## Laura Bush to speak at MISD assembly on Oct. 13

Muenster ISD will hold a schoolwide assembly Thursday, Oct. 13, at 10:30 a.m. in the high school auditorium. This assembly is being held to recognize the Exemplary School District Rating given MISD by the Texas Education Agency. MISD is using this assembly to impress upon students, faculty, parents and community the magnitude of this achievement.

MISD is one of only five districts out of 1,048 in the entire state, large and small, that achieved this statewide honor. To help emphasize this, MISD has invited Laura Welch Bush, wife of gubernatorial candidate George W. Bush, to speak to this assembly recognizing their high academic achievement. She has graciously agreed to do so.

Laura Welch Bush was born and raised in Midland, Texas where she attended public schools. Following

her high school graduation, Laura attended Southern Methodist University and received a Bachelor of Science degree in Education in 1968. Laura completed her formal education with a Masters in Library Science in 1973 from the University of Texas at Austin.

An educator with solid experience in the public education system of our state, Laura taught second, third and fourth grades or served as the librarian in public schools in Dallas, Houston and Austin from 1968 to 1977.

In November 1977, Laura married George W. Bush and moved to Midland. Laura and George are the proud parents of twin 12-year-old daughters, Barbara and Jenna.

Laura has always been active in her community. In Dallas, she serves on the boards of numerous

civic and community organizations. She is a member of the board of directors for the following organizations: The Friends of the Dallas Public Library, the Dallas Zoological Society, Child Protective Services Community Partners and Bryan's Friends, an auxiliary of Bryan's House, a home for Children with AIDS.

The Bush family is active in the Highland Park United Methodist Church of Dallas.

Also invited were Ric Williamson, Muenster's state representative, and Bill Miller, mayor of Muenster. MISD is excited about the prospect of having these distinguished individuals come to our school to recognize our district. Any interested persons are encouraged to attend.

STEPHANIE GREWING, escorted by Jason Hess, was crowned the 1994 Sacred Heart Homecoming Queen during pre-game festivities at the Sacred Heart vs. Liberty Christian Homecoming game Saturday evening. Stephanie, daughter of Wayne and Peggy Grewing, is a senior cheerleader for Sacred Heart.

## County recognizes Outstanding 4-H'ers

Monday evening was a time for Cooke County 4-H members to shine when the Cooke County Electric Co-Op hosted the annual 4-H achievement banquet in their honor. The event was held at 7 p.m. in the Gainesville Civic Center. Greg Brooks, 1993 Gold Star 4-H'er was master of ceremonies.

Winners of the coveted Gold Star Awards were Rebecca Miller of Woodbine and Robert Lutkenhaus of Lindsay. Cooke County Judge Ray Russell made the presentation of the award.

Linda Beaudin of Cooke County Farm Bureau named Emily Felderhoff of Muenster and Michael Becker of Muenster as recipients of the Farm Bureau Leadership Awards. The "I Dare You" awards went to Rachel Cravens of Callisburg and Amanda Hitt of Gainesville. District Judge Jerry Woodlock presented awards to these winners. Doris Harrison of First State Bank in Gainesville presented Gold Star Picture Recognition portraits to last year's Gold Star winners.

Earning medals for their achievements in various categories were 96 4-H'ers. Cooke County Commissioners were present to hand out these awards.

Acknowledging winners in the Achievement, Agriculture, Arts and Crafts, Beef, Bread, Citizenship, Clothing, and Consumer Education was Murrell Harrison of Precinct 1. Kenneth Alexander of Precinct 2 presented medals to Drama, Fashion Revue, Food/Nutrition, Food Show, Gardening/Horticulture, Horse, Leadership, Leathercraft, and Public Speaking.

Virgil Hess of Precinct 4 recognized medal winners in Rabbit, Rifle Safety, Rifle Team,

Safety, Sheep, Shooting Sports, Swine, and Wood Science.

Lucille Lutkenhaus, a representative of Cooke County Family and Community Education Council, presented Rebecca Miller of the Emerald Riders 4-H and Robert Lutkenhaus of Lindsay 4-H with \$300.00 F.C.E. 4-H Scholarships.

Eric Williams from Cooke County Co-Op recognized Michael Becker, Greg Brooks, Rachel Cravens, Robert Lutkenhaus, Emily Felderhoff, and Bonnie Brooks as winners in state competition.

Clubs winning awards included Emerald Riders, Lindsay Junior 4-H, Era, Lindsay Senior, Mountain Springs, Muenster, Red River, Silver Cedar, Woodbine, and Young Riders. Club Managers receiving recognition were Mary Lou Green of Era, Jill Trammell of Lindsay, Linda Green and Linda Long of Silver Cedar and Melanie Clayton of Valley View. These honors were presented by Charles Draper of Guaranty National Bank.

As master of ceremonies Greg Brooks introduced guests and recognized the business sponsors. Randy Upshaw, District IV Extension Director, was the guest speaker. He told 4-H'ers that to be successful it was important to remember these points, "It's important to know who's important"; "It's not the arrow, it's the Indian"; and "You are someone's hero".

The theme for the 1994 banquet was "4-H is Boot Scootin' Fun!". This was carried out in decorations which included Nocona boots, hats, scarves, cacti, and other western items.

LORI HOBERER, Lindsay High School senior and daughter of Judy and Johnny Hoberer, was crowned 1994 Homecoming Queen during the pre-game ceremonies of the Lindsay vs. Fannindel game Friday night. Escorting Lori were Greg Arendt, left, and Pat Hogan. Lori is the granddaughter of Agnes Walter of Muenster and Elizabeth Hoberer of Lindsay. Janie Hartman Photo

## City Council holds routine meeting

by Dave Fette

Muenster council members tabled action Monday night on enforcement of life and safety codes for the fire department. They asked for more study but did reveal that liability coverage for Fire Marshal Alan Baldwin is in effect.

Other items of discussion on action included: Royce Knabe's proposed Eagle Scout project of house numbering for benefit of emergency departments was approved.

Harvey Lamkin's offer to remove the old water storage tank on North Main Street for \$500.00 and some clean-up help was accepted.

Action on accepting the old refinery property on City Block 58 as a gift was tabled.

A proposed new contract for garbage service by Waste Management with an approximate eight percent increase in commercial rates was tabled for study until the next meeting. David

Fette and Ben Bindei inquired why all the increase was placed on businesses and none on residential customers. They asked that the load be shared more evenly.

The lease on the building housing the Muenster Museum was renewed for another year.

The semi-annual Public Library contribution was raised to \$6,000.00 and approved. The council acknowledged a letter of thanks from Librarian Pat Weaver for making up the \$6,000.00 of annual funding previously given by Cooke County but dropped because of budget cutbacks.

The council signed a resolution commending Muenster Independent School District as one of five exemplary districts in Texas.

A proposal to keep City Hall open during lunch hour was rejected.

Complaints about unsafe features on the new swimming pool slides were addressed. The Park

## Muenster ISD sets '94-95 tax rate at \$1.15

When members of the Muenster ISD Board met on Thursday, Sept. 5 they set a tax rate of \$1.15 for the 1994-95 year. This total was reached by setting \$1.08 for M&O and \$0.07 for I&S. Also approved was an amended 1994-95 M&O budget of \$1,700,397.00 in expenditures and \$1,750,513.00 in revenues.

The board was informed of the latest projections from the state on current year revenues. There are still many questions with no definite answers at this time. The state is still projecting that monies earned in next year won't be available to the district until the next school year.

Superintendent Steve Cooper gave his report to the board. He told of plans to recognize MISD's exemplary rating when on Oct. 13 Mrs. George W. (Laura) Bush, Texas State Representative Ric Williams, and Muenster Mayor Bill

Miller will address an assembly which includes all of MISD students.

Mr. Cooper also noted that Howard Neeb, former superintendent at Windthorst, is running for state school board and would be worthy of MISD's support.

An update on NTEN (Interactive Video Classroom) was given to the board. Its future is closely tied to what North Central Texas College does at its next board meeting. Indications are that if the costs can be worked out the college will agree to be "hooked-up". This will make the system more cost effective for each entity already on line.

Changes in the day tutorials were explained. Stephanie Tankersly was hired to tutor students twice a week for an hour each time. This will be a pull-out program that should enable Muenster ISD to give greater

individual focus to students needing academic help.

The board instructed Superintendent Cooper to compose a resolution similar to one composed by Cedar Hill ISD that expresses their opposition to current proposals by Commissioner Meno that would undermine the authority of local school boards.

During a review of the MISD Counseling Program the board learned that the senior handbook had been restructured. It now lists all scholarships that MISD has information on and the who, where, when and how. This handbook also includes comprehensive information on when and where to register for the SAT and ACT and has a lot of information on how to apply for college, when to apply and how to fill our applications for grant money, etc.

A new driver education program teacher must be found since Coach

Strother who was teaching it is no longer with Muenster ISD. Some of the people on staff are qualified to teach Driver's Ed, but others on staff might be more interested in the position if they can get certified.

Visitors present addressed the board during community comments. Rudy Koessler and Jerry Eckart, faculty members at Muenster High, asked the board to consider a raise for teachers who have topped on the salary scale. The board indicated that it would take the request under consideration for the next budget year.

In other action:

\*The monthly policy review was approved.

\*MISD's bus payment will be paid off next year instead of this year.

\*Transfer students into MISD were approved.

Jack Baxter was hired as a part-time custodian.

IN OBSERVANCE of the 10th anniversary of Frybrant, Inc., following a dinner on Tuesday, Oct. 4, 1994, Plant Manager Bernice Sicking, at left, and owner Stan Fredrick, at right, presented a check for \$10,000 to Jack Endres, administrator of Muenster Memorial Hospital. The gift, in the name of Frybrant employees, places them in the prestigious Golden Eagle donor group. Janie Hartman Photo

Letters to the Editor

Dear Editor:

Two weeks ago, Guelma B. Hopkins of Paradise wrote to this paper about "futile" efforts of bake sales and aluminum can collections to benefit a cancer victim without insurance. I'd like to clarify a couple of points and make a comment or two.

First, Steve Kohler does have insurance. I assume the letter was referring to Mr. Kohler since his was the only well-known and advertised bake sale, garage sale, aluminum can collection, car wash, raffle benefits mentioned in this paper in the past few weeks. As a third grade teacher at Sacred Heart School, Mr. Kohler is covered by the Diocese of Fort Worth. He also carries a personal policy for cancer. Insurance, or the lack of it, was never the issue behind the various benefits for Mr. Kohler. He is loved and respected here and, as we all know, when any major illness or accident occurs, major expenses follow. The heart of America is community spirit and it was this that spurred the "futile" benefits for Mr. Kohler. How wonderful we live in a community that is so compassionate.

I wonder just how compassionate a government-run agency would be if they were in charge of our health? If the IRS is an example - please spare us!!

I question any article that spouts facts and figures without indicating sources. I wonder if the statistics listed in the letter from Paradise are as accurate as the reference to Mr. Kohler's lack of insurance? Let's consider some possible explanations of high (?) uninsured citizens.

First, Texas and other states bordering Mexico have many illegal aliens, who for obvious reasons do not carry insurance. (County hospitals must treat all emergency cases even if they are not insured - taxpayers pick up the tab.) Are these people included in your statistics?

Second, the elderly and poor (families and children) are already covered by Medicare and Medicaid. Are these people included in your statistics?

Third, a few (perhaps very few) are self-insured; they have money put back for catastrophes. Are these people included in your statistics?

This leaves many people who can't "afford" insurance. We live in a society of free choice and we CHOOSE how to spend our earnings. Many people choose not to carry insurance. Below are listed some insurance rates provided by a local insurance agent. Basic coverage is available.

With a \$2,000,000 lifetime maximum and a maximum of \$1,000 out-of-pocket any calendar year (besides deductible), the following are some rates for males:

Per Year	Per Month	25 yo	35 yo	45 yo	55 yo
Deductible		\$65	\$78	\$116	\$187
1,000		42	53	82	133
5,000		31	43	62	110
10,000		21	32	46	84

No, our system is not perfect and, yes, I realize there are people who work hard and still find it difficult to afford insurance. I just don't happen to agree that all of us should have to pay for a system that has proven not to be very effective in Britain, Canada, Sweden, etc., etc., etc.

Socialized medicine is NOT the answer - there is no free lunch! The very people who truly cannot afford insurance are the exact people who would bear the most burden in a government-run agency. The working people of America need to say NO to government meddling with our lives any more than they already do. They haven't figured out how to run schools effectively or efficiently - how can they run an agency that affects every one of us, not just the children???

## Thornberry says Sarpalius voted against 13th District

The 13th Congressional District candidate Mac Thornberry has blasted Bill Sarpalius for voting for yet another tax increase, this time one aimed directly at farmers.

On Aug. 2, 1994, Sarpalius voted to raise taxes on grain and other commodities transported by ship. That vote will mean ships taking grain from the U.S. to Mexico will face a tax increase of up to 913%.

The bill, titled the Maritime Administration Authorization Act of 1995, H.R. 4003, raises taxes on commodities shipped by vessel to \$0.38 a ton. (The current tax rate is \$0.09 a ton for ships originating in the Western Hemisphere and \$0.27 for ships originating outside of the Western Hemisphere.) Currently, the tax applies only to the vessel's first five calls per year at a U.S. port, and the bill will make the higher rate apply to a vessel's first 25 calls. Also included in the bill is an extra \$0.01 a gallon tax on all diesel and residual fuel oils used in commercial vessels.

Thornberry noted that Democrat Congressmen Charlie Stenholm and Ralph Hall, as well as Congressman Larry Combest, voted against the tax increase, as did most congressmen of both parties representing grain-producing districts.

The \$1.35 billion tax increase will be used to fund subsidies for shipping lines and shipyards. "The vote increased taxes on farmers to subsidize shipyards. He voted against his district, pure and simple," Thornberry said.

"It is the American farmer who will suffer. Increasing the cost of shipping makes our grain less competitive on the world market. I can't imagine why he would vote to put this extra hardship on our farmers," Thornberry said.

USDA estimates that 50-75% of U.S. grain exports to Mexico are moved by ocean vessel. In 1992, the U.S. exported \$799 million worth of grains to Mexico.

## Rep. Hall responds to Rep. contract

"I've always had a contract with my District," Rep. Ralph Hall (D-Texas) said today in response to the Republicans' signing of their "Contract with America" on the steps of the Capitol. "I don't need to come to Washington to sign a contract. I sign my contract in Texas - where it's binding."

"Each time the voters elect me as their Representative, I have a contract with them," Hall said. "That contract is to represent the Fourth Congressional District, and that's what I do. I spend almost every weekend and all recess times in the District. I talk to people, listen to what they say and then vote their views in Congress."

"It's important for people to believe that their Representative

listens to them," Hill said. "I pay attention to what people say and pay attention to the mail that comes to my office."

"People are tired of wasteful government spending and huge deficits. They want meaningful reforms without additional taxes, and that's what I want, too," Hall said. "Throughout my years of service, I have supported a balanced budget amendment, a line-item veto, and deficit reduction measures."

"The Republican contract only promises votes on ten key issues - it doesn't guarantee their passage," Hall said. "As we saw with health care reform, each of these issues is very complicated, and passage is

## TCP Anti-Violence Task Force to host workshop

The Texoma Community Partnership's Anti-Violence Task Force was borne out of citizen concern. Gone are the days when a story about a "drive-by shooting" was sure to have come out of the Dallas newspapers. Grayson County Attorney Bob Jarvis recently prosecuted just such a case, right here in "our own backyard." The Partnership's Anti-Violence Task Force, in conjunction with the Sherman Independent School District, will sponsor a two-day workshop.

"Creating a Peaceful School Environment" will be held on Thursday, Oct. 20, from 9 a.m. to 4 p.m. "Mobilizing for a Safe and Healthy School and Community Environment" is scheduled for Friday, Oct. 21, from 9 a.m. to 4 p.m. Cost for either or both trainings is \$5.00 per person (no additional fee for attending both days) to cover printing cost of training materials. Trainings will be held at the First Baptist Church Family Life Center at 400 S. Travis in Sherman. Registration is limited to the first 100 applicants due to space limitations. For more information or to register, please call the Texoma Community Partnership at 903-786-2955 or 1-800-677-8264.

The Partnership's Anti-Violence Task Force has cited many contributing factors to the problems we face today. Among the concerns of the task force was youth behavior patterns in the school environment. Representatives from the school district noted that while parent contact usually provides some assistance and creates a partnership between the school and the parents - a "two heads are better than one"

philosophy in addressing individual situations; many times both parents and educators find themselves at an impasse in particular situations and don't know where to turn.

Harold Harman, M.Ed. from Tucson, Arizona, will facilitate the two-day workshop. He has some insight into some of the problems that our community faces. Harman has trained youth and community groups throughout the U.S. and Canada in substance abuse and violence prevention. He has worked as a consultant with Southwest Regional Center on Drug-Free Schools and Communities for more than seven years.

This will not be Harman's first visit to our region. A facilitator at "Celebrating Diversity," the Partnership's Second Annual Diversity Conference, Harman's sessions were very popular with attendees. Harman's sessions were focused on safe and healthy school and community environment issues.

## Increased voter registration encouraged

Secretary of State Ronald Kirk, chief elections officer for the State of Texas, announced his strategy for increasing voter registration and participation during the upcoming general election Tuesday, November 8, 1994.

"It is my primary goal as Secretary of State to increase voter registration and participation for the upcoming election. I'm attempting to dispel the popularly held fiction that one's vote does not really count; when in fact, your vote is your voice in government," Kirk said.

To accomplish increased voter registration and participation, Kirk will be working closely with the county elections officials as well as business and community leaders within each area in a grassroots

effort called the Ambassador program. All 254 counties have been invited to participate in the program. However, the secretary of state's office has targeted those counties that have shown a decline in voter registration, participation or experienced a large voter registration purge.

On August 16, 10.4% of the registered voters in Texas were removed from the voter registration rolls. Most deletions were due to the fact that voters failed to update their address on their voter registration card. "I strongly urge all Texans to update their voter registration, especially if you have moved in the last six months," Kirk said.

Governor Ann W. Richards, through proclamation, has

designated September 24 - October 1, 1994 as Voter Registration Week in Texas. The deadline to register to vote is October 9; however, applications postmarked October 11, will be considered timely. Kirk will be traveling across the state up until the voter registration deadline raising public awareness of the importance of participating in the electoral process.

Texas allows a minimum of 13 days of early voting. Early voting begins October 19, and ends November 4. Texans do not need an excuse to cast their ballots early. Voters should contact their local county elections official for detailed information regarding the dates, times and locations early voting will be conducted in their county.

## COUNCIL

- Examination of the monthly bills to the city revealed that Mayor Miller had directed an engine overhaul for the street pumper. Hennigan said that the \$2,400.00 bill far exceeded the mayor's \$100.00 authorized spending limit. He said the council had previously rejected the overhaul, deciding to burn a little oil instead for a seldom-used piece of equipment. The argument went on but not to a decision. Councilman Mike Trubenbach added that he didn't like the normal city procedure of paying bills before the council had a chance to see or approve them. He said a 45- to 60-day delay was common for most businesses and he wanted council approval before the bills were actually paid. Further discussion brought no conclusion. Monthly bills of \$64,759.11 were finally approved.

- The council adjourned the public meeting to consider personnel items in executive session.

Continued from Page 1

Board is working on the problems with the providing company.

- Councilman Arthur Hennigan, once again, demanded that all mail to the mayor be handled and left at City Hall. Mayor Bill Miller, once again, said that he resented accusations by Hennigan and demanded proof of what he was doing wrong. Miller then directed the city secretary to open all his mail for him and determine what he could take to his office in Gainesville.

# Gertie Loerwald dies in Lindsay

Mass of Christian Burial was offered for Gertrude "Gertie" Loerwald on Tuesday, Oct. 4, 1994, at 10 a.m. in St. Peter's Church of Lindsay, officiated by Father Nicholas Fuhrmann, OSB, Father Stephen Eckart, OSB, and Father Eugene Luke, OSB. Mrs. Loerwald died at age 71 on Oct. 2, 1994 in Lindsay.

GERTRUDE LOERWALD

Arendt, Clyde Williams and Jonathan Williams, and friends Jimmy Koelzer and Roy Lee Fuhrmann were pallbearers. Burial in St. Peter's Cemetery was directed by Clement-Keel Funeral Home.

Granddaughters gave the Liturgical Readings, Sarah Williams read Psalm 116, verses 1-7 and Susie Arendt read Col. chapter 3, verses 12-17.

A granddaughter, Shirley Zimmerer, led Prayers of the Faithful at Offertory and grandchildren Amy, Tommy and Joey Arendt presented Offertory gifts at the altar.

Sacred music by the Lindsay choir, directed by Roger Dieter, organist, included "Be Not Afraid," "Song of the Angels," "The St. Francis Peace Prayer" and "Amazing Grace."

A rosary service on Monday at 4 p.m. and vigil at 7 p.m. were held in St. Peter's Church.

Four grandsons Jeff Arendt, Greg

Gertrude Loerwald was born on Aug. 16, 1923 in Vinita, Oklahoma to Matt and Rosa Orth Fuhrmann. On Oct. 22, 1946, she married Alvin J. "Red" Loerwald. She was a homemaker, member of St. Peter's Catholic Church, St. Anne's Altar Society, Secular Franciscan Fraternity and the VFW Ladies Auxiliary. Some of her special hobbies were quilt making, crocheting afghans and working crossword puzzles. She delighted in making quilts for grandchildren; she was very proud of her large collection of spoons from all over the world; and she designed and made one of the blocks for the Lindsay Centennial Quilt.

Survivors include one son, Robert Joseph Loerwald of Lubbock; two daughters and sons-in-law, Karen and Clyde Williams of Amarillo and Sharon and David Arendt of Lindsay. There are 12 grandchildren and two great-grandchildren. Also two brothers, Raymond "Curly" Fuhrmann of Lindsay and Ewald Fuhrmann of Idabel, Oklahoma; and three sisters, Beatrice Koelzer of Muenster, Louise Haverkamp of Lindsay and Henrietta Dankesreiter of Lindsay.

Preceding her in death were her parents; her husband on March 16, 1988; a daughter, Janet Susan Loerwald in 1956; three sisters and one brother.

The family has suggested memorial contributions to the Cooke County Unit of the American Cancer Society, and sent to First State Bank, Drawer A, Gainesville, TX 76240.

# Michael A. Koesler dies in Oklahoma

Michael A. Koesler, 68, died very suddenly in Vinita, Oklahoma on Sept. 22, 1994. He was born on Sept. 22, 1926 in Lindsay to Max and Susie (Fuhrmann) Koesler. The family lived in the Lindsay area for several years prior to moving to

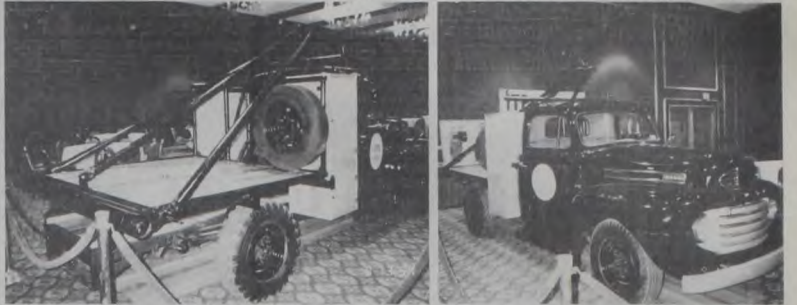

Oklahoma. Michael A. Koesler was an active member of Holy Ghost Catholic Church and a retiree of the U.S. Postal Service and had worked with the Soil Conservation Service.

Survivors include his wife, Evelyn Koesler; two sons, Thomas and Michael; three daughters, Theresa, Janet and Karen; and several grandchildren; one sister, Kunigunda; and brothers, Max Jr. and Norbert; and cousins of the Koesler and Fuhrmann relationship.

Rosary was prayed on Friday at 7 p.m. in the chapel of Luginbuhl Funeral home of Vinita. Mass of Christian Burial was offered on Saturday at 10 a.m., officiated by Father Henry Broyles, pastor.

Sacred music, including "Ave Maria" and "How Great Thou Art" was presented by soloist Sister Mary Grace Sieben, accompanist Lena Morrison and organist Kunigunda Lodes (a relative of the Koesler relationship).

Local relatives attending the funeral were Tom and Rosemary Dankesreiter, Theresa Hermes and Miriam Caplinger.

NEWLY-REFINISHED 1949 BLACK FORD TRUCK, owned by Muenster Telephone Corporation, on display in the Grand Ballroom of the Loews Anatole Hotel in Dallas.

# The old black truck recalled

by Alvin Fuhrman

As one entered the convention activities that evening, there it stood with its new facelift, sitting proudly on display in the Grand Ballroom of the Loews Anatole Hotel in Dallas. The three-quarter-ton black Ford truck was as shiny as the day Urban Endres and Marty Klement delivered it to the telephone company 45 years ago. Around it were antique telephones, switchboards and pictures being displayed by other telephone companies from across Texas. The occasion was the 50th anniversary of the Texas Chapter of the Independent Telephone Pioneers of America being held with the 89th annual Texas Telephone Association convention. The truck created much interest among the telephone people at the convention. The day Muenster Telephone Company first saw the black Ford

truck was in 1949, and it was a welcome sight. The only construction truck the company owned at the time was a 1929 Plymouth touring car made into a truck. The new Ford truck came without a bed. Bill Fuhrman, Alvin's brother of Muenster Telephone Company at the time, found this oilfield wench truck bed in J.P. Flusche's junk yard. The bed was for a longer truck, so it was cut off and made shorter. Some of the wood had rotted off, so that part was covered with a steel plate. A space was made under the bed to store long-handled digging tools, crowbars and shovels. A used wench was purchased from John Beznar in Lindsay and installed on the truck. Bill Fuhrman did all of the welding on the truck, assembling the bed and A-frame and installing the wench. Now, we had a wench and bed, but no boxes.

The boxes, made from oak wood, were built by the Home Art Shop, a local cabinet shop operated by Jake Hom. The truck was put to good use rebuilding telephone lines in and around Muenster. All holes were dug by hand, including rock holes. We carried dynamite in one of the side boxes with the caps in the glove compartment. Driving over tree stumps, ditches and rough terrain eventually bent up the running boards and fenders. There was no room for the truck in the company garage on East Fourth Street, so it had to sit outside in the weather. One night, the truck was stolen and the A-frame was raised to its maximum height. A number of power and telephone lines were torn down by the truck before it was returned to its parking place with wires still dragging behind it.

The first line built into a new area with the truck was a line to Marysville. This took place while Alvin was in the army in 1950.

Upon Alvin's return from service, many new routes were built with the truck. Telephone service was extended to Rosston in 1954 and Forestburg in 1957. Most of the telephone cables and open wire lines around Muenster were rebuilt. When pulling poles or moving

heavy loads, the front wheels would lift off of the ground. The truck was a very handy light winch truck.

As the years went by, newer and heavier trucks took over the line construction work, and the old black truck was called on to do less and less. At first, it sat out in the weather by the warehouse. There the plastic decoration deteriorated, the Ford symbols disappeared. The black paint faded, the rubber strips and tires rotted and the glass cracked. The wooden boxes fell apart and one was removed. The manifold had warped making the engine very noisy when it ran. So much dirt had fallen off of tools thrown under the bed through the years that no more tools could be placed there. Some parts to the A-frame became misplaced.

When the new warehouse was built, the truck found a place out of the weather. For many years, it was pulled out only for Christmas parades. Some years, the motor would be frozen and the battery dead. Gasoline additives gummed up the gas system.

Alvin drove the truck in the 1993 Muenster Christmas parade. The motor was very loud and ran erratic. There was very little brakes. The truck was a symbol of Muenster Telephone Company, and did not reflect well for the company. It was then decided to restore the black truck, also, about this time the Telephone Pioneers asked to have the truck on display at the 50th anniversary of the Texas Chapter at the Loews Anatole in Dallas. Larry Eldridge of Muenster Telephone accepted the challenge of restoring the old black truck. Authentic parts were hard to find and took time. It was not sure the truck would be ready for the convention. The finishing touches to the truck were completed the week before the convention.

Larry hauled the old black truck to Dallas the morning of the three-day convention. Monday evening, as one entered the evening activities, there was the old black truck with its new facelift, standing proudly in the middle of convention activities in the Grand Ballroom of the Loews Anatole Hotel.

# Kate Ogden dies at 20 months

Mass of the Angels was offered for Kate Ogden, the 20-month-old daughter of Robert and Sandra Haverkamp Ogden of Rt. 2, Gainesville, on Thursday, Oct. 6, in St. Peter's Catholic Church of Lindsay. Officiating at 9 a.m. were Father Nicholas Fuhrmann, OSB, Father Stephen Eckart, OSB, and Father Eugene Luke, OSB.

Kate Ogden died on Oct. 4, 1994 at Children's Medical Center of Dallas. She was born on Jan. 26, 1993 in Wellsville, New York.

Survivors are her parents, Robert

and Sandra Haverkamp Ogden; two sisters, Victoria and Ellen Ogden; her grandparents, Ray and Louise Haverkamp of Lindsay and Robert and Lorraine Ogden of Haymarket, Virginia; and several aunts and uncles.

A Children's Vigil was held on Wednesday evening at 7 p.m. in the Clement-Keel Chapel.

Burial on Thursday in St. Peter's Cemetery in Lindsay was directed by Clement-Keel Funeral Home. Pallbearers were Ronnie Jones and Doug Anderle.

# NCTC Foundation receives scholarship donation

"North Central Texas College has a steadily growing pool of scholarship resources to assist students who may need help in paying college expenses," said Dr. Ronnie Glasscock, NCTC President.

NCTC Endowment Foundation recently received an additional funding of \$5,000 to be divided between the Howard and Lela Springer General Academic Scholarship and the Howard and Lela Springer Nursing Scholarship of the Springer Estate.

Lela Springer set up both scholarships in 1988 by donating \$20,000. The money was set up in two scholarships - Nursing and General Academic.

"They would be very pleased with the many achievements of NCTC and the effects the college has had on the lives and careers of the students in this community," said Mr. Bill Maughan, the Springers' nephew.

"They had no children so they tried to help all the children of our community and education was very high on their priorities," said Maughan.

The Howard and Lela Springer Nursing Scholarship is for Nursing majors. The recipient must maintain a 3.0 GPA in major area and a 2.5 GPA overall.

The Howard and Lela Springer General Academic Scholarship is

an award for a student who maintains a 3.0 overall GPA.

Maughan explained that the Springers lived their lives as an example for us to follow and they certainly had a positive influence on my life and education." Howard Springer served as a member of the NCTC Board of Trustees from 1960-65.

"Many individual scholarships are available to students at NCTC," said Glasscock. "These scholarships are given to reward and recognize the dedicated effort of students - which leads to outstanding academic achievement and the development of a special talent in a given field."

For further information concerning these and any other scholarships please call the NCTC Endowment Office at 817-668-4213.

## 4-H is something to celebrate together

by Evelyn Yeatts,  
County Extension Agent-H.E.  
National 4-H Week, Oct. 2-8,  
honors the 4-H program, which is  
surpassing 81 years of existence in  
Texas and there are many reasons to  
celebrate.

4-H is youth and adults working  
together. The 4-H volunteer leader  
concept is one of the strengths. For  
every one hour of professional  
employee's time spent in the 4-H  
program, there are 10 hours  
contributed by volunteers. 4-H  
emphasizes "family" and families  
working together. Families are the  
strength of our country and our way  
of life, and 4-H works to strengthen  
them.

To celebrate 4-H is to teach  
leadership and citizenship.

Participation in community service  
projects is one way that teaches 4-  
Hers citizenship. Each project gives  
4-Hers the opportunity to develop  
their leadership skills. 4-H's  
ultimate goal is youth leadership  
development.

4-H is a way of life. Many times  
4-H projects will lead to a career.  
Through 4-H, the member gains an  
attitude and a sense of value - moral  
and practical, that will remain with  
them through life. 4-H is a way of  
doing and thinking - a physical and  
mental way of making our "best  
better."

For more information about  
joining or starting a 4-H program in  
your community, call the County  
Extension office at 668-5412.

## In the Service...

### Local Man Aboard Best Ship

Radioman 3rd Class Tony Cunningham, son of Earl and Janet Cunningham of Lindsay, runs communications equipment aboard the aircraft carrier USS THEODORE ROOSEVELT (CVN 71). The 97,000-ton nuclear-powered ROOSEVELT, based in Norfolk, Va., was recently awarded the Battenberg Cup as the best ship in the U.S. Atlantic Fleet.

Cunningham is a 1989 graduate of Lindsay High School. He is a grandson of Paul and Mary Arendt of Lindsay and Julia Cunningham of Muenster and the late Herb Cunningham.

The Battenberg Cup was presented to the ship by Admiral Henry H. Mauz Jr., Commander-in-Chief, Atlantic Fleet. Last spring, ROOSEVELT sailed into the Adriatic to enforce Operation Deny Flight, the U.N.-mandated "no-fly" zone over Bosnia. Then, on short notice, ROOSEVELT sailed through the Suez Canal for Operation Southern Watch, enforcing the no-fly zone over Iraq. During the 184-day deployment, the ship spent 169 days at sea.

Nevertheless, morale among the 6,000 men aboard remained remarkably high. ROOSEVELT won the Golden Anchor for the best reenlistment rate on an Atlantic Fleet carrier, then won the prestigious Battle Efficiency Award as the best carrier in the Atlantic Fleet. Both awards led to the Battenberg Cup.

ROOSEVELT's commanding officer during the deployment, Stanley W. Bryant, who was recently promoted to rear admiral, said of his crew, "It has been an absolute joy to be with them - sometimes leading, sometimes just watching, but always admiring, fascinated and thankful that I don't have to go up against them."

The Muenster Enterprise received the above press release and picture from the U.S. Navy.

### Brandon Walterscheid Enlists

Brandon Michael Walterscheid, son of Gary and Brenda Walterscheid is serving in the U.S. Navy. He enlisted two weeks ago. His parents have submitted the following address for friends who wish to write to him: Walterscheid, 460-910-777, Battery 10 CO 54 Recruit Training Command, Orlando, Florida 32893-0054.

### Applegate Air Crew Member

Air Force Senior Airman Alexander R. Applegate was one of the air crew members onboard two B-52 Stratofortress Bombers from the Second Bomb Wing, Air Combat Command, which completed the first around-the-world flight coupled with a bombing mission.

After nearly three months of careful planning and 47 hours and 20,000 miles after take-off, the tired but ecstatic air crews landed here. Seventeen hours into the mission the Kuwaiti desert exploded in a wall of flame as the two bombers deposited 27,000 pounds of bombs on target within three seconds of the planned time.

The aircraft then immediately transitioned from their Global Power mission to complete the around-the-world flight.

Applegate, a bombing navigation system specialist, is the son of Rodney A. Applegate and stepson of Cynthia A. Applegate of Saint Jo, Texas.

He is a 1990 graduate of Nocona High School.

## Sacred Heart students prepare for tests

The PSAT/NMSQT will be administered to Sacred Heart students on Tuesday morning, Oct. 11. This test measures verbal and mathematical reasoning abilities. In December, schools will receive individual and class score reports that will include verbal scores, mathematics scores, score ranges, percentiles and selection index. These scores give a student helpful feedback on their verbal reasoning and math problem solving skills.

The PSAT/NMSQT is the route to the National Merit Scholarship Program.

All 11th grade students will be taking the PSAT at no cost to the student. Some 10th grade students will be tested at their request.

Sophomores prepare for PLAN  
Sacred Heart School 10th grade students will be taking the PLAN test on Thursday, Oct. 20. PLAN includes academic tests, a survey of interests and an assessment of study skills knowledge. Students who

participate in PLAN get a head start on career and educational planning. Test results help students plan their course selections for the last two years in high school and to set educational and career goals.

PLAN participants will receive a comprehensive easy-to-understand report of their skills and an interpretive guide to help students and parents understand and use the information.

All 10th grade students will be taking the PLAN test at no cost to the student.

# Cub Scouts participate in plantings on Main

The children of Willie Mae and John (Roy) Richardson invite all their relatives and friends to come to the Forestburg Community Center Saturday, Oct. 8, from 3 to 5 p.m. and help them celebrate their 50th wedding anniversary. Your presence is your gift.

Mr. and Mrs. Garland Lehman and Dustin of Iowa Park attended church at the Rosston Baptist Church, then were guests of her mother, Mrs. Gladys Balthrop. The Lehmans had spent Saturday in Irving with their daughter, Kellye, and David Beavers and Austin. They also went to the Fair in Dallas.

Mrs. Louise Shults and Mrs. Shirley Harvill attended the funeral of Mrs. Nema Barnett at Dewey Saturday morning.

Mr. and Mrs. Marvin Maberry were in Whitesboro Saturday on business.

Mr. and Mrs. Jack Berry visited Mr. and Mrs. Wilbur DeBorde of Era Monday.

Mr. and Mrs. Lee McKown of Dallas spent Thursday with Mr. and Mrs. Jack Berry.

Mrs. Merle Hudspeth, Mrs. Maxine Peers of Krum and Mrs. Montez Nivens treated their aunt, Mrs. Veda Magee of Bowie, to dinner for her birthday Monday in Bowie.

Mrs. Merle Hudspeth, Mrs. Montez Nivens and Mrs. Maxine Peers of Krum visited with their friend, Mrs. Tommy Noulain, in Lewisville.

Lloyd and Eline Keith of Garland visited with Miss Lois Bewley and Clyde Saturday afternoon.

The Townsley brothers of Wichita Falls and Borger visited Lois and Clyde Monday.

Mrs. Mozelle Hutson and Mrs. Jo Dell Gaston of Saint Jo visited Mrs. Edna Agee in Mineral Wells Saturday.

Mrs. Carla Kruger and her son, Kirk, and her daughter, Karen, of Farmersville visited Monday with Mr. and Mrs. Ted Jackson.

Shirley and Johnny Brogdon of Miami arrived at the home of Jewel and Carroll Dill Thursday night for a visit with relatives until Sunday. They had been visiting their daughter in Louisiana.

Mrs. Laura Belle Jackson, Mrs. Jewel Dill and Mrs. Shirley Brogdon were Gainesville visitors Friday morning.

Laura Belle and her guests attended the funeral of Mrs. Nema Barnett Saturday morning at Dewey.

Friday night Mr. and Mrs. Jerry Gage of Clarendon arrived at the home of the Ted Jacksons for a weekend visit with relatives.

Saturday morning, the Forestburg Masonic Lodge presented Ted Jackson with a 50-year pin. After the presentation, there was a barbecue dinner, with about 40 relatives and friends attending.

Guests of Mr. and Mrs. Carroll Dill Sunday for lunch were the Ted Jacksons, Vatoni and John Ragsdale and children Larry and Brady.

The Muenster Cub Scouts turned out in force Saturday morning to plant flowers in the street corners recently finished by the Muenster Kiwanis Club on North Main Street.

Parents assisted in the operation, with a different group of scouts assigned to each street corner. The pansies will provide a splash of color this fall from Fourth Street through First Streets.

Each corner had already been

planted with one or more junipers. Once mature, the junipers will completely cover each bed, thus reducing maintenance, but adding year round green color. With over 300 different varieties of juniper available, a specific variety can be found to suit a specific corner size.

Johnny Rohmer, Muenster Kiwanis President, planted the junipers and supervised the planting of the pansies by the local Cub Scout Pack.

CUB SCOUTS, leaders and volunteers in attendance at the planting of street corners were Janet and Michael Voth; Allison and Johnathan Bayer; Jack, Donna, Jayna and Joshua Biffle; Mary and Joseph Dangelmayr; Joyce and Adam Bayer; Ramona, Derek and Travis Felderhoff; Luke Endres; Daniel Bartush; Gary and Karl Fisher; Chad and Mitch Felderhoff; Dustin Walterscheid; Eric Endres; Kristen, Gage and Cameron Gilliland and David Walterscheid.

## Garrett grows to 2!

GARRETT WALTERSCHEID

Garrett Alois Walterscheid celebrated his second birthday on September 10 with his parents Kim and Lisa Walterscheid. Garrett's big brothers, Dustin and Bret, and grandparents Queenie and Willie Walterscheid and Loyd and Gwen Trubenbach sang "Happy Birthday" to the birthday boy. Garrett blew out his candles and opened presents all by himself.

Garrett shared Krispy dinosaur treats with his playmates at Wanda's Tender Loving Care Day Care Center.

Also sending birthday wishes were Garrett's cousins Melinda, Collin, Casey, Tyler, Jordan and Lee.

## MMH Auxiliary hosts raffle drawing party

Muenster Hospital Auxiliary invites all ticket holders and one guest to the drawing party at Frank Cromeen's Ranch Saturday, Oct. 8, at 8 p.m.

All tickets are sold! Beans, cornbread, cheese, crackers, chips and dips will be served, along with drinks.

"A Taste of Texas" band will play for dancing. The party will be very casual - there will be hay bales to sit on. Those who want to, can bring a lawn chair.

Ticket holders don't have to be present to win the pool or the trip to Las Vegas but, for the \$1200-plus in door prizes, winners must be present.

Come and spend a fun-filled evening with us!

## Bindels hold traditional reunion on Oct. 2

Descendants of the late Peter and Mary Bindel gathered at the Muenster City Park on Sunday, Oct. 2, for a noon covered dish meal.

Special guest was Father David Bellinghausen, OSB.

Seventy-two family members were present, even though there were a number of activities at the same time in neighboring towns.

Visitors from out of town came from Saint Jo, Gainesville, Myra, Lewisville, Pilot Point, Goldthwaite, Burleson, Texas and Marietta, Oklahoma.

It had been five years since the last reunion, so a lot of reminiscing was enjoyed. Children enjoyed the park, slides, swings, shade and play areas.

# Hornets shut down the Eagles

The Muenster Hornets had a good solid, mistake-free game Friday night. That was their goal going into their contest with the Valley View Eagles. The big 52-7 win boosts the Hornets' record to 4-1 as they go into district play this week.

To show how one-sided the game was, the Hornets scored on their first possession of the game. From their 33-yard line, Muenster moved down field in 8 different runs by Jason Huchton, Matt Cotter, Scott Debnam and Cody Sicking. On 4th and 16, Huchton connected with Jerry Reed for a 30-yard touchdown. The point after failed for a 6-0 score with 7:10 on the clock. This score by the Hornets set the scene of things to come.

The Eagles put together a long drive their first possession, but came away with no points after bogging down on the 3-yard line.

Muenster added another lucky 7 points 7 plays later when Cody Sicking broke free on a 47-yard sprint. Reed added the kick and the Hornets had a 13-0 lead seconds in the 2nd quarter.

Valley View's 2nd drive was aided by a successful fake punt but, the next play, quarterback Mark David was buried for a 7-yard loss by Cody Sicking. But the Eagles continued to advance down field. It looked like the Eagles' fortune would improve, but another QB sack by Sicking and Darrell Charles, and an incomplete pass, were followed by a broken-up pass in the end zone by Debnam. Muenster took over on their 21-yard line.

Two runs, a 19-yard gain by Sicking and a 23-yard run by Cotter, moved the Hornets into Valley View territory. Six plays later, Chad Roller found paydirt on a 24-yard run. Reed added the point after for a 20-0 Hornets lead with 2:21 remaining on the clock. The Muenster offense and defense were not finished plucking Eagle feathers. Disaster struck for Valley View on the kickoff when the Eagles fumbled and James Klement recovered on the 34-yard line.

Cody Sicking carried the ball to the 5-yard line, where quarterback Jason Huchton slammed into the promise land. The point after by Reed was good for a 26-0 score with 1:37 remaining.

Valley View could do nothing with the ball and punted after 3 downs. Muenster wasted little time in ringing up the scoreboard again. A 37-yard run by Reed was followed by a 20-yard touchdown run by Cotter. That made it 33-0 to end the first half and this was starting to look like a blowout was forming.

The Eagles once again got a good drive going, but it hit a rut when Jonathan Otto hit the quarterback as he threw an interception to Jason Huchton.

Muenster could not get a first down and punted. Two plays later, Matt Cotter picked off an Eagle pass only 25 yards from the end zone. Muenster got no yards running then, on the next play, Huchton and Tony Hartman hooked on a 25-yard pass play that put the Hornets on the scoreboard again. The point after failed and, with 6:54 remaining in the 3rd quarter, the Hornets again began to celebrate - this time, the victory was assured with a 39-0 lead.

Valley View was forced to punt away their next drive after they couldn't move against the Hornets' defense.

A one-play drive, a 43-yard run by Cody Sicking, and again the Hornets found paydirt. The point after failed for a 45-0 score with 5:46 remaining in the 3rd quarter.

The Hornets' defense seemed to hold on Valley View's next drive, instead Muenster got a 15-yard penalty that kept the Eagles' drive alive, at least momentarily. The

Hornets stopped Valley View on the 5-yard line.

Matt Cotter put an exclamation point on the night with a 95-yard scoring sprint, that increased the lead to 52-0 and completely deflated the Eagles.

The teams exchanged punts as the final stanza began. After Valley View could not get a first down in 4 plays, they gave the ball back to the Hornets at the 20-yard line. Muenster punted away their next possession. The Eagles got something going in an attempt to salvage something positive. Three runs later, Barry Barthold snuck in to get the visitors on the board. Barthold added the extra point for a 52-7 score with 2:54 remaining in the game. Muenster's offense ran out the remaining time.

"The score speaks for itself," said Muenster Coach Grady Roller. "The offense looked its best, with good outings the 2nd and 3rd quarters." Roller credits the offensive line with a good game, as the backs ran well and the passing game improved. "We had several good goal line stands," continued Roller, "with constant pressure on their quarterback." Roller also credits Maurus Hacker for having a good defensive game as he was "all over the field."

Muenster played the second team the 4th quarter and kept the ball on the ground to keep things safe. "This big win was a good boost going into district play," concluded Roller.

**Next Action - Era**  
"Era's a big ball club, they are everything everyone's been talking about," commented Coach Grady Roller on Muenster's opening district game with Era.

Era's Hornets have won the last four of five games with one-sided scores. Era is loaded on offense with Matt Lyons, Ryan Worthey, Jeff Wilson and Jerry Beavers with Randal Sawyer and Arlus Pierce leading the defense.

"We'll have to play hard and score more points," concluded Roller.

The Battle of the Hornets will be played in Muenster. The district opener begins at 7:30 p.m.

## Pro game upsets make football contest tough

Upsets in Sunday's professional football games upset many contestants' scores in the 5th week of **The Enterprise Football Contest.**

Only one entry correctly picked the Eagles over the 49'ers, while 35 missed the Bucs over the Lions; 34 missed the Bears over the Bills and 31 missed the giants' loss to the Saints. The other pro game in the contest, the Cowboys' win over the Redskins was missed by only one entrant.

In local competition, only one missed the Muenster and the Era games, with 14 believing Lindsay would lose and everyone picking Callisburg and Gainesville. Eleven missed the Sacred Heart tiebreaker game.

Contestants were given two games. Lakehill did not play after St. Mark's JV canceled the game. Two entries picked St. Mark's. The other game was UCLA's loss to Washington, not Washington State as printed on the contest. Four profited from that mess-up.

Peachie Huchton took last week's big prize, picking 28 correct winners. Mike Felderhoff finished in 2nd with 27. The tiebreaker determined the 3rd place winner when Benny Haverkamp and Neil Huchton both correctly picked 26 games. Haverkamp finished on top with a 9-point difference of the score while Huchton was off by 10. The winners picked up their prizes at Fischer's Meat Market, the D1 One Stop and Tony's Seed & Feed.

Missing 7 games was Mickey Haverkamp, while Edgar Dyer,

Deann Felderhoff and Cory Knabe each missed 8.

As the 5th week ended, Peachie and Neil Huchton are leading for the season, both with 83% correct games picked. Mike Felderhoff follows with 81%, and Bonnie Stoffels and John Nasche have 80%. Coming in next is Nick Stoffels and Wayne Klement at 79%, Doug Stoffels and Dale Swirczynski with 78% and Mike Stoffels with 77%. Scoring 75% or better are John Klement, Mark Grewing, Edgar Dyer, Mike Hacker, Jason Biffle, Jon LeBrasseur and Charles Edwards.

Complete contest results are posted at **The Enterprise** office.

## Tina Klement races on

Tina Klement, East Texas State University junior from Muenster, led the women's cross country team to a first place win. The squad participated at the Ouachita Baptist University meet in Arkadelphia, Ark.

Klement is a 1992 graduate of Muenster High School and the daughter of Charlotte and Dale Klement.

Klement finished fourth place overall on the 3.2 mile course. As a team, the Lady Lions finished with 21 points. Placing second was Delta State with 62.

Cross country coach Steve McBride was very pleased with Klement's performance. "It was her best run she has had so far," commented McBride. "Tina has been plagued with injuries in the past, but is now coming around."

# Tigers get big Homecoming win

"I was extremely pleased with our ability to overcome adverse conditions and come away with the win," commented Coach John Nasche on the Sacred Heart Tigers' big win Saturday night. "There were times when momentum was in Liberty's favor, but rather than fold, we came fighting back for a big Homecoming win."

The Tigers put together a 27-15 victory over TAPPS Class 2A Denton Liberty Christian Warriors in front of a huge Homecoming crowd.

After a scoreless first quarter, the Tigers lit up the scoreboard first on a 1-yard Jason Hess run. The 9-play drive was highlighted by a 39-yard run by John Klement and a 39-er by Neil Berres. Michael Becker added the extra point.

Liberty scored with 1:30 remaining in the first half. A 57-yard pass play from Noel Mikeska to Jesse Franco and the PAT tied the game 7-7.

Sacred Heart took the lead in the 3rd quarter when Neil Berres returned the kick off 85 yards for 6 points. Becker added the point after for a 14-7 lead.

The Warriors, with 3 minutes in the 3rd period, took the lead away from the Tigers when Mikeska's pass to Phillip Dowdy was good for a 55-yard touchdown. A quarterback keeper on the PAT gave Liberty the 15-14 lead going into the final stanza.

The Tigers had a good drive moving, but an interception stopped the Tigers from scoring, at least momentarily. The next play, Neil Berres intercepted the ball back for the Tigers near midfield. A Hess pass to Jake McCoy took the Tigers to the 22-yard line, where Berres carried it in for the touchdown. Becker added another extra point and Sacred Heart regained the lead 21-15 with 9 minutes remaining in the game.

On the Tigers' next possession, runs by Frost, Berres and Hess moved Sacred Heart to the 5-yard line. A short Hess to Frost pass put the icing on the cake for the final Tiger touchdown and a 27-15 victory.

The Sacred Heart defense held the Warriors to 40 yards total rushing. "This is outstanding, considering the talent Liberty has,"

commented Nasche. "I was very pleased with the team's defense." Standouts were linebackers Mike Schilling, Neil Berres and Scott Frost. "These boys did an excellent job filling holes and stopping the plays in the backfield." Other defensive standouts were Jake McCoy, Brandon Bayer and Toby Hess.

Offensively, the passing game was the Tigers' strength the first half. Jason Hess threw to the receivers, led by John Klement, with all receivers catching passes. Sacred Heart made halftime adjustments and, behind the blocking of the offensive line, the Tigers were able to control the running game.

**Next Action - Dallas Temple**  
Sacred Heart will begin district play Friday night in Dallas. The Temple Blazers are led by running back Murray Johnson. "Johnson is exceptionally fast and extremely agile and quick," commented Coach John Nasche. "He runs the ball like Barry Sanders, so we'll have to find a way to contain him." Johnson has over 1,000 yards so far this season.

Nasche plans to use his "conditioning" strategy and attempt to wear out their opponents by running a no-huddle offense. "It should be close but, hopefully, we'll take control of the game and win in the final." Action begins at 7:30 p.m.

# Knights pluck Falcons in pre-district victory

The Lindsay Knights pulled out a 21-6 victory last Friday over the Fannindel Falcons. The fumble-plagued game saw Jeff Hale and Tanner Neidhardt scoring all of the Knights' points, with one touchdown scored in each quarter between the two teams.

The Falcons took the opening kick, running 4 plays for 29 yards before fumbling the ball. Robert Lutkenhaus covered for Lindsay. Three plays later, the Knights fumbled the ball back to Fannindel.

Tough Lindsay defense held the Falcons on 4 runs, but the Knights couldn't move the ball. On 4th and 12, a bad snap on an attempted punt gave Fannindel possession on the 24-yard line. The 7th short run saw Roy Lee Wilburn go into the end zone on a 5-yard run. The points-after pass failed and the visiting Falcons took a 6-0 lead with 2 minutes on the quarter clock.

Lindsay's next attempted drive went nowhere, and they were forced to punt. The Falcons took the ball into the 2nd quarter, going to the 20-yard line. There, the Knights' defense, led by Greg Dulock, Shawn Cartwright, Greg Arendt and Robert Sharp, halted any progress.

From the 21, 4 runs by Chris Brown gained 43 yards with Jeff Hale running 4 times for 16 yards to the 20-yard line. On 2nd and 7, Jeff Hale went wide, found an opening and carried the ball in for the touchdown. Tanner Neidhardt kicked the point after and, with 4 1/2 minutes remaining, the Knights took a 7-6 lead.

Fannindel threatened to come back, but tackles by Lutkenhaus, Brian Hermes, Dulock and Pat Hogan forced a punt near midfield.

The Knights earned a 1st down as the 2nd quarter began, but then were forced into a 4th and 17, losing the ball on downs.

Tough defense and a Falcon foul forced Fannindel to punt on 4th and 24. The punt was blocked by Brian Hermes and Lindsay recovered on the 9-yard line. Two plays later, Hale rumbled the ball in for 6 points. Neidhardt added the Pat for a 14-6 lead with 5 minutes remaining on the clock.

The Lindsay defense held the Falcons to 3 plays and a punt. Two plays later, the Falcons picked off a Lindsay pass.

A fumbled ball and defense by Shane Hanks and Robert Sharp forced a punt and Lindsay regained possession going into the 4th quarter. Five plays later, the Knights ran out of downs.

The Falcons got a good drive going with 9 runs and a pass inside the 20-yard line. Any scoring threat

was stopped when Robert Sharp stepped in and picked off a pass.

Starting on their 39-yard line, good runs by Brown and Hale were erased by penalties, including a touchdown on a clipping call. Three plays later, Jeff Hale proved it could be done and scored on a 31-yard touchdown run. The PAT counted for a 21-6 score with 3:27 left in the game.

Bobby Greener covered a fumbled kick return for the Knights but, on the next play, Lindsay fumbled it back. Fannindel couldn't move the ball and punted. Two Lindsay runs later, the Falcons covered another loose ball.

Fannindel attempted once more to score but the Knights held them as time ran out.

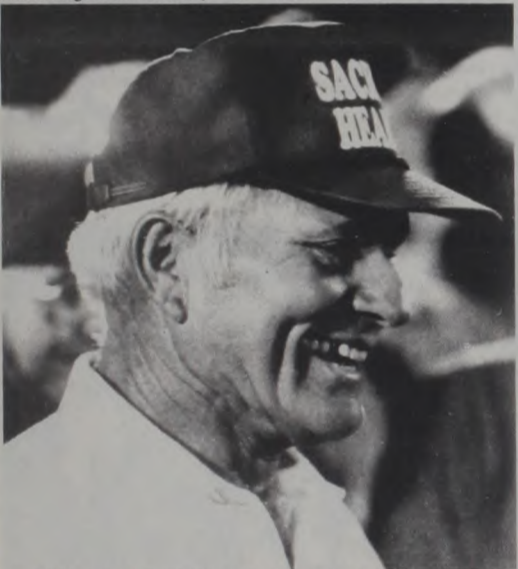

"The team started slow," commented Coach Charlie Meurer, "but played real well the 2nd half." Meurer credits the offensive line for their blocking. This includes Robert Sharp, Shawn Cartwright, Chris Escobedo, Zack Schumacher, Brian Hermes and Robert Lutkenhaus. Also, Jeff Hale, who got positive yardage on every run. Leading tackler Brian Hermes is credited with over 20 tackles, with Robert Sharp "breaking on the ball several times."

"Collinsville is a lot better than everyone expects. They throw the ball and play hard," said Meurer. "We'll try to be ready to play from the start."

The Pirates were 10-2 Area finalists last season but lost 14 lettermen, including All-State quarterback Trent Cox and wide receiver Jeff Melton. Collinsville will be led by Barry and Brent Vannoy and Eric Montoya on offense. Defensive standouts include Chester Bailey, Phillip Weathers and Bret McMillan.

The district opener begins at 7:30 p.m. at Collinsville.

## Jr. Hi/JV Action

**Muenster JH 16, Valley View 14**  
Muenster's Stingers came from behind last Thursday evening to defeat the Birds at Valley View.

Muenster scored their 1st touchdown on a reverse run by John Roller. The play turned into a 55-yard touchdown run. Jesse Luke completed a pass to Darren Hennigan for the extra points.

Valley View scored 2 touchdowns to take a 14-8 lead. A long Stinger drive the 4th quarter looked good until Muenster fumbled the ball on the 5-yard line. The next play, Jesse Luke intercepted the ball and ran it in for 7 yards out. This tied the game 14-14. Luke again went to the air, finding Aaron Klement for the winning extra points, with 2 minutes remaining in the game.

Defensive standouts for the Young Hornets were Justin Klement, Jim Stoffels, Darren Hennigan and Bryan Miller. Having

a good game offensively were Jesse Luke, John Roller, Aaron Klement and Matthew York.

Muenster traveled to Era for a tough game this Thursday.

**Muenster JV 0, Valley View 14**

It was one of those nights where nothing went right, according to Coach Randy Tankersley as the Young Hornets took a loss from the Eagles. Too many turnovers, including dropping the ball in the end zone made it a long night for Muenster.

On offense, Lucas Hartman led the blocking for runners Brian Fleitman and Bryan Hudspeth, who had a good game. Defensive standouts were Cory Charles, Lucas Hartman, Bryan Hudspeth, Michael Boydston, Greg Flusche and Shane Sparkman. Sparkman is also credited for an interception.

The JV played Era Thursday night.

**MUENSTER HORNET JUNIOR VARSITY OFFENSE** from a backfield view against Aubrey last week: (21) Brian Fleitman, (52) Cody Perryman, (55) Cory Charles, (61) C.J. Muller, (25) Scott Hermes, (33) Bryan Hudspeth and (83) Kody Dil.

## Area officials chapters merge

The Red River Valley and Denton Chapters of the Southwest Basketball Officials Association recently merged. The new organization is the North Texas Chapter. For many years the two former chapters provided officials for most of the public school basketball programs in Wise, Denton, Collin, Cooke, Grayson, Montague, Fannin, and Hunt counties. The new chapter will continue to provide officials in those counties, and the merger provides the possibility of expanding to other counties. The intent of the merger of the two chapters is to provide more highly skilled and knowledgeable officials in support of public and private school basketball.

Meetings and training sessions will be held on Wednesdays beginning October 5 at Ryan High School in Denton. No prior officiating experience is necessary. The North Texas Chapter provides training, rule books, and other related information. Basketball officiating as an avocation affords a person the opportunity to stay involved in the game, earn extra income, and increase his/her exercise program. Requirements are: good physical condition (or willing to improve one's physical condition); dependable and responsible; able and willing to devote time to meeting attendance and rules study; and reliable transportation. Officials are reimbursed for travel associated with officiating assigned games. If you have previously officiated basketball, the North Texas Chapter urges you to consider returning to officiating. For more information, contact either of the following (please leave messages when necessary): Bob Herbert, 817-565-

1891; Dan Schluter, 817-648-3222; or Barry Haynes, 817-383-4425/817-382-0985.

## Whitewater River's 'dry spell' clears way for major new ride

Six Flags Over Texas' whitewater rafting adventure, LaSalle's River Rapids, will be temporarily closed so construction can begin on a major, new ride for the 1995 season.

Park president Bob Bennett said, "Though we can't reveal the nature of the ride at this time, our guests can expect one of the most elaborate family attractions in the park's history."

Bennett said portions of the new ride will be built above the surface of the River Rapids' two-million-gallon concrete reservoir.

"We expect the new attraction to have its premiere in the spring of '95," Bennett stated. "LaSalle's River Rapids will be in operation when the park opens next March."

He added, "The construction will not interfere, in any way, with our traditional crafts, Halloween and Christmas events."

Six Flags will be open on weekends for the fall season.

## Great American Train Show set for Oct. 22 and 23

The Great American Train Show will be in town for a limited stop at the Dallas Convention Center the weekend of October 22 and 23, 1994.

This national show will feature over 10,000 model trains on display and for sale. The show appeals to both kids and adults. In addition to all of the trains to see there will be a train display that kids can operate. Many of the finest displays and model railroaders from Texas will be there.

The show is open to everyone from Noon to 5:00 p.m. both Saturday and Sunday. Admission is \$5.00 for adults and kids, under 12, are free with an adult.

The Dallas Convention Center is located at 650 South Griffin, Dallas, Texas.

Tiger cheerleaders and Homecoming mascots celebrate as the clock runs out, from left, Dobe Fleitman, Tammy Fleitman, Nicole Endres and Mandy Rice.

MHS quarterback Jason Huchton sets up a pass behind blockers Jeff Flusche (65), Scott Debnam (24) and Jake Luke (56).

### CONTEST RULES:

1. Only one entry per person per week. Persons entering must be 12 years old or older.
2. This page of schedules, results, predictions, pictures and the contest itself is supported by advertisers appearing here. Each ad contains a scheduled high school, college or pro game for Friday, Saturday or Sunday of the week of publication. Read each ad and circle the winner. Entries on forms other than original newspaper page will not be accepted.
3. In order to determine the prize winners in case of ties, you must predict the score for the tie breaker game listed in the featured ad above.
4. Print your name, address and phone number clearly in the space provided.
5. Deliver the full contest entry to **The Muenster Enterprise BEFORE 5 p.m. FRIDAY**, the week of publication. Mailed entries will be accepted only if postmarked before **Friday, 5 p.m.** Address for mailing entries is P.O. Box 190, Muenster, Texas 76252. Entries received late because of postal delay will be counted for the grand prize, but will not be eligible for the weekly prize.
6. The featured ad is picked at random each week. It contains the tie-breaker listing and is one of the winner/loser picks. Winner will pick up their prizes at that business each week on or after Tuesday of that week.
7. To be the grand prize winner, a contestant must enter every week. Contest will continue as long as either Muenster team remains in play. Winner of the \$100.00 grand prize will be determined by the best winning percentage throughout the contest after the lowest score is thrown out.

## Heart-Hitting Fact

Smokers have more than twice the risk of heart attack as nonsmokers, and smokers have a greater risk of stroke, too, according to the American Heart Association. Chronic exposure to environmental tobacco smoke (passive smoking) also contributes to the risk of heart disease in nonsmokers.

# Farm/Ranch

## Emu economics seminar Oct. 13 in Gainesville

Ranchers, farmers and all interested persons can learn about the economics of raising emus - the tall, flightless birds dubbed "the new American livestock" - at a free seminar in October.

Members of the Texas Emu Association (TEA) will speak, show videos and answer questions from 7 p.m. to 9 p.m., Thursday, October 13 at the Chamber of Commerce, 101 S. Culberson, Gainesville, Texas. For additional information, contact Mark Higgins 817-665-1864 or Bettye Richardson, Texas Emu Association Director, 214-382-2290.

John Sharp, Texas Comptroller of Public Accounts, recently reported that emus, currently classified as exotic livestock, are "moving into Texas pastures as livestock investors broaden their horizons." In a comparison with commercially raised cattle, Sharp's department stated that a registered breeding pair produce about 25 offspring a year.

There are approximately 500,000 farm-raised emus in the nation. The big birds, five to six feet tall, are capable of defending themselves against predators and running in short bursts up to 40 miles per hour. As omnivores, they can be free-range raised or provided ratite feed. Annual feed costs about \$150 per bird.

"Texas has about 2,500 emu breeders or ranchers, half the membership of the American Emu Association, said Richardson, a TEA director and an owner of the 450-bird Richardson Emu Farm in Celina. "We are on track to double our membership again in the next year."

"Emu raising is helping a lot of farms and ranchers become viable again, particularly small acreage operations," Richardson emphasized. The young industry is currently in a breeder phase. Based on current growth, a major harvest for products is an estimated three to five years away.

### COUNTY BEEF AND FORAGE TOUR

Tuesday, October 18

On Oct. 11, there will be a Beef and Forage Tour to view various Warm and Cool Season Perennial Grasses along with a Pre-Conditioning Calf Operation and Beef Operation. The tour is open to the public and will begin at 10 a.m. at the working pens at the May Cattle Company. May Cattle Company is a Stocker Cattle Pre-Conditioning Enterprise owned by Byron May of Gainesville. To reach the working pens, go east from Gainesville on Highway 82 to County Road 147. Turn north at Arrowhead Ranch sign. Go approximately 100 yards and take the first road west. The pens are located at the white two story house.

A lunch will follow and then the tour will travel to the Bermuda-Grass Variety Demonstration located on the Fuhrmann Brothers Limousin Farm north of Lindsay on FM 1199. At this location, we will also look at the Cool Season Perennial Grasses and discuss various Ryegrass Pasture Combinations. The tour will conclude at approximately 2:30 at the Cool Season Perennials Grazing Demonstration located on the Hugh Porter Farm near the intersection of FM 1630 and FM 3108 south of Lindsay.

Producers attending will have an opportunity to receive two Continuing Education Units toward their Pesticide Recertification.

A wide variety of special speakers will be at this year's program and we look forward to your attendance. Please call the Extension Office to pre-register so that we will have ample materials for your use.

### NEED A PESTICIDE LICENSE?

Those who do not have a Private Applicators License which entitles you to purchase State Limited Use and Restricted Use pesticides will have the opportunity to complete requirements on Oct. 17 and 18.

In order to take the test, you must participate in a 3 1/2 hour training session. This training session is offered on Oct. 17 from 5:30 p.m. till 9 p.m. at the County Extension Office located in the Basement of the Courthouse, or on Oct. 18 from 8 a.m. until 11:30 a.m. at the same location.

Study guides will be available at the training for \$10. Books must be ordered so you will need to pre-enroll by Oct. 5 by calling the County Extension Office 668-5412.

Testing will be done at 5 p.m. Oct. 18, at North Central Texas College by Mark Evans with the Texas Department of Agriculture.

### COUNTY HAY SHOW

The Cooke County Hay Show will be held at 7 p.m. Oct. 11, at the Cooke County Fairgrounds.

Through forage analysis, producers understand their hays' feeding quality and have a better idea of livestock nutritional needs.

Hay Shows provide an excellent opportunity for producers to analyze their hays both chemically for protein content and physically for feeding qualities.

We will offer one Continuing Education Unit toward Pesticide Recertification.

### FALL PRIVATE APPLICATOR RECERTIFICATION

Again this fall we will be offering six Continuing Education Units toward recertification of your Private Applicators License. The course will be offered from 6 p.m. to 9 p.m. on the nights of Tues. Oct. 18, and Wed. Oct. 19. The location will be the Little Theatre at North Central Texas College. The program follows:

## ASCS Ag Briefs...

Secretary of Agriculture, Mike Espy, recently announced the wheat acreage reduction for 1995 will be set at ZERO, and a \$4.00 per bushel target price.

The Cooke County ASC Committee election will be held this year on December 5, 1994. Eligible voters have the right to nominate candidates of their choice by petition. Petitions will not be mailed this year. Additional information of eligibility to hold office may be obtained at the County ASCS Office.

If you have changed farm

operator or recently purchased or sold a farm or ranch land, these changes need to be reported to this office so that farm records may be updated. Address corrections are also requested. Producers are reminded that proof of purchase or proof of lease MUST be presented to the county office before farm record changes can be made. This may include copies of deeds, written lease or owner-operator certification.

This office will be closed October 10, 1994 in observance of Columbus Day.

## Cooke County Farm Bureau meeting Oct. 10

The Cooke County Farm Bureau will be hosting its annual county convention on Monday, Oct. 10, at 7 p.m. at the Center Restaurant in Muenster. All county Farm Bureau members are invited to attend this meeting.

Due to limited seating availability, please contact either the Muenster office at 817-759-4052 or the Gainesville office at 817-665-1763 prior to Monday, Oct. 10, by noon to confirm that you will be attending.

Having a supper of hotcakes is an enjoyable treat now and then, especially with plenty of butter and syrup. Don't help the old waistline, but what the heck!!

Sometime ago, while preparing to indulge myself in a batch of the savory cakes, I picked up a new bottle of syrup and forgetting it had not been refrigerated, tilted it a bit too far and, presto, I had more than I wanted. As the syrup gushed out, the first thing that came to mind was, "Race Horse!" Something I had not thought of in many years.

In the fall of 1930, I was a freshman at Subiaco Academy, Subiaco, Arkansas, and was just beginning to learn the rules and how things were done. Each student was assigned a chair at a table of five in the dining room, usually with a senior as table captain. This captain was responsible for our behavior at table, and had authority to mete out punishment for our sometimes misdeeds. This was usually accomplished by fining the culprit, or culprits, their share of dessert or some other more tasty part of the meal, for one or more times, as he saw fit. I must say this didn't happen often.

The captain served himself and passed food down the ladder to the last man, me, being a freshman.

During one breakfast, one of the boys asked me to pass the "Race Horse," and I was completely at a loss. Realizing my ignorance of some of the terms used for various foods, the captain explained that syrup was called "Race Horse" and how it came to be so named.

It seems that the cooks filled the syrup containers in the evenings, to be ready for breakfast. On cold mornings, the syrup sometimes was so stiff one could hold the pitcher upside down for sometime before any would pour out.

One cold morning, one of the boys tipped the pitcher upside down over his plate and immediately had most of the contents in his plate, on the table, and some on his lap, all in a flash. He was dumfounded as well as humiliated and another boy said, "Fast as a race horse!" It seems one of the kindly monks, seeing how long it took to pour the cold syrup, had set it in the oven and warmed it, but failed to warn the boys.
