

City Council approves EISI residential rate increase

By Janet Felderhoff
Muenster residents can anticipate a slight increase in the cost of having their trash removed. The City currently contracts with EISI for trash pickup, both curbside and dumpsters.

EISI representative Norm Bulaich attended the Sept. 11 meeting of the Muenster City Council to explain that the request rate increase was simply, "due to the cost of doing business." He said that they try to keep the rates as low as they can.

The company is raising the City's fee 4.02% across the board as of Oct. 1. Last year the increase was 2% plus a fuel adjustment.

City Manager Stan Endres proposed an increase of 50 cents per household per month to help offset the increase. There will be no change in the rate charged to businesses on the dumpsters, which are billed according to size and number of pickup times per week. The fee being charged for a dumpster is currently enough to absorb the increase, thus the decision not to raise those rates.

An ordinance will address this at the next regular meeting.

Only one bid was received for the Mesquite Street project. Endres explained, "This was a re-bid from when we had first asked for bids and they came in too high of a price to meet our financial limit. They re-issued the bid and instead of going with the three 8x4 cement boxes, they re-bid at three 4x4 boxes." Dickerson Construction of Celina submitted the bid of \$111,675.00, which came in within the City's budget.

Pat Dillon of Southwest Consultants explained, "You can go up by 25% and still meet State law. We can lower it by more than that if you have the approval of your contractor."

Endres noted that the engineer said he'd worked with the construction company before and recommended them and approving the contract. After that if changes were decided on, Muenster could make the changes then. It was impor-

tant to approve the contract and get the ball rolling.

Alderman Jack Flusche inquired about a utility pole that could be in the way of 18-wheelers that need to turn there. Endres said he checked on it and if the culvert is moved up to where Fifth Street should be, the pole would not be a problem.

John Pagel, alderman, expressed concern over the amount of water that the drains would carry. Would it cover 100-year floods, 10-year floods, or five-year floods? Dillon responded, "The original 8x4s were calculated to how much water would go through at the larger rate. When the bids came in higher, it was brought back to stay within the dollars. Based upon my discussions with him

today is the 100-year flood will go over your road out there (Hwy. 82) and those are very significant culverts out there.

"So, it's really are we trying to get water off of people that are out there in this and maybe another project, or do you want to move that area out and use Mesquite Street basically as a canal? All of Mesquite is basically in a flood hazard area. It's either to continue to make improvements or to just not allow any building in there at all and to realize that is a flood hazard area. To do a 100% at a 100-year flood would be significant dollars and of course there are not dollars to do that."

Dillon remarked that the proposed new culverts would make a significant change in

Germanfest Bicycle Rally is rated #5

By Janie Hartman
"From Big Bend to Tyler - 6 top bike rides" is the main heading on the front of the October 2006 *Texas Highways* magazine.

Writer Chuck Cypert, a cyclist and author of the book *Mountain Bike! Texas & Oklahoma*, shared his six favorite bike rides in Texas in a feature story "Texas on 2 Wheels."

Cypert said the "most glorious ride you can do in Texas" is in the Big Bend National Park, the ride from Panther Junction to Santa Elena Canyon. Number two is at Fort Davis, number three is the Easter Hill Country Tour, then Buescher State Park to Bastrop State Park on Park Road 1.

The 5th best bike trail is the Germanfest Bicycle Rally, Muenster. "One of the finer road rallies in North Texas... Expect a couple thousand cyclists to join you at the start for a mighty day of riding," noted the article.

Cypert describes the route as covering approximately 60 miles with quiet back roads and long views. He explains

coasting down the long hill north of Saint Jo as a free fall-like sensation.

"I have personally gone over 50 m.p.h. here, and it felt much faster. My eyes were blurry, and I had my hands right by the brakes the whole way," Cypert wrote. He adds that what goes down must come back up, noting that the climb out of the Red River Valley around Bulcher is of epic proportions. "You may grunt and search for a lower gear, but it won't be there. Not to worry. You can make it."

He then invites anyone to kick back at the Germanfest after the ride with a funnel cake and some beers. "Ach du Lieber!"

The Beauty and the Beast Tour/Race in Tyler is the number six ride in the story. *Texas Highways* is available at most magazine stands.

The 2006 Germanfest Metric Century Bicycle Rally was the 25th annual race. The race is currently sponsored by Sacred Heart School Alumni and Supporters.

Muenster honored by United Way

At the Muenster Chamber of Commerce mixer last week, Kathy Bauer, president of the Cooke County United Way, presented Community Partner recognition plaques to the City of Muenster and the Chamber of Commerce. Above, Mayor Henry Weinzapfel, Bauer, and City Manager Stan Endres. Below, Kirk Klement, Chamber vice president, Debbie Hess, Chamber president, and Bauer. "For outstanding dedication and valued support" went to the business leaders and their employees and the citizens of Muenster.
Janie Hartman photos

Jaycees and Park Board partner with United Way

This year the City Park Board members and the Muenster Jaycees are teaming up with John and Cooke County United Way to help raise funds. Cooke County United Way is being led by the Muenster Division leader John D. Bartush. This year's campaign theme is "Together, we matter... Together, we can!" Throughout the next few weeks John or one of his volunteers will be contacting local citizens and businesses for their financial support.

Many people in the area are not sure what the Cooke County United Way fund drive is all about. Cooke County United Way was formed in 1955. One of the charter directors in 1955 was Muenster's J.M. Weinzapfel. The other charter directors were Frank Morris, Jr., Arley Daurity, Mrs. Peter Hyde, and Leroy Robinson. In Cooke County there are 18 non-profit agencies/organizations which benefit from the funds raised by Cooke County United Way. Most of the agencies are located in Gainesville; however, many of them should be familiar to Muenster residents. Examples of which are Home Hospice, Boy Scouts, Girl Scouts, Boys Baseball, Cooke County Youth Fair, Cooke

Reports fill MISD Board meeting

By Janie Hartman
The Muenster ISD Board of Trustees reviewed report after report and approved improvement plans at their regular Board meeting on Wednesday, Sept. 13.

Lou Heers, elementary principal, included in her report that after attending meetings, the District West Zone Elementary UIL Meet will be Dec. 8. Lindsay is the host school and it will be held at NCTC. Era will host the junior high meet. Upcoming events include a Book Fair in the library Sept. 25-29.

The Junior High/High School report noted that academic progress reports were mailed on Sept. 7. Students voluntarily attended the 9-11 Remembrance Service at Sacred Heart Church. Trenton ISD will chair the spring UIL events, with Sam Rayburn ISD hosting the academic meet at Grayson County College. Muenster will host the District golf tournament at Turtle Hill Golf Course in the spring.

Coach Monte Endres gave an update of the athletic events held so far this year. He also reported that work

will begin on the gym floor soon.

Jeff Presnall, technology director, reported that 56 troubleshooting technical requests have been completed since the first day of school. Debra Sicking and Presnall conducted an e-Class training for new employees and set up 391 classes for 49 teachers.

Sports video equipment is being moved from VHS to DVD format. Presnall is also entering football stats online at the Texas High School Coaches Association website to help players receive statewide recognition. The new Muenster ISD website at www.MuensterISD.net includes a calendar of events, lunch menus, Board policy, student handbook, proposed budget and tax rate, contact information, map, sports schedule, results and directions to away games, and more.

In the counselor's report, Kristi Schneider noted upcoming testing including a preliminary SAT on Oct. 18 and the first SAT Oct. 14 in Lindsay or Valley View. Muenster has been approved to administer four SAT tests this school year - November, December, May, and June.

The 2006 TAKS testing year will be complete after the October Exit Level Retest. Two seniors will be tested at this time.

Band Director Justin Bell noted that the MISD Band program is making progress and the members are working hard. He also put into perspective the amount of work the Band must do in order to perform well.

Daniel Waneck gave the Ag report, noting that Wildlife and Recreation students are beginning Hunter's Safety. The wood shop has several works in the making. As reworking of the Ag shop concluded, projects beginning include frames and pens for the Ag barn, and two trailers.

The Muenster FFA will be fielding several teams for the District contest, with students competing at the State Fair. "Muenster FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth, and career success through agricultural education," noted Waneck. The Financial Update was

also presented, along with the District Compliance and Analysis in which MISD has 72 approved transfers into the District and 11 out.

The Board also approved the Elementary, High School, and District Improvement Plans for 2006-07. Noted changes by the year 2011 are seniors be required to have four years of Math, Science, Social Studies, and English in order to graduate. Also, beginning in August 2007, the state-mandated first day of school will be the 4th Monday in August.

A covered walkway for the Elementary students to the planned cafeteria was discussed, but no action was taken.

An adjunct faculty agreement was approved by Muenster ISD to recognize the Cooke County Texas 4-H Organization as eligible for school extracurricular status.

Muenster KCs to host fundraiser for Project Moses

Muenster Knights of Columbus Council 1459 have a new project. They are raising funds to purchase a 10' Commandments monument. Plans are to place the monument along the west entrance of Sacred Heart Church.

As a means of raising funds, the KCs are holding a Texas Hold 'Em Tournament on Saturday, Sept. 30 at 6:30 p.m.

For more information, contact Bill Hogan 768-9070 or Lonnie Henscheid 736-4733.

Family Day in the Park

Don't forget to attend Muenster's first "Family Day in the Park" to be held on Sunday, Sept. 24. Bring a covered dish to Muenster City Park and enjoy a day that will be filled with all the fun one can handle. See more on this story on page 4.

Working together gets the job done. Cooke County Precinct 4 and the City of Muenster together pack the new paved surface in the City Park, as improvements continue.
Janie Hartman photo

Gym landscaping project wins approval of Lindsay School Board

By Janet Felderhoff
Jon Sweeney of Scout Troop 668 presented a proposal to the Lindsay ISD Board of Trustees on Monday, Sept. 18. He hoped to gain their approval to landscape the new Lindsay gymnasium as his Eagle Scout project.

Sweeney presented drawings of the landscaping project he envisioned and a list of alternative plant choices. He also submitted a price list from Calla Lily's and Home Depot for all trees and shrubs in his proposal. The project was devised in such a manner that it could be done in two phases. That was another Scout could take on the second phase as an Eagle Scout project.

The cost of the plants for phase I are to be covered by \$1500 from Keep Lindsay Beautiful (KLB). Lindsay students held a fund Penny Match fund raising project in

which Glen Polk matched them penny for penny the amount raised. This money was donated to KLB. Shirley Weems of KLB noted, "When Jon came to us we felt like what better way to give to the students since they were the one to earn this money. Those of you who have done landscaping projects know that a lot of times you can't do them all at one time." She said that there are other young men who will be working on Eagle Scout projects and it is possible that one of them might do another phase and funding might be found for it also.

"At least a master plan would be in effect and these young men could have that master plan and proceed with it in phase II," said Weems.

Master Gardener President Sylvia Bayer worked on the plan assisting Sweeney with his selection of plants and design. They attempted

to blend with plants already on campus. "I'm also a member of the Texas Native Plant Society, so a lot of these plants are on our preferred list," said Bayer. "They might not be native plants, but they are recommended plants for this area. We wanted to make sure that the landscaping wasn't just random. We recommend using larger shrubs to start with. The building is very large."

After several questions, the Board was unanimous in approving Sweeney's project.

Special recognition was given to three members of the press by nominating them to the Texas Association of School Boards (TASB) Media Honor Roll. Recipients were Marvin Hogan of the *Gainesville Daily Register*, Kit Chase of *The Weekly News*, and Janet Felderhoff of the *Muenster Enterprise*. Each received a plaque.

Superintendent Dr. Jason Ceyanes said the Media Honor Roll recognizes media representatives who make an effort to get to know the superintendent, the Board president, and the District's missions and goals, report school news in a manner that is fair, accurate, and balanced, give a high profile position to good news about the schools, visit the schools, and maintain a policy of no surprises by sharing information with school representatives.

"All three of these individuals have really done a fabulous job of staying in communication with me on issues," Dr. Ceyanes remarked. "They hear things and I'll either get an e-mail or a phone call. It's always nice to have open communication with your local media."

Principal Phillip Hall reported that enrollment has
See GYM pg. 3

CITY

the amount of water that could flow through compared to what is now in place and stopping up. That improvement is designed to relieve flooding on the east side of Mesquite Street.

Award of the 2005 TxCDBG Drainage Improvement Project contract to Dickerson Construction was unanimously approved 4-0, with Joey Anderson being absent.

City Council also agreed to enter into another contract with Southwest Consultants to provide application assistance and to prepare the 2007-08 TxCDBG grant application and administer the related project if needed. The City agreed to pay Southwest \$17,500 if the grant is funded.

Also approved was a resolution authorizing:
a. The submission of an application to the Office of Rural Community Affairs (ORCA) requesting grant funds from the Community Development Fund of the Texas Community Development Block Grant Program (TxCDBG);

b. Drainage Improvement is the specific use for the \$125,000 grant funds.

c. The mayor or mayor pro tem to execute all documents in conjunction with the application;

d. The commitment of \$17,500 in support of the project.

Happy Birthday Danny!!!! You're 40 WHAT???

Scott Davis, planner for the Criminal Justice and Emergency Planning division of Texoma Council of Governments (TCOG) came to answer any questions the City Council had concerning the Texas Homeland Security Regional Response Plan for the Texoma Region. Some of the members were concerned that signing the agreement might mean relinquishing control of equipment or personnel in an emergency.

Davis assured them that they were not making any such commitment. They chose how much assistance could be offered in such a situation.

Davis explained that if something catastrophic were to occur, all the resources in the region would be made available to the City, Gainesville, Sherman, Denison, and Grayson County are using Homeland Security funds to purchase a mobile command center that would be available to Muenster if a catastrophic situation occurs. It could be used for staging in a large fire or similar situations.

"It is a good thing," commented Davis. "It doesn't take away any control because the control is the command system which is local. The mayor or county judge can declare a disaster and we go from there." Aid is brought in from all over the Texoma region and all members lend assistance if possible.

Other pluses to joining the Texoma Regional Response Plan is that should a volunteer firefighter be killed during a catastrophic event, the family would receive survivor benefits, FEMA reimbursements, etc.

By a unanimous vote, the City Council decided to sign the agreement.

Gary Fisher had three examples of fencing for the Council to inspect. Some sort of attractive fencing is planned for the north side of the City Park. Funding is

from Keep Muenster Beautiful's 2005 Governor's Community Achievement Award.

Plans are to have rock columns which match the new City Park entrance placed every 48-feet. The fence will begin on the north end of the new entry on Maple Street. There will be two columns there and the fence will then take a 45-degree angle and run west along Hwy. 82 as far as the money will allow. Some type of signage and landscaping will be worked into the area of the angle.

Muenster has some rock left from building the entry. They have committed that to the project. It was voted to seek bids for a contractor for mason and ironwork for the fence. TxDOT handles the bid process and local contractors who are interested in bidding can go to the TxDOT website for more information. The bids will be let in January, Fisher said.

It was also voted to remove Muenster from the joint bidding with Lindsay's landscaping. It was originally thought that this would bring in better bids. Since fencing companies normally don't have landscaping, it would complicate the bid process.

In his report, City Manager Endres said that TxDOT acknowledged receipt of his letter with the City's request to lower the speed limit on certain areas of Hwy. 82. They will do a traffic study.

Paving is taking place in the City Park. This is a joint effort of Cooke County Precinct #4 crew and equipment, City employees, and Bolen Construction. The City is renting an asphalt lay-down machine from Bolen with Bolen and two workmen for \$150 per hour.

Endres said that there is a problem with water standing along the street in front of Sacred Heart High School. A strip of asphalt will be put down to prevent the problem.

cont. from pg. 1

Paving on Ninth and Cedar is complete and it looks like water should drain properly.

In other business conducted at the Sept. 11 meeting, the City Council:

- Approved payment of bills totaling \$88,521.25.

- Approved request of use of the old baseball park on Oct. 4 by the Muenster Kiwanis to host a circus.

- Approved request of use of City Park on Oct. 31 by the Muenster Hospital Auxiliary for their annual Trunk or Treat event.

- Approved property tax changes for 2005 as processed by the Cooke County Appraisal District (CCAD).

- Approved moving unpaid water accounts to inactive files. Those listed will not be allowed to open new accounts until the old bills are paid.

- Tabled action on Texas Municipal League Intergovernmental Risk Pool Board of Trustees election since they didn't know any of the candidates.

- Approved CCAD's 2007 adopted budget.

OBITUARY

Agnes Owen 1914 - 2006

Agnes Owen

Mass of Christian Burial for Agnes Cecilia Pautler Owen, age 92 of Muenster, was held at 10 a.m. on Wednesday, Sept. 20. Burial followed in Sacred Heart Cemetery. Services were directed by McCoy Funeral Home of Muenster. Agnes Owen died Sept. 17, 2006 in a Denton hospital.

Born June 24, 1914 to Joseph and Elizabeth Rohmer Pautler in Muenster, Agnes married G.R. "Ray" Owen in Sacred Heart Church. She was a member of Saint Ann Society and Sacred Heart Parish. She was a devoted mother, grandmother, and great-grandmother.

Survivors are: daughters Elizabeth Hollis of Bartlett, Tennessee, Frankie Hermes of Gainesville, Georgia Henscheid of Irving, Margie Pagel of Lake Dallas, Lois Wray of Irving, Mary

Trammell of Lake Dallas, Cheryl Hibbits of Sachse, Texas, Sue Patrick of Fort Worth, and Karla Graham of Melbame, North Carolina; son Jim Owen of Latta, South Carolina; 31 grandchildren, and 30 great-grandchildren; sister Julia Cunningham of Muenster.

Preceding her in death were her husband Ray Owen; daughter Joyce Koelzer; sons Glenn and Mike Owen; sisters Mary Owen and Hilda Pautler; brothers Joe, John, Henry, Alphonse, Philip, and Edward Pautler; two grandsons, and one great-grandson.

Readings during the Mass of Christian Burial were given by Jeff Hollis, Ashley Caillier, and Julie Hanson. Megan Caillier and Suzanne Schmitz presented the Offertory gifts. Musicians were Diane Grewing and Christy Hesse.

Pallbearers were Justin Caillier, Jeff Henscheid, Mark Henscheid, Jeff Hollis, Wylie Hood, and Danny Raney.

A Rosary service was held at 7 p.m. on Tuesday in McCoy Funeral Home.

PARTNERcont. from pg. 1

County Youth Center, Camp Sweeney, Special Olympics, Friends of the Family, and Muenster's very own Muenster Youth Council.

The Muenster Youth Council oversees and funds several of the local Muenster youth organizations. Examples of these organizations are as follows: Boy Scouts, Girl Scouts, Swimming Lessons/Life Guard Programs, Muenster Youth Basketball League, T-Ball, Little League, Coach Pitch, Girls Softball, Camp Fire, etc. Also receiving funds in Muenster is the SNAP group through the Tri County Senior Nutrition - Meals on Wheels. This year the goal for the Muenster Division is \$15,520. The Muenster Youth Council will receive \$17,000 this year. Last

year \$15,513.44 was raised in the Muenster Division, which is obviously less than what the Muenster Youth Council is receiving.

The parents and youth of Muenster are very dependant on funding from the Cooke County United Way, whether they know it or not. The funding from United Way helps defray the costs parents have to pay for their children to participate in these programs. Most of the activities mentioned above are free thanks to the donations made to the Cooke County United Way. If you are contacted to give, would like to give, or have any questions, please drop your donation or contact John Bartush at Muenster State Bank and he will take care of you.

been steady. He spoke of the School's preparations for next week's Homecoming event. A representative from UIL will present the District with the Lone Star Cup during the Homecoming halftime.

Elementary Principal Kim Otto gave a report on the elementary activities. She said that on Sept. 27 there will be an early release of students so that the parents can meet with teachers.

Athletic Director Cody Bounds' report included information on a survey that he and Principal Hall are preparing for students in 8th grade through juniors regarding baseball. It will address interest in participating in the sport, how that participation would affect other sports and UIL academic participation, etc. He noted that it is a big financial and time commitment and it is important to do the legwork ahead of time. Baseball requires a higher investment than softball, he said. The results will be brought to the Board in January if the interest is high.

In his Superintendent's report, Dr. Ceyanes explained

roof damage resulting from the April storm. Although it was hoped that there wasn't a need to file a claim, there was sufficient damage discovered to warrant it. An estimate of \$21,000 was made on the new gym roof. Many of the clips that hold the metal roof together were lost or damaged. It was mostly wind damage. Since a claim is necessary, they will add all other damages from that storm to the claim including a booster

club trailer.

In other business, the Lindsay ISD Board:

- Approved the Texas Co-operative Extension's request for 4-H to be a sanctioned extracurricular activity, but did not approve the request for adjunct faculty status.
- Approved TEA waiver for release of seniors on TAKS testing days.
- Approved Cooke County Appraisal District's budget for 2007.

Don't buy the King Ranch bull: Wind is a good deal for Texas

By Jerry Patterson
Commissioner of the
Texas General Land
Office

The pioneers who created a dynasty in the Wild Horse Desert were known for their vision and drive. Texas titans like Captain Gideon K. "Legs"

Lewis of the Texas Rangers and Richard King founded the King Ranch, where advancements such as the nation's first breed of beef cattle brought worldwide fame and admiration.

Today, however, the proprietor of this iconic ranch appears to be selling a different

kind of bull. Jack Hunt, CEO of King Ranch Inc., recently claimed in these pages my efforts to lease state lands for wind energy amounted to a giveaway of taxpayers' money. That's despite the fact the Texas General Land Office is set to earn at least \$60 million for the schoolchildren of Texas leasing land that wasn't earning a dime.

The Land Office is adding millions to the Permanent School Fund and spending nothing to do it. From my perspective, that's not a bad deal. Mr. Hunt, however, takes issue with state and federal tax credits to encourage the growth of a clean energy industry.

Jack and the King Ranch Inc. also have an interesting twist on private property rights — they get to have them and others don't. How else would one explain Mr. Hunt's vehement opposition to wind farms on other South Texas ranches, such as the Penascal wind project on the Kenedy Ranch? The land belongs to the John G. Kenedy, Jr. Charitable Trust, not the King Ranch. How did it become King Ranch business?

Despite Mr. Hunt's protest, all forms of energy are subsidized in the United States. A study of energy subsidies by the National Commission on Energy Policy estimated that during 2003 alone, they ranged from \$37 billion to \$64 billion. Wind energy accounted for less than 1% of that total.

In Texas, we have an opportunity to once again be a worldwide leader in energy production. Texas is already the nation's top producer of wind power and I intend to increase our lead over states like California and Massachusetts.

Wind power developers earn a 1.9 cents per kilowatt hour federal tax credit for the first 10 years of a project.

Mr. Hunt's tally of tax breaks — both real and imagined — that gulf wind developers will allegedly receive included "anticipated county and school tax abatement (tax forgiveness) generally demanded by all wind projects of between \$125 million and \$265 million."

The only schools involved in offshore wind power are schools of redfish, jack, or mackerel. And they have yet to organize an effective taxing authority of any kind.

Like oil and gas, wind power is just another way to diversify our income stream dedicated to Texas schools. Historically, the \$22 billion Permanent School Fund was built with the royalties from oil and gas production on state lands.

As Commissioner of the Texas General Land Office, it is my fiduciary duty to find ways to replace that income before it's gone. Wind energy generated on state-owned lands is an exciting part of the solution.

Contrary to Mr. Hunt's uninformed assertions, wind energy is the real deal. And Texas is in the game to stay.

This land is my land

U.S. Sen. John
Cornyn

Texas is growing and our housing market is strong. The value of housing is rising. New home construction is growing rapidly in many areas.

Encouraging home ownership has been a national priority for decades, for good reason: Nothing better symbolizes achievement of the American dream than owning your own home. It provides economic security, peace of mind, and the assurance that you will be able to pass to your heirs something of value.

So imagine this: One day the long arm of the government reaches out and makes a grab for your home — not for a road or a fire station, but for a new shopping center or a manufacturing plant.

The reality of that danger was underscored by a U.S. Supreme Court decision handed down a year ago in the case of Kelo v. City of New London.

Disregarding the Constitution's specific protection of private property, the high court ruled that your home, business, or family farm — any private property — may be seized by the government not just for public use, but for the benefit of another private entity, such as a real estate developer. The purpose of this could be to generate more tax revenue for government, or even to make the area look more attractive.

The City of New London, Connecticut condemned the home of Susette Kelo and 114 other residential and commercial lots to carry out its economic development plan. The plan included a new hotel and conference center to help attract a drug manufacturing plant to the area. Homeowners protested, but the high court agreed with the city.

Our country was founded on a respect for private property. It's troubling to realize that right stands on such shaky ground.

A silver lining has already appeared. The decision sparked a new awareness about abuse of eminent domain — the government's ability to take private property without the owner's consent in particular cases. Kelo didn't create the abuse, but it certainly put a spotlight on it across the country, and since the case there's been a major outcry.

The critics have a strong legal argument. The Fifth Amendment makes clear that "private property" shall not "be taken for public use without just compensation." The same amendment provides protection against abusive eminent domain by only permitting the government to seize private property for "public use."

In my view, Kelo veered far off course, allowing property to be taken far outside the limits envisioned by our founding fathers. The Institute for Justice has identified more than 10,000 properties either seized or threatened with condemnation for purposes of private development in a recent five-year period. If anything, Kelo encouraged that practice.

But other parts of the government are taking action to bring balance to the practice of eminent domain.

The Texas Legislature last year approved a measure that protects property from being seized for purposes of economic development. The Texas Senate this summer is studying proposals for additional protection for private property owners.

President Bush last month signed an executive order preventing taking of private property by the federal government "merely for the purpose of advancing the economic interest of private parties to be given ownership or use of the property taken."

I've introduced a bill, The Protection of Homes, Small Businesses and Private Property Act (S. 1313) to ensure the power of eminent domain is used only for true public uses, as guaranteed by the Fifth Amendment. Under my proposed legislation, the government could not seize property simply for

private economic development.

As we work to protect private property rights, I'm well aware we must be cautious. There is no question that, where appropriate, eminent domain can play a positive role in society, through true public use of property.

But no American, rich or poor, should have to live under the constant threat of a questionable taking of his property by the government. The protections of the Fifth Amendment represent some of the most fundamental principles conceived by our nation's Founders, and we must take all necessary actions to preserve them.

Sen. Cornyn is a member of the following Senate Committees: Armed Services, Judiciary, Budget, Small Business and Entrepreneurship, and Joint Economic. He is the chairman of the subcommittees on Immigration, Border Security and Citizenship and Emerging Threats and Capabilities. Cornyn served previously as Texas Attorney General, Texas Supreme Court Justice and Bexar County District Judge.

Insurance tools announced for pasture, rangeland, forage

The United States Department of Agriculture (USDA) announced on Aug. 7, the availability of two new risk management tools for pasture, rangeland, and forage, beginning with the 2007 crop year.

The new insurance products will assist farmers and ranchers in drought impacted areas and improve their risk management capabilities. The products are designed to operate in a variety of range and pasture environments and they utilize innovative technology to determine when a producer has suffered a loss.

These new products are the Rainfall index insurance program and the Vegetation index insurance program. The two programs are being pilot tested in 220 counties across Colorado, Idaho,

Pennsylvania, South Carolina, North Dakota, and Texas.

In Texas only the Rainfall index insurance program will be tested, and 125 of Texas' 254 counties will be eligible to participate in the pilot program. The Rainfall index insurance program is offered by the Risk Management Agency (RMA) and is available through approved insurance providers. The program will provide livestock producers the ability to purchase insurance protection for losses of forage produced for grazing or harvested for hay.

"As State Representative for House District 68, I am pleased to announce that the following counties are eligible to participate in this program: Baylor, Clay, Foard, Hardeman, Haskell, Jack, King, Knox, Montague,

Throckmorton, Wichita, Wilbarger, and Young. The drought that we have experienced over the last years has been devastating for many across Texas, and I am hopeful that this program will serve as a useful tool for our many livestock producers," stated Representative Rick Hardcastle. "I encourage producers in the eligible counties to contact their crop insurance representative to determine if this program is right for them."

The Rainfall index insurance program will be available for sale from crop insurance agents beginning in late August. The sales closing date is Nov. 30, 2006. More detailed information about the pilot programs is available on the RMA website at: <http://www.rma.usda.gov/policies/pasturerangeforage/>

LIFESTYLE

Pavek, Aytes wed in Pocatello, Idaho

Susan Pavek and Shayne Aytes, son of John and Carol Aytes of Muenster, were recently married in St. Paul's Catholic Church in Pocatello, Idaho. Susan is a graduate of Idaho State University and a resident of Pocatello for more than 20 years. Shayne is a chemical engineer graduate of the University of Arizona. He has resided in Pocatello for 12 years. Adrienne, Susan's daughter, served as flower girl for the ceremony.

Hess, McCann marry in Sacred Heart Church

Crystal Hess of Muenster and Tobe McCann of San Diego, California were united in holy matrimony on Saturday, Aug. 19, 2006 at 2 p.m. in Sacred Heart Catholic Church of Muenster. Father John Ohner, OSA, officiated the ceremony.

The bride is the daughter of Gene Hess and Patty Hess, both of Muenster. Her grandparents are Caroline Hess of Muenster and the late Gary Hess, and the late Ferd and Gertie Luttmmer. She is a graduate of Sacred Heart School.

Parent of the groom is Janette McCann of Muenster. His grandparents are Barbara Treweek and Glenn McCann. The groom is a graduate of Saint Jo High School and is serving in the U.S. Navy.

Given in marriage by her father, the bride was wearing an elegant strapless wedding gown. The bodice was accented with lace and beading. She wore an elbow-length veil. For something old she wore her grandmother's wedding band. She also wore a borrowed necklace.

Readings were given by

MC Reasner, Lilly Nasche, and Chelsie Switzer.

ATTENDANTS

Serving as maid of honor was Charlie Sue Switzer of Muenster, friend of the bride.

Bridesmaids were Jana Truebenbach of Muenster, Mary Jane Callahan of Sherman, Clarissa Hess of Muenster, and DeAnna Cartee of Muenster, all friends and

family of the bride. Hayley Hess of Muenster served as junior bridesmaid.

Flower girls were Audrey Clark, Kylie Hess, and Mikizine Hess. Ethan Cartee was ring bearer.

Tim Sampson of Saint Jo, friend of the groom, was best man. Groomsmen were Jake Little and Josh Little, both of Fort Worth, and Wes Harbon of Denton, all friends and family of the groom.

Ushers were Jessie Coker of Muenster, cousin of the bride, and Ben Coughenours and Calvin Coughenours, cousins of the groom.

RECEPTION

Following the wedding, a reception was held in Sacred Heart Community Center. Hannah Hess, bride's cousin, attended the guest book. The wedding cake was made by the groom's aunt Mindy Coughenours. Decorations were in green and Victorian lilac colors.

After honeymooning in Playa Del Carmen, Mexico, the couple is at home in San Diego, California.

The rehearsal dinner was held in Muenster City Park and had a luau theme.

Mrs. Tobe McCann ... 'nee Crystal Hess ...

SH Parish to sponsor Family Day in the Park

The very first "Family Day in the Park" featuring a covered dish lunch and fun day in the park is scheduled for Sunday, Sept. 24, starting at noon and continuing until the last person leaves. Every family in the area and the entire community is cordially invited and encouraged to attend.

Betty Flusche, chairperson of the Unity and Fellowship Committee of Sacred Heart Parish advises every one, "Leave your wallets at home! Bring only a covered dish, a smile, a happy heart, and goodwill toward everyone." Bring your favorite games, along with your favorite lawn chair or blanket to sit on.

There will be free hot dogs, snow cones, and kettle corn. Ice tea, lemonade, and water will be served. The children will especially enjoy free access to the Bounce House and Obstacle Course with slide combo. Special features will be face painting, and sandy candy - sand art you can eat.

For the physically active youth and adults, there will be tennis, volleyball, washer pitching, ladder ball, and

horseshoe competition. Those attending are asked to bring their washer games and horseshoes.

Local talent will provide music and entertainment. Karaoke will be available.

The Unity and Fellowship Committee of Sacred Heart Parish is sponsoring this totally free event. It is an opportunity to reach out to neighbors, relatives, and friends, and especially to the new arrivals in the community. It is an opportunity to experience a joyful... *Family Day In The Park*.

If the Good Lord provides rain on this day... activities will continue in the Sacred Heart Community Center.

Smart watering tip

If you have a home irrigation system, make sure you're getting the most out of your timer. New technology makes it easier than ever to program and monitor your watering needs. Consider upgrading your timer. Automatic, programmable timers save more water than mechanical models. Toro

On Sept. 11, Webelo Cub Scouts met to learn about the important steps in saving someone's life. They also made first aid kits. Pictured are, from left, Jeremy Hess, Jared Dangelmayr, James Cochran, Isaac Walterscheid, J.T. Smith, and James Dangelmayr. Courtesy photo

Fire Fest set for Valley View VFD

The Valley View Volunteer Fire Department will be holding their annual Fire Fest on Saturday, Sept. 30 on the square in Valley View. Kicking off the event is a brisquet meal at 5 p.m. followed by an auction at 7 p.m.

They have lots of really great auction items including weekend stays in Dallas and Grapevine, tickets to the Chevy Trucks NASCAR Races in November at the Texas Motor Speedway, tickets to the Lone Star Park, Six Flags, Schlitterbahn, Sea World, and so much more.

There are two separate raffles. One raffle consists of a 2007 Kawasaki 250 4-

wheeler, and the other of two round-trip tickets to anywhere in the Continental United states that Southwest flies. Tickets are \$20 each or six for \$100 for the 4-wheeler, and \$5 each or five for \$20 for the airline tickets. Contact Yvonne or Nathan Sandmann at 940-726-3864 or 940-736-7268 to purchase tickets. You can also purchase tickets from Thelma's Home Town Clinic in Valley View, or contact any Valley View Volunteer Fire member.

Bring your family and friends for a great dinner and a good time. Live entertainment is also planned.

\$T. RICHARD'S VILLA NEWS

By Elfreda Fette

It is always pleasant to recall good times of the last week. On Tuesday, Sept. 12, we made chocolate milk shakes and listened to "relaxation music."

On Wednesday, Sept. 13, we had popcorn and watched *Huck Finn*, a movie. Bonny Prescher and friends entertained, beginning at 6:30 p.m.

On Thursday, Sept. 14, we made homemade bread and socialized. We talked about events from the past in Montague and Cooke County.

On Friday, Sept. 15, we had a "pie tasting" party and enjoyed coconut cream and chocolate drizzle.

Because residents are interested in daily news, they attend a meeting on Mondays at 9:30 a.m. This week's discussion included: the astronauts on the International Space Station; a lock down at the U.S. Capital when a man crashed his vehicle and ran into the building and was arrested; tension over Pope Benedict XVI's remarks on Islam; the fresh spinach E-coli scare; sports news; a wild-fire in California; the death of former governor Ann Richards.

Residents wish to announce the schedule of upcoming events early, so all

interested persons can make plans accordingly: Saturday, Sept. 23, BINGO at 10 a.m.; Tuesday, Sept. 26, Bible Study and crafts with Bowtie Church of Christ at 2:30 p.m.; Thursday, Sept. 28, Food Time and Happy Hour at 2:30 p.m.; Friday, Sept. 29, monthly wine-tasting and cheese social at 2:30 p.m.

NEW ARRIVAL

Hesse

Mark and Melanie Hesse of Muenster joyfully welcome into their home their beautiful gift from God, a daughter, Mikayla Grace Hesse. Her middle name is after her deceased great-grandmother, Eula Grace Cain. She was born on Friday, Sept. 15, 2006 weighing 8 lb. 4 oz., and measuring 21 inches in length. She joins her big brother Mitchell 15, and her older sisters Megan 13, Morgan 10, and Madison 9. Grandparents are Ethel Hesse of Muenster and the late Leo Hesse, and Wendell and Rita Richey of Muenster.

Drew Springer

Republican Candidate for County Commissioner, Pct 4

Meeting my wife, Lydia Walterscheid, at Germanfest in 1989 was one of the luckiest days of my life. When we returned home to Cooke County three years ago, it was in part, to escape the crime of Dallas. It is disturbing to know that Cooke County now has a crime rate as high as Dallas and twice that of Denton County. We need a commissioner who will work with law enforcement and prosecutors to come up with a plan to reduce crime: more than 400 individuals charged with felonies are currently walking the streets of our county. Further, we need to explore a public defender's office that could easily save over \$200,000 a year for the taxpayers of Cooke County.

It's Time for New Leadership, I'm asking for your Vote Nov. 7th

Pol Adv. Paid for by the Drew Springer campaign, Lydia Walterscheid Springer, Treasurer, 320 E 4th St. Muenster TX 76252

Sponsored by MISD H.S. Student Council COOL WEATHER GEAR! ORDER NOW!

A selected school group is providing you with the opportunity to purchase high quality jackets in our school colors and with our mascot. These garments are of excellent quality and are guaranteed as to workmanship and materials.

Reserve yours today and wear them this fall to all athletic events, to school, and around town. Simply fill out and return the order form along with a \$15.00 non-refundable pre-payment deposit. The remaining balance will be due after this order. It is suggested that jackets be ordered one size larger.

Please return your order form within one week or by your announced deadline.

The jackets retail for the following prices:

	YOUTH	ADULT
CHILL FLEECE VARSITY	\$54.00	\$57.00
VARSITY STRIPED PULLOVER	\$43.00	\$45.00

- Post - Surgery Therapy for patients with an orthopedic surgical procedure requiring physical or occupational therapy
- Post - Stroke Therapy
- Pneumonia Recuperation
- Heart Problems

Odilia Lutkenhaus celebrates 91st

Odilia Lutkenhaus celebrated her 91st birthday Sept. 8 at Pecan Tree Rehabilitation and Healthcare Center in Gainesville. Her actual birthdate is Sept. 9. Odilia joined the home for rehabilitation during the summer.

A large birthday cake decorated with lilacs and pink roses entwined the purple ribboning and with the lettering "Happy Birthday, Odilia. We love you" was on the serving table which was covered with a purple cloth. Colorful balloons, a "Happy Birthday" banner, and a purple floral arrangement complemented the theme.

Friends, staff, and residents greeted Odilia. A guest flutist provided musical entertainment and played the Strauss "Blue Danube" and the Beethoven "Ode to Joy" especially for her.

Odilia came from her residence on a farm near Saint Jo where she had been living since 1950. She loved the "country way of life" and her specialty was baking sourdough bread.

Odilia's roots are from Muenster. In her younger years, she played the violin and piano. She still enjoys classical and waltz music.

Odilia Lutkenhaus and Linda Coursey

Cross Timbers Council joins the council realignment plan

As the 95th anniversary of Girl Scouting approaches in 2007, Girl Scouts Cross Timbers Council (GSCTC) has joined Girl Scouts of the USA (GSUSA) in a historic transformation to modernize the iconic organization and focus on leadership development for girls in the 21st century. GSCTC serves over 6,000 girls and over 2,500 adults in five northeast Texas counties.

On Aug. 26, Girl Scouts of the USA's National Board of Directors voted to endorse a plan to realign 310 councils into 109 high-performance, community-based councils. The new structure will make the most effective use of re-

sources to better serve the local community and create more opportunities in Girl Scouting for even more girls.

As part of this national realignment, two of GSCTC's counties, Denton and Grayson, will join with Girl Scouts of Red River Valley Council (headquarters in Paris) and Tejas Council (headquarters in Dallas) to form one Girl Scout council. GSCTC's three remaining counties, Cooke, Montague, and Wise, are recommended to be incorporated into the Circle T Council (headquartered in Fort Worth) which is scheduled for total realignment in October 2008.

VFW District I president makes visits local group

Vernell Flood, District I president of the Ladies Auxiliary VFW Post #2772 Sherman made an official visit to Muenster Ladies Auxiliary Post #6205. President Flood commended the Muenster Auxiliary, pointing out how important membership is, and getting reports in on time.

Oct. 1 will be District I Commander and District I Ladies Auxiliary President Homecoming. Members are invited to attend and bring a cake for a cake walk and auction.

The annual bake sale was discussed. It will be Friday, Oct. 13, from 8 a.m. to 5 p.m. at Fischer's Market. Mem-

bers are asked to bake two items or make a donation of \$10 or more. Proceeds will benefit assorted programs and the cancer aide and research fund.

After the meeting, the POW-MIA program was presented. Each member held a lit candle. The little altar held small flags and red, white, and black candles. Frances Bayer and Linda Knabe gave readings. "God Bless America" was sung.

Eleanor Felderhoff served lunch to 14 members and one guest.

The next meeting will be Oct. 16 at 7:30 p.m. in the Post Home.

Cooke County Library Friends elect officers

Friends of the Cooke County Library met Sept. 8 at the Whaley Methodist Church Fellowship Hall in Gainesville with more than 30 members in attendance.

Ed Plummer, president of Friends of Lakewood Library in East Dallas, and other members of Lakewood Friends presented an enlightening program sharing experiences of their group since it was organized in 1994. The Lakewood Library was established in 1926 as one of the five original branches of the Dallas County Library.

Cooke County Librarian Jennifer Johnson-Spence gave the following update of happenings at the Cooke

County Library:

* Library patrons increased over last year 350%, from 2,000 to 7,000.

* The 2006 Summer Reading Program doubled both in numbers of participants and program completion.

In the business session, the Nominating Committee announced the following slate of nominees for 2007 officers: Patsy Wilson, president; Sandra Burrow, vice president; Jean Burris, secretary; and Juanita Brooks, treasurer.

"Friends" meets quarterly. For membership information call Sandra Burris at 665-9388.

Quilt Show

The 2006 Busy Bee Quilt Show will be held Sept. 29 and 30 from 10 a.m. to 4 p.m. at the Post Oak Community Center in Post Oak, Texas. It is located on FM 2127, between Hwy. 59 and Hwy. 148.

Admission is \$2. Beans and sandwiches will be served daily. There will be quilts, crafts, door prizes, and a trash and treasure sale. A donation quilt will be given away at 4 p.m. on Sept. 30. For more information, call 940-567-2771.

Gem and Mineral Show

The Texoma Rockhounds will hold their 44th Annual Gem & Mineral Show at the Senior Citizen Center, 531 West Chestnut Street in Denison on Sept. 30 and Oct. 1. There will be merchandise for sale. Club members will have displays to view. There will also be games, a silent auction, touch table, raffle, and door prizes. Admission is free. For more information, contact Rosemary Siems at 903-891-9702

Children's prayer hour planned for Friday, Oct. 6

World Wide Children's Eucharistic Holy Hour for children, teens, and adults is scheduled for Friday, Oct. 6 at 3:40 p.m. in St. Peter's Church of Lindsay. Its focus is prayer for peace in the families of the world. Children need to be accompanied by an adult.

Everyone is welcome. On that day dioceses, schools, and parishes throughout the world will gather together to unite children to pray the rosary before the Blessed Sacrament in response to the message of Our Lady of Fatima for peace in families.

It's Book Fair time at the MISD Library!!!

The Muenster ISD Library will be hosting two Scholastic Book Fairs on Sept. 25-29 from 7:30 a.m. to 4 p.m. This year there will be the traditional Book Fair, but there will also be a book fair for High School students. Families, students, teachers, and the community are invited to attend the Fairs. Both will be held in the MISD Library on opposite sides of the building.

On Tuesday night from 6-8

p.m. the Book Fairs will feature a special Family Event with refreshments, door prizes, special activities, and plenty of time to shop.

The Book Fair will offer specially priced books and educational products, including new releases, award-winning titles, children's classics, interactive software, adult books, and current bestsellers from more than 150 publishers. Attendees can help the school build classroom libraries by purchasing books for teachers through the Classroom Wish List program.

Everyone is invited. You can contact Vicki Eldridge, MISD librarian, at 759-2282 with questions.

Historical Commission sponsors quilt raffle

The Muenster Historical Commission is sponsoring their annual quilt raffle. This year's double ring quilt was pieced years ago and newly quilted for the fundraiser. Chances are \$1 each or 6 for \$5 and are available from any Historical Commission member or at the Ben and Aggie Seyler Muenster Museum. Proceeds will go toward the printing of a 25 year Muenster History Book supplement. Janie Hartman photo

Membership meeting set for CC Heritage Society

The annual membership meeting of the Cooke County Heritage Society will take place on Tuesday, Sept. 26 at 7 p.m. at the Morton Museum of Cooke County in Gainesville. The featured speaker will be Dr. Ron Tyler. Dr. Tyler's topic will be "Patterns of Progress: Birds-Eye-View Maps of Texas." In 2006, Dr. Tyler directed the installation of a major exhibit on birds-eye-view maps at the Amon Carter Museum in Fort Worth. The exhibit featured a birds-eye-view map of Gainesville loaned by the Morton Museum of Cooke County.

Dr. Tyler is director of the Amon Carter Museum. He is former Professor of History at the University of Texas at

Austin and Director of the Texas State Historical Association.

Major publications of Dr. Tyler's include *Alfred Jacob Miller: Artist As Explorer* (1999), *Prints of the West* (1994), *Audubon's Great National Work: The Royal Octavo Edition of The Birds of America* (1993), *Views of Texas: The Watercolors of Sarah Ann Harding, 1852-56* (1988), *Visions of America*.

The result of the election of officers and directors of the Heritage Society will be announced at the meeting. Refreshments will be served. The meeting is free and open to the public. For more information, call the Museum at 940-668-8900 or email mortonmuseum@mortexinfo.net.

Irreplaceable Oaks

The Post Oaks of our Cross Timbers woodlands are old and hardy survivors. Well adapted to sparse and irregular rainfall, they endure. For reasons no one

fully understands, trees growing under harsh conditions tend to live longer. Scarred by lightning, their limbs twisted and gnarled, these old trees are often unrecognized and unappreciated. They took root long before European settlers arrived. Growing slowly on slopes or marginal land that was not suitable for farming, they were left undisturbed for hundreds of years.

But they are vulnerable, and need our protection. They are threatened by pests and fire, but primarily by development and the bulldozer. These old oaks are part of our patrimony, our inheritance. In an increasingly human-dominated landscape, they are our link with a less-altered and more natural past.

We, however, need them to protect us! In our arrogance and greed we forget the role they play in maintaining our environment and making it possible for us to breathe. They absorb vast amounts of carbon dioxide, the dreaded greenhouse gas, and vast amounts of intense solar energy, and through the miracles of chlorophyll and photosynthesis, convert them to the oxygen we breathe and the vegetable matter that enriches our soil and nourishes wildlife. Trees moderate surface temperatures, clean and purify our air, and act as enormous carbon sinks. Our woodlands, even more than green crops or grasses, play a critical role in the maintenance of our atmosphere and our very survival.

Would you sacrifice a single ancient oak, for a wind turbine? What about hundreds or thousands of oaks? These trees provide irreplaceable environmental benefits. So called "wind energy", a legislated tax-avoidance scheme, provides virtually none. It is imperative that we expand our forest cover, not destroy it.

Please protect our woodlands. They're important to our survival!

Cross Timbers Conservancy

Information event helps seniors stay independent

In conjunction with National employ the Older Worker Week, Experience Works, a senior community service employment program, is sponsoring an information event for those who are 55 plus who would like to learn about the various services available to help sustain their independent lifestyle. The program will be from 1:30 to 3 p.m. on Wednesday, Sept. 27 at the Cooke County Public Library, 200 S. Weaver Street in Gainesville.

Local agencies to offer information are: Area Agency on Aging with medication and benefits counseling; Texas Department of Rehabilitative Services with assistance for those with disabilities; Gainesville Housing Authority with housing assistance information; Experience Works will be joined by Workforce Texoma to provide information on employment assistance and employment related classes; River Valley Health and Rehab will serve

refreshments and will provide information about their rehabilitation services.

National Employ the Older Worker Week, Sept. 24-30, is a perfect time for seniors who are in need of extra income to consider getting the training they need to get a job. By 2008, 40% of the labor force will be 45 or older. Experience Works, the country's largest provider of free mature worker training and employment, is currently seeking individuals 55 and older with limited income, who want to learn new skills, with paid on-the-job experience, and ultimately work full or part-time in their local communities.

For more information, contact Shirley Lemons at 940-665-1121 or 940-665-9994.

Smart watering

Install a home irrigation system with a rain sensor. Many states and local water districts now require rain sensors. Homeowners who have irrigation systems use less water on their lawns and gardens than those who don't. Watering efficiently, and only when your plants and lawn need it, can save a great deal of water. Rain sensors interrupt the watering program if it rains, saving even more water. Toro

SCHOOL

Muenster ISD announces Homecoming week plans

Muenster ISD has planned a week full of activity to celebrate Homecoming. Monday, students will dress alike for Twins Day. The high school girls are also participating in a Powder Puff game starting at 7 p.m. All are welcome to attend. Admission is \$1 per person. Tuesday is 50s Day. Students are asked to dress in 50s style clothing. Wednesday is Jersey Day. Thursday is Superhero Day. The students will wrap-up the week with Spirit Day on Friday. Friday's pep rally will be held at Hornet Field starting at 3:05. The Homecoming Court will receive their mums at this time.

This year's freshman princess is Erin Endres,

daughter of Monte and Jacque Endres. She has participated in UIL, is treasurer of FCCLA, and participates in Cross Country, Basketball, and Track.

Sophomore princess is Lauren Haverkamp, daughter Kevin and Shana Haverkamp. Lauren is a member of FCCLA, FFA, and the 2006-07 Hornet Varsity Cheerleaders.

Heather Harrison is this year's junior princess. She is the daughter of Laura and Tommy Harrison, Jr. She has been a member of FCCLA, and the Marching Hornet Band. She is employed at Rohmer's Restaurant.

Queen candidates for the 2006 Homecoming are Melissa Cox, Sandy Endres, Megan Felderhoff, and Jessica Walterscheid.

Melissa Cox is the daughter of John and Jamie Cox. She has participated in FCCLA, UIL, and Cross Country and Track. Melissa has been a Hornet varsity cheerleader and is the secretary for the National Honor Society this year. Melissa is a member of Student Council and Keep Muenster Beautiful.

Sandy Endres is the daughter of Phil Endres and Marlene Pagel. She has been

involved in Student Council and FCCLA. She is a member of the Sacred Heart Church and the Sacred Heart Youth Group. She has been a member of the JV Cross Country, Varsity Track, and Basketball teams.

Megan Felderhoff is the daughter of David and Barbie Felderhoff. She participated in TMSCA, FCCLA, and Student Council. Megan was in National Honor Society, serving as president. For three straight years, Megan has gone to state UIL in Spelling. Megan has participated in Tennis, Track, Cross Country, and Basketball.

Jessica Walterscheid is the daughter of Bernadette Otto and Phil Walterscheid. She has been active in UIL, TMSCA, FFA, and FCCLA. She is the Region 11 vice president of records for FCCLA. She has participated in Track, Basketball, Powerlifting, Tennis, and Varsity Cheerleading. She is a member of National Honor Society, Student Council, and Keep Muenster Beautiful member.

Pregame will start at 7 p.m. with the introduction of the Homecoming Court. Past queens will also be honored. The queen will be crowned at the halftime ceremony.

2006 Sacred Heart Queen's Court

The Sacred Heart Homecoming Queen's Court for 2006 is, from left, front, princesses Kara Felderhoff, Kalyssa Pollard, and Virginia Bartush. Back, queen candidates Kristen Miller, Paige White, Taylor Torcellini, and Charlotte Bartush. Tiger Homecoming will be Friday, Oct. 6. SHCS photo

LUNCH MENUS

WEEK OF SEPT 25 - 29 MUENSTER ISD

Mon. - Hot dogs w/chili and cheese, oven baked tator tots, ranch style beans, peaches, dessert.

Tues. - Salisbury steak, creamed potatoes w/gravy, green beans, pineapple, hot rolls.

Wed. - Ham and cheese sandwich, lettuce, tomatoes, chips and salsa, bananas, dessert.

Thurs. - Grilled chicken breast, creamed potatoes w/ gravy, corn, pears, hot rolls.

Fri. - Pizza, lettuce salad w/ dressing and crackers, carrot sticks, applesauce, cookies.

Wed. - Chicken/chili crispito, corn, tossed salad, strawberry applesauce, sugar cookie.

Thurs. - Baked potato w/ ground beef, shredded cheese, tossed salad, fruit mix, cinnamon roll.

Fri. - Hamburger, sliced cheese, potato wedges, trimmings, ice cream.

Powderpuff and Homecoming planned at Lindsay School

The Lindsay Knights will host the Sacred Heart Tigers for Homecoming 2006 at Knight Field, Friday, Sept. 29 at 7:30 p.m. Pregame activities begin at 7 p.m.

The 2006 Homecoming Court members are: Freshman princess Alex Cooney,

daughter of Jeff and Debbie Cooney, and escort, Colton Hermes, son of Larry and Kitie Hermes; Freshman princess Kristin Martin, daughter of Chad and Anita Martin, and escort, Ryan Haverkamp, son of Tommy and Mayme Haverkamp; Sophomore princess, Elizabeth Martin, daughter of Gordon and Cindy Martin, and escort, Jon Sweeney, son of Jamie and Susie Sweeney; Junior princess Jessica Hermes, daughter of Ralph and Debbie Hermes, and escort, Nathan Martin, son of Chad and Anita Martin.

Senior Queen Candidates are Brittany Anderle, daughter of Jay and Bridget Anderle, and escort, Justin Caillier, son of Kenneth and Gayle Caillier; Autumn Murrill, daughter of Eric Murrill, and escort, Levi Hermes, son of Larry and Kitie Hermes; Laura Zimmerer, daughter of Rudy and Claudia Zimmerer, and escort, Chris Dieter, son of John and Ginger Dieter; Rachel Zimmerer, daughter of Rudy and Claudia Zimmerer, and escort, Travis Endres, son of Pat and Janice Endres.

Lindsay Student Council is planning a week of fun activities culminating with a

Homecoming Dance for the high school students immediately after the game in Conrad Hall until 1 a.m. Freshman, sophomore, junior, and senior classes will compete in games and activities all week. Points earned during Homecoming week will determine the "most spirited" class.

The highlight of the class competition will be the Powderpuff Football Game on Monday, Sept. 25 at 7 p.m. Senior girls will compete against Freshmen. Junior girls will compete against Sophomores, and the winners will play each other for the grade level champion in flag football. Boys will make up the pep club, cheerleaders, and drill team. The "drill team" will perform before the championship game. Play-by-play announcers will keep the fans entertained! As will the drill team and cheerleaders.

Admission will be \$1 per person regardless of age. Fans may contribute their \$1 to the Freshman, Sophomore, Junior, or Senior class. This is a fundraiser for Student Council.

A limited concession stand will be available with bottled water, soft drinks, Gatorade, and pizza by the slice.

The 2006 Lindsay High School Homecoming Queen's Court is, from left, front - senior candidates, Laura Zimmerer, Rachel Zimmerer, Autumn Murrill, Brittany Anderle; back - princesses Jessica Hermes, Kristin Martin, Elizabeth Martin, and Alex Cooney. Janie Hartman photo

SPORTS

SH Tigers win cat fight 52-14

The Sacred Heart Tigers traveled to Saint Jo Friday night to challenge the Panthers. The fumbling, flag-throwing contest ended in a 52-14 victory for Sacred Heart.

"Overall, the Tigers did well," commented Sacred Heart Coach Charles Boles. "They did a better job of taking care of the ball and played well as a team and as a whole unit."

The Tigers began the first drive of the game on their 35 yard line. Runs by Chris Marshall, Nolan Hartman, and Joshua Yosten moved the ball into Panther territory. A pass interference call put the Tigers on the 26. Colt Spruill ran to the 6, then with 9:20 on the clock, Spruill found paydirt. The PAT kick failed for a 6-0 score.

A sack by Nathan Berend, two flags, and an incomplete pass forced Saint Jo to punt. From their 44, a Hartman to Mark Fleitman pass picked up 32 yards. Hartman gained another 10, and Marshall 5 to the 8 yard line. A fumbled ball was covered by the Panthers on the 6.

Saint Jo got in one good play, then punted. Three plays later, the Tigers lost the ball with another fumble. Luckily for Sacred Heart, the Panthers also fumbled the ball and Jordan Reeves covered for the Tigers on the Panther 30.

Hartman was sacked, then Marshall picked up 13. A Hartman to Yosten pass turned into 6 points with 12 seconds on the clock. The PAT failed for a 12-0 score.

The Panther offense continued to struggle against the Tiger defense. Tackles by Yosten, Jordan Reeves, and Jake Hess made Saint Jo punt. From midfield, Spruill gained 18. A flag moved the ball to the 17 yard line. Marshall and Hartman each ran a play, with a pass to Yosten moving the Tigers to the 3 yard line. Two plays later, Hartman scored. With 8:36 on the clock, the Tigers took an 18-0 lead after a failed PAT kick.

Saint Jo got a 1st down, then punted. From midfield, a few runs moved the ball to the Panther 40. A Hartman to Colby Richey pass put 6 more points on the board. The PAT kick was again no good for a 24-0 score with 4:29 remaining in the 1st half.

Short gains and two big penalties moved the Panthers to the Tiger 37. With a minute on the clock, Robert Kennedy scored on a 37 yard run. The extra points failed and Saint Jo was on the board 24-6.

A Tiger fumble on the kick return was covered by Saint Jo on the Tiger 39. An 11 yard run and a flag moved the Panthers to the 18. A 3rd down pass from Daniel Lindenborn to John Terilli added 6 points to Saint Jo's score. Lindenborn connected with Austin Neely for the PAT

to make the score 24-14 with 11 seconds on the clock.

The Panthers came out the 2nd half, fumbling the kick return. Yosten recovered the ball for Sacred Heart on the Tiger 30. Five plays later, Hartman scored from the 3,

Hartman's PAT gave the Tigers a 52-14 lead with 53 seconds still remaining in the 3rd quarter.

Saint Jo carried the ball into the final period and punted. The Tigers couldn't get the needed yards and

Zach Zanchetta (50), Tyler Rohmer, and Nathan Berend (8) put pressure on the Panther quarterback. Janie Hartman photo

Colt Spruill (2) takes advantage of a blocked Panther to get the Tigers to the five yard line. Janie Hartman photo

and with a good PAT, the Tigers took a 31-14 lead.

Tackles by Hartman and Rohmer, and a sack by Dylan Flusche made the Panthers punt.

A good kick return by Richey to the Panther 27 set up Sacred Heart's next touchdown. Four plays later, Yosten found paydirt on a 17 yard run. Hartman added the PAT for a 38-14 score with 5:36 still on the clock.

Things continued to go in favor of the Tigers. Another fumbled kick return, covered by Yosten, placed the Tigers 30 yards from the end zone. Two good runs by Yosten quickly took the ball to the 5 yard line. Yosten then ran for the touchdown. Hartman kicked the PAT for a 45-14 score with 3:33 remaining in the 3rd period.

The Panthers got in two plays, then fumbled. Flusche covered the fumble on the Panther 48.

Yosten got in a good run for a 30 yard gain. Marshall moved the ball to the 10 where Hartman carried the ball in for the touchdown.

punted back.

The Panthers got in seven plays to the 17. They came up short and the Tigers took the ball on the 14. Two "knees" and the game was over.

Next Action
The Tigers travel to Era Friday night to challenge the Era Hornets. "It will be another good county rival game," Coach Boles said. "Everyone is fired-up and excited. We're looking at a good tough football game."

After a season opener loss to Bells, 20-12, the Hornets flunked Dallas A+ Academy 42-0, scoring all points in the 1st quarter, then couldn't find the end zone last week, losing 18-2 to Perrin-Whitt.

Players to watch will be Cody Huddleston, Cory Grassman, Chaz Jarvis, Daniel Sustaita, and Michael Drake.

Game starts at 7:30 p.m.

Muenster slaps Chaps 26-13

"We played our best game so far. We did the things it took to win," commented Coach Monte Endres on the Muenster Hornet 26-13 victory over the Aubrey Chaparrals last Friday night at Aubrey.

"We were able to control the clock, and run and pass the ball," Endres continued. "The defense played real good. Shutting them out the 2nd half was a big part towards the win. I am real proud of the defense. They did a great job."

The first touchdown of the game came after the Chaps fumbled the opening kick on their own 14 yard line. Paul Crabtree recovered for the Hornets.

Corey Reynolds ran the first play of 3 yards, then Zach Swirczynski took the next four runs, the final from the 1 yard line into the end zone. Swirczynski added the extra point and the Hornets had a 7-0 lead with 9:23 still on the clock.

Bill Haverkamp's kick was returned 10 yards to the 25, where Micah Flusche made the stop. Cole Harrison and Swirczynski, and Haverkamp, Chad Endres, and Swirczynski got in tackles for no gains. But the Chaparrals moved downfield and scored on a 1 yard run. With 4:27 on the clock, Aubrey tied the game 7-7.

Tanner Herr returned the Chap kick to the Hornet 47. Two passes from Herr to Collin Walterscheid picked up 19 yards and a run by Swirczynski another 15, placing the Hornets 20 yards from paydirt as the 2nd quarter began.

Reynolds got to the 11, and Herr to the 8. Swirczynski then scored. A successful kick by Swirczynski made it 14-7 with 10:05 showing on the clock.

The teams exchanged several punts, with C. Endres, Swirczynski, and Paul Crabtree credited for tackles. Before the clock struck half-time, Aubrey scored for a 14-13 score with 15 seconds on the clock.

The Hornets took the 3rd quarter kick, then punted on 4th and 12.

A tackle by Harrison, Swirczynski, and Charles Womble, and two unsuccessful passes were followed by an Aubrey punt.

From their 16, the Hornets gained on two runs by Reynolds and a Herr to Walterscheid pass before punting. The Chap offense sputtered and punted. Sud-

denly the Hornets were up 20-13 when Swirczynski scored on a 69 yard run, and they weren't finished yet.

The Hornets got the ball back when Aubrey fumbled the kick return, and Garret Hennigan covered the ball on the Chap 21 yard line.

Reynolds, Herr, and Swirczynski each carried the ball before the final quarter, getting to the 4 yard line. Swirczynski then rammed the ball into the end zone. The PAT failed for a 26-13 score with 4 seconds off the clock.

The Hornet defense again held Aubrey, forcing a 4th and 22 punt. From the Muenster 36, Reynolds had a long touchdown run which was called back by a holding flag.

The Hornets then slowly moved the ball downfield to the 18. Reynolds again found the end zone, and again a holding flag brought the ball back. A field goal attempt failed and the Chap offense took to the field.

Four plays gained 9 yards for Aubrey as Muenster got the ball on downs. Reynolds and Swirczynski ran the ball and ran out the clock for a Muenster win.

Team Stats		A

RUSHING: Zach Swirczynski, 22/138; Corey Reynolds, 16/84. **RECEIVING:** Collin Walterscheid, 3/35. **FUMBLE RECOVERY:** Paul Crabtree, Garret Hennigan. **FORCED FUMBLES:** Crabtree, Colton Steelman. **TACKLES:** Zach Swirczynski (12), Chad Endres (7), Micah Flusche, Cole Harrison, and Paul Crabtree (6 each), Tanner Herr (5).

Coach Endres noted that Micah Flusche graded out at 91% this week on offense.

Next Action
The Hornets take on another 2A team this Friday as they travel to Sadler to take on the S&S Rams.

"This will be a tough one," said Coach Endres. "They're a tougher match up than Aubrey was. They are bigger, more physical, and always a tough game for us."

The Rams won their first game 15-6 over Valley View, then lost 19-12 to Caddo Mills. Week three was an open date, as they prepared for Muenster and Homecoming festivities this Friday. Kickoff is at 7:30 p.m.

Muenster Hornet Corey Reynolds (3) gets a little extra gain behind the blocking of Micah Flusche (62).

Lady Knights volleyball loses District openers

The Lady Knights came up short in the District volleyball opener last Friday against Collinsville.

"I was very proud of all the girls. They played as a team," noted Coach Don Neu. "I feel if we keep improving like we have, we could be a pretty good team by the 2nd half of District."

The match scores were 12-25, 14-25, and 14-25.

Brittany Anderle is credited for six kills and three blocks, while Autumn Murrill got four assists and three digs. Katelyn Brewer, Chelsea Hermes, and Emily Haverkamp also had three digs.

The JV Lady Knights lost both rounds 18-25, 18-25 to the Lady Pirates.

Hornets crunch an Aubrey Chaparral, who has nowhere to go.

8th Grade Stingers fall 20-6 to Aubrey

The Aubrey Chaparrals 8th grade team challenged the 8th grade Muenster Hornets last week, taking a 20-6 win from the Stingers.

Garrett Walterscheid's opening kick rolled to the 5, but Aubrey returned the ball to midfield. It took only six plays and the Birds were ahead 6-0.

A short Aubrey kick hit a Muenster player and the Birds recovered the ball at midfield. Tackles by Jason Luke, Shane Presnall, Dillon Bayer, Josh Holder, and Walterscheid gave the Stingers the ball on downs.

From their 34, Holder picked up 7 and Presnall 10 yards as the 2nd quarter started. A sack was followed by a Bird face-mask to keep the drive alive. Luke gained 4 and Holder another 3 for a 1st down on the Aubrey 38. Two runs lost 11 yards, followed by a fumbled play and a Muenster punt. Aubrey got the ball on their 30 yard line. The next play, a 70 yard run gave the Birds a 12-0 lead. Bayer stopped the extra point attempt with 2:47 on the clock.

Josh Holder returned the kick to midfield. A flag moved the ball into Aubrey territory to the 47. A pass from Presnall to Walterscheid picked up 7 yards, but the Stingers couldn't get the 1st down and the Birds took over on their 39.

A quarterback sack by

Bayer set the Birds back 8 yards, but the next play was a 69 yard touchdown run. The PAT gave Aubrey a 20-0 lead with 26 seconds on the 2nd quarter clock.

A short kick was downed by Phillip Vogel, but the half ended with lost yards.

Walterscheid returned the 3rd quarter kick 10 yards to the Hornet 48. A flag added 5, then Holder ran twice for 16. Another flag lost 5. With 6:23 on the clock, a Walterscheid to Luke pass was good for a 28 yard touchdown. The PAT failed for a 20-6 score.

Aaron Grewing, Vogel, and Holder stopped the Birds from getting a good kick return. Tackles by Spencer Nielsen, Walterscheid, Luke, Ryan Hennigan, and Bayer, and two broken passes by Luke finally forced an Aubrey punt.

It was three runs and punt for Muenster as the 4th quarter rolled around. The Birds got inside the Stinger 10, but a fumbled ball was covered by Walterscheid on the 14.

After losing 3, Walterscheid got 5, followed by a Presnall to Walterscheid pass for a 21 yard gain. Walterscheid, Presnall, and Luke got the ball to the 42. Walterscheid then got in a 26 yard run.

Fifteen yards from paydirt, the Stingers lost 4 yards, and Aubrey finished the last 10 seconds of the game.

Josh Holder (24) gains extra yards after Garrett Walterscheid (12) takes care of the defending Birds, in 8th Grade Muenster Stinger action with Aubrey. Janie Hartman photo

Sacred Heart wins battle of the Cubs

The Sacred Heart Junior High Tiger Cubs proved to the Saint Jo Panther Cubs which team was the "real" cubs, after handing Saint Jo a 28-0 loss last week.

The Tigers began the first drive on their own 39. Runs by Zach White and Josh Biffle, and a Matt Hesse pass to Bob Bartush was followed by a 10 yard touchdown run by Hesse. The PAT failed for a 6-0 score with 4:12 on the clock.

Tackles by B. Bartush, Hesse, and Mark Bartush, and a flag forced Saint Jo to punt away their first possession. Runs by White and Biffle moved the Tigers to the 19. A Hesse to B. Bartush pass put 6 more points on the board. With 18 seconds on the clock, Sacred Heart had a 12-0 lead.

But the Tiger Cubs weren't ready to end the 1st quarter. After a fumble on the kick return was covered by Clay

Hogan on the Panther 16, Hesse waltzed into the end zone, then ran in the extra points for a 20-0 score with a second left in the 1st quarter.

Three plays, no gain, and punt continued the Panther offense. A 20 yard return by Hesse put the Tigers on Saint Jo's 31 yard line. White picked up 20 yards, then 11 for the touchdown. With 4:34 on the clock, White ran in the points after for a 28-0 score.

Both teams punted before the halftime buzzer.

Saint Jo lost yards their first offensive attempt in the 2nd half. Several runs each by White and Biffle moved the ball into the final quarter. Stopped at the Panther 34 yard line, the Tigers punted. A tackle by Andy Flusche was followed by a fumble recovery by Aaron McBride on the Panther 16 yard line. Hesse ran for 9, then to the 2 before taking a knee to run out the clock.

Muenster JV handed 40-0 loss

The Muenster Junior Varsity Hornets were out-manned last Thursday, as the 2A Aubrey Chaparrals put 40 points on the board while holding the Hornets scoreless.

Aubrey struck quick with a 69 yard touchdown run after the first snap of the game. Jeremy Lutkenhaus stopped the PAT attempt for a 6-0 game with just seconds off the clock.

Levi Trubenbach returned the Aubrey kick to the 31 yard line. Chris Valliere picked up 4 yards on two runs, but a sack forced a punt. The kick by Eric Hellman was returned to Muenster's original line of scrimmage. Two plays later, another 6 points. Lutkenhaus and Trubenbach stopped the extra point for a 12-0 score with 6:04 still on the clock.

Valliere gained 7 on three runs, and Hellman punted again. From midfield, the Chaps took 10 runs to get the next touchdown. Getting tackles on the drive included Valliere, Lutkenhaus, Steven Valliere, Trubenbach, Adam Richey, and Taylor McGrew. Forty-five seconds into the 2nd quarter, Aubrey was up 20-0.

Trubenbach got a 27 yard kick return to the 49 yard line. Two plays later, a fumble recovered by Aubrey set up the next touchdown. Before finding paydirt, the Chaps were tackled by Allen Fette, Trubenbach, Lutkenhaus,

Jeff Schiederjan, S. Valliere, McGrew, and sacked by T.S. Acuna. With 2:28 on the clock, Aubrey led 26-0.

A kick to the 18 was jumbled around by Trubenbach, then returned to the Hornet 32. A fumble in the backfield recovered by Aubrey on the next play set up yet another touchdown. With 29.8 seconds remaining in the 1st half, the Chaps led 30-0.

Jacob Klement completed a pass to Aaron Flusche for an 11 yard gain before the teams took a break.

The Hornet offense lost 7 yards to start the 3rd quarter and punted. Defensive plays by Lutkenhaus, McGrew, and Hellman, along with a quarterback sack by Hellman for an 8 yard loss, and a minus 13 yard tackle by Fette and Hellman forced a punt. Acuna blocked the punter and Muenster recovered the ball.

Two quarterback sacks and Muenster punted again. The next play, a 60 yard TD run. With 17.8 seconds on the clock, Aubrey led 40-0.

Muenster started the final quarter, then fumbled again. Aubrey quickly moved to the Hornet 1 yard line. The Muenster defense held, getting the ball on their 13.

The game ended after Allen Fette sacked the Aubrey quarterback for a 10 yard loss.

JV Tigers pluck Eagles

The Valley View Junior Varsity Eagles came to Tiger Field last Thursday to take on the Sacred Heart JV football team. When all four quarters were played, the featherless Birds flew south in a 44-6 plucking.

Tackles by Kyle Knabe, Nick Popovich, and Gene Yosten held Valley View's first drive to three unsuccessful plays.

A flag temporarily delayed Sacred Heart, but two runs by Ryan Bartush picked up 34 yards to the 19. Nathan Berend and Bartush got the ball to the 8, where Berend's pass to Popovich was good for 6 points. The PAT failed for a 6-0 score with 5:27 still on the clock.

The Eagles' second drive ended on 3rd down with a fumble recovered by Stephen Davis on the Valley View 43.

A pass to Kirk Felderhoff and another to Sam Sparkman were added to runs by Bartush to the 1 yard line. A keeper by Berend found the end zone. Berend then ran in the extra points for a 14-0 score with 2:12 on the clock.

A tackle by Knabe and two incomplete passes were followed by a blocked punt by Nathan Berend, placing the ball 24 yards from the end zone. Popovich got the Tigers to the 6, then Sparkman scored. Bartush ran in the PAT for a 22-0 score with 34 seconds remaining on the clock.

Valley View got in two good plays and scored, 22-6.

A short Eagle kick, a flag, and a Tiger fumble were followed by an interception by Bartush. A Berend to Sparkman pass picked up 23 yards, with Bartush getting the ball to the 19. A few bad plays, including a fumble, gave the Eagles the ball on their own 20.

A tackle by Chad Henscheid and a fumble forced an Eagle punt. Sparkman returned the ball

to the Valley View 26, but again the Tigers came up short as the 1st half ended.

Felderhoff made a good return to start the 3rd quarter. The first snap saw Bartush score on a 56 yard run for a 28-6 score.

Flags gave Valley View a 1st down, but tackles by Bartush, Yosten, and Mitch Hesse forced a punt. Three Sparkman runs moved the ball to the 15. Two plays later, Sparkman hit paydirt. Popovich ran in the PAT for a 36-6 score with 4:15 left on the quarter clock.

An interception by Felderhoff quickly gave the Tigers the ball. Three Popovich runs covered 36 yards for a touchdown. Berend ran in the extra points for a 44-6 score with 1:16 still on the clock.

Valley View's offense started the final quarter that ended quickly.

Lady Squires settle for 2nd

Kelsey Hermes finished 1st at the Bland Cross Country Meet at Redub Estates last Saturday, leading the Lindsay Junior High Lady Squires to a 2nd place finish with 100 points. Hermes finished the race at 12:30.

Jessica Block was 17th, clocking in at 14:39, followed by: 20, Megan Caillier 29, Katie Nortman 33, Jordan Fleitman 47, Alli Fogle, and 60, Jessica Krahl.

Also running for the Lady Squires were McKenzie Neu, Taylor Atkins, Amelia Wyrick, Kailyn Gum, Erin Copeland, Kelsey Barba, Katie Arendt, Mandy Hess, Stephanie Zwinggi, Vanessa Hess, Kate Weber, Alex Gay, Amelia Haverkamp, Lauren Hicks, and Lucinda Krahl. Two junior high boys also competed, Thomas Rohmer and Austin Hermes.

Peepers out-fly Stingers

The Muenster 7th Grade Stingers were handed a 32-0 defeat last week when the young Aubrey Chaparrals invaded Hornet Stadium.

Things went to the Birds quickly, as a very short opening kick was covered by Aubrey. Tackles by Luke Crabtree and Caleb Winters held the Chicks for two plays, but the next two after that put points on the board. The extra run gave Aubrey a quick 8-0 lead with 5:06 still on the clock.

The second kick was short and rolled out at the Muenster 42. Unable to get 10 yards, Dalton Koelzer punted. The Birds returned the ball to the Muenster 47. Getting tackles were Chase Hammer, Mark Jones, Crabtree, and Darin Springs, before Aubrey extended their lead to 16-0 with 1:49 remaining in the 1st period.

A fumbled kick return put the Stingers on their 17 yard line. Three runs by Koelzer picked up 32 yards, moving into the 2nd quarter and Aubrey's end of the field.

A run by Blake Grewing was called back by a flag, then a fumble in the backfield returned the ball to the Peepers on their 42 yard line. Five plays later, 24-0.

Hammer returned Aubrey's kick to the 36 yard line. Three plays later, a fumbled pitch forced a Stinger punt. Aubrey got in one play to end the 1st half.

The Peepers took the 3rd quarter kick, followed by two plays to get to Muenster's 8 yard line. Tackles by Grewing and Cole McAden, and a sack by Winters held the Birds to a 4th down on the 17. Jace Wann held the runner at the 3 and Muenster took the ball on downs.

Two plays later, a fumbled ball was carried into the end zone to give Aubrey a 32-0 lead with 2:08 on the clock.

Blake Voth got a good return to the 40. A sack and a flag delayed the Stingers, but the first play in the final period saw Tyler Anderle complete a pass to Grewing for a 25 yard gain. The next four plays were unsuccessful and the Birds took the ball on downs.

Aubrey's offense got in seven more plays, with Wann, Winters, Hammer, McAden, David Fleitman, and Anderle all getting in tackles before time ticked off the clock.

Lady Knights win Bland Cross Country Meet

With eight of nine runners finishing in the top 25, the Lindsay Lady Knights won the Bland Cross Country Meet at Redub Estates last Saturday. Lindsay won the meet with 30 points.

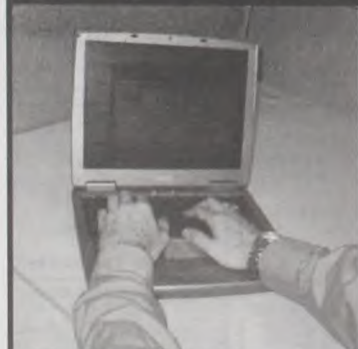

Chelsea Hermes led all runners with a time of 12:16. Rose Hermes came in 2nd at 12:52 and Katelyn Brewer 4th at 13:03. Following were: 11, Shirley Hess, 13:44; 12, Laura Zimmerer, 13:51; 17, Alli Copeland, 14:14; 23, Rachel Zimmerer, 14:41; 24, Kendall Neu, 14:42; and 76, Jenny Schroeder, 16:08.

Three junior varsity girls also competed. Amber Nortman came in 5th with a time of 15:17, Beverly Knabe was 37th at 18:17, and Hillary Hoelker was 38th with 18:19.

Matt and Mitch Dieter competed in the boys varsity division. Matt finished 35th with a time of 20:14 and Mitch 84th at 22:20.

Bernhard Gabriel came in 2nd place in the JV division with a finish of 18:45.

Lindsay lances Tigers

The Lindsay Knights hosted the Jacksboro Tigers from District 9AA Friday night and pulled out an 18-14 non-district win. The Knight offense more than doubled the yardage (257 to 123), while staying even on turnovers, to get the win.

"The Knights came out and played. We had a few illnesses, but the others stepped up to pick up the slack," commented Cody Bounds, coach for the Knights. "They fought hard the whole night."

"Any time you can beat a tradition-rich 2A school, it's a good night for the boys," added the coach.

The Knights received the opening kick and punted after gaining only 3 yards. The Tigers fumbled their first snap, with Dillon Ott covering the loose ball on the Tiger 35 yard line. Two holding flags moved the ball back to midfield, but the Knight passing attack, Keith Hermes to Levi Hermes, gained 32 yards, then 18 more to the end zone. Dustin Neu added the extra kick for a 7-0 Lindsay lead with 7:57 remaining in the 1st quarter.

Jacksboro bounced back, beginning at midfield, taking four plays to score on a 32 yard run. The PAT was blocked by L. Hermes to close the score to 7-6 with 5:57 still on the clock.

Gaining only 8 yards, the Knights were forced to punt. Tackles by Neil Jones, Josh Jones, Justin Caillier, and Mason Ward held the Tigers to a 4th down punt. The next snap was a fumble recovered by Jacksboro, setting up their next touchdown. From the 32, four short runs were followed by a 19 yard scoring pass. The PAT run put Jacksboro in the lead 14-7 with 2:31 remaining in the 2nd quarter.

The Knights got in five plays, including a Nick Bezner pass to L. Hermes before Jacksboro intercepted a pass.

Ward, J. Jones, and L. Hermes stopped the Tiger offense as time ticked off the clock to end the 1st half.

The Tigers took the 3rd quarter kick and slowly pounded out the yardage, getting in 11 plays to the Knight 20 yard line. Two incomplete passes gave the Knights the ball, but the next play a fumble put the Tigers on the 16.

Tackles by Nathan Martin, Ward, and Caillier set Jacksboro back 4 yards. A 38 yard field goal failed and the

Knights took the ball on their own 20 yard line.

A K. Hermes to Nathan Martin pass picked up 8 after a 1 yard loss. On 3rd and 3, a quarterback keeper by K. Hermes turned into a 73 yard touchdown. K. Hermes then ran in the extra points and Lindsay took a 1 point lead, 15-14 with 1:44 remaining in the 3rd quarter.

Tackles by L. Hermes and Travis Endres forced a Jacksboro punt to end the period. It was also three up and punt for the Knights. Two plays later, Martin tipped a pass attempt and Levi Hermes intercepted for the Knights.

The Lindsay offense again struggled and punted, but the next play Garrett Block picked off a Tiger pass, putting the Knights 20 yards from the end zone. Again Lindsay couldn't get a 1st down and settled for a 31 yard field goal by Neu. With five minutes remaining in the game, Lindsay was up 18-14.

Tackles by Chris Dieter and Ott, and a high snap forced a Jacksboro punt on 4th and 33. The Knights ran five plays to the 8 yard line, then killed the clock for the victory.

Lindsay quarterback Keith Hermes (3) follows blockers, including Travis Endres (2) and Jeff Shannon (8) for a 73 yard touchdown run in the Knights' victory over Jacksboro.

Next Action
 This Friday night Lindsay goes to the Dog House in Alford to take on the 2A Bulldogs.

A big 1A team last season, Coach Bounds noted of Alford, "They are very talented and they'll play hard. We'll have to match their intensity."

It is Homecoming night for the Dogs, who suit out over 60 high school team members. Last season Alford finished as 1A Area Finalist. Game time is 7:30 p.m.

At left, Travis Endres (2) and Nick Dieter (10) make the tackle after a pass. Above, Dillon Ott (50) and Mason Ward (35) get the sack.

Lindsay quarterback Keith Hermes (3) follows blockers, including Travis Endres (2) and Jeff Shannon (8) for a 73 yard touchdown run in the Knights' victory over Jacksboro.

Runners compete in Decatur

Muenster, Sacred Heart, and Lindsay participated in the Reunion Cross Country Run at Joe Wheeler Park in Decatur Saturday morning. The Lady Knights ran in the "Black" division, while Sacred Heart, Muenster, and Lindsay varsity boys ran in the "Blue" division. Muenster and Lindsay also had participants in the Junior Varsity division, with Muenster Junior High girls also running. Over 1300 cross country runners took part in the races.

Keller High won the girls varsity Blue division with 93 points. The Sacred Heart Tigerettes finished in 2nd with 102, followed by Decatur 115, and Burkburnett 127. The Muenster Lady Hornets settled for 10th place with a score of 203.

Fishing in the top 10 was Tigerette Samantha Wimmer 4th with a time of 13:04. Lady Hornet Leaha Smith came in 7th at 13:23, and Ginger Bartush, Sacred Heart, 9th at 13:26. The winning time was 12:47.

Other Sacred Heart and Muenster finishers were: 22, Paige White, SH, 13:50; 24, Charlotte Bartush, SH, 13:53; 37, Shaina Felderhoff, M, 14:07; 43, Kristin LeBrasseur, SH, 14:16; 55, Jackie Klement, M, 14:44; 56, Laura Heers, M, 14:45; 57, Cassie Hale, M, 14:52; 60, Lisa Miller, SH, 14:56; 62, Jordanne Hellman, M, 15:02; 66, Kalyssa Pollard, SH, 15:17; 69, Sam Endres, M, 15:25; 71, Kara Felderhoff, SH, 15:31.

Hornet Johnny Green was the 6th place finisher in the varsity boys Blue division race. He clocked in at 18:53.82. Others running the race, their places, and times were: 29, Joe Hesse, SH, 20:41; 40, Matt Dieter, L, 21:23; 47, Mitch Dieter, L, 21:54; 69, Ian Barnhill, SH, 23:34; 71, Patrick Mojica, SH, 23:39.

The Muenster JV girls took 6th place as a team with 160 points. Sanger won the meet with only 20 points.

The Lady Hornet places and times were as follows: Lindsey Watson, 17, 15:04; Jessika Hartman, 29, 15:35; Brandy Dangelmayr, 46, 16:01; Sandy Endres, 50,

16:04; Emily Stoffels, 55, 16:14; Erin Endres, 64, 16:35; Megan Felderhoff, 70, 16:52; Lia Heers, 72, 16:57; Jordan Ledbetter, 73, 16:59; Anne Walterscheid, 76, 17:04; Sara Walterscheid, 88, 17:33.

Lindsay Knight Bernhard Gabriel finished 4th with a 19:51 finish, while Hornet Toby Dyess ran a slower pace at 29:33.

In the Black division, the Lady Knights settled for a 4th place finish with 147 points. State-ranked Class 5A Keller won the meet with 38 points, followed by Decatur (3A) 100 points, and Bowie (3A) with 113. Lindsay did defeat Sanger, Argyle, Alvord, Guyer, Birdville, Ryder, Saginaw, Era, and Mineral Wells.

Individually, Chelsea Hermes finished in 3rd place, clocking in at 11:52. Rose Hermes followed with a time of 12:29 for 9th. Rounding out the team, their places and times were: 14, Katelyn Brewer, 12:39; 57, Laura Zimmerer, 13:54; 60, Shirley Hess, 13:59; 71, Rachel Zimmerer, 14:29; 79, Kendall Hess, 15:08.

The Muenster Junior High girls finished in 5th place with a team total of 149.

Emily Hellman finished at

13:42 for a 4th place finish. Jacy Steelman was 7th with a 13:57 finish. Others finishing the race and their times were as follows: Lana Heers, 41, 15:28; Shelby Dangelmayr, 50, 15:42; Kendall Reiter, 63, 16:20; Kalynd Dangelmayr, 71, 16:31; Chloe Schneider, 72, 16:33; Andi Hess, 80, 16:45; Andi Felderhoff, 100, 17:32; Paige Hennigan, Taylor Endres, Taylor Reiter, Allison Pagel, Demi Koelzer, Stormie Wilburn.

North Texas basketball officials needed

The North Texas Basketball Officials Association (NTBOA) services varsity and sub-varsity basketball games for schools in the Greater North Texas Area. NTBOA is currently seeking men and women with an interest in basketball officiating to start training for the 2006-07 basketball season.

General meetings and training will be held at Denton High School. For more information contact John Judge at 817-319-6808 or Javier Nieto at 903-815-8776.

Archery shoot-out brings competitors

The Muenster Chamber of Commerce and Red River Taxidermy and Archery sponsored a two-day archery shoot-out on Sept. 9-10.

Both traditional bow and compound bow events were held. Each contestant had to shoot 30 life-size targets scattered throughout the timbered creek area. Scoring was 10 points for the bull's-eye of the kill area, 8 points for anywhere in the kill area, and 5 points for anywhere outside the kill area except horns or hoofs, with the highest possible score being 300.

There were 47 shooters, with seven being under the age of 12. The youngest was age three.

The top three scorers in each division were:

TRADITIONAL
Youth & Ladies: 1st, Jeremy Lutkenhaus, 201; 2nd, Daniel Corley, 154; 3rd, Adrianna Corley, 116.

Adults: 1st, Mark Lippe, 215; 2nd, Bobby Lutkenhaus, 209; 3rd, Mike Corley, 178.

COMPOUND
Children: 1st, Garrett Dangelmayr, 169; 2nd, Jade Biffle, 148; 3rd, Jason Pendergrass, 41.

Youth & Ladies: 1st, Paul Crabtree, 241; 2nd, Matt Crabtree, 226; 3rd, Blake Hunter, 221.

Adults: 1st, Barry Hunter, 273; 2nd, Kevin Hale, 271; 3rd, Brad Biffle, 270.

Ian Barnhill runs the course at the Reunion Run.

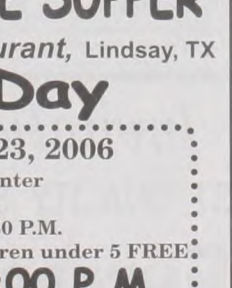

Sacred Heart Tigerettes finished 4th in the Blue division at the Decatur Cross County Meet.

Lady Knight Chelsea Hermes settled for a 3rd place behind tough competition from larger schools at last Saturday's cross country meet in Decatur.

The Crabtrees - John (above), Paul (below), and Matt (at left) all competed in the Archery Shoot-out.

The Crabtrees - John (above), Paul (below), and Matt (at left) all competed in the Archery Shoot-out.
