VOLUME IX

MUENSTER, TEXAS, COOKE COUNTY, FRIDAY, MAY 4, 1945

NUMBER 24

**OUR BOYS WITH THE COLORS**

**S. Sgt. Bill Elberhart Wounded Fifth Time**  
Wounded for the fifth time since he is overseas, S. Sgt. Bill Elberhart informs his parents, Mr. and Mrs. Ed Elberhart, this week that he is getting along OK, with his right hand and arm in a cast which is the reason the letter is not in his own handwriting, being written instead, by a nurse. He was wounded in Germany while on duty with the Paratroops and was flown back to France where he is hospitalized.

**RECEIVES PROMOTION**  
Earl Fisher was recently promoted to yeoman, first class, his wife reported this week. He is a member of the Navy, at present on duty in the Pacific war zone.

**COMPLETES FURLOUGH**  
Sgt. Elmer Fette left Monday after completing a 45-day furlough spent with his parents, Mr. and Mrs. John Fette and other relatives. He reported to Fort Sam Houston for reassignment. Elmer spent the past three years in the South Pacific area.

**WEEKEND VISITOR**  
Pvt. Alfred Bayer of Camp Hood was home for a weekend visit with his mother, Mrs. Joe Bayer and family.

**BACK ON DUTY**  
Pfc. Alphonse Felderhoff writes that he is back on the job, but not with the Paratroops this time. The last injury, from which he has just recovered, is the cause. He has been transferred to the AAF and serves as a parachute packer. The letter was written from France.

**ENJOY BRIEF VISIT**  
Mr. and Mrs. H. P. Hennigan and family and Miss Rose Marie Endres enjoyed a brief visit with Pvt. Frank Hennigan Sunday at 12:30 p. m. at Gainesville. Frank was on a troop train enroute to Washington state to begin his army training. Earlier in the morning his train had stopped for a few hours at Fort Worth and he got in touch with his aunt, Mrs. Elwyn Hope, who telephoned the family here that Frank would be on the Santa Fe going thru Gainesville. He entered the service last month and was at Fort Sam Houston two weeks.

**WRITES FROM GERMANY**  
T-5 Lawrence Knabe, son of Mr. and Mrs. Gus Knabe, writing April 6 from Germany, has the following to say: "I am with the Third Army now and we're moving so fast our mail can't keep up with us. When I was home last time I wouldn't have believed I would be across the Rhine so soon. I am a wrecker driver and have crossed several times. We have lived in tents, houses, old factories, and what not, since we are here. It's not so bad, except when it rains. Then it's a mess. If we keep on going the way we have been lately, it won't be long and I'll drop you a line from Berlin. This stationery I am using is some left behind by the Germans. I'm getting along fine and hope that all the folks at home are well. Give my regards to all."

**GERMAN SOUVENIRS**  
Miss Katie Mae Walterscheid has received a German flag and insignia from Pfc. Mickey Valencia as souvenirs from that country where he is serving with an infantry division.

**HERE ON LEAVE**  
Charles Everette, SIC, of the Navy is ever on leave after serving aboard a destroyer in the Pacific war zone since December. He is visiting his wife, the former Miss Sylvia Walter, and their three children. They plan, also, to go to Olney, Ill., to visit members of his family before he returns to his duties.

**MEET IN PHILIPPINES**  
Pfc. Emil Rohmer and Pvt. Arnold Wimmer met recently in a church somewhere in the Philippines where they are stationed. They have written their parents, Messrs. and Mrs. John Rohmer and John Wimmer. Arnold had just arrived at his overseas station. Emil has just been released from the hospital after an illness and is now at a replacement center.

**Little LuRena, Wolf and Gene Schoech** are spending this week in Valley View with their uncle and aunt, Mr. and Mrs. Alvin Cier.

OUR BOYS WITH THE COLORS

## ON LUZON ISLAND

**Pfc. Lambert W. Beyer, son of Mrs. Adam Beyer of Lindsay, is serving on Luzon in the Philippines. He has been overseas since August, 1944, and in action since that time. He entered the service in March, 1943, and took basic training at Fort Leonard Wood, Mo. A brother, Pfc. Robert J. Beyer, served in the ETO and was taken prisoner at Luxembourg last December. This week his mother received notification that he had been liberated by allied forces and would soon be back in the States.**

## He Had A Most Unusual Assignment Says AAF About Sgt. Earl Lehnertz

Santa Ana Army Air Base, Calif., Apr. 30, 1945. (Special) Staff Sergeant Earl E. Lehnertz, 27 year old mess sergeant of Muenster, Tex., certainly qualified as the GI with the most unusual assignment to ever pass through the AAF redistribution station here.

Veteran of 4 1-2 years in te service and trained as a cook and mess manager, Sergeant Lehnertz traveled more than 15,000 miles to reach his overseas assignment where, of all things, he was set to running a GI vegetable farm in New Guinea!

"It was a good deal for me and for the rest of the GIs on the Island," Lehnertz recalled when he reported here for processing and reassignment after 24 months "down under." "I worked on a farm all my life except for one year in the oil fields, so the job was right up my alley. The boys really appreciated the fresh vegetables, too, after all that canned and dehydrated stuff!"

Originally the farm was limited to about 60 acres, but as the need for more fresh food increased, the jungle and kunal grass were cleared with bulldozers and road scrapers by the "pioneers," until 114 acres were being operated on a year-round basis. Some 30 New Guinea natives, ranging from near giants to others not much larger than pygmies, worked the land under the supervision of Sergeant Lehnertz, and one other non-commissioned officer. The two GIs, riding captured Japanese saddle horses, lacked only panama hats and linen suits to complete the picture of ante-bellum plantation owners.

Among the crops raised were corn, radishes, carrots, okra, beans, tomatoes, cucumbers, watermelon, sweet potatoes, pineapple, pumpkin, onions, spinach, parsnips and turnips. Efforts to raise peas, lettuce and beet met with failure because of the terrific heat. "Almost anything will grow down there," Lehnertz says, "including lots of weeds!"

## UNIT CITATION

Pfc. Harry Fisher, member of an engineer battalion somewhere on the Philippine Islands, writes his father Joe Fisher, that he is well and that his company recently was commended and cited for meritorious work. His group received the Presidential Citation ribbon for duties in the Popuan campaign in the battle for Buna. He also writes: "Weather is really getting hot here now. The hottest months of the year are March and April, because the sun is passing over. They are also the driest months. In August and September, when the sun comes back, is the rainy season, and much cooler. Did you know that it snows in the Philippines? A native told me he has seen a snow storm so heavy that he could not see 50 feet, and that it gets as low as 15 above zero some winters. As a rule, though, winters are light and short, usually lasting through December and January. I'd certainly like to come home but don't know how lucky I am going to be on rotation. Don't expect me for another couple of months anyway. I am at a reasonably safe place now."

Ben Seyler made a business trip to Wichita Falls Tuesday afternoon.

## IN MARIANNAS

**Pvt. Wilfred Walterscheid, son of Mr. and Mrs. August Walterscheid, is on duty with an infantry division in the Marianna Islands. He entered the service in September, 1944, and trained at Camp Hood. In February this year he was home on furlough and was transferred to Fort Ord, Calif., leaving for overseas duty the latter part of the month. For several weeks he was in Hawaii before being moved to his present station.**

## F. J. SCHENK RETIRES FROM BUSINESS; SELLS TO J. M. WEINZAPFEL

F. J. Schenk, a local business man since 1905, and a resident here for almost half a century has retired from the business world and moved Monday to make his home in Wichita Falls.

Mr. Schenk owned and operated the City Drug store and also owned the cafe operated by H. H. Kathman. These businesses were sold to J. M. Weinzapfel.

Mr. Weinzapfel plans to eventually replace the drug store building with a new modern structure and put in a business, but for the present time the place will be closed, he said. The Kathman cafe will continue operation as usual.

## LEISURE ON LUZON

The Enterprise this week received a photograph and a news story from the Public Relations office of the 38th Infantry Division on Luzon. The picture shows Pvt. Tony Hacker, son of Frank Hacker of this city, with two other infantrymen, at the 38th Division rest camp on Luzon where they were spending 48 hour leave after weeks of continuous fighting in the Zambales mountains of west central Luzon. Returning from combat, the boys find hot food, a cot and recreational facilities awaiting them at this rest camp in Bambam, Pampanga province, the news release states. The camp is operated by the Red Cross in cooperation with the Special Service Officer. For the first time in months, GIs of the 38th, on their brief 48-hour stay at the camp, had a bed to sleep on, showers, a swimming pool and music. The rest area occupies a group of buildings formerly belonging to a sugar plantation. The main building in which the GIs sleep, eat and relax, was one time the recreation center for the plantation workers.

## Garden Club Pilgrimage And Flower Show May 11

The Muenster Garden Club has set next Friday, May 11, as the day for its annual pilgrimage and flower show, the committee in charge has announced. It will be a members-only affair this year.

The group will meet at the Public school to view an exhibit of young peoples' handiwork sponsored by the 4-H Club, and will proceed from there to visit four yards, ending at the home of Mrs. Jim Cook where refreshments will be served.

The flower show will also be held at the Cook home and members are asked to bring one, or preferably more, flower arrangements to Mrs. Cook's home in the morning if possible. If this is not possible, they should bring their arrangements with them in the afternoon, the committee urges. Mrs. John Fisch is general chairman of the committee.

Ens. Werner Koelzer of Fort Lauderdale, Florida, sent from Saturday to Tuesday here, with his sister, Mrs. John Herr and family and other relatives. He is a son of Mr. and Mrs. Mike Koelzer, formerly of this city, and was born here. He was enroute to Hereford to visit his parents and also stopped at Port Worth to see his sister, Miss Marcey at OLV College. He flies Avengers and at his 19-day leave will report back to his base.

## Muenster Boys Show Champion Calves At 4-H FFA Stock Show

James and Gerald Bayer, Muenster 4-H C'ub boys, took top honors at the annual 4-H FFA Fat Stock show at Gainesville Friday.

A beef calf owned by James won the grand championship of the show, after placing first in its class. Gerald's calf, after winning first in its division, was the reserve champion. The brothers are sons of Mr. and Mrs. Frank Bayer.

Both have been club members for three years and are enthusiastic over their work. The winning calves were 12 months old and had been specially fed and cared for by the boys since their birth. James' calf weighed 880 pounds and Gerald's 845 pounds. Both were Black Angus calves from Joe Benton of Nocona. At the auction James' brought 34 cents a pound and Gerald's 32.

Other local club members exhibiting animals and placing in the judging were Bernard and Daniel Luke, sons of Mr. and Mrs. Ben Luke, whose calves sold for 24 and 25 cents, and Tommy and Ted Gremminger, sons of Mr. and Mrs. Ted Gremminger, whose entries brought 23 and 26 cents, respectively.

60 calves and 21 hogs were exhibited at the show. Judging was done by R. H. Riffe of Swift & Co. Fort Worth, who had served as Judge for two previous shows. The calves were auctioned Friday afternoon with Col. George Apple of McKinney as auctioneer.

Other awards were won by Richard Hoover, Era Future Farmer, who displayed the champion in the heavyweight division, and by Williams Hermes, Lindsay 4-H Club boy, who exhibited the lightweight champion. The total of calves sold amounted to \$11,586.94. The total on hogs amounted to \$914.23, making a grand total of \$12,501.17 for the show.

County Agent Albert Brient said the calves were by far the best fed calves ever entered in a show in Cooke County.

## DO NOT MARK YOUR CLOTHES WITH 'PW' IS ARMY WARNING

Persons who mark their clothing with the prisoner of war identification "PW" are exposing themselves to danger and are hampering the work of the Army in apprehending escaped war prisoners.

In a communication received at Camp Howze, wide publicity was urged to warn high school students and others who have painted the "PW" identification on their clothes as a prank that military personnel, believing them to be prisoners of war, may shoot them if they do not halt when ordered to do so.

Numerous incidents have been reported where people have been found wearing clothing so marked.

## OPA Plans Ration Book Number Five

WASHINGTON—The OPA is preparing ration book number five for the printers.

An OPA spokesman said that most ration books can last through September and possibly October. In general design, book five probably will be similar to number four, it was said.

It is believed that the entire food program will be shifted to the new book when number four runs out. OPA has rejected the idea of going back to book three when book four expires because it was decided this move might lead to confusion.

Tentative plans for a fifth book are based on official estimates that meat, dairy products, canned fruits and vegetables and sugar will continue to be short after V-E Day.

In event the new book is not off the press when the red and blue coupons in book four run out, OPA expect to switch temporarily to the green point stamps for one of the food programs, using spare stamps for the other.

## CITY CENSUS SHOWS 751 RESIDENTS

A total of 751 residents for the city of Muenster was counted in a city census completed last week by John J. Hoffman.

This shows a sizable increase in the population, the last official census having recorded 599.

## GETS IN NAVY

Edward Sicking, who left here two weeks ago, is training at San Diego, Calif., having been accepted for the Navy. He is the son of Mr. and Mrs. Ben Sicking.

## Local Schools Set Dates For Graduation

**Commencement Exercises For Parochial High On May 20th; For Public School On May 24th**

Both Muenster schools announced their closing dates this week. Sacred Heart school will end the year on May 18 and the Public school will bring the term to a close on May 25.

Sacred Heart high school students, nine in number, will be graduated in exercises held at Sacred Heart church on May 20. Prior to that time they will have class nite and the annual banquet.

Eighth grade pupils of the school will have their commencement exercises in church on the evening of May 18. Next Sunday, the 6th, they are presenting their annual end-of-the-term program, in which other students of the grade department will participate. Thirty-seven boys and girls will receive 8th grade certificates this year. The program will be held in the parish hall at 8:30.

The Public school commencement exercises and student program will take place at the school on the evening of May 24. Both grade and high school pupils will receive their diplomas at this program.

This week both schools are busy with state examinations and principals of the institutions did not have complete programs ready to announce.

## NEW CITY WELL TO BE DRILLED ON N. END OF MAIN STREET

Drilling of a new water well for the city was the principal business discussed at a regular meeting of the city council Monday evening.

The council studied sketches and plans drawn by Joe E. Ward and company engineers of Wichita Falls who were here on March 30 to make a survey of the project.

The site chosen for the new well is the N. W. corner of Block 69 in the R. M. Zippor tract at the north end of Main street. The council voted unanimously to purchase this property and accepted the warranty deed. It is now considering bids on drilling the well, installing at least a 100,000 gallon concrete reservoir and laying 8 inch water line to the northwest corner of Block 5, the installation of a new booster pump and the erection of sufficient fire plugs.

Drilling is expected to start within a few days.

## LOCAL DAIRY HERD ASSOCIATION IS BUSY WITH PROGRAM

The Muenster Cooperative Dairy Herd Improvement Association, composed of dairymen of this district, has employed Jack Biffle to be actively engaged in promoting the livestock improvement program, and the former W. T. Richter farm, a mile east of Muenster, now owned by Tony Felderhoff, has been leased by the association as its headquarters and is occupied by Mr. Biffle. This place is centrally located to render services to the members.

Mr. Biffle has just returned from a course in animal husbandry at Trenton, Mo. The association has purchased some proven pedigreed animals and other purchases are being considered.

Organized in January this year the association's chairman is Charley Hellman and its secretary Oscar Walter. The board of directors is composed of Al Fleitman, Henry Wiesman, George Bayer, Meinrad Hess, Alphonse Hoening and Norbert Klement.

## HANDIWORK EXHIBIT AT PUBLIC SCHOOL NEXT FRIDAY, MAY 11

The Muenster 4-H Club is sponsoring an exhibit of handwork at the Public school next Friday afternoon, May 11th, and the public is invited to visit the display.

All young people of the community, whether or not they are 4-H members, are invited to make entries in the show. The entries may be any handiwork made by either boys or girls.

Items for display in the show should be left with Mrs. Burchfiel at the school with name affixed well in advance of the day so that they can be arranged and displayed in divisions.

relatives here.

Cpl. Richard Jander and Pfc. Larry Dupras of Camp Howze were Sunday guests at the J. M. Weinzapfel home.

Virginia Walterscheid was back at classes Tuesday after being absent several days on account of illness.

Mr. and Mrs. Roy Lusk and daughters of Saint Jo were here Monday evening to visit Mr. and Mrs. Henry Dunn.

Mrs. Walter Richter visited in Wichita Falls Monday with her husband's sister and husband, Mr. and Mrs. Cris Jenes and 4-month-old son, Troy.

Mrs. Bill Stelzer returned Sunday from a several days' visit in Fort Worth with her sister, Mrs. Anna Havis, and niece, Mrs. Henry Luebbert and family.

Mr. and Mrs. T. L. Anderson and children of Gainesville spent Sunday with her mother Mrs. Frank Seyler and other relatives here.

Jud Boyles sustained a painful toe injury Friday at the oil well where he works when a piece of heavy pipe was dropped on his foot.

There will be a singing at the Baptist church Sunday afternoon beginning at 2:30, it is announced. Members are also reminded of the weekend revival, May 11 and 12, to be conducted here by Rev. T. Hollis Epton of Gainesville.

Mr. Valentine Fuhrmann and little son of Gainesville are spending this week here while Pfc. Fuhrman, stationed at Camp Howze, is on bivouac. They are guests of her parents, Mr. and Mrs. W. H. Endres.

Mr. and Mrs. Arnold Friske and daughters of Dallas were weekend guests of their parents, Mr. and Mrs. Aug. Friske here, and Mr. and Mrs. Pete Mosman at Gainesville.

The Morrison family moved during the weekend from the Tony Felderhoff place east of the city to the old Muller place northwest of town. The Jack Biffle family is occupying the Felderhoff residence since Monday.

Mrs. Herman Fette and Sgt. Elmer Fette returned Thursday from South Bend, Ind., where they

spent a week with their sister, Mrs. Jack Quinlan and family. Mrs. John Fette, who went with them, remained for a longer visit with her daughter.

Lt. Mary Frances Burke, an army nurse whose home is in Prescott, Ark., visited with the Joe Swirczynski family and other friends here Sunday. She recently returned from overseas service in the ETO where she spent 15 months.

Mrs. H. J. Fuhrmann had a quilting party in her home Thursday afternoon. Among out of town helpers were Mr. John Bezner, Lindsay and Mmes. Herman and Otto Flusche, Gainesville. After activity the hostess served refreshments.

Mrs. Joe Sharp of Casey, Ill., is here to visit relatives of the Stezer families. She was Miss Frieda Stezer before her marriage. Her husband is at Pearl Harbor, Hawaii, and a son, Jimmy, is stationed at Amarillo Army Air Base. She plans to visit with the latter before returning to her home.

Leo Henschel, Frank Yosten and Meinrad Heide attended funeral services Saturday afternoon at Gainesville for Paul Bringman, who died Thursday. Mr. Bringman had been associated with Waples Painter company at Gainesville for 43 years.

### OLA LEE McENTIRE AND LIEUT. FLACCO UNITED THURSDAY

Miss Ola Lee McEntire, daughter of O. N. McEntire, and First Lt. Dominic Flacco, son of Mr. and Mrs. Louis Flacco of Ithaca, N. Y., were married in a pretty ceremony here at Sacred Heart church on Thursday, April 26, at 9 a. m.

Rev. John Walbe, assistant pastor, officiated at the nuptial mass and performed the ring ceremony. The bride wore a two piece suit of white wool gabardine with blue accessories and carried a white prayerbook. She was attended by her sister, Mrs. Harry Otto, as matron of honor, who wore a navy blue suit with white accessories. Arthur Hellman was best man for Lt. Flacco.

After the service the bridal party had breakfast at the home of the bride's father and later left on a wedding trip, after which they will be at home in Utica, N. Y.

Lt. Flacco is a member of the army air corps and was on duty in the ETO for three years before returning to the states a few months ago. Prior to that time he was at Sheppard Field, Wichita Falls. He is at present stationed at Pauling, N. Y.

### HOME COMING SUNDAY AT J. B. CASON HOME

Mr. and Mrs. J. B. Cason entertained in their home Sunday with a home coming celebration honoring their son, Joe Cason, SIC, member of the Navy home on leave after a year of service in the South Pacific.

Flowers decorating the house were presented by Mrs. Virgil Underwood of Whitesboro and Mrs. Elmer Martin, Muester. Refreshments were served to 44 guests.

Personnel included the honoree and his family, Mrs. Tom Parkinson and children, Rev. J. C. Dennis, Mr. and Mrs. G. C. Gallaher and granddaughter, Mr. and Mrs. E. S. Lawson, Mrs. Looney McGowan and daughter, Mr. and Mrs. Elmer Martin and family, Henry Koehler, and the following from out of town:

Mr. and Mrs. S. B. Cason, grand parents of the honor guest, Mr. and Mrs. Lloyd Boston and family, Mrs. Grace Leveley and children, Mrs. Nadene Meadow and daughter, Mr. and Mrs. Virgil Underwood and daughter, all of Whitesboro; Mr. and Mrs. John Fullenwider and children, South Mayd; Mrs. Naomi Hart, Wichita Falls; Mr. and Mrs. Clyde Wells and children, Jean Wheeler, Roy Wells and son, all of Valley View.

Joe has until May 4 when he will report back to California for assignment with the Navy. He wears ribbons for the Philippines, the African-European-Middle Western, the American theatre and the South West Pacific. A brother, Sidney Cason, SC3C, is stationed with the Navy in California, and his

brother-in-law, Tom Parkinson, SF3C, also with the Navy, some where in the south Pacific.

### MRS. JOE LINN GIVEN SURPRISE ON BIRTHDAY

Mrs. Joe Linn was pleasantly surprised Friday evening in observance of her birthday when neighbors called at her home, bringing a large decorated cake and gift remembrances for the occasion. Enjoying the affair were Mr. and Mrs. J. J. Haverkamp and family, Mr. and Mrs. Jack Robertson and family and Mr. and Mrs. Linn.

### FAMILY GATHERING AT JOE LINN HOME SATURDAY

Mr. and Mrs. Joe Linn has as their guests over the weekend, his mother, Mrs. J. D. Linn, his brother-in-law and sister, Mr. and Mrs. W. B. Parker, and Carroll Morgan, all of Dallas, and Mrs. J. D. Linn's grandson, Pfc. Linus Morgan and wife of Hamton, Va., who are visiting relatives on a 20-day furlough. Saturday night, Mr. and Mrs. Russ Linn and family joined the group for a reunion gathering.

While here Mr. and Mrs. Parker received word that their son, Lane, member of the Navy who has been serving in the South Pacific for six months, is back in the states and would arrive home on May 4.

**Time To Cull Poultry Says County Agent**  
 Right now is a wonderful time to have your poultry flocks culled. Most farmers will soon have to make ready for this year's baby chicks. Also hens are bringing a

good price, feed is high and any good poultry raiser will never keep a bunch of culled hens in his flock.  
 If any farmer in the county is needing help in culling poultry please get in touch with the county agents office and we will be glad to help you out with culling work. We will be glad to come out and cull your individual flock so please notify the county agents office.

**Washington Notes**  
 By Congressman Ed Gossett

Washington, D. C. Apr. 27—The House of Representatives this week passed the Interior Department appropriation for the fiscal year which begins July 1, 1945. This appropriation amounted to \$102,602,628. That's a lot of money. However, it represents a cut of \$38,743,419 from the amount requested by the Bureau of the Budget. On a percentage basis that is a substantial reduction.  
 The Department of Interior controls many bureaus and activities. Among these are: Secretary's office, Commission of Fine Arts, Bonneville Power Administration, High Commissioner of the Philippine Islands, Office of Fishery Coordination, Solid Fuels Administration for War, Southwestern Power Administration, Grazing Service, General Land Office, Bureau of Indian Affairs, Bureau of Reclamation, Geological Survey, Bureau of Mines, National Park Service, Fish and Wildlife Service, and Territories.  
 This week several letters came to my office from ranchers making inquiry about mesquite eradication program. I have been urging the Department of Agriculture to push their scientific research for satisfactory means of killing the mesquite which infects a large section of America. Certain agricultural experts now claim to have a simple method of killing mesquite. The mesquite is cut and a bit of new chemical matter rubbed into the wood. Most of this chemical is now used in making insecticides for use of our troops. It may be available in large quantities after the war.  
 Dr. Lytle Adams, to whose grass seeding method I referred in a recent news letter, also has a mesquite eradication process. Dr. Adams may have the answer.  
 Many wartime developments offer tremendous possibilities for industrial and scientific progress in the postwar world, and should add to the comfort and prosperity of this country. One such item is fabricated steel. During the war we have greatly simplified and expanded our steel production. Several plants have been built in Texas.  
 A good friend from Texas tells me a company in which he is interested has plans for making prefabricated steel barns and bins. These barns will be delivered to the farmer in packages ready for quick, simple assembly. They will be rat-proof, termite-proof, all weather resistant, and will cost about one-third what a barn or bin now costs to build.  
 This reminds me of one of the big problems now facing the wheat farmers of Texas. A letter from Bert Seif of Crowell tells me he expects a million and a half bushels of wheat to be produced in that area, and that wheat movement should start around May 28. This year the interior warehouses are filled with grain and a great shortage will exist in

freight cars to move it. Texas farmers may suffer great losses on their wheat crop this season. This wheat stored in interior warehouses should have been moved out. Terminal warehouses are only about half full at this time, and big port warehouses are practically empty, so I am told. Some well informed persons advise me the Commodity Credit Corporation is to blame for this situation.  
 Two small business men at home have written me this week complaining of OPA's refusal to let them sell stoves. It does seem absurd that the small merchant should have to ask OPA for permission to handle such items. This is one of the many forms of regimentation that must certainly go as soon as the war is over.  
 Among visitors in my office this week were two long-time friends, Lieutenant Vernon Greer of Austin and Jim Beverly of San Juan. Lt. Greer, an engineer with the Texas Highway Department in civilian life, is just back from two years in Alaska and the Aleutians. Jim Beverly, formerly of Amarillo, was at one time Attorney General and later Governor of Puerto Rico, and is now a leading attorney in San Juan.

The opening session of the first Congress of the United States was scheduled for Wednesday, March 4, 1789. As a quorum was not present they adjourned until the following day. This continued until April 1 (28 days) when the House finally was able to organize.

If travel broadens one, then some of the femmes we've seen lately must have been around the world.  
 Remember when you could doll up for a dollar down?

**MOOS OF THE MOMENT**  
 BY UNCLE BOB  
 of the Kraft Dairy Farm Service

No matter how good a big, thick, juicy steak may be or how hungry you are for such a treat, you still want some side dishes of vegetables, a glass or two of milk and a chunk of apple pie or a dish of ice cream.  
 So, too, regardless of how hungry your cows are for fresh green forage, they want some side dishes also, consisting of grain supplement. They need grain for two reasons—to keep them in top condition and to maintain milk production at high levels.  
 The amount of grain a cow should get while on pasture depends largely on the amount of milk produced. Each cow should be fed on a basis of its production. Grain feeding is particularly important in late summer, when pastures may go down.  
 A good guide on this subject is publication B-69, Extension Service, Texas A. & M. College, College Station, Tex. It says a good cow should get about three pounds of grain daily per gallon of milk produced while the cow is on good pasture, and offers some suggestions for grain mixtures.  
 The information in this bulletin will help you figure out how much of each kind of grain you'll need to carry your herd through the summer at highest production level.

The best way to handle an accident or a fire or something of the sort, is to prevent it before it happens. And the best way to control flies is not after they start pestering, but before they hatch.  
 Sprays may make more comfort for you and the cows at milking time, but Wisconsin points out in Extension Folder 88 that most sprays have very little to do with actual control of the number of flies around the barn.  
 Fly control starts in the places where flies breed. Houseflies and stable flies breed in manure and moist, rotting bedding material. The best thing to do, particularly at this time of year and on through summer, is to get manure applied to your land as soon and as often as possible.  
 Some new sprays may be available to farmers soon, using DDT, which will be a big help in controlling flies. Meantime, I know you'll find some interesting ideas in Folder 88, which you can get by writing the Extension Service, University of Wisconsin, Madison, Wis.\*  
 \*NOTE: There usually is a 5c charge for pamphlets mailed to non-residents of a state, but possibly your own state has a free pamphlet on the same subject. Ask your county agent.

Using the milk price in that region, it was easy to figure how many dollars worth of milk was produced on each type of mixture. Some very sharp differences were found.

**Lindsay News**

Mrs. Regina Lewis received word from her husband, Lt. Ray Lewis, Saturday advising that he is back in the states. He was wounded sometime ago in France.

Little Doris Lee and Florentine Horn of Muenster are spending the week with their grandfather, Theo Schmitz and their aunt, Miss Theresa Loerwald.

Pvt. Herman Zimmerer and Pvt. Leroy Metzler of Camp Hood were home for a weekend visit with their parents, Messrs. and Mmes. Herman Zimmerer and Philip Metzler.

Mr. and Mrs. Paul Arendt have word from their son, S. Sgt. Ernest that he has arrived overseas and is on duty in France. It just took seven days to make the trip, he said, adding that he was fine and to tell everybody hello.

Pete Hellinger has a letter from his son, Pfc. Paul Hellinger, telling that he participated at the funeral of President Roosevelt by being a member of the guard of honor that accompanied the casket. Paul is stationed at Fort Benning, Ga.

T-5 Joe Hellinger has completed

a 30-day furlough with his father, Pete Hellinger and family and has reported to Longview hospital. He is a veteran of overseas service having spent three years in the southwest Pacific before returning to the states in March.

**LUEBBERT HOME IS PARTY SCENE SUNDAY**

Mr. and Mrs. Fred Luebbert were hosts in their home Sunday afternoon for a dinner honoring their son, Henry Luebbert of Fort Worth, on his birthday.

The dining table was centered with a decorated cake and after the meal the guests spent an informal afternoon.

Out of town guests were Mr. and Mrs. Henry Luebbert and daughters, Carol Ann and Henriette, and Mrs. Anna Havis, all of Fort Worth and Mrs. Bill Stelzer of Muenster.

**LINDSAY 4-H BOY WINS AT CALF SHOW**

William Hermes of Lindsay 4-H Club exhibited the champion calf in the lightweight division at the annual 4-H FFA Fat Stock show at Gainesville on April 27. At the auction in the afternoon the calf brought 25 cents.

Other entries and their auction price were by Julius Hermes, 24c; Henry Voth, 26c; Weldon Bezer, 26c; Johnnie Arendt, 22c; L. Benzfert, 21c; Albert Zimmerer, 21c; a calf fed at the J.F. Zimmerer farm and entered by his son sold for 25c.

When I get home. Tell all hello and don't worry, see you soon."

**COMMENCEMENT FOR LINDSAY STUDENTS ON SUNDAY, MAY 13**

Commencement exercises for Lindsay high school and grammar grade student will be held on Sunday evening, May 13, at Saint Peter's church. There are eleven high school and thirteen grammar school graduates.

An impressive program has been arranged for the evening as follows:

Processional by the graduates, followed by recitation of the rosary; awarding of grade school certificates and attendance certificates; a hymn by the high school choir; conferring of high school diplomas and scholarships; address by Rev. Paul Chareut, Pilot Point; Sacramental, Benediction and recessional. Mrs. William Fleitman will preside at the organ. Presentation of diplomas will be made by Pastor Rev. Conrad Herda.

The high school class roll is as follows: Lucille Bezer, valedictorian; Dorothy Dieter, salutatorian; Edgar Bengfort, Frances Bengfort, Beatrice Block, Mary Louise Bezer, Mildred Dieter, Ewald Fuhrmann, Rose Fuhrmann, Anna Hermes and William Hermes.

Grammar school graduates are: Jean Arendt, Rita Block, Nicholas Dieter, Juliana Fuhrmann, Joan Geray, Raymond Hermes, William Kuhn, Julius Metzler, Freddy Neu, Frieda Mae Neu, Marjorie Sandmann, Dollie Mae Turnham and Alrich Zwingsel.

**FINAL TESTS AT HAND**

Did someone ask us "What's the news at Lindsay High?" How can we pay much attention to news? The latest news for us is that the State Tests are just around the corner and you may imagine the consequences. We are, so to say, hurried in books. There's no time for anything else. Some of the seniors are most anxious to get their high school certificates from the State and, believe us, they are working. We, the Juniors, wish them all the success in the world. Next year we will be feeling just about the same as they do now.

**SENIORS OF 1945**

Yes, that thoughtful, serene, quiet little bundle of satisfaction that appears on our campus is Rose Fuhrmann. Of course, everyone knows that Rose's chief interest is playing the piano. You ought to see her face beam with joy when she is in presence of music and dancing. Her favorite song is "My Dreams Are Getting Better All the Time;" next in line is her interest in Alice Faye. No one would expect Rosie to be up to any tricks, but she is. Her best "pull off" is staving at home on test days.

The tallest and the most athletic type of girl in the graduating class this year is Anna Hermes. She is quiet, winning, and possesses a good deal of common sense, but above all she studies hard. Bing Crosby is her favorite singer. Anna has no special ambition, but she loves outdoor sports. Wouldn't she be thrilled if the plans of her dreams could come true? And why shouldn't they? We are sure they are practical. We don't doubt in the least that Anna will strike out for something outstanding and surprise us all.

A daughter, Lillian Joyce, was born at the local clinic on April 25 to Mr. and Mrs. Ray Owens. At her baptism on Saturday Father Thomas officiated, assisted by Mr. and Mrs. Clem Reiter as sponsors.

**MISS WALTERSCHEID, NORBERT KOESLER MARRY WEDNESDAY**

Solemn and impressive rites held at Sacred Heart church Wednesday morning at 9 o'clock united Miss Elizabeth Walterscheid daughter of Mr. and Mrs. August Walterscheid, and Norbert Koesler, son of Mr. and Mrs. Alphonse Koesler.

Rev. Father Thomas, pastor, officiated at the nuptial high mass and performed the ring ceremony in the presence of a large assemblage of relatives and friends of the couple.

Members of the church choir, with Sister Leonarda at the pipe organ, provided music for the mass, and the organist played the traditional wedding processional. The bride was lovely in a gown of white lace and net, fashioned with bishop sleeves, fitted waist and very full skirt. Her veil of lace and net was full length and was attached to a beaded coronet. Her only ornament was a single strand of pearls, a gift from the bridegroom, and she carried an arm bouquet of Calla lilies.

Attending as maid of honor was the bride's sister, Miss Helen Walterscheid, and Miss Miriam Koesler, sister of the groom, was bridesmaid. They wore frocks identical in design, the former's peach net and the latter's Nile green net. They were made with fitted bodices, short puffed sleeves and bouffant skirts. Both wore matching small sequin-studded hats and carried colonial bouquets. Miss Walterscheid's was composed of blue iris, and Miss Koesler's of pink carnations.

The bridegroom's attendants were his brother, Alphonse Koesler, Jr., as best man, and Henry Felderhoff, cousin of the bride.

Following the services the bridal party had breakfast at the home of the bride's cousins, Mr. and Mrs. Ed Endres, and at noon dinner was served to immediate members of both families at the home of the bride's parents.

An all-white theme was noted in decorations at the home and spring flowers were used in profusion. The bride's table was centered with a decorated cake, flanked with tapers, and further ornamented with arrangements of roses and snapdragons.

At three o'clock in the afternoon a reception for some one hundred guests was held in the parish hall, and a buffet supper was served. A dance in the K of C hall in the evening brought festivities to a close. Music for the dance was furnished by Misses Mildred and Katie Mae Walterscheid and Andrew Walterscheid.

During the latter event Mr. and Mrs. Koesler slipped away for a week's trip. The destination of which was not revealed. For travel the bride wore a brown and white sheer ensemble with white accessories and a corsage of carnations.

When they return they will make their home on a farm north of the city.

Mr. Koesler is a native of Lindsay where he graduated from high school. He has made Muenster his home for the past five years and has been active here in work of the Holy Name Society and the Youth Band. His bride is a native of this city, attended Sacred Heart school and was active in work of the Young Ladies' Society. Prior to her marriage she was employed at Curtis Restaurant in Gainesville.

Monday was Visitation Day for the local WMU and members enjoyed brief visits with Protestant families in the community. In the evening the WMU ladies had a party at the home of Mrs. Jim Cook. The group has a social on every fifth Monday. Games and refreshments were enjoyed by 15 members.

**BRIDE OF THIS WEEK HONORED WITH SHOWER**

Miss Elizabeth Walterscheid, who was married on Wednesday to Norbert Koesler, was honored with a party and miscellaneous shower in the parish hall last Wednesday afternoon. Serving as hostesses were Miss Theresa Hesse and Mrs. Tony Hermes of Lindsay.

Table games were enjoyed and refreshments were served by the hostesses to 50 guests from Muenster and Lindsay.

The honoree received an assortment of lovely and useful gifts.

**LARGE CROWD ENJOYS BENEFIT CARD PARTY**

A large crowd enjoyed the benefit card party sponsored by Catholic Daughters of America in the parish hall Wednesday evening. Proceeds from the affair were placed in the fund for the soldiers' memorial monument to be erected in Sacred Heart cemetery.

Principal diversion during the evening was progressive 42. Awards went to Herman Bindei for high score and Mrs. Jud Boyles for low. Martin Friske secured the galloping prize. The door prize was won by Tony Rohmer.

Other table games were played and after refreshments had been served the group enjoyed dancing for which Misses Mildred and Virginia Walterscheid played the music on their accordions.

The hardest job to do is to do a little job well.

**Confetti--**

their salaries but also the money they dribble away.

For a vague idea of possibilities in that direction compare federal employment figures today with those of the last war. Exclusive of men in the armed services, we had about 750,000 on the federal payroll then. We have four times as many today.
