City Council holds special meeting preceding workshop

by Dave Fette
The Muenster Aldermen voted Monday evening to continue procedures to sell 175 feet of alleyway adjoining Fischer's Meat Market to Fischer's. They plan to include the property as part of their fire expansion.
An amount of \$3,000.00 was requested for the rural firefighting contract with Cooke County. The increase over last year's \$2,500.00 figure is because of extended coverage required and additional rescue responsibilities for Muenster volunteer personnel.
Duane Rohmer addressed the council on behalf of several Hickory Street residents requesting that hot mix asphalt be used when resurfacing Hickory Street.
Rohmer said they would rather wait until funds are available for the smoother finish if the only saving the city can afford now is oil and chip. "We appreciate your work for the city and our neighborhood, but please try to find a way to repave our street with hot mix."
After the budget workshop, the council set the date for the public budget hearing: Monday, September 11, 5 p.m. at City Hall.

Can you help? Driver sought in hit-and-run accident Saturday

by Janet Felderhoff
Heather Marie Hess, 13 year old daughter of Virgil and Judy Hess, was seriously injured Saturday evening. She was struck by a car while riding bicycles with a friend on Ash Street in Muenster. The driver of the car left the scene of the accident and is now being sought by police.
She was brought to Muenster Memorial Hospital and later taken by Care Flite to Harris Methodist Hospital in Fort Worth. Heather is a patient in the Neuro ICU. She was treated for lacerations and underwent surgery on Wednesday so that a halo could be put in place. She will have to wear the halo while a fractured vertebrae heals, her father reported.
Information in the Muenster Police report states that at approximately 9:30 p.m. the two girls were riding their bicycles north on Ash Street. The friend was riding ahead and heard, but didn't see a vehicle wish by going south. Heather was struck by the vehicle. The accident occurred by the bridge located close to Hwy. 82.
According to the second girl the driver slowed, braked, turned on the vehicle's headlights and drove off. She described the vehicle as a small to medium-size white car, possibly a two-door.
Muenster Police Officer Bill Bivin noted that it is assumed that the car was being driven without headlights since the first girl didn't see it coming. That the vehicle was white has been verified by paint transferred to Heather's bicycle and clothing. The car's windshield was shattered from the impact.
Samples of the paint are being sent to Austin where they will run a light spectrum which will determine the year, make and model of the car. Then the process of elimination begins as officers get the names of all owners of that color, make and model vehicle in the state. This is done county by county.
"If the person had stopped it would have just been an unfortunate accident, now it is a felony hit and run," said Officer Bivin. Heather was left lying unconscious in the street. "Common sense would behoove the person to turn themselves in since in the past it has gone better for those who have," he said. "If the police have to go the whole route, then somebody is going to pay the time."
Three cars are believed to have been traveling north on Ash about the time of the accident, passing the girls on bikes, and may have seen the car just before the accident. If you were in one of those three vehicles you are urged to contact the police department. Numbers to call are 759-2236 or 665-3471.
"Even if you think that you don't know anything, you might remember if someone asks the right questions," urged Officer Bivin.

Tanya S. Davis hired as interim County Attorney

by Janet Felderhoff
Members of the Cooke County Commissioners Court were unanimous in their choice of Tanya S. Davis as the replacement for D. August Boto as Cooke County attorney. She has served as assistant attorney for the county since October of 1990. The term of appointment is until Dec. 31, 1996.
Boto's resignation becomes effective at the close of business Sept. 1. He has accepted a position with the Texas District and County Attorneys Association in Austin. Boto strongly recommended Davis as his replacement.
The decision to appoint Davis was made at the August 28 regular meeting of Commissioners Court with a 4-0 vote. Precinct 4 Commissioner Virgil Hess was absent. He was with his daughter who was the victim of a hit and run driver Saturday night.
"She has worked her way up," Commissioner Richard Brown remarked on his reasons for selecting Davis. "It seems clear to me that because she has paid her dues and earned her stripes, she is the one we should choose."
There were two other candidates interviewed for the position -- Thomas Larry Claxton and Ed Zielinski.
"I don't anticipate any changes,"

TANYA S. DAVIS

drastic comes up between now and filing time, I will probably want to run," said Davis.
In February of 1987 Davis was hired as the assistant attorney for Grayson County. She moved to Cooke County in April of 1990 and was hired as Boto's assistant attorney in October of 1990. Tanya is married to Jimmy Davis and between them they have three children.

Break-in occurs at MISD

Sometime during the early morning hours of August 19 a robbery took place at Muenster ISD. According to Muenster Police reports, at least two suspects entered the school through the northeast door of the gymnasium by jimmying a lock.
They broke an office door window, but took nothing from that area. The suspects then entered the educational television room where they took two 26 inch Mitsubishi color TV's and a remote control. The TV's are valued at \$550.00 each and the remote at \$60.00.

Ice cream social tries to cool off hot day and raise library funds

Fun and food kicked off the first fund raiser for a new library building, Saturday, Aug. 26 at the City Park.
With games for children and adults, and music by KXGM, the entertainment filled the evening. Delicious homemade pies and

cookies with ice cream was the "topping" for the day. Muenster Library staff had books, plants and other items on sale.
Children's games, organized and operated by Ben Bindel, Gary Fisher and their families, with the help of Boy Scouts, kept the small

fry busy earning prizes, while Dianne Walterscheid painted faces.
The adults vied for trophies and prizes in games supervised by Knights of Columbus, Kiwanis and James Fleitman.
Alex York of Myra won the raffle drawing of a limited edition Wagon Train belt buckle.
The Ice Cream Social committee, headed by Lorna Dempster and Daryl Ferber, hoped to provide a pleasant affair and acquaint the community with the efforts to raise funds for a new library. They extend their appreciation to the many who worked for, donated to, and attended the social, which raised \$594.00 for the building fund.
Donations, of any size, anytime, can be made to the Friends of the Library Building Fund savings account at the Muenster State Bank.
Persons in the community are invited to become members in Friends of the Library organization to make a strong group in working for the new library. Information can be obtained at The Muenster Public Library.

County commissioners act on courthouse restoration suggestions

by Janet Felderhoff
Three offices in the Cooke County courthouse will soon take on a fresh look. At the suggestion of the Texas Historical Commission, the offices of the district court coordinator, county judge and district clerk will receive new paint and other restoration work.
Estimated cost of the recommended work is district clerk, \$40; County judge, \$80; and district court coordinator, \$15.
Richard Brown noted that two of the items were simply maintenance items -- painting what hadn't been painted in a long time. The other he felt was a reversal of some decorating and wasn't in favor of the change.
In April of 1995 Commissioners Court set in place a policy to maintain the historic merit of the county courthouse. It dictated that department heads or elected officials seek permission from the

Texas Historical Commission before making any changes in the building's decor.
Brown contended that the change in the district clerk's office was made prior to the new policy and that, "You're talking about applying the rule retroactively and I'm not for it." He added that he felt that if they started with one, there were several others that should also have it done.
Commissioner Jerry Lewis countered that he felt they could start with the three and follow with other restoration in the future.
Judge Hesse concluded, "I think that Commissioners Court needs to follow the recommendations of the Texas Historical Commission."
Approval was given to go ahead with the work. The vote was 3-1 with Brown voting against.
Southeast Truck Company submitted the sole bid on a 1985 dump trailer for Precinct 4. At a

cost of \$12,500.00, the bid was accepted.
Pat Payne, district clerk, requested that records from her office which are now stored in J. P. Freeman's office be moved to a more accessible location. At times that office is locked when files are needed.
Judge Hesse agreed that the records should always be accessible to the district clerk's office and the public.
A decision on the move was tabled until more details are known. Jerry Lewis, Judge Hesse, and Junior Durham were selected to find an appropriate storage area.
*Accepted 1995 collection contract with Cooke County Appraisal District.
*Allocated up to \$2,000 for replacement of badly deteriorated flooring in the records room of the courthouse.
*Took no action on a request from Gainesville Memorial Hospital to use inmates from the county jail for landscape work.
*Decided to lease copy machines for the County Clerk and County Agricultural Extension offices. Approved use of one of old copy machines in the Veteran's office.
*Approved monthly bills.

Library launches friendship drive

The Muenster Library successfully launched the first drive to raise funds for a new library with an Ice Cream Social in the Muenster City Park Saturday evening.

The purpose of the Ice Cream Social was to bring together "Friends of the Library" and begin raising funds which will be matched dollar-for-dollar from a local native who has donated up to \$100,000 to be used as an incentive. This local donor will be made public once all of the legal arrangements have been made. The donation is a memorial gift honoring the donor's mother.

Once the Library's half amounting to \$100,000 is raised and matched with the donor's gift, the Library will have \$200,000 to

use to build a new building. Land is being sought on which the Library can be built. Lot and land owners are asked to give serious consideration towards donating land as a memorial gift, or allowing its purchase at a fair price. Even if your lots may not be feasible for the new site, you are asked to consider donating the lots for resale by the Library for raising funds.

There are tax benefits to which donors may be entitled, so if you wish to know more about how to set up a memorial gift you can contact Duane Knabe, CPA who has agreed to consult with donors. Become a "Friend of the Library" and double your donation through this unique matching funds program today.

L.V. Henry dies Aug. 25

Mass of Christian Burial was offered on Monday for L.V. Henry, who died at age 81 at his home in Gainesville on Friday, Aug. 25, 1995. Officiating the funeral Mass at 2 p.m. in St. Mary's Catholic Church were Father Nicholas Fuhrmann, OSB and Father Harry Fisher.

L.V. Henry was born in Gainesville on April 11, 1914, to L.V. Henry, Sr. and Olga Bruhlmeier Henry. On Oct. 1, 1941, he married Marie Steinberger in Gainesville. He was an attorney and senior partner in the Henry, Hatcher & Schiller Law Firm; a member of St. Mary's Catholic Church of Gainesville; a member of Cooke County Bar Association; a former county attorney and former city attorney.

Survivors of L.V. Henry are his wife, Marie (Steiny) Henry; one son, Dave Weaver of Newport News, Virginia and seven grandchildren. Also one sister Lillian Watson of Dallas.

Preceding him in death were his parents; and one son, Rick Carrol Henry, and three sisters.

Participating in the liturgy of the special funeral Mass on Monday was a godchild, Tina Weinzappel, who gave the First and Second Readings, from the Old and New Testaments, respectively; also a great-niece, Cheryl Mollenkopf who read the Responsorial Psalm "The Lord Is My Shepherd". Joe Walter

was Lector, reading the Prayers of the Faithful and Offertory Prayers. Nieces Leoba Mollenkopf and Bernice Mollenkopf presented Offertory gifts at the altar. Montez Steinberger, a sister-in-law, assisted as a Eucharistic Minister.

The Angels of Mercy Choir of St. Mary's Church presented sacred music, including "Peace Is Flowing Like a River", for the entrance; "He Walks With Me and He Talks With Me" at Offertory; "One Bread, One Body" at Communion, and the Recessional. Organ accompaniment was by Pat Hennigan.

The Memorial Meditation was given by Father Nicholas Fuhrmann.

Burial in Fairview Cemetery was directed by Clement-Keel Funeral Home. Pallbearers were Gary Hinkle, Jack Allen, James Mollenkopf, George Mollenkopf, Dr. Pervaiz Rahman, and Joel Street. Honorary pallbearers were Ed Moseley, and members of Cooke County Bar Association.

A Vigil Service was held at Clement-Keel Chapel on Sunday at 7:30 p.m.

The family has suggested memorials to M.D. Anderson Cancer Center, 1515 Holcombe Blvd. H.M.B. 197, Houston, TX 77030.

Among relatives attending the funeral from out of town were Albert and Montez Steinberger of Wyoming.

Cooke County CRIMESTOPPERS

by Dick Rodgers, Deputy Cooke County Sheriff's Office

Cooke County Crimestoppers, along with officers of the Muenster Police Department, investigators with the Cooke County Sheriff's Office are all cooperating in the investigation of a hit and run which occurred on Saturday night, Aug. 26, 1995, at approximately 9:30 p.m.

This hit and run occurred on Ash Street north of Hwy. 82. Tragically, a 13-year-old girl was struck and critically injured. According to reports, which means there must have been some witnesses, a white car was southbound on Ash Street at the bridge and struck this 13-year-old child while she was riding her bicycle. According to reports, the white car suspected did not have its headlights turned on and drove off from the accident scene without stopping and checking the welfare of the young girl. The reports further state that there were possibly three other cars traveling northbound on Ash Street which might have been a witness to this white vehicle.

If anyone driving northbound on Ash Street at about 9:30 p.m. Saturday night when this hit and run accident might have happened, you may have information critical to the identity of the suspect driver of the suspect vehicle. Or, if anyone might have information relating to this tragic accident, please call Cooke County Crimestoppers at 817-665-8477 or 1-800-448-0477; Muenster Police Department at 817-759-2236; or Cooke County Sheriff's Office at 817-665-3471 or 817-665-7748.

Cooke County Crimestoppers, Inc. is a nonprofit organization that offers cash rewards of up to \$1000.00 for information leading to an indictment of person(s) who commit felony crimes. By calling 665-TIPS (665-8477) a caller, without their identity being revealed, can give information regarding a felony and can receive up to \$1000.00.

When a caller telephones Crimestoppers, the caller is given a code number. That number is known only to Crimestoppers and the caller. No names are used to identify the caller. No one at Crimestoppers will know the identity of the caller, only a code number. If the information given leads to an indictment, the caller will be eligible for a cash reward up to \$1000.00.

Coldwell Banker lists CCC Ranch

The Preston Trails office of Coldwell Banker Paula Stringer Realtors is representing CCC Ranch at Muenster, Texas. Priced at \$1,200,000, the 164-acre horse and cattle ranch is being marketed by Joe Young and Dottie Davis.

CCC Ranch has three homes. The master home is a custom ranch design and something one would expect to find in American Home Stiles magazine. Home has three bedrooms - each with its own private bath.

The two foreman homes are also custom designed ranch > 1800 s.f. with a one-car garage.

Additionally, the property has a helicopter pad, cover, night lights; brick horse barn; storage barn; two deep water wells; three electric wind turbines which provide electric service for the homes and barns.

Set away from the homes with their own entry is a large office and

shop 120x80. Office is 1600 s.f. and could be expanded to 3200 s.f. upstairs. The shop is designed to service and store large 18-wheelers and tractors. Shop features a fueling, oil change and service pit; also a front end alignment pit is provided for the larger trucks and tractors. The shop has six 12x14 roll-up overhead doors and air circulation is provided by two four-foot exhaust fans.

The 260x200 arena with 24- or 48-horse stalls and holding pen outside is the showplace and one of the largest arenas in North Texas. Several main event horse shows are staged here each year.

Over a mile of all-pipe fence is installed along Highway 82 and around the homes. Property has three ponds stocked with fish and cross-fenced to provide six months grazing on native grass and six-month grazing on winter rye grass. The property has about .7 mile of

Highway 82 frontage which will provide excellent marketing for either a horse or cow operation.

CCC Ranch is located 5.3 miles west of Muenster, Texas located on

Highway 82 and only 1-1/2 hours from DFW (Dallas/Fort Worth International Airport).

This ranch has to be a horseman's dream.

Handgun certification applications begin Sept. 1

Texans seeking concealed handgun licenses may begin the application process September 1.

The DPS is gearing up by distributing application request cards and registering gun ranges.

Application request cards are available at all regional, district and sub-district DPS offices. The cards are free and may be picked up by individuals or by business owners for distribution to their

customers. Photocopying them for further dissemination is permissible on any type of card stock or plain paper. Application request cards are not available from the DPS by mail.

For our readers' convenience, The Enterprise is reprinting an official request card, with the Texas DPS' permission, in the paper to spare the trip to a DPS office. Once

all the blanks have been filled, the form should be mailed to the Texas Department of Public Safety, CRS/Concealed Handgun Licensing Unit, POB 15888, Austin, TX 78761-5888.

After the DPS receives the completed application, the agency will have 90 days to either issue a license or reject the application. Licenses will not become valid, however, until Jan. 1, 1996.

Texans seeking permits should complete the request cards and send them to: Texas Department of Public Safety, CRS/Concealed Handgun Licensing Unit, P.O. Box 15888, Austin, Texas, 78761-5888. The DPS will then, beginning Sept. 1, mail application packets to requestors.

Also Sept. 1, concealed handgun program instructors certified by the DPS may begin offering the 10- to 15-hour classes which applicants must take to become licensed. Certificates, which indicate successful completion of those classes, must be forwarded to the above-listed address along with completed application packets.

The DPS-authorized course will consist of both classroom and firing range instruction. While shooting ranges are not subject to direct DPS regulation, owners or operators must register any facilities that will be used for this instruction.

The DPS immediately will begin registering ranges at no cost. Ranger owners and operators may call the DPS at 512-706-7293 or 512-706-7294 to request registration of their facilities. Then, the DPS will contact the owners and/or operators to complete the registration process.

King Albert Koch dies at 71

King A. Koch, 71, President and CEO of Koch Engineering and Muenster Switch died on Wednesday morning, Aug. 23, 1995 in his home on Cherry Lane Muenster.

KING KOCH

He was born on Nov. 10, 1923 in Detroit, Michigan to Albert and Mestep King Koch. On June 2, 1941 he married Holly Ann Burt Galveston. They have been residents of Muenster for the past 54 years.

King Koch was a graduate of Purdue University with a Master's degree in Industrial Engineering. He made engineering a life-long career. He was a Captain in the U.S. Army serving in both World War II and the Korean Conflict.

In November 1956, he formed Koch Engineering and Sales Company to serve the mobile air conditioning industry. When he moved from Dallas to Muenster in 1974, he founded Muenster Switch. He served on the International Mobile Air Conditioning Association Board of Directors for more than 18 years and was president for two consecutive terms. A life-long athlete, he was nominated by shop Joseph P. Delaney, and elected into membership in the prestigious Order of the Holy Pulchre in 1992.

King Koch's adopted home in the Caribbean was the island of St. John where he was instrumental in restoring and developing Honey's Old Manor Estate. There he maintained his business contacts and friendships on the island for more than 30 years and visited the island frequently until his illness.

Survivors include his wife Holly Ann Koch of Muenster; five daughters Karen Sekinger of Hickory Creek, TX, Kathryn Hicks of Corinth, TX, Patricia Mayer of Muenster, Barbara Moran of Denton, and Judy Tice Keller. Also one brother, Peter Koch of Winnetka, Ill, and one sister, Tempest Hinkamp of Gillette, Ill.

Mass of Christian Burial was held in Sacred Heart Church on Friday, Aug. 25 at 11 a.m., presided by Father Jackie Whyte, SSR, Father Victor Gillespie SB, Father David Bellinghausen SB, pastor of Sacred Heart Church, Father Frowin Schoech SB associate pastor, Father Joe Weinzapfel, and Most Rev. Andrew J. McDonald, Bishop of Little Rock, AR.

Participating in the special funeral liturgy were a granddaughter, Allison Bayer with the First Reading and a son-in-law, Rick Tice with the Second Reading. The Homily was delivered by Rev. Jackie Whyte, SSR. Offertory Petitions were read by Father Victor Gillespie SB. Offertory Gifts were presented at the altar by a sister, Tempest (Koch) Hinkamp and a daughter, Patti Bayer. The Meditation Poem after Communion was read by a brother, Peter Koch. Mass servers were Johnathan Bayer, Stephen Bartush and Michael Flusche.

Music Ministers were Ruth Felderhoff, Emily Klement, Pam and David Fette, and Eric Gray. Sacred music included "Gather Us In," "Psalm 27," "Kum Ba Yah" at Offertory, all Responses, "I Heard the Lord Call My Name" at Communion, and "We Walk By Faith" and "Press On," the Irish

Haywood earned 99% Senate voting record

State Senator Tom Haywood of Wichita Falls was recognized by the Secretary of the Senate recently for his 99% voting record during the 74th Legislative Session. Mrs. Betty King praised the senator by writing, "The official records of Legislature, Regular Session, indicate that you compiled an outstanding voting record. This is a unique and significant record in my opinion demonstrates a faithfulness to your job of which the people of your district should be proud."

Haywood replied simply, "The people of District 30 sent me to Austin to do a job, and it seemed to me that in order to do it, the first requirement was to be present."

community, but valiantly serving in the parishes and schools of Arkansas. More than once I have said: Thanks be to God for Muenster; Thanks be to God for Sacred Heart; Thanks be to God for those wonderful faith-filled families who so generously inspire their children to serve the Lord as priests and sisters. I declare today that 'too long have I waited but not too late' to come to you to express my thanks ... What we celebrate in this church today is rooted in the Fall of 1992 ... I was chosen to be the chaplain for a pilgrimage to the Holy Land. We assembled in Atlanta - We came together as strangers ... Our common bond was love for Jesus and the Christians who live in the land of His birth ... In a few days places familiar to us came alive: Nazareth, Bethlehem, the Sea of Galilee, Jericho, the widow of Naim, Cana, Mount Tabor, Jerusalem, Solomon's Temple, Gethsemane, the mock trial, Calvary ... In those special days pilgrims, once strangers became friends ... Holly and King were pilgrims with me ... That's why I'm here today ... I'm here as a friend - our friendship only goes back to 1988. Of Jesus, St. Augustine said 'Too late have I loved you.' I make those words my own today. What we do in this church is rooted in my desire to say Thanks to Holly and good-bye to King; not so much good-bye but 'Auf Wiedersehen' - until we meet again."

Preceding the day of the funeral, a Rosary service was held in Sacred Heart Church at 4 p.m. on Thursday and a Vigil at 7 p.m.

Arrangements were conducted by Clement/Keel Funeral Home of Gainesville.

Pallbearers were Herbert Miller, Tom Felderhoff, Sr., Ray Aylesworth, Jack Herweg, Harold Price and Charles Bayer.

Inurnment was in Sacred Heart Cemetery, in a private ceremony.

In lieu of flowers, memorials considered may be made to Muenster Memorial Hospital or Sacred Heart Trust Fund.

AT 5:45 p.m. TUESDAY, a strike of lightning ignited a grass fire that burned 5-6 acres of pasture on the Flusche and J.H. Bayer Sons land north of town. Quick response from the Muenster VFD kept damage to a minimal.

Hospital districts open exchange

Officials of Gainesville Memorial Hospital and Muenster Memorial Hospital met recently to discuss various ways the organizations could work together in a cooperative effort that would benefit not only the facilities, but the patients served by the entities.

Hospital representatives believe that the two healthcare providers should foster their existing "good neighbor" relationship. This could be accomplished by simply talking to each other on a regular basis and sharing information, exchanging supplies or equipment - building upon the spirit of cooperation already in existence between the two facilities.

Both hospitals are not-for-profit entities, and share a common

vision of providing the best in healthcare for the people they serve.

In today's competitive market, many healthcare providers are forming alliances and networks. It

is the intent of Muenster and Gainesville to come together in the most basic way - in a cooperative spirit of neighbor helping neighbor - to the benefit of healthcare as a whole in Cooke County.

Dear Friends,

It has been just over a year since the doctors diagnosed King with cancer. During this time, we have been supported by so many wonderful, kind and generous people. You have helped us to cope with an otherwise unbearable situation.

We want to express our profound gratitude and love to you for the prayers, cards, flowers, meals, moral support and more which you have extended to King and our family. Special thanks and appreciation must be given to the Home Health Care team, the doctors and nursing staff of Muenster Memorial Hospital and those who so faithfully ministered to King's spiritual needs. Your endless hours of caring for King and our family will never be forgotten.

May God bless each and everyone of you today and every day. We love you all and will keep you in our prayers.

Holly, Karen, Kathryn, Patti, Barbara, Judy and our families

CONGRATULATIONS and THANK YOU!

Muenster ISD Elementary Teachers Include, left to right, back row - Melinda Fuhrman, Leigh Hale, Marjorie Alsop, Dorothy Fleitman, Patsy Bayer, Sharon Ledbetter, Tammy Tischler, Shella Jones; front row - Theresa Walterscheid, Amy Popp, Becky Scott, Darla Lille, Lissa Hettler, Kristy Schnelder and Principal Gwen Trubenbach.

Muenster Independent School District's School Board would like to recognize MISD parents, students and teachers for their second straight year to earn the State of Texas' highest accreditation ranking for Academic Excellence - MISD's achievement for '94-95 ranked them as one of only 14 other districts in the state to receive this Exemplary ranking.

This year, both the elementary campus and the middle school/high school campus received Exemplary status.

The Board wishes to express their congratulations, sincere appreciation and continued expectations for success to those directly involved in this recognition.

Vows solemnized in St. Peter's Church on Aug. 12

The wedding of Mallorie Leah Hanks of Denton and Bobby William Fleitman of Ft. Worth was held in St. Peter's Catholic Church of Lindsay on Aug. 12, 1995. Officiating for the Nuptial Mass and traditional double ring vows at 5 p.m. were Father Eugene Luke OSB and Father Karl Schilken.

Parents of the bride are Hershell and Judy Hanks of Garland. The groom is the son of Mrs. Annette Fleitman of Lindsay and the late Henry Fleitman.

Given in marriage by her father, the bride was wearing a white satin and lace wedding gown designed with a sweetheart neckline and a fitted Basque waistline decorated with embroidered lace organza beaded with pearls and sequins. Sleeves were puffy at the top, tapering into long, fitted, pointed and embellished with lace and pearls at the wrist. The V-back neckline and back bodice were decorated with lace, pearls and sequins. A large, embroidered lace organza motif, heavily beaded, accented the front of the skirt. Lace bordered the entire skirt edge. The waistline was dropped in back and featured a double satin bow. A royal-length train was enhanced with a panel of chantilly lace bordered with beaded organza lace, and three additional beaded organza lace motifs.

Her bridal bouquet was a cascade of star gazer lilies, pink roses, white pixie carnations, ivy and baby's breath.

For sentiment, the bride wore her mother's pearl earrings and necklace.

ATTENDANTS

Matron of honor was Jill Gibbons of Garland, the bride's childhood friend.

Bridesmaids were Karen Fleitman of Lewisville, groom's sister; Rashel Hamilton of Lewisville, bride and groom's college friend; Stephanie Acker of Denton, bride's college friend; Tricia Blalock of Irving, bride's

college roommate; and Rhonda Brown of Garland, bride's childhood friend.

They wore gowns of royal blue satin. From the bateau neckline to the Basque waist was an overlay of matching chantilly lace. The skirts were tea-length in front, tapering to a brush train.

Their flowers were nosegays of bridal pink roses, medium pink pixie carnations, baby's breath and pink ribbon.

Wayne Fleitman of Pearland was his brother's best man.

Groomsmen were Kenny Fleitman of Lubbock and Ronnie Fleitman of Dallas, both brothers of the groom; Rob Sandmann of Bedford, groom's college roommate; Craig Neu of Lewisville, and Curtis Weems of Dallas, both childhood friends of the groom.

Ushers were Glenn Fuhrmann of Lindsay, groom's college roommate; Eddie Krebs of Lewisville, groom's childhood friend; and Dan Galitz of Garland, friend of the bride.

Mass servers were Keith and Aaron Fuhrmann of Lindsay, friends of the family.

Rudy Dieter, a friend of the family gave the First and Second Readings. Mrs. C.O. (Margie) Reeves, groom's godmother and Ann and Al Veitenheimer, aunt and uncle of the groom brought Offertory gifts to the altar. Rudy Dieter and Leon Fleitman were Eucharistic Ministers.

Wedding music was presented by the Adkins String Quartet; and Ruth Felderhoff organist and vocalists Kerry Reiter and Roger Dieter.

As guests assembled, the prelude included: "Sheep May Safely Graze" by Bach; "Hornpipe" from the Water Music Suite by Handel; "Spring" from the Four Seasons by Vivaldi; "Sleepers Awake" by Bach; "Eine Kleine Nacht Musik" by Mozart.

For seating of the grandmother of the groom, Mrs. Lena Fleitman and great-aunt of the bride Mrs.

Virginia Hearn, the music was "Air on the G String" by Bach. For seating of the mothers of the bride and groom, and lighting of the bride and groom, and lighting of the family candles, the music was "Jesu, Joy of Man's Desiring" by Bach.

Processional for the wedding party was Pachelbel's "Canon in D" and the Lohengrin "Bridal Chorus." Recessional was Mendelssohn's "The Wedding March."

Vocal solos were "The Wedding Song" by Schultz for the Unity Candle; Copeland's "Bridal Prayer" at Offertory; Malotte's "The Lord's Prayer"; Paris' "How Beautiful" at Communion and Schubert's "Ave Maria" at Mary's Altar.

Church decorations included a pair of candelabras with lighted candles and two floral arrangements of white gladioli, Stargazer lilies, pink carnations

and blue delphinium. The Unity candle was on the main front altar. A rose was placed on the altar in memory of the groom's father, Henry Fleitman.

RECEPTION

A reception followed in the Lindsay Centennial Hall for 350 guests. Buffet dinner was catered by The Farmer's Kitchen of Muenster. Guests danced to music by the Andy Serma Band.

Cyndi Fleitman and Terry Fleitman presided at the bride's book.

The bride's table, skirted in white lace over white, with royal blue tulle bows and pink accents, held the guest book, framed invitation, a portfolio of bridal pictures, and birdseed packets. Two bridal portraits rested on easels.

The three-tiered white wedding cake, over a lighted fountain, had royal blue streamers flowing out to six individual round cakes. The groom's chocolate cake was decorated with a cascade of chocolate-dipped strawberries.

Reception assistants were Tonja Ohradzansky, Chrissi Jones, Jean Berend, Traci Berend, Trina Berend, June Zolt, Scott Hermes, Jeff Hermes, John Corcoran,

Ginger Dieter and Virginia Noggler.

Decorations included white lattice and royal blue tulle accents behind the gift tables, head table and cake tables, and ficus trees with miniature lights. The head table, skirted in white, held arrangements of white flowers with ivy. Two tall pedestals held floral arrangements. Guest tables, covered in white, were centered with a royal blue ribbon and ivy. Candlesticks with royal blue candles rested on mirror tiles.

The rehearsal dinner, hosted by the groom's mother, was held at The Center Restaurant.

The bride is a 1989 graduate of North Garland High School; a 1993 graduate of the University of North Texas and will receive a Master's Degree from UNT in 1995. She is employed by Denton County Friends of the Family as a Counselor. The groom is a 1989 graduate of Lindsay High School and a 1994 graduate of the University of North Texas. He is employed by Plywood Company of Ft. Worth in Plywood Sales and Distribution.

Upon return from a wedding trip and a cruise in the Southern Caribbean, the couple will reside in Denton.

News of the Sick

Heather Marie Hess, daughter of Judy and Virgil Hess, is a patient in Harris Methodist Hospital in Fort Worth. She is being treated for injuries received after being struck by a car as she rode her bicycle Saturday evening. Since she is a patient in the ICU she is unable to receive flowers, but cards balloons, etc. can be sent to: Heather Marie Hess, % Harris Methodist Hospital Fort Worth, 1301 Pennsylvania Ave., Neuro ICU - East, Room #086, Fort Worth, TX 76104. Heather was scheduled for surgery Wednesday to enable doctors to stabilize a fractured vertebrae with a halo. She will have to wear the device for three or four months and is unable to attend school during that time. Her father reports that she is in good spirits, but very sore and swollen and has many lacerations.

Brother Thomas Moster appointed director

The appointment of Brother Thomas Moster, O.S.B., as director of oblates at Subiaco Abbey effective August 23, has been announced by Abbot Jerome Dell, O.S.B. Brother Thomas replaces Father David Flusche, O.S.B., following his resignation due to failing health.

Brother Thomas served a four-year interim as director of oblates in 1988 before leaving for a two-year assignment at Subiaco's dependent priory in Belize, Central America, at which time he was assigned as director, serving for seven years.

Subiaco Abbey has approximately 250 men and women oblates in the United States and abroad who are affiliated with the monastery.

A secular oblate is united with a religious community while living to live a full Christian life within the framework of a secular environment, in the state of life he/she has chosen—married or single.

A cloistral oblate lives in the monastery or convent, following the prayer and work life of the community.

In retrospect, the life of Brother Thomas has been an oblate kaleidoscope. As a freshman in high school he became acquainted with the oblates, making his final oblation in his junior year, 1953. After graduating from high school, he desired to devote his life in oblatory service to the Benedictine way of life. On January 15, 1956, (feast day of Sts. Maur and Placid, disciples of St. Benedict), Thomas Moster became Brother oblate Thomas Aquinas when he received the Benedictine habit in his home parish of Muenster, Texas.

For the next 21 1/2 years he served Sacred Heart Parish and School in Muenster prior to his entry into Subiaco Abbey in 1977, where he professed his vows as a monk of this monastery on February 10, 1979.

With two decades of experience in Texas as an oblate in a multi-faceted ministry as teacher, administrator, secretary, bookkeeper, sacristan, director of altar boys, Eucharistic minister, custodial manager... and infirmity... Brother Thomas now turns the variegated pattern of the diversified "oblate kaleidoscope"

to the position: director of oblates.

During his 18 years here at Subiaco, Brother Thomas has served as a teacher and head of the drama department in the academy. In the abbey, he has been sacristan and presently fulfills the roles of library assistant, community laundry aide, barber, proofreader for publications, and director of housekeeping.

For two years he was stationed at Santa Familia Monastery in Belize where he taught the candidates and novices, assisted with the vocation program, and was director of housekeeping for the abbey and for retreatants in St. Benedict Centre. He also served the community there as sacristan, librarian, and abbey cook. (Brother Thomas' favorite pun about his cooking is: "I treated the monks like gods: I served them 'burnt offerings' three times a day!")

Among his hobbies are world travel (something he and his sister, Florence Grewing, of Muenster, continue to do from time to time), writing, enjoying classical music

and reading, and outdoor walks to appreciate the natural beauty surrounding the abbey. His favorite country for natural beauty is Norway. Another hobby, which has expanded into an apostolate, is letter-writing to friends in the US, Canada, Belize, Europe, and Australia.

"In accepting the appointment as director of oblates made by Abbot Jerome, I intend to work closely with him, carrying out his plans for this apostolate," said Brother Thomas. He continued: "I like to think of Cardinal Newman as an oblate. Even though he was not, his words envision the simple Benedictine monasticism which I would like each guest or oblate to experience when in our presence:

"To the monk, heaven is next door. He has no wish to see farther in advance of his journey than where he is to make his next step. He plows and sows. He prays, he meditates, he studies, he writes, he teaches, and then he dies and goes to heaven."

DAVE and JUDI JAKSA of Garland announce the engagement of their daughter, Jean to Jay Mollenkopf of Denton, son of James and Bernice Mollenkopf of Muenster. Miss Jaksa is a graduate of Laguna Hills High School in California and Texas Woman's University in Denton in 1992 with a degree in Business Administration. She is employed at Master Guard in Sales and Marketing in Dallas. Mr. Mollenkopf is a graduate of Muenster High School and a graduate of TSTI in Waco in 1987 with a degree in Electronic Engineering. He is employed at Interphase Corp. in Farmers Branch. The couple plans to wed on Saturday, Sept. 9, at 2 p.m. in Prince of Peace Catholic Church in Richardson. Afterwards, they will reside in Lewisville.

Orth reunion held in Lindsay on August 19

Members of the Orth relationship and descendants held a family reunion and attended an outdoor Mass celebrated in the pavilion of Lindsay Park on Sunday, Aug. 19, 1995. Many of the children, grandchildren and great-grandchildren were present.

Recalled in conversations was the family history of three Orth sisters, Mary, Rose and Margaret or married brothers, Joe, Matt and William Fuhrmann. Another sister, Anna Orth married John Eckel. One brother, Rev. Vincent Orth OSB of Subiaco Abbey, Arkansas is an ordained priest, and another brother, Henry Orth of Lindsay was a student who died during the flu epidemic of World War I. All of these brothers and sisters are deceased.

A special guest was Father Bruno Fuhrmann OSB, on vacation from Santa Familia Monastery in Belize, Central America. Also present was another Michael Fuhrmann OSB

of Subiaco Abbey. Before Mass, the entire group sang "Immaculate Mary." Father Bruno was celebrant for the Mass. Linda Sims and Sheila Jones gave the Readings of the Liturgy and Danny Stoffels read the Offertory petitions.

In his homily, Father Bruno referred to the miles many must walk to attend Mass in Belize. The Benedictines have a retreat center in Belize. They also teach religion to children and adults. The soil is good, supportive of fruit trees and big gardens. There are many birds.

At the conclusion of Mass, everyone joined in the singing of "Holy God, We Praise Thy Name."

A bountiful supper was served, followed by visiting and games of volleyball. Father Eugene Luke, OSB joined the group after Saturday evening Mass in St. Peter's Church, for supper and visiting.

Father Bruno and Brother Michael returned to Subiaco Monday evening, and Father Bruno will return to Belize at the end of August.

Thomas Rohmer roars into 3

Thomas Anthony Rohmer, son of Neil and Donna Rohmer of Lindsay turned three on August 17. The party was held in his honor at Sycamore Lake on Saturday, August 5. A Lion King theme was carried out in the decorations and cake, which was baked and decorated by his uncle and godfather Roger Dieter.

A barbecue meal was served with all the trimmings. Gifts were opened, pictures were taken, and videos were made.

Guests included his parents; grandparents Rudy and Anna Belle Dieter and Alois and Rose Rohmer.

Other guests were aunts, uncles, cousins, and friends John, Ginger, and Katie Dieter; Roger, Lisa, Elizabeth, and Caroline Dieter; Pat and Shirley Dieter; Glenn, Gerda and Aaron Rohmer; John Vincent, Jerry, Glenna, Christina, Stephanie and Allison Metzler; Jo Ann and Stacie Yosten; Pauline, Cheryl, and Kelli Stoffels; and Virginia Noggler.

Unable to attend but sending special birthday greetings were Uncle Mike and Aunt Brandi Dieter; Uncle Ronnie Dieter; and cousin Christopher Dieter.

Also celebrating birthdays at the party were Angela Haverkamp, whose birthday was August 8 and

THOMAS ROHMER

Grandpa Rohmer whose birthday was August 9. Many of Angela's family and friends were also in attendance.

Thomas celebrated with a second party on his actual birthday at the home of his baby-sitter, Donna Reed. Cupcakes and drinks were enjoyed by all the children.

Personal

Guests of Regina Wolf during the weekend have been her daughter and son-in-law Charlotte and Carl Jones and their friends, Lynn and Lynn Vann, all of Winder, Georgia.

Beta Kappa hears agenda for new year

The August 7 meeting of Beta Kappa was called to order at 7:30 p.m. by President Lisa Walterscheid at the home of Kathy Bauer.

Roll was called, with eight members present. Following the roll call, minutes from the May 8 meeting were read, and approved as read.

The Treasurer's report was given by Sharon Felderhoff. There were no other reports by officers.

Committee reports on Jonquil, Service and Education were given. The Social committee reported

that plans were underway for a prospective member brunch to be held on Sept. 16, 1995.

In other matters, Lisa Walterscheid discussed her agenda and projects for the coming year, along with her proposed budget.

In old business, the Beta Kappa Scholarship Fund was discussed, as was Germanfest.

There was no new business.

The next meeting will be Monday, Sept. 11 at the home of Dolores Miller. The meeting was adjourned and refreshments were served by hostess Kathy Bauer.

Sickings serve as state 4-H record book judges

Jerry and Evelyn Sicking were at College Station Aug. 7-9 to judge 4-H Record Books for state competition. The judging was held in Rudder Tower on the A&M campus.

The purpose of record books is to teach youth to keep records and show growth by setting and reaching goals. To enter the record book competition, a 4-Her must keep records on their projects, use a form to document those records, tell about leadership and community service activities,

write a story telling about their projects, 4-H and non 4-H experiences, and family. They must have 3 pages of photos.

A 4-Her competes first county level. First place winners move on to district and the first place winners at the district level move on to compete at state level. Only senior 4-Hers, age 14-17, compete at state.

The state winners will be recognized at the State Fair. Texas attending a dinner with their parents.

From My Side of the Fence

by Ed Cler

It will be interesting to see what the outcome of the suit, initiated by a group of Muenster taxpayers against the CCAD will be.

According to reports in the newspapers, values of some of the properties owned by the petitioners have been raised by almost 150%.

Some years ago, a piece of raw grassland we paid too much for when we bought it, was reassessed at 50% above its cost to us.

Truthfully, the tax we were to pay remained almost the same, due to the fact that the land was used only for agricultural purposes.

Feeling that the land, some of it poor quality grazing land, and at the time heavily infested with prickly pear cactus, was valued much too high, we asked for, and were granted a hearing.

When we sat down with the young man who met with us, it was soon evident that we were looked upon as discontents, or troublemakers, who were trying to stir up a problem for our masters.

We soon found that discussion was useless, so I asked the fellow if he would at least tell us what the new valuation was based on.

Well, he told us that the Alphonse Hoening farm about 3/4 of a mile south had sold for around \$780,000 per acre, and since our 80 acres in question was a much smaller plot it should be valued about the same. What he did not say is that the Hoening farm of 400 acres, is made up of fair grassland with many pecan trees, good shade, and Big Elm creek for a water supply. All but about 30 or 40 acres of the farmland is fertile Elm creek bottom land, with few, if any, rocks.

Well, after telling us why our valuation was raised so drastically, the fellow informed us that there would be no further discussion on the matter, and he walked into another room.

This gives me a pretty good idea of just what the Muenster taxpayers are up against, but I wish them success.

The CCAD, with an ever rising budget, this year's proposal in excess of \$670,000.00, including raises of as much as 18% for some of its employees, is fast becoming a bigger pain for all Cooke County taxpayers, and I think it should back off and take a good look at itself.

Birthday celebration surprises Tiffany Richey

Tiffany Richey, daughter of Todd Richey and Brenda Richey, was honored with a second birthday celebration at the home of her dad in Lewisville. It was her tenth birthday and was attended by a number of aunts, uncles, cousins, as well as her grandparents, Rita and Wendell Richey and great-grandmother, Eula Grace Cain of Muenster.

The surprise party included a swimming party, as Tiffany was in the pool when guests began arriving. She thought they were all

invited for dinner at 6:30, until they began singing "Happy Birthday, Tiffany!"

Todd Richey made hot dogs on the grill. They were served with baked beans, chips and dips. A beautifully decorated birthday cake was served with ice cream. Gifts were opened and displayed.

NOTICE OF EFFECTIVE TAX RATE

1995 PROPERTY TAX RATES IN MUENSTER WATER DISTRICT

This notice concerns 1995 property tax rates for Muenster Water District. It presents information about three tax rates. Last year's tax rate is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable properties) with adjustments as required by state law. The rates are given per \$100 of property value.

LAST YEAR'S TAX RATE:

Last year's operating taxes	\$0
Last year's debt taxes	\$55,450
Last year's total taxes	\$55,450
Last year's tax base	\$44,654,860
Last year's total tax rate (per \$100)	.124174

THIS YEAR'S EFFECTIVE TAX RATE:

Last year's adjusted taxes (after subtracting taxes on lost property)	\$54,181
/ This year's adjusted tax base (after subtracting value of new property)	\$49,744,529
= This year's effective tax rate (per \$100)	.108910

X 1.03 = maximum rate unless unit publishes notices and holds a hearing (per \$100) .112177

THIS YEAR'S ROLLBACK TAX RATE:

Last year's adjusted operating taxes (after subtracting taxes on lost property and adjusting for transferred function)	\$0
/ This year's adjusted tax base (per \$100)	\$49,744,529
= This year's effective operating rate (per \$100)	0
X 1.08 - this year's maximum operating rate (per \$100)	0
+ This year's debt ratio	.119330
= This year's rollback rate (per \$100)	.119330

Schedule A Unencumbered Fund Balances

The following estimated balances will be left in the unit's property tax accounts at the end of the fiscal year. These balances are not encumbered by a corresponding debt obligation.

Type of Property Tax Fund	Balance
Muenster Water District	\$5,935

Schedule B 1995 Debt Service

The unit plans to pay the following amounts for long-term debts that are secured by property taxes. These amounts will be paid from property tax revenues.

Description of Debt	Principal or Contract Payment to be Paid from Property Taxes	Interest to be Paid from Property Taxes	Other Amounts to be Paid	Total Payment
Muenster Water District Combination Tax and Revenue Bond	\$20,000	\$36,490	\$0	\$56,490
Total required for 1994 debt service				\$56,490
- Amount paid from funds listed in Schedule A				\$0
- Excess collections last year				\$0
= Total to be paid from taxes in 1995				\$56,490
+ Amount added in anticipation that the unit will collect only 95% of its taxes in 1995				\$2,943
= Total Debt Levy				\$59,463

This notice contains a summary of actual, effective and rollback tax rates calculations. You can inspect a copy of the full calculations at Muenster City Hall.

MISD prepares for Open House on Tuesday night

Muenster High School and Muenster Elementary parents have a busy night September 5, 1995. From 6:00 to 7:30 p.m., parents may tour classrooms and meet the teachers. Appointments for individual conferences should be scheduled for another time. Also, Tuesday night, parents may purchase books for their children in the cafeteria at the Book Fair. The Book Fair is held annually to benefit the school library.

Immediately following the Book Fair, Rose Hudspeth, Parent Teacher Organization president,

will conduct this school year's first PTO meeting in the cafeteria. The agenda includes: the regular business meeting, introduction of administrators and teachers, election of officers, and setting meeting dates and dues for membership. Current PTO officers are Rose Hudspeth, president; Peggy Sparkman, vice president; Deb Klement, secretary; Becky Felderhoff, reporter. Membership dues may be paid at the meeting.

Refreshments will be served at the close of the meeting.

BIG WINNERS at this year's Mini-Cheerleading Camp included, above, the Muenster Junior High squad and, at right, Kristen Grewing and Ashley Klement.

Mini-Cheerleading Camp wraps a success in 13th year

Muenster Varsity Cheerleaders recently held their 13th Annual Mini-Cheerleading Camp for grades 1-8 at the Muenster High School Campus. New cheers, chants, and dances were taught by the MHS cheerleaders that were learned at NCA Camp in July.

On the final day of camp, a contest was held for the All-American Cheerleader. Each nominee was required to perform a cheer or chant learned in camp. Nominees in the grade 1-6 group were Robyn Hermes, Alisha Walterscheid, Kami Klement, Ashley Klement, Crystal Lutkenhaus, Kimberly Klement, Lisa Felderhoff and Brittany Haverkamp, all of Muenster. Also, Kinsey Boyd of Rosston.

Nominees from the grade 7 and 8 group were Kristin Grewing, Kayla Felderhoff, Jackie Henscheid, Jessica Berres, Allison Endres, Debra Danglemayr, and Heather Hess of Muenster. Also April Selby and Tiffany Miller of Era, Chelsea Womack of Nocona, and Kristi Maas of Saint Jo. The winners were Kristin Grewing and Ashley Klement.

Junior High squads attending the camp were also evaluated for a cheer, chant and stunt performance. Schools represented in the contest were Era, Sacred Heart, Saint Jo, Muenster Junior High, and Muenster Junior High Pep Club. Each squad was represented by a varsity cheerleader from their school to act as judges for all performances. The Top Team Award was won by Muenster Junior High, runner-up Top Team was Sacred Heart.

Other awards presented were Most Improved Squad, Era; Spirit Award, Muenster Junior High. The Spirit Award was voted on by all squads. Two new individual awards were presented this year to Meredith Hennigan, Most Improved Camper and Kinsey Boyd, Most Spirited Camper.

SH Preschool Parents Group holds orientation

Sacred Heart Preschool Parents' Group met on Aug. 16 at 6:30 p.m. in the preschool building with 10 members present including Jack Murdock, principal.

"Parents Orientation" was the purpose of the meeting. Kim Felderhoff, president, led the opening prayer. Teachers Pam Dangelmayr and Kathy Berres greeted all of the new and returning faces to Sacred Heart Preschool.

Pam distributed handbooks and explained the Montessori program.

Each parent introduced herself and child. Fund raisers for the school year were discussed, and committee sign-up sheets were passed around for parties and activities. The meeting was adjourned and refreshments were served. Parents were invited to view the materials in the classroom available to their children, and to visit with other parents.

The next meeting will be held on Sept. 25 at 7 p.m. at S.H. Preschool.

First days busy for MISD Elementary students

The Gingerbread Man welcomed Sharon Ledbetter's kindergarten students to Muenster Elementary School. Mrs. Ledbetter read *The Gingerbread Man*, to her students. Before the story could be completed, the mischievous Gingerbread Man led kindergarten students on a tour of the school. Happily the students caught up with him back in the classroom.

Tammy Tischler's kindergarten students started the school year by bringing their favorite bear to school. Through stories such as *Brown Bear, Brown Bear, Old Bear, Berlioz Bear* and *Berenstein Bears Go to School*. Ms. Tischler's students learned about fictional bears and real bears. With the help of parents, kindergarten students in both classes concluded their unit about teddy bears by reading *Teddy Bear Picnic* and took their favorite teddy bear on a pretend picnic.

First grade students in Darla Lile's and Sheila Jones' class completed a poem about themselves, entitled "There's No One Like Me." After learning to properly number their papers for a six word spelling test, first graders

successfully completed their first written spelling test.

Lisa Hettler's and Melinda Fuhrmann's second grade students are busy learning about animals. Their students are learning about the differences in mammals, birds, reptiles, fish, amphibians, insects, spiders and mollusks.

During a unit of study about nouns, third grade students in Amy Popp's and Beckey Scott's class learned a song about nouns to help them better understand and use nouns. In science they identified monocots and dicots by looking at the seeds of fresh fruits and vegetables with a magnifying glass. Third graders planted and dissected lima beans. They identified the seed coat, the young plant, and the stored food. In addition, third grade scientists in Mrs. Popp's class are keeping a log of their observations. Mrs. Scott's third grade scientists sprouted lima beans and are keeping a daily journal on the growth of each seed.

Fourth grade students in Theresa Walterscheid's class learned to emphasize elaboration and story plot in narrative writing. They also took their first math test and rejoiced when everyone in the class passed. Kristi Schneider's fourth grade students learned to use story maps to help them elaborate details in narrative writing and began a unit of study on plants and their root systems.

Tigers have good show against Lexington

Sacred Heart performed before a large crowd in Saturday's scrimmage against Lexington Academy. A hamburger supper, sponsored by the dance team, served 600 burgers before and during the practice match.

The Tigers varsity outscored Lexington 3-0 during the 55 plays. "As a whole, this is the best we've looked this early in the season," bragged Coach John Nasche. "Our senior leadership is why we're ahead."

Standouts for the evening included Scott Frost, Jake McCoy, Michael Becker and Toby Hess on offense and John Bartush and Brandon Bayer on defense. "Our quarterbacks looked a little rusty at first," Nasche commented about Paul Swirczynski and Matthew Fuhrmann, "but then they came on strong."

"Overall I'm extremely pleased, we just need to fine tune a few places and we'll be ready for Savoy," continued Nasche.

Lexington's team tired and wanted to quit early, so the junior

varsity got in only 15 defensive plays against Lexington and were scored on 3 times.

Injuries are a big concern to Nasche right now due to their few in number. Paul Swirczynski has a sprained ankle and Scott Poole a shoulder separation. Both are probable for Friday's scrimmage, but should be ready for Savoy. Joseph McCoy and Jeff Yosten have pulled hip flexors, while Michael Becker is nursing a dislocated shoulder and Joel Schilling a pulled groin.

The Tigers travel to Wichita Falls to tangle with Notre Dame Friday. Practice begins at 6:00 p.m. "I don't know what to expect from this team, but it should be a good physical test," concluded Nasche.

Directions to N.D.H.S.

From Hwy. 82, turn left on Kell Blvd. (west under Hwy. 82). Travel 3 to 4 miles to MacNeil. Turn right on MacNeil, travel 2 blocks to Ash Grove, turn right. This dead-ends into Lansing St. and Notre Dame School.

Hornets practice with Perrin, will face Keller

The Muenster Hornets took to the field last Friday against Perrin Whitt and had a good showing. "We looked a little spotty at first," commented Coach Randy Tankersley. "The guys were a little over-confident. After Perrin scored, we perked up. Overall the guys looked good."

Both teams scored on their first 20 plays, with Muenster hitting the end zone during the second 20. Then the teams worked the goal line with 10 plays each. The Hornets scored 5 times and Perrin 2.

Tankersley credited Muenster's backfield, Cody Sicking, Eric Miller, Chad Roller and James Klement for having a good night. Also offensive linemen Matt Chism, Darrell Charles and Jeff Flusche.

Defensively there was good playing from Michael Boydston, Jason Sicking and the whole defensive line.

"The young kids are learning new positions. Once they learn we'll be a lot more confident," concluded Coach Tankersley.

The junior varsity Hornets scrimmaged Alvord last week Thursday, outscoring the Dogs 2-1

Coach Tankersley named quarterbacks Cory Anderle and Jessie Luke and runners John Roller and Eric Walterscheid for good offense, along with linemen Cory Charles, Aaren Sicking and Jeremy Walterscheid.

Defensive standouts were Tony Hacker, Barry Fleitman and Eric and Jeremy Walterscheid.

The Hornets scrimmaged Thursday Aug. 31, when they hosted the Keller J.V. Muenster's J.V. practiced against Keller's Freshman team. Action began at 5:00.

It was also soap and towel night. Coach Tankersley requested liquid soap for better hygienic conditions. A hot dog supper followed the scrimmage.

Labor Day weekend boater safety urged

The increasing popularity of the jet ski has added a whole new dimension to recreation on Texas waterways. It has also added a whole new dimension to water-related accidents, and one which no doubt will play a major role during the upcoming Labor Day weekend.

The Texas Parks and Wildlife Department urges those heading for the water Labor Day to use extra precautions and common sense while enjoying any of the many water related activities, but particularly where personal water craft are concerned. To help ensure boaters use care over the holiday weekend, game wardens will be out on public waters in unusually high numbers to increase law enforcement efforts in safety patrols and boating while intoxicated violations, particularly on high profile lakes near metropolitan areas.

Carlos Vaca, TPWD boating law administrator, suggests avoiding alcohol while participating in water activities. "Alcohol is a major factor in drowning. Many victims have significant levels of alcohol in their blood. Water does not help sober up a person, only time will do that. Alcohol reduces coordination; senses are distorted; and eyesight is blurred."

Jaycees Trap Shoot earn funds for baseball park

The Muenster Jaycees sponsored a trap shoot Sunday, Aug. 27, to raise funds for a new baseball park. 95 participants shot clay rounds and wolf chase throughout the day.

There were nine rounds in the wolf chase. Lucas Hartman of Muenster won the first, out of 19 shooters. Jack Cable of Gainesville was the winner of round 2 and 3, out of 26 and 25 shooters. Muenster's Jeff Walterscheid beat 25 participants to win round 4.

The fifth round was the single-doubles winner out of 23 shooters. Bill Harris of Gainesville and Jack Cable shared the winning in the final four rounds.

There were four rounds in the sporting clay events. Each participant was allowed 25 shots, with the best out of 25 taking top honors.

Lucas Hartman won the first round, after a shoot off broke the 21 out of 25 3-way tie. David Parsons of Lindsay earned 2nd and Steve Price of Muenster 3rd.

John Pollard of Muenster won round 2 hitting 22 of 25 clay pigeons, then winning the shoot off against Dan Bezner of Lindsay, also 22 of 25. Jeff Walterscheid finished 3rd with 20 of 25 shots.

Lisa Bellows of Gainesville won the 3rd round hitting 24 of 25 pigeons. Kenneth Walterscheid and Phil Bellows each hit 21 with Walterscheid taking 2nd place by a shoot off.

John Pollard and Lucas Hartman tied the fourth round at

22. There was no shoot off this round. Nick Walterscheid finished 3rd with a score of 20 of 25.

The Muenster Jaycees made approximately \$1,000.00 towards the new baseball field and would like to thank all participants. A special thanks goes to Bob Vogel and Urban Endres for the use of their land.

RAY ROBERTS: Water clear; normal level; 86 degrees; black bass are fair to good on Pop-R's; white bass schooling by the dam; crappie are fair to good on minnows fished in 15 feet of water around pond creek catfish are fair on nightcrawlers fished around Buck Island.

Knights scrimmage Indians

The Nocona Indians had a long scoreless evening last Friday night, when they hosted the Lindsay Knights to four scrimmages.

The Freshman Knights scored twice, while the junior varsity landed in the end zone one time. Both teams kept Nocona from scoring. The second team varsity also got in some playing time, with neither team making a point.

The Knights scored one touchdown on the Indians. "We were working on base stuff, nothing fancy, we just worked on our systems," commented Coach Charlie Meurer on the practice. "The guys busted some blocking assignments and then later tired and started missing tackles." Meurer said their passing game looked good at times, throwing about 50% of the time, but needs work on the timing.

The Lindsay squad remains healthy thus far with the exception of Robert Sharp.

The Knights host Perrin Whitt Friday Sept. 1 for a 6:00 scrimmage. The junior varsity traveled to Alvord on Thursday for a practice bout.

New football contest offers \$1,000 a week

A new football contest promotion, complete with a \$1,000 weekly prize, is coming to Texas and will appear this fall in the Muenster Enterprise.

The contest, called Texas POWER POINTS, features primarily NFL teams, but a smattering of Texas-area college games also will appear.

The POWER POINTS contest brings a new twist to traditional pick-the-winners contests. Not only do contestants have to correctly pick the winners from the upcoming week's slate of games, but they also have to rank their winners according to their confidence level along a weighted point scale.

The points along the scale - 16 being the highest value and one being the least - add up to 136 points. The game you are "surest" of picking a winner in, you play for 16 points. Your "next-surest" winner goes on the 15-point line and so on down to the 1-point line, on which you would place your "least sure" projected winner. No point spreads are involved.

The contestant statewide with the most of those 136 points wins \$1,000. The contest will appear in about 90 Texas newspapers for the 17 weeks of the NFL's regular season.

Not only is there a state winner, but each week a local winner will be tabbed from among all entrants locally. This local high points scorer will receive \$10.00.

Two tiebreakers - total points scored in a designated game and total offensive yardage in this game - will decide any ties.

Contestants, who must be at

least 8 years old (yes, even children can play), may enter only one ballot each week statewide. Filling out additional coupons and putting your friends' and relatives' names on them violates this rule.

Deadline for weekly entry will be at 2 p.m. Friday.

The first week's form appears in this week's newspaper.

Also,
The Muenster Enterprise Annual Football Contest begins next week. Be prepared to win!

Tankersley assumes head coach duties at MHS

Assistant Coach Randy Tankersley will temporarily replace Head Coach and Athletic Director Grady Roller at Muenster High School. Roller has been suspended with pay. MISD School Board and administration had no comment concerning the action.

Tankersley begins his third year as Hornet assistant varsity coach and defensive coordinator. He also has been the junior varsity and junior high head coach while at Muenster. This is his 11th year of coaching high school football.

Statewide bass limit, catfish regulations take effect Sept. 1

Along with renewing their annual fishing licenses, anglers are urged to take some time to review changes in fishing regulations which take effect Sept. 1 as approved earlier this year by the Texas Parks and Wildlife Commission. These changes are outlined in the 1995-96 Texas Fishing Guide available at Texas Parks and Wildlife Department offices and retail licensing outlets.

Perhaps the most noticeable change for Texas anglers will be the standardization of the largemouth bass daily bag limit to five fish statewide, regardless of length limit exceptions (except on catch and release lakes and Toledo Bend Reservoir). The lakes with

catch and release only for bass include Lost Maples State Natural Area, Nelson Park in Abilene, Buck Lake in South Llano River State Park, Purvis Creek State Park and Gibbons Creek. Toledo Bend Reservoir has an eight fish daily bag limit.

The regulation also changes the largemouth bass bag limit on reservoirs with 18-inch minimum length limits and slot length limits (14 to 18, 14 to 21 and 14 to 24) from three fish per day to five. The bag restriction of only one bass 21 or 24 inches or longer on the 14- to 21-inch and 14- to 24-inch slot lakes will remain in effect.

Several changes affecting catfishing also take effect Sept. 1. The statewide minimum on channel and blue catfish increases from 9 inches to 12 inches. Daily bag remains at 25, except in designated community fishing lakes and reservoirs wholly within state parks, which have a daily bag limit of five. Also as of Sept. 1, other exceptions to statewide channel and blue catfish regulations will be removed, including those reservoirs with a 14-inch minimum and 15 daily bag, a 14-inch minimum and five fish bag and a 12-inch minimum and three fish bag.

The statewide minimum length on flathead catfish also changes on Sept. 1, from 24 inches to 18 inches. Daily bag remains at five. The one exception is Lake Texoma and the Red River from the Denison Dam to, and including, Shawnee Creek where the minimum limit is 20 inches to conform to Oklahoma regulations.

Another regulation to this area was changing the striped limit from 18 inches to no minimum length. The daily bag limit remains at five.

Hunters reminded about dove limits, identification

With all the excitement that comes with the opening hunt of dove season, it's not uncommon for some hunters to get confused about daily bag and possession limits for mourning doves and other species. And, in the split-second it usually takes those gray rockets to zip in and out of shooting range, hunters are reminded to be aware of which species of dove they may be drawing down on.

Ron George, deputy director of the Texas Parks and Wildlife Department's wildlife division, said a daily bag limit is defined as, "the maximum number of the indicated species that legally may be killed, taken or possessed during the permitted shooting hours in one calendar day." A possession limit is defined as, "the maximum number of the indicated species permitted to be possessed by one person when lawfully taken in the United States." The possession limit on mourning doves is 30.

Hunters are reminded that the daily bag limit is 15 mourning doves and once an individual has taken his or her limit -- limited out -- that person may no longer legally kill a dove during that calendar day.

Federal regulations preclude any state from allowing hunters to take more than 15 doves daily in a 60-day season. The 15 bird daily bag limit is not only a legal requirement, it is a moral responsibility of every dove hunter. Self-restraint to a higher moral standard is the benchmark of a true sportsman.

Texas has three species of doves

with legal hunting season, all with different daily bag limits.

Whitewings, which have distinctive white stripes across each wing, should not be confused with white-tipped doves, which are named for the white on the tip of the tail. Both are a legal game species in Texas, as are mourning doves, but whitetips most likely will be found south of a line from Corpus Christi to Laredo.

Friday Nite Scramble winners for August 18: Mike Hesse, Tom Gressett, Willie Wimmer, Dwayne Brawner and Earl Hess won in a score card playoff over 2nd place winners: Joe Hoedebeck, Bonny Prescher, Curtis Hesse, Greg Knabe and Glen Walterscheid. August 25 saw a large crowd and it was a hotly contested finish. Winning 1st in a score card playoff: Frankie Hess, Earl Fisher, Peggy Gobble, and Tommie Hesse. 2nd: Steve Chism, Ed Schneider, Bob Greathouse and Ginny Schneider. 3rd place was determined by a toss of a coin as each of these teams birdied or parred the same holes. Winners: Bonny Prescher, Larry Gobble, Terry and Kim Walterscheid. The good sports of the toss: Jim Endres, Dianne Hess, Glen and Danny Walterscheid.

- ### POWER POINTS OFFICIAL RULES
- Object of the game is to amass as many of the 136 possible points as you can. Simply review the week's schedule of games, listed on entry form, and decide which game you are surest of picking a winner in. Write the name of your projected winner on the 16-point line. If that team wins its game that week, you win 16 points. Write the name of your second-surest winner on the 15-point line, and so on down to the 1-point line, which game you figure to be a toss-up. Next, fill in Tiebreaker 1, the total points scored by both teams in the week's Cowboys or Oilers game. If this step fails to produce a winner, the judges will apply Tiebreaker 2, total offensive yardage from scrimmage in this game. If a winner still doesn't emerge, a drawing will be held among those contestants still tied. Decisions of the judges are final. The
 - weekly winner of the contest will receive \$1,000.
 - Any entry form that does not contain a legible name, address, etc., will be disqualified.
 - Entries that fail to forecast a winner from each and every game will be disqualified, as will entries that fail to distinguish between the Jets and Giants of New York and, when necessary, between the Houston Oilers and the Houston Cougars.
 - No points are awarded on the games or in case any game is not played for any reason during its scheduled week.
 - Entering POWER POINTS constitutes permission by contestant for his or her name and photograph to be used for news and reasonable promotional purposes at no charge.
 - Employees of this newspaper and their immediate families are ineligible to participate.
 - No purchase necessary. Facsimile game entry forms will be accepted and are available at all outlets of participating co-sponsors. Enter contest by dropping entry form into POWER POINTS container at participating co-sponsors.
 - Weekly deadline for entry will be 2 p.m. Fridays except when noted otherwise on weekly entry form.
 - Neither this newspaper nor any co-sponsor will be responsible for illegible entry forms or those lost, stolen or damaged in any way.
 - Limit: one entry per person per week. Each entry must represent the original work of one entrant; "group" entries, "systems" or other attempts to enter multiple entries will be disqualified. Filling out extra forms and putting your friends' and relatives' names on them violates this rule. Any such entries are destroyed prior to grading.
 - Contestants must have reached the age of eight (8) years by the Sunday of any week's play.

THE STATE OF TEXAS
TO: Molly Susan Evans and to all whom it may concern,
Respondent,
"You have been sued. You may employ an attorney. If you or
your attorney do not file a written answer with the clerk who issued this
citation by 10:00 a.m. on the Monday next following the
expiration of twenty days after you were served this citation and
petition, a default judgment may be taken against you."

The petition of William Keith Evans, Petitioner, was filed in the
said Court of Cooke County, Texas, on the 21st day of August,
1995, against Molly Susan Evans, Respondent, numbered 95-360
and entitled "In the interest of Tara Suzanne Evans and Amy Lynn
Evans, children." The suit requests the court grant a divorce and
such other relief requested in the petition. The date and place of
birth of the children who are subject of the suit: 02-10-83, Gallet,
New Mexico; 10-08-84, McAlester, Oklahoma.

The Court has authority in this suit to enter any judgment or
decree in the children's interest which will be binding upon you,
including the termination of the parent-child relationship, the
determination of paternity and the appointment of a conservator
with authority to consent to the children's adoption.

Issued and given under my hand and Seal of said Court at
Gainesville, Texas, this 21st day of August, A.D., 1995.

County Agent's Report

by Craig Rosenbaum

BEEF CATTLE COURSE

Last week I failed to put the date of the upcoming Beef Cattle Short-course in my column. The short-course is scheduled for Monday, September 11, 1995, at the Gainesville Livestock Market, 1920 Refinery Road in Gainesville. The meeting will begin at 6:30 with a sponsored hamburger supper followed at 7 p.m. by the program which will feature Delbert Hollis, AZTX Cattle Company, Hereford, TX; Tom Woodward of Broseco Ranches, Decatur, TX; Ron Gill, Extension Livestock Specialist; and John Horn, Veterinarian. Theme of this year's program will be Survival Strategies in the Down Cattle Market. The meeting is free and open to the public. If you have any questions, give us a call at the County Extension Office 817-668-5412.

COOKE COUNTY UNITED WAY

The 1996 United Way Campaign for Cooke County will begin with its campaign theme "Paint a Brighter Tomorrow." The United Way sponsors 16 Cooke County Agencies which in part include Cooke County Junior Livestock Show.

If you have any questions concerning any of the United Way Agencies or their support, you can contact the Executive Director Susan Metzler at 665-1793, or President Charles Draper.

FALL ARMYWORMS

With the extreme heat that we have had lately, many people do not think about fall armyworms. However, we have received quite a few reports lately of fall armyworms in sudan hybrid fields and grass pastures of East Texas. Fall armyworms and beet armyworms have created a lot of problems for cotton producers west of Cooke County.

County. Producers who plant small grain (wheat, oats, barley) during the August and September for fall grazing are urged to watch for armyworm infestations or wait until the first killing frost.

The beet armyworms we've had so much trouble with in cotton this season are being joined by fall armyworms from haygrazer. Re-planted sorghum and other crops should make early small grain planting a risk.

We're not telling people when they can or can't plant. But, if you do plant early, then watch for worm damage. Every field may not be affected but the probability is there.

Producers should check any volunteer grain in their area for worm infestation before deciding to plant. Those who are planning to proceed should weigh the benefits of early grazing versus the cost of one or two pesticide applications.

Producers across much of Texas traditionally plant small grain by September 15 to take advantage of fall rains and growing. Fall grazing has been very cost effective over the last several years here in Cooke County.

The fall armyworm is a familiar pest to small grain operators, though it usually occurs when the weather cools. The worms are in the immature stages of dull-colored, nocturnal moths. The fall armyworm is characterized by a prominent, white inverted "Y".

Insecticide control measures differ for the fall and beet armyworm in small grain.

In both species, early detection is important because small larvae are more easily controlled with insecticides. Control measures are recommended when four to five larvae per square foot are found in combination with seedling stand loss or with foliage loss on older plants.

Rick Perry declares "Beef Day"

Calling on all Texans to sink their teeth into a juicy steak or burger, Agriculture Commissioner Rick Perry has declared Labor Day — Monday, Sept. 4 — "Texas Beef Day."

"Texas is the country's leading beef-producing state, and Labor Day is one of the biggest days of the year for cooking out," Perry said. "I can't think of two better reasons to stampead your butcher with orders for your favorite cuts of Texas beef."

Perry said plentiful supplies at reasonable prices should encourage consumers to buy beef for the holiday.

"Beef is a great way to reward yourself on the day set aside to recognize the contribution of working people," Perry said. "You've worked hard all year. Put a steak on the grill, and enjoy your day off."

Brucellosis: Recognizing Bang's

Second in a series

The time between exposure to brucellosis and the display of signs (abortion) or positive reaction to a brucellosis test is the incubation period. The incubation for most cattle diseases lasts fewer than 30 days. Brucellosis incubation ranges from 10 days to more than 9 months. This variability allows the disease to spread undetected and is a major obstacle to eradication.

The most obvious sign of brucellosis is abortion, usually in the last 3 months of pregnancy. The number of cows infected and the number of infected cows that abort vary among herds. Some infected herds have no abortions. In other herds, as many as 80% of the infected pregnant cows abort.

Whether a cow aborts depends on the exposure, the stage of pregnancy at exposure, and natural resistance. Vaccinated animals — even if they get the disease — are less likely to abort than nonvaccinated animals. Infected cows usually abort only once and then produce apparently normal calves. These cows may infect their calves. They also spread the bacteria at every calving. Other signs of brucellosis infection include retained afterbirth and weak calves that die within the first week. These signs can mean brucellosis or other cattle diseases. Contact your veterinarian. Early diagnosis minimizes losses.

Jell-O Eyeballs
 Shudder! These look (and feel) like real eyeballs

2 (4-serving-size) packets lemon gelatin
 1 1/2 cups boiling water
 24 blueberries

Pour boiling water over gelatin and stir to dissolve completely. Pour mixture into ice cube trays with rounded bottoms (should fill 2 trays). Refrigerate 30 to 45 minutes or until just beginning to thicken. Remove from refrigerator and press a blueberry into the center of each piece (make certain the blueberry touches the bottom of the tray). Return tray to refrigerator for 1 1/2 to 2 hours.

To unmold, place bottom of ice cube tray in warm water 15 to 30 seconds and run a knife around the edges of each cube. Turn the "eyes" out on a serving plate and refrigerate until serving time. Makes 24.

Why is government involved in loans to ag processing companies? Because the Legislature decided when it created TAFE in 1987 that viable agribusinesses that could not obtain traditional loans from banks needed some assistance. Businesses might not be able to receive conventional loans because they are just starting up, or their income and collateral do not fit a bank's underwriting criteria.

TAFE is not solely a government program because banks must participate in a portion of each loan made by the program. In fact, businesses cannot apply for assistance until they have a bank willing to share in the loan.

Clearly, even with its limited funding, TAFE has shown how much more valuable our ag production can be here at home in Texas. Let's quit sending this wealth and our jobs and dollars away. Let's keep our wealth at home and make the most of it. Say "yes" to Proposition 3 on Nov. 7. By doing so you also will be saying "yes" to job growth, business growth and economic growth.

Multi-use permits are being issued for feeding operations

New permits being issued by the Texas Natural Resource Conservation Commission (TNRCC) for confined animal feeding operations are among the first in the nation to combine air and water quality protection regulations into one permitting system.

The new regulations, which became effective in July, are designed to protect both air and water quality while streamlining the process that some livestock and poultry producers have to go through in order to receive the permits, said Eric Chasteen, TNRCC permit writer, at the recent Innovations and New Horizons in Livestock and Poultry Manure Management conference here.

"Our primary goals are to protect air and water quality. We also want to promote sound management," Chasteen told the group of 200 producers, researchers and industry officials gathered for the meeting.

The regulations are found in Title 30 of the Texas Administrative Code, also referred to as the Subchapter K rules. The Texas Water Code and the Texas Clean Air Act authorize the TNRCC to regulate the management of livestock and poultry waste from confined animal feeding operations (CAFO's).

Depending on the type of operation, anyone planning to construct and/or operate a confined feeding operation before this year was required to meet regulations under the Water Code and Clean Air Act, and sometimes had to apply for different permits under the two acts. Additionally, they had to apply for a U.S. Environmental Protection Agency general permit.

Whether a business qualifies as a confined animal feeding operation depends on the number of animals it contains. For example, a dairy will qualify with 250 milking cows, a beef cattle operation with 1,000 head and a swine operation with 1,500 pigs.

About 600 confined animal feeding operation water permits and 206 air permits were issued by the TNRCC under the old regulations. Annually, an average of 69 CAFO's are permitted under the water program and 49 are permitted under the air program, he said.

Applying for several permits is expensive in time and money for both the producer and the governmental agencies involved. Also, there were at times conflicting rule requirements between the air and water quality permits in Texas and the EPA permit.

The new regulations are a result of a collaborative effort between TNRCC, the CAFO industry and other cooperating agencies. However, the operation must still qualify for an EPA permit separately, Chasteen said.

To qualify, the CAFO must include in its permit application its best management practices, such as how it will process all of its waste water or how it will handle dust problems. Additionally, it must include what facilities it will build to handle such practices. Potential pollution sources, or areas of the facility that may come into direct contact with animal wastes, significant recharge zones, or any agricultural chemicals that may be used, stored, or disposed of at the facility, must be added to the application, he said.

Once all of the information is received, the applicant is asked to publish a public notice. All public comments must be made in the form of a written, sworn statement that describe in detail how the application, if approved, would affect a person, property or another legal interest.

If no comments are received from a 1 mile radius around the operation, and there are no major changes in the application, the TNRCC will issue a permit.

If the comment is found to have technical merit - or evidence that the application for authorization does not meet all technical requirements of the rules or that the applicant's past compliance history has resulted in an impact to water quality in the state -- the TNRCC will ask the applicant to do one of several things: the applicant can either withdraw his application, forward the application for a contested case hearing, file a request that the TNRCC review that comment for technical merit, or request that the TNRCC suspend processing of the application for a period of no more than 30 to allow the applicant time to provide the additional information.

MAJOR SHOW LIVESTOCK ENTRIES

4-H members who plan to enter the major livestock shows will need to have their entries submitted to the Extension Office by Nov. 22. Major livestock shows include Fort Worth, San Antonio, and Houston primarily.

Also, remember *Swine Validation for Major Livestock Shows* will be held at the *Cooke County Fairgrounds Mon., Nov. 27, from 5 to 7 p.m.* All Market Swine Shows at the Spring Major Livestock Shows by 4-H and FFA members must be validated at this November 27th time and location.

If you have any questions concerning Swine Validation, contact the County Extension Office or your local Vocational Agriculture Instructor.

1995 CORN RESULTS

1995 was a fairly good year for corn production in Cooke County. Those producers who got their crops in early were fortunate in receiving rainfall to develop a good corn crop.

In 1995 we had three variety demonstrations located from the southern part of the county between Era and Valley View to the northern part of the county in the Sivel's Bend Frog Bottom area. Locations on the Zimmerer and Selby Farms were planted in heavy clay soils. The Fuhrmann location was in a sandy loam soil type. Planting dates ranged from March 11 until March 24. All harvesting was done from August 16 through August 18.

Above average yields were noted on the Fuhrmann location due to ample rainfall. Late rainfall allowed for good yields at this particular location. With the good growth conditions, aflatoxin was minimal at this particular location.

Early rains allowed for good growth at both the Zimmerer and Selby fields. We had a very cool, wet spring which contributed somewhat to holding back early growth at these two locations. The rain seemed to play out down in the Era community and yields showed the lack of summer moisture.

Producers considering planting corn need to be aware of the possibility of aflatoxin in corn during periods of stress.

The FDA Center for Veterinary Medicine "Action" levels for aflatoxin in feed grain in interstate commerce are 20 parts per billion for dairy, immature animals, and immature poultry, 100 parts per billion for breeding cattle, breeding swine, and mature poultry, 200 parts per billion for finishing swine (100 pounds or greater), and 300 parts per billion for finishing cattle.

If you plan on planting corn, several areas to avoid are heavily wooded fence rows, heavily terraced, poorly drained fields, shallow, rocky soils, and any other condition that might cause stressful plant growth. In other words, corn needs to be planted on your better ground and hope for moisture at the right time.

Price wise, crop income on 4,000 pound milo is comparable to 65 bushel corn.

The following chart gives yields of the various varieties located at the three Cooke County demonstration plots. The parenthesis denotes the rating of that particular variety at that location. If you have questions, give me a call.

Safety tips

When repairing power-lifted equipment such as combine headers, cultivators, etc., "lock it, block it or don't get under it."
