

## TDH awards MMH Level IV Trauma designation

by Janet Felderhoff  
Muenster Memorial Hospital received its official Level IV (Basic) Trauma Designation on Tuesday, Oct. 7. Muenster Memorial is the first hospital in Cooke County to receive a Trauma Designation by the Texas Department of Health (TDH). There are now 77 hospitals in Texas to acquire Trauma Designations. More than 150 hospitals have applied for designations. "Texas developed the Trauma System to lower the number of fatalities in rural counties," noted David Post, Program Specialist, Emergency Medical Services for TDH in Arlington. Post spoke during a special presentation ceremony held in the office of MMH administrator Jack Endres on Tuesday. Hospital staff, physicians, and board members attended.

There are four levels of trauma designations for hospitals, said Post. Level I is a comprehensive trauma facility, there are five in Texas. Level II is a major trauma facility, there are four in Texas. Level III is a general trauma facility, there are three in Texas. Level IV, which now includes Muenster Memorial, is a basic trauma facility, there are 65 in Texas. "Basic trauma facilities provide resuscitation, stabilization, and arrange for appropriate transfer of all major and severe trauma patients to a higher level of trauma care," continued Post. "Hospitals cannot use the term trauma facility, trauma hospital or trauma center unless they have been designated as a trauma facility by the Texas Department of Health. "These facts and the commitment of Muenster Memorial Hospital to provide optimal quality care, and knowing that there are heavily traveled highways going through Muenster, it was essential for the hospital and its staff to become better educated and better equipped

to save that trauma patient's life and to better the outcome chances with stabilization and transfer of severely injured patients in the least amount of time possible." According to Post, Muenster Memorial's efforts to become designated required not only an application fee to the trauma program, but many hours of work and dedication from the staff, doctors, and administration to prepare the paperwork required for the survey. "Key personnel responsible for Muenster Memorial receiving this Level IV rating are Mr. Jack Endres, administrator; Mrs. Pat Wimmer, the trauma coordinator and staff nurse; and Dr. Edd Advincula, the trauma medical director," said Post. "Muenster Memorial Hospital is proud of the dedication of its staff to meet the requirements of the Level IV designation," remarked Mr. Endres. "Hospital personnel have received training in

trauma care, advanced cardiac life support, pediatric and neonatal resuscitation and life support, as well as other areas of practice. Muenster Memorial has allocated financial, human, and physical resources to this project to assure its success for trauma patients of Cooke County and surrounding areas." "We are committed to providing the best care possible to our trauma patients," confirmed Trauma Coordinator Pat Wimmer.

Conducting Muenster hospital's survey for the designation were Judy England, RN, a non department site surveyor, and Donna George, Ph.D., RN, a site surveyor intern. Strengths identified by the surveyors were:  
• MMH has made a strong commitment to providing excellent trauma care.  
• Pat Wimmer has done an excellent job of coordinating and documenting the trauma care program.

• Nursing documentation of trauma patient care is thorough and reflects adherence to trauma care standards.  
• The staff at MMH provide rapid treatment for the injured patient and do an excellent job of arranging for rapid transfer to a higher level of care as indicated by the patient's condition.  
• The physicians are actively involved in trauma care and respond within the required

## City Council nominates Felderhoff to CCAD Board

by Daryl Ferber  
Approval of a resolution nominating Arthur Felderhoff to the Cooke County Appraisal District Board of Directors was made at the monthly meeting of the City Council. Felderhoff stated that he "would like to serve again." The City will offer to pay for hepatitis B vaccines for the police officers, volunteer firemen and some outside city workers who desire them. These will be done at the Muenster Memorial Hospital at a cost of up to \$2900. An applicant must have been with any of these groups for at least months. A discussion of a 36 inch culvert to alleviate drainage

problems in the park was tabled until a Park Board meeting could study the problem. The general feeling of the council was that adding dirt to the low areas and seeding with rye grass could solve the problem for a much lower expense. The food inspector had suggested twice yearly, instead of only annual inspections, but the council voted to keep the annual inspections. Some Texas cities are experiencing problems with exotic and predatory animals being kept as pets and are passing ordinances prohibiting such. The council tabled the idea for Muenster until a definition could clarify what

constituted such pets and if there was a need here at present. The amended initial budget for the Muenster Industrial Development Corporation, Inc. was adopted. Paving and curbing projects for Fourth and Sixth streets were discussed as residents have requested consideration. These will be taken under advisement. Jewel Otto, commissioner of parks and the library, announced that Jeanette Meurer will fill the library board vacancy left by Daryl Ferber who resigned for health reasons. Monthly bills amounted to \$83,862.89.

Jimmy Dunn (far left), Program Administrator Emergency Medical Services for Texas Department of Health in Arlington, awards a Level IV Trauma Designation to Muenster Memorial Hospital. Accepting the certificate of designation are Administrator Jack Endres, Trauma Coordinator Pat Wimmer, and Trauma Medical Director Edd Advincula, M.D.

## 4-H Gold Star Award bestowed on Yvonne Martin and Bonnie Brooks

by Janet Felderhoff  
"4-Hers Are Tops" was the theme spun around the annual Cooke County 4-H Achievement Banquet held Monday, Oct. 7. Cooke County Electric Cooperative sponsored the event. The prestigious Gold Star award was presented to Yvonne Martin, daughter of Ernie and Lanita Martin of

Muenster, and Bonnie Brooks, daughter of John and Beth Brooks of Woodbine. Making the presentation was District Judge Jerry Woodlock. Yvonne has been involved in numerous projects including Clothing, Food and Nutrition, Consumer Education, Method Demonstrations, and Share the Fun. "She feels she has accomplished the most in her Recreation Project where she

From 4-H Bonnie says she has learned the value of helping others and of community service. She also learned the importance of effective leadership and communication. Russell Fleitman and Mark Lutkenhaus of Lindsay won the "I Dare You" awards. Doris Harrison of First State Bank of Gainesville made the presentations.

Bonnie Brooks and Yvonne Martin

Fire departments from all around Cooke County competed in a test of fire-hose handling skill at Gainesville's Depot Days celebration Saturday. The contest required two four-man teams to direct a stream of water from a high pressure 2-1/2-inch fire hose at a keg hanging by rollers on an overhead cable. The teams spray from opposing directions and are thus under a constant shower from the opponents. To win, a team must force the keg onto the other team's half of the cable as the three-minute time is up or slam the keg completely against the opposite pole. The undefeated first-place team, above, from the Muenster Volunteer Fire Department featured, Jim (Smoke) Koelzer on the nozzle, Ben Bindel - backup, Bert Walterscheid - anchor, and Duane Walterscheid - captain and spotter. They slammed the keg against the pole three out of four times and took home individual trophies and a large first-place team trophy. The second-place team pictured at right was from the Lindsay Volunteer Fire Department. They are, Larry Zimmerman on the nozzle, backing him is Assistant Fire Chief Danny Zwinggi, Mike Otto - anchor and Merle Griffen - captain and spotter. Dave Fette Photos

has learned leadership skills that will be life-long," noted Judge Woodlock as he introduced her. Offices in 4-H at the club and county level held by Yvonne include club president and county council president. She has also served on numerous county committees and attended district council meetings. As a 4-H member Yvonne participated in community service activities that include Adopt-A-Highway, collecting clothing for Goodwill, and playing Bingo and caroling at the local nursing home. Bonnie Brooks has been active in various 4-H projects including Food and Nutrition, Clothing, Dog Care and Training, and Public Speaking. She has held numerous offices for her club including that of president, reporter, county council secretary, treasurer, and district council delegate. Bonnie has attended County 4-H camps, Leadership Lab, and numerous district competitions. She volunteers her time to serve on several county committees and community service activities such as Christmas caroling at nursing homes, shopping for needy children, and showing her animals at local nursing homes during the County Pet Show.

Anthony Dresser, Cooke County Farm Bureau director, spoke on the importance of hard work in 4-H as he presented Farm Bureau Leadership Awards to Kristin Creed of Muenster and Lisa Mosman of Lindsay. Cooke County Judge Russell Duncan presented the Outstanding Junior and Intermediate 4-Hers awards to Jeff Zimmerer and Phillip Fleitman of Lindsay. F.C.E. 4-H Scholarships were awarded to Yvonne Martin, Lisa Mosman, and Bonnie Brooks. Nancy Hoedebeck of the Cooke County Family and Community Education Council announced the winners of this honor. Doris Harrison also made the Gold Star Picture Recognition on behalf of First State Bank of Gainesville. Club managers were recognized by Shellie Fleitman of Guaranty National Bank. Those recognized included Ernie Martin and Becky Felderhoff of the Muenster 4-H and Kathleen Schroeder and Barbara Mosman of the Lindsay 4-H. Cooke County Commissioners Richard Brown, Virgil Hess, Jerry Lewis, and Phil Young awarded medals to 1997 achievement banquet winners. Recipients included

# MSB hires Dan Hamric for customer relations

by Janet Felderhoff  
Henry Weinzapfel, president of Muenster State Bank, announced this week that Dan Hamric has been employed part-time by the bank for customer relations and advertising. It is hoped that Mr. Hamric will be able to spend a good deal of his time out with the public doing such things as working with the young people of the community, explaining banking and the services of Muenster State Bank to customers and the people of Muenster whenever possible.

Dan Hamric

We've never done anything like this before, but times have changed and we need to change with the times."

"I felt for a long time that even though the Muenster State Bank was offering full banking service to the community that we were not reaching the people like we should," remarked Mr. Weinzapfel. "Part of it is because it's not as necessary for people to bank as it used to be. Particularly the young people. This group more than ever before is impacted with stuff coming from every bank, every credit union, every institution there is, wanting to give them a credit card, wanting them to do their financial business with them. Because of communications, computers, the Internet or whatever, they just don't feel the need to have a banking relationship. Unless we go out and talk to these people and tell them that it's just a whole lot better for them and the community that they establish a banking relationship with the local bank and that we have services available that would enhance their lives to utilize the services of the bank."

"This is where Dan comes into the picture. We felt like he would be just the man to visit with the younger age groups. He's respected in the community and has considerable experience working with the public and public administration. As president of the bank I felt like it was time to make this move."

Dan is a Muenster native and a graduate of Muenster High School. He attended OU in Norman for one year and finished his college work at Texas Western in El Paso where he earned a BS degree in Education in 1962. He received his Master's degree in Education Administration from TWU of Denton in 1980.

Last March Dan and his wife, Fay, moved back to Muenster. Prior to that they had lived in Montague where he was superintendent of Montague ISD for 12 years.

Other positions held by Hamric include principal of Forestburg; math teacher at Muenster High for six years, and Forestburg High for five years and Anthony, New Mexico for five years. Dan also spent seven years as manager of Hamric's Men's Wear in Muenster.

Fay continues to teach at Bowie where she has been for the last 13 years. They have three children and they are all teachers. Bob teaches Science at Saint Jo Middle School. Danna teaches Advanced Math at Muenster ISD and Lisa is an athletic trainer at Nolan High in Fort Worth. Dan continues to teach Algebra part-time at NCTC in Gainesville.

"I'm anxious to serve the Muenster State Bank customers in any way that I possibly could," noted Mr. Hamric. His position with the bank is part-time and most of that time will be spent out of the bank. He plans to be active with service organizations, clubs and schools.

"I'm looking forward to it," Dan said of the job. "I think it'll be challenging and I can see that the need is there because our banking community has expanded widely."

# Life Chain participants stand up for unborn

Cooke County participants in the annual Life Chain stood along Highway 82 near the Lindsay Park on Sunday Oct. 5. About 100 people turned out to take a "stand" against abortion. Many held posters with messages such as "Abortion Kills Children", "Abortion Hurts Women" and "Lord, forgive Us and Our Nation".

Gary and Mary Endres and four of their children participate in the Cooke County Life Chain last Sunday. Courtesy photo

One of the backdrops to the event was a "Cemetery of the Innocents" — a display of small white crosses planted in the ground in front of a sign that read, "Christians: Your sins were paid for with the blood of Christ, your freedom was paid for with the blood of the patriots, your silence is paid for by the blood of the unborn." Organizers explained that the crosses are meant to serve as a memorial to the millions of babies killed by abortion. The crosses are also meant to educate the public about abortion, they added.

Included among those attending the county-wide Life Chain event were at least five pastors from area churches and representatives from at least six communities and their surrounding areas. A number of pro-life religious denominations were also represented.

While this was the fourth

year that the Life Chain event was held in Cooke County, it was the first year that all county participants gathered in one location. In prior years, a number of Cooke County communities held Life Chains

events in their own cities and towns.

Kenneth Bierschenk, president of the Cooke County Pro Life Group which organized the event, said that he was pleased with the responses of people who drove

by the Life Chain. Several passersby offered "thumb ups", waves, or friendly honk "I didn't see a negative response," Bierschenk added noting that in previous years there had been some negative responses.

Bierschenk said that increasing the awareness of the negative effects of abortion is important, noting that the number of abortions in Cooke County and in the United States has decreased in recent years. "More and more people are also coming to realize the abortion victimizes women," he said.

Nationally, Life Chain events have been taking place for at least 20 years, organizers said. Cooke County's Life Chain Sunday began at 1:45 p.m. with a short prayer service and lasted until 3 p.m.

Organizers said that the Life Chain is meant to oppose abortion, speak up for the unborn, and demonstrate unified strength. It is also meant "to repent before our community for our indifference toward the killing of innocent lives and the lack of compassion for the women who feel compelled to resort to abortion" and "to encourage women dealing with a crisis pregnancy to choose life," organizers said.

# Herman Fleitman dies at 81

Mass of Christian Burial was held in St. Mary's Catholic Church Thursday, Oct. 9, at 10 a.m. for Herman B. Fleitman, formerly of Muenster. He died on Oct. 7, 1997, at River Valley Health and Rehabilitation Center in Gainesville.

Herman Fleitman was born on Dec. 28, 1915, in Muenster to Joseph and Katherine Roewe Fleitman. On Oct. 30, 1939, he married Magdalen Mary Block in St. Peter's Church of Lindsay.

He had resided in the Muenster-Lindsay area until 1950, when he moved his family to Gainesville. He was employed by the Woolridge Rubber Company until his retirement in 1978. A member of St. Mary's Catholic Church in Gainesville, he was also a lifetime member of the Knights of Columbus.

Survivors include two daughters and sons-in-law Rose and Robert Knabe of Gainesville and Ruth and Robert Muller of Gainesville. There are seven grandchildren, 10 great-grandchildren, and numerous nieces, nephews, and cousins.

Also surviving are one brother, Bernard Fleitman Sr. and one sister, Anna Ostwerner of Muenster.

Preceding him in death were his parents, one sister Elizabeth Fleitman, and four brothers Andrew, Joe, Tony, and August Fleitman; also three infant sons and one infant daughter.

A rosary was prayed at the Geo J. Carroll Funeral Home chapel on Wednesday at 7 p.m.

Herman Fleitman

Participating in the liturgy for the funeral Mass on Thursday were Father Eugene Luke, OSB, of Lindsay and Father Reinhard Sternemann OSA. St. Mary's Church Choir presented sacred songs. Mass servers were three adult members of St. Mary's Parish. Readings from the Old and New Testaments were given by nieces Helen Prescher and Patsy Hermes.

Burial in Fairview Cemetery was directed by Geo J. Carroll and Son Funeral Home. Pallbearers were nephews David Fleitman, Donnie Fleitman, Ray Fleitman, Danny Fleitman, Kenny Fleitman, and Charles Fleitman. Honorary pallbearers were nephews Eugene Fleitman, Pat Fleitman, Gus Fleitman, Ben Fleitman, Jr., Paul Fleitman and Robert Fleitman.

Resurfacing Oak Street was a relatively quick job Monday with major help from Cooke County Precinct Four. Above, Doug Yosten and Billy Poyner operate the gravel spreader. Below, Precinct Four Commissioner Virgil Hess operates the hot tar sprayer. The city pays for all materials. The county donates the use of the equipment. Dave Fette Photos

## Valley View News

The Valley View Chamber of Commerce will present a check for \$268.69 to the City Park Fund from proceeds from Fall Fest.

Denise Pearce reported that 350 attended the Sloan's celebration.

The Chamber Float received honorable mention from the parade.

A Christmas party with members of the Senior Citizen's Center will be Dec. 6.

February 28 will be the installation of officers and awards.

Next meeting Wednesday, November 5, at the Senior Citizen's Center. Bring a lunch.

## City of Muenster awarded \$28,050 master plan grant

by Stephen Broyles, City Administrator

Mayor Henry Weinzapfel reports that on August 21, 1997, the Texas Community Development Program State Review Committee of the Texas Department of Housing and Community Affairs (TDHCA) approved the preliminary funding recommendation for FY98 of a \$28,050 grant for the City of Muenster. These funds are to be used in preparing a master plan for the city for the next 20 years. However, these funds are not official until the federal budget is approved by Congress. The City of Muenster will provide \$3,000 as a match for this grant. These funds should be available by March 1998.

The 1998 Master Plan will replace the 1979 plan. It will be comprehensive and will include the following: a population analysis; housing and education needs; land use; recreation facilities, such as parks; community facilities such as storm water drainage, wastewater treatment plant and systems, and Lake Muenster construction and impact; fire protection; economic development; zoning and subdivision ordinance updates; and a capital improvement plan. Each of these areas will be combined into a composite plan integrating the various city needs.

The City of Muenster was among 91 cities competing for these grants funds. FY 97 grants funded 23 cities, while FY 98 grants will fund 34 cities, assuming that the FY 98 funds match the FY 97 funds. Thus, 34 cities received no grants funds.

This is an excellent year for Muenster since this is the second community development grant received this year. Our City Administrator, Steve Broyles, has done an outstanding job in preparing and presenting our grant applications!

### Taxpayer Relief Act of 1997

by Duane Knabe, CPA

The Taxpayer Relief Bill of 1997 was passed by Congress on July 31, 1997. Partially because of its tremendous bipartisan support (House: 389-43; Senate 92-8), it was signed into law on Aug. 5, 1997.

Taxpayers and tax professionals must learn many changes in a short period of time since there are over 800 Internal Revenue Code amendments and nearly 300 new provisions of which 150 are already effective.

The range of taxpayers affected by this law is probably even more substantial than the number of law changes required. The numerous changes affect individuals, families, investors and businesses. Key provisions include capital gain reductions, child tax credits, educational incentives, savings and investment minimum tax reform, estate and gift tax reform, as well as numerous extensions and technical corrections.

The price of this Act is the additional complexity of the Internal Revenue Code. Also, Congress's previous goal of tax simplification has been completely ignored. This is apparent even if one just considers the interaction of the new child tax credits with the existing earned income credit or just considers the capital gain breaks or the new IRA alternatives. These provisions, alone or in conjunction with the others, make it much more difficult for taxpayers to undertake planning strategies on their own.

If you believe that some tax planning will benefit you, which it will in most cases, please call the office of Duane Knabe, CPA, at 940-759-4010.

## TRAUMA

time period for trauma code patients.

- The Emergency Department is well-organized and contains ample resuscitation supplies for the adult or pediatric patient.

- The trauma flowsheet is well-developed and supports complete nursing documentation.

- The Trauma Coordinator completes follow-up calls to obtain information on all trauma patients transferred from MMH.

- The over-all trauma program at MMH is well-organized and fully operational.

Level IV trauma centers are required to have 24-hour duty schedules of nurses and other staff trained in trauma care. As part of this designation MMH has available state-of-the-art equipment for treating the trauma patient.

Muenster Memorial is an 18 bed acute care hospital which serves a population of 18,000 plus. In the past 12 months 546 trauma related visits were made to the hospital by patients.

Trauma is the leading cause of death for people 44 and younger in Texas. An average of 30 Texans die each day from trauma injuries. Since 1989, the trauma death rate in Texas has steadily decreased from 59.2 people per 100,000 to 51.3 in 1995. This decline in death rates is in part due to the creation of this statewide trauma system by the TDH which has developed guidelines for four levels of trauma facility designation.

## NCTC fall enrollment reaches new all-time high

North Central Texas College has started its new 1997-98 Academic year off with yet another all-time record for enrollment, college officials announced this week.

Fall 1997 enrollment will surpass 4,250 - about 100 students more than the previous high for a fall semester.

"This record has come on the heels of a lot of changes we've made here at the college," said Dr. Ronnie Glasscock, NCTC president. "We've looked at issues that were important to the students and made changes to better meet their needs."

Registration counts have steadily increased in the last several years. In the Fall, 1995

semester, the registration count was 4,097 after all cancellations and withdrawals were accounted for. That number jumped to 4,157 in the Fall, 1996 semester. This fall, headcount reached the record number 4,252.

"Even that number doesn't completely reflect the total overall numbers," said Regina Organ, dean of student services. "We have a new option for several courses which allows students to earn Continuing Education Units (CEUs) rather than regular college credit, so 68 students who chose this option aren't figured into these numbers. Registration counts are strictly credit-only courses."

## Fr. Gary Swirczynski serves fellowmen in Tucson, Arizona among friends

Father Gary Swirczynski, son of Ed and Hazel Swirczynski of Fort Worth and grandson of the late Mr. and Mrs. Joe Swirczynski of Muenster, is a Franciscan priest serving his friends, Native American Pima and Maricopa Indians on the Gila River Reservation in Arizona.

In the seven years from Brother status to Priesthood, Gary Swirczynski says he traveled a rocky road. At age 30, he was ordained in March 1987.

He requested ordination in the century-old St. Mary's Basilica Catholic Church in Phoenix Arizona that had seen every religious event from christenings to funerals - but never an ordination.

After all, he reasoned, his best friends were the Native American Indians of the Southwest desert reservation. What could be more logical than that they be able to witness his ordination - what more logical than that their sacred rituals be woven into traditional Roman Catholic rites? They were able to attend in St. Mary's Basilica in Phoenix, but would have been unable to travel to Santa Barbara, California, where most Franciscan ordinations were held.

"After all," he observed, "these are the people who had accepted me so readily into

Father Gary Swirczynski

their lives. It was important that I share this part of my life with them."

Father Gary Swirczynski received permission from his Superiors for ordination in Phoenix. And so, Indians participated in the sacred ceremony in St. Mary's Basilica, to ordain their Franciscan Brother a priest. The combination ceremony included the solemn, holy, centuries-old Catholic rites and solemn, impressive Indian chanters, musicians, dancers, and a medicine man, as Father Gary took his vows of poverty, obedience and chastity.

In June 1987, he received his first assignment, and returned to the Gila River Reservation where he had worked as a Brother and would now serve as the head Franciscan Priest. He was assisted by a Brother and a nun. They were to shoulder the heavy load of overseeing the ministry of nearly 3,000 Catholics in the eight villages spread over the reservation. They conducted convert classes, trained prayer leaders and baptism instructors to handle certain Catholic rites when religious personnel were not available.

They conducted Bible studies and taught sacred music.

Father Gary Swirczynski admitted the journey between his initial calling to be a priest and his final commitment was a difficult one.

He had left his native Fort Worth home shortly after high school to do maintenance work at an Indian School!

"I saw these guys (these Franciscans) in their long black robes, working in the scorching heat, and sharing their lives with people from the reservation," he said.

His fervent interest in Native American Indian history had led him to Arizona where he could learn first-hand about the Indians. He studied at Arizona State University and received a degree in history in 1978. Later, in Oakland, California he became a Novice in the Franciscan Order. His next step was to work on the Papago Reservation near Tucson. Later he entered studies at the University of California, Berkeley where he earned Master's Degree in Theology.

The Franciscan Order founded by St. Francis of Assisi is known for its simplicity and closeness to nature. With Gary Swirczynski, love for the Indians and their earthly spirituality, the road led to ministering on a reservation as a Franciscan priest, in the humble church on the Gila River Indian Reservation.

Much of this information was shared by Fr. Gary's parents Ed and Hazel Swirczynski.

## Saint Jo Opry set for Oct. 11

The next performance of the Saint Jo Opry is scheduled for Saturday night, October 11 in the Saint Jo School Auditorium. The show will begin at 7:30.

## Continued from Page 1 4-H-AWARDS

## Anderle, Neeb joined in Sacred Heart ceremony September 27

by Elfreda Fette

Mr. and Mrs. Howard Scott Neeb have returned from their edding trip to Cozumel, Mexico and are at home in Muenster. They were married in Sacred Heart Church on Sept. 27, 1997, in a Nuptial Mass with double ring vows at 5:00 p.m. Father Tom Craig, pastor officiated.

The bride is the former Kimberly Marie Anderle, daughter of Johnny and Annette Anderle of Muenster; granddaughter of Mrs. Ethel Anderle of Windthorst and Marcus and Catherine Uhrmann of Lindsay.

The groom is the son of Ted and Vicki Neeb of Windthorst. He is the grandson of Mrs. Rose Mary Schroeder, and Edward and Tina Neeb all of Windthorst.

Kim is a 1991 graduate of Muenster High School. She is an optometric assistant in the office of Dr. Margie A. York, D in Muenster.

Scott is a 1993 graduate of Windthorst High School, and a 1997 graduate of Midwestern State University in Wichita Falls. He is a Senior Associate Business Systems Programmer employed by Raythorne Systems, in Garland.

Lending further significance to the date chosen for the wedding was the September 27, fiftieth birthday of the bride's mother, Annette Anderle and also the birthday of the bride's sister-in-law, Larla Anderle.

The bride's parents gave her a marriage. For her wedding

she chose an elegant Mori Lee designer gown, with off-shoulder, cap-sleeved, bodice of Battenberg lace and seed pearls. The white satin skirt fell from box pleats at the waist. A detachable train was edged with Battenberg lace and re-embroidered seed pearls. Her bridal veil of layered illusion was attached to a coronet of Battenberg lace encrusted with seed pearls.

She carried a bridal bouquet of fresh white roses, mini carnations, white larkspur, fuschia and English ivy.

**ATTENDANTS**  
Denise Neu of Denton, sister of the bride was matron of honor.

Stephanie Wimmer of Muenster, bride's cousin, Sondra Bauer of Sherman, bride's cousin, Thea Neeb, Jessica Neeb and Kristen Neeb of Windthorst, sisters of the groom were bridesmaids.

They were identically attired in white crepe, sleeveless, floor length, straight, slim gowns designed by Mori Lee. Each carried a single, pastel pink rose tied with a tulle bow.

Karli Anderle, bride's niece and Lynsey Neeb, groom's niece were flower girls, carrying baskets of white silk roses.

Tyler Anderle, bride's nephew was ring bearer.

Russell Zotz of Windthorst, a friend of the groom was best man.

Heath Brophy of Grapevine, Tory Veith of Windthorst, Randy Hoff of College Station, Lee Horton of Wichita Falls, all

friends of the groom and Corey Anderle of Muenster, brother of the bride were groomsmen.

John Anderle of Muenster, Kevin Anderle of Muenster, brothers of the bride, Shayne Wimmer of Muenster, cousin of the bride, Jamie Armstrong of Wichita Falls, friend of the groom were ushers.

Mass servers were Clint Fuhrmann of Muenster, bride's cousin, Dominic Fuhrmann of Lindsay, bride's cousin and Kevin Schroeder of Windthorst, groom's cousin.

Wedding music was presented by Ruth Felderhoff organist, Raymond Chan violinist, Christy Hesse of

Muenster and Phillip Scheibner of Denton, vocalists. Selections included the prelude: "The Rose," "Through the Eyes of Love," and "Wind Beneath My Wings." "Canon in D" for the bridesmaids' entry; "Trumpet Voluntare" for the bridal march; "Psalm of the Good Shepherd," "Take My Hand," for the Unity candle; "I Offer Thee" at Offertory; "How Beautiful" and "Wherever You Go" at Communion; "Ave Maria" at Mary's altar; and "Jesu, Joy of Man's Desiring" as the recessional.

The special wedding liturgy included Readings selected by the couple from the Old Testament and New Testament, given by Kenneth Fuhrmann, bride's uncle and Craig Neu bride's brother-in-law. Offertory gifts were presented by Margie and Willie Fuhrmann, bride's godparents, Gail Schenk, friend of the groom and Chris Neeb, uncle of the groom. Eucharistic Ministers were Mark and Linda Fuhrmann bride's uncle and aunt, Michael Fuhrmann bride's uncle, Jill Fuhrmann bride's aunt, Howard Neeb, groom's grandfather and godfather, Cathy and Roy Anderle, groom's aunt and uncle.

### RECEPTION

A reception, dinner and dance followed, hosted by parents of the couple, in the Sacred Heart Community Center. The dinner blessing was led by Father Tom Craig. Toasts were given by Russell Zotz, Denise Neu and John

Anderle. A video prepared by the groom's mother and his sisters Thea and Kristen, of the couple's family and friends, was played during the evening.

Megan Sandmann and Terry Hess presided at the bride's book and registered 365 guests.

The bride's table was covered with white lace, accented with pink bows, and held two antique lead crystal, tiered candle holders.

The five-tiered white wedding cake decorated with fresh pink and white mini-carnations, and the groom's chocolate cake, decorated with white chocolate dipped strawberries, were made by the groom's mother Vicki Neeb and his grandmother Rose Mary Schroeder.

Reception assistants were Laura Heers, Melissa Fuhrmann, Emily Fuhrmann, Katie, Kristen and Pam Hoberer.

Decorations in the area included pastel pink bouquets, floating heart-shaped candles, English ivy and tulle.

The rehearsal dinner was prepared by the groom's parents and family, and held in the home of the bride's parents Johnny and Annette Anderle on September 14 at 4:00 p.m. Gifts were presented to members of the wedding party.

Wedding guests from out of town included many from Windthorst, Wichita Falls, Sherman, Bedford, Arlington, Texas and Mena, Arkansas, Edmond, Oklahoma and Necompa Park, Oklahoma.

### Bake Sale set

Plans are moving along for the Annual Bake Sale sponsored by the VFW Ladies Auxiliary on Friday, Oct. 17, to be held at Fischer's Market, 8:00 a.m. until 4 p.m. A variety of homemade baked items will be available for purchase, and donations will be gratefully accepted. Proceeds will be put into a special Cancer Aide Fund that the Auxiliary has set up, to distribute to the State Cancer Aide Programs and local people of the community who are fighting the disease.

Mrs. Howard Scott Neeb  
...nee Kimberly Marie Anderle...

### Klement elected officer of TAMU Cancer Society

Andrea Klement has recently been elected to the position of secretary of the Texas A&M University Cancer Society. This student organization, which is a charter group of the American Cancer Society, participates in many fundraisers and cancer awareness programs throughout the year. The TAMU Cancer Society provides information and counseling services to those students whose lives have been

affected by cancer. The group also takes part in such activities as the Great American Smokeout, National Breast Cancer Awareness Month, National Skin Cancer Awareness Month, and the Cattle Baron's Ball in Houston. They also make many trips to the MD Anderson Cancer Center in Houston.

Andrea, the daughter of Leon and Christi Klement, and granddaughter of Liz Koesler,

and Ed and Rose Klement, is a 1996 graduate of Muenster High School. She is currently majoring in Psychology at Texas A&M University.

### NOTICE!

Do you know a child over seven years old or a teenager who would like to be baptized or receive first communion? If so, contact Barbara Fuhrmann Rohmer at 759-2511, ext. 37.

### Health Notes

#### Newborns know best about breast feeding

How does a new mother know when her baby is ready to eat? She listens and watches.

Babies tend to ring the dinner bell by crying, fussing or nuzzling the mother's breast. Most babies announce the end of a meal by drifting off to sleep or letting go of the breast.

Look at the baby's diapers to determine whether your baby is eating enough. Breast-fed infants should produce six to eight wet diapers a day. They typically have a minimum of four bowel movements a day — most often after they've eaten. But these patterns may not develop before three to four days of life.

Doctors say breast feeding is the best way to deliver important nutrients and keep baby healthy.

## How A Co-op Works For You

Whether it's Nick Walterscheid, at left, as a member of the Cooke County Electric Co-op's Relay For Life team setting up tents, or the Co-op's donations to area volunteer fire departments ... we strive to be involved in the community.

### SOME OF THE THINGS WE DO WILL SHOCK YOU!

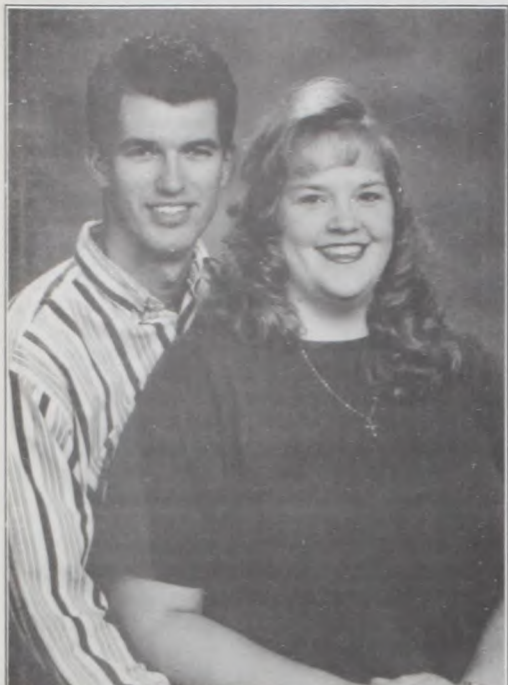

As your electric cooperative, our main job is to deliver electric power to local homes and businesses at a competitive price. Of course, we will also be there 24 hours a day should your service be interrupted. That's what people expect of us. We also do a lot of things you may not expect. Each year, we help dozens of stranded motorists. Our line workers are always keeping a vigilant eye for suspicious activities in the community. We participate in local charities and team activities. In short, we're always looking for ways to do our part as your neighbor and as a part of this community. So, don't be shocked if you see us doing something that has nothing to do with electricity. To us, it's just part of the job.

People You Can Count On

Victoria Michelle Patterson and Werner Henry Becker III, both of San Marcos, will be married on Nov. 1, 1997 in Saint Mary's Catholic Church in Wimberly, Texas. Their engagement and approaching marriage have been announced by parents of the bride-elect, Bob and Freida Patterson of Carrollton, Texas and Robert and Sue Stanard of Florissant, Colorado. The future-groom is the son of Werner and Linda Becker of Muenster. Victoria is a recent graduate of Southwest Texas University. She is employed with Jewelers National Bank in San Marcos. Werner is a graduate of Sacred Heart High School in Muenster and is employed with Vantex Corp. in Wimberly, Texas.

## Oct. 25 is date set for celebration of generations

by Daryl Ferber

The 1997 Prime Time Fair will be presented by KGAF Radio, Cooke County AARP Chapter 1049 and the Stanford House at the Gainesville Civic Center on October 25.

With the theme "Grandpa, Grandma and Me," there will be activities for all ages, plus noon snacks by the Stanford House members.

Those who may have missed last year, can get the children fingerprinted by the Cooke County Sheriff's Department at the Fair. Another of last year's popular features is Gene's Photos taking complimentary portraits. Another favorite, Lollipop the Clown with balloons for the youngsters, is returning.

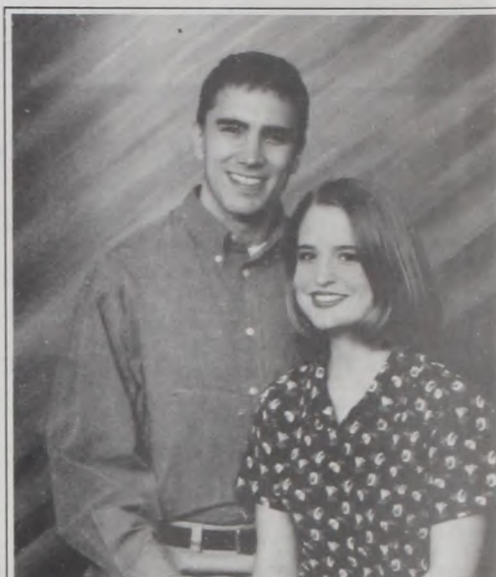

KGAF Radio is beginning a new idea to recognize Cooke County seniors. The Cooke County Senior Hall of Fame is to honor senior citizens who have given of themselves to serve the county for a better community of civic and family values. Nomination forms can be picked up at your Chamber of Commerce offices and must be returned to Cooke County Hall of Fame, KGAF Radio, Box 368, Gainesville, by October 17. These will be judged by three out-of-county people. KGAF would like to see

many deserving seniors nominated. Plaques will be presented to the winning man and woman, while two runners-up, in both categories, will receive a certificate. These will be presented at the Prime Time Fair at 1 p.m. by Ron Clark.

A big stage show, "A Variety Fashion Show" is scheduled for 11 a.m. This promises to be a little different - more fun than fashion. Any grandparent, with grandchildren can enter. Entries can be Halloween costumes; a favorite dress, shirt or blouse worn to school, church or work; something from a by-gone period stored in a trunk; or sport clothes such as baseball, football, etc.

To join the fun, just call 759-2985 with questions or to enter. Names and costume descriptions are needed for the announcer. So far, one entry is with grandparent, her granddaughter and three great-granddaughters; another will be farmers in the cotton fields; and a fisherman and grandchild. With these ideas, let your imagination run wild and be sure to come.

Besides these events, there are booths of information, arts and crafts filling the Civic Center on October 25. Hours are 9 a.m. to 3 p.m.

Tracie Renee Voth of Irving and Keith Walker McCormick of Dallas have chosen October 25, 1997 for their wedding day. The bride-elect is the daughter of Robert and Peggy Voth of Gainesville and the granddaughter of Joe and Vina Voth of Muenster and the late Lynzee and Ruth Branch. The future-groom is the son of Terry and Marie McCormick of Amarillo and the grandson of Matt and Helen Walker of Corsicana and the late Keith and Hazel McCormick. The wedding will be held in First Baptist Church of Gainesville, with Dr. Scott Corwin of Dallas officiating at 2 p.m. The bride-elect is a graduate of Gainesville High School and received a Bachelor of Business Administration degree from Hardin Simmons University in Abilene. She is employed at Annuity Board of the SBC in Dallas: Customer Relations. The future-groom is a graduate of Tascosa High School in Amarillo, and received a Bachelor of Business Administration degree from Texas Tech University in Lubbock. He is employed at Annuity Board of the SBC in Dallas: Compliance Specialist. The couple will reside in Dallas.

## Texans urged to help study annual monarch migration

Millions of Monarch butterflies are headed for Texas, some of which bear tiny tags indicating where they came from. Texans are being urged to help in a nationwide effort to solve the mysteries of the migration by finding tagged Monarchs, tagging more of them and keeping track of their numbers and location during the migration.

The massive Monarch migration is a well-known phenomenon, but much needs to be learned about how they get to their over-wintering grounds in Mexico in the fall. To provide answers, a research project is underway. People can also call the Texas Monarch Watch Hot-line (1-800-468-9719) to report the tag numbers and locations of tagged butterflies found. Once the tag number is read and confirmed and the sex of the butterfly is noted (male monarchs have two small black dots on their hindwings), the butterfly may be released to continue its journey to Mexico.

When the world as we know it falls apart, as it does when we lose someone we love, it's difficult to go on. Only through the outpouring of love shown in so many ways was it possible to make it through the first weeks after losing Amy. Each kind word, compassionate deed, every prayer has helped to build the bridge that will carry us from this time of sadness into the future.

The support of relatives, friends, neighbors, co-workers, Amy's teachers and classmates from Muenster ISD and Sacred Heart - the whole community - was so overwhelming. It is impossible to thank each of you personally.

We want especially to thank those who cared for Amy and Corey after the accident - Dave Flusche Sr., the Muenster Volunteer Fire Dept., Cooke Co. EMS, Dr. Tom Currier and all the staff of Muenster Memorial Hospital and those who assisted and are unknown to us.

Special thanks to Fr. Tom Craig for all of the love and assistance and for the beautiful services; to Emily Klement, Dave and Pam Fette and Ruth Felderhoff for the uplifting music at the vigil and funeral services; to Amy's classmates and teachers for the consoling eulogies, tributes and other kindnesses; to Mary Lin Knabe for leading the Rosary with such reverence; to Sam Hess, Mark Klement and Brian Wimmer who milked so that our whole family could be present at all services.

Thank you, one and all, who donated food, Mass offerings, money, sent flowers, cards, offered hugs and prayers. Special appreciation to the ladies who gave up their day to prepare and serve food for the family and to the KCs for the use of their Hall. Also, our appreciation to the Muenster Jaycees who were once again swift in offering sympathy and assistance.

In life's garden, Amy was like a flower only beginning to unfurl petals to reveal the person she was to become.

We will miss knowing that person, but take comfort in knowing that she now blooms in Heaven's Garden.

The Family of Amy Hilton

## St. Joseph Youth Center

As some of you fine folks already know, Sacred Heart Youth Ministry is building a youth center! To help fund this eventful place-to-be, SHYM is raffling off a 1997 Ford Ranger XLT, complete with prizes in the ticket sell-off contest. \$100 each will be given to the high schooler, jr. higher, and 6th grader or lower who sells the most tickets in his/her division. There are 250+ tickets gone and no more than 2000 total to be sold, so hop into the youth ministry office right away to get your tickets to sell! Also, the person who sells the winning ticket will also receive \$100! Remember, it all goes to the St. Joseph Youth Center, to benefit not only Sacred Heart Parish, but those of the entire community of Muenster and surrounding area. For information or tickets, come see Eric Gray, or call the youth office at 759-2511 ext. 44, or evenings at 759-4743. Tickets are at \$25 apiece. Get yours now! Already there have been donations of labor promised for the building topping \$20,000! Names and details will come later, but thanks to you all!

## Early childhood screening scheduled in Gainesville

On October 17, from 8:30 a.m. to 11:30 a.m., an early childhood screening will be held at the Early Childhood Intervention of Texoma office, located at 1207 East Broadway, to identify children who may have handicapping conditions or might have low potential for success in school.

the special education office at 665-0773 for an appointment. If your child is younger than three and you feel testing is necessary, call ECI Texoma at 665-1464. The tests include vision and hearing and motor ability procedures, as well as some learning tasks.

A child who needs to be screened is one who does not appear to act, see, hear, speak, understand or learn as others of his age.

Before screening each child must have a permission slip, signed by a parent, giving consent for screening. Forms are available at the Special Education office located at 1420 Rice Avenue. Babysitter may bring the child to be screened, but the form signed by the parent is a necessity.

Children who are handicapped are eligible to attend school from age 3, from birth if visually or hearing impaired. If you have a child who is suspected of having a handicapping condition and is three (3) years old, please call

If your child is enrolled at Headstart there is no need to attend this screening.

## Morton Museum future events

**"Taking the Grand Tour"**  
The second event in the Morton Museum of Cooke County's 1997 Fall Series will be "Taking the Grand Tour." It will be held at the Morton Museum in Gainesville at noon on Monday, October 13.

For members of the Heritage Society, the cost to attend is \$3 and for non-members, the cost to attend is \$4. There is limited seating, so please call the Morton Museum at 668-8900 to reserve a spot or for more information.

Participants will hear vivid descriptions of life on board the grand ocean liners and on the railroads.

## New Arrivals

**Sumpter**  
William O. Jr. and Robin C. Sumpter of Bowie are parents of a son, Matthew Loren Blake Sumpter, born in Muenster Memorial Hospital on Oct. 2, 1997, at 10:22 p.m., weighing 7 lb. 15 oz. and measuring 20 inches long. He joins brothers, Aaron, age 19 and Lee age 18 and sisters Lavanna age 16, and Brecker age 14. Grandparents are Mrs. B.L. Sumpter of Morgan, Texas, and Mr. and Mrs. Robert Paddock of Montague.

Hacker of Myra. Great-grandparents are Anna and Richard Herr, Sis and Tony Klement and Anna Margaret Tempel all of Muenster, and Joyce and Lewis Rigler of Gainesville.

**Hacker**  
Jimmy Hacker and LeAnn Klement announce the birth of their son, Devon Russell Hacker in Muenster Memorial Hospital on Oct. 3, 1997, at 4:08 p.m. weighing 8 lb. 9.9 oz. and measuring 21 inches in length. Grandparents are Steve and Dianna Klement of Muenster and Jim and Lynda

**Morris**  
David and Becky Morris announce with pride and joy the birth of their first child, a daughter on Sept. 30, 1997, at 3:53 p.m. at Hillcrest Baptist Medical Center in Waco, Texas. They have named her Alison Nicole Morris. She weighed 7 lb. 4 oz. and measured 20 inches in length. Proud grandparents are Ray and Dorothy Fleitman of Muenster and Ernest and Stella Morris of Forestburg. There are three great-grandmothers, Mmes. Agnes Knabe of Gainesville, Bertie Morris of Denton, and Genevieve Rearick of Butler, Pennsylvania.

## Dr. Graham introduces new dental hygienist

Christy Garner, R.D.H. has recently joined the staff of Gerald Graham, DDS. She is a 1996 graduate of Texas Woman's University's dental hygiene program, and is a registered dental hygienist. Christy is qualified in all areas of dental hygiene, including child and adult prophylaxis, radiographs, sealants and periodontal care. She is available on Tuesdays, Wednesdays, and Fridays all day, and Thursdays and Saturdays until noon.

Christy Garner, R.D.H.

## Congratulations!

Proudly displaying the Trauma Level IV Certificate are Dr. Edd Advincula, Board President Don Fusché, Administrator Jack Endres and Trauma Coordinator Pat Wimmer.

Muenster State Bank salutes Muenster Memorial Hospital, which has earned the designation as a Level IV Trauma Unit by the Texas Department of Health. We are proud of our hospital, the only one in Cooke County to achieve this honor. MMH is very important to our health, safety and economy.

Your Locally Owned Bank that has continuously served and supported the individuals, organizations, schools and businesses of Muenster and the surrounding area since 1923. "Where others have their branches, we have our roots."

## Tigers defeated by Notre Dame

The Sacred Heart Tigers scored first last Friday at Wichita Falls and kept the lead the first quarter, but then the Notre Dame Knights scored five touchdowns and handed the Tigers their third season defeat, 37-9.

"It was a very disappointing loss, the weakest team we've lost to. Not taking anything from Notre Dame, but we were definitely the stronger team," said Coach John Nasche. "But injuries and grade problems sidelined some starters and nine turnovers were more than the Tigers could overcome."

Mis-tackling and cutbacks are also an area that hurt the Tigers.

Notre Dame's offense took to the field after the opening kick, but were left with a 4th and 11 after Aaron Hess sacked the quarterback. An unsuccessful fake kick pass gave the Tigers good field position on the Knight 29 yard line.

Runs by Jeff Yosten and Charlie Moster left the Tigers short. On fourth down a quarterback keeper by Matthew Fuhrmann put the Tigers on the 17. Two plays later, a Fuhrmann pitch to Yosten lit up the scoreboard. A fumbled PAT kick gave Sacred Heart a 6-0 lead with 7:44 left on the clock.

A sack by Matthew Nasche, and the Tiger defense led by Josh Walterscheid forced the Knights to punt. The next play, the Tigers fumbled, but got it back the play after when Jeff Hartman recovered the ball near midfield.

Walterscheid and Yosten got the ball to the 35 before the Tigers lost the ball with a fumble. The Knights began their drive on their 32, taking 8 plays to score. The PAT kick was good and Notre Dame took a 7-6 lead 2 1/2 minutes into the second quarter.

Yosten and Walterscheid got in 4 runs for 20 yards before another fumbled ball was covered by the Knights. Three plays later, Notre Dame took a 14-6 lead.

Again the Tiger drive was shortened with a turnover, this time an interception. Notre Dame moved the ball to the 9,

gained another 10, with Fuhrmann running for 14 and five to the 41. Then the drive ended when the Knights picked off a pass at their 13 yard line. Five plays later, Notre Dame scored again, on a 3 yard run. With 4:09 remaining in the game, the Knights had a 37-9 lead.

The Tigers' next drive ended after two plays because of an interception. Three plays later Aaron Hess covered a loose ball to give the Tigers possession on their 34. A pass to Lucien Gehrig took the Tigers to the Knight 34, but three plays later, Notre Dame intercepted again, and the Knights killed out the clock.

"Get healthy, lower turnovers, and tackling are all areas we are working on," Nasche noted.

Offensive standouts were Aaron Hess, Jeff Yosten and Matthew Fuhrmann the second

Hornet quarterback (1) Corey Anderle pitches the ball to (4) Bryan Jeremy Walterscheid, (57) Lucas Hartman, (50) Eric Walterscheid, and Miller. Blocking for the Hornets include (33) Bryan Hudspeth, (2) (52) Cody Perryman. Photo by Janie Hartman

Turnovers told the story of the Sacred Heart Tiger game with Notre Dame Friday as in this shot, a Knight defender steals a pass from Matthew Nasche's waiting arms. Dave Fette Photo

Sacred Heart seniors Aaron Hess (55), Matt Fuhrmann (8) and Jeff Yosten (20) develop a play behind the Tiger line. Dave Fette Photo

where the Tiger defense held, and the Knights settled for a field goal and a 17-6 lead with 2:36 on the clock.

Sacred Heart's next drive started with a holding flag and fumbled play, but two Yosten runs kept the drive alive. Fuhrmann and Yosten picked up another 10 yards, and Walterscheid carried the ball to the 11. Unable to get into the end zone, Adam Barnhill kicked a field goal with 18 seconds on the clock for a 9-17 score.

Before the teams could take a break, Matt Muller covered a fumbled ball, then the Knights intercepted it back.

The Tigers' opening 3rd quarter drive was moving down field at a steady pace with Yosten and Walterscheid taking turns running to the Knight 44 yard line, but again a fumbled turnover gave Notre Dame the ball and in seven plays the Knights extended their lead 23-9.

The teams exchanged punts, then the Tigers fumbled again as the final quarter began. Nasche intercepted a pass on the Tiger 19, but Sacred Heart was inches short giving the Knights good field position inside the 30. Two runs later the Knights had a 30-9 lead.

The Tigers began their next drive on their 15. Incomplete passes and an illegal pass was assisted by a roughing flag for a first down. Two passes from Fuhrmann to Walterscheid

half. Leading the defense were Matt Muller, Josh Walterscheid, Hess, Yosten and Jeff Hartman. Jeff Yosten led the Tiger running game with 22 carries for 92 yards. Josh Walterscheid added 41 in 13 tries.

Game Statistics Submitted by Alvin Hartman

**Next Action - Rockwall**  
The Tigers will host Rockwall Christian Academy Warriors this Saturday evening for their district opener, Homecoming celebration.

The Warriors lost 4 lettermen from last season when the Tigers defeated them 47-8. This year Rockwall posts a 3-2 pre-district standing, defeating Pine Drive Baptist 27-14 last week.

"They're a passing team, over 800 yards this year," said Nasche. "Must put pressure on the quarterback and stop their passing game." Nasche noted that the Warriors are smaller in size than the Tigers, so Sacred Heart will try to run the no huddle offense and "wear them out."  
Game time is 6:00 p.m.

## Tiger JV falls to Notre Dame

After a close fighting 6-0 first half, the junior varsity Tigers fell 12-0 to the young Notre Dame Knights last week.

Notre Dame scored their first touchdown with 37 seconds on the first quarter clock after a Sacred Heart fumble.

Chris Smith got in several good runs in the Tigers' second offensive attempt, but Sacred Heart lost the ball on downs.

The Knights controlled the ball the remainder of the first half with a 6-0 half-time score.

The Tigers began the second half with Matthew Nasche getting in a 26 yard run before turning the ball over on downs.

The Knights moved the ball to the 6 yard line, where the Tiger defense held, including a good tackle from Jonathan Yosten on fourth down, giving the ball back to Sacred Heart.

From their 15 yard line runs by Lee Skinner and Charlie Moster took the Tigers into the final quarter. Keith Felderhoff Moster, and Smith moved the ball into Knight territory. Moster gained 30 yards on a run after two fumbled plays backed the Tigers up 14 yards. On the 30, the Tiger offense then hit a brick wall and gave the ball away on downs.

### America's "Un-endangered Species"

#### WHITE-TAILED DEER

**IN 1900:** An official survey estimated that less than 500,000 white-tailed deer remained in the U.S.  
**TODAY:** Some 18 million white-tails roam the nation's forests—thanks to conservation programs financed primarily by hunters and anglers.

Many Americans don't realize the pioneering role hunters and anglers have played—and continue to play—in the nation's organized conservation movement. Or the fact that these sportsmen and women have contributed more than \$20 BILLION to date for wildlife restoration and conservation programs.

#### THE WHITE-TAILED DEER ISN'T THE ONLY SPECIES TO BENEFIT FROM THE SPORTSMAN'S DOLLARS:

#### WILD TURKEY

**IN 1900:** The U.S. wild turkey population numbered less than 100,000.

**TODAY:** Habitat restoration and conservation efforts have returned its population to about 4.5 million nationally.

#### PRONGHORN

**IN 1945:** The pronghorn antelope population dropped below 12,000.

**TODAY:** Relocation and restocking programs have returned it to about 1 million animals.

#### CANADA GOOSE

**IN 1947:** Only about 1.2 million remained in the U.S.

**TODAY:** Wetland habitat reclamation has increased the Canada Goose population to about 3,760,000.

#### ELK

**IN 1907:** A survey found that only 41,000 elk remained in the U.S.

**TODAY:** Efforts by sportsmen and conservation groups have restored it to approximately 800,000.

Virtually every species of wildlife, from songbirds and chipmunks to bald eagles and whooping cranes, benefits from the programs supported through the sale of hunting and fishing licenses and proceeds from special excise taxes on hunting and fishing equipment.

# Hornets fall to Detroit

After three quarters of even play, the Muenster Hornets allowed the Eagles of Detroit to score twice in the fourth quarter and take away a 20-6 strict win.

"It was a hard fought game. We just came up on the short end of a good defensive game," Coach Randy Tankersley commented. "We had our chances, played hard, but had a few break downs in our blocking. Our special teams really hurt us."

The Hornets took the opening kick, fighting against a tough Detroit defense and the wind. A steady drive, Muenster made good gains for five Bryan Miller runs for 29 yards. Jeremy Walterscheid added another two and a 5 yard completion to Scott Hermes took Muenster to the Eagle 28 yard line before the Hornets came up short for the first.

The teams then exchanged punts. A good run by Detroit quickly put the Eagles inside the Hornet 20 yard line. Muenster's defense held for four plays, including pass coverage from Corey Anderle in the end zone to keep the Eagles on scoring.

Again the teams exchanged punts, placing the Hornets deep on their 5 yard line. A pass play to Hermes picked up 2 yards, but again Muenster was unable to punt.

Detroit couldn't get the needed 10 yards on their next drive and booted the ball back to the Hornets, who also couldn't move down field. Muenster's attempted punt had a fumbled snap, giving the Eagles excellent field position in the 17 yard line. Five plays later, Detroit scored for a 8-0 lead with two minutes remaining in the second quarter.

Again it was three plays and punt for Muenster, but an interception by Jesse Luke gave the Hornets another chance, but time and downs ran out for the Hornets as the

midway break left the score at 8-0.

The Eagles took the third quarter kick and after five plays, punted on 4th and 19.

Muenster's first possession of the second half went backwards, and the Hornets punted on the 4th and 21. But the next play Aaron Klement intercepted the ball, followed by a 45 yard run by Bryan Miller, to turn the game around. From the 19, five Miller runs took Muenster into the end zone for the score. The extra point run failed for a 8-6 score with 3:05 remaining in the 3rd quarter.

The Hornets attempted an onside kick, but Detroit got the ball. Two plays later, Scott Hermes covered a fumbled ball near midfield, but Muenster's offense couldn't move the ball and attempted to punt, but a knee on the ground gave the Eagles possession on the Hornet 40 as the final quarter began. Seven plays later, the Eagles scored for a 14-6 lead.

Again the Hornet offense struggled and were forced to punt. Two plays later, a 70 yard touchdown run put the icing on the cake for Detroit's 20-6 lead.

The Hornets next drive was shortened by an intercepted ball, then the teams exchanged punts as time ticked off the clock.

"We can play a better game. We played a team that could be super. We just didn't play as good as they did," said Tankersley. "The boys played hard, but maybe were a little tense for the big game. We learned a lot that I hope will make us a better team."

Muenster's leading rusher was Bryan Miller with 126 yards in 25 carries. Larry Harris ran 21 times for 123 for the Eagles.

Getting turnovers for the Hornets were Jesse Luke, Aaron Klement and Scott Hermes.

Muenster Hornet Seniors wait for the toss of the coin to begin the district match. Pictured from left are Bryan Hudspeth, Aaron Sicking, Cory Charles, Erik Walterscheid, Cody Perryman, Barry Fleitman,

Lucas Hartman, Scott Hermes, and Shane Sparkman. Up front Michael Boydston, Corey Anderle, Jeremy Walterscheid, and Brian Fleitman. Photo by Janie Hartman

Offensive standouts were Lucas Hartman, Michael Boydston, Cody Perryman, Barry Fleitman, and Bryan Miller who "ran strong."

On defense, everybody played well according to Coach Tankersley, naming Barry Fleitman, Aaron Sicking, Michael Boydston, Corey Anderle, Cory Charles, and Jesse Luke.

**Next Action - Fannindel**  
The Hornets will host the Ladonia Fannindel Falcons this Friday night for Homecoming.

The Falcons have lots of good skill people, including Quentin Dowdy, who has 8 interceptions so far this season. "Fannindel can score on big plays," said Tankersley. "We'll have to play well to win our Homecoming game."

Fannindel is 2-3 on the season with two district losses, 27-0 last week against Blue Ridge and a 54-6 loss to Era.

## Mike Stoffels takes season lead

With the regular high school football season halfway through, the contest continues with two new winners. Mickey Haverkamp took the top weekly prize after missing only 8 games, Ted Heers and Doug Stoffels each missed 9, with Heers taking 2nd place after missing the A&M final score by 11 points. Stoffels was off 19 points in the tie-breaker. This week's cash prizes can be picked up at: 1, Fischer's Meat Market; 2, Gainesville Farm

Bureau; 3, Ben Bindel at Klement Ford.

Bonnie Stoffels and Mike Stoffels guessed 30 games, while Kelly Bayer, Wayne Klement, Nick Stoffels, Peachie Huchton and Terry Walterscheid all picked 29 winners. Low score was 22.

Everyone correctly picked Lindsay and Celeste as winners, while two missed Vernon and two missed Decatur.

All but one missed the Dallas Cowboys loss and only one picked Muenster to lose, while two picked Texas' fall to Oklahoma State.

Four contestants picked Milsap over Nocona and Windthorst to lose, and nine entries chose Sacred Heart to win.

On the season percentage there are 160 games, four weeks, because a week's low score is taken out. Leading midway through the season is Mike Stoffels with 124 correctly guessed winners. Edgar Dyer and Ted Heers follow in a close 2nd place with a score of 120 or 75%.

Coming in a close 4th with 118 correct guesses are Edna Hermes, Mickey Haverkamp, and Nick Stoffels, followed by Doug Stoffels 117, Neil Hesse 116, and Mark Grewing 116.

With a 71% are Peachie Huchton, John Nasche, Jon LeBrasseur, Dave Reiter and Charles Edwards.

Rounding out the leaders are Barbie Barnhill, Brian Herr, Terry Walterscheid and John Sandmann each with 70% of the game winners correctly picked.

## Contest mistake noted

A mistake was made in last week football contest, not the first mistake, but one not caught until after the scores were tallied.

It was reported that Lakehill defeated Balch Springs 40-20, when they lost 14-20. This mistake did not change the weekly winners, as everyone but two contestants wrongly picked Lakehill. The scores

could, however, change the season average, and have been corrected.

Thank you to all the contestants for their participation and consideration when mistakes are made. The Enterprise must rely on the Metroplex newspapers and phone calls to schools to get game results, and sometimes that information can be incorrect.

# Little Stingers beat Savoy, lose one to Pirates 30-6

On Thursday, September 25, the junior high Stingers took a 30-16 district win over Savoy. After allowing the Cardinals to score 16 points, the young Hornets turned around and put 30 points on the board for the big win.

Chris York ran in all four of Muenster's touchdowns, on a 65 yard run, 4 yard run, 38 yard run and from the 2 yard line. Chisam Cain ran in 4 points and Jacob Endres 2 points on conversions. Mitch Endres had an 85 yard touchdown run called back.

Standouts at the Savoy game included Jacob Endres, Cloy Baldwin, Nathan Hess, Kevin Hermes and Cody Cory.

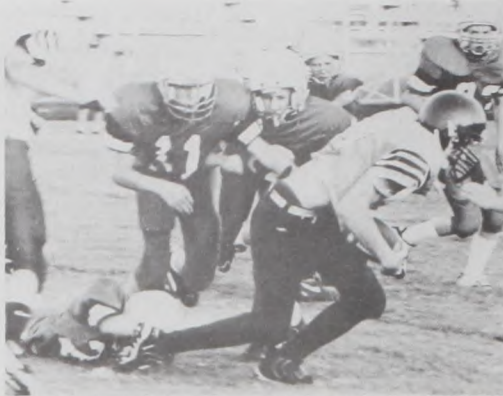

Last Thursday, Muenster hosted Collinsville, and fell 30-6.

After a one-sided 24-0 first half, the second half had an even 6-6 score.

Kevin Hermes scored on a 17 yard touchdown pass from Mitch Endres in the fourth quarter.

Players giving a good effort were Blake Garrison for blocking and Chisam Cain.

The Stingers meet Savoy again Thursday for a rematch, but will be eight players short.

This Muenster Junior High tackler holds on to a Collinsville ankle while Jacob Endres (11) and other teammates close in. Dave Fette Photo

# Cubs suffer defeat from Notre Dame, 24-0

The Sacred Heart Cubs struggled against the Notre Dame Lancers last week, losing 24-0.

The Knights scored first with 2:28 remaining in the first quarter for a 8-0 lead. An intercepted pass set up the Knights' next score. Five plays later, Notre Dame scored again 16-0.

From their 20, Andrea Bauer got the crowd to their feet with a 52 yard run, but four plays later, a fumble turned the ball over. After another four plays, Luke Endres covered a loose ball on the four yard line. From there, Notre Dame caught the

Cubs in the end zone for safety, 18-0.

After the free kick, the Lancers took only 5 plays to score again, as the clock ticked to 0:00 for a 24-0 half-time score.

The second half remained scoreless. The Cubs' first drive was fumbled, the second intercepted and the 3rd quarter ended.

In the final quarter, the Cubs threatened to score, with a drive that was high-lighted by a 30 yard Luke to Bauer pass play and a 23 yard reverse run by Bauer. But the chance to score ended inside the ten when the Lancers picked off pass and played out the remaining time.

The seventh grade teams had a scrimmage prior to the game, with the Lancers being held in 10 plays to a minus yards.

The young Cubs also could not score or move the ball: the practice ended in deadlock.

# JV Hornets lose to Callisburg

For the second week in a row, the junior varsity Hornets "lost a nail-biter," falling 20-12 to Callisburg. They scored their last touchdown with 1 1/2 minutes in the game against our little guys," noted Coach Randy Tankersley.

Callisburg's first score came late in the first quarter.

Muenster then drove 75 yards with Casey Walterscheid, John Flusche and Tommy Herrin alternating runs, and a bootleg pass to Craig Hartman, breaking over the middle for a 50 yard touchdown. The 2 point conversion failed for a 7-6 half-time score.

Callisburg made the next touchdown to take a 14-6 lead.

Jeff Klement went on a pass run for 55 yards to the 20. Runs by John Flusche, Tommy Herrin and Casey Walterscheid carried the ball to the 2 yard line, where Muenster scored from. The conversion failed for

a 14-12 score.

Late in the game, Muenster drove, but lost the ball. Callisburg scored again with 1 1/2 minutes in the game to take a 20-12 lead. "Time ran out for us," noted Coach Tankersley.

Offensive standouts were Casey Walterscheid, Craig Hartman and Jeff Klement for nice catches, Jim Stoffels, Chad Felderhoff, Nick Simlon, Angel Hernandez and Danny Felderhoff up front.

Defensive standouts named included Craig Hartman and Justin Fleitman, ends; Josh Luke at corner; Angel Hernandez, nose guard; Danny Felderhoff at linebacker and Jeff Klement in the secondary with an interception.

### Red River 14 Valley View

Red River Cycle Trails won their second game Saturday defeating Valley View 14-0.

After a scoreless 1st quarter Jared Hofbauer recovered a fumble, setting up Red River's first touchdown. Darrin Reeves scored on a 20 yard run and quarterback Derek Endre added the extra points for a 8 score.

In the final period, a Valley View fumble turned into a Red River touchdown, when Darrin Reeves picked up the loose ball and ran it in from the 26 yard line for the final score.

Red River next action will be Saturday at 10:45 against VF of Gainesville.

\* District Games + Homecoming

# Knights ready for district contests

The Lindsay Knights got in the more pre-district victory Friday night as they deflated the Gainesville State School Tornadoes 43-12.

A quick 21-0 first quarter score and 33 points at half-time gave the Knights plenty of cushion going out after the break.

"The Knights played aggressive and executed the offense with only one turnover," commented Coach Charlie Meurer. "We played a very talented group, lots of athleticism, but they have their problems."

The Knights took the opening kick. From the 5 yard line, Jeff Bezner returned the ball 95 yards to give Lindsay a 6-0 lead.

The Tornadoes got in 2 runs, then on the third, fumbled. But Gallagher covered on the 4 yard line. A short Steven Tepera run and a good 12 yard run from Corey Neu gave the Knights a first and goal. Adrian Anderle had the honor of getting the ball into the end zone for another six points. Tepera ran in the extra points for a 14-0 score with eight minutes off the clock.

Again the Tornado offense fumbled the ball. This time Cody Secrest covered near the end zone.

Tepera ran for 9, but a flag on the ball back for a minus. The next plays Neu gained 16, Tepera 2 and Neu 7 to the 18 yard line. Anderle picked up another 14 and Neu 3, when Tepera went in from the one for the score. Zach Fuhrmann kicked the extra point and Lindsay had a 21-0 lead with :21 remaining in the first quarter.

The State School fumbled twice on their next drive, covering both, but had to punt as the 2nd quarter began. The tables turned on Lindsay's next drive when Gainesville picked off a pass, then scored on a 26 yard run. With 10:04 on the clock, the scoreboard read 21-6.

Lindsay scored on their next possession, moving 39 yards in eight plays. Neu ran for six, then another seven was earned on a Tepera to Cody Secrest pass. Several flags assisted the Knights as Anderle and Neu gained another 12, the last yard by Anderle for another score. The PAT kick was blocked for a 27-6 score halfway through the quarter.

The Knight defense struck again turning the Tornadoes' drive into a single run, then fumble. Richie Alfrey covered on the 31, setting up the Knights' next score.

Corey Neu gained 11, then 4. Again flags flew and on 3rd and five from the 16, Tepera connected with Alfrey for the touchdown. Fuhrmann added the kick for a 34-6 game. The Tornadoes played out the remaining 3 minutes till half-time.

Gainesville State School's offense controlled the third quarter, steadily moving the ball on mostly short runs to the nine yard line. A quarterback sack by Jamie Baggs and two penalties delayed the drive, but two runs later, the Tornadoes scored again, 34-12. The extra point attempt was fumbled, Bryan Covington picked up the ball and ran over 90 yards to give the Knights the two point conversion, 36-12.

Lindsay couldn't get the needed 10 yards their next possession, booting on 4th and seven as the final quarter began.

The Tornadoes next drive lasted 8 plays, 39 yards, plus 10 more from a penalty. But on 4th and 8 on Lindsay's 40 yard line, Dylan Newberry stopped the runner and the Knight offense took over.

Runs by Neu, Bezner and Tepera and assistance from the Tornadoes' penalties moved Lindsay to the 14. Two Neu runs later and the scoreboard lit up again. Fuhrmann added the point after for the 43-12 score, with 3:38 remaining in the game.

The State School fumbled the kick return and Corey Neu covered on the 29. Two flags on the Knights held up their progress and forced a punt.

With a minute remaining, the Knight defense kept the Tornadoes deep down field, forced a punt, then knelt down as the clock ran out.

Lindsay's defense was led by tacklers Adrian Anderle, Dylan Newberry and Michael Mosman.

On the offensive side of the ball, Corey Neu was the game's leading rusher with 108 yards in 15 carries. Jeff Bezner added 22 in 5 carries, but also had a 95 yard kick return.

**Next Action - Callisburg**  
The Knights begin district 10AAA action this Friday at Callisburg. The Wildcats lost 12 lettermen from last season and have been struggling in pre-district, getting their first win last week against Petrolia.

"Callisburg is a very talented team capable of playing very well," said Meurer. "They lost some ball games, playing good, but not getting the score."  
Game begins at 8:00 p.m. at the Wildcat Stadium.

## Sacred Heart administers PSAT Test on October 14

Sacred Heart School will be administering the PSAT on October 14, beginning at 8:55 a.m. This is a test designed for 11th grade students. The expanded PSAT measures writing skills, as well as verbal reasoning and math problem-solving skills. The PSAT assesses the ability to reason rather than just recall and recite. Also the PSAT places a priority on critical thinking skills.

The PSAT is the route of entry to the National Merit Scholarship competition. Three scores are reported on a 20-80 scale (verbal, math, and writing skills). The sum of the three scores is the selection index used by the National Merit Scholarships Corporation to determine semi-finalists.

The PSAT prepares students for college admission tests. Also, students compete for national scholarships and are placed on college mailing lists. Feedback about academic skills and can be used to identify students for advanced courses. For the younger students it provides an opportunity to see the kind of skills that they will need to be successful in college.

Junior students will be taking the PSAT. However, 9th and 10th grade students will have the opportunity to participate in the assessment if they choose.

Actual testing time is 2 hours and 10 minutes, with the house-keeping tasks involved total testing time will be approximately 2 hours and 45 minutes.

### SHYM Happenings

by Kelly Bayer  
LIFE TEEN

It's about time! It's about time I write an article for the paper. After two weeks off, there is plenty to write about, but because of space, I'll keep it short. Three Sundays ago we almost had more fun than we could stand with our Crazy Olympics. All I can say about our meeting two weeks ago is... "NO WHAMMIES!" This last week we went to Lindsay and had a prayerful time protesting abortion.

Come on down to Tom's DI Car Wash this Sunday between 9 a.m. and 4 p.m. and get any one, or all, of your vehicles washed for 10 or 15 bucks depending on the vehicle, proceeds go to the ABBA Women's Center.

J.E.L.L.Y

A few weeks ago we had a splash-splashin' time at our volunteer car wash and inadvertently raised over \$100!

On Sunday October 19, we are going to have some fun and plan the All Saints Carnival, so, junior highs, come and join the fun!

Grewing, Kristen Lutkenhaus, William Scoggins, Mary Skinner, Kristen Smith.

**10th Grade** Karen Cler, Allison Endres, Kelly Felderhoff, Darren Hennigan, Jackie Henschel, Jeff Klement, Raegan Koesler, Casey Walterscheid.

Muenster ISD 1997-98 FHA Officers

Photo by Janie Hartman

## Muenster High School elects FHA officers

The Muenster FHA has recently installed their 97-98 officers and new members. The officers are Leigh Ann Reiter, president; Kim Sturm, vice-president; Joyce Hacker, secretary; Stephanie Bierschenk, treasurer; Kristin Dickerson, reporter; Kelly Felderhoff, historian; Raegan Koesler, parliamentarian; and Stephanie Huchton and

Kristen Grewing, recreation leaders. The installation ceremony was held in the Muenster Public School Homemaker room. Each officer lit a candle representing one of the eight FHA purposes. Each officer then stated her responsibilities pertaining to her office. Then all together, the officers recited the pledge led by sponsor Joni

Sturm. Each new member was presented with a FHA badge by treasurer Stephanie Bierschenk. The ceremony was closed by FHA president Leigh Ann Reiter leading the recitation of the FHA creed. Refreshments were served to celebrate the festivities. The Muenster FHA chapter is very excited about this year an upcoming events.

## Sacred Heart School collects labels, boxtops

Anyone who uses products made by Campbell's or General Mills can help Sacred Heart School earn cash or free educational and athletic equipment. It is as simple as saving designated can and jar labels or box top flaps.

In the Big G Box Tops for Education, the school will receive 15 cents for each qualifying cereal box top and 10 cents for each qualifying snack and Yoplait Yogurt multipack products box top. A qualifying box top is the top flap (on side panel of Yoplait Yogurt products) of the

General Mills products carrying the 1997/1998 "Big G Box Tops for Education" symbol.

Labels and proofs-of-purchase from a variety of Campbell's products can be used to earn free educational and athletic equipment in the Campbell's Labels for Education program. Included are a large variety of soup labels, Campbell's Ramen Soup - Block and Cup, Franco American SpaghettiOs, Pace Picante Sauces and Salsas, Pepperidge Farm Goldfish Crackers, breads, cookies snack mixes, cakes, turnovers, dumplings, and puff pastry, Prego Primor Pasta Sauces, Swanson Kids Fun Feast Meals, V8 100% Vegetable

Juices (46 oz. and 64 oz. plast only), Open Pit BBQ Sauce and Viasic Peppers, Pickle Relish and Sauerkraut.

Labels may be brought to Sacred Heart School or sent with students.

## Heart-Hitting Facts

### Smoking

Smokers have more than twice the risk of heart attack as nonsmokers, and smoke have a greater risk of stroke, too, says the American Heart Association. Chronic exposure to environmental tobacco smoke (passive smoking) increases the risk of heart disease in nonsmokers.

## MISD students have perfect attendance

Muenster ISD is proud to announce the count of the first six weeks perfect attendance.

In junior high, there were 16 sixth graders, 24 seventh and 24 in the eighth grade.

The high school had a total of 81 students that did not miss a day of classes the first six weeks, including 25 seniors, 16 juniors, 17 sophomores, and 23 freshmen.

## Cattle forecast

Next year is shaping up to be a mostly sideways year for cattle markets," says Derrel Peel, Oklahoma State University economist. "Much will depend on how the last half of 1997 plays out.

Rising pork and poultry production, lackluster U.S. beef demand and limited beef export growth will keep a tight lid on beef prices," he says. "This will likely offset smaller feeder cattle supplies and lower corn prices than in early 1996.

"Average 1998 fed cattle prices may rise \$1 to \$3 from 1997," he says. "Feeder prices may average near 1997 levels with the slight rise in fed prices narrowing the feeder to fed price spread to more typical levels.

"A more pessimistic possibility is for fed prices to stay flat and feeder prices to average slightly lower than in 1997, particularly if feed costs begin marching higher," he cautions.

As benchmarks, USDA projects Oklahoma City feeder steers will average \$73 to \$78 this year, compared to \$61.08 for 1996. USDA projects the 1998 annual average Oklahoma City feeder steer price will rise \$1 to the \$74 to \$79 range.

## Ag field day

Come rain or shine, the Noble Foundation's Diversity in Agriculture field day is slated for Oct. 22, beginning at 7:30 a.m. with breakfast refreshments. The free event offers sessions on cattle, forages, pecans and wildlife at the Foundation's Red River Demonstration and Research Farm south of Burneyville, Oklahoma.

Lunch will be provided, so preregister by Oct. 16 so organizers can get an accurate head count. For more information about the field day or to pre-register, contact the Noble Foundation at 405-223-5810.

## Calving tips

Here are some things to think about before assisting with calving.

- \* Obstetric chains should be placed either around the pastern area of the legs or above the fetlock and a half-hitch taken below the fetlock.
- \* Amount of traction and direction of pull are the two most important factors in pulling a calf.
- \* Alternately pulling on one front leg and then the other for a few inches at a time will accomplish delivery with the least effort.
- \* Go slow and don't apply excessive traction.
- \* Delivery should be completed within two hours after the water sac appears.
- \* Do not attempt to forcibly remove the placental membranes.
- \* Have the proper obstetrical equipment assembled and calving facilities in order well ahead of calving.
- \* Consult with your veterinarian about recommended treatment procures for problems associated with assisted calving.

## Early haymaking was tough time-consuming task on farm

A vignette of early haymaking illustrates the advancements that have characterized the historical march of American agriculture.

Haymaking was controlled by the weather and largely performed by the calendar in June July. Early Saxon calendars listed July as "Heumonath," or hay-month.

Early farmers vigorously debated the best time to cut hay. Some said it was best when the grasses are in flower and others advocated waiting until the grasses went to seed. They didn't have studies to tell them that haying should begin with the early bud stage to take advantage of top nutritive qualities.

The most skilled of the haymakers were the mowers, each was armed with his own scythe, suited for his personal height and stature. They set out at early dawn when the dew was thick on the grass.

Their movement through a field was governed by the way the grass leaned or was blown by the wind. The grass should always lean away from the mower.

A good mower averaged about an acre a day, depending on the type of crop. He was instructed to cut as close to the ground as possible since the greatest weight of the stem

was nearest the ground. Farmers had no research to tell them that the leaves, particularly in clovers, contained the most nutrition.

But even early farmers recognized the importance of drying the hay quickly and thoroughly. Shortly after the hay was cut, it was shaken out and tedded manually once or twice the first day. Towards evening, rakers armed with crude, wood implements gathered the hay in long narrow wind-rows. Then, before nightfall, it was placed in small heaps for protection against dew or rain.

On the second day, as soon as the dew was off the grass, the hay was shaken and tedded again. In the afternoon, the rakers returned again and put it in larger heaps for the second night.

This process continued each day until the hay was dried enough for placing in stacks.

Usually, five other people were needed to work the hay cut by a mower. These including tedders, rakers, loaders, pitchers, and stackers. A superintendent directed their work from field to field, often racing against gathering storm clouds.

Compare these pastoral, but impractical haying scenes with the modern methods of today.

Sweet potato harvest is well underway in East Texas. This crew of eight harvesters are harvesting 2-1/2 acres in a day's time. Courtesy Photo

## Sweet potato harvest underway

by Craig Rosenbaum, County Extension Agent

Recently we attended a Sweet Potato Harvest in the Canton area of East Texas. A three-county crew consisting of Van Zandt, Rains and Wood Counties produce some 7,000 acres of East Texas sweet potatoes. This is one of the largest sweet potato growing areas in the state.

Sweet potatoes require deep, sandy well drained soils. The tubers are dug from beds in the spring and are planted around the first of May in East Texas. Plants begin to root in approximately two days. The main variety grown in this section of Texas is Beauregard. According to County Agent Brian Cummings, this year's sweet potato crop should be very good. Had they received some late summer rains, they would have been looking at an excellent crop. Acre yields this year will average about 100 to 50 boxes of number 1 along with some 75 boxes of seed potatoes and 75 boxes of canners.

A harvest crew consists of some seven sorters and tractor drivers. One crew can harvest approximately 2 1/2 acres of potatoes a day. Sweet potatoes can gross as much as \$2,000 per acre on a good year. Here again, you have a crop that requires a lot of manpower and labor in both planting and harvest.

Recently I visited with Bud Bell, Cooke County sweet potato grower, and he thought his yields would be ideal this year with some five potatoes per plant. Boyd has been growing sweet potatoes for the past ten years in the Whitesboro area of the county and sells locally. This year Boyd set out some 3,000 slips and is currently harvesting in the market his sweet potatoes. He

problem that Boyd says he has is a lack of water each year and needs some type of irrigation in the production of his sweet potatoes. In the severe heat of the summer, he must water his potatoes every five to five days. Boyd has experienced a lot of problems over the years with nematodes, funguses and drought but through his attention to detail, he is producing excellent sweet potatoes.

## County Agent's Report

by Craig Rosenbaum

### YOUTH FAIR STEER AND HEIFER ENTRIES DUE

4-H'ers are reminded that their Steer and Heifer entries for the 1998 Youth Fair are due on or before October 14 to the County Extension Office in the Courthouse. Entry Forms and Show Rules are available in the Office.

### FALL RECERTIFICATION SHORTCOURSE

A two-night Fall Recertification Shortcourse for Pesticide Applicators will be held Oct. 14 and 15 from 6 to 9 p.m. in the Little Theater at North Central Texas College. Each night producers will be offered three Continuing Education Units toward recertification of their pesticide license. This will give producers an opportunity to get a total of six CEU's if they attend both nights.

A variety of topics will be covered including Beneficial Insects,

IPM, Result Demonstration Work, Pasture Management and Herbicides, Laws and Regulations, and Right to Know.

### NEED A PESTICIDE APPLICATOR LICENSE?

Agriculture producers who currently need the training and testing for a Private Applicators License through the Texas Department of Agriculture will have the opportunity to complete the required training on Mon., Oct. 13, or on Tues., Oct. 14. The training will be held at the County Extension Office at 5 p.m. Oct. 13 or 8 a.m. Oct. 14.

The test will be given by Mark Evans, Texas Department of Agriculture at 5 p.m. on Oct. 14 at North Central Texas College. Contact the County Extension Office at 668-5412 to enroll in the training and testing session.

## Expect average wheat prices

With wheat stocks in the vicinity of average, one might expect average prices for wheat.

"For comparison, the five-year average annual U.S. wheat price is \$3.77," says Anderson. "The 10-year average price is \$3.45."

December Kansas City wheat futures skidded below \$3.50 during harvest, then

mounted a recovery rally to the \$3.85 area by early August.

Producers hanging onto cash wheat should pit odds for, and expect amount of, additional price and basis gains against storage costs.

Owning wheat cost about 4.5 cents per bu. per month. That includes about 2.5 cents in storage costs and about 2 cents interest.
