

## County has 57% participation in election

by Janet Felderhoff  
A little over half (57%) of Cooke County's registered voters exercised their right to vote in the 2000 elections. There are 23,695 registered voters in the county and 13,558 voted in the November 7 General Election. Of that number 3,757 voted absentee.

Little has changed at the county level as all challenged incumbents retained their elected positions. Frank Rust threatened to unseat Jerry Lewis from his 24 year position as Commissioner of Precinct #3. Lewis prevailed receiving 1,554 (49.05%) votes to Rust's 1,490 (47.03%).

Lewis was going about

business as usual Wednesday with the exception of picking up some of his election signs. He said he was happy about winning.

Rust expressed disappointment in losing the opportunity to serve as county commissioner, but noted that we go on with our lives. Asked about the election he said, "What can I say? The voters made their decision. I still feel that there are some things that need to be done for the county. Maybe this woke some people up." Rust remarked that he had some wonderful experiences as he campaigned for commissioner and had met some people of different

cultures in the county that he probably would have never known otherwise.

Precinct #4 will have a new constable. The incumbent chose not seek re-election. Tony Ward was the Republican nominee and Jodie Vance the Democratic nominee. Ward won the position with 2,273 votes to Vance's 1,470.

David Tharp of Lindsay kept his job as constable of Precinct #1 by claiming 5,105 to his opponent Brand Webb's 3,781.

Cooke County Sheriff Mike Compton was pleased with his victory over opponent Johnny Koonce. Compton carried 8,799 votes to Koonce's 4,472. "I'm obviously pleased with the results," said the Sheriff. "I

appreciate very much the opportunity to serve the people of Cooke County for another four years." He expressed appreciation to all of the people who work at the Cooke County Sheriff's office because he said without the efforts they put forth in serving the people of the county he couldn't do his job.

Compton noted that he, "Plans to continue to enforce the law to the best of his ability, to actively seek out the criminal element, and to try to serve the people of the county in a way that's acceptable to them."

A number of incumbents in the county were unopposed. Included in those fortunate candidates were District Judge Jerry Woodlock, District Attorney Janelle Haverkamp,

County Attorney Tanya Davis, County Tax Assessor-Collector Billie Jean Knight, County Commissioner Phil Young, and Justice of the Peace Bill Freeman.

Although the county elections didn't generate too much suspense, the nation is still waiting to learn who will serve as its next President. Many expressed agitation Wednesday after waiting up for hours to learn who would win. Confusion seemed to be the ruler of the evening as first the news media prematurely awarded key state Florida's electoral votes to Vice President Al Gore and then later retracted them.

At one point the Florida electoral votes were said to have been won by Texas Governor George Bush. Gore

even called Bush and conceded the election to the new president-elect. Some time later it was determined that neither had yet won the electoral votes and Gore took back his concession.

In an election dependent on the majority of electoral votes to win, Florida became the key to the election. Votes were too close to call and a recount of all of Florida's election results was mandated by law. It is thought that it will take at least 48 hours and possibly even up to two weeks before the anxious country learns who will serve as President for the next four years.

Please see election results chart for more information on who specific precinct in the county voted and how the county voted as a whole. See Pg. 6

## Prizes & activities get more interesting as list grows

The Sacred Heart Parish picnic is just around the corner and the auction has some really neat parties to bid on. This is truly an innovation. Ladies and Gentlemen! Get you friends together, check out these parties and pool your money to bid on one or more of them. For those who like the Italian fare, Angelo and Laverna Nasche are giving an authentic Italian meal for 6 to 8 people, it will include drinks and desserts and this party can be given at their house or they will bring it to yours.

Next there is a deluxe brunch for 8 to 10 people with all the trimmings, wine included, given by Herbie and Dolores Miller. People who bought it last year found it superb!

For the fish lovers there are two parties. The first one is a good old fashion fish fry for 12 people given by Leonard Haverkamp and his daughter, Lisa Schilling. Lenny is a very experienced fish fryer. Anyone who has been to one of his fish fries can attest to the fact that it is great. Lisa is also great at the side dishes and she is a very cordial hostess. The party will be held at Lisa and her husband Babe's home.

For those who like to fish, the Bartush Brothers are giving a one day (night) of fishing on the Red River for 4 to 6 people. The brothers will be providing food & beverages. This one is a lot of fun!

For beef eaters, Joe Hoedebeck and John Bartush are once again giving their steaks for 6. Joe and John said "We provide the beef, drinks, and wisdom." You will have to provide the side dishes, but hey what's a few baked

potatoes and salad. For anyone who knows Joe and John will know if you attend this party, you better wear your pants cuffs rolled up because it might get pretty deep!

Those who love the outdoors are sure to love these next two. Bill Dangelmayr and Tom Herr are giving the following outdoor parties. The first one is a wiener roast with games and storytelling by Pat Bowman at the Hopps Ranch Resort. This party will be available between March 2001 and August 2001.

**Don't forget ...  
Top Tin Street  
Rods will be in  
Muenster this  
Saturday!**

The next one will be at the Hopps Ranch Resort, but this one is going to be a chuckwagon Bar-B-Que with entertainment by a singer who performs the old country and western songs. This one is for 8 people and is promised to be a lot of fun. This party will be available between Nov. 2000 and Feb. 2001. Just imagine a big old campfire, food, drinks, and entertainment. What a blast! The Hopps Ranch Resort is a big Ranch south of Muenster and is beautiful.

A couple of the "new kids" in town are the Sweeneys, Rich and Denise. They purchased Jerry and Louise Wimmer's home up in the Weinzapfel addition. They are giving a Hawaiian Pool Party for 12. This includes food, drinks, and

dessert. Of course you will probably want to wait until summer to have this party, so that you can enjoy the pool. It is available until Sept. of 2001. Rich and Denise are a very friendly couple and anyone who purchases this meal will immediately feel comfortable in this couple's home. They are truly a delightful addition to Muenster and this parish.

The last party as of now, is one that everyone is going to want to bid on. It is going to be a progressive dinner. For those who don't know what that is, the explanation is: This party is for 6 people and the 6 people are going to travel to 4 homes to eat. The first place is the lovely Chuck and June Bartush home (originally owned by the Medders). Chuck and June will be serving drinks and appetizers. Next, travel to Jim and Donna Biffle's New home (and it won't be finished until April) for soup and salad and a scenic view of the town. The main course is being served at Lenny and Christel Vogel's beautiful country home. From there, head for the southern plantation owned by Bert and Christy Hesse. They will be serving Christy's wonderful desserts. Don't hesitate about the drive to all these places. Jerry and Billie Fleitman are going to pick you up and drive you in their limo to all the places. What a neat party! You gentlemen can get someone else to bid on it and give it as a Christmas present. Any wife or girlfriend would love that kind of present.

A few more other parties might be added and if anyone out there wants to donate a See PICNIC, pg 2

## Muenster meets United Way 2001 Millennium Club goal

Muenster United Way 2001 Campaign was declared a great success by organizers. The total for Muenster was \$13,504.30. They stated that without the caring people of

Muenster there would not be the activities offered to the youth of this city.

Ben Bindel, division leader for the City of Muenster, said, "The people of Muenster are

the greatest, they have a big heart for helping their neighbors. I would like to thank all of the volunteers who gave of their time to collect the United Way packets and to the people of Muenster for giving so freely to help others."

Nortex Communications was presented the Arley Daurity Award for 100 percent participation. Cooke County Electric Co-op received the Community Excellence Award for \$100 per capita gift and 80 percent participation.

Ben Bindel, Muenster United Way Chairman, presents special awards to local businesses for their support in the recent drive. ## Chamber of Commerce announces dinner theater

by Elfreda Fette and Janet Felderhoff  
The Muenster Chamber of Commerce will sponsor a barbecue brisket dinner theater, to be followed by a melodrama, on Sunday, Nov. 12 at the VFW Hall.

Serving of the meal will begin at 5:00 p.m., catered by Rohmer's Restaurant. Four numbers with singing and dancing will precede the melodrama. Show time is 6:00 p.m. Produced by the Sacred Heart High School (SHHS) Musical Drama Class and its teacher, Pam Fette, the show will definitely tickle your funny bone. "A melodrama," said Pam Fette, "is the ultimate scenario of good versus evil, and good always triumphs. The audience plays an intricate part, as they boo and hiss the villains, and cheer the heroes."

Student director, Jessica Koesler, remarked, "A melodrama is a production that has everything over dramatized. This one has murder, romance, humor, and everything. It's almost like a soap opera - a really funny soap opera though. All of the names in it are even a play on words."

Koesler said that they began

working on the melodrama a couple of months ago and that things are finally coming together. "I was getting scared a couple of weeks ago because it was two weeks until performance and I was very stressed out," she said. "This past week it's starting to fall together really well. We're having our dress rehearsal on Thursday and that's when everything should fall together. Hopefully it will all be perfect on Sunday."

As director Jessica said that she has mainly worked with the actors. She blocked the play telling the actors where they should go on stage and what each was expected to do. She gave each an idea of what their character was supposed to be like and how to portray that character. Jessica cast all of the parts. "Everything that I saw in my head, that's what I thought it was supposed to look like so how stuff is on the set, like the bed for example, where I thought it should be that's where it ended up," explained Koesler. She also plays a part in the melodrama.

This is the first time that a student has taken on the role of director in such a big production at school, said Koesler and Patrick Knapp the

technical director. "We've had student directors before, but never with this much responsibility," Knapp noted.

As technical director, Knapp's duties include building the stage, rigging the sound, system and light trees, and the scenic design. He appointed positions on the technical crew, manages the technical crew and oversees what they are doing.

"Usually the tech crew goes unrecognized and a lot of people don't realize the hard work the tech crew puts in; all the hours that go into stage construction and designing the backdrop from scratch off the top of your head," Knapp commented. "Specifically our stage manager, Tony Moster, who can be given credit for the stage and our adult supervisor David Fette." Koesler agreed, "You can't pull any production off without a technical crew. You can get people up there acting, but it's nothing compared to having the correct lighting. You can't pull anything off without the tech crew. A lot of people don't really realize that, don't think it's as important, but it's just as important as anything." This is the first performance

at which Sacred Heart's Musical Theater Department will be using its newly acquired sound system. It includes a mixer with an effects processor and state of the art wireless body mics. "In the past we had a problem where during our performances we all did real well, but you couldn't hear us," said Koesler. "Or we'd be in an acoustically dead room or something and then you've got the audience to speak over on top of that because you've got your scuffles and what not. This solves the problem of being heard," added Knapp.

The new sound system was acquired through individual donations and fund raisers at school. There was a generous donation from the Arnold Rohmer Memorial Fund. All money raised at school was matched by the Memorial Fund.

Knapp said that although the sound belongs to the Musical Theater Department, it will be used by the entire school. It will be used in most all theater and music productions and possibly even football games.

Dastardly Doctor by Billy St. John, is directed by Jessica Koesler. The cast includes: Nurse Hilda Hatcher - Jessica Koesler; Dr. Dogsbreath Devereaux - Oliver McElroy; Nurse Wendy March - Elizabeth Fette; Nurse Ivy Drupp - Cindy Hartman; Dr. Phil Good - Nick Taylor; Lotta Cash - Katie Cox; Orderly Ward Helper - Tony Koesler; Trixie St. James - Andrea Bonin; Sister Sunbeam - Kate Sepanski; Officer Tommie Gunn - Zach Barnhill; Patients # 1, 2, 3, 4, 5, 6 - Kelly Fetsch; Public Address System Announcer - Tiffany Richey; Melodrama Music - Ruth Felderhoff.

Members of the technical crew include:

Technical Director - Patrick Knapp; Set Construction Manager - Tony Moster; Lights - Adam Taylor; Make-up Artists - Raney Bauer, Jayna Biffle; Costume Design - Lisa Endres, Courtney Hartman, Ashley Walterscheid, Cassidy Patterson; Prop Master - Kimberly Hess, Kate Sepanski; Sound Designers - Patrick Knapp, Jeff Reiter; Set Design and Construction - Tony Moster, Mark Bayer, Jesse Coker, Noah Hess; Set Artists - Christina Weinzapfel, Laura Taylor, Lynn Sicking, and Ashley Walterscheid; Dresser - Raney Bauer, Jayna Biffle, Lisa Endres, Courtney Hartman, Cassidy Patterson; Graphics and Program Designer - John McCoy; House Manager - Frank Klement.

Koesler remarked that she hopes a lot of people attend. "It'll be really funny," she promised. "It's something very different that I don't think the community has seen before. It's nothing like anything we've done before."

Tickets for the meal and event are \$15 per person, or \$25 per couple and may be obtained at the Chamber of Commerce or from any drama students. Ticket sales end at noon on Friday, Nov. 10. No tickets will be sold at the door.

really neat party, call Debbie Hess. There is still time to get it on the auction list.

There will also be some really neat places to go that you can bid on, such as a trip with golf at Tanglewood, up to 5 nights at Park Cities, Utah; a 3-bed/3-bath condo with mountains and fishing, and a cabin in Frisco, Colorado that sleeps up to 8 people. These are just a sample of what there will be to bid on; many other items, homemade quilts, a bar of silver, a boat, and lots more. Look for the item list in your stores.

For more donations or for information call Debbie Hess at 759-2890 daytime or in the evening.

## Valley View CofC plans Veterans Day service

Valley View Area Chamber of Commerce will host a Veteran's Day ceremony on Saturday, Nov. 11 at 10:00 a.m. on the town square. Muenster VFW's honor guard will present the flags and Sacred Heart High's Angelic

Acappella Choir will present special music.

A board will be available for all to post names of veterans who are friends and relatives of those present. Also a board is at the Valley View Restaurant this week for those who want to post names.

A reception of cookies and punch will follow served by Chamber members. The Chamber invites all veterans and their friends and families to attend this event.

John Bartush, left, representing Farm Bureau, presents Muenster fireman Ryan Bayer with a reimbursement check and a certificate. Bayer was sponsored by the Cooke County Farm Bureau and Texas Farm Insurance Companies to attend the 71st Annual Texas Municipal Firemen's Training School held at Texas A&M. Also pictured is Muenster Fire Chief Herbie Knabe.

## Hennigan, Bayer wed in double-ring ceremony

by Elfreda Fette

The wedding of Ethel Catherine Hennigan, daughter of the late Robert and Elizabeth Knabe, and Daniel Charles Bayer, son of the late John H. and Adelaide Bayer, was held in Sacred Heart Church of Muenster on Oct. 21, 2000. Father John Ohner OSA presided for the Nuptial Mass and double ring ceremony at 6:30 p.m.

The couple approached the altar together, with Father John, pastor, and the altar servers. For her wedding, the bride was wearing an ankle-length ivory two-piece dress suit, accented with appliqued flowers and beaded pearls on the front of the jacket. She carried a bouquet of ivory roses, calla lilies and freesia, with narrow satin streamers of the chosen colors, ivory, aqua and royal.

She carried a blue rosary, gift from her sister Frances

Bayer; she also wore a gold cross and chain, gift from the groom.

### ATTENDANTS

Matrons of honor were Diane Ellis of Saint Jo, daughter of the bride, and Frances Bayer of Muenster, sister of the bride. Each wore a royal blue ankle length dress of her own choice design.

Brothers of the groom, Leonard Bayer of Muenster and Clinton Bayer of Muenster stood with him as best men.

Ushers were Billy Hennigan of Saint Jo, bride's son, Daniel Willott, bride's grandson, and Weldon Bayer and Lucas Bayer of Muenster, groom's nephews.

Altar servers were Jonathan Bayer, groom's nephew, Fred and Bridget Ellis, bride's grandchildren.

Wedding music was presented by Ruth Felderhoff organist, Christy Hesse a friend, and Charles Bayer,

groom's brother. Sacred selections were "Edelweiss," "Servant Song," "Panis Angelicus," and "Ave Maria."

Church decorations included altar arrangements of ivory camellias, ivory roses, rust gladioli, gold and blue nasturtiums. The couple presented the flowers to the church.

Participants in the wedding liturgy with Father John Ohner OSA were daughters of the groom Denise Bayer and Melissa Trubenbach who presented Offertory gifts of bread and wine at the altar. Also liturgical readers Frances Bayer and Diane Willott. Eucharistic Ministers were Charles and Carolyn Bayer, Arthur Bayer, Claude and Mary Bayer, and Patti Bayer.

### RECEPTION

A reception, dinner and dance followed at the Sacred Heart Community Center,

hosted by the bride and groom. Darlene Willott, bride's daughter, and Barbara Bayer, groom's sister-in-law, attended the guest book.

The three-tiered ivory cake and the double heart-shaped chocolate groom's cake, made by Betty Rose Walterscheid, were served by Bridget and Fred Ellis, Darlene Willott and son Daniel Willott. The bride and groom's table was served by Gina Galingo, Darlene Willott and Fred and Bridget Ellis.

Guest tables were decorated with ivory candles, blue candles, and flowers of ivory, royal, and aqua.

Since returning from a wedding trip to Branson, Missouri and Eureka Springs, Arkansas, the couple is residing in Muenster.

The rehearsal dinner was hosted by the couple at The Center Restaurant.

## Contest to promote Great American Smokeout

The Muenster Memorial Hospital (MMH) Health Clinic is excited to invite the community to participate with them in the Great American Smoke out. From now until Thursday, Nov. 16, adults and children are invited to stop by the Family Health Clinic to register for prize drawings.

Tobacco use has accounted for an estimated 26,427 deaths in Texas in 1995. That is one in every five deaths in Texas. Anyone age 18 years or older who does not use tobacco or has quit tobacco use is invited to register for a \$25 certificate to the Dutchman Restaurant in Lindsay donated by Schering Sales Corporation.

The average smoker begins at 13 years old and is hooked by 14 1/2 years old. For smokeless tobacco, the average age of regular use is 12 years old. Tobacco use is truly a pediatric disease. Children (below 18 years) may register to win a canister packed with a variety of candies by guessing how many adolescents in the United States smoke their first cigarette each day.

## Art Show is this weekend

Gainesville Area Visual Art will present their annual art show and sale this weekend at North Central Texas College (NCTC). Show hours at the library lyceum are Friday, Nov. 10 from 10 a.m. to 3 p.m.; Saturday, Nov. 11 from 9 a.m. to 3 p.m.; and Sunday, Nov. 12 1 to 5 p.m.

Area artists will present paintings, sculptures, and porcelains. NCTC students of Scott Robinson are hanging the show.

Stop by MMH Family Health Clinic at 509 North Maple in Muenster to register for prize drawings and do your part to increase awareness about the dangers of tobacco use. Prize drawing will be held on Nov. 16, the date of the Great American Smoke out.

Jane Dudley, LUAL chairman (standing) and volunteers address invitations for the annual Light Up a Life Tree Lighting Ceremony.

## Home Hospice sets tree lighting Nov. 26

Home Hospice of Cooke County will hold the annual Light Up a Life Tree Lighting Ceremony at Bealls Department Store in Gainesville on Nov. 26 at 2:00 p.m. Everyone is welcome to attend.

Light Up a Life is an annual holiday fundraising campaign for Home Hospice of Cooke

County. Jane Dudley, Light Up a Life Chairman, is diligently working to make this the most successful campaign ever. "Trees will be located at Bealls and Tom Thumb in Gainesville and Gehrig's Hardware in Muenster," said Dudley. "Individual angels will be placed on the trees in memory,

honor, or celebration of loved ones, and donations for the angels will be accepted at these three locations from Nov. 27 to Dec. 15."

Light Up a Life is an important project to the operation of Home Hospice as it provides necessary funds used throughout the year to provide caring and services to the terminally ill and their families. For more information on Home Hospice of Cooke County or the Light Up a Life Campaign, call 665-9891.

## Klement and Huchton marry in Italy on Oct. 3

Mr. and Mrs. Rex Huchton  
...nee Lori Klement...

**by Elfreda Fette**  
Rex Huchton and Lori Klement were married on Oct. 3, 2000 in San Giorgio Church, Diocese of Milan, Bellagio, Provincia of Como, Italy. Father Lauro Consomi prepared the ceremony and officiated for the Sacrament. Witnesses were Rita Annunziata and Andrea Grisdate, both of Italy.

The bride is the daughter of Steve and Dianna Klement of Muenster.

The groom is the son of Theresa Huchton of Muenster and the late A.J. Huchton.

Rex is a graduate of Muenster High School and Texas Tech University, and is employed as a general manager for Prestige Gunite of Sunol, California. Lori is a graduate of Muenster High School and North Central Texas College, and is employed by Sprint PCS as a Project Manager in Pleasanton, California.

The bride is a granddaughter of Richard and Anna Herr and Tony and Sis Klement, all of Muenster. The wedding date was the wedding anniversary of the bride's late great-great-grandparents.

The bride wore an elegant pure silk satin sleeveless wedding dress enhanced with a fashionable self-fabric shoulder wrap. The skirt was overlaid with floating sheerest tulle. She carried a bridal bouquet of lilies, carnations and roses, entwined with a rosary from her paternal grandmother, Sis Klement, and a gold cross and chain from her maternal grandmother Anna Herr, worn before her by Nancy Webster and all brides in the family since then.

Following the wedding, Rex and Lori traveled for two weeks in Italy. Enroute to their home in Pleasanton, California, they visited relatives in their hometown.

## Support groups available for those with health problems

Support Groups are available for Alzheimer's families or those with other conditions. A support group is a gathering of people with common concerns who meet in an effort to understand and cope with their problems. Through sharing experiences, gaining knowledge, and giving and receiving emotional support, they are reassured that each is not alone in this situation.

Support groups, whether it be for Alzheimer's families or any other condition, are especially valuable to combat the isolation from friends, neighbors, relatives, and the health care system that often accompanies caregiving, and to share the pain the illness inflicts on the patient and the family. Support Group members may come to feel that no one else understands them. In the safety of the group, they

are free to share their pain and anger.

Education is a major purpose and benefit of a support group. At times, Caregivers may request clarification of benefits and entitlement, legislation that affects older people, behavior management techniques, and skills for coping with stress. This can be an opportunity to invite guest speakers or utilize training and education materials such as videos or interactive training curriculum, followed by a question and answer period.

For further information about support groups in the area, as well as other services offered for Alzheimer's patients and their Caregivers, contact Nora Habal at the Area Agency on Aging at 1-800-677-8264 ext. 506, or 903-813-3506.

## MISD 5th-6th attend TMSCA meet

The Franklin Math Meet was held on Oct. 21 in Dallas. There were many schools of all sizes from all over the state of Texas that attended the meet. Over a hundred students competed in each event in each grade level making the competition very tough.

Magnet schools from Corpus Christi, Austin, Dallas, and the Houston area captured many of the top places, while Muenster students competed well, many scoring very well this early in the season. Trophies were given for the top ten places in each event, and medals were given for places 11-20. Places over 20 were not given awards but are listed here because placing that high was still an accomplishment,

taking into consideration the number of competitors and the skill level of the competition.

5th grade students attending and their events were: Christina Eckart, 9th in Number Sense, 15th in Math, and 13th in Science; Laura Heers, 23rd in Math, Number Sense and Science; Kim Patel, Number Sense, Math, and Science; Colton Steelman, 24th in Science, Number Sense, Math, and Science.

6th grade students attending and their events were: Collin Walterscheid, 28th in Number Sense, Math, Calculator, and Science; Krystal Wolf, Number Sense, Math, and Calculator.

7th grade students were: Ryan Fuhrmann, Calculator

and Science; Michael Eckart, Number Sense, Math, and Science; Travis Felderhoff, Number Sense, Calculator, Math, and Science; Malcom Martin, Number Sense and Math, 33rd in Science; Chris Steelman, Number Sense, Math, and Science; Noah Barnhill, Science; Dustin Wimmer, Calculator and Science; Ryan Hennigan, Number Sense, Math, Calculator, and Science; Keith Walterscheid, Calculator, Math, and Science.

8th grade students attending the meet and their events were: Derek Felderhoff, Math, Calculator, and Science; Sean Fuhrmann, Number Sense, Math, and Science; Clint

Miller, Number Sense, Math, and Science; Aaron Walterscheid, Math, Calculator, and Science.

The Texas Math and Science Coaches Association is an organization that was started twenty years ago by Andy Zapata of Azle. It has grown to be a statewide group that promotes extra-curricular and enrichment study of math and sciences through inter-school competition.

Muenster ISD is planning to host a 5th-8th grade TMSCA meet on Jan. 20, 2001 and a high school meet on Jan. 27, 2001. Anyone interested in helping out at either of these meets should contact Jerry Eckart at 759-2281 ext. 652.

## Lindsay Student Council sponsors Red Ribbon Week coloring contest

As part of Red Ribbon Week, the Lindsay Student Council sponsored a coloring contest for Grades K-6. Students in grades K-2 were given a picture with a drug free message to color; students in grades 3-6 were given a brown grocery sack to decorate with a drug free message. The top 12 pictures from grades K-2 will be on display at Gainesville Memorial Hospital during the month of November. The completed grocery sacks were returned to Lindsay Grocery, where they will be used to bag customers' groceries.

Student Council members

judged the art work and the decision was very difficult because all the students did a good job. The grocery sacks showed creativity and innovative thought.

The Student Council announced the winner at the Friday, Oct. 27 pep rally. The winners are: KA, Brienne Sandmann; KB, Cassidy Gum; 1A, Mandy Hess; 1B, Donovan Crabtree; 2A, Katie Nortman; 2B, Kelsey Hermes; 3A, Haley Hughes; 3B, Dax Fleitman; 4A, Kayla Hess; 4B, Kelly Laux; 5A, Chelsea Hermes; 5B, Dillon Ott; 6A, Amy Nortman; 6B, Rachel Zimmerer.

## Hayley is eight now!

Hayley Hess celebrated her eighth birthday on Oct. 29, with a party in her home on Sunday. Theme for the party was "Rugrats." She is the daughter of Gary and Clarissa Hess who hosted the party, with her sisters Kylie and Kinzie. Also present were the grandparents Paul and Marcie Rennels and Gene Hess and Patty Hess; an aunt Crystal Hess; godparents Ryan and Tina Hess; also friends Sydney Hoedebeck, Briana Bindel, Lacey Trubenbach, Alley Trubenbach, Kelsey Pagel, Michelle Henscheid, C.J. Harrison, Diana Vaesquez, Taylor Klement, Lindsay Kelley, and Garrett Miller. The party included birthday cake, gifts, and games.

## Students win Lindsay tourney

Muenster ISD students, Lauren Dangelmayr and Brett Howell, competed in the Lindsay Speech and Debate Tournament in Cross-X debate last Saturday. They walked away with the first place trophy in the experienced division, besting 12 other teams from all classes, some of them state qualifiers from last year in A through 5A.

The teams of Brady Howell and Tyler Walterscheid and Kristian Koesler and Deann Dangelmayr competed well in the Novice Cross-X division which had 21 teams, but did

not place in the top four to advance to the final rounds.

Laura Drachenberg advanced to the finals with her prose interpretation of "The Gift of the Garbage Man", but she did not place in the top three in the finals.

Jennie Hermes competed in Poetry, but did not make the finals in the tough competition.

All eight of these students received valuable public speaking experience at this meet and improved their skills in preparing for future competition.

## Muenster High students compete in Halloween meet Oct. 28 in Fort Worth

Eight students from Muenster High School attended this year's Halloween Invitational TMSCA Meet at Paul Laurence Dunbar High School in Fort Worth on Oct. 28. Chris McLaughlin, Chris Jackson, Pamela Lutkenhaus, Bronya Vogel, Brett Howell, Brady Howell, Mary Skinner, and Paul Fleitman competed against schools of all sizes.

Jackson placed 9th in

Number Sense Regional and State Qualifiers Division and 3rd in Computer Science written. Lutkenhaus placed 7th in Computer Science written and 15th in Number Sense. Brett Howell placed 5th in Number Sense and Brady Howell placed 9th in Number Sense. Vogel placed 18th in Calculator and 11th in Number Sense. Skinner received 13th place in Calculator.

The Computer Science team

of McLaughlin, Lutkenhaus, Jackson, and Brett Howell placed 3rd in Advanced Programming behind 2 teams from Dallas Science and Engineering Magnet. The Computer Science team placed 5th in written and programming behind Science and Engineering, Lamar, Ryan, and Carroll High Schools.

Muenster High School placed 16th overall out of 31 schools and over 300 students.

## Hornets fall to Windthorst in double overtime 6 - 0

The Muenster Hornets hosted the state-ranked district leaders, undefeated Windthorst Trojans last Friday night and were predicted to be defeated by a good margin. But after four quarters of play, the game was tied 0-0.

In the first round of overtime, the Hornets had the chance for the upset of the season, but missed a 27 yard field goal, then allowed Windthorst to score in second overtime play. The win, with Saint Jo losing to Petrolia, clinches a playoff spot for the Trojans.

"I was extremely pleased with the boys' effort. This was the best team effort all year," bragged Muenster Coach Gordon Martin. "They played their hearts out - played like they should play."

Action started with the defenses controlling the game. The teams exchanged punts, then Muenster threw an interception. The Trojans moved the ball from midfield to the Hornet 28 before Muenster stopped the drive. Again it was 3 plays and punt for Muenster as the first quarter ended.

Windthorst carried the ball twice, then fumbled. Dillon Sicking covered the ball for the Hornets on the Trojan 36. Josh Freeman gained eight, but two plays lost 5 yards. On fourth down, a Mitch Endres pass to Brett Howell took Muenster to the 23. Three runs took the Hornets to the 19. On fourth down, an attempted field goal was blocked and the Trojans took the ball on the 29. Two plays later, Greg Johnson intercepted a pass and Muenster regained possession on the Trojan 34.

Endres ran for 11 yards, Freeman added 3, then Endres another 11 to the nine yard line. Freeman took two yards, Cody Cory 5, then the quarterback was caught for a loss. On fourth and goal from

the 3, Muenster attempted another field goal. Again Windthorst blocked the kick and got the ball on their 7 yard line. Muenster's defense dropped the Trojans for a 4 yard loss. A flag and an incomplete pass put Windthorst in a 4th and 7 situation. The Hornets caught the Trojans for a 6 yard loss, giving Muenster a first down on the 3 yard line. A quarterback sack and incomplete pass ended the first half of play.

Windthorst's offense began the 2nd half, gaining only 7 yards, giving Muenster possession on the Trojan 38. Cory ran for a 14 yard gain, but the next play was fumbled and Windthorst took over on their 24 yard line.

The Hornet defense dropped the Trojans for a 7 yard loss, but a flag gave them a first down. Five runs and two incomplete passes gave Muenster the ball at their 34 yard line. A mixture of runs by Freeman, Endres, and Cory moved the ball to the 35, then Muenster punted on 4th and 11.

Windthorst couldn't get a first down and Muenster started the fourth quarter on the Trojan 37. Six runs gained 14 yards, but two incomplete passes gave the ball to Windthorst on their 23 yard line.

The Trojans used most of the remaining fourth quarter, running 13 plays, getting to the Hornet 39 and punting. Muenster got in two runs as regular time expired.

In overtime, the Hornet offense took to the 25 yard line. Cory gained 5, then lost 4. Freeman regained 4 yards and on fourth and 5, a quarterback keeper by Endres got Muenster a first down on the 20. Endres moved the line to the 15, then Cory moved 2 yards, Endres another 4, and Derek Elliott 2

to the 7 yard line. On fourth and 2, an attempted field goal failed and Windthorst took their turn from the 25 yard line.

The first two runs, the Trojans were dropped for 5 yards, then gained 7 before throwing an incomplete pass on fourth down.

In the second overtime, Muenster gained 3, lost 6, threw an incomplete pass, then made no yards on fourth down. From the 25, the Trojans lost a yard, then ran to the 3 yard line, where Matt Lindemann ran in for the winning touchdown.

Muenster will take on Era in the annual Battle of the Hornets this Friday night in Era. Era has had a similar season as we have," said Coach Martin. "It should be a good match-up."

Era started the season with a 25-0 victory over Sacred Heart, then lost to Chico 6-46, Gainesville State School 14-28, and Callisburg 0-35 in pre-district play. District action began with losses to Petrolia 31-37, Saint Jo 8-35, and Windthorst 18-52, before defeating Alvord 28-20 last Friday night. Both Hornet teams are 1-3 in district play. Action begins at 7:30 p.m.

## Tigers take easy win in regular season finale, 41 - 0

The Sacred Heart Tigers took on the Prestonwood Christian Academy Lions Saturday afternoon in Carrollton, but the young, inexperienced team was an easy prey for the Tigers. The junior varsity Sacred Heart players saw some playing time and even scored on the Lions.

"Everyone got to play. We played a lot of young kids, and rested a lot of players," noted Coach Kris Hogan. "I'm proud of the players. This year they had to work long and hard to get where they are. They made a commitment 12 months ago and kept it."

The Lion offense took to the field first, but didn't stay out long. Tackles by Jeff Hartman, Thomas Whitecotton, and

Keith Felderhoff forced a quick punt.

Sacred Heart began their first drive on the Lion 49. Two short runs by Jonathan Krahl and a 14 yard gain by Luke Endres took the ball to the 26. Two Krahl runs later, Sacred Heart was on the scoreboard. John Knabe's kick gave the Tigers a 7-0 lead with 7:02 on the clock.

The Tiger kick landed the Lions on their 8 yard line. A quarterback sack by Hartman delayed Prestonwood, but a flag gave them a first down on the 18. The Tigers kept the Lions from making a gain and they punted. The short kick put Sacred Heart on the 28 yard line. An Endres to Jonathan Yosten pass found pay dirt with 3:32 on the first quarter clock. Knabe's kick gave the Tigers a 14-0 lead.

The Lion offense struggled again and on 4th down, a bad snap was covered by Jeff Hartman for another Tiger touchdown. Another Knabe kick and the Tigers now had a 21-0 lead with 2:28 on the clock.

Prestonwood got in one run, and fumbled. Wes Wimmer covered on the Lion 34. Krahl gained a quick 20 yards, then 14 more for a touchdown. With 1:18 remaining in the first quarter, Sacred Heart had a 28-0 lead after Knabe's extra point.

The Lions threw an incomplete pass, then fumbled. Jared Zimmerer covered for Sacred Heart on the 19 yard line. Three runs by Mikey Bayer and the Tigers scored. Knabe's kick put Sacred Heart in a commanding 35-0 lead as the first quarter finally ended.

Prestonwood got a drive going to start the second quarter. Tackles by Felderhoff, Jeff Reiter, Yosten, Michael Voth, Clint Fuhrmann, and Whitecotton, and a sack by Nicholas Taylor finally stopped the drive near midfield. The next play, the Tigers fumbled and the Lions regained the ball for four more plays.

The Tigers attempted runs by Aaron Walterscheid and Bayer, but soon punted. The Lions carried the ball until the half-time break.

The third quarter started with an on-side kick, which Whitecotton covered at midfield. The teams exchanged possessions as time ticked off the clock. The Lions had three plays and punted, starting the Tigers next drive on their 23

yard line. Bayer ran three times, getting to midfield. Walterscheid picked up 5, Wimmer another 12, then Bayer 10 more yards to the Lion 22. Wimmer got to the 20 and Walterscheid to the 8 yard line. Two Bayer runs were followed by a 3 yard touchdown run by Walterscheid. The PAT was blocked, giving Sacred a 41-0 lead to carry home.

Two plays later, Adam Krahl covered a fumbled ball. The Tiger offense moved the ball from the 35 to the 6 yard line as the game ended.

"Dale Schilling has done a great job - he's a good teacher of fundamentals and leadership. He's been a big asset for us," noted Coach Hogan.

The Tigers will take on Shiner Saint Paul this Saturday in round one of the TAPPS playoffs. Shiner is the third place team in their district and has a 7-3 record for the season.

"They are very big, very physical. They like to pound the ball and run over people," noted Hogan. "Their passing game is very effective and they play a real good run defense - mixing up their defensive plays. Basically it will be two smash-mouth teams going after it this Saturday," the coach concluded.

First place district teams, Rockwall Christian and Hallettsville Sacred Heart get first round byes. Lakehill Christian will play Waco Parkview this weekend. The winners of this weeks' regional games will take on the district champions in the semi-finals next week.

The Tigers game with Saint Paul will be played at Crawford, west of Waco. Game time is 1:00 pm this Saturday.

Field conditions were very difficult as the Muenster Hornets lined up against the vaunted Windthorst Trojans Friday night. The mud and rain seemed to equalize everything and the two teams fought to a stalemate as time ran out and overtime started. Photo by Dave Fette

# Cubs win season finale

The Sacred Heart Cubs traveled to Carrollton Saturday afternoon and brought home a 28-22 victory to end the season with a win over Prestonwood.

The Cubs' opening kick rolled to the 3 yard line and was returned to the 9, where Paul Bartush made the tackle. Four plays later, the Cubs took over at the 18. Runs by Bartush, Andy Davis, and Aaron Krahl took Sacred Heart to the 8. Krahl picked up another 2, then Bartush scored on a six yard run. Bartush then ran the extra points to give the Cubs a 8-0 lead with 2:45 remaining in the first quarter.

The Lion Cubs fought back, taking six plays to move from their 38 yard line to the end zone to tie the game 8-8 with 46 seconds on the clock.

Bartush returned the Lion kick to the Prestonwood 42. Two plays later a Bartush to Clayton Truebenbach pass put the Cubs on the 9 yard line. Bartush ran in for 6 points, and then threw a pass to Truebenbach for the points after and a 16-8 lead with 6:56 remaining in the first half.

Prestonwood struck back quickly. A 55 yard run took the Lions to the 22 yard line. Three plays later, Prestonwood tied the game 16-16.

From their 22 yard line, Bartush's pass to Jordan Smith picked up a quick 22 yards, but three straight plays for lost yards forced a punt on 4th and 22.

The Muenster Junior Varsity football team was defeated 24-0 by the Windthorst Trojans last Thursday in Windthorst. It was the last regular scheduled game for the JV.

Muenster took the ball on the opening kick, could not get the needed yards, attempted a punt, but a high snap gave Windthorst a two-point lead with 7:53 on the clock.

Daniel Russell and Colby Newton made the stop on the Trojan kick return. Three plays later Windthorst scored on a 39 yard run. The extra points were good for a 10-0 score with 6:23 remaining in the first quarter.

Dustin Hiser returned the kick to the Hornet 35. The next play, Muenster fumbled and Windthorst took the ball on the 37. It took ten plays and the Trojans had an 18-0 lead with 1:15 on the clock.

Again, on the first play from scrimmage, Muenster fumbled giving Windthorst the ball on the Hornet 20. As the second quarter began, Tyler Walterscheid intercepted a pass for a touch-back.

Muenster got a drive going as Jake Freeman took the ball from the 20 yard line to the Windthorst 35 in four runs. A face mask flag took the Hornets to the 21, where Freeman gained another 8. Two unsuccessful pass plays and a motion call gave the Trojans possession on their 17 yard line.

The Hornet defense, with tackles by Freeman, Kirk Hartman, Kyle Endres, and Cameron Walterscheid was followed by a fumble caused by Hartman and covered by Russell on the 19 yard line.

Runs by T. Walterscheid and Hiser were assisted by a pass interference flag to the 8 yard line. A motion flag, a fumbled snap, and a quarterback sack put Muenster in a 3rd and 24 situation with 12 seconds on the clock. Two incomplete passes ended the first half.

Tackles by Truebenbach and Jacqueline Bauer delayed the Lion drive before punting the ball away on 4th down.

The Cubs struggled on their next drive, punting the ball away. Prestonwood ran 15 plays, slowly moving from their 46 yard line to the Cub 8 as the third quarter ended. On fourth down, the Lions scored to take a 22-16 lead.

Sacred Heart quickly tied the game again when Bartush returned the kick 70 yards for a 22-22 tying touchdown with 5:37 remaining in the game.

The Lion Cubs got a good drive going with 12 plays moving them from their 7 yard line into the Cub side of the field. Tackles by Bauer, Neil Bayer, and Davis then gave Sacred Heart possession on the Lion 30 yard line.

Several Bartush runs, the final for five yards, gave the Cubs a 28-22 lead with 1:05 left on the clock.

Prestonwood attacked the Sacred Heart defense, going to the air, but pass defensive plays by Davis and Stephen LaChance delayed the drive as time ran out, giving Sacred Heart a 28-22 victory.

The Cubs completed the season 8-1, outscoring their opponents 303 to 68 for the season. "These players will be a great asset to the future Sacred Heart High School program," bragged Coach Dale Schilling.

# Claude Walter family runs in Marine Corps marathon

This account of her family's participation in the Marine Corps marathon in Washington D.C. was submitted to the Muenster Enterprise by Nancy Walter at our request. It gives a very good description of the demanding training that must precede a marathon run of 26.2 miles and of the euphoria experienced by runners when they realize: "I MADE IT!!!"

It all started around New Year's Day when our daughter, Amy Walter of Arlington, Virginia, challenged her family to run the Marine Corps Marathon in Washington, D.C. Her dad, Claude Walter, took her up on it immediately, then her sister Tammy and her husband, Don Badon, decided that they would join. Alan, her brother, had such long working hours that he was unable to fit the training into his schedule. Rachel, her youngest sister, didn't even have to think about it. She immediately replied, "No way!" I was having a difficult time deciding what to do. I knew I would feel left out if I didn't do it, but 26.2 miles is a long way to go, but it was January and Oct. 22 seemed a long time away. So, reluctantly I said I would join them.

Our training began in April and by the middle of the hot summer, I couldn't believe I said I would do it. Not only was I having trouble finding shoes that fit my feet without causing blisters, but on our really long runs we had to get up at 4 a.m. to get finished before it got too hot. I couldn't imagine why anyone would want to do this and vowed I would never do it again.

As the day drew near, we were all very excited. My excitement stemmed from the fact that I knew it would soon be over, plus Alan decided to come with us and be a part of our support group, thus most of the family would be together.

The day of the race was an absolutely beautiful day, with the fall foliage at its peak. Approximately 17,800 runners met at the Iwo Jima Monument where the race began, not to mention the thousands of people that were there to cheer everyone on. We learned that all the marines were required to either run or work, so it was not uncommon to see lots of marines giving us high-fives, handing out water, fruit, bagels and jelly beans.

The miles slipped by as we passed the Lincoln Memorial, Pentagon, Arlington Cemetery, the Capitol, Union Station, Washington Monument, Smithsonian Institutes, Haines Point, and back to the Iwo Jima. Even Kermit the Frog and a British court jester ran. At one point we were serenaded by bagpipe musicians and drummers played at another. We all had our names on our shirts and the "personal" encouragement gave us a real boost. Amy had friends that were plotted along the way with signs and candy. Some even ran short distances with us.

What an exhilarating feeling as we all finished the race and medals were placed around our necks! I have to admit it was a fantastic experience and just maybe I could be coaxed into doing it again. However, when we got back to Texas and started running again in the humidity without all the hoopla, I've had second thoughts. Maybe a half-marathon would be just fine next time!!!

The Hornets began their next drive on their 23 yard line. Unable to gain ground, a roughing the passer flag gave Muenster a first down on their 40 yard line. A motion flag was followed by a 3 yard run by Hiser, a quarterback sack, incomplete pass, and a Ledbetter punt. Two plays later, Hartman caused another fumble and Freeman covered at the Windthorst 30. On third down, Muenster fumbled the ball back to the Trojans. Tackles by Hiser, Andrew Milburn, Ledbetter, C. Walterscheid, Freeman, and Joseph Dangelmayr held the Trojans to four runs as time ran off the clock.

The Muenster JV has scheduled a game at Saint Jo this Thursday evening against the Panthers. Both teams were idle this week, so the two schools will have a rematch.

# 8th grade Stingers suffer last quarter heartbreak

As lightning bolts danced in the sky around Windthorst last Thursday night, the charged-up Stingers fell 26-24 to the 8th grade Spartans.

John Fredrick returned the opening kick to the 42 yard line. A Sean Fuhrmann pass to Fredrick on the first play of the game, turned into a 58 yard touchdown run. Clint Miller ran in the extra points for a quick 8-0 Muenster lead.

Three plays later, the Spartans scored on a 52 yard pass play. Jared Britain stopped the extra point attempt for an 8-6 score with 5:59 still on the clock.

After Muenster returned the ball to the 40, Britain ran 60 yards for another Stinger touchdown. Fuhrmann ran in the points after for a 16-6 Muenster lead.

Windthorst fought back, scoring on an 80 yard run for a 16-14 score.

Muenster carried the ball into the second quarter with runs by Miller and Britain before running out of downs and punting, putting Windthorst on their one yard line. Tackles by A.J. Fleitman and Fuhrmann and an incomplete pass was followed by a short punt, putting Muenster on the 19 yard line. Miller ran for 7 and Britain 8 for a 1st and goal on the 7 yard line. Miller picked up two,

Fuhrmann one, then Britain scored from the four. With 2:13 remaining in the first half, Britain added the extra points for a 24-14 Muenster lead.

The Spartans ran out the time to the half-time break. Windthorst took the third quarter kick, but tackles from Britain, Chase Cain, and James Fanning forced a punt after three unsuccessful runs.

Four Miller runs came up a little short and Muenster lost the ball on downs. With a minute on the clock, Windthorst scored after 6 plays. The extra points failed for a 24-20 score.

As the rain continued to fall, Windthorst covered an on-side kick. After the Spartans reached the 20 yard line, Muenster's defense, led by Britain and Cain stopped the drive near the 10 yard line.

Good runs by Fuhrmann and Britain got the Stingers into Spartan territory. A flag called back a touchdown play, then Muenster couldn't move the ball, giving it back to Windthorst. The next play, with 1:38 remaining in the game, the Spartans ran a 60 yard touchdown to take a 26-24 lead.

Fredrick returned the kick to the Windthorst 30- yard line, but the next play was fumbled and the Spartans killed the clock for a victory.

# Young Stingers battle Trojans in 8-6 defeat

The Muenster seventh grade Stingers fought to an 8-6 defeat last Thursday in Windthorst.

The Spartan offense took the field to begin action, gaining a first down before tackles by Jordan Walterscheid, Ryan Hennigan, Noah Barnhill, Kit Morrill, Travis Felderhoff, and a sack by Keith Walterscheid gave Muenster the ball on downs.

The Stingers gained only two yards and punted. Windthorst drove the ball into the second quarter. Malcolm Martin dropped the quarterback twice. Felderhoff knocked down a pass, and tackles by Chris Steelman, Martin, and Keaton Haverkamp stopped the drive, giving the Stingers possession on downs.

Derek Endres got in a 16 yard run before Muenster fumbled the next play. Three plays later, Windthorst scored on a 30 yard pass play. Another pass gave the Spartans an 8-0 half-time lead.

Dustin Wimmer returned the 3rd quarter kick to the 42 yard line. Endres gained 5, then 18 yards behind the blocking of Greg Price. Endres ran three more plays, the final a 25 yard touchdown run behind a down-field block by Casey McAden. The PAT pass was intercepted for a score of 6-8.

The Stinger defense, with tackles by Barnhill, Ryan Fuhrmann, Morrill, Felderhoff, and Martin, dropped the Spartans for an 8 yard loss, forcing a punt.

Muenster carried the ball into the final quarter. Assisted by a flag, a Walterscheid to Wimmer pass took the ball to the 43 yard line before Muenster ran out of downs.

The Windthorst offense controlled the remaining time in the game, running ten plays to the 15 yard line before the clock ticked to all zeros.

# Knights lose to Celeste

The Lindsay Knights traveled to Celeste last Friday night with high hopes of capturing a playoff spot. A win would have given Lindsay a second place in the district, a four point victory would have put the Knights in first place. But it didn't happen.

The Knight defense held the high-state ranking Blue Devils to only four first downs, 31 yards rushing, and 34 yards in the air. At half-time, when Celeste went into the locker with a 6-3 lead, the Devils had gained only three yards and didn't have a first down. Lindsay also held Celeste's state-rated running back Andrea Rector to only 29 yards in 16 carries. The rain and the mud caused a few problems for both teams, a wet ball, slippery footing, but fumbles for the Knights were minimum.

"We won everything but the score," noted Lindsay Coach Charlie Meurer. "That makes two district games we lost by a point. The guys played extremely well. They did what they had to do to win, but we just didn't get the break." Meurer noted that the Knights had three times as much offense, but didn't get into the end zone. A fumbled snap on a punt was the only break Celeste needed to get the win.

Celeste kicked off to start the game. The Knights gained six yards and punted. Tackles by Skyler Shauf and Tommy Arendt and an incomplete pass forced a Devil punt. Adam Anderle and Brad Minnix picked up 7 yards, then Lindsay punted again. Marcus Dennis made the stop on the punt return. Again the Knight defense, with tackles by Shauf, Josh Goldsmith, Arendt, Anderle, Minnix and Mitch Creed made Celeste punt on 4th and 16.

Anderle and Minnix ran for seven, then Anderle broke away for a 44 yard run to the Celeste 35 yard line. A Nicholas Fuhrmann pass to Anderle carried the Knights to the 8. An unsuccessful run, an incomplete pass, and a 3 yard gain by Anderle gave Lindsay a 4th and goal on the 5 yard line to end the first quarter.

Jonathon Klement booted a 22 yard field goal to give Lindsay a 3-0 lead to start the second period of play.

Chris Horner, Brandon Ferguson, and Creed ganged up and stopped Celeste's kick return at the 25 yard line. Goldsmith, Matt Baugh, and Minnix held the Devils for a loss, forcing another punt. The Knights' next drive ended early when Celeste covered a loose ball, but again the Knights held and the Devils punted.

The teams exchanged punts, with Lindsay spotted on the Devil 12 yard line with 1:55 on the clock. Anderle and Fuhrmann gained 9 yards on three runs, but a flag put the Knights on the 16 yard line with a 4th and 6 situation. A low snap to the punter allowed Celeste to block the punt and run it in 6 yards for a touchdown. The PAT kick failed and the Blue Devils took a 6-3 lead with 43 seconds remaining in the first half. The Knights killed out the remaining time.

The third quarter started with Celeste's first drive of the game, moving from their 23 yard line to the Knight 34 in eight plays. On 4th and two,

Ferguson, Goldsmith, and Baugh stopped the drive, giving the ball to the Knights.

Lindsay gained only 3 yards, punted, then regained possession after seven plays. Fuhrmann returned the punt 25 yards to the Knight 35. A holding flag backed Lindsay to the 25, punting after three unsuccessful runs. A face mask flag assisted the Devils to their 41 yard line as the final quarter began. It was again 3 runs and punt for Celeste, putting the Knights on their 11 yard line.

Runs by Fuhrmann, Anderle, and Minnix gained 10 yards, then Anderle picked up a quick 23, and Minnix another 10 to the Devil 45. The Knight offense struggled, but a Celeste face mask kept the drive alive at the 29. Minnix and Anderle got to the 17 in 3 runs, with Anderle getting another 8 before Fuhrmann was sacked for a 5 yard loss on fourth down at the 14.

The next play, Celeste fumbled, Minnix covered, and Lindsay had the ball 14 yards from the end zone and 3:30 remaining on the game clock.

Anderle ran twice and Minnix a yard to the 6 yard line. On fourth and two, the Devils caught Lindsay in the backfield, taking over at the 8 yard line with 2:30 on the clock.

The Devils took a knee, fumbled the ball, were flagged for a delay of game, took another knee, another delay, and set up on the two yard line on 4th and 13 to punt. The ball was hiked over the punter and the Knights were given a safety. With 59 seconds on the clock, the Knights trailed 5-6.

The free kick by Celeste put Lindsay on the Devil 39. Minnix picked up 6, then an incomplete pass and false start penalty set the Knights on the 38. Anderle ran for 3, and on 4th and 12 with 16 seconds on the clock, Celeste intercepted a pass, ending Lindsay's chance to make the playoffs.

### Next Action

The Knights finish the season this week, hosting Quinlan Boles Home this Friday night.

Boles Home was a 9-3 playoff team last season, struggling with injuries this year.

Boles has some good players with some injured starters back on the field," said Meurer. The player to watch is 6'2", 215 pound Kevin Kiper, who has been out most of the season, but suited out last week. Kiper was a unanimous all-district pick both ways last year, with 108 tackles - 18 for losses.

The Knight game with the Hornets will begin at 7:30 in Lindsay.

# Lady Knights advance to state Nov. 4

The Lady Knights of Lindsay participated in the Regional III, Class A Cross Country Championships on Saturday, Nov. 4, finishing as the third place team. Era took the championship with 35 points, Detroit followed with 66, and Lindsay finished with 95. No other local schools participated in this regional competition at Huntsville.

Individually, Jurant Skelton of Era finished in first place with a time of 14:15. Whitney Neu of Lindsay was 9th finishing at 15:38. Era's Melissa Metzler and Brooke Endres were 11 and 12 with Michelle Clarke coming in 16.

Lady Knight Megan Ward's time of 16:09 placed her in 17, followed by Ellen Bezner and Stacie Garner, number 23 and 24, clocking in at 16:28 and 16:31.

Jacque Bezner finished 31, Melanie Brown 39, and Hannah Trammell 55, with times of 16:54, 17:09, and 17:41.

Rounding out Era runners and their placements were Shea Skelton 33, and Ashley Ford 40.

The Knight Cross Country team finished fourth overall at regional.

# Another new winner in football contest

In the second to last week of the regular season of Texas high school football, the Muenster Enterprise football contest had Wayne Klement win week 9, missing only two games. Noah Barnhill came in a close second with 17 correct guesses.

Missing four games were LeRoy Buddy, Mickey Haverkamp, Wilfred Bindel, Mike Stoffels, Dave Reiter, Tim Bindel, Ted Heers, and Edgar Dyer. Low score of the week was 14.

Getting closest to the tie-breaker score Lindsay 5, Celeste 6, was Charles Edwards with a 7-13 guess.

Sixteen contestants missed Denton Ryan's loss to Demison, while 11 picked Saint Jo over Petrolia, nine missed Gainesville, and a dozen picked Aubrey over Callisburg. Three missed the Era game and Lindsay lost. Everyone correctly picked Sacred Heart

### ANNUAL HOLIDAY PROGRAM SCHEDULED

The holiday season will soon be here. Preparation has already been started by many.

To give people ideas-a special program, "Holiday Creations", is scheduled for Thursday, November 16.

The first program will be from 9 to 11 A.M. A shorter version will be held at 12:00 noon to allow working women to attend on their lunch hour. The third program will be presented from 6:30 to 8:30 P.M. All programs will be in the First Christian Church, 401 North Dixon Street, Gainesville.

"Holiday Creations" will be presented by Evelyn Yeatts, County Extension Agent-Family and

Consumer Sciences, and members of the Extension Service Family and Consumer Sciences Committee.

Ideas will be given for holiday food for family and friends. Other ideas will be shown for holiday decorating. Another part of the program will be simple food and decorating ideas for children.

There will be a tasting of some of the foods at the program close, and a recipe and directions for crafts booklet will be given.

There will be a \$5 admission charge to cover expenses for the program.

To register for the program stop by the Extension Office in the Courthouse basement, or call (940)

668-5412. You may also register by mailing a check to: Evelyn Yeatts, CEA-FCS, 100 South Dixon Street, Courthouse B-12, Gainesville, Texas 76240-4786. Make the check payable to F.C.S. Committee.

*The program is open to people of all ages regardless of socioeconomic level, race, color, sex, religion, disability or national origin. The Texas A&M University System, U.S. Department of Agriculture, and County Commissioners Courts of Texas Cooperating. Individuals with disabilities who require an auxiliary aid, service, or accommodations in order to participate in this program are encouraged to call (940)668-5412 for assistance.*

You have been sued. You may employ an attorney. If you or your attorney do not file a written answer with the clerk who issued this citation by 10:00 A.M. on the Monday next following the expiration of 42 days from the date of issuance of this citation, that is to say on or before 10:00 A.M. of Monday, November 27, 2000, a default judgment may be taken against you. The petition of J.R. and ADAM SEITZ, Plaintiff, was filed in Cooke County, Texas, on the 12 day of October, 2000, against BOOTS MCKENNA, W.G.T. NEWMAN, THOMAS NEWMAN SMITH, CHLOE ELLINGTON BLANTON, JIMMIE TROUT, WILLIE CLAIRE BRINGMAN, EDWARD J. LIPSCOMB, HENRY OEHMAN, JR., HENRY MEIERS, VALENTINE MAUPIN WOOLHAM, or the unknown heirs or legal representatives in the above entitled and numbered cause. The Plaintiff brings this suit for the purpose of having a receiver appointed of the interests of Defendants in the oil, gas and minerals in, on and under and that may be produced from the following described land in Cooke County, Texas, to-wit: 50.00 acres of land, more or less, being part of the JOSEPH MILLER SURVEY, Abstract No. 684, Cooke County, Texas, being more particularly described as follows:

BEGINNING on the East boundary of the said Joseph Miller Survey, 531 varas South of the Northeast corner of the same and at the Southeast corner of a 50 acre tract willed to Elizabeth Searce by will of Joseph Miller, deceased;

THENCE West 531 varas to corner;

THENCE South 531 varas to corner;

THENCE East 531 varas to corner;

THENCE North 531 varas to the place of beginning, AND

Being the same land as described in a Warranty Deed from Grady Ballard et al to James Ware et ux, recorded in Volume 343, Page 623, Deed Records of Cooke County, Texas.

and that said receiver, under orders of this Court wherein this suit is filed shall have the power and authority and be directed by said Court to execute and deliver to a lessee or lessees and oil and gas lease covering the interests of said Defendants upon such terms and conditions as may be prescribed by the Court, for costs of suit, and for such other and further relief as Plaintiff may be entitled to at law or in equity.

The interest of Defendants in above described land is as follows:

BOOTS MCKENNA	3.21875 acres
W.G.T. NEWMAN & THOMAS NEWMAN SMITH	0.260517 acres

# Farm & Ranch

## Committee to review resolutions

Farm policy is likely to be a hot topic as farm leaders from across the state convene Nov. 6-8 at the Texas Farm Bureau headquarters in Waco to review proposed resolutions from county Farm Bureaus. The resolutions that eventually become Texas Farm Bureau policy will guide the activities of the state's largest farm organization during 2001.

The committee will consider resolutions on international trade, national policies, property taxes, farm programs and numerous other issues affecting agriculture. The committee will meet against

the backdrop of a Texas agricultural crisis as producers are suffering from both drought and low commodity prices.

"The United States must continue the search for a sound, long-term national farm policy, and Farm Bureau will continue to propose various elements of such a policy," said Delmas McCormick, TFB vice president, who will chair the committee. "Farmers and ranchers must be able to make a profit while providing our nation's food and fiber."

The committee members will edit and consolidate the many

resolutions into a policy development packet, which will be considered by the TFB convention delegates on Nov. 26-29 at the TFB State Convention in Arlington. State resolutions approved there will become official policy of the TFB for 2001.

Donald Patman, president of the Texas Farm Bureau, said the organization devotes a great deal of time and resources to policy development.

"It's one of the most vital things a farm organization can do," Patman said. "We are confident that the results of this process is what Texas farmers and ranchers want their Farm Bureau to get done."

## SWCD sponsors tree and seed programs

The Upper Elm-Red Soil and Water Conservation District (SWCD) is sponsoring its annual seedling tree program for area land users. The purpose of the program is to encourage the planting of trees for conservation and wildlife benefits.

Hardwood and conifer trees are available. Adapted hardwood species include Red oak, Green ash, Sand plum, Russian olive, and Aromatic and Flameleaf sumac. Conifers available include Afghanistan pine, Austrian pine, Arizona cypress and Red cedar. Wildlife packets are also available to enhance wildlife habitat and provide food for quail, deer, turkey, and squirrels.

The cost of the seedlings is \$25.00 for a bundle of 50 hardwoods or \$48.00 for 100 and \$1.75 to \$2.50 per tree for the conifers. The wildlife packets are \$48.00 for 100 trees.

In addition to the trees, the district also sells grass and wildflower seed.

The USDA Natural Resources Conservation Service (NRCS), formerly the Soil Conservation Service, is the technical agency that assists the Upper Elm-Red SWCD in carrying out its programs. For information on the tree program or the seed program, contact the SWCD or the NRCS in Gainesville at 940-668-7794 ext. 3.

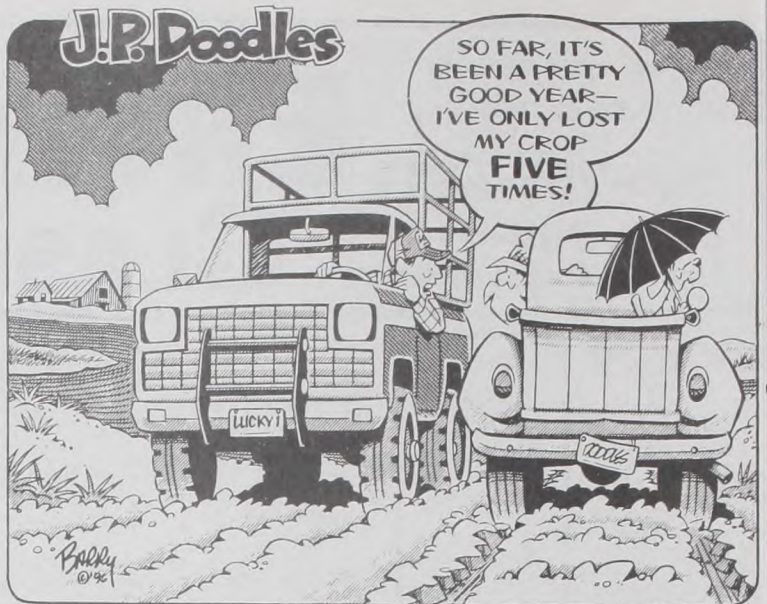

## - Dairies decline -

U.S. milk production is increasing, while the number of dairy farms continue to decrease, according to a report released by the American Farm Bureau Federation.

The report indicates there were 83,025 U.S. dairy herds in July, a decrease of 4,502 herds, or 5.1% from last year.

The report shows Texas lost 134 dairy herds, from 1,259 in 1999 to 1,125 this year, to register a 10.6% decrease. Since the survey's first effort in 1992, the U.S. has lost 36.9% or 48,510 of its dairy herds.

From 1992 to 1999, average milk production per cow increased from 15,570

### USE LEAVES FOR COMPOST

Autumn is here, and with it comes the yearly chore of keeping the lawn free of fallen leaves. They should be removed from the lawn, since a heavy blanket of leaves can smother a lawn if allowed to remain. In previous years, leaves were burned or hauled to the dump to be burned or buried. Air pollution controls have made the smell of burning leaves a thing of the past. Actually, leaves are much too valuable to burn. A better procedure is to compost them, to provide a ready source of composted soil for use in preparing flower and shrub borders, potted plants, and top dressing for the yard.

The simplest method of composting leaves or other vegetable matter is to build up alternate 4- to 6-inch layers of vegetable matter with 2 to 4-inches of good garden soil. Sprinkling a commercial fertilizer on each layer of vegetable matter will hasten decomposition. One-half pound or one cupful of 10-10-10, 10-6-4, 10-20-0, or the equivalent, per ten square feet of vegetable-matter layer is sufficient. Manure, if available and free of weeds, may also be added to good advantage to the soil layer.

The compost pile should be 4 to 6-feet wide, and of any desired length. The top layer should consist of soil, and the surface of the pile should slope toward the center, forming a basin to hold water. The layers of leaves should be watered thoroughly as they are spread out, and when the pile is completed, additional water should be added periodically to keep the material moist but not soggy.

The compost should be turned or mixed with a garden fork or shovel every three or four months, and within six months to a year, it should be ready for use.

### WASPS IN HOMES

We have received several calls about wasps going to attics of homes. This is the time of year that paper wasp (red wasps, yellow jackets) females are hunting places to overwinter. The females are bred, then leave their paper nests to find winter protection and emerge again in the spring to build new paper nests and start a brood. Other overwintering sites are behind loose bark on trees, cracks, crevices or similar locations.

There are instances where yellow jackets build nests in walls of homes. When attempting to control any wasp, or bee, you should wear protective clothing, treat late in the evening, and during cool weather when insects are least active.

### MAJOR SWINE SHOW VALIDATION

If you plan to show swine at the major livestock shows (Ft. Worth, San Antonio, or Houston) you **MUST** validate Barrows on Monday, November 27 at 3:00 p.m. at the Valley View Project Center. Dr. Horn will start pulling blood at 3:00 p.m. and will be thru by 5:00 p.m. If you are going to validate, you must be there during that time. NO EXCEPTIONS! Hogs may be brought down any time that day, or you can bring them the night before and leave them in the Ag facility if necessary, but you must call ahead to make arrangements and you must bring your own pens. If parents cannot be there-all signatures must be completed beforehand. *This will be the only validation.* Call Bob Andrews at (940) 726-3522, if you have any questions.

### MAJOR LIVESTOCK SHOW ENTRIES DUE

4-H'ers planning to enter the major livestock shows (Ft. Worth, San Antonio, or Houston), will need to fill out entry form(s), and pay entry fees on Wednesday, November 15. An entry meeting will be held that evening at the Cooke County Fairgrounds, beginning at 6:00 P.M. 4-H'ers and their parents must be present to sign all entry forms. If you have any questions, call the Extension Office (940) 668-5412.

### COOKE COUNTY YOUTH FAIR

All 4-H market animals, breeding animals and horse entries, except steers, are due in the Extension Office on November 29, 2000. All entries must be made on an Official Entry Card (one entry per card). All entries must be complete (filled out, dated, signed and entry fee money must accompany the entry card(s)) before an entry will be accepted. The fee of \$5 per entry is due when you turn in your entry card(s).
