 years Tuesday August 20. On Sunday August 18 her mother honored her with a party at their home. Guests were Nema Barnett, Cleta Reynolds, Eula Belle Boyd, Channa Brewer, Wesley Reynolds, Jeff Carter, Mashelle and Chad Hudspeth and Leslie Jones. They were treated to refreshments of punch, soft drinks, ice cream and cake.

Guests of the L. C. McMillions, Dewey, August 18 were his sister and family Mr. and Mrs. A. A. Harrison, Paul and Betty Joyce of Wichita Falls. Messrs. and Mmes. Kenneth Reed, Jr. and C. C. Edwards all of Sunset were visitors Aug. 17.

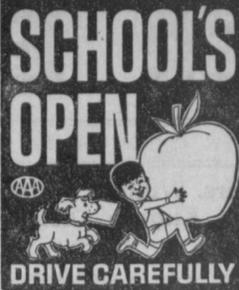

Mr. and Mrs. Gerald Lanier vacationed in Ruidoso from Aug. 15-18. They took in the horse races. Guess Gerald meant it when he said a few years back he never would go on another vacation with the three boys. They stayed home with grandmother Cleo Lanier. Seems they met up with some other Forestburgers at Ruidoso — the Jack C. Dills and her sister and husband Mr. and Mrs. J. T. McCandless of Matador.

Visiting with the V. A. Greenwoods recently were Mrs. Claudine Martin of Denton, the Robert Jones of Alvord, Mrs. Janie Greenwood and children Janyce and Rodney of Pilot Point.

Mr. and Mrs. Larry Bailey and family of Denton were guests of his mother Mrs. Juanita Bailey August 18.

George Berry of Montague and George Donald Berry and daughter Sandra of Bryan visited the Allen Taylors Aug. 20.

The Methodist folks have had a guest minister in the pulpit the past two Sundays. He is Rev. Wilson (retired)

rest, relax and also to recuperate from an illness — the Denham abode and Forestburg area.

Mr. and Mrs. J. J. Pipkin and Rachel Reynolds of Bowie were guests of Myrtle McMillion Aug. 22.

On Friday, August 30 at 7 p.m. there will be a Pioneer Benefit Supper at the Forestburg Community Center. Charges are \$2.00 per adult and \$1.00 for children under 12. The money is to be used to restore the log cabin in the burg. It has been suggested that you wear your pioneer type clothing if you so desire.

Don't forget the Uz homecoming Saturday, Aug. 31 down on the creek past Mrs. Mollie Howell's house. Dinner to be served at 2:30 p.m. Everyone is invited — so bring your basket lunch and have fun.

Mr. and Mrs. Jerry Boelter and Phyllis and Mr. and Mrs. Ken Jordan all of Arlington were guests of Mrs. Boelter's mother Decie Ellzey Aug. 24. Another guest of Decie's that day was the former Helen Poynor of Gainesville.

The Wylie Edwards family of Dewey attended the Cooke County Fair in Gainesville August 24.

"Will there be enough electric power to meet my needs next month? Next year?"

Shortages and predicted shortages of electricity in various parts of the country are causing many people to wonder, "Will there be enough electric power to meet my needs next month? Next year?"

Texas Power & Light wants its customers to know what it has done, and is doing, to maintain adequate and dependable electric service.

TP&L surmounted a critical situation in November and December of 1972 when unusually cold weather caused an abnormally high demand for energy for heating. Two natural gas suppliers curtailed deliveries to the Company to the extent that nearly 10 million gallons of fuel oil were required to operate power plants. On an around-the-clock schedule, truck convoys kept plants supplied with oil. During 1973, in anticipation of possible further gas curtailments, the Company increased its oil storage capacity to some 42 million gallons at its generating plants. An additional 42 million gallons of storage capacity is now under construction.

To improve and assure its supply of natural gas, TP&L is participating in exploration and drilling for gas and developing storage reservoirs in East Texas.

Because of the sharply rising costs and uncertain future supplies of gas and oil, TP&L and other electric utility companies in the Southwest are shifting to lignite — a form of soft coal — as a power plant fuel. TP&L has acquired major deposits of lignite in East and Northeast Texas. Two lignite-fueled units are already supplying electricity to TP&L customers, seven other units are now under construction and an eighth unit will be started soon. One or more lignite-fueled units is scheduled to go into service in each of the years from 1975 to 1980.

However, even all the new lignite-fueled plants the Company can build will not be sufficient to meet anticipated future electric needs of TP&L customers. So, in 1972, TP&L, Dallas Power & Light and Texas Electric Service announced plans to build a nuclear-fueled plant. The first unit of the plant is expected to be in operation in 1980 and the second in 1982.

Planning and building generating plants, keeping plants supplied with fuel and doing the hundreds of other things necessary to produce and supply electric power is a complex and costly job. You can be confident that Texas Power & Light will continue doing what must be done to assure you a dependable supply of electricity in the years ahead.

Golden Years Club Group Is Together For Noon Luncheon

Members of the Golden Years Club, friends and neighbors made a large group at the home of Mrs. Dick Cain Saturday for a covered dish luncheon which was followed by entertainment. Special guests were the Rev. and Mrs. M. M. Otwell and daughter of Gainesville who were in charge of the program. They brought their musical instruments and played and sang before and after the meal.

Mrs. Lonie Freeman of Forestburg, accompanied on the piano by her cousin Miss Ella Hildebrand of Gainesville, sang a special request, "God Wiped the Tears from My Eyes," and other numbers. The group joined in singing several old hymns with Mrs. C. J. Fette leading her request "The Old Rugged Cross."

The club welcomed a new member, Mrs. Charles Knauf. Something else new added to this club of many years is a chaplain — the Rev. Otwell and his assistant Mrs. Otwell — who will add much to the organization with spiritual leadership and their musical talent. They were unanimously elected by those present.

The next meeting has been scheduled for Sept. 28, same hour and same place. New members are invited.

Susan Endres and Mark Metzler Are Married at Mass

Miss Susan Marie Endres of Dallas and Mark Phillip Metzler of Denton exchanged marriage vows here Saturday in a double ring ceremony at Nuptial Mass in Sacred Heart Church with Father Stephen Eckart officiating at the 5 p.m. service.

Daughter of Mr. and Mrs. Raymond R. Endres Jr., the bride is a graduate of Sacred Heart High and is employed at Olive Thomas Haircutting in Dallas.

Son of Mr. and Mrs. Gerald Metzler of Lindsay, the groom graduated from Lindsay High, attends NTSU in Denton, and is employed at Electronics Data Systems in Dallas.

Presented by her father, the bride wore an original creation of candlelight organza over peau de soie designed and made by her mother. The gown featured a high neckline, sheer bishop sleeves, with

deep lace cuffs and a high-waisted circle skirt that swept into a cathedral train. Bodice and hemline were heavily adorned with hand-clipped Alencon lace encrusted with seed pearls. The bride's double-tiered veil was train length held by a band of lace and seed pearls. She carried a cascade of yellow roses and baby's breath.

For something old she wore a gold locket belonging to her mother and for something borrowed carried a rosary belonging to the groom's mother.

Bridal Attendants
The bride's five attendants were her sister Miss Rachael Endres of Dallas, maid of honor, with Miss Sally Endres, Mrs. Dennis Taylor of Plano, also sisters, Mrs. Leon Klement and Miss Debby Metzler, sister of the groom, bridesmaids.

They were identically gowned. Their bright lemon yellow organza dresses were high waisted with V necklines, short puffed sleeves and full flowing skirts with long sashes. They were made by the bride's mother. The quintet completed their costumes with white straw hats with yellow velvet ribbons, and each carried a single long-stemmed Wolburn Abby rose with flowing yellow ribbons.

Kristin Taylor of Plano, niece of the bride, was flower girl, her gown a miniature duplicate of the bride's attendants. Her hair was tied back with yellow ribbon. Jerry Metzler was his brother's best man. Robert Hundt, Don Metzler, a cousin, Pat Endres and Roy Metzler, brothers of the couple, were groomsmen. Ushers were Glenn Beyer and Tim Endres, a brother.

Chad Hooten of Dallas was ring bearer. Kenneth and Robert Hartman and Gary Henscheid were Mass servers. Yellow and white mums and gladioli decorated the altar.

Wedding music was provided by Dr. Martin Kralicke, vocalist and Miss Mary Lou Kralicke, organist and guitarist.

How Husband, Wife and Two Children May Have Insured Accounts Totaling \$280,000

Individual Accounts:

Husband	\$20,000
Wife	\$20,000
Child Number One	\$20,000
Child Number Two	\$20,000

Joint Account:

Husband and Wife	\$20,000
Husband and Child Number One	\$20,000
Wife and Child Number Two	\$20,000
Child Number One and Child Number Two	\$20,000

Revocable Trust Accounts:

Husband as Trustee for Wife	\$20,000
Husband as Trustee for Child Number One	\$20,000
Husband as Trustee for Child Number Two	\$20,000
Wife as Trustee for Husband	\$20,000
Wife as Trustee for Child Number One	\$20,000
Wife as Trustee for Child Number Two	\$20,000
Total	\$280,000

The same grouping of insured accounts can be arranged for a grandfather, grandmother and two grandchildren, instead of for husband, wife and two children.

In the example shown, actual title to each account must be in the name of the account holder named. Each co-owner of a joint account must personally execute a signature card and must have equal withdrawal rights. We will be happy to advise you on compliance with the insurance regulations.

Mrs. Felix Becker Celebrates 82nd

Mrs. Felix Becker had help celebrating her 82nd birthday Tuesday night when her children were hosts for a party including a fried chicken supper with all the trimmings. There was a birthday cake made by Mrs. Alphonse Hoenig and birthday gifts from those attending.

Present were the Alois Sickings and family of Gainesville, Leo Becker, the Alphonse Hoenigs, the Joe Sickings and family and the Victor Hartmans, Mrs. Joe Vogel, the Wilfred Walterscheids and Wilbert Vogel.

The Vincent Beckers visited by phone with his mother. They moved recently from Silver Springs, Maryland to Olney, Maryland.

All were pleased that the honoree has recovered from illness that put her in Muenster Hospital for medical care.

Buy, sell, rent with the Enterprise Want Ads.

After returning from their wedding trip the couple was honored at an open house at the Enchanted Gardens in Cedar City on July 12. They are at home in Boise, Idaho, where he has accepted employment. He is a 1974 graduate of the University of Utah with a master's degree in civil engineering. The bride attended Southern Utah State College majoring in business education and dance. She has been president of the Dance Club, a cheerleader, vice president of the Business Club and has worked as a secretary.

Fannings Join in Family Reunion

Mr. and Mrs. Earl Fanning and daughter Tammy were among relatives attending a reunion of her family, descendants of Mr. and Mrs. J. A. Brown of Clinton, Ark., who also were there to celebrate their 60th wedding anniversary. It was their first all-family reunion and was held in Cameron Park at Waco on Saturday, Aug. 17.

The Browns have four children and all were present. They have ten grandchildren. The dinner table held the decorated anniversary cake.

The Fannings' children Kevin and John of Corpus Christi and Dennis of Houston met them there.

Mr. Brown's only sister flew in from Los Angeles to attend. She's 80 years old. His only brother who lives in Waco also was present.

Walterscheid-Beck Nuptial Ceremony Performed in Utah

Miss Cynthia Ruth Walterscheid, daughter of Mr. and Mrs. Leonard Walterscheid, former Muenster residents now of Moab, Utah, was married there July 6 to Thomas Paul Beck. He is the son of Mr. and Mrs. Paul Beck of Cedar City. The bride is a granddaughter of Mrs. August Walterscheid of Muenster.

The double ring candle-light ceremony was performed in the Community Baptist Church.

Presented by her father, the bride wore a gown of crystalline with daisy lace trim. The empire bodice with long lace-cuffed sleeves had a high lace neckline. The flowing skirt ended in a lace-edged flounce. Her mantilla style veil was edged in matching lace and extended into a chapel train. She carried pink carnation, red roses and stephanotis showered with burgundy streamers.

Bride's five attendants included her sister Miss Dianna Walterscheid, sister-in-law Mrs. Tommy Walterscheid and the groom's sister Miss Karen Beck. They wore empire gowns of flocked floral sheer in pink with pink picture hats accented with burgundy ribbon. They carried baskets of burgundy satin roses and pink flowers.

The groom's attendants included Mike, Leonard and Tommy Walterscheid.

Mothers of the couple wore pink formals, Mrs. Walterscheid's chiffon and Mrs. Beck's knit.

A reception followed the service. The wedding cake was of three separated tiers, centered over a fountain of burgundy water and surrounded by four heart-shaped sweet-heart cakes at the base.

Swimming Meet Is First of MHS Intermural Events

About 70 girls of Muenster High School and Junior High participated Tuesday night in their first intermural event of the 1974-75 school year. It was a swimming meet of six teams, each composed of a high school and a junior high group.

The intermural meets have been set up by Athletic Director Donald Neal as a part of the PE program at the public school. Other meets are planned in flag football, bowling, basketball, tennis, softball and track.

Six teams were chosen in high school and as many in junior high, and one of each combined for the swim meet. In junior high are the Stingers, Dodgers, Bombers, Dumpers, Mob and Born Losers. In high school are Streakers, La Chicas Grandes, Schlitz Specials, Go Getters, Hot Shots and Super Six.

The meet included eight events with points awarded to the six front performers in the order of 10, 8, 6, 4, 2 and 1. And when team scores were added the results were Mob-Streakers 71, Stingers-La Chicas Grandes 55, Dodgers-Schlitz Special 50, Bombers-Go Getters 38, Dumpers-Hot Shots 23, Born Losers-Super Six 11.

First three places in each event were as follows. Beginners Free Style, Janel Escobedo, Michelle Reid, Kenya Hale; Beginners Back Style, Shirley Monday, Laurie Hermes, Beverly Trubenbach; one Pool Length, Milissa Weinzapfel, Katie Fisher, Darlene Klement; Two Pool Lengths,

Barbara Klement, Milissa Weinzapfel, Becky Fields; Four Pool Lengths, Lisa Reiter, Laura Sicking, Lou Dyer; Back Stroke, Barbara Klement, Mary Fisher, Darlene Klement; Free Style Relay, Bombers, Mob, Stingers; Medley Relay, Streakers, Bombers, Dodgers.

Lindsay News

LINDSAY — Kenny Bezner has been dismissed from Caruth Rehabilitation Center in Dallas and is continuing therapy at the home of his parents, the Joe Bezners Jr. They brought him home after a weekend with his aunt and uncle, the Bob Youngs in Dallas. The Bezners were returning from a five-day vacation trip to Louisiana where they visited her mother Mrs. Alfonse Herbert in Morrore and stopped to see nun friends at Iota.

Joan, Arnold, Diane, Martha and Denise Fuhrmann and their cousin Tommy DeFrance had a weekend visit in North Little Rock, Ark., with their sister and cousin Betty Fuhrmann. She is doing hospital work there.

Mrs. Paul Arendt Jr. celebrated her birthday at an outing and barbecue chicken dinner at Sycamore Lake. Family members were with her and friends joined for visiting in the afternoon.

New residents for Lindsay are Mr. and Mrs. Mike Tanner and baby son. They're occupying the former John Neu house which the Charles Heilmans vacated when they moved to Myra.

Mr. and Mrs. Paul Kubis and Toby have returned to Houston after a visit with parents and grandparents, the Albert Kubises here and the Wilfred Reiters in Muenster. Paul and family moved to Houston recently from Baton Rouge, La., on transfer by his employer the Squibb Co.

Mr. and Mrs. William T. Pearson have named their infant son Jeffrey Dean. He was baptized by Father Bede Mitchel in St. Peter's Church assisted by Rose Kupper and Bob Fuhrmann, aunt and cousin of the baby as godparents. Christening dinner was held in the Pearson home.

Mrs. Roy Hellinger was honored at a layette shower when her aunt Mrs. Cliff Easley of Marietta, her cousin Penny Ullman of Thackerville and her sister Linda Geray entertained in the home of her mother Mrs. James Geray. Cake and punch, nuts and mints were served to 30 classmates, other friends and relatives who attended the come and go party between the hours of 2 and 4. Mothers of the couple Mmes. Joe Hellinger and James Geray and grandmother Mrs. Margaret Geray were special guests.

Kyle and Kirk Graham have much to tell their Lindsay High classmates about their tour of Germany. With their parents the Bill Grahams, the twins saw many historic places and came within 20 miles of the town of Hildesheim where the boys were born. They were a bit disappointed not seeing their birthplace but were happy to see the area. They visited in East and West Berlin, took a cruise down the Rhine River, toured the Dresden china factory, visited Olympic City, toured Bonn, crossed into Switzerland and went up the Bavarian Alps.

Hillcrest Manor News
 Gifts of homemade bread Friday and cookies Sunday were treats for the Home's residents and staff.

Will Montgomery, 93, former resident of the Home was back Sunday afternoon for a visit with his brother ROBERT and sister NORA THOMPSON. He made the trip from Saint Jo with a nephew and his wife.

John Deering of Myra was showing off the handsome trophy he won as best dressed in the rodeo parade at Gainesville County Fair. After giving all the details to his wife NELLIE he took the trophy from room to room for other residents to see. He was best dressed in the parade wearing his Indian chief costume.

REEVE COOKE went visiting and had visitors Sunday. He was a dinner guest of Mr. and Mrs. Raymond Davidson and in the late afternoon had as visitors a nephew and wife, the Noble Halls of Irving.

Residents and staff miss JAKE PAGEL who is a patient at Muenster Hospital with rib fractures sustained in a

Trio Returns from 2100 Mile 6 State Sight-seeing Trip

Mrs. Margaret Sicking and daughter Miss Theresa Sicking of Gainesville, accompanied by Mrs. Lena Zimmerer of Lindsay, have returned from a sight-seeing vacation trip that took them over 2100 miles covering six states: Oklahoma, Missouri, Illinois, Kentucky, Tennessee and Arkansas.

Mrs. Sicking collected cups and saucers to add to her collection and rocks of which she also has a collection. Miss Sicking added glasses to her collection. They also took roles of pictures.

Leaving August 4 they drove through country badly in need of rain. Parts of Oklahoma were dry and hot. But the Ozarks are something different. The scenic drive is beautiful and St. Elizabeth's Church at Eureka Springs is one of a kind. It is rated as one of top ten attractions in America. Entrance is through the bell tower and stairs lead down to the church proper. From the churchyard one can see the beautiful statue Christ of the Ozarks atop the mountain. The church interior has beautiful statues almost life-like. Outside are the stations of the cross sculptured by an artist in Italy.

Next was Silver Dollar City, Mo. for fun time in spite of a pouring rain which Mrs. Sicking defied by getting around well in her wheelchair. One of the highlights was a train ride on the Frisco Silver Dollar Line which uses steam-powered passenger trains. It takes passengers on a scenic trip through the Ozark countryside with views of Mark Twain National Forest and Table Rock Lake. An added feature is a "train robbery" acted out like the real thing in the old days.

The next day they returned for more looking — watched candy making and soap making the old-fashioned way, and watched cloth being weaved. From there to Branson, Mo., and attendance at the play "The Shepherd of the Hills." It's a true life story of the Ozark pioneers with a cast and staff of 50 native Ozarkians. The two hours passed too quickly. Mrs. Sicking attended in her wheelchair.

Their next trip was the scenic drive through Missouri, part of Illinois and Kentucky. The corn crop seemed lost from heat and drought but in Kentucky, bean and tobacco crops looked fine from enough rain.

The trip continued over the Mississippi and Ohio River Bay into Tennessee and Opra Land. In Nashville the three attended the Grand Ole Opera, rode the train around Opera Land, and listened to Western singers. Mrs. Sicking in her wheelchair again was the center of attention with people stopping to visit and chat and not quite believing that she is 93, going on 94. Always people were kind and helpful.

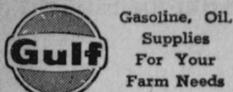

Other worthwhile sights were an animal show, the Roy Acuff Music Museum showing all the western singers, Dixieland Patio and Grinders Switch Grandfather House with a waterfall and many beautiful flowers. And another night at the Opera.

Back at their motel Miss Sicking called a girl friend, Lorena Hollman and she came to visit the next morning, had breakfast with them and reviewed the news since their last visit ten years ago.

On the way home they stopped at Hot Springs, Ark., and at Texarkana looking through the rain. It was so heavy they had to stop driving for a while.

fall from a golf cart Aug. 18. His son Jerome also took a tumble, hurt an ankle. Gainesville Hillcrest Church of Christ conducted Sunday afternoon services at the home with scripture reading, sermon and singing.

**Davenport Boosts
Trickle Irrigation**

Gene Davenport of Cooke
County Electric Co-op headed
last week's meeting of the
Woodbine Community Im-
provement Club with a pro-
gram on trickle irrigation.

He pointed out advantages
of the trickle system over the
sprinkle system, particularly
that it needs only half as much
water and involves less work.
He said that trickle will ma-
ture tomatoes 20 days earlier
besides increasing yield by as
much as 50 per cent. Also that
it is recommended for fruit
and pecan trees.

**Livestock, Poultry
Producers Eligible
For FmHA Loans**

Financial assistance to live-
stock and poultry producers
under the Emergency Live-
stock Credit Act is through a
new loan guarantee authority
of the Farmers Home Adminis-
tration (FmHA), a rural credit
service of the U. S. Depart-
ment of Agriculture.

Stanley M. Reed, FmHA
County Supervisor, said the
agency is prepared to imple-
ment the recently-enacted law
by guaranteeing up to 80 per-
cent of possible loss on loans
made by legally organized
lenders to livestock and poultry
producers.

Under terms of the act, the
loan guarantee program will
be in effect through July 25,
1975. It may be extended for
6 months beyond that date if
the Secretary of Agriculture
determines that it is needed
to help the livestock industry
obtain sufficient credit.

The law calls for loans to
be made by banks or other
legally organized lenders. Mr.
Reed said producers are urged
to make applications to, and
complete loan arrangements
with lending institutions. The
lender in turn will ask FmHA
for a loan guarantee if one is
required. The lender will pro-
cess the application, close the
loan and service it.

The maximum loan to any
single borrower that can be
assisted by an FmHA guaran-
tee is \$250,000. Loans may be
repayable in 3 years, although
renewal for 2 years may be
authorized. Interest rates are
determined between borrower
and lender.

Mr. Reed said the agency is
authorized to guarantee up to
80 percent loss a lender may
incur on loans to bonafide
farmers and ranchers who
breed, raise, fatten or market
beef and dairy cattle, hogs,
sheep, goats, chickens and
turkeys. A majority of the
borrower's income must come
from the operation, and a
majority portion of the bor-
rower's time must be devoted
to the livestock or poultry
production.

In the case of a corporation
or partnership, assistance can
be extended only when the
majority partners or stock-
holders are primarily engaged
in the livestock or poultry
production.

FmHA guarantees will be
made only when the bonafide
farmer or rancher cannot ob-
tain financing without a guar-
antee. Loans will not be
used to expand operations.

Mr. Reed said the county
FmHA office serving the area
where the borrower's livestock
or poultry operations are con-
ducted will handle requests
from lenders for guarantees,
or supply information on the
loan guarantee program.

The FmHA Office serving
Cooke County is located in
room 215, Federal Building,
Gainesville, Texas 76240.

**Joyce Neu and Michael Bengfort Plan
Wedding for September 28 at Lindsay**

LINDSAY — Mr. and Mrs.
Charles Neu announce the en-
gagement and approaching
marriage of their daughter
Miss Joyce Debra Neu and
Michael Joseph Bengfort, son
of Mr. and Mrs. Leonard Beng-
fort.

The wedding is planned for
September 28 and will be
solemnized in St. Peter's
Church at 5 p.m. Father Hu-
bert Neu of Arlington, uncle

of the bride, will officiate.
Miss Neu is a 1974 graduate
of Lindsay High and the fu-
ture groom is a 1972 graduate
of Lindsay High. He is em-
ployed by Leonard Bengfort
Construction. They plan to
make their home in Gains-
ville.

Open 10 a.m. to 5 p.m.
Closed Sun., Mon., Tues.

**Anniversaries Are
Marked at Reunion
Of Hennigan Kin**

Three wedding anniversar-
ies were observed Sunday at
a reunion of the Fred Hennig-
an Sr. family in Muenster
City Park. The parents and six
of their seven children and
most of their 30 grandchildren
were present.

A covered dish dinner at
noon was followed by visiting
and swimming and concluded
with supper before reunioni-
ng broke up.

Anniversary honorees were
the Fred Hennigans Sr., No.
44 for them on Aug. 26; the
Larry Hennigans, their 15th
on Aug. 29; and the Felix Pel-
zels, their 15th on Aug. 22. The
Pelzels, of Pilot Point, missed
the celebration. Last minute
illness prevented them from
attending.

Present with their families
were Messrs. and Mmes. Ar-
thur, Larry, Donald and Jerry
Hennigan and Victor Sicking
and Fred Hennigan Jr. and
children.

Also present were Fred's
brother and wife the Tom
Hennigans of Wilson, Okla.,
and Mrs. Hennigan's brother
Richard Wimmer. The Tom
Hennigans spent overnight
with the Fred Hennigans Sr.
and returned home Monday
afternoon.

34 Expected to Die in Labor Day Traffic in Texas
Colonel Wilson E. Speir, director of the Texas Department of Public Safety, today estimated that traffic accidents in Texas over the Labor Day Weekend will claim 34 lives.
Speir noted that traffic deaths in Texas, which earlier were running up to 30% under the 1973 toll, have been rising throughout the summer months. He said the upward trend is related to heavier traffic and an alarming disregard for the 55 mile speed limit.
The DPS director said every effort would be made to prevent accidents and deaths by placing all available DPS troopers on duty during the holiday period which extends from 6 p.m. Friday, August 30, through midnight Monday, September 2.
Speir noted that many local law enforcement agencies will be cooperating in the all out effort to make the streets and highways safe.

Health Department Gives Safety Tips For Bike Riders
With arrival of the new school year the State Health Department sends out information and causes of bicycle accidents and tips on avoiding them.
Some of the more common bike violations, not in order of frequency, are: Failure to yield right of way to a motorist; Riding in the center of the street; Speed too fast for condition of traffic or road surface; Disregard of traffic signs and signals; Improper turning.
Some of the good habits of bike riding are: Keep the vehicle under control with both hands on the handlebar and not going too fast or too far; Develop skill in riding to avoid mistakes that might cause an accident; Be familiar with laws on bicycling and observe them; Ride on right side of the street with flow of traffic NOT on left facing traffic; Use hand signals; Don't carry passengers; Don't hold to or attach in any way to a moving vehicle; Always ride single file; Refrain from trick riding or jumping over obstacles.

Annette Sicking Is Shower Honoree
Miss Annette Sicking, bride-elect of William Rowton, has been honored with two shower parties in Dallas where she is a registered nurse at St. Paul's Hospital.
A personal shower was held in the home of Miss Linda Fisher with Mrs. Larry Gobble of Farmers Branch as co-hostess. They served refreshments after gifts were displayed.
Relatives and friends attended. Guests included Mrs. Leo Sicking of Muenster, mother of the honoree, Mrs. Kenneth Rowton of Honey Grove, mother of the future groom, and sisters of the honoree, Mrs. James Fights of Denton, Miss Sharlene Sicking of Wharton and Miss Karen Sicking of Dallas.
A miscellaneous gift shower was held at the home of Mrs. Frederick Slaughter and was attended by Annette's friends from the Fourth Floor Intensive Care Unit at St. Paul's Hospital. After gifts were displayed the hostess served finger foods and punch to 25 guests.
Miss Sicking and Mr. Rowton will be married here Saturday, Aug. 31, in Sacred Heart Church at 5 p.m.

Sammy Fleitman, 5 Birthday Honoree
Sammy Fleitman, five years old Tuesday, Aug. 20, celebrated at a morning party for which his kindergarten classmates were guests at school. His mother Mrs. J. D. Fleitman provided decorated cup cakes, balloons and candy for the group of 25 youngsters and their teacher Mrs. Arthur Williams.
In the evening Sammy and his parents and brothers Doug and Jon celebrated again by going to Cooke County Fair and seeing sights including the tractor pull.

HARD FACTS ABOUT OUR DODGE BOYS' 1974 MODEL CLEARANCE.

DODGE PICKUP CLEARANCE!

FACT 1: DODGE PICKUPS HAVE FEATURES YOU CAN'T GET FROM COMPETITION. CHECK 'EM OUT!
Any way you want to compare our Dodge D100 against Ford's F100 and Chevy's C10—you'll find out you're a winner when you choose Dodge! For example: Only Dodge offers you Electronic Ignition (standard on all models), a greater standard payload, more pickup models, the smallest six-cylinder engines (as well as the efficient Dodge 318 V8), the largest standard fuel capacity—and much more.

FACT 2: OUR DODGE 318 V8 CAN GET SLIGHTLY BETTER GAS MILEAGE THAN A FORD OR CHEVY SIX-CYLINDER PICKUP!
In an actual road test from LaVerne to Blythe, California (a distance of 381 miles), at an average speed of 54 mph, USAC put six competitive pickups through the test: a Six and V8 each, Dodge, Ford, and Chevrolet. All pickups were purchased by USAC through normal retail channels. All had standard manual transmissions and rear axle ratios, as well as nominal eight-foot cargo boxes.
The Dodge 318 got slightly better mileage than the other two V8s, as well as the Ford and Chevrolet six-cylinder engines! Our 318 V8 got 18.78 mpg. Our 225 Slant Six did even better—19.05 mpg. Of course, the mileage you get depends on many factors, including how and where you drive, and the condition of your vehicle.
Sanctioned and results certified by United States Auto Club.

THE DODGE BOYS

Sicking Home Is Scene of Reunion
The home of Mr. and Mrs. Wilfred Sicking was the scene of a get-together of some of her family Thursday evening, Aug. 22, when the group joined there for a covered dish supper.
Special guests were Dr. and Mrs. James Walter and children Alan, Rachel, Annah and Sarah of Hammond, Ind., who were back for a visit the first time in two years.
Others present were Mr. and Mrs. Keith Clegg, Mr. and Mrs. Bill Graham and sons Kyle and Kirk, all of Gainesville. Pictures were made.
The James Walters spent Thursday overnight at the home of his parents, the Joe Walters at Gainesville and visited Friday and overnight with his sister and family the Aubrey Chapmans in Dallas before returning home.
The Joe Walters returned Friday from a trip to Germany. The Grahams and sons returned recently from a tour of Germany.

Freshman at VMI
Joseph A. Bright, son of Mr. and Mrs. David Bright, is listed as one of 360 fourth classmen (freshmen) at the opening of the 136th academic session of Virginia Military Institute this week. The new students have a week of orientation in cadet life before starting their class work. Joe's brother, David, will be a junior at VMI this year.

Winning Motorcyclists
Wes Powell, with two first places and a fourth, was the big winner in races at Red's Motorcycle Speedway near Collinsville Sunday. He was first in the open class, first in the grand finale and fourth in the 250 cc class.
Another Muenster entry receiving a ribbon was Alan Miller, second in the 100 cc class.

BETTER LIGHT BETTER SIGHT BUREAU STRESSES THE NEED FOR A STUDY PLACE WITH GOOD LIGHTING TO MAKE HOME STUDY EASY... SUCH A STUDY LAMP WILL BEAR THE ABOVE CERTIFIED TAG OF APPROVAL.

All Benefit from Small Calculators

Growth of the hand-held calculator market is a classic story of free competitive enterprise in action. Seemingly, everyone connected with this young product is a winner — the investors, the manufacturers, the workers, and, best of all, the customers.

Such calculators first became popular in 1965 when the average price was \$200. Frost & Sullivan, Inc. of New York, a market research organization, says the average price was \$80 last year and predicts that the average price for calculators will be \$35 by 1976 and \$25 by 1980. What's more, today's calculators are better, more reliable, and perform more intricate mathematical functions.

Continued growth is said to be virtually certain because the low prices will make them more accessible to junior and senior high school students and housewives.

Frost & Sullivan also predicts future extensive use of calculators which feature metric conversions as the United States embarks on metrication.

David T. Wendell of David L. Babson & Co., Inc., Boston, Mass., cites industry sources which estimate that demand doubles each time prices drop 24 per cent.

What's more, it's nice to know that it won't cost as much to figure inflationary price increases in most other products.

Local News BRIEFS

Mr. and Mrs. Herb McDaniel visited Sunday with his sister Mrs. Gertie Turnham at Gainesville. The Turnhams' soldier son R. C. Turnham, his wife and children were visiting there. The previous Sunday Mr. and Mrs. McDaniel were also at the Turnham home to join in a family reunion. Others present included Mr. and Mrs. Clemon Smith, children and grandchildren of Gainesville, Mr. and Mrs. Pete Martin and family of Dallas and Mr. and Mrs. Alfred Turnham of Nacogdoches. From there the McDaniels went to Mrs. Hubert Wilde's home to visit her and while there they had as surprise visitors Sister Mary Beatrice Bergman, her niece and husband the Dean Debricks who came from Kansas City and took Sister Mary Beatrice to Mission, Texas, where she will

teach this year. She is Mrs. McDaniels' niece.

Wendell Richey of Gainesville, son-in-law of Mrs. Dick Cain, entered Gainesville Hospital Sunday afternoon for X-rays and observation.

Miss Darlene Hess who was graduated from NTSU, Denton, in May and who spent the summer with her parents, Mr. and Mrs. Ray Hess, has gone to Dallas to be employed. She's at the Apparel Mart as a Metro sales representative. Her parents took her to Dallas and helped her get settled in her apartment.

Miss June Stoffels who has been employed at the Crimp and Snip Beauty Shop here has gone to Dallas to work in a beauty shop there.

Mrs. Bruno Fleitman, joined by her daughter Mrs. Sara Lester of Gainesville, was in Dallas one day visiting with their daughter and sister Janie, Mrs. Frank Cox of Houston between flights at D-FW Airport.

Mathews Photographer announces the following winners at their Cooke County fair drawing: Russell Guffey — 16 x 20 oil, Gary Sutton — 16 x 20 Natural Color. Other winners were Bobby Don Doty, Gina Pate, Diedre Sherrill, Cathy Hays, Lesa Hacker, Herbert Weatherly, Mrs. G. M. Boydston, Rhonda Mayers Debra McLaughlin, Steven Bailey, Mrs. W. R. Lee, Clem Claxton, Sue Finley, Gladys Beam, Mrs. Lloyd Prescher and Kathy McLeRoy.

Mr. and Mrs. Quintin Hess and children Bill, Shelly, LaBecka and Chris left for Aberdeen, Scotland, where he will be working for Halliburton Oil Co. on a two-year assignment. They flew from D-FW Airport with stop-overs in Chicago and London. Before leaving Gainesville they visited his parents Mr. and Mrs. Gary Hess here and spent overnight with Quintin's brother Dale and family at Lewisville who saw them off.

Stephen Hammond of New York City is here for a few week's visit with his grandparents, the Lou Wolfs. They met him at D-FW Airport on his arrival.

Sister Patricia Ann Zimmerer who spent a week visiting her parents Mr. and Mrs. Raymond Zimmerer returned to Jonesboro, Ark., Sunday. On Saturday she accompanied her mother and her aunt Mrs. Lawrence Zimmerer to Arlington to attend a CCD workshop for teachers in St. Matthew's Parish. Mr. and Mrs. Joe J. Neu went along and

spent the time with their son Father Hubert Neu who is pastor there.

Five local boys have gone to Subiaco, Ark., to attend Subiaco Academy. They are Brent Hess, Roger Haverkamp, Gregory Knabe, Billy Huchton and Nickie Stoffels, sons of Messrs. and Mmes. Arthur Hess, Bernard Haverkamp, Harold Knabe, A. J. Huchton and Mrs. Meinrad Stoffels.

Guests of Mr. and Mrs. Frank Rauschuber Saturday to Thursday this week were his sisters, Mrs. Angela Grier and Mrs. James Leggett and Mr. Leggett of San Antonio. They also visited other relatives here and went to Lindsay to see kin there.

Mr. and Mrs. Rafe McElreath joined their son-in-law and daughter Mr. and Mrs. Floyd White at Sunday evening services at Grand Avenue Baptist Church in Gainesville and afterward the four were supper guests of Mr. and Mrs. Larry Vogel at Myra.

Club Officers Are Elected for Term At Muenster High

Muenster High School students have elected club officers to serve during the new term.

Future Homemakers of America, meeting Friday, Aug. 23, elected Mary Lou Fleitman, president; Margie Wolf, vice president; Lisa Mollenkopf, secretary; Nancie Lippe, treasurer; Connie Walterscheid, reporter; Gerrie Knabe, parliamentarian; Kenya Hale, historian; Milissa Weinzappel, pianist; Deb Schneider and Diane Klement, sergeants-at-arms; Diane Yosten and Cheryl Hermes, song leaders; Mrs. Judy Flowers, adviser.

JETS, at their meeting Monday, Aug. 26, named their officers as follows: Thomas Bright, president; Mary Lou Fleitman, vice president; Timmy Felderhoff, secretary; Glenn Henscheid, treasurer; Connie Walterscheid, reporter; and Gary Chisam and Mrs. Nancy Perryman, advisers.

National Honor Society officers elected Aug. 21 are Thomas Bright, senior, president; Lisa Mollenkopf, senior vice president; Kim Klement, junior, secretary-reporter; Charlotte Johnson, senior, treasurer; Gary Chisam, adviser.

Election was by a new standard. Officers must maintain a grade average of at least 92.

Other members are Sandy Dittfurth, Timmy Felderhoff, Mary Lou Fleitman, Jim Grewing, Glenn Henscheid, Leo Lutkenhaus, Ray Luke, Randy Wolf and Diane Yosten, seniors; Johnny Eckart, Becky Fields, Kirk Johnson, Monty Reiter, Margie Wolf and Connie Walterscheid, juniors.

Plans Discussed By PTO Committee

Muenster PTO executive committee held its monthly meeting Monday, Aug. 26, in Muenster Hospital with Mrs. David Bright, president, opening with prayer and presiding. Chairmen of the various committees gave their reports and the main items of business were discussion of the concession stand at ball games and the agenda for the September meeting.

The program for September will feature a forum topic on the dress code at Muenster Public School and a pep performance by the Junior High. Robert McDaniel, parliamentarian, reported that a constitution is being drawn up and that it will be presented at the next meeting.

A family with an income of \$11,000 a year has the same purchasing power as a family with an income of \$5,000 a year in 1949, The Conference Board reports.

It pays to advertise with the Muenster Enterprise.

a good bank connection is a handy asset

whether you have plenty of money or sometimes less than enough

In good times, or when they're not so good, one key to sound management of your financial affairs is choosing the right bank. We try to be the right bank for everyone who chooses us.

Muenster State Bank

Serving the financial needs of this area since 1923.

Lens-View

If you have had Watergate to the gills and are ready to turn to drink the next time some fatuous television announcer mentions "the crucial March 21st conversation," take heart. There is a silver lining to the whole thing.

Consider: No matter what happens in the next few months, some things are certain. For instance, there will not be any Nixon schools, highways, parks, office buildings, libraries or stadiums. But still . . . imagine all the dedications that will not take place. All the asinine speeches recalling those wonderful days of high purpose and firm leadership. There will never be a week when you open your magazine and see a picture of Tricia breaking a champagne bottle across the bow of the nuclear carrier Nixon.

And that goes for memoirs. Nixon may get a book contract from somebody — Agnew did — but what can he say? Is he going to give us an inside look at his White House? Fat chance. So there is a book you won't have to read.

OK, then, how about all the honorary degrees that Nixon will not get and commencement speeches he will not give? Magazine articles with glossy pictures of a vigorous Nixon in retirement that will simply not appear? That's something. And there won't be weeks of suspense every four years while the country waits with bated breath to see whom Nixon endorses for the nomination.

What you remember from the lips of Richard Nixon are: "You won't have Nixon to kick around anymore."

"But it would be wrong."

"There can be no whitewash at the White House."

And the one for immortality, the one that will be his epitaph:

"I am not a crook."

The Muenster Jaycees' annual cook out will be a chicken fry. It'll be at the City Park Sunday and serving will begin at 6 p.m.

Golf is a torture that reminds all men of their imperfections.

An example of modern progress is that every year it takes less time and more money to get where you're going.

Letters to the Editor

In the Enterprise of August 23 you hit the nail on the head when (in Confetti) you gave a sharp and honest evaluation of what has caused and is causing the dreaded inflation. Just one single word: GREED.

I've often stated publicly that as a priest I can deal with love and sympathy with those guilty (yet repentant) of adultery, drunkenness, etc., but I am nauseated when it comes to deal with those whose hearts and souls have been hardened against any sympathy or tenderness of any kind by greed and miserliness.

Christ again and again has thundered against the evils of over-love of money and possessions, but those guilty are deaf and willfully blind to the terrific responsibilities that always accompany the administration and use of things that God has loaned to them.

I pray that none of my relatives or close friends become very rich, since there are relatively few wealthy persons who share generously, till it hurts, for the explicit glory of God and abundant and merciful aid and consolation of one's needy fellowmen.

For a millionaire to give \$5000 to charity is like a poor man giving 5 cents out of \$10. (Figure it out yourself.) God bless you all!

Father Bede O.S.B.

John Schmitz, 88 Birthday Honoree

John Schmitz, 88 on August 19, celebrated his birthday Sunday at a dinner party in the home of a son Leonard Schmitz and family in Dallas. His eight children and members of their families were present including four generations for a total of 57 along with other relatives and friends.

The covered dish dinner included eight birthday cakes.

Attending were Mr. and Mrs. Martin B. Theimer of Oklahoma City, Johnny Schmitz and family and Freddie Schmitz of Gainesville, Leroy Schmitz and family and Rosalie Cox of Dallas, the Al Horns, Ray Wildes and family, all of Muenster and the host family.

Also the Buster and Mike Beznars and Mike Sturms of Gainesville, the Chris Cains and Mrs. Dan Wilde and daughter Melanie of Muenster, and a nephew Walter Beznar of Dallas.

The honoree received a shower of birthday gifts.

The Men In Service

Begin Navy Training

Four Muenster young men, Terry Huchton, Glenn Grewing, Gary Barnhill and Louis Koelzer have reported to Orlando, Florida, for training at the Navy Recruit Station. They enlisted last April and were called to report Aug. 19. Their parents are Messrs. and Mmes. A. J. Huchton, Steve Grewing, Raymond Barnhill and Earl Koelzer.

At New Station

Since ending their leave at home with their parents, the Raymond Zimmerers, Sgt. and Mrs. Clifford Zimmerer are settled in Omaha, Nebraska to make their home. He is on duty at Offutt Air Force Base there.

Hospital Notes

The following patients were dismissed during the past week at Muenster Hospital.

Tuesday, Aug. 20: Mrs. Rosa Becker, Mrs. Jerry Sadler and baby girl, Mrs. Robert Tuggle and baby boy, Muenster, Mrs. William Echols, Mrs. Milford Héllinger, Mrs. Zula Monkres, Mrs. Shirley Alexander, Albert Gilbert, Gainesville.

Wednesday, Aug. 21: Mrs. Hazel Robbins, Mrs. Ronald Olson, Mrs. Tom Pierce, Gainesville; Mike Wilson, Denton.

Thursday, Aug. 22: Cecil Raney, Myra; Carla Schmitz, Lindsay; Al Bayer Gainesville; Jessie Goff, Saint Jo.

Friday, Aug. 23: Mrs. William Smith, Muenster; Mrs. Mildred Biffle, Myra; Daylo Pettitt, Gainesville.

Saturday, Aug. 24: Mrs. Ada Robinson, Mrs. Gene Davenport, Mrs. Donald Gilbreath and baby girl, Gainesville; Kenneth Caplinger, S a v o y; Jami Sicking, Tulsa, Okla.

Sunday, Aug. 25: Thomas Elder, Muenster.

Monday, Aug. 26: James Yosten, Muenster; Mike Johnston, Forestburg; Mrs. Carlos Wilcox and baby boy, Mrs. Jim Morgan and baby boy, Gainesville.

Ray and Damian Luke were at Fort Sill, Okla., during the past weekend attending a regional conclave of the Boy Scouts' Order of the Arrow.

Ray is chapter chief of Area 2-A, which includes Muenster and Gainesville. On Sunday other members of the Dan Luke family saw the sights of Fort Sill, Mount Scott and the Wichita Wildlife Reserve.

Ed Clerks Return From 7 State Trip Seeing Places, Kin

Mr. and Mrs. Ed Cler returned from a month's car trip — July 24-Aug. 21 — sight-seeing and visiting through seven states enroute to Washington and bringing their daughter Miss Christi Cler of Seattle back to Texas with them.

First stop was at Beaver Crossing, Neb., with Mrs. Phoebe Huffman, grandmother of their daughter-in-law Mrs. Gary Cler. Then the Bad Lands, Black Hills, Mt. Rushmore and Custer State Park in South Dakota, on through the Shoshone National Forest into the east gate of Yellowstone and after visiting there out of the north gate into Spokane, seeing the Lehnertz Brothers Don, Dave and Claude and into Seattle July 29 to be houseguests of the Gary Clerks.

The next day they celebrated Gary's birthday at a dinner party at the Elk's Club and visited his wife's people the Sculleys. Christi had joined them for the celebration and made some of the side trips with them. These included Mt. Ranier, Deception Pass, Whidby Island, Hurricane Ridge, Olympic National Park and seeing a soccer game. They also visited Pioneer Square, made an underground tour of Seattle, toured Gary's workshop, had a night cruise and party on a yacht and then spent three and a half days on a ranch at Twisp, Wash. They had crossed the North Cascades to get there and return, enjoyed fishing in the lakes and picnicking. On the way from Twist they also drove the White Horse Mountains covered with ice slides, some over six feet tall.

On the way home they visited Multnomoth Falls, Oregon, Salt Lake City, Utah, Grand Junction, Colo., National Monument, and Indian Cliff dwellings at Mesa Verde, then headed for Texas.

While they were away Mrs. Tommy Youngblood and six children stayed at the Cler farm with her brothers. They left Sunday after first enjoying a visit with a sister and husband, the Danny Wyatts and Julie of Fort Worth who spent Sunday, Christi accompanied the Wyatts to Fort Worth for a visit.

Christi was honored at a farewell party by co-workers of the beauty shop where she was employed before she left Seattle and Mrs. Cler attended with her daughter.

BIRTHS

Mr. and Mrs. Robert Voth of Gainesville are proud first-time parents of a daughter, seven and a half pounds, born Monday, Aug. 26, 5:45 p.m. at Gainesville Hospital. Mrs. Ruth Branch of Gainesville is elated over her first grandchild. The other grandparents are Mrs. Vina Voth of Muenster and Joe Voth of Gainesville.

A Cake for Teachers

A beautiful angel food cake was a treat for teachers of Muenster Public School who have birthdays in July and August. It was presented in the teachers lounge by Mrs. James Walterscheid. Honorees were Donald Neal, birthday July 25; Mrs. C. O. Cash, Aug. 7; Mrs. Roy Hartman, Aug. 11; and Mrs. Conrad Walterscheid, Aug. 26.

Visiting last week with the Andrew Schoechs were their son and wife the Glenn Schoechs of Dallas who soon will be leaving for Commerce where they are both seniors at ETSU, and Miss Carolyn Schoech of Dallas who will continue study at TWU in Denton.

Plans Revealed by Kappa Theta for Coming Benefits

Kappa Theta Chapter of Epsilon Sigma Alpha is planning ahead for coming philanthropic projects and has revealed the winner of the ten-speed bicycle given away at the County Fair. Miss Patty Smith, Rt. 1, Gainesville, is owner of the bright blue bike.

The bike project raised funds for Camp Sweeney Diabetic Center for Children. About \$175 was raised and placed in the trust account of the Gainesville camp. Anyone wishing to donate is invited to contact Mrs. Bob Stele.

Another benefit for Camp Sweeney will be the Our Little Miss Pageant, sponsored again this year by Kappa Theta.

Still another project slated for this year is the "Million Dollar Bike Ride." It is scheduled for Sept. 29 to raise funds for St. Jude's Hospital for treatment and cure of leukemia. This year Epsilon Sigma Alpha hopes to reach its goal of one million dollars set two years ago.

Work continues on Lindsay's new post office. It will contain 1067 square feet of net interior floor space and is located on the west side of FM 1199 adjoining Town Hall.

Confetti - - -

take has been repeated by one legislative body and may be repeated by the other.

One has to wonder whether this is one of the prices of detente with Russia. To maintain friendly relations do we have to entrust reds with control of a material we absolutely must have? And do we have to pay twice as much as it would cost elsewhere?

"Every baby resembles the relative who has the most money."
