VOLUME XXXVIII

MUENSTER, COOKE COUNTY, TEXAS 76252 OCTOBER 4, 1974

NUMBER 43

Since it lays no claim to economic expertise this column will not say the administration has goofed in proposing to fight inflation by imposing a tax of 10 to 20 cents a gallon on gasoline. All it can say is that it's most difficult to understand how still higher prices can do anything to relieve the strain of prices that are already too high.

As a conservation measure this idea may be all right. In fact it may be advisable, in view of the possibility that the Arabs may put on another and worse shutdown. Reason warns us to be careful while waiting for self sufficiency. But how does it relieve inflation? Presumably fewer gallons will be bought when the price goes up, but at those prices, it is likely that the total spent for gasoline will be as much as now, or more. So, how can it avoid adding to the inflation spiral?

The second objective, to bring in more tax revenue, is equally unattractive. It is suggested that this revenue be used to finance federal programs, such as public service employment. It sounds as if Washington expects a depression and is already looking for a way to cope for it.

Before cheering this idea we need to realize that a big reason for inflation is government spending. Conversely, it would seem that a way to relieve inflation is to reduce the spending. Instead of looking for more money to spend America should start slashing the budget. And in addition it should make greater efforts to reduce expenditures that are already approved. The rule ought to be to save whenever and wherever possible. That makes sense regardless of whether it violates tradition on the Potomac.

First of all this ought to apply to government people themselves. They could set a great example by declining for the duration to pay raises they have already approved for themselves.

By doing that they could become qualified to suggest sacrifices by other people. And this, along with sacrifice in government, is what the country needs to work its way out of the mess.

A few days ago the news disclosed that a few businesses, anticipating price freezes, had just upped their prices drastically. They wanted to assure a good profit in case regulations can't be avoided, even though they know as well as we that such action is the making of inflation.

This column thinks it is high time to explain the situation to the American public. Present dilly-dally tactics seem to suggest that we have no problem, or if so, that a person's only concern is to take care of himself.

Well, it's a lot more serious than that. Inflation is here and it's headed for disaster at its present rate. Washington shirks its duty by declining to tell just how serious this is. And it does an equal disservice in failing to strive for a public attitude that can overcome the trouble.

There is the real answer to the problem. Public opinion can be mobilized just as it was during World War II. In spite of widespread cynicism and disrespect, we still have millions of people who most eagerly want to give their help in pulling the country through. They are the workers and business people who will be glad not to ask for a raise, or may even manage to give more goods or service for the pay they get. Our government is passing up its best opportunity in not asking for their help.

Obviously, of course, this needs to be a thoroughly done job. It calls for a public relations effort like that during the war, when all that governing and news media and the celebrities got together in telling people how urgently their cooperation was needed for the country's welfare, and their own. Additionally it calls for a national spirit that will make the selfish person hesitate to continue his greedy ways.

If it seems like a pipe dream let's just take a look at the job to be done. Inflation is moving with awesome momentum, which has to be overcome and reversed to avoid an economic crash. No amount of fiscal hocus pocus and regulation can accomplish that. Only the dedication of people

## Comeback Minded Tigers Will Play At Lindsay Friday

Goaded by losses of the past two weeks, the Sacred Heart Tigers are determined that things will be different Friday night in their second clash of the season with the Lindsay Knights.

They were nudged by Lindsay two weeks ago and annihilated by Windthorst last week, so it's high time to get back to their winning ways. In sizing up the situation Coach Bob Steele has his fingers crossed, hoping that fate this time will favor his boys rather than the others. The last game, he said, went down to the final minute. This time Steele hopes to see his boys do as well and get the breaks besides.

As regards last week's fiasco, he said that performance definitely was better than the score. If the boys have the turnovers out of their system they will be an altogether different team.

Another possible factor is better condition this time. Mark Hess and Scott Felderhoff are recovering from foot injuries and George Luke expects to get an OK after a head injury early in the Lindsay game. Roger Endres, Karl Koesler and Leon Bayer were hurting in the Windthorst game and are due to be back to normal by Friday. Meanwhile Lindsay continues to go strong. Besides a close win over Sacred Heart and a close loss to MHS it has big wins over Callisburg and Aubrey.

The action this time will be at Lindsay, starting at 8.

## Paper Drive Saturday

SHH seniors will conduct a scrap paper drive Saturday Oct. 5, beginning at 9 a.m. Persons with paper to give are asked to have it boxed or corded and out at the curb for quick pickup. Those who are unable to get their paper out may call 759-4477.

## Trojans Trim Tigers 43-0

Calamity crashed down on the Sacred Heart Tigers at Windthorst Friday night, and by the time the big nightmare came to an end they were down for a count of 43-0.

It wasn't just that there was too much power in the Trojan machine, but that Sacred Heart compounded the problem by losing its cool and going for the desperation plays. The net result of that was nine turnovers — six interceptions and three lost fumbles — most of which were cashed in as touchdowns by the rampaging Trojans.

The hosts showed their muscle at the very start and made three first downs before Tiger defense set them back on the fourth series. However the interception of a Sacred Heart pass gave them another start at the Tiger 27. Six plays from there were enough. Richard Koetter made the last 2 and a try for extra point missed.

On second play after kickoff Danny Sutton recovered a fumble for the Trojans on the Tiger 32 and the second drive promptly got under way. Eight plays were enough for the distance, Sam Pennartz crashed over from the 1, Roy Koetter booted an extra point.

The Tigers followed with a first down and had another nullified by an offside penalty, then kicked to end the second series.

## Oktoberfest to Be Held at Lindsay Sunday in Park

Lindsay Jaycees are ready to welcome visitors to their first annual Oktoberfest Sunday in Lindsay City Park where an old-world atmosphere will prevail and the sponsors say "Kommen Sie Alle!" 2 p.m. 'til.

The event will be strictly a German picnic with food including German sausage, sauerkraut and dark beer with a German sing-along. Twenty prizes valued at more than \$800 will be given away. Concession stands in addition to those for eats and drinks will include a variety of games including horseshoes. The event is a benefit for the Jaycees current project, improvements in City Park.

## Tuggle Picked by Knights for Good Neighbor Award

A. T. Tuggle is this year's selection of the local KC council for its annual Good Neighbor award.

Grand Knight Dan Hamric made the announcement this week and said that the award will be presented Sunday night, October 13, at the 7 p.m. Mass in Sacred Heart church.

He also said that the council this year is departing from its former custom of keeping the identity secret until the presentation. In making the prior announcement its purpose is to alert the honored person's friends and kin so they can attend the ceremony. Hamric said that a general invitation is extended to the entire community.

The Good Neighbor award has been presented by local Knights of Columbus for several years in the ecumenical spirit of promoting better relations between Catholics and other faiths. Tuggle, a long time Chrysler-Plymouth dealer, is a deacon in Muenster's First Baptist Church.

Along with the award presentation, the Knights have another major event on their October program observing the feast of their patron, Christopher Columbus. It will be a Circus Ball Saturday, Oct. 19 in the KC hall, with a happy hour starting at 7, a banquet starting at 8 and a dance from 9 to 1. Bill Tanner's orchestra will play. Members and their guests are invited and the seating arrangement will allow an attendance of 172. Hamric may be contacted about reservations and tickets.

Another event in the Columbus Day observance is the annual party for members' kiddies. It was held Sunday afternoon in the city park.

## Forestburg Man Is New Director Of Electric Co-op

Directors of Cooke County Electric Co-op Assn., at their regular meeting last week, appointed Billy Colwell of the Forestburg Community to serve as a director replacing Alois Wiesman who recently resigned after serving 23 years. Mr. Wiesman moved out of the service area which necessitated his resignation and replacement according to the by-laws of the organization. Colwell's appointment is in effect until an election at the co-op's next general meeting in the Spring of 1975.

Mr. Colwell is a farmer and rancher. He resides on the old Franklin place located just off P.M. 922 mid way between Rosston and Forestburg. He is married to the former Gerri Pohl and they have three children. In addition to farming and ranching the new director conducts the brucellosis program in North Texas for the Texas Animal Health Commission.

Mrs. Colwell teaches English in the Forestburg High School. She is also active in PTO.

The Colwell family has been active in the Forestburg School, community activities and the rodeo association. He served as president of the rodeo club for two years, was active in the Forestburg Development Corp., and is a member of the Masonic Lodge.

## Alumni Plans SH Homecoming Program Nov. 8

The program is planned and work is well underway to make SHH Homecoming '74 the best in the school's history.

That's the word from SH Alumni Association which made the plans at a meeting Sunday night. Joe Felderhoff, president, presided.

Among highlights on the night of homecoming November 8 will be football — SHH Tigers vs Valley View Eagles — with kickoff at 7:30 and crowning of a homecoming queen at half-time. After the game there will be a social hour and program honoring graduates of 1944, 1954 and 1964. Honor grads will receive complimentary passes to the game and social event. The complimentary ticket will include a spouse, or if single a guest.

Invitations are being mailed to honor graduates with return postal to advise the committee in charge whether or not they will attend. These replies are needed by Nov. 1 to make preparations. They are to be mailed to Miss Sylvia Hofbauer. While only honor graduates receive invitations, the Alumni stresses that all are invited, even urged to attend.

## PP&K Contests Set for Saturday At 10, SH Field

The annual Punt, Pass and Kick Competition sponsored jointly by Endres Motor Company and the Muenster Jaycees will be held Saturday morning at 10 o'clock on the Sacred Heart field.

Up to Wednesday morning the event had 50 entries, and more are welcome. Marty Klemm of Endres Motor Co. said that boys can register up to the time of the contest. It is open to ages of 8 through 13 and each of the six age group will compete separately. Also each group will receive trophies for first, second and third places.

Method of the contest is to combine the three distances of punt, pass and kick for a total which becomes the boy's official score.

First place winner of each group will advance to the next stage of competition to be held on October 12 in Wichita Falls. Transportation will be provided for them. From there the winners advance again, and so on until the national finals at the Super Bowl game.

On the national scale PP&K is sponsored by the National Football League and Ford Motor Co. with cooperation of Ford dealers. It is the largest youth participating event in the U.S.

Everyday is judgment day — Use a lot of it.

## Tigers Admitted To Membership in Catholic League

Sacred Heart School has been admitted to membership in the Texas Catholic Inter-scholastic League. Coach Bob Steele made the announcement this week and also stated that the Tigers and the Notre Dame Knights of Wichita Falls are the only teams assigned to this, the North Texas district.

The league includes two classifications, the small A schools and the large AA schools, and district title winners in each class have their play offs for state title. However, Sacred Heart, a late comer, is not eligible for the play offs in its first year. Its only satisfaction will be in having selections for the all district team.

Nevertheless the Tigers will get district action. They are scheduled to play the Knights in Coyote Stadium of Wichita Falls on November 16, 7:30 p.m. It will be the eleventh game on the Tiger schedule.

## Ross Point Sets Harvest Supper Date October 19

Women of Ross Point Community are busy cooking up plans for the annual benefit Harvest Supper to be held Saturday night, Oct. 19.

Place for the event is Ross Point Community Building, serving time will be between 5 and 9 p.m. and tickets will be \$2.75 for adults and \$1.50 for children under 12.

Once again it will be a home-cooked turkey meal with all the trimmings. Advance tickets are available from any Progress Club member and may also be purchased at the door on the night of the supper.

Mrs. Ruth Christian and Mrs. Patsy Ford, co-chairmen of the food committee, have announced plans to serve from both sides of the serving bar to prevent long waits some people experienced last year.

Progress Club members are looking forward to greeting old friends from Gainesville, Hood, Myra, Leo, Era, Forestburg and Muenster along with new friends from those and other area towns.

## Coons Challenge Hornets' Bid for 5th Straight Win

The Frisco Coons, defending champs of District 14-B will be in Muenster Friday night to contest the MHS Hornets' bid for their fifth straight win. Starting time is 8 p.m.

Advance signs, according to Coach Don Neal, are that the Hornets again will have stout competition. The Coons have a 3-1 record to date, including last week's 26-6 win over Farmersville. And they are due further respect from the fact that they are considerably ahead of Muenster in the Harris rating of high school teams.

Nevertheless it can be said that the teams will be better matched than last year when the Coons blasted the Hornets 34-8. Frisco lost a pack of talent from that champ outfit, and this year's team is not regarded as highly. On the other hand Muenster has improved. Odds are that it will be a hot game, whichever wins.

Concerning the Hornets, Coach Neal was well pleased last week, especially with the second half, which they dominated in all the statistics as well as ball control. Also he liked the balance of backfield performance in which Bright gained just over 100 while Neal, Sicking and Wolf each gained over 70.

Physically the Hornets should be ready. They came through the Valley View tussle with only bumps and bruises and should be in top condition Friday.

## The Men In Service

### At New Station

Marine First Lieutenant Ronald Fuhrmann, back from duty overseas, is settled for new duty at Whiting Field Naval Air Station, Milton, Florida. He is the son of Mrs. Adolph Fuhrmann. His wife, Patty, daughter of Mr. and Mrs. Frank Felderhoff, is continuing her nurses training at Grayson County College where she will graduate in May. She has flown to Milton for a weekend visit and her husband will be seeing her on cross-country flights until she can join him.

## Hornets Pluck Eagles 20-6

A fine second half, in which they pushed over two touchdowns while blanking their opponents, enabled the Hornets Friday night to turn back Valley Views big talented Eagles by a count of 20-6.

They led 7-6 after a hotly contested first half and dominated the action the rest of the way. However they were not able to get points on the board until early in the fourth quarter. Even then with a lead of 13-6 they still did not have it safely put away. A TD followed by double bonus points would have put the Eagles ahead.

However, a dandy drive by the Hornets late in the period relieved the strain. A TD and PAT with only 1:50 left on the clock gave the players as well as the MHS crowd a comfortable feeling.

As the action started Valley View demonstrated how it got the reputation for hot passing. Play number one was a bullet pass from Don Ford to Darrell Miller for 15 yards. But two short gains followed by an incomplete pass forced the Eagles to kick ending the next series.

Following that the Hornets put on a fine drive of 79 yards in thirteen plays for their first score. Quarterback Randy Wolf alternated handoffs to Darren Neal and Mark W. Sicking for average gains of 6 yards and carried the ball himself on the scoring sprint around right end. Dan Endres kicked for the extra point.

Promptly after that the Eagles got off a bad kick ending their first series, and Muenster was 40 yards away. Three tries gained 10 but the next four fell short at the 22.

The following play appeared to be an Eagle score as Miller got around the corner and streaked down the right sideline — until Terry Walterscheid nailed him on the Muenster 42. The run gained 36 yards. Four plays later the Eagles kicked and Hornets

went back on the offense on their own 20. That was another good drive, for 53 yards to the Eagle 27, until penalties and busted plays lost 6 yards on the next series.

Then, with 67 to go the Eagles put together a beautiful drive using only 8 plays. Three of those were passes for 13, 13 and 23, the latter being to Miller for the touchdown. A kick for extra point was wide.

As the second half opened the Hornets made another drive that fell short. Seven plays plus a penalty gave them 45 yards to the 19, but the next four plays got only to the 12.

Second series after that Tim

## Spanish Club Has Spaghetti Dinner

Members of the Spanish Club at Muenster High School will sponsor a spaghetti dinner Friday night, October 4, from 5:30 to 7 p.m. at the school lunch room. It is a benefit event to raise funds for the club's treasury.

On the menu are spaghetti, meat sauce, salad, tea, coffee, bread. Tickets at \$1.50 per person can be purchased from any member of the Spanish II class.

Please Don't Drink At Football Games

An appeal to refrain from bringing alcoholic drinks to Hornet football games was directed Monday to all MHS fans in a meeting of the Muenster Quarterback Club.

Noting that a number of the fans have been imbibing rather openly, the quarterback club called attention to the UIL regulation banning drinks and also to the regulation that the school can be held responsible for the behavior of its supporters. So, the school can be in trouble if its supporters get out of line.

## Truck Thefts and Burglary Solved By Sunday Arrest

Two recent vehicle thefts and a burglary were solved Sunday when Arthur Ogden Moody, 28, admitted to City Policeman James McDonald that he is guilty of all three of the felonies.

Moody is in Cooke County jail under bond of \$5,000 and charged with the burglary of Tony's Seed and Feed, Inc., and also under bond of an additional \$5,000 and charged with theft of a pickup truck belonging to Associated Milk Producers, Inc., and of a 2½ ton truck belonging to Tony's Seed and Feed Inc.

As explained by McDonald, the pickup was stolen from AMPI during the night of Sept. 16. The following morning it was found at Tony's Seed and Feed, and the truck was missing from that place.

Also that night slightly more than \$400 was taken in a burglary at the seed store.

Word of the truck reached here several days later when Wyatt Brake and Motor Co. of Wichita Falls inquired why it had been left parked behind the firm.

Moody was a prime suspect in the case since the beginning because he disappeared at the same time the truck did. He returned here Saturday night, was apprehended and questioned Sunday by McDonald and admitted taking both vehicles. He confessed to the burglary Monday.

As told to McDonald, he first stole the pickup, then burglarized the store, and stole the truck later after losing the pickup key which was found the next day on the floor of the cab. Then he drove to Wichita Falls, abandoned the truck, and went to Birmingham, Ala., by bus.

## Plans Completed For Homecoming At MHS, Oct. 12

Everything is set for a big homecoming of Muenster Public School's ex-students and their friends on Saturday night, October 12.

The program will be featured by three events, the top attraction of which is the gridiron clash of MHS Hornets with the Notre Dame Knights of Wichita Falls. The next event will be the formality of crowning the homecoming queen at half time of the football game. And the final event will be a homecoming dance in the K of C Hall with music by the Down and Under Band.

Mrs. Jan Cain, chairman, said this week that special invitations were sent to grads of 1954 and 1964, who will be honor guests, and a general invitation is extended to all former students and friends. Those who know about it are asked to help pass the message along to others who may be interested.

Principals of the crowning ceremony have been selected in class elections at the school. Seniors have four candidates one of which will be selected by the football queen for the title of 1974 homecoming queen and the other three will participate as princesses with the princesses chosen by the other three classes. The four Senior candidates are Dianne Yosten, Dianne Klement, Debbie Reynolds and Lisa Mollenkopf. Underclass princesses are Thelma Lewis, freshman; Tina Mollenkopf, sophomore; Debbie Schneider, junior.

Escorts of the royal party will be Curtis Klement, Lyle Klement, Ronnie Felderhoff, Dan Sicking, Allen Sicking, Robert Johnson and Tony Cler.

## Court of Honor For Boy Scouts Scheduled Monday

Inductions and promotions and presentation of merit badges are all on the program for a Boy Scout court of honor to be held next Monday night, 7:30 p.m. in the KC hall.

Scoutmaster Wilfred Reiter announced the event this week and specially asked all of the Scout parents to attend. Mothers will be expected to pin the insignia of rank on the boys who are advanced as well as those joining the troop.

panied by their teacher Sister Camille and roommothers Mrs. Tommy Knabe and Mrs. Ray Wilde.

The tour was conducted by shop foreman Alvin Hartman who explained the printing of a newspaper from reception of news to linotype setting, and advertising by linotype and hand setting and building of ads, the newspaper press and folding machine.

Students were divided into two groups for tours to better see machinery in operation.

with a 14-0 decision over the Tiger Cubs and the Trojan B team made it 8-0 over Sacred Heart's junior varsity.

The first half of the opener was a matter of the visitors making small gains between fumbles while the Cubs had frequent losses of yardage between their fumbles. Every time the Cubs lost possession Windthorst was closer to the goal. Total fumbles for the goal were five by Sacred Heart and six by Windthorst.

Shortly before half time Windthorst had first down on the 6 and was short by less than a foot after 4 plays. Second play after that Sacred Heart fumbled again on the 2 and the visitors scored in 2 plays. During the half Windthorst made 3 first downs and 55 yards, Sacred Heart made no first downs and 8 yards.

During the second half the visitors gained a net of 10 and two first downs, and the Cubs lost 11 yards and made

no first downs. However a big play put another score on the board for Windthorst. An intercepted pass was returned 70 yards for a touchdown.

An almost similar play set up the only score of the second game. The visitors intercepted and returned 22 yards to the 13, then went the rest of the way in four plays. A quarterback keeper play made the last four yards.

Otherwise the contest was closer than the other. Each team made 5 first downs, and each lost almost as much as it gained. Net yardage was 14 for Windthorst and 8 for Sacred Heart. The Tigers had two turnovers by fumbles and one by interception and the Trojans had two fumbles.

## Hornets Win

Felderhoff caught Ford for a 9 yard loss forcing the Eagles to punt. Then, after being stopped three times, the Hornets went all the way for the second time. With Neal and Tom Bright carrying, they went 55 yards in 14 plays, the pay off being a 5 yard scoot by Bright. The try for bonus points missed.

Time remaining then was 8:45, and it was still anyone's game. Again the Eagles made a first down and had to kick ending the second series. And the Hornets were 59 yards away.

The next play was discouraging as a penalty set them back to the 26. Then Bright made 9 and Neal followed with 21. Bright romped 24 on the next effort. Then Sicking came in and made the last 20 on three tries, the scoring play going 9 yards. Endres kicked the extra point as the clock read 1:30.

The game was exceptional in that it had only two turnovers, an interception by each side,

and no fumbles. Also Muenster made no punts whereas Valley View made 5. And Muenster failed to complete one pass.

Another feature was the fine performance of the entire line in clearing the way for consistent Hornet gains and holding the Eagles to small gains. That applies especially to the second half when Valley View made only 29 rushing and 23 passing. Muenster gains in the second half were 172.

## Campbell Ranch On Heritage List

The Campbell Ranch, owned by Mr. and Mrs. E. R. "Elbridge" Campbell, Gainesville, has been added to the list of Cooke County lands being honored in the 1974 Family Land Heritage Program, Agriculture Commissioner John C. White has announced.

The ranch, founded 1871, qualified for the inaugural year of the program before the Aug. 31 closing date, but complete information on the property was not available in time to include it in the original designation of honorees.

Mitchell Wolf of Houston was here Sunday to visit his parents. His father Lou Wolf is a patient at Muenster Hospital.

Mr. and Mrs. Joe Hoenig were in Carrollton Sunday helping their daughter Rita Cottle celebrate her birthday. Joined by the Rupert Hoenigs, also of Carrollton, they had supper out.

**Home-School Group Sees Reading Lab Buys Equipment**

Members of Sacred Heart Home-School Society held their monthly meeting in Sacred Heart School's reading lab where they had an opportunity to see the equipment and during the business session voted to finance from the organization's funds the purchase of additional head sets and tapes.

In other business conducted by president Alfred Bayer members also approved financing purchase of a new typewriter for the school and decided to let the high school students take charge of the annual Halloween Carnival. The Home-School society will sponsor the annual Mardi Gras celebration.

For entertainment sixth grade students, directed by Joe Felderhoff and Mrs. Sam Bezner, presented an action song in costumes and Gina Marie Hofbauer gave an acrobatic dance number. Following were slides shown by Eddie Schad, eighth grade teacher, and his commentary on the two years he served in the Peace Corps in Ganda, Africa.

To conclude the evening refreshments of coffee and cookies were served to a large crowd by Mmes. Dan, Bill and Anthony Luke and Ferd Luttmeyer.

also blocked a Trojan kick. However the fourth quarter was a return to the previous kind of play. On first play of the period Richard Koetter intercepted giving his team a set-up on the Sacred Heart 35.

Seven plays from there reached the 8 and Richard Koetter went over right guard to pay dirt. Roy Koetter's kick upped the score to 29-0.

The Tigers followed with a pass from Roger Endres to Pat Endres for 20 and one to Mark Hess for 9. Then, another fumble, recovered this time on the Trojan 48. Sam Pennartz went 28, a dive gained 1, and a pass to Sutton made the remaining 23. A PAT kick was good. The count was 36-0.

The Tigers next series was more of the same old thing. Third play was intercepted by Richard Koetter and returned some 30 yards for the final Windthorst touchdown. Roy Koetter's kick made it 43-0 as the scoreboard clock read 4:11.

That was the end of the scoring but not the end of the exchanges. Following a 20 yard pass completion to Pat Endres, Roger Endres tried another and had it intercepted. Three plays later Sacred Heart got its only turnover as Jim Luke recovered a fumble. And three more plays later Tim Schenk made the sixth and last interception for Windthorst.

About the only satisfaction the Tigers can have from this is stopping the Trojans five times. One of those was a fumble, one was a fourth down kick and three were failures on fourth down. However there were six possessions by Windthorst that ended in scores. Meanwhile the Tiger offensive effort resulted in only five scattered first downs.

Wynona Riddles tells me that her sister Jo Ann Greenwood was cleaning out the flower beds around her parents' house one day recently when she unearthed a snake. Upon close inspection of the varmint by her brothers it was discovered the critter was a rattlesnake with eight rattlers. Reckon it figured Jo Ann's flower bed was a good place to hibernate for the winter. He must really have been snoozing to not have given her more than just a big scare.

Visiting with Meb and Roxie Dunn Sunday, Sept. 22 were

Mrs. Billie Anderson and Kim of Eules, Mrs. Susie Hatcher and daughters of Gainesville, Mrs. Geraldine Young of Saint Jo, Mrs. Ruby Reeves of Belcherville, and Mrs. Pauline Seay of Nocona.

**Hennigans Join in Week of Visiting**

When Mrs. Ellen Nelson of Oxnard, California, came back to Muenster for a visit it was an opportunity for the four remaining children of the late Mr. and Mrs. Henry Hennigan Sr. to get together for a reunion.

Mr. and Mrs. Fred Hennigan of Muenster, Mr. and Mrs. Tom Hennigan of Wilson, Okla., and Mrs. Nelson went to St. Francis Village at Crowley Friday to reunion with Mr. and Mrs. H. P. Hennigan.

Mrs. Nelson came to Muenster Thursday with her son and daughter-in-law the Tom Nelsons also of Oxnard, who spent Friday in Idabel, Okla., with her sister.

The visiting began at the Fred Hennigan home on Sept. 21 when the Tom Hennigans arrived for the weekend. They and the Fred Hennigans went to see the H. P. Hennigans Sunday. The two couples returned to Muenster that evening and went fishing Monday before the Oklahomans returned home that evening.

The Tom Hennigans were back again Friday to join the Fred Hennigans and Mrs. Nelson in going to Crowley to reunion with the H. P. Hennigans. They were back here Saturday and the California trio spent the weekend.

Nephews and nieces of Mrs. Nelson stopped by the Hennigan home to visit their California relatives. Enroute to Crowley the Hennigans and Mrs. Nelson had stopped at Gainesville Hospital for a bedside visit with their daughter and niece Mrs. Felix Pelzel of Pilot Point. She has since been dismissed to return to her home.

**Forestburg News -**

"pinching and feeling."

Mr. and Mrs. Phillip Ray of Fort Worth and Leslie Jones of Decatur were dinner guests of Marge and Lisa Boyd Sunday.

Mary Edwards, Dewey, attended a union meeting over in Gainesville Sept. 25. Now I just reckon it was at the Linda Jo Shoe Factory since Mary is employed at the local branch.

On Sept. 26 Red Steagall and a friend of his from Denton visited Red's aunt, Mrs. J. M. Dunn. Guess they let Meb in on the talking since he sorta comes with Roxie. Red and his companion were on their way to Henrietta for the Clay County fair where they entertained at the new community center there.

Mr. and Mrs. R. C. Gernaid and Randy of Cleburne were Sunday 22nd visitors of the Vint Freemans and the Herschel Holzbogs families.

Mr. and Mrs. Keith Oliver and their daughter and husband the Tom Sheridans all of Hereford paid Mr. Oliver's sister Decie Elzey a visit Sept. 28. Decie says they were overnight guests. Noticed Decie was a little late filling her place at church Sunday a.m.

Mmes. Marion Sockwell, Cleo Lanier and Roxie Dunn attended the county home demonstration club council meeting in Montague Sept. 27. Our next local club meeting will be at 7 p.m. Oct. 7 at the community. Mrs. Laura Pointer, extension agent, will bring a program on terrariums — those "bottled gardens" that are so popular these days. All area ladies are invited to attend.

The United Methodist folks had their monthly fellowship supper and board meeting Wednesday night in the annex of the church. As usual there was much good food and everyone present had a very enjoyable evening.

The Kenneth Wilkerson family of Wichita Falls spent the weekend of Sept. 28-29 with

her mother, Mrs. Vera Mae McGee.

Meb and Roxie Dunn along with Grace Scott were in Saint Jo Sept. 28 for the game night at the Civic Center. Roxie says they have these twice a month.

One day very recently — during all the rainy weather — my husband came up on

Roe Sledge outside our local "beanery" happily munching away on a hamburger. Upon inquiring of Roe why he didn't go inside to eat Roe replied "Oh, I'm just too dirty." Seems he had just come in from mingling with his 125 hogs and felt the other cafe customers just might not enjoy the perfume he was wearing that day.

In closing I would like to say that I think the Muenster Hospital has a simply wonderful bunch of nurses, X-ray and lab technicians, administrative workers, and housekeepers. They are all so nice, cheerful, thoughtful, friendly and helpful. It certainly helps a patient to have people like this taking care of him or her. I must say my stay there was far from un-

pleasant even though they did demand some of my blood and had me to drink and swallow stuff that was far from a milk shake. Did miss Dr. Antonetti but Dr. Kralicke sure did a most marvelous job filling in for him. Seems like I sorta had a few days rest even if it was a hospital. Again my thanks to all the hospital staff.

**"I'd like to know more about the nuclear power plant you're planning."**

- Q. "Where will it be located?"
- A. The Comanche Peak Nuclear Generating Station will be built on a site about five miles north of Glen Rose in Somervell County.
- Q. "Will some other companies be getting power from the plant?"
- A. Yes. The plant will be jointly owned and utilized by Texas Power & Light, Dallas Power & Light and Texas Electric Service.
- Q. "How much land area will be involved?"
- A. Approximately 8,500 acres. This will include a 3,200-acre lake adjoining the plant which will provide cooling water for the plant.
- Q. "Have you started construction?"
- A. No. The planning phase was begun in 1972 and is still in progress. Construction of the plant is expected to begin during 1975.
- Q. "When will TP&L customers start getting electric power from the plant?"
- A. The first of two 1,150,000-kilowatt units is scheduled to go into operation in 1980 and the second in 1982.
- Q. "Why is a nuclear plant necessary?"
- A. Rising costs and a shortage of future supplies of natural gas and oil compel a change to more economical and readily available fuels for generating plants. Within the next five years, TP&L will reduce its dependency on gas and oil with plants designed and constructed to burn lignite coal. While it is anticipated that lignite will continue to be an important fuel well beyond the year 2000, the long-range solution to fuel problems appears to lie in nuclear generating plants.
- Q. "How safe will the plant be?"
- A. The planning, construction and operation of the Comanche Peak plant is subject to close examination and rigid regulation by the Atomic Energy Commission and other federal and state agencies. Devices and procedures in the plant will guard against every conceivable possibility which might endanger plant employees or the general public. Today, there are 50 nuclear generating units in the United States and there has never been a nuclear-related injury to a commercial nuclear power plant worker or member of the public.

**Deborah Lynn Walterscheid Is Bride Of H. Don Rice in SH Church Service**

Miss Deborah Lynn Walterscheid became the bride of Harold Don Rice in Sacred Heart Church Friday at 7 p.m. with Father Stephen Eckart celebrating the Nuptial Mass and performing the double ring ceremony.

Parents of the couple are Mr. and Mrs. Denis Walterscheid of Muenster and Mr. and Mrs. P. W. Rice of Rosston.

Presented by her father, the bride wore a gown of white satin organza with Empire bodice and attached chapel train. Re-embroidered Alencon lace and Brussels embroidery created ruffles at the skirt edge and train and accented the high neckline with its pearl-pleated yoke. Ruffles also ornamented the full bishop sleeves.

The bride's long formal-length veil of imported illusion fell from a lace cap sprinkled with seed pearls. An overlay of Brussels embroidery edging on the top layer of illusion formed a mantilla effect. She carried yellow satin roses surrounded by white statice and an assortment of small dried autumn flowers and ribbons in yellow shades.

**Wedding Attendants**

Miss Beverly Walterscheid, a cousin, was maid of honor with Mrs. Fred Fuhrmann and Mrs. Bill Bartush, twin sisters

of the bride, Miss Becky Rice, sister of the groom, and Miss Nanci Fuhrmann bridesmaids. Misses Jeri and Sheri Jackson of Krum, nieces of the groom, were flower girls.

They all wore maize gingham gowns with short puffed sleeves and the Empire waists topped with sleeveless bolero jackets of white eyelet with lace trimmed edges. Their headpieces were velvet cording with small sprays of flowers centered in the bows. Bride's attendants carried nosegays of dried flowers in autumn shades with velvet cording streamers. The flower girls carried baskets of the same flowers.

Greg Rice was his brother's best man. Harold Bowles, Jim Atkins, Mike Stockard and Danny Shea were groomsmen. Fred Fuhrmann, Bill Bartush and Wendell Black were ushers. Mass servers were Phil and Teddy Walterscheid, bride's brothers, Jessie Walterscheid, a cousin, Terry Knabe and Paul Bartush.

Music was provided by Paul Rennels, organist, and Faye Terry and Wendell Black, vocalists. Numbers included "Wedding Song," "Color My World," "Anne's Song," "Let It Be Me," with "More" at the entrance of the couple and "If Not For You" as the recessional.

**Sister Theresina Birthday Honoree**

Faculty members of Sacred Heart School gathered Monday, Sept. 30, to help Sister Theresina celebrate her Sept. 29 birthday which fell on Sunday. The day-late observance included also a day-early observance of her feast day Oct. 1 — St. Theresa of the Child Jesus.

Sister Theresina, science and foreign language teacher at SHH, has been in the teaching profession for almost 50 years, with half of this time being spent teaching in Muenster. A native of Switzerland, she has endeared herself to all her students through her love of scholarship and her love for missionary work.

Yellow gladioli and white and bronze spider mums decorated the altar which was flanked by candelabras holding gold votive lights.

After Mass the couple went to the Blessed Virgin's shrine for presentation of a floral tribute on the altar.

**Wedding Reception**

Wedding reception and buffet were held in the KC Hall where Miss Terry Grewing and Mrs. Mike Stockard registered guests. The bride's table held the wedding cake, decorated by Mrs. Charles Bayer. The groom's table held the horseshoe-shaped groom's cake. At the registration table were the bride's book, an invitation tray, an arrangement of checked gingham flowers and a portrait of the bride displayed on an easel.

Guests helped themselves from a large X-shaped table that also held the punch service. Presiding at the cake and serving punch were Misses Tina and Cathy Herr and Stacie Walterscheid, cousins of the bride, Mrs. Bill Nash and Mrs. Raymond Johnson.

**Make Home in Sanger**

When they left on their wedding trip the bride was wearing a yellow pantsuit with eyelet lace trim. They will be at home in Sanger.

The bride is a graduate of Sacred Heart High and the groom graduated from Era High. Both attended Cooke County College. He is employed by Trinity Steel of Denton. She had been a nurses aide at Muenster Hospital.

Special wedding guests were the bride's grandparents Messrs. and Mmes. Frank Herr and Adolph Walterscheid.

**Rehearsal Party**

Mr. and Mrs. Rice were hosts for the rehearsal dinner in their home at Rosston. After the buffet meal there were toasts for the couple and they presented gifts to their attendants. Thirty guests were present.

**Pre-Nuptial Party**

A surprise pre-nuptial party was given by Mrs. Fred Fuhrmann, Nanci Fuhrmann and Beverly Walterscheid in the former's home where rice bags were made and decorated small cakes and Cokes were served. The honoree received a corsage from the hostesses.

### Lens-View

Several months ago it was reported that President Ford was advocating an extra 10c to 20c tax on gas. That caused quite a stir so the subject was put on the back shelf. Now others are suggesting the same except they propose to tax as high as 30c a gallon. Persons earning less than \$15,000 per year would get credit for this excessive tax on their income tax.

The whole idea is to conserve energy and make us less dependent on the Arabs and other foreign countries for oil. There is now a surplus of gas. Service stations are being encouraged to stay open longer hours to sell more gas. The price is gradually going down and will continue that trend as long as there is a surplus. It's possible that if a stiff tax is put on gas — its usage would drop to a point where the price would be where it is today including the tax. Consider all the smart people attending all those anti-inflation meetings and the only idea to curb inflation that has come out of it is to raise the price of gas.

ready to sacrifice can get the job done, and even then, not unless there are plenty of them and organized to pull together. Incidentally it would be a

good idea also to invite God's help. This age has messed up in a great way trying to get along without Him, so the only way to correct the mistakes is to try doing things His way.
