

City increases public swimming price

By Janet Felderhoff
Due to the revenue taken in by the Muenster swimming pool being several thousand dollars less than the expense of operating it, the price of swimming in and renting the City pool were increased. City Park Board representative Jewel Otto said that the Park Board rec-

ommended increasing the charge to swim in the pool from the current \$1.50 charged this year to \$2 for next season. Rental fees will be raised from the current \$35 to \$50 an hour. That fee includes two lifeguards. The Council approved this suggestion.

Muenster Police Chief Bob Stovall also submitted his quarterly report to the City Council Monday night. After reviewing its contents, Alderman John Pagel commented on the apparent escalation of violent type activity. He wondered if that was just this month. Chief Stovall noted that it's been up in the last five to six months.

"Families feuding and fighting, whether it's financial, whether they're not getting along," said Chief Stovall. "It's all in the City, mainly the trailer park, but not all of it. Domestic violence is really, really up the last five or six months."

Stovall told them that he might have a person willing to serve as a reserve officer. A reserve officer works 20 hours a month. The officer is not paid. The City's only expense is paying the liability insurance, which is \$625 a year. The certified reserve officer supplies his or her own uniform, etc.

"That would give me a few more slack hours during the week to work on this criminal stuff and let him work on Mitch's night off."

Mayor Henry Weinzapfel asked the Police Chief to coordinate with Police Commissioner Bob Walterscheid and City Manager Stan Endres to keep them apprised of what's going on.

Bob Bauer, president of the Muenster Water District Board, gave an update on the Muenster Lake. He said a meeting was scheduled for Thursday, Oct. 5 with the NRCS to discuss mitigation and the boat ramp. If the City wants the ramp at this time, it will have to be funded 100% by the Water District.

Bauer explained that by government requirements, if you take out so many feet of foliage, you have to give back so many feet of foliage. The NRCS people will be looking at what is needed, how much is there, and how much must be planted elsewhere to replace what was lost to the lake. Since there was not enough onsite area to do this, an off-site area was sought. Nobody in the vicinity of the lake was willing to give up land in perpetuity. The attempt to find land for the purpose spanned a number of years, Bauer noted.

Finally, Claude Walter gave 14 acres of his property south of Muenster in perpetuity. It will be used to put in natural habitat that can't be

grazed, cultivated, etc. Bauer said that Walter's contribution is what got them the lake because without it they couldn't get their 404 permit. The City will be fencing that area.

Bauer explained more details of the on-site mitigation. There is NRCS funding for the on-site required plants because it is a shared expense.

He noted that there were no NRCS funds to build the boat ramp. If the City wants it built soon, they will have to fund it, or get a source to fund the ramp. The NRCS agreed to supply the design plans for the boat ramp.

A caution was given by Bauer that failure to pay attention to and comply with the government's perimeters could result in the City losing the lake.

Weinzapfel asked if the time had come to form committees to determine how the 600 and some acres for a park would be used. Walking and biking trails are possibilities.

Weinzapfel remarked, "The citizens of Muenster Water District are going to be taxed for many, many years to pay for the lake. Up to this point, they felt like they should stay away from it because it was a Water District project. Now that it is finished, except for the water, our people are wondering, 'When can we start enjoying the millions of dollars that we are putting up? Is it time to form committees to establish the rules and regulations of what is going to govern the use of the lake?' This should have some community input, not just the Water District."

Bauer didn't think this was the right time. He said that his Board was heavily involved with trying to satisfy the permit and really didn't have time to deal with other committees.

Weinzapfel said that is a good reason to have committees, to bring the suggestions to the Water Board. Bauer said he felt it was premature, but he would consult with the Water Board.

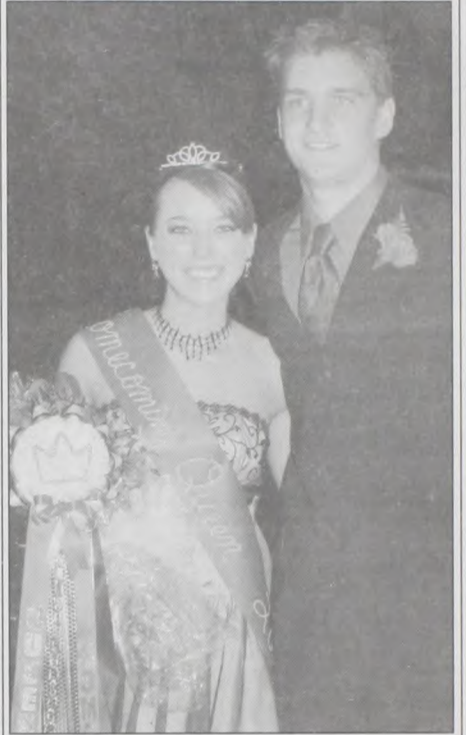

Discussion was held on what to do about the door at Doc's Bar & Grill. It opens in rather than out, which is not in compliance with fire codes. Pagel remarked that they are not the only business in town with fire code violations.

A letter sent to the owners earlier brought no results. Endres was instructed to send another letter informing them of their non-compliance and the consequences should they not comply.

In the City Manager's report, Endres noted that the paving of the City Park was complete. He commended the County for the assistance given to the project. City crews are now mowing and changing out old clay tile

Chamber announces theme for annual Christmas Parade

By Janet Felderhoff
With daily temperatures in the 90s, most people have not turned their attention to Christmas. Despite the warm weather, Thanksgiving weekend, the traditional date of the annual Muenster Chamber of Commerce Christmas Parade, is only a short seven weeks away.

Parade Chairman Rick Walterscheid encourages businesses, organizations, and individuals to begin thinking of ideas for float entries. This year's theme is Christmas Around the World. The Parade rolls through town beginning at 1 p.m. on Saturday, Nov. 25.

Prizes will be awarded as follows: Best Business and Best Theme - \$150 in Muenster Marks; Best Religious and Most Creative - \$75 in Muenster Marks;

Best Marching Band, Best Drill Team, and Best Equestrian Unit - \$50 in Muenster Marks.

Muenster Chamber of Commerce Secretary Margie Starke said that there are plans to have the annual Muenster Marks Drawing, which is made possible by donations from area businesses and individuals.

For more information contact Margie at the Chamber 759-2227.

KCs to present Good Neighbor Award

The Knights of Columbus will present their Good Neighbor Award on Sunday, Oct. 8. The award will be presented at the 8 a.m. Mass. After Mass, a breakfast and

awards program will be held in the Knights of Columbus Hall. All members and their families, and deceased members' wives are especially invited to attend.

Muenster to Lake Texoma "For a great weekend of wandering, head toward the Red River." "Almost Oklahoma?"

Muenster featured in magazine again

By Janie Hartman
The community of Muenster was once again featured in a Texas magazine. The October 2006 Texas Co-

op Power magazine ran a column "Hit the Road" by June Naylor, author of Texas: Off the Beaten Path. The feature was titled

Muenster to Lake Texoma "For a great weekend of wandering, head toward the Red River." "Almost Oklahoma?"

Technically, yes. But you cannot deny the truly Texan nature of this quartet of towns just below the Red River," the article begins. The four towns noted are Muenster, Gainesville, Sherman, and Denison, a "jaunt" of only 60 miles. Also mentioned is Lake Texoma.

The information on Muenster includes its founding in 1889 by German Catholic land agents, "this charming burg celebrates its heritage with Germanfest each April. Where else can you witness Nägelshlagen, a competition to hammer a spike deep into a stump with the fewest blows?" Mentioned also is "stick-to-your-ribs" German food can always be found in Muenster.

Lindsay shares a mention with Muenster to stop "to gaze at the ornately adorned St. Peter's Catholic Church, one of the area's famed 'painted' churches."

The Cooke County Courthouse, Fried Pie Co., and Frank Buck Zoo are noted about Gainesville. The Texas Co-op Power magazine is mailed monthly to all Texas Electric Co-op members.

Sacred Heart Trust Fund Dinner Sunday

Come hear what's new with the Sacred Heart Trust Fund! The annual dinner will be held this Sunday, Oct. 8 at the Sacred Heart Community Center. Doors will open at 11:30 a.m. Tickets are

available at the door. The public is invited and encouraged to attend. A memorial or annuity gift or donation to the SH Trust Fund is an investment in Catholic education.

Stereo stolen from pickup at school

Muenster Police Chief Bob Stovall reported that a purple Chevrolet pickup that was parked in front of the Muenster High School gymnasium was broken into Tuesday, Oct. 3. A Pioneer stereo was taken from the

vehicle sometime between 8 a.m. and 3:30 p.m. If you saw anything that would assist the police department in apprehending the thief, we urge you to please call Muenster City Hall at 759-2236.

Anderle crowned 2006 Knight Queen

Lindsay High School Senior Brittany Anderle was crowned 2006 Homecoming Queen last Friday in a pregame ceremony before the Lindsay vs. Sacred Heart football game. Brittany is the daughter of Jay and Bridget Anderle. Janie Hartman photo

MVFD puts out pasture fire

The Muenster Volunteer Fire Department responded to a grass fire on CR 424 north of town Tuesday afternoon. A downed power line started the fire. "Even though it's green, it will still burn," reminds MVFD Chief Herbie Knabe, who also wants to remind citizens to call the Sheriff's Department and give an address if you are going to control burn. Janie Hartman photo

CITYcont. from pg. 1

sewer lines. Endres said that \$22,500 had been budgeted for a front-end loader tractor. After working on the sewer lines, City employees suggested that a skid loader would be easier to maneuver in small confined areas. Endres said that one could be bought for about \$18,000 and the remaining money could be used to rebuild the transmission of the tractor owned by the city. Mayor Weinzapfel instructed Endres to get bids on skid loaders.

In other business, the City Council:

- Unanimously adopted Ordinance #296. It amended rates and charges for sanitation fees. The ordinance increased the residential charge by 50 cents and the commercial hand pick up by 60 cents.
- Reviewed and paid monthly bills totaling \$118,271.33.
- Renewed three-year contract with Friends of the Muenster Public Library. Library Board liaison Jewel Otto suggested a one-year renewal in case the City had a good year next year and could give the Library more than the \$18,000 approved this year. Mayor Weinzapfel noted that it could be amended if the Council wished to increase the amount.

Study planned on effects of pumping the Trinity Aquifer

Groundwater development due to urban growth, recent gas exploration of the Barnett Shale, and the recent drought have all led to increased pumping of the Trinity Aquifer in North Central Texas. These groundwater pumping activities have raised concerns with regard to how this increased pumping has and potentially may affect groundwater conditions in the future.

To address some of these concerns, the Texas Water Development Board (TWDB) has contracted with R.W. Harden & Associates, Inc., Freese & Nichols, Inc., and the Bureau of Economic Geology to study the effects of pumping on the Trinity Aquifer in the Dallas-Fort Worth study area. The study area includes all or parts of Bosque, Comanche, Cooke, Dallas, Denton, Ellis, Erath, Hamilton, Hill, Hood, Jack, Johnson, Montague, Palo Pinto, Parker, Somervell, Tarrant, and Wise counties. The main objectives of this study are to (1) assess how water levels have changed in response to additional pumping due to groundwater development caused by urban growth and increased gas

exploration of the Barnett Shale, (2) estimate current and future pumping in these counties, and (3) run the previously constructed groundwater availability model of the northern part of the Trinity Aquifer with this increased pumping to predict possible groundwater conditions in the future. The study began in May 2006 and a summary of the results is expected before January 2007.

In support of the study, TWDB staff are measuring water levels in wells of the Trinity Aquifer in part of the study area. This effort will supplement the annual TWDB water level measurement program, which collected 187 measurements in the 18 county study area between 2005 to 2006.

The TWDB is the state agency charged with collecting and disseminating water-related data, assisting with regional planning, preparing the State Water Plan for the development of the state's water resources, and administering cost-effective financial programs for the construction of water supply, wastewater treatment, flood control, and agricultural water conservation projects.

OBITUARY

Gladys Marie Harrison 1931-2006

Gladys Harrison

Graveside services for Gladys Marie Harrison of Muenster were held Tuesday, Oct. 3 at Forest Grove Cemetery in Telephone, Texas at 2 p.m. The family received friends on Monday at 7 p.m. in McCoy Funeral Home Chapel of Muenster. A service was officiated by Rev. Hollis Parsons. Scripture was read, with memories and tributes given by family members, friends, and neighbors who were present. Gladys Harrison died Friday, Sept. 29, 2006 at her residence at the age of 75.

Born Aug. 19, 1931 in Fannin County to James Warren and Ollie Mae Hill Nichols, she married James Mitchell Harrison on Dec. 1, 1948 in Bonham. Gladys was a homemaker, mother, and dear grandmother to many. Most everyone she met affectionately called her "Grandma." She never met a stranger and was very

generous to anyone in need. She loved flowers, fishing, and gardening, giving away much of the fruit of her labor. Her best "payment" was to see the smiles of those who benefitted from her generosity.

Survivors include her husband James Harrison of Muenster; daughter and son-in-law Brenda and Nealy Mohon of Muenster; son and daughter-in-law Roger and Doris Harrison of Pottsboro; grandchildren Sondra Mohon of Gainesville, Bridgett Harrison of Gainesville, and Amy and Joey Hawkins of Denton; sister and brother-in-law Nelda and Billy Sangster of Ivanhoe, Texas; and sister Beverly Stracener of Garland.

Preceding her in death were baby son Jimmie Lee Harrison; her parents; her sisters Elba Wooten and Loretta Lorraine; brothers Grady Nichols and Jerry Nichols.

Honorary pallbearers were Sylvan Walterscheid, Gary Walterscheid, Robert Powell, Pat Walterscheid, Danny Wooten, David Wooten, Duane Wooten, and Darien

REMEMBER:
MARRIAGE IS GRAND.....
DIVORCE IS A HUNDRED GRAND!

MUENSTER POLICE REPORT

July-Sept..... 2006

Citations - 25
Accidents - 2
Calls for service - 100

It's been a busy three months, especially with a call for service report of approximately 100 calls.

The largest complaint the Police Department has is vehicles driving past school busses while they are unloading children and not stopping for the flashing red lights. This is dangerous for the kids. The last thing anyone wants is to have a child hit by a vehicle. We are issuing citations for failing to stop for a school bus with red lights flashing. Let's all slow down and watch for the kids and school busses. Since school has started, it appears drivers are slowing down in the 20 mph school zone with three citations issued. Be sure to watch children crossing Main Street in the pedestrian crosswalks during school hours.

On Aug. 24, an accident occurred on the 300 block of north Main Street by Fischer's Meat Market. A 2004 GMC Yukon was northbound when a 2001 Dodge Neon that was southbound attempted a left turn into Fischer's, striking the GMC. No injuries were reported. A citation was issued for failure to yield right of way.

On Sept. 27, an accident occurred on the 800 block of east Division (U.S. Hwy. 82) in front of Bayer's Kolonialwaren. A 2000 Jeep Grand Cherokee was eastbound on U.S. Hwy. 82. A 1996 red Chevrolet Cavalier was westbound on U.S. 82 and made a left turn into Bayer's. Cooke County EMS was summoned to the scene. Nobody was transported, with only minor injuries reported. It appears both vehicles were totaled. A citation was issued for failure to yield right of way.

On Sept. 22 at approximately 1:15 a.m., a white 2003 Ford Expedition was stolen from 402 west Sixth Street. The owner's purse, identification, and credit cards were in the vehicle at time of the theft. At 5 a.m. this vehicle was located burning on Hwy. 178 south of Oak Ridge.

REE-MENDOUS NEWS

by Stick Lamar

Western Soapberry trees under attack

One of my favorite native trees growing in the Muenster area is being aggressively attacked by a new bug in town. The tree is the Western Soapberry (*Sapindus drummondii*), a small to medium sized tree about 30 or more feet tall with a rounded crown at maturity and a trunk to two feet thick. It has alternate, deciduous leaves that kind of look like the leaf of a Pecan.

The Western Soapberry tree is found throughout Texas along streams, fences, and at the edge of woods. It is moderately short lived and often forms thickets. Its black wrinkled fruit ripens in the fall and are poisonous.

Even though the fruit is poisonous, it contains a large amount of saponin that readily lathers up when macerated in water. They were widely used for shampoo and washing clothes by Native Americans. The seeds were also used by the early pioneers to make rosaries, necklaces, and buttons. Its wood was used by earlier settlers for making baskets and packsaddles.

The "new bug" attacking the Western Soapberry is the wood-boring beetle *Agrilus*

prionurus. We will call it the Soapberry Borer for simplicity's sake. The beetle is a native of Mexico and was first discovered in Texas in Bastrop County. It has probably been in our area for the past two or three years. The beetle is about one half inch long, shining black and is marked with four tiny white spots.

To check your tree for the Soapberry Borer, probe the bark to see if it will easily peel off. Also, small patches of bark may be missing thanks to squirrels in search of the larvae that they consider delicious. On a heavily infested tree, the crown will thin and the tree may be completely girdled by hungry squirrels. As far as we know,

the beetle should pose no risk to other landscape trees.

Although no research has yet been done on control of this pest, some arborists would suggest that a conventional borer treatment might work, but I doubt it. The only possible treatment that may or may not work is the systemic insecticide Imidacloprid, also known as Bayer Advanced Tree and Scrub Insect Control. It has been effective in the upper Midwest against similar tree borers. The beetle in this area is so prevalent now; I would use it as a preventative and not just as a treatment for an existing infestation.

For questions or comments, I can be contacted at sticklamar1@ntin.net.

DREW SPRINGER
REPUBLICAN CANDIDATE FOR
COUNTY COMMISSIONER, PRECINCT 4

It's Time for Fiscal Responsibility
Taxes have doubled in 6 years while county money is wasted. Maximum tax increases without asking the voters is bad policy.

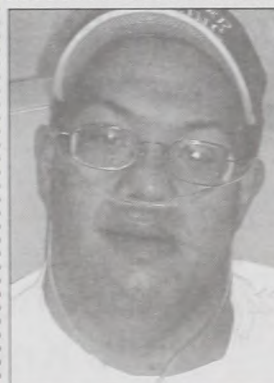

We Need a Safer Community
We must address and work towards reducing our crime problem.

Cooke County Needs New Leadership
We need a proven business leader to tackle and solve the problems of the county, including the issues with the new jail.

It's Time for a Change
We need to go back to Small Town Values and get out of the current big city tax and spend rut.

I'M ASKING FOR YOUR VOTE

Sacred Heart High in Top 50 in Texas

The Catholic High School Honor Roll announced its third annual selection of the best 50 Catholic secondary schools in America. The Honor Roll provides a powerful resource to parents and educators by acknowledging those schools that best maintain high academic standards, uphold their Catholic identities, and prepare students to actively engage the world.

Sacred Heart Catholic High School, the 83-student co-ed school, is among six schools honored in Texas. The school has placed on the Honor Roll two straight years and also this year

placed among the top 25 schools in the category of Catholic identity. The school is operated by the Diocese of Fort Worth and on the occasion of this honor, Principal Chad Riley expressed his words of gratitude. "As principal of Sacred Heart Catholic School, I am grateful that we have been recognized by the Catholic High School Honor Roll as one of the top 50 Catholic high schools in the United States," he said. "Our mission states that we are called to provide an environment for spiritual, intellectual, and physical growth. The Catholic High

School Honor Roll is a validation of our mission, but also a reminder to keep our mission before our eyes. This is a well-deserved honor and I applaud the teachers, staff, students and parents for their hard work and commitment to Catholic education."

To see a complete list of the top 50 schools, along with lists of the top 25 schools in each category, please go to www.chshonor.org.

Nearly 1,300 Catholic high schools were invited to apply to the Honor Roll by completing surveys that measure academic

excellence, Catholic identity, and civic education. With this high level of competition, inclusion on the Honor Roll indicates outstanding success in each of the disciplines examined.

The Catholic High School Honor Roll is an independent project of the Acton Institute, an international research and education organization. The Honor Roll was produced in consultation with a national advisory board comprised of Catholic college presidents and noted Catholic scholars. For more on Acton, please go to www.acton.org.

17 yr. old Zimmerer of Lindsay wins First Place Scholarship

The National Rifle Association has selected three of its top Junior members to receive the 2006 Outstanding Achievement Youth Award, recognizing them for their active participation in the shooting sports and commitment to educational pursuits. Overall, \$10,000 in scholarship money was awarded to the winners thanks to a donation from Brownells, the world's largest supplier of firearms accessories and gunsmithing tools.

First place winner Johnathan W. Zimmerer, 17, of Lindsay, is a member of the Lindsay 4-H Shooting Club and currently serves as president of the 4-H Sharpshooter Club of Cooke County—a club that he helped found. An accomplished shooter, Zimmerer has reached the expert level in indoor and outdoor 3-position smallbore shooting and has competed at USA Shooting's Junior Olympics Smallbore Championships. Zimmerer, who will receive a \$5,000 scholarship as the first place winner, is also active in his community, having presented the Eddie Eagle GunSafe® program to children at a local church and served as a volunteer at the Friends of the NRA since 2002.

"Johnathan personifies many of the qualities we look for in the next generation of leaders," said Matt Szramoski, manager, NRA Youth Programs. "Through his participation in competitive shooting, hunting, wildlife conservation, and safety training, Johnathan has

demonstrated leadership, self-discipline, and responsibility." Second place finisher Shannon Curtin, 20 of Berwick, Pennsylvania and Jeffrey D. Lambin, 18 of Gardnerville, Nevada, took home third place.

All NRA Junior members (or NRA Regular or Life members under age 18) who are current members of an NRA-affiliated club or State Association and who have completed one NRA Basic Firearm Training Course are eligible for the award. Applicants must also have earned at least one rating (pro-marksman, marksman, sharpshooter, expert, or distinguished expert) through the NRA Marksmanship Qualification Program and submitted a 1,000-word essay entitled, "Why I Became Involved in the Shooting Sports."

Aside from these core requirements, applicants must have participated in at least five NRA-sponsored programs. These elective requirements include presenting the Eddie Eagle GunSafe® program, attending the Youth Education Summit, attending the Youth Hunter Education Challenge, entering a submission in the NRA Youth Wildlife Art Contest, or participating at the National Matches at Camp Perry, Ohio, among others.

For more information on the Outstanding Achievement Youth Award or how to apply, please contact NRA's Youth Programs Department at (703) 267-1505 or visit us at www.nrahq.org/youth/index.asp.

Master Gardeners schedule their plant exchange

Cooke County Master Gardeners will meet Oct. 12 at 5:30 p.m. in the NCTC Library Lyceum. The October program will feature a plant exchange. Bring divisions of your plants, seeds, cuttings (in moist paper towels), bulbs, corms, Rhizomes, etc. Try to have them cleaned and in paper or Ziploc bags. Printed descriptions and care instructions will also be very helpful!

Be sure to bring a box or other container to take your new plants home. Master Gardeners, spouses, friends, and anyone interested in learning more about the Master Gardener Program is welcome to attend.

Light refreshments will be served. For more information, contact the Cooke County Extension Office at 940-668-5412 or Sylvia Bayer at 940-665-4851.

2nd Sunday Series to feature speaker

This Sunday, Oct. 8, Sacred Heart Parish will be holding their regular Second Sunday presentation. Since October is Respect Life Month, they will feature Betsy Koper, who is the Director of the Rachel's Vineyard Ministry in the Ford Worth Diocese. Rachel's Vineyard is a ministry to women and men suffering from the trauma of abortion. Mrs. Koper will share about this healing ministry and the devastating effects of abortion and be available for questions.

This session is open to anyone who would like to learn more about this ministry, and everyone is encouraged to attend. It will be held between the Sunday morning Masses from approximately 9 to 10:15 a.m. in the meeting room (SNAP) of the Community Center. Refreshments will be provided.

The Bayers, from left, Andrew, Craig, Jacob, Emma, and Rita.

Bayer family celebrates finalization of adoption

The adoption of Andrew Charles Bayer became final on Friday, Sept. 22, 2006. The hearing took place in the 304th District Court at the Henry Wade Juvenile Justice Center in Dallas. The adoption was granted by presiding Judge Mary McAndrew. Andrew's immediate family took the bench and stood before the judge while the rest of the family gathered directly behind, providing support. Andrew is now forever the son of Craig and Rita Bayer and brother to Jacob and Emma. He was born on Jan. 9, 2006 and joined his new family on Feb. 17, 2006. The adoption was made possible by Catholic Charities of Dallas.

Those attending the hearing in addition to his parents and siblings were grandparents Regina Pels and Charles and Carolyn Bayer; Godparent Nick Taylor; uncles and aunts Cheryl Pollard, Charla Taylor, Curt Bayer, Doreen

and Steve Taylor, and Janet Voth; cousins Adam and Laura Taylor and Kalyssa Pollard; and the Bayer's caseworker Cindy Newton. Family gathered at Andrew's home the following evening to celebrate the special day. All the family members planted a live oak tree in the yard at Andrew's home to symbolize the roots of their love for him, just as they did on the adoption finalization days of Jacob and Emma.

Bradley celebrates 2nd with "Cars"

Bradley Lutkenhaus celebrated his second birthday on Sunday, Sept. 24 at his home. The theme of the party was "Cars." He enjoyed opening gifts and eating cake made by his grandmother Bayer.

Joining in the celebration were his parents Jason and Michelle Lutkenhaus; his younger sister Alyssa; grandparents Bobby and Linda Lutkenhaus, and Bill and Annette Bayer; great-grand-

parents Bobby and Angie Lutkenhaus, Wilbert Block, and Louise Bayer; great-uncles Tim Block and Dave Bayer; great-aunt Natalie Alexander; aunts and uncles Crystal and Jeremy Lutkenhaus, Nicole Bayer, Neil Bayer, and Brandi, Jeff, and cousin Nathan Cook. Also joining the celebration were friends John and Ashlee Bayer, Maxine Pattillo, and Kendal Sellers.

Bradley's actual birthday is Sept. 26.

Bradley Lutkenhaus

COLLEGE NEWS

Texas Tech University
Clint Miller, son of Alan and Darlene Miller of Muenster, was named to the Dean's Honor List at Texas Tech University for the Spring 2006 semester. He had a grade point average of 3.8 out of a possible 4.0. Clint is majoring in Business and Physical Therapy.

It's a fact

An estimated 248,000 people were injured in crashes where police reported that alcohol was present - an average of one person injured approximately every two minutes.

Close to 1.5 million drivers are arrested in the U.S. every year for driving under the influence of alcohol or narcotics, an arrest rate of one for every 130 licensed drivers.

\$T. RICHARD'S VILLA NEWS
By Elfreda Fette

On Tuesday, Sept. 26, residents took an outdoor walk and sat outside and discussed living in past years. Also, Bowie Church of Christ came Tuesday, Sept. 26 at 2:30 p.m. and held a Bible Study, served ice cream cones, and sang religious songs.

Wednesday, Sept. 27 at 2 p.m., Anita Thayer and Mary Brown showed how to make a door hanger, and assisted residents in making their own. At 2:30 p.m., residents had their weekly popcorn and movie (*Romeo and Juliet*).

Thursday, Sept. 28 at 2:30 p.m., residents enjoyed chocolate ice cream and visiting.

Friday, Sept. 29 at 2:30 p.m., residents had their monthly wine tasting and cheese social, and watched the birds.

Sunday Oct. 1 at 3 p.m., the residents celebrated the October birthdays with cake and entertainment provided by Mildred Lawson and Buddy Yosten and Friends.

Residents gathered on Monday, Oct. 2 at 9:30 a.m. for current events, some of which included: Americans Andrew Z. Fire and Craig C. Mello won the Nobel Prize in Medicine; Typhoon Xangsane hits Vietnam; capsized boater

rescued after 24 hours in Atlantic Ocean; sports news.

Upcoming Events
Monday, Oct. 9, the history of Columbus Day will be presented.

Tuesday, Oct. 10 at 2 p.m. is craft time with Anita Thayer and Mary Brown.

Wednesday, Oct. 11 at 6:30 p.m. Bonny Prescher and Friends will bring toe tapping music.

Thursday, Oct. 12 at 2:30 p.m., "Food Time," residents will make a dessert and enjoy it for Happy Hour.

Friday, Oct. 13 at 3 p.m. residents will enjoy an ice cream treat.

Don't forget! Emergency Nurses' Week and Fire Prevention Week are Oct. 8 to Oct. 14.

Admiral's Ride seeks support

Colby Smith, son-in-law of Joe and JoDee O'Dell of Lindsay, is hosting a bicycle ride from Austin to the Center of Brain Health in Dallas on Nov. 2 and 3. Colby's father Wayne Smith, Rear Admiral USN (Ret.), has fought with brain dementia for several years, and is now being admitted into a memory care facility at the young age of 61.

This event hopes to bring awareness to brain disorders, like Alzheimer's and other dementias, while raising \$15,000 for research and prevention. All of the funds raised will go to the Center of Brain Health, <http://brainhealth.utdallas.edu/>, one of the leading brain institutions in the country.

Any donation can be made out to the Center for Brain Health and mailed to 2701 Brubeck Bend Cedar Park, Texas 78613. If you are interested in cycling the 185 miles or sponsoring this event, please contact Colby and Keleigh Smith at 512-460-9595 or csmith6191@austin.rr.com.

Avoid pesky

Flue season: An uncapped chimney is an open invitation to raccoons or squirrels looking for a snug place to raise their young. Install an appropriate chimney cap after inspecting the flue to make sure no animals are nesting inside.

VFW Auxiliary plans bake sale

Friday, Oct. 13 is the date chosen by the VFW Ladies Auxiliary #6205 for their annual bake sale fundraiser. It will be from 8 a.m. until 2 at Fischer's Market.

They are inviting ALL to participate by purchasing their homemade baked goodies, such as cinnamon rolls, breads, cakes, pies, cookies, etc. Also, those who wish to donate to the fundraiser, ALL and ANY donations (baked goods or monetary) are greatly appreciated and welcomed.

The monies for the bake sale benefit the Cancer Aid and Research Fund, from which the cancer grants come to assist the members afflicted with cancer. Also, part of the monies realized are used on a local level for community-wide program participations.

Members on the planning committee are: Lucille Hesse, cancer chairman; Mary Lee Hennigan, membership chairman; Ethel Hesse, treasurer; Sandra Hennigan, junior vice-president; Linda

Knabe, conductress; and Frances Bayer, president. Other members at the planning meeting were Armella Cler, Eleanor Felderhoff, Ida Mae Bindel, Rose Sicking, Billye Huchton, Juanita Knabe, Jake Schilling, and Hilda Sicking.

At this meeting, membership dues notices were sent to the general membership along with the reminders of the bake sale. The goal is 100% paid membership before Dec. 1.

Justynne has Blooming 1st

Justynne Danielle Roller celebrated her first birthday on Wednesday, Sept. 27. Her first birthday party was held at her home in Munday, Texas, on Sunday, Oct. 1 at 1 p.m. with a butterflies and flowers theme. Justynne is the youngest daughter of Greg and Cindy Roller and the little sister to Alex, Garrison, and Issabella Roller.

Special family members who traveled to Munday to celebrate with Justynne included her great-grandmother Juanita Roller of Era; grandparents Grady and Linda Roller of Rosston, Johnny and Jeanette Reiter of Muenster, Tony and Karyn Smith of Colleyville; great-aunt Carolyn Miller of McKinney, and uncle Chad Roller of Rosston. Other honorary guests included Shannon and Heather Waters and their daughters Brinley, Bergen, and Braelyn.

Justynne is the great-granddaughter of Wilma Richardson, Marie Reiter,

Augusta Walterscheid, and Marcella Hoedl; Uncles John Roller, Heoel, Reiter, and Aaryn Smith.

Justynne spent the afternoon entertaining her guests and opening gifts with help from her big sister Issabella. Guests were served cake adorned with butterflies and flowers, ice cream, punch, and finger foods.

Justynne Roller

Estate Planning Workshop set

The Cooke County Extension Education Association will host a free estate planning workshop entitled "Getting Your Act Together." This workshop will be held on Tuesday, Oct. 10 at the First Christian Church located at 401 North Dixon in Gainesville at 7 p.m.

Guest speakers for the evening will be Brad Chrustawka and John R. Vermillion. They will be offering valuable information needed to get your estate in order. A question and answer session will follow.

Vermillion is an attorney with over 25 years of experience in estate planning. Chrustawka helps people set up their financial assets to reduce or eliminate market risk, create creditor protected assets, and enable proper transfer of assets to heirs.

There is no charge to attend this program and anyone interested is encouraged to attend. For more information please contact Angel Neu, Cooke County Extension Agent in Family & Consumer Sciences at (940) 668-5415 or come by the Cooke County Extension Office at 100 S. Dixon, Courthouse B-12, Gainesville.

SEPTEMBER KEEP MUENSTER BEAUTIFUL YARD OF THE MONTH - was awarded to Brian and Sylvia Herr who live at 232 South Willow Street. They were nominated for the attractive flowerbeds recently added, and because the home's yard always appears neat and attractive. Several items have been added to celebrate fall. Pictured are Paige, Bryce, Sylvia, Brian, and Chance. Not pictured is Tanner who made most of the flowerbeds. To nominate a yard for this KMB honor, call the Muenster Chamber of Commerce, *Muenster Enterprise*, or a KMB member. Janie Hartman photo

4-H shines spotlight on volunteers

Volunteers come from all over Cooke County to give their time to the Cooke County 4-H Program. Two volunteers were recently selected by the 4-H youth and adults for their outstanding dedication to the Cooke County 4-H program. Donna Reed and Monica Laux from

the Lindsay 4-H Group were selected to represent Cooke County at the 2006 Gold Star Banquet at Texas A & M in Commerce on Oct. 19.

Donna Reed is married to Rusty, and is a mother of three children Randi, Kelli, and Matt. She has been a 4-H volunteer for 11 years. Serving as Club manager for 10 years, Donna is very dedicated to teaching the importance of community service. She encourages the kids to participate by helping them sew pillow cases for the nursing homes and receiving blankets for hospitals. Donna has volunteered at club, county, district and at state level in the 4-H program.

Monica Laux is married to Bill and is the mother of two girls; Chelsea and Kelly. She has been a 4-H volunteer for 14 years. Monica has served as Club manager for many of those years and has been a leader for many projects. She

has volunteered at club, county, district, and state levels in the 4-H program and is very dedicated to helping the kids learn leadership skills. She also participates in community service projects and encourages the youth of the county to help others when they are in need. "If everyone does just a little, it will make a big difference," said Monica.

Monica and Donna are the shining stars of the Cooke County 4-H program. Their dedicated service has made them a special gift to the youth of our county. The boys and girls of the Cooke County 4-H program will grow up and always remember the fun and happiness they had in the 4-H program, that it was made possible by women and men like these dedicated volunteers. Congratulations to Donna and Monica on a job well done!

Area Event

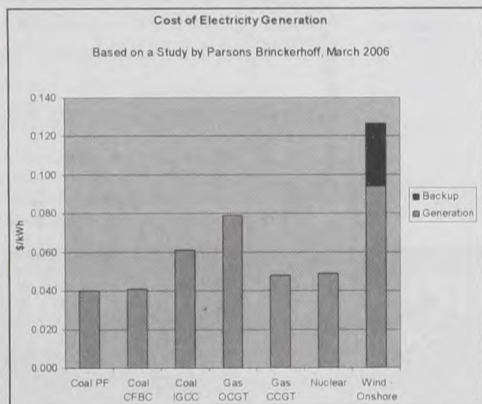

Benefit Concert

There will be a benefit concert in Decatur on Saturday, Oct. 14 at 6 p.m. featuring "The Dogkickers," "Max Stalling," and "Houston Marchman & the Contraband." There is also a silent auction. Proceeds will benefit research for a treatment or cure for Galactosemia. Tickets are \$18, with 12 and under free. For more information, call Jo Beth at 817-832-7998 or jobethsouthard@yahoo.com.

Does wind really work?

No, it doesn't. To understand why, you have to understand the electricity "grid" and how our power system works.

Electricity is unlike any other commodity. In our system, it must be consumed the instant it is produced. There is no ability to store it. Electricity demanded by a consumer has to be instantly produced and "dispatched" from a generating plant. Electricity-in has to constantly balance electricity-out. Our "grid" is simply a set of transmission lines, transformers, and distribution lines connecting generating plants and consumers, be they residential, commercial, or industrial.

Large, high reliability plants like nuclear and coal are assigned the "base-load" task of supplying the underlying, consistent demand. They can not be ramped up and down very easily or quickly, so they work all the time supplying the base load. They are very efficient and produce our lowest cost electricity.

Natural gas plants are more easily kicked in and out of production, so they are assigned the "peak-load" task. When power demand goes up, they must be activated to instantly dispatch the electricity required in excess of base load. When demand goes down, when we all turn out the lights to sleep, they must be idled to reduce the electricity dispatched. Some of these plants run all the time, in "spinning reserve", and automatically engage or disengage their generators as they sense the required load. Natural gas plants are also very efficient, but increases in the "market" price of the fuel have raised their cost.

So where does wind fit in? It doesn't. It is classed as "intermittent". No one knows when the wind will blow, or for how long, or how hard. It is not "dispatchable"; it is not controllable by our system operators. Typically, the wind blows at night during the winter, when we need it least. During times of "peak electricity demand" in late afternoon in July and August, when every air-conditioner in Texas is straining, wind is largely absent. In addition, it is the most expensive of all types, even without the cost of required backup. If you add in the cost of subsidies, wind costs more than three times the cost of the most efficient coal gas, or nuclear technologies.

So what do we do with wind generated electricity? Our electricity retailers are now required by law to buy it, under legislative mandate. When it kicks in, a gas fired plant has to go into spinning reserve to accommodate it, and to be instantly available to replace it when the wind dies. Wind energy has to have an equivalent amount of conventional back-up generation shadowing it at all times, or brownouts and blackouts would result when the wind died. The lights would go out. As the number of turbines increases, additional back-up plants must be built. Contrary to popular myth, wind energy can never replace a single fossil fuel or nuclear plant.

Please help, before it's too late.
We know you love this area as much as we do.

TransPARENTsy ...Clearing the Fog

Do you feel a fog settling around your relationship with your kids? Forestburg Baptist Church will be having a parent seminar dealing with how to clear this fog out of your life. The seminar will take place on Saturday, Oct. 21, from 9:30 a.m. to 1:30 p.m. at Forestburg Baptist Church.

Come at 9:30 for free donuts and coffee. There is no cost for the conference and lunch will be provided. Break out sessions will include: "Learning How to Speak an

Alien Language," "Dishing Out Discipline... What's Your Plate Full Of?," "Dangerous Fun," and "Making Time for Quality Time."

Door prizes will also be given away during the seminar. Childcare will be provided upon request. Please notify the church of childcare needs by Oct. 19 at 940-964-2470. For further information call the church office or visit www.forestburgbc.com and click on "Youth Program."

Activities outlined for Lindsay 4-H

The Lindsay 4-H Club met at Conrad Hall on Sept. 12 with 21 members present. The new 2006-07 registration forms were completed and then Kelly Laux called the meeting to order. The United States Pledge, 4-H Motto, and 4-H Pledge were led by Lucinda Krahl, Amelia Wyrick and Paige Dill. Announcements were made by Club Managers.

The Club began their food and nutrition project by playing a fruit/vegetable game and they also evaluated their diets based on the new food pyramid. They will be taking a tour of Mom's Donuts and baking cinnamon rolls this month. Also, a group was formed to work on a skit for the upcoming Share the Fun contest.

Next month they will begin their recycling project with the Keep Lindsay Beautiful group who will come and make a presentation to the group. The kids are also picking up trash at the football field after the Friday night home games.

Entries sought for History project contest

Friends of the Governor's Mansion, a Texas non-profit organization, announces its third annual History Presentation Project Contest for Texas high school students. The contest is designed to encourage high school students in the study of Texas history and enhance computer skills in conjunction with the state curriculum. The Texas Historical Commission (THC) supports and promotes the contest with staff members participating in the judging process, including Kay Harvey-Mosley, director of the THC's Community Heritage Division, and Stan Graves, director of the THC's Architecture Division.

The project requires students to create a PowerPoint presentation on a topic concerning the history of their county. A donation of \$500 will be awarded to the school of each winning project. Categories for winners include best overall presentation, best use of audio, best use of images, and best use of text. Additionally, the winning students and their teachers will be invited to Austin for an awards presentation after the winners are selected in December.

The contest entry form and guidelines are available at www.txfigmcontest.org. All student participants must use the entry form to register for the contest no later than Tuesday, Oct. 10, 2006. The deadline for submitting the completed projects is Tuesday, Nov. 14. The winning schools and students will be notified in December.

Smart watering tip

Cut back on routine pruning. Pruning stimulates new growth, and new growth requires more water. Only prune your plants when they wilt or leaves die out.

If you use a hose and portable sprinkler, buy a hose end timer to regulate your watering time.

Sweep your sidewalks and driveways rather than hosing them down. Toro

Muenster Elementary 1st six weeks Melody winners. MISD photo

Muenster Elementary Terrific Kids for the 1st six weeks. MISD photo

Muenster Elementary names winners

Muenster Elementary held an awards assembly on Thursday, Sept. 27. The assembly was led by the Muenster Elementary Student Council. Pre-K through sixth grade students were recognized for various accomplishments such as being on the "A" or "A-B Honor Roll," for perfect attendance, for being a "Terrific Kid," for receiving the Principal's Award, or for receiving the Melody Award. The Kiwanis Club of Muenster sponsors the "Terrific Kids" program. Rules for being a "terrific kid" are:

1. Be on time; 2. Practice good attendance; 3. Respect people, privacy, and property; 4. Work to the best of your ability.

"Terrific Kids" for this six-week reporting period were: Pre-K: Major Eldridge, Hunter Haverkamp, and Jon Schingoi; Kindergarten: Hannah Clure, Brittany Green, Nathan Hacker, Logan Pagel, Diego Rocha, Anthony Rodriguez, and Kody Walterscheid; First Grade: Ethan Hellen, Dean Walterscheid, Sterling Walterscheid, Blair Wanek, and LeeAnn West; Second Grade: Zina Haverkamp, Bryce Herr, Sawyer Sanders, Maddie Serna, and Matthew Smith; Third Grade: Mahayla Bohl, Jordan Buddy, Cassie Horsman, Alison Morris, Sammy Saucer, Kimber Walterscheid, Reagan Weger; Fourth Grade: Tyler Boaz, Caroline Gressett, Brandon Henigan, Tressa Jones, Kristen Reiter, J.T. Smith; Fifth Grade: Mary Helen Bayer, Eland Green, Madison Knabe, Cristian Medlock, Rachel Mouring, Makayla Pumphrey, Sheli Sicking, Cole Walterscheid, Jyonna Zamzow; Sixth Grade: Brianna Bayer, Rosalee Bayer, Sean Chism, Tori Dyess, Hunter Klement, Paul Mouring, Payton Sanders.

Each six weeks a ribbon and bookmark are awarded to a student from each class for displaying excellent classroom work and/or behavior. The Principal Award winners were: Pre-K: Anna Proffer; Kindergarten: Josh Brinkley and Rut Rodriguez; First Grade: Andrew Stoffels and Carson Trubenbach; Second Grade: Morgan Eldridge and Seth Sampson; Third Grade: Alaina Reiter and Allie Walterscheid; Fourth Grade: Mikaela Lamar and Tara Gunnels; Fifth Grade: Kendi Bayer, Abby Pagel, and Jay Patel; Sixth Grade: Rhys Capuchina, Kristina Lamar, and Sadie Stoffels.

Melissa Zamzow, elementary music teacher, awarded students from each class who exhibited exceptional "musical" participation for the first six weeks. "Melody Winners" were: Kindergarten: Nolan Bayer, Allison Henschel, Parker McGrew, and Lauren Trubenbach; First Grade: Bradley Anderle, Alaina Kubis, Matt Riley, and Brandon Sicking; Second Grade: Bryce Herr, Carrie Nasura, Macie Pagel, and Logan Wann; Third Grade: Emily Fette, Justin Nasura, Claire Schneider, and Lane Serna; Fourth Grade: Emily Brogdon, J.T. Cooley, Jeremy Hess, and Kristen Reiter; Fifth Grade: Mason Binder and Abby Pagel; Sixth Grade: Trevor Hess and Christina Rohmer.

The assembly ended with a musical performance by 3rd and 4th grade students singing "Make a Difference". Students in Kindergarten, 1st, and 2nd joined them in singing "Big Heart". **Principal's Award winner photo will be in next week!**

Tigers take win from Lindsay

The Sacred Heart Tigers traveled to Lindsay last Friday night with high hopes of upsetting the Knights on their Homecoming.

"We played good football," commented Sacred Heart Coach Charles Boles. "Did a great job defensively and contained their offense. Offensively, we moved the ball when we needed to."

It was one of those games that a winner was not determined until the last minute of the game. One that big plays, a flag, and a turnover changed the swing of the

game. "Hats off to Sacred Heart. They played extremely hard," commented Lindsay Coach Cody Bounds. "Coach Boles and his staff did an excellent job. They came out and outplayed us."

The teams exchanged punts their first possessions. After a 32 yard run by Nolan Hartman, the Tigers again were unable to move the ball and the Knights began their second drive on their 35.

A 41 yard run by Keith Hermes quickly moved the ball to the Tiger 23. Tackles

by Jake Hess, Zach Zanchetta, and Hartman halted the Knights. Dustin Neu then popped a 35 yard field goal through the uprights with room to spare to give the Knights a 3-0 lead with 3:43 on the clock.

Sacred Heart controlled the rest of the quarter with runs by Chris Marshall and Joshua Yosten, and a Hartman to Chris Spruill pass to get inside the Lindsay 20 yard line. Tackles by Nathan Martin, Justin Caillier, Mason Ward, and Levi Hermes allowed 9 yards.

Tigers' passing game, clockwise, above - Theo Otto (26); Joshua Yosten (16), Colby Richey (6); and a catch by Joshua Yosten (16).
Janie Hartman photos

On 4th and 1, L. Hermes knocked down an attempted Tiger pass and the Knights took the ball on their 11 yard line.

After sputtering in the first drive of the 2nd quarter, Lindsay punted. From their 37, runs by Marshall, Spruill, and Yosten took the ball to the Knight 44 yard line. A Hartman to Theo Otto pass gained 17 yards. Three unsuccessful plays gained no ground as Caillier, Josh Jones, and K. Hermes made tackles. On 4th and 9, a Hartman to Mark Fleitman pass was good for a 30 yard touchdown play. Hartman added the extra kick for a 7-3 Tiger lead with 5:57 remaining in the 1st half.

The Knights fought back. Hermes got a 33 yard gain, followed by a 12 yard run by

Wolves defeat Hornets for a 39-20 Homecoming loss

Inviting a top ranking team to play for your Homecoming game allows a big crowd to see an exciting game, no matter which direction the final score goes. And that's what happened Friday night at Hornet Stadium when the #6 Wolfe City Wolves were challenged by the Muenster Hornets.

"They were a very good team," noted Coach Monte Endres, who was proud of the Hornets' effort to come back and get into the game. "We never shut down," Endres added on Muenster's 39-20 pre-district loss. "We made too many mistakes to beat a team that is that good. Now we'll get ready for district."

Michael Faries began the game with a touchback kick-off, putting the Wolves on their 20 yard line. Wolfe City used their passing game plan, taking 10 plays to score on a 24 yard pass play. The extra kick gave the Wolves a 7-0 lead with 8:36 on the clock.

A Brad Endres to Zach Swirczynski pass and a 6 yard Swirczynski run got the Hornets into Wolf territory before running out of downs and punting. Wolfe City got in six plays, punted a 4 yard punt, giving Muenster the ball on their 42 yard line.

Endres passes to Faries and Collin Walterscheid, and a few short runs carried the ball into the 2nd quarter where the Hornets lost a fumbled ball. A sack by Chad Endres and Charles Womble was wiped out by a flag, but a few plays later B. Endres covered a loose ball, returning possession to the Hornets on the Muenster 32. The Hornets gained only 7 and punted. Tackles by Cole Harrison and Swirczynski assisted in forcing a Wolf

punt. From the Hornet 43, Zach Swirczynski found an open field for a 57 yard touchdown run with 5:50 on the clock. The PAT failed for a 7-6 score.

Wolfe City started their next drive on their 20 yard line. A few short runs and some big passes soon gave the Wolves a 13-6 lead.

An intercepted pass five plays later put the Wolves 9 yards from the end zone. Two runs and Wolfe City took a 20-6 lead into the locker room.

The Hornets took the 3rd quarter kick, but lost the ball on a fumble the second play. A 32 yard run and the Wolves had a quick 27-6 lead with less than a minute off the clock.

Turnovers again hit the Hornets when on 2nd down, Wolfe City intercepted a pass 29 yards from paydirt. Four plays, 33-6.

The Hornets held on to the ball their 3rd possession. Starting on their 30 yard line, Swirczynski and Corey Reynolds took eight runs to the Wolf 36 yard line. A B. Endres to Reynolds pass picked up 12 yards, followed by a Swirczynski pass to Walterscheid for 6 points. The PAT failed for a 33-12 score with 3:16 remaining in the 3rd quarter.

A sack by Reynolds and Micah Flusche helped keep the Wolves deep in their own territory, forcing a punt to end the period. The Hornets failed to get the 1st down and

Wolfe City got in seven plays before a sack by C. Endres dropped them for a 10 yard loss. The short punt put the Hornets on their 30 yard line. Swirczynski picked up 10 yards, then a Swirczynski

to Walterscheid pass gained 22 more to the Wolf 37. Runs by Swirczynski, Reynolds, and B. Endres got the ball to the 9, where Swirczynski carried the ball in for a touchdown. Swirczynski ran in the extra points for a 33-20 score with 1:24 remaining in the game.

An onside kick was covered by Wolfe City and two plays later they scored on a 43 yard run. With 23 seconds on the clock, the Wolves took a 39-20 lead.

Paul Crabtree got in a 24 yard run before time ticked off the clock.

JV Tigers knock out the Knights

The junior varsity Knights of Lindsay were hosted by the Sacred Heart Tigers last Thursday. The guests were handed a 44-7 beating.

After two quarters of play, the Tigers ran for 265 yards while holding Lindsay to only 11 and had a 30-0 lead. The 2nd half went quickly with a nonstop clock.

The game started with both teams making no progress on their first possessions. A face mask gave the Knights a 1st down 12 yards from the end zone after grabbing a fumble. But Sacred Heart's defense allowed no gain and took over on their 13.

Runs by Ryan Bartush, Nathan Berend, and Sam Sparkman were followed by a 34 yard Berend to Bartush touchdown pass. With 3:02 on the clock, the Tigers led 6-0.

Lindsay punted after three plays, putting the Tigers on their 48. Moving the ball into the 2nd quarter, the Tigers took nine plays to find paydirt. With 8:50 on the clock, Berend scored on a 7 yard run for 12 points on the board.

The Knights got in two plays, then Stephen Davis picked off a Lindsay pass, ran it in 30 yards for 7 more points. With 7:22 remaining in the 1st half, Sacred Heart had an 18 point lead.

Lindsay's next snap was fumbled and Josiah Yosten covered the ball at midfield. Three plays later and Bartush ran in for another 6 points. Another PAT failed, for a 24-0 score with 6:05 on the clock.

Two Lindsay runs by Ryan Haverkamp gained 9, but a sack by Nick Popovich and Kirk Felderhoff lost 5 and the Knights failed to get the 1st down.

From midfield, Berend ran twice and Bartush four times, scoring from the 2 with 2:22 on the clock. The PAT failed for a 30-0 score.

Josh Mueller returned the Tiger kick to the Tiger 20, but the Knight offense could only

gain 3 yards. A field goal attempt failed and the Tigers ran two plays before the 1st half ended.

The Tigers got in four runs before punting their first drive away, burying the Knights on their 1 yard line. A fumble recovered by Berend put 6 more points on the board. Sparkman ran in the extra points and the Tigers extended their lead to 38-0 with 6:38 on the clock.

The kick stuck the Knights on their 9 yard line. Two plays later Yosten recovered the ball for the Tigers. It took Sacred Heart three plays, scoring on a 1 yard Bartush run for a 44-0 score as the 3rd quarter ended.

The Knights controlled the fast final quarter. Three consecutive runs by Mueller gained 11 yards. A pass to John Block another 5, then a Dax Fleitman to Colton Hermes pass to the Tiger 20. Another pass to Hermes moved the Knights to the 6, and two snaps later Fleitman got the Knights on the board with 44 seconds remaining in the game. Ross Jones added the extra point for the final 44-7 score.

Lindsay Knight action with Sacred Heart last Friday included, above, Keith Hermes (3) in a 70 yard touchdown run called back by a flag; at right, Travis Endres (2) making the catch; and below, Nathan Martin (44 with ball) gaining 8 yards behind the blocking of teammates, including Levi Hermes (28) and Justin Caillier (56).

Lindsay Jr. Hi. runs at Alvord

The Junior High Lindsay Lady Squires settled for a 3rd place team finish at the Alvord Cross Country Meet on Sept. 27.

Alvord won the meet with 39 points, followed by Decatur 61, Lindsay 85, then Jacksboro 89.

Kelsey Hermes was the gold winner individual, clocking in at 12:38. Jessica Block was 14 at 14:27, followed by Megan Caillier 18 at 14:34, Bethanie Eberhart 27 at 15:20, Katie Nortman 29 at 15:23, and Jordan Fleitman 30 at 15:25.

Also running well for Lindsay were Alli Fogle, Taylor Atkins, McKenzie Neu, Kailyn Gum, Vanessa Hess, Kate Weber, Erin Copeland, Jessica Krah, Amelia Wyrick, Katie Arendt, Lauren Hicks, Alyx Ethington, Mandy Hess, Amelia Haverkamp, Amber Hess, Lucinda Krah, Kayla Davis, Emily Conaway, Rane Morrison, Kelsey Barba.

Squires competing at the meet were Thomas Rohmer and Austin Hermes who finished 10th and 15th with times of 13:17 and 13:39.

Cubs clobber Squires

After taking a 22-0 half-time lead last Thursday, the Sacred Heart Cubs allowed the Lindsay Squires into the game for a final 22-14 Sacred Heart win. Three turnovers assisted the Cubs the 1st half.

Josh Biffle took the opening kick and returned it to the Cub 47 yard line. Unable to get a 1st, Sacred Heart punted. A fumble on the kick return was covered by Bob Bartush on the Lindsay 40 yard line. Zach White picked up a 1st down, but the drive stopped on the 26. Two plays later, Mark Bartush covered a loose ball on the 33 yard line. The next play, Ryan Felderhoff ran the ball in for 6 points. A pass to Calvin Wimmer put the Cubs in the lead 8-0 with 1:47 remaining in the 1st quarter.

Biffle, Matt Hesse, and Andy Flusche got in tackles, forcing a Lindsay punt. The Cubs took the ball into the 2nd quarter, but ran out of downs at midfield. A 4th down play for the Squires was intercepted by M. Hesse to the Lindsay 39. Hesse then ran to the 10, then into the end zone. A Hesse to Chad Walterscheid pass on the PAT put the Cubs in a 16-0 lead with 2:39 on the clock.

The Squires' next drive was stopped by Hesse, Michael Davis, and Walterscheid. The punt put the Cubs on the 45. Hesse carried the ball to the 24, ran a short gain, then passed to Biffle before taking the ball into the end zone from the 6 yard line. The PAT failed, for a 22-0 score as the 1st half ended.

Robert Arend got in a couple of good runs for the Squires before running out of downs on the Sacred Heart 7 yard line. The Squires held the Cubs, forcing an end zone punt to the 45. A Lindsay pass play moved the Squires to the 30. The next play, Arend found the end zone. The extra run made the score 22-8 as the 3rd quarter ended.

The Cubs got in five plays, punted, then got the ball back when White intercepted a pass. Two plays later, the Squires took the ball away from the Cubs on the Cub 30 yard line.

Arend ran to the 16, then scored 6 points to close the scoring gap to 22-14 with 2:17 remaining in the game.

An onside kick was covered by Sacred Heart. The next six runs were by Hesse as the Cubs got to Lindsay's 5 yard line before the clock ticked to all zeroes.

TIGERS.....continued from page 8

Neu. Martin got a short run to the Tiger 23, but tackles by Zanchetta and Yosten, and pass defense by Marshall gave Sacred Heart the ball on downs.

Yosten and Hartman combined runs and a pass to get to the Knight 49 yard line. Two incomplete passes and a quarterback sack by Christopher Dieter ended the 1st half of play.

After the 3rd quarter kick, the Knights were determined to extinguish the Tiger spark and proceeded to the Sacred Heart 30 yard line. K. Hermes tucked the ball under his arms again and ran 20 yards to paydirt. Neu's good foot again sailed the pigskin through the uprights and Lindsay led 10-7 with 8:15 still on the clock.

The Tigers moved at will from their 27 yard line to the Knight 18 with runs by Yosten and Hartman, and a 15 yard Hartman to Yosten pass. The drive shut down with a motion flag followed by a Ward quarterback sack and pass defense by Travis Endres and L. Hermes. A Hartman to Fleitman pass did get the Tigers back to the 18, but on 4th and 10 an incomplete pass returned the ball to the Knights.

K. Hermes gained 11 yards, then Hermes brought the Lindsay fans to their feet with a 70 yard run to the end zone. A holding flag brought the play back. The next play, Hermes found Endres, getting the Knights to midfield. Another holding flag lost 10, but Hermes' air attack found Garrett Block for 12 yards and Martin for 6 as the 3rd period ended.

A sack by Tyler Rohmer dropped the Knights for a 16 yard loss, forcing a Lindsay punt.

Starting from the Sacred Heart 30 yard line, a Hartman to Yosten pass

picked up 23 yards. A flag lost 10 yards, but Yosten picked up 17 for a 1st down on the Knight 32. A backfield fumble and two incomplete passes put the Tigers in a 4th and 10 on the 32. A Hartman to Colby Richey pass kept the Tiger drive alive to the 16. Hartman then scampered over the goal line with 6:04 remaining in the game. Hartman slapped the frosting on the cake with his extra point kick for a 14-10 Tiger lead.

Chances for a Knight victory seemed slim when Theo Otto intercepted a Knight pass. Two flags, and tackles by Caillier, Jeremy Perry, Ward, and L. Hermes forced a Tiger punt on 4th and 7.

With 2:34 remaining in the game, the Knights' final drive began on their 15 yard line. K. Hermes ran for 15 yards. A Hermes to Block pass gained 6, and another pass to Endres 23 more yards to the Tiger 40 yard line. A sack by Yosten lost 6 yards. Two incomplete passes followed, and with 36 seconds on the clock the Tigers had control of the ball.

Sacred Heart took a knee and with that, the scoreboard stopped clicking. "We played good quality ball," the Tiger coach added.

Next Action

The Lindsay Knights have an open date before starting District play. The Tigers will host the Amarillo San Jacinto Christian Patriots, a District match, for the Sacred Heart 2006 Homecoming Friday night.

San Jacinto is new to the District, playing six man football last year, and entering 11 man too late to get a full season schedule. They lost two games, won one District match with Harvest, and had several open dates.

"They play good, physical football, doing all the little things right. They play hard." Homecoming celebrations begin with pregame crowning followed by the game starting at 7:30 p.m.

Lindsay Lady Knight volleyball continues

The Lindsay volleyball team continues to struggle as district play handed the Lady Knights more defeats. On Tuesday, Sept. 26, the Lindsay Ladies were handed a loss by Collinsville with scores of 14-25, 11-25, 6-25.

On Saturday, Lindsay was challenged by Savoy and handed another loss.

"The girls played well the first game," commented Coach Don Neu. "We lost a little focus on games two and three. We will continue to work. These girls will continue to fight, and they will bounce back." The scores were 25-20, 13-25, and 18-25.

The Lady Knights challenged the Lady Tigers of Trenton, losing in four games 11-25, 22-25, 25-22, 14-25.

"The girls played very well, especially games two and three," commented Coach Neu. "I was proud of their effort and attitude."

Brittany Anderle had 10 kills and nine blocks. Chelsea Hermes is credited for six kills and four blocks, while Madisen Burrows and Emily Haverkamp did not miss a serve. Burrows also had five assists and Haverkamp eight digs.

The Junior Varsity Lady Knights played their best game of the year, according to Coach Robin Hess, last Tuesday against Collinsville, even though they lost the game. The final scores were 25-23, 16-25, and 20-25.

The JV Lady Knights won their second district game defeating Savoy 22-25, 28-26, 30-29.

The JV team got their 3rd District win, defeating Trenton 25-13, 25-9. "They played very well," said Coach Hess. "We missed only three serves in both games. Service received and settings are improving greatly."

Just a thought
Your family is the most supportive group that you have.

God has put something noble and good into every heart His hand created.

Be first to forgive.

NORTE TEXAS PROPERTIES
This is IT... You've been asking for IT for years. For a limited time only and just in time for hunting season, 8 minutes west of the Kountry Korner, Muenster I.S.D. Very secluded, Elm Creek on one side, several tributaries, one with a live spring. Some bottom land, rolling hills provide long, panoramic views. 100+ foot elevation change. Magnificent Bur Oak, Chinquapin Oak, Red Oak, Post Oak, Pecan, Walnut and more, some could be 300 years old or more. Rare and unique wild flowers include: Texas Shooting Star, Trout Lily, Funnel Lily, and Gay Feather to name a few. Believed to be on location where the Chisholm Trail once was. Owner has found numerous arrowheads and other artifacts. Secluded location and Elm Creek make this a prime habitat for all kinds of wild life. No buildings. No oil wells. No power lines. This truly is a must see to appreciate kind of place. County Road 388, and only 8 minutes west of Muenster. 235.66 surveyed acres ONLY \$3,200 per acre.

FARM & RANCH

Texas is cattle tuberculosis-free!

Texas ranchers achieved a four-year-old objective Tuesday, Oct. 3, when the U.S. Department of Agriculture announced in the Federal Register that the state has regained cattle tuberculosis-free (TB) status. This valuable status was lost in 2002 after two TB infected cattle herds were detected in Texas. Since September 2003, more than 335,000 cows in Texas, 818 dairies, and nearly 129,000 beef cattle in 2,014 of the state's seed stock or purebred herds have been tested for cattle TB, in a bid to ensure that all TB infection had been detected and eliminated, and that effective disease surveillance has been implemented.

"For cattle owners involved in regional and statewide stock shows and fairs, the benefit of TB-free status is immediate," explained Dr. Bob Hillman, Texas state veterinarian. "Achieving free status enables Texas-origin cattle to be transported to events in the state without a TB test. Always check with show or fair officials, however, as they may establish more stringent requirements."

USDA regulations also allow the 150,000 or so breeding and dairy cattle moved from Texas to other states each year to be shipped without a TB test. Dr. Hillman, who heads the

Texas Animal Health Commission (TAHC), the state's livestock and regulatory health agency, cautioned ranchers and accredited veterinary practitioners to check with states of destination prior to shipping cattle, as it will take time for animal health officials to update regulations recognizing Texas TB-free status. Also, because states are at liberty to impose rules beyond USDA standards, he said some states will keep TB testing requirements on the books. Cattle moved interstate from TB-free states for feeding purposes have not been required to have a TB test.

"We have reason to celebrate TB-free status, but we always must remain on guard against the re-introduction of TB infection into our state's 14 million cattle. We know this ranking is fragile, having initially attained TB-free status in 2000, only to lose it in 2002, after two infected herds were detected. Two more infected herds were detected in 2003. These infected herds were depopulated," said Dr. Hillman.

He elaborated that TB-free status in 2000 extended to all of Texas, except the El Paso Milk Shed, where low levels of infection persisted or reoccurred for years, despite repeated quarantines,

testing, and removal of infected cows. The affected herds were depopulated with indemnity funds provided by USDA, and agreements specified that dairies could not be re-established in the El Paso Milk Shed. Thus, TB-free status now applies to the entire state.

Cattle TB is caused by the bacterium *Mycobacterium bovis*, while human TB is attributed to *M. tuberculosis*. TB-infected cattle can develop tubercles, or encapsulated lesions in the lungs, lymph nodes, or in other internal organs. Most often, cattle TB infection is first detected at slaughter plants, where inspectors examine carcasses for tubercles, which they collect and submit for laboratory confirmation. While awaiting lab results, the carcasses are held, or allowed to be used only in cooked products. Cooking meat, or pasteurizing milk (also a heat treatment process) kills TB bacteria.

"The effort to regain TB-free status has been a true partnership of ranchers, private veterinary practitioners, and state and federal animal health personnel," said Hillman. "Everyone who has played a role deserves hearty congratulations for their diligence to ensure that Texas is again free of this dangerous disease that has been a concern to the livestock industry for nearly a century."

Farm Bureau calls for extending farm bill

The outcome of world trade talks must be known before beginning a new farm bill, said the head of the country's largest farm organization. In testimony before Congress, Bob Stallman, president of the American Farm Bureau Federation, said it is critical that a World Trade Organization (WTO) agreement is finalized before changing farm policy.

"This approach provides U.S. trade representatives the strongest negotiating leverage," said Stallman. "If we reduce our domestic supports in an upcoming farm bill debate, we have less leverage to use to convince other countries to reduce their tariffs and export subsidies. Our strongest negotiating leverage is to maintain our current programs until we agree to a WTO round that is beneficial for agriculture."

Foreign tariffs average 62% on U.S. agricultural exports—more than five times higher than the average U.S. imposed agriculture tariff of 12%. Additionally, the European Union uses 87% of the world's export subsidies, which severely disadvantages U.S. exports. The U.S. utilizes only 3% and the rest of the world uses the remaining 10%.

"Farmers and ranchers are willing to lower farm program payments via WTO negotiations if—and only if—they can secure increased opportunities to sell their products overseas," said Stallman. "However, we are not willing to unilaterally disarm."

Beyond the international trade implications and the loss of negotiating leverage, there are other reasons to extend this farm bill, said Stallman.

"The 2002 farm bill was carefully constructed to provide support for commodity, conservation, nutrition, and export promotion programs. Congress struck a balance in funding each of those programs and it works," said Stallman. He also noted that the farm bill provides an adequate safety net to

farmers and ranchers when commodity prices are low, and it continues to address the goal of producing a safe, abundant, domestic food supply.

Stallman encouraged members to take into account production expenses, such as fuel and fertilizer, which are expected to be much higher for the upcoming farm bill period. "With a significantly higher cost structure, and at

a time when farmers are making investments to help secure our nation's energy future, changing the farm bill would be detrimental," he said.

"There is no question the existing farm bill is popular with farmers and ranchers throughout the country," said Stallman. "Continued maintenance of its structure and funding is a high priority for Farm Bureau."

Drought-aid application packets available at Extension offices

Texas Cooperative Extension is making application packets available for the recently announced Livestock Assistance Grant Program administered by the Texas Department of Agriculture.

Deadline for applications is Nov. 13, 2006. About \$16.1 million in block grant funds have been allocated by the U.S. Department of Agriculture to eligible livestock producers in 216 drought-stressed Texas counties.

To be eligible for the program, producers must have suffered livestock or forage production losses from drought March 7-Aug. 31.

"Producers wanting to apply to receive drought assistance can pick up an application at their county Extension office," said Kyle Smith, Extension associate

director for county programs. Producers will be responsible for mailing their own application to the Texas Department of Agriculture, and no electronic applications will be accepted. However, application packets can be printed from the Texas Department of Agriculture Web site at <http://www.agr.state.tx.us/>.

Compensation to producers will not be determined until all applications are received and processed by the Texas Department of Agriculture, officials said. Notification to producers regarding payment or denial will occur prior to Dec. 31.

Applications may also be picked up at Farm Service Agency offices and Texas Department of Agriculture area offices.

For information on program specifics, call 800-835-5832.

Decrease predicted for 2006 farm income

The Agriculture Department issued a report recently predicting net farm income will decrease 26% this year as fuel and fertilizer costs rise, drought reduces production, and government payments fall.

USDA estimates net income at \$54.4 billion, down from \$73.8 billion last year and the record of \$85.4 billion in 2004. Cash expenses are forecast to rise 4.8% to \$236.8 billion, the highest ever, as

gross sales fall 1.5% to \$235.3 billion from a record \$238.9 billion.

Net cash farm income, which does not include costs such as depreciation and changes in the value of inventories, will be an estimated \$63.2 billion this year, down 22% from \$81.2 billion last year and down from a record \$81.5 billion in 2004. The average over the past decade is \$64 billion, according to USDA. AFBF

Statistics show farms facing labor squeeze

New information released by the Agriculture Department's National Agricultural Statistics Service (NASS) pegs the number of hired workers on U.S. farms during the first quarter of 2006 at 718,000, a decrease of 3.75% from one year ago.

According to the American Farm Bureau Federation's (AFBF) Economic Analysis Team, the new statistics provide evidence that the farm sector is facing a labor squeeze that would be magnified further by the possible future loss of migrant workers.

The decline was most pronounced in California where agriculture is particularly dependent on hired labor, but it also included other key agricultural production areas, according to AFBF.

The national average wage paid to farm workers is at an all-time high, \$9.79 per hour, according to the report. That rate is up nearly 5% from one year ago and up 18% from 2001. Wage increases for hired farm workers were reported in every region of the country where NASS collects data. AFBF
