Resignation letter prompts DA to investigate CCAD

by Janet Felderhoff
Cooke County District Attorney Janelle Haverkamp has confirmed that her office is conducting a criminal investigation which involves a former employee of the Cooke County Appraisal District (CCAD). "We have been asked to investigate and agreed to do so allegations of criminal misconduct including credit card abuse," said Ms. Haverkamp. Questioning in the matter began on Tuesday. The investigation is being conducted by Kevin Benton, investigator for the DA's office, and Texas Ranger Tony Benni. Representatives of taxing entities in the county and members of the CCAD board

requested the investigation. They seem to have become concerned about the matter due to a letter of resignation by CCAD office manager Rosa Leigh Wood. The letter was sent to all CCAD Board members, all CCAD employees, County Judge Russell Duncan, Gainesville Mayor Ken Kaden, and Marvin Knight, GISD board member. In her letter which was addressed to Doug Smithson, interim chief appraiser, Wood wrote, "I have been personally committed to providing the taxpayer with a professional and functional tax appraisal office. I have been dedicated to this goal and have done everything in my power to meet this goal for the past ten

years. Unfortunately, this commitment requires the support of the chief Appraiser and the board of directors. Events that took place last week have once again proved that you, as Interim Chief Appraiser, and the board are uncommitted to supporting the efforts needed to fulfill this commitment and unwilling to recognize fraudulent actions and abuse of tax payers funds by Mr. (Will) Presson. In addition, I am unwilling to tolerate Mr. Kaiser's incessant harassment and unwilling to take the blame for the responsibility of others. "January of this year, when you were made the deputy chief appraiser, I confided in you that Mr. Presson was

misusing the appraisal district credit card. I brought you up to date on all the concerns I had regarding the appraisal district. Yet, you chose not to take any of this to the board." Wood makes mention of personal harassment by Ken Kaiser who is presently the CCAD board chairman. An instance she gives is a board meeting which was posted late causing problems. Wood said she faxed a copy of the agenda to Kaiser for his approval which must be done before she can officially post notice of the meeting. She notes that she faxed the agenda to Kaiser on Thursday Sept. 3 for his approval. In a chain of events Kaiser failed to fax approval until Sunday, Sept. 6. Smithson promised Wood he would take care of posting the agenda on Friday since Wood was not working that day and Monday was a holiday. When the agenda wasn't posted in a timely manner, Woods was blamed. The meeting date was then changed and an applicant for the chief appraiser position wasn't notified and made an unnecessary trip for an interview. Wood figures she was blamed for this also. "This is entirely too typical of what these last two years have been like," wrote Wood. "Instead of criticizing the employees of CCAD, the board, specifically the chairman, ought to look at this own ineptness. "Mr. Presson was allowed to leave without being made accountable for what he did. The Board saved his name. Why would the Board want to do this? Mr. Kaiser chose to blame me for not going to the Board with the information concerning Mr. Presson's abuse of the credit card. I did however, go to a board member, who in turn advised the board of the misuse. The information was ignored. Mr. Kaiser knew from the beginning and chose to do nothing about it. The Board wouldn't listen to the Board

member who I informed. This board member went public with a statement and read it aloud at a board meeting in December, 1997. "Earlier the same year (1997) the same Board member also brought to the board's attention the misuse of another credit card, the Texaco card, by Mr. Presson. Copies of the bills were given to Mr. (Stephen) Cole who found excuses for the abuse. I find it difficult to work in an office where the Board takes no action concerning misuse of public funds." At her last meeting as a member of the CCAD board of

directors, Betty Buttolph brought similar information on then chief appraiser, Will Presson. Buttolph read statements to the board at the Dec. 12, 1997 meeting. That letter was published in part in the Dec. 19 issue of the *Muenster Enterprise*. At the Sept. 24 regular meeting of the CCAD Board, Ken Kaiser announced that he had contacted the DA's office to request an investigation. The CCAD's audit firm, Mathis, West, Huffines & Co. was also contacted to do an additional audit. Kaiser said that he

Please See CCAD, Page 4

Doug Smithson named CCAD Chief Appraiser

by Janet Felderhoff

At their Sept. 24 meeting the Cooke County Appraisal District (CCAD) board of directors offered Interim Chief Appraiser Doug Smithson the position as chief appraiser of the CCAD. Smithson accepted the offer on Friday to become the eighth chief appraiser the CCAD has had since it was established in 1981.

Smithson has been employed by CCAD since September 1989. In that time he has served as an appraiser, deputy chief appraiser, interim chief appraiser, and now as chief appraiser. He was the first to be appointed deputy chief appraiser and has held that position for a year and a half. Smithson graduated from Abilene Christian University with a Bachelor of Science degree. He holds an RPA designation which is the highest level that can be attained by the state in tax appraising.

Smithson's plans for the future include getting the rest of the county re-appraised and to work with the tax payers. "It's all in the best interest of

Doug Smithson

the tax payers and the entities to get everything appraised uniformly and fairly," said Smithson.

Working with the public and keeping an open door policy are two of Smithson's promises. "Educating the public is a never ending deal," he noted. I want people to feel free to come talk to me."

Doug and his wife Rhonda have three children, Justin, Alyssa, and Logan. They live in the Gainesville area.

Library Board member Nancy Walter (center) accepts a \$10,000 donation from Henry and Janie Weinzapfel to the Muenster Public Library Building Fund. The Friends of the Muenster Public Library recently revived the fundraising drive for the building of a new library. Walter is chairwoman of the Fundraising Committee. Janie Hartman Photo

Walterscheid focuses on old land record re-creation for county

Evelyn Walterscheid, Democratic candidate for county clerk, drew no opposition for the Nov. 3 election. She has served as Cooke County Clerk since Jan. 1, 1995. "I have seen many changes in the operation of the County clerk's office," Mrs. Walterscheid remarked. "As you know, many people are moving into this area — many building new homes, or just purchasing property. This has caused the recording of legal documents to escalate. This also means there are more marriage licenses issued, more babies born, and also more death certificates and probate cases filed. This influx of new people brings with it more

Evelyn Walterscheid

crime and court hearings, this office is responsible for these duties, as well as many more."

There are now more than 22,000 registered voters in Cooke County. This is an all time high. It affects how the county clerk's office handles elections. "As you can see, this growth affects every area in the county clerk's office," said Walterscheid.

Besides the daily operation of the office, Mrs. Walterscheid is responsible for preparing the budget for the county clerk's office and for presenting it to Commissioner's Court each year. She serves as the clerk for Commissioner's Court by attending all the meetings and recording Court minutes.

Walterscheid is required by the Legislature to earn at least 20 hours of continuing education in order to be certified. She has earned more than her required hours by attending the county and district clerks' seminar at Texas A&M at College Station; the election seminar in Austin; and the vital statistics seminar at Austin.

"My plans for the future include the continued re-creation of the old land records," Walterscheid noted. "Prior to 1964, there were no back up records of land transactions. At present, 618 books have been re-created. This project has been of great concern to me, as without back up film, we would lose our records in the event of a disaster. This process allows us additional storage space to house current records. The old

Kiwanis Club hosts benefit pancake supper

The annual Kiwanis Club of Muenster Pancake Supper is Friday night, October 2, from 5:00 p.m. - 7:00 p.m. at the Muenster ISD Cafeteria. This is an all-you-can-eat pancake and sausage meal. Net proceeds will be divided between the Muenster Library and the Muenster Museum. Enjoy a good meal while also supporting these services to the community! See you there!

Lindsay Homecoming Queen Amy Hoberer was crowned by last year's queen, Megan Sandmann, during pregame activities last Friday. Pictured also in the ceremony is the queen's mother, Pam Hoberer. Janie Hartman Photo

MHS announces homecoming royalty

Homecoming Week for the Muenster Hornets is Oct. 13-16. Hornet alumni, friends, and fans are invited to join the festivities as this year's Hornet team battles Valley View. Kickoff at Hornet Stadium will be at 7:30 p.m. All are invited to come and cheer the Hornets on to victory and visit with former classmates.

The Homecoming Queen Candidates and Princesses will be presented by their parents during the pre-game program which begins at 7:00 p.m. Graduates from the class of 1998 will escort the homecoming royalty during the half-time coronation. Leigh Ann Reiter, 1997 Homecoming

Queen, will crown the new queen and present her with a dozen red roses from the Muenster High School Student Council.

Queen Candidates include Janet Fetsch, daughter of Susan and Garry Fetsch; Maggie Fisher, daughter of Vicki and Chuck Fisher; Amie McCourry, daughter of Kathy and Bill McCourry; and Dee Dee Walterscheid, daughter of Robynn and Nick Walterscheid.

Class Princesses are junior Kristin Grewing, daughter of Kellye Hess and Donnie Grewing; sophomore Kristin Smith, daughter of Dr. T. J. and Karen Thomas; and

freshman Lacy Endres, daughter of Phil and Marlene Endres.

On Friday at 1:30 p.m., the Hornet cheerleaders will lead a school-wide pep rally in the Hornet gym. Student Council members and some senior football captains will present Homecoming mums to each queen candidate and princess.

To conclude the Homecoming festivities, MSD is hosting a dance in the cafeteria after the game Friday. MHS students in grades 9-12 and their dates will be cutting a rug to music provided by The Entertainer. Soft drinks and pizza will also be served. Admission is free.

American Cancer Society recruiting volunteers for statewide initiative

During Breast Cancer Awareness month in October, the American Society, Texas Division, Inc., is launching a new statewide campaign to reach Texas women with potentially lifesaving information.

"Tell-A-Friend Friday (TAFF) will be held on Friday, October 2, a day on which women are asked to call and encourage friends and family members to have regular screening mammograms. "We hope to reach more than 11,300 women, the same number of new cases of breast cancer in Texas expected to be detected in 1998, and encourage them to get a mammogram," states Diane Lowell of Lubbock, and chairman of the statewide effort.

Cooke County is a key market for the Tell-A-Friend Friday campaign. According to Cheryl Pollard, "Research shows that women are more apt to get a mammogram if they are urged to do so by a doctor, friend or family member. We have created a simple program by which women volunteers call at least five of their friends and acquaintances and encourage them to get a mammogram, added Pollard.

The benefits of mammography are paying off, as statistics show that the survival rate of breast cancer is almost 100% when detected early. The only way we can further reduce the death rate from breast cancer is by getting more women to have annual mammograms, and Tell-A-Friend Friday is a way to accomplish that goal. More importantly, now that Medicare covers the cost of annual screening mammograms, we're hoping that even more women will avail themselves of this important procedure," Lowell concluded.

Businesses are also encouraged to participate by

allowing employees to make the calls from the workplace on Friday, October 2nd, and throughout the month on the following Fridays.

Annual screenings mammograms for women age 40 and older are the key element of newly revised American Cancer Society guidelines, which also include an annual exam by a health care professional and monthly breast self-examination.

For more information or to volunteer for Tell-A-Friend Friday, please call Patient Services Volunteer Jeannene Walterscheid at (940) 759-4309 or toll-free 1-800-ACS-2345 to enroll. Or visit the website at www.acs-tx.org.

Muenster Mayor Henry Weinzapfel signs the following proclamation for Cheryl Pollard, declaring October as Breast Cancer Awareness Month.

PROCLAMATION

NOW, THEREFORE, I, Henry Weinzapfel, Mayor of the City of Muenster, and on behalf of the Muenster City Council, do hereby proclaim October 1998 as **Breast Health Awareness Month**, and October 2, 1998 a **Tell-A-Friend Friday** in the city of Muenster, in recognition of the American Cancer Society's effort to reach out to 11,300 women in Texas with an important and personal message on the importance of mammography, and in recognition of those volunteers from Cooke County who will take part in this campaign by calling their friends, family members and acquaintances to remind them to take care of themselves.

Henry Weinzapfel, Mayor

record books are carefully boxed, sealed, and put into storage. I am proud to be able to preserve these records for future generations.

Walterscheid said that the 40 years she has served in the County Clerk's office have been educational and enjoyable. Evelyn has worked with so many people and they are special to her, she remarked. The county clerk adds that she is fortunate to have five qualified deputies working in her office. Between Walterscheid and the five deputies there is more than 100 years of experience in the County Clerk's office.

Evelyn and her husband, Donnie Walterscheid, live in Muenster. They have a son and daughter-in-law, Craig and Donna Walterscheid and two grandchildren, Ashley and Chad.

"It would be my pleasure to serve the people of Cooke County for another four years," concluded Mrs. Walterscheid.

Family gets spotlight at First Baptist

The First Baptist Church of Muenster is hosting a Focus on the Family month each Sunday beginning October 4, 1998 and concluding November 1, 1998. Each Sunday morning will begin

with a Financial Freedom Seminar at 9:45 A.M., which will focus on those Biblical principles which lead to financial freedom. This will be followed by a worship time from 11:00 A.M. to 12:30 P.M.

with Bible messages focusing on those issues affecting the family today. All are invited and all are welcome. Come and celebrate the wisdom and glory of Jesus Christ with us!

Taylor Vestal for County Commissioner, Precinct 4

Hello, my name is Taylor Vestal, and I am the Republican Candidate for County Commissioner, Precinct 4. One of the most interesting political issues of today in Texas is the issue of INITIATIVE & REFERENDUM. In a poll taken in July of this year, Texans favored I&R by a 6 to 1 margin. So, what is I&R? It is a process where citizens, having gathered sufficient signatures on a petition, can force an issue to the ballot on election day. The results of the election bind the Legislature to enact the law. California is the leader in using I&R. We have seen many cases where Proposition "X," on the California ballot, has resulted in "term limits," "tax caps," "education reform" and many other laws.

What are the arguments favoring I&R? The main argument is that it gives POWER to the people. From one side of the argument, this is GOOD, while from the other side, this is BAD. From the petitioner's side, a group of people has forced a law on the books, bypassing the legislative process. On the other hand, the petitioners were unable to get a sufficient number of their representatives to enact the law by other means.

Interestingly, I&R is legal today at the county level on one particular issue. Through a petition, the people can place on the ballot the question "Should the County's Road and Bridge Operations be centralized?"

- CENTRALIZED ROAD & BRIDGE proponents argue that the advantages are:
1. Professional Management of the Department
 2. More effective use of equipment.
 3. Better utilization of personnel.
- CENTRALIZED ROAD & BRIDGE opponents argue that the disadvantages are:
1. Elected officials lose control of precinct road repairs.
 2. Another layer of bureaucracy has emerged.
 3. Degradation of response time to people's needs.

How do you stack up on these issues? Do you think like the 6 to 1 poll and favor I&R? Or, do you see the pitfalls? And what about centralizing the road & bridge operations of the County? Are you a PROPONENT or are you an OPPONENT?

Let me hear from you.
I want to know what you think.

Come Out and Meet with

BILL HARRIS

and

RALPH HALL

Dear Fellow Muenster and Lindsay Area Residents:

We cordially invite you and your family to a **FREE BAR-B-QUE DINNER** on Sunday, **October 11, 1998**, at **5:30 P.M.** at the Muenster Park (unless the weather is bad, in which case it will be held at the VFW in Muenster).

The purpose of this dinner will be to allow you to become personally acquainted with our friends, **Bill Harris, candidate for County Judge**, and **Ralph Hall, our U.S. Congressman**, if you do not already know them.

Both of these offices are vitally important to us and our county. As residents of this area, this event will give us a chance to address our concerns to ask questions of Bill and Ralph. Both have indicated they will make a few remarks and will be glad to answer any questions or discuss any topics we want to raise.

Y'ALL COME!

HOSTED BY:

OBITUARIES

Marie Seyler Mosman
1911 - 1998

Marie (Seyler) Mosman

by **Elfreda Fette**
Marie Mosman died at age 87 on Sept. 28, 1998 at 12:45 a.m. in Muenster Memorial Hospital, where she was admitted several days earlier suffering from heart failure. She had been ill for several months.

She was born on Jan. 29, 1911 in Muenster to Frank and Catherine (Neises) Seyler. On Dec. 27, 1937 she married John Michael Mosman in Sacred Heart Church. He preceded her in death on Nov. 30, 1982.

Survivors are two daughters and sons-in-law Rebecca Catherine and Marc Edwards of Columbia, Tennessee and Carol Ann and Bill Hopper of Keller, Texas, and three sons and daughters-in-law Timothy John and Olivia Mosman of Los Angeles, California, Thomas Michael and Pam Mosman of Wylie, Texas, and Jerome Henry and Cheryl Mosman of Fort Worth. There are eleven grandchildren and seven great-grandchildren. Also one sister, Odelia Lutkenhaus of Muenster, two sisters-in-law Olivia Mosman Jones of Yantis, Texas and Kathleen Mosman of Collingswood, New Jersey.

Also preceding her in death were her parents, two brothers Julius Seyler and Ben Seyler, and four sisters Elise Seyler Hennigan, Rachel Seyler Hope, Ann Seyler Anderson, and Catherine Seyler Johnson.

A prominent educator in the local area, Marie Mosman spent many years in the teaching profession.

She attended Sacred Heart School in Muenster, graduated from Our Lady of Victory High School in Fort Worth; attended North Texas State University in Denton. She taught two years at Coppers Switch School and three years in the Lindsay School, when both were one-teacher schools. After returning to NTSU to complete her Bachelor's Degree in Chemistry, she began teaching in Muenster for several years until 1938. She then taught for ten years in Saint Jo High School; and later resumed teaching in Muenster High School, and spent one year teaching in Sacred Heart High School, retiring in 1971. During those years she had taught physics, chemistry, biology, and algebra, adult education and assisted with substitute teaching, and sponsoring GED students to the distinct benefit of many students. She touched the lives of more than 3,000 students.

William J. Fuhrman
1924 - 1998

William J. (Bill) Fuhrman

Mass of Christian Burial for William J. (Bill) Fuhrman, 74, of Fort Worth and former Muenster resident was held at 10 a.m. Wednesday, September 30 at Holy Family Catholic Church in Fort Worth with the Rev. Joseph Pemberton officiating. Burial followed in Greenwood Memorial Park Cemetery under the direction of Harveson and Cole Funeral Home. He died Sunday, Sept. 27, 1998, at Harris Hospital, Fort Worth.

Bill Fuhrman was born March 10, 1924, in Lindsay, to Henry J. and Elsie Flusche Fuhrman. He attended Lindsay School, then St. Mary's High School in Gainesville, graduating in May 1941. He worked in the wheat fields in Washington State, learned to fly there. After various jobs, one with the Muenster Telephone Company, he worked as an electrician while serving in the Merchant Marines, and later, while attending St. Louis University, receiving his Bachelor of Science Degree in Electrical Engineering in May, 1956. After his marriage to Katherine (Kay) Eigel on August 11, 1956, in St. Louis, the couple moved to Fort Worth, where Bill began employment with General Dynamics Corporation. During his early years with General Dynamics, he attended classes at SMU, receiving his Master of Science Degree in Electrical Engineering in 1961, a versatile and very talented man. He worked in Avionics for General Dynamics, serving as Senior Engineer Specialist before retiring in 1993 after 37 years with the company. Beside his work at General Dynamics, he founded his company, Fuhrman Engineering.

He was member of Holy Family Catholic Church, and was active in the Men's Club and in church ministries. He was also a member of The Parkinson's Support Group of Tarrant County in Fort Worth, and The Society of Progressive Supernuclear Palsy.

Kay Fuhrman, his son and daughter-in-law, Dr. Robert W. and Barbara Fuhrman of San Antonio; three daughters and sons-in-law: Tina and Gregg Mladenka of Salt Lake City, Utah; Kathy and Bill Dafcik; and Amy and Steve Mitchell of Fort Worth; four grandchildren: Jennifer and Michael Dafcik and Gavin and Tyler Mitchell; his mother, Elsie Flusche Fuhrman of St. Richard's Villa, Muenster; brothers, Alvin Fuhrman of Muenster, and Gerald M. Fuhrman of Houston; three sisters: Elsie Endres and Rosalee Bayer of Muenster, and Coralee Pulte of Gainesville; and numerous nieces, nephews, and cousins. He was preceded in death by two infant sons, Leonard and Gerard, and his father, Henry J. Fuhrman of Muenster, who died in March, 1976.

Pallbearers were: Stuart Brown, Bill Dafcik, Alvin Fuhrman, Gerald Fuhrman, Leon Hitner, Steve Mitchell, Gregg Mladenka, and George Zimpelman.

Rosary services and visitation were held at 7:00 p.m., Tuesday, in the Drawing Room of Harveson and Cole Funeral Home, in Fort Worth.

Among local relatives attending the funeral were Coralee Pulte, Rosalee Bayer, Dolly Owens, Alvin and Gracie Fuhrman, Gene Fuhrman, Elsie Endres, Lou Ann Spaeth and a number of other relatives, friends and former business associates.

Father Karl Schilken of Saint Jude's Church in Mansfield.

Participating in the special funeral liturgy were Tim Mosman and Tom Mosman, with readings from the Old and New Testaments, respectively. Offertory gifts and bread and wine were carried to the altar by Carol Hopper, Becky Edwards, Olivia Mosman, Pam Mosman and Cheryl Mosman.

The eulogy and remarks of remembrance were given by Jerry Mosman.

Sacred music was presented by Ruth Felderhoff, organist and Marc Edwards who sang "Ave Maria". Christy Hesse sang "We Are Pilgrims," "Be Not Afraid," "Edelweiss Blessing," and "How Great Thou Art."

Ushers were Jimmy Lutkenhaus, Ron Hope, Ben Johnson and L.B. Bruns.

Burial in Sacred Heart Cemetery was directed by McCoy Funeral Home of Muenster. Pallbearers were Jason Mosman, Micheal Mosman, Greg Hopper, Bob McDonnell, Tom McDonnell, Tom Hennigan and Joe Hennigan. Honorary pallbearers were Christy Hopper, Michelle Mosman, Norann Deitler, and Mariessa Edwards.

GNB honored at IBAT convention

On Tuesday, September 29th, at the Hyatt Resort Hotel complex in San Antonio at the Annual Convention of IBAT (Independent Bankers Association of Texas), GNB (Guaranty National Bank) was presented with two Golden Eagle Awards in recognition of their outstanding projects of Pays for A's, and for their

participation and leadership in the Cancer fund drives "Relay for Life".

Receiving the awards for GNB were Jay Freeman, Director of Marketing at GNB; Riley Paveto (CEO), Mickey Faulconer (Exec-VP), and Marcia Neal (Treasurer).

IBAT's membership is composed of some 700

independent banks throughout Texas. A gold, silver, and bronze eagle is given in four categories/ While the competition was fierce, the judges awarded GOLD in 2 of the 4 categories to GNB. GNB thanks all of the GNB employees, their families, and all persons involved in both of the projects.

Early Voting begins October 19th through October 30th

Lifestyle

Double-ring vows of Sandmann and Verduzco solemnized in Austin Sept. 26

Empty Good Health UNDERSTANDING DEPRESSION AND ITS IMPACT ON RELATIONSHIPS

Depression affects the entire family ... Everyone experiences sad feelings or has "the blues" once in a while - that is a normal part of life. Sad or negative feelings that make it hard to function each day may signal a medical illness called depression.

Depression can cause real suffering - both for the affected person and for family members and other loved ones. When a person is depressed, he or she can find it difficult to go to work, to keep up with daily chores, and even to get out of bed. Sometimes, the depressed person also finds it hard to take the first step in getting help. Often, the people who love a person with depression are "hidden victims," since the impact of depression on their lives is overlooked or underestimated. Depressed people may elicit feelings of frustration, guilt and even anger in loved ones who may resent the problems of the depressed person or have trouble understanding their cause. *These feelings are normal, but it helps to have healthy ways to deal with them.*

Fortunately, depression is a treatable medical illness - and learning as much as you can about this disorder and its treatment will help. Common symptoms of depression include: feeling sad, blue, or down in the dumps; loss of interest in things that were once enjoyable (like sex or other activities); loss of appetite and weight (or, sometimes, weight gain); difficulty sleeping or sleeping too much; psychomotor agitation or retardation; feeling tired and slowed down or restless; feeling worthless or guilty; trouble concentrating, thinking, remembering or making decisions; thoughts of death or suicide.

by **Elfreda Fette**

The wedding of Gina Marie Sandmann and Robert Douglas Verduzco was held in St. Mary's Cathedral of Austin on Sept. 26, 1998 at 2:00 p.m. Father Jerry Smith officiated for the Catholic services with double ring vows. Lectors for the special wedding liturgy were Laura Faye Assunto of Beaumont, aunt of the groom and Joe Hubik of Austin, cousin of the bride.

The bride is the daughter of Paul and Maxine Sandmann of Lindsay. She is a 1986 graduate of Lindsay High School and a 1989 graduate of the Court Reporting Institute of Dallas, and is a self-employed court reporter.

The groom is the son of Darlene and Joe DeLorenzo of Lago Vista, Texas and Bob and Lynda Verduzco of Granbury, Texas. He is a 1988 graduate of Granbury High School and a 1992 graduate of the University of Texas at Austin. He is employed by The Inteq Group as an Information Systems Consultant.

Presented at the altar by her father, Paul Sandmann, the bride was wearing a formal wedding gown of ivory matte satin designed by Venus. It featured a Sabrina neckline and long, slim lace sleeves. The bodice was beaded with appliques of Alencon lace, seed pearls, and clear snowflake sequins. The waistline cascaded into a full, A-line skirt. Completing the bridal gown was the full chapel length train accented with appliques of Alencon lace, pearls and sequins.

The bridal bouquet was a traditional, moderate cascade of white Stargazer lilies, ivory roses, stephanotis accented with white pearls, small peach roses and trailing ivy leaves.

For sentiment and tradition, and as "something old" she wore her late Grandmother Cecilia Schmitz' wedding band, and for "something borrowed" she had her mother's rosary entwined in her bridal flowers.

Mrs. Robert Douglas Verduzco ... 'nee Gina Marie Sandmann ...

ATTENDANTS
Minnie Hundt of Houston, bride's lifelong friend was maid of honor.

Lisa Grabbitt of Red Oak, Texas and Julie Hyatt of Arlington, bride's sisters, and Paula Robertson of Austin, groom's sister were bridesmaids.

They wore identical navy gowns designed by Bill Levkoff, short sleeved, A-line, with square front neckline and deep squared back neckline. Caviar pearls decorated the bodice.

David Verduzco of Austin,

twin brother of the groom was best man.

Paul Robertson of Austin, groom's brother-in-law, Jeff Sandmann of New Braunfels, bride's brother and Luke LeGate of Austin, a friend of the groom were groomsmen.

Larry McKinney, Jr. of Tyler, cousin of the groom, Marty Hyatt of Arlington and Larry Grabbitt of Red Oak, bride's brothers-in-law were ushers.

Wedding music was presented by Philip Baker, organist, with pipe organ instrumentals and Roger Dieter, bride's cousin, vocalist,

who sang "Jesu, Joy of Man's Desiring," as mothers were seated, "Ave Maria" when the couple knelt at Mary's shrine.

The church altars held large arrangements of white gladioli, ivory and peach roses. Ivory satin and tulle bows marked center aisle pews.

RECEPTION

A reception with buffet dinner and dance followed at Onion Creek Club in Austin, attended by 200 guests. The bride and groom's cakes were made and decorated by Roger Dieter.

A special guest was the groom's grandfather, Frank Assunto, Sr. of Lake Charles, Louisiana.

The rehearsal dinner was held Friday evening, September 25 in a private dining room at Carmelo's Italian Restaurant in Austin, attended by the wedding party, close friends and relatives.

Upon return from a two week wedding cruise through the Panama Canal and several other ports, the couple will reside in Austin.

Beta Kappa disbands

Members of Beta Kappa met for the last time on September 14, 1998. President, Kay Broyles, called the meeting to order at 8:45 p.m. in the home of Dolores Miller.

Sharon Felderhoff reported that the strudel left over from Germanfest was donated to Meals on Wheels.

It was reported that the Germanfest booth had not been sold. The club decided to donate the booth to the Chamber of Commerce to sell for their own benefit.

Members decided to make a donation to the Allen Truebenbach love fund at the Muenster State Bank.

Because the club is disbanding, the money raised at Germanfest needed to be disbursed. The members felt that the funds should benefit a large group of people and remain local. As the funds were raised by a service club, the members wanted the funds to be a service to the community. The club members then voted to disburse the remaining funds to several local non-profit organizations.

Beta Kappa was chartered in 1977. The club sponsored many projects such as: a scholarship to a senior from each school; Miss Muenster pageant; scrapbooks for children in the hospital; 42 tournaments; style show for the centennial; love funds; Relay for Life; and many more. A thanks to all those who have donated time and effort to Beta Kappa.

New Arrivals

Henscheid

Brad and Jo Anna Henscheid of Muenster announce the birth of their first child, a son, Bradley Edward II in Gainesville Memorial Hospital on September 12, 1998 at 6:02 p.m., weighing 6 lb. 14 1/2 oz. and measuring 20 1/2 inches long. Grandparents are Travis and Pat Cantrell of Saint Jo

and Ted and Carol Henscheid of Muenster. Great-grandparents are Lucy Hess of Muenster and the late Ed Hess; the late Henry and Anna Henscheid; the late Jack and Tommie Hogan; and F.A. Cantrell of Gainesville and the late Bonnie Cantrell.

Davis

Jeffrey and Wendy Davis of Nocona are parents of a daughter, Kristin Paige Davis, born in Muenster Memorial Hospital on September 21, 1998 at 5:18 p.m. weighing 7 lb. 11 oz. and measuring 20 inches in length.

VFW Ladies Auxiliary sets Bake Sale

The annual bake sale for cancer aid and research has been set for Friday, October 16 at Fischer's Market by the sponsors, the VFW Ladies Auxiliary #6205.

Proceeds from the bake sale have a two-fold purpose, enabling the Auxiliary to participate in the VFW Ladies Auxiliary National and State Cancer Aid & Research program, and also to provide funds to help the local cancer patients in a small way. In the past, the Auxiliary has been able to provide monies for the gas, etc. for those of the community who need to drive to Denton or Sherman for treatment.

All Auxiliary members are asked to please bake a couple of homemade items or to make an donation of \$8.00 or more if possible. All are urged to come and participate so to help in a small way to battle this illness called cancer.

Baptism

Walterscheid

Allie Rae Walterscheid, daughter of Mel and April Walterscheid, was baptized in Sacred Heart Church by Fr. Thomas Craig on Wednesday, September 16. Her godparents were Amy, Jana, and Clayton Truebenbach. Allie's baptismal gown was also worn by her mother and by her sister, Amber. She wore a special crucifix necklace given to her by her godmother, Amy.

After the ceremony, the family had hamburgers, cake, and ice cream at Mel and April's home. Guests included brother and sister Amber and Cole, grandparents Allen and Carla Truebenbach, and Peggy Walterscheid; and great-grandparents Carl and Cecilia Schilling. Also aunts and uncle Amy, Jana, and Clayton Truebenbach; Tim, Ramona, Kelly, Lisa, Derek, and Travis Felderhoff; Glenn, Jean, Melinda, and Collin Walterscheid; Carol, Rebecca and Blake Grewing; and Lloyd Walterscheid.

Also attending the ceremony were Ramona and Carol's CCD classes.

SHYM News

ANTIOCH SCHEDULED

Attention all juniors and seniors in high school! The annual Junior/Senior Antioch retreat will be held October 31 - November 1. This annual retreat has always been a well-recommended weekend to attend, according to past attendees. The cost will be \$20. Registration forms are available in the youth office in the convent, or by calling Eric Gray at 759-2511 ext. 44. The

deadline for registration is Monday, October 19 at noon.

SHYM NEWS

Sunday evening, October 11, is the next Life Teen Mass and Life Night, both held in Sacred Heart Church. The Mass begins at 6 p.m. The Life Night follows for all high schoolers, ending no later than 8:30 p.m. The Life Night is on "Teamwork: The Body of Christ."

Schedule of Meetings

Catholic Daughters of America will meet Monday, October 5 at 7:30 p.m. in the Knights of Columbus Hall. The annual audit will be held.

We would like to express our deep appreciation to all those who made the celebration of our sixty-fifth wedding anniversary memorable. Thanks to Father Craig and the Sacred Heart Choir for the lovely Mass and to all our friends and family for attending the reception and for your thoughtful remembrances.

Sincerely,
John and Anne Fleitman

Cub Scout ranks increase with new members

The first meeting of the new school year for Cub Scout Pack 664 was held September 21 at the VFW Hall. Eleven new members joining as Tiger Cubs attended, along with the Wolves, Bears, and Webelos. The new Tiger Cubs present were Jacob Bayer, Scott Endres, Chad and Ryan Henschel, Jeremy Lutkenhaus, Zachary Moritz, Pierce Morrill, Dustin Pumpfrey, J.D. Tankersley, and Christopher and Steven Valliere.

As the boys waited for the meeting to begin, they played "scout bingo." It was a fun way to meet the other members. The meeting began with the Wolves acting as color guard. Cubmaster Ben Bindel welcomed everyone and conducted the meeting. The Bears led the song, with the rest of the scouts and parents joining in. The Webelos gave an informative demonstration on life-saving techniques.

Awards were presented to the Webelos for their summer activities: Evan Koesler, baseball, swimming, archery, shooting beltloops, aquanaut activity pin, a pin for attending all summer pack meetings, and a recycling patch; Chad

Endres, baseball, swimming, archery shooting beltloops, aquanaut activity pin, and a pin for attending all summer pack meetings; Michael Valliere, baseball, swimming, archery, shooting beltloops, aquanaut activity pin, and a pin for attending all summer pack meetings; Matthew Abney, swimming, archery shooting beltloops, aquanaut activity pin, and a pin for attending all summer pack meetings; Chris Mosier, baseball beltloop.

Also Brad Endres, baseball, swimming, archery, shooting beltloops, and aquanaut activity pin; Joseph Cowden, swimming, archery, shooting beltloops, and aquanaut activity pin; Kyle Caldwell, baseball, swimming, archery, shooting beltloops, aquanaut activity pin, and a pin for attending all summer pack meetings; Chris Mosier, baseball beltloop.

In addition, patches were awarded to the Wolves and Bears earned and reported during the past year but were not yet available.

The monthly pack meeting is held on the third Monday of the month at the VFW Hall at 7 p.m. All boys grades 1 through 5 are welcome to join.

YEARS AGO

30 YEARS AGO
May 31, 1968

Mrs. J.W. Fletcher dies at age 78. Hoping for clear weather now, farmers cross their fingers for luck and begin community harvest of grain crops. First part of the political season of 1968 in the Democratic run-off election reached in governor's race, Smith vs. Yarborough and representative Parker vs. Scofield. Eight Little League teams are organized in Muenster. The Muenster Swimming Pool will open June 1. Memorial services at Sacred Heart Cemetery are set for Sunday, June 2 by VFW Post and Auxiliary. Graduates: Sara Ann Fleitman gets Master of Education degree at North Texas State University; Tom Hartman get Bachelor of Science degree in Agriculture at East Texas State University. Wedding: Margie Fuhrmann and William Wimmer are married in St. Peter's Church; Betty Jo Owen and Thomas Hollis are married in St. Mary's Church of Memphis, Tennessee. New Arrivals: a daughter to Mr. and Mrs. Allen Reiter; a son to Mr. and Mrs. Sammy Biffle; a son to Mr. and Mrs. Ronnie Herr; a son to Mr. and Mrs. Melvin Schoech.

10 YEARS AGO
June 3, 1988

Twenty-four seniors graduate from Muenster High School on May 27. Brian Hess is Valedictorian and Jamie Walterscheid is Salutatorian. Father Victor Gillespie gave the benediction. Largest crowd ever attends Memorial Service at Sacred Heart Cemetery; Andy Stelzer, Muenster native and Past State Commander of Veterans of Foreign Wars is speaker. Muenster City Council passes tax abatement guidelines for new and expanding Muenster businesses. Obituary: Mike Schilling dies at age 75. Weddings: Judie Felderhoff and Don Woodall are married in St. Mary's Church of Gainesville; Barbara Jean Davidson and Mike Hazzard are married in Whaley Memorial Methodist Church of Gainesville. Graduates: Brent McElreath gets BBA in Accounting and Finance at University of Texas at Austin; Anne Felderhoff gets Bachelor of Science degree in Health Fitness Management at Midwestern State University; Wayne Carroll receives Bachelor of Science degree in Landscape Architecture at Texas A&M University; Codi Lynn Yosten gets Bachelor of Arts degree in Sociology and Psychology at SMU.

Morton Museum begins Sesquicentennial series

The first session in the Morton Museum of Cooke County's Sesquicentennial Fall Series will take place at the museum in Gainesville at noon on Monday, October 5, 1998. "Riding the Rails" will examine the history and importance of railroads in Cooke County with some fun facts thrown in. For instance, when the Harvey House restaurant was operating in the Gainesville Santa Fe depot, where did they get the water they used for coffee? What town in the county declined because the railroad failed to go through it? Ever hear about the Santa Claus engineer? Answers to these and other questions will be provided. This is a significant part of our past for the story of the railroads in Cooke County is really the story of the development of the entire West.

Each participant will receive a replica train pass that will be punched as they enter the museum. A significant part of the program will be presented by Harry Bilger of Austin College in Sherman who has an extensive collection of silver, china, linen, menus, and postcards from numerous railroads which he will have

on display and will be discussing. A Harvey House dessert will be served. Handouts will be provided. Seating is limited. For members of the Cooke County Heritage Society the cost to attend is \$3 and for non-members the cost is \$4. To reserve a seat or for more information, please call the Morton Museum of Cooke County at 940/668-8900.

Area Happenings

Decatur Courthouse Cruise Nights

The historic Wise County Courthouse Square in Decatur will be alive with antique and collectible automobiles on Saturday evening October 3. This classic car show is held every first Saturday night May through October (excluding July). The shows mark the third year for the events that have consistently drawn hundreds of persons to downtown Decatur.

The last show of the 1997 season hosted 140 plus vehicles, and Saturday promises to rival that success. Registration of antique cars and trucks will be from 4-7 p.m. Dash plaques will be presented to the first 75 entries and awards in all 24 classes will be announced at 8:30 p.m. Call Gordon Hofstra 940-627-5185 or Decatur Main Street 940-627-2741 for more information.

Correction!

OOPS! Muenster Telephone Corporation was inadvertently left off the Wedding & Beyond Bridal Show ad in the September 25 Muenster Enterprise.

Test samples reinforce concern over aflatoxin in deer corn

Nearly half of the deer corn randomly purchased across Texas during a recent study tested positive for excessive levels of aflatoxin, a harmful biological toxin which can pose a deadly threat to wildlife, including one sample measuring almost 33 times the maximum level allowed for consumption by dairy cattle.

The study reinforces concerns by Texas Parks and Wildlife (TPW) biologists, who fear the shelled corn containing high levels of aflatoxin will end up in the field as deer corn during the months ahead. Aflatoxin is produced by fungi

of the genus *Aspergillus* and can be found on any high starch food item, like corn or other grains that are grown under drought conditions or which are stored in hot and humid conditions. Animals ingesting corn containing aflatoxins are susceptible to liver damage and other diseases as the toxins suppress their immune response.

Researchers randomly purchased 100 bags of shelled deer corn available on the market in 52 counties during mid-August. Corn was purchased from a variety of retail outlets, including feed

mills, feed stores, supermarkets, convenience stores, gas stations, and roadside stands. Researchers submitted samples for testing to the State Feed and Fertilizer Service in sequentially numbered unopened bags with all identifying labels removed or obliterated.

The researchers found aflatoxin concentrations exceeding 20 ppb in 44 percent of the samples, and concentrations of 100 ppb or higher in 20 percent of the samples. Eight samples exceeded 300 ppb, with the highest concentrations being

656 ppb. Based on available information, the Texas State Feed and Fertilizer Control Service advises that corn with aflatoxin concentration greater than 100 ppb is not safe for feeding to free-ranging deer.

Corn with greater than 100 ppb of aflatoxin did not seem to be localized in any one part of the state. The researchers did observe, however, that corn sold in unmarked bags with no weight label or manufacturer's address tended to have higher concentrations of aflatoxin. Ten of 30 bags without a manufacturer's identification

tested over the 100 ppb legal limit for deer feed, compared with 10 of 70 bags with a manufacturer's identification.

While there is no mandatory testing for aflatoxin, Federal Drug Administration rules do not allow corn tested at more than 20 ppb of aflatoxin to be fed to dairy cattle, and Texas law requires corn containing more than 20 ppb to be labeled with the concentrations found in testing. Corn exceeding the allowable levels of aflatoxin for livestock is often sold as DEER CORN in untagged sacks to unsuspecting hunters.

Tigers get first win, 34-18

The Tigers traveled to Fort Worth Friday afternoon to take on the Mighty Mites of Masonic Home. "We did a good job. We tackled, we blocked, and played with good emotion," said Coach Tom Frazier of the Tigers' first season victory, 34-18.

Masonic Home played the contest with only 10 players after losing 6 players who were ineligible due to grades.

The action began on the Tiger 38 after the kick. Three runs gained a yard and the Tigers punted. A fumbled return was covered by Lee Skinner on the Mite 34. The next play Sacred Heart fumbled and Masonic Home began their first offensive drive on their 36 yard line. A pass play gained 59 yards, stopped at the 5 yard line by Matthew Nasche. Tackles by Jeff Hartman and Duncan Campbell put the Mites back 9 yards, but on 4th down, a J.R. Morris pass to J.P. Lowe put Masonic Home on the scoreboard. The extra run failed, so with 7:11 on the clock, the Mites had a 6-0 lead.

It was three plays and punt for the Tigers, but two plays later Stephen Hofbauer covered a fumbled ball on the 43. Again the Tiger offense gained little ground and punted. From their 19, the Mites were held by the Tigers, but a roughing the kicker call allowed Masonic Home to keep the ball as the second period began. A long Mite run was stopped by Jonathan Yosten of the Tigers. From the 20, Duncan Campbell intercepted.

Runs by Campbell, Adam Barnhill, and a 33 yard pass play from Keith Felderhoff to Yosten took the Tigers to the 15. Barnhill carried the ball to the 3 yard line, then to the one, where Felderhoff scored. Barnhill added the point after to give the Tigers a 7-6 lead with 8:16 remaining in the first half.

Adam Barnhill's kick rolled to the 7 yard line, where Luke Endres covered it for the Tigers. The next play, a Felderhoff to Yosten pass lit up the scoreboard again. Barnhill's boot gave Sacred Heart a 14-6 lead with 8:09 on the clock.

The Mites next drive was assisted by a roughing the kicker flag and a 14 yard run, but was stopped when Matthew Nasche covered a loose ball on the Tiger 30. Unable to gain ten yards, Sacred Heart punted, giving Masonic Home the ball on their 16. The Mites moved the ball against the Tigers for eight plays to the Tiger 24, but the drive ended when Yosten intercepted the ball with a one-handed catch on the 10 yard line to end the first half.

The Mite offense opened the second half, but was stopped after three runs. The attempted punt was blocked by Jonathan Yosten, giving Sacred Heart the ball on the 19 yard line. Three Campbell runs later, the Tigers had a 20-6 lead.

Masonic Home came right back, getting in a 46 yard run to the 10 yard line. Two tackles by Kenneth Grewing lost 8 yards for the Mites, but on 4th down, Morris passed to Jerry Gonzales for a touchdown. Russell Fette stopped the extra point run for a 20-12 ball game with 6:48 left in the third quarter.

It didn't take the Tigers long to score again. Barnhill ran for 10, Campbell for 7, then Campbell scored on a 51 yard run. Felderhoff ran in the extra points to put the Tigers in a 28-12 lead with 5 minutes left on the third quarter clock.

Again Masonic Home bounced back with a 54 yard run to the 26 before Grewing made the stop. Three plays later Travis Fuhrmann intercepted the ball and the Tigers took over on the 20.

Good runs by Nasche and Campbell took Sacred Heart to their 44 yard line as the final quarter began. There a sack prevented a first down and the Tigers punted. Six plays and the Mites kicked it back. Again the teams exchanged possessions with Sacred Heart getting the ball on the Mite 33. A 12 yard Barnhill run and short gains by Nasche, Campbell, Fuhrmann, and Felderhoff ended with a 2 1/2 yard touchdown run by Campbell. The PAT failed and

with 50 seconds remaining in the game, the Tigers led 34-12.

But Masonic Home wasn't finished. The first play after the kick turned into a 70 yard scoring play. With 29 seconds to go, the scoreboard read 34-18.

Defensive standouts included Travis Fuhrmann, Jonathan Yosten, Kenneth Grewing, and Duncan Campbell. "Duncan was great on both sides of the ball," noted Frazier. Campbell is credited for 12 tackles, 2 sacks and an interception. "Luke Endres also did a great job, getting tackles, knocking down a pass, and covering a fumble."

The Tigers did suffer some injuries Friday. Charlie Moster injured his shoulder and will be out for a week. Matt Bayer, who was in for injured Jordan Kohler, dislocated his elbow and won't see action for at least two weeks.

Next Action - Notre Dame
The Tigers host an old rival this Friday, the Knights of Wichita Falls Notre Dame.

"They are bigger than us, and have talent," said Frazier. They haven't won a game, but are playing a tough public school schedule."

Frazier did a comparison with Saint Jo. The Panthers beat Notre Dame 28-13 and the Tigers 54-0. "Saint Jo didn't beat them as bad as us, but this will be a winnable game. We must take a step up to win." The game begins at 7:30 on Tiger Field.

Hornet Coach Randy Tankersley sends his players back on to the field after a short break on the sideline. Muenster took a 21-8 victory over Alvord last Friday. Hornets pictured include Justin Feitman (89) and Jim Stoffels (70).

Hornets impound Bulldogs

The Muenster Hornets traveled to Alvord last Friday night to take on the top state ranked Bulldogs. Picked the 20-point "underdogs," the Hornets overpowered Alvord to take a 21-8 win.

"It was a great win. A total team effort," said Coach Randy Tankersley. "Proud of both sides of the ball."

Muenster took the opening kick. Assisted by a face mask penalty, the Hornets moved to midfield. Short runs and an incomplete pass forced Muenster to punt. On the return, Alvord fumbled the ball and Brent Sicking covered on the Alvord 21 yard line.

Short runs and a penalty put the Hornets in a 4th and six situation. An incomplete pass gave the ball to the Bulldogs on their 18 yard line.

Alvord steadily moved the ball down field for 13 runs and one pass completion to the Hornet 9 yard line. On 4th and goal, a 25 yard field goal attempt failed and Muenster took over on the 20. Runs by Jesse Luke and Bryan Miller carried Muenster into the second quarter. Miller then gained 12 to the Alvord 40, but a holding flag put the Hornets back 10 yards. On 2nd and 17, Jesse Luke took the ball 47 yards for a Muenster touchdown. Nick Silmon added the extra kick for a 7-0 score with 10:37 on the clock.

Alvord's next drive began on their own 30 yard line, mixing a dozen runs to Muenster's 10 yard line. Hartfield found the end zone and an Andy Thompson to Adam Cruz pass gave the Bulldogs an 8-7 edge with 4:44 remaining in the 1st half.

Four Sicking runs took the Hornets from their 34 to

midfield. An Aaron Klement pass completion added another 11 yards, with an off-side flag putting Muenster in a first and 15. Miller gained 17 yards on three runs, but on first down on Alvord's 28, the Bulldogs picked off a pass. Two plays later Alvord made a 43 yard pass play to the 32 yard line. After four incomplete passes, Muenster's offense took over. Miller ended the first half with a 38 yard run.

The Bulldog offense controlled the ball the third quarter, getting in a total of 22 plays to Muenster's 4, but four was all it took for the Hornets to score from Alvord's 25 yard line. The four play drive was highlighted by a 29 yard run by Luke and the 41 yard touchdown run by Bryan Miller. A Luke pass to Casey Walterscheid gave the Hornets a 15-8 lead with 3:25 remaining in the period.

Alvord carried the ball into the final quarter, using ten more plays before running out of downs on Muenster's 26 yard line. The next play, Bryan Miller broke for a 74 yard touchdown run. The kick failed for a 21-8 Hornet lead with 6:31 remaining in the game.

Alvord's offense fought back, but an Aaron Klement sack and a Miller interception halted the Dogs. Miller returned the intercepted play 45 yards to the Bulldog 5 yard line. But the Hornets could not get into the end zone.

Alvord threw a couple of passes giving Muenster the ball on the Bulldog 15 yard line. A penalty and fumble returned the ball to Alvord, as time ticked off the clock.

"The defense is starting to play with intensity," stated Tankersley. "And the offense is

making big plays." Tankersley noted that Miller and Luke ran the ball great; that guards Nick Silmon and Matt York played a really great game; and Brent Sicking did a great job blocking.

On the defensive side of the ball, Miller was "all over the field" and credited for 15 tackles. Defensive ends Aaron Klement and Craig Hartman had their biggest game all year, with safeties Casey Walterscheid and Justin Feitman doing a super job. "The boys never got their heads down and had a positive approach. This showed against Alvord."

Next Action - Windthorst
Muenster will host the Windthorst Trojans this Friday. Windthorst is a traditional school and has a tradition of winning, getting a 34-14 win last week over Notre Dame of Wichita Falls.

"They are a fine team. They are big and physical," said Tankersley. "It's going to be a heck of a ball game."

Game time is 7:30 p.m. at Hornet Stadium.

Adam Barnhill, senior running back for the Sacred Heart Tigers, races outside the right end for a long gain and first down against Masonic Home last Friday in Fort Worth. Dave Fette Photo

Four-way tie for first

There was a four way tie for first place in week 4 of the Enterprise football contest, with 4 contestants guessing 31 winners out of 40, so the tie-breaker game was used.

Taking first place was Fabian Ybarra who was 25 points off in the tie-breaker game. Kelly Bayer missed the Saint Jo score by 35 points, taking second place, and Ted Heers 36 points. Having to settle for fourth and no cash prize was Doug Stoffels, missing the tie-breaker by 39 points.

Winners can pick up their cash prizes at: 1st place, GNB; 2nd, Happy Kamper; and 3rd,

82 Liquor.

Missing 10 games were Mike Stoffels and John Sandmann. Picking 29 were Tommy Frazier, Peachie Huchton, Wayne Klement, Kim Walterscheid, Barbie Barnhill, Leroy Buddy and Edgar Dyer. Low score was 24.

Steve Bevers and Charles Edwards guessed closest to the tie-breaker score, 17-14.

Only one contestant believed Muenster would defeat Alvord, and five picked Sacred Heart to win. Everyone picked Lindsay, Era, Sanger, Windthorst, Tennessee, and Jacksboro. Twenty-one picked the Cowboys over the Raiders.

Cubs beat Mustangs

After defeating Saint Mary's 22-8 on September 17, the Sacred Heart Cubs hosted the Mustangs again last Thursday, taking a 30-0 victory.

Taking the opening kick, the Cubs mixed runs and passes. Five Jack Biffle runs and Clint Fuhrmann passes to Mike Bayer, Michael Voth, Marty Farrell and Biffle took the Cubs to the 5 yard line. Chris Fuhrmann then had the honor of scoring Sacred Heart's first touchdown. A Fuhrmann to Farrell pass added two for an 8-0 score.

The Mustangs carried the ball into the 2nd quarter, but were stopped before reaching the 46 yard line. The Cubs next drive was highlighted by an 18 yard run by Chris Fuhrmann before running out of downs. The next play, Marty Farrell covered a loose ball on the Mustang 35. A Fuhrmann to Fuhrmann pass quickly got the Cubs to the 11 yard line. Two fumbled plays then an 11 yard run by Chris Fuhrmann put Sacred Heart in a 1st and goal on the one. Another fumbled play caught the Cubs in a touchback and Saint Mary's took the ball on the 20 yard line. The next play Michael Voth intercepted a Mustang

pass. Voth then scored on a 30 yard pass play. Biffle ran in the points after for a 16-0 lead.

The Cub defense held the Mustangs, forcing a punt. Two plays later, Chris Fuhrmann ran up the middle with a 70 yard touchdown race. The PAT failed to extend Sacred Heart's lead to 22-0 at half-time.

Saint Mary's went nowhere and punted on 4th and 14. From their 45, a Fuhrmann to Biffle pass carried the Cubs to the Mustang 45. Runs by Bayer, Fuhrmann, Biffle, and Fuhrmann, and a Fuhrmann to Biffle pass took Sacred Heart to the 21 yard line as the final quarter began. There the drive ended when the Cubs could not advance.

A holding flag quickly put Saint Mary's back on the 14 yard line. The next play Marty Farrell covered a loose ball on the 7 yard line. Biffle moved the Cubs to the four followed by a quarterback keeper touchdown by Clint Fuhrmann. Jack Biffle ran in the extra point for the 30-0 score.

Saint Mary's ran six plays before time ran out.

The Cubs traveled to Wichita Falls to take on the Notre Dame Squires Thursday night.

Stingers score, but fall to Puppies 32-16

The Red Stingers, Muenster Junior High football team, scored their first points of the season last Thursday in a 32-16 loss to Alvord.

Alvord quickly scored, on the second play of the game on a 36 yard run. The extra points gave the Puppies an 8-0 lead with 6:51 on the clock.

A short kick was covered by Nathan Sicking at the Stinger 39. On Muenster's first play, Alvord took the ball away, but two plays later Cameron Walterscheid caused a fumble and Michael Endres covered at the 40.

Three running attempts gained only 5 yards by Mitch Felderhoff, and Dustin Walterscheid punted the ball to the 20. Tyler Walterscheid and Cody Cory made the stop on the return at the 26.

The Pups pounded away at the Stinger defense taking ten plays to reach the Muenster 3 yard line. On the 11th run, Alvord scored again. A quarterback sack by John Sturm caused a fumble, covered by Muenster, on the extra point try. With 7:23 remaining in the 2nd quarter, Alvord had a 14-0 lead.

Mitch Felderhoff returned the kick to the 33 yard line. A Dustin Walterscheid pass to Michael Endres picked up ten yards, but the next play Muenster fumbled and Alvord covered on their 42. After a delay of game flag, the Puppies dropped the ball and Nathan Hess recovered. On 1st down, a fumbled play lost 2 yards. Cory picked up 6, but a holding flag backed the Stingers farther back. A Kyle Endres to Tyler Walterscheid pass gained 5. After an incomplete pass, Muenster attempted a punt, but a high snap over the kicker gave Alvord possession on the Stinger 16 yard line.

Tackles by Stephen Boaz, Cory, Endres, Hess and C. Walterscheid held the Pups to a one yard gain after four plays.

From their 15, three runs by Cody Cory took Muenster to the 40 yard line. A fumbled pitch back was covered by Alvord, placing them on the Hornet 26. Again C. Walterscheid, Hess, and Boaz held the Puppies to no gain as the first half ended.

A kick into the end zone put Muenster on the 20 yard line to begin the 2nd half. Three plays later, a Pup stepped in and picked off a Stinger pass. Seven

plays later, Alvord moved the ball 45 yards into the end zone. The PAT failed for a 20-0 score with 2:08 left in the quarter.

Alvord stripped the ball on the return giving possession to the Pups. Another quarterback sack by Sturm held Alvord to a 4th down as the final period began. Daniel Russell's pass defense stopped the drive, and Muenster took over on their 29.

Cody Cory quickly moved the ball to the 49. Felderhoff took the Stingers into Alvord territory, then Cory gained another 20 yards, but a flag brought the ball back to the 40 yard line. Tyler Walterscheid went up the middle for 4, then a Walterscheid to Walterscheid pass took the Stingers to the 24. A quarterback keeper gained 4, then the next play Dustin Walterscheid ran 22 yards for a touchdown.

A second effort run by Cody Cory added the extra points for a 20-8 game with two minutes remaining on the clock.

An on-side kick put Alvord near midfield. Two plays later Cory and Hess caused a fumble that Ricky Endres covered at the 27. The Red Stingers struggled their next drive with flags and sacks forcing a kick on 4th and 26. A running into the kicker flag added 5 yards and another attempt to kick, but a fumbled snap on the punt forced Dustin Walterscheid to run with the ball, but was caught short of the first down.

Alvord scored on the next play with a 75 yard touchdown run. The PAT failed for a 26-8 score with two minutes left in the game.

Tyler Walterscheid returned the kick to the 48 yard line. Two plays later, Cody Cory broke away for a 52 yard touchdown run. The Walterscheid to Walterscheid pass added the extra points for a 16-26 with 1:26 remaining in the game.

An on-side kick was covered by Alvord near midfield. Two plays later, the Pups scored on a 51 yard run straight through the line. Cory sacked the quarterback on the extra point try to make the score 32-16 with 46.8 on the clock.

Tyler Walterscheid returned the kick to midfield. A holding flag backed the ball 10 yards. T. Walterscheid then picked up 9 and a D. Walterscheid to Cory pass took the stingers back to midfield as the time ticked off the clock.

Adam Klement sacks the quarterback deep in the backfield during the Sacred Heart JV game with Savoy last week. Dave Fette Photo

Knights shoot down Eagles in 32-0 battle

The Lindsay Knights continue to dominate the Friday night playing field as they handed the Valley View Eagles a 32-0 defeat before a homecoming crowd.

"We played well for homecoming. Traditionally we don't do too well at homecoming," said Coach Charlie Meurer. "It was a good defensive game. The offense is getting better, but could still improve."

Taking the opening kick-off, the Knights steadily moved the ball down field. A dozen runs by Corey Neu, Jeff Bezner, and Adrian Anderle moved the Knights 67 yards to the 3 yard line. Anderle went into the end zone, and Michael Mosman kicked the extra point for a 7-0 score with 4:57 on the clock.

Chance Barthold returned the kick to the 49 for Valley View's first possession. The Knight defense led by Clint Gallagher, Neu, Richie Alfrey, and Chris Garner held the Eagles to only two yards, forcing a punt. The Knights took over on their 10 yard line. Two runs by Cody Secrest moved the line to the 22. Bezner and Anderle gained another 14, but a holding call backed the Knights to the 26. Anderle ran for 13 and Secrest 7 to give Lindsay a first down as the second quarter began. Incomplete passes then forced the Knights to punt.

Gallagher and Blake Crutsinger stopped the Eagles' advancement to two yards. Crutsinger then covered a loose ball and Lindsay took over on the Eagle 34.

Anderle and Neu moved the Knights to the 20. After being sacked, Jeff Bezner came back the next play for a 22 yard touchdown run. Mosman's kick was good and the Knights had a 14-0 lead with 8:15 remaining in the first half.

Chance Barthold got in several good runs against the Knight defense, keeping the Eagle offense alive for six plays, but a flag and a quarterback sack by Secrest forced the punt.

Taking the ball on the 15, Secrest and Bezner took turns running. On fourth down and one on the 47, Adrian Anderle broke away for a 53 yard scoring run. Mosman's kick put Lindsay ahead 21-0 with 2:37 on the clock.

It was three plays and punt for Valley View, with Lindsay getting the ball on the Eagle 27 after Bezner returned the kick 23 yards. Bezner ran twice for 11 yards with Ryan Tabbert completing a pass for 7 more. From the 10 yard line, on fourth down, Michael Mosman kicked a 27 yard field goal. With 25 seconds on the clock, the Knights had a 24-0 lead.

A quarterback sack by Mosman ended the first half.

The Knights took the 3rd quarter kick, beginning their offense on their 36 yard line. Runs by Anderle, Neu and Bezner moved the ball to the Eagle 40. Anderle ran for 24, then 2 to the 14, where Neu gained 12 yards, then took the final two into the end zone. A Trent Endres to Tabbert pass added the extra points to give the Knights a 32-0 lead.

It was three plays and punt for the Eagles. The Knights got in one play before Dean Champion covered a fumbled ball for the Eagles. Valley View gained 17 yards, before Mosman and Crutsinger knocked them down for a 14 yard loss, forcing a punt.

From the 16, the Knights carried the ball into the final quarter with runs by Anderle, Neu, Bezner, and Alfrey and a pass to Neu. Into the fourth period, the drive sputtered and Lindsay punted.

Valley View moved the ball 46 yards in 9 plays, but ran out of juice on the 34. Runs by Tom Arendt, Adam Anderle, and Levi Seeds took the ball to the 14. On 4th and 3, Mosman attempted a 31 yard field goal with 40 seconds on the clock, but the kick was no good.

To end the game, Corey Neu covered a fumble.

Game Statistics submitted by Bridget Anderle

The Knights have an open date this Friday before beginning their tough district schedule at Jacksboro next week. Down from a 1-9 class 3A season, the Tigers continue to improve. "They are tough. They've scored a lot of points," said Meurer of Jacksboro's 176 so far this season.

The Tiger offense is led by a new quarterback from Iowa Park, receiver Eric Casias and running back Chad Collie.

"It's going to be tough," Meurer concluded.

Game begins at 7:30 at Jacksboro on Friday, October 9.

Duck Camp introduces Tarleton Univ.

Rachel Goin, a Tarleton State University student from Muenster, attended Duck camp this summer at Camp Champions in Marble Falls. Hosted just prior to the beginning of the fall semester, Duck Camp is a four-day, three-night crash course in what has been called the "Tarleton Experience."

Sponsored through the Division of Student Services, Duck Camp is aimed at making first semester freshmen feel more at home on the Tarleton campus. Now in its fourth year, enrollment at Duck Camp has grown steadily and this summer over 300 campers participated in the event.

Divided into small groups led by two group leaders, the campers attend seminars on campus life and Tarleton traditions designed to help them make the transition from high school to college. Topics include dating, city and county regulations, time management, finances and campus activities. The "traditions" sessions discuss Tarleton history and campus landmarks.

Cribe

Paul Crabtree has been named the MISD Kiwanis Elementary Student of the Month. He is a second grade student in Lou Heer's class. Paul was selected for being an all-around great student, demonstrating a love for reading, a willingness to help others, respecting his friends and adults and for being a true "sports fan." Paul's parents are Doug and Allison Crabtree. Future plans include becoming a veterinarian because Paul likes to take care of animals.

Janie Hartman Photo

Jacob Endres at Subiaco

Jacob Endres of Muenster has been admitted to the freshman class at Subiaco Academy, Subiaco, Arkansas. He is the son of Sam and Karen Endres of Muenster.

Muenster FHA officers

Janie Hartman Photo

Muenster FHA installs new officers, members

The Muenster FHA has recently installed their 1998-99 officers and new members. The officers are: Dolly Patel, president; Dee Dee Walterscheid, Vice president; Jackie Henscheid, secretary; Courtney Haverkamp, treasurer; Allison Endres, parliamentarian; Darren Hennigan, reporter; and Polly Fette and Kristen Grewing, recreation leaders.

The installation ceremony was held in the Muenster Public School Homemaking room. Each officer lit a candle representing one of the eight FHA purposes. Each officer then stated the responsibilities

pertaining to his/her office. Then, all together, the officers recited the pledge led by installing officer, Stephanie Bierschenk. Each new member was presented with a FHA badge by treasurer Courtney Haverkamp. The ceremony was followed by a meeting to discuss dues, FHA fund-raiser, and an upcoming leadership workshop at Ryan High School in Denton.

Stephanie Hess

Stephanie Hess recognized for achievement

Stephanie Hess, daughter of Ronnie and Janet Hess of Bridgeport, granddaughter of Lucille Hess and the late Ray Hess, and Rufus and Betty Henscheid of Muenster, is one of two seniors of Bridgeport High School receiving special recognition. She was nominated for the fifth annual Wendy's High School Heisman Award. The national awards program recognizes academic achievement, community service, and athletic accomplishments of high school students.

Entries will be evaluated to narrow the field to 1,020 finalists, then to 102 State Award winners, then to name twelve national finalists. The two national winners will be honored during the Heisman Memorial Trophy national telecast on Saturday, December 12 on ESPN.

Muenster High School PALS

Janie Hartman Photo

(PALS) works at Muenster High

The 1998 Peer Assistance Leadership (PALS) group has been organized once again at Muenster High School. The PALS program at MHS is designed for the high school students to work with the younger students, helping them have a more positive and productive school experience. PALS are primarily used for peer tutoring, organizational skills and being a source of encouragement.

The group went to a training day at Justin NW High School in August, sponsored by Region XI Education Service Center. They learned ways of communicating with the students and each other, as well as being introduced to leadership and citizenship skills.

The high school students involved in this very special project are: Sophomores - Terri Sue Wimmer, Diane Britain, Mary Skinner, Lauren Dangelmayr, Kristi Lutkenhaus, Megan Hennigan, Christopher Grewing, Ami Graham, Kacie Garcia, Juniors - Polly Fette, Krystle Sparkman, Courtney Haverkamp, Heather Hess, Jessica Anderson, Josh Luke,

Kelly Felderhoff, Craig Hartman, John Flusche, Allison Endres, Kristin Grewing, Darren Hennigan, Bryan Miller, Casey Walterscheid, Jackie Henscheid, Seniors - Stephanie Bierschenk, Dolly Patel, Matt York, Eric Fisher, Aaron Klement.

Muenster High School salutes these young people who

give of their time and themselves in order to help others. They are gaining experience in working with young children, but also the priceless gift of making a difference in their lives.

For more information about the PALS program, please call Emily Klement, sponsor, 759-2281, Ext. 604.

"Rainbows" to begin October 5

"Rainbows for All God's Children" is a program designed to help children in Grades K through 12 to deal with grief, especially the loss of a parent or through death or divorce. It is slated to begin this Monday, October 5 at Sacred Heart Elementary School, Room 1, 3:45-4:15 p.m. and will continue every Monday afternoon until the wrap-up on November 16.

The children meet in small groups with a caring adult and go through activities to help them deal with their feelings and discover that they are not alone. The program also

stresses the uniqueness of each child and the importance of God's love and forgiveness for those who hurt us. It is open to any child and there is no charge. The wrap-up session at the end lasts several hours and ends with a prayer service.

Barbara Fuhrmann Rohmer and Jeanne Greathouse coordinate the program. Lucille Hess and Theresa Mae Walterscheid work with the children. If interested, please call Barbara Rohmer at 759-2511, Ext. 37 (during the day or 759-4922 evenings) or Jeanne Greathouse at 995-2716 by Sunday, October 4 to reserve a place.

Muenster 4-H organizational meeting set for Tuesday, Oct. 6

Today's youth are tomorrow's leaders, and 4-H helps prepare today's youth for tomorrow. Leadership is involved in all parts of 4-H. On Tuesday, October 6, 1998 an organizational meeting will be held at the Cooke County Electric Co-Op. The meeting will begin at 7 p.m. and conclude by 8 p.m.

4-H is the Youth Development Program of the Texas Agricultural Extension Service. It focuses on the needs, interests and concerns of boys and girls in the third grade to 19 years of age. 4-H helps youths improve skills, increase their knowledge, learn to express themselves well, develop confidence, and earn recognition.

Each member is enrolled in at least one 4-H project and is a member of at least one project group. Project groups are taught by project leaders and consist of at least six project learning experiences. Members will meet regularly over a period of 9 to 12 months with one or more regular meetings a month. Each club is managed by one or two managers.

The Muenster Community has had a 4-H program since the mid-50's, so it is my goal to keep this tradition alive. The opportunity for youth to participate in a worthwhile project like 4-H will be discussed at this Organizational Meeting on October 6.

WHIMSICAL PINS

A charming collection of 18 karat gold electroplate pins, exquisitely accented with hand-set Austrian crystals. Klement's, an American jewelry tradition since 1886.

Calling all Students... The Secretary of State and this newspaper want your opinion!

Fewer and fewer Texans vote on election days in Texas. Two of the lowest election turnouts in state history have taken place this year.

The situation greatly concerns your hometown newspaper and Texas Secretary of State Alberto R. Gonzales, the state's chief elections officer. His job is to encourage voter participation in Texas. While you may not be old enough to vote, Secretary Gonzales wants you to tell him why you think your parents should vote this November 3rd. Secretary Gonzales asks that you join other Texas students in writing an essay entitled: "Why My Parents Should Vote." Winning entries will be displayed in the Capitol through the November election and announced in a news release and at a media event. Students who write the winning essays will be invited to appear at the Capitol media event.

Please think about this important topic and send Secretary Gonzales your essay. And, if you need help writing your essay, talk to your mom or dad about the importance of voting!

Entry Divisions: Grades K-5 (100-300 words), 6-8 (400 words or less) and 9-12 (500 words or less)

Due Date: Entries must be postmarked by October 9th 1998

"Why My Parents Should Vote" Essay Contest

Farm & Ranch

Perry urges Congress to provide more emergency aid to ranchers

Agriculture Commissioner Rick Perry urged the congressional sponsors of a \$3.9 billion national farm relief package to look carefully at adding more funding to the \$75 million offered for livestock feed assistance in the proposal. "Congress is taking the right steps to quickly provide desperately needed disaster assistance for agricultural producers in Texas and nationwide," Perry said. "The provisions in this package should greatly assist our farmers, in particular. However, I am urging that more aid for livestock producers be closely examined."

Injection could replace male calf castration

University of California researchers are perfecting the procedure which, in effect, immunizes male calves against maleness. An injection causes males to produce antibodies to one of the hormones needed for testosterone production. Scientists have been working on this method of sterilizing cattle since the 1980's, but until now, at least four immunizations have been required. Scientists say their new formula does the job effectively with two shots. They are currently fine-tuning the formula to eliminate some unwanted side effects and improve cost-effectiveness.

Ag Tips

Water

Cattle wading in metal or concrete watering tanks, contaminate the water, and damage equipment. To keep cattle from climbing into the tank, stretch a durable polytape between t-posts around the perimeter of the tank.

GAINESVILLE LIVESTOCK MARKET, INC.

"North Texas' Leading Auction Sale" (940) 665-4367

Light weight steers \$3 to \$5 weaker & heifers \$2 lower. Stocker steers steady & heifers \$1 higher. Slaughter cows \$2 lower & bulls \$3 lower. Pairs steady. Bred cows a little lower.

Sold at Friday's sale were 1,390 head of cattle compared to 1,530 head of cattle the previous week. Tuesday, the market conducted the sale of 318 goats, 91 sheep and 164 hogs. The numbers for last week were 327, 153 and 161, respectively. Results of both sales follow:

Armyworms eating new growth

You might think a farmer's worries are over when it rains. Not so in East Texas. Some East Texas pastures that have seen rain in the past few weeks have been besieged by armyworms.

Armyworms consume tremendous amounts of grass in their last three days before pupating. They can do a lot of damage overnight at this stage of growth.

The larva form of a migrating moth, the armyworm is named for its habit of moving across pastures in large numbers like the legions of an advancing army, devouring grasses in their wake.

Armyworm moths migrate in the millions northward from South Texas in the spring and summer. As part of their natural life cycle, each moth will deposit a clump of 50 or more eggs on individual blades of grass. During a drought, most of the eggs dry up or die within a few days. If the armyworms do hatch, they find nothing to eat and die.

The moths are persistent, however, and continue to migrate and lay eggs throughout the summer, drought or no drought. When their egg-laying coincides with a rainfall, the armyworms successfully hatch in droves and immediately start maneuvers.

Ten days after hatching, a mature armyworm measures 1 1/2 inches long. Its predominant color ranges from pale green to black, and it is marked by three parallel yellow lines running from head to tail.

Because armyworms can cause extensive damage before growers notice their presence, the farmer's best bet is to be on the lookout if he has recently received or expect to receive rain. Also, armyworms are more susceptible to chemical controls soon after they hatch.

Not all infestations, however, may be at economic threshold, the level at which the farmer realizes more in returns from treating for the worms than he or she will pay for the chemical control. To determine economic threshold, the producer must determine the number of worms per square foot.

Producers are advised to first count the number of armyworms they see in a square foot area. Then walk 15 to 10 paces in any direction, and count the number in another square foot area. They might want to make a foot-square grid out of a coat

hanger or baling wire to help them count. They should follow this procedure for a total of eight times. Divide the total worm count by eight to find the average number of armyworm per square foot.

Cost of different chemical controls will vary, but as a rule of thumb it is recommended to treat when you count three or more small worms per square foot of pasture.

Sevin 80 WSP, Sevin XLR (Malathion 57 EC, Lannate (methomyl), Pennacp M (parathion) and various biologicals such as Dipel are labeled for armyworm control on pastures.

All the above products will give satisfactory control of armyworms but have different restrictions on grazing and haying after application.

With Sevin 80 WSP (water soluble packets) and Sevin XLR, producers must wait 14 days after the application before haying or grazing.

With Lannate, they must wait seven days before grazing and four days before haying.

With Pennacp M, the waiting period is 15 days before haying or grazing.

Neither Malathion or Dipel have any haying or grazing restrictions.

For more information, producers should contact their local county extension office.

assistance program," the commissioner said. "Livestock production is extremely important to Texas agriculture and must be given due consideration in the farm relief package. Cattle sales alone account for about \$6 billion or almost half of our state's total annual \$14 billion agricultural income."

Other important policy changes that should be considered for the farm relief package include adding an insurance program for rangeland and planted forage and allowing producers to obtain emergency loans even if they receive crop insurance payments.

Apply for a "growing" scholarship

Education is an increasingly important investment for farmers who own and manage a complex business in a risky global environment. That's why *Successful Farming* magazine and Chevron Global Lubricants are launching the Knowledge Grows Program. Seven farmers will receive scholarships to Texas A&M's Executive Program for Agricultural Producers, January 17-23, 1999.

The program is recognized as a top school for farm owners and senior managers. Topics cover family business management, strategic planning, marketing, financial management, human resource management, how to sell yourself and your ideas, negotiation strategies, business organization and transfer - and more.

Apply by calling 515/284-2903. You'll be asked for background, references and a short essay. Applications must be postmarked by October 31.

By late November, seven farmers will be chosen to receive \$2,750 for tuition and fees, and \$750 to travel to Barton Creek Conference Resort near Austin, Texas, for the session.

County Agent's Report

by Craig Rosenbaum

AG RISK MANAGEMENT

An 8-night Agriculture Risk Management Workshop will be held each Tuesday night at 7 p.m. during the months of October and November.

Enrollment will be held on Tuesday night, October 6, at 7:00 p.m., at the Farm Bureau Building on Highway 82 in Gainesville. The first night's workshop program will feature Stan Bevers, TAEX Economist-Management, from Vernon, Texas. Stan will cover Agriculture Business Planning with emphasis on Stocker Cattle.

Farmers and ranchers are encouraged to attend the 8-night program and can enroll by calling the County Extension Office at 668-5412.

4-H LIVESTOCK MEETINGS

4-H'ers with livestock interests are invited to attend a monthly meeting beginning at 7:00 p.m. on Thursday, October 8, at the Cooke County Fairgrounds. The project meeting will be held monthly and center on topics of the livestock, forage, and crops of Cooke County. 4-H'ers and parents are encouraged to attend this initial meeting and receive an agenda of upcoming dates, tours, and activities.

New fire ant bait approved

Homeowners know there are many chemicals to treat red imported fire ants. But when it comes to farming and ranching, there has never been a fire ant bait approved for use on crops that are eaten.

Now there is hope. A recently approved bait affects the queen and her brood, according to Dr. Bart Drees, state fire ant project coordinator. He said the product's manufacturers have proposed a brand name, Extiguish, and he expects it to be available early next year.

Of the \$300 million in damage done annually by red imported fire ants in Texas, a good portion is crop-related. The ants destroy seeds and plants and their mounds can run equipment.

The active ingredient of the new product is s-methoprene, an insect growth regulator, the product works similarly to the ingredient found in the products containing femoxycarb, the ingredient in the products known as Logic and Award, Drees said.

Its makeup is such that it can be applied to food crops and other sites.

Texas A&M researchers conducted large-scale field tests on the product from 1992 to 1996 and found it to be effective on large plots.

Two questions remain about the product: the best application time and whether the product is economical.

"The research has yet to be done to show that we can apply the fire ant bait for a certain cost and make our money back, or better yet, make a profit on the investment into control," Drees said.
