

Experienced officers seek sheriff's post

by Janet Felderhoff
Both men seeking the position of Sheriff of Cooke County have many years of experience in law enforcement. One spent most of his time as a police officer and county sheriff, the other gained his experience while working as a highway patrolman.

Mike E. Compton, 51, has been a trooper with the Texas Highway Patrol for 27 years. He has worked in Cooke County for the last 22 years. Of those 22 years Compton said he worked primarily through the Cooke County Sheriff's Department. During that time he has watched the day to day operations of the sheriff's office from the time when it was much smaller than it is now. "I watched it grow and obviously became familiar with the manner in which the sheriff's office worked," said Compton. He also has an associate's degree in criminal justice and as over a thousand hours of training that is recognized by CLOSÉ. "This training and the fact that I have been here in this county for so long and observed and worked with the sheriff's office, through the sheriff's office, and in the

MIKE COMPTON
REPUBLICAN

sheriff's office has given me an idea about how a sheriff's office in this county needs to be taken care of," he explained. Compton retired August 31, 1995 after deciding to seek the sheriff's office as a candidate on the Republican ticket.

BILL PRATT
DEMOCRAT

Joe Nichols. Nichols resigned last October for personal reasons. Pratt has been a police officer for 26 years. He served 16 consecutive years as sheriff of Cooke County before being defeated by Dan Tiller in 1980 and has served one year by appointment. He has attended numerous police schools of various kinds.

BILL PRATT

On Oct. 17, Bill and his wife,

Gala, celebrated their 47th wedding anniversary. They now live in the Gainesville area. Since being appointed sheriff last year Pratt says that in the past year that he has served as sheriff he has missed three days being at the county sheriff's department. "I believe that a county sheriff serving the taxpayers of Cooke County should be available at all times and not depend on other people to do their job," he stated. Pratt also attends all of the Commissioners Court meetings. He said that he was asked by Judge Paul Hesse to attend or to have someone from his department to be there. The statutes say that the sheriff should be available to Commissioner Court, he said.

Pratt's definition of a good county sheriff is one who is willing to work for the taxpayers of the county. The

qualities and qualifications that he looks for when hiring an employee for the sheriff's department depends on what department he is hiring for. "The patrol officers have to be certified police officers by the state of Texas to be qualified to be hired," he said. "I check their background before hiring. I always have them interviewed by at least two other people in the department. The jailers: the jail administrator interviews them. They have one year to get their certification as a jailer, which is two weeks of school that the state says they have to have and pass. You have one year after you hire them before they have to have that certification. Dispatchers, bookkeepers, and the secretary: on interviewing you decide whether to hire them or not. After that you have to school them to meet

certain requirements and you have one year to do that."

As far as budgets are concerned Pratt remarked that he has prepared 16 years of budgets for the county sheriff's department. "Last year I operated under the budget that was prepared by the sheriff that resigned," he noted. "That budget was \$1,332,000. When I took office at the end of the budget year I had \$40,000 left that I did not spend by being very, very careful by allowing the money to be spent that belongs to the tax payers of Cooke County."

To deter criminals from coming into Cooke County from the Metroplex and committing crimes Pratt says, "You make all the arrests that you possibly can, do your investigation and file your complaints with the district attorney or the county Please See SHERIFF, Page 2

Endres Motor reflects on 50 years of business

by Janet Felderhoff
For everything there is a time and for Endres Motor in Muenster it is the time for celebrating. The occasion is the anniversary of their 50th year of business. Celebration plans include customer specials all month. On Saturday, Oct. 19 KXGM will broadcast a live remote from Endres Motor. There will be free refreshments and opportunities to win a variety of prizes. The public is invited to attend Saturday and also Monday, Oct. 21 at 10 a.m. when Ford will present a 50

Kirk, who is now general manager, added that Marty really wanted to make the 50th anniversary. He died Nov. 24, 1995, 11 months short of the anniversary, after a lengthy struggle with cancer. Marty's son, Karl Klement became a business partner after his father's death.

"Jane and I certainly want to thank all of our customers for all these years," said Urban. "I guess we've sold close to 25,000 new and used vehicles."

Eugene Klement bought the first pickup from Endres Motor and paid \$1165 with tax, etc.

those right hand brake controls. We used standard transmissions then because we were told that if they learned to drive standard transmissions, they can always learn to drive an automatic." That was started in about 1951.

"I heard people comment that their children were taking driver's education in vehicles from the same place they did," commented long time employee John Yosten. "So it's gone full circle at least once."

Part-time jobs are another benefit that local teens get

URBAN AND JANE ENDRES EXTEND A WARM INVITATION to everyone to visit Endres Motor Company during the 50th Anniversary Celebration, especially for the awards presentation at 10 a.m. Monday morning, October 21. Photo by Dave Fette

car award to Endres Motor. Antique Fords will be on display both days.

Succeeding Herr Motor Company as Muenster's Ford dealership was a business decision that proved to be a lasting and fruitful one for Urban Endres and Muenster. In October of 1946 Urban purchased from Adolph "Shorty" Herr the land and building located at the northeast corner of Main Street and Highway 82 and renamed the business Endres Motor Company.

One of Urban's first employees, Martin Klement, became a partner in the business in 1956. "Marty was really the guiding light, especially in the last few years," remarked Urban. "We've had a wonderful relationship. A lot of the success is due to Marty's tireless efforts and also the employees. There hasn't been such turn over." Marty's son

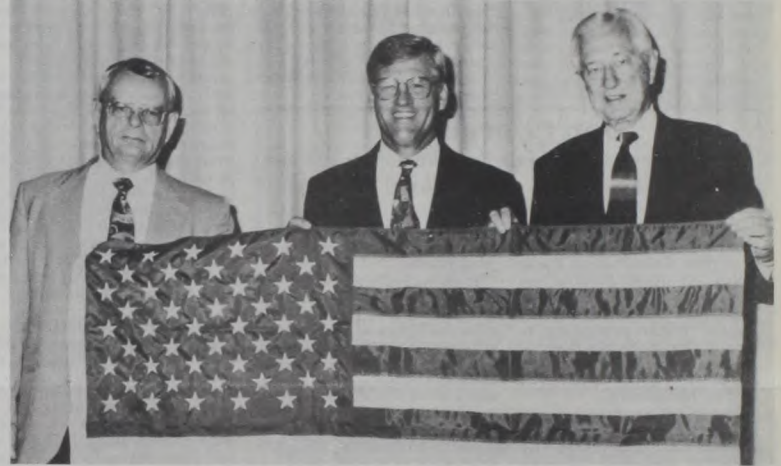

Now a regular cab, two-wheel drive pickup sells for \$16,000. Urban has since bought the vehicle back from Mr. Klement and has completely restored it. It is displayed in Endres Motor's showroom.

A heater was added later, probably on a trip up north during cold weather. John Yosten said that the heater was powered with gasoline off of the fuel system. It was installed in the pickup's cab. "They put out the heat," said Endres. "We sold a lot of them." "Kind of like having a propane grill in your cab," joked Yosten.

"We were the first dealer that I know of to furnish driver's training cars for the schools," reflected Urban. "Driver training was a new program and we jumped on it. Later Ford helped with a little incentive, but at first they didn't. It was all on the dealer. We furnished Lindsay, Saint Jo, Muenster, and Sacred Heart. We fixed them up with

from Endres Motor. There have been numerous teens who found employment with the company. Many of Endres' former employees later went on to operate businesses of their own after work experience gained at the dealership. There are 20 full-time employees at the dealership.

Endres Ford has set a goal of selling 50 new cars and trucks during their anniversary month. They are offering tremendous deals on the vehicles to accomplish this goal. The new vehicles are priced to sell at \$50 over invoice. Oil changes are offered for \$5 for the whole works during October. This is a popular deal and they are being booked as quickly as the employees can do them. Front end alignments and tire rotations are being offered for \$50. Also a protection package which is an undercoating for the vehicle, an interior fabric Please See 50 YEARS, Page 3

Bill Black named KC's "Good Neighbor of 1996"

by Elfreda Fette
Bill Black of Myra has become a member of an elite group of men honored by the Muenster Council Knights of Columbus #1459. The two-part ceremony naming him the winner of the "Good Neighbor Award" was held Sunday, Oct. 13, 1996, in their annual observance of Columbus Day.

Black and his family and several special friends were guests of the Knights of Columbus at the 8 a.m. Mass in Sacred Heart Church Sunday morning. The announcement was made there by Tom Felderhoff, Jr., Deputy Grand Knight.

Felderhoff explained in a brief history of the award that when forty-five charter members formed Muenster Knights of Columbus Council #1459 on January 16, 1910, they began a local tradition of faithful service

to God and their community. Since that date, there have been energetic and enthusiastic members who give generously of their time in promoting the council's welfare by their untiring and faithful service. In observance of Columbus Day, the Knights of Columbus hold their Good Neighbor Award Breakfast. Every year, they honor someone of another Faith in the ecumenical spirit of encouraging greater harmony among creeds. The award is presented to someone whose pursuit of excellence is exemplified by his love of God and love of his fellow men, whose generous contributions and extensive services to the community are performed in a gentle, quiet manner, shunning all publicity.

"In this spirit," said Felderhoff, "the Knights of Columbus salute the 1996

winner of the Good Neighbor Award, Bill Black!"

The breakfast and program followed in the KC Hall.

Master of Ceremonies was Tom Felderhoff, Jr. Father David Bellinghausen OSB led the invocation. Wade Walterscheid led the Pledge of Allegiance. Bob Bauer welcomed all attending, and related a story about a school getting ready to present a Christmas play.

The nuns and teachers were scurrying about helping children with costumes and their places on stage. The pastor was in the aisle greeting parents. Just before the curtain was to open, a nun rushed up to the pastor saying, "Oh Father, the worst has happened, we have forgotten the Baby Jesus!"

After barely a second the pastor responded, "Yes Sister, See NEIGHBOR, Pg. 10

Letters to the Editor

Letter to the Editor.
SERVICE TO HUMANITY
 If you had to choose which of Muenster's assets were of most value, which would it be? If you've lived here for any amount of time, the answer is clear - it would be our citizens, our people, our friends. Muenster has always been a place where anyone could talk to anyone. If someone needed a favor, they didn't have to ask twice, and if anybody was down on their luck or ill, people stumbled over one another trying to help.

Muenster can also pride itself in the numerous civic organizations that work to make this even a better place to live and raise our children. These organizations are doing their best to help anyone that is really having a tough time. Recently we've had several friends in our community suffer setbacks. Of course, people came "out of the woodwork" to come to their aid, but sometimes that's just not enough.

The Muenster Jaycees are trying to help the Fred Koesler family as much as they can. Over the years the Jaycees have held dozens of projects and donated tens of thousands of dollars to families who were "hurting." The Jaycees could not have done this had it not been for Germanfest and the good, generous people of this community who help us fund our projects and back us.

We have a plan to help Fred's family and have a lot of fun, too! On October 26, we are sponsoring a benefit Halloween dance. All proceeds will go to Fred, and we want to make it a great one! We've had some help, but we need more! For example, the Community Center was donated by the First National Bank of Saint Jo. Andy Serna

and the Captive Hearts Band gave us a really good deal and the Muenster Knights of Columbus paid for that. The Jaycee wives are fixing the food and the local beer distributors are helping out. Community Lumber Co., Beta Kappa, and Valenite have all made contributions. Sacred Heart Student Council is manning the doors and Dianne Walterscheid is donating her drawing and painting talents. Fischer's Meat Market is helping with food donations. Ed and Ginny Schneider and Terry Hess are preparing food.

Fred's entire family has been helping with raffles and coordinating this benefit. As a matter of fact, you'll have a chance to go home with items donated and made by Fred's family. It will be a fun-filled night with lots of surprises, which will include a chance for a weekend get-away trip.

We are still asking for help - if you can send food, we'd appreciate it! If you can send money, Fred would appreciate it! All donations will be posted on a giant billboard at the dance.

The best part of this project is that it involves the entire community. We've never had as many people volunteering their time and help for a friend in need. The last line in the Jaycee Creed states "Service to humanity is the best work of life." You could make your best work of life on October 26. The Jaycees and the Koesler family hope to see you there. We realize there are others - we'll be there!

For food donations contact Terry Hess at 759-4555 or Ginny Schneider at 759-4153. For table reservations or monetary donations contact Claude Klement at 759-4579 or Wayne Klement at 759-2739.

Don't Forget!

The Muenster Kiwanis Pancake Supper will be held Friday night, Oct. 18, from 5 to 7 p.m. in the Muenster ISD Cafeteria.

To the Editor:

In 1920, a man named Roger Nash Baldwin formed an organization called the American Civil Liberties Union. While professing to guard the civil liberties of persons in the U.S., the ACLU has actually been the enemy of God in this country.

The ACLU has been actively involved in removing God from the school classroom by helping Madeline Murray O'Hair in her fight against school prayer. The ACLU has been involved in forcing cities to remove the religious symbols of Christmas from public property, saying these symbols violate the separation of church and state.

The so-called separation of church and state is not in the Constitution. This fabrication has been perpetuated by the ACLU. The ACLU has been active in seeing to it that the American flag can be desecrated and burned, all in

the name of "free speech" and "civil liberties."

It seems in the agenda of the ACLU the civil liberties of criminals are more important than the rights of law-abiding citizens. The ACLU has been responsible for the removal of the Ten Commandments from many public buildings. A judge in Alabama has been on trial for displaying the Ten Commandments in his courtroom.

This country was founded on the Judeo-Christian principles found in the Bible and had remained the basic tenet of law in the U.S. until the ACLU started waging war against God and Christians.

In a public forum of candidates, Thomas (Larry) Claxton, candidate for Cooke County District Attorney, announced he is a member of the ACLU.

SHERIFF

Continued from Page 1

attorney for prosecution to keep them from coming in because they know they will be prosecuted."

Some time after Sheriff Pratt took office last year there was some controversy within the sheriff's department after some employees were fired under the "at will" policy. Asked what his understanding of this policy was Sheriff Pratt said, "The at will policy is set by the Commissioners Court of Cooke County, approved by all office holders of Cooke County. That is the way you are hired. You sign a pledge to that effect when you are hired. Any employee that is hired by Cooke County knows that is part of the employment. It is not a sheriff's department doing." His grounds for discharging someone are, "If they don't follow the personnel policy or the rules of the department, are made aware of it, and are aware that they are subject to being suspended."

Asked how involved he is with the day to day operation of the county jail Pratt said that the jail administrator is in charge of the county jail. He oversees the operation of the jail. The sheriff in turn has to help him with certain problems that arise that's directed straight to the sheriff and you have to be able to take care of these problems. That's about every day that goes by that you have to deal with something."

MICHAEL E. COMPTON

Mike will be married to the former Lynne Wheeler of Gainesville for 20 years this November. They have three children, Amy, Matt, and Cindy. His wife is a teacher with Gainesville ISD. They live in the Gainesville area. Compton says he is pleased to have the opportunity to run for the office of sheriff and if he is elected he will give 110 percent.

The definition Compton gave of a good county sheriff is, "A person who knows the law, knows his community, is willing to put in the time and the effort to accomplish the tasks that need to be accomplished. Crime needs to be prevented and this is a multi-faceted deal through community cooperation, education, and enforcement and patrol."

When hiring employees for the sheriff's department Compton said that obviously by law you would look for someone who was licensed and qualified and if they aren't they would have to be trained and certified. "I would look for someone who was willing to enforce the law, understanding the risk that is involved because each time that an officer goes to work, every day, he is making a statement that he is willing to lay his life down for someone else and this takes a special quality. You have to have an individual who is willing to serve his community. He has to like the people. He has to be able to think on his feet and have the ability to

make decisions in stressful situations and he has to think more of others than he does himself."

Although Mike Compton has never managed a company since he spent his career as a state trooper he does know something about budgets. He says that he knows not to spend more than he makes and that if he doesn't have money then he can't spend money. "I have an excellent credit rating myself and I know how to manage my own affairs," remarked the Republican candidate for sheriff. "The budget in the sheriff's office is set for this year and by the time a new budget rolls around I will be well trained."

As to knowledge about the day to day operations of the county jail, Compton said that he has attended basic jailer's school and is a certified jailer by the Texas Jail Commission. "In watching the day to day operations of the jail, and as many people as I've put in jail, I know how it is done."

Asked about his understanding of the county's "at will" employment policy Compton responded, "I'm not sure what at will means. If a person is going to work for me, I'm going to expect them to follow the rules, regulations, and laws that everyone else in the department has to follow. If a person is doing this, then I can't see how the term "at will" can even apply. It looks to me Please See SHERIFF, Page 3

PROCLAMATION

COOKE COUNTY COMMISSIONERS COURT PROCLAIMS OCT. 21-25 AS RED RIBBON WEEK

WHEREAS, the Congress of the United States proclaimed the first Red Ribbon Campaign in 1988 as a drug prevention movement, WHEREAS, in an effort to combat the continuing demand for drugs in our State, it is imperative that members of our communities launch visible, unified prevention education efforts directed toward both youth and adult age groups; and

WHEREAS, Commissioners and employees of Cooke County can become part of the solution to the national tragedy of Substance Abuse;

WHEREAS, individuals and groups in business, government, law enforcement, education, religious institutions, sports teams, and service organizations, as well as youth, physicians, senior citizens, members of our nation's Armed Forces, and others will demonstrate their commitment to drug-free, healthy lifestyles, by wearing and displaying Red Ribbons during Red Ribbon Week;

NOW, THEREFORE, I, Paul F. Hesse, Cooke County Judge, do hereby proclaim the week of Oct. 21-25, 1996 as Red Ribbon Week and call on all citizens to join me in participating in the Red Ribbon Campaign to eliminate illegal use of drugs in our community and demonstrate a personal commitment to a high quality of life for the youth and adults of Cooke County, Texas and throughout the United States. IN WITNESS THEREOF, I have hereunto set my hand and caused the Seal of Cooke County to be affixed this 14th day of October, 1996.

rotection, and paint sealant is offered for \$50. The regular charge for this package is \$349. His offer is good for any new or used vehicle that Endres sells during October.

At one time there were five dealerships in Muenster — AMC, Chrysler, Plymouth, Ford, Chevrolet and Pontiac. Now Endres Ford is the only dealership. Asked about the company's success Urban said, "I think the employees, the education and honesty of our employees in their relationship with our customers. You can't be successful in business without dedicated people helping you. It's not a one man show, never has been, never will be."

When the Chevrolet dealership closed in Muenster, Urban said that a lot of people commented that now they would have it made. "Really it's a few people less reason to come car shopping over here," he said. "As far as our profits or number of sales that didn't change that much."

"It is advantageous to have competition and other drawing cards. Other dealers were our

drawing card," Urban added. Urban told of a time when Marty was trying to sell a car to Tim Stormer. Stormer thought that he was charging too much. Marty asked Stormer how much he thought he should make off the deal and Stormer said, \$500. Marty said that he would only make \$280. Stormer told him to raise the price \$220 and he would buy it.

"I've always felt that our success is our repeat customers," reflected John. "We do get some new customers, but our main business has always been the repeat customers, the guys that come back again and again and again."

"In the Metroplex you've got 10,000 people a month coming into the dealership, you've always got new people driving in," Urban said. "Here you've got to deal with the same people over and over again. If you don't treat them right, you're not going to get them."

Although Endres Ford has remained in the same location since its beginning, a new building was built in 1951. Two

years ago they bought the adjacent Seyler building and the adjoining lot. After some major remodeling there was more office and show room space, as well as much more lot space to display vehicles.

"Technology has come so far," remarked Yosten. "People say, 'They don't build them like they used to.' They need to drive one of those that they used to build. I had an opportunity to drive a '57 the other day. I was real partial to the '57." After driving it and putting up with poor steering and lots of noise he was ready for the cars of the '90s.

During the dealership's 50 years they have had the pleasure of introducing some popular models such as the '55 T-Bird, all new '49 Ford car, 1957 Starliner, the 1965 Mustang, and many others.

Endres Motor is an award winning dealership. They have won the North American Customer Excellence Award, the second highest award given by Ford Motor Co., at least 28 out of the last 34 years. There have been sales awards, service awards and many other awards and citations.

SHERIFF

Continued from Page 2

like if a man or a woman is doing what they get paid to do then everything ought to be okay."

To deter criminals coming into Cooke County from the Metroplex to commit crimes Compton said, "This is where your good patrol comes in. The secret to a good sheriff's office is the deputies and the work that they do. If they are familiar with an area and the people in the area, then they are more likely to spot something that is out of place. Also it is important that the sheriff's office have a good communication with the public that they serve because if someone comes into an area the people that live in that area are going to know it. If they trust the sheriff's office they are going to want to send this information to the sheriff's office to be checked out. That's the job of the sheriff — to make sure that the community has confidence in their sheriff's office. It is the sheriff's job to build a relationship with the community he serves."

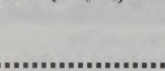

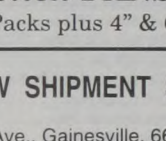

Benefit dance, barbecue and raffle set for Sunday, Oct. 20

To raise money to purchase Christmas presents for abused and neglected children in Cooke County, a benefit dance and barbecue have been planned for Sunday, Oct. 20 at the Gainesville VFW from noon to 5 p.m. Music is by Jr. Hutchins and the Ramblers Band. Donations of \$5 per person are requested.

A raffle will also be held for a 25 inch remote control color television set and a state school smoker. Tickets are now on sale at the Gainesville VFW. Raffle tickets are \$1 each or 6 for \$5.

Door prizes will be given away.

Andrew Fleitman, 91, dies on Oct. 14 in St. Richard's Villa

by **Elfreda Fette**
 Mass of Christian Burial was held for Andrew Henry Fleitman who died in St. Richard's Villa on October 14, 1996, at 10:15 p.m. at age 91. Officiating the Mass on Thursday at 10 a.m. were Father David Bellinghausen OSB, Father Frowin Schoech OSB and Father Harry Fisher. Father Frowin was celebrant and delivered the homily.

ANDREW FLEITMAN

Among those who participated in the funeral liturgy were nieces and nephews, great-nieces and great-nephews.

Patsy Hermes gave the First Reading from the Old Testament and Helen Prescher gave the Second Reading from the New Testament. Dorothy Fleitman read Petitions and Prayers of the Faithful at Offertory. Brandy Gilpin and Mark Fleitman presented Offertory gifts at the altar.

Eucharistic Ministers were Carol and Ben Fleitman Jr. Kenny Fleitman, and Imelda Rohmer, a close family friend. Mass servers were Matthew Fleitman, Lee Skinner and Philip Fleitman.

Presenting sacred music were Ruth Felderhoff, Christy Hesse, Emily Klement and Pam Fette. Selections included "On Eagles Wings", "One Day at a Time", "Psalm of the Good Shepherd",

Charles Fleitman. Honorary pallbearers were Paul Fleitman, Robert Fleitman, Gus Fleitman, Ben Fleitman Jr., Pat Fleitman and Eugene Fleitman.

At Sacred Heart Cemetery, the crucifix from Andrew's casket was given to his sister, Anna Jostwerner, who attended the funeral in a wheelchair. She is a resident of St. Richard's Villa.

Andrew Henry Fleitman was born in Muenster on January 11, 1905 to community pioneers, Joseph Fleitman and Catherine Roewe Fleitman. He was a lifelong member of Sacred Heart Church, a farmer, and lived his entire life in the Muenster area.

Even in old age, Andrew Fleitman was known for his phenomenal memory — he was an accurate source of much local history. He never forgot the birthdate of any family member, and especially endeared himself to nieces and nephews, correctly recalling their birthdays.

Survivors are one sister, Annie Jostwerner of Muenster, and two brothers, Ben Fleitman Sr. of Muenster and Herman Fleitman of Gainesville.

Preceding him in death were his parents; one sister Elizabeth Fleitman and three brothers, Joe, August and Anton Fleitman.

Moisture count improved for area

After enduring one of the driest winter, spring and early summer's on record, area residents were relieved to be blessed with drought ending rains in July, August and September. The rain made a big difference to farmers and ranchers who depend on hay for winter feed. Many were able to get more cuttings. Pasture grass also looks much better. Ragweed and fall flowers are bountiful this year.

Agreement announced in Red River dispute

It has been announced recently that a tentative agreement had been reached in the Red River Boundary dispute. The Texas Red River Boundary Commission offered a proposal to the Oklahoma delegation that has been accepted in principle. This dispute, dealing with the exact border between Texas and Oklahoma along the Red River,

has existed since the Louisiana Purchase almost two centuries ago.

The agreement designates the vegetation line on the south bank of the Red River as the official and permanent boundary between Texas and Oklahoma. The vegetation line is defined as relatively stable grasses, shrubs, trees and other vegetation that is closest

to that part of the riverbed that remains bare due to the natural wash of the river. Both Governments are set to adopt the agreement in November with the respective Legislatures expected to ratify in the spring.

Law enforcement officers on both sides of the border have breathed a collective sigh of relief due to the agreement.

It Was News Then ...

50 YEARS AGO

August 30, 1946
 Robert Yosten, 63, Muenster pioneer dies. Three inch rain breaks siege of heat and drought. Two burglaries in town take loot of only \$115.00. Thieves clip fence and steal fencing worth \$150.00. Delivery of a transformer by Texas Power and Light Company will result in lighted ball games for remainder of season. Wedding: Theresa Hirschy and Jimmy Lehnertz marry in Sacred Heart Church.

30 YEARS AGO

August 26, 1966
 Father Alcuin Kubis is on a two-month tour of Europe. Muenster Public Library presents Reading Certificates to 100 children. Another shower boosts rain total to 5.89 for August. Soil Conservation Service is visited by agricultural engineer from Turkey. Three men receive degrees at North Texas State University, Douglas A. Hellman, Masters degree in psychology; James Myrick, Bachelor's degree in business administration; and Alvin Hacker, Bachelor's degree in

accounting. New Arrivals: a son for Mr. and Mrs. Mark Hermes; a daughter, Charlene for Mr. and Mrs. Herbert Schmidkofer; a son for Mr. and Mrs. Jim Voth; a daughter for Mr. and Mrs. James Whitt. Wedding: Patricia Endres and Lamar Owens are married in Sacred Heart Church. Enrollment at Lindsay School reaches 300 - 21 over last year.

Family reunion held by Koelzer-Hoenig clan

The descendants of Aloys and Elizabeth Koelzer Hoenig met for a reunion from 2 p.m. to 7 p.m. on October 5 at St. Peter's Parish Hall in Lindsay.

About 125 people attended the event, which was hosted by the family of Tony and Aileen Hoenig of Muenster.

Dinner, consisting of hot and cold dishes and desserts furnished by those in attendance, was at 5 p.m. Welcoming remarks and Grace were delivered by Danny Hoenig of Denton.

Floral arrangements were presented to surviving children of Aloys and Elizabeth Hoenig, including Joe Hoenig of Muenster; Tony Hoenig of Munday, Texas; Tillie Otto of Muenster; and Clara Stanley of Seagraves, Texas.

Aloys Hoenig was born Sept. 21, 1863 in Siegfriedswalde, E.P., Germany. He died April 10, 1933 in Muenster. A farmer, he also operated Hoenig Bros. General Store in Muenster with his brother, Franz, from 1899 until 1917.

Anna Elizabeth Hoenig was born February 18, 1885 in St. Benedict, Kansas. She died January 6, 1927 in Muenster.

They were married February 18, 1903 at Sacred Heart Church in Muenster.

Their deceased children include Marie Vogel, Alphonse Hoenig, Fr. Alfred Hoenig OSB, and Anna Hoenig.

Metzler

Karl and Kathy Metzler of Era announce the birth of a son, Jacob Riley Metzler in Denton Regional Hospital on Oct. 7, 1996 at 2:54 a.m. He weighed 8 lb. 14 oz. Jacob joins two brothers Raymond Joseph (R.J.) and Nathan, and two sisters Melissa and Katie. Also welcoming him are his grandparents Raymond (Bud) and Helen Metzler and Mary (Girlye) Felderhoff of Gainesville.

Boydston

Donnie and Susan Boydston of Wichita Falls joyfully announce the birth of a son, Bryan Blake, on Wednesday, Oct. 9, 1996. He was born in Bethania Hospital at 5:47 p.m. weighing 7 lb. 15 oz. and measuring 21 1/2 inches in length. Bryan is welcomed by a sister, Haley Michelle, age 15 1/2 months. Grandparents are Joyce Boydston of Muenster and the late Bud Boydston; Margie Paschall, Gary and Margaret Paschall of Wichita Falls. Great-grandparents are John and Annette King, Opal and Johnny Wheeler, Al and Elizabeth Paschall of Wichita Falls; and the late Lee and Mary Haverkamp and the late G.C. and Ophie Boydston.

Shallenberger

Dave and Sharon Shallenberger of Newark, Ohio, announce the birth of a daughter, Jessica Lynn, on Friday, Sept. 27, 1996 at 12:02 a.m. Jessica was born in Licking Memorial Hospital in Newark

and weighed 7 lb. 10 oz. and measured 20 inches long. She joins three sisters, Christina, Melissa and Julia. Their grandparents are Viola Rohmer of Muenster and the late Urban Rohmer, and Mary Ann Yarwood of Youngstown, Ohio and the late Richard Yarwood.

Ashlock

Flor E. Ashlock and Lloyd M. Ashlock III of Gainesville announce with pride the birth of a son, Lloyd Myer Ashlock in Muenster Memorial Hospital on Oct. 9, 1996 at 9:36 p.m. He weighed 8 lb., 5 oz. and measured 20 inches in length. He joins a sister, Makayla Nicole Ashlock, age two years. Their grandparents are Consuelo and Felix Duran of Santo, Texas and Janice and Lloyd Ashlock, Jr. of Gainesville. Great-grandparents are Wanda B. and Lloyd Ashlock Sr. of Gainesville.

Kelsey

Tonya and John Kelsey, Jr. of Gainesville announce with pride and joy the birth of their first child, a son, in Muenster Memorial Hospital on Oct. 6, 1996 at 6:24 a.m. They have named him Tristan Lane Kelsey. He weighed 6 lb. 3 oz. and measured 19 inches long. His grandparents are Betty and Harley King and Barbara and Roy Shugart all of Gainesville and Florence and John H. Kelsey, Sr. of Paris, Texas. Grandparents are Bessie and Lewis Wilson of Gainesville and Lillie Belle Kelsey of Whitewright, Texas.

Felderhoff siblings celebrate birthdays

Kaitlyn Felderhoff turned six on Sept. 18 and her brother, Ryan was four on Oct. 1. They celebrated their birthdays with a party hosted by their parents, Scott and Sandy Felderhoff, on Sunday, Oct. 6.

The children enjoyed playing outdoors and were treated to a treasure hunt by "Pirate Pete". They also had fun with a piñata.

Guests were grandparents Theo and Millie Voth and Al and Sis Felderhoff; uncles, aunts and cousins Ross, Janet, Jody and Deann Felderhoff, Kenny, Kim, Kayla, Keith, Kara, and Kirk Felderhoff, Gene Voth of Denton, and Tim Voth of Fort Worth.

RYAN FELDERHOFF

KAITLYN FELDERHOFF

A buffet dinner with cake and ice cream was served to guests. Birthday cakes served a table centerpiece. Kaitlyn's was a "Barbie" cake and Ryan's was a decorated baseball cake.

Hess Furniture sponsors Quilt Show

by Janet Felderhoff
Those who enjoy and appreciate quilts will want to mark Nov. 29 and 30 on their calendars. Hess Furniture is sponsoring a quilt show in conjunction with Muenster's annual Christkindmarkt celebration.

If you have quilts that you would like to enter in the show, please, bring them to Hess Furniture by 10 a.m. Friday, Nov. 29. A dried flower arrangement will be awarded to the quilt receiving the most votes. The public will be asked to vote for their favorite quilt when they view them during the event.

Both new and old quilts are welcome. There should be a variety of beautiful and interesting quilts on display. Hours to view the quilts are Friday from 9:30 a.m. to 5:30 p.m. and Saturday from 9:30

a.m. to 4:00 p.m. For more information call (817)759-4455.

Some of the other special events planned for Christkindmarkt weekend are Breakfast with Santa from 8:30 to 9:30 a.m. on Friday, Arts and Crafts booths on Friday and Saturday in the Community Center, and a Christmas parade on Saturday at 1 p.m. with an opportunity to visit with Santa afterwards.

There is a variety of entertainment to interest all ages. Lollipop the Clown will have designated times on both days to do face painting. Side Street Circus will perform sleight of hand tricks in the downtown area. Jim McNeely with Laughing Fish Enterprises plans to do two presentations of Mr. Jim's Christmas Whims on Saturday.

For more information contact the Muenster Chamber of Commerce (817)759-2227.

Cooke County to celebrate AARP Day

by Daryl Ferber
Texas AARP Day will be Saturday, Oct. 26, as proclaimed by Governor Bush. Cooke County Chapter 1049 will have a fun day at the Stanford House

in Gainesville from 2 to 4 p.m. Using a Halloween theme, a Halloween Costume Contest (open to all who wish to join in) will open the program, followed by skits, refreshments and door prizes. Tom Carson of Station KGAF will be master of ceremonies.

All seniors are welcome and urged to enjoy this afternoon of fun and friendship.

AARP is the nation's leading organization for people age 50 and over. It serves their needs and interests through legislative advocacy, research, informative programs and community services throughout the country.

NOTICE

The Griffin/Wylie/Jackson Reunion will be held on November 2, 1996 in the Forestburg Community Center at 10 a.m. Bring a sack lunch. Friends are encouraged to attend.

Attention, new altar servers!

Any boy or girl in the fourth grade and up may become an altar server. The first practice will be Saturday, Oct. 19, from 1:00 to 2:00 p.m. at Sacred Heart Church. The next practice following the 19th will be Saturday, Nov. 2 from 1:00 to 2:00 p.m. There will be four weeks of practice and each child is asked to make all four so they may be well prepared. Neil Hesse and Kelly Bayer will be the instructors.

Health Notes

Be aware of signs of kidney stones

If you have an intense stabbing pain that starts in your back, and travels to your groin, sometimes accompanied by nausea, or have blood in your urine, you may have kidney stones.

People at risk for developing the deposits of calcium and other mineral salts that crystallize in kidneys include those who have a family history of kidney stones, those who are prone to dehydration or gout, and those who have intestinal disorders such as short bowel syndromes, Crohn's disease or chronic diarrhea or who suffer from certain endocrine disorders.

It is important that people with these risk factors or symptoms be evaluated to determine if they need treatment. Most stones can be treated with a noninvasive method called shock-wave lithotripsy, which turns them into small fragments that can be eliminated more easily from the body during urination.

Used Lumber

Beaded ceiling, pine flooring shiplap,
1 x 12s, 2 x 4s, 2 x 6s & 2 x 8s.

Alvin Hartman

759-4225 evenings or 759-4311 days.

The month of October is designated as National Domestic Violence Awareness Month.

Through this space we hope to open your mind...and possibly your heart to the tragedy of domestic violence.

Did you know that:

- In the United States, domestic violence is the single largest cause of injury to women.

- In Cooke County alone, Friends of the Family advocated for 275 adults, 385 children and 114 friends and family who were involved in domestic violence cases in 1995.

(Taken from 1995 statistics gathered by Cooke County Friends of the Family)

Joan Walterscheid attends diabetes management seminar

Joan Walterscheid, RN, certified diabetes educator of Muenster Memorial Hospital recently attended the workshop "Advanced Diabetes Management Strategies" at the Austin Community College in Austin, Texas. The two day seminar was co-sponsored by the Bluebonnet Chapter of the American Association of Diabetes Educators and Austin Community College.

The purpose of the seminar was to explore strategies and techniques for managing diabetes in high risk population using the most cost effective approaches. The program targeted the professional interested in advanced strategies of diabetes management in a managed care setting.

Learning objectives were to: Identify new nutritional and

exercise strategies for controlling Type I and Type II diabetes; Develop protocols for use of insulin and oral agent regimens; Identify strategies for empowering patients to change; and Adapt diabetes management tools of Caremap, flow sheets, and practice guidelines to your own practice to improve quality.

Faculty presenting the seminar were Virginia Valentine, RN, MS, CDE, clinical specialist in diabetes from Albuquerque, New Mexico and Sue Thom, PD, LD, CDE, clinical specialist, from Indianapolis, Indiana.

Contact Joan Walterscheid, RN, CDE, at Muenster Memorial Hospital, (817) 759-2271 for information related to diabetes and/or the Cooke County Diabetes Support Group.

Sell-O-Rama scheduled to be held Nov. 8-9 in Gainesville

The Family and Community Education Council of Cooke County is sponsoring their annual Arts & Crafts Sell-O-Rama Nov. 8-9. The event will be held at the Gainesville Civic Center on South Weaver Street. Friday's hours are 10 a.m. to 8

p.m. and Saturday from 10 a.m. - 6 p.m.

Besides arts and crafts, there will be a bake sale, concession stand and door prizes awarded hourly.

The Sell-O-Rama benefits 4-H scholarships and other service projects in Cooke County.

Trick or treat bags to be distributed by Muenster Telephone to local schools

Muenster Telephone Corporation plans to distribute colorful Halloween Trick or Treat bags to the youngsters at area schools. Children in grades pre-K through 3rd grade will each receive their bag prior to Halloween and at the discretion of each school.

This year, there will be 673 bags delivered to Era, Forestburg, Muenster, Sacred Heart and Sacred Heart Preschool, Saint Jo, Tender Loving Care Preschool and Valley View. The bright yellow or silver bags are decorated and have printed on them safety tips for tricks or treaters.

In addition to delivering them to the schools, a small quantity is available upon request at the Telephone Company office, 205 N. Walnut. The employees at Muenster Telephone Corporation want to wish everyone a happy and safe Halloween.

News of the Sick

Elizabeth Koesler underwent surgery on Monday, Oct. 14 at Presbyterian Hospital in Dallas. She is recovering normally and is expecting to be hospitalized five to seven days.

Justin and Chelsea Felderhoff are honored at birthday parties

Justin Felderhoff was seven years old on Sept. 17. He celebrated by having a friend, David Krawietz spend the weekend with him. A hot dog supper was prepared by Justin's parents Floyd and Marcy Felderhoff. On his actual birthday he celebrated with his classmates at St. Ann's School first grade with ice cream cone cupcakes. Later that day he helped his mom decorate his airplane birthday cake, and they helped make home-made pizza for dinner. Pictures and presents added to family fun.

Chelsea Felderhoff celebrated her fifth birthday with a special treat was having a special friend Rebekah Pickett spend the weekend.

Chelsea and Justin both shared party bags they prepared themselves for the guests. They are the grandchildren of Henry and Betty Felderhoff and Walter and Celine Bartel. Their great-grandmother is Mrs. Margaret Truebenbach.

Myra Community Club plans annual dinner

The Myra Community Club will hold its annual Holiday Dinner this year on Sunday, Oct. 27 in the Myra Community Center. A menu of turkey and dressing, sausage, potatoes, yams, green beans and corn along with a wide variety of homemade desserts will be served from 11:00 - 2:00. Adult tickets are \$6.00, children under 12 are \$3.00 and children under 6 eat free (they must be accompanied by an adult).

There will be a jackpot drawing at 2 p.m. Everyone is invited to come and have a good time.

THOMAS (Larry) CLAXTON

for DISTRICT ATTORNEY Democrat

Good afternoon, my name is Thomas L. Claxton and I'm running for Cooke County District Attorney. My family and friends have always called me Larry so you'll see my name on the ballot as Thomas (Larry) Claxton. Since the purpose of this message is to ask you for your vote, it seemed appropriate to tell you a little about myself.

Although I was born in Dallas, from the time I was just a couple of days old I lived in Gainesville and was reared by my parents, Bob and Polly Claxton, who had been living here since 1948. Dad established a successful insurance and real estate practice here and Mom, in addition to seeing to the needs of her children, also taught art and painting and later had a successful jewelry business. I have a brother, Chip, who has his appraisal business here in Gainesville, and two sisters, Barbara, assistant to former Governor Ann Richards in Austin, and Kim, the court-coordinator for Republican Judge Molly Francis in Dallas. We all attended Gainesville Public Schools, including Lindsay Elementary, and each graduated from Gainesville High School. I graduated in the spring of 1970. I started my college career by attending some summer classes at Cooke County College, now North Central Texas College. I went from there to the University of Texas at Austin and after a few more moves graduated with a Bachelor of Science Degree in Economics from the University of Colorado in 1976. Subsequently, I moved to Denton and while working for a CPA firm there, I attended graduate classes in accounting at the North Texas State University, School of Business. I finally ended my formal studies when I received my degree from the School of Law at St. Mary's University in San Antonio, Texas. I was admitted to the State Bar of Texas the following November of 1983.

I had my first job when I was in junior high school throwing a paper route for Mr. Flowers at the Gainesville Daily Register. Like most folks, while growing up, I held numerous jobs ranging from janitorial services to machinist to a night security guard at the University of Colorado. I began my

professional career with the firm of Hankins, Powers, Ferguson & Co., a CPA firm in Denton, participating in auditing, including two annual audits of Denton County (one of which led to the indictment of the Denton County Tax Assessor for embezzlement), tax return preparation and general accounting services. I was with that firm until 1980 when I left to attend law school.

I was initiated into the practice of law when I went to work with the firm of Richard A. Anderson, a well known and respected criminal defense attorney in Dallas. Later, I joined the law firm of Jacobs & Young in Oak Cliff where I maintained a general practice. I practiced in the Dallas area for a couple of years. I had known for many years that I would eventually move back to Cooke County and in 1985, upon the death of my Father, when I came back to help settle his affairs, it seemed like a logical time to make that move. I moved back in the summer of 1985 and established my own general practice which has continued uninterrupted.

I am a member of the State Bar of Texas, admitted to practice in all Texas State Courts by the Supreme Court of Texas. In addition, I have practiced in the United States District Court for both the Eastern and Northern Districts of Texas, I have also represented clients in their dealings with the IRS and those seeking benefits from social security. I am currently a member of the Legal Assistants Committee of the State Bar of Texas.

I have been a member of the part-time faculty at North Central Texas College since 1987, instructing classes in Real Property, Introduction to Legal Technology, Probate and Family Law. I am a past member of the Board of Trustees for the Gainesville Independent School District, 1989 - 1992, and was a member of the Cooke County Child Welfare Board from 1987 through 1995, including two years as its President.

I would like to continue to serve in the public interest as your next District Attorney and I respectfully request your vote in this election. Thank you for taking the time to read this message and I'll see you at the polls.

EARLY VOTING STARTS OCTOBER 16TH AT THE COURTHOUSE, ELECTION DAY IS NOVEMBER 5TH.

Pd. Pol. Adv. by Thomas L. Claxton, 102 E. Elm, Gainesville, Texas 76240.

In Memory of Our Dad, Hank Walterscheid Lessons Learned From Dad

GOD IS IMPORTANT IN YOUR LIFE. Mass and the Sacraments are essential to happiness and a good life.

WORK HARD. If you want to make something of yourself, don't expect a handout. Work that is hard builds character. Dad bought a riding lawnmower and garden tiller only after all four boys had left home. The boys spent many an hour tilling a huge garden with only a spade and a shovel. Even his wife, Louise, experienced the Walterscheid work ethic when he had her pulling baby calves on the farm.

DOING WHAT IS RIGHT ISN'T ALWAYS EASY. Dad was a father to three sets of children. He married Sis, a young widow with three small children and raised them as his own. From this marriage, four additional children were born. After his wife's death, he married Louise and three more children came into the world. Raising three families in one household certainly wasn't easy, but he kept us all together.

FAMILY IS IMPORTANT. It is our most important gift. One last lesson was learned with his sudden death on Sept. 26. NEVER WAIT TO SAY "THANK YOU" TO THE PEOPLE THAT MAKE A DIFFERENCE IN YOUR LIFE. NEVER WAIT TO SAY "I LOVE YOU."

What did King George III and Kaiser Wilhelm II have in common?

They both looked at their Weather Glass before taking their morning stroll in the palace gardens. Conveniently located, this interesting historical instrument instantly told their Exalted Majesties today's weather hours in advance. A high spout level indicates low pressure, rain and storm. Low spout level indicates high pressure and sun. As simple as that. No chemicals. No complicated electronics. Colored water in a decorative hand blown glass vessel. It not only accurately predicts the weather, but makes a wonderful educational tool for children and grandchildren alike. A decorative accessory with a practical function!

LIFE TEEN FIRE NITE
 They came to the Community Center parking lot at 7 p.m. last Friday, 36 brave young souls from high school. Blindfolded by the Life Teen Core Group, they were led away into a bus, ready to take them on a journey of adventure. Over pavement and dirt, around corners and down hills, across cattle guards and tholes, the road led to the final destination. The bus stopped, everybody was helped out and lined up in the ever-cooling darkness of night. Still blindfolded, they were led down a hill, through the grass and trees, over logs and rocks, until they reached the end; the camp fire! Given their sight back, finally, the question was, "where are we?" Hmm...good question!
 Wherever it was, there were no soft drinks there, too. And not only that, but s'mores found their way out into the wilderness as well! With a minimum of bugs, an errant madillo, and a few curious cows, the evening was actually rather casual. Na, and?! Well so it is with life. The easiest and most ultimately rewarding adventure comes from a life following God and seeking a relationship with Him. In such a life, all one receives is what is needed for the next step. Anything else really doesn't matter. The question is the same: what was offered the students, "Do you have enough to go along without trying to peek?" Do you have trust in God? The thing is, in this realm I can try to peek, but it doesn't do any good! But better God gives lots more than at Coca-Cola and s'mores at the end of the journey! And so it is: fire up for God, fire up for God! You can't lose. And thank you, Roy Hartman, for the love of your land!
E.L.L.Y. SCENARIOS, ETC.
 Last Sunday afternoon, about J.E.L.L.Y. folk gathered at the main hall of the Community Center to create their own interpretations to a couple of real life scenarios. Split into two groups, the junior members were given the scene and then were given liberty to finish the story. Here's what happened.
 Scene 1: A family going into a restaurant is approached by a homeless person who asks them they would please bring out scraps left over from their meal so that he might eat the scraps.
 Result 1: The family, going to the restaurant were a bit

startled. One of the kids said, "Mom, let's just take 'em in with us!" Mom agreed, and in they all went, and the family fed the homeless people a real meal. Discovering that the people lived under a bridge, the family asked if they'd like to be driven to the homeless shelter. The homeless agreed and were given safe travel to and from the help they needed in the shelter.
 Scene 2: A debate between two political figures on the issues of abortion, nuclear war, euthanasia, and the death penalty.
 Result 2: The clear message winning out in each topic was the opposition. Not one of the topics mentioned were condoned, but rather life was held high as more precious in all cases debated.
 Following the second scenario, those present ate copious snacks, planned the All Halloween Eve Party, and played some games.
LIFE TEEN CORRECTION AND CLARIFICATION
 There was a bit of a mix-up as to Life Teen's schedule for the next weeks, so here's the scoop! This Sunday, the Life Teen from 7-9 p.m. in the Community Center Main Hall is "Teen Pregnancy."
 Then the last Sunday in October (the 27th) there will be a Coat/Can Drive, beginning at 7 p.m. at the Community Center Main Hall and ending at 9 p.m. there. We ask all residents of Muenster to please be generous as our youth go door to door, asking for coats and canned goods that could be spared for the less fortunate. All goods will first go to Social Concerns of Muenster. Leftovers will go to charities in Gainesville and/or Denton.

WORLD YOUTH DAY IN PARIS
 On Monday, Oct. 21, at 7:30 p.m. in the Community Center Meeting Room (SNAP room), there will be a meeting for all those youth and parents who might be interested in a trip to World Youth Day in Paris next August of 1997. It is a ten day trip, including sightseeing tours of both London and Paris. For more details, call Eric Gray or come to the meeting. See you there!

Health Notes Another mite bites the dust

Hunting season has begun, and the target is dust mites. Dust mites, which survive on skin scales people shed, leave antigens in their droppings that cause allergies.
 "Houses that are closed up and kept warm provide ideal conditions for dust mites," says Dr. Richard Mabry, professor of otorhinolaryngology at UT Southwestern Medical Center at Dallas. So we're more likely to suffer allergic reactions to dust mites when we spend more time indoors.
 Mabry says there are several ways to cut dust mite infestations and reduce our watery eyes, scratchy throat and other symptoms of allergies. Keep the humidity indoors at less than 45 percent, wash bedding in hot water, toss synthetic-filled pillows in a medium-hot dryer and use a commercial product to remove dust mites from carpet.

From My Side of the Fence

by Ed Cler
 Found in an old scrapbook, the poem below seemed appropriate reading at this time, when we are about to make our choices in the coming elections.
 The author is unknown to us.
GOD GIVE US MEN
 God, give us Men! The times demand
 Strong minds, great hearts, true faith and ready hands;
 Men - whom the lust of office does not kill;
 Men - whom the spoils of office cannot buy;
 Men - who possess opinions and a will;
 Men - who have honor; Men - who will not lie.
 Men - who can stand before a demagogue
 And damn his treacherous flatteries without winking;
 Tall men, sun-crowned, who live above the fog
 In public duty and in private thinking.
 For while the rabble with their thumb-worn creeds,
 Their large professions, and their little deeds
 Mingle in selfish strife - lo, Freedom weeps!
 Wrong rules the land, and waiting Justice sleeps.
 God, give us Men! Men who serve not for selfish booty
 But real Men - Courageous, who flinch not at duty.
 Men of dependable character! Men of sterling worth!
 Then wrongs will be redressed, and right will rule the earth.
 God, give us Men!

Organ recital Oct. 19 at First Baptist Church in Gainesville

by John Dill
 John Dill will present an organ recital free to the public on Saturday, October 19. Works to be performed will be Bach's "Tocatta and Fugue" in D minor and "Jesu, Joy of Man's Desiring". Other include a transcription of Dvorak's "Largo" from the second movement of his Symphony No. 9 the "New World", Symphony No. 5. The recital will show some additions that have been made to the organ recently. The instrument was custom built by Wicks Pipe Organ Company of Highland, Illinois and has served the church faithfully for over 21 years.

4-H Club plans Halloween social

Twenty-three 4-H members attended and one adult leader, Yvonne Martin presided. Inspiration was led by Diana Felderhoff, Alicia Cochran, and Jayna Biffle.
 The program was presented by Lora Hennigan. She helped each member design their own flower arrangements, and gave them good ways to preserve fresh flowers. Dana Miller is 4-H Club reporter.
 Plans for a 4-H Halloween Social were made at the Muenster 4-H Club's Oct. 8 meeting. It will be held on Oct. 19 at the Cooke County Co-op Building. The fun begins at 7 p.m., with food, recreation, a costume contest, and much more. It ends at 9 p.m. All attending are asked to bring one canned food item, \$1.00, and family and friends, and a good costume!!!

School News

Jonathan Otto nominated for leadership award

Jonathan Otto, Muenster High School senior, has been nominated to compete in the National Principal's Leadership Award Program (PLA), sponsored by the National Association of Secondary School Principals (NASSP). The Principal's Leadership Award Program is funded by Herff Jones, Inc.

Bob Chisam, principal, Muenster High School, announced the nomination, which places Jonathan Otto in the national competition. One hundred fifty national PLA winners will be chosen this year to receive \$1,000 college scholarships. Otto was selected based on his participation in service organizations, clubs, and athletics; achievements in the arts and sciences; employment experience; and academic record. He was also required to write an essay.

"Otto has demonstrated

exemplary achievement in his work and participation in his school and community," said Dr. Timothy J. Dyer, NASSP executive director. "He is a fine example of the outstanding caliber of young people in America's high schools."

Co-curricular activities - the new term for extra-curricular activities - recognizes the importance of a well-rounded education with high academic performance, as an essential part of the school curriculum.

Jonathan Otto has been a member of the National Honor Society; Student Council President; member of the football, basketball, and track teams; a member of the UIL Debate and Speech teams; and a class officer for three years. He has also been a PAL (Peer Assistance Leadership) member for four years, and has been a class favorite and Who's Who nominee.

DUKE UNIVERSITY TIP QUALIFIERS

Seven SHS students qualify for Duke's TIP

Sacred Heart School has identified seven 7th grade students to qualify for the prestigious Duke University Talent Identification Program (TIP). This is in excess of 40% of the 7th grade class.

Since 1980, Duke University has been recognizing bright and talented 7th graders across the United States. Primary objectives are to nurture student talents through the critical middle and high school years and to provide educational opportunities and multi-summer programs.

The qualifying criterion is to score within the top 3 percent of a national normed test battery in math, verbal or total composite scores. Sacred Heart Schools administer the Stanford Achievement Test. This battery of tests is used across the nation. Public schools in Texas have been

granted the privilege of using TAAS Test, which is not a national normed test.

To continue in the Duke Program, students are requested to take the SAT or ACT (these are the same tests that college-bound seniors take). High scoring students on this test will be invited to attend state and national recognition ceremonies. Sacred Heart students have scored well on these tests.

Congratulations to Jacob Endres, son of Sam and Karen Endres; Luke Endres, son of Gary and Mary Endres; Aaron Walterscheid, son of Darell and Sandra Walterscheid; Elizabeth Fette, daughter of David and Pam Fette; Ashley Hess, daughter of Brent and Mary Hess; Lisa Rohmer, daughter of Alan and Connie Rohmer; Sara Sepanski, daughter of Robert and Linda Sepanski.

Aim for Success presents "Choices & Consequences"

Muenster ISD and Sacred Heart School are pleased to announce that Aim for Success will be presenting their programs to our parents on Monday, November 4 at 7:30 p.m. at the Muenster High School auditorium and to our students on Tuesday, November 5 during school. Aim for Success is a nationally acclaimed educational organization that promotes sexual abstinence among young people. This year over 100,000 students and their parents will hear this powerful program.

The presentation to parents includes a preview of the student program. The unique teaching techniques and factual information offered in this program will also help parents know why, when, and how to talk to their children (toddlers to teens) about sex. Creative ideas will be given to help you talk only with your children and

encourage your family values without embarrassment.

Aim for Success believes parents should be their children's primary source of sex education, but many parents don't know how. Sex is an awkward subject for parents and their children, and there are few role models to follow. The adult program offered by Aim for Success will provide you with tools and information needed to communicate with your children.

If you are a parent, grandparent, or just care about today's youth, this a *must see* program!

Two important dates to remember:

- Monday, Nov. 4 - 7:30 p.m. - Parent Night.
- Tuesday, Nov. 5 - School Presentation for Muenster ISD and Sacred Heart School.

For more information call Emily Klement, 759-2281, Ext. 604.

SH Preschool Parents Group plans dance

Sacred Heart Preschool Parents Group continued plans for their annual New Year's Eve dance, when they held the regular meeting on Sept. 23 at 7 p.m. Tickets are being sold for \$25.00 in advance, or will be \$25.00 at the door. Door prizes and raffle items were agreed upon, for the dance.

Children who presented demonstrations were Katie Satree, sponge work; Ryan Felderhoff, sudsy work; and Rashae Dangelmayr, chain making.

Also scheduled for the preschoolers is a visit to the cafeteria to learn about cooking safety and nutrition. A Halloween party is planned. Children are encouraged "to dress up."

Rita Bayer, president conducted the business meeting. Jack Murdock led the opening prayer. Jane Satree gave the financial report. The next meeting is scheduled for Oct. 28 at 7 p.m. Renata Knabe is Preschool Parents Group reporter.

Muenster Elementary News ... Corridor Celebrations

Kindergarten teachers, in Muenster Elementary School, Tammy Tischler and Sharon Ledbetter enrich the curriculum for their students. Kindergarten students completed a unit of study on transportation and oceans. Students shared the special rainbow fish they made during art. They also enjoyed sharing favorite books, *The Fish Who Could Wish* and *Fish Is Fish*. Kindergarten students enjoyed having guest speaker, Dwayne Rohmer, give a slide presentation about airplanes and share experiences about being a pilot.

Pink bubble gum, pretzels, popcorn, pickles and purple candy made learning about the letter "P" much easier. Reading stories about pumpkins and creating their own pumpkin patch in the classroom enhanced their understanding of the letter "P".

Kindergarten students also enjoyed using food to learn mathematics concepts. Round M&M cookies from Johnathan's birthday celebration and crackers helped them to learn about

circles and rectangles.

The class made their own book about a new school bus entitled, *Mrs. Sunshine*.

Plans for coming lessons include Fire Prevention, the letter "A," the color orange and the number 6.

Third grade scientists in Amy Popp's and Beckey Scott's class studied the life cycles of animals, with special emphasis on butterflies and frogs. They also constructed Cartesian divers out of eye droppers, 2 liter bottles and fishing lures (maxi tubes). Third graders named their Cartesian divers "Squiddy."

Fifth grade science students in Margie Alsup's and Leigh Hale's class researched the biomes of the world. They found that the biomes include the deserts, the grasslands, the tundra and the forests. Students divided into groups and designed posters showing the characteristics for each biome. A particularly interesting fact they learned - 72,000 acres of rain forests are destroyed each day. This prompted fifth grade scientists to investigate ways to save the rain forests.

School Lunch Menus

WEEK OF OCT. 21-25

LINDSAY ISD

Mon. - Chili dogs, broccoli/rice casserole, pickle spears, carrots/celery sticks, fruit, milk.
Tues. - Vegetable beef soup, choice of sandwich, lettuce/pickles, cookies, milk.
Wed. - Taco salad, applesauce, Pinto beans, assorted fruit, bread, milk.
Thur. - Hamburgers w/trimmings, French fries, ice cream, milk.
Fri. - Lemon pepper chicken, new potatoes, green beans, fruit, bread, milk.

MUENSTER ISD

Mon. - BREAKFAST: Donuts, juice, milk. LUNCH: Tacos w/meat and cheese, lettuce, baked beans, fruit, pumpkin bread, milk.
Tues. - BREAKFAST: Grilled ham and cheese on toast, juice, milk. LUNCH: Steak fingers, creamed potatoes w/gravy, corn, fruit, hot rolls, milk.
Wed. - BREAKFAST: Pancakes w/syrup, juice, milk. LUNCH: Spaghetti w/meat sauce, lettuce salad, green beans, fruit, bread, milk.
Thur. - BREAKFAST: Cinnamon toast, juice, milk. LUNCH: Hamburgers w/trimming, potato chips, fruit, brownies, milk.

Fri. - Hamburgers w/trimmings, French fries, ice cream, milk.

ERA ISD

DAILY BREAKFAST: Cereal, toast, oatmeal, fruit, juice, milk.
WEDNESDAY SPECIAL: French toast w/syrup.
Mon. - Barbecue wieners, mashed potatoes, gravy, tossed salad, fruit cocktail, hot wheat roll, milk. SNACK BAR: Pepperoni pizza hot pockets, pickle spears, salad, fruit mix, milk.
Tues. - Steak strip sandwich, cheese slice, trimmings, potato chips, baked beans, oatmeal cookie, milk. SNACK BAR: Egg rolls, Oriental veggies, salad, peaches, milk.
Wed. - Sausage pizza, green beans, tossed salad, peaches, sunshine bar, milk. SNACK BAR: Tuna pita pocket, pickle spears, salad, pear half, milk.
Thur. - Turkey pot pie, fresh orange half, tossed salad, broccoli and rice, chocolate chip cookie, milk. SNACK BAR: Taco pizza, corn, salad, fruit cocktail, milk.
Fri. - Hamburger, cheese slice, trimmings, French fries, ice cream, milk. SNACK BAR: None.

Muenster PTO meeting Oct. 22

The next P.T.O. meeting of Muenster ISD, an exemplary school district, will be Tuesday, Oct. 22 at 7 p.m. in the High School Auditorium. Parents of students are reminded to join P.T.O., and pay membership fees of \$5.00 per family. This fee is done at any meeting or contacting one of the officers. The class with the highest percentage of membership will receive a pizza party. Some items on the meeting agenda include:

1. Old Business: A. Report on cafeteria curtains.
2. Report on student incentive issues to football games.
3. New Business: A. Football concession report.
4. Review of new teacher's request forms.
5. Report on, and request for funding of new playground equipment.
6. Request for advertising

funds for project fair.

E. Volunteer sign-up sheets for basketball and U.I.L. concession workers.

A program will be presented by Junior High U.I.L. students. The program will start at 7 p.m., followed by a short business meeting. Also, a door prize will be given away, courtesy of Ben Franklin Stores.

Baseball program discussed at MISD Board meeting Oct. 14

by Janie Hartman

The Muenster ISD Board of Trustees met Wednesday, Oct. 14 for their monthly meeting. The bulk of the meeting was the discussion of starting a baseball program. Danny Endres and Tim Felderhoff approached the board with reasons for starting baseball at Muenster High. Endres took the floor. "It would be a benefit to the kids to have other sports, baseball and volleyball, which are not new to Muenster. Money cannot be listed as a serious issue in the discussion. We now have a coach that has coached high school baseball. We have a facility that can be made playable without a great deal of investment. We understand the concern that the kids are involved in other things." Endres continued, "Not every kid is a basketball player or track runner and would like to have another sport." Endres listed all the other area schools that have baseball, except for Muenster, Lindsay, and Era. He would like the school board to consider it and give the kids the opportunity to choose, instead of a limited few that are "shoved down their throats." Felderhoff added that too many girls are out for basketball. "They can't all get in playing time."

High school teacher Rudy Koelsler brought up the question "These schools that have all these sports - do they have the high (academic) rating we do?" Endres answered, "I don't believe baseball and volleyball will affect the academic status of students. It's not fair to say adding two new sports will lower our standards."

Board president Leon Klement entered the discussion, "Will more sports hurt us? In the long run, yes it will!" Endres responded, "The kids and parents should have a choice. Money should not be an issue."

Peggy Lutkenhaus, board member asked "What about investing in the band program or the Ag department. Not all kids are athletes."

On the money issue, Klement commented, "Money is not the issue? Money is everything. We cannot run the school without it. Should we raise taxes? The number one issue brought to me is 'don't raise my taxes.' The community's biggest concern is not raising taxes. That's a fact!"

"There are only so many hours in a day. If another sport is

offered, will the students give up academics to work in sports?" asked board member Clifford Sicking. "I think they would, and that will hurt the school's academics."

The board members also pointed out that the "baseball schools" in the area do not have the high academic ratings as do the non-baseball schools - Muenster, Lindsay, and Era. "That should tell us something," Klement ended the discussion stating this was an information item on the agenda and the board need not make a decision.

At the meeting there was also discussion on cross country and track runners out in the early mornings, on the highways and streets of town. Superintendent Steve Cooper stated that he has already talked to the coach and asked that the runners stay off the highway and rural roads around Muenster. "If I find that the students are running on restricted roads, they will be required to run only on school grounds."

In other business:

- After long discussion, accounts payable for September were approved.
- Old elementary desks will be auctioned as part of a fundraiser for the student council.
- Security alarm system in the library.
- Hired Tim Bindel for custodian and maintenance.
- Continued discussion on T-bill. Cooper would like to start with \$100,000 investment later this month. The board approved his ideas.
- Fall basketball league was discussed. Mr. Cooper went on record against it. "The students have too much going on...technically there is nothing on the board can do about it. It's the parents concern." Fall basketball was not discussed with any school official.
- Discussion on basketball continued on the summer league and the "must play" conditions given by coaches. It's not a player's choice.
- Mr. Cooper reminded board members of an assembly Wednesday, Oct. 16 with several dignitaries present to honor MISD for their exemplary rating.
- Discussion also continued on the front porch/special ed project. An estimated cost of \$26,000 was brought up. "If we don't do it all at one time, do it in stages, we can keep it in the

budget," suggested Mr. Cooper.

Contractor Rudy Koelsler explained that the drainage problem in front of the high school needs repaired. The best solution would be a French drain, then level out the dirt, which now is higher than the porch. The project was again tabled another month for further consideration.

• The board approved eight transfers, which was just paperwork update on seven and one new preschool student.

• The board was given short term and long term goals submitted by committees to improve the school. It is a state requirement to plan each year. Items included budgeting, high/junior high science lab, elementary science space, enhancing Spanish on elementary level, etc. Mr. Cooper explained to the board and teachers present, the state's new "credit by exam." Exams will be made available to high school students each semester. If you pass the test, you pass the course and get credit for that subject without having the "seat time." The exam can also be used to make up a course that was failed. Also, elementary students may be able to skip grades. Bob Chisam, high school principal, looked into the tests and said they are very tough. There are positive and negative sides to the exam. More information will appear in a later issue of the *Muenster Enterprise* as it becomes available.

The school district and the City of Muenster have reached an agreement on the water well project. The school has to fix the pump and pay \$600 a year and the district gets all the water it wants. If the well fails, the school repairs it. The city will continue to oversee and check the pump station. The board is looking at a maximum of \$26,000, "but it may not be that high," said Cooper. "The well will pay for itself quickly, after the high water bills last summer."

Word was also received from the state that each school district is now on its own authority on the grading system, no longer following the state's ruling on what grade is passing. But UIL announced that they will stay with the 70% grade rule on participation in their events. Muenster will officially decide at a later date.

Health Notes

Halloween tips with some bite to them

Dentists realize that a Halloween without candy can be a frightening thought to youngsters, so they offer advice on how children can indulge without putting that costly orthodontic work at risk.

Most orthodontists would rate chocolate candy as the sweetest choice for Halloween treats, as long as snackers brush afterwards.

People who wear retainers should remove them before eating hard, crunchy or chewy candy or foods.

If candy causes a problem, contact your orthodontist right away. Many problems can be solved without an emergency appointment. For example, loose wires can be held in place until the next appointment with orthodontic wax purchased at the drug store.

NEIGHBOR

Continued from Page 1

that's the problem with the world today. We have forgotten Jesus."

Bauer paralleled this story with the situation that exists today in America regarding legalized abortion. "In this regard we have certainly forgotten Baby Jesus." After mentioning some of Bill Black's work against abortion Bauer turned the program over to Father David.

In presenting the Good Neighbor Award, Father David related that he met Bill Black when he was doing electrical work at church. Fr. David listed several notable activities, including that Black is a teacher of a Sunday School class at Myra Baptist Church. He is president of the board of directors of ABBA and also directed setting up ABBA House; and has donated time and talent, always without publicity, to several other charitable organizations.

Among special guests were: Dorothy Black, mother of Bill Black and local family members. The 1996-97 Knights of Columbus projects include: Right to Life - Lone Rose on the Altar; Super Bowl Board - State Deaf Fund; Youth Council of Muenster - T-Ball, Girls Softball; Boy Scouts - Charter Sponsor; Mass Servers Appreciation Party; SNAP Program Sponsor; Mini-Bus Sponsor; Vacation Bible School - Youth Groups Appreciation Parties; Kids Swim Party; Kids Christmas Party; Donation of Building Use - Funeral Meals, Blood Drives, Beta Kappa, Catholic Daughters, Pro-Life Meetings; Youth Night to Texas Ranger Baseball Game; and financial donations to numerous drives where need is indicated.

The program continued with recognition of 1996-97 officers: Chaplains Father David

Bellinghausen OSB and Father Frowin Schoech OSB; Grand Knight Bob Bauer; Deputy Grand Knight Tom Felderhoff, Jr.;

Recorder Wade Walterscheid; Chancellor Harold Knabe; Treasurer Butch Fisher; Warden Joe Hoening; Financial Secretary Arthur Felderhoff; Advocate Gerald Walterscheid; Guards Ronnie Klement and George Bayer; Trustees Bob Knauf, Ben Bindel and Ed York; and Lecturer Urban Endres.

Presentation of membership pins was made by Bob Bauer, Grand Knight. Honorary Life Members were presented to Ed Knauf and Earle Otto. Five and ten year membership pins were given to a number of other knights by Bob Bauer.

The meal was catered by: Hilda, Mrs. Joe Sicking and Nellie, Mrs. Lawrence Martin; and served by the Sacred Heart High School Student Council.

Among special guests were: Dorothy Black, mother of Bill Black and local family members.

The 1996-97 Knights of Columbus projects include: Right to Life - Lone Rose on the Altar; Super Bowl Board - State Deaf Fund; Youth Council of Muenster - T-Ball, Girls Softball; Boy Scouts - Charter Sponsor; Mass Servers Appreciation Party; SNAP Program Sponsor; Mini-Bus Sponsor; Vacation Bible School - Youth Groups Appreciation Parties; Kids Swim Party; Kids Christmas Party; Donation of Building Use - Funeral Meals, Blood Drives, Beta Kappa, Catholic Daughters, Pro-Life Meetings; Youth Night to Texas Ranger Baseball Game; and financial donations to numerous drives where need is indicated.

Country Tidings

by Ruth Smith

The Rosston Baptist Church will have their regular dinner after church Sunday, October 20. Everyone is invited to come to church and then have dinner an enjoy fellowship.

The singing sponsored by the local churches will be Sunday, October 27 at 6 p.m. at the Rosston United Methodist Church. Everyone is invited.

Mrs. Mary Settl celebrated her 99th birthday Wednesday, Oct. 9. Mar resides in a nursing home in Gainesville.

The Annual New Harvest Homecoming was held Sunday, October 13 at the New Harp Community Center. About thirty people attended. Mrs. Dorothy Hubbard was the oldest lady attending. She resides in the Nursing Home in Muenster and is Mrs. Velo Freeman's mother. Mr. Harle Gregg of Whitesboro was the oldest man attending. Everyone brought a covered dish and lunch was enjoyed at the noon hour. Visiting was also enjoyed.

Mr. and Mrs. Willard Freeman were in Bowie Saturday.

Mrs. Wanda DeBore attended the New Harvest Reunion Sunday, October 13.

Mr. and Mrs. C.H. Christian attended the benefit for Mrs. Charlotte C. Saturday evening, October 1 at the Herbert Richards Barn.

Jimmy Christian and grandson Todd Christian Springtown visited Mr. and Mrs. C.H. Christian Monday.

Jimmy Christian Springtown visited Mr. and Mrs. C.H. Christian Sunday.

Mrs. Gladys Balthrop and Mrs. Anna Kirk, Day Wayne and Becky were in Bowie Saturday where they met Mrs. Sandra Lehman, Wichita Falls and Mrs. Kell Beavers and Austin of Irving.

Miss Lois Bewley at Clyde were in Gainesville Friday.

Mrs. Juanita Greaney and Mrs. Bobbie Wylie were in Bowie Saturday.

Katie and Johnnie Cook of Laguna, CA are visiting his sister Mrs. Odessa Berry at Jack.

Red Steagall celebrates 6th annual Cowboy Gathering in Fort Worth

The official cowboy poet of Texas, Red Steagall, celebrates the West with the 6th Annual Red Steagall Cowboy Gathering Oct 25 through 27, at the historic Fort Worth Stockyards. Tickets for the event are \$10

per day in advance or \$12 at the gate. A three-day pass also being offered in advance for \$25. Tickets may be purchased by calling 817-621-1025. For further information please call 817-884-1945 800-433-5747.

Sports

Hornets remain undefeated, 33-0, in district action

The Muenster Hornets continue to stay on top of district action with their third straight district win Friday night at donia.

The Hornets outran, 242 yards to 95, outpassed, 140 yards to 42, and out-lasted the Falcons of Fannindel High School, 33-0. To date, Muenster's outscored their opponents 9 to 33, and 78 to 13 in district.

"I'm proud of the boys' effort," commented Coach Randy Tankersley. "We've made two big bus rides to nowhere land east Texas and the team played in focus and played well."

Fannindel took the opening kick to midfield, banging away Muenster's defense to the one yard line. The Hornets defense held for four plays and took over the one. Six plays later John Tuggle broke away on a 71 yard touchdown pass play. Jake Luke led the extra point and Muenster had a 7-0 lead, seven minutes into the game.

Fannindel's offense controlled the remaining first quarter time, as fumbles bounced the ball back and forth between the teams. Muenster's defense held the Falcons on 3 plays, forcing a punt. The Hornets fumbled the return and Fannindel kept the ball. Three plays later Corey Anderle fumbled a loose ball, but the next Muenster fumbled it back. The Falcons got to the Muenster before running out of downs. The Hornets carried the ball into the next quarter, reaching the field before punting on 4th and 11.

There were 3 plays and punt for the Falcons as the Hornet defense wouldn't allow any advancement. Muenster's next play began at their 25 yard line. An Fleitman ran for 9. Then Eric Miller runs gained 29. One Sparkman gained 5 on ground and 5 in the air. Tankersley and Fleitman got a few more with Bryan Hudspeth taking Muenster to the six. Tankersley then went in for the score. Tankersley added the point after for a 10-0 Hornet lead with less than a minute to play in the first half. In the last 58 seconds, before the break, there were three interceptions and a touchdown. John Tuggle picked off a Falcon and returned it 21 yards to the 10. Two Miller runs later, Muenster took a 20-0 lead. The Falcons failed with 25 seconds on the clock.

Three plays later, Eric Miller picked off another Fannindel player, but the half ended when the Falcons grabbed a Muenster fumble.

Muenster's offense took to the field as the 3rd quarter began. Tankersley and Jeremy Walterscheid led six runs, but when Muenster's attack went to the end zone and flags flew, the Hornets were stopped on 4th and 26. Fannindel got in five plays, but punting giving Muenster the ball on their twelve yard line. The Hornets got in nine plays, including a 22 yard gain by Miller, going into the final minute, and into Fannindel territory. Seven more runs and

the Hornets were at the 25. After two incomplete passes, and two Muenster penalties, Brian Fleitman caught one for a 34 yard gain to the Falcon 14. Two plays later, Fannindel intercepted Muenster's pass at the one yard line. The next play, Corey Anderle stole it back at the 15. Barry Fleitman took the ball to the 3, then Jeremy Walterscheid ran it in for a score. The extra point run was no good for a 26-0 Hornet lead with 2:47 remaining in the game.

Three plays later, Fannindel coughed up the ball. Tony Hartman covered it on the 25 yard line. The next play, Miller ran in for a touchdown. Luke added the kick for a 33-0 Muenster win with 56 seconds on the game clock.

"We came out playing sluggish to start, but the boys switched gear and played real well for 3 1/2 quarters, especially the defense," Tankersley said, noting that Corey Anderle, Aaron Sicking, and Tony Hartman all had a fine defensive game.

"The offensive line controlled the game for the most part," Tankersley continued. "We had another fine game from Eric Miller, offensively and defensively." The coach also said Brian Fleitman stepped up as a receiver with 2 catches for 110 yards and Scott Hermes completed four of seven passes for 105 yards.

TEAM STATS

Muenster	Fannindel

 Rushing - Eric Miller 28/170; Jeremy Walterscheid, 7/42; Brian Fleitman 4/21. **Receivers** - Brian Fleitman 2/105. **Turnovers, interceptions** - Eric Miller, Corey Anderle, John Tuggle. **Fumbles** - Corey Anderle, John Tuggle.

Next Action - Celeste

The Hornets host the state ranked Celeste Blue Devils this Friday night. Both the Hornets and the Devils have even district records going into the contest, which many believe could decide early a district champion.

"Celeste has a super football team...they're big, fast, and ranked number three in the state," commented Coach Tankersley. "It should be a great game for the fans."

The Blue Devils are undefeated for the season, with pre-district wins over Anna, Gunter, and Tom Bean, and district wins over Savoy, Collinsville, and Detroit.

"We're going to get after them. Our team will be prepared," concluded Tankersley.

Action begins at 7:30 at Hornet Stadium.

Tigers take easy district win 47-8

The Tigers of Sacred Heart High School brought home a victory Friday night as they won their opening district match 47-8 against the Rockwall Christian Warriors.

"Our defensive standouts, Derek Fuhrmann, Brad Schilling, and John Yosten, on the line, did a good job of stopping the run at the line of scrimmage and pressuring Rockwall's quarterback," Coach John Nasche commented. "Our offensive backfield, Paul Swirczynski, Jeff Yosten, and Joel Schilling, have really started turning it up. It's tough when teams can't key one player."

The Tigers took the opening kick and in five runs moved 66 yards to score. From their 34, Jeff Yosten gained 19 yards on the first run from scrimmage. Joel Schilling then gained 10, then Yosten another 17 to the 22 yard line. Paul Swirczynski picked up 20 and Yosten took the ball into the end zone. The extra point attempt failed for a 6-0 score with 10 1/2 minutes remaining on the clock.

The Warriors first drive began

Swirczynski found Schilling in the end zone for a 27-0 score after the PAT failed.

Sacred Heart regained possession after Rockwall punted. A good return by Swirczynski was followed with a 53 yard touchdown run by Jeff Yosten. Barnhill added the point after and the Tigers took a 34-0 lead into the locker room at half-time.

The Tigers got back on the scoreboard the 3rd quarter, kicking field goals instead of going for six points.

Sacred Heart's first offensive series contained three plays. Chad Roller ran out of bounds on the one yard line after gaining 42 yards. On first and goal, Adam Barnhill kicked a field goal for a 37-0 Tiger lead.

Three plays later, the Tigers again got the ball when Derek Fuhrmann covered a loose ball on the Rockwall 13. A motion penalty started the Tigers on the 18. Schilling gained 7, Yosten 5 and Schilling another 6 to inside the one yard line. Again on first and goal, the Tigers went for the field goal, but the ball didn't clear the uprights and Rockwall took over at the 20. The teams exchanged possessions with Matthew Fuhrmann ending a Warrior drive that never started by intercepting a pass on the 46.

Josh Walterscheid and Duncan Campbell exchanged six runs to the one yard line. On first and goal, Barnhill booted another field goal with 19 seconds left in the 3rd quarter for a 40-0 score.

The Warriors scored in the fourth quarter when senior Jason Wesley picked up a fumbled ball and ran it in for a 51 yard touchdown. Mark Zakem ran in the extra points for a 40-8 score with nine minutes still in the game.

With the clock still running, Paul Swirczynski took the Rockwall kick and returned it 85 yards for another Tiger touchdown. Barnhill's kick gave Sacred Heart a 47-8 lead with 7:23 on the clock. Rockwall got in three runs and a kick and the Tigers also ran three plays as time ran out.

Coach Nasche commented that Waylon Hess had the best blocking game of his career. "He was being a punished blocker." Nasche also named Chad Roller as the special teams player of the week for his performance on kick returns. "Chad's becoming a bigger part of the ball club every week."

Glen Dangelmayr and Matthew Fuhrmann are credited for their pass defense, "both having great plays on the ball when grabbing interceptions."

Next Action - Masonic Home

The Tigers will face their toughest challenge this season Friday night as they host the undefeated returning state champions Mighty Mites of Fort Worth Masonic Home.

So far this season, the Mites have not been scored on, while running up 226 points in five games, and only one opponent has gotten the ball across midfield.

"I'm excited about the challenge. We're ready to avenge last year's loss," Coach Nasche said. "Even though their record is better, we played a tougher schedule."

Nasche believes whoever plays the best and makes the least mistakes will win. "There is no doubt in my mind...we can win the game," the coach said. Game time is 7:30 at Tiger Field.

on their 24. After earning a first down, Rockwall was forced to kick on 4th and 11. Penalties hurt the Tigers next drive, punting the ball after 3 runs.

Rockwall moved the ball into Tiger territory, before three incomplete passes gave Sacred Heart the ball on their 29. Runs by Schilling, Chad Roller, Yosten, and Swirczynski took the tigers into the second quarter. A blocked punt set the Warriors on the Tiger 24, but again three unsuccessful passes gave the Tigers possession, this time on their 22.

Runs by Yosten and Schilling took the Tigers to midfield, then down to the 31. A fake hand-off by Swirczynski turned into a quarterback keeper touchdown run. Swirczynski also ran in the extra point to give Sacred Heart a 14-0 lead with 8:40 left on the 1st quarter clock.

Rockwall's next drive was shortened when their third pass attempt was picked off by Glen Dangelmayr on the Warrior 37. Swirczynski and Yosten took the ball to the 20, where Schilling went around the left side for the score. Adam Barnhill booted the point after for a 21-0 score and seven minutes till the half-time break.

Bad luck hit the Warriors again when a long pass play went sour when Paul Swirczynski stripped the ball from the receiver, giving the Tigers possession deep in their own territory. Two Yosten runs, one for 40 yards, and a flag punt Sacred Heart on the Rockwall ten. A holding flag backed the Tigers up after Roller found the end zone. Two plays later,

Sacred Heart cross country teams capture NTJHC title

Strong team performances positioned the Cubs and Lady Cubs as the North Texas Independent Junior High Conference cross country champions for 1996.

Elizabeth Fette (7:14) and Grace Cochran (7:16) finished one and two over the Montague mile course. Melanie Bartush finished 4th at 7:47. Holly Hartman finished 11th (8:12), Sara Sepanski 12th (8:18), Jackie Bartush 14th (8:28) and Audrey Barnhill 15th with a time of 8:30.

Team standings ended with the Lady Cubs at 30, Prairie Valley 61, Montague 106, and Terral 122. "The girls did a great job," said Coach LeBrasseur.

Sacred Heart's Cubs held off a strong Terral team to capture another cross country title. The Cubs scored 49 points while Terral finished as the runner-up with 54. Prairie Valley scored 74 and Montague scored 101. "The meet was up for grabs," said LeBrasseur. "Our boys gave a great effort to gain the title."

Charlie Moster finished 3rd (11:37) to pace the Cubs. Travis Bayer 8th (12:14), Aaron Walterscheid 10th (12:23), Nicholas Taylor 12th (12:26), Chris Smith 16th (12:54), Luke Endres 17th (12:57) and Jacob Endres 19th (13:25).

Muenster JV Hornets win against Celeste 28-8

The Muenster junior varsity Hornets got another notch in the win column last Thursday. Their 28-8 win over Celeste makes their winning record 6-0 for the season.

Muenster scored twice in the first quarter, both on punt returns. The Hornets first score was a 61 yard punt return by Bryan Miller. The extra point failed giving Muenster a 6-0 lead with 5:43 on the clock.

Celeste was forced to punt again on their second drive. A quarterback sack by Justin Fleitman added to the Hornets defense. Again, Muenster took the punt return into the end zone. Brent Sicking scored on a 41 yard run. The 2 point conversion by Sicking gave Muenster a 14-0 lead with 3:29 remaining in the first quarter.

Early in the second quarter, Celeste fumbled a snap on 4th and long, giving Muenster the ball on the 38 yard line. The drive ended with a Bryan Miller touchdown. Jake Little's PAT was good for a 21-0 score.

The remainder of the second period was turnover happy. Celeste fumbled again on 4th down. Then the Little Devils picked off a Muenster pass near midfield. Eric Fisher came back and intercepted a Celeste pass, with a 22 yard run back. The Devils then once again took a Hornet pass before half-time.

Muenster took the 3rd quarter kick, fumbled the return, but Chad Felderhoff saved the ball on the Hornet 41. Runs by Aaron Klement, Darren Hennigan, Miller, Sicking and Jesse Luke led to a Brent Sicking touchdown. Little added the kick for a 28-0 score with four minutes still on the clock.

Early in the final period, Sicking covered a loose ball for Muenster. Later, Celeste intercepted a Hornet pass, setting up a Devil touchdown. The PAT counted and with 44 seconds remaining in the game, Celeste was on the scoreboard 28-8.

The Hornets will attempt to cool down the Devils Thursday, Oct. 17 in Celeste in a 6 p.m. game.

Tiger JV comes up short against Celina

by Angelo Nasche

The two teams battled toe to toe for three quarters. The Tiger JV took the lead 8-6 in the first quarter. Celina scored late in the 2nd quarter to take a 14-8 lead at half-time. The 3rd quarter was scoreless. The kicking of Adam Barnhill kept the ball in Celina's end of the field with kicks of 35, 38, and 40 yards. The turning point of the game came in the 4th quarter. Celina drove deep in the Tiger JV's field to their 12 yard line. A stiff JV defense stopped Celina on a 4th and 4 yards. After taking over the ball, the Tiger JV fumbled on their 1st possession. Two plays later Celina scored to seal the victory.

Offensively for the Tiger JV, Josh Walterscheid rushed for 37 yards, scored a two point conversion and caught 2 passes. Duncan Campbell rushed for 19 yards, scored a TD and caught 2 passes. He also rushed 70 yards on a Celina kickoff down to their 5 yard line late in the 4th quarter. Lee Skinner caught 2 passes from the offensive end position. Defensively, Brandon Grewing was the standout with 11 tackles and a punt blocked with teammate Lee Skinner in the 1st quarter. Josh Walterscheid had 9 tackles, Duncan Campbell had 7 tackles, and Matthew Nasche had 5 tackles. Celina won the game with a final score of 30-8.

Next action for the Muenster teams will be Monday, Oct. 14 at the district meet to be held Alford.

Local drivers finish in Speedway's top 10

At Grayson County Speedway, in dirt track racing, three local drivers finished the 1996 season among the top 10 drivers in the Hot Stock Class. Approximately 30 to 40 cars per night of racing were involved in an exciting and challenging year.

No. 70, Mitchell Rains of Muenster, finished in fourth place. His sponsors were Wayne Gilbert's Auto Salvage, Selder's Radiator Shop, NAPA Auto Parts, Hoot's Muffler of Gainesville and Mike's Auto of Myra; also sponsoring him proudly were "his wife and kids."

No. 60, Chris Watson of Muenster, finished in seventh place. His sponsors were Petroflex N.A., NAPA Auto Parts, Wayne Gilbert's Auto Salvage, Selder's Radiator Shop, Links Exxon Gainesville; "also his wife and kids."

No. 50, Charlie Luttmier Myra, finished in ninth place. His sponsors were Text Pickup, Wayne Gilbert's Auto Salvage, Selder's Radiator Shop of Gainesville, Bryan Paint and Body of Myra, and R&R Pipe of Muenster; all his mom, dad and brother.

Other Cooke County drivers included Mike Andrews of the Hot Stock Class who finished third, and Terry Andrews of the Street Stock Class, who finished second.

Mike Stoffels leads season football contest after six weeks

As the second half of regular season high school football continues, so does the Muenster Enterprise contest. Only 37 entered last week and seven of those entrants forgot to put their names on the second page of the contest.

Everyone correctly picked Muenster to win, with most predicting the Hornets to win by 45 points or more. Guessing closest to the score were Peachie Huchton 34-0 and Ray Long 35-0.

Also everyone correctly picked Nocona, Valley View and the Cowboys to win. Only one contestant missed Masonic Home, Sacred Heart, Sanger, and Notre Dame as winners, while two missed A&M's victory. Everyone missed the OU in overtime game, while 31 believed Era would win over Collinsville, and only 7 picked Lindsay to win.

The weekly winners had a four-way tie of 33 correct games. Using the tie breaker game, Mickey Haverkamp and John Nasche tied for first place, missing the score by nine points.

Third place went to Mike Felderhoff with a 14 point difference while Barbie Barnhill settled for 4th. The top 3 winners collected their prize money at H&W Meat Company, Scivally's Grocery, and Farm Bureau.

ON SATURDAY, SEPT. 28, members of the Muenster Gymnastics Center participated in a Skill Level Gymnastics Meet in Sherman. Receiving blue ribbons and trophies were, from left, back row - Charity Beaver, Lilly Nasche, Jessica Bezner, JoAnna Felderhoff; front - Shannon Grewing, Holly Hobbs, Courtney Hartman, Katie Flusche and Katie Fenoglio. Not pictured is Audrey Barnhill. That evening, team members attended the John Hancock Tour of the Olympic Gymnasts at the UNT "Pit" in Denton. Janie Hartman Photo

CONTEST RULES:
 Only one entry per person per week. Persons entering must be 12 years old or older.
 This page of schedules, results, predictions, pictures and the contest itself is supported by advertisers appearing here. Each ad contains a scheduled high school, college or pro game for Friday, Saturday or Sunday of the week of publication. Read each ad and circle the winner. Entries on forms other than original newspaper page will not be accepted.
 In order to determine the prize winners in case of ties, you must predict the score for the tiebreaker game listed in the featured ad above.
 Print your name, address and phone number clearly in the space provided.
 Deliver the full contest entry to The Muenster Enterprise BEFORE

5 P.M. FRIDAY, the week of publication. Mailed entries will be accepted only if postmarked before Friday 5 P.M. Address for mailing entries is P.O. Box 190, Muenster, Texas 76252. Entries received late because of postal delay will be counted for the grand prize, but will not be eligible for the weekly prize.
 6. The featured ad is picked at random each week. It contains the tie-breaker listing and is one of the winner/loser picks. Winner will pick up their prizes at that business each week on or after Tuesday of that week.
 7. To be the grand prize winner, a contestant must enter every week. Contest will continue as long as either Muenster team remains in play. Winner of the \$100.00 grand prize will be determined by the best winning percentage throughout the contest after the lowest score is thrown out.

Knights surprise Wildcats to stay on top of District 10-2A

After a long, rough, not too winning pre-season, the Lindsay Knights proved they were not out of the race last Friday when they defeated the earlier predicted district leaders, the Callisburg Wildcats, 21-6. The district win was a big one for the Knights in their first 2-A district opening win.

"It was about what I expected," Coach Charlie Meurer said. "If we played a few mistakes game and dominated the line of scrimmage, which we were able to do, we would come out on top."

There was a lot of running the first quarter, which ended quickly (at 8:15), with twenty-two plays.

The Knights' Shawn Hanks took the opening kick to the 38 for a 17 yard return. The Lindsay offense could only get seven yards and punted.

Callisburg's offense controlled the first half of the 3rd quarter, getting in eight plays before fumbling the ball at the Knight 10 yard line. Michael Mosman covered the ball for Lindsay.

From the 10, Bowman, Hanks, and Neu took the Knights to midfield. A pass interference call assisted the drive to the 16 before Lindsay came up three yards short.

Callisburg carried the ball into the final quarter, pounding in 16 short runs and a 43 yard pass play to the 5 yard line. On 3rd down and goal, Callisburg coughed up the ball a foot away from scoring and Shawn Hanks covered the ball on the goal line for a touchdown.

From the 20, Zach Bowman, on a quarterback keeper, broke away on an 80 yard race for a touchdown. Krebs added the point and the Knights took a 21-

Celina, Holliday, and Olney. Last week they allowed Valley View to edge by, 11-14 in district play.

"Paradise has very talented athletes, especially in their secondary," Meurer said. "They scare me. They could cause problems. We have to be ready to play. Last week was an emotional game, but we're ready," the coach concluded. Action begins at 7:30 p.m. at Knight field.

AT RIGHT, Lindsay quarterback Zach Bowman (14) gets a good run behind the blocking of Aaron Krebs (60) and Richard Haayen (68).

Janie Hartman Photo

THE KNIGHTS' DEFENSE smothers a Wildcat runner. Tacklers include Aaron Krebs (60), Steven Tepera (20), Michael Mosman and Jamie Baggs. Janie Hartman Photo

Callisburg got in six runs before kicking the ball away on 4th and 12.

Lindsay's second drive of the night went into the second quarter. Hanks and Zach Bowman did most of the running with Corey Neu also getting in a run. Twenty-eight seconds into the quarter, Shawn Hanks took the ball in from the 17 on 4th and 3. Aaron Krebs kicked the extra point and the Knights had a 7-0 lead.

Callisburg's offense stumbled and punted on 4th and 14. A short 12 yard punt set the Knights at midfield. Trying to take advantage of their field position ended when Jory Thredgill picked off a Knight pass.

With the momentum behind them, the Wildcats moved the ball to the Knight 32 yard line in five plays. A reverse play allowed Steven Barnes to find the end zone. The PAT failed and Callisburg closed the scoring gap to 7-6 with 4:27 remaining on the clock.

The Knights fought right back. Neu gained 5 yards and Shawn Hanks carried six times for sixty yards, then gained another 10 for the score. Krebs added the point after for a 14-6 score with 20 seconds on the clock.

A Callisburg pass to Barnes gained 32 yards as the clock ticked to all zeroes. It was a costly run for Barnes, as he popped his shoulder out of socket and missed the rest of the game.

After a 30 minute delay, the second half was finally

6 lead with 3:21 remaining in the game.

Callisburg's offense used up most of the clock before running out of downs. The Knights then killed the clock and enjoyed their district victory.

"I was proud of their (the Knights) effort," stated Coach Meurer. "The boys were very nervous at times and that made a few errors. We had a couple of bad breaks, but we didn't let up. We were ready to play."

NOTICE OF APPLICATION FOR FLUID INJECTION WELL PERMIT
W. J. LUKE, P. O. BOX 607, MUENSTER, TX 76252
is applying to the Railroad Commission of Texas for a permit to inject
fluid into a formation which is productive of oil and gas.
The applicant proposes to inject fluid into the Gatwood Formation,
Kleiss Lease, Well Number 22. The proposed injection well is
located 2 miles south of Muenster in the 10th Field, in Cooke County.
Fluid will be injected into strata in the subsurface depth interval from
1471 to 1476 feet, and 1681 to 1695 feet.

LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as
amended, Title 3 of the Texas Natural Resources Code, as amended,
and the Statewide Rules of the Oil and Gas Division of the Railroad
Commission of Texas.

Requests for a public hearing from persons who can show they are
adversely affected, or requests for further information concerning any
aspect of the application should be submitted in writing, within fifteen
days of publication, to the environmental Services Section, Oil and
Gas Division, Railroad Commission of Texas, P. O. Box 12967,
Capitol Station, Austin, Texas 78711 (Telephone 512-463-6792).

NOTICE OF APPLICATION FOR FLUID INJECTION WELL PERMIT
A. D. WALTERSCHEID C/O DENNIS WALTERSCHEID,
ROUTE 2, BOX 480 MUENSTER, TX 76252
is applying to the Railroad Commission of Texas for a permit to inject
fluid into a formation which is productive of oil and gas.

The applicant proposes to inject fluid into the Strawn Formation,
R. W. Trew Lease, Well Number 15. The proposed injection well is
located 7 miles north of Muenster in the Cooke County Regular Field,
in Cooke County. Fluid will be injected into strata in the subsurface depth
interval from 1603 to 1610 feet.

LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as
amended, Title 3 of the Texas Natural Resources Code, as amended,
and the Statewide Rules of the Oil and Gas Division of the Railroad
Commission of Texas.

Requests for a public hearing from persons who can show they are
adversely affected, or requests for further information concerning any
aspect of the application should be submitted in writing, within fifteen
days of publication, to the environmental Services Section, Oil and
Gas Division, Railroad Commission of Texas, P. O. Box 12967,
Capitol Station, Austin, Texas 78711 (Telephone 512-463-6792).

STATEMENT OF NONDISCRIMINATION

Muenster Telephone Corporation of Texas is the recipient of Federal financial assistance from the Rural Electrification Administration, an agency of the U.S. Department of Agriculture, and is subject to the provisions of Title VI of the Civil Rights Act of 1964, as amended, Section 504 of the Rehabilitation Act of 1973, as amended, the Age Discrimination Act of 1975, as amended, and the rules and regulations of the U.S. Department of Agriculture which provide that no person in the United States on the basis of race, color, national origin, age or handicap shall be excluded from participation in, admission or access to, denied the benefits of, or otherwise be subjected to discrimination under any of this organization's programs or activities.

The person responsible for coordination of the organization's nondiscrimination compliance efforts is Alvin M. Fuhrman, Manager. Any individual, or specific class of individuals, who feels that this organization has subjected them to discrimination may obtain further information about the statutes and regulations listed above, from and/or file a written complaint with this organization; or the Secretary, U.S. Department of Agriculture, Washington, D.C. 20250; or the Administrator, Rural Electrification Administration, Washington, D.C. 20250. Complaints must be filed within 180 days after the alleged discrimination. Confidentiality will be maintained to the extent possible.

Farm & Ranch

Farm Service Agency updates

Changes to production flexibility contracts - If you will have any changes to your contract for the 1997 crop year, now is the time to contact your local Farm Service Agency. If you will call in ahead of time, we will probably be able to update these changes before you come in.

Several of the things that will constitute a change in the contract are: Cash leases - several of you only had farms cash leased for a year at a time. New contracts will have to be done. Please bring in your lease agreement or canceled check.

Change in cash lease agreement - if you have changed your leasing arrangements in any way a new contract will have to be done. Please bring in your new lease agreement.

Change in payment shares - if you plan on sharing different than last year, a new contract will have to be done.

Change in operator or owner of a farm for any reason - a new contract will have to be done. This includes purchasing or selling a farm that has a contract on it. Farms will need to be divided or combined.

If you have questions about anything else about your contracts, please contact us or come by. Remember, advance payments on contracts will be made in December '96 and January '97. If you want to change when you receive these payments, or you have a change on a farm that will change the timing of

payments, we need to know well ahead of these dates. New contracts will have to be done and all required signatures obtained.

Controlling weeds - Producers should be aware that participation in the new Farm Program requires land to be maintained in a workmanlike manner, which includes controlling noxious weeds. All idle contract acreage shall be protected from soil erosion, and weeds shall be controlled. Failure to do so will result in payment reduction.

Catastrophic crop insurance: Wheat and oats - For those of you who had carryover policies (you recently received a letter), the final date to pay your fee and report your acreages is Dec. 31. This is also the date your landlord's fee and report is due. Failure to pay or report your acreage will terminate your policy. As soon as you have your acreage planted, please give us a call so we can set up a date for you to report. For those of you that do not have insurance small grain acreage reports are not due until May 1, 1997.

Catastrophic insurance is basically just what the name implies. Unless you have a near complete catastrophe on your farm or units, there is very little coverage. One way you can make this better is to bring in your production records to increase your yield, this will increase your coverage.

County Agent's Report

by Craig Rosenbaum

DALLISGRASS POISONING

Earlier in the week, I visited with Dr. Marvin Knight and he explained the need for producers to be aware of Dallisgrass poisoning that is affecting cattle in the Cooke County area. He said they have diagnosed quite a large number of cases. The problem arises when Dallisgrass forms seed heads in pastures. A fungus called "ergot" grows on the seed usually after our mid summer to late summer rains. As fall gets here, many pasture grasses become old and unpalatable and the cattle go to eating the greener Dallisgrass. Cattle then become sick after consuming a significant amount of ergot infested Dallisgrass. The heavy ergot consumption causes nervous conditions, altered gait, muscle tremors and a lack of coordination. The cattle can panic, fall down and not be able to get up. Cattle can become excited and charge but they will tend to have a lack of balance and stagger.

There is no treatment except to pull the cattle off of the infected pasture or pasture area and provide them with good quality feed and hay until they recover. Producers may also shred seed heads off of the Dallisgrass leaving the leaves of the grass for cattle to feed on. Cattle that have ingested ergot infested Dallisgrass often recover if provided a safe diet.

more abundant in sorghum leaves than stems. Therefore, young plants or young regrowth on plants that contain more leaves than stems can be un-safe. Most of the time Prussic Acid will volatilize out of plant tissue upon death, crop development, severe wilting, or hay curing. Generally, field curing and drying will easily liberate 50-70 percent of the Prussic Acid. In baled hay, Prussic Acid levels are generally within acceptable concentrations after six months of storage. This time frame is dependent on bale type, density of bale, and air flow around bales. Naturally, Prussic Acid will volatilize out of smaller bales at a faster rate.

The most dangerous time as far as the grazing of these plants is concerned is following frost when the plant material begins to wilt. Livestock should not be allowed access to the wilted material until it has dried completely. This usually takes three or four days of good sunlight. New plant growth usually becomes nontoxic and can be grazed within 10 days to two weeks following a rain.

As far as Prussic Acid poisoning is concerned, the poison acts rapidly and can kill animals within minutes. In most cases, animals become affected within 10 - 15 minutes after eating toxic material and can die in two to three minutes.

To prevent Prussic Acid poisoning in livestock, follow these steps:

1. Allow plant material affected by frost to dry thoroughly before grazing. This may require a week or more of good sunlight.
2. Feed animals hay or a supplement before turning them in on plants that may contain Prussic Acid. Animals that are not hungry will not be affected as seriously by toxic material since their intake will be limited.
3. Remove all animals from the pasture if one in the herd shows any signs of poisoning.
4. Call a veterinarian immediately if an animal appears to be poisoned. An antidote to treat affected animals is highly efficient if given early. This product is available from veterinarians.

OPPORTUNITY FOR FREE PESTICIDE DISPOSAL

The Texas Agricultural Extension Service, TNRC, and TDA will sponsor a free pesticide disposal site as part of the Texas Country Clean Up. Farmers and ranchers in Cooke County are invited to

Farm Bureau Convention held last month in Muenster

The annual convention of the Cooke County Farm Bureau was held in Muenster at the Center Restaurant last month. All Cooke County Farm Bureau members were invited to attend.

Taylor Vestal led the invocation and the business session was held immediately following a roast beef dinner.

Several resolutions were discussed and approved. They will be considered by the delegates attending the Texas Farm Bureau annual site convention to be held in Antonio this year in December.

Officers and board members were re-elected for another term. They included: Tom Hartman, president; Edin Knight, first vice-president; Mike Bartush, second vice-president; Jeff Hellman, secretary/treasurer; Marvin Krahl, Harold Nortman, Ron Rauschuber and Taylor Vestal.

Special guests included Donald Patman, Texas Farm Bureau State Director of District 4; Marlene Hess from the office of Congressman Ralph Hall; Randy Wilen, District Sales Manager of District 3; Mike Compton and Bill Pratt, candidates for the position of sheriff. Raymond Root, agency manager of the Farm Bureau office, was present to introduce the office staff and agents.

The meeting concluded with many door prizes awarded to those who had their names drawn.

Keep calm in an emergency

Each year, nearly half a million residents of farms suffer disabling injuries. When an accident happens, the information you give to operators can help the victim. The National Safety Council urges you to remember the following when calling for emergency services:

Try to remain calm and speak clearly. Give precise direction to the accident site and describe the extent of the injuries. If someone else is available, ask them to meet responders near the highway to guide them to the accident scene. Finally, stay on the line until the operator tells you to hang up.

Winterize your sprayer with antifreeze!

Take a little extra time and winterize your sprayer, it will help come next spring. The basic automobile antifreeze in a final rinse of the sprayer's system is recommended. This includes the tank, pump and all plumbing. About two gallons of antifreeze should do the job. Be sure to rinse all areas on the equipment, not just the pump. Don't ignore other parts such as manifolds and electronic valves.

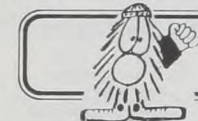

Tomorrow's Agriculture... Today's FFA!

Sodbuster's Sentiment
Man is a tool-using animal... without tools he is nothing, with tools, it is all.
Thomas Carlyle

Lots of people know a good thing the minute the other fellow sees it first. Hedge

The Bible Tells Me So
Which animals would you think are mentioned most often in the bible? "Beast" tops the list at 337 references. Sheep are mentioned 200 times, Lamb 188, Lion 176, Ox 166, Ram 165, Horse 164, Bullock 152, Ass 150, Goat 138, and Camel 62. Cattle are listed 153 times, fowl 90, fish 56, and bird 41. There are 40 references to the dog, but the cat is not mentioned once.

Jesus (984) and Christ (576) are mentioned 1,560 times in the New Testament, with David coming in a close second at 1,064. Moses' name appears 847 times with the name Judah in 816, but that total includes the land as well as the

man. Other top 10 names are Jabob, Aaron, Solomon, Joseph and Abraham, all 250 times or more. "God" is mentioned 4,105 times.

The most named places are Israel, Jerusalem, Egypt, Babylon and Assyria.

A century before computer were invented, Thomas H. Horne, a Biblical researcher, undertook a manual search of the King James Bible to work out the frequency of occurrence of words. His conclusion was fairly close as recent computer research proved.

The most mentioned word in the bible is "the", in a total of 63,924 times, "and" is in 51,696 times and "of", 34,617. Others on the top of the list are to, that, in, he, for, I and his.

PRUSSIC ACID POISONING

Fall is here and with it will come our first frost. This means that it will be time to think about Prussic Acid poisoning which is associated with plants of the sorghum genus such as sorghum hybrids, Johnsongrass, sudans, and we are told, to a very limited extent, millets. Sorghums stressed with frost or drought are the most likely to be hazardous. Care should be taken in their grazing or haying. Prussic Acid or cyanide compounds are
