

## Project Haylift brings free hay to Cooke County

by Janie Hartman

Governor George W. Bush proved his confidence in the Texas Farm Bureau when he asked the organization to take the lead in his Project Haylift.

The role of Farm Bureau, including that of Cooke County, is to get donated hay into the hands of area producers.

"Project Haylift is a cooperative effort to deliver hay to drought stricken farmers and ranchers who need it for feeding livestock," said Cooke County Farm Bureau President Tim Hartman. "They say there is an abundance of hay in most of the states and many farmers are willing to give us their surplus."

The Texas Department of Agriculture is working with private companies to get the donated hay hauled to Texas. The local Farm Bureau office helps by coordinating access to available hay. "With the help of Craig Rosenbaum, our county agent, we were able to distribute hay last weekend to

nearly 200 area farmers," Hartman added. "Producers were allowed three round bales or 22 small square bales each." The hay was distributed during set times Saturday and Sunday to any farmer or rancher who signed up for free hay. Saturday morning a trailer van load of 526 square bales was unloaded in the Farm Bureau parking lot in Gainesville. Over 20 area producers arrived to get their share of free hay. The load came from the George Schlosser family-owned farm in Jefferson, Indiana, 829 miles away.

With the assistance of Santa Fe-Burlington Northern Railroad, 13 railroad cars filled with free hay arrived from Walnut Grove, Missouri. The hay was unloaded at Martindale Feed in Valley View. One and a half car loads were small square bales reserved for several Tarrant County FFA chapters. Student members and adults unloaded their hay which will benefit more than 40 FFA members to

feed 60 plus show calf heifers. The other 11 1/2 cars contained 299 large round bales of various kinds of hay. Cooke County Farm Bureau directors used three tractors and a skid loader to unload the hay Saturday. Sunday morning area producers arrived to pick up hay. All hay was given away by mid-afternoon.

Cooke County Farm Bureau is doing several things to assist in the effort: the county president and the county extension agent assess local needs and the county Farm Bureau office maintain lists of individuals who are calling

asking for hay. Hartman also makes the contact with out-of-state Farm Bureaus that have hay to give away.

"The hay is donated, but all of the freight may not be free the next time, as it was last weekend," Hartman said. "We're in contact with the Indiana Farm Bureau. They helped coordinate the first load. We hope to receive more hay in the near future."

If you need hay, contact the Cooke County Farm Bureau office. Ask for Angela to get your name on the list so if more hay becomes available, they can contact you.

## City adopts same tax rate

by Steve Broyles  
City Administrator

The City Council approved the same effective tax rate for the fourth year in a row. The 1998 ad valorem tax rate is 0.4200/\$100 taxable value. This will raise an additional \$7,700 to help pay for the elevated water storage tank. Assuming there is no change in taxable value on a property, city taxpayers will pay the same city taxes as last year.

Tax statements will be mailed in October 1998. They may be paid anytime between the time of receipt and January 31, 1999. Unpaid taxes become delinquent on February 1, 1999, with penalty and interest being added on to the total cost.

Cooke County Farm Bureau delegated giving hay away last weekend to drought-stricken ag producers in the area. Carl Enderby assists in unloading hay from railroad cars. Tim Hartman (at left), County Farm Bureau president, watches as volunteers load a trailer. See related photos on page 14. Janie Hartman Photo

## Local cities receive \$348,943 in rebates

A total of \$180.5 million in monthly sales tax payments was delivered to 1,092 Texas cities and 118 counties. That was a 4.5 percent increase over the \$172.7 million allocated in September 1997.

September's rebates include local sales taxes collected on July sales and reported to the Comptroller in August by businesses filing monthly tax returns.

"Sales across nearly all of Texas picked up the pace in July," said State Comptroller John Sharp. "Rebates to cities and counties are up 10.7 percent over the first nine months of last year."

Rebates of \$15.8 million to Texas counties were 4.6 percent higher than allocations of \$15.1 million in September 1997. Cooke County is somewhat behind average, receiving \$108,401.33 this September which is 1.79 percent more than last year at this time. To date Cooke County has received \$928,016.33 in 1998 rebates. That is 1.12 percent over the September 1997 total.

Muenster's September rebate of \$19,709.85 is up 72.07

percent from September 1997. Last September the rebate was down 20.43 percent from September 1996. To date in 1998, \$167,638.26 in sales tax rebates has been returned to Muenster. That total is up 60.81 percent from September 1997. September 1997's nine month total was down 1.25 percent from the same period in 1996.

The Lindsay rebate this month was \$5,791.36, down 3.80 percent from last September. To date Lindsay has received \$47,885.68 in 1998 rebates. That is an increase of 5.68 percent from the same period a year ago. In September 1997 the nine month total was down 7.85 percent from that of September 1996.

Gainesville's September rebate check totaled \$314,406.92, an improvement of 19.98 percent from that of a year ago. Oak Ridge also showed improvement from last September. The rebate check of \$6,133.78 was up 49.90 percent. Valley View's rebate check for \$2,901.77 increased 17.70 percent from the amount received in September 1997.

## Library revives fundraising efforts

by Janie Hartman

The Friends of Muenster Library revived the fundraising drive for the new library last Tuesday night at a special meeting. For years, the library board has talked about the need of a new library building. The first fund-raiser was an old fashion ice cream social in the park in August of 1995. The next year, the library had several fund-raisers including selling memorial bricks, and a garage sale.

In June 1996, the corner lots at Fourth and Elm Streets were purchased for the location of the new library. The year of 1997 proved less productive and the need for financial support continues.

Mayor Henry Weinzapfel welcomed the group noting that the library is a part of the cultural community - along with our schools and churches. "Muenster built their schools and churches. Now it's time to build a library."

Library board president Tom Valliere noted "We're at a turning point, but we need help - big time. We've been dead in the water long enough." He also introduced the newest board member, Nancy Walter, who will also head the fundraising committee.

The building committee, which was "heavy with construction experience" was chaired by Dave Flusche Sr. Flusche illustrated the committee's plans which were drawn up several months ago. "I was very happy with the results. What you see here is the shell. The interior is very flexible and can be changed with time."

Board treasurer Ramona Felderhoff noted that the goal

to build the library was halfway there. The land was purchased at an earlier date. Felderhoff reported donations to the building fund so far have included: 64 people between \$1 and \$99; 34 have donated between \$100 and \$499; 7 people \$500-\$999; 12 people \$1,000-\$4,999; one person donated \$5,000; 3 donors gave \$10,000; and Norman Luke has given about \$80,000. Special thanks was given to Norman Luke, who had pledged \$100,000 in matching funds.

The unsuccessful attempt to receive grant funds for building was told by Pat Stelzer, board member. "Basically, we haven't found money available for construction of municipal libraries. If we get a government grant, our construction costs increase 25-30%, so we went after private foundation grants." Stelzer named the numerous foundations that were asked. "We have contacted, but so far all we got was grants for computers. Most foundations limit their grants to specific locations. We're still trying."

Jewel Otto, the library's city representative, told of the city's relationship with the library. "At the present time, the City of Muenster furnishes the building for the library along with insurance coverage and all major maintenance. An additional \$12,000 is contributed annually under a contract with the Friends of the Library who are responsible for operation." Otto also noted that the county has not contributed to the Muenster Library since 1994. "Because of my direct involvement, I have become increasingly aware of the value

and many benefits our library provides. Hopefully through community participation, we will be able to expand and help 'move Muenster forward.'"

"One of our library's greatest assets are our volunteers," noted board member Lou Heers. Muenster volunteers include Teresa Fowler, Evelyn Koessler, Betty Felderhoff, Marcie Klement and Alice Davidson.

Library director Kay Broyles covered two areas of the library - statistics and logistics. "We have almost 20,000 books and other checkout items available and currently about 300 people a month visit the library." Broyles also noted that the library circulates 11,000 materials yearly. "Our community is expanding. The schools, the grocery, the housing - and now we feel it's time for the library to expand," Broyles added. Some of the building goals include: updated books; developing video, CD and audio book collection; providing computer and internet services; tables for

research and study; improving traffic flow; providing a meeting room; and improving the work and storage areas.

Special guest at the program was Urban Endres who spoke in favor of the building project. "A library enhances a community in many ways. It serves all ages and opens the doors to the world. There is a steady increase of use of the library. If we build it, they will come," said Endres, adding that the community is very proud of Norman Luke and his donation in honor of his mother Bettie Luke, librarian from 1965 to her sudden death in 1974. "Help us get the support of the community," Endres asked the group.

Tom Valliere adjourned the meeting after the group made several suggestions for fund-raisers and \$50,000 in donations were committed from various individuals and organizations.

Discussion continued as refreshments were served by board members Jeanette Meurer and Janie Hartman.

## GOOD NEWS!

Stop worrying then, over-questions like "What are we to eat?" or "What are we to drink?" or "What are we to wear?" The unbelievers are always running after these things. Your Heavenly Father knows all that you need. Seek first His Kingship over you, His Way of Holiness, and all these things will be given you besides. Enough, then, of worrying about tomorrow. Let tomorrow take care of itself. Today has troubles enough of its own.

MATTHEW 6: 31-34

Sacred Heart Senior Betty Trevino was crowned the 1998 Tiger Homecoming Queen at ceremonies before last Friday's exciting game against Santo. Betty, the daughter of Leo and Maria Trevino, reigned over the game and the student dance later that evening, continuing the Hollywood theme for Homecoming Week at Sacred Heart. The new queen was escorted on the field by senior classmate Russell Fette, son of Dave and Pam Fette. Dave Fette Photo

# Water line improvements promised

by Steve Broyles  
City Administrator

Last week the status of the elevated water tank was discussed. This week I will discuss associated projects.

Construction of the elevated tank will increase water pressure throughout the city by about 10 pounds per inch. This will help the northwest part of town which sometimes has low water pressure due to its elevation and distance from the water pumps. On the other

hand, it may place too much pressure on older pipes in the city. Thus, in early 1999, the city will replace 2-inch, 6-inch, and 8-inch water lines on Main Street from Ninth Street to Division Street with a 12-inch line. The water line will be installed in the road about a foot west of the curb. The city will also replace the 6 inch water line on Division Street from Main Street to South Hickory Street with an 8-inch water line. While the current

water line is under U.S. Highway 82, the new water line will be built behind the curb so that repairs, if needed, can be more easily performed.

City employees will install the 12-inch water line on Main Street from Ninth Street to Fourth Street; this will help reduce the overall expense of the water line improvements. A contractor will install a 12-inch water line on Main Street from Fourth Street to the south side of Division Street. This includes boring under U.S. Highway 82. The contractor will also bore west under FR 373 to extend the water line for future expansion. The contractor will then install an 8-inch water line east to South Hickory.

During installation of the water lines, there will be some inconvenience to store businesses and customers, plus residences, due to no parking where the water line is being installed. The city will work with the contractor to keep this disruption to as short a time as possible. Similarly, the city will try to keep water flowing to businesses during business hours. Water to residences may be turned off for short periods of time during construction. The city will keep people informed of what to expect and when.

After the lines are installed, the surface area will be restored as much as possible. For instance, if a contractor cuts through a concrete driveway to lay the pipe, he will replace the concrete

surface. Depending on the final FY 99 budget, the Texas Department of Transportation has tentatively scheduled replacement of those curbs which are askew on North Main Street as well as repaving the FR 373 next summer. Thus, the city will fill and patch the holes in the road, but the finished paving will not be completed until then.

In addition to the water lines needing replacement, the city also must upgrade the water distribution pumps. The current distribution pumps cannot pump the water to the top of the elevated tank since it is at a higher location than the present elevated tank. After engineering review and cost analysis, it was determined that it is cheaper to buy new pumps than it is to modify pumps that were installed in the 1960's or earlier. Therefore, water distribution pump replacement will occur during the next six months. This should be done without affecting the water supply or pressure.

Next week's article will discuss the benefits associated with this major water project.

## Vegas Night offers improved prize listing

by Janet Felderhoff

This Saturday the 10th annual Vegas Night arrives in Muenster. A \$25 ticket will admit participants to an evening of opportunity at Blackjack, Craps, Roulette, slot machines and video poker. The price also includes beverages, food bar, and \$2,000 in chips. Doors open at 7:30 p.m. in the Community Center.

Sacred Heart Alumni and Supporters, event sponsors, have announced a growing list of prizes to be available either on the Auction or in the Country Store. Topping the prize list is a four day trip for two to Vegas with hotel and airfare included.

Other prizes include a weekday night at the Horseshoe in Shreveport; Sony handycam video camera; 18

karat gold amethyst ring; 14 karat gold cross with diamond; whole hog with processing; Crappie dinner for eight; beverages included; Ambassador rod and reel with tackle box; various gift certificates; crafts; baked goods; and a weekend night at the Double Tree Hotel in Dallas featuring a deluxe room, breakfast for two adults and two children and a free shuttle to the Galleria.

Those donating baked goods and other items can drop them off at the Community Center from 3 p.m. until the event begins. The Country Store opens at 9:30 p.m. and the Auction starts at 11:15 p.m.

For more information contact Janet Hess, (940)759-2344; Duane Knabe, 759-4602; Neil Hesse, 759-4821; or Joe Hoedebeck, 759-4947.

## Cooke County S.A.L.T. mini-fraud workshop

Shirley Rector, CSA Elder Rights Coordinator of the Area Agency on Aging of Texoma/Texoma Council of Governments, announces a senior citizen workshop. The Seniors and Lawmen Together (S.A.L.T.) Advisory Committee and the Elder Rights Panel of the Texoma Region are bringing another "Mini-Fraud Workshop" to Cooke County from 9:00 am to 11:00 am on September 28. First State Bank of Gainesville has donated meeting space in the second floor conference room at the First State Bank, 801 E. California Street in Gainesville (940) 665-1711. This workshop is free to our senior citizens, and has an elevator available to access the meeting. We invite you to attend and learn more about methods to recognize and report potential frauds and scams.

Con artists make daily contacts to the residents of our region. We must watch out for ourselves and others when someone "WANTS TO TAKE YOUR MONEY". Some advertisements come just within the borderline of legal with misleading headlines, scare tactics, and sometimes simply false information to get you to talk to them. Once you open the door, they may take everything you have.

Ms. Kay Wachs, Texas Department of Insurance in Austin, Texas, will present "Insurance Frauds". She has been with the public education division of the TDI for several years and is continually bringing service agencies and the public up to date on insurance issues. Corporal Belva McClinton, Resource Officer of the Gainesville Police Department, will present information on Telephone Frauds and an officer of First State Bank of Gainesville will provide us information on how to avoid attempts by others to get your banking assets.

Questions and answers will follow the presentation and they will give you answers to specific situations which will help all those attending. Seating is limited to fifty persons at this public presentation. They will provide phone numbers for YOU to take control of checking out some of the sales pitches you are being given. We hope that if you are better informed, you may be able to reduce the scams and frauds in our region by sharing that information with your friends, relatives and neighbors. If you have questions, please contact Shirley Rector at (903) 813-3503, (940) 668-1858, or (800) 677-8264, extension 503. We hope to see you there!

Lindsay High School queen candidates are, from left, Karlee O'Dell, Erica Fuhrmann and Amy Hoberer. The queen will be crowned Friday night during Homecoming festivities. Courtesy Photo

## Homecoming Queen candidates announced

Lindsay High School announced its Homecoming Queen candidates at Friday's Pep Rally. The candidates for 1998 Homecoming Queen are: Erica Fuhrmann, daughter of Mike and Carol Fuhrmann; Amy Hoberer, daughter of Tom and Pam Hoberer; and Karlee O'Dell, daughter of Joe and JoDee O'Dell.

Lindsay will crown the 1998 Homecoming Queen at their game Friday night, September 25, against the Valley View Eagles. Pre-game activities will begin at 7 p.m. with the

introduction of the Honor Classes. Honor Classes this year are the Lindsay High Class of '65 and the Lindsay High Class of '89.

The presentation of the Homecoming candidates and coronation of the queen will follow. Escorting the candidates this year will be their parents. Escorting the 1997 Homecoming Queen, who will crown her successor, will be Senior Joey Wilson, son of Les and Janie Wilson and Senior Mark Zimmerer, son of Arnie and Pat Zimmerer.

## Texoma MHMR to meet

The Volunteer Services Council of Mental Health Mental Retardation Services of Texoma will hold its bi-annual meeting at noon, Wednesday, September 30, at the MHMRST Administration Boardroom, 203 Airport Drive, Denison.

Agenda items are: fundraising results and opportunities, election of

officers, adoption of 1998-99 budget, audit report, volunteer hours report, results of Destination Dignity, fundraising results and opportunities.

Please RSVP to Paula Cawthon, Community Relations Director, for lunch reservations at 903-786-4804. All MHMRST volunteers are urged to attend.

## Muenster schedules planning workshop

A community planning workshop will begin at 7:00 p.m. on Tuesday, Sept. 29 in

the City Hall conference room. This is the first public meeting since the \$28,000 grant was approved.

Pat Dillon and Maurice Schwanke of Southwest Consultants will brief the city council on their evaluation of current housing and street conditions, population analysis, inventory or city capabilities, etc. After their briefing, the meeting will be open to comments by council members and people interested in contributing their ideas to what's been presented and the next 20 years of Muenster's future. The public is invited to attend.

## Taylor Vestal

### Taylor Vestal for County Commissioner, Precinct 4

Hello, my name is Taylor Vestal, and I am the Republican Candidate for County Commissioner, Precinct 4.

The second issue where I'd like your feedback regards COUNTY LAW ENFORCEMENT. If there is a responsibility that truly belongs to Government, it is this one. It boils down to what you want your Government to do. And, how much are you willing to pay?

Two years ago, Cooke County elected Mike Compton as Sheriff. Sheriff Compton has been in law enforcement for some 28 years, and is as dedicated a Sheriff as there is in Texas. Sheriff Compton has continuously pushed for more funds to expand the Sheriff's Department. The Commissioner's Court has refused to budget some of his requests.

The Sheriff's budget has increased some 27% over the past two years, while the County's budget as a whole has increased 22.5% over the same period. So the Sheriff is getting a more than fair share from just looking at the numbers. Numbers, on the other hand, do not necessarily reflect need. Is crime in the County increasing at 22%, 27%, or more over a two-year period? Is the jail filled to capacity? Are there more calls for help?

The question is ... are you for more Aggressive Law Enforcement? Would you earmark more tax revenues for the Sheriff's Department? Would you provide more patrol cars and additional deputies to cover the 900 square miles of the County? Or, do you think the current coverage is adequate?

Let me hear from you.  
I want to know what you think.

# T

# GMH announces fall schedule

Gainesville Memorial Hospital is offering a variety of educational opportunities to the public this fall. Shopping tours, seminars and weight loss/exercise programs round out a full schedule of activities offered by the hospital in September, October and early November.

• *Shopping For a Healthy Heart* - is a grocery store tour led by hospital dietician Lucy Krahl which offers participants a hands-on opportunity to learn about label reading and choosing foods to fit individual diets. Two tours are on tap over the next three weeks. The first is scheduled for **Saturday, September 26**, at Sack-N-Save, 811 East Highway 82, Gainesville. The second grocery store tour is planned for **Saturday, October 3**, at Scivally's, 517 West California Street, Gainesville. The one-hour tours begin at 9:00 am with participants meeting at the stores' front entrances. The tours are **FREE**, however donations of canned and dried food items, which will be donated to the VISTO Food Bank, are encouraged.

• Spaces remain for the **Thursday, October 1**, offering of *Dining With The Dietitian*, a heart health seminar about low-fat eating complete with a low-fat meal. Dietitian Krahl will discuss "good" and "bad" cholesterol, label reading, shopping, cooking, weight loss and more in this very informative session. "Dining With The Dietitian" begins with the meal at 6:30 pm followed by the seminar from 7:00 to 8:00 pm. The cost is \$10 per person.

• Now is the time to get a "jump start" on a healthier, slimmer you in time for the holidays. *Weigh Less For Winter* is a four-week weight loss and exercise class offered through the cardiac and pulmonary rehab and dietary departments of Gainesville Memorial Hospital. "Weigh Less" features four workout sessions in GMH's first-class cardiac and pulmonary rehabilitation center, four healthy meals, four nutrition classes, four weeks of menus and 40 recipes. Classes begin **Thursday, October 8**, and continue each **Thursday through October 29**. Participants arrive at the William F. Powell, M.D., Cardiac Rehabilitation Center - dressed to work out - at 5:30 pm. The 30-minute exercise sessions include work on treadmills, Air Dyne bicycles, rowing machines, Health Riders, Air Walkers, Pro-Form elliptical machine, Stairmaster, weight machines and abdominal exercisers. Following the exercise sessions, "Weigh Less" participants enjoy healthy, low-fat meals while dietitian Lucy Krahl discusses weight loss basics, calorie accountability, behavior modification and working through food challenges. Each participant is provided with an easy-to-use manual full of selections from the American Heart Association, sugar-free recipes, tips to raise your fruit and vegetable intake plus low-calorie menus you can live with. Cost of the four-week course, meals and manual included, is \$50. Reservations and a physician waiver are

required, payment is due by October 5 and is non-refundable. Space is limited and reservations will be accepted on a first-come, first-serve basis.

• Gainesville Memorial Hospital's Medical Arts Building at Lake Kiowa (FM 902 west of the Kiowa gate) will be the site for a seminar by Krahl focusing on four hot issues in wellness. Mark your calendar for 3:00 pm, **Tuesday, October 13**, for an afternoon of discussion on Heart Health, Diabetes, Osteoporosis and Weight Loss. Krahl will give a 15-minute presentation on each of the topics outlined, with a question and answer period following each segment. Literature on a variety of subjects will be available, and GMH Home Health nurses will be on hand to check blood pressures and glucose levels on those who desire the service. Space for this seminar is limited to 30 participants.

• During the month of October, National Breast Cancer Awareness Month, mammograms will be available for a flat rate of \$50. This includes the radiologist's fee, and represents a savings of roughly 45%. Call 612-8170 to schedule a reduced-price mammography screening.

All programs are sponsored by Gainesville Memorial Hospital as a community service and will be held in the hospital's Culwell Conference Center unless otherwise noted. Space is limited for all classes and reservations are required. Call (940) 612-8301 or (940) 612-8340 for more information and reserve your spot today!

## OPINION

### From My Side of the Fence

by Ed Cler

After an arduous several weeks for Aileen, we are finally moved into the house at 215 Hillcrest Street.

Thanks to several of our sons who made the job a bit easier with their muscle and good humor, we are beginning to get settled in.

If someone had told me how many loads of stuff we had accumulated in 57 years +, I don't think I would have believed it.

At any rate, the Joe Walter Workshop did benefit some, as did several others, and the trash bins were filled to capacity, then the junkyard at Gainesville also got a load.

Well, leaving a good neighborhood simply put us into another. We were blessed with good neighbors wherever we have lived, and this move makes no exception. All the neighbors here are very thoughtful and are generous with their offers to help.

You know, good people are everywhere. It's just the bad

ones, who, fortunately are in the minority, that are too often heard of.

In a note from our good friend Donny Lehnertz about a week ago, a copy of Spokane, Washington Police Department Newsletter was enclosed. It contained an article entitled, "Situation Handled With Compassion," which told of two officers, one our grandson Keith Cler.

The two officers handled a case in which a woman was involved in an accident and was overwrought. They were able to calm her and obtain needed information while being both compassionate and considerate. The two officers were commended for being excellent community servants, in a letter from an apartment complex manager who wanted them to know they are appreciated.

Don's thoughtfulness in sending us the Newsletter is also appreciated.

### Letter to the editor

To the Editor:

RE: President Clinton Grand Jury Tapes Released to the Public September 21, 1998

Any doubts that the Independent Council, the grand jury, and the public at large may have had that President William Jefferson Clinton is incapable of uttering the truth must surely have been dispelled by his statement during the grand jury inquiry: "I'm trying to be honest with you - and it hurts."

### Celebrate National Pollution Prevention Week by reducing energy, water usage

Did you know U. S. homes and businesses spend about \$37 billion annually on lighting? That a leaking toilet may add up to 50 gallons a day to your water bill? The costs that accumulate as a result of such day-to-day activities add up as do the wastes created by those same activities. Fortunately, there are many simple steps that you can take to reduce these costs and make a positive difference in our environment.

National Pollution Prevention (P2) Week is September 21-27. Pollution prevention includes any activity that reduces or eliminates the generation of waste at the source. Preventing pollution can be very simple. For example, replacing your air conditioning filters regularly means that your cooling unit can run more efficiently, reducing the amount of energy required to cool your home. That's pollution prevention!

Help celebrate National P2 Week by incorporating some of the following activities in your home. You may find that the wastes you reduce may also mean having more money in your pocket!

#### Lower Your Energy Bills:

- Turn down your water heater to 139 degrees Fahrenheit. For every 10 degrees you reduce the temperature, you can save six percent in energy used.
- Save up to 10 percent a year on your heating and cooling bills by adjusting your thermostat up or down 10 to 15 percent for eight hours daily.
- Plant a tree. Carefully placed trees provide shade, potentially saving up to 25 percent of the energy used for heating and cooling.
- Caulking and weatherstripping can save you at least 10 percent on your heating and cooling bill by reducing leaks.
- Replacing 25 percent of your lights in high-use areas with compact fluorescents can save you up to 50 percent on lighting.
- Purchasing an energy efficient washer and dryer will save you \$30 to \$70 annually, compared to 15 year old models.
- Use a "solar clothes dryer" (clothesline), which uses no electricity or fuel.

#### Reduce Your Water Bills:

- Install a faucet aerator. This can reduce usage by as much as 280 gallons per month for a family of four.
- Washers use 32 to 58 gallons for each cycle. Make sure you have a full load before doing laundry or adjust the water level on your washer to match the load size.
- Repairing a leaky faucet can save you as much as 2,400 gallons of water a year.

SOME HELPFUL ADVICE FOR NATIONAL POLLUTION PREVENTION WEEK, SEPTEMBER 21-27, 1998 - FROM MOTHER NATURE.

This message provided as a public service by the Muester Enterprise

# TCOG and TU announce energy assistance schedule

The application schedule has been set for applicants needing assistance paying past due energy bills within the TU service area. TU Electric allocated \$115,860 to the Texoma Council of Governments to help qualified families pay overdue electric bills resulting from the summer's heat wave.

"It is critical that residential customers either make arrangements with TU customer service representatives at 800-242-

9113 or be approved for assistance by TCOG, before October 1 to avoid service disconnection," said Jerry Cash, district manager.

Reminder messages were mailed the week of Sept. 14 to customers who had not made extension arrangements. Residents receiving these notices should take immediate action to arrange for either pay out schedules or be approved energy assistance to avoid disconnection of service.

The requirements of this

program and the schedule for taking local applications is 9 a.m. to 3 p.m. on Tuesday, Sept. 29 for Cooke County residents at the Gainesville Civic Center and Wednesday Sept. 30 at the TCOG office in Sherman.

Requirements for applicants to bring with them are identification, proof of current income, and electric bill/proof of residency.

For additional information call Texoma Council of Governments at (903)813-3523 or 800-677-TCOG.

### CAPITOL COMMENT

U.S. SENATOR KAY BAILEY HUTCHISON

### DROUGHT MEASURES

W<sup>hew!</sup> To the summer of 1998, I say, goodbye and good riddance!

The summer's drought, one of the worst in history, has put Texas agriculture through some very tough times. What follows is a roundup of the steps I have taken to try to help our farmers and ranchers.

• Successfully petitioned President Clinton requesting a speedy Emergency Declaration to get federal disaster assistance relief to Texas as quickly as possible.

This quick declaration enabled Texas farmers and ranchers to receive low-interest disaster loans and spurred the release of \$32 million to Texas in emergency federal funds.

• Sponsored and passed the Emergency Farm Relief Act to give farmers the option of receiving their Agricultural Market Transition Act payments for fiscal year 1999 on October 1, 1998, instead of the normal payments in January and September 1999.

My bill makes more than \$437 million available to farmers in Texas, as much as a year earlier than called for in the previous law, to help them cope with the cash shortage that they are now experiencing due to low prices.

This is, literally, a matter of survival for many hard-pressed families. It will allow farmers to use their pay-

ments as collateral for loans, or to buy seed for next year, or to pay their living expenses because the drought wiped out this year's crops.

• Pressed Agriculture Secretary Dan Glickman to ease the rule for emergency haying and grazing on Conservation Reserve Program (CRP) land. Haying on CRP acreage is providing relief to livestock producers as well as helping to minimize the fire-hazard conditions that accompany every drought. And this year, early spring rains produced a quality of forage that dried out quickly once the drought set in.

In addition, I have urged Secretary Glickman to release CRP acres for haying and grazing in non-emergency counties or states to provide additional relief — livestock feed — to those counties and states who have emergency declarations.

• Requested that the Texas Farm Service Agency (FSA) offices have adequate personnel to handle the increased caseload. All the aid in the world is no help unless those who need it can get it in a timely fashion.

• Introduced tax legislation to help farmers and ranchers manage the risk of price and income fluctuations. My bill will permanently extend income averaging for farmers, create Farm and Ranch Risk Management (FARRM) Accounts to allow farmers to defer taxes on income saved during high profit years, and finally, it will cut the top capital gains tax rate from 20 percent to 15 percent.

Despite all these measures intended to help, Texas agriculture still is threatened. This is a matter of concern to every one in our state, regardless of where they live. One out of five jobs in Texas is related in some way to agriculture. Ultimately, 40,000 Texas jobs will be on the line because of projected losses from this year's weather.

Like the old saying goes, if you don't like the weather, wait around, it'll change. In Texas this summer, that's the bad news. The good news is that Americans have always responded to disaster with a helping hand. I'm working with other members of Congress to keep that tradition going.

### Muester Proud Reminder

The ultimate goal of the TxDOT antilitter program is to reach a **zero tolerance** level for litter among all Texans. How? By making people aware of the following:

- Litter undermines the natural beauty of the Lone Star State.
- Litter costs taxpayers millions of dollars every year.
- Litter is a health and safety hazard.
- Littering is against the law and includes a fine of up to \$1,000.
- Litter is litter—whether it's a feed sack blowing out of the back of a pickup truck, a candy wrapper or a cigarette butt.

Let's keep Texas clean and beautiful and help continue the tradition of pride in our state.

Don't Mess with Texas.

Muester Proud is an affiliate of Keep Texas Beautiful, Inc.

## Odilia Lutkenhaus honored on 83rd birthday

Odilia Lutkenhaus was feted with a party in honor of her eighty-third birthday on Sunday, September 13, 1998. Her actual birthday is September 9. One of her favorite pastimes is baking bread and cooking. That provided a theme for decorations. A special surprise was a blue banner carrying the message: "Kiss The Cook, Odilia!"

Various accents were a Pillsbury Doughboy, several rolling pins, cookie cutters, hot

mats. The round white birthday cake was decorated with a Pillsbury Doughboy spatula and a pancake ring. The table cloth was blue and white gingham, matching streamers and balloons.

Arthur and Rachel Hennigan, son-in-law and daughter hosted the party. Also attending were Donna and Nicolas Nervo and Alexander of Arlington, Lisa and Darrell Hess and Jordan, Brandon and Brittany of Watauga.

Brittany Hess

## Brittany Hess celebrates 3!

A celebration for the third birthday of Brittany Hess was held on August 23 in the home of her grandparents, Arthur and Rachel Hennigan in Muenster. Theme was "A Birthday Barbie." Brittany received her first "Barbie" Doll from her parents, Darrell and Lisa Hess of Watauga.

Helping Brittany celebrate, with her parents, were her grandparents, her brothers Jordan age 6 and Brandon age 5, great-grandmother Odilia Lutkenhaus of Saint Jo, uncle and aunt Alfred and Paige Hennigan and Ryan of Arlington, godparents and grandmother Cathy Hess of Lewisville, in her home, with family and friends attending.

Brittany is also the granddaughter of the late Dale Hess; and the great-granddaughter of Gary and Caroline Hess.

## Area Happenings

Post Oaks Busy Bee Quilt Show is scheduled for Friday and Saturday, Sept. 25 and 26 from 10 a.m. to 4 p.m. at the Post Oak Community Center. Post Oak is located on FM 2127 between Hwy. 59 and Hwy. 148.

A quilt drawing will held at 3:40 p.m. on Saturday. Food will be available and crafts and quilts will be offered for sale.

For more information contact Wanda Davis, (940)567-2771.

Blake Troxell of Sherman and Ryan Klement of Sherman have chosen Oct. 17, 1998 for their wedding day. Their engagement and approaching marriage have been announced by the mother of the bride-elect, Mrs. Carol Troxell of Denison. Blake is also the daughter of the late Robert Troxell. Parents of the future-groom are Mrs. Marcie Klement of Muenster and the late Roman (Rody) Klement. The wedding will be held in St. Mary's Catholic Church of Sherman, with Rev. Jeremy Myers officiating at 2:00 p.m. The bride-elect is attending Southeastern Oklahoma State University, majoring in Finance. The future-groom is a graduate of Muenster High School and Texas Woman's University in Houston with a Master's Degree in Physical Therapy. He is employed by Grayson County Professionals, Inc. as a physical therapist. The couple will reside in Sherman.

## Three children baptized

Three grandchildren of Earl Hess and Mary Ann Hess were baptized in Sacred Heart Church on Saturday, Sept. 12, 1998, officiated by Father Thomas Craig, pastor. These three children were Colton Brawner, cousin to Colton and brother to Kelsey and Stacey; and a friend, Raleigh Nellson. Also great-grandmother Cecilia Hermes of Lindsay, great-aunt Marcella Zimmerer, aunt Marlene Hess of Alexandria, Virginia, aunt Darlene Williams of Muenster, cousins BriAnna Bayer and Dalton Williams of Muenster. Also grandparents Mary Ann Hess and Earl Hess of Muenster.

Following the ceremony, a party was held in the home of Alethea and Randall Morris. Punch and cake were served, and gifts opened and displayed.

Special guests were Jacob Brawner, cousin to Colton and brother to Kelsey and Stacey; and a friend, Raleigh Nellson. Also great-grandmother Cecilia Hermes of Lindsay, great-aunt Marcella Zimmerer, aunt Marlene Hess of Alexandria, Virginia, aunt Darlene Williams of Muenster, cousins BriAnna Bayer and Dalton Williams of Muenster. Also grandparents Mary Ann Hess and Earl Hess of Muenster.

## Two attend conventions in San Antonio for VFW

by Frances Bayer  
Muenster VFW Post #6205 Sr. Vice Commander, Arthur Bayer and Auxiliary President, Frances Bayer were in San Antonio, Texas on Sunday August 30 through Wednesday, September 2 at the Veterans of Foreign Wars and Ladies Auxiliary's National Convention.

On Sunday evening, the Bayers with others from District I were on a welcoming boat which made the tour of the river with other districts from Texas. The welcoming committee of boats was led by a boat on which the state officers of Texas and a group of the San Antonio Army band members were riding. The band played appropriate music for each State as we passed them along the river. The entire Texas delegation greeted each of the other States delegates who were viewing from various areas along the river route.

At the Joint Meeting of the VFW and Auxiliary which was held in the San Antonio Convention Center, Governor George Bush welcomed and addressed the Nation delegation. Also, Kaye Bailey Hutchison made the crowd

welcome to Texas.

On Tuesday evening, of special interest was a Patriotic Rally and Parade. The Texas delegation attended the rally in a group wearing red shirts, blue jeans and white cowboy hats. A parade of all the State Commanders and Auxiliary Presidents was held with many marching groups, American flags and each VFW and Auxiliary State Banners. Patriotic music was provided by the Army Band and after the parade, the group was entertained by several different groups with patriotic music, dance and comedy.

Mrs. Bayer, a registered delegate for Auxiliary #6205, attended the Ladies Auxiliary's regular business meetings which were conducted by the National President, Connie Atkinson, who hails from Arkansas. There was an election and the new President in New Englander, Jane Bingham. Her theme for her year is "Volunteerism - the ultimate gift." Elected Commander-in-Chief of the National organization is Tom Paulot of Montana. His theme is "Veterans Volunteer."

## St. Anne's Society plan events

Twenty members of Lindsay St. Anne's Society attended the September meeting and reviewed reports and current activities. These included plans to purchase five new tables for Conrad Hall for \$135 each. Also the report that 1,050 dinners were served at the Lindsay Homecoming celebration.

The Lindsay Knights of Columbus will sponsor Oktoberfest on October 4, and St. Anne's Society will provide the Country Store booth and will raffie handmade items and quilts.

Two members, Anna Mae Block and Viola Schmidkofer, volunteered to act as delegates to the Catholic State League Convention in Castroville.

Polly Pelzel gave the "sick report." The door prize was won by Louise Schad.

The meeting was conducted by Juanita Bengfort, president, Diane Neu, vice-president and Viola Schmidkofer, treasurer.

Refreshments were served by Edna Hermes and Diane Neu.

## Green Tips

Americans use enough toilet paper each year to stretch to the moon and back almost 670 times. Buy recycled toilet paper. Recycling can't work if there is no market for the recycled product. Complete the loop!

## Lori Graham UNT graduate

Lori Diane Graham of Muenster graduated from the University of North Texas, Cum Laude during summer commencement ceremonies. She is the daughter of Dr. Gerald and Donna Graham of Muenster. Lori received a Bachelor of Science in Biology degree. UNT is one of the five largest universities in Texas. Lori is a graduate of Muenster High School.

Lori Diane Graham

## Shower honors bride-elect of Ryan Klement

Blake Troxell of Sherman, bride-elect of Ryan Klement was honored with a shower/reception hosted by Ms. Mildred Higginbotham in her home in Sherman on Saturday, September 19. A buffet of mixed pick up foods and fruits was served. The party was given in celebration of the upcoming marriage of Ms. Troxell and Ryan Klement, which will take place on October 17 in St. Mary's Catholic Church in Sherman. Rev. Jeremy Myers will officiate. The bride-elect is the daughter of Mrs. Carol Troxell of Denison and the late Robert Troxell. The future groom is the son of Mrs. Marcie Klement of Muenster and the late Roman (Rody) Klement.

## Mammograms are \$50 for a limited time.

There's never time to get everything done in a busy woman's life. However, one item on this checklist may save your life. A mammogram may detect breast cancer months before a lump can be felt.

Annual mammograms are the best method to find tumors in the early stages and should be an important part of your yearly physical if you're over 50. Women should have a baseline mammogram at age 35, then a mammogram every one or two years until the age of 50.

To recognize National Breast Cancer Awareness Month, Gainesville Memorial Hospital is offering mammograms for \$50 during the month of October. We know you're busy, but 20 minutes of your day just might save your life. Call (940) 612-8170 today for an appointment.

**GAINESVILLE MEMORIAL HOSPITAL**

Taking time to care about your health.

## Women's Health Seminar

Monday, October 26, 6:30 p.m.  
Gerald Culwell Conference Center

### Featuring:

- Roane McLaughlin, MD, OB/GYN specialist
- Dr. McLaughlin will discuss a variety of health topics for women
- Lucy Krahl, RD, dietitian, will share information on women's nutrition

A representative from the American Cancer Society will be on hand with the latest information about breast cancer and a demonstration of breast self-examination techniques. Plus, there will be a tour of GMH's mammography unit.

Take advantage of this special event. For reservations, call (940) 612-8301.

## Kristen Reiter is two

Kristen Marie Reiter celebrated her second birthday on September 6 at Donna and Kirk Klement's house. Guests enjoyed swimming and a hamburger and hotdog lunch. Her Winnie the Pooh cake was made by Betty Rose Walterscheid. Everyone sang "Happy Birthday" while Kristen attempted to blow out her candles.

Before each one of Kristen's friends left she handed them a special goody bag. Kristen's actual birthday was September 7.

Kristen Reiter

Kristen then enjoyed opening presents from her friends and family.

Family and friends helping her celebrate were her father Randy and brother Jeff Reiter; Jill Reiter; Donna, Kirk, Karime, and Kameron Klement; Rhonda, Danny, and Tanner Silmon; Dale, Felisha, Taylor, Kendall, and Peyton Reiter; Amy, Amelia, Haley, and Ben Haverkamp; Lisa and Alan Reyling; Wanda Reiter, Leonard Reiter, Dorothy, Trisha and Skylar Ruttman; J Lynn and Rachel Hare; Mark, June, and Miranda Baker.

## New Arrivals

### Youngblood

Steven and Tammy Youngblood of Gainesville announce proudly the birth of their fourth daughter, Erin Nicole Youngblood in Muenster Memorial Hospital on Sept. 16, 1998 at 6:56 p.m. weighing 6 lb. 8.4 oz. and measuring 19 1/4 inches in length. She joins Lacey age 7, Stacy age 5, and Samantha age 2 1/2 at home. The grandparents are Marvin and Minnie Green of Gainesville and Phyllis Youngblood of Muenster. Great-grandparents are Ed and Aileen Cler of Muenster and John and Suzie Green of Pilot Point.

### McPeak

Samantha Nicole McPeak of Tioga announces the birth of a son, Stetson Cooper McPeak in Muenster Memorial Hospital on Sept. 9, 1998 at 5:41 p.m. weighing 9 lb. 5 oz. and measuring 21 1/2 inches long.

### Bowles

Kirk and Melissa Bowles of Nocona are parents of a son, James Tyler Bowles born on Sept. 3, 1998 at 2:03 a.m. in Muenster Memorial Hospital, weighing 8 lb. 5 oz. and measuring 20 3/4 inches long.

### Collins

Chris and Cindy Collins of Lindsay are parents of a daughter, Amelia Kathryn Collins, born in Muenster Memorial Hospital on Sept. 2, 1998 at 6:39 p.m. weighing 6 lb. 5 1/2 oz. and measuring 19 inches in length. Amelia joins a sister, Kimberli Collins, age 7. Grandparents are Glenna Mabe and the late Ronnie Mabe of Lindsay and Sue Collins and the late Charles Collins of Denton.

### Johnson

Kelly Johnson of Whitesboro announces the birth of a son Nathaniel Dale Wayne Johnson in Muenster Memorial Hospital on Sept. 4, 1998 at 10:12 p.m., weighing 7 lb. 2 oz. and measuring 20 1/2 inches long.

### Stevens

Michael and Amy Stevens of Gainesville announce the birth of a daughter, Brylie Lynne Stevens in Muenster Memorial Hospital on Sept. 8, 1998 at 2:02 a.m. weighing 8 lb. 9.6 oz. and measuring 20 1/2 inches in length.

## Entrants sought for GMH Fun Run/Walk

Gainesville Memorial Hospital will host a 5k walk/run on Saturday, Oct. 10. Trophies will be awarded to the top male and female finishers in each division of the 1998 GMH Halloween Hustle. The

first 500 people to register receive a Halloween Hustle T-shirt and goody bag. If postmarked by Oct. 2, the entry fee is \$12. After Oct. 2 the fee is \$15 and race day entries will be \$18.

## MHS National Honor Society holds meeting

The Muenster chapter of the National Honor Society held their second meeting on September 15. They selected October 5 at 7:00 p.m. for the induction ceremony. The banquet will be held in the SNAP room of the community center.

Every member of National Honor Society signed up for one of four committees. The committees include a banquet decoration committee, spelling bee committee, a geography bee committee, and a handwriting contest committee. The decoration committee will decorate the SNAP room for the induction ceremony. The spelling bee committee will help the junior high participants prepare for the contest. The geography bee committee helps monitor the test and helps grade the tests. The handwriting committee will judge the contest.

Last year the NHS chose to go to a soup kitchen for their service project. This year they are planning to do something local as well as go to the soup kitchen.

NHS meetings are going to be held on the first Tuesday of each month. The first meeting was held in August. The following officers were elected: Dolly Patel, president; Stephanie Bierschenk, vice-president; and Cristy Drachenberg, secretary.

The Kiwanis Club and Muenster ISD salute Anna Jackson, left, and Kerry Fleitman, August Students of the Month. Anna, the daughter of Jay and Laura Jackson, is a seventh grade student at Muenster Middle School. Anna's teachers are very complimentary of her studiousness and congeniality. She is a bright student who does her best, regardless of the assignment. Anna serves as a model of what MHS is proud of in its students. "Anna is always willing and courteous as she goes about her tasks. She is a pleasure to have in class," said her teacher Becky Scott. Kerry is a senior at Muenster High School. Her parents are August and Paula Fleitman. Among her full compliment of classes, Kerry is also taking Student Leadership. Kerry has taken it upon herself to coordinate the electronic message board at school. It is a main source of communication for the students. Charlotte Klement, secretary, said of Kerry, "She is a great help to me. She is constantly volunteering for duties and does them all with such a pleasant attitude."

Thurs. - Chili con carne, pinto beans, salad, fruit, bread.

Fri. - Cheeseburgers w/trimmings, French fries, ice cream.

## Health Notes

### Is your friend's dieting dangerous?

High school and college age women may be the first to recognize that their girlfriends suffer from dangerous eating disorders.

"If young women are sensitive to the signs of anorexia and bulimia in their friends, then they will be in a position to express concern," noted Dr. David Waller, associate professor of psychiatry at UT Southwestern Medical Center at Dallas. "They can suggest that their friends seek professional help from a physician, psychiatrist or psychologist, preferably one with experience in treating eating disorders."

He said a young woman should be concerned if a friend engages in extreme dieting, continues to diet even though she has lost a great deal of weight, begins to wear clothes that hide her body shape, leaves the table early or immediately after a meal, has unpleasant breath or decaying teeth, or appears to vomit frequently. Anorexia and bulimia are dangerous to physical and mental health and, in extreme cases, can be deadly.

## Years Ago

50 YEARS AGO  
May 28, 1948

Rev. Fred J. Mosmann will celebrate his First Solemn Mass in St. Peter's Church of Lindsay on June 1. Sacred Heart pastors and the local VFW Post will conduct Memorial services at Sacred Heart Cemetery Sunday at 2:00 p.m., in which the Men's Choir, altar servers, school children, VFW color guard, color bearers, rifle squad, service men in uniform, relatives of the honored dead, priests and parishioners will join. Two days of rain nets 2.17 inch soaker. Prospect of improved wheat crop is indicated when Mike Fuhrmann of Lindsay delivered the first load of the season that tested between 63 and 64.

## Green Tips

Recycling one aluminum can saves the energy equivalent of half of that can full of gasoline. Recycle all of your aluminum cans. Companies pay for aluminum cans. You can make money while conserving energy and adding less to the waste stream.

## Ginny America's Sweetheart

"Ginny reminds me of my childhood. As I hold her, I can almost sense the sounds, the taste, the feel of those sun-filled days. They were times filled with play and pretend. Ginny was my doll. She could once be found in one out of every four households in America. She has been a part of our history for over 50 years."

At Sisters, you can bring a Ginny Doll home to your daughter and let her enjoy an American classic. Come see our great selection of Ginny dolls, clothes and accessories.

Take one home for 20% off our regular price until October 30. Ginny is perfect for Christmas or any special occasion. See her at:

Calling all Students... The Secretary of State and this newspaper want your opinion!

Fewer and fewer Texans vote on election days in Texas. Two of the lowest election turnouts in state history have taken place this year.

The situation greatly concerns your hometown newspaper and Texas Secretary of State Alberto R. Gonzales, the state's chief elections officer. His job is to encourage voter participation in Texas. While you may not be old enough to vote, Secretary Gonzales wants you to tell him why you think your parents should vote this November 3rd. Secretary Gonzales asks that you join other Texas students in writing an essay entitled: "Why My Parents Should Vote." Winning entries will be displayed in the Capitol through the November election and announced in a news release and at a media event. Students who write the winning essays will be invited to appear at the Capitol media event.

Please think about this important topic and send Secretary Gonzales your essay. And, if you need help writing your essay, talk to your mom or dad about the importance of voting!

Entry Divisions: Grades K-5(100-300 words), 6-8(400 words or less) and 9-12(500 words or less)

Due Date: Entries must be postmarked by October 9th 1998

"Why My Parents Should Vote" Essay Contest

## Knights win over Muenster, 34-0

The Lindsay Knights had more "kraut" Friday night as they easily handled the Muenster Hornets, taking a 34-0 victory.

Lindsay took the opening kick to the 24 yard line. A 15 yard run by Jeff Bezner was the only notable gain. On 4th and 8, Richie Alfrey booted a 54 yard kick to the Muenster 3 yard line.

A Jesse Luke to Aaron Klement pass gained 12 yards on the Hornets first play. Bryan Miller then gained three and Brent Sicking two, but an incomplete pass forced Muenster to punt from inside their 20. The Hornet kick was blocked by Blake Crutsinger and covered by Cody Secrest on the 2 yard line.

Adrian Anderle moved the Knights to the one yard line, then Cody Secrest scored on the next play. The extra point run failed and Lindsay was on the board with 6:57 remaining in the first quarter.

Muenster's second drive was cut short when Michael Mosman covered a fumbled ball near midfield. The next play Darren Hennigan intercepted a Lindsay pass returning the ball to the Hornets on the 23 yard line. Luke ran for 7 yards, but the next play, Brad Minnix and Lambert Hess caught Miller for a 16 yard loss on a fumbled play. After an incomplete pass, Hess, Secrest and Corey Neu sacked Luke on 4th and 18.

From their 38, a Bezner to Alfrey pass picked up 6 yards, Anderle added one. Then on 3rd and 3, Jeff Bezner blasted past the Hornet defense for a 55 yard touchdown run. With 2:54 still on the first period clock, a Bezner to Anderle pass for the extra points extended the Knight lead to 14-0.

From their 29, Muenster quickly moved toward Lindsay territory on an 18 yard Miller run. Miller then gained 15 to the Knight 46. But two unsuccessful runs and an incomplete pass saw Nick Silmon punting the ball to the Knight 16.

Corey Neu ran for 9 yards to end the first period. Neu gained another 12, Bezner 9, and a pass to Alfrey was good for 22 yards. From the 31, runs by Neu and Anderle and a flag were followed by a 14 yard touchdown run by Corey Neu. With 8:27 on the clock, a Mosman kick gave the Knights a 21-0 lead.

Muenster's next possession existed for only two plays after a completed pass to Aaron Klement saw the ball stripped away by Jeff Bezner. Brad Minnix covered the ball for the Knights on the Hornet 45 yard line. Three plays later, Lindsay scored again on a 41 yard pass play from Bezner to Ryan Tabbert. Mosman added the kick for a 28-0 score halfway through the quarter.

A turnover stopped the Hornets again, when Adrian

Anderle intercepted a Muenster pass two minutes later. From the 31, six runs by Neu and Bezner put the Knights on the 8 yard line. A holding flag and a quarterback sack put Lindsay back on the 22. On 4th and goal and time off the clock, Jesse Luke picked off a pass in the end zone.

A fumbled play and two short gains forced Muenster to punt away the first offensive drive of the 2nd half.

Bezner, Neu, Alfrey, Secrest, and Anderle mixed nine runs, along with passes to Anderle and Secrest, to get the Knights to the three yard line. Cody Secrest took the ball into the end zone. With 2 minutes remaining in the 3rd quarter, Lindsay led 34-0 after Mosman's extra point kick.

Sacred Heart quarterback Keith Felderhoff crashes over the scrimmage line behind his offensive line for 1 yard and an important, confidence-building first down at the Tiger homecoming game. Dave Fette Photo

**Next Action**  
**Muenster vs. Alvord**  
 The Hornets travel to Alvord to take on the eighth-ranked Bulldogs from district 10-A. Alvord returned 16 lettermen from an 11-2 quarterfinalist

season. End Clay Stephens is classified the Bulldogs best veteran, as a receiver and as a tackler.

Alvord began the season with a big win, 22-8 over Class 2A Paradise. The next two weeks they fell to 2A teams Millsap 15-8 and Electra 34-14.

Muenster will be looking for their first victory, after falling to class 2A schools Nocona, Paradise and Lindsay.

**Next Action**  
**Lindsay vs. Valley View**  
 It will be homecoming night on Knight Field this Friday as Lindsay hosts Valley View. The Eagles continue to struggle, with losses to Gunter 13-6, Jacksboro 50-0, and Paradise 33-13. Valley View lost 8 lettermen from last year's 6-4 2A season. Action begins at 7:30 p.m.

## Tigers get on the scoreboard, 18-6

"We played good - real good," said Sacred Heart Coach Tommy Frazier about the Tigers' 6-18 homecoming defeat. "It's the first time this season the boys played with emotion. This is what we've been waiting to see."

The Tigers hosted the Santo Wildcats Friday night. A large homecoming crowd attended the game. Betty Trevino was crowned queen during pre-game activities.

Sacred Heart's offense took to the field at their own 30 yard line. Short runs by Matthew Nasche, Duncan Campbell and Keith Felderhoff picked up the first 10 yards. Charlie Mosier added another 4 yards, then the drive stopped, forcing a punt. A 7 yard kick put the Wildcats on the Tiger 46. An offside flag helped Santo get their first 1st down, but on 4th and one, back to back flags put them back 10 yards and the ball went to Sacred Heart on downs.

Runs by Nasche and Adam Barnhill gave the Tigers a first down, but two flags forced a kick on 4th and 22. The kick put the Wildcats on the 34 yard line as the 2nd quarter began. The Tiger defense led by Campbell and Pat Miller returned the ball to Sacred Heart on their 40. A holding call, a quarterback sack, an incomplete pass and delay of game was followed by a Wildcat interception that put Santo on the Tiger 16 yard line. Four plays later, the Wildcats scored on a one yard run. After an incomplete pass, Santo had a 6-0 score with 7:12 on the clock.

Sacred Heart's next offensive attempt was halted when Santo picked off another Tiger pass and returned 35 yards to the end zone. The PAT failed and Santo had a quick 12-0 lead with 5:34 still on the clock.

The Tigers got off two plays and threw another interception, putting the Cats on the Tiger 35. The next play Santo scored again. The kick was wide and with 4:14 remaining in the first half, the Wildcats now had an 18-0 lead.

Sacred Heart's next possession began on the Tiger 30 after Charlie Mosier returned the kick 12 yards. Three runs left the Tigers short. A fumbled kick return put Sacred Heart on the Santo 36. Two Nasche runs gained 10 yards, but again the drive was ended with an interception. The Wildcats played out the remaining minutes to the half-time break.

The Wildcat offense began the second half. After a holding call the first play, Matthew Nasche picked off a Santo pass giving the Tigers possession on their 47 yard line. Runs by Mosier and Campbell and a flag gave Sacred Heart a first down.

A screen pass from Felderhoff to Campbell took the Tigers to the 18 yard line. Barnhill and Felderhoff each gained two and Nasche four yards to the 10 yard line. On 4th and two, Adam Barnhill kicked a 27 yard field goal. With 4:09 on the clock, Sacred

Heart was on the scoreboard for the first time this season, 3-18.

An on-side kick gave Santo possession at midfield. Tiger defense, led by Stephen Hofbauer and Campbell forced a punt on 4th and 11.

The Tigers with runs by Campbell and Barnhill moved Sacred Heart to their 40 yard line and the final quarter. Two plays later, the Tigers punted the ball away.

Motion flags and a ten yard quarterback sack by Russell Fette forced a Santo punt. A 15 yard penalty on the return put the Tigers on the Wildcat 33. A personal foul took the ball to the 16, where on 4th and 2, Barnhill booted a 32 yard field goal for a 6-18 score with 5:48 remaining in the game.

Again the Tiger defense held the Wildcats. After the punt, Sacred Heart's offense began from their 26. A pass play from Felderhoff to Campbell gained 8 and on 4th down, Barnhill gained 4 to keep the drive alive. A delay, 7 yard loss, incomplete pass and a 3 yard draw left the Tigers in a 4th and 20 situation. An incomplete pass turned the ball over to the Wildcats to end the game 18-6.

"Santo was big. If we played like this the first games, they would not have been blowouts," commented Coach Frazier. "We got on the scoreboard. The offense is still struggling, but that can be corrected." Frazier said he can't say enough about Adam Barnhill and his kicks. He also noted Duncan Campbell, Jordan Kohler, and Kenny Grewing as defensive standouts. "Charlie Mosier did an excellent job filling holes and making tackles," said Frazier.

"This was a big moral victory - our kids on the sideline were getting into the game. Emotions can make a team. We played with emotion."

**Next Action - Masonic Home**

The Tigers go to Fort Worth this Friday for a 3:30 afternoon game at Masonic Home.

"Masonic Home is supposed to be down, but they are winning," noted Coach Frazier on the Mites 2-1 season. "This will be the first team we'll play that's not bigger than us. This will be to our advantage. The disadvantage - we are playing at 3:30."

Frazier commented that Masonic Home has a good quarterback that does most of the scoring and the Tigers will have to contain him. "We're going to come out with a lot more confidence. I think we'll be ready."

## Battle of Muenster, Lindsay JVs ends in tie

The Sacred Heart Cubs overwhelmed the St. Mary's Mustangs last Thursday as in this shot showing Marty Farrell blocking a pass by Mustang Jason Henry while Cubs Jeff Reiter (75), Tony Koesler (74) and Adam Taylor (52) apply more defensive pressure. Dave Fette Photo

High school football at its finest was witnessed by all who attended the game Thursday in Lindsay between the Muenster Hornet and Lindsay Knight junior varsities!

### 3rd week of football contest

The third week of the football contest seemed to be a little tougher for most entries. Games like the Rams 34-33 win over Buffalo and Gainesville's and Lakehill Prep's defeats were missed by most contestants. On the other side, only one entry picked Muenster over Lindsay, while one missed Saint Jo and four went with Sacred Heart.

John Sandmann was the weekly winner after correctly guessing 32 winners. Terry Walterscheid finished in second place with 31. Edna Hermes, Polly Fette and Dave Reiter all picked 30, but Hermes won on a 20 to 23 to 26 tie-breaker.

Guessing 29 were Tommy Frazier, Doug Stoffels and Peachie Huchton. Six contestants missed 12 and 6 missed 13. The low score was 24.

Winners can pick up their cash prizes at: 1st, Smokehouse in Lindsay; 2nd, Walterscheid Oil Co.; and 3rd, Neil's.

### Muenster Cross Country teams compete Sat.

Saturday at Valley View, 42 Muenster athletes competed in the Valley View Invitational Cross Country Meet. All six teams ran well.

The Varsity Boys finished 8th with 342 points. The Varsity Girls finished 4th with 120 points just behind Lindsay (81 points) and just ahead of Valley View (159) and Era (235).

When the meet was concluded the Junior High Girls were able to look back and deem it a success. Gunter a 2A school with 77 points finished just ahead of the mini-Lady Hornets who posted a total of 82 points. That total was enough to edge out Era (84 points) and Lindsay (92).

"That was one of the best junior high cross country competitions I have ever seen. Four teams had a chance to win that sucker," said Coach Teague.

First quarter action saw Lindsay score twice, each time with successful field goals. Muenster was held scoreless.

In the second quarter Muenster was able to capitalize on a forced fumble and recovery by Shawn Hess. Mitch Endres connected with Chisam Cain for a 35 yard run and the touchdown. The extra point attempt failed. Lindsay responded quickly with a touchdown that was called back because of a penalty.

The third quarter brought an unexpected on-side kick by Lindsay which quickly brought them within scoring distance.

Mitch Endres intercepted a pass which ended the threat. The Hornets made a touchdown which was called back due to a holding penalty, but were able to add six by Timmy Ritchey on the next attempt. The extra points were once again elusive. With 1:54 remaining in the third, Lindsay responded with a 75 yard run to score, but Muenster blocked the extra point attempt.

Entering the fourth quarter, the score was Lindsay 20, Muenster 12. Randy Grewing connected with Mitch Endres for a 30 yard run and a touchdown. Ritchey added the

two points. Muenster would find the end zone once more, but had the pass intercepted. Lindsay took over, fumbled, recovered the ball, then had a pass picked off by Muenster's Kevin Hermes ending the game.

Hornet offensive leaders: Mitch Endres, Chisam Cain, Timmy Ritchey, Randy Grewing, Eric Knabe, and Derek Elliot.

Outstanding Defense: Grant Hartman, Dillon Sicking, Jon Reed, Jason Lutkenhaus, Chris Grewing, Elliot Klement, Shawn Hess, and Blake Garrison.

## Cubs beat Mustangs 22-8

The Sacred Heart Cubs took on the Mustangs of Saint Mary's last week Thursday, earning a 22-8 victory. After a 16-0 half-time lead, both teams scored the second half.

Neither team could move the ball on their first possession. Saint Mary's punt was blocked by Jack Biffle, giving Sacred Heart the ball on the Mustang 30 yard line. Two Biffle runs took the Cubs to the 19, where Clint Fuhrmann connected with Marty Farrell for a scoring pass play. It was Fuhrmann to Farrell for the extra points and a Cub 8-0 lead with 3:25 remaining on the first quarter clock.

Motion flags kept the Mustangs from advancing and their drive was stopped when Chris Fuhrmann covered a loose ball on the 22. Sacred Heart came up 1/2 yard short of the first, then the Mustangs punted it back as the 2nd period began.

From the Mustang 34, two plays later, a Fuhrmann pass to Michael Voth put the Cubs in the end zone again. The points after failed for a 14-0 Sacred Heart lead with 5:31 left in the first half.

Saint Mary's next offensive attempt quickly ended when Mark Bayer covered a loose ball. The next play, the Mustangs regained control with an intercepted pass. Again the Cub defense held, forcing a punt. From the 39, a Fuhrmann to Voth pass moved

the ball to the 21. Kevin Walterscheid ran for 3, then Fuhrmann and Voth combined for 5. A quarterback keeper by Clint Fuhrmann put the Cubs on the 13. A short pass to Biffle gained 4, but two incomplete passes left the Cubs in a 4th and 6 situation. A completed pass to Voth came up short and Saint Mary's took over. The next play, Mark Bayer caused a Mustang fumble. Mikey and Mark Bayer covered the ball for a Sacred Heart safety, ending the half with a 16-0 score.

Cub defense led by Clint Sicking and Mark Bayer turned the ball over to Sacred Heart on downs. A Fuhrmann to Voth pass picked up 9 yards, then Biffle earned a first down to the 38. Two plays later, Josh Kemna covered a loose ball for Saint Mary's.

The Mustangs lost ground, punting on 4th and 13. The next play Fuhrmann found Marty Farrell for a 40 yard touchdown pass play. The points after failed for a 22-0 score with 2:03 on the clock.

Mario Orduna returned the cubs kick to the 5 yard line. Two Jared Zimmerman runs later and the Mustangs were on the board. The extra run by Matthew Donohue put a 22-8 score on the board going into the final quarter.

Neither team got in much running, as the defenses and the yellow flags ruled the fourth quarter.

## BECAUSE SPORTSMEN PAY OVER \$3 MILLION EACH DAY FOR CONSERVATION...

South Carolina DNR Photo by Ted Berg

### America's "Un-endangered Species"

#### WHITE-TAILED DEER

**IN 1900:** An official survey estimated that less than 500,000 white-tailed deer remained in the U.S.

**TODAY:** Some 19 million white-tails roam the nation's forests—thanks to conservation programs financed primarily by hunters and anglers.

Many Americans don't realize the pioneering role hunters and anglers have played—and continue to play—in the nation's organized conservation movement. Or the fact that these sportsmen and women have contributed more than \$21 BILLION to date for wildlife restoration and conservation programs.

#### THE WHITE-TAILED DEER ISN'T THE ONLY SPECIES TO BENEFIT FROM THE SPORTSMAN'S DOLLARS:

WILD TURKEY	PRONGHORN	CANADA GOOSE	ELK
<b>IN 1900:</b> The U.S. wild turkey population numbered less than 100,000.	<b>IN 1945:</b> The pronghorn antelope population dropped below 12,000.	<b>IN 1947:</b> Only about 1.2 million remained in the U.S.	<b>IN 1907:</b> A survey found that only 41,000 elk remained in the U.S.
<b>TODAY:</b> Habitat restoration and conservation efforts have returned its population to about 4.5 million nationally.	<b>TODAY:</b> Relocation and restocking programs have returned it to about 1 million animals.	<b>TODAY:</b> Wetland habitat reclamation has increased the Canada Goose population to about 3,760,000.	<b>TODAY:</b> Efforts by sportsmen and conservation groups have restored it to more than 800,000.

Virtually every species of wildlife, from songbirds and chipmunks to bald eagles and whooping cranes, benefits from the programs supported through the sale of hunting and fishing licenses and proceeds from special excise taxes on hunting and fishing equipment.

To recognize these contributions to protect our wildlife and the environment, Congress established NATIONAL HUNTING & FISHING DAY® in 1972, to be celebrated the fourth Saturday of September each year. This year, on SATURDAY, SEPTEMBER 26, join America's hunters and anglers in supporting conservation.

#### CONTEST RULES

1. Only one entry per person per week. Persons entering must be 12 years old or older.
2. The contest pages of schedules and pictures are supported by the advertisers bordering the ad. Each ad contains a scheduled high school, college or pro game for Friday, Saturday or Sunday of the week of publication. Read each ad, find the game number and teams and write your predicted winner on the official entry form. Forms other than original newspaper page will not be accepted.

3. In order to determine the prize winners in case of ties, you must predict the score for the tiebreaker game listed on the entry form.
4. Print your name, phone number and winners clearly in the space provided.
5. Deliver the contest entry form to the Muenster Enterprise BEFORE 5 P.M. FRIDAY or have a Friday postmark on mailed-in entries.
6. Cash prizes of \$15, \$10 and \$5 will be awarded weekly to the top three finishers. Season prizes of \$100 and \$50 will be awarded to the contestants with the highest percentages after all three participants' teams have completed the season.

# Squires defeat Stingers in 28-0 matchup

The Muenster Red Stingers traveled to Lindsay to take on the Squires last week, falling 28-0.

Stinger Dustin Walterscheid took the opening kickoff to the 31 yard line. Cody Cory picked up 8 yards the first play, but Muenster came up short on 4th down.

From the box, Lindsay's first offensive attempt was hindered by two fumbled plays. Then Muenster followed with three fumbled attempts, the last covered by the Squires. From the Muenster 35, Rhett Rimmer scored on a quarterback keeper. The second try extra point run by Sam Hellinger gave Lindsay an 8-0 lead with a minute remaining in the quarter.

From their 39 yard line, the Stingers picked up two first downs. A Kyle Endres to Cory pass gained 10, with Cory picking up another first down before Adam Krahl and Dustin Dieter covered a fumble for the Squires.

With 4 seconds remaining in the first quarter, Jonathan Krahl broke away for a 33 yard run to the Muenster 22.

Rimmer gained 8, with a flag against the Stingers advancing Lindsay to the 9 yard line. Tyler Walterscheid, and Endres caught Lindsay in the back field, but another flag put the Squires on the 8. The next play, Rimmer scored again, then added the extra points for a 16-0 score with 4:20 on the clock.

Mitch Felderhoff took the kick to the Stinger 32 yard line. Two incomplete passes did not assist Cory's 6 yard run and Muenster punted.

From the 42, Rimmer broke several tackles to the 27 yard line. Stephen Boaz and Endres held Lindsay to no gain for one play, but a reverse run by Krahl placed the Squires on the 14.

Muenster's defense, led by Boaz, Dustin Walterscheid, and Cameron Walterscheid stopped Lindsay on the 7 yard line with 48 seconds remaining till the half-time break.

The Squires took the third quarter kick to midfield and three plays later Rhett Rimmer scored again. The Stingers pass defense prevented the extra points for a 22-0 score.

Ricky Endres returned the kick to Muenster's 40 yard line. Three unsuccessful plays lost two yards and Muenster punted.

Again Muenster's defense held tough, and Lindsay punted on 4th and 16. Joey Arendt's punt put the Stingers on their 32 yard line. Two plays later, Adam Krahl covered a fumbled ball.

Lindsay carried the ball into the final quarter and punted. A pass play between Dustin Walterscheid and Cory gained a first down. A quarterback sack by Adam Krahl caught Muenster for a 7 yard loss. The next play Ron Kasperek deflected a Muenster pass and on third down, Kasperek covered the fumbled ball at midfield.

The Stinger defense, led by Felderhoff, held Lindsay for 2 plays, but on 3rd and 15, Jonathan Krahl ran a reverse up the left side, and went untouched into the end zone. The PAT failed for a 28-0 score with 3:22 left in the game.

Mitch Felderhoff returned Lindsay's kick 15 yards to the 34, but the Squire defense, led by Kasperek forced a punt.

Again the Stingers tacklers, Cory, Dustin Walterscheid, Felderhoff and Ricky Endres held the Squires until the time ticked off the clock.

Coach Gordon Martin told the team after the game that they had a better night on the offensive side of the ball. "You're making strides. You didn't play bad, and getting better every day."

Coach Randy Tankersley noted that three things impressed him about the game. Number one, no griping - everyone played together; 2. a good effort from every player; and 3. the 7th graders are stepping up. That makes me proud.

**ORDINANCE #231**  
Ordinance #231, 1998 Ad Valorem Taxes, September 22, 1998. An ordinance by the city council of the City of Muenster approving and adopting the 1998 ad valorem tax rates.

**ORDINANCE #232**  
Ordinance #232, Amendment to Sewer Use Ordinance, September 22, 1998. An amendment to the sewer use ordinance which requires private connections to the city sewer systems to be properly maintained and subjects property owners to penalty if the lines are not maintained.

### THE STATE OF TEXAS

TO: William C. Anderton, and to all whom it may concern, Respondent.  
"You have been sued. You may employ an attorney. If you or your attorney do not file a written answer with the clerk who issued this citation by 10:00 A.M. on the Monday next following the expiration of twenty days after you were served this citation and petition, a default judgment may be taken against you."  
The petition of Kimberly Anderton, Plaintiff, was filed in the Court of Cooke County, Texas, on the 17th day of April, A.D., 1998, against William C. Anderton, Respondent, numbered 98-199, and entitled "In the Matter of Marriage of Kimberly Fay Anderton and William C. Anderton." The suit requests the Plaintiff prays that upon hearing this cause the Court grant and award the Plaintiff a decree of divorce and any other relief.  
The Court has the authority in this suit to enter any judgment or decree dissolving the marriage and providing for the division of property which will be binding on you.  
Issued and given under my hand and Seal of said Court at Gainesville, Texas, this 21st day of September, A.D., 1998.  
Attest:  
Pat Payne, Clerk,  
of the 235th District Court, Cooke County, Texas  
/s/ Susan Hughes, Deputy

# Farm & Ranch

## Farmers rank high in American survey

Farmers are more highly thought of than they think, according to a recent nationwide survey conducted by the American Farm Bureau Federation.

Only 47 percent of farmers surveyed thought the general population felt positively toward them when, in actuality, 85 percent of Americans polled said farmers contribute a great deal to society. In the AFBF survey, farmers ranked slightly lower than firefighters (89 percent) and teachers (87 percent), but higher than members of the clergy (71 percent), business people (50 percent), bankers (32 percent), and politicians (13 percent).

Though he is pleased with the public's vote of confidence, Tim Hartman, president of the Cooke County Farm Bureau, is not surprised that the nation's agriculture producers underestimated their importance to their fellow man.

In this day of information overload, hardly a day goes by when some journalist or politician or spokesperson for a special interest group doesn't have something critical to say about America's food, land, or water. Farmers have convinced themselves that members of the general public removed from the farm by several generations can't possibly filter out all the negative noise and still view them as outstanding citizens. The Farm Bureau research, however, shows that farmers have a good image in spite of it all.

On a separate question, 89 percent of respondents to the consumer poll said they would believe a farmer or rancher talking in an advertisement about the challenges he or she faces. Still, advertisers often portrays farmers as grass-chewing, straw-hat wearing bumpkins, which many producers find offensive. It is hopeful that the poll will boost farmers' self-esteem so they can do a better job of telling their side of the story.

By confidently standing up and speaking up, America's farmers and ranchers can help shape the message and mold the public image of their profession in their own likenesses, rather than having it molded for them by Madison Avenue's stereotypical overalls and pitchforks.

## Arthur Bayer attends USA ego-ag seminar

Arthur Bayer, while in San Antonio at the VFW National Convention, had an opportunity to attend the USA Eco-Ag Southwest Seminar. He learned many techniques and trends of ecological farming such as fertility management, weed and insect control, specialty crops and marketing, grazing, composting, and natural veterinary care; and the soil's link to human and animal health. The whole program was based on Organic Farming and Gardening.

FFA members from several Tarrant County chapters unload hay from railroad cars Saturday. The hay will be used to feed their show calves, replacing stolen hay.

Janie Hartman Photo

### It's A Stat!

Texas milk production totaled 410 million pounds during August, down 2 percent from last year. Revised production for July, 1998, totaled 425 million pounds.

The number of milk cows during August averaged 373 thousand head, down 11,000 head from last year. Production per cow averaged 1,100 pounds during August compared with 1,090 pounds last year.

### GAINESVILLE LIVESOCK MARKET, INC.

"North Texas' Leading Auction Sale" (940) 665-4367

Light weight steers \$3 to \$4 higher & heifers \$1 to \$2 higher. Stocker steers \$2 higher & heifers \$1 higher. Slaughter cows steady. Slaughter bulls \$3 higher. Pairs steady. Bred cows a little higher. An inch of rain in area.

Sold at Friday's sale were 1,530 head of cattle compared to 2,148 head of cattle the previous week. Tuesday, the market conducted the sale of 327 goats, 153 sheep and 161 hogs. The numbers for last week were 225, 136 and 150, respectively. Results of both sales follow:

<p><b>Feeder Cattle (per lb.)</b> Steers, medium &amp; large frame, 200-300 lbs.: No. 1, 80-100; Nos. 2 &amp; 3, 60-80; 300-400 lbs.: No. 1, 80-95; Nos. 2 &amp; 3, 60-80; 400-500 lbs.: No. 1, 75-87; Nos. 2 &amp; 3, 60-75; 500-600 lbs.: No. 1, 70-81; Nos. 2 &amp; 3, 60-70; 600-700 lbs.: No. 1, 65-70; Nos. 2 &amp; 3, 55-65; 700-800 lbs.: No. 1, 60-65; Nos. 2 &amp; 3, 52-60. Heifers, medium &amp; large frame, 200-300 lbs.: No. 1, 70-100; Nos. 2 &amp; 3, 58-78; 300-400 lbs.: No. 1, 68-78; Nos. 2 &amp; 3, 58-68; 400-500 lbs.: No. 1, 64-74; Nos. 2 &amp; 3, 58-64; 500-600 lbs.: No. 1, 58-68; Nos. 2 &amp; 3, 52-58; 600-700 lbs.: No. 1, 52-</p>	<p><b>Slaughter Cattle (per lb.)</b> Slaughter bulls: yield grade 1-2, 1,200-2,050 lbs., 32-47; Slaughter cows: utility 1-3, 20-28; cutter, 28-36. <b>Stocker Cows (per head)</b> Pregnancy-tested, 3- to 9-year-olds - large frame, \$475-\$570; medium frame, \$300-\$475. Cow-calf pairs w/calves under 250 lbs. - large frame, \$500-\$710; medium frame, \$350-\$500. Holstein baby calves, \$10-\$50; other baby calves, \$35-\$150.</p>	<p><b>Hogs (per lb.)</b> Barrows &amp; gilts: US 1-2, 220-275, 30-35; US 2-3, 220-275, 26-30; Sows: US 1-3, 300-650, 15-25; US 1-3, 200-650, 6-12; Feeders: US 1-3, 100-175, 25-40; Pigs: US 1-3, 25-90, \$10-\$30 per head. <b>Sheep (per lb.)</b> Lambs: 50-77; Ewes: 15-36; Bucks: 20-35. <b>Barbados (per head)</b> Lambs: \$15-\$30; Ewes: \$15-\$40; Bucks: \$15-\$25. <b>Dairy Goats (per head)</b> Kids: \$10-\$40; Nannies: \$15-\$85; Billies: \$40-\$50. <b>Meat Goats (per head)</b> Kids: \$15-\$30; Nannies: \$15-\$45; Billies: \$50-\$135.</p>

## County Agent's Report

by Craig Rosenbaum

### YOUTH FAIR ENTRIES

All Steer Entries for the 1999 Cooke County Youth Fair are due by September 30. 4-H members can turn in Steer Entry forms at the County Extension Office.

### PURCHASING HAY

Hay production has been limited this year and many producers find themselves having to purchase hay. Judgment must be exercised in the purchase of hay. Color, looks, and aroma affect the marketability of the product, however, these have limited effect on the utilization of hay. Effective hay purchases must be visually assessed on the following factors: Maturity, texture, leafiness, and foreign matter content. After visually appraising the hay, chemical analysis should then be used to identify the best (most digestible, highest crude protein) product. Antiquity factors must also be considered when purchasing hay.

Maturity: The older the plant is, physiologically, the lower it's

digestibility and crude protein. Grass is at it's highest quality and quantity combined when harvested at the boot to early flower stage. Crop residue (corn, milo and soybean stalks) will be very mature and of low quality.

Texture: Animals prefer a soft, pliable hay. Coarse stems are also an indication of advanced maturity and decreased digestibility and lowered crude protein. Overly mature, drought-stressed hay and crop residue will have a coarse texture.

Leafiness: The leaf is the most digestible; has the highest nutrient content and is the most palatable plant part. The greater the leafiness, the more leaf in the bale. As the plant ages, the bottom leaves die and fall off, consequently leafiness decreases with age.

Foreign matter content: Weeds, molds, dust and other foreign matter decrease forage utilization and quality.

Color: While often mentioned, this has little to do with hay quality and more to do with owner acceptability.

Chemical assessment: Several samples should be taken and composited to make sure a representative sample is being tested. Samples can be chemically analyzed at Extension and Extension associated labs in:

College Station (409-862-4955), Sulphur Springs (903-885-3443), Tyler (903-535-0885), and NCTC (940-668-7731). Producers may find commercial laboratories in their areas which can competently analyze samples also.

Crude Protein: Crude Protein (CP) is the most common chemical analysis conducted on forages. Crude protein levels below 8% will have to be supplemented with additional protein to maintain a dry cow's condition. Crude protein is also highly correlated with digestibility (digestibility often increases with increased CP). Many produc-

ers rely on this measurement alone when purchasing hay, however, the plant is overly mature, digestibility will be low regardless of CP. A 12 to 16% crude protein level is usually the most desired for livestock as it tends to be the most economical.

Digestibility: The more digestible the hay is the less waste and more valuable. Grass hays are typically 45 to 60% digestible. Annual crops tend to be more digestible than perennial grasses. Legum hays are generally higher in digestibility. Digestibility is a function of maturity. Hay should be at least 55% digestible if crude protein is 12-16%.

Total Digestible Nutrients: Total Digestible Nutrients (TDN) is used to represent the energy portion in feed. TDN is the proportion of the energy sources (fiber, protein, sugars and starches and fat) in the feed that is not excreted in the feces. If the CP is 12%-16%, the TDN should be at least 55%.

David Kee, Extension Forage Specialist, offers the following comments on various hay types:

- Milo and Corn stalks - over mature, high fiber, low quality, nitrate level
- Soybean stems - over mature, high fiber, mediocre quality, coarse texture, leaf loss
- Grain hay - high energy, low protein, potential aflatoxin and nitrate problems
- Alfalfa - Cadillac of hays, check for stems and leaf loss
- Soybean hay - similar to alfalfa, check for leaf loss, possible nitrate, high moisture, mold
- Johnsongrass - palatable, possible nitrate and prussic acid problems
- Tall fescue - alkaloid (endophyte mix with other hays)
- Prairie hay - mixed maturity, weedy, low protein
- Bromo, timothy - good quality (potentially), weeds,
- other hays - variable quality, weeds, nitrate during drought
