Tax burden shifts to younger voters in Cooke County as tax freeze passes

By Janet Felderhoff

Proponents of a County ad valorem tax freeze on residence homesteads of the disabled and those who are 65 years of age or older and their spouses turned out in full force for the Nov. 8 election. The Proposition for Cooke County passed with 4,950 voting for it and 1,193 against. Total voters for Tuesday's election in Cooke County was 6,330. Of that number, 1,745 cast early votes.

What the impact of the new tax freeze will be, remains to be seen. Members of the Commissioners Court at one time said it would either cause a tax increase for other taxpayers or cause some services to be cut or eliminated.

"I'm glad that we had as good a voter turnout as we did for a Proposition election," remarked County Judge Bill Freeman. "I'm proud that the people had the opportunity to cast their ballot for or against it without the Court having to make the decision without public input." Judge Freeman said that he had not taken a side for or against the Proposition. He noted that he would gain an advantage from it in a short time.

Judge Freeman explained that what the Proposition will do is to freeze the maximum amount of tax dollars that disabled or 65 and over individuals will pay at the amount they are paying to the County this year. "It doesn't freeze the appraised

value or the tax rate, he noted. "It freezes the maximum amount of tax dollars that the individual will pay. The amount can go down if the rate or value goes down, but it can't be any higher than the dollar amount paid this year." This applies to homestead property only and only for as long as that individual owns that property.

How the County budget will be impacted Judge Freeman said he is taking a wait and see attitude. Definitely if taxes need to be increased, the burden will be on property owners under age 65, those with investment properties, and businesses, he said.

Muenster has two voting precincts, #17 and #18. Voter

participation was low compared to national elections, but was higher than anticipated. County Clerk Rebecca Lawson reported that both Precinct #17 and #18 ran out of ballots. More ballots had to be xeroxed and were sent over by the Cooke County Sheriff's Department. The copied ballots required hand counting, which took about 30 minutes extra. Lawson said these totals were then added to the other ballot totals. Some voters caught in the shortage, waited about 40 minutes for the ballots to arrive. Others left and came back and were caught in another shortage that caused them to wait again.

Voters in Muenster seemed to be about evenly divided on the tax freeze issue. In Precinct #17, there were 79 votes in favor of the Proposition and 69 against. Precinct #18's total had 295 votes in favor and 269 against.

Brazos Electric Cooperative has been replacing the older wooden highline poles with taller, stronger concrete and metal poles. The project began at the switching station east of St. Jo and will terminate at the Valley View station. The new poles are designed to accommodate the heavier wires set to be installed in order to raise transmission capacity for the area. Brazos serves 17 electric distributors, including Cooke Co. Electric Cooperative.

United Way continues quest for more funds

Cooke County's United Way Agency Director Angie Hare said at a luncheon last Friday that the annual fund-raising campaign is not over.

The football-themed luncheon held Friday at the Gainesville Civic Center was intended to be a celebration of the United Way's completion of reaching its fund-raising goal. For 2006 the goal is \$327,000.

"Even though today is our 'celebration' awards luncheon, the campaign is not over," Hare said in a statement Thursday. "This is the first time in Cooke County's history that we did not make goal by the celebration date. It's okay — we are still going to make it, it's just going to take a bit longer. There is quite a bit of money out there that has already been solicited, just not finalized. If all who gave last year would give this year, we'll make it! We're confident that it is going to happen — it has to."

The banquet went on as scheduled and awards were given to organizations and businesses which raised the most funds. Award winners are as follows:

- The Pacesetters (called at the banquet "cheerleaders" and "advance scouts"), are companies that "set the pace" by being among the first to give. They are Alan Ritchey, Inc., City of Gainesville, First State Bank, Gainesville ISD, GNB Financial n.a., Nortex Communications, North Central Texas College, North Texas Medical Center, and Wal-Mart Supercenter.

- The Arley Daurity Award (MVPs), for 100% employee participation, went to W.E. Chalmers Elementary School, Edison Elementary School, First State Bank, GNB Financial n.a., Gainesville High School, Gainesville ISD, Gainesville Junior High School, Nortex Communications, and Robert E. Lee Intermediate School.

- The Community Excellence Award, for \$100 per

capita and 80% employee participation, was presented to Cooke County Electric Co-op, GNB Financial n.a., and First State Bank.

- The Gold Award (All-State Team), for \$60 per capita 60% employee participation, went to Connectra Fusion Technologies and Nortex Communications.

- The Silver Award (All-District Team), for \$50 per capita and 50% employee participation, went to Alan Ritchey, Inc., North Texas Medical Center, and Wal-Mart Supercenter.

- The Bronze Award (All-Star Team), for \$40 per capita and 50% employee participation, was accepted by Lindsay ISD.

- The Small Business Award (for companies of less than 25 employees) went to American Bank of Texas, Area Agency on Aging of Texoma, Boys and Girls Club of Cooke County, CASA of North Texas, Cooke County Friends of the Family, Donna G. Doty, CPA, Dustin Office Machines, GISD Operations and Transportation, Girl Scouts Cross Timbers Council, Jim Goldsworthy State Farm Insurance, Muenster State Bank, Ronald Reedy CPA, Saint Mary's School, Tierra Company, VISTO, Wilhite Land Surveying, Inc., and Wright and Wright Insurance.

- The Chairman's Award, with one-third of its employees giving \$100 or more, went to the Gainesville State School and Muenster State Bank. Gayla Blanton and Rick Hanning, members of the United Way board, organized the luncheon and awards ceremony. Dinner was served by Rohmer's Restaurant of Muenster.

United Way was formed to reduce the number of requests of individuals and companies and to spread the donations and resources across the agencies it helps. For the year 2006, the United Way Allocations Committee voted to fund the following local organizations: American Red Cross, Area Agency on Aging, Boy Scouts of America Longhorn Council, Boys and Girls Club of Cooke County, Boys Baseball of Cooke County, CASA of North Texas, Cooke County Child Welfare Board, Cooke County Friends of the Family, Cooke County VIP Special Olympics, Cooke County Youth

City considers the benefit of third party building inspector

By Janet Felderhoff

Monday evening Mike Doughty of Bureau Veritas outlined the benefits of contracting with a third party building inspector. He addressed the Muenster City Council at its regular meeting held Nov. 7.

Doughty explained that his company is known in the

industry as a third party building inspection company. They offer services of building inspections and plan reviews to cities of all sizes.

They do a large percentage of third party inspections in Fort Worth and also do them for small cities such as Valley View. Some in the area are Aubrey, Tioga, Celina,

Collinsville, and Keller. They recently got the contract on the new Cowboy Stadium.

Plan reviews are done by certified plan reviewers. A courier picks up the plans and takes them to the plan reviewers. After the certified plan review is completed, the plans are returned to the city. Plan reviews are based on

city ordinances. After permits are issued, inspections are offered throughout the project.

"Everyone in our company are certified inspectors," said Doughty. "Everyone doing inspections is certified in every category, which is very

Holiday season hits Main Street

Members of the Muenster High School National Honor Society took time out from the classroom Wednesday to help decorate Muenster's Main Street for the upcoming holidays. Pictured adding lights to Keep Muenster Beautiful's shrubs are, from left, Michael Valliere, Evan Koelser, Brad Endres, and Melissa Cox. Janie Hartman photo

SH Parish seeks food pantry items

Sacred Heart Parish's Outreach Program has been in operation for about a year. They have taken on and completed several endeavors. One of their main focuses is a food pantry. It is an ongoing project.

A building for storage was donated by Sylvan Walterscheid. It is located on the east side of the Community Center. It is insulated and equipped with heat and air conditioning. Mark Hesse built shelves for it and Roy Reiter donated a freezer.

Stocking the shelves is the current goal. Index cards with needed items were distributed after Sunday Masses last weekend. The items can be returned to church this weekend or can be donated by calling an Outreach member to pick the items up. Donations other than those listed on the cards are also welcome. Chairman Kathy Vogel said, "There are some unusual items on the list, but we tried to cover things that people need, as well as things to pick up their morale. Some items listed are laundry and dish soap, toiletries, paper

goods, canned meats, cake mixes, other dessert mixes. We feel this will improve daily living conditions, as well as make for happy holidays."

Book signing a success

Author Sabrina Engels, center, came to Main Street Books in Muenster last Saturday to promote her book *Two Worlds, One Heart*. She is pictured with book store owners Brad and Terry Barrett. She chose to come to Muenster because the book deals with her life in Germany and the transition from that life to her married life in America. Engels and her family were delighted with the turnout and their visit with local people. She hopes to return in December for another signing event. Courtesy photo

OBITUARIES

Patsy Sloan 1924-2005

Sloan were married in Munday, Texas. Michael preceded her in death on July 14, 2005.

The Sloans resided in Muenster for about 30 years. She retired from Muenster Public Schools as a librarian and teacher after 24 years. She was a member of the First United Methodist Church.

Visitation was held Wednesday, Nov. 9 from 7-8 p.m. at DeBerry Funeral Directors. Funeral service will be today, Friday, Nov. 11 at 10 a.m. at the chapel of DeBerry Funeral Directors with Rev. David Howeth officiating. Burial will be at 3 p.m. at Johnson Memorial Cemetery in Munday.

Patsy Sloan
Patsy Ruth Sloan, 80 of Denton, died Tuesday, Nov. 8, 2005 at Presbyterian Hospital of Denton. She was born Nov. 14, 1924 in Baird, Texas to Arthur Herbert Mitchell and Muriel Dickey Mitchell.

Patsy graduated from Munday High School, John Sealy College of Nursing at Galveston, and North Texas State College.

On June 2, 1950, Patsy Mitchell and Michael Elwood

Mrs. Sloan is survived by daughters Sandra and husband David Hoenig of Denton, and Susan and husband Paul Caplinger of Denton; grandchildren Leigh Ann Hoenig, John Michael Hoenig, and Cyle Caplinger.

DeBerry Funeral Directors are in charge of arrangements.

Maurine Tuggle 1933 - 2005

Maurine Tuggle

Maurine Tuggle of Muenster died at age 72 on Nov. 2, 2005 at Pecan Tree Manor in Gainesville.

She was born on Feb. 16, 1933 in Haskell, Texas to Forrest Noble and Lily Fraley Henry. In 1949 she married Arthur J. Tuggle in Gainesville. She was a homemaker, and was employed for 20 years at the Yesteryear Nursing Home in Saint Jo.

Survivors are sons and daughters-in-law Frank and Robin Tuggle of Saint Jo;

Robert and Vicky Tuggle and Richard and Joyce Tuggle, all of Muenster; and son John Tuggle of Kansas. Also surviving are a sister and brother-in-law Betty and Jim Harlin of Gainesville.

Preceding her in death were her parents; her husband, who died in March 2000; and a brother Alvin Ray Henry.

The funeral was held on Saturday, Nov. 5 at 11 a.m. with graveside services conducted by Rev. Ricky Kerr in New Resthaven Cemetery.

Visitation was held at Geo. J. Carroll & Son Funeral Home from 7 to 8:30 p.m. on Friday.

LETTERS TO THE EDITOR

My dear Muenster citizens,

Recently I had the honor to visit your city for a book signing of "Two Worlds One Heart" at Brad and Terry Barrett's Book Store at Main Street Books.

As an author, one meets many places, people, and cities. On my travels I leave the town or place and go to the next, sometimes without looking back. This I cannot do.

I have to tell you what you all have done for me. It began with the simple warm hugs from Brad and Terry. Then many people came into this little cute bookstore which is small on the outside but opens the door to the

world when one steps in. But back to the terrific citizens: Everyone took time to talk to me and my family; took my opinions and gave theirs. When they said goodbye they left a piece of their heart with me simply by giving their biggest smile.

Even the writer of the magnificent announcement of my upcoming event showed up and that was in itself a special thing to do because it was her moving day.

This was not just a time where I sold a book, signed, and gave a big smile. No, this was more. A piece of my heart is now in Muenster. Brace yourself, here is the warning: I will be back!!!!

Sabrina Engels

DAYS GONE BY..... by Elfreda Fette

65 YEARS AGO Nov. 8, 1940

Muenster casts the largest general election vote in its history Tuesday, giving its support to Wendell Wilkie over Roosevelt in the presidential race. First rush of turkey season nets three carloads; 75 pickers were employed during the first days, and probably will increase to about 100. When Sidney Huchton tried to enlist in the Army two months ago, he was told to go back home and grow some more. So he did just that! A half inch too short, he did a course of stretching exercises faithfully every day, in spite of the amusement of family and friends - and grew an inch and a half! He passed the examination and left for Fort Sam Houston. Others enlisting are Adolph Knabe

and Clarence "Bud" Hoehn. New Arrival: Linda to the Henry Kuhns.

50 YEARS AGO Nov. 11, 1955

Gala Homecoming program awaits Muenster High exes; this will be the first that includes more than a football game. Included will be a meeting of exes, with food served after the game, and a dance after the game, as related by Principal L.B. Bruns. Era wallops MHS 14-0 for lead in 10-B District, sewing up the title for Era. SH Tigers rally for 20-7 decision over Buckner. Joaline Mollenkopf is crowned Homecoming Queen. Obituaries: R.W. "Dub" Trew, 86; Beulah Holman, 78. Men In Service: S/Sgt. Ernest Sicking assigned to the Azores Islands; Cpl. Maynard Williams is in

Washington, D.C.; Sgt. Bill Eberhart transferred to California. New Arrivals: Karla to Leroy and Dorothy Yosten; a son to Mr. and Mrs. A.J. Felderhoff. Wedding: Theresa Mae Spaeth and Mark Kuta.

25 YEARS AGO Nov. 7, 1980

Muenster votes with the winner in general election in a big way, favoring Reagan-Bush over Carter-Mondale. Area staked for Muenster Lake. Obituary: Albert "Pep" Schilling, 73. New Arrivals: Amy to Allen and Carla Truobenbach; Duncan to Duncan and Yvonne Campbell; Jennifer to Mr. and Mrs. Steve Hess; Stephen to Chuck and June Bartush. Vacationing in Amsterdam and Paris are Alta Swirczynski and daughter Jeanne.

United Way.....from Pg. 1

In order to be considered for assistance by the United Way, each of the agencies it assists must meet these standards:

- Be recognized by the IRS as a nonprofit organization;

- Be governed by a volunteer board of directors;
- Be audited annually by a CPA firm, and;
- Be annually present and defend their entire budget to a panel of community volunteers, and operate at a reasonable cost.

According to its mission statement, the mission of United Way is to improve people's lives by mobilizing the caring power of communities. The United Way system includes approximately 1,400 community-based United Way organizations

nationwide.

The mission of United Way is to improve people's lives by mobilizing the caring power of communities. As community leaders, the local United Way addresses the most critical local issues and mobilizes resources beyond the dollars that are pledged through their fund-raising efforts.

To help the United Way meet its 2006 fund-raising campaign goal, call Hare or any available member of the staff at 665-1793 or e-mail her at cookeu@ntn.net.

Submitted by Andy Hogue, United Way Publicity Committee

Veterans Program

The 4th and 5th Graders of Sacred Heart School and the VFW Ladies Auxiliary #6205 invite the public to attend a special tribute to ALL veterans at the VFW Hall. The program will take place on Nov. 14 at 7:15 p.m.

This musical tribute, consisting of patriotic songs, will be directed by Ruth Felderhoff. It is free of charge and for everyone's enjoyment.

Sponsored by

Muenster State Bank

201 N. Main, Muenster, 940-759-2257

Your Locally Owned Bank that has continuously served and supported the individuals, organizations, schools and businesses of Muenster and the surrounding area since 1923. Where others have their branches, we have our roots.

unique to this industry. Most companies have people that are electrical inspectors, some that are plumbing inspectors, building inspectors, heating and air conditioning, all the other things that come with it," Doughty said that he

is an inspector and holds 21 certifications.

According to Doughty, the State adopted the International Residential Code, which requires meeting certain energy requirements. His company also does these.

Builders won't have to wait on various inspectors, as one person can do all of them.

"Our number one priority is life safety and structural integrity," doughty noted. "Those two things are what we are striving for the city." The company wrote its own computer program and offers it free to the cities that they contract with. Another plus is offering advice on what needs to be done to correct any problems that are found.

A city gets better fire ratings by using a building inspection program. Fees are charged for the inspection, but not for any re-inspections when buildings are red tagged.

Alderman Joey Anderson inquired about what could be done if things weren't working out. He was told that there is a 90 day written notice required for an out on the contract.

Mayor Henry Weinzapfel wondered how requiring building inspections would affect building contractors. Alderman John Pagel said he felt it would require a period of adjustment. "The initial shock of having to go through this probably is not going to be received too well," speculated Pagel. "But in the long run when they've got someone looking over their shoulders, that's not always bad. That makes them feel a little

bit more confident. It will have mixed acceptance, I'm sure."

Jewel Otto speculated that it might cause more people to want to build outside the city limits. Troy Sicking added his concern. "For many years there was always this build outside the city limits to get out of paying city taxes because they weren't taxed on the sewer, the water. The County finally got the City on a level playing field with the County by taxing their sewer and water wells. Now it's just as beneficial for them to be in the City and pay the City taxes. Now if you go to adding fees on, people are going to go outside the city limits and do what they've been doing for years. They are going to build out there to get by the inspection and not have somebody looking over their shoulders."

Gary Fisher remarked that he'd much rather pay \$600 for an inspection than fix a problem caused by improper installations in the building. "It's good overall for the quality of your town," he said of the building inspections. "It's an added value in the long run for selling your lots, the fact that you have that available."

It was noted that there are City requirements that aren't being followed currently because there is nobody to do the inspections.

Doughty noted, "The State did pass a law that even outside city limits, even outside an ETJ, all houses must meet the minimum requirements of the International Residential Code. There's nobody to check that at this time because it is a new law just in by the State. It's going to be on complaint basis only. The requirement is there, but there is no enforcement of it now, but there will be later."

Doughty concluded that he just wanted to make the City Council aware that the option is there if they are interested.

The City will not be without power in the event of an emergency where electrical power is lost. City Manager Stan Endres found a used generator available at a government surplus store. It wasn't of the correct voltage, but Milton Knauf was sent to inspect it and found that it could be converted to fit the City's water well system.

The price is \$4,000 and it will take \$2,000-3,000 to convert it. Endres said that Nortex paid about \$25,000 for the last one they purchased

new. Endres also checked with an electric company in Wichita Falls that finds them for oil companies. The cheapest found was \$29,000. There is such a demand that new ones have a 12 week back order waiting period.

There is also a month allowed that is given to see if it works out. There would be no charge to return it. Endres said it was rare that such a generator was available there and another city was also wanting it. Endres noted, "For \$4,000 instead of \$20,000 or \$25,000, I'd say it would be a smart move to go ahead and get this one." Alderman Gary Fisher agreed, "You can't ask for a sweeter deal than that on a used piece of equipment." The vote to purchase it was unanimous. It will be picked up this week.

Evan Koessler was present, seeking approval of the Council for an Eagle Scout project that he is proposing. He hopes to place three large Purple Martin birdhouses in various areas of the old City baseball park. Evan had a sample birdhouse to show what he planned to build and also several pictures. He said that it had crescent shaped openings to keep out other types of birds and an air shaft. Each will be placed on a 15 foot pole.

Since the Park Board and Scoutmaster had already given approval, the Council added theirs for the proposed project. These approvals must be gotten before an Eagle Scout project is taken before the Eagle Review Board.

Troy Sicking reviewed a list of deed restrictions that will apply to Sicking Bros. Subdivision, which was recently annexed into the City limits. These are in addition to the usual City ordinances.

"A couple of the items are things that really bugged me about the City," Sicking explained. "Different people do things that I thought that I didn't want up there. The rest of them - I have about six different deed restrictions from all the other developments - Nortman and other ones in Lindsay and different ones around town. We took what we thought worked for us. If somebody puts a half million dollar house here, they won't want to look at a camper parked out on the street or something like that."

It does say that any restriction can be changed by a unanimous vote of all the landowners in the subdivision. He added that some perspective buyers had also given their input for the deed restrictions.

The final plat was approved by the Council with a unanimous vote.

The City has 35 votes out of a total of 5,000 in the Cooke County Appraisal District (CCAD). City Council members agreed to place all of them for Robert Knauf to continue as their representative on the CCAD Board of Directors. If elected, this would be Knauf's second term.

During the City Manager's report, Endres said that the City had received notice from CCAD Chief Appraiser Doug Smithson that there were excess funds for 2004. Muenster's share was \$317. Each entity was asked if they would like to put its amount towards the purchase of a pictometry. Input was requested by Nov. 22. Since it was not on the Agenda, no decision could be made. It will be addressed at the December meeting. The City had voted against putting money toward the pictometry originally.

The yearly inspection of the drinking water system was conducted. Only a few minor things were found to be wrong. Endres said one thing was the lack of a back flow prevention plan. "We're supposed to have a yearly plan where we inspect doctors' offices, hospitals, and any business that has any opportunity that something could back flow into the water system. It's not a major thing. It's just something that we have to set up and do it." Well #6 has a cracked pad and needs repair was another item.

In other business the City Council:

- Unanimously approved contracting with Kelly Zwinggi of Zwinggi Engineering/Planning LLC to assist in completion of wastewater permit renewal for amount not to exceed \$2,000. Bids were also received from Kimley Horn for \$5,000 and from Morris Engineering for hourly rates expected to be between \$1,000 and \$2,000, but possibly more.

- Recognized visitors included Den Leader Gus Ashley and Wolf Den #2 of Pack 664 Cub Scouts Justen Naura, Dalton Bartel, Dalton Williams, Mitchell Hendricks, Zane Kemp, and Michael Fleitman. They were working for a patch that required them to get to know their home and community.

- Approved a proclamation designating Dec. 4-11 as Ben and Aggie Seyler Muenster Museum Week.

- Approved a proclamation honoring veterans for Veterans Day.

- Approved purchase of new police car.

- Agreed to purchase 102 new water meters at a cost of \$32.50 each.

- Reviewed and approved bills totaling \$98,834.65.

4=24+7

is a great equation.

4=24+7 is a great equation for your health care: The NTMC Emergency Department's **Level IV Trauma Center** is open **24 hours a day 7 days a week.**

In the event of a health care emergency that affects you or someone you love, NTMC has you covered with state-of-the-art emergency resources, including an experienced emergency care physician and staff, and advanced diagnostic equipment that can be put into action at a moment's notice. Our emergency department is state-of-the-art, as a glance at its features will show you. If the unexpected happens, you can expect the best emergency care possible at NTMC.

We do it right...we do it right here.

When time is of the essence, NTMC's Emergency Department is ready to rush to your aid with:

- Five fast-track treatment cubicles
- Three trauma treatment rooms
- Two specialty treatment rooms
- Comfortable lobby seating with special children's section
- Private registration and consultation areas

Report examines children's well-being in Cooke County

The State of Texas Children 2005, a report released recently by the Center for Public Policy Priorities (CPPP), examines the status of children in Cooke County and all counties across the state.

"For over 10 years, Texas KIDS COUNT has been an invaluable resource, showing us where conditions have improved for kids and where work remains," said Frances Deviney, Texas KIDS COUNT director. "What we've repeatedly found is that children do better in the areas in which we invest time and resources."

Key Findings for Cooke County:
The dropout rate decreased 69% from 2000 to 2004. In total, six teens in the class of 2004 (or 1.5%) dropped out before graduating, ranking Cooke County 55

out of 173 counties with dropout data from the Texas Education Agency.

The teen birth rate decreased by 7% from 2000 to 2003. With 93 births to teens in 2003, Cooke County ranked 147 out of 254 counties.

There was one teen violent death(s) in 2003, equal to the one death(s) in 2000, ranking Cooke County 116 out of 254 counties.

After drops in the late 1990s, the percentage of kids living in poverty is on the rise in Texas. In 2000, 19.5% of children in Cooke County lived in poverty, decreasing to 17.9 in 2002. In 2002, Cooke County ranked 61 out of 254 counties in the percentage of children in poverty.

In 2003, six infant(s) died before their first birthday (or 11.6 per 1,000 live births), ranking Cooke County 217 out of 254 counties.

NEW ARRIVALS

Stoffels

Jerry and Crystal Stoffels of Muenster announce with joy the birth of their first child, a son, Seth Patrick Stoffels. Seth was born on Friday, Oct. 21, 2005 at 9:30 a.m. in North Texas Medical

Center, weighing 7 lb. 10 oz. and measuring 21 1/2 inches in length. Grandparents are Stephen and Laura Stoffels and Pat and Ruth Klement, all of Muenster. Great-grandparents are Helen Yosten, Rose Stoffels, and Tony and

NEWS OF THE SICK

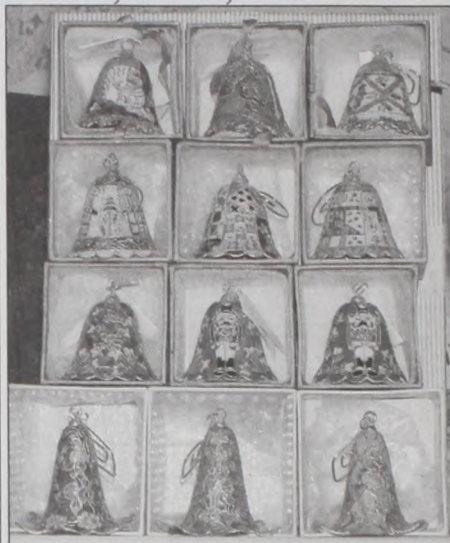

Bob Knauf

Bob Knauf was injured in a four-wheeler accident on Oct. 12. After two weeks in the hospital, he is now recuperating at home and would enjoy company.

Healthy lunch items

Brown bag baby carrots or celery sticks for a crunchy snack packed with essential vitamins and nutrients.

Muenster Museum has bells, bells, and more

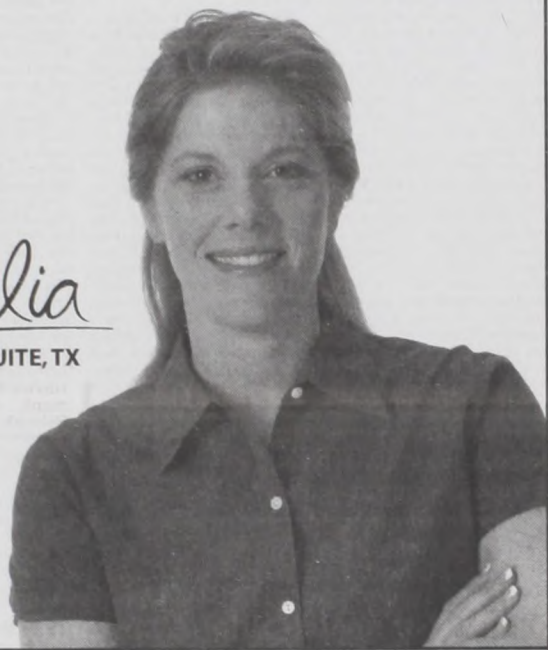

The Muenster Historical Commission is offering a new set of decorative bells for sale for the 2005 holiday season. A fundraiser project for the past several years, different bells have been available. Limited bells from the past years, a few pictured here, are also still available for sale. This set of 12 bells, three each from four years, is one of the raffle items offered in this year's Muenster Museum Holiday raffle. Bells and raffles tickets are for sale at the Museum. BAPTISM

Hacker

Braeden Michael Hacker, son of Sally and Maurus Hacker of Muenster, was baptized Sunday, Oct. 16 at Sacred Heart Catholic Church with Father John Ohner officiating. His Godparents are uncle and aunt Michael and Michelle Hacker of Lindsay.

Following the ceremony, the family gathered at Braeden's home for lunch. After the meal, gifts were opened and pictures taken. Braeden's baptismal cake was in the shape of lamb, and was made by his great-grandmother Fuhrmann.

Those attending on the special day were: Braeden's brother Nathan and sister Chloe; grandparents Chuck and Vicky Fisher and Maurus and Lynn Hacker; great-grandparents Clyde and Polly Fisher and Diamond and Evelyn Fuhrmann; aunt Jessica Fisher; and great-aunts LuElla Fuhrmann and Laurie Fisher.

Unable to attend was great-grandfather Dan Haverkamp.

Makenna is two!

Makenna Hermes celebrated her second birthday with friends and family on Saturday, Oct. 8. A "Little Ladybug" party was given by her parents in the Lindsay Park. The children enjoyed playing in the park and helping Makenna open her gifts. Guests were served a hamburger dinner with all the trimmings, followed by watching Makenna devour her Ladybug cake, made by her mother.

Guests attending the party included Makenna's big brother Kody; parents Kurt and Amy Hermes; grandparents Janet Hoenig, Fritz and Charlotte Hermes, and Gene and Peggy Hoenig. Also, Doug, Susan, Darrell, and Savannah Hermes; Scott and Connie Fillon; Brian Hermes and Jessamy Sicking; Stephanie Hoenig; Connie, C.A., and Benjamin Samford; Carrie, John, and John William Demcher; Heather Warren; Kenny, LaNell, Mariah, and Alyssa Noggler; Troy, Lisa, and Macie Pagel; Jeff and Amber

Makenna Hermes

Parsons. On her actual birthday, Oct. 26, Makenna celebrated with her friends at Miss Pat's Daycare in Lindsay. The children sang "Happy Birthday" and enjoyed Ladybug cupcakes made by her mother.

Saturday is Saint Jo Opry/ fundraiser

The Saint Jo Opry will be held on Saturday, Nov. 12 at 7 p.m. in the school auditorium. There will be toe tapping fiddle music and country classic songs.

In conjunction with the Opry this month, there will be a bean and cornbread supper in the school cafeteria as a fundraiser for the Saint Jo FFA and 4-H. The cost for this will be \$4, and six and under \$2. The meal will be served from 5 to 7 p.m.

Guests scheduled to ap-

pear include Gene Brown of Bowie, and Sandy York of Megargel. Sandy was named Female Vocalist of the Year and Entertainer of the Year at the Cross Timbers Country Opry in Stephenville.

Admission to the Opry will be \$2 for adults, with children 12 and under free. Groups are welcome. Concessions will be available. For more information contact David or Brenda at 940-995-2178.

Muenster Memorial Hospital Rehabilitation Program

SH Second Grade goes to the Heard

On Tuesday, Oct. 25, Sacred Heart School Second Grade took a field trip to the Heard Natural Science Museum and Wildlife Sanctuary in McKinney. With the guidance of a natural scientist, the children enjoyed an hour-long hike on the Hoot Owl and Hilltop Trails, which wind through the prettiest part of the sanctuary.

They were challenged to seek signs of fall, animal life and food sources which support such life, water availability, erosion caused by running water, and land formations. They were also introduced to many local native plants as they discussed the natural resources available to the early pioneers and the Native Americans.

Following the guided trail, the children enjoyed an informative lesson on snakes native to the North Texas area. They learned that snakes have a very important job in our ecosystem, and that only a few different species of snakes are poisonous. They learned that snakes stick out their tongues merely to smell, and they are shaped as they are, to get into holes quickly and easily. The children were shown several snakes and they were given a chance to touch them so that they would realize that snakes are not slimy.

They were also invited to ask questions and to visit the Museum's permanent exhibit of the venomous snakes of Texas, as well as Miss Bessie Heard's personal and very extensive butterfly collection. However the children's favorite Museum exhibit offered the children the opportunity to explore and to handle actual specimens of minerals, gems, fossils, seashells, plants, and animals of North Texas.

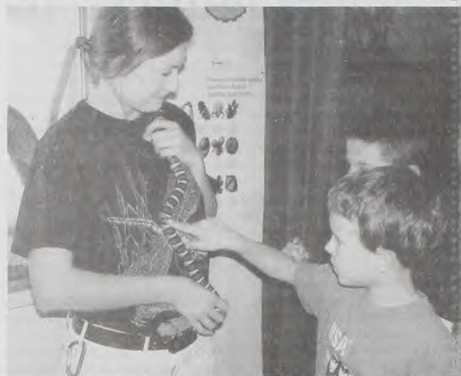

Founded on Oct. 1,

1967 by Miss Bessie Heard, the Heard is the most highly attended museum in Collin County. The Museum is a 25,000 square foot science museum with 6,000 square foot science resource center. The mission "bringing nature and people together to discover, enjoy, experience, preserve, and restore our priceless environment," is carried out in every project, program, and exhibition associated with the Museum.

Throughout the diverse habitats of the 289-acre wildlife sanctuary, there are over four miles of interpretive led or self guided nature trails. The ecosystems on the Heard property include a bottomland, woodland, prairie, and wetland. The Sanctuary is a haven for more than 240 species of birds, mammals, reptiles, and amphibians, and nearly 150 species of wildflowers and other plants.

The Sacred Heart Second Grade Class toured Heard's Native Plant Garden. Clockwise from top: Ethan Henry and Catherine Fleitman assist in an experiment; Kyle Grewing and Kason Reeves touch a snake; Garrett Truebenbach, Zachary Flusche and Ramsey Hernandez listen to a guide on a nature hike.

Barbara Inglish presents program on rocks

Barbara Inglish presented a program on rocks and fossils to the second grade class of Sacred Heart School. She told the children about the types of fossils and rocks found in Cooke County and showed them examples from her personal collection.

She also explained how Cooke County was once under water and, therefore, the present day rock formations and fossils are a result of what was here many years ago. She explained the three main rock types: sedimentary, igneous, and metamorphic and gave examples of each.

Then she presented the children with a treat - a package of their own rocks and a puzzle sheet that matched up with each rock. They worked the puzzle page together to learn about the rocks in their new collection.

The children then had a chance to ask questions and pass around fossils and rocks from Mrs. Inglish's collection.

CLIU All American scholarships available

Catholic Life Insurance, the nation's ninth largest fraternal life insurer, is now accepting applications for the 2006 All American Scholar Program. The program awards 25 non-renewable college scholarships in the amount of \$1,000 each to graduating seniors who are Catholic Life Insurance members.

The All American Scholar Program will be awarded to students whose academic

achievement, leadership skills, and community service set them apart from others. To be eligible, students must be a Catholic Life Insurance member at the time of application, be a graduating high

school senior, and be enrolled in any private or public college, university, or trade school full time beginning in the fall 2006. Scholarship selections will be based on community service, leadership

skills, and academic achievement. The scholarship winners will be announced in May.

Interested individuals may call the Catholic Life Commu-

nications Department at (800) 292-2548 or (210) 828-9921 or visit their web page at www.clu.com for an application. All applications must be received in the home office by March 1, 2006.

Muenster Honor Society inducts 16

Sixteen students from Muenster High School were inducted into membership of the National Honor Society in a ceremony held Tuesday night, Oct. 25, at Rohmer's Restaurant. Fifty-one people attended the ceremony, which included Superintendent David Manley, HS/JH Principal Curtis Eldridge, Assistant Principal David Freeman, Elementary Principal Lou Heers, School Board President Jim Endres, NHS Faculty Advisers, NHS members, new members, and parents. The student chosen theme for the event was "Leading the Way".

Members were selected by Faculty Advisers Vicki Eldridge and Kristi Schneider, and approved by the Faculty Council. Selection was based on high standards of scholarship, service, leadership, and character. Students inducted included Danielle Bindel, Kelly Endres, Travis Felderhoff, Ryan Henhigan, Melissa Cox, Brad Endres, Megan Felderhoff, Amber Fuhrmann, Evan Koesler, Michael Valliere, Jessica Walterscheid, Krystal Wolf, Cletus Fuhrmann, Laura Heers, Kim Patel, Alison Teafattler.

They joined officers Abby Endres, president - inducted in 2003; Leah Vinson, vice president - inducted in 2004; and Ryan Fuhrmann, secretary and Student Council representative - inducted in 2004.

The National Honor Society ranks as one of the oldest and most prestigious national organizations for high school students. Chapters exist in more than 60% of the nation's high schools and, since 1921 millions of students have been selected for membership. Millions of dollars in scholarships have been awarded to senior members since 1945 by the sponsoring organization, the National Association of Secondary School Principals (NASSP).

Muenster ISD Honor Society

SACRED HEART HONOR ROLL

To be eligible for the Principal's Honor Roll one has to have achieved a 95% or above with no one grade being below 93%. To obtain the "A" Honor Roll a student has to have a 93% or better with no one grade lower than 85%. To be on the "B" Honor Roll students must have an average above 85% with only one grade between 75% and 84%.

Listed below are such students:

First Quarter PRINCIPAL'S HONOR ROLL

Senior Class: Joelle Fuhrmann, Mark Gehrig, Shannon Hartman, Diana Knabe, David Walterscheid, Brittany White, Sarah Whitecotton, Debra Yosten;

Junior Class: Stephanie Krawietz, Terapat Pulpanyawong, Paige White;

Sophomore Class: Laureh Krahl;

Freshmen Class: Eric Borowski, Natalie Endres, Joe Hesse, Kalyssa Pollard, Samantha Wimmer;

Grade 8: Ian Barnhill, Isaac Davis, John Krawietz, Kristin LeBrasseur;

Grade 7: Zachary White;

Grade 6: Mark Bartush, Robert Bartush, Michael Davis, Amanda Knabe, Valerie Nystrom;

Grade 5: Isaac Barnhill, Andrew Flusche, Madeline Hanson, John Paul Hesse, Michael Weinzapfel.

A HONOR ROLL

Senior Class: Nicole Bayer, Angela Cox, Whitney Wimmer;

Junior Class: Dainah Hartman, Kristen Miller,

Mitchell Sellers, Karina Skotnik;

Sophomore Class: Patricia Bujard, Teresa Bujard, Stephen Davis, Kara Felderhoff, Nolan Hartman, Colby Richey, Lauren Sepanski, Joshua Yosten;

Freshmen Class: Kaitlyn Felderhoff, Mitchell Hesse, Lisa Miller, Tom Torcellini;

Grade 8: Ginger Bartush, Elizabeth Marshall, John Nystrom, Katy Satree;

Grade 7: Victoria Endres, Ryan Felderhoff, Jordan Henseheid, Matthew Hesse, Rebekah Hesse, Jessica Krahl, Calvin Wimmer;

Grade 6: Karli Anderle, Joshua Biffle, Kelsey Reeves, Benjamin Yosten;

Grade 5: Devan Henry, Abbey Hudson;

Grade 4: Joe Bartush, Mikayla Fleitman, Morgan Hesse, Bailey Walterscheid

B HONOR ROLL

Senior Class: Adam Dangelmayer, Aaron Krahl;

Junior Class: Taylor Torcellini;

Sophomore Class: Tyler Rohmer; **Freshmen Class:** Nathan Berend, Kirk Felderhoff, Ryan Firth, Jessica Porter;

Grade 8: Zachary Moritz, Gene Yosten, Josiah Yosten;

Grade 7: Megan Hesse, Sydney Hoedebeck, Madison Hofbauer, Alex Turner;

Grade 6: Marbella Hernandez, Austin Miller, Alyssa Moragues, Quinn Sicking, Austin Miller;

Grade 5: Danielle Berend, Kaitlin Hesse, Elizabeth Turner;

Grade 4: Chris Bartush, Kevin Flusche, Brooke Henry.

Endres's 3rd grade class, with Mrs. Anderle's 3rd grade placing 2nd. Mrs. Endres' class won a pizza lunch and snow cones.

Kim Brown thanked all the students for their help and was very surprised that a "small town school" could raise so much money. Landon Presnall, chairman of the re-

lief committee, stated that it was a tough job to count and separate all the money each day. He appreciated the help of the Muenster State Bank and the use of their coin-separating machine.

Muenster's AP program is honored

The College Board's Educational Outreach Coordinator for the southwest region has invited faculty from Muenster High School to attend a planning meeting for a spring summit. Muenster High School has been selected as one of 13 schools to be a part of an A.P. Small Schools Summit in the Spring of 2006.

The meeting, which consists of approximately 11 teachers and administrators, will convene for the initial planning phase on Dec. 2 in Austin. Of the 11 attending, three will be Muenster High School employees, including Martha Koesler, A.P. English teacher, Danna Hess, A.P. calculus teacher, and Curtis Eldridge, Muenster High School principal. At the spring summit, the M.H.S. delegation will present a "Best Practices" presentation to the attendees from across the state. Additionally, Molly Sicking, M.H.S. A.P. biology teacher, and Kristi Schneider, A.P. coordinator, will be in attendance at the spring summit.

"Our A.P. coordinator and teachers have built a very successful A.P. program, and we are honored by the acknowledgment," commented Curtis Eldridge, Muenster High School principal.

SPORTS

Tigers take 46-14 win over Knights

The Sacred Heart Tigers finished their regular football season Friday night and now advance to the playoffs as the number two seed in District 91, Division IV.

"I'm very proud of the team. We finished the regular season real well," noted Coach Boles. "We took care of business to make sure we got into the playoffs."

The Tigers advance to bidistrict and will play Trinity Christian-Cedar Hill Friday night.

Sacred Heart took the opening kick on their 36 yard line. Aaron Krahl ran the first three plays for 38 yards, then Theo Otto got the Tigers to the 15. Krahl then scored with 10:19 on the clock. Tim Otto's extra kick gave the Tigers a 7-0 lead.

The Knights then took 10 plays to go 60 yards and score on a 3 yard run. The PAT kicked the game 7-7 with 5:12 on the clock.

Nolan Hartman returned the Notre Dame kick to the Tiger 39. Krahl moved the ball to the Knight 47 in two runs, then finished the drive on the third run with a touchdown. The PAT failed and the Tigers regained the lead 13-7 with 3:58 remaining in the 1st period.

Notre Dame again bounced back, taking five plays to cover 61 yards, scoring with a 26 yard pass play. The extra point kick gave the Knights a 14-13 lead with two minutes remaining in the 1st quarter.

Unable to get a 1st, the Tigers punted. The Knights' first run was dropped for a 7 yard loss by Neil Bayer, Adam Dangelmayr, and David Walterscheid. A defensive play by Arlie Bayer assisted in forcing a Knight punt on 4th and 10.

From their 38, the Tigers had Krahl run for 12, 25, and 13 yards to the 7 yard line. After a flagged play, Krahl scored from the 12. The PAT failed and the Tigers took the lead, 19-14 with 2 minutes off the clock.

Tackles by Jon Ambrose, Theo Otto, Dangelmayr, A. Bayer, Krahl, and N. Bayer held the Knights to 3 yards. The punt put the Tigers at midfield. Chris Marshall picked up 25 yards, with the next four runs by Krahl, the final from the 7 for another touchdown. The PAT failed for a 25-14 Tiger lead with 4:23 on the clock.

Again, the Tiger defense led by N. Bayer, A. Bayer, Josh Yosten, and Ambrose, forced another punt. The 10 yard kick put the Tigers on the Knight 36. A Hartman to Tim Otto pass play finished in the end zone, but a flag brought the ball back. Theo Otto gained 11 yards, then a Hartman to Tim Otto pass got the ball to the 22. The Hartman-Otto combo worked again for a 14 yard gain, then with 32 seconds on the clock, a Hartman to Theo Otto pass was good for 6 points. Tim Otto's kick extended the Tiger lead to 32-14 at halftime.

The Knights got in two good runs to start the 2nd half, but were shut down when Jon Ambrose picked up a loose ball and returned it to the 4 yard line. Two quarter-

back keepers by Hartman later and the Tigers were in the end zone. Tim Otto added the extra point for a 39-14 score with 9:39 on the clock.

Notre Dame started their next drive from their 18 yard line, pounding nine plays to the Tiger 42. An interception by Colby Richey was flagged for interference and the Knights were given a 1st down on the Sacred Heart 35. Pass defense by Richey and Mark Fleitman gave the Tigers possession on downs. Two plays later Aaron Krahl raced down field for a 77 yard touchdown run. With 2:42 remaining in the 3rd quarter, Sacred Heart took a 46-14 lead after Otto's PAT.

Tiger tackles by Dylan Flusche, Ambrose, Fleitman, and Walterscheid forced the Knights to punt on 4th and 15. Unable to get a 1st down, Sacred Heart punted the ball back, putting Notre Dame at midfield. Again, the Tiger defense, led by N. Bayer, Yosten, Richey, and Flusche, dropped the Knights for a loss, forcing another punt. Runs by Marshall and Hartman got the Tigers into Knight territory, but the drive ended with a fumble. The teams exchanged possessions as time ticked off the clock.

Next Action

The TAPPS Division IV playoffs begin this Friday night as the Tigers travel to Aubrey to take on the District 23rd place finishers, 6-4 Trinity Christian of Cedar Hill.

"Trinity is extremely athletic with great team speed," said Coach Boles, noting that they are the same school the Tigers faced last year in round one. Trinity has 47 football players. "They have more boys on their football team than we (Sacred Heart) have in high school."

Fort Worth Calvary, District Champions, got a round one bye, with Lubbock Christian playing Colleyville Covenant. The winner of the Sacred Heart - Trinity game will play Shiner Saint Paul.

Game time is 7:30 p.m. at Aubrey's Chaparral Stadium.

JV Basketball

Lindsay 42 Pilot Point 19

The JV girls began basketball Monday night with a victory. Eight Lady Knights scored, led by Emily Fuhrmann with 14 points. Hillary Hoelker added 7, Madisen Burrows 5, Rose Hermes, Karissa Reiter, and Beverly Knabe 4 points each, with Stephanie Neu and Kayla Hess adding 2 apiece.

Hornets sink Pirates, end season with a win

Muenster traveled to Petrolia Friday night and ended their 2005 football season on a high note, bringing home a 47-32 final victory. Justin Ferguson and Zach Swirczynski both rushed for over 200 yards, while the Hornet defense held the Pirates to less than 100 yards on the ground, but allowed over 300 passing yards.

"We played a whole lot better," commented Hornet Coach Monte Endres. "It's good to go out with a winning note." Endres added that Muenster will start building for next year and make next season a better year.

It was a few plays and punt for both teams' first possessions, with Muenster beginning their second drive on their 16 yard line. A Derek Endres to Swirczynski pass picked up 7 yards. Ferguson then ran for 4, and Swirczynski for 8 and 15 to midfield. Ferguson then found an open field and ran 50 yards to the end zone. The PAT kick failed for a 6-0 score with 6 minutes on the clock.

The Pirates fought back, taking four plays to find paydirt. Their PAT was good and Petrolia took a 7-6 lead with 3:57 remaining in the 1st quarter. Again the teams exchanged possessions, with Muenster carrying the ball into the 2nd quarter.

Runs by Ferguson, Swirczynski, Dustin Wimmer, and Endres got the Hornets near midfield. A Swirczynski pass to Corey Reynolds picked up 32 yards to the Pirate 15. Endres gained 4, then Swirczynski scored from the 11. The extra run failed for a 12-7 score with 7:26 on the clock.

Petrolia took the ball at midfield after two kicks by Muenster were called back by penalties. Six plays and the Pirates led 13-12 with 4:50 still remaining in the 2nd quarter.

From their 29, the Hornets took eight plays to regain the lead. Ferguson and Swirczynski moved the ball downfield, scoring on a 1 yard run by Swirczynski with 1:27 on the clock. The PAT run failed for an 18-13 score.

Petrolia threatened to score again, but a knocked down pass by Micah Flusche and good defense by Jordan Walterscheid and Swirczynski stopped the Pirates 24 yards from the goal line. Muenster got in two runs, and threw an intercep-

tion. The half ended when Jordan Walterscheid picked off a Pirate pass.

Two quick turnovers in the 3rd quarter gave Muenster two quick touchdowns. On the second snap, the Pirates fumbled at their 17 yard line. Brad Endres covered the ball for Muenster. Four runs later, the Hornets scored on a Swirczynski 1 yard run. Ferguson ran in the PAT for a 26-13 score with 9:21 on the clock.

The first snap after the kick gave J. Walterscheid an intercepted pass at the Pirate 46. Four plays later, Swirczynski scored on a 29 yard run. Swirczynski then added the extra points to give the Hornets a 34-13 lead with 7:57 still on the 3rd quarter clock.

The Pirates held on to the ball their next drive, attacking the air waves and scoring with 4:52 on the clock, 34-20. Michael Faries returned the Pirate kick 13 yards to the Hornet 33. Ferguson and Swirczynski exchanged runs, with Corey Reynolds getting a run. The ninth play was good for a 6 yard Swirczynski touchdown run. Ryan Hennigan booted the extra point and Muenster had a 41-20 lead with 45 seconds on the clock.

Petrolia carried the ball into the 4th quarter and scored with 30 seconds off the clock for a 41-26 score. Starting on their 29, the Hornets got in 11 runs, with Endres, Ferguson, and Swirczynski all getting in runs. The final was a 31 yard rush by Swirczynski for 6 points. The PAT failed for a 47-26 score with 5:20 remaining in the game.

Petrolia got in two plays, then threw an interception to J. Walterscheid. Seven plays later, Muenster ran out of downs at their 43 yard line. Petrolia took five plays to score. With 34 seconds on the game clock, the scoreboard read 47-32.

An attempted inside kick was covered by the Hornets and the game ended.

6th grade boys to compete in Youth Super Bowl

The 6th grade boys from Muenster will be competing in the Cooke County Youth Super Bowl this Saturday morning at 10:30 a.m. on the Muenster Hornet Field.

The boys put together an impressive 6-1 record, scoring 152 points and allowing only 28 points. The six wins came against A. Ritchey of Valley View 26-6, Gainesville Optimist 26-0, State Farm 6-0, Lindsay 32-0, GNB 30-0, VFW 26-6. Their only loss came from the team of Kaler Oil 16-6. They will be playing Kaler Oil in the super Bowl.

The team consists of 6th graders Landon Presnall, Cole McAden, Chase Hammer, Luke Crabtree, Blake Grewing, Shane Sicking, Mark Jones, Blake Voth, Jimmy Abner, Kameron Heady, Caleb Winters, Joe Monday, Dalton Koelzer, Jace Wann, and Tyler Anderle. Coaches are Smoke Koelzer, Mike Gordon, and Shannon Hammer. Manager is Demi Koelzer.

The team sponsor is Complete Energy of Gainesville.

Nathan Berend, Sacred Heart Tiger second string quarterback, calls the play as all members of the Tiger team got on the field in Friday's district win over Notre Dame. Janie Hartman photo

Knights victorious over Hornets

A 33-3 Lindsay Knight victory over the Era Hornets Friday night ended the season for the Hornets and put another notch in the win column for the playoff bound Knights.

"Era played us a good game," commented coach John Erwin. "They came out with their new offense and moved the ball on us a little bit, giving us a little trouble. All and all we played a good game."

Era took the opening kick, but tackles by Chris Dieter and Austin Buck lost 6 yards. A bad snap on an attempted punt was fumbled, and the ball was recovered by Justin Caillier on the Hornet 8 yard line. Two runs later, and Adam Kasperek scored from the 3. Dustin Neu added the extra point for a 7-0 score with 9:26 on the clock.

The Hornet offense struggled and punted. Lindsay, starting on their 20 yard line, mixed six runs by Alan Trammell, Dustin Hughes, and Derick Murray to midfield before punting. Starting on their 17, tackles by Gary Anderle and Trammell, and a flag set Era back 14 yards to the 3. A 4th and 24 punt return was

fumbled and recovered by Era on their 40 yard line. The Hornet offense got into Knight territory as the 2nd quarter began. A 4th and 3 situation on the Knight 18 ended the drive with a 35 yard field goal. With 9:20 on the clock, the Knights held a 7-3 lead.

Trammell ran the next four plays gaining 3, 6, and 14 yards before breaking away for a 55 yard touchdown run. The PAT failed for a 13-3 score with 7:42 on the clock. It was three plays and punt as two unsportsmanlike conduct flags against Era hindered any attempt for advancement. The Knights took five runs to get another 6 points, when Hughes scored on a 3 yard run. Neu's kick gave Lindsay a 20-3 lead with 3:32 still on the 2nd quarter clock.

John Mosman's kick put Era on their 14 yard line. The first play, Kris Creed intercepted a pass 13 yards from paydirt. Hughes then passed to Levi Hermes for another 6 points. The kick by Neu put Lindsay ahead 27-3 with 3:06 on the clock.

Again the Lindsay defense, led by Buck, Josh Jones,

Kasperek, Michael Eckart, and Keith Hermes forced another punt. The Knights threw three completed passes to Creed, L. Hermes, and Brandon Huckaby, followed by two Trammell runs to the 14 yard line before time ran out at the halftime intermission.

Lindsay controlled all but 4 1/2 minutes of the 3rd quarter, starting on their 35 yard line, pounding 14 runs at the Era defense. Ball carriers included Kasperek, Hughes, and Trammell, with Trammell carrying the ball the last 4 yards for a touchdown. The PAT failed for a 33-3 score with 4:25 remaining in the 3rd period.

The Hornets then took a 15 play drive into the final quarter, down to the Knight 18 yard line. The Knights stopped the drive when Travis Endres intercepted the ball at the 20.

The teams exchanged possessions several times, with the game ending when Austin Buck picked off a pass.

Next Action
 District 16A got a first round playoff by this Friday, so the Knights are scheduled to play next Friday or Saturday.

"We spent this week preparing for both teams," said Coach Erwin on Goldthwaite and Alvord. "Next week we'll know who we'll prepare for." The Knights will play the winner of Friday's Alvord (District 14 runner-up) versus Goldthwaite (District 13 champ) game, while Valley View is matched up against the winner of the Windthorst (District 14 champ) versus Baird (District 13 runner-up) game.

Bill Haverkamp (33) gets out of the backfield after getting the handoff from Tanner Herr (7). Hornet blockers include Jeremy Perry (75), Charles Womble (65), and Matt Flusche (88). JV Hornets over Petrolia 36-12

The Junior Varsity Muenster Hornets finished the 2005 season with a 36-12 victory over the Pirates last Thursday at Hornet Stadium.

Action began with Matt Flusche kicking. Muenster's defense forced a Pirate punt and the Hornets began their first drive on the Petrolia 36. A run each by Tanner Herr, Bill Haverkamp, and Garrett Hennigan moved Muenster to the 2. Herr scored on a keeper. With 5:56 on the clock the Hornets had a 6-0 lead.

A minute later, Petrolia scored on a 72 yard run to tie the game 6-6.

Lee Walterscheid downed the punt on the Hornet 28, but an interception gave Petrolia the ball on the Muenster 15. Muenster's defense held the Pirates as the 2nd quarter began. Three runs by Haverkamp moved Muenster into Pirate territory. Hennigan and Haverkamp got good runs before Petrolia covered a fumble on the 15 yard line. Two plays later, Petrolia scored on a 60 yard run. With 3:07 remaining in the 2nd quarter, the Pirates led 12-6.

The Hornets' next drive started on their 28 yard line. Runs by Haverkamp, Hennigan, and Herr, and a pass to Flusche took the ball to the Pirate 16. Another pass to Flusche picked up 10 yards, then Haverkamp got to the 3 and Herr to the 1. With 40 seconds on the clock, Herr scored to tie the game 12-12. Haverkamp found the end zone on the extra run to give Muenster a 14-12 lead. Craig Grewing broke up a Pirate pass before the halftime break.

Flusche took the 2nd half kick to the Hornet 34 yard line. Haverkamp, Herr, and

Chase Cain got the ball to the 8 yard line in seven runs. Haverkamp then scored, with a pass to Serna giving the Hornets a 22-12 lead with 3:58 on the clock.

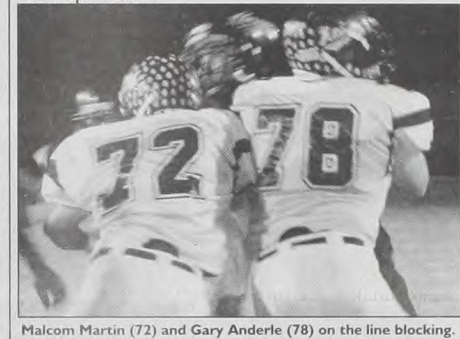

Muenster's defense again held the Pirates. Hennigan returned the punt to the Petrolia 46. Hennigan ran for 14, then two Haverkamp runs put Muenster on the Pirate 13. Hennigan then scored. An extra point pass to Hennigan gave Muenster a 30-12 lead with 42 seconds on the 3rd quarter clock.

Petrolia took the ball into the final period, but a 4th down punt was fumbled, and Muenster took the ball on the Pirate 26. Serna ran for 7 and 15 yards, with Hennigan taking the ball to the 1. Hennigan went in for the score with 1:03 remaining for a 36-12 Muenster lead. The clock then ran out for a Muenster victory.

Garrett Hennigan was leading tackler with 9 tackles. Tanner Herr had 6, with Taylor McGrew and Matt Flusche each getting 4. Lee Walterscheid, Chase Serna, Bill Haverkamp, Craig Grewing and Charlie Womble all got in on tackles. The Junior Varsity Hornets had a 5-3 season.

Dustin Hughes scrambles in the backfield. Also pictured is Christopher Dieter.

BID INVITATION

BID INVITATION FOR ELECTRICAL PANEL REPLACEMENT

North Central Texas College is accepting bids for removal of an existing 800 amp electrical panel to be replaced with new owner furnished 1600 amp electrical panel. Sealed bids addressed to Mr. Robbie Baugh, Director of Administrative Services, North Central Texas College, 1525 West California Street, Gainesville, TX. 76240 will be received at the above address no later than 10:00 AM, Friday December 2nd, 2005. Sealed bids should be in a SEALED envelope with the words "100 BLDG ELECTRICAL PANEL REPLACEMENT" printed on the outside of the envelope. Bids will be opened at 10:05 AM, Friday December 2nd, 2005 in Room 109 of the ASC Building on the Gainesville campus. Drawings and specifications may be examined at NCTC by contacting Mr. Jack Cable, Physical Plant Superintendent, (940) 668-4268. Copies of the bidding documents may be obtained from K & M Reproductions, 9076 Forest Lane, Dallas, TX. 75243 (214-369-4333) in accordance with the Instructions to Bidders upon deposit of \$150.00 for each set of documents. Two set maximum will be issued to each General Contractor. Make checks payable to Estes, McClure & Associates, Inc. Only deposits of bonafide bidders who actually submit a bid will be returned as noted in the specifications. The shipping and/or postage expenses of the plans and specifications shall be at the bidder's expense. Bid security of 5% of bid must accompany each bid in accordance with the Instructions to Bidders. The General Contractor shall be in the prime business as mechanical contractor and shall have been in business seven continuous years under the company bidding this project. It is highly recommended that all bidders attend a pre-bid conference to be held at NCTC, ACS Bldg. Room 103 at 10:00 AM on November 22nd, 2005. NCTC reserves the right to reject all bids. NCTC does not discriminate on the basis of race, color, national origin, gender, religion, age, or disability in employment or the provision of services.

FARM & RANCH

COUNTY AGENT'S REPORT

WAYNE BECKER
CEA - AG/NR

CPR extensions available

Producers can re-enroll or extend CRP contracts expiring in 2007 through 2010. In order to determine who might be eligible, USDA's Farm Service Agency will use the Environmental Benefits Index (EBI) that was in place when the contracts were first written.

The EBI is a measuring system that assigns point scores to the contracts and then nationally ranks all Conservation Reserve Program land enrollment offers. Several environmental outcomes factor into EBI point scores, including improving wildlife habitat, water quality and air quality and reducing soil erosion.

In spring 2006, FSA will write to CRP producers with contracts expiring Sept. 30,

2007, to discuss whether those contracts are eligible for re-enrollment or extension. Fifteen-year contracts are not eligible. Producers will confirm their contract interests at that point and a compliance check will be necessary.

Downer ban becomes permanent

In voting on another amendment to the \$100 billion ag, food, and drug bill, the Senate decided to prohibit the use of USDA funds to inspect non-ambulatory cattle for use in the commercial food chain. In effect, this makes the ban on downer cattle permanent, a move that many have championed as an effective scientific step to prevent the spread of bovine spongiform encephalopathy.

During the next several months, FSA will update CRP rental rates to better reflect local market rates for cropland on new contract renewals and will review cropland enrollment limits on a county-by-county basis. — USDA

The National Cattlemen's Beef Association cautions, however, that imposing the ban through this amendment impedes the authority of the Food and Drug Administration and the Food Safety Inspection Service to make these decisions in a science-based manner within the regulatory arena. — National Cattlemen's Beef Association

Xeriscape - Water-wise landscaping

In urban areas of Texas about 25% of the water supply is used for landscape and garden watering. Much of this water is used to maintain traditionally high water demanding landscapes, or it is simply applied inefficiently.

In an attempt to reduce the excessive water use, the Texas Agricultural Extension Service is educating Texans in Xeriscape landscaping, quality landscaping that conserves water and protects the environment. This concept is a first-of-a-kind, comprehensive approach to landscaping for water conservation. Traditional landscapes may incorporate one or two principles of water conservation, but they do not utilize the entire concept to reduce landscape water use effectively.

Xeriscape landscapes need not be cactus and rock gardens. They can be green, cool landscapes full of beautiful plants maintained with water-efficient practices. The same green Texas-style landscape which we are accustomed to can be achieved and still conserve water.

Xeriscape landscaping incorporates seven basic principles, which lead to saving water: planning and design; soil analysis; practical turf areas; appropriate plant selection; efficient irrigation; use of mulches; and appropriate maintenance.

By incorporating these seven principles, you can help preserve our most precious natural resource - water.

For soil analysis and preparation to increase plant health and conserve water, add organic matter to the soil of shrub and flowerbed areas. This increases the soil's ability to absorb and store water in a form available to the plant. As a rule-of-thumb, till in four to six inches of organic material such as shredded pine bark,

peat, and rice hulls. For trees, however, incorporating organic matter is not necessary; for large turfgrass areas, it is not economically feasible.

Select trees, shrubs, and groundcovers based on their adaptability to your region's soil and climate. Texas is blessed with an abundance of beautiful native plants, which are naturally adapted to the region. Most have lower water demands, fewer pest problems, and less fertilizer needs than many nonadapted, exotic plants brought into Texas landscapes.

Turf uses more water than any other component of most landscapes. Grasses available for use in Texas lawns vary significantly in water requirements. Planting the lowest water use turfgrass adapted to the region is an effective way to reduce landscape irrigation requirements.

Achieving a significant reduction in water consumption and landscape maintenance may also involve reducing the size of water-sensitive lawns through the use of patios, decks, shrub beds and groundcovers.

Most lawns receive twice as much water as they require for a healthy appearance. The key to watering lawns is to apply the water infrequently, yet thoroughly. This creates a deep, well-rooted lawn that efficiently uses water stored in the soil.

To know when to water the lawn, simply observe the grass. Wilting and discoloration are signs of water stress. At the first sign of wilting, you have 24 to 48 hours to water before serious injury occurs. Apply 1 inch of water to the lawn as rapidly as possible without runoff. Watering only when needed and watering thoroughly produces a deep-rooted lawn, which is more water efficient.

Give beef gift certificates

Beef producers can simplify their holiday gift giving and promote their product at the same time by giving Beef Gift Certificates to friends, family members, business associates, and charitable organizations.

Beef gift certificates are available year-round, but they're especially popular during the holiday season.

Beef Gift Certificates are available in any amount from \$5 up. They're certified checks which may be used to purchase beef anywhere in

the United States—at supermarkets, restaurants, meat markets, and other meat vendors. An accompanying letter explains how they work for vendors who are unfamiliar with the concept.

The certificates are sold at more than 35 banks around Texas; a list is posted on the Web at www.texas cattlemen.org. Or, you may purchase them by contacting Dianne Buckingham by phone/fax at (806) 256-3887 or e-mail, 66Ranch@nts-online.net.

LEGAL NOTICES

THE STATE OF TEXAS

NOTICE TO DEFENDANT: "YOU HAVE BEEN SUED. You may employ an attorney. If you or your attorney do not file a written answer with the clerk who issued this citation by 10:00 a.m. on the Monday next following the expiration of forty-two days after the date of issuance of this citation and petition, a default judgment may be taken against you."

TO: BESSIE KALB, CHARLES KALB, BURRIS WEAVER, WINNIE WEAVER, AND JUANITA HATHAWAY LANHAM, THEIR UNKNOWN HEIRS AND LEGAL REPRESENTATIVES

Greeting: You are hereby commanded to appear by filing a written answer to the Plaintiff's Original Petition on or before ten o'clock A.M. of the Monday next after the expiration of forty-two days after the date of issuance of this citation the same being Monday the 28th day of November A.D., 2005, before the Honorable 235th District Court of Cooke County, Texas. Said Plaintiff's Original Petition was filed in said court on the 7th day of October A.D. 2005, in this case, numbered 05-578 on the docket of said court, and styled,

LOYD GIBBS vs BESSIE KALB, CHARLES KALB, BURRIS WEAVER, WINNIE WEAVER, AND JUANITA HATHAWAY LANHAM, THEIR UNKNOWN HEIRS AND LEGAL REPRESENTATIVES

The names of the parties to the cause are as follows: LOYD GIBBS vs BESSIE KALB, CHARLES KALB, BURRIS WEAVER, WINNIE WEAVER, AND JUANITA HATHAWAY LANHAM, THEIR UNKNOWN HEIRS AND LEGAL REPRESENTATIVES

A brief statement of the nature of this suit is as follows, to wit: The above named Defendants and if they be deceased their unknown heirs and legal representatives own undivided interest in the minerals under the 140 acres of land in the J.N. Redman Survey, Abstract 874, and the T.B. Stroud Survey, Abstract 950, Cooke County, Texas, and that Plaintiff desires to take an oil and gas lease upon the said mineral interest of the said Defendants and for a receiver to be appointed to execute the said leases in behalf of the said named Defendants and if they be deceased their unknown heirs and legal representatives.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates thereof, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Gainesville, Texas, this 11th day of October, A.D. 2005.

Attest:
Pat Payne, Clerk
District Court,
Cooke County, Texas
/s/Sue Comer, Deputy

RED RIVER REGIONAL SELECT BEEF REPLACEMENT SALE
12:00 NOON
These cattle were screened at the ranch by Bruce Brooks - 580-695-2036, Cell

BRED FEMALES
12 Brangus baldy heifers out of horned Hereford cows and sired by registered Brangus bulls from Cross-N and Steiner Ranches. These "Super Baldies" will begin calving February 10th. These heifers are mates to calves sold at the Ft. Worth Commercial Heifer Sale for the past 4 years.

5 Black brookline faced first calf heifers bred to Angus bulls. They will calve early spring of 2006.
5 Solid red and red white-faced first calf heifers bred to Angus bulls, and will calve early spring of 2006.

50 Angus sired, Angus influenced bred heifers. These heifer's dams are Angus X Brangus. The heifers are all home raised and sold bred to Parker Angus Ranch and Malford Angus Ranch raised calving ease bulls of 616 and Bando 598 breeding. Pasture exposed from 4-21 through 8-21, 2005.

15 Bred, all black heifers, sired by a Cross-N-Ranch bred Brangus bull and out of black Simmental dams. Pasture exposed May 1 thru August 1, 2005 to an Angus Bull.

50 Bred Angus and black white-faced heifers of western Kansas origin. Cattle all with one brand. All bred on 4/18, 4/19, 4/20, 2005 to New Design 878, then pasture exposed to a Parker Ranch raised light birth weight Angus Bull.

27 Bred Brangus heifers from the famed Cross-N-Ranch. Heifers bred to Brangus Bulls. P.E. 3/17/05 thru 8/1/05.

5 Bred Brangus heifers. These quality females sell bred to calve in the spring to a very good Angus bull bred in the Warren Angus Ranch program.

10 3/4 Angus x 1/2 Brangus heifers. Heifers will calve November 15 to December 15, 2005. Bred to RA Brown Angus calving ease bulls.

25 Angus influenced bred heifers. These heifers are bred to low birth weight, calving ease, Angus bulls of high quality. Heifers to begin calving in late February.

5 1/4 Maine Anjou x 3/4 Angus bred heifers. These heifers are bred to a calving ease Angus bull to calve in February and March, 2006.

5 These heifers are straight bred Angus. They were AI'd to New Design 878 on September 25th and cleaned up with our Red Angus herd sire. He is Cherokee Canyon son of a King Rob Daughter. At OBI last year he gained over 5 lbs./day on test and scanned a 15 inch ribeye. Either way natural or AI, these heifers and their calves are ready to bring a "payday" year way. They will be prog tested by sale day.

5 Black, polled, registered Limousin cows. A fine set of young cows for your herd. Pasture exposed to JLL Jumanji. Papers available for review.

COW-CALF PAIRS
15 3 and 4 year old cows with fall born calves at side sired by Hereford & Angus sires.
15 Crossbred cows with summer calves at side.
5 3/4 Angus x 1/4 Maine Anjou 1st calf heifers with summer calves at side.

5 Limousin influenced 1st and 2nd calf females that will sell with calves at side or heavy bred to Limousin or Angus sires.

OPEN HEIFERS
37 Angus influenced open yearling heifers. Outstanding set of replacement heifers sired by Parker Angus Ranch raised Angus bulls. These are mates to last year's pen of Champion Open Heifers.

5 Fall Yearling Brangus open heifers.
5 Winter yearling Brangus open heifers. All of these high quality Brangus replacements qualify for the "Gold Premium" Brangus Program.

20 Brangus X Angus crossbred 10 month old heifers. These "Super Baldies" are of the highest of quality and will make excellent replacements.

4 Open yearling Angus replacement heifers.

8th Grade Hornets complete season

Two long touchdown runs by Allen Fette highlighted the 8th grade Muenster Hornets' 28-26 victory over Petrolia last Thursday. The season final win gave the Muenster Stingers a 5-4 season, 5-1 district record. Allen Fette ran for 208 yards and also was Muenster's leading tackler on defense.

Petrolia's kick was returned by Corey Sicking, Fette and Steven Valliere gained 13 yards, then Fette broke free for a 72 yard touchdown run. Levi Trubenbach ran in the extra points for an 8-0 score with 5:56 on the clock.

Chris Valliere and Matthew Bain stopped Petrolia for no kick return, but the first Pirate play was a 70 yard pass play for 6 points. The PAT failed for an 8-6 score just 19 seconds later.

Petrolia's kick went into the end zone, setting the Stingers on the 20. Fette, Trubenbach, and S. Valliere each ran, but a pass interception at midfield was tackled by S. Valliere on the Muenster 24. The Pirates found the end zone, but a flag brought the ball back to the 29. Tackles by Andrew Koesler, Eric Hellman, and Fette put Petrolia in a 4th and 6. A completed pass got the Pirates to the 5. Petrolia then found the end zone. The PAT failed for a 12-8 Pirate lead with 39 seconds on the clock.

S. Valliere returned the kick to the Muenster 39. Trubenbach ran 62 yards to the end zone, but a holding flag brought the ball to the 36. Trubenbach then ran for 4, Fette for 17 and 5. A flag assisted to move the ball to the 8. Fette had the honor and scored with 6:01 on the clock. The PAT failed for a 14-12 Muenster lead.

Jeremy Lutkenhaus' kick went to the 5 yard line, with Sicking stopping the return on the 8. Two plays later, Trubenbach caused a fumble. Fette covered on the Pirate 27. Muenster's offense struggled and could not make a 1st down.

Tackles by Trubenbach, Antonio Acuna, Fette, and Jacob Klement were followed by a fake punt pass, defended by Klement, which was short for the 1st, and Muenster took the ball. Two plays later, Petrolia covered a fumbled ball. A sack by Fette, a tackle by Sicking, and pass defense by Koesler forced a Pirate punt. Muenster got in two runs before the half.

Petrolia started their first 3rd quarter drive near midfield, taking a dozen plays to move 53 yards for a touchdown. With 2:08 on the clock, the Pirates took an 18-14 lead.

Hellman covered an inside kick on the Muenster 48. Two Fette runs put the Stingers on the Pirate 37 to begin the final quarter. Fette picked up

6 more, Trubenbach 5, and a flag 15 to the 13 yard line. Fette got to the 9, then S. Valliere scored with 5:49 on the clock. Trubenbach ran in the extra point for a 22-18 score.

The Pirates got in six plays, then fumbled the ball in the end zone, covered by Jacob Klement, giving the Stingers the ball on their 20 yard line. The next play, the Muenster fans were on their feet as Fette broke a midfield tackle for an 80 yard touchdown race. The PAT failed and Muenster took a 28-18 lead with 2:17 remaining in the game.

Lutkenhaus' kick rolled to the 33 yard line. Klement broke up a long open-field

pass. Two more incompletions followed, but on 4th down, the Pirates made a 1st. Keeping in the air, Petrolia scored with 1:11 on the clock for a 28-26 score.

The Pirates kicked an onside kick, covered by Lutkenhaus. The Stingers then ran out the clock for the win.

Assisting Allen Fette in rushing were Levi Trubenbach with 64 yards and Steven Valliere with 20. TACKLES: Allen Fette, Levi Trubenbach, Corey Sicking, Jeremy Lutkenhaus, Jacob Klement, Andrew Koesler, Chris Valliere, Steven Valliere, Eric Hellman, Antonio Acuna, Josh Womble.

Stingers take 10-0 win

The 7th Grade Muenster Hornets finished the 2005 season Thursday afternoon with a 10-0 victory over the young Pirates from Petrolia. The win gives the Stingers a 6-2-1 record for the year, and 4-1-1 in district action.

Action began Friday when Garrett Walterscheid booted the opening kick. Petrolia's offense controlled the 1st period, getting down to the Muenster 6 yard line before a fumbled play turned the ball over on downs as the 2nd quarter began.

The Stingers moved from their 6 out to their 25 before running out of downs. Two plays later Jason Luke intercepted a pass on the 8 yard line and returned it to the Muenster 23. Joshua Holder gained 11 yards, followed by a Shane Presnall pass to Luke for 5 more. Holder and Luke got the ball into Pirate territory and down to the 25 yard line with 39 seconds on the clock. Luke gained 8 more yards, followed by a Presnall to Holder pass to the 10. With time ticking off the clock, Presnall completed a pass to Tanner Silmon to the 5 yard line.

Presnall took the 3rd quarter kick to the Muenster 46

Lady Knights open with win over Lady Cats

The Lindsay Lady Knight varsity basketball team took a 59-23 victory from the Lady Cats of Pilot Point Monday night to get the season started in the right direction. Brittany Anderle was high point maker in the game, scoring 25 points. Christina Eckart added 10, Stephanie Metzler and Chelsea Hermes 8 each, Lauren Creed 4, and 2 apiece by Kaileigh Hess and Mallory Block.

Lindsay hit 100% of their free throws.
