Cowboys competition at weekend Ranch Rodeo

The Muenster Jaycees will hold their Second Annual Ranch Rodeo on Oct. 12-13, at the KC Arena, west Hwy 82, Muenster. All proceeds of this rodeo will go toward building a new baseball complex. The Muenster Jaycees are in the process of acquiring 20.5 acres of land in the northeast corner of Mesquite Street and what is known as the two mile. Muenster's Jaycees have three 11-sized fields, and two T-ball

fields in their plans. There will possibly be a walking track around the perimeter.

The Muenster Jaycees' Ranch Rodeo begins at 7 p.m. Saturday and 2 p.m. Sunday. Concessions will be available. Admission is \$5 for adults and \$2.50 for children. So, please come out and enjoy fun for the whole family, and help the Muenster Jaycees make their baseball field dream a reality.

City to have study of existing, future water systems

by Daryl Ferber

The hiring of Rady and Associates to map the city's utilities was approved at the council meeting Monday. The contract will include a complete water analysis, data collection and analysis, development of a water network model, analysis of existing and future water systems and presentation of findings and recommendations. Bonnie Felderhoff said "this is the first step to guide the city in planning the new water system."

Council members approved a possible lease agreement with Muenster ISD using well #3. Upon approval by MUSD, it will be a 12 month lease for \$600 with MUSD paying cost of repairs and assuming expenses.

In the discussion of the city's sewer system, a decision was made to replace the sewer line on North Cedar Street (9th Street to FM 737). Smoke tests will be done on other possible problem spots.

John Pagel reported he was satisfied with contractor's work which was progressing on schedule. City street work was a large part of the monthly expenses which amounted to \$2,000.

Bernice Sicking appeared on behalf of Frybrant explaining their position about the past tax and penalties. They have no record of ever receiving statements for the tax of eight years ago. She detailed the work they have done improving appearance of buildings and the support that the company has given for city projects. As Frybrant is an active CITY COUNCIL, Page 2

by Janet Felderhoff

It was an exciting day for Republicans in Cooke County Tuesday. Texas First Lady Laura Bush was the featured speaker at a fund raising luncheon held in the Gainesville Civic Center. "Hug A Bear, Read To A Child" was the theme of the luncheon.

Decorations included numerous patriotically clad stuffed teddy bears. "The Republican Party believes in doing things that helps the community as well as our candidates and with Patsy Moody's theme of bears, caring and loving, we decided we were going to do something with the bears," announced Cooke County Republican Party Chairman Pat Peale. "This time the bears on the tables are going to go to the Gainesville Police Department's "Care Bear" program." Officers carry a bear in their patrol cars in case a child involved in family disputes or automobile accidents needs something to hold on to and to feel good about.

"She is someone we have all come to appreciate for all the great things she does for the people of Texas ... she is known for her compassion, as well as her determination. As a former librarian she criss-crosses the state advocating the awareness of libraries, reading and education," said Senator Tom Haywood in introduction of Laura Bush.

Since becoming the First Lady of Texas, Mrs. Bush has worked to draw attention to Texas writers and artists, to raise awareness of breast cancer, and to promote reading and literacy. At the luncheon Mrs. Bush spoke of one of the dreams that she and Governor Bush have for Texas.

"We want every Texas child to be able to read," remarked the First Lady of Texas. "A child who reads is a child who will succeed, not just in school,

but also in life." She said that since January she and her husband have been traveling around the state asking everyone from newspaper editors to Boy Scouts to help promote reading. The governor even filmed a commercial with Wishbone the dog to encourage kids to read. The response has been tremendous, she said. "All of the children we've heard from show a lot of promise, but they need help cultivating that promise," remarked Mrs. Bush. "Fortunately a lot of Texans

neighborhood child to learn to read, she said.

"Studies have shown that reading with a child for at least 30 minutes a day three times a week can make a huge difference," explained Laura Bush. "Thirty minutes is a small investment for a life time of opportunity."

The Bushes would like to see schools put reading first and ask that Texans encourage their schools to do so. "The Governor and I won't rest until we've reached 100 percent efficiency across the board,

the future of our state will be that much brighter. If you want to see a child blossom and grow in knowledge and in confidence, see they learn how to read."

Since Texas has so many bright kids, Mrs. Bush reflected that it is no wonder her husband calls Texas the beacon state saying that Texas sets the pace for others to follow and with everyone's help she and Governor Bush would not be satisfied until each and every child in Texas learns to read.

LOUISE AND JOHNNY FISHER, at left, greet Texas First Lady Laura Bush. The Fishers were among the many county residents attending the Cooke County Republican Party and Cooke County Republican Women Luncheon Tuesday at the Gainesville Civic Center.

Photo by Janet Felderhoff

have rolled up their sleeves and joined the effort." To those who are looking for a way to get involved in your community, Mrs. Bush urges you to volunteer for a local literacy program or to create one of your own. Other ways to help besides volunteering to work would be to help your children, grandchildren or a

across the state," she promised. "Every child in Texas can learn to read, every child. We won't settle for anything less and shouldn't either! Illiteracy is the disease of a society that doesn't have time to attend to the needs of others. When it attacks our children we all suffer. And when we overcome illiteracy,

"We know nothing less is acceptable because nothing less than a fair shot at the best possible future for all of our children is acceptable. A child who can read is a child whose own ability to make a difference is unlimited and that's the heart of our reading initiative and our Texas and See LAURA BUSH, Page 12

LINDSAY HIGH SCHOOL Senior Molly Trammell was named the 1996 Homecoming Queen last Friday. The crowning took place prior to the Lindsay Knights' 35-6 football win over Gainesville State School.

Don't Forget!

The Muenster Knights of Columbus will host their annual Awards Breakfast and Good Neighbor Award presentation this Sunday, Oct. 13, following the 8 a.m. Mass in the KC Hall.

4-H Achievement Banquet honors outstanding members

by Elfreda Fette

Anticipating the announcement of the coveted Gold Star Award and their personal awards, 4-H members looked forward eagerly to the annual 4-H Achievement Banquet held this year on Oct. 7. Sponsored by Cooke County Electric Cooperative, the event was held in Gainesville Civic Center, with dinner catered by the Hermes Sisters.

The Gold Star Award is one of the most sought-after and prestigious of 4-H awards at the county level. Total achievements, including leadership skills and contributions to the County 4-H programs, are the basis for selecting the Gold Star recipients. A 4-H member may receive the award only one time.

Winners of the Gold Star Awards for 1996 are Diana Bouldin, daughter of Roy and Joanne Bouldin of Gainesville, and Rachel Cravens, daughter of Wendel and Kathleen Cravens of Callisburg.

Amanda Hitt, 1995 Gold Star 4-H'er and mistress of ceremonies for the 1996 banquet, said of Diana Bouldin, "She is a young lady of honor and dignity. She does everything to the very best of her ability. She is active in various projects including Drama, Food and Nutrition, Clothing, Consumer Education and Shooting Sports. A leader, she has held offices of club president, first vice-president, recreation leader and county council. She attended county 4-H camps, leadership lab and district competitions. She volunteers time for county and community activities, Christmas caroling at nursing homes and adopting four Littlest Angels."

RECIPIENTS OF THE sought after "I Dare You" award are, from left, Kristen Creed and Bonnie Brooks.

Photo by Alvin Hartman

"The second Gold Star Award goes to a young lady," said Amanda Hitt, "who joined 4-H ten years ago. Since that time, she has been involved in numerous projects: Clothing, Food and Nutrition, Illustrated Talks, Swine, and Arts and Crafts. Skills she has learned are lifelong. Leadership experiences include club president, first and second vice-president and county council reporter and serving on numerous county and district clothing committees. She has made countless baby clothes and diaper bags for hospitals."

Outstanding 1996 Junior and Intermediate 4-H Awards were made by Cooke County Judge Paul Hesse to Junior winner Diana Felderhoff, daughter of Tommy and Becky

Felderhoff of Muenster, and Intermediate winner Brandon Schroeder, son of Nick and Kathleen Schroeder of Lindsay. Both received recognition certificates. Diana was involved in Food and Nutrition, Consumer Life Skills, Clothing, Wood Science, Pet Show, Poster Contest, Project Fair and Bake Sale. Brandon was involved in Shooting Sports, Food and Nutrition, Wood Working, Project Fair, Swine; officer as club secretary, club president, council delegate and teaching younger members.

Two graduating senior girls were winners of scholarships presented by the Family and Community Education Clubs of Cooke County. These are See 4-H AWARDS, Page 3

Let's hear it for fire safety: Test your detectors! ...

Texas promotes Fire Safety Week

Smoke detectors have been available to the public since the 1970's, but according to a report issued recently by the Texas Fire Incident Reporting System (TEXFIRS), more than half of the 178 residential fire deaths in Texas last year occurred in homes without smoke detectors. "Smoke detectors save lives. A working smoke detector can give you time in a critical situation where minutes can mean the difference between life and death," said Gary L. Warren, Sr., executive director of the Texas Commission on Fire Protection.

To emphasize the importance of smoke detectors, Governor George W. Bush has proclaimed Oct. 6-11 as Fire Prevention Week in Texas. The Texas Commission on Fire Protection offers the following advice regarding smoke detectors:

Working smoke detectors save lives. Proper placement, routine testing and regular

maintenance of your smoke detectors will help ensure that they will alert you if a fire breaks out. Make sure you buy only detectors that bear the mark of an independent testing laboratory.

Make placement a priority. Homes should have smoke detectors on every floor of the home, including the basement, and outside each sleeping area. If you sleep with your bedroom doors closed, install a smoke detector inside each bedroom. (Closing bedroom doors when you are sleeping helps to slow the spread of smoke and fumes if a fire develops.) Detectors should be installed in any other areas of your home where people sleep. On floors without bedrooms, smoke detectors should be installed in or near living areas, such as family rooms and living rooms.

Detectors that are wired into the home electrical system should be installed by a licensed fire alarm installer. If

your detector plugs into a wall socket, make sure it has a restraining device to keep its plug from being pulled out. Never connect a detector to a circuit that could be turned off at a wall switch.

Since smoke and deadly gases rise, detectors should be placed on the ceiling at least four inches from the nearest wall, or high on a wall, four to 12 inches from the ceiling. The four inch minimum is important to keep detectors out of dead air spaces, because hot air is turbulent and may bounce so much it misses spots near a surface. Don't install detectors near a window, door or fireplace because drafts could detour smoke away from the unit. In rooms where the ceiling has an extremely high point, such as vaulted ceilings, mount the detector near the ceiling's highest point.

Maintenance is a must. It is very important to maintain your smoke detectors by

testing, replacing batteries and cleaning.

Testing - The commission recommends testing detectors once a month to make sure that they are operating. Test each detector by pushing the test button and listening for the alarm. If you can't reach, stand under the detector and push the button with a broom handle.

Replacing batteries - If your smoke detectors are battery operated, replace the batteries according to the manufacturer's instructions. Do this at least once a year or whenever the detector "chirps" to alert you that the battery power is low. Make sure no one disables your smoke detector by borrowing batteries for other uses.

Cleaning - Just as you clean your home, your smoke detectors need to be cleaned. Make sure that you follow the manufacturer's instructions about cleaning. Cobwebs and dust usually can be removed with a vacuum cleaner.

From My Side of the Fence

It is not all unusual to see unused dairy barns and other structures that have been, more or less abandoned, as their owners have retired, or changed to other types of agriculture.

Other relics, used in the past, but long unused and forgotten, are the concrete dipping vats that were much in use when I was born, and before.

Personally, the only memory I have of my Dad having cattle dipped was circa 1926. My two older brothers drove all the cattle from the home place, to a farm then owned by John Bayer Sr., and now owned by Gary Hess, south of Muenster.

Mr. Bayer had one of the vats there, and for a fee of 10¢ per animal, he furnished the vat and the arsenic solution used to destroy any ticks that the cattle carried.

These vats were at least 8 feet deep, and just wide enough to accommodate large cattle, but too narrow to allow them to turn around in.

The solution had to be deep enough to allow complete immersion as the animals were forced to jump in, and at the same time contain the splash, to avoid waste.

After jumping in, the cattle swam to a ramp in the exit end, and climbed out where they were held momentarily, to drip on a concrete pad that allowed the runoff to drain back into the vat.

All of this was necessary because of a small brown tick that infected cattle with Texas Tick Fever, beginning in the mid 1800's and eventually threatening all the cattle in the Southwestern United States.

Following a rigid rule of regular dipping, cattlemen were able to eradicate the Cattle Tick, and then, for lack of need, most of these old vats were abandoned, and, for safety were eventually filled in.

Some remnants can still be seen, to my knowledge, on one of the Johnny Kleiss farms, and on the Powell pasture west of town.

CITY COUNCIL

asset to the community and has never asked for city help, the council voted to waive all penalties. Council stressed, this is not setting a precedent, each case has to be judged on its own merits.

With the city clean-up, it was reported that a main problem is tree limbs on 5th Street. Waste Management will not

service an area unless trees are trimmed. It was voted to send a city employee to a course for a non-commercial pesticide applicator certificate to comply with government regulations. Purchasing of possible needed equipment was tabled for further study.

Billings approved for the month totaled \$102,916.50.

Code update workshop sponsored by MMH on cardiopulmonary arrests

Muenster Memorial Hospital and the Rural Health Program from the University of Texas at Arlington presented a workshop, "Code Update: ECG's/Drugs/Dysrhythmias". The four hour course (presented twice) was designated to familiarize all health care personnel with the general principles of cardiopulmonary arrest (CPA). Emphasis was placed on using the pieces of the advanced cardiac life support (ACLS) according to American Heart Association standards, identification and treatment of

life-threatening dysrhythmias, emergency drugs, decision tree algorithms applied to CPA, and communication with families and staff to fasten together the code puzzle. The course prepared the participants to expand their knowledge of CPA with further self-study.

Objectives of the program were to: identify five life-threatening dysrhythmias; list the advance cardiac life support drugs; list the actions, indications for dosage and nursing implications of four

first line and four second line cardio-pulmonary emergency drugs; discuss the electrical therapy applied in cardioversion and defibrillation; identify the ACLS decision tree algorithm to apply in a CPA; record pertinent information for documentation in CPA; discuss the communication with family members and staff concerning news of a sudden death.

Ellen L. Palmer, Ph.D., RN, Assistant Professor at the University of Texas at Arlington School of Nursing (UTASN), was program

instructor. UTASN has been awarded provider status by the Texas Nurses Association which is accredited by the American Nurses Credentialing Center. This program provided 4.2 contact hours ad met Type I criteria for mandatory continuing education requirements by the Board of Nurse Examiners of the State of Texas.

The workshop held at the Cooke County Electric Coop in Muenster was attended by the Muenster Memorial Hospital staff, RN's/LVN's from various area hospitals and EMT/Paramedics.

Street repair progress noted

The street repair on North Cedar Street (Ninth Street north to FR 373) is completed for the fall. The delay in paving it with chip-n-tar until the spring will give the gravel time to be packed in real tight and to identify some soft spots which need to be dug up and replaced before the street is paved. In addition, it gives city employees time to replace the clay pipe in the middle of the road. Replacing the clay pipe now before paving the street saves the city money, protects the street longer from being torn up, and was approved at the last City Council meeting. The street will be among the first ones paved in the spring.

The curbing and intersections concrete construction on Second Street and Elm Street are almost complete. The streets will be dug out and replaced with gravel during the next few weeks. The paving of these streets will also be delayed until the spring so that the

gravel is firmly packed and soft spots identified and dug up. They will also be among the first streets paving in the spring.

While the paving delay may cause some inconvenience to residents on these streets, the delay will result in better quality chip-n-tarred streets.

Early voting begins Oct. 16 for elections

Beginning Wednesday, Oct. 16 and ending Friday, Nov. 1, early voting by personal

appearance will take place each weekday at the Cooke County Courthouse between the hours of 8 a.m. and 5 p.m.

Applications for ballot by mail should be mailed to Evelyn Walterscheid, County Clerk, Cooke County Courthouse, Gainesville, Texas 76224. These must be received no later than the close of business on Tuesday, Oct. 29.

Polling places will be open from 7 a.m. to 7 p.m. on Tuesday, Nov. 5 for voting in the general election to elect members of Congress, members of the Legislature, and state, district, county and precinct officers.

Sister Theresina Grob, OSB, dies in Jonesboro at age 92

Mass of Christian Burial was held for Sister M. Theresina Grob, OSB on Oct. 5 in Holy Angels Chapel in Jonesboro, Arkansas. Father Nicholas Fuhrmann OSB officiated at 11 a.m. He is chaplain at St. Bernard's Medical Center and Holy Angels Convent.

The funeral liturgy began with Sister Theresina's favorite hymn "How Great Thou Art" sung by Mr. Ed Cox. Other sacred music, congregational singing included "On This Day" or the Entrance procession; the Mass Responses; "This Alone"; "Love Divine, All Loves Excelling"; "Song of Farewell, I Know That My Redeemer Lives"; Also "May The Angels Lead You Into Paradise" for the recession to the Cemetery, and "Ave Maris Stella" at fount Olivet Cemetery on the convent grounds, where interment was held.

Wake Services for Sister Theresina had been held the preceding evening at 7 p.m. in the convent chapel. Among Muenster friends attending her funeral were Charles and Carolyn Bayer; also Brother Thomas Moster of Subiaco Abbey.

Sister Mary Theresina Grob, OSB, age 92, died about 5:40 a.m. at St. Bernard's Hospital on Oct. 3, 1996. She was born on Sept. 29, 1904 in Bertoggenburg, Kanton St. Gallen, Switzerland. She was the second oldest of five children, having three brothers and one sister. Her parents, Joseph and Louise (Tochter) Grob gave her the name Clara Louise when she was baptized.

After attending the required grades in the Johannum school near her home, Clara attended a Teachers Training school in Menzingen, Switzerland. She had first wanted to become a missionary in India, but instead was later persuaded to join a group of twelve young ladies coming to America in 1924, to become Benedictine Sisters. She received the Name of Theresina when she made her

SR. THERESINA GROB

first profession in 1926 at Convent Maria Stein in Pocahontas. In 1898, this convent was relocated to Jonesboro and the name was changed to Holy Angels Convent. In addition to her 12 classmates from Switzerland, there was one from Muenster, Sister Frances Hofbauer.

Sister Theresina completed her studies for a Licentiate of Instruction Diploma from Arkansas State Agricultural and Mechanical College in Jonesboro in 1930. She has the distinction of being in the first graduating class of this institution, now Arkansas State University. She taught science, mathematics, Latin and Spanish for 46 years; with thirty-three of these in Muenster. Other places where she taught were: Holy Angels Academy, 9 years; St. Paul's, Pocahontas, 4 years. In 1980, Sister Theresina retired to the motherhouse, where she continued a correspondence ministry. She numbered among her fans, hundreds of Muenster Enterprise readers and friends, who cherished her "Letters To The Editor." Nieces and nephews in Switzerland are the only survivors.

Petite and diminutive in size, her stature was enhanced by her capacity to master five languages, and teach math and

science. Typically, she dearly loved the Edelweiss, national flower of Switzerland.

Sister Theresina endeared herself to students and adults alike. She adopted the Tiger football team and gave them enthusiastic support. She expected good work from her students and gave them devoted attention in return.

The Muenster Jaycees presented their "Outstanding Citizen Award" to Sister Theresina Grob OSB for her many years of service to the parish and community, in May 1980, at their annual banquet.

Patients and their families remember her frequent visits to Muenster Memorial Hospital. She always delighted in the outdoors and enjoyed the walk from the convent to the hospital.

She touched many families in so many ways - even helped Charles and Carolyn Bayer in choosing "Kolonialwaren" when their business was new in Muenster. The name means groceries and wares.

In 1980 she was honored by the parish on the golden jubilee of her profession. She also observed the 60th and 70th jubilees as a nun. Some of her nieces and nephews were present for both, and many Muenster friends.

Several times during her years as a member of the Olivetan Benedictines, she was privileged to travel back to her home in Switzerland for family reunions.

She always enjoyed company and celebrations. Always retaining her beautiful handwriting, she was also always alert mentally. Although limited physically in her last year, in her wheel chair she attended her birthday party at the convent, her feast day and Holy Angels feast day during the last week of her days on this Earth.

For friends who have asked, memorials may be sent to Holy Angels Convent, Drawer 130, Jonesboro, AR 72401 or the Sacred Heart Trust Fund.

Walkers and joggers beware!

by Stephen Broyles
Walkers and joggers are a common sight throughout the City of Muenster. These are excellent ways to staying in shape while also sharing social times together, especially for walkers. Recently though, there have been some dangerous trends noticed. For instance, during a recent emergency run, the Fire Department's emergency vehicle had its lights and sirens going. The vehicle had to swerve around several walkers who were walking abreast of each other and refused to walk single-file or get out of the way of the emergency responding vehicle.

Here are a few tips on walking and jogging safely:

- Wear light colored clothes and reflective material at dusk or later.
- Walk and run toward the traffic; bicycle with the traffic.
- When walking several abreast, move to single-file when traffic approaches, especially when the vehicle is approaching quickly or has emergency lights and/or sirens on.
- When walking at dusk or dawn with the sun behind you, be aware that the approaching vehicles may not see you because of the sunlight, and be prepared to step off the road surface, if necessary.
- When walking or running alone, don't wear earphones which might prevent you from hearing approaching traffic.
- Keep a watch out for potential danger and avoid it by being alert.

4-H AWARDS

Continued from Page 1

funded by profits at the Annual Arts and Crafts Sell-Out-Rama. The two winners were Diana Bouldin, daughter of Roy and Joanne Bouldin, and Amanda Hitt, daughter of Lynn and Patricia Hitt. Both are members of Red River 4-H Club. Diana plans to attend Texas Tech University and major in English. Amanda plans to attend NCTC and TWU and major in Speech Therapy.

The 1996 Danforth "I Dare You" awards were presented to Bonnie Brooks, daughter of John and Beth Brooks, and Kristen Creed, daughter of James and Cathy Dangelmayr of Muenster and Kevin and Kathy Creed of Lindsay.

The 1996 Farm Bureau Leadership Award was won by Yvonne Martin, daughter of Ernest and Laneta Martin of Muenster.

Local medal winners recognized at the 1996 Achievement Banquet were the following: from Muenster: Michael Becker in Agriculture; Jack Biffle in Beef; Kristie Lutkenhaus in Clothing; Kristen Creed and Diana Felderhoff in Consumer Education; Pamela Lutkenhaus in Food Show; Yvonne Martin in Leadership; Tara Abbott in Sheep; Sarah Hess in Shooting Sports; Andy Davis and Joseph Davis in Wood Science.

From Lindsay: Jeanie Mosman and Lisa Mosman in Beef; Leah Hermes and Mark Lutkenhaus in Fashion Revue;

Nathan Hermes and Chelsea Laux in Food and Nutrition; Jared Schroeder in Food Show; Jeffrey Zimmerman in Photography; Russell Fleitman in Safety; Brandon Schroeder in Swine; Philip Fleitman, Rachel Lively and Kevin Lutkenhaus in Wood Science.

From Valley View: Thomas Schad in Dairy Cattle; Adam Zimmerman and Guy Zimmerman in Food Show.

Following the catered dinner, and preceding award presentations, a welcome was given by Scott Baumbach, Member Relations, Cooke County Electric Cooperative. Special guests were introduced by Amanda Hitt. Roger Sanders, State Representative, District 62, was the invited speaker. He urged 4-H'ers to Work Hard, Fill Your Potential, Do the Best You Can, Develop Friendships and Love One Another. He urged 4-H'ers to remember that Hero or Superstar did not equate with Celebrity. A good human being, doing the best he can, is a Hero, said Sanders.

Presentation of county awards were made, as follows: Agriculture, Beef, Clothing, Consumer Education, Dairy Cattle, Demonstrations and Electric Energy, presented by Richard Brown, County Commissioner Precinct 2;

Fashion Revue, Food and Nutrition, Food Show, Forestry, Horse, Leadership and Needle Craft Awards, presented by Gloria Parrish, in absence of County Commissioner Precinct 1;

Photography, Rabbits, Safety, Sheep, Shooting Sports, Swine and Wood Science Awards, presented by Virgil Hess, County Commissioner Precinct 4;

Recognition of Club Managers and Honor Awards Clubs by Mickey Faulconer, Executive Vice-President, Guaranty National Bank; F.C.E. 4-H Scholarships, by Nancy Hoedebeck, Vice-Chairman, Cooke County, Family and Community Education Council;

"I Dare You" Awards by Doris Harrison, Public Relations, First State Bank.

Farm Bureau Leadership Awards by Edwin Knight, Vice-President, Board of Directors, Cooke County Farm Bureau;

Gold Star Awards by Jerry Woodlock, District Judge.

"Serving Cooke and Montague Counties Since 1946" Now Celebrating Our 50th Year In Business!

Don't Let Your Future Sink

As you go swimming along, you may not realize how much your hometown businesses depend on you.

From time to time we all look to each other for support. Local retailers and service providers need our support to stay afloat. They all contribute to the strength of our community and our future.

Get your ducks in a row—give our hometown businesses a chance to serve you.

Frances Yosten honored Oct. 6 on 70th birthday

Frances Yosten celebrated her 70th birthday on Oct. 6, 1996. A surprise party was held at the Muenster Park Pavilion, hosted by her nine sons and their families.

Snack foods and birthday cake were served. Gifts were opened. Everyone enjoyed an afternoon of fellowship and fun.

Special guests included Al and Juanita Bengfort of Lindsay, Bob and Anne Hale of Dallas, Walter and Gene Huchton of Bedford, Pauline Spires of Gainesville, Armella Cler, Meinrad Yosten, Herbie and Magdalen Yosten, all of Muenster. Also attending were many nieces, nephews, cousins, and friends.

FRANCES YOSTEN

Stephen enjoys Big Bird and burgers on 2nd birthday

On Saturday, Oct. 5, a party was held in the home of Brett and Jan Marion for their son Stephen Brett Marion, Jr.'s second birthday. The theme Big Bird and his friends was used throughout the party. All the kids received party bags. Grilled burgers and hot dogs with trimmings were served. Afterwards, everyone enjoyed cake and ice cream, with video and picture taking while Stephen was opening gifts and eating cake.

Guests included his parents; grandparents, Paula Fleitman, and Larry and Linda Marion; Uncle Randy Fleitman; Aunts Melinda, Kerry, and Kristen Fleitman, and Nicole Marion; cousins Sean, Dewayne and Lana Marion and children Ashley and Trey Marion. Also friends Terri and Dylan Hughes, and Jeremy Thompson.

On Monday, Oct. 7, a second cake was served for Stephen's actual birthday. Attending for the evening meal and cake were Grandma Paula Fleitman and Aunts Kerry and Kristen Fleitman.

National Domestic Violence Awareness Month ... Open your mind and your heart

If you dismiss domestic violence as simply a "private matter" that won't happen to you, please think again. Domestic violence touches all of our lives in some manner. During the last 25 years there has been a movement to end domestic violence and to help those who are victims of this crime. Part of this effort focuses on raising public awareness about domestic violence. Toward this end, the month of October is designated as National Domestic Violence Awareness Month. This event is an opportunity to open not only your mind to the reality, but also your heart to the tragedy of domestic violence.

Did you know that:

- Every year between two and four million American women are battered by their husbands or boyfriends.
- Abused children are four times more likely to be involved in violent crime.
- In the United States, domestic violence is the single largest cause of injury to women.
- In Cooke County alone, Friends of the Family, a local service agency, advocated for 275 adults, 385 children and 114 friends and family who were involved in domestic violence cases in 1995.

Domestic violence affects many people. Most obviously, victims of domestic violence suffer emotional and often physical harm when abused. Many victims die because of

domestic violence. Children of victims often witness the abuse which, in turn, has harmful and detrimental effects to the children's psychological health. Often, the children are not the only witnesses, but are abused as well.

Friends and relatives of domestic violence victims suffer emotionally with the victims. Sometimes friends and relatives who try to help victims of domestic violence are harmed, injured, or killed when they happen to be in the way of the abuser. Anyone trying to help a domestic violence victim should contact the police or Cooke County Friends of the Family Hotline, (817)665-2873, for help.

Those of us who are not in the direct path of domestic violence may feel unaffected by it. However, domestic violence contributes to violence in our communities and neighborhoods and schoolyards would be safer if domestic violence were not so common. Learning that violence was not an option as a coping mechanism would help all of us to sleep easier at night.

Evasion of the emotional costs of domestic violence is possible. The financial cost of domestic violence (law enforcement, prosecution, incarceration, medical costs, employer costs, employee absenteeism, etc.) is a burden that we all bear. We bear the financial burden of

incarcerating violent offenders who quite possibly learned violent behavior at home. In short, we feel the cost of the destructive and deadly epidemic of domestic violence -- emotionally and/or financially. Fortunately, the epidemic of domestic violence can end. If violent behavior can be learned, it can also be unlearned.

As a part of the effort to end domestic violence, the month of October is designated as National Domestic Violence Awareness Month. It is a time for reflection, sadness and hope. The purposes of this month are threefold. It is a time for: Mourning those who have died because of domestic violence; Celebrating those who have survived domestic violence; and Honoring those who work to end violence.

This October, please, open your heart and mind to the seriousness of domestic violence as both a threat to those directly involved, and a societal tragedy in which we all share. Please help in the effort to end violence. For more information on how you can get involved to stop this epidemic, contact Cooke County Friends of the Family at 665-2873. The staff will be available to make presentations about domestic violence to your organizations or schools during the month of October, or any other future dates, so please call.

New Arrivals

Walterscheid

Kim and Lisa Walterscheid of Muenster joyfully announce the birth of a daughter on Tuesday, Oct. 8, 1996. They have named her Natalie Marie. She was born in Muenster Memorial Hospital at 7:03 p.m. weighing 7 lb. 13 oz. and measuring 19 inches in length. Natalie is welcomed the three brothers, Dustin,

Bret, and Garrett. Grandparents are Willie and Queenie Walterscheid and Loyd and Gwen Trubenbach of Muenster. Great-grandparents are Dolores and Arnold Friske of Gainesville, Louise Trubenbach of Myra and the late Alois Trubenbach, Lavern Homsley of Muenster and the late Howard Homsley, and the late Al and Catherine Walterscheid.

St. Anne's Society suggests Sunday potluck luncheons

On October 6, the Saint Anne's Society held its regular monthly meeting at the Sacred Heart Community Center meeting room. Sixteen members were present.

The meeting began with opening prayers. Next, a letter from Janette Hess was read, resigning from her secretarial position. Brenda Flusche consented to finish her term. Minutes were read from last month's meeting and approved.

Thank you cards were read from Subiaco for the Society's donation to them for infirm priests, from Sister Carmelita for the welcome back supper and from Our Lady of the Lake Church in Rockwall, Texas for

the donation of 125 rosaries. Donations planned for October include for Mass wine to Sacred Heart Church and Masses for the living and deceased members.

A donation was also made for a Mass for Sister Theresina. Tillie Otto gave a reading called, "The Wisdom of Mother Teresa" and a door prize was also drawn.

Other past business was discussed including sponsoring a parish potluck luncheon after the 10:30 a.m. Mass on Sundays about three times a year. Nothing definite was decided.

Finally, the meeting was closed with the "Prayer for Vocations."

Health Notes

Urination problems shouldn't be ignored

Many men ignore problems with urination, believing them to be simply a sign of aging. But frequent and nocturnal urination, a constant urge to urinate, straining to begin urinating, or a weak stream are symptoms that need to be investigated by a physician.

They could indicate an enlarged prostate, a noncancerous growth known as a benign prostatic hyperplasia (BPH) or cancer. There are a number of ways to treat these conditions.

News of the Sick

Carol Koesler is receiving treatment and improving from injuries received in a traffic accident on October 2. She is the daughter of Alfons and Mary Ann Koesler. Get well cards may be sent to her at: Carol Koesler, Room 486 Harris Methodist Hospital 1301 Pennsylvania Avenue Fort Worth, Texas 76104

Awards presented to Lindsay Cub Scouts, Pack #1167

The Trinity Forks Chapter of the Native Plant Society of Texas presented the Texas Native Plant Society Award to the Cub Scouts on Sept. 26 at their monthly meeting at the E. Keith Hospitality Room in Denton. The Texas Native Plant Society and Boy Scouts of America jointly sponsor this award to make our scouts more aware of our state's native plants, to appreciate them for their aesthetic and practical values, and to preserve their habitats. Since 1990 when the award was first made available to Boy Scouts and Cub Scouts all over Texas, more than 100 scouts have completed the requirements. The scouts are the first from this area to earn this award.

Kathy Scott and Shirley Cook presented the scouts with Texas Native Plant Society certificates and an official Texas Native Plant Society hat. Receiving this special award were Jeff Hess,

Christopher Greer, Micah Webster, Jeffrey Zimmerer and Johnathan Zimmerer. The boys are all members of Pack #1167 in Gainesville. The pack is a member of the Frontier Trails District of the Longhorn Council.

The scouts spent several months working on the requirements with Society Liaisons Shirley Lusk and Donna Zimmerer. The boys collected native plant seeds, took pictures and identified native plants, identified plants used by Indians and learned how they were used, and completed the Native Plant Society workbook. The scouts displayed their pictures and workbooks at the award presentation.

Attending the presentation were Cubmaster of Pack #1167 Bob Webster; Teresa, Mackenzie and Morgan Webster; Jennifer Hess; Rita Greer; Michael, Donna and Benjamin Zimmerer.

SCOUTS, from left, Christopher Greer, Jeffrey Zimmerer, Micah Webster, Johnathan Zimmerer, and Jeff Hess. Courtesy photo

Blake honored on 3rd

Blake Grewing, son of Mark and Carol Grewing turned 3 on October 7. Blake celebrated his birthday on October 6 with a party at his parent's home. Attending the party were his sister Rebecca; grandparents Raymond and Peggy Walterscheid, and Joe and Theresa Grewing; Godparents Charlie Luttmir and Ramona Felderhoff. Also attending were Mike, Anita and Chris Luttmir, and Tim, Kelly, Lisa, Derek and Travis Felderhoff. Everyone enjoyed a hamburger dinner with all the trimmings and chocolate cake. Presents were opened and a video was taken.

Friday, Oct. 4, Blake shared homemade Monster Cookies with all his friends at Tender Loving Care Day Care Center.

BLAKE GREWING

Early childhood screening set for Oct. 16 in Gainesville

On October 16, from 8:30 a.m. to noon, an early childhood screening will be held at B.T. Washington School to identify children who may have handicapping conditions or might have low potential for success in school.

A child who needs to be screened is one who does not appear to act, see, hear, understand or learn as others his age.

Children who are handicapped are eligible to attend school from age 3, from birth if visually or hearing impaired. If you have a child who is suspected of having a handicapping condition and is three years old, please call the special education office at 665-

0773 for an appointment. If your child is younger than three but you are concerned call Project Kind at 665-1464. The tests include vision and hearing and motor ability procedures, as well as some learning tasks.

Before screening each child must have a permission slip, signed by a parent, giving consent for screening. Forms are available at the Special Education office located at 1420 Rice Ave. or Booker T. Washington School located at 701 Muller. Baby-sitters may bring the child in to be screened, but the form signed by the parent is a necessity.

If your child is enrolled at Headstart there is no need to attend this screening.

Noted author to speak at CC Heritage Society meeting Tuesday

A special treat is in store for everyone attending the Cooke County Heritage Society's annual meeting this year. Dr. Richard McCaslin, author of *Tainted Breeze - The Great Hanging in Gainesville, Texas 1862*, will be the featured speaker.

The *Tainted Breeze* won the Cora Tullis Award of the Texas State Historical Society for the best book on Texas history published in 1994. It also won a Certificate of Commendation from the American Association for State and Local History and was an alternate selection for the

History Book Club for April 1994.

The meeting will be held on Tuesday, Oct. 15, at 7 p.m. at the Chamber of Commerce in Gainesville. Copies of *Tainted Breeze - The Great Hanging in Gainesville, Texas 1862* will be available for purchase that night and Dr. McCaslin will be autographing.

Refreshments will be served and the meeting is free and open to the public. For more information, please call the Morton Museum of Cooke County at 817-668-8900.

Kiwanis Club plans 12th Annual Pancake Supper

The Kiwanis Club of Muenster has selected Friday, Oct. 18 as the date for their 12th Annual Pancake Supper. Serving time will be 5 p.m. to 7 p.m. Proceeds from the event will be donated to the Muenster Volunteer Fire Department and the Muenster Public Library Building Fund. Tickets may be purchased in advance from any club member and can be purchased at the club.

The Kiwanis Club encourages members of the community to support these two worthy causes by attending this event.

I certify that all information furnished on this form is true and complete. I understand that anyone who furnishes false or misleading information on this form or who omits material or information requested on the form may be subject to criminal sanctions (including fines and imprisonment) and/or civil sanctions (including multiple damages and civil penalties).

Instructions to Publishers

- Complete and file one copy of this form with your postmaster on or before October 1, annually. Keep a copy of the completed form for your records.
- Include in items 10 and 11, in cases where the stockholder or security holder is a trustee, the name of the person or corporation for whom the trustee is acting. Also include the names and addresses of individuals who are stockholders who own or hold 1 percent or more of the total amount of bonds, mortgages, or other securities of the publishing corporation. In item 11, if none, check box. Use blank space if more space is required.
- Be sure to furnish all information called for in item 15, regarding circulation. Free circulation must be shown in items 15d, e, and f.
- If the publication had second-class authorization as a general or requester publication, this Statement of Ownership, Management, and Circulation must be published. If it must be printed in any issue in October or the first printed issue after October, if the publication is not published during October.
- In item 16, indicate date of the issue in which this Statement of Ownership will be printed.
- Item 17 must be signed.

Failure to file or publish a statement of ownership may lead to suspension of second-class authorization.

Lindsay Lay Franciscans celebrate Feast of St. Francis

Members of the Lindsay Lay Franciscans celebrated the Feast Day of St. Francis of Assisi with a Mass at St. Peter's Church in Lindsay. Father Eugene Luke was the celebrant. Mrs. Lawrence Zimmerer and Annette Fleitman carried up the gifts of bread and wine.

Following the Mass members sang the St. Francis song "St. Francis, Image of the Lord." After this, Mrs. Lawrence Zimmerer read from Scripture Peter 1:3-9 - You have not seen the Christ yet but you love Him. Following were the regular Franciscan prayers and the prayer to the Holy Spirit and the Healing prayers. Next Therese Hermes, minister and other members read many petitions for the welfare of Pope John Paul II, for religious teachers, for the poor and suffering and for all the Lay Franciscan members living and deceased.

Winners at the Turkey and Dressing dinner raffle were the following: Embroidered quilt, Jewell Sweeney; \$50, Crystal Vogel; \$50, Marcella Zimmerer;

Eye exam value \$50, Randy Hermes; 4 table mats & napkins, Polly Pelzel; Fan, Mrs. Raymond Zimmerer; \$25 cash, Elfreida Hundt; \$25 cash, Gladys Bezner; \$25, Natalie Hess; Dinner for 2 Wooden Spoon, Agnes Hellinger; Clock house, Dana Walterscheid; Flower arrangement, Rudy Hess; Riunite Wine, Damian and Lucy Krahl; Lord Calvert Whisky, Gary Dankesreiter; Chablis Blanc, Mary Arendt; Dinner for 2 Center, Jewell Sweeney; Gift certificate Encore Video, Gary Dankesreiter; Baby quilt, Leroy Metzler; Silver heart necklace, Anna Bayer; Decorated enamel bowls, Clara Fleitman; Heirloom cherry planter, Irene Loerwald; Towel set, Margie Zimmerer; Maroon satin pillow, Leon Fleitmann; Cooler, Annette Fleitmann; Crystal salad bowl, Mrs. Erwin Fuhrmann; Flower arrangement, Stan Stoffels; Blue Rosary, Dana Walterscheid; Red Rosary, David Krahl; Black Rosary, Jane Otto; Blue Rosary, Cecil J. Hermes.

UNIQUE TABLE SETTINGS FEATURED at Table Top Treasures, an annual fundraiser sponsored by the United Methodist Women's (UMW) group will be held on Oct. 22 at the First United Methodist Church, 214 S. Denton in Gainesville. The event features a wide variety of table settings. Viewing hours are from 11 a.m. to 4 p.m. A luncheon will be served from 11 a.m. to 2 p.m. and dessert and coffee only, from 2 to 4 p.m. Tickets are \$6.50 each and proceeds benefit charitable projects sponsored by the UMW group. For ticket information call 665-3926.

Graveside rites held for Jeffrey Luttmer Oct. 5

Graveside rites were held for infant Jeffrey Luttmer at 10 a.m. on Saturday, Oct. 5 in Sacred Heart Cemetery. He was born on Oct. 2, 1996 in Harris Hospital in Ft. Worth to Carol Lin Koesler and Gene

Luttmer. The infant died the same day.

Survivors include the parents; maternal grandparents Alfons and Mary Ann Koesler of Muenster, and paternal grandmother, Mrs. Gertie Luttmer of Muenster. Also surviving are aunts, uncles and cousins. Preceding the infant in death was the paternal grandfather Ferd Luttmer.

The rites at the cemetery were conducted by Father David Bellinghausen OSB. Burial in Sacred Heart Cemetery was directed by McCoy Funeral Home of Muenster.

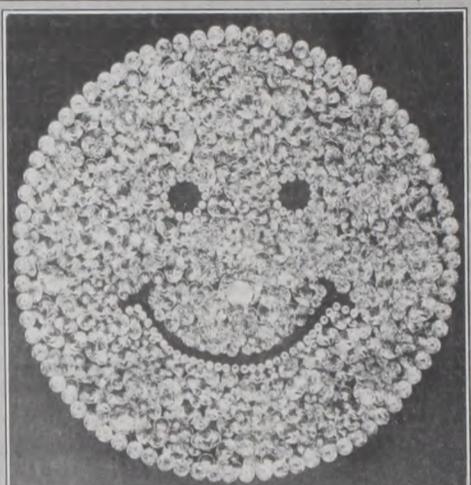

Attention Emerald Riders!

The Cooke County 4-H Emerald Riders will attend the Andalusian Horse Show at Will Rogers Coliseum in Fort Worth on Saturday, Oct. 12. Those planning to attend should meet at the NCTC Equestrian Center at 10 a.m. Saturday. For more information call Donna Schad at 665-0252.

Thank You

The family of Hank Walterscheid wishes to thank our family, relatives, neighbors and friends for the concern after his sudden death, in kindness shown us, for their gifts of time, consolation, food, flowers, Mass stipends, for just "being there" for us to turn to. We treasure Father David's sermon at the Vigil, Father Frowin's homily at the funeral Mass, and all help given by those who participated in the liturgy. We express special appreciation to grandsons and nephews who were pallbearers. The dinner provided by friends and served by the Catholic Daughters in the Knights of Columbus Hall was a great help and impressed our family. In years to come, we'll try to return favors and show our gratitude by keeping all of you in our prayers. Thanks again and "God bless you."

Louise Walterscheid and family

Country Tidings by Ruth Smith

Graveside services for Claud B. Cain of Marietta, Oklahoma were held at 2 p.m. Sunday at Mt. Zion Cemetery in Thackerville, Oklahoma. Rev. Murray McMurray officiated.

Funeral arrangements were under the direction of the Kennedy Funeral Home of Marietta.

Mr. Cain passed away Thursday, Oct. 3, at the Love County Health Center in Marietta. He was born Jan. 4, 1913 at Addington Bend, Oklahoma. His parents were Samuel Richard and Margaret Ida Tabler Cain.

Claud Cain and Vevester Orr were married Jan. 31, 1935 in Addington Bend. Cain was a lifelong resident of Love County and was a retired farmer and rancher. He was also a former deputy sheriff of Love County for 21 years. He was a member of the Thackerville Community Church of Christ.

Cain is survived by his wife, Vevester of Marietta; sons and daughters-in-law, Harold and Peggy Cain of Forestburg, Richard and Rowena Cain of Marietta, Darrell and Janie Cain of Thackerville; daughters and sons-in-law, Carol and Bill Shankles of Marietta, Claudia and Dean Pearman of Thackerville, Jerry and Delmar Shurbert of

Thackerville, Terri and Jerry Bone of Thackerville; sisters, Bertie McCannon and Ruth Hinton of Thackerville; brothers, Melvin Teafatiller of Antlers, Oklahoma, Doug Teafatiller of Thackerville and Jack Teafatiller of Marietta; 17 grandchildren; eight great-grandchildren; and several nieces and nephews.

He was preceded in death by three grandsons; a sister, Nina McCage; and brothers, Clarence Cain and Clint Cain.

Pallbearers were grandsons, Bull Shurbert, Clint Cain, Jason Bone, Cody Cain, Forrest Cain and Rod Shankles.

Funeral services for Lee McKown of Dallas were held Tuesday, Oct. 8, 1996 at 1 p.m. in Grove Funeral Home in Dallas. Mr. McKown passed away Sunday morning, Oct. 6, in Dallas.

He is survived by his wife, Faye (Fletcher) McKown of Dallas, two sons and daughters-in-law, Dr. Jerry and Marilyn McKown of Valley View, Marvin and Anna McKown of Dallas; one sister, Dorothy Roberts of Dallas; and five grandchildren. Mrs. Odessa Berry is a sister-in-law.

There will be a fundraising benefit Oct. 19 for the Perryman Cemetery at the Forestburg Community Center. The Cemetery

Association will furnish the meat, bread and soft drinks. Everyone is welcome - come and bring a salad, vegetable or dessert.

Carolyn and Raymon Wood, Tanya and Bill Stone and girls of Wichita Falls spent Sunday with Mr. and Mrs. Clifford Hudspeth.

Mrs. Gladys Balthrop and Mrs. Anna Kirk and Becky attended the activities Saturday, Oct. 5, at the Gainesville Courthouse Square.

Miss Lois Bewley and Clyde were in Gainesville Friday.

Mr. and Mrs. C.H. Christian had as their guests Saturday their son, Bill Christian; and great-grandson, Austin of Stephenville.

Christening services were held at the United Methodist Church in Allen for Laura Katherine Ragsdale Sunday, Oct. 6, 1996. Laura Katherine is the daughter of Vaton and John Ragsdale;

granddaughter of Jewel and Carroll Dill and Mason and Joan Ragsdale; great-granddaughter of Mrs. Laura Belle Jackson and Mrs. Nina McDonald of Conroe, who all attended the christening service. Others attending were Keith and Leah Dill, cousins; Judith Ragsdale and Lisa Linch, aunts. They all had lunch together after church.

MEMBERS OF SACRED HEART RED N MOTION DANCE TEAM perform at half-time in Artny Stadium for the Sacred Heart/Godley game. All ideal time to plant trees and shrubs

September, the weather is becoming slightly cooler and back-ers are slowly migrating back outdoors after a hot, dry summer. It is the perfect time to add a tree or a grouping of shrubs to landscape. Or, perhaps you have an area that needs remodeling or rejuvenating. Fall may be the best season to plant, surpassing the spring.

Many people prefer January through March for planting, but the months of September through November have distinct advantages. Roots grow anytime the soil temperature is 40 degrees or higher, but may occur all winter in Texas.

During the winter months, the root systems of the fall-planted specimens develop and become established. When spring arrives, this expanded root system can support and take advantage of the full surge of spring growth.

Fall is the optimum time to plant balled and burlapped trees and shrubs. Balled and burlapped plants have ample time to recover from transplanting and proliferate roots before spring growth begins.

There are exceptions to fall planting. All bare-root plants, including roses, and pecan and fruit trees, should not be planted now. These plants should be planted in late winter when they are completely dormant.

When buying plants for your landscape, be sure to get healthy, well-grown plants. Always buy from a reputable dealer. A person who is in the plant-selling business year-round depends on repeat customers, and only by selling his customers quality plants can he be assured of your continued confidence and business. Beware of plant bargains.

They can easily turn out to be real headaches. A bargain is no good if it dies. The price tag, especially the cheapest one, is not the best guide to quality.

Flags takes on "spooky" look during festival

Seemingly overnight, Six Flags Over Texas transforms its **Fright Fest**, the largest loweene festival in the complex, held weekends in October.

After a summer full of family excitement and thrills, 205-acre theme park takes a decidedly "creepy" tonality, with haunted actions, roaming ghouls, a 'in' zombie jamboree and Terrorplex, a collection of intense haunted houses. Fright Fest runs Oct. 4-6, 11-19-20 and 25-27.

Mania, the Black Widow, plays host to Fright Fest, appearing throughout the park, and in the newly-redesigned Southern Palace show. Fright Fest is full of

"frightfully" fun family activities, including the Creepy County Express, a train ride around the park featuring festive and not-too-frightful Halloween creatures. In Looney Tunes Land, park guests will find the Creepy County Carnival and Silky and Shucks, a pair of not-so-scary scarecrows. Children under 48 inches tall can visit the Creepy County Carnival for its trick-or-treat goodies.

The Terrorplex includes four haunted houses with the most intense thrills and chills:

Colonel Killjoy's Crazy Clown Castle; Colonel Killjoy welcomes visitors to his crazy castle where resident clowns cackle constantly as they caper about;

Mr. Megaton's Future Fright: A look into the possible horrors the future may hold;

Maze of the Lost Pharaohs: Mummy's the word here, where mangled monsters mount a manhunt for any madman who might mar the treasures of the Pharaohs;

Arania's 13 Rooms of Doom: Arania, the Black Widow Bride, still slinks through the halls searching for husband number 14.

Both "Maze of the Lost Pharaohs" and "Colonel Killjoy's Crazy Clown Castle" have a \$1 admission charge, with all proceeds going to the Longhorn Council of the Boy Scouts of America.

Alzheimer's Center seeks patients to test drugs

Two major drug trials recently initiated at UT Southwestern Medical Center at Dallas may offer hope for the millions of Americans affected by Alzheimer's disease.

UT Southwestern is one of 30 medical centers across the nation - and the only one in North Texas - testing propentofylline, an oral drug for Alzheimer's that also may be effective for patients who experience dementia as a result of strokes. If the medication proves effective, it could improve the condition of patients or at least slow the progression of Alzheimer's symptoms, said psychiatry research nurse administrator Doris Svetlik. The most common symptoms of the disease are memory loss, confusion, difficulty in finding the correct words for articulate conversation, difficulty recalling names and repetition of previous conversation.

Researchers at UT Southwestern are hoping to enroll about 15 patients and

have set a maximum of 24 patients for the study. The 48-week trial is open to men and women between the ages of 40 and 90. They also must have a relative or friend who can take them to regular appointments and respond to researchers' inquiries.

Another major drug study involves SB202026, which is being tested at 35 sites around the United States. UT Southwestern again is the only North Texas testing center. Researchers expect to enroll about 15 patients in the 24-week trial. The oral medication is intended to alleviate the major symptoms of Alzheimer's. The participants, like those in the propentofylline trial, must be coherent enough to answer researchers' questions.

Svetlik said the clinic also has several other drug trials under way. Only one Alzheimer's medication, Cognex, has received approval from the Food and Drug Administration. About 25

percent of Alzheimer's patients can tolerate an adequate dose of Cognex, and a quarter of those have shown improvement, Svetlik said.

After Cognex was approved, we had difficulty recruiting for other drug studies because everyone wanted to be on that drug," she said. "We're now starting to get more interest in these new studies as people realize that one drug doesn't work for everybody."

The cause of Alzheimer's is still a mystery although researchers have made progress in understanding the role played by genes. The new generation of medications target various sections of the brain that degenerate during the course of the disease.

Alzheimer's disease affects approximately 4 million Americans. The UT Southwestern clinic currently sees about 300 patients.

For more information about the new drug studies and other clinic research, call 214-648-8696.

Christian Singles fun day

Texoma Christian Singles invites all interested area singles to join them this Saturday, October 12, for horseback riding and miniature golf at Texoma Lodge, located on Hwy 70, west of Durant Oklahoma. Singles wishing to participate should

be at the riding stable by 4:00 p.m. Afterwards, the group will eat at Chuck's Barbecue in Calera.

For more information on this activity, other upcoming activities including a trip to Graceland of just to find out more about the group call, 903-892-8298.

Saint Jo Opry Oct. 12

Sponsors of the Saint Jo Opry announce that their October show has been set for Saturday, October 12. The opry is held in the Saint Jo School Auditorium and will begin at 7:30 p.m.

Admission is \$2.00 for adults, with children under 12 admitted free. Donations from the proceeds are made to area community projects and organizations.

Meetings Notice

A meeting of the Diabetes Support Group will take place Tuesday, Oct. 15 at 7:30 p.m. in the conference room of Gainesville Memorial Hospital. "Monitoring Your Carbohydrate Intake" is a program that will be presented by Lucy Krahl, registered dietitian. For more information, call Joan Walterscheid at 759-2271.

Attention

There will be certificates and awards presentation following the 10:30 a.m. Mass on Sunday, Oct. 15. All the present altar servers are invited to receive a special blessing and their certificates which are given by the Serra Club. Please, try to attend this short presentation. Thank-you.

Anyone who plans to participate in the city-wide garage sale on Saturday, Nov. 15 is reminded that they need to sign up and pay the \$10 fee by 5 p.m. on Tuesday, Oct. 15. All who sign up will be included on a map that gives the location of all garage sales that day.

Do you have a water leak?

Do you suspect you might have an undetected leak? If so, you can check your plumbing system in four easy steps:

1. Turn off all running water and water-using appliances and do not flush the toilet.
2. Find the water meter, read the dial, and record the reading. NOTE: The water meter is often located in the front yard near the street or in the alley directly behind the house.

3. After 15-20 minutes recheck the meter dial.
4. If no water has been used and the readings have been changed, the plumbing system has a leak. The rate (gallon per minute) can be determined by dividing the number of gallons used by the elapsed time.

If you have a leak, check a toilets for silent leak discussed in previous article: If the leak cannot be found an fixed, call a plumber.

Cooke County Electric Cooperative chose a lightning bolt for its company logo because we like the fact that it's a symbol of power and electricity. We feel it's appropriate because it fits in real well with our goal of always providing our members with reliable, low cost electricity. But the lightning bolt logo also serves another purpose. It's a great warning that electricity is very powerful and extremely dangerous. So the next time you see a Cooke County Electric lightning bolt on your monthly bill or on one of our service trucks, please let it remind you of the dangers associated with electricity. Always play it safe around electricity. We do.

Muenster FFA elects officers, names committees

Muenster FFA held meetings a Sept. 18 and Oct. 3. On Oct. 18 an officer election was held that resulted in the election of a group of students that will serve as leaders for Muenster FFA during the 1996-97 school year. Officers elected for the current school year are as follows: president, Aaron Sicking; vice-president, Jeremy Walterscheid; secretary, Mindy Endres; reporter, Jerry Stoffels; treasurer, Corey Anderle; sentinel, Shane Sparkman; freshman representative, Jim Stoffels. Also elected at the September meeting was Mindy Endres to serve as Sweetheart of the Muenster FFA chapter.

On October 3 the second meeting of the FFA was held. The following committees were recognized: Finance and

Fundraising - chairman, Corey Anderle; Supervised Occupational Experience Program and Stock Shows - chairman, Aaron Sicking; Public Relations - chairman, Jerry Stoffels; Correspondence - chairman, Mindy Endres; Cooperation and Community Service - chairman, Jeremy Walterscheid; Refreshments and Recreation - chairman, Shane Sparkman.

The officers and members of Muenster FFA are looking forward to an active and successful year in their FFA activities. The officers of the Muenster FFA chapter would like to ask for the support of the people of Muenster in their activities and educational endeavors for the current school year.

Sacred Heart students to take PSAT, PLAN tests

Sacred Heart students will be taking the Preliminary SAT (PSAT) on Tuesday, Oct. 15. The PSAT measures verbal and mathematical reasoning abilities that are important for success in college. The PSAT is the route to enter the National Merit Scholarship competition. Students taking the test will receive information from colleges. More importantly, they will receive feedback about critical academic skills.

Junior students are encouraged to take the PSAT at no cost to the student. The PSAT is available to 10th and 9th grade students, if they choose to take it. Cost for these students will be \$8.50. This is a wonderful opportunity for students to gain some college entrance test taking experiences. Each student will receive a bulletin which includes valuable hints and

test taking tips. A practice test is included.

The PLAN test will be administered to the 10th grade on Oct. 29. The PLAN includes tests in English, Math, Reading and Science reasoning. These measure academic skills and abilities. Also, included is an assessment of study skills that help make learning more effective. A section of the PLAN is an interest inventory that gives clues to jobs and careers. Students are given a planning guide which includes useful test taking tips, a brief description of the content and format of the test with sample practice questions.

The PLAN test is a valuable assessment tool at the 10th grade level. The cost is \$7.50 per student. Sacred Heart School absorbs this cost for each student.

WORLD YOUTH DAY IN PARIS, FRANCE

Sacred Heart Youth Ministry is offering the chance of a lifetime: the opportunity to go to Europe, see the Pope, and have fun with a million other people all at the same time! It's World Youth Day 1997!

We will have a meeting for all who are interested in going. It will be on Monday, Oct. 21 at 7:30 p.m. in the Community Center meeting room. Come and find out about this trip first hand! See you there!

LIFE TEEN CELEBRATES LIFE

Last Sunday, Oct. 6, Life Teen visited St. Richard's Villa again to help along with the monthly birthday celebration for October. The high schoolers and core team members sang songs from "Edelweiss" to "Rocky Top," from "This Little Light of Mine" to "Jesus is the Rock'n He Rolls My Blues Away." There was also time for drinking punch and visiting with the residents of the Villa.

While the Villa visit was going on, other Life Teen members and core were participating in the Life Chain along US 82, promoting life and protesting the killing of countless innocent babies in abortion clinics in the U.S. and the world.

From conception to natural death, life is precious, with each individual being created by God with dignity and honor. Life Teen holds fast to the principles of Life, and celebrates it, promotes it, and encourages life to the full in all things. God bless us, everyone. J.E.L.L.Y. SCENARIOS!

Okay 7th and 8th graders, Sunday, Oct. 13, at 1 p.m. is the time, the Community Center Main Hall is the place, and "Scenarios to Live By" is the topic! Come one, come all, and we'll have a ball! We make the scenario, you make the scene! Y'all bring some treats, and we'll bring the drinks! Also, we'll plan out our annual "All Hallow's Eve" party then. At 5 p.m., it'll all be done and we'll go. See you Sunday!

LIFE TEEN FIRE NITE

High schoolers, it's time for a bit of an outdoor adventure with Fire Nite! Come dressed and ready for an evening outside on Sunday, Oct. 13. Meet us at the Community Center parking lot at 7 p.m. and we'll take you for a ride! The adventure is real, if you think you can handle it (which, actually any of you can!) We'll get you back to the Community Center by 9 p.m., so come on out in trust and wonder. Come experience Fire Nite!

MISD to hold assembly and save day off

by Steve Cooper, MISD Superintendent
MISD will have a schoolwide assembly on Oct. 10 to honor students, faculty, support staff, and campus administrators for receiving an exemplary rating from the Texas Education Agency for a 3rd straight year. Special guests have been invited to this event. They include: Mayor Henry Weinzapfel; U.S. Congressman Ralph Hall; Director of Administrative Services for the Region II Service Center, Dr. David Brewer; State Senator Tom Aywood; and State Representative Ric Williamson. MISD invites anyone from our community interested to come and support our students and teachers.

A reminder to parents that MISD will have a schoolwide holiday on Monday, Oct. 14. This day was put in the calendar this year to provide a break between the start of school and thanksgiving.

Junior FFA Registration on Oct. 22

Anyone wishing to be a member of the Muenster Junior F.F.A. must register. Registration will be Tuesday, October 22 in the Muenster D Ag Science classroom at 10 p.m. Students must be a registered FFA member to be eligible to participate in stock shows. Students parents must also attend the meeting. Members social security number is also required. Muenster ISD students in grades are eligible to join.

Muenster ISD Math and Science Departments above state averages

The Muenster High School Math and Science Departments are pleased to report that their results on the End of Course exams in Algebra I and Biology are well above the state averages for 1996. Across the State of Texas there was a 28% passing rate

for the Algebra I End of Course exam. Muenster High School had a 93% passing rate for the test. In Biology, the state average passing rate was 70%, with Muenster High School getting a 100% passing rate. The high scores must be credited to the hard work of

teachers and students," stated Superintendent Steve Cooper. The Science Department is made up of Nancy Perryman and Eddie Green. The Math Department has Danna Hess, Mary Dangelmayr, Jerry Eckart, and Davelyn Neidhart on staff.

American dream," concluded the First Lady of Texas.

Another highlight of the luncheon was the swearing in of Governor's Appointment Martha McCool. Senator Tom Haywood performed the honors. Ms. McCool joins 11 others from Cooke County who have been appointed to serve by Governor Bush.

A Silent Auction featuring several items, including teddy bears autographed by Gov.

Bush, Senator Kay Bailey Hutchison, Senator Tom Haywood, Agriculture Commissioner Rick Perry, and Railroad Commissioner Barry Williamson, and a Christmas ornament donated by the First Lady, were auctioned. The money raised was donated to the Cooke County Library in honor of First Lady Laura Bush.

Cooke County Republican candidates, Janelle Haverkamp, Mike Compton, Phil Young, Bob Grundy, Doug

Dixon, and Terry Murphy, were introduced. Funds raised from the luncheon will be used to help support the county candidates and to help with expenses at the Cooke County Republican headquarters.

Entertainment during the luncheon was provided by the Sacred Heart High School Choir. They sang a medley of patriotic music to the accompaniment of Ruth Felderhoff. Pam Fette is the choir director.

IT'S HARD TO CONFRONT A FRIEND WHO ABUSES HIS WIFE. BUT NOT NEARLY AS HARD AS BEING HIS WIFE.

So you know your friend is an abuser. Do you ignore it or bring it up? Ignoring it is easy. Bringing it up is awkward. You could lose a friend. But maybe bringing it up is the only way to really be a friend. Telling him you know, telling him it's wrong, telling him it's a punishable crime, could be doing him a big favor. Maybe he needs someone to talk to. Maybe he needs someone to say, "No, it's not OK." But more important than his feelings, his wife's well-being, her very life may be in your hands. We can give you some information that may help. Call us at 1-800-END ABUSE.

Tigers win homecoming game, 28-0

The Sacred Heart Tigers took a 28-0 Homecoming win over the Notre Dame Knights at Wichita Falls Friday night, despite the eleven flags thrown against them that cost over 85 yards.

"We need to improve on our mistakes," Coach John Nasche said. "These miscues could come back and haunt us in a future game. Other than that, we were the best four quarters we've played all season."

Action began when Joel Schilling returned the opening kickoff 20 yards for the Tigers. Three plays later gained only a yard and the Tigers booted the ball away. The Knights also muffed their first drive. Their only penalty of the game was a two incomplete passes and a punt.

The Tigers next drive began with the Knight 40. On second and fourteen, a Paul Swirczynski pass to Chad Roller gained 19 yards to the 20. A pitch to Jeff Yosten took Sacred Heart to the one yard line. Two plays later, Yosten ran in from the 6 for the score. A Swirczynski to Schilling pass made the score 7-0 with 6:40 left on the first quarter clock.

Notre Dame's offense ran ten plays, carrying the ball into the end zone inside the 20 yard line before running out of bounds.

From their own 19, a Swirczynski to Roller pass play for 33 yards was followed by a yard run by Swirczynski and a 10 yarder by Schilling to the 29 on the 21 yard line. On 4th and 18, Joel Schilling went wide left to find the end zone. The PAT kicked and Sacred Heart had a 10-0 lead with five minutes remaining in the first half.

out of downs. Notre Dame carried the ball into the final quarter before punting the ball away.

From the Tiger 46, Schilling and Yosten exchanged eight runs to the Tiger 9 yard line. A holding flag and a six yard loss were followed by an interception in the end zone. The Knights took over on the 20, but it was three plays and kick and Sacred Heart soon regained possession.

From their 29, the Tigers got in good runs from Yosten, Matthew Fuhrmann, Josh Walterscheid and Duncan Campbell to the three yard line, but couldn't get the ball into the end zone. Notre Dame then played out the last minute of the game, falling to Sacred Heart 28-0.

Coach Nasche listed his player standouts. On offense, it was the passing game, with Chad Roller and Joel Schilling receiving. "The offensive line did a good job of run blocking and giving time to throw," Coach added, "Jeff Yosten and Paul Swirczynski did a nice job running the ball."

Defensive standouts were Derek Fuhrmann, John Bartush, Brad Schilling, and the defensive line that put pressure on the quarterback. Also Roller and Swirczynski for pass defense, "which has been a weakness all year long."

Special teams player of the week was extra point kicker Adam Barnhill in his first varsity game.

Hornets out-soar the Eagles

The Muenster Hornets and their fans made the long trip east to Detroit to take on the undefeated Eagles in the second week of district competition Friday night. The trip was a joyous one back to Muenster as the Hornets took their second district win, 21-13.

"It was a hard-fought victory, and a great team win," stated a joyous Coach Randy Tankersley. "We knew they were going to be real good and the boys met the challenge."

Detroit began the game with a running attack of six plays, but when they attempted to hit the airwaves, Muenster shot them down and forced a punt on fourth down and six.

Beginning deep on their own one yard line, the Hornets picked up 10 yards on two runs by Eric Miller and Jeremy Walterscheid. A quarterback keeper by Scott Hermes was good for 31 yards. Then the Muenster offense sputtered and had to punt. Two plays later, Detroit scored on a 76 yard touchdown run. The PAT was good for a 7-0 score with 3:29 on the first quarter clock.

Miller and Brian Fleitman ran five plays to move the ball 15 yards in Muenster's 2nd drive. A Miller pass to Steven Reiter was good for 43 yards to the 15 yard line. Miller picked up 9, Walterscheid one, then Miller 2, before Jeremy Walterscheid went in from 3 yards out as the 2nd quarter began. Jake Luke booted the extra point to tie the game 7-7 with just 39 seconds off the clock.

The Eagles went to the air the next drive, but only completed one of three and were forced to punt.

Muenster's next drive was shortened when Detroit covered a loose ball. Then two plays later, the Eagles scored on a 43 yard run. The PAT kick was blocked for a 13-7 score, with 4:24 remaining in the first half.

It was 3 runs and punt for the Hornets and Detroit regained possession. Their offense left the field early when Eric Miller intercepted a pass, but returned two plays later when Muenster fumbled. The Eagles played out the remaining time until the halfway break.

The Hornets offense took to the field as the 3rd quarter began. Muenster took 16 plays and just over eight minutes to tie the ball game. Runs by Miller, Walterscheid, Fleitman, Shane Sparkman and Hermes ended with a one yard Walterscheid touchdown run. The kick was blocked for a 13-13 game.

The teams exchanged punts and action went into the final quarter. From their 43 yard line, Shane Sparkman raced 54 yards to the 2 yard line. Walterscheid pushed 2 yards closer. Eric Miller took a diving leap over the Hornet offensive and Eagle defensive linemen for the score. Sparkman ran in the two extra points and the Hornets took a 21-13 lead with 8:37 still remaining in the game.

Detroit got in six good runs before punting the ball to Muenster. Miller was handed

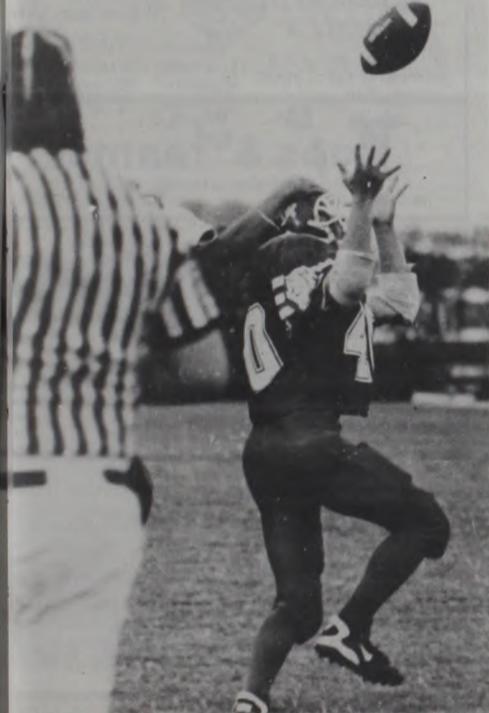

the ball seven consecutive times for 30 yards before the Hornets punted on 4th and 3rd.

The Eagles began their final drive on their 25. As time was running out, they went to the air. Eric Miller stopped any scoring threat when he picked off a pass. The Hornets then killed the clock on two plays for

Charles, Michael Boydston, Cody Perryman, Lucas Hartman, Greg Flusche, and Aaron Sicking.

On defense, Tankersley said they made adjustments at half-time that slowed down Detroit's ace running back Larry Harris. Defensive standouts included Eric Miller,

TEAM STATS

DEFENSIVE BACK GLENN DANGELMAYR may have intercepted this pass without a little interference from his opponent. Photo by Dave Fette

The Tiger defense held the Knights to minus one yard in their next drive and took over their 22 yard line. Breaking several tackles on a quarterback keeper, Paul Swirczynski followed his blockers for a 78 yard touchdown run. Adam Barnhill kicked the extra point for a 21-0 score with 2:41 remaining in the second quarter.

The Knights next drive was shortened when Chad Roller kicked off a pass, giving the Tigers possession on their 10 yard line. Two passes, an 11 yarder to Lee Skinner and a 33 yard gain to Roller put the Tigers into Knight territory. A second attempt to score, led the half with a Notre Dame interception.

The Knight offense began the second half getting in eight plays to midfield before Chad Roller picked off a pass and returned it 57 yards for a touchdown. Barnhill kicked the extra point for a 28-0 score. Again the Notre Dame offensive drive was shortened with a turnover. The Tigers carried the ball near midfield. Paul Swirczynski got in a 29 yard run before the Tigers ran

Next Action - Fannindel
 Muenster hits the road again this Friday to Ladonia to take on the Fannindel Falcons.
 "Fannindel has lots of skill people," said the Muenster coach. "They're coming off a big district win over Blue Ridge and we have another long drive." The Hornets will have to play off the top of their game and get their momentum going according to Tank.
 Action begins at 7:30. Directions to the game: From Muenster, take Hwy. 82 East through Sherman and Bonham to Honey Grove. Then go south on Hwy. 34/50 to Ladonia.

What price breathing?
 AMERICAN LUNG ASSOCIATION
 The Christmas Seal People
It's a matter of life and breath.

the win. "The offensive line came to age and dominated the second half," said Tankersley. The Hornets linemen are Cory

Jake Luke, Erik Walterscheid and tackles Charles, Hartman, Sicking and Perryman, with Boydston "doing a great job as nose guard."

Muenster JV wins Mini Kraut Bowl

The Muenster junior varsity Hornets hosted the Lindsay Knights JV last Thursday and came out with a 38-0 win.

"The whole team played great," commented Coach Randy Tankersley. "They wanted to play well and keep the perfect season going."

The young Hornets took control of the game early when Brent Sicking scored on a 50 yard sweep around the left end. The extra point failed for a 6-0 score.

Muenster scored again in the first quarter on a one yard quarterback sneak by Jesse Luke. The touchdown was set up by a 45 yard pass from Luke to Aaron Klement. The extra point attempt was no good for a 12-0 score.

In the second quarter Klement caught a pass from Luke for a 65 yard touchdown and an 18-0 lead.

The Hornets scored once more before the half. Bryan Miller scored on a 35 yard touchdown run and the scoreboard lit up 24-0.

Brent Sicking scored again in the third quarter on a 64 yard run. Jake Little kicked the extra point for a 31-0 lead.

Muenster's last score came in the final quarter. Sicking found the end zone on a 25 yard run. Little added the extra point for the 38-0 final score. Brent Sicking also covered two fumbles for the Hornets.

"I'm extremely proud of the boys efforts and looking forward to watching them improve each week," concluded Coach Tankersley.

The junior varsity Hornets took on the Little Devils of Celeste this Thursday and will challenge them again at Celeste on Thursday, Oct. 17. Game time is 7:00.

MUENSTER PUTS PRESSURE on the Lindsay quarterback, forcing a fumble that was covered by Justin Klement. Other players identifiable are Aaron Klement (11), Jeff Klement (84) and Joey Wilson (61). *Janie Hartman Photo*

Little Red plays

The Muenster Junior High football team played their first home game of the season Thursday, October 10 as they got a rematch with Savoy. The Cardinals beat the Little Red Hornets 28 to 8 earlier in the season. Muenster tied the score 8-8 as the first quarter ended.

The Hornets traveled to Collinsville last week and lost 14-6. Muenster scored on a short run by Brad Minnix and had a chance to score late but were held on downs by the Pirate defense.

Dillion Sicking, Shawn Hess, Chris Grewing, Cloy Baldwin, Chris York and Paul Fleitman all made some big plays for the Stingers.

"They deserve to come out ahead. Everyone is playing hard," said Coach Ted Heers. "We improved last week. no penalties, better tackling. We expect to give Savoy more than they bargained for."

Muenster will also host Era next week Thursday. Stingers kickoffs are at 5:30.

Cubs win over Notre Dame 6-0

The Sacred Heart Cubs slipped by the fumbling young Knights of Notre Dame Friday afternoon. The Squires dropped the ball nine times, with the Cubs recovering four.

Notre Dame's offense got in five plays before Kenneth Grewing covered a loose ball on the Squire 16 yard line. The Cubs couldn't move the ball and the Squires took over on their 28.

Notre Dame's next drive moved the ball 47 yards in 13 plays, and included three fumbled plays, before the Cubs stopped them on their 25 in the second quarter. Again it was three and over for Sacred Heart, but the next play, Nicholas Taylor covered a fumbled ball and the Cubs offense returned to the field. The Cubs couldn't get in gear and lost possession on 4th and six. Three plays later the Squires dropped the ball again. John Knabe got the ball back for the young Tigers, but the offense couldn't gain any ground and finished the first half with less than a dozen total yards and a 0-0 score.

Sacred Heart began the third quarter at midfield, after Andrea Bauer returned the kick 25 yards. Jonathan Yosten ran for 13 yards the first play. A Keith Felderhoff pass to Charlie Moster was good for ten yards, but on 4th and 2 the Cubs were stopped. Notre Dame got in a few good runs, but a fumbled play and two

incomplete passes gave the back to the Cubs. Ty Felderhoff passes to Most Moster got in a good run to 19, then took the ball in the score the next play. The extra point failed for a 6 score with 1:30 remaining in the 3rd quarter.

Notre Dame threatened comeback on the kick return but Ken Grewing caught the runner, and saved the touchdown. Two plays later Michael Miller covered a loose ball for Sacred Heart but as the final period began, the Squire regained possession.

Notre Dame's drive got inside the Cub 10 yard line, but Sacred Heart's defense got the ball back on downs.

From their ten, runs by Yosten and Moster took the ball out to the 37. A fake punt on fourth down saw Grewing get the first down. Sacred Heart played out the remaining time on the clock for a 6-0 victory.

Muenster teams compete

Muenster sent three teams to the Ponder Cross Country meet on Saturday, Sept. 28. The varsity girls finished 11th place in the two mile race. Runners, their places and times were:

Valerie Erwin	15:06
Kelly Felderhoff	15:21
Allison Endres	15:22
Stephanie Huchton	15:28
Jonna Schneider	15:35
Kristen Chisam	15:40
Kinzie Gerstberger	15:42

The junior high girls ran to a fourth place team finish, behind Celina, Decatur and Adell. Their places and times were:

Keri Felderhoff	14:25
Megan Hennigan	15:11
Kacie Garcia	15:13
Kristie Lutkenhaus	16:10
Lacy Endres	17:45
Pam. Lutkenhaus	18:16
Ashley Klement	18:31
Jennifer Reid	20:06
Brittany Haverkamp	22:40

A team of five varsity boys so competed as follows:

Jeff Klement	20:34
Vince Felderhoff	21:20
Brandon Klement	22:02
Greg Fisher	22:30
Brad Escobedo	23:49

Last Saturday, Oct. 4, four Muenster teams took part in the Alvord Cross Country meet. The varsity Lady Hornets settled for a sixth

place with 150 points. Runners were:

20 Kelly Felderhoff	14:07
30 Stephanie Huchton	14:32
36 Valerie Erwin	14:47
38 Jonna Schneider	14:48
41 Keisha Dill	14:56
42 Allison Endres	14:58
44 Kinzie Gerstberger	15:00
50 Kristen Chisam	15:08

Keri Felderhoff led the junior high girls' team. Places and times of those members were:

3 Keri Felderhoff	13:55
24 Megan Hennigan	15:23
27 Kacie Garcia	15:25
55 Kristi Lutkenhaus	16:21
83 Laci Endres	17:01
87 Jennifer Reid	17:08
5 Ashley Klement	18:09
Pamela Lutkenhaus	18:28

The junior varsity Hornets finished in fifth place with 89 points behind Bowie, Northwest, Windthorst, and Gainesville. Runners were:

5 Jeff Klement	19:30
22 Brad Escobedo	22:28
24 Brandon Klement	22:29
26 Darren Hennigan	22:37
29 John Flusche	23:44

The varsity boys also participated. Their times and places are as follows:

53 Erik Walterscheid	20:36
64 Vince Felderhoff	21:26
66 Greg Fisher	21:45
72 Bryan Miller	22:26
76 Shane Sparkman	23:09
78 Eric Miller	23:17

Contest continues

The contest must be getting easier, because in week five, scores have improved. Neil Huchton missed only five games and took the top weekly cash prize. Dave Reiter followed with 34, then there was a five way tie for third place. Wayne Klement took the honor with a 14 point difference on the tie breaker game. Mike Felderhoff missed it by 15, Mike Stoffels by 16, Tim Bindel by 17 and Mark Grewing by 32 points.

Picking 32 games correctly were Charles Edwards, Benny and Mickey Haverkamp, Darrell and Brian Herr, Bonnie and Doug Stoffels, and Terry Walterscheid.

One reason for the good scores were two "give me"

games. Chico and Godley tied and Calvary Academy canceled their game with Masonic Home. Also everyone picked three one-sided game winners, Era, Alvord and A&M.

Only one contestant picked Sacred Heart, Lindsay and Pilot Point to lose, while four missed Muenster's win, and six Gainesville's loss.

Thirty entrants missed the Rice game while only 4 picked Pottsboro over Lake Dallas.

In the tie breaker game, Kim Walterscheid guessed the final 28-0 score.

Winners picked up their prizes at last week's sponsors, Rohmer's Restaurant, 82 Liquor, and Schumacher and Krahl P.C.

Tiger JV loses to Perrin-Whitt 24-14

by Angelo Nasche

Frequent miscues caused the Tiger JV the blues, Thursday. After the first half of play, Perrin Whitt had the ball for only three offensive series but were ahead 18-14. For the Tiger JV, it was simply a case of missed tackles, lack of aggressiveness defensively, penalties and fumbles. Perrin's offense for the first three quarters was three long touchdown runs. Two by Hernandez, their talented back, on kickoff returns of 82 and 90 yards; the other was a 60 yard pass play on a third and long situation.

The Tiger JV team had

possession of the ball 80% of the time but managed only 14 points. Early in the first quarter Josh Walterscheid raced 30 yards for a score only to have it called back on a penalty. In the 2nd and 3rd quarter, key drives were stopped by Tiger fumbles. Offensively the JV performed well enough to win. Josh Walterscheid was the game's leading rusher with 433 yards. Stephen Hofbauer had 46 yards rushing and a 10 yard touchdown run. Jonathan Knabe caught two passes for 30 and 15 yards, and ran for a 5 yard TD. He made a 2 point conversion and ended up with a total of 64 yards rushing.

Knights slow Tornadoes to a gentle breeze, 35-6

The Lindsay Knights and the Gainesville State School took to the field last Friday night for a 35-6 Lindsay Homecoming victory. Between the lights going out and twenty-four penalties, game time lasted longer than expected.

"We played well, scoring every time we had the ball," said Coach Charlie Meurer. "We had no turnovers."

The Tornadoes kicked to start the game. Lindsay fumbled the return, but Jeff Bezner recovered for the Knights on their 39 yard line. Zach Bowman picked up 15 yards on the first play. The teams exchanged flags to give the Knights a first down on the 46. Bowman gained nine, but another flag put the ball back 10 yards. On 3rd and 11, Shawn Hanks and Robert Sharp worked together for a 45 yard pass play to the one yard line. Then the lights went out. After the 20 minute delay, Bowman carried the ball up the middle for a score. Aaron Krebs had a rough time putting in the extra point. Twice, the Tornadoes rushed in and roughed the kicker before Krebs got in a clean kick. With 8:43, Lindsay took a 7-0 lead. After the penalties, the Knights kicked off from the Tornado 30.

The State School's offense dominated over six minutes of play, moving the ball from their 18 to the Knight 19 in sixteen plays, before Lindsay's defense stopped them taking over on the 20.

On 3rd and one from the 29, Shawn Hanks broke open for a 58 yard run to the 13 yard line. A Bowman to Hanks pass took Lindsay to the four and on the first play of the second quarter, Hanks entered the end zone for the score. The PAT pass failed for a 13-0 Lindsay lead.

The Tornado offense again worked on the clock, getting in 12 plays to the seven. Three flags on the Tornadoes put them in a first and goal from the 30 situation, but their drive ended with a Zach Bowman interception at the nine. The Knights played out the remaining four minutes, getting in good runs by Bowman and Hanks and a Sharp pass for 12 yards, before the half-time buzzer.

Gainesville State School took the 3rd quarter kick to the 35. On the first play from scrimmage the second half, Carls Williams took off on a 65 yard run for a Tornado touchdown. Brad Perrin and Zach Bowman prevented the extra points for a 13-6 score just seconds into the quarter.

The Knights bounced right back, taking six plays to score. Hanks ran three plays for 56 yards, with Hank Huchton adding eight. Bowman had the honors, with a one yard quarterback keeper, to score. A

Bowman pass to Sharp extended Lindsay's lead to 21-6 with 8:14 remaining on the clock.

The Tornadoes got in only 2 runs, then fumbled the ball over to Isaac Zimmerer. From the air, the Knights got two good gains to Hanks and Sharp. Bowman and Hanks ran a few to the three yard line. Two Hank Huchton runs later and the Knights scored. Again Krebs took a hit on the extra point try, clearing the bars on the second attempt for a 28-6 score.

Gainesville State School carried the ball into the final quarter, but ran out of downs near midfield. From the 46, runs by Huchton and Corey Neu took the ball into Tornado territory. Huchton, Hanks and Neu advanced the Knights to the 11, where Bowman found Brad Perrin open in the end zone for another score. Krebs added the point after for a 35-6 game with five minutes remaining in the game.

Mickey Meurer's kick rolled the ball to the four yard line. The State School's offense slowly moved the ball to the Knight 31, before the clock ticked down to all zeroes.

"The offense executed very well," Coach Meurer commented. "Our defense was able to contain them, except for one play. They had some real talent."

Next Action - Callisburg

Lindsay begins district play Friday night when they host Callisburg. The Wildcats lost 7 from last season's 7-3-1 playoff team. This year they've gotten big wins over Petrolia and Henrietta, squeezed past Van Alstyne, edged out Muenster at the last minute, and lost 42-6 to Whitewrite.

"Callisburg is big, talented and has the numbers. It should be a very close game," commented Coach Meurer. "They have a big strong tailback in Toby Zachary and are big up front."

Meurer concluded that it's hard to predict an outcome - that the winner will come down to whoever makes the least mistakes.

Action begins at 7:30 at Knight Field.

THE KNIGHTS DEFENSE breaks through the line and rushes Gainesville State School quarterback Gabriel Delbosque. Aaron Krebs was the first to reach him as more teammates moved in. Janie Hartman Photo

Lady Knights win Alvord C.C. Meet

The Lindsay Lady Knights cross country team brought home the championship last Saturday from the Alvord meet. Lindsay won with 36 points, beating the host school by 30. Bowie finished third with 88, Decatur 104 and Jacksboro 133.

All seven of the varsity Lady Knights finished in the top 20. Their places and times were as follows:

4 Stephanie Fleitman	13:28
6 Molly Trammell	13:42
8 Abby Trammell	13:45
10 Bonnie Deborde	13:51
11 Sarah Trammell	13:55
12 Amanda Hellinger	13:58
18 Sadie Trammell	14:05

The junior varsity girls team finished in fourth place with 127 points. Top runners were: 2nd place, Dee Dee Dudenhoffer, 14:27; and 5th, Leah Hermes, 14:40. Rounding out the team were Dalana Cunningham, Gayle

Walterscheid, Leslie Schumacher, Amber Geray, Amy Arendt, Courtney Hoelker, and Erin Eberhart.

The junior high girls had 18 girls compete, with the top 5 finishing 5th place as a team with 140 points. Ellen Bezner was high individual for the Lady Squires, coming in twelfth place at 14:44. Others running were Deanna Meurer, Hannah Trammell, Adrian Sandmann, Melanie Brown, Stacy Garner, Jacque Bezner, Karah O'Dell, Megan Ward, Christina Otto, Dee Ann Fuhrmann, Alex Haayen, Melissa Carpenter, Angela Kirby, Ashlie Privett, Courtney Miller, Nicole Jackson, and Robin Neu.

Four varsity boys also ran in the meet. Jeff Sicking finished 39th with a time of 19:42. Keith Fuhrmann was 48th with 19:56. Also running, but not placing were Brian Covington and Jon Bezner.

Fire safety stressed for farm and home

The Cooke County Farm Bureau joins County Judge Paul Hesse, area firefighters and other businesses in promoting fire prevention and safety during Fire Prevention Week Oct. 6-12.

Farm Bureau commends all residents who have made the extra effort to clean up by removing all trash, whether solid or liquid, to improve personal safety by avoiding fires and other hazards. Thanks to our educators, also, who encourage clean-up and paint up efforts which improve our communities. Let's not stop with this annual emphasis! Let's look at weekly and/or monthly safety emphasis issues. Let's make fire safety a daily habit.

Protect yourself by keeping fire a friend:

- Read and follow instructions with portable heaters. Place them where they won't ignite combustibles or be tipped over. Never use gasoline in a kerosene heater, and make certain gasoline and kerosene containers are clearly marked to avoid a mix up.

Never use a kerosene or gas-fired heater in a closed area — have ample ventilation. Be certain you use the correct grade of fuel for your portable heating equipment.

• Choose and regularly inspect fire extinguishers that are the right size and type for the fires that might occur. Place one in or on all vehicles, motorized equipment and other machinery.

• Consider installing a sprinkler system in all new construction.

• Consider a separate locked building on a concrete pad (slab) engineered for spill containment, for storage of all pesticides, herbicides and other farm chemicals. Locate the building, if possible, to avoid toxic smoke reaching surrounding homes, shops, or businesses.

• Consider storing all fuels 50 feet or more from all buildings. Keep the area clean and place a fire extinguisher nearby. Mark each tank with "Caution," "Flammable," plus contents. Example: Gasoline, Diesel fuel, Kerosene, etc.

Not culling?

If you plan to hold onto your cows, Al Wellman, University of Nebraska, says, "Watch cost closely, revisit retained ownership and look at all the

alternatives. There's no precise answers."

Wellman advises marketing cull cows in nontraditional times, rather than this month or next when the market could be overburdened.

You have to put a pencil to retained ownership to see if it works," says Davis. "The feeder/price relationship suggests that it should if you have high-quality, high-performance calves. You also have to consider feed costs, though. If you decide to sell the calves, it needs to be done by mid-October before feeder demand declines."

Beef Today, October 1996

Never grow a wish bone where your back bone ought to be. Clementine Baddleford

County Agent's Report

by Craig Rosenbaum

AFLATOXIN IN SORGHUM

Over the last eight years, all of the Texas State Chemist Office's data suggested that the amount of sorghum contaminated with aflatoxin was relatively small and, when contaminated, the level of contamination was less than 100 parts per billion (ppb).

However, this year's sorghum crop is different. Dr. George Latimer says that contamination of sorghum appears much more extensive than in previous years and their laboratory has found values above 400 ppb. Dr. Latimer recommends those who wish to use sorghum in their rations need to test product before use and those who sell need to test the shipment before delivery to ensure that its label accurately represents the level of aflatoxin contamination.

Remember that feed grade sorghum can circulate freely and unlabeled only if the aflatoxin contamination is less than 20 ppb.

If there are questions, you can call the Office of the Texas State Chemist at (409) 845-1121.

NEED A PESTICIDE APPLICATOR LICENSE?

Agriculture producers who currently need the training and testing for a Private Applicators License through the Texas Department of

Agriculture will have the opportunity to complete the required training on Tues., Oct. 15, or on Wed., Oct. 16. The training will be held at the County Extension Office at 5 p.m. Oct. 15 or 8 a.m. Oct. 16.

The test will be given by Mark Evans, Texas Department of Agriculture at 5 p.m. on Oct. 16 at North Central Texas College. Contact the County Extension Office at 668-5412 to enroll in the training and testing session.

FALL RECERTIFICATION SHORTCOURSE

A two-night Fall Recertification Shortcourse for Pesticide Applicators will be held Oct. 16 and 17 from 6 to 9 p.m. in the Little Theater at North Central Texas College. Each night producers will be offered three Continuing Education Units toward recertification of their pesticide license. This will give producers an opportunity to get a total of six CEU's if they attend both nights.

A variety of topics will be covered including Beneficial Insects, IPM, Result Demonstration Work, Pasture Management and Herbicides, Laws and Regulations, and Right to Know.

In addition, Commercial and Non-Commercial Applicators holding Texas Department of Agriculture licenses may also receive Continuing Education Units.

Rain brings army worm.

The recent rains have been welcomed by producers, but the greenup process has brought many infestations of army worms and the fear that what little crop is available will be defoliated, reports the Texas Agricultural Extension Service.

Forrest Mitchell of Stephenville, Extension research entomologist, said this year's wetter climate could be conducive to the fall army worm, but he added that currently this is only speculation.

James Robinson of Overton, Extension entomologist, said they have had more applications this year than in the last 20 years. He said some producers have sprayed three times to get the army worms under control.

The army worm is normal for this time of year. When it feeds, Robinson said, the army worm larvae strips the foliage and then moves on to the next

Cattle sales remain up

As operators move cattle around this fall, the stream of cows to slaughter is expected to remain bank full.

"Texas is pretty much done with liquidation. But for other states, there is properly too much pain in carrying cattle through in winter," said Ernie Davis of Texas A & M University.

"Cow liquidation has been at 205 of more every week since spring," comments Doane Ag Services' Paul Justis who believes liquidation will stay in double-digit percentages well into 1997.

Cows slaughter for the year will total 7.1 to 7.2 million head and another 6.7 to 6.8 million head could be liquidated next year.

available food which could be any kind of small grain or grass.

The fall army worm is most often found in pastures and hay meadows in late summer and fall," Robinson said. "It inflicts serious damage in East Texas to common Bermuda and the hybrid Bermudas."

Robinson's advice is if you need the forage for hay or grazing, keep a close eye on the worms.

The quality of forage has a lot to do with it. If you had good quality forage you probably got army worms," Robinson said.

Mitchell suggests not treating for army worms until it is known that they are destroying the crop.

Leave it (the crop) alone unless you are certain they are eating the entire crop," Mitchell said. "The cost of treatment versus the return of the pasture has to be taken into consideration."

Robinson says that producers should treat for the army worms when populations reach three to four worms per square foot.

Mitchell recommends cutting the forage for hay or grazing it down to kill the worms, but he adds that if this is not an option there are some products to use to rid the crop of the worms.

Sevin products are the safest and the cheapest. Treatment by air is expensive, but the best way to deal with them because application by ground requires a longer harvest time," Mitchell said.

Sevin has up to a 15-day harvest waiting period if applied by ground, so Mitchell suggests aerial spraying.

Pet poison

When someone mentions the word "poison" we usually think of a bottle of lethal powder of liquid deliberately given to an unsuspecting animal. Many ordinary, around home items can be quite harmful.

Antifreeze is one of the most potent of these. It has a sweet taste that attracts many animals, including dogs and cats. Upon ingestion, the chemical is quickly absorbed and metabolized to form certain acids. These acids combine with calcium and cause crystals to lodge in the kidney tubules. Animals that become toxic from ingesting antifreeze die from kidney failure.

Why do dogs eat grass?

For hundreds of years in the wild, dogs enjoyed a well-balanced diet of fresh, raw foods. Today, however, many premium brands of pet food rely on processing techniques known to destroy natural vitamins, minerals and enzymes which dogs require for optimum health.

Experts say that's why dogs chew and eat grass, it helps them meet an ongoing need for the nutrients their diets are lacking due to heat, freezing and factory packaging.

What's in a name?

American name fashion is highly volatile, and is considerably according to the child's ethnic background and the influences of popular culture. For example, in 1970 Jennifer was popular because of the heroine in the movie Love Story. In 1980, it was Tiffany, after one of Charles' Angels.

For the 1990's, Brittany and Michael are the number one girls and boys names in the United States. Michael topped every U.S. list for 30 years. Others on the top 100 list: #2-Ashley & Christopher; #3-Jessica & Matthew; #4-Andi and Joshua; #5-Sarah & Andrew; #6-Megan and James; #7-Crystal & John; #8-Samantha & Nicholas; #9-Stephanie & Justin; #10-Katherine & David.

The most common surname in the U.S. is Smith, far Johnson. Followed by Williams, Brown, Jones, Miller, Davis, Martin, Anderson, and Wilson.

The most common surname of German origin in the U.S. are Myers, Schmidt, Hoff, Meyer, Schwarz, Schneider, Zimmerman and Klein.

Keeping an eye on Texas

Cattle: King of ag market

The cattle industry is one of the largest in Texas. Cattle sales made up almost half of all agricultural cash receipts and exceeded receipts of natural gas produced in the state in 1995.

Texas agricultural cash receipts 1994
