## City Park improvements continue

The archway entrance to the Muenster City Park neared completion Friday morning, as David Flusche, Jr. and Shawn Flusche of Structures, Inc. set the arch into place. The park entry, an improvement project of the City, was constructed at the request of Jewel Otto of the City Park Board. The all metal arch was designed and built by Neal Flusche of Flusche Enterprises.

## Forum questions fielded by Commissioner candidates

**By Janet Felderhoff**  
Five men with the ambition of being a member of the 2007 Cooke County Commissioner Court put their best foot forward during the Gainesville League of Women Voters Forum on Feb. 16. There are two candidates for the Precinct #4 job and three for Precinct #2. Virgil Hess, incumbent, is the only Precinct #4 contender on the Democratic ballot. Drew Springer seeks the Republican nomination for the position. Incumbent Bill Cox hopes to be re-elected to his Precinct #2 Commissioners seat. He seeks the Republican nomination, as does Steve Key. The candidate getting the most votes on March 7 will then compete against Nathan Hansard, the unopposed Democratic candidate.

Each candidate was given time to make a statement and then answered three prepared questions followed by audience questions. Candidates drew for speaking order and rotated with each question.

Hansard said he is running because Precinct #2 needs a proven and effective leader and he's been that. He works at the Carrollton-Farmers Branch ISD as the maintenance technician and IPM coordinator. He said he coordinates programs for preventive maintenance and works with large equipment such as backhoes and graders.

Goals listed by Hansard are to sustain the current tax rate and no longer burden citizens with rising tax costs. He wants to reduce the crime rate that he feels is, "going through the roof right now." He attributes that rate to narcotic and drug trafficking. He also wants to reduce the rate of the health cost that the County pays out.

Cox said, "As your commissioner, I have proven to the people of Cooke County that I keep my campaign promises." While in office Cox has served on Governor Perry's Texoma Regional Review Committee, the Executive Committee of the Texas Cooperative Extension Program Council, and works closely with the Lake Ray Roberts Planning and Zoning Com-

mittee. Cox said he was instrumental in organizing the Adopt-A-County Road program in Cooke County.

Key said that rapidly increasing taxes is first on the list of residents' concerns. The crime rate is also high on the list. He said that lower taxes would improve the business climate in the County.

"We need to improve County services for a growing population," he said. "I heard several times during the campaign that we just can't afford it and that is just not the answer we need to be hearing right now. We need top notch planning for future development. We need better management of our roads and bridges. We need prudent fiscal management." Key said that the people know what they need and don't need to be told what they are going to get. "We need a Commissioners Court that understands the proper role of government, addresses the real issues, that finds cost effective solutions to our problems, and that listens to the people. We're not getting that now and that's why I'm running."

Key said if elected he would get a license to be a detention officer in Cooke County so that he could take jail trustees out and have them do work for the County.

Springer said he is originally from Weatherford. He earned an Accounting degree from University of North Texas. He worked for Trinity Industries for 15 years. He worked as an accountant, a controller, did budgeting analysis for over a billion dollars annually for two years,

## Fuhrmans donate \$10,000 to Sacred Heart Technology Fund

Alvin and Gracie Fuhrman recently made a personal donation of \$10,000 to the Gene H. Fuhrman Technology Fund at Sacred Heart High School. The fund was established at Sacred Heart after their son Gene tragically lost his life in an automobile accident in 2003.

The Fuhrmans have always believed in helping with the advancement of students in area schools. Alvin was on the first drive to raise funds for computers in the school, and son Gene volunteered his time to teach other students how to use a computer while he was in high school.

Fuhrmans' donation completed the amount needed to purchase 10 new computers that will benefit the technology department. The Machinators, students from the department, work together during and after school building robots. For the 2005 school year, they won first place in the Boosting Engineering Service and Technology (BEST) Robotics competition for their robot, and also the BEST Award which is best all around and includes the engineering, their notebooks, display booth, and presentation. The competition consists of 21 schools in the North Texas area.

Darrell Walterscheid volunteers his time and talent in working with the technology students each year during the competition. The computers will greatly benefit the students as they prepare for the next competition.

## Muenster Jaycees celebrate year's accomplishments, install officers

**By Janet Felderhoff**  
It was a night for bestowing awards for service well done, recognizing non-member contributions, and organizing for the coming year. Muenster Jaycees Annual Installation and Awards Banquet was held Saturday, Feb. 25 in the Muenster KC Hall.

Joining members, sustaining members, family, and friends were four State Jaycees officers. They were Texas Jaycee President John L. Sellers of Baytown, Linda Middleton, JCI Senator and Treasurer Greg Peebles of Rowlett, and Regional Director Charlotte Ridge.

Sylvan Walterscheid was presented the Muenster Jaycee Outstanding Citizen Award by Chris Klement at the JC Banquet Saturday night. Janet Felderhoff photo

Master of Ceremonies Wayne Klement recalled that the Jaycee organization began in 1963 at the suggestion of the Nocona Jaycee group. He said the Nocona group couldn't have imagined how well the Muenster Jaycee organization would do. It is currently one of the most active Jaycee organizations. Many other area Jaycees organizations have died or dwindled to a small group.

Muenster Mayor and former Jaycee president Henry Weinzapfel welcomed all to the banquet. He shared some of his memories of the Jaycees' early days and of how it was initially formed.

President Chris Klement took the podium to present several awards. All the Jaycee members vote on the Key Man Award. "In my mind, he's the guy who ties up all the loose ends for the Club. When someone thinks of the Muenster Jaycees, his name comes up first," said Klement as he announced the recipient as Darren Bindel.

Another annual award voted on and bestowed by the local Jaycees is Outstanding Chairman. It is given for talking on a project, large or small, and making it work. The chairman is adept at organizing and delegating work to other Jaycees so that the project runs smoothly and efficiently, said the outgoing president. Bindel was recognized as Outstanding Chairman for the Concert in the Park project. He noted that voting was very tight this year and other projects and chairmen in the running included Brian Herr with the Golf Tournament, Dave

Felderhoff with the Money Dance, and Doyle Klement with Sustaining Membership.

As president, Klement selected the person to receive the next honor. President's Partner Award went to Darren Bindel also. "This guy was on top of everything," Klement commended. "He kept me informed on anything that was going on and made me a better president than I really was."

Klement then revealed some facts about the person selected by the Muenster Jaycees as Outstanding Citizen of the Year. He said that nominations were made and the Jaycees' vote taken in early January at the same time that new officers were elected. "It is the person we feel dedicates his time and efforts towards the betterment of others," noted Klement.

The person selected did just that, not just this year, but throughout his entire life, Klement continued. The selected honoree has been involved with Muenster's Little League Baseball program since its inception. He sponsored and coached teams for numerous years. One Saturday afternoon he helped the Jaycees put chain link on the backstop of their baseball field complex.

David Flusche, Jr. was honored by the State Jaycees, being named a JCI Senator. David is pictured with his brothers Neal (left) and Shawn Flusche, who are also members of the Muenster Jaycees. Janet Felderhoff photo

The honoree has served on committees and boards including Sacred Heart School. See JAYCEES pg. 3

## Administration's contracts renewed at Muenster ISD

**By Janie Hartman**  
A crowd of 10 football players, 11 parents, and a past student were in attendance at the Feb. 22 meeting of the Muenster ISD Board of Trustees. Most people present spoke out in support of Coach Monte Endres, after rumors spread that his job was on the line and the Board may not renew his contract.

Comments included: Leo Lutkenhaus, "Everyone enjoys winning, but every team has an off season." Neal Flusche, "(He is) like the role model for my kids"; Bill Ledbetter, "You can't build a championship team changing coaches every three years"; Tim Felderhoff, "It's not his job to have every kid like him"; Ted Heers, "I hear things too, but gossip is gossip. There will always be someone up here (in front of the school board) to complain against a coach"; Cole Harrison (speaking for the football players), "We can't be a team if you take away our plan."

After closing the meeting for executive session, the Board unanimously voted to rehire Endres as the athletic director; Lou Heers, elementary principal; Curtis Eldridge, high school/junior high principal; and David Freeman, assistant principal. The Board also accepted the resignation of Eddie Green, science teacher.

**Reports**  
Lou Heers reported that the elementary enrollment reached 301 last week with the arrival of a new student. Largest classes are 6th with 50 and 4th with 45 students. Heers also reported on student testing and staff meet-

ings. Sharon Ledbetter and Deb Klement, Gifted and Talented coordinators, are accepting nominations for students in Grades K-5. Kindergarten students must be identified by March 1.

The fourth six weeks honor roll had a total of 81 on the "A", and 100 on the "A-B" honor rolls or 78% of the students in Grades 1-6. Only 10 students did not pass at least one on class; of those 10, four failed more than one class. Of the 29 conduct and/or homework issue detentions, only four attended more than once.

The high school/junior high report noted 79 students in Grades 7 and 8, and 172 in high school. Mr. Eldridge noted that the District UIL Meet will be March 27 and 28 at Midwestern University in Wichita Falls. District One Act Play is March 30 at NCTC. This year's Public Schools Week Open House is planned for Tuesday, March 7 from 6:30 - 8 p.m.

Technology Director Jeff Pressnell submitted a report that included: teachers have completed their 4th cycle grades without any major computer glitches; three HP printers were purchased for the UIL Computer Applications team; and on March 22 at 7 p.m., MISD's Internet Security Program will be presented to the community.

Coach Endres gave an updated report on the basketball season. "Tough losses. Maybe next year will be our year," the coach commented. The Lady Hornets finished 27-3, and the Hornets 22-8. "All but one of our basketball teams finished with a winning record," Endres added. The JV girls finished 16-6, the junior high girls "A" 16-1, and the girls "B" 6-7. On the boys side, JV 14-9, 8th grade 10-6, and 7th grade 9-1.

Muenster will host a junior high track meet on Thursday, March 30, and the Hornet Relays on Friday, March 31.

Coach Endres also wanted to share with the Board something that happened at a home basketball game. One of the visiting players became very frustrated and lost control of his temper. He was called with an intentional foul.

Technology Director Jeff Pressnell submitted a report that included: teachers have completed their 4th cycle grades without any major computer glitches; three HP printers were purchased for the UIL Computer Applications team; and on March 22 at 7 p.m., MISD's Internet Security Program will be presented to the community.

## Lift of County Burn Ban sparks special session

**By Janet Felderhoff**  
Anyone interested in having Cooke County's current Burn Ban lifted or continued may have their say at a special session of Commissioners Court scheduled for Friday, March 3 at 10 a.m. Recent rains and greening undergrowth have some residents requesting

that the Ban be lifted. About two inches of moisture fell this past weekend and more is predicted for this weekend.

Also on Friday's agenda is to consider and possibly approve a procedure for distribution of HAVA Electronic Voting Machines for the March 7 Primary Elections.

# DAYS GONE BY.....

by Elfreda Fette

## 65 YEARS AGO Feb. 28, 1941

Obituary: Mrs. Marie Mollenkopf, 75. Arthur Endres is appointed new postmaster. Registered bull presented by John Carpenter of TP&L to the 4-H Clubs of Cooke County to be used by members of the Club and farmers in Cooke County and cared for by Harold Luke, G.H. Hellman is the new president of the Muenster Telephone Company, filling the unexpired term of the late J.W. Meurer; other officers include Henry Fleitman, vice president; Jake Horn, Jr., secretary; and William Hellman, treasurer. Muenster's refinery handles an average of 450 barrels of crude a day. New Arrival: Kenneth to John and Tillie Otto. The little son of the Ray Evans underwent an appendectomy. Ad tells that *Gone With The Wind* will be at the State Theater for three days; admission for matinees is 40c for adults, 25c for children, and nighttime show is 55c.

## 50 YEARS AGO March 2, 1956

Gainesville's Community Circus will be seen on nationwide TV hook-up on NBC's *Wide World*. Men In Service: Gerald Walterscheid transferred to Fort Riley, Kansas; Charles Burks as-

signed to Japan. Sacred Heart Tigers drew the short portion of honors at the Southwest Academic League State Playoffs in Austin. Obituary: August Knabe, 15 month old son of the Lawrence Knabes, dies of complications of measles. New Arrivals: Joseph to Joe B. and Elfrieda Hundt; a daughter to Mr. and Mrs. John Doughty; a son to Mr. and Mrs. Johnny Schmitz. Peggy Gayle, infant daughter of the Gene Hoedebecks, is baptized in Sacred Heart Church. Pearl Evans and Eula Cain buy new merchandise in Dallas for the Charm Shop.

## 25 YEARS AGO Feb. 27, 1981

City of Muenster gets \$12,468 sales tax check. Honor students at Texas Tech include Jim Luke, Gary Zimmerman, and Bruce Fuhrman. Obituary: Martha Friske, 79. Golden Wedding is observed by the Howard Sockwells. New Arrivals: Adam to Monte and Janet Barnhill; Jeffrey to the Austin Claytons; Jarrod to Lyle and Margie Klement. Muenster Public Library Board officers are: Patti Bayer, president; Leonard Bayer, vice president; Loree Bruns, treasurer; Debbie Endres, secretary.

## Forum.....

was vice-president of a leasing company, and president of three different companies for them. He is currently working as a financial planner.

Springer said he is active in the Muenster community, where he and his family make their home. He is a volunteer firefighter, volunteers at Sacred Heart as a tennis coach, and also coaches youth basketball.

Springer said he is running for Commissioner because he wants to see a safer community and wants to do something about the crime. He noted that of the \$2.1 million that the Sheriff's budget has been increased in the last five years, only \$100,000 or roughly 4.7% has gone to hire new deputies.

Springer pointed out that in the last five years, taxes increased from \$4.8 million to \$9.1 million. "We need to prioritize what can get done and then what we want to get done and make sure we take care of what has to be done first," he said.

Also Springer said that he favors the EMS stations, but wants to know what is the real cost of building them. He feels the County needs new leadership and that he is the answer.

Hess said he is a lifelong resident of Cooke County and has been Precinct #4 Commissioner for the past 15 years. He is a member of Sacred Heart Parish in Muenster. He graduated from Sa-

cred Heart High School and attended Cooke County Junior College (now NCTC). He was in the United States Army for two years and is a member of Muenster VFW Post 6205. He served four years as its post commander. He assisted the Cooke County Game Warden with the annual Youth Hunt since the program's inception in Cooke County.

After completing his time in the Army, Hess worked for 30 years in the oil industry, the last two years of that time he was employed as a district production superintendent.

During his time as Commissioner, Hess has served 15 years on the Cooke-Grayson-Fannin Counties Juvenile Detention Board. He completed 16 credit hours per year of mandatory education at the V.T. Young Institute of County Government at Texas A&M for a total of 240 credit hours. He was one of the first 60 commissioners in the State of Texas to complete Phase I Curriculum 2000, which was an in-depth study of each county office, its function, and operation.

Hess concluded, "I am a conservative and my 15 year track record is proof."

**Editor's note:** Only the Precinct #4 candidate answers will be published since the Muenster area can vote in that race, but not for Precinct #2.

**Question 1:** How do you foresee addressing the future growth in Cooke County?

## MISD...from Pg. 1

foul, then later a technical foul before fouling out of the game. During the game he challenged several Muenster players to a fight, either on the court or in the parking lot after the game. "We are proud of the fact that our boys kept their composure and did not react to his aggression," Coach Endres added. After the game, the visiting coach spoke to the Muenster team noting "he was very impressed with the classy way they handled themselves."

Mr. Manley commented that he started progress on budget planning items as needed. "It's another guessing match, with State funding unknown," he said, noting that the natural gas expenses are "eating us up alive."

The 2005 preliminary tax value study from the state comptroller of public accounts noted that Muenster ISD had a total taxable value of \$152,426,257. That total was after \$28,836,041 in deductions were subtracted. Muenster ISD covers 188.78 square miles.

The Board approved four resolutions: authorize acquisition and use of accessible voting systems; order and call MISD Board of Trustee election; name March 6-10 as Texas Public School Week; and amend authorized representatives for TEXPOOL. Judges and clerks for the May 13 Board elections were approved. Presiding election judge will be Celine Dittfurth, with Betty Felderhoff and Phyllis Dittfurth as alternates, Carol Klement as early voting judge and Jeanette Reiter as alternate. Deadline to file for a place on the ballot is March 13 at 5 p.m.

The Board approved the 2006-07 school calendar. The proposed first day of school will be Aug. 11. Holidays are: Labor Day, Sept. 4; Thanksgiving, Nov. 22-24; Christmas, Dec. 18 - Jan. 3; Spring Break, March 19-23; and bad weather days March 1 and April 9. Graduation is scheduled for May 25.

Discussion also included the annual performance report, emergency operations plan, and conflict of interest disclosures.

.....from Pg. 1

**Springer:** The roads were what he thought would require the most time, such as responding to people's questions on roads. "While that is the biggest attention, as far as critical needs revolves around safety and the taxes," he said "We have to fight this crime and get it down. We have to find a way to support the Sheriff and the DA to make the County a safer place."

**Hess:** "You have to change hats maybe four times a day to stay up with the flow. Budgets and all the County money, looking for ways to cut some of the spending, is one of the most important things, and of course roads come in also." He said getting roads ready for paving, paving, and trying to be fair about attention given to the various roads and bridges were all high on his list.

**Question #3:** To allow more public attendance, should the Commissioners Court meetings be rescheduled to the evening hours?

**Springer:** He supports evening meetings, but feels that a split with one meeting of the month being mornings and the other evenings, because some people work evenings.

**Hess:** He pointed out that if there is to be a change, it has to be made in December of the prior year and that must be followed for the whole year. It is a Texas tradition to have Commissioners Court meetings on the second Monday of the month. He noted, "We've had some public hearings that people said if we had them at night we'd have a better attendance. We had them at night. Guess how many people showed up? One judge and four commissioners." They stayed for an hour and a half with nobody showing. He felt that indicated that people don't care to attend meetings at night. "If they've got an ax to grind, they'll be at Commissioners Court," he said.

AGENDA  
MEETING DATE - MARCH 6, 2006

The following is the agenda for the regular meeting of the Muenster City Council to be held at 7:30 pm in the City Hall meeting room on Monday, March 6, 2006.

1. Calling meeting to order at 7:30 pm.
2. Opening prayer.
3. Approve minutes of the regular meeting on February 6, 2006.
4. Recognize visitors and invite them to attend the entire Council meeting and to discuss their business.
5. Consider any other business to come before the Council.

**OLD BUSINESS:**

1. Review inventory of City equipment that is no longer being used. Consider and act on advertising for bids on unused equipment.
2. Open bids for 2006 paving projects. Consider and act on awarding lowest qualified bid.

**NEW BUSINESS:**

1. Consider and act on approving renewal of City Park Usage Agreement between City and Chamber of Commerce for Germanfest.
2. Consider and act on approval of sale of alcohol in City Park during Germanfest.
3. Consider and act on approving closing of South Maple Street between FM 373 and Cross Street for Germanfest.
4. Consider and act on approval of renewal of board members for Muenster Industrial Development Corporation (MIDC).
5. Consider and act on installing concrete across alleyway between Cedar and Maple Streets at intersection with Ninth Street.
6. Consider and act on approving budget amendment for fiscal year 2005-2006 budget.
7. Review and act on monthly bills.
8. Receive status report on city projects and activities. Take action as necessary on items of discussion.
9. Adjourn.

## OBITUARIES

### Bertha Fleitman

1910 - 2006

By Elfreda Fette  
Mass of Christian Burial was held for Bertha Fleitman on Tuesday, Feb. 28 at 10 a.m. in Sacred Heart Church, officiated by Father John Ohner OSA, pastor.

Bertha Dangelmayr Fleitman died on Sunday, Feb. 26, 2006 at 5:09 a.m. at her home, with her children, grandchildren, and great-grandchildren at her side. Born in Muenster on Dec. 5, 1910, the youngest of eight to Joseph and Theresia Muck Dangelmayr, she had reached 95 years of living when she died after a short illness.

She attended Sacred Heart School. On Oct. 27, 1938, Bertha married Bruno Fleitman in Sacred Heart Church. They celebrated their golden wedding anniversary on Oct. 27, 1988.

A lifelong resident of Muenster, she was a housewife, a member of St. Ann's Society, the Catholic Daughters of America, the Garden Club, and the Muenster Home Demonstration Club. She enjoyed cooking, gardening, crafts, travel, and reading. She especially enjoyed one of her favorite activities, making cinnamon rolls to share with her family and friends.

Survivors are her daughters and sons-in-law, Sara and Don Lester of Era, Teresa Jo and Dan McCrimmon of Littleton, Colorado, and Jane and Frank Cox of Tomball; sons and daughters-in-law John David and Patsy Fleitman and Jerry and Billie

Fleitman, all of Muenster. There are 14 grandchildren and five great-grandchildren. Bertha was looking forward to Dobe giving birth to her sixth great-grandchild within the next week or two.

Also surviving are two sisters-in-law Betty Dangelmayr and Ira Fleitman.

Preceding her in death were her husband; her parents; granddaughter Rachel Fleitman; sisters Mary Felderhoff and Theresia Felderhoff; and brothers Most Rev. Bishop Augustine Dangelmayr, and Joe, Willie, Albert, and Herman Dangelmayr.

A Rosary Service was held Monday at 4 p.m. in McCoy Chapel and a Vigil was held in the chapel at 7 p.m.

Participating in the special funeral liturgy of the Mass of Christian Burial with Father John were altar servers nephews Sylvan Walterscheid and Alvin Hartman, and great-granddaughters Mikayla and Mikenzie Fleitman.

Grandchildren Daniel, David, and Destin Fleitman, and great-grandsons Michael, Daylen, and Tayler Fleitman presented Offertory gifts at the altar.

Music ministers were niece Ruth Felderhoff, great-niece Christy Hesse, and great-nephew Jack White. Sacred music included "On Eagles' Wings", "Psalm of the Good Shepherd", "Edelweiss Blessing", "Here I Am, Lord", and "How Great Thou Art". Dan McCrimmon, Kate McCrimmon, and Malcolm McCrimmon sang "Amazing Grace", and Jack White sang a solo "You Raise Me Up".

Eucharistic ministers were Dennis and Kathy Hess, Tara Bayer, nieces Virginia Krah and Theresa Mae Walterscheid, nephews Charlie Felderhoff and Leon Fleitman, and great-nephew Tommy Felderhoff, Jr.

Remarks of remembrance were given by Dan McCrimmon, who said in part "...As a rancher's daughter she picked cotton... She grew the hops to make the yeast to bake bread... what kept her

Bertha Fleitman going strong for 95 years...

her love of her family, her husband, her faith, her friends, travel and seeing the world, and her great love for all living, growing things.

"She cooked all her life... A farmhand once commented that trying to keep up with Bruno was worth it for the dinner that Bertha would provide. As much as she loved cooking she loved the gatherings more... She loved parties... Her children remember lying in bed listening to the shouts and laughter from her card parties with friends and relatives... She never lost interest in the lives of her family and friends. We will miss her."

A special poem titled *I Know My Grandmother Loves Me Because* was written and read by Destin Fleitman. Destin shared how Bertha was never too busy for her and how Bertha touched her life everyday.

Burial in Sacred Heart Cemetery was directed by McCoy Funeral Home of Muenster. Pallbearers were grandsons Douglas, Samuel, and Jon Fleitman, Kevin and Kris Cox, and Malcolm McCrimmon. Honorary pallbearers were granddaughters Donna Bailey, Kate McCrimmon, and Dobe Fleitman.

For those who have asked, the family has suggested, in lieu of flowers, memorials may be sent to the Muenster Home Care or Muenster Volunteer Fire Department.

Jaycees.....from Pg. 1

Board and Muenster Memorial Hospital Board, Sacred Heart's Finance Committee, Building and Maintenance Committee, and Cemetery Committees.

"He's does many things, but has always been known as the guy who can fix anything," Klement remarked. "The Jaycees recognized what a great asset this individual is to our community over a month ago when we held our elections. Since then, he has received the Outstanding Service Award (for Sacred Heart School) by the Fort Worth Diocese. The Jaycees would now like to honor him as our Outstanding Citizen because he personifies the Jaycee Creed that service to humanity is the best work of life." He then introduced the new Outstanding Citizen Sylvan Walterscheid.

Validation of the Jaycees hard work and generous spirit over the past year was a listing on the back of the program. It included \$5,000 given to various organizations and charities; \$43,300 to needy families and trust funds; Little League/Coach Pitch \$4,000; new ballpark \$30,000; and schools \$3,725 for a total of \$86,025. It named chairmen for 31 projects.

MC Klement introduced State President Sellers. It is unusual to have a State officer attend an installation banquet. Sellers became a Jaycee member in 1995. He served as president of the Baytown Jaycees in 1997 and was also District director during that time. Then in 1999 he served as Regional director. He's had a number of other positions at the State level. Klement named many awards, including two national honors, garnered by Sellers as a Jaycee.

Officers installed by Sellers were Darren Bindel, president, Justin Hartman, first vice-president, Cody Klement, second vice-president, Tommy Huchton, secretary, Lucas Hartman treasurer, Doug Hermes and Dave Flusche, Fifth Thursday chairmen, Steven Knabe, Jody Felderhoff, Adam Deweber, Chris Dangelmayr, and Toby Walterscheid directors, and Tony Hartman, State director.

Looking back over his year as president, Chris Klement outlined some of the goals he had when he took office. One was to recruit new members and they have six new ones. Making progress on the new baseball fields was another. The past year has seen concession stands and bathrooms completed, and chain link fence begun around the second field.

"One of my proudest moments was when parts of the town of Nocona had to be evacuated because of grass fires which were out of control," remarked Klement. The Red Cross called on the Muenster Jaycees to assist with setting up a shelter in the Community Center. Jaycees were contacted, 15 came to the Community Center and had all the cots, blankets, and food unloaded in about 45 minutes. "The Red Cross was so impressed with our efforts that they tried to recruit new members from the Jaycees," he said.

Bindel started his remarks as incoming president by recalling his earliest days as a Jaycee member. "I didn't realize what they were about," he said. "I thought it was just a bunch of guys getting away from their wives, meeting in a little bitty building out there in the Park." He said after he went to several meetings he realized what the Jaycees were about and what they were involved in.

Bindel revealed that when he and his family moved back to Muenster after being away for several years, he wanted to become a fulltime Jaycee member. "To give back to the community, especially the youth of our community, I believe that is where the Muenster Jaycees give the most to this community, whether it is Little League, Coach Pitch, building new facilities, Easter egg hunts, or just donations to help out various youth organizations, the Muenster Jaycees are doing what they can to give back to

the youth of Muenster." Bindel noted that the amount of money raised and given back to the community continues to increase each year. He said that shows that the Muenster Jaycees are working for the community. He attributed the success of the Jaycees to its loyal, hardworking members, and the support of the community. "It amazes me the support that we get from the community. No matter what kind of project it is, they are there," Bindel noted.

Looking to the coming year, Bindel pledged to continue work on the new baseball complex. Some planned projects for it include making handicapped parking available, along with a drive-thru

area to drop off kids. He said he'd at least like to see the group start on its planned soccer field and batting cages.

Also, the group is outgrowing its meeting room in the City Park and Bindel said he'd like to get started on a new meeting room building and to bring in even more new members.

Tony Hartman led the group in reciting the Jaycee Creed to conclude the Banquet.

"It is the single highest honor in Jaycees that a local chapter can bestow upon one of its members. It's a very distinguished honor," said Greg Peebles, JCI (Junior Chamber International) senator treasurer of Rowlett. He attended the Muenster Jaycee

2006 Muenster Jaycee officers are, from left, Tommy Huchton, Justin Hartman, Darren Bindel, Cody Klement, and Lucas Hartman. Janet Felderhoff photo

Dave Flusche earns sixth Muenster JCI senator designation

Banquet to help bestow this special honor on one of Muenster's members. "JCI senators are people who have worked in their home chapter for many years and worked a lot of projects, been past presidents, served on local boards, maybe been District director, Regional directors, past State president, for example," explained Peebles. "They are the heart and soul of the organization and they probably worked for many years."

According to Peebles there are only around 60,000 JCI

senators around the world. The designation is a life-long membership in Junior Chamber International. Jaycee membership is open to members up to age 46. Those with JCI memberships may continue to participate in local Jaycee activities.

Brothers Neal and Shawn Flusche proudly presented the JCI Senator award to their brother Dave Flusche. They noted that he was a big influence on their decision to join the Jaycees.

Dave held several offices including being the 25th presi-

dent of the Muenster Jaycees. He was also treasurer twice, director several times, and Fifth Thursday co-chairman for the past five years.

Chairing projects is something that Dave does very well. Some of his projects included the new tennis courts at the City Park; baseball chairman for 10 years; suggested building new baseball fields and volunteered to chair the project; then helped raise money to purchase the land and has served on the construction committee until this year. Dave has been in charge of the maintenance of the beer van for the last 15 years, chaired the beer van set up at Germanfest for 15 years, and chaired the purchase and outfitting of the new beer van two years ago. Dave takes charge of the meetings between the beer distributors for Germanfest. He has chaired for several years buying food and gifts for needy families at Christmas. He cooked for the Youth Deer Hunt breakfast the last two years and has served on the Muenster City Park Board for five years.

Shawn concluded, "I'm sure we haven't mentioned all of his projects. ... I just thought of one more. The last couple of years he has been in charge of turning the meeting lights off and locking the door, no matter how late it gets."

## Jerry Taylor, Muenster native, receives outstanding honor

**By Elfreda Fette**  
A native of Muenster, Jerry Taylor of St. Louis, son of Mrs. Lorena Taylor of Muenster, and the late Lt. Col. Charles Taylor, has been singularly honored recently by his profession of teaching.

His co-workers, his students, the faculty of John Burroughs School, where Jerry teaches, were particularly strong in urging the selection of Jerry Taylor for this honor; a seven-year-long designation as the honorary holder of the chair for excellence in teaching at Burroughs.

John Burroughs School is a private, non-sectarian school, grades 7 through high school for academically advanced students in the St. Louis area. There are approximately 600 students at John Burroughs School and 100 teachers, counting full time, part time, coaches, and counselors.

Qualified to teach in many academic areas, Taylor teaches three sections of Honor Physics, and an astronomy class for seniors, also geometry and algebra, and coaches basketball and baseball, and provides leadership and training in the Outdoor Education program.

This highly regarded member of the Burroughs Faculty was recently selected as the recipient of the Alice Snodgrass Excellence in Teaching Chair, a newly created high honor in the field. "Mr. Taylor is not only an excellent teacher, he also is a great listener and friend," said his colleagues. Be it recommending a special book or an excellent telescope, Jerry Taylor is always ready to aid a student in distress. "His students love him" and "his colleagues and co-workers cherish him," are the opinions of others on the faculty in unrelated fields. His love of teaching surfaces most in the classroom, as he patiently guides his students with leading questions, and smiles

with a broad grin when they respond, "Oh, now I get it!"

Jerry Taylor was chosen for the award after an anonymous donor created the award in honor of Alice Snodgrass, who retired in 2003. It is intended that the award reward those teachers who have made a difference in their students' lives through their excellent teaching skills.

The honor of being named the first holder of the New Chair created at the school also includes a small stipend.

Jerry Taylor

He will receive approximately \$15,000 for school and personal use. He is allowed to spend \$2,500 each year in whatever way that pertains to school supplies, equipment, educational trips, or other types of professional development. In addition, he will get a salary bonus, taken anytime over the next seven years.

Fellow faculty members say Jerry Taylor balances fun classes with information. Without a doubt, Taylor "encompasses everything the award stands for."

He has received gentle teasing and ribbing from the faculty, when he tells amazing physics stories and life lessons that originated from that infamous farm back in Texas, where he was born.

Jerry Taylor attended Sa-

cred Heart Grade School, Subiaco Academy in Arkansas, graduated from St. Louis University, and did additional studies at the University of Missouri and Webster University, all in St. Louis.

Taylor and his wife Jane have two sons, Charlie and Jim. Charlie is a student at John Burroughs, Jim attends their parish school, where Jane also teaches.

When they can coordinate their vacation time, the St. Louis Taylors and Ginny Taylor Mangum (Jerry's sister) of Tacoma, Washington, all visit here regularly with their mother and their brothers, Roger Taylor and Steve Taylor and families.

A salute and sincere congratulations are offered to Mr. Jerome Taylor, who was the honored recipient of the award of the Alice Snodgrass Chair for Excellence in Teaching at Burroughs. He said, with that famous grin, "You can call me 'Jerry'. That's what I prefer." - E.F.

## Haverkamps celebrate 25th

D'Ann and Billy Haverkamp celebrated their 25th wedding anniversary on Feb. 28, 2006. They were given a surprise party, hosted by family and friends, at the Hopp Ranch on Feb. 25.

## March meeting changed for MMH Auxiliary

Those planning to attend the March meeting of the Muenster Memorial Hospital Auxiliary need to change the reminder date on their calendars. A conflict has caused a change from the regular first Tuesday of the month to the second Tuesday. In March members will meet on Tuesday, March 14 at 7 p.m. in the meeting room of the south wing. Membership letters are to be prepared for mailing that night.

### Winter weather terms

## NEW ARRIVALS

### Demcher

John and Carrie Demcher of Corinth are proud to announce the birth of their second child, a son, Jayson Michael Demcher. He was born Friday, Feb. 17, 2006 at 10:36 a.m. in Medical Center of Lewisville, weighing 8 lb. 2 oz. and measuring 22 3/4 inches in length. Jayson Michael joins a brother, John William, age 21 months, at home. Grandparents are Virgil and Judith Hess of Muenster, and John and Yolanda Demcher of Minersville, Pennsylvania.

### Metzler

Joel and Susie Metzler of Gainesville announce with joy the birth of their daughter Emily Grace Metzler at Wilson N. Jones Medical Cen-

ter in Sherman. Emily was born Tuesday, Feb. 7, 2006 at 2:38 p.m. weighing 7 lb. 6 oz. and measuring 20 inches in length. Siblings welcoming her are sisters Hannah, age

Emily Metzler

4, and Rachel, age 3. Grandparents are Bill and Ethel Metzler of Gainesville, and David and Sharon Arendt of Lindsay. Great-grandmother is Mary Ann Arendt of Lindsay.

### Bayer

Jake and Emma Bayer are pleased to announce the arrival of their little brother, Andrew Charles. Proud parents are Craig and Rita Bayer. Andrew was born on Jan. 9, 2006 at 9:23 a.m. He weighed 9 lb. 10 oz. and was 21 inches long. He joined his new family on Feb. 17, 2006. Welcoming him are grandparents Regina Pels and Charles and Carolyn Bayer. He is also the grandson of the late Curley Pels.

Not pictured MaryLee Alford.

Courtesy photo

## Local ladies call out on the town!

Yelling "On the town!" is getting more common in Muenster. The game Bunko is the newest craze and form

of 'ladies night out' all over the U.S. It all starts with a hostess and 12 to 20 guests. These are the numbers needed for a good game of Bunko.

The hostess sets up three to five tables for four players per table, puts the rotation rules, score sheets, pencils and dice on the tables, and prepares hors d'oeuvres and drinks. An investment of \$5 per player is inexpensive "entertainment" expense for an evening of food, fun, and friends. Certain rules of the game allow a player to yell, "On the town!" at which time she gets to wear a trophy necklace of pearls.

The player with the pearls

at the end of the evening shares the pot with the player with the highest score. Sometimes the decision is made to split the pot three ways and the player with the lowest score is also a winner. Such was the case at the recent Bunko party hosted by Nancy Walter where Janie Monday won the highest score, Janet Hess won "on the town", and MaryLee Alford won the lowest score.

The best part of the game is the social time before the game begins and the social time during the intermission. Even in a small community as Muenster it's been a wonderful way for women to meet new friends.

Raegan Warren

## Raegan celebrates first

Raegan Warren turned one year old on Feb. 11. She celebrated her birthday with her parents Brent and Jennifer Warren and her big brother Lane. Her party was at the home of her grandparents, Eddie and Teresa Warren. Her cake was decorated with flowers and butterflies. She had a great time watching her brother

open her gifts. Family and friends joining in on the celebration were: grandparents Mark and Linda Fuhrmann; aunts and uncles Matthew and Leah Fuhrmann, Kyle Fuhrmann, and Matt and Sara Johnson; cousins Katrina and Kylie Mahaney, and Amy and Aiden Lee; great-grandmother Mamie Spain; and great-aunt

Jan Fox, Jackie and Caron Spain. Friends of the family Meredith and Makenna Hyde were also in attendance.

Those unable to make it were Chris Fuhrmann, Clint Fuhrmann, Joel and Kim Fox, along with Sydney and Maddie, Scott, Mere, Morgan, and Madison Powell.

## Kimber skates into 8!

Kimber Louise Walterscheid celebrated her eighth birthday first by bringing cupcakes to her classmates in Mrs. Pagel's class and Mrs. Budish's class on Friday, Feb. 17. Then she skated into her eighth year on Feb. 18 with a skating party at Zion Skating Rink in Gainesville. Kimber had a very special Disco cake that was made by Stephanie Heady. Videos and pictures were made throughout the party. Kimber received many nice gifts from all of her guests.

Attending her party were her parents Jennifer and Darren; little sister Sterling Grace; grandmother Pat Walterscheid; and aunt and uncle Staci and Tim Bartel. Kimber's classmates who attended were Natalie Walterscheid, Alaina Reiter, McKenna Proffer, Zane Kemp, Nicole Rains, Claire Schneider, Reagan Weger, Abby Luttmir, Katie Pagel, Jordan Buddy, Devon Hacker, Alison Morriss, Sammy Saucer, Dylan Gressett, Allie Walterscheid; special friends Dalana and Natalie Chism, Vickie, Morgan, and Major

Eldridge, Lisa and Macie Pagel, and Paige Saucer.

Unable to attend because of the weather were grandparents Judy and Jim Vernor of Arlington.

Kimber celebrated her actual birthday on Feb. 19 with a special lunch at Chili's with her parents, sister, grandmother Pat Walterscheid, and aunt Staci Bartel.

### New treatment for congestive heart failure approved

Congestive heart failure is the commonest cause of hospitalization in patients over age 65 according to Medicare data. It is an ominous diagnosis with almost half the patients dying within five years after the diagnosis is first made. Treatment so far included a combination of 5-6 medicines in adequate doses plus treating underlying causes like hardening of coronary arteries and high blood pressure. FDA and Medicare have recently approved a new method of treatment of this deadly disease. This involves insertion of a special pacemaker which can stimulate both ventricles (main pumping chambers) of the heart almost simultaneously. This pacemaker can now be implanted in Gainesville. This is done under local anesthesia. If you are still having symptoms of shortness of breath, fatigue or swelling of feet despite medical treatment, then please call our office for a consultation to see if you may be a candidate for this treatment

# SCHOOL

## Sacred Heart High wins District Art competition

Sacred Heart Catholic High School hosted the 2006 District TAPPS Contest on Saturday, Feb. 11. Sacred Heart placed first in the Art competition and third in the Academic competition. Also going to the State competition is the school yearbook. It placed second in District and therefore goes on to State. Faith Christian of El Paso took first with 164 points. Bethesda Christian of Fort Worth was second with 126 points. Sacred Heart Catholic had 106.5 points. Other

schools were fourth, Notre Dame of Wichita Falls - 72.5 points; fifth, Jesus Chapel of El Paso - 60 points; sixth, Denton Calvary Christian - 19 points; and seventh, Midland Classical - 13 points. Representing Sacred Heart at the State Academic Competition are Eric Borowski, Patricia Bujard, Laura Burton, Joelle Fuhrmann, Mark Gehrig, Toon Pulpanyawong, Lauren Sepanski, David Walterscheid, Brittany White, and Paige White.

Students whose art is advancing to the State Art Competition are Patricia Bujard, Theresa Bujard, Whitney Wimmer, Mark Gehrig, Shannon Hartman, Diana Knabe, David Walterscheid, Arlie Bayer, Nicole Bayer, Tad Otto, Debra Yosten, Karina Skotnik, and Teresa Greathouse. Jeff Lawson, Debbie Engren, and Carmen Reiter organized the events for the District Meet hosted by Sacred Heart.

The above Sacred Heart High School students have advanced to the TAPPS State Art competition. ## Summer Agricultural Institute offered to elementary teachers

Since 1994, Texas Farm Bureau, in cooperation with Tarleton State University, has hosted the Summer Agricultural Institute for elementary school teachers. The week long Institute, graduate level, held at Tarleton State University campus in Stephenville, strives to inform educators about the importance of food fiber production and shows them how they can incorporate agricultural education into their classroom. Teachers attending the institute combine hands-on learning activities about agriculture with practical curriculum development and usage. They also participate in field trips to area farms, ranches, and processing facilities.

held June 26-30. The Cooke County Farm Bureau will award a teacher a scholarship that covers tuition, room and board, and resource materials

at the Institute. Applications are available through the Cooke County Farm Bureau. Application deadline is April 17.

### Correction

Muenster ISD reported that it inadvertently left Tanner Herr off the honor roll in last week's paper. Tanner, a freshman, made the "A" Honor Roll.

### Be prepared

Let someone know your timetable and your primary and alternate travel routes. If you are planning travel into an area which experiences significant winter storms, carry a winter storm survival kit - blankets, flashlight, high-calorie snack foods, sand, tow rope, booster cables, and water container.

## Financial advisor to speak to college students at NCTC

Speaker, author, and licensed financial advisor Peter Bielagus is coming to Gainesville for one day only to present a series of financial presentations to the students and community members on Monday, March 6, at 1 p.m. in the Little Theatre. Bielagus, a 20-something who himself was \$5,000 in credit card debt his freshman year of college, began touring the country three years ago trying to prevent college students from making the same mistakes with the finances as he did.

"When I arrived on campus, I signed up for every credit card they threw in front of me. No one ever told me this hurts my credit score. No one ever told me I even had a credit score."

As one of the few professional speakers committed exclusively to this niche, Peter travels to colleges and universities nationwide introducing college students to their financial lives. "Most Americans, let alone most college students, don't know what their credit score is," says Bielagus. "This number literally determines how expensive your life will be and will affect your ability to get a job. I try to tell students the financial information they need to know before they need to know it."

## 4-H Livestock Show results

The Cooke County 4-H Livestock Show was held Saturday, Feb. 18 at the Cooke County Fairgrounds. Results for Muenster and Lindsay are as follows:

## Tigerettes take TAPPS Regional playoff victory

"We have extended the season for another week," said Coach Jon LeBrasseur on the Tigerettes' 63-42 Regional playoff victory. "The fun season continues. I am so proud of this team, as they have overcome many obstacles. We get better each day and each game."

The win advances Sacred Heart to the TAPPS AA Final Four to be held at Fort Worth Nolan Catholic High School on Thursday, March 2. The Tigerettes will play Waco Texas Christian Academy at 7 p.m. Colleyville Covenant Christian and Hallettsville Sacred Heart will play prior to the Tigerettes. The winners will play Saturday, March 4 for the championship.

The Tigerettes took on the Lady Patriots of San Jacinto at Amarillo Saturday afternoon in Georgetown.

Sacred Heart controlled the tip-off, then scored the first 8 points with baskets by Sam Wimmer (two), Whitney Wimmer, and Shannon Hartman. With 4:09 on the clock, San Jacinto made their first points.

Nicole Bayer added four free throws, with S. Wimmer hitting a 3 and a free for a 16-5 1st quarter score after an Amarillo 3-pointer with 11 seconds on the clock.

The Lady Patriots scored the first 4 points in the 2nd period. A lay-up by Hartman

kept the Tigerettes in the game as San Jacinto then scored 5 more points to close the score to 4 with 3:10 on the clock.

After a Sacred Heart timeout, S. Wimmer quickly got a basket, then two free throws. Amarillo got a basket, but Hannah Hess answered back with 2 points. The Tigerettes held on to the ball, allowing Hess a 3-pointer at the buzzer for a 27-16 halftime score.

Tigerette turnovers in the 3rd quarter gave the Lady Patriots 7 quick points. Hess hit 2, followed by 3 by Amarillo to close the score to 3 points, 29-26. Sacred Heart played catch from the 3-point range, taking over a minute off the clock. Two by Bayer and a 3 by Stephanie Krawietz put the Tigerettes in the lead 34-26 with 3:30 remaining in the 3rd quarter. Amarillo hit a 3, followed by a 3-pointer by Kara Felderhoff. S. Wimmer stole the ball and made 2 points, twice, for a 41-29 score. San Jacinto got a 3 and a free at 32 seconds. Krawietz added 2, and a Felderhoff 3 at the buzzer gave Sacred Heart a 46-33 lead going into the final quarter.

Two 3-pointers by S. Wimmer and a free gave the Tigerettes a 20 point lead with just under five minutes remaining in the game. In the next few minutes, Amarillo scored 8 points, with

Hartman, Hess, and S. Wimmer getting baskets and Krawietz two frees for a 61-41 score with 1:41 on the clock.

The Lady Patriots hit a free throw, with Bayer and Felderhoff each getting one for a 63-42 final score with 25 seconds on the clock.

"Our defense continues to get better with each game," noted Coach Jon. "We started in our man and had to adjust and play more zone. The girls did a great job on the rotations." LeBrasseur added that the win was a great team effort and how the bench came out when the Tigerettes got in foul trouble.

Sam Wimmer led the Tigerettes with 24 points and 12 steals. "Sam was amazing!" commented Coach Jon. Wimmer was five of seven from the field, three of four from the 3 point line, and five of five from the free throw line. "Hannah picked a great time to have the best game of her career," the coach added. Hess scored 12 points, pulled down 10 rebounds, and was responsible for San Jacinto's main player.

Kara Felderhoff added 8 points, Shannon Hartman 6, Nicole Bayer 5 points and four steals, Stephanie Krawietz 4, Whitney Wimmer 3, and Lauren Krahl 1.

## Local KC free throw winners announced

The Knights of Columbus have announced the winners of the Diocesan Free Throw competition. The competition was held at the University of North Texas on Saturday, Feb. 25. Winners from each age group will travel to San Antonio and compete in the State Championship on March 18, where they will compete with winners from the other 14 Dioceses in the State.

Local winners included: Boys 11, Dean Fleitman, 1st, Lindsay; Boys 13, Eric Hellman, 3rd, Muenster; Girls 11, Lana Heers, 1st, Muenster; Girls 12, Taylor Klement, 1st, Muenster; Girls 13, Lia Heers, 2nd, Muenster; Girls 14, Natalie Rose, 1st, Lindsay.

Muenster represented KC Council 1459, and Lindsay represented KC Council 11905.

KC Diocesan free throw champions from Muenster were Taylor Klement (left) and Lana Heers. Janie Hartman photo

## Game Warden undercover investigation cites illegal poachers and fish buyers

Texas game wardens have concluded a four-month undercover probe by issuing citations to wholesale and retail fish markets and restaurants in North Texas that have been illegally buying game fish.

Fish poachers have been catching freshwater game fish such as smallmouth, striped, and white bass; blue channel, and flathead catfish; crappie, and trout, and illegally selling them to dealers. Wild-caught fish of these species are protected by law from commercial harvest and sale, but farm-raised fish of some of these species can be sold.

The operation started after complaints from some law-abiding retail fish dealers who reported violations by illegal dealers. The investigation took place at various locations in North Texas where most of the illegal transactions were videotaped to positively identify game fish buyers.

The investigation documented more than 30 businesses and restaurants that purchased more than 750 pounds of fish illegally. Violators are being charged with illegal purchase of protected finfish, a Class C misdemeanor punishable by a fine of up to \$500 for each charge.

If all individual violations are filed, the fines would exceed \$175,000, plus restitution for each fish in some cases. Cases are being prosecuted through various justice of the peace courts in North Texas, the majority of them in Tarrant County.

All such businesses statewide are required to have in their possession appropriate licenses and paperwork for the sale and purchase of aquatic products. The required paperwork is subject to inspection by game wardens during business hours.

These types of operations will hopefully remind businesses that the Texas Parks and Wildlife Game Wardens will enforce license

and documentation requirements. Those fishermen who catch game fish and sell them illegally, and the businesses that buy game fish illegally, will be prosecuted to the fullest extent of the law. Game wardens have an obligation to ensure that the sporting public's hunting and fishing license dollars go to protecting natural resources and recreational opportunities in Texas.

# Knights win Area

The Lindsay Knights traveled to Bonham last Friday to take on the District 20 Avery Bulldogs in the Area playoff round of the State Class A Basketball Championship. In a defensive battle, the final score, 45-38 was the largest point margin of the game. The victory advanced the Knights to Regional. The Regional semifinal was played Tuesday in Tyler with Lindsay battling Broadus. Broadus defeated Overton 71-45 at Area and is the District 23A Champion.

Action began as a defensive battle with little scoring, but the baskets fell in the 2nd half, especially for the Knights.

Avery got the tip-off, but Lindsay was the first to score with a Michael Eckart basket. The Bulldogs quickly added 2, followed by a Kristopher Creed basket. Avery added a free, but two Levi Hermes free throws and a Brandon Huckaby basket put the Knights in an 8-3 lead with 2:45 on the clock. The Bulldogs added 4 points to a Hermes free throw to end the 1st period 9-7.

Dustin Hughes hit two free throws, followed by 4 Avery points to tie the game 11-11 with 4:38 on the clock. Huckaby was fouled on a basket, turning the play to a 14-11 Lindsay lead. Avery hit one free throw as did Hermes, with Creed getting a basket at 2 seconds to give the Knights a 17-12 halftime lead.

The Knights played aggressive defense in a low scoring 1st half. Both teams played man defense.

Avery brought in the ball to start the 2nd half. A rebound by Creed was followed by a Creed basket. The Bulldogs answered with a basket. At 6:20, Eckart hit two frees, followed by an Avery point, and

a Creed basket for a 23-15 score. The Bulldogs hit the first 3-pointer of the game, then a basket to close the score to 23-20 with 3:44 on the clock. An Avery free, then a 3 gave the Bulldogs their first lead in the game, 24-23.

Hermes took the lead back at 2:50, but seconds later Avery had a 26-25 edge. Eckart got a 2, Avery 2. A free throw by Creed tied the game 28-28, but with just under a minute to go, the Bulldogs took a 30-28 lead. With 32 seconds on the clock, Hermes tied the game 30-30 to begin the final quarter.

With the Knights' five starters playing the entire 3rd quarter, the benchers started the 4th to give the Knights a breather. Eckart completed a 3 point play, but a third 3 kept Avery in the game, 33-33.

Huckaby hit two frees, then the Bulldogs tied the game 35-35 at six minutes. Seconds later Hermes hit a basket, followed by Creed and Eckart for a 41-35 Lindsay lead at 3:25.

The Bulldogs got their fourth 3 to close the spread to 3 points. The Knights pulled away the last minute of the game when Hughes made 2, then a free at 31 seconds for a 44-38 score. A free by Huckaby inside 10 seconds was the final point for a 45-38 Lindsay victory.

Michael Eckart led the Knights in scoring with 11 points. Levi Hermes and Brandon Huckaby each added 10, Kristopher Creed 9, and Dustin Hughes 5. The Knights were 15 of 29 from the free throw line and did not hit any 3s.

Chance Schwab and Jaymar Baty led the Bulldogs on the scoreboard. Schwab hit four 3s. The Bulldogs hit only four of 10 free throws.

# Anderle named to ASC team

East Texas Baptist University Freshman Cody Anderle of Lindsay was named to the American Southwest Conference, East Division All-Freshman Team. Anderle finished the season with an average of 1.9 points per game, playing 20 games as a freshman. He is the son of Bridgett and Jay Anderle and a 2005 graduate of Lindsay High School. Courtesy photo

# Knights start golf

The Lindsay Knight golf team has all five Regional golfers back for the 2006 season. "We are excited about the prospect of reaching State this year," commented Coach Dan Hamric.

The five returning golfers are seniors Brad Arend and Kristopher Creed, juniors Chris Dieter and Brian Sandmann, and sophomore Keith Hermes. Sandmann was last year's District medalist, with Creed hitting the low round at Regional the first day.

Seniors Derick Murray, who played #6 last year, is hitting the golf ball real well and has been turning in some good early scores. Sophomore Josh Heilman finishes basketball soon and should be back to his steady form. New to the team this year are seniors Dustin Hughes, Michael Eckart, and Austin Buck, sophomore Hunter Loch, and freshman Nick Bezner. They join junior Sam Faulkner and sophomores Neil Jones and Dillon Ott. Ott, who played in the #8 spot last year, is currently out with a broken thumb, but should be back before the District tournament in April.

The girls team, which finished 3rd at the District tournament last year, has all five

members returning also. Sophomore Lauren Creed, last year's Regional qualifier, is looking forward to another great season, as well as Krystal Arend who missed Regional qualifying by one shot. They are joined by returning lettermen Liz Dieter, Haley Skeans, and Christina Eckart.

Newcomers for the 2006 season are freshman Danielle Hogan and sophomore Emily Fuhrmann. "I feel this girls team is much stronger and we'll be disappointed if we don't qualify for the Regional tournament," Hamric concluded.

On Monday, the Knights competed in a Saint Jo tournament at Falconberg Golf Course, in a very wet, very windy course, tying for 3rd place with 368, behind Archer City 332, and Gainesville 339. Josh Heilman finished 7th overall with 87 strokes. Keith Hermes and Chris Dieter tied for 17th with a score of 93. Other Lindsay golfers and their scores were Derick Murray 95, Brad Arend 95, Brian Sandmann 98, Neil Jones 109, and Hunter Loch 109.

Kristopher Creed, Michael Eckart, and Dustin Hughes are still in basketball.

# Lindsay Knights continue in playoffs

It's down to eight teams remaining in the Class A Division of the boys State championship playoffs. And after Tuesday night, the Lindsay Knights are one of the eight.

Lindsay made the long drive to Tyler to take on the number two ranked Class A team in the State of Texas, the Broadus Bulldogs. "This is the biggest win in Lindsay basketball history," noted Knight Coach Alan Gustine. "They put us out last year and had all their players return."

Last year the Regional semi-final match with Broadus was the last game of the season for the Knights, as they fell 72-52. This week Lindsay got their revenge and took a 63-48 playoff victory and advance to the Semi-State playoffs Friday.

The Knight offense started cold with only 7 1st quarter points, but 23 in the 2nd gave Lindsay the boost they needed to take and keep the lead for the win.

Lindsay got the tip, and the first points on the board with a Michael Eckart basket. The Bulldogs dropped in the next 7 points, with Eckart drawing a foul after five shots. Both free throws were good, for a 7-4 score. With 56 seconds on the clock, the Bulldogs hit a 3. Brandon Huckaby stole the ball at 15 seconds and Kristopher Creed popped in a 3 just before the buzzer to end the 1st quarter with a 10-7 lead by the Bulldogs.

Two 3-pointers by the Bulldogs gave Broadus a 9 point lead. Eckart made 2, Huckaby scored after a steal, Creed blocked a shot then scored, then Creed dropped in a 3 to tie the game 16-16. Broadus took the lead back, then Creed tied the game again. At 2:55, the Bulldogs again led 20-18, then it was all Eckart. Eckart scored after getting his own rebound. He added a free throw to give the Knights their first lead since the first 2 points. Eckart hit another basket at 1:17, then another after getting his own rebound for a 25-20 score. Lindsay had an 18-4 scoring run when the Bulldogs got a basket. A 3-pointer by Jeff Shannon inside 30 seconds and an Eckart rebound basket put the Knights in the lead 30-22 at halftime.

After seven attempted shots, Broadus hit a 3-pointer to close the score to 5. Eckart's shot was blocked, rebounded by Eckart who got 2 and was fouled, turning into a 3 point play for a 33-2 score at 4:45. A dish from Huckaby to Eckart gave the Knights a 10 point lead. A Bulldog 3 was answered by a 3 by Dustin Hughes. Huckaby laid up 2 more points. Broadus got Huckaby 2, followed by the Bulldogs 5th 3-pointer for 42-33 score. Creed added 2 one minute. Broadus went to the free throw line for the first time, making both. Shannon was left open for just a second and hit a 3. The Bulldogs got 2 more points before the 3rd quarter ended 47-30.

The Bulldogs were the first to score in the 4th quarter but two Levi Hermes free throws gave Lindsay their point lead back. The next minute, the Bulldogs scored 4 for a 49-43 score. A lay-up by Huckaby scored 2 after being pushed from behind. The extra free throw put the Knights ahead 52-43.

As the clock ticked down 3 minutes, Eckart hit three free throws and Huckaby two. Broadus hit a free, the two straight baskets. With 51.7 seconds on the clock, Hughes got two frees, Creed added one, to give the Knights their 12 point lead back at 35.2 seconds.

Lindsay held the ball to keep the clock, but Creed hit the floor hard on a foul. At 14 seconds, he made a free throw. Huckaby added two more free throws for the Knights' biggest lead of the game and the final 63-4 score.

"Creed had an excellent defensive ball game, covering the top 3-point shooter in the State," noted Coach Gustine. "And Michael - a great game with 19 rebounds."

Michael Eckart led all scorers with 23 points. Kristopher Creed added 14, Brandon Huckaby 13, Jeff Shannon Dustin Hughes 5, and Levi Hermes 2. The Knights connected five 3-pointers and were 18 of 25 from the free throw line, 14 in the 4th period.

The Knights' next challenge is Bogata Rivercrest Rivercrest, District 20 Champions, had playoff wins over Campbell 73-45, Beckville 61-42, and Burkeville 62-50. "They are a big, strong, physical, athletic ball team," said Coach Gustine, "with height advantage. They shoot from the outside well and play a tough defense."

If the Knights win the Semi-State game, they will play the winner of the Thorndale-Normangee game on Saturday at noon. Playoff games will be held at Robertson Center in Georgetown.

## TPWD REPORTS

Oh, y'all have game laws here? — On Jan. 22, Tarrant and Wise County game wardens teamed-up to patrol southern Wise County for waterfowl hunters. After hearing numerous shotgun blasts coming from a sandpit located about a half-mile from a county road, the wardens entered the property on foot, initiating contact with the hunters. Upon completion of the contact, the wardens found numerous violations including possession of lead shot, exceeding the daily bag limit of redhead duck, and exceeding the daily bag limit of duck. The hunters were found with a total of 17 ducks, five of which were redheads. Appropriate citations and restitution are pending.

## Action on Texas proposed premises registration regulations postponed

At their meeting Thursday, Feb. 16, commissioners for the Texas Animal Health Commission (TAHC), the state's livestock and poultry health regulatory agency, postponed taking action on proposed regulations that would require identification of physical locations where livestock, exotic livestock, domestic fowl, and exotic fowl are held, managed, or handled.

Dr. Hillman, Texas' state veterinarian and TAHC executive director, explained that postponing action on the proposed rule that would make premises registration in Texas compulsory July 1, 2006, does not mean that the issue has been resolved. TAHC commissioners will reconsider the proposed rule at a future commission meeting. The time, date, and place will be announced in the Texas Register, on the TAHC website at <http://www.tahe.state.tx.us> and by public announcement. All commission meetings are open to the public.

"Although commission action on the proposed regulations has been postponed, we continue to encourage voluntary premises registration, which, as of today, includes more than 7,000 of the state's 200,000, or more, farms, ranches, or other facilities," said Dr. Bob Hillman, Texas' state veterinarian and TAHC executive director.

Premises registration is the foundation for the three-tiered National Animal Identification System (NAIS),

which, when fully implemented, is designed to enable animal health officials to trace the movement of diseased or exposed livestock or poultry within 48 hours. The U.S. Department of Agriculture (USDA) has spearheaded NAIS development since 2004, with the cooperation of national species working group committees.

In Texas, HB 1361, passed and signed into law in 2005, authorized the TAHC to institute an animal identification program consistent with the NAIS, and to collect fees, to offset some costs of agency operations.

"Although the TAHC commissioners recognize the need for an improved animal identification system, they need additional time to consider complaints regarding the \$10 per year fee, concerns about livestock and poultry identification and reporting requirements that, eventually, may be implemented on a national basis; and fears about the potential loss of privacy," said Dr. Hillman.

Dr. Hillman explained that premises registration, the only aspect of the NAIS currently under consideration in Texas, involves providing the TAHC with a contact name, phone number, physical address and the species (but not the number of animals) housed, managed, or handled on a site, such as a farm, veterinary clinic, arena, or livestock market.

Information is confidential. A unique seven-character premises identification number (PIN) then is issued for the site.

All states have begun implementation of premises registration. Premises registration is required in Wisconsin and North Carolina. In Indiana, registration will be required starting Sept. 1. Premises registration currently is voluntary in all other states. About 200,000 premises in the U.S. now are identified.

"National working groups for each involved species are developing recommendations for the second and third tiers of the NAIS, which, depending on the situation, will involve identifying either individual animals, or groups of animals, leaving their premises of origin or moving in commerce. The third tier will involve animal movement reporting and tracking, making it possible to locate diseased or exposed animals quickly," said Dr. Hillman.

## Texas annual report recaps '2005 beef projects

The Texas Beef Council (TBC), the beef marketing arm of the nation's No. 1 cattle producing state, has published its 2005 summary of demand-building beef checkoff projects. The summary lists key state and national programs of research, information, and promotion that Texas producers helped fund with their checkoff dollars in 2005.

The beef checkoff program receives \$1 for every head of cattle sold by a U.S. beef producer. By law, 50 cents of each dollar goes for national beef checkoff programs and the other half is administered by the State Beef Council. TBC collected almost \$12 million dollars in 2005 and sent approximately \$6 million for national programs through the Cattlemen's Beef Board.

TBC's Board of Directors, sent an additional 19 cents from each state half dollar, or approximately \$2.22 million, to further support national and international programs. In total, TBC's Board used about 31 cents of each Texas checkoff dollar to fund in-state checkoff programs.

Producers can request copies by emailing [beef@txbeef.org](mailto:beef@txbeef.org) or calling toll-free 1-800-846-4113. The summary also can be viewed online at [www.texasbeef.org](http://www.texasbeef.org).

## Software seminar provides tools for livestock producers

Software can be a valuable tool for an agricultural enterprise, but many producers feel overwhelmed by the array of programs and their various capabilities. To help sort through the available options, Noble Foundation agricultural economists will host a Profit Enhancement Seminar for livestock producers using computerized decision-making tools on Wednesday, March 8, beginning at 9:30 a.m. This program will help owners, operators, and managers learn to use computer software to assist in their decision-making processes. Plan to attend and find out about the many software programs available

that can enhance your operation's profitability. During the seminar, Noble economists will discuss or demonstrate basic spreadsheet operations and the use of Microsoft Excel; preparation of a net worth statement using Excel; the importance of a net worth statement, the information it provides to the agricultural business, and its relationship to financial growth and stability; the principles of investment analysis using a beef cow example; the time value of money and its impact on debt and savings; an evaluation of the profitability of retained ownership of calves or feeders using computer software; the

amount a producer can pay for a beef cow and how to value the difference between bulls using computer software; and an evaluation of how to economically establish hay requirements using computer software. The program will conclude with preliminary results from selected Noble Foundation Agricultural Division research projects and will adjourn at 3:15 p.m. The seminar will be held in the Noble Foundation's Kruse Auditorium at 2510 Sam Noble Parkway, Ardmore, Oklahoma; the cost is \$10. To register, contact Melissa Castleman at (580) 224-6411 or sign up online at <http://www.noble.org/AgEvents/>.

## COUNTY AGENT'S REPORT

WAYNE BECKER  
CEA - AG/NR

### Training for TDA Private Applicators licenses to be held March 23

As many agricultural producers know, purchasing and using many chemicals that are useful for controlling weeds, insects, or plant diseases require the operator to obtain and maintain a valid TDA pesticide license. Two times a year Cooke County Extension provides the required training for individuals seeking to obtain a private applicators pesticide license. The next training session will be on Thursday, March 23, in room B-4 in the basement of the Courthouse. The program will begin at 8 a.m. and conclude around 3 p.m. Interested individuals are asked to call and reserve their seat in the class by March 16.

**Lawn Weeds**  
Aggressive competitors for sunlight, moisture, and nutrients, and prolific multipliers even under adverse conditions, weeds present a challenge for even the most experienced turfgrass managers. The color, texture, and growth rate of weeds often contrast markedly to those of the turfgrasses they may be associated with in a lawn or sports field. Consequently, weeds detract from the uniformity of a turf and add to its maintenance requirements.

The origins of weeds are as varied as those of our turfgrasses. Most are introduced species from Asia and Europe that were inadvertently brought to this country. Many were unintentional stowaways in animal fodder or ship ballasts, or simply contaminants in seed or food supplies brought to this country.

In lawns and sports fields, weeds are often the result of poor quality turf, rather than the cause of poor turf. The aggressive nature of weeds and their prolific reproductive capacity enable them to invade thin, weak turf areas. Cultural practices should always be viewed as the first step to effective weed control. Always determine why weeds established a foothold and correct those deficiencies. If the basic problem is not corrected, weeds will continue to occur. An effective weed-control program also requires identification of the undesirable species as to its

classification as a grassy weed, a broadleaf weed, an annual, or a perennial. Most turf weeds belong to two principal categories - grasses and broadleaf plants.

Chemical controls for these two categories of plants frequently differ. Grassy weeds have jointed, hollow stems; leaf blades have veins parallel to leaf margins, and are several times longer than they are wide; roots are fibrous and multi-branched; and flowers are usually inconspicuous. In contrast, broadleaved plants often have showy flowers; leaves have a network of veins at diverse angles to one another; stems are usually present.

Another group of turf weeds, sedges, have grasslike characteristics, but require a different group of chemicals for control. Sedges are characterized by three-sided stems (triangular cross-section) which bear leaves in three directions (in contrast to the two-ranked arrangement of grass leaves). Weeds can be further grouped according to their life span - annual or perennial.

From the standpoint of chemical control, the grouping is most important, because preemergent herbicides are only effective for control of annual weeds. Annual weeds germinate

from seed each year, mature in one growing season, and die in less than 12 months. Crabgrass and henbit are examples of annual weeds - crabgrass being a summer annual and henbit being a winter annual. Preemergent herbicides must be applied according to the expected date of emergence for each targeted species.

Perennial weeds live more than one year, and recover or regrow from dormant stolons, rhizomes, or tubers, as well as from seed. Control of perennial weeds requires a postemergent herbicide during its season of active growth.

Effective chemical weed control requires identification of the weeds as to their classification (grass, broadleaf, sedge, etc.), life span (annual or perennial), and season of active growth (cool season or warm season). Effective chemical control also requires accurate timing of applications, proper rate of application, and uniformity of application.

Always follow label directions for a product, and observe all warnings and precautions relative to safety of the application. Herbicide labels should be carefully reviewed for additional details on specific uses of each product.

## Texas Crop, Weather Report

Some was only "fog and drizzle," and none was sufficient to end prolonged drought, but any moisture that fell in the state last week was welcomed by farmers and ranchers, Texas Cooperative Extension officials report.

In almost every part of the state, producers are gearing up by making furrows and, where possible, irrigating land for planting moisture-

dependant crop seeds soon, Extension reports indicate.

In the central part of the state near Stephenville, rain fell in several areas, but burn bans remained in effect because of continued wildfires, said Ron Woolley, Extension administrator.

Still, corn planting is likely to begin in a few days because soil moisture levels have improved, he said.

**Gainesville Livestock Market, Inc.**  
Website: [www.gainesvillelivestock.com](http://www.gainesvillelivestock.com)

Light Weight Steers and Heifers - \$4 to \$7 HIGHER. Feeder Steers & Heifers - \$3 to \$5 HIGHER. Backers Cows & Bulls - \$2 to \$4 HIGHER. Pairs & Bred Cows - STEADY. Sold at Friday's sale February 24 were 738 compared to 576 head of cattle the previous week. Tuesday, February 28, the Market compared the sale of 310 Goats, 47 Sheep, and 124 Hogs. The numbers from last week were 292 Goats, 98 Sheep, and 70 Hogs respectively. Results follow:

**Feeder Steers (per lb.)**  
200-300 lbs. No. 1, 1.69-1.85; No. 2 & 3, 1.40-1.60; 300-400 lbs. No. 1, 1.41-1.75; No. 2 & 3, 1.20-1.41; 400-500 lbs. No. 1, 1.39-1.47; No. 2 & 3, 1.05-1.39; 500-600 lbs. No. 1, 1.17-1.38; No. 2 & 3, 95-117; 600-700 lbs. No. 1, 1.05-1.20; No. 2 & 3, 90-105; 700-800 lbs. No. 1, 1.00-1.06; No. 2 & 3, 90-100.

**Feeder Heifers (per lb.)**  
200-300 lbs. No. 1, 1.35-1.57; No. 2 & 3, 1.15-1.35; 300-400 lbs. No. 1, 1.35-1.55; No. 2 & 3, 1.10-1.35; 400-500 lbs. No. 1, 1.23-1.47; No. 2 & 3, 1.00-1.23; 500-600 lbs. No. 1, 1.19-1.40; No. 2 & 3, 1.00-1.19; 600-700 lbs. No. 1, 1.00-1.12; No. 2 & 3, 85-100; 700-800 lbs. No. 1, 84-100; No. 2 & 3, 65-84.

**Slaughter Cattle (per lb.)**  
Slaughter Bulls: Yield Grade #12, 1.90-2.60; #s. 1.51-1.72; Slaughter Cows: #1-3, 51-59; Cutter, 35-51.

**Stocking Goats (per head)**  
Pregnancy-tested, 3 to 9-year-olds - Large Frame: \$750-\$1150; Medium Frame: \$550-\$750.  
Cow/Calf Pairs w/calves under 250 lbs. - Large Frame: \$1000-\$1190; Medium Frame: \$700-\$1190.  
Baby Calves: Holstein: \$130-\$180; Cross-Bred: \$250-\$340.

**Barrows & Gilts (per lb.)**  
US #1, 230-270: 41-44; US #2, 220-260: 35-41.

**Nannies (per head)**  
Feeder: \$45-\$80; 100-175 lbs: \$45-\$80; 25-90 lbs: \$20-\$55.

**Sows (per lb.)**  
Feeder: 400 or less: 32-37; 200-300 lbs: 30-37; Med. wt. 300-500: 35-37; Heavy wt. 600+: NT.

**Boars (per lb.)**  
300 lb. up: 075-10; 200-300 lbs: 20-25; Light wt.: 25-35.

**Sheep (per lb.)**  
Feeder lambs: 40-60 lbs.; 120-130; Light lambs: 60-90 lbs.; 100-115; Fat lambs: 90-120 lbs.; 80-100.

Dear Friends and Neighbors:  
It is Youth Fair time again and the Friends of Muenster FFA, FCCLA, 4-H, and Sacred Heart Homemaking are making an appeal to the citizens of our community to help the youth in our area as they prepare for the Cooke County Youth Fair, to be held at the Cooke County Fair Grounds during the first week in March.

The Muenster Friends is a volunteer organization that helps collect money to be paid to the students as premiums on their projects. One hundred percent of what is donated goes directly to buy premiums for the students who participate in the Youth Fair from our community. Last year a total of \$18,405.00 was paid as premiums to the students of Muenster, \$12,575.00 of which was paid by the Muenster Friends organization.

The youth of our community put forth a great amount of effort and expense and pride in their projects. Please help them out with a donation of \$500, \$250, \$100, or an amount of your choice. Your support does not go unnoticed.

Thank you, in advance, for taking this into consideration.

We look forward to seeing you at the Cooke County Youth Fair this year!

Respectfully:
