NUMBER 44

Tacked on to one of the bills before Congress pertaining to procurement for the military is an amendment declaring that it shall not be illegal to buy from a free country any material which is now being bought from a Communist country.

It seems like a strange and superfluous provision to seek for a free country like ours. One would think that we have the right to buy from any free people on earth. In fact it is hard to imagine that any kind of dealings would be prohibited with free people while it is allowed with the Reds.

But that's the law at this time. The proposed amendment was written specifically to allow U.S. purchase of chrome ore from Rhodesia.

Back in 1967, most of us recall, that little South African country declared its independence from Great Britain, as we did slightly less than 200 years ago. England retaliated by taking the matter before the U. N., which had no jurisdiction in the matter because it was a domestic affair. The U. N. responded by declaring sanctions, giving an excuse that the new country does not allow blacks their proportion of representation in the government.

With full knowledge that Rhodesia has a better record in that regard than England and all the red nations joining in the hatchet job, and fully conscious that we were violating our own traditions on freedom and independence, this country joined in the dirty work.

In a short time thinking people realized that the deal was as unwise as it was unjust. We had excluded ourselves from the world's best source of chrome ore, which is an ingredient in the manufacture of stainless steel and classed as one of the country's strategic materials. So we turned to the next best source, the Soviet Union. Meanwhile the Russians are cashing in on our predicament. The ore which used to cost \$25 a ton now costs \$75.

And that's only the lesser of our problems. We are now dependent on our No. 1 enemy for a material which is vital to our survival. Common sense demands that we repudiate this ridiculous arrangement and re-establish friendly relations with a country that's on our side in the global conflict.

This thing is also a matter of pride. It's humiliating to think how we've been played for suckers, living up to the sanctions when other U. N. countries like Germany and Japan continue buying the ore from Rhodesia, and at a much lower price. Adding insult to injury, we now have reports that Russia, which engineered the embargo, is buying the ore from Rhodesia, and then re-selling to us at three times the price.

Self interest prompts us to hope that Congress will have the wisdom and courage to pass this special bill on chrome ore. We don't like paying through the nose, we don't like depending on the Moscow cut throats. And we don't like the idea of being a party to Communist dirty work toward a brave little free country as well as sabotaging our own interests.

Another good idea introduced in Congress concerns permanent removal of the 7 per cent excise tax on automobiles which has been temporarily removed during the wage price freeze. The effect would be a far reaching lift to the country's economy. This is a saving which goes back directly to the consumer. Estimated at an average of about \$200 per car on 10 million cars that comes to \$2 billion scattered around the country.

That amount of money can stimulate a lot of new business and create a lot of new jobs, which in turn can stimulate more business. It has possibilities of a healthier economy which can compensate for most if not all of the reduction of the excise rate.

With the wage price freeze, President Nixon mentioned anticipated economies in government, particularly a cut in the number of federal employees. That's fine, too, and the country would be even more impressed by a cut back of the outrageous pay increases recently voted to elected and appointed federal officials, and the elimination of all possible absurd appropriations and excessive costs in government.

We have reason to wonder whether we have reached the point of diminishing returns in our tax policy. Has our tax

City Council OKs \$117,890 Budget

A budget of \$117,890 has been adopted by the Muenster City Council for the fiscal year beginning October 1. Of that amount the general fund is expected to use \$46,290 and the water and sewer fund \$71,600.

In both departments the city expects to end the year with a surplus, which is to be applied in retiring debts assumed this year on water and sewer projects. Anticipated revenue in the general fund is estimated at \$55,290, mostly from taxes. Meanwhile the water sewer department is expected to take in about \$84,500, a substantial increase over this year's income, which amounts to \$54,962 for eleven months and will probably be near \$60,000 for the year. An increase of rates seems to be necessary to reach the quota.

The council heard reports explaining how the city went far into the red this year because of heavy expenses in both the water and sewer departments. The big item was the new water well including casing and pump, then a storage tank, pumphouse and pump to get water into the mains along with extension of the mains. Extra sewer expense involved principally the research and additional costs of treating industrial sewage.

Combined water and sewer expenses were over \$112,000 for the year and the city had to transfer \$12,000 from its general fund and borrow \$40,000. The surplus planned for next year is to be applied to that debt.

City and Jaycees Continue Plans On Park Pavilion

The City of Muenster and the Muenster Jaycees in a regular city council session Monday night continued with their preliminary work toward construction of a pavilion in the city park.

They were joined by two engineers from the Texoma Regional Planning Commission who have started work on a master plan which is intended to qualify the project for state and federal aid.

Discussion of the pavilion indicated that the preferred design is circular in shape with about 5,000 square feet of space. It will have rest rooms and storage space, a roof over all and open sides. It is intended for meetings, park programs and a shelter for persons who happen to get caught in the rain at the park. Its location in the park has not been determined at this time.

Garage Destroyed By Fire Sunday

Muenster Volunteer Fire Department answered an alarm Sunday about 4 p.m. from the Quintin Hess residence and raced to the N. Hwy. 373 address where the garage was in flames and too far advanced to save the building.

Firemen remained on the scene to prevent the blaze from spreading to the house. The property is Mrs. R. M. Zipper's, located west of her home. Cause of the fire has not been determined.

Progress Noted In Condition of Paul Hoedebeck

Details regarding the injuries and condition of his son, Spec. 4 Paul Hoedebeck, have reached the Gene Hoedebecks in letters from Paul's wife who is with him in Germany.

A letter Wednesday this week revealed that doctors are pleased with his progress and that he is taking nourishment.

A letter last Thursday gave some details of the accident on Sept. 4. Paul and two army buddies from Eschborn Base had gone to visit another buddy and his wife who live off the base. The couple was not at home when they reached there so they returned to the depot to board a train to return to camp.

After the train started they discovered it was traveling in the opposite direction and they jumped off. The other two made it without incident but Paul hit a wall and was thrown back onto the train.

Complete extent of his injuries have not been listed. Those mentioned are loss of his left leg above the knee, broken ribs that punctured his lung and required a tracheotomy to help him breathe, a concussion and many bruises. He is conscious, asks about his baby son and his family. He is still in a German hospital, not able to be moved to an Army hospital.

Paul and his wife both welcome cards or letters. Address: Spec. 4 Paul Hoedebeck, 465-82-1094, Hq. Co., 317 Engr. Bn.; Attn S-2; APO New York, N. Y. 09757.

The Men In Service

Home This Weekend

Chris Walter is expected home this weekend after being separated from the Army following a three-year hitch. As a Spec. 5 he has been on duty the past year at the Induction Center in Kansas City, Mo. Arriving with him will be his wife and their children Michael and Michelle. They'll visit his parents, the Oscar Walters, until Chris gets settled in civilian life.

Has Army Discharge

Steve Hess has been separated from the Army after serving two years. At discharge he was a Spec. 4 serving as a clerk at Fort Hood. He is the son of Mrs. Arnold Hess. Steve's brother, Naval Airman Larry Hess, is serving aboard the USS Enterprise. A recent letter from him came from Singapore.

Vernie Keel of Gainesville Dies

Vernie Keel, 66, longtime Gainesville business man, died Sunday at 8:30 p.m. in Gainesville Hospital following a week of illness.

Funeral services were held at 2 p.m. Tuesday in Vernie Keel Chapel, Dr. Harry Roark officiating. Burial was in Fairview Cemetery.

Keel was owner of Vernie Keel Funeral Home with which he had been associated for 33 years. He bought full interest in the business in 1952. Until that time it was known as Leazer-Keel Funeral Home.

He was born April 6, 1905, in Valley View and married Melissa Moss there on May 23, 1927.

Surviving are his wife; one daughter Mrs. Leta Fae Wardell of Gainesville; one brother, Eldon Keel of Carnegie, Okla.; two grandchildren and two nieces.

Gainesville DAV Will Meet Friday

Disabled American Veterans of Gainesville will hold their monthly meeting Friday night, September 24, at 7:30 in the Odd Fellows Hall in Gainesville.

All members of the chapter and auxiliary are urged to attend, and a general invitation is extended to veterans with service connected disability, the Purple Heart, prisoners of war or officers with a medical discharge, all of whom are eligible for membership.

Regional Chaplain Carl Ford and Mrs. Ford of Sherman will be there. Refreshments will be served.

Phone Company's Construction Job Is Half Finished

Construction of the one-party telephone system in Muenster and surrounding area is about half finished, according to Alvin Fuhrman, co-owner and manager of Muenster Telephone Corporation.

He said that the project of about 178 miles when it started in mid June has expanded to more than 200 miles as a result of new home construction and extension of service to new areas. As of September 11, 106 miles of underground cable have been plowed in.

Meanwhile installation of central office equipment and toll lines are on schedule for Muenster and Myra, indicating that those exchanges can start Direct Distance Dialing on October 17, as scheduled. However Rosston and Forestburg will be delayed two weeks, until October 31. Rain delayed construction and installation of the new Rosston exchange, and after it is finished more time will be needed for line installation and testing there and at Forestburg.

The change-over to 1-party service will be made as each cable is completed and tested and will probably be finished by the end of the year.

After October 17 no phone will be connected or re-connected to a party line. Party line service will be phased out. However, persons now on a party line have the option to continue with that service by filling out and returning a card which will be included with their October 1 billing. All mileage charges will be discontinued with the November 1 billing.

Fuhrman also said that rate increases which had been approved by the Muenster city council in February 1970 can become effective during the current wage-price freeze. Internal Revenue Service has ruled, he said, that the start of DDD is a new service and the increase is allowable because it does not apply only to the previous service.

Community Favored By Soaking Showers

Soil condition in the Muenster area was vastly improved by this week's slow, soaking rainfall which measured 3.07 up to 7 o'clock Thursday morning and it was still raining.

The first moisture was recorded at .25 inch Sunday morning on Steve Moser's Weather Bureau gauge. More rain during the day gave a reading of .20 the following

Final Rites Held At Rosston for Hill Christian, 93

Final rites for Hill Christian, 93, of Rosston were held Sunday at 2 p.m. in Rosston United Methodist Church followed by burial in Rosston Cemetery. The Rev. Joe Funk was officiating minister and Geo. J. Carroll & Son Funeral Home was in charge of arrangements.

Christian, a resident of Rosston for 85 years and a retired rancher died Friday morning in Gainesville Hospital. The previous week he had broken a hip in a fall. He was born in Mississippi, Feb. 11, 1878.

Surviving are five sons, C. H. (Tip) Christian and Jim Christian, both of Rosston; W. R. of Fort Worth, Howard of San Rafael, Calif., and Weaver Christian of Coalgate, Okla.; four daughters, Mmes. Vena Settle and Opal Berry of Rosston, John H. Webb and Arthur G. Webb, both of Dallas; 14 grandchildren; 19 great-grandchildren, and one great-great-grandchild.

Colorado was cold when Mr. and Mrs. J. W. Fisher visited there during the weekend. They were guests of their son Jim Fisher and family at Aurora and went to Denver where 18 inches of snow covered the ground.

Hornets Run Wild in 40-7 Win over Panthers

The old time rivalry between Muenster and Saint Jo football teams was at white heat during the first half Friday night. But it seemed to cool off after intermission and the Hornets roared on to a convincing 40-7 victory.

The Hornets took an 8-7 lead in the helter skelter first half despite loss of possession on three fumbles and an interception whereas the Panthers lost the ball once on an interception. Also, Muenster was ahead 7-3 in first downs and 129 to 101 in total yardage.

After that, however, it got one sided as Muenster led 13-1 in first downs and 217-10 in net yardage during the second half.

The game had an explosive start. On the third play after kickoff Billy Johnson knifed through the right side of the line and raced 55 yards to Saint Jo's first and only touchdown. A kick added 1 and the Panthers led 7-0 in less than a minute and a half.

Muenster bounced back with a fine drive of 48 yards to the 16 in nine plays. But the offense fizzled there and the next four tries ended on the 12.

However Saint Jo also failed to gain. The fourth down kick was short, Muenster signaled for a fair catch but a charging Panther did not notice. After a penalty the Hornets were only 9 yards away. Henry Knabe made 2 and Hank Trachta finished the job. Trachta also went over for bonus points putting the Hornets ahead 8-7.

The rest of the first half was a hard fought stand-off. The visitors grouped a pair of first downs. The Hornets got four scattered first downs and lost the ball three times on fumbles and once on an interception. They had to kick twice. The Panthers lost possession on an interception and a fourth down gamble and kicked four times.

Starting the next half Muenster kicked on the second series and Saint Jo on the first, and then Muenster started to click. Eight plays plus 10 free yards on two penalties advanced 38 yards to the 5 where a fumble spoiled the scoring opportunity.

However Saint Jo failed to gain and had to kick. Jerry Eckart charged in to block the punt behind the line and Hank Trachta recovered it for a TD. A run for bonus points failed. Muenster led 14-7.

Freshman quarterback Randy Wolf engineered the drive relieving Jim Endres who was handicapped after losing a contact lens. The two divided the second half almost evenly.

Endres was back early in the fourth directing a drive that went 63 yards in 14 plays. Knabe, Trachta and Ricky Swirczynski did the toting and (Continued on page 8)

Hornets to Find Tough Contest At Whitesboro

Glenn Richardson's Muenster High Hornets, after taking on Class B opposition in their first two games, will have their first Class A encounter at Whitesboro Friday night at 8.

Actually the Bearcats have the enrollment to be in Class AA and may be promoted next year if the count was comparable the past two years.

Regardless of classification, however, Whitesboro is a team with title ambitions despite setbacks of 6-0 at Sanger and 19-7 at Lake Dallas in its first two games. According to scouting information received by Coach Richardson, the team is big and both games were close. Fumbles hurt the Bearcats and they'll be tough if they overcome that trouble.

The Hornets too have had trouble with fumbles and their wins over Class B Valley View and Saint Jo probably rate them as the Cats equal. But the home field advantage will be with Whitesboro.

Physically Muenster is still below full strength with starters Roy Klement and Allen Fleitman out with injuries. Alan Miller, who was on part time duty last week but made three fine interceptions, seems to have recovered from a twisted knee.

morning. And Wednesday's fine soaker, spread out over most of the day, measured 2.62.

All of it was eagerly awaited in spite of last month's record breaking rain, which was 11.57 inches, the most on record for the month and third high for any month on the local record. Pasture, hay fields and small grain seed beds needed the moisture badly, and prospects are fine now for good grazing, another hay cutting and a good start for the grain crop.

The week also brought a taste of winter on the last day of summer. Temperature was down to 42 on Monday the 20th, a day before the arrival of fall. A few days before it was in the high nineties.

Rainfall for the month now stands at 3.07, and for the year at 23.93.

Double Parking at Games Must Stop Says City Council

Illegal parking at football games must stop, says the Muenster city council.

At their regular session Monday night, the councilmen heard complaints about double parking at the two past games and asked Sheriff Bill Pratt to have his deputies issue tickets for future offenses. Their intention, they said, is avoid blocking any car's exit.

The complaints specified that a number of late arrivals apparently did not bother to look for a legitimate parking space but left their cars behind other parked cars. It could have caused a serious situation if some of those blocked cars belonged to firemen who needed to answer a call, or if someone had needed to leave because of illness or injury. The council voted unanimously not to tolerate the condition any more.

Kin at Rites in Baileyville, Kans. For Odilo Koelzer

Mr. and Mrs. Joe Hoenig, Tony Hoenig and Mrs. Theo Vogel and son Claude have returned from Baileyville, Kansas, where they attended funeral services for a cousin, Odilo Koelzer, 65, who was the victim of a highway accident.

He was well known locally through visits with his cousins of the Koelzer, Hoenig and Flusche families.

The fatal accident happened near Bluffton, Ohio, while Mr. and Mrs. Koelzer were enroute home after vacationing with their daughter and family at Pasadena, Maryland. Mrs. Koelzer was injured in the collision and has been transferred to a Seneca, Kansas, hospital. Her husband was killed instantly. There were no other fatalities.

Koelzer was a farmer and a veteran of World War II. Funeral Mass was in Sacred Heart Church at Baileyville with burial in the parish cemetery.

Survivors include his wife, one daughter, three granddaughters, one brother and three sisters.

Registered Nurse Program Okayed For County College

Approval for the proposed registered nurse program at Cooke County Junior College has been received from the Texas Board of Nurse Examiners, according to an announcement by Dr. A. E. Shasteen of CCJC. The program is scheduled to start in the Fall of 1972.

Ruth McFarland, educational secretary for the Board of Nurse Examiners, outlined work that the college must do prior to the beginning of the program next August. Miss McFarland will work closely with Patsy Goodman, CCJC Director of Nursing, on the final planning of the program.

An announcement will be made at a later date stating the time the college will begin accepting student applications for the program.

Nun Reports OK After Edith Blow

A telephone call last Thursday night to Mr. and Mrs. John Rohmer from their daughter, Sister Romana, gave the good news that Hurricane Edith did no serious damage in the Lake Arthur, La., area where the Benedictine convent is located.

Edith blew through there at 9 a.m. Thursday, took some shingles off roofs, uprooted some trees and left telephone lines down. Sister Romana went to Jennings, La., to telephone that all the nuns were safe and the convent sound.

Other Muenster girls at Lake Arthur are Sister Lillian, daughter of Mr. and Mrs. Alfons Reiter and Sister Sonja, daughter of Mr. and Mrs. Bob Swirczynski. Also there is a former Muenster teacher, Sister Carmelita.

1972 Chevrolet. Building a better way to see the U.S.A.

Caprice Coupe illustrated at Mt. Rushmore in South Dakota.

We want your new Chevrolet to be the best car you ever owned.

The best. No qualifications. No reservations. We want it to be the most beautiful, most trouble-free, most comfortable car you ever owned.

So we've given the 1972 Caprice (above) power steering, power front disc brakes, refined power ventilation and an improved front bumper to provide added front-end protection.

Plus a 400-cubic-inch V8 engine and Turbo Hydra-matic automatic transmission.

All standard, as you expect with a luxury car. And Caprice is but one of the new Chevrolets. There are 45 in all: pictured below (left to right) are the 1972 Monte Carlo, Chevelle, Nova, Camaro and Vega.

Altogether, a lot of diversity. So there's bound to be a Chevrolet just right for you, your family, your budget and your kind of driving.

Whatever your choice, we want your new Chevrolet to be the best car you ever owned. No less.

SH Club Solicits Glass to Re-cycle

Sacred Heart High Catholic Mission Crusade members, with Sister Theresina sponsor, has a new project in which they invite everyone to help. It's collecting glass for re-cycling.

Collection depot is west of the high school where a place has been provided and donors may leave old glass containers there or send them to school with students.

It is asked that glass containers be broken on account of storage space.

Money derived from the sale of glass for re-cycling will go to the missions. This drive is parallel to the cancelled stamp campaign, also a mission project.

Hospital Auxiliary Has New Projects And Plans Benefit

Muenster Hospital Auxiliary members met Thursday evening to re-organize for action after being disbanded during the summer months.

Mrs. Walter Grewing, president, presided and reminded members it is dues paying time. Annual dues have been upped from one to two dollars per year.

The group agreed to meet again each third Thursday of the month at 8 p.m. in the hospital dining room.

New projects to work for are a hospital recovery room bed and a planter box in the hospital lobby. These were mentioned by David Bright, hospital administrator.

With projects to finance, members discussed a benefit event and decided on a masquerade Halloween party for the first social. It will be an old-time fun party with games for grown-ups. Committees are planning and will announce the date.

It was announced that an Area 5 Hospital Auxiliary meeting will be held in Irving on Sept. 24, and some members plan to attend.

In drawing for the attendance award Mrs. Mel Stephens won the prize.

Third Order Has Monthly Meeting

Members of the Third Order of St. Francis, Sacred Heart Parish, met for a prayer session and business meeting Sunday afternoon with Mrs. Leo Henscheid, perfect, leading the prayers and presiding for business afterward.

The fraternity agreed to give a ten dollar donation for purchase of hymn books for Sacred Heart School children and sent five dollars to the society's adopted family in India for September. Five dollars each month goes to this charity from the fraternity's treasury.

Of interest was a news release telling of the growth of St. Francis Village, Fort Worth, a home for retired persons. From its beginning with 12 residents some years ago, the village now boasts a population of 400.

The meeting concluded with recitation of the rosary for peace.

SH Class Visits World of Animals

World Geography students of Sacred Heart High visited The World of Animals Park in Mesquite this week Wednesday. Sponsors for the group were Jim Gehrig, instructor, and his wife.

Students making the tour were Gary Endres, Susan Endres, Larry Bayer, Mark Schmitt, Christie Koesler, Kim Reiter, Myron Hess, Janet Knabe, Debby Walterscheid, and Carol Yosten.

Slow talkers average about 450 words during a three-minute phone call, but a determined caller may squeeze more than 600 words into the same period.

Cooke County 4-H Council Meets to Plan New Program

First meeting of the Cooke County 4-H Council was held Thursday night 7:30 in the Farm Bureau Building with 16 members and 5 adult leaders present to discuss County 4-H activities and coming events for the year.

Peggy Schumacher opened the meeting followed by the 4-H motto and pledge led by Lenora Fleitman.

Results of the candy sale were reported and it was decided to leave the money in the county 4-H fund to be used when the need arises.

The theme for National 4-H Club week which is to be held October 3-9 was selected. During the week "4-H is Today" will be used by the clubs in promoting their organizations.

It was decided that individual clubs will make posters, carry out a friendship plan, and possibly put up a window display as a way to celebrate National 4-H Club Week.

For their part the council planned to prepare radio programs in observation of the week. Also discussed were rural youth day at the State Fair October 16 and the coming schedule of events for the year.

It was decided that officers will be elected at the next meeting which will be announced later. Each member was urged to see that all delegates from the club attend council meetings.

Sunday guests of the Bruno Fleitmans and helping Jerry Fleitman celebrate his birthday at noon dinner were his sister and husband, the Don Lesters of Gainesville and their weekend guest Miss Loretta Droll of Dallas.

Anne Felderhoff Has Two Parties

Anne Marie Felderhoff celebrated twice Monday in observance of her sixth birthday. The first party was at kindergarten in the morning, the second at the home of her parents, the Joe Felderhoffs, in the afternoon.

Twenty-four classmates had refreshments with the honoree at school. Special guests were her grandmother Mrs. Tony Felderhoff and teacher Mrs. Hollis Berry. Anne's mother provided the party goodies.

After school cousins joined at the family home for ice cream, cake and punch. Aunts Mrs. Sylvan Walterscheid and Mrs. Alvin Hartman attended with their children. Also guests were Anne's godparents Mr. and Mrs. A. J. Felderhoff of Gainesville and their children. This year Anne decorated her cake herself with farm animal crackers.

Program Revealed For German Day at Texas State Fair

German Day in Texas has been set for October 17, 1971, by Governor Preston Smith.

Plans for the observance have been announced by Gershon Canaan, German Consul and chairman of the Texas German Day Council.

This year under honorary chairmanship of Dr. Alfons Goppel, Bavarian governor, Americans of Bavarian descent will be honored and tribute will be paid to the Free State of Bavaria, as a symbol of strength, pioneering and culture.

The Pioneer Ball, beginning at 6 p.m. on Oct. 16, at the Fairmont Hotel in Dallas will be the highlight of this year's activities. The Regency Ballroom will be transformed into "Muenchener Hofbrau Haus" with native Bavarian costumes, decorations, music, dances and a Bavarian buffet.

The Most Rev. Bishop Tschoepe will give the invocation and Colonel Frank Norton will be master of ceremonies.

Mayor Wes Wise will receive special guests among them a delegation from Bavaria, Senator and Mrs. John Tower, Congressman and Mrs. Earle Cabell, Congressman and Mrs. James Collins, the Dallas Consular Corps, mayors of Texas municipalities and Texas pioneers from throughout the state.

The ball of 1200 will feature music by the Town North Concert Band and the Peppermint Polka orchestra, songs by the Dallas Frohsinn singers and the Soldiers Choir of the German Air Force from Fort Bliss and Bavarian folk dances by the Young Dancers from Irving.

German Day on October 17 at the State Fair of Texas will feature singing, dancing and music in the "Big Tent." A special feature will be a Bavarian exhibit in the International Exhibit Hall sponsored by the Federal Republic of Germany and staffed by members of the German-American Club of Dallas. German food and drinks will be served throughout the day. A retreat ceremony will take place at 5 p.m. at the Hall of State Terrace with honored guests and the public attending.

For further information on German Day and for tickets and reservations for people of this area telephone 759-2251 or 759-4221, Muenster.

Local News BRIEFS

Mr. and Mrs. David Bright drove to Dallas Wednesday evening to have dinner with friends from their Army days.

Three couples were together. The ones in Dallas were with the Brights in North Carolina. They met the other couple in Germany in 1951. They now live in Atlanta, Ga., and are vacationing in Dallas.

Sister Benedict Knabe of Wichita Falls spent the weekend with her father, Albert B. Knabe and visited also with other family members.

Visiting Mr. and Mrs. Arnold Knabe and family Sunday afternoon were her brother-in-law and sister Mr. and Mrs. Mark Hermes and children Shelly, Chris and Leah of Gainesville. They joined the family in helping Arnold and little son Darrell, two years old, celebrate their joint birthdays. Mrs. Knabe served ice cream and cake.

Vella Lou Branch Becomes Bride of Kenneth Heilman

Miss Vella Lou Branch, daughter of Mrs. Clyde (Helen) Branch and the late Mr. Branch of Gainesville, became the bride of Kenneth Ray Heilman, son of Mr. and Mrs. O. T. Heilman of Myra, Saturday evening in Grand Avenue Baptist Church. The Rev. Leroy Martin, pastor, heard the double ring vows.

Baskets of white gladioli and greenery decorated the altar space and candles were lighted by Terry Heilman and Roy Lee Rennels.

Miss Donna Bomar was soloist and Royce Daniel was organ accompanist.

Presented by her brother Mike Branch, the bride wore an Empire gown designed and created by her grandmother, Mrs. O. C. Ingram. It was made of Alaskine. The bodice had an overlay of lace with tiny pearl-centered daisies around the neck. The long sleeves were of the sheer lace with pearls trimming the cuffs which were secured with tiny self-covered buttons.

Her elbow length veil was held by a cap of the material trimmed with daisies and pearls. Her flowers were a cascade of gypsophylla and ivy centered with an orchid, carried on top of a white Bible, a gift from the groom.

Miss Rhonda Branch was her sister's maid of honor and Miss Tina Heilman, sister of the groom, was bridesmaid. Their gowns were designed similar to the bride's. Of crepe, they were in light pink and hot pink, respectively. Around the Empire waists were contrasting colors of velvet topped with green and pink daisy banding. Their short veils of pink illusion were held by bows and they carried nosegays of pink carnations.

Vickie Jan Burch, cousin of the bride, was flower girl. She was dressed like the maid of honor and carried a basket of pink flower petals. Brent McElreath, also a cousin of the bride, was ring bearer.

Donnie Matthews of Myra was best man and Kenny Branch, brother of the bride, was groomsman. Ushers were Joe Williams of Savoy and Donnie Woods of Collinsville.

Miss Becky McElreath registered guests at the reception

in the church fellowship hall. Presiding at the bride's table were Miss Cee Cee Halliburton of Gainesville serving the cake and Miss Ann Franks of Gainesville pouring punch.

Presiding at the groom's table were his sisters Mrs. Tom McCulley and Mrs. Carol Smith, both of Myra.

For traveling the bride changed to a light pink knit dress, also made by her grandmother, and black accessories.

After their wedding trip the couple will be at home at 608 S. Dodson in Gainesville. She is a 1969 graduate of Gainesville High School and has attended Cooke County Junior College.

The groom graduated from Era High School in 1965 and attended NTSU in Denton. He is employed as an accountant at Associated Milk Producers plant in Muenster.

Family Celebrates 5 Anniversaries

Traditional observance of five September anniversaries was held Sunday by the Bill Kathman family in the Kathman home. Joining them were their children and families, the W. E. Insels of Gainesville and the Stan Wylies of Grand Prairie, along with a granddaughter Mrs. Sandra Insel Amyx and son Kenneth of Irving, making four generations present.

Gifts for the honorees added a festive note to the family dinner.

Honorees were Mrs. Bill Kathman for her Sept. 9 birthday; George Wylie, Sept. 11, birthday; Mr. and Mrs. Stan Wylie, Sept. 13 wedding anniversary, their twentieth, Eddie Insel, Sept. 19, birthday, his 13th; and Johnny Wylie, Sept. 25 birthday, his seventh.

Cases of the growth in late life of a third set of teeth have been recorded several times.

Public Notice

Concerning Recording and Re-Recording of Livestock Brands and Marks

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. (a) This Act shall apply to every county in this State. In all the counties each owner of any livestock mentioned in Chapter 1 of Title 121 of the Revised Civil Statutes of 1925 shall within six months after this Act takes effect (the act becomes effective on August 30, 1971) have his mark and brand for such stock recorded in the office of the county clerk of the county. These owners shall record the marks and brands whether the brands and marks have been previously recorded or not.

(b) The owner shall have the right to have his mark and brand recorded in his name who according to the present records of the county first recorded the brand and mark in the county, or in event it can not be ascertained from the records who first recorded the brand and mark in the county, then the person who has been using such mark and brand the longest shall have the right to have the brand and mark recorded in his name.

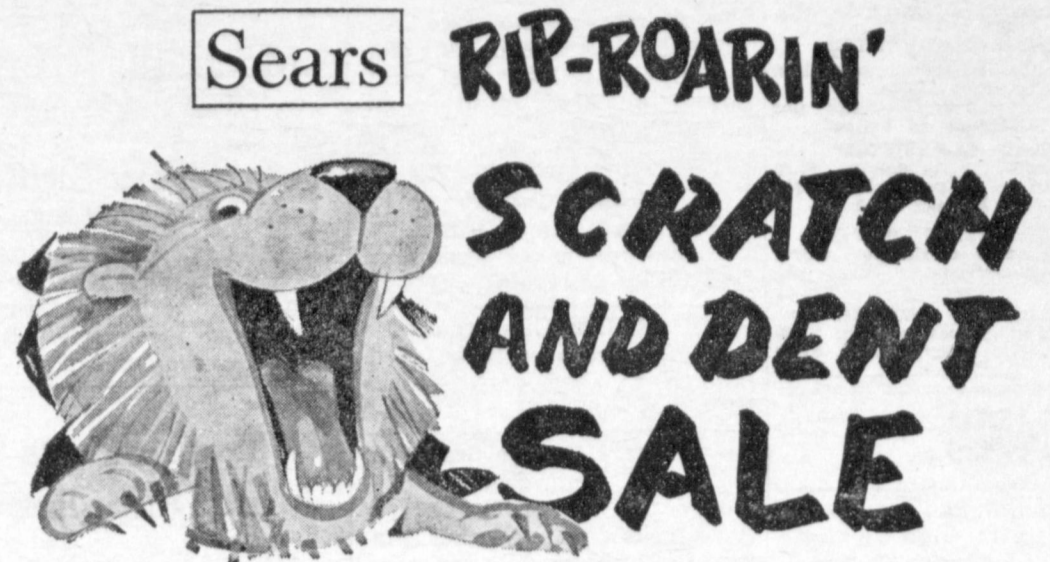

(c) After the expiration of six months from the taking effect of this Act all records of marks and brands now in existence in the county shall no longer have any force or effect and after the expiration of six months only the records made after this Act takes effect shall be examined or considered in recording marks and brands in the county.

Sec. 2. All brands and marks registered under the provisions of this Act shall be re-registered every 10 years in the manner prescribed in Section 1 of this Act.

A California West Point graduate has become the first graduate of the Academy to receive an honorable discharge from the Army on the grounds of conscientious objection. He

was a first lieutenant and had undergone Ranger and paratroop training but had never been in combat. This seems a rather dubious distinction, not because he is an objector to

military duty on conscientious grounds, but because he went to a military academy for four years and accepted a college education at taxpayers' expense.

Lindsay News

Mrs. Johnnie Thompson underwent surgery Monday morning at Muenster Hospital.

Mr. and Mrs. Steve Fincher and son are new residents in Lindsay, moving from Gainesville. They are occupying the house recently vacated by the Ivan Worleys.

Mrs. Nina Laux and children Dolores, Tommy, Billy and Curtis have returned to Sylmar, Calif., after visiting their son and brother Kenny Laux and their daughter and sister Barbara at Gainesville, and other relatives in the county.

Mr. and Mrs. Aloys (Billy) Fuhrmann have named their new daughter Julie Lynn. Father Damian officiated at the baptism in St. Peter Church and Mrs. Jim Vogel and Robert Vogel of Muenster attended as godparents. Afterward the baby's parents hosted a christening party for family members from Muenster and Lindsay.

Mr. and Mrs. William Fleitman were hosts last Sunday in their home for a reunion dinner attended by their children and grandchildren. Present were the Ray Lindemanns of Windthorst and his mother Mrs. R. T. Lindemann of Scotland, Mr. and Mrs. Curtis Reeves and family of Jacksboro, the George Krahlis and family of Gainesville and the Henry Fleitmans and children of Lindsay.

Father David Flusche of Subiaco, Ark., visited his parents, the A. C. Flusches, during the weekend while he was in the area on business.

Mr. and Mrs. Gene Pelzel and children Michelle and Matt were among relatives helping his grandmother, Mrs. Ed Blumberg celebrate her 85th birthday which will be Sept. 30. The early observance was held Sept. 12. Four generations attended, taking covered dishes including a decorated birthday cake topped with 85 candles. The honoree was showered with gifts and pictures were made.

Members of the Gieb family held their annual reunion Sept. 12 in the home of Mr. and Mrs. Walter Nortman. Children of the late Mr. and Mrs. Henry Gieb present were Messrs. and Mmes. Julius Gieb of Victoria, Ben Tubb of Oklahoma City, Hollis Seal of Dallas, C. B. Fallon of Sherman, Joe Trubenbach and Gene Gieb of Muenster, Ed Heitzman of Gainesville and Bernard Gieb of Lindsay.

Miss Clarice Schad of Dallas, formerly of Muenster, attended the National Hairdressers and Cosmetologists Association Regional Meeting in New Orleans, La., September 18 through 20, representing the Texas Hairdressers and Cosmetologists Association as president.

Miss Schad was elected president of the T.H.C.A. during the August State Convention in Galveston.

Eddie Schad Will Teach in Ghana

Eddie Schad has completed ten weeks of training at the University of Ghana in Accra and at St. Theresa's Training College in Hohoe, Africa.

He is in a group of 120 Peace Corps Volunteers who arrived in Ghana on July 7. They have been learning the Ewe dialect and doing practice teaching in a model school. Eddie has been assigned to teach math and physics in Keta Secondary School, located 500 feet from the ocean in southern Ghana.

Ghana is near the equator and there is no winter. This is the rainy season with rain every day. School starts Oct. 1 and closes in July with a month's vacation at Christmas and at Easter.

Mail is welcomed. Address E. J. Schad, Peace Corps, Keta Secondary School, Box 122, Keta, Volta Region, Ghana.

BIRTHS

Proudly announcing a daughter, Laura DeAnn, are Mr. and Mrs. Wayne Trachta, first-time parents. Their little girl arrived at Muenster Hospital, Sept. 20, 10:59 a.m. checking in at six pounds eight and half ounces. Mr. and Mrs. Dick Trachta are rejoicing over their first grandchild and Mrs. Dick Cain welcomes another granddaughter. Mrs. Katherine Hughton is great-grandma again.

Officers Elected By Lindsay CYC

Principal business at the Wednesday night meeting of Lindsay CYC was election of officers with Susy Bezner favored to head the organization as president.

Others elected are Bobby Hermes, vice president; Claudia Hundt, secretary; Patsy Arendt, treasurer; Janie Arendt, reporter.

In other business, discussion concerned attendance at Youth Day in Muenster on October 10, donations to UNICEF, and organization of a powder puff football team.

New members are being solicited and those wishing to join are asked to contact Susy Bezner or Patsy Arendt.

Trachta made the last 3 on stout second and third efforts. It was the first of four last period touchdowns as the clock showed 5:55 remaining.

On next possession the Hornets gained 13 to the 32 and got 15 yards free on a penalty but were penalized 15 and failed to make their next series. However on the next play Alan Miller stole a Panther pass and returned it 25 yards to the 3. Henry Knabe blasted over from there and Jim Endres followed over for extra points. Time remaining was 2:23.

On first play after kickoff Miller intercepted again and the Hornets were 42 yards away. Five plays went the distance and the big ones were Trachta's romp for 13, and Endres' 23 yard bullet pass to Swirczynski across the line. Remaining time was 1:05.

The Panthers' next play was a pass to Johnson for 16. Then Miller made his third interception and ran back some 20 yards to the 29. Trachta went for 4 and a screen pass from Endres to Knabe made the remaining 25 yards as the clock showed 12 seconds remaining.

SHH JETS Hear Guest Speaker on Glass Fiber Use

Members of Sacred Heart Junior Engineering Technical Society, at their meeting Monday night, heard Bill Russell of Gainesville as guest speaker. He specializes in building containers for industry and gave a demonstrated lecture on various types and uses of glass fiber. He was introduced by Ernest Jaska, engineering advisor.

Cletus Bayer, president, presided with 28 members answering roll call in TP&L community room.

It was announced that a career day will be held at A&M University on Oct. 2. A discussion was held on the acceptance of local members for Sacred Heart School to be a center for applicants wishing to take the Science Aptitude Test. Testing dates are February 14 through 25.

Kathy Rohmer gave a report on Space Exploration.

Mrs. John Mosman, club sponsor, attended with the group. Guests were Mrs. Ernest Jaska, Mrs. Bill Russell and John Mosman. After adjournment refreshments were served.

Lindsay NCCW Is Host for Meeting Of North Deanery

Lindsay NCCW members were hostesses for a regular meeting of the National Council of Catholic Women, North Deanery, Fort Worth Diocese, Thursday in the Knights of Columbus Hall at Gainesville. The session began at 10 a.m.

Forty-three members from Denton, Gainesville, Lindsay, Muenster, Pilot Point and Valley View answered roll call. Clergy present were Fathers James Gillespie of Gainesville, Bede Mitchell of Muenster and Severius Blank of Pilot Point.

Mrs. Will Bierschenk of Valley View, retiring president, presided and installed new officers after Mrs. Herbert Schmidkofer's welcome from the host parish and Father Gillespie's opening prayer.

Deanery officers installed are Mrs. Paul Fisher of Muenster, president; Mrs. Lawrence Zimmerman of Lindsay, secretary; Mrs. Lee Miller of Denton, vice president; Mrs. Troy Kirbie of Decatur, treasurer, Mrs. Albert Duesman of Pilot Point, delegate at large.

Committee chairmen for a new year were named. They are Mrs. Ed Schad of Lindsay, Church Community's Commission; Mrs. James Hudnall of Gainesville, Family Affairs; Mrs. Steve Moser of Muenster, Community Affairs; Mrs. Lee Miller, Denton, International Affairs; Mrs. Alois Pelzel of Pilot Point, Organizational

and Services Committee.

Entertainment after luncheon, and before noon luncheon served by the Lindsay ladies, was a clever and comical recording by Dr. Murray Banks, psychiatrist, on "How to Learn to Live with Yourself." Included were ten rules to follow to avoid a psychiatrist and how to worry effectively.

Muenster will be host parish for the next deanery meeting in November. The women meet four times a year, twice in the spring and twice in the fall.

Members attending from Muenster were Mmes. Steve Moser, Paul Fisher, Tony Gremminger, John Fisher, Frank Bayer, R. R. Endres, J. M. Weinzapfel and Ed Pels.
