NUMBER 52

Tigers Quit TISC Announce 1972 Football Schedule

After a few dismal seasons of competing out of their class, the Sacred Heart Tigers are pulling out of the Texas Independent Schools Conference and taking on opponents who rate more closely as their equals.

In announcing the change, Coach Tom Joy said his boys are tired of bucking against impossible odds and their supporters are tired of seeing the top heavy losses. Both the players and the fans want a schedule that offers them an even break.

With that in mind Joy has worked out a schedule with a variety of opponents. Five are the B strings of AA schools. Those are Jacksboro, Whitesboro, Bowie, Henrietta and the Junior Varsity of Lake Worth. Also there's Class B Sadler-Southmayd Class A Callisburg, 8-man teams Gunter and Westminster — who will field 11 players for these games — and Dixon, Okla., of unspecified classification.

Joy was disappointed in his failure to get any of the nearby Class B schools on his list. All of them were eliminated as prospects when they were included in the 11 member 7-B district. Each has ten conference games and no opening for any other game.

Possibly the team will have eleven games. Ten are booked now and an invitation is out for the open date on October 6.

Games scheduled at this time are:

- Sept. 9, S&S there.
- Sept. 15, Gunter, there.
- Sept. 21, Jacksboro B, here.
- Sept. 29, Westminster, here.
- Oct. 6, Open.
- Oct. 13, Callisburg, there.
- Oct. 21, (Homecoming) Lake Worth Jr. Varsity, here.
- Oct. 27, Whitesboro B, here.
- Nov. 3, Dixon, Okla., here.
- Nov. 9, Bowie B, there.
- Nov. 16, Henrietta B, here.

PTA Meets Monday
Muenster Public School Parent-Teacher Association will meet next Monday, Nov. 22, in the school auditorium at 7:30. County Judge Larry Sulivant will be guest speaker.

The whole trouble is that the country has too many people who aren't willing to make a sacrifice to help level off the economy. For a number of years their principal concern has been to keep ahead of the spiral. They wanted sufficient pay to avoid the pinch of first rises in prices, which they helped to cause, and demanded more pay when prices started catching up with them. And they still want to be ahead of the game.

Well, it won't work that way. Despite the very best efforts of President Nixon and his economic adjustment personnel, it will not be possible to establish wages and prices that will please everyone. And to make successive adjustments to please one group and then another only continues the problem. Inevitably some have to settle for less than others.

But suppose they do. What's so terrible about that? With very few exceptions, perhaps none, all the people in this country can adjust to a freeze of present economic levels without enduring any real hardship. This cry-baby attitude of asking for special consideration places a handicap on the recovery effort and is a disservice to those millions of other people who try to do their part.

To be really fair about this thing, one must admit that prices and wages should be reduced, not just halted at their present levels. As things were going up all these years the big losers were people who had to get along on a fixed income or their savings. Some simply got less because their money did not go as far. The others saw their savings in banks, bonds and insurance shrinking in real value as inflation shrank the size of their dollars.

Well, the people who have kept ahead of the game ought to be satisfied with the favoritism they have already had. They should be willing to let others get the breaks for a while.

Without a doubt, economic adjustment is going to be a (Continued on Page 8)

The Men In Service

Weekend Visitor
First Lieut. Michael Fuhrmann on a flight from New River, N. C., to Dallas came to Muenster to spend the weekend with his parents, the Adolph Fuhrmanns. Mike told about his earlier-in-the-week activity when he piloted a helicopter from North Carolina to Washington, D. C., to Chicago as an escort for President Nixon who attended the \$500 a plate dinner there. While in Chicago Mike met Mayor Daley and received as a gift from the President a fountain pen with the gold presidential seal.

Makes First Solo
Ronald Fuhrmann made his first solo flight Tuesday this week at the Naval Air Station Sanley Field, Pensacola, Florida. He is the son of Mr. and Mrs. Adolph Fuhrmann.

Headed For Germany
Army Pvt. Robert J. Sicking, son of Mr. and Mrs. Joe Sicking, will arrive in Muenster this weekend for a two-week leave before going to Germany on overseas assignment. Since finishing advanced individual infantry training at Fort Polk, La., Robert has been at Fort Bliss, El Paso, the past three weeks for specialized Redye Missile training.

A Civilian Again
Mike Hennigan is back at home, his tour of army duty finished. With the exception of basic training at Fort Lewis, Wash., he was stationed at Fort Sam Houston, San Antonio and was a Specialist Five at discharge time. He is the son of Mr. and Mrs. Pat Hennigan.

Back In The States
Naval Airman Jerome Yosten is back in the states at the Naval Air Station, Miramar, Calif., after serving aboard the US Midway with duty in Vietnam. Also back at Miramar is Naval Airman Dwayne Pagel who was on overseas assignment aboard the USS Midway and was stationed in the Philippines. He writes of plans to be home for Christmas. They are sons of the Werner Yostens and the Maurice Pagels.

Tiger Cubs Tie For Second Place In Junior TISC

Along with their 44-24 win over Fort Worth Christian Saturday night the Sacred Heart Tiger Cubs earned a tie for second place in the TISC junior division.

Their district record was 4-1-1 and their record for the full season was 5-2-2. Sharing the second spot with them is Trinity Valley, with whom they had the tie game. And both of them had their only losses from Fort Worth Country Day, the champ.

Muenster-Sanger Tied for Second In District 12-A

While Muenster was losing its bid for a co-champ title last week Sanger successfully defended its claim to a share of the second place honor and Frisco was eliminated from a third share of second place.

Game results were Nocona over Muenster 21-12, Sanger over Lake Dallas 22-16, and Pilot Point over Frisco 19-14. So, the final standings are Nocona 5-0, Muenster 3-2, Sanger 3-2, Frisco 2-3, Pilot Point 2-3, Lake Dallas 0-5.

Nocona meets Aledo Friday night at 8 in Decatur for the bi-district title.

Three Tigers Get Honorable Mention For All-District

Though finishing second last in the TISC title race, Sacred Heart's Tigers were remembered Monday night when the league's coaches made their all-district selections. Gary Endres received honorable mention on offense. Wayne Grewing and Dickie Mosier received honorable mention on defense.

Mr. and Mrs. Joe Starke joined Mr. and Mrs. Ed Starke of Nocona on a trip to Dallas last weekend to visit their sister Mrs. Norbert Jacobi of Electra, a patient at St. Paul's Hospital where she underwent major surgery on Oct. 29.

We'll Close for Thanksgiving

The Enterprise staff next week hopes to join many other local people in taking off for Thanksgiving. This means that the paper will have to be printed a day early, and our entire operation will have to be advanced one day. We ask our friends to help by reporting their news and ads to us at least a day early.

Muenster Donates \$1362 in UF Drive

By a comfortable margin of \$162 Muenster went over the top in its 1972 contributions to the Cooke County United Fund. Chairman Johnny Pagel announced this week that \$1,362 have been turned in to the Gainesville headquarters and the quota was \$1200.

For the UF, Pagel expressed his thanks to all who gave in support of the several worthy organizations included on this year's UF budget — including the Muenster Youth program.

He also thanks the fellow Jaycees who did the leg work in making community contacts. They are Harold Flusche, Roy Monday, Dan Hamric, Wayne Klement, Dennis Hess, Butch Fisher and Willie Fisher.

Radiator Shop Is Open for Business

Eddy's Radiator Service, a new business in Muenster, is open for repair of radiators and car air conditioners. It is located at 305 N. Main Street in the building that was formerly Matt Schmitz blacksmith shop.

The building has been dressed up with white paint and other improvements. W. L. Eddy is owner and factory trained repairman. Mr. and Mrs. Eddy, comparatively newcomers to Muenster, having moved here from California to occupy a new home they built during the summer, are not entirely new to Muenster and area residents. They have been regular visitors through the years. She is Mrs. Clive Gobble's sister.

Final Rites Held For Ray Kupper, 53

Funeral Mass and burial for Raymond Kupper, 53, were held at Lindsay Friday morning with Father Damian Wewers officiating in St. Peter Church and at graveside rites in St. Peter Cemetery. George J. Carroll & Son Funeral Home was in charge of arrangements.

Mr. Kupper died Wednesday, Nov. 10, in a Sherman nursing home after an extended illness. He was a farmer and a veteran of World War II receiving the purple heart and bronze star. Surviving are his wife, the former Bernice Haverkamp; three daughters Mary Beth, Rose Ann and Linda of the home; three brothers John Kupper of Valley View, Andrew of Kaufman, and Robert Kupper of Marlin, two sisters Mrs. Adolph Fuhrmann of Muenster and Mrs. Dick Bump of Arlington.

JCs To Sell Bulbs To Raise Fund for Christmas Gifts

Muenster Jaycees next Tuesday night will sell electric light bulbs to raise funds for Christmas gifts to the children of Denton State School and the community's service men in Vietnam.

Dennis Hess, chairman, says the membership will cover the town knocking on doors and offering "Thank You Packs" containing six popular size light bulbs. They urge everyone to use this occasion for stocking up on bulbs and helping make a better Christmas for the service men and the handicapped children.

Hospital Auxiliary Will Welcome Donations in Lieu of Christmas Cards

For the third consecutive year the Muenster Hospital Auxiliary presents an opportunity for members and friends to divert Christmas Card money to a charitable cause and also save the hours usually spent on addressing the greetings.

The organization suggests donations to its current project in amounts equivalent to a family's or firm's normal expenditure for greeting cards and stamps, the donations to be in lieu of Christmas cards.

Mrs. Gerald Walterscheid, chairman, announced this week that the organization has decided again to sponsor the project. She added that the ladies wish to bring it to the special attention of business people who have been spending on other types of Yule remembrances.

As before, a list of donors will be kept and published but individual amounts will not be revealed.

Hornets Bow to Nocona In District Showdown

For a team that was picked to end in the 12-A cellar, the Hornets did all right. They not only came out with a tie for second place in the conference but also gave the champions of Nocona a terrific game, the hottest the Indians had in the race.

And the game was different in a very special way. When the final buzzer sounded with the visitors at the front of a 21-12 count, hundreds of Muenster fans appeared to be as pleased as the Nocona people. It seemed they had reconciled themselves early in the game to the fact that the Indians had the title, but they were bubbling over with pride for their Hornets. There was a big thrill in seeing them perform so well against the team that was obviously Number 1. For a while there was more thrill in the thought that they might even pull ahead.

After the Indians had ruled the first half for a 14-0 lead, the Hornets went to the air and treated the crowd to the best passing show ever on the Muenster field. Jim Endres, with fine protection from his linemen, was amazingly accurate and his receivers snared the passes like professionals. During the half they completed 19 out of 27 for 232 yards.

With the double inducement of a probable grid classic and

Final Rites Held For Ray Kupper, 53

Funeral Mass and burial for Raymond Kupper, 53, were held at Lindsay Friday morning with Father Damian Wewers officiating in St. Peter Church and at graveside rites in St. Peter Cemetery. George J. Carroll & Son Funeral Home was in charge of arrangements.

Mr. Kupper died Wednesday, Nov. 10, in a Sherman nursing home after an extended illness. He was a farmer and a veteran of World War II receiving the purple heart and bronze star. perfect football weather, the biggest crowd in local sports history was there for the game, and they were not disappointed. Thrills came in a hurry for Indian fans but had to wait a while for Hornet fans.

On first possession the Indians headed for their first score. It was a 62 yard drive in seven plays and the pay off was a 20 yard romp by Randy Stillely, the tall 190 pound senior who frequently gets all state rating and fully deserves it. Stillely runs like a streak

3 New Opponents Appear on Hornet '72 Grid Schedule

Muenster High's football schedule for 1972 reflects the recent assignment of eleven B schools to District 7-B. Area schools that used to be on the Hornets' pre season schedule now have a 10 game district schedule and are not available for other games.

As a result, some near-by schools had to be replaced by brand new opponents — like Boyd, Northwest and Newcastle. Northwest is a consolidated school located near Justin. The other pre-season foes are Whitesboro and Lake Dallas. Whitesboro and Northwest are Class AA teams, Boyd and Lake Dallas are Class A, and Newcastle is a traditionally strong B team.

The season will start on September 15 and continue without an open date until November 17. All games will be at 8 o'clock.

The schedule:

- Sept. 15, Boyd, here
- Sept. 22, Whitesboro, here
- Sept. 29, Northwest, there
- Oct. 6, Lake Dallas, here
- Oct. 13, Newcastle, there
- Oct. 20, Pilot Point, there
- Oct. 27, Frisco, here
- Nov. 3, Sanger, there
- Nov. 10, Nocona, there
- Nov. 17, Callisburg, here

The same sequence applies to the schedule of junior high games and high school B team games next year. Coach Glenn Richardson said Muenster has scheduled B games with all of the schools except Newcastle and junior games with all except Northwest and Newcastle.

Their games will be double headers on the Thursdays preceding the varsity games the location of each will be opposite that of the varsity game. That will be there for Boyd, Whitesboro, Lake Dallas, Frisco and Callisburg games; here for Northwest, Pilot Point, Sanger and Nocona games. Starting time throughout the season will be 6 p.m. for junior games and 7:30 for B games.

Boy Scout Meet Monday

Muenster Boy Scouts will meet Monday, November 22, in the KC Hall at 7:30. Scoutmaster Willie Walterscheid announced this week adding that he was looking forward to seeing all members of the troop present.

John Myrick Gets Manager Post for Chemical Company

John S. Myrick, formerly of Muenster, has joined Occidental's Suwannee Phosphate Division as Chemicals Complex Manager.

In this capacity he will be responsible for managing the operation of eight chemical plants producing sulfuric acid, phosphoric acid, superphosphoric acid, granular fertilizers and defluorinated phosphate rock.

In addition he will oversee the operation of the Analytical Laboratory, chemical maintenance and engineering departments.

Immediately prior to joining Occidental in Lake City, Florida, Myrick was employed by Texas Gulf Sulphur where he was responsible for all acid production at the Lee Creek, N.C., plant. He had previously worked for Olin-Matheson in Pasadena, Texas.

A graduate of the University of Texas, he is a member of the American Institute of Chemical Engineers. He is residing in Lake City with his wife Billye, formerly of Gainesville, and three of their four children, Tommy, Jodie and Dolphy. Their oldest daughter Carol is Mrs. Donald Lee. She and her husband, and their son Donald Jr. live in New Bern, N. C. John is the son of Mrs. T. S. Myrick and the late Dr. Myrick of Muenster.

in the open and is a dependable short yardage gainer. He often adds 3 to 5 yards after being gang tackled. And just to keep from overworking him, John Cowden, Tommy Stillely and Dennie Womack, more hard and fast runners, take their turns at carrying the ball.

Following the TD John Grigsby booted true for the extra point.

Muenster responded with an 18 yard pass from Endres to Alan Miller, but that was all. A kick ended the next series after which the defensive units did their thing for a while. Indians fumbled once and had to kick once. Hornets had to kick twice.

Just before the quarter ended Nocona got started on its second TD. Nine plays went 54 yards to the 2 and three more plays finished the job. Randy Stillely crashed through for the last foot. Grigsby kicked the extra point.

On next possession the Hornets made a first down on a pass to Miller and kicked a long one to end the next series. Nocona failed to gain and kicked. The kick return plus a 15 yard penalty put Muenster in good position on the 25 and another pass to Miller reached the 8. Three rushing tries gained a single yard, then a pass went incomplete. The Hornets blew their first opportunity.

After a kick ending the next series Muenster had another chance from the 19, but it ended suddenly with an interception.

On first possession of the second half the Indians got another drive going. It gained 52 yards to the 3, Stillely gained 1 and the next play drew a 15 yard penalty. Then Nocona lost yardage and Muenster took over on the 25.

That's when the Hornets changed their style. With net rushing of only 5 in the first (Continued on Page 8)

KCs Remember 84 Deceased Members In Memorial Rite

Eighty four deceased members of the Muenster Knights of Columbus Council were honored Sunday afternoon at the annual memorial service in the KC hall.

The ceremony consisted of special memorial ritual conducted by council officers along with a short sermon by the chaplain, Father Bede Mitchel, stressing the Christian viewpoint of death and asking members to pray for the eternal happiness of their departed brothers.

Two names were added to the memorial list since the previous year's service. They are Joe Vogel and John Knabe.

\$400 Reached in Fund for Changing Christmas Lights

Donations for the new Christmas look on Muenster streets have reached \$400 and prospects are good for topping the goal of \$1,000, which is the estimated cost of planned changes and additions.

Principal features of the new look will be a display on the city's elevated water tank and tower, a change in arrangements of streamers across Main and the Highway and installation of blinkers.

Chairman of the Chamber of Commerce project is Mrs. Bertha Hamric.

Is This What Happens

A dispatch from the New York Times News Service describing the sad fate, at the hands of sadistic, juvenile vandals, of a small animal farm in the heart of a metropolitan area of the state of New Jersey is enough to shake the confidence of even the most optimistic believers in the human race.

ings to find their animals killed or tormented — ducks with their legs broken, chickens strangled, geese with their eyes gouged out, rabbits stomped to death and puppies stolen and killed nearby. Finally, the compassionate operators of the tiny farm closed it down and took the animals to the country. They couldn't face the cruelty any longer.

An 8-foot fence, topped with barbs, proved no deterrent to those, mostly juveniles, who delighted in mutilating and killing animals. Is this what happens when a nation compromises with principles of law and order, civilized behavior and the stern dictates of truth?

Responsibility of Business

Criticizing profits and accusing business of a lack of social responsibility is a favorite strategy of antiestablishment critics. In answering these critics, Mr. Philip N. Bladine, president of Associated Oregon Industries, comments, "... it is time the American people took a realistic look at the logical social responsibilities of corporations. Basically these are: (1) protecting and making profitable use of the savings invested by more than 30 million stockholders; (2) meeting payrolls and benefits at levels that maintain the world's highest standard of living; (3) producing desirable goods and services for which hard-boiled, bargain-hunting customers will pay all the costs of production (of which profits is one) plus the more than \$50 billion in taxes. ... There are only two systems of industrial production: private voluntary competitive capitalism, and state-controlled involuntary monopoly capitalism. ... As Samuel Gompers, founder of America's labor movement said, 'The greatest crime that business can commit against labor is to fail to make a profit.' The same applies to industry's responsibility to the entire society."

The "New Morality"

Herbert W. Armstrong, editor of Plain Truth, points out that those leading in the parade of public advocacy of promiscuous sex — nothing barred — are psychoanalysts, psychologists, and even sociologists: "These doctors are lending a professional aura of respectability to adultery, promiscuity and perversion, under the catchphrase: 'The New Morality.' It is neither new, nor morality.

At sessions of the American Psychological Association, held in Washington, D.C., Dr. Robert A. Harper is reported to have told parents "to encourage, help and foster sexual play in their pre-adolescent children." He advocated playpens for nursery-school children in which "vigorous and joyful sex-play" should be encouraged.

The advocates of "The New Morality" generally consider man as a type of animal, essentially no different from others as far as the moral dimensions of sex are concerned. Sex without rules, without problems, without guilt, is not human sex.

The promoters of "The New Morality" seem to be unaware that the game of life we play is a greater one than we suspect. When we substitute our rules in the game of life, we always make a less interesting game in the world. The challenge God gives is this: you really will enjoy my game more, for its stakes are infinitely higher and the possibility of winning infinitely greater than any game you might devise for yourself. To know this is to know both the most difficult and the most glorious thing about being human. The Ten Commandments are God's rules for the game.

Discipline is not an ugly word. Mature adults realize that when self-discipline ends state-discipline begins; and freedom is lost when free men no longer believe it has a purpose. The disciplined life, whether in sex or any other area, is the only truly human one. This is basic to all genuine morality, whether old or "NEW."

Bad News for Freeloaders

Welfare in the state of New York has been a national horror story. Yet, there is evidence that the story will have, if not a happy ending, at least an ending that is less than disastrous. New York State has a new law requiring welfare recipients classified as employables to pick up their checks at the State Employment Service offices. Under the new law, they are interviewed, given job counseling or training, or, if eligible, given a job. The results are startling. According to United Press International, "The result after one month of operation has amazed officials. Thus far, 18 percent of the welfare checks have gone unclaimed. ... Governor Nelson A. Rockefeller told a hearing on revenue sharing ... that some of the individuals reluctant to pick up their checks were probably ineligible and were fearful of being found out. ... The Governor disclosed that for the first time in 10 years, the number of people on the state's welfare rolls has declined for two consecutive months.

Legitimate welfare recipients have nothing to fear from New York's new law. Freeloaders, on the other hand, could find themselves confronted with the ancient dictum of "work or starve". The lesson for other states, in New York's experience, should be obvious.

Texas FB Reports All-Time Record In Membership

The Texas Farm Bureau has registered its largest membership gain in 15 years and also achieved an all-time high in number of members.

According to Texas Farm Bureau President J. T. Woodson of Gober, a total of 127,402 member families was tabulated at the end of the organization's fiscal year. This reflects a gain of 6,244 over last year, and marks the 19th straight year for the TFB to show an increase in members. The fiscal year ended Oct. 31.

A total of 167 of the 206 organized counties showed an increase over last year. Ellis County won honors for the third consecutive year as largest county with 2,094 members. Harris County was runnerup with 2,078 members.

Woodson said the increase should enable Texas to maintain its rank as third largest state Farm Bureau in the nation, behind Indiana and Illinois.

The state farm leader said that this year's big gain, achieved in spite of a dwindling farm population, is significant. It shows that farmers and ranchers are more determined than ever to be strongly organized, he said.

"We producers in agriculture now comprise only about 5 percent of the total population," Woodson said. "We know that only by being organized can we expect to exert any influence in the county courthouses, in our State Legislature, and in Washington, D.C."

Public Hearing on Auto Insurance In Austin Dec. 8

Hearings of major interest to insurance policy holders are scheduled here December 8.

The State Board of Insurance slated for that date public airing of new regulations to prevent insurance companies from arbitrarily cancelling coverage and a proposal to lower auto policy rates through "shock-absorbing" bumpers.

Allstate Insurance Company of Illinois recommends a 10 per cent premium discount for new cars equipped with the tough bumpers beginning next year. Rates would be reduced to 15 per cent if cars can be demonstrated to take a five-miles-per-hour blow fore and aft.

New federal regulations call for the shock-absorb bumpers with five mph (front) and two-and-a-half mph (rear) capacity by 1973 models.

Proposed regulations would prohibit cancellation of hazard and liability insurance which has been in effect 60 days or more unless holders fail to pay premiums or lose a driver's license (auto coverage).

Under the rules to be examined at the early December hearing, companies would have to give at least 30 days' written notice if they do not intend to renew a policy at the end of a year. Unless the notice is given, renewal would be required for another year. Firms which violate the rules could lose their licenses to operate in Texas.

The latter regulations resulted from special legislation passed this year following repeated complaints of motorists who claimed policies were cancelled without advance notice.

A hearing was scheduled earlier for December 7 to consider all aspects of problems in operating the new catastrophe property insurance pool in 14 coastal counties.

A treaty of peace is worth exactly the value that one attaches to the character of those who sign it.

Backbone of Conservation

The 17 million American hunters who follow the seasons in search of their favorite game are also the chief protectors of that game. As an editorial in "The American Rifleman" comments, "Except for licensed hunters, most North American game might have vanished decades ago because of market slaughtering and economic encroachment on wildlife habitats."

The president of the Wildlife Management Institute reports that U. S. hunters have contributed \$2.2 billion to conservation and game development. From state hunting licenses, going back as far as 1923 in some states, \$1.6 billion has been collected. Federal duck stamps have brought in \$117 million since 1934 and, since 1937, an additional \$438 million has been collected in the form of federal excise taxes on guns and ammunition. It is ironic that the very group of citizens that antigun extremists and many misinformed conservationists have been seeking to brand as virtual outlaws, in reality, have done more than all other groups combined for the cause of conservation and preservation of wildlife.

The backbone of high contemporary hunting ethics and standards of sportsmanship is the National Rifle Association. Its Hunter Safety programs alone, conducted in cooperation with state game departments, have reached some 5 million hunters. A number of states have made the NRA sponsored Hunter Safety Training Course mandatory for new hunting license holders. A record of America's hunting sportsmen demonstrates the high level of responsibility which the majority of law-abiding citizens accept as an integral part of gun ownership.

New Law Requires Clear Windshield

Major Guy Smith, Commander of the north central and north eastern region of the Department of Public Safety, said today that under the new uniform vehicle code we have a new article of law on windshields, and windshields wipers effective August 27, 1971.

The law states that no person shall drive a motor vehicle with any sign, poster or other nontransparent material upon the front windshield, side wings or side or rear windows of such vehicle which obstructs, obscures, or impairs the driver's clear view of the highway or any intersecting highway. The law further states that every motor vehicle must be equipped with a windshield wiper for cleaning rain, snow or other moisture from the windshield and that every windshield wiper upon a motor vehicle shall be maintained in good working order.

For more information on this law or other new laws, contact the nearest office of the department of public safety.

Health Hints

FROM BLUE SHIELD

Drug Abuse Prevention

Acid, uppers, downers, bennies, pot, speed and smack are but a handful of colloquialisms used in the contemporary language of drug users. But what's really involved and where does it all lead? If you don't know, now's the time to learn, during Drug Abuse Prevention Week.

By educating yourself and your children to the hazards of drug abuse, your child will be better prepared to say "No Thanks," when that nice young man offers him a pill that looks like his favorite candy.

If someone in your family is taking drugs, you'll be better able to recognize the symptoms, and in a better position to help.

Check on the drug abuse education programs being conducted in your community through schools, church groups, PTA's and adult education groups.

Standing ready to assist you in this massive education effort are medical societies, business and government agencies, as well as your local Blue Shield Plan which has available booklets and films.

During this Drug Abuse Prevention Week, help your community and your neighbors by becoming a knowledgeable leader in the fight against drug abuse.

Parish Societies Hear Reports on CSL Convention

Members of St. Anne's and St. Joseph's Parish Societies heard reports on the Catholic State League convention in Windthorst at their separate meetings Sunday and then joined for a fried chicken supper in St. Joseph's club.

Mrs. Tony Gremminger, Mrs. Wilfred Bindel, Father Leonard Wangler, Wilfred Bindel and Denis Walterscheid reported to the two organizations.

Windthorst was host for 51 people attending from Lindsay, Münster, Scotland, Windthorst and San Antonio. Johnny Gass of San Antonio, state president of the League, reported on the National Convention he attended in Boston in August and urged the group to work on membership, especially to get younger people interested.

Eleven attending from Münster were Father Leonard, Denis Walterscheid, Phyllis Bindel, Gloria Stoffels, Shirley Becker, Elizabeth Herr, Mr. and Mrs. Wilfred Bindel and Mmes. Tony Grem-

ming, Joe Luke and R. R. Endres.

After reports, Mrs. Gremminger asked Mrs. Victor Hartman and Mrs. Henry Henschel to be on the nominating committee to draw up a slate of officers for next month at St. Anne's meeting. Miss Mary Rohmer and Mrs. T. Vogel told about visiting nursing home patients and Mrs. Vogel won the door prize. Sixteen members were present.

Twenty-four members attended the men's meeting and John Fleitman won the door prize.

Brian Bindel, 10 Birthday Honoree

Brian Bindel, ten years old Monday, observed his birthday after school when his mother Mrs. Wilfred Bindel entertained with a party at the family home. Helping Brian celebrate were 18 boy classmates of the fourth grade Sacred Heart School and his brothers Benny and Guy.

The group enjoyed games, party favors of candy and balloons and refreshments of cake and punch. Birthday gifts were displayed and pictures made.

Peggy Jo Reiter Charles DiStefano Marry in Houston

Mr. and Mrs. Charles DiStefano are on a flying honeymoon in Acapulco and Mexico City following their marriage in Houston Saturday. The bride is the former Miss Peggy Jo Reiter, daughter of Mr. and Mrs. Wilfred Reiter of Münster. The bridegroom's parents are Mr. and Mrs. Sam John DiStefano of Alexandria, La.

The nuptial Mass and double ring ceremony at 3:30 p.m. was in St. Michael's Church with Father John Kellick officiating. Sister Anna Marie Flusche was organist.

Given in marriage by her father, the bride wore a Victorian gown of white crystal velvet. The high-rise neckline and deeply cuffed bishop sleeves were outlined with Venise banding and the same lace accented the empress bodice. The gently flared skirt was slipper length. In Madonna fashion, the bride's illusion veil edged in the lace's pattern swept over the back of the gown to court length. For something old and borrowed she wore a ring belonging to her late maternal grandmother Mrs. George Spaeth. She carried a Victorian bouquet of white chrysanthemums and baby's breath.

Miss Lynn Reiter of Denton was her sister's maid of honor. Another sister, Miss Kim Reiter, and Miss Margaret DiStefano of Alexandria, sister of the groom, were bridesmaids. Shelly Estes of Houston was flower girl and Toby Kubis of Beaumont, nephew of the bride, was ring bearer. Bride's attendants and the flower girl were identically

gowned in moss green velvet high-necked Empire gowns with bishop sleeves. White insertion with pink velvet ribbon accented the neckline, bodice and cuffs. They wore green velvet spaghetti bows in their hair and carried pink spider mums with matching velvet streamers.

John DiStefano of Alexandria attended his brother as

best man. Another brother Glenn DiStefano of Alexandria and James Mulligan of Houston were groomsmen. Jon Benedict and Tom Jennings of Houston were ushers. After Mass the acolytes handed the bride and groom each a lighted candle from the candelabras and together they lit a memory candle on the Blessed Virgin's altar while the organist played "Ave Maria."

Wedding reception was held at Howard Johnson for 125 guests. The wedding cake was baked and decorated by the bride's aunt, Mrs. Henry Spaeth. She was assisted in serving it by the bride's sister Mrs. James Drozd of San Antonio. Kitty Russel and Paula Wadleigh of Houston were at the champagne fountain and Verda Wiggley of Houston served the punch. Sandy Reiter, sister of the bride, registered guests.

For traveling the bride wore a red coat dress with navy accessories. They will be at home in Houston.

She is a graduate of Sacred Heart High and NTSU with a BS degree in Home Economics. She is employed in Houston in the office of Blue Ribbon Rice Co.

He received his Masters degree in mathematics from Northwestern State University, Natchitoches, La., while in the Air Force studied Meteorology at St. Louis University, served overseas in Thailand and is a mathematician at Texaco Research Lab at Houston.

Guests at the wedding included Mr. and Mrs. Wilfred Reiter, Roger, Paul and Lloyd, Mrs. Alois Haverkamp, Mrs. Andy Schoech of Münster, Messrs. and Mmes. Wayne Reiter of Richardson, Paul Kubis and Toby of Beaumont, James Drozd of San Antonio, Charles Reiter of Kerrville, Walter Haverkamp of Whitesboro.

Also Steve Montgomery of Denton, Mrs. Walt Barry and son James of Dallas, Miss Frances Spaeth of Denison, Mr. and Mrs. Henry Spaeth and Patsy, Mrs. Henry Luttmer and Mrs. Joe Kneupper of Gainesville.

Mr. and Mrs. Sam John DiStefano were hosts for the rehearsal dinner at the Sirlin Restaurant where places were laid for 26.

Officers Elected By Pixy Bluebirds

Pixy Bluebirds of Sacred Heart second grade, in their rotation of officers, have named new ones for the coming four weeks.

Susie Felderhoff is president; Tina Hesse, vice president; Leslie Reiter, treasurer; Rene Stelzer, pledge leader; Donna Trubenbach, magic wand waver; Jenny Felderhoff, candle lighter.

Current project for the group is making Christmas tray favors for VA hospital patients.

Mrs. Betty Ann Trubenbach, leader, and assistants Janet Pels and Joan Hesse are helping with the star-shaped Santa makers. Tina Hesse served refreshments.

Sandmanns Observe 50th Wedding Anniversary at Mass and Reception

Mr. and Mrs. Willam Sandmann, natives and life-long residents of Lindsay who were married there November 15, 1921, celebrated their golden wedding anniversary Saturday, November 13, at an anniversary Mass in St. Peter Church and a reception and dinner in the school cafeteria. Mrs. Sandmann is the former Miss Anna Stoeck.

Father Damian Wewers celebrated the jubilee Mass at 4 p.m. A grandson of the goldenweds, Pat Hennigan Jr., was organist. Jim Gehrig, Mrs. Hank Strategier of Norman, Okla., and Miss Patsy Spaeth of Gainesville presented vocal selections including "On This Day" and "Ave Maria." Gold mums decorated the altar. Steve Rohmer and Mike Hennigan, grandsons, were ushers.

Billy Rohmer, Chris Stoffels and Ronnie Sandmann, grandsons were acolytes and granddaughters Janice Hess, Susan, Carol and Lisa Sandmann were in procession for the offertory presentation.

Mr. and Mrs. Frank Sandmann were anniversary attendants. He was best man 50 years ago and Mrs. Bill Lewis of Era, then Miss Katie Luttmer, was bridesmaid. She was unable to attend the anniversary observance.

The 50-year bride wore a royal blue dress and had an orchid corsage. Her attendant was in navy blue with a carnation corsage.

In an after-dinner program Pat Hennigan Sr. was master of ceremonies and told the history of the goldenweds. Pam Stoffels read a poem and Raymond Sandmann spoke.

Mr. and Mrs. Sandmann live on the same place in which they set up housekeeping in 1921, it is the place where he was born, one mile south of Lindsay. He is a semi-retired farmer. He is 74, born April 12, 1897, and she is 70, born January 21, 1901. Both are active in parish and community events. They built a

new home in 1951.

They are parents of seven children, four daughters and three sons, have 36 grandchildren and two great-grandchildren. These were represented on the anniversary cake by miniature figurines, roses and rose buds. The cake was made by Mrs. Henry Spaeth.

The children are Alma, Mrs. Herman Stoffels; Alice, Mrs. Pat Hennigan Sr.; Margie, Mrs. Tony Rohmer, all of Muenster; Marcella, Mrs. John Louis Hess of Lindsay; and Raymond, Edward and Paul Sandmann of Lindsay. All attended with their families with the exception of one granddaughter Mrs. Rex Simmons and son of Dover, New Hampshire.

June Stoffels and Debbie Hess, granddaughters of the honorees, presided at the guest book registering 130 relatives and friends.

Out of Town Guests

Out of town guests from a distance included Messrs. and Mrs. Robert, Al Sr. and Al Jr. Loeffelholz, Frank Miller, John Tullius and Hank Strategier, all of Norman, Okla., Chester Ragsdale of Oklahoma City, Conrad Flusche of Decatur, Gregory Gremminger of Hillsboro.

Mrs. Joe Gremminger of Cleburne, Frances Spaeth of Denison, Sheila Hennigan of Fort Worth, Gene Gebman of Los Angeles, Calif., Mrs. Georgia Berry of Dallas, Mr. and Mrs. Edwin Boeskin of Phoenix, Ariz.

Mrs. Sandmann has three sisters, Mrs. Anton Loeffelholz of Norman and Mrs. Martin Rauschuber of San Antonio who were unable to attend and Mrs. Joe Gremminger. Mr. Sandmann has one brother, Frank of Lindsay, and one sister Mrs. Henry Strategier of Norman who was unable to attend.

If you want to be original, be yourself. God never made two people exactly alike.

Lindsay News

Sister Ferdinand is making normal progress in recovering from knee surgery performed at Muenster Hospital Saturday.

Mrs. H. S. Fuhrmann was dismissed from Muenster Hospital Saturday.

Lindsay high seniors are practicing on their class play, "One Foot in Heaven," which they plan to present Dec. 12 and one other date. Every member of the class is involved in the production.

Captains of the girls' 1971 basketball teams have been chosen. They are Brenda Beyer, Charlotte Stoffels, and Paula Owen, seniors, and Carol Felderhoff, junior.

Frank Haverkamp Sr. is dismissed from Community Hospital in Sherman where he underwent surgery and is convalescing at his home.

Mrs. Willie Fuhrmann has been dismissed from Muenster Hospital where she underwent surgery. Her husband who was transferred from a Gainesville nursing home was admitted to Muenster Hospital last Tuesday for treatment of pneumonia.

Members of Lindsay Parent-Teacher Club, at their monthly meeting, discussed coming events and voted to buy stage curtains. Billy Zimmerman in his report for the Projects Committee said fireproof fiberglass curtains and back drapes will come from an Oklahoma City firm at a price of \$875. Principal Henry Schroeder announced classes will be dismissed Wednesday, Nov. 24, for the Thanksgiving holidays. Mrs. Weldon Bezner and Mrs. Ray Haverkamp were appointed kindergarten room-mothers and the organization voted a \$50 donation for kindergarten classroom needs. In a discussion on the club's New Year Eve dance, ticket prices were set at ten dollars a couple for admission and setups.

SHH Has Program In Observance of Education Week

American Education Week was observed at Sacred Heart High School with an assembly of students, faculty and special guests on Wednesday, Nov. 10. The delayed program, previously planned for the week of October 24-31 was postponed due to conflicting activities.

Representatives from local organizations were present to become better acquainted with the school system and accomplishments of students.

Attending were Dan Luke, Knights of Columbus; Mrs. Tony Hess, Catholic Daughters of America; Wilfred Bindel, Veterans of Foreign Wars and St. Joseph's Society; Mrs. Wilfred Bindel, VFW Auxiliary; Mrs. Walter Grewing, Hospital Auxiliary.

Mrs. Tony Gremminger, St. Anne's Society; Mrs. Leo Henschel, Third Order of St. Francis; Mrs. Arthur Endres, Garden Club; Mrs. Joe Luke, Muenster Public Library; L. B. Brunns, Muenster Public School.

Ronnie Hess, student council president, led the opening prayer and pledge after which Sister Mary John Seyler, principal, introduced guests and announced honor-winning students.

Margie Felderhoff was selected by the faculty for the DAR award given annually to an outstanding senior girl for dependability, service, leadership and patriotism.

Eligible for scholarships in recognition of scholastic excellence, leadership, extra-curricular activities and sports are seniors Doris Schmitt, Mary Lou Kralicke, Phyllis Bindel and Yvonne Gehrig, and juniors Christi Koessler and Larry Bayer.

Entertainment was provided by senior, junior and sophomore students who sang ballads they composed themselves as an English project under supervision of Brother Thomas Mosler, English instructor.

Margie Felderhoff read an original humorous essay, Phyllis Bindel presented an original oratory on noise pollution, and Doris Schmitt read a selection with oral punctuation. In conclusion a group of seniors presented a skit based on the TV program "Little Rascals."

A coffee for guests preceded the general assembly.

Mr. and Mrs. Johnny Fisher and young granddaughter Angie of Houston spent the weekend and to Tuesday with his parents, the John Fishers.

Zimmerers Fly to Missouri, Attend Schuetzen Fest

Mr. and Mrs. Johnny Zimmerer are back from a flying trip to Detroit, Mich., where they attended the Kolping Schuetzen Verein fest at which their son-in-law's parents, Mr. and Mrs. Frank Billner, were king and queen. King Frank III and his queen Freda reigned over the festivities which included a banquet and king's ball.

Meeting them there for the celebration were the Zimmerers' daughter and husband, the Bob Billners who flew from Saratoga, Calif.

King Frank won his title by "shooting the bird."

The Zimmerers were gone a week. After the Nov. 6 festivities they remained for a visit with the Billners.

Tiger Cubs Romp To 44-24 Win Over FW Christian Kids

The Cubs did their part in a big way Saturday night in making Sacred Heart's double header season finale a delightful event. They won their half of the program by a convincing 44-24 count over Fort Worth Christian.

The scoring spree got off to an early start when the Cubs had to punt on their first series and Mark Hess blocked it giving the Cubs possession on the 10. Two plays Hess scored and Roger Endres followed over for extra points.

Again the visitors had to kick ending their first series, and Roger Endres on the next play got around right end and went 50 yards to the goal. Mark Hess added 2 points.

The third one resulted from a drive of about 40 yards. Endres scored from the 10 and also made bonus points.

In the second quarter reserves got a chance and the game was more even. However after several exchanges Endres completed a nice pass to Karl Koessler on the 2 after which Jim Koelzer scored on a quarterback keeper. The try for points was blocked.

The next one opened the second half. Koessler returned the kickoff to midfield. Hess took a pitchout, got around left end and scored. A kick upped the count to 37-0.

Then the reserves had it again for a while and the visitors did better. They scored in the third and again in the fourth, trailing then by 37-16.

Midway in the fourth Hess added the final TD with an 80 yard run through the line and also kicked the extra point.

The Little Cardinals got their last touchdown and extra points near the end.

Janders to Have 60th Anniversary

Mr. and Mrs. W. J. Jander of Benton, Ark., will observe their 60th wedding anniversary on Nov. 21 without celebration. He underwent surgery earlier this month and she is presently a patient in a nursing home.

Their two daughters who had looked forward to hosting a celebration have asked instead for a card shower for the couple.

Mr. Jander who will be 84 Dec. 14 is a former resident of Muenster. The couple married at Sagerton and have spent most of their married lives in Oklahoma.

Cards from old Muenster friends and others of the area will delight the couple. The address is 720 W. Ashley, Benton, Ark. 72015.

Mr. and Mrs. Neil Fisher and little son Ben of Houston returned home Tuesday after spending the weekend and Monday with his parents, the Joe Fishers.

Signs Okayed for Unmarked Streets By City Council

Installation of about two dozen new street signs and two blocks of gravel resurfacing were approved Monday night at the city council meeting, and city workers were asked to install Christmas lights as soon as possible after Thanksgiving.

Aside from that the meeting consisted of little more than approving payment of current bills.

Some of the signs to be erected will be brand new, made of aluminum and will have white letters on a green background, somewhat similar to the interstate highway signs. They will be erected on recently opened streets — such as Endres and Hillcrest Drive in the southeast part of town, also Cherry Lane, Maple and Cedar extending north to FM 373 and Weinzapfel St. at Sixth. Old black on white signs are on hand for Mesquite both north and south of the highway and also for Cross Street.

The gravel was okayed for West Sixth to repair places washed out in recent heavy rains.

Christmas lighting will depend mostly on when TP&L crewmen and their equipment are available to help the city workers.

Marysville News

MARYSVILLE, Nov. 17 — Mr. and Mrs. Bill Roe of Callisburg were visitors Tuesday with her parents the W. F. Davidsons.

Becky and Barby Davidson were among 326 county marchers in the 10-mile "Walk for the Hungry" at Gainesville Saturday. All participants had signed up sponsors who pledged to pay them so much money per mile walked. The money is a donation to CROP, the Christian Rural Overseas Program, to send supplies to countries where hunger is a serious program. Although they were tired Becky and Barby said the experience was rewarding and they enjoyed the companionship of other young people in the march.

It was like old home week at the Lloyd Youngs during the weekend. Visitors Saturday were a daughter and son-in-law the Wayne Riggs and daughter Amy of Euleess. Also spending Saturday were Mr. and Mrs. Kent Snead of Irving. Saturday overnight and Sunday guests were a daughter and family, the Earl Minors and Robby of Euleess. Spending Saturday and Sunday were a son Mike Young and son Brent of Dallas. Mrs. Danny Bayer and Denise joined the Saturday evening group for visiting.

Mr. and Mrs. Roy Tate are back from a three-day visit in Waco, Texas, with their son and family the Wayne Tates and are looking forward to having them as guests for the Thanksgiving holidays.

Mrs. John Richey reports a great time on a ten day visit with her brother Thomas C. Wyatt at Encino, Tex. She accompanied him home after his visit here. Together they did some sight-seeing including Ruidoso, Mexico, the Valley towns of Mission and McAllen, King's Ranch and Baffin Bay, and finally in San Antonio where Mrs. Richey boarded a bus for return home. Visiting her Saturday night and Sunday were a nephew Raymond Reed and son Scott of Wichita Falls. The two spent Friday and Saturday with parents-in-law and grandparents, the Fred Richeys at Sivells Bend.

Local News BRIEFS

Christening of a grandchild took Mrs. Alfons Walterscheid to College Station for a weekend visit with her son and family, the Wilmer Walterscheids. Leon Walterscheid went with his mother and they were godparents at the baptism of infant Gina Lovelle Walterscheid Sunday. The baby's christening service was in St. Joseph's Church, Bryan, 1 p.m. with Father Michael Ryan officiating.

Surprise visitors with Mr. and Mrs. Joe Swirczynski Saturday were their granddaughter Mrs. Jerry Knauf, her mother and sister, all of Colorado Springs, Colo. They stopped by here during their weekend visit with their mother and grandmother at Gainesville. Mrs. Knauf and her husband who were seriously injured in a car accident almost a year ago are both fairly well recovered. Jerry will receive his masters degree later this month and was not able to miss classes and make the trip.

Report Cards for CCD

All CCD students will receive report cards Sunday, Nov. 21, Mrs. David Bright, CCD coordinator, said this week. Parents are urged to review the cards carefully. At the same time Mrs. Bright announced that there will not be CCD classes on Sunday, Nov. 28.

MENU

Muenster Public School November 22 to 24

Monday — Barbecued franks, creamed potatoes, cabbage slaw, hot bread, butter, milk, pineapple slice.

Tuesday — Sloppy Jos, potato chips, onions, pickles, mustard, doughnuts, bread, butter, milk.

Wednesday — Turkey, dressing, giblet gravy, sweet potatoes, celery stick, cranberry sauce, bread, butter, milk.

Mrs. Lon Blanton Celebrates 91st

Mrs. Lon Blanton who will observe her 91st birthday on November 23, had an early celebration Sunday at the home of Mr. and Mrs. Joe Lewter, niece and nephew, in their home at Hood.

Other birthday honorees were Mrs. Joe Lewter and Miss Marilyn Kay Cummings of Wichita Falls.

Other guests were Mr. and Mrs. Bud Cummings of Wichita Falls, Mr. and Mrs. Lannie Lewter and daughter Laurie of Hood, Mr. and Mrs. Bob Trew of Gainesville and Mrs. M. H. King of Muenster.

Mrs. Blanton, a resident at Golden Acres Nursing Home, made the trip to and from Hood with her niece Mrs. King.

Schedule Listed For Muenster Hi Basketball Games

Basketball players at Muenster High are losing no time about getting started. With their football gear barely packed away, the boys will have their first game here Friday night with Forestburg.

The girls are slightly ahead of them. After four practice sessions the past two weeks they played Valley View A and B strings last Thursday and will play Alvord this Thursday. Also A girls will play Forestburg before the boys' game Friday.

The season's schedules for A and B teams have been announced as follows by Coach Charles Cash. Unless otherwise shown the games will be double headers for both boys and girls.

A TEAMS

At Confirmation Service in Irving

Mr. and Mrs. Leo Henscheid and Mrs. Rudy Hellman were in Irving Saturday to attend afternoon confirmation services in St. Luke's church to see their granddaughter Linda Hellman in the ceremonies among a group of 75 children.

Family members were together afterward at a supper party in the Damian Hellman home.

Mr. and Mrs. Henscheid remained overnight with their daughter and family and Sunday joined them in attending the Cowboy game in Texas Stadium. Meeting them there were the Henscheids' other daughter and her husband, the Lenton McClendons of Dallas.

Mr. and Mrs. Vincent Trachta of Ardmore spent the weekend here with his mother Mrs. Anna Trachta who is recuperating from surgery.

Management Class Offered at CCJC

Mr. Richard Morris, an industrial engineer who has a varied background of experience in this field, has joined the faculty at Cooke County Junior College to help coordinate students in the Mid-Management Program.

The two-year Mid-Management Program consists of classroom study, on-the-job training and individual counsel. The student learns the skills and attitudes needed for varied management positions and gains the related experience he will need for his own career plans.

The full-time student is required to enroll in management training, the laboratory part of the program in which the student works at least 15 hours a week.

Mr. Morris will visit local industries which are participating in this program to coordinate the students' job experience with his classroom work. Individual conferences with the employer and the instructor will help the student assess his personal and professional development.

When a minister rehearses his Sunday sermon, would you say he was practicing what he preaches?

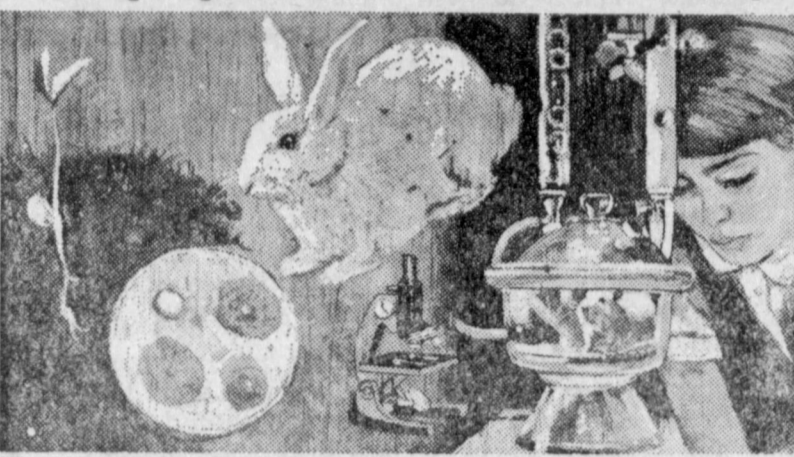

Well, What Do You Know? fun, games and knowledge

by MARTHA GLAUBER SHAPP, Editor, The New Book of Knowledge

Do you know what biology is?

Since the very beginning of human history, men have taken an interest in what they saw, particularly in everything that moves or grows and can be called alive. Biology is the name given to this study of living things. Much of the

study has been, and still is, simply a process of looking at what can be seen and thinking about it. This activity may be broadened by carefully dissecting living things so their internal structure can be seen. It may also be broadened by use of a lens or a microscope.

What do you know about gliders?

Gliders have no engines and so have no thrust. For launching they must be pulled forward or shot into the air to overcome gravity. But once in the air, glider pilots use the changing air currents to gain lift. By controlling the relation between lift and drag, glider pilots can stay aloft for many hours. Gliders are sometimes compared to birds. In many ways, however, birds are more like airplanes, since they can create thrust. Only when birds soar on air currents can gliders be compared to them.

What do you know about the battle of Marathon?

In 490 B.C., the Persians invaded Greece, and the Athenians marched out to meet them. For 8 days the two armies glared at each other across the plain at Marathon. On the 9th day the Athenians marched onto the plain, fanned out into battle line, and attacked. The Persians panicked, ran for their ships, and were slaughtered. Some historians believe that this Greek victory saved Western civilization from being absorbed by the East.

(For a free booklet, "The Magic Carpet," illustrated in color from The New Book of Knowledge, send name and address to Martha Glauber Shapp, Box 47, Putnam Valley, New York 10579.)

Club Members Pack Yule Gifts for Hospital Patients

Muenster Home Demonstration Club members went to their November meeting with gifts which they packed for Christmas to cheer patients in Wichita Falls State Hospital.

Mrs. John H. Wimmer was hostess in her home and members presented the program. Mrs. Gus Lutkenhaus gave an illustrated talk on pollution and Mrs. Bill Lutkenhaus spoke on food additives including herbs that add flavor to everyday cooking.

Mrs. Earl Robison, president, presided for business and Mrs. Rudy Hellman told about the county council meeting she attended and plans for the all-county HDC Christmas party on Dec. 14 in Gainesville.

Mrs. Alois Rohmer and Mrs. Ray Klement reported on visits to shut-ins and Mrs. Andy Schoech volunteered for this month.

Mrs. Oscar Detten invited members to her home for the December meeting which will be the club's Christmas party with a gift exchange.

Mrs. Wimmer served pie and coffee to 16 members and the group welcomed Mrs. Lloyd Young as a new member.

At Grandchildren's Party

Mr. and Mrs. George Jetzelsberger were among guests at a birthday party for their grandchildren, Robert and Julie Ann Jetzelsberger, children of the Charles Jetzelsbergers of Fort Worth, in Collinsville Sunday afternoon. The youngsters' aunt was hostess and the present included their grandmother Mrs. Fred Cannon of Collinsville. Robert was six on Nov. 11 and Julie Ann was one on Nov. 12.

Absence makes the heart grow fonder — but presents bring better results.

Kristy Stelzer, 3 Birthday Honoree

Being three years young was a big event for Kristy Stelzer, daughter of Mr. and Mrs. Pat Stelzer, who celebrated twice.

Saturday afternoon young friends and neighbors helped her eat birthday cake and ice cream at the home of her grandmother Mrs. Henry Huchton.

The earlier party included her uncle, aunt and cousins, the Jim Myrick family of Arlington who came over on Nov. 7 to observe Jim's birthday.

Gifts were included in both parties, attended also by Kristy's sister Rene and grandmother Mrs. T. S. Myrick.

Poor handwriting causes losses exceeding \$1 million weekly, according to the Handwriting Foundation. The most costly errors mentioned by the foundation include tax mix-ups, misdirected correspondence, and misinterpreted instructions.

Diogenes had spent a long day searching in New York for an honest man, and was wearily wending his way homeward. "Well, what luck?" asked an acquaintance, passing by. "Surprisingly good everything considered," reported Diogenes brightly. "I still have my lantern."

Don't Burn Leaves Use Them to Make A Compost Pile

Rather than burning leaves this fall and polluting the air, why not use them for a compost pile? This will provide a good source of organic matter for potted plants, for top-dressing the lawn, and for building up the soil in flower beds and shrub borders, says Everett Janne, Extension land-

scape horticulturist. There are many ways of composting leaves and other vegetable matter, but the simplest method is to alternate four-to-six-inch layers of vegetable matter (leaves, grass) with two-to-four inches of good garden soil. If available, manure can be added to the soil layer to good advantage. The compost pile should be four-to-six feet wide and any desired length depending on material and space available.

Sprinkle a commercial fertilizer on each layer of vegetable matter to hasten decomposition, suggests Janne. Use about one-half pound, or one cupful, of any good commercial fertilizer with a 1-1-1 ratio per square feet of each vegetable matter layer.

The top layer of the compost pile should be soil and the surface of the pile should be dish-shaped, forming a basin to hold water. Each layer of organic matter should be watered thoroughly before the soil layer. This is especially true when composting leaves as they can be extremely slow to decompose if too dry. The pile should be watered thoroughly when completed and additional water should be added as needed to keep the material moist but not soggy.

Turn or mix the compost with a garden fork or shovel every three or four months, recommends the horticulturist. It should be ready to use in six months to a year. The decomposition process can be speeded up by using commercial compost activators.

Well prepared compost can be utilized anywhere peat moss is used, concludes Janne.

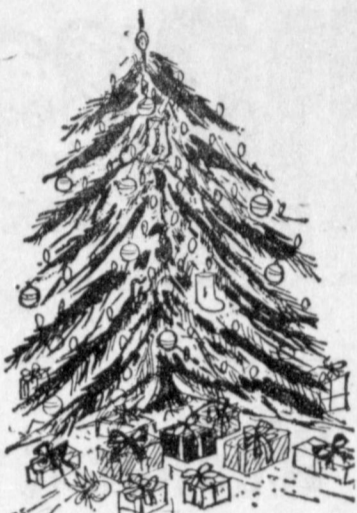

"The makings of a perfect life are simple. After all, you need only to own a comfortable bed and a comfortable pair of shoes, because you're in one or the other practically all of your life."

Health Hints

FROM BLUE SHIELD

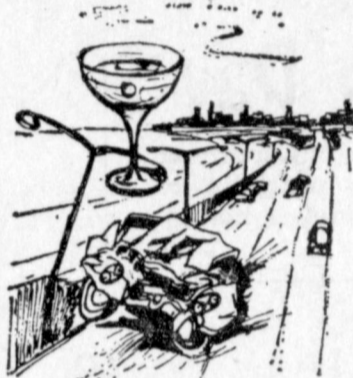

Christmas Tree Lighting

Don't allow the holiday spirit in your home to be dampened by an electrical fire. When purchasing Christmas tree lights, the most important thing to look for is the UL seal. This will assure you that the lights meet certain minimum electrical safety standards. The lights should also be in sockets that screw or push into the cord; they should not be wired directly into the cord. No wires should be exposed, and the plug at the end of the cord should be insulated.

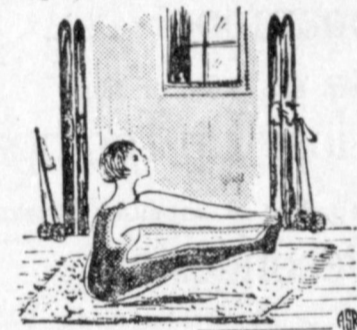

Drunken Driving

"The party's over; it's time to call it a day." These popular song lyrics are quite appropriate for the upcoming holiday season with its flurry of activities. Make sure there will be other parties for you and your family to enjoy. Drive defensively and drive only when you are sober. Don't overindulge in alcoholic beverages. Every year thousands of people are killed in automobile accidents involving drunk drivers. Have a good time but remember to make the one for the road a cup of coffee.

Skiing

Thinking of taking up skiing this winter? Get into condition first. Start working out on a regular basis long before you begin skiing. Your workout should include toe-touching exercises and other strenuous body building activities. Equip yourself with clothing and boots that fit properly. When you get to the slopes sign up for instruction. No one is a "born skier". You've got to be taught. And as a beginner, be sure you stick to the beginner's slope.

THAT'S A FACT

Muenster Juniors Blasted 32-6 by Nocona Youngsters

The Juniors of Muenster Public School were swamped in the last four minutes of their game at Nocona last Thursday and went down for a count of 32-6. Until then the count was a very creditable 14-6.

Despite a definite disadvantage in size the Little Monsters gave a good account of themselves for three quarters and allowed their opponents 14 points. Then they got hot on their passes and went 60 yards in about a half dozen plays to the 2 yard line. From there Bobby Endres went over for the TD.

After that the Little Indians ran wild. First a kickoff return all the way. Then, on the punt ending Muenster's next series, another return for a TD. And finally a scoring drive in a few big plays.

Gainesville DAV Sponsors Dinner For Thanksgiving

Members of the Gainesville DAV Chapter 104, their families and members of the DAV Auxiliary are invited to a Thanksgiving dinner sponsored by the chapter on Friday, Nov. 19, 6:30 p.m. at the Odd Fellows hall in Gainesville.

Also invited are veterans who are not members but eligible to join, along with their families. They are reminded that the purpose of the organization is to help disabled veterans and their widows and dependents.

The chapter and auxiliary will have a regular meeting after the dinner.

Special guests for the occasion will be regional officers Carl Ford of Sherman and Charles Lang of Wichita Falls and their wives.

Salvation Army Seeks Clothing Household Items

With winter approaching, the Salvation Army's Men Social Service Center of Fort Worth is again turning to the citizens of North Texas for help.

Warm clothing, blankets and shoes are needed during November for placement in the Salvation Army's Thrift Stores in Fort Worth. The items are sold to the underprivileged and needy at reasonable rates to support the rehabilitation program of the Mens Social Service Center.

Discarded items are cleaned and repaired and placed in the stores giving the homeless and handicapped men enrolled in the rehabilitation program meaningful work therapy. Sales of the items support the work of the Center which receives no welfare or charity funds.

Captain William Swyers, commander of the Center, says there is also a need for repairable furniture and appliances. The furniture is refinished and reupholstered by the men at the Center and the appliances are put in working order before being placed in the thrift stores. "Many men have learned useful trades that have restored them as productive members of society through this program," Capt. Swyers says.

Donations will be picked up during December by the Salvation Army truck December 16. Persons having items to donate should call 759-4311 the day before the truck is scheduled to make its rounds.

A dairy cow producing 11,000 pounds of milk a year (about 5,000 quarts) consumes an average of 45 tons of fuel — 8 tons of feed and 37 tons of water. That's 247 pounds a day.

Local News BRIEFS

Harry Scoggins who is working for AMPI in Oklahoma City spent the weekend here with his family.

Mrs. John H. Wimmer, her daughter Mrs. Allen Reiter and daughters Tammy and Janet spent the weekend in Plano and Garland. At Plano they visited the Ted Millers and children. At Garland they visited Mr. and Mrs. Kenny Cain. Mrs. Reiter was seeing their new home for the first time.

Mrs. Tony Wiesman of Gainesville reports that a daughter-in-law Mrs. Don Wiesman of Fort Worth is back at her home, dismissed from hospital care after undergoing surgery. The Wiesmans had their young granddaughter Libby Wiesman with them part time while her mother was hospitalized. The little girl also spent some time with her aunt and family, the Bill Terrys at Gainesville. Mr. and Mrs. Wiesman, Mrs. Terry and daughter Traci went to Fort Worth one day the past week to check on the patient and spent the day in the Wiesman home.

Christening service was held Sunday afternoon in Sacred Heart Church for James Arnim Dennison III, infant son of Mr. and Mrs. James Dennison, Father Placidus officiated. Attending as sponsors were Glenn Cler, baby's uncle, and Miss Linda Spires of Gainesville, a cousin, as proxy godmother for the baby's aunt Mrs. Tom Webb of Plattsburg, N. Y.

Mrs. John Koelzer of DeQueen, Ark., visited during the weekend with Miss Lizzie Koelzer and other relatives.

Mrs. Eddie Mages of Dallas was here during the weekend visiting her mother Mrs. Mathilda Wimmer a patient at Muenster Hospital for a severe case of arthritis.

Dr. and Mrs. Marquette Hellman and sons Marq and Chris of Bryan spent last weekend with his parents, Mr. and Mrs. Arthur Hellman and visited also with other members of the family. Dr. Hellman is veterinarian for a large dairy at Bryan.

Former residents Mr. and Mrs. Frank Schoech of Dallas visited last Tuesday with the Andy Schoechs here and stopped at Gainesville to visit with Mrs. I. A. Schoech at Frontier Manor Nursing Home. They were accompanied by a cousin of Mrs. Schoech from California.

super headache if the present selfish attitude continues. But it would be simple if everybody in the country stood ready to tighten the belt and make a sacrifice.

And who among all those people demanding their special adjustments would really be hurt without them? How many are actually unable to get along on less? According to an old saying the cost of high living causes a lot more problems than the high cost of living. That might be adopted as a guide in adjusting ourselves to the new economy.

We'd like to hear a little publicity along this line from the administration and from the big thought control media of the nation. It would help keep the greedy element in line. More important, it would mobilize the masses of right thinking people, directing the efforts they would gladly make for their country's welfare.

CDAs Hear Guest Speaker and Set Benefit Bake Sale

A guest speaker for the program and final plans for the annual benefit this weekend highlighted the meeting of Muenster Catholic Daughters of America Thursday night.

Mrs. Dorothea Pasqua of the County School Superintendent's office spoke on first aid and showed a film on the subject. She discussed the formation of a first aid class for adults in connection with equipment at Muenster Library.

This includes audio-visual equipment loaned by the County Superintendent's office on a federal program primarily to supplement an adult education program. Mrs. Pasqua is at the library on Tuesdays and Thursdays teaching the staff to operate the equipment.

Persons interested in the first aid class may sign up at the library.

The court's annual big benefit event, a bake sale and white elephant sale, was discussed and members to be in charge of sales at the KC Hall Friday and Saturday, Nov. 19-20, were assigned. The membership will be providing a steady flow of fresh homemade goodies both days from 7:45 a.m. to 6 p.m.

In other business the court decided to again sponsor the annual poetry contest for students and Mrs. Ed Schmitt and Miss Dorothy Bengfort accepted co-chairmanship.

Members also agreed to again cheer local shut-ins with Christmas baskets and to pack the treats that members will provide at their December meeting.

Mrs. Steve Moster announced that Betty Crocker coupons are no longer valid for purchase of a kidney machine. She had just received this information. In thanking all who contributed coupons she said the court will redeem the coupons for something useful locally.

Mrs. Ervin Hamric won the door prize.

half and 4 of 9 for 53 in passing, they obviously had to get into the air. Their drive went 75 yards including interception by an interception then a fumble recovery a play later. The drive used 22 plays including ten completed passes, four incomplete passes and the one interception. Receivers were Alan Miller, Tom Hennigan, Curtis Klement, Hank Trachta and Henry Knabe. Ricky Swirczynski, one of the favorite Hornet receivers, was sidelined almost all of the game with a leg injury. The final play of the drive was

a screen pass to Knabe for 11 yards. A pass for bonus points did not connect. The score was 14-6 early in the last quarter.

Nocona then went the other way, including a 38 yard touchdown sprint by Stillely that did not count. Instead a penalty set the Indians back 15 yards. Net gain of the drive was 42 yards to the 27 and Hornet defense limited the next series to only 5 yards.

With 78 to go the Hornets resumed their passing. Five plays — two defensive interference rulings and completions to Trachta, Miller and Hennigan — went 69 to the 9. From there a pass was in-

complete, Knabe rushed for 4, a pass to Miller was inches short and Trachta got over. A pass to tie the count was incomplete. Nocona led 14-12 with 2:56 on the clock.

The Hornets' attempt at an on-side kick failed then and Nocona was 43 yards away. One try made 4, then Stillely broke through and went all the way. Again the kick was good and Nocona led 21-12 with 2:26 to go.

Following kickoff Muenster made another good start as Endres connected with Miller for 36 yards to the Indian 28. But that was the end. Endres was smeared for a 13 yard loss the next play and the ball

was fumbled two plays later.

STATISTICS	M	N

NOTES FROM THE LIBRARY

By Bettie Luke

As the deer hunting season arrives let us tell you about some books we have on our shelves.

"The complete Book of Hunting" by Clyde Ormond. Among the subjects are planning the hunting trip. Clothing and equipment, how to set up the hunting camp and special subjects on deer — Whitetail, Mule, Blacktail, Elk, Moose, Antelope and The Bears. Also instructions on how to skin and dress game.

Part two of the Book deals on planning the bird hunt, dogs for water fowl and upland game, field guides to hunting upland game and water fowl also shooting from blinds, decoys and duck boats.

Come and read with us.
