

Bad weather last weekend didn't stop Cooke County's annual Antique Tractor Show. A large crowd participated and observed a bit of agriculture's history. John Cook of Dallas harvests a corn field with a 1954 corn picker attached to a 1954 Allis Chalmers tractor. See page 14 for more photos. Janie Hartman photo

Klement calls for action on ARB decision

by Janet Felderhoff

During the Aug. 31 meeting of the Cooke County Appraisal District (CCAD) Board of Directors Leon Klement stepped down from his position on the Board and into the shoes of the "public". This was done with the approval of the Board's attorney. Klement wanted to bring a non agenda item to the Board's attention. "The reason I want to personally bring this up is I think that people need to fully understand what happened up there (in the ARB hearings), Klement said. "It's kind of the tail end of a bigger problem that we've (CCAD) had all summer. We've had some trouble with the ARB (Appraisal Review Board) maintaining our values. They picked to do the really good one last."

Klement was referring to the Aug. 16 decision of the ARB to reduce the value on IMAC properties in Muenster from \$933,529 to \$206,480. The property was originally owned by AMPI which incorporated with Dairy Farmers of America (DFA). DFA then sold the property to Dr. M. S. Reddy of IMAC.

At one time the AMPI property was valued at close to two million. That value was dropped to \$933,529 because a lot of the equipment was taken out, said Klement. "It was a hardship for all the taxing entities, but they all absorbed it and went on," he recalled. This year Dr. Reddy decided to protest his values.

The ARB held the IMAC hearing and made the reduction after all the entities had their certified tax rolls. Muenster Hospital District had already set their tax rate based on the certified roll, before they knew about the change, he said.

It's not going to be the most financially devastating thing that's happened to those people over there, but it is an extreme occurrence of what we've had from the ARB all summer. This pretty much tops it off."

According to Klement the property consists of 12 acres of land bordering Hwy. 82 in Muenster. There are three buildings, one with cold storage. Klement noted that there are houses valued at that price.

"I know we can't officially discuss this as far as a business item today, but it shocked me and troubled me so much that I wanted to personally bring this up," Klement continued. "This is about as glaring as it gets."

Records indicate that ARB members voted three in favor and two against the reduction. Those voting for it were Angelo Nasche, Bill Dearing, and Bob Henderson. Casting votes against the reduction were Kevin Sandmann and Brenda Mobley.

Board member Donna Doty remarked that the CCAD Board under the law was unable to discuss the value of any land. Board President

Jane Carlton responded that the Board did have the option of taking the matter to court. The CCAD could sue the ARB.

Klement asked, "If the ARB won't hold our values, who will? This just cheats everybody. Some people think they're going to sneak their values through the ARB and get something lowered, they're just cheating their neighbor. All this does is cheat them and cheat their neighbor."

Chief Appraiser Doug Smithson, also concerned over the great reduction in value, had already prepared a letter notifying the CCAD Board. Smithson noted that the \$727,049 loss in value would result in a \$9,597 levy loss for Muenster ISD based on a tax rate of \$1.32.

"Due to the size and location of this plant in Muenster, I and others feel the value placed on this property has been significantly reduced far below its market value," said Smithson in his letter. He recommended that it be put on the Sept. 9 meeting agenda and that the taxing entities be invited for discussion and a possibility of appealing to district court.

Smithson also informed the Board that an on-site inspection had been scheduled for Wednesday, Sept. 1 at 10 a.m. This inspection didn't occur. Smithson said he sent appraisers, but they weren't allowed in the buildings.

The problem will be addressed at the September 9 regular meeting.

Muenster ISD rated exemplary school for sixth year in a row

by Steve Cooper Superintendent

Muenster ISD received notification on August 16 from the Texas Education Agency (TEA) that it was once again named as an exemplary school district. This is the sixth year in a row for Muenster's Public Schools to be given the highest academic rating by TEA. Muenster is one of only a very few districts that can claim this kind of consistency. The ratings began seven years ago.

The TAAS Test now has three areas of recognition called additional acknowledgments. These additional acknowledgments

come in four areas. MISD received this recognition in 3 of the 4 areas. Two of these areas are of special significance. One is recognition for college admissions tests. Most of our seniors take the SAT test. In order to qualify for additional recognition, 80% of seniors must score 1100 or better on the test. This is especially significant in light of the fact that usually the higher percentage taking the test lower the average. Not so for MISD.

Another area of additional recognition is the TASP/TASS Equivalency. In order to qualify for recognition, at least

80% of students taking the test must score high enough on the TASP to be exempt from the TASP. This means that students from Muenster High School entering college do not have to take the TASP test which other students have to take in order to be exempt from remedial classes in college. It also means MISD students don't have to take remedial classes that do not count toward college graduation.

A special thanks to MISD's parents, teachers, and especially our students who continue to excel academically and have a statewide reputation to that effect.

CCAD, CPS reaches settlement over computer software dispute

by Janet Felderhoff

After many months of controversy with the company who was contracted to supply the Cooke County Appraisal District's (CCAD) computer software, an agreement was reached. CCAD Board members voted at the Aug. 31 meeting to accept CPS's offer for a settlement and to go with the one year and four months remaining on their contract. Both parties had consulted lawyers and were ready to file lawsuits if an agreement could not be reached.

As part of the agreement the CCAD agreed to pay CPS the monthly payments that had been withheld since October 1997 reduced to a settlement of \$17,305 plus \$1,477 for the August payment. CPS agreed to bring CCAD to Y2K compliance (a value of \$8,138). The payment was to be made the same day as the agreement.

"CPS has certainly been willing to honor their end of the

agreement and it would be my opinion that we need to kiss and make up and see if we can't go on with a relationship that is conducive to getting our job done here and getting their job done down there," remarked Cole.

CPS Vice-president Randy Sellers was at the meeting and expressed his desire to get back on good terms and to be sure that their product was working properly.

Board member Leon Klement remarked before any votes were taken that he'd heard rumor that some of the board members had stock in CPS and asked that any did that they needed to refrain from the discussion. "I don't know if anyone does or if that's just a story," said Klement. "It keeps getting thrown out there every time something comes up about CPS."

At that Jane Carlton said that she was willing to go on record saying that she had no stock in CPS. Board members

Ken Kaiser and Stephen Cole also denied that they had any stock in the company.

Kaiser asked Klement what he meant by interest since the CCAD bought their product. Klement explained that it was said that in the past there have been board members who owned stock in CPS. Chief Appraiser Doug Smithson noted that it was possible that one of the past chief appraisers and two former board members had had CPS stock.

At that point Donna Doty noted that she bought stock in the company when they went public. "It's in my portfolio," she noted. "I have no voting power. I've been one of the hardest people against CPS. I feel myself totally independent from their operations." Klement agreed that she had been tough on CPS. Doty refrained from discussion on the matter and when the vote was held to approve the agreement the vote was 4-0-1 with Doty abstaining.

MMH holds hearing on tax rate increase

by Janet Felderhoff

There was nobody from the public present at the public hearing held Tuesday, Aug. 24 at the Muenster Hospital District on the proposed 1999-2000 budget and tax rate.

During its business session, the Board unanimously approved a proposed budget which included a two percent across the board salary increase. Also approved was a proposed ad valorem tax rate of .27450. That results in a 3.72 percent increase in the revenues raised above the effective rate. About \$12,900 in additional revenue should be realized. The vote was 6-1 with

Jerry Hess voting against the tax rate. Board members not present were Chas Bayer and Jack Murdock.

At the August 4 special meeting the Board discussed the possibility of offering a special senior citizen discount. MMH Administrator Jack Endres reminded the Board that the consensus had been to not offer the discount due to the uncertain year that the hospital is facing. Board President Don Flusche had requested a formal vote to show on record that it had been considered. The vote was unanimous to not offer the discount.

Cooke County adopts tax rate increase

by Janet Felderhoff

Commissioners Court held a special meeting on Wednesday, Sept. 1. A public hearing was held on the proposed tax rate. The public who attended numbered eight and they had little to say.

In a 5-0 vote Commissioners Court approved the proposed tax rate of 41 cents per \$100 valuation. Last year's rate was 40.35 cents per \$100 valuation.

These Myra volunteer firemen answered the call to help fight the blaze at Herman and Gwen Carroll's home north of Muenster last Tuesday. They brought their new truck and paused after the fire was controlled to take this photo to promote the Sept. 11 benefit barbecue in Myra. Photo by Dave Fette

Myra Fire Department gets a new look

by Ed York

There have been a lot of changes around the Myra Volunteer Fire Department recently. The department will shortly be a certified medical first responder with a new fire/rescue truck, new fire equipment, new medical equipment, and approximately 20 newly trained firemen.

A dream for nearly 10 years, a new fire truck has now become a reality. From initially opening a fire truck savings account in about 1990, the Myra VFD has accumulated the funds to obtain a truck and chassis from the Texas Forest Service and have a modern tank/pumper/rescue unit built and installed on Unit 130. Truck funding came from a generous community and a grant from the Texas Forest Service.

The new Fire/Rescue vehicle exists because a group of men and women in the Myra

community called "volunteer firemen" are dedicated to helping their fellow neighbors in the community. These firemen undergo continual training to improve their fire fighting and medical first responder skills. Recently, as a result of a community fund raiser and a grant from Prudential Life, an Automatic External Defibrillator (AED) was purchased along with an oxygen kit, backboards, bandages, and other medical equipment. The medical equipment is carried on board the new fire truck.

The new fire truck is the latest design in rural fire-fighting equipment. It has dual side spray bumper nozzles that can be operated from the drivers seat. Deck guns are mounted on each side of the operating deck to provide for water or foam spraying on the move. Each deck gun is capable of delivering a high volume

spray stream at nearly 100 feet. The truck can be direct-coupled with a tanker truck to provide continuous water delivery. A high intensity 1,000 watt extendable tower flood light provides enough light to nearly light up a football field.

The Myra Volunteer Fire Department Bar-B-Que raises funds annually which are used for operating expenses, and saving for replacement equipment. You are invited to come and view the new addition to the department at the Myra City Park (Myra School if it rains) on September 11 during the Annual Myra Volunteer Fire Department Bar-B-Que. All you can eat BBQ brisket, curly fries, beans, and all the trimmings will be served from 5:00 to 9:00 p.m. Adults are \$6.00, and kids \$3.00. The Auction begins at 7:00 p.m. Entertainment is provided by Doug Martin & The Rustlers.

NCTC trustees adopt budget, set tax rate for 1999-2000

North Central Texas College trustees officially adopted the proposed 1999-2000 budget at a regular August meeting last week and set the college tax rate for the coming year at 11 cents per \$100 of assessed value.

The new tax rate will bring approximately \$78,000 less total revenues to the college than were generated in current year, meaning lower tax bills for individual county property owners. The decrease is due to recent retirement of debt totaling \$1.2 million worth of general obligation tax bonds issued in 1989 to build a new library and finance various renovation projects.

Paying off these bonds insured us to drop the portion of the tax rate earmarked for that service," said Dr. Ronnie Glasscock, NCTC president, which means we will be collecting taxes in the coming year solely for maintenance operation (M&O)."

The trustees voted unanimously, however, to raise this M&O tax rate - currently 9.9 cents of the total 19 cents - to 10.11 cents per \$100 of assessed value. Since the new tax rate will go totally to M&O, that translates to a reduction in the college tax of 1.38 cents.

The bottom line," commented Dr. Milton Johnson, board chairman, "is that we had a unique opportunity to generate some badly needed additional revenue to operate our Cooke County campus, while at the same time giving local citizens a break."

Dr. Dickson said it was the

kind of opportunity that may never come around again, so the trustees "took advantage of what we view as a win-win situation" for both our college and for taxpayers.

The trustees made it clear they wished to continue the practice of recent years of attempting to close the gap between revenues generated by the (M&O) portion of the college tax rate and what it actually costs to maintain and operate the local Campus.

"We had been able to close the M&O deficit down to about \$30,000 in the past year or so," Dr. Glasscock pointed out, "but it has widened back to about \$168,000 with items included in the new budget such as air conditioning the gymnasium, purchasing a badly needed additional 'people carrier' vehicle, and various repair and renovation projects - many of them due to ADA requirements for accommodating disabled students and staff."

These items account for a significant portion of the 13.2-percent increase in the new budget over that of current year - up \$1.89 million to a total of \$16,219,146 for 1999-2000.

We'll be giving a much deserved five-percent salary increase, on average, to our faculty and staff. Our trustees are working very hard to keep up in what has become a very competitive market in this region not only for top quality instructors, administrators and professional staff but also for competent clerical and support personnel."

Some money also is in the new budget, according to Jerry

Metzler, dean of administrative services, "to at least make a start" in the Cooke County Campus Master Plan now being finalized.

Among the specific initiatives likely to get top billing in the master plan, Metzler said, is additional, more upscale dormitory space, extensive renovation of the existing Residence Hall, modernization of science labs, resurfacing of the parking lots, provision of more attractive and functional gathering places for study and socializing between classes, general campus beautification and much more.

Debbie Pounds, dean of institutional advancement, also gave a summary to the trustees of several grants awarded to NCTC in recent months. Since the beginning of summer, NCTC has secured a total of \$314,544 in grant funding from various public and private sources. Several other major grant applications are currently pending.

Among the action items on the trustees agenda were:

- Approval of the budget submitted by the Cooke County Appraisal District, with Doug Smithson, chief appraiser, appearing to summarize the proposed budget and answer questions.

- Acceptance of proposals on hay and feed for college animals, including a proposal on equine feed of \$236 per ton for 12 months from Martindale Feed Mill of Valley View; on 100 round bales of hay from Timber Creek Ranch for \$50 per bale; on beef feed for \$158 per ton for six months and on finish ration for \$153 per ton for six months from Muenster Milling Company; and on two lots of sow ration for \$148 and \$146 per ton for six months, also from Muenster Milling.

- Passed a resolution, joining other local taxing entities, approving the sale of parcels of property to recover delinquent taxes.

- Approved the offering of employment contracts for 1999-2000 to Beryl Brigham and Deirdre Longenecker, both new additions to the vocational nursing program faculty.

Tax rebates slide for Muenster, Valley View

Texas Comptroller Carole Keeton Rylander sent a total of \$272.3 million in monthly sales tax payments to 1,098 Texas cities and 117 counties, a 6.4 percent increase over the \$255.8 million allocated in August 1998. Year-to-date, payments are running 6.5 percent ahead of last year.

"Texas continues to gain new business and new jobs, and consumer confidence remains high as the state economy continues to expand," said Rylander.

The sales tax rebates included 251.9 million to Texas cities. Thus far in 1999, rebates to cities are 7.0 percent higher than for the same period in 1998.

That trend hasn't held true for Muenster. To date this year Muenster has received \$143,634.77 which is 2.90 percent less than at this time in 1998. Gainesville is slightly behind the average, but is still up 6.04 percent from this time last year. Lindsay's total payments to date are up 55.02 percent, Oak Ridge's are up 58.87 percent, and Valley View's are up 79.03 percent. The county total for cities is up 7.85 percent. Gainesville and

Muenster being the two largest incorporated towns, receive the larger rebates.

Muenster's August rebate in 1999 was \$24,369.64, down 10.97 percent from August 1998's \$27,373.02. Gainesville's August rebate of \$362,486.33 showed an improvement of 10.41 percent from August 1998. The \$7,296.72 check for Lindsay was up 15.99 percent from last August. Oak Ridge was up 58.98 percent from last August with its rebate of \$6,569.17. Valley View's August rebate this year for \$6,222.44 was a drop of 12.42 percent from August 1998. The total sent to individual cities in Cooke County for August '99 was \$406,944.30.

Texas counties received August sales tax rebates of \$20.3 million. Year-to-date rebates to counties are up 0.4 percent compared to 1998. Cooke County's rebate check this August was \$137,976.46. This was an increase of 13.88 percent from August 1998. To date Cooke County's rebates in 1999 total \$886,377.85 which is up 8.14 percent from this time last year.

Sacred Heart Trust Fund dinner schedules for September 12

It is the time of year again for the annual dinner for the Sacred Heart Trust Fund. The dinner is scheduled for Sunday, September 12 at the Sacred Heart Community Center. The doors open at 11:30 a.m.

This year is the celebration of over 20 years since the inception of the Trust Fund in 1976. After having reached its goal of one million in funds and assets a few years ago, the fund has almost doubled in value to approximately \$2,000,000 with the reinvestment of proceeds and continuous support of donors. During the 1998-1999 school year the Trust Fund made a significant contribution to benefit the teachers of Sacred Heart School.

Again this year John K. Quinlan, Senior Portfolio Manager and Senior Vice President of Smith Barney Inc. will be at the dinner. During a telephone interview Wednesday, Quinlan said he

will talk about the long-term financial world and build on the idea he discussed during his visit last year. "We are among the most blessed people in the world," he said. "Everyone in the world wants what we have. It was acquired through work and wise investing over the long-term so don't succumb to today's desire for instant gratification."

Quinlan's 25 years of experience has touched virtually every area of the equity market. His experience as a financial consultant, a sales trader, an institutional block trader, a retail system strategist and a Capital Markets Program instructor has given him a unique perspective from which he approaches his work as a portfolio manager.

A financial report will be presented at the meeting.

Tickets are \$25 per plate and may be purchased at the door. You may call 759-2511 ext. 24 for reservations.

Rep. Hall named ranking Democratic member on House Science Committee

The Democratic Caucus of the House of Representatives selected Ralph M. Hall (D-TX) to serve as Ranking Member of the committee on Science. Hall replaces the late George E. Brown, Jr., of California.

The Democratic Caucus elected Hall a waiver to once the ranking spot on Science while allowing him also keep the ranking Democratic position on the Commerce Committee's Energy and Power committee. Under Caucus rules, members may serve as

Ranking Member on only one committee or subcommittee.

"I am honored to be able to serve on both committees as Ranking Member," Hall said. "Our work on the Energy and Power Subcommittee is important for Texas, and I have a good working relationship with fellow Texan, Chairman Joe Barton."

Hall has served on the Science Committee since he was sworn in for the 97th Congress. He was chairman of the Subcommittee on International Scientific Cooperation for the 100th and 101st Congresses. He served as chairman of the Subcommittee on Space in the 102nd and 103rd Congresses and as Ranking Democrat in the 104th Congress. A member of the Subcommittee on Space and Aeronautics and the Subcommittee on Energy and Environment in the current Congress, Hall will now serve ex officio on all Science subcommittees.

NOTICE

The Cooke County Democratic Club will meet at 7:00 p.m. for dinner at Smokehouse II in the Mesquite Shopping Center. For information is available calling 665-2930.

Sponsored by the Myra Volunteer Fire Department

Thank You

We would like to express our sincere thanks and appreciation to the men of the Muenster, Saint Jo, Myra and Era Volunteer Fire Departments for saving the main structure of our home last week when it appeared hopeless to save. They responded quickly and fought an intense fire under very adverse conditions. With grateful hearts we commend their professionalism.

Thanks also to our neighbors, friends, and our "hospital family" for their assistance in providing water, drinks, encouragement, hope, support, prayers and food during and since those difficult first hours. An extra Thank You to Todd Fisher. A special thanks to our families for everything. We love you all.

Gwen & Herman Carroll

City Council Agenda

The following is the agenda for the regular meeting of the Muenster City Council to be held at 7:30 p.m. in the City Hall meeting room on Tuesday, September 7, 1999.

1. Call meeting to order at 7:30 p.m.
 2. Approve minutes of the August 2, 1999, and August 31, 1999 meetings.
 3. Recognize visitors and invite them to attend the entire Council meeting and to discuss their business.
 4. Consider any other business to come before the Council.
- OLD BUSINESS:**
1. Receive a briefing by Jerry Chapman, General Manager of the Greater Texas Utilities Authority, on Region C Water Planning activities.
 2. Consider and act upon approving the proposed policy on curb and sidewalk maintenance and repair for functional purposes only.
 3. Consider and act upon FY 99 paving projects.
 4. Consider and act upon writing off delinquent utility bills for people who have left the City of Muenster with no known address.
- NEW BUSINESS:**
1. Consider and act upon approving a resolution nominating a candidate to the Cooke County Appraisal District Board of Directors for the January 1, 2000 to December 31, 2001 term.
 2. Consider and act upon voting for a candidate to serve on the Texas Municipal League's Board of Trustees for October 1, 1999 through September 30, 2002.
 3. Consider and act upon amending the contract between the City of Muenster and Friends of the Muenster Public Library.
 4. Consider and act upon amending the FY 99 General Fund budget, Administration Department, under Capital Improvement - Computers.
 5. Consider and act upon recommending to the Cooke County Appraisal District Board of Directors that they file suit against IMAC due to the large reduction in IMAC's taxable value.
 6. Consider and act upon approving the FY 2000 General Fund budget and the FY 2000 Water & Sewer Fund budget by approving the proposed ordinance #242, FY 2000 Budgets.
 7. Consider and act upon approving the following 1999 ad valorem tax rates by approving the proposed Ordinance #243, 1999 Ad Valorem Tax Rates:
 - a. Maintenance and Operations: \$0.4200 per \$100 taxable value
 - b. Debt Service: \$0.0000 per \$100 taxable value
 8. Review the Monthly Budget Summary.
 9. Review and act upon monthly bills.
 10. Adjourn.

Joe Grewing 1937 - 1999

Joe Grewing

by **Elfreda Fette**
 Mass of Christian Burial was held for Joe Grewing of Myra Saturday, Aug. 28, 1999 at 1:00 a.m. in Sacred Heart church, officiated by Father Thomas Craig, pastor, and Father Harry Fisher of Valley View.
 Joe Grewing died on Aug. 25, 1999 at Denton Regional Medical Center at 3:15 p.m. after a two-week illness. He was 62 years of age.
 Survivors are his wife of 42 years, Theresa Grewing; two daughters Anita Luttmeyer and Linda Rains of Muenster; and three sons Donald Grewing of Muenster, Mark Grewing of Muenster, and Bill Grewing of Callisburg. There are eleven grandchildren and eleven great-grandchildren. Also surviving are two sisters Angie Barnhill Muenster and Doris Grewing of Gainesville; and two others Herman Grewing of Muenster and Anthony Grewing of Gainesville.
 Preceding him in death were his parents; one daughter Rebecca Grewing; two grandchildren Jason "J-Bob" Grewing and Paige Grewing; one sister Mildred Grewing; two brothers Richard, Steve, and Walter "Hooker" Grewing. Joe Grewing was born on March 24, 1937 in Muenster to Frank Grewing and Marie Bindel Grewing. He attended Sacred Heart school. On Nov. 12, 1957 he married Theresa Ann Haverkamp in Sacred Heart church.
 He was an oilfield pumper, worked with Grewing Brothers Oil Service most of his career. He worked for Fultz Oil Co. and Triple G Oil Co. for several years; and also owned and operated his own independent leases for several years. Living in Muenster most of his life, and in Myra for the past few years, he was a member of Sacred Heart Parish; a member of the Knights of Columbus and St. Joseph's society.
 He loved outdoor barbecues, and was dedicated to his yard; delighted in his grandchildren; and was the official tour guide for the Muenster and Myra area. In the entrance procession

Joe Grewing's children each carried a red rose; his wife Theresa carried a yellow rose for Rebecca Jo; and the grandchildren each carried a red carnation. Each placed their flower in a vase on the altar.
 Participating in the special funeral liturgy for the Mass on Saturday were a granddaughter Kristin Grewing with the First Reading from the Old Testament and a daughter-in-law Carol Grewing with the Second Reading from the New Testament. Offertory petitions were read by daughters-in-law Katrina Grewing and Lorie Grewing, and son-in-law Mitchell Rains.
 The Offertory procession was narrated by great-niece Amy Dangelmayr; a granddaughter Tiffany Rains carried a little red truck to symbolize Joe's favorite pastime, just driving around the local countryside and visiting all his friends; granddaughter Rebecca Grewing carried Joe's favorite BBQ utensils he used to cook his favorite chicken and ribs the whole family anticipated at family gatherings; granddaughter Ashley Grewing carried a wrench, an oil tank gauge line and work gloves symbolizing Joe's long oil field career.
 Joe and Theresa's godchildren Laura Harrison, Elaine Koesler, and Nanetta Walterscheid carried three

angel figurines representing their three angels: Rebecca Jo, Jason and Paige. Grandson and godchild Charlie Luttmeyer and son-in-law Mike Luttmeyer presented the Offertory gifts of bread and wine at the altar.
 Music Ministers were Ruth Felderhoff organist; Christy Hesse, Emily Klement, Linda Flusche, Doug Yosten, and Diane Grewing, singers. Sacred songs were "On Eagles Wings," "The Lord Is Kind And Merciful," "Just A Closer Walk With Thee," "You Are Mine," "Ave Maria" sung by Christy Hesse, "Song Of The Angels," and "Amazing Grace."
 Remarks of Remembrance were given by Glenn Grewing a nephew, relating, in part "Joe and Theresa welcomed six beautiful children...over the years he watched them grow and achieve their goals...He and his family found special joy in traveling, camping out...befriending little animals...
 "To make his joy more complete Joe was blessed with 13 grandchildren... Papa was their special pal...giving his every step were his three special angels...as a lifelong resident of Muenster and Myra, Joe will surely be missed."

Following Glen Grewing, a family friend Rev. Darren Baucom read a poem "The Last Ride" written by Pauline Mullins. He also told how he learned to know the Grewing family.
 A Rosary service was held on Friday at McCoy Funeral Chapel in Muenster at 4:00 p.m., with Vigil at 7:00 p.m.
 Burial in Sacred Heart Cemetery was directed by McCoy Funeral Home. Pallbearers were nephews: Wayne Grewing, Glen Grewing, Zack Haverkamp, Tony Grewing, Jimmy Grewing, Lynn Henley, Bob Grewing, and Kenny Jackson. Honorary pallbearers were grandsons Charlie Luttmeyer, Chris Luttmeyer, Chris Rains, and Brandon Grewing.
 Among those attending were relatives and friends from Windthorst, Denison, Whitesboro, Callisburg, Fort Worth, Arlington, Nocona, Valley View, and Gainesville.

Henry William Spaeth 1921 - 1999

Henry William Spaeth

by **Elfreda Fette**
 Henry William Spaeth of Gainesville died on Tuesday, Aug. 31, 1999 in Gainesville Memorial Hospital at age 78. Mass of Christian Burial was held on Thursday, September 2 at 10:00 a.m. in St. Mary's Catholic Church, officiated by Father Nicholas Fuhrmann OSB, Father Reinhard Sternemann OSA, Father Sebastian Beshoner OSB, Father Pat Murphy OSA and Father Harry Fisher.
 Spaeth was born on Feb. 25, 1921 in Lindsay to George and Elizabeth Sandmann Spaeth. He graduated from Lindsay High School and attended Durham Business College in Dallas and was later employed by Herr Motor Company in Muenster, prior to taking over operation of the family farm. After Camp Howze development took over the family farm, he moved to the Spring Creek area.
 He was married to Marie (Mickey) Felderhoff of Muenster in Sacred Heart Church on Aug. 26, 1947. They eventually moved to the present home place on I-35 at Spring Creek Road, where he continued farming until his retirement.
 Involved in Boy Scout Troop #655, he became a member of the Order of the Arrow. His many civic and service contributions included membership on the Board of Directors of Hesperian Savings and Loan; First Savings and Continental Savings; treasurer and long-time director of North Central Texas College Foundation.
 He received the Zone IV Upper Elm-Red Soil and Water Conservation Award for 1998, and was one of the originators of the Red River Farm Co-op, and also served as a board member and appraiser for Muenster Farm Mutual Fire

Insurance Co. He was District Sales Manager for Mississippi Chemical Fertilizer, and was a personal friend and associate of Jerry Clower. One of his big joys was taking his family, wife, children, spouses, and all the grandchildren to Hawaii on a cruise to observe the 50th wedding anniversary although he was recovering from a recent surgery.
 Henry Spaeth was a member of St. Mary's Catholic Church and served as an usher, and as a former member of the Finance Committee.
 Survivors are his wife of 52 years Marie (Mickey) Spaeth; a son and daughter-in-law David and Lou Ann Spaeth of Lindsay; a daughter and son-in-law Patsy and Eddy Henry of Gainesville. Also grandchildren George and Bernice Spaeth; Brenda and Jason Clark; John Spaeth; Michael, Kimberly, Brian, and Jason Henry; and great-grandchildren Sara and Collin Clark.
 Also surviving are one brother, Joe Spaeth of Longview and five sisters Evie

Felderhoff and Polly Reiter both of Muenster; Agnes Kneupper and T. Mae Kuta both of Gainesville; and Georgia Berry of Dallas.
 Preceding him in death were his parents; and sisters Tillie Schoech, Mary Haverkamp, and Frances Spaeth.
 Taking part in the special liturgy for the funeral Mass were Kimberly Henry and Brenda Clark with Readings from the Old Testament and New Testament respectively. Intercessions at Offertory were read by Bernice Spaeth. Offertory Gifts of bread and wine were carried to the altar by Brenda Clark and Kimberly Henry. Sacred music was presented by Sherian Keeling, organist, and St. Mary's School Children's Choir. Selections were: "Psalm of the Good Shepherd", "Here I Am Lord", "One Day At A Time", "Without Clouds", "Just A Closer Walk With Thee", and "On Eagle's Wings". The Meditation, "Paddy's Hands" was given by Patsy Henry. Fr. Nicholas Fuhrmann delivered the homily including personal recollections of their friendship.
 Rosary services were held in Geo. J. Carroll & Son Chapel on Wednesday at 4:00 p.m. and again at 7:00 p.m.
 Burial in St. Peter's Cemetery of Lindsay was directed by Geo. J. Carroll & Son Funeral Home. Pallbearers were George Spaeth, Michael Henry, John Spaeth, Brian Henry, Jason Clark, and David Wright.
 Honorary pallbearers were Ed Wright, Richard Klement, Rosie Rosenberg, Bill Roberts, Ben Hatcher, and members of the First State Bank coffee drinkers.
 For those who have asked, the family has suggested memorials to St. Mary's School Trust Fund.

Dorothea "Dot" Dudenhoeffer 1917 - 1999

Dorothea "Dot" Dudenhoeffer

by **Elfreda Fette**
 Graveside services for Dorothea "Dot" C. Dudenhoeffer were held Saturday, August 28, 1999 at Fairview Cemetery at 10:00 a.m. She died Wednesday, August 25, 1999 at age 81 at Denton Regional Hospital. Officiating for the graveside services was Father Sebastian Beshoner OSB, pastor of St. Peter's Catholic Church of Lindsay.
 Survivors are her husband, Adolph "Bud" Dudenhoeffer, Jr. of Gainesville; daughter and son-in-law Diane and Jim Smith of Fort Worth, sons and daughters-in-law Daniel and Darlene Dudenhoeffer of Lindsay, and Tim and Pat Dudenhoeffer of Valley View. Also four grandchildren Liane

Daniel and Dorothea Paula Daniels Dudenhoeffer. On May 20, 1944 she was married to Adolph "Bud" Dudenhoeffer, Jr. in Gainesville. She had been employed at Camp Howze during W.W.II prior to her marriage. For a number of years she was employed at the Richard Timmis Insurance Agency, prior to her retirement.
 Dot Dudenhoeffer was devoted wife and mother, a beloved grandmother and great-grandmother. She was very proud to be a wife, mother, grandmother, and great-grandmother.
 She was an expert, researching the genealogy of the Dudenhoeffer family tree, and she organized the first Dudenhoeffer Family Reunion in 1987. She enjoyed the beauty of gardens; and delighted in hummingbirds, wildflowers and bird watching. An avid sports fan, she rarely missed viewing a TV game of Texas Rangers or Dallas Cowboys.
 Her family has suggested memorials to the American Heart Association or Cooke County Home Hospice.

Smith and Jeff Smith of Fort Worth, Daryl Dudenhoeffer of Gainesville, and Dee Dee Dudenhoeffer of Lindsay; and two great-grandchildren Justin Dudenhoeffer and Taylor Dudenhoeffer of Gainesville. Also a brother Daniel "Dan" Dudenhoeffer of Fort Myers, Florida and a sister Muriel George Fritz of New York.
 Preceding her in death were her parents.
 She was born on Nov. 11, 1917 in Brooklyn, New York to

Small Business Development Center at NCTC offers a variety of on-line classes

The Small Business Development Center (SBDC) at North Central Texas College has scheduled a variety of Fall 1999 courses to prompt learning opportunities for small business owners.
 "If you are frustrated because sales are not growing progressively," said Catherine Keeler, director of the SBDC, "the strategies re-enforced by SBDC classes can assist with assessment of your customers, your competition, and the ever-changing business environment."
 Four new on-line classes - "QuickBooks," "Marketing for Small Businesses," "Starting and Operating Your Own Small Business," and "Practical Financial Management" can provide a substantial advantage toward increasing and sustaining customers.
 Keeler said these convenient classes, beginning on the second Wednesday of each month, are perfect for updating business skills or exploring the potential for home-based businesses.
 Each six-week course consists of 12 lessons - including interactive quizzes, assignments, tutorials, and online discussion areas - all available via the World Wide Web. Enrollees will need personal Internet access, an e-mail address, and a Web browser to participate in on-line classes.
 For more information regarding on-line courses, visit the SBDC web-site at <http://www.ed2go.com/nctcsbdc>. The North Texas SBDC region has also established a new website, www.bizcoach.org/region, offering answers to frequently asked questions and outstanding small business links.
 Registration for SBDC courses is required at least four days in advance of each seminar. Registration may be completed via mail or telephone. For more information call the SBDC office for assistance at 940-668-4220 or 1-800-351-7232.

Veterans window stickers available

Men and women who served the U.S. Armed Forces can proudly display their military service involvement with VetSignia Window stickers.
 The unique stickers are two four inches, black on shiny silver metalized film, with an American flag background.

Thirty-three different stickers are available; for W.W.II, Korea, Vietnam, Persian Gulf, Expeditionary, Peacetime; and services, Army, Navy, Marines, Air Force, Coast Guard, Merchant Marine.
 Veterans who served in the past four major wars can display the war they served in

and their branch of service. Veterans who served in peacetime can get stickers that show their branch of service. The stickers let veterans say, "I did it when it had to be done and I'm proud of it."
 The stickers are \$4 each or 3/\$10 (S&H Incl.). Send requests to Bob Kline, Box 382, Blue Bell, PA 19422. Be sure to include your branch of service and war served, expeditionary, or peacetime.

Mark your calendars for MMH Health and Safety Fair

Mark your calendars! Muenster Memorial Hospital's annual Health & Safety Fair is approaching. The fair will be held on September 25 from 8:30 a.m. to 12:00 noon. The fair, sponsored by MMH, to promote health and safety awareness of early detection and prevention of disease, and for the public an opportunity to have free screening exams. It provides an opportunity to reduce fees on screening tests for diabetes, hypercholesterolemia, prostate, and breast cancer. Participants of this year's fair include:

- Dr. Dan McBride, urologist, who will be performing free prostate screening examinations. All men over the age of 50 should take advantage of this examination - it only takes 10 minutes and could save your life!
- Dr. Audrey Morrill, family practice, will be performing free screening skin and breast examination for cancer detection. Screening mammograms will be offered at reduced cost for the month of October. Early detection proves cancer outcomes.
- Dr. Elaine Schilling, dentist, will perform free oral cancer screening examinations. You use smokeless tobacco you need to have this examination. She will also perform screening examination for cavity detection and check your dentures for proper fit.
- York Eye Associates will check you for glaucoma at no cost on the day of the fair. If glaucoma runs in your family, you should have this checked regularly to avoid possible vision loss.

- Dr. Gerald "Bud" Graham will provide a free dental examination with demonstration of the intraoral camera, oral cancer screening and demonstration of CAESY - a patient education program. A drawing for a free Braun Oral-B Plaque Remover will be offered to participants.
- Dr. E. Leevy, registered dietician, will be providing advice and answer your questions on nutrition with great educational handouts.
- New this year to the fair, Dr. Edd Advincula will demonstrate acupuncture techniques and offer reduced prices on acupuncture treatments. Acupuncture has been successful in the treatment of headaches, arthritic pain, and useful for smoking cessation. Check out this alternative care method that has been around for about 2,000 years and reduce your use of medications.
- Yvonne Ambrose, FNP-C, will offer free risk assessment for heart attack. Remember heart disease is still the number one cause of death in the United States - if you have a family history of heart disease you don't want to miss this opportunity to determine your individual risk. Reduced prices for lipid panel (cholesterol levels) are being offered for participants.
- Mary K. Endres, FNP-C, will perform free asthma screening and education on asthma. If you, or your child, has asthma or symptoms of asthma, this is a great opportunity for consultation.
- Rita Bayer and Tina Walterscheid, Physical Therapy Department, will do free posture evaluation; also bring your canes, walkers, and

- other assistive devices and they will check for proper fit and function.
- Joan Walterscheid, Certified Diabetic Educator will be available to talk to you about your diabetes. If your diabetes is not in good control, you are increasing your risk of heart disease, neuropathic disease, and kidney disease. Joan will provide many free informative handouts and answer your questions. Reduced prices on laboratory testing for diabetic screening will be available to participants of the fair.
- Pat Wimmer, trauma coordinator for the hospital, along with the Boy Scout Troop 664, will provide bicycle safety training and offer free bike helmets to participants of all ages. Remember, first come, first service - these always go fast!

- MMH Home Health Department will check your blood pressure, administer flu vaccines for \$5, and offer classes to the public on CPR and First Aid. CPR and First Aid is an invaluable skill that everyone can benefit from.
- The staff at the Family Health Clinic in Muenster and the Lindsay Health Clinic in Lindsay will also offer women screening examinations which include screening breast and pelvic examinations with pap smear at reduced costs to participants of the health fair.
- Cheryl Pollard will display and provide educational information from the American Cancer Society and Relay for Life. She will be available to answer questions about the benefits available to individuals with a diagnosis of cancer through ACS.
- Also participating this year is Cooke County EMS, the Muenster Fire Department and Cure Flite will bring its helicopter - they will all be available to tour and answer your questions about these important systems for emergency care provided to your community.

One hundred eighteen and a half hours of quilting have been combined by this group of SNAP quilters and three members of the Muenster Historical Commission to complete this double Irish Chain queen size coverlet. Pieced by Frances Kathman before 1974 and donated recently to Muenster Museum by Dorothy Fisher, it will be offered for raffle as a fund-raiser for remodeling of the Seyler-Muenster Museum. Shown from left are Florence Fisher, Betty Kralick, Margaret Kupper, Juanita Bright, Dorothy Mae Yosten, Florence Williams, Hilda Sicking, Marcy Wilde, Loretta Wimmer, Dorothy Hartman, and Rose Hofbauer.

Baptisms

Koesler

The baptism of Samantha Rose Koesler in Sacred Heart Church of Muenster was held on Saturday, Aug. 21, 1999, following the 5:00 p.m. Mass, with Msgr. Hubert Neu officiating. Samantha Rose is the infant daughter of Max and Cindy Koesler. Godparents are an aunt, Erica Schilling and an uncle, Charlie Schilling. The baptismal gown was made by the maternal grandmother, Sharlene Schilling, worn also by all her children and grandchildren. The baptismal blanket was made by the late great-grandma Isabell Wimmer.

Following the ceremony, a meal was served at Max and Cindy's home, with dessert of cake and ice cream. Attending were the grandparents Alfons

and Mary Ann Koesler, and Duwayne and Sharlene Schilling; great-grandparents Charlie Wimmer and Caroline Schilling; aunts and uncles, Kelly Lanier; Joe and Kristy Koesler; James Yosten; Barbara Koesler; Duane and Mary Lin Knabe; Gene and Carol Luttmeyer; and cousins Debra Yosten, Diana and Amanda Knabe, Abby and Amy Luttmeyer, Trevor and Dalton Hess; and friends: great-aunt Miriam Caplinger, Robert Caplinger, great-aunt Sister Mary Lin Koesler, Bill Park and Maloney Gieb.

Unable to attend were great-grandparents Ben and Gertie Voth, Ryan and Tina Hess, Rod Lanier, Brad Schilling, Sue, Nicholas, Jonathan and Kristen Yosten.

Aug. 4, 1989

The Muenster Madness Bike Rally, benefiting the Cystic Fibrosis Foundation will descend on the town on August 12. Cyclists will have three courses to choose from 100K, 65K, and 35K - all very challenging, with rolling hills and excellent training for the Hotter 'N Hell 100 Bike Rally held annually in Wichita Falls. There will be a dance Saturday evening and a "Battle of the Bands," two favorite dance bands, and selections from local talent. "Muenster Pride" urges more volunteers to man the rest stops along the route. Delivery of the 50 antique "lantern" style street lights, won in 1986 through the Governor's Community Achievement Award, is expected by August 25. Red River Valley Tourism Association is announced by Texoma Council of Governments. Mayor of Muenster, Germany Jorg Tvenhoven sends greetings and books to Mayor of Muenster Ted Henscheid.

Can we talk?

When is the last time you kissed your spouse, "Can we talk?" Where is there a place in our home or life that the two of you can "just talk"? The perfect opportunity to do just this - talk - is being offered to you at St. Mary's Parish in Muenster. Beginning October and continuing for five (5) Wednesdays, a program is being offered to all married couples to focus on where they are as a couple in their marriage. You are encouraged to participate in all five sessions to benefit the most from the program. The sessions will be moderated by Deacon Dick and Kathy Stojak, from the Family Life Department of St. Mary's Parish. The program is open to all couples who have been involved in marriage preparation programs. Any couple interested may contact St. Mary's Pastoral Center

to register at 940-665-5395. There will be a \$10.00 fee to cover the cost of materials used.

If you've been married as few as two years or as many as sixty-two years, there are still many insights to be gained and ways to grow as a married couple. Take some time for yourselves to look at your relationship and discover more about how precious each of you are to your spouse.

Announcements

A Tiger Cub Parents Meeting will be held on Tuesday, Sept. 7 at 5:30 p.m. at the VFW Hall. It will offer information to parents of first grade boys who are interested in joining the Tiger Cub Scouts. All interested are welcome.

Cruise Nights, Sat., Sept. 4

The historic Wise County Courthouse Square in Decatur will be alive with antique and collectible automobiles on Saturday evening September 4. This classic car show is held every first Saturday night May through October (excluding July). The shows mark the fourth year for the events that drew hundreds of persons to downtown Decatur last year.

The Wise County Antique Auto Club and the Decatur Main Street Program sponsor the event. Antique and special interest car clubs from the Metroplex have planned special "Cruise Nights" to take part in the event. The show also enjoys many individual auto entries which proclaim this their favorite show because of the unique downtown setting.

"We hope that you will join us in historic Decatur for an evening of fun each first Saturday night in August, September and October," said Decatur Mayor Bobby Wilson. "The streets will be closed to traffic so you can stroll the square, enjoy dinner at one of our fine restaurants, and shop our antique gift and specialty shops while enjoying the display of Beautiful old cars and trucks."

Registration of antique cars and trucks will be from 4-7:00 p.m. Dash plaques will be presented to the first 75 entries and awards in all 24 classes will be announced at 8:30 p.m. Call Drake Kniffin at 940-627-2460 or Decatur Main Street 940-627-2741 for more information.

MEDICARE, MEDICAID, AND MOST INSURANCES ACCEPTED

SHE'S COMING:

"THE MESSENGER OF HER ROYALTY"

THIS STATUE:

- Was blessed as the 'INTERNATIONAL PILGRIM VIRGIN' on Oct. 13, 1947 by the Bishop of Fatima, and "went forth as though to claim Her Dominion" (Pope Pius XII).
- Went to Russia with the 101 Peace Flight where it was crowned in Red Square on Oct. 18, 1992 by members of the Youth Congress in Moscow, almost the exact day of the 75th anniversary of the Last apparition of Fatima as well as of the Communist Revolution.
- Went to China in 1994 with 924 escorts in a second "Queen of the World" tour, and was crowned in Beijing.
- Went to Manila for the 1994 International Holy Family Year.
- Was referred to as "the messenger of Her Royalty" by Pope Pius XII in his encyclical in which he instituted Aug. 22 as the "Feast of the Queenship of Mary" in 1954 saying, "In this doctrine and devotion of Mary's Queenship lies the world's greatest hope for peace" mandating that each year on this feast "there be renewed consecration to her Immaculate Heart."
- Was brought to Rome by Pope John Paul II for the collegial consecration on March 25, 1984 which was soon followed by the dissolution of the Soviet Union.

This Famous Pilgrim Statue was in Muenster in 1948 shortly after the Image began its tour of the United States and Canada for the purpose of spreading the message of Fatima which proclaims that world peace will be restored only through penance, reparation and greater devotion to the Mother of God. *She is coming to Muenster again.*

The speaker at the service at that time was Msgr. William McGrath and Rev. Michael Benedict who traveled with the Image. Both stressed the importance of the message of Fatima. The statue arrived about 5 p.m. Saturday, June 12. It was carried in solemn procession from the intersection of Hwy. 82 and Main and placed in the sanctuary of Sacred Heart Church. About 300 persons took part in the ceremony.

From the hours of arrival until the closing, pilgrimage visits continued without break until the departure on Monday at 3 p.m.

The church doors were open both day and night. Members of the parish faithfully observed their scheduled hour of prayer. At this time devotion in honor of Our Lady of Fatima, with exposition of the Blessed Sacrament on the first Saturday of every month, was introduced in the parish by Fr. Herman Laux, OSB. Only 5 cities in the Diocese were favored with visits of the famous statue, Muenster being one of them. (in ref. to A Diamond Jubilee History of Sacred Heart Church Parish, 1889-1964, Muenster, Texas, pg. 187-189).

Why is Our Lady favoring us so greatly again with her visit? Perhaps to inspire us once more to renew our devotion and again remind us of her Fatima messages! Do we not need her help as much today as we did in 1948? Now our Blessed Mother is coming to us again to give us a chance to renew this love and devotion to her. Please come, place your family, friends, parish and the world in her motherly care! The custodian of the Pilgrim Statue will give a talk about the Fatima message at that time. The statue will arrive in Muenster on Sept. 10 at 7:00 p.m. and will depart on Sept. 10 at 9:00 p.m. The statue will be at Sacred Heart Church. For more information, contact Margie Krahl at 940-759-2831.

Facts About Skin Cancer

Exposure to certain chemicals, such as arsenic and coal tars, or to high dose x-ray treatments have been associated with skin cancers.

Love County Mule Club from Oklahoma won best all-around entry in the Watermelon Parade. Courtesy photo

Watermelon Festival is success

by Shirley Harvill
The 19th Annual Watermelon Festival and Homecoming was celebrated Saturday, August 21. The celebration began at 10:30 with the parade beginning at the School House. Forestburg Riding Club, with twenty-seven mounted riders, led the parade through town. Diane Gordon carried the United States flag and Bret Baird carried the Texas flag. Jennie Conway carried the Riding Club flag, followed by Riding Club queens.

Downtown, everyone was welcomed to the Festival by Tony Desmuke, and C.E. (Sonny) Cole of the Church of Christ led the opening prayer before each entry was introduced to the viewers lining the street. Entries in the parade included other mounted riders, Saint Jo Riding Club, and Love County Mule Club. Also antique/classic cars, antique tractors, floats, kids bikes, 18-wheeler, unicycle, and more.

Just A Thought

Take a little time to do whatever makes a happier you.

Lough with others not at others.

crowd of approximately 350 moved to the Community Center where a Bar-B-Que lunch, cooked by Ken Brazel, Wayne Moseley, and others, with all the trimmings furnished by ladies of the community, and a lot of iced tea, was served.

Afternoon activities included great music by local musicians with Wassie Reynolds as band leader. Games in the rodeo arena entertained the young and young-at-heart. A mule-jumping contest also drew a good crowd of spectators.

Community Service Club gave away cold watermelon slices donated by Gordy and Dena Lynch, and also sold 100 shirts to help raise funds to repairs on the Log Cabin. Various groups had booths to raise money for clubs, kids, etc. Raffle tickets were sold during the festival and items given away during the Saturday night rodeo.

Forestburg Historical Society sponsored a Quilt Show in the old Bank Building, which they are trying to restore to be used as a museum and library.

Wassie Reynolds and Band provides entertainment at the 'Fest. Courtesy photo

Lindsay Student Council announces homecoming court

On Friday, August 27, the Lindsay High School Student Council announced the election of the 1999 Homecoming Court. Selected Princesses this year are Emmy Trammell, freshman, Hannah Trammell, sophomore, and Deanna Meurer, junior. Emmy and Hannah are the daughters of Jill and Alan Trammell. Deanna is the daughter of Charlie Meurer and the late Tommie Sue Meurer. Queen nominees are Leslie Schumacher, daughter of Larry and Beth Schumacher, and Julie Schumacher, Jo Parkman, daughter of Peggy and Sam Sparkman; Abby Trammell, daughter of Jill and Alan Trammell; and Sarah Trammell, daughter of Jill and Alan Trammell. The queen will be crowned at Lindsay's Homecoming game against Muenster, September 17. Pre-game activities will begin at 7 p.m. Lindsay Student Council is planning a week of fun activities culminating with a Homecoming Dance for the

students on Saturday, September 18 from eight until midnight in Conrad Hall. In addition to the game and dance, the Student Council is planning activities and games all week. Points amassed during the week will determine the Most Spirited Class. The highlight of the class competition will be a Powder Puff Football Game Wednesday, September 15 beginning at 7 p.m. Senior and sophomore girls will try to beat junior and freshman girls in the flag football game. Football players will make up the pep club, cheerleaders and drill team. The "Drill Team" will perform at half time. Play-by-play announcers will keep the audience entertained with their description of the game. Admission will be \$1 per person. A limited concession stand will also be available. The Student Council is working hard to make Homecoming Week 1999 interesting and fun. Everyone is invited to join in the celebration.

Steagall to reward writing winners with scholarships

Students with writing abilities are encouraged to participate in the Young Writers Cowboy Poetry Contest during the Red Steagall Cowboy Gathering. This year's event in the Historic Stockyards District of Fort Worth will be held Oct. 22-24. There are two categories, a junior division for poets 8 to 12 years of age, and a senior division for poets 13 to 18 years of age. Entries must be postmarked no later than Monday, Sept. 20, 1999. These entries can be submitted individually or a contest can be held in classes or communities and the best entries in each division submitted. A local competition could promote school spirit, encourage

language arts and social studies programs within the schools and communities and provide students with an incentive for studying and writing about cowboy life, the history of Texas, or the west. In addition to personal prizes of Justin boots and a copy of Red Steagall's book "Hide For the Brand" for each of the 25 finalists, the first and second place winners in each age division will receive a scholarship from the Cowboy Heritage Association through the Texas Tomorrow Fund Program. Those with questions are encouraged to call, (817)444-5502. Entry forms are available at the Muenster Enterprise.

Chris Burke to appear at Destination Dignity celebration

Mental Health Mental Retardation Services of Oklahoma will be celebrating September as Destination Dignity Month. This year MHRST will celebrate with an individual who has lived his dream! Chris Burke with Joe and John DeMasi will perform a special appearance Thursday, September 16 at 8:00 p.m. in Sherman High School Auditorium, 2201 East Amar, Sherman. Their performance will include inspiring, uplifting and entertaining music. A reception will be held for the trio on Wednesday, September 15 from 7:00-9:00 p.m. at Sherman High School Commons. There will be no charge for the performance and reception.

and for people with Down Syndrome. Burke has co-authored a book about his life entitled *A Special Kind of Hero*. "We are excited to have Chris, Joe, and John with us for this special performance. Mr. Burke will be an inspiration to all people with mental disabilities. We always try to plan special events for Destination Month, but this year our plans are very special," states Paul Cawthon, MHRST Community Relations Director. September has been proclaimed a Destination Dignity Month by Governor George Bush. Destination Dignity Month has three purposes: to educate the public about mental disabilities and the services offered by the local community MHMR center, to promote dignity and independence for persons with mental disabilities, and to decrease the stigma associated with mental disabilities. For more information on the events or to receive tickets, contact Paula or Kathy at 903-786-4803 or 4804.

Eagles soar over Sacred Heart

It was a long night in downtown for the Sacred Heart Tigers last Friday, as their early game debut ended in a 1-8 defeat to Southwest Christian.

"We needed a game against varsity competition so we could get a clear evaluation of where we are in our program," Coach Kris Hogan said of his Tiger team. "We knew going in we were outmatched physically. We went in looking for specific things we needed to work on."

A short kick-off put the Eagles on their own 47 yard line as the game got underway. Two big defensive plays by Jeff Hartman and Lee Skinner put southwest back 12 yards and forced a punt. A Keith Felderhoff to John Yosten pass kicked up 9 yards before the Tigers punted on 4th down. Two plays later, the Eagles scored on a 78 yard pass play. The extra kick was good for a -0 score with 7:27 on the clock.

It was three incomplete passes and punt for Sacred Heart. The short kick set southwest on their 20 yard line. The next play, the Eagles found pay dirt again. The PAT was blocked and the Tigers rallied 13-0.

Again Sacred Heart's offense struggled giving the ball back to Southwest after 3 runs. Motion flags plagued the Eagles, punting on 4th and 23, into the end zone.

From the 20, Charlie Moster gained 9 yards, but the next play was fumbled, picked up and run in for another Southwest touchdown, 20-0.

Runs by Matthew Nasche and Josh Walterscheid gained 9, but a 4th and one attempted run failed, turning the ball over to the Eagles.

Starting the 2nd quarter, the Eagles lost the ball when John Yosten covered a fumble. Two plays later, the Eagles picked off a tiger pass and ran it into the end zone. With the extra kick, Southwest took a 27 point lead.

Sacred Heart picked up their first 1st down with a Felderhoff to Nasche pitch, but three incomplete passes were followed by a 58 yard punt by Nasche. From their 20, a flag, then a fumbled snap allowed Yosten to catch the quarterback in the end zone for a safety and a 27-2 score with 9:12 remaining in the first half.

Josh Walterscheid took the free kick, returning it 23 yards to near midfield. The next play,

the Eagles picked off another pass, then threw for a 48 yard touchdown play and a 34-2 lead.

Walterscheid again got a good kick return, but again, the Tigers had to boot away the ball. Two flags, a quarterback sack by Skinner and a Stephen Hofbauer and Skinner tackle forced a punt. Once more Sacred Heart could not get the needed yards and punted. Two plays later, Southwest scored on a 78 yard run. The PAT hit up the scoreboard 41-2.

The Tigers ran 3 plays until the half time siren cleared the players from the field.

Josh Walterscheid's kick return to the Tiger 36 began the second half, with the teams exchanging punts. The Tigers second offensive attempt quickly ended when a fumbled lateral was covered by the Eagles.

Southwest also went nowhere and punted. The next play, Sacred Heart threw an interception. The Eagles gained one first down then punted. The Tigers tried carrying the ball into the final period, but failed, giving the Eagles possession near midfield.

This drive saw the Eagle line go backwards, with sacks by Cloy Baldwin and Jeff Hartman. The teams again exchanged possession. Then with 8:42 remaining in the game, the Tigers made their move.

From the Tiger one yard line, Charlie Moster went around the right tackle for a 37 yard gain. Moster then ran for 9 and 15 yards to the Eagle 36. A Felderhoff keeper picked up 7 and Moster another 11. From inside the 20, Moster gained another 6, Felderhoff 7, and Moster 4 to the one yard line.

Felderhoff edged the ball inside the one, then on 3rd and goal, Keith Felderhoff found the end zone for Sacred Heart. The extra point run failed for the 41-8 final score with 1:36 remaining in the game.

"I'm proud of the boys. They never gave up," noted Coach Hogan. "We will be better this week."

Next Action - Savoy

This Friday, the Tigers travel to Savoy to tangle with the Cardinals from UIL district 17-A.

Last season, Sacred Heart fell 44-0 to Savoy, but Tiger Coach Kris Hogan is looking for a different outcome this year. "I'm looking forward to getting on the field with a team closer our size opposed to playing against five guys that are going to play college ball - like Southwest Christian," he said. "Savoy looks like they play hard. We definitely have our work cut out for us."

Action begins at 7:30.
Directions to the game: Travel Hwy. 82 East through

Sacred Heart's Jeff Hartman ruined an Eagle pass attempt when he wrapped up the quarterback for a loss. Tiger Cloy Baldwin (42) was quickly in the play to help finish the job. Photo by Dave Fette

The Muenster Hornets scrimmages with Callisburg and Gainesville last Friday night were a success, according to Coach Gordon Martin. "I'm very pleased with the boys efforts and performance. They continue to work hard." The Hornets will face 2A Nocona this Friday in Muenster. The Indians are led offensively by running back Chris Gonzales and quarterback Brett Hewitt. Gonzales also leads the offense, along with Trent Skinner. According to Time Out predications, Muenster is a two point favorite. Action begins at 7:30 p.m. Photo by Janie Hartman

New hunter education home study course available

A convenient new option for those interested in completing a hunter education course is now available in the form of a home study book and video.

Instead of spending 10 hours in the traditional classroom course, hunters now have the option of completing approximately six hours of the course at home, at their own pace. Final certification involves one day of hunter skill (field and live-firing) and hunter ethics exercises, and a score of 80 percent or better is required on the written exam.

The *Outdoor Life Hunter's Field Guide* was developed jointly by Texas Parks and Wildlife (TPW), the Nevada Division of Wildlife, and *Outdoor Life*, and is distributed by Creative Publishing International. The home study materials are sold individually as a book, in video format, or as a set with an additional workbook.

The home study materials are similar to the material covered in the classroom course, with an emphasis on hunter ethics, outdoor skills safety, respect for game laws, gun safety, landowner rights, respect for nature, survival tips and first aid awareness.

Although a hunter education course is not required to purchase a license, all Texas hunters born on or after Sept. 2, 1971, are required to meet these hunter education requirements:
 • Hunters 17 and older must successfully complete a hunter education course.
 • Hunters between the ages of 12 and 16 must successfully complete a hunter education course or be accompanied by a licensed hunter 17 or older.
 • Hunters under 12 must be accompanied by a licensed hunter 17 or older.

For information on Texas Parks and Wildlife hunter education courses, including home study testing sites, check TPW's web site www.tpwd.state.tx.us. Or call TPW's toll-free number 800-792-1112, ext. 62, to obtain a listing of courses by county.

Knights fall in early season opener

It was 101° in UNT's Fouts Field Stadium Thursday evening when the Lindsay Knights took on the defending A state champion Celina Bobcats. Two strong offensive starters and Lindsay mistakes gave Celina a 49-14 season opener victory.

"Too many mistakes, too many turnovers," noted Lindsay Coach Charlie Meurer. "They had big plays. We had many errors."

Ryan Tabbert kicked off the season, putting the 'Cats on their 35 yard line. Two plays later, a 63 yard run by Adam Herrin put Celina on the scoreboard. Grant May added the extra point for a 7-0 score with only 26 seconds off the clock.

Cody Secrest picked up 8 yards on the Knights first offensive play of the season, but Lindsay was then forced to punt on 4th and 7. Secrest's 42 yard boot put Celina on their 10. After two runs for 29 yards, the Knight defense, led by Tabbert, Brad Minnix, Clay Callagher, and Secrest, and no delays of game, placed the Bobcats with a 4th and 28. After the punt, the Knight defense took the field on their own 20 yard line.

A quarterback sack and a 9 yard run by Adrian Anderle as followed by a fumble. Celina covered on the Knight 7. Three runs put the Bobcats on the 5 yard line. Tackles by Jake Crutsinger, Anderle, Minnix, and Tommy Arendt held Celina to two yards. On 4th and goal, Daniel Hellinger caught the 'Cat's quarterback for an 11 yard loss giving Lindsay possession on their 14 yard line.

Three runs by Anderle quickly took the Knights to the 10. Secrest added another 5 to lead the first quarter. Then he was able to get the needed yards, and the Knights punted.

From their 6 yard line, on their second play, Jackie Wyatt broke away for a 91 yard touchdown run. The PAT gave Celina a 14-0 lead with ten minutes remaining in the first half.

The Knights gained a first down on a 5 yard Secrest run and an offside call, but then drew an interception, giving the Bobcats the ball on the night 13 yard line. The next play, a pass from Herrin to Stuart Tudor was good for a touchdown. The extra kick gave the Bobcats a 21 point lead with 8:12 on the clock.

Lindsay's offense moved 16 yards on Anderle and Secrest runs, but were then caught for losses three consecutive plays and punted. Celina returned the ball 61 yards to the 9 yard line. A Herrin to Wyatt pass was called inbounds and after the kick, the Bobcats pulled out ahead 28 points.

Adrian Anderle returned Celina's kick 25 yards to the 36 yard line. A flag backed the Knights to the 21, but a Bobcat face-mask moved the line back to the 37. Skyler Shauf picked up 9 yards, then Adam Anderle took off for a 50 yard gain to the 4 yard line. A fumbled play was saved by Anderle, backing the Knights to the 10. On 3rd and goal, an Adrian Anderle

halfback pass to Daniel Hellinger was called good for six points. The point after attempt failed for a 28-6 score with 35 seconds to the half-time break.

The Knight offense began the second half, but were unable to make any gain. The punt attempt failed when the punter's knee touched the ground, giving Celina the ball 7 yards from pay-dirt. Two plays later Celina scored again, taking a 35-6 lead.

Again, Lindsay's offense struggled, fumbling the ball, setting up another Celina touchdown. From the 20, it took six plays and a PAT to stretch the score to 42-6 with 4:52 still left in the 3rd quarter.

Again a fumbled ball quickly stopped the Knights and set up another Celina score, 49-6, with two minutes on the quarter clock.

Sauf ran for 10 yards and Anderle 14, before 3 incomplete passes forced a punt.

To start the final period, the 'Cats quickly got into scoring range after a 51 yard run. From the 18, a flag and tackles by Minnix, Anderle, Jonathan Bengfort, Anderle, and Shauf held the line, giving the Knights possession on the 19 yard line.

The teams exchanged punts, with Lindsay's last drive beginning on their 26 yard line. A Nicholas Fuhrmann pass to Travis Alfrey was good for a 66 yard gain to the nine yard line. Adrian Anderle took the ball to the 5, then Fuhrmann went airborne and found Jonathan Bengfort in the end zone for a touchdown. An extra point pass from Fuhrmann to Ryan Tabbert made the score 49-14 with 1:32 remaining in the game.

TEAM STATS

Individual Stats:
RUSHING: L - Adrian Anderle, 15/75; Adam Anderle, 6-51; Cody Secrest, 6-27; C - Jackie Wyatt, 7-114; Clay Evans, 5-64;
PASSING: L - Nicholas Fuhrmann 2-3-71-0;
RECEIVING: L - Travis Alfrey, 1-66.

Next Action - Windthorst
 The Knights will host the Windthorst Trojans, district 10A predicted leaders, this Friday.

"They are a good team, very aggressive, better than last year," Coach Meurer noted. Windthorst lost only 4 letterman from their 5-6 playoff team of last season.

Players to watch include lineman Todd Schreiber, running back Jason Veitenheimer, and Justin Hoffman. "We have to do something to control him," said Meurer. "He's outstanding on defense, as a running back and a receiver."

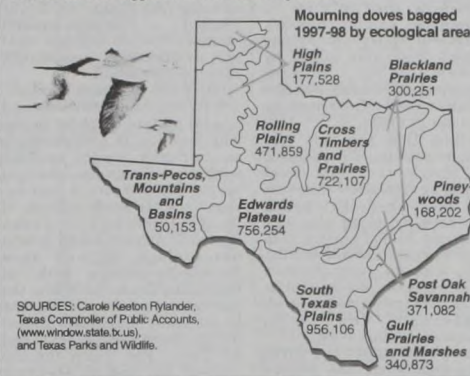

Game time is 7:30 p.m. at Knight field.

Knight Cody Secrest gets a good run against Celina in last week's opening contest. Lindsay blockers identifiable include Ryan Tabbert (69) and Brad Minnix (54). Photo by Janie Hartman

Dove hunting season opens

Dove season opens in September. During the 1997-98 season, 359,103 hunters bagged 4,314,415 mourning doves.

CONTEST RULES:

1. Only one entry per person per week. Persons entering must be 12 years old or older.
2. This page of schedules, results, predictions, pictures and the contest itself is supported by advertisers appearing here. Each ad contains a scheduled high school, college or pro game for Friday, Saturday or Sunday of the week of publication. Read each ad and circle the winner. Entries on forms other than original newspaper page will not be accepted.
3. In order to determine the prize winners in case of ties, you must predict the score for the tiebreaker game listed in the featured ad above.
4. Print your name, address and phone number clearly in the space provided.
5. Deliver the full contest entry to The Muenster Enterprise BEFORE 5 P.M., FRIDAY, the week of publication. Mailed entries will be accepted only if postmarked before Friday 5 P.M. Address for mailing entries is P.O. Box 190, Muenster, Texas 76252. Entries received late because of postal delay will be counted for the grand prize, but will not be eligible for the weekly prize.
6. The featured ad is picked at random each week. It contains the tie-breaker listing and is one of the winner/loser picks. Winner will pick up their prizes at that business each week on or after Tuesday of that week.
7. To be the grand prize winner, a contestant must enter every week. Contest will continue as long as either Muenster team remains in play. Winner of the \$100.00 grand prize will be determined by the best winning percentage throughout the contest after the lowest score is thrown out.

Go to the Web for fire ant information

If you're trying to find information about getting rid of your fire ant problem, then boot up your computer and surf on over to <http://fireant.tamu.edu>. This comprehensive Web site is sponsored by the Texas Imported Fire Ant Research and Management Project, which involves scientists and specialists from the Texas Agricultural Experiment Station, Texas Agricultural Extension Service, Texas Tech University, University of Agriculture and Texas Parks and Wildlife Department. The Web site, launched in 1998, averages more than 100,000 hits a month. Homeowners, ranchers and farmers, students and scholars entering the site can find a wealth of information, including: Tips to manage fire ants in

different places and situations, including the Two-Step method and organic methods.

- Steps for starting a neighborhood management plan to prevent fire ants from traveling from yard to yard.
- Latest research news (including the phorid fly and other natural enemies).
- Ant identification guide and basic facts.
- Maps, including quarantined counties.
- Hundreds of high quality photos.
- Information to conduct classroom science projects.
- Links to other online fire ant information.

And don't despair if you're not online. You can obtain free printed information about managing fire ants from the county Extension agent.

County Agent's Report

by Craig Rosenbaum

SMALL GRAIN NITROGEN

Producers have a variety of sources available to supply needed Nitrogen to small grain for both pasture and grazing. We have known that it takes about two (2) pounds of actual nitrogen to produce one (1) bushel of wheat grain. Also one (1) pound of nitrogen should produce 15 to 20 pounds of forage dry matter. Sources of Nitrogen include anhydrous ammonia (82-0-0), Urea (46-0-0), ammonium nitrate (34-0-0), UAN (28 to 32-0-0) and ammonium sulfate (21-0-0-24S). In the county we've applied this needed Nitrogen in a variety of methods which include all applied in the fall to applying Nitrogen in split applications. Split applications tend to be a preferred method. This method allows for better utilization of needed Nitrogen by the plant. With split applications you also have less risk involved in Nitrogen loss due to weather factors and grazing than

when Nitrogen is applied only in the fall.

Two years study on the Schumacher farm at Era has shown the benefits of Nitrogen topdress and split application. One interesting result is the benefit of 40 to 60 pounds of spring Nitrogen as compared to 100 to 120 pounds of spring applied Nitrogen. The 40 to 60 pounds yielded comparatively to the 90 to 120 pound rate.

Results of the two years are noted in the following charts.

FERTILIZER TEST
Era, TX 1999

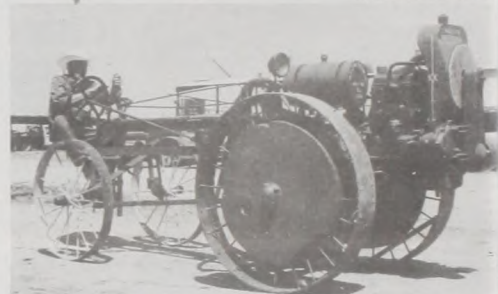

Fall N	Spring N	Yield
(lbs N/A)	(lbs N/A)	(bu/A)
50	90	74.5
50	45	73.5
50	0	58.5

Phil Young of Gainesville cooks down some sorghum syrup. Young had many requests to purchase some of his sweet mixture, but refused noting, "There's no way to keep grasshoppers and other things from being added to the mix." Photo by Janie Hartman

Doug Martin and Leon Knauft tie a bale from a 1905 Eagle hay press. Buddy May adds more straw as Roxann supplies the "horse power". Photo by Janie Hartman

Attend Your County Convention Sept. 13, 1999

Dear Farm Bureau Members,
The Cooke County Farm Bureau invites you to attend the Annual County Convention on Monday, Sept. 13, 1999 starting at 6:30 P.M. at The Center Restaurant in Muenster, Texas.

All county Farm Bureau members are invited to attend this meeting.

Due to limited seating availability, you are asked to contact either the Muenster office at 940-759-4052 or the Gainesville office at 940-665-1763 prior to Monday, Sept. 13th by noon to confirm that you will be attending.

Guest speaker will be Bob Stallman, President of Texas Farm Bureau.

Cooke County Farm Bureau Board of Directors

It's A Stat!

Monthly Report
by the Texas Agricultural
Statistics Service

Corn production is forecast at 233.6 million bushels, up 26 percent from last year's production, but 3 percent less than the record production in 1997. Based on August 1 condition, statewide yield is expected to average 135 bushels per acre.

Sorghum production is forecast at 105.6 million hundredweight (cwt), 78 percent more than last year and 1 percent more than 1997. Harvested acreage is estimated at 2.9 million acres. Sorghum replaced some lost cotton acreage this year. Yield, at 640 pounds per acre, is expected to be 1,064 pounds more than last year.

The 1999 Texas **soybean** crop is forecast at 9.6 million bushels, up 62 percent from last year's production. Harvested acreage is up 19 percent, and yield is expected to average 30 bushels per acre.

MILK PRODUCTION
Texas milk production totaled 424 million pounds during July. Revised production for June 1999 totaled 460 million pounds.

The number of milk cows during July averaged 346 thousand head, down 4,000 head from last year and unchanged from June 1999. Production per cow averaged 225 pounds.

TEXAS CATTLE

Cattle and calves on feed for slaughter market in Texas feedlots with capacity of 1,000 head or more totaled 2.48 million head on August 1, down 6 percent from a year ago. The estimate was down 2 percent from the July 1 level.

Texas commercial feeders marketed 520 thousand head during July, up 4 percent for a year ago, up 2 percent from the June, 1999 total.

Elizabeth and Kevin Fenley, their grandparents "Little Deeres", parade past spectators behind their grandfather Raymond Fenley of Argyle, Texas. The youngsters are on miniature duplicates of the antique tractor PaPa was driving.
