<b>Total expenses</b>	<b>393,620.00</b>
<b>Projected budget surplus</b>	<b>8,980.00</b>

## City adopts \$0.3400 tax rate for 2006

**By Janet Felderhoff**  
At its Monday, Sept. 11 meeting, the Muenster City Council set a tax rate of \$0.3400 per \$100 of property valuation. Last year's rate was \$0.3514. Total property valuations have gone up some, so that the tax rate should bring in more income. It was noted that unless your property value went up, your taxes should go down.

Mayor Henry Weinzapfel praised City Manager Stan Endres for the good job he did in presenting the budget. In the General Fund the budget anticipates an income of \$1,031,550.00 with \$93,333.00 of that going to the Muenster Industrial Development Committee as its share of the sales tax. Total expenses are projected to be \$934,390.00. That leaves a budget surplus of \$3,827.00.

Water & Sewer Fund has

a projected income of \$402,600.00. Expenses are projected to be \$393,620.00 which would leave a surplus of \$8,980.00.

The City Council was unanimous in its vote for the tax rate and the budgets. Present were Weinzapfel, Aldermen John Pagel, Jewel Otto, Jack Flusche, and Bob Walterscheid.

Watch next week's *Muenster Enterprise* for the report on the other agenda items from that meeting.

## Burn Ban revoked

**By Janet Felderhoff**

A window of opportunity has opened for rural residents who have household trash, brush piles, or other items that need to be burned. The County was placed under a Burn Ban on June 12 due to the dangerously dry conditions. Although the area is still listed as having drought conditions, the recent rains have greened up grasses and other vegetation.

Cooke County Emergency Management Coordinator Ray Fletcher remarked, "Our means is 609 (according to the Keetch-Byram Drought Index). It's a little misleading. The drought monitor indicates that we have a drought. It depends on what part of the County, but we are somewhere between extreme and moderate drought at this time. The interesting thing is the grass is green."

Fletcher noted that he had checked with all area volunteer fire departments and that some were in favor of lifting the Burn Ban and others did not give negative replies. Precinct #1 Commissioner Gary Hollowell concurred, "I think we need to give people the opportunity to get things burned."

"Fall will be here in a little bit and it's going to kill everything that is green right now. We are going to give them a window to burn if they need to and we are going to do it right now," said County Judge Bill Freeman. Precinct #3 Commissioner Al Smith commented prior to the vote, "I would be remiss if I did not say that a lot of our citizens have told me that they are not in favor of lifting the Burn Ban at this time, but I will go with the other commissioners."

Judge Freeman said, "The reason that I would say to lift it, is simply that this window may only last for two or three weeks to allow people the opportunity to get rid of stuff. They've been really, really good about not burning stuff. There is enough green grass that I think our firefighters can handle it if one gets away."

Lifting of the ban became effective immediately and the

## Archery Shootout

The Muenster Chamber of Commerce and Red River Taxidermy and Archery hosted an Archery Shootout last weekend in the timbered creek area just west of Muenster. Above, Charlie Schilling, one of the contestants takes aim at a "gator" spotted in the creek. Janie Hartman photo

## \$0.4868 tax rate set by Cooke County Commissioners Court

**By Janet Felderhoff**  
Cooke County taxpayers will pay \$0.4868 per \$100 property valuation to help run Cooke County. County Judge Bill Freeman, and Commissioners Virgil Hess, Precinct #4, Al Smith, Precinct #3, Bill Cox, Precinct #2, and Gary Hollowell, Precinct #1, were unanimous in setting this rate at the Monday, Sept. 11 meeting.

County Auditor Shelly Saunders said that the .4868 tax rate is broken into the following categories: General Fund \$249; Road & Bridge .1050; Permanent Improvement .0150; Interest & Sinking .0418; and FM & Lateral Bridge .0001.

Cooke County Emergency Management Coordinator Ray Fletcher reported that

Cooke County is now training a Citizens Corp. "They are anticipated to be second and third level responders," he said. "The first responders will be at the scene and they will actually man the disaster whether it be a large scale fire event or a search and rescue."

Fletcher said that the Citizens Corp is designed to provide trained citizens in basic disaster responses. "Including firefighting, medical issues, utility vital issues and just how the system works," he said. "It is designed to have them help their family, neighbors, and their community."

Commissioners Court unanimously approved the 2006 Citizen Corps Grant proposal for \$4,000; no

matching grant money required. It will be used to purchase supply packs with flashlights, hard hats, goggles, first aid kits, etc. and training for Citizen Corps volunteers.

Commissioner Smith commented that many think of the Metroplex when they think of a terrorist threat area. Cooke County has fiber optic networks, major pipelines, substantial power lines, and watersheds that feed into the Dallas water supply. "We have the responsibility to be vigilant on anything that we see that might be detrimental to those important infrastructures," Smith remarked. "We're in a crucial area. We are the gateway after you cross the Red River. We've become the gateway to a lot of populations."

Commissioners Court declared the week of Sept. 10-16 as Disaster Preparedness Week in Cooke County. In conjunction with that, the Texas Cooperative Extension Service sponsored a Disaster Preparedness Course on Thursday, Sept. 14 at 7 p.m. in the NCTC Little Theater. It is for the public and some CEU credits are offered.

## 9/11 Prayer service held

Sacred Heart and Muenster ISD students and teachers gathered on Monday, Sept. 11 at 8 a.m. in Sacred Heart Church for a prayer service for the fifth anniversary of Sept. 11, 2001. Christy Hesse and Ruth Felderhoff led the students in singing as the classes filed into church. The opening song for the service was "Make Me A Channel of Your Peace."

Chad Riley, principal of Sacred Heart School, did the introductory remarks. Nick Provovich read a Gospel reading from Matthew about being salt for the earth and the light of the world. Then, there was a reflective reading on what it means to be salt and light in a world filled with fear and violence. It was read by Megan Felderhoff, Natalie Endres, Brad Endres, and Kalysa Pollard.

Krystal Wolf invited everyone to reflect silently on several questions. Then, Holly Rohmer did the opening prayer for the petitions. Petitions were read by Jessica Walterscheid, Shelbi Hess, Amber Fuhrmann, Eric Borowski, Laura Heers, and Lisa Miller. Allison Teafatiller introduced the Our Father that was sung. Samantha Wimmer led everyone in a closing prayer. The closing song was "I Am the Light of the World."

## Dancing in the street

Keep Muenster Beautiful held a "Rain Dance" benefit Saturday evening. The street dance proceeds will be used to purchase and plant trees around Muenster Lake. Courtesy photo

## Muenster mourns loss of long-time physician

**By Janet Felderhoff**

The life of a man who made a great impact on the citizens of Muenster and surrounding areas was celebrated on Thursday, Sept. 7 at the Mass of Christian Burial for Dr. Martin M. Kralicke. Dr. Kralicke and his wife Betty moved their family of one son and five daughters to Muenster in October 1964. They wanted to give their children a Catholic education and Muenster had a new hospital opened on Feb. 4, 1964 that was in need of doctors. A dedicated physician and surgeon, Dr. Kralicke tended to the medical needs of his patients at Muenster Memorial Hospital and Clinic until his retirement in 1998.

Dr. Kralicke worked long hours and gave above and beyond the care that is expected of most physicians today. A true "family" doctor, he tended to all ages, shared in the joy of many births, and comforted many in death, he set broken bones, skillfully stitched cuts, performed numerous surgeries, took his turn with emergency call, and treated many epidemics of the flu or whatever "bug" was making people ill at the time.

When delivering his father's eulogy Dr. Steve, Kralicke said, "I remember for one stretch of time that he delivered a baby every third night. One Sunday during flu season, he saw 90 people. You would have no idea how many times we had Christmas or Thanksgiving or Easter dinner without him or at least

delayed. Not to mention daily dinner."

Judy Flusche, RN shared her memories of Dr. Kralicke when she was a nursing student. "He loved to teach. Dr. Kralicke took nursing students under his care, teaching and giving them encouragement," she said.

Mickey Haverkamp, LVN noted that if it were not for the dedication and sacrifice of Drs. Kralicke, Marvin Knight, Alfredo Antonetti, and Enrique Juarez, Muenster Hospital would not have made it to be open and serving the public today.

A number of nurses on staff at the Muenster Hospital worked with Dr. Kralicke for many years. Three of them, Judy Flusche, Mickey Haverkamp, and Pat Wimmer, RN reflected on Dr. Kralicke and his service to the Hospital and the Muenster community. Those memories included that he, "Took care of everyone - never cared about their ability to pay; cared for the nurses and their families, never charging for his services; was dedicated to the Hospital and keeping it open; was always on call, not taking time off; families could call him at home and get medical advice; was an excellent surgeon from babies to the oldest; very good plastic repair on lacerations; would ride in the ambulance when transferring a patient; would go to the scene of an accident."

See LOSS pg. 2

## Myra VFD BBQ Cookout

The Myra Volunteer Fire Department held their BBQ Cookout last Saturday evening at the Myra Park. The annual fundraiser included a meal, raffle, auction, and live music. Early supporters enjoying the BBQ and curly fries included, from left, Bruce Pearson, Ike Gilpin, Nellie Martin, Beth Zajicek, and Estelle Gilpin. Janie Hartman photo

**TAX** .....cont. from pg 1

As of Jan. 1, 2007, some fees charged by the Cooke County Sheriff will increase from \$50 to \$60. Cooke County constables chose to increase their fees. All writs remain at \$150. Areas that will increase by \$10 are postings, citations, citation or notice by publication, notice to show cause, notice of trustee sales, order of sale, precept to serve, civil subpoena, civil subpoena - deuces tecum, summons, temporary restraining order, and temporary protective order.

In other business, Commissioners Court:

- Approved a contract with Zwings Engineering/Planning, LLC for Cooke County Precinct #4 Maintenance Facility Design and Construction Service and to exempt the contract from bidding under LGC 262.024(a)(4). The building will be 65'x100'. The current facility is 35'x60'.

- Approved indigent burial of John C. Wilson.

- Approved application for \$350 private foundation grant for Cooke County Library. It would be used to hire a storyteller in March for Texas History Month and Strong Texas Women.

- Approved 2006 Homeland Security Program and Law Enforcement Terrorism Prevention Program's grant of \$23,216. It will be used to complete update of County's communication equipment.

- Approved memorandum of understanding for Texas Statewide Interoperability Communication Plan. This is designed to give all groups who would respond in an emergency situation the ability to communicate with all others responding. Ray Fletcher noted that communication is the key to any emergency.

- Opened and approved only bid submitted for Courthouse vending machine. Give Me A Break Vending submitted it. They will supply the machine and pay 10% of the commission back to the County.

- Approved bond for Precinct #4 Deputy Constable Richard Roth.

- Approved advertising for sealed bids for roof repair and replacement and repair or replacement of air conditioning units due to storm damage.

- Designated used ambulance as surplus equipment and agreed to sell it by sealed bids.

- Approved check in amount of \$6,199 from NCTTRAC for the Cooke County EMS.

- Accepted technical support services agreement with Medtronic for maintenance of life pack equipment.

- Approved request by Woodbine Water Supply at their expense to install a two inch casing for a 3/4 inch fresh water line running east and west across CR 155 approximately 2/10 of a mile north of the intersection of CR 155 and CR 175.

- Approved request by Mountain Springs Water supply at their expense to install a two-inch casing for a one-inch fresh water line located on CR 265 approximately 1/2 mile south of the intersection

of CR 286 and CR 265.

- Approved 2007 Cooke County Appraisal District Budget.

**LOSS** .....cont. from pg 1

vote to do so was unanimous. Anybody planning on a large burn is urged to call the Sheriff's Department and let them know when and where. This will save the fire departments from having to respond to reports of smoke unnecessarily.

Also, when you do burn, plan on watching the fire closely for two or three days so that it doesn't flare back

- Designated old ballot tabulation machine as surplus and agreed to accept sealed bids for it.

**up. It was noted that numerous fires have been started by people who come in over the weekend, burn, and then leave thinking the fire is out when it really isn't.**

Consideration of reissuing it will remain as an agenda item as long as the drought conditions prevail so that swift action is taken when needed.

**BAN.....**

cont. from pg 1

They marveled at Dr. Kralicke's ability to treat emergencies such as accidents, noting that he saved lives that would have been lost due to the time it would have taken to transfer them to a large medical facility.

Speaking for all the staff of MMH who knew and worked with Dr. Kralicke, they remarked, "We at MMH are grateful for having had the opportunity to work along side Dr. Kralicke and will always be grateful for the many things he taught us."

AUGUST 2006

AUTOMOTIVE DEALER

**LOCAL DEALER SHOCKS COMMUNITY: GLENN POLK AUTOPLEX TO KNOCK \$12,000 OFF MSRP\* AND CUT PRE-OWNED PRICES IN HALF\*\***

**Local Auto Shoppers Express Disbelief, but Dealer Confirms that Cars Will Sell for Half Off on Thursday, Friday & Saturday, at Glenn Polk Autoplex**

Ken Schumm  
Staff Writer

GAINESVILLE, Texas - Trent Polk, General Manager of Glenn Polk AutoPlex, the #1 Ford, Mercury, Chrysler, Dodge and Jeep dealer in Cooke County, announced plans today for a huge sales event that will feature brand new vehicles with discounts of up to \$12,000 off MSRP\* and pre-owned vehicles for as much as half off of the asking price!\*\*\*

The Glenn Polk AutoPlex Sales Event is scheduled for this Thursday, Friday and Saturday.

Polk offered a simple explanation for this unprecedented sale. "We've had an unbelievable year in sales and want to show our appreciation by offering local residents some incredible deals," he said.

He added, "During this sales event, we will sell brand new vehicles for as much as \$12,000 off MSRP\* and cut many used vehicle prices in half.\*\*\*"

According to area economists, it's obvious that Glenn Polk AutoPlex is willing to do whatever it takes to put consumers into the car of their dreams. Polk cited an example of a new 2006 Ford Expedition King Ranch with an MSRP of \$47,775 that will now sell for only \$35,769.\* "That's an astounding \$12,000 off of MSRP," he added. Polk reminded prospective buyers to act quickly if they want to

take advantage of these incredible savings.

The Glenn Polk AutoPlex Sales Event is on a first come, first serve basis. Therefore, Polk is advising consumers to visit the dealership at their earliest convenience to improve their chances of purchasing the vehicles of their choice. Consumers in the market for quality pre-owned vehi-

**"People might think this deal is too good to be true - but after a few minutes we will make believers out of them."**

cles should visit Glenn Polk AutoPlex and view its enormous selection.

According to Polk, he is willing to cut the prices of many of these pre-owned vehicles in half. For example, a 1993 Mercury Sable with an original asking price of \$4,000 will sell for \$1,995.

Glenn Polk AutoPlex not only has an enormous selection of pre-owned vehicles, but also new vehicles. "We have more than \$13 million dollars of inventory - that's more than 500 cars, trucks, vans and sport-utility vehicles to choose from in our inventory," Polk said. He added that this amount of inventory makes Glenn Polk AutoPlex one of the largest dealerships in north Texas.

Glenn Polk AutoPlex has been in Cooke County for more than 11 years. During that

time, the dealership has reportedly sold thousands of vehicles throughout north Texas and southern Oklahoma. The family-owned and operated dealership believes in taking care of its customers.

"Glenn Polk AutoPlex is always looking for ways to give back to the community that's given so much to us for all of these years," Polk commented.

Owner Glenn Polk and his sons, General Manager Trent Polk and Sales

Manager Shawn Polk, manage the daily operations of the dealership and are available from open to close. Those wishing to beat the rush should shop early at Glenn Polk AutoPlex, located at 4320 North I-35 in Gainesville. The dealership's sales departments are open Monday through Friday, 8a.m. to 7p.m. and Saturdays, 8a.m. to 6p.m. For further info on this incredible one-time only sales event, please call (940) 665-3461 or stop by.

\*All prices are plus TT&L, w/a/c; \$12,000 off MSRP applies to 2006 Ford Expedition, stk# 60345. See dealer for additional vehicles with \$12,000 off MSRP

\*\*All prices are plus TT&L, w/a/c; 1993 Mercury Sable, original asking price of \$4000 and sale price of \$1995. See dealer for additional vehicles at half off.

**Wind Energy  
Forum for  
landowners  
is scheduled**

Property owners in Clay, Montague, Cooke, Archer, Young, Jack, and Wise counties interested in learning about the Wind Energy Industry from folks with experience are invited to attend a forum hosted by Chisholm Trail Resource Conservation and Development, Inc. on Thursday, Sept. 21 at 6:30 p.m. in the Jacksboro High School Auditorium.

The following speaker panel has extensive experience in the Wind Industry and is eager to share their knowledge with property owners in the area: Greg Wortham, West Texas Wind Energy Consortium; Stephen Wiley, director of Austin office for Gamesa Energy USA; Bob Bergstrom, executive director of Wind Development for FPL Energy; John Ussery, landowner with a wind farm and a representative from the law firm Steakley, Wetsel & Carmichael.

Come early and sign in! Attendees will have the opportunity to turn in written questions before and during the meeting on issues they wish to be addressed. The meeting will start promptly at 6:30 with Chisholm Trail RC&D Board Member Mitchell Davenport serving as meeting facilitator. Davenport will introduce speakers and allow each 10 minutes of presentation time. After presentations, questions submitted by attendees will be addressed by the panel.

For more information, contact the Chisholm Trail RC&D office at 940-872-7002 or by email at chisholmtrailrcd@hotmail.com. Additional information concerning Chisholm Trail RC&D can be found at www.chisholmtrailrcd.org. In cooperation with USDA, Chisholm Trail RC&D is an equal opportunity employer and provider.

**Dr. Martin M. Kralicke  
1923 - 2006**

Mass of Christian Burial for Dr. Martin M. Kralicke, age 83 of Muenster, was held at 10:30 a.m. on Thursday, Sept. 7 in Sacred Heart Church of Muenster. Abbot Jerome Kodell celebrated the Mass with con-celebrants Msgr. Thomas Weinzapfel and Father Nicholas Fuhrmann. Burial followed in Sacred Heart Cemetery under the direction of McCoy Funeral Home of Muenster. Dr. Kralicke died at 9 p.m. on Monday, Sept. 4, 2006 at his home.

Born July 11, 1923 in Chicago, Illinois, Dr. Kralicke attended Our Lady of Christians, Saint Mel's Military School, Loyola University, and Loyola University Stritch School of Medicine. On July 19, 1947, he married Betty Gravelle in Two Harbors, Minnesota. He was drafted into the U.S. Army and served at Camp Fannin in Troup, Texas. Returning to medical school and graduating in 1948 from Loyola University Stritch School, he served his internship and surgical residency at St. Mary's of Nazareth Hospital in Chicago. He returned to active duty in the Army in 1951, serving in the 121st Evacuation Hospital in Korea from 1951 until 1953.

The family moved to Crowell, Texas in 1954 where he practiced general medicine for about 11 years, before moving to Muenster in October 1964 where he practiced until retiring.

Dr. Kralicke was a member of Sacred Heart Parish, American Medical Association, Texas Medical Association, Cooke County Medical Association, founding president of the Cooke County Chorale, Sacred Heart Men's Choir, lifetime member and 4th Degree Knights of Columbus, lifetime member of the VFW, Chamber of Commerce, and lifetime member of APHC where he raised and showed champion appaloosa horses. He performed in many productions of the Cooke County Chorale, especially the *Messiah*.

Some special honors he received included acknowledgment in 1998 by the Muenster Chamber of Commerce for individual contributions to Muenster, and Citizen of the Year award by the Muenster Jaycees in 1993. He was on the sidelines as team doctor for Sacred Heart and Muenster Public Schools for many years, and was a great family man, doctor, and friend to many.

Survivors are his wife Mary Elizabeth "Betty" Kralicke of Muenster, daughters Margaret Lea of Whitesboro, Mary Kralicke of Irving, Dr. Laura Pels of Coppell, Dianne Walterscheid of Muenster, and Elizabeth Harpel of Coppell; son Dr. Steve Kralicke of Colleyville; 12 grandsons and three granddaughters; one great-grandson.

Preceding him in death were son John Kralicke; parents Martin and Mildred Kralicke; and sister Arlene

Huie. Assisting at the Mass of Christian Burial were altar servers Butch Fisher, Alvin Hartman, and Sylvan Walterscheid. The First Reading was given by Amelia Reinwald, granddaughter. Marissa Pels, granddaughter, gave the Second Reading. Prayers of the Faithful were read by Jordan Walterscheid, Jeff Pels, and Lee Walterscheid, grandsons. Offertory Gifts were brought up by Tyler Walterscheid, Robert Kralicke, Sam Reinwald, and Mary Harpel, grandchildren. Eucharistic ministers were Dorothy Hartman, Betty Rose Walterscheid, Carol Grewing, Kristi Schneider, and Judy Flusche.

Special music at Mass included "The Lord's Prayer" sung by Dr. Michael Linder of Denton, and "Ave Maria" sung by Cecilia Kafer of DeKalb, Illinois.

Music ministers were Ruth Felderhoff, Christy Hesse, Diane Grewing, and Linda Flusche. Sacred songs included "Christ Be Our Light," "Psalm of the Good Shepherd," "There Is A Longing," "Be Not Afraid," "Do Not Let Your Hearts Be Troubled," and "Lord of All Hopefulness."

The eulogy was given by Dr. Steve Kralicke who said in part... "I received the honor of reading my father's eulogy because I am the oldest and therefore knew my dad longer than my younger sisters. I knew him when he made house calls. He charged \$5.

"I know most of you here have a story that is about or at least has my father in it. I have been hearing them for many years..."

"My father was a dedicated man. He was dedicated to his wife and family... to his church... to his community... to his country."

"To the family, he always would listen, any time. We grew up never wanting to do anything that would

Dr. Martin Kralicke

disappoint him... He was devoted to my mother, his wife of 59 years..."

"He was a private in the infantry in World War II, and in Korea he served as an officer and surgeon in a M.A.S.H. unit. Yes, he was the original 'Hawkeye'."

"He told me he was comfortable in his faith, enjoyed singing, said it was his way of praying... He has eased the suffering of many..."

His daughter Mary read a passage from *The Count of Monte Cristo* by Alexandre Dumas, one of her father's favorite novels.

Pallbearers were grandsons Matthew Cotter, Travis Kralicke, Casey Walterscheid, Jared Pels, Harrison Reinwald, and Jacob Harpel. Honorary pallbearers were Jerry Bynum, Ed Schneider, Urban Endres, Dr. Alfredo Antonetti, Herman Carroll, Tommy Hesse, and Spike Yosten.

A Rosary service, led by Kevin Pels, son-in-law, was held on Wednesday at 4 p.m. Msgr. Weinzapfel led the Vigil at 7 p.m. at the funeral home.

Representatives of the Knights of Columbus provided a standing guard at all services.

The family suggests memorials to the charity of your choice.

**Dorothy Aston  
1924 - 2006**

Memorial services for Dorothy Muriel Aston, age 81 of Pottsboro, are set for 10 a.m. Friday, Sept. 15 at McCoy Funeral Chapel in Muenster with C.E. Cole officiating. Services are directed by McCoy Funeral Home. Dorothy died at 9:15 p.m. on Sunday, Sept. 10, 2006 in Texoma Medical Center of Denison.

Born Nov. 2, 1924 in Laurel, Mississippi, Dorothy and her family moved around quite often during the depression years, trying to "make ends meet." They spent much of their time at her grandparents who owned and operated a cane mill, where they made a lot of syrup.

Dorothy married James Monroe Aston on Oct. 7, 1954 in Durant, Oklahoma. They moved to Saint Jo some 42 years ago and lived there some 30 years prior to moving to Pottsboro, where they have lived the past 12 years.

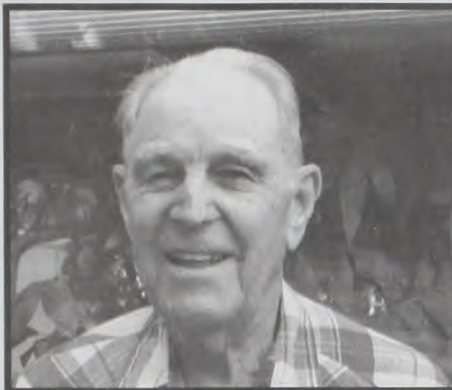

Dorothy loved animals, especially her two dogs in her later years. She was a great cook, always preparing what people wanted and then always sending extra food

home with her family and guests. She enjoyed gardening, was an experienced seamstress, making clothes for family and cheerleading uniforms. She always granted the wishes of her grandchildren. She was very proud of her huge collection of nutcrackers, and was an avid novel and book reader. She also spent much of her time knitting for her family. Dorothy was a lovely, sweet lady, a great family person, and spent most of her time catering to the wishes of her family and friends.

Survivors are: husband James Monroe Aston of Pottsboro; daughter Betty Austin of Fort Worth; sons James Rodney Aston of Gainesville, Douglas Byron Aston of Livingston, and Cris Reed Aston of Muenster; 13 grandchildren and two great-grandchildren.

She was preceded in death by a son, Jonas Wilson; grandson Yi Jay Wilson; and brothers Winfred and James Parker.

In lieu of flowers, the family requests memorials be made to your choice of any animal shelter.

**Edward L. Swirczynski celebrated his  
90<sup>th</sup> birthday on August 26, 2006.**

He is the son of Joe and Margaret Swirczynski. Ed was born and raised in Muenster but has lived most of his life in Fort Worth.

Ed and Hazel still reside in Fort Worth and they celebrated their 60<sup>th</sup> wedding anniversary on June 5, 2006.

# LIFESTYLE

## Sedge and Hudson united in holy matrimony

Stefanie Nicole Sedge of Denton and Herman Leon Hudson of Richardson were wed on May 19, 2006. The double ring ceremony was held at 6 p.m. in Holy Spirit Catholic Church with Father Joseph Riedman officiating. Holy Spirit is where the groom attended school.

Parents of the bride are Ray and Joan Sedge of Muenster and Patty Sedge of Denton. Her grandparents are Lewis and Zelma Sedge of Topeka, Kansas and Jim and Sally Dunkin of Blue Springs, Missouri. The bride graduated cum laude in August 2006 from the University of North Texas with a BBA General Business with emphasis in entrepreneurship. She is employed by Staff Care of Irving as a logistics coordinator. The groom's parents are Herman Lewis and Patricia Hudson of Indianapolis, Indiana. Hettie Cowan of Science Hill, Kentucky is his grand-

parent. School attended by the groom include Indiana University in Bloomington, Indiana, College of Mount Saint Joseph in Cincinnati, Ohio, and Indiana University where he graduated in 2000 with a Bachelor of Science degree in Kinesiology with emphasis in sports communication. He is an assistant director of athletic media relations for Southern Methodist University.

At the opening of the ceremony, mothers of the couple lit the Unity Candle.

As *The Bridal Chorus* was played, the bride was escorted to the altar by her father. She wore a strapless A-line gown in ivory with all-over beaded corded lace. Its periwinkle sash matched the bridesmaids' dresses. She carried a nosegay bouquet of ivory roses, calla lilies, and periwinkle hued flowers tied with periwinkle ribbon.

**ATTENDANTS**  
Danna Parker of Abilene, life-long friend of the bride, served as maid of honor. Bridesmaids were Kristen Holderbaum of Denton, life-long friend of the bride, and Jennifer Allison and Beth Tuttle, both of Indianapolis, and friends of the bride. They were dressed in periwinkle satin strapless side-ruched ball gowns with rhinestone brooches.

Allen Tuttle of Indianapolis, life-long friend of the groom, served as best man. Groomsmen were Scott Hudson of Indianapolis, brother of the groom, and Ray Allison of Indianapolis, and Joe O'Brien

of Columbus, Ohio, both friends of the groom.

Ushers were college friends of the groom Brian Bellman, Doug Holmes, and Aaron Lane, all of Cincinnati, and Derek Dejong of Florence, Kentucky.

Also participating in the ceremony were Sally Dunkin, bride's grandmother, with the First Reading and Prayers of the Faithful; Doug Holmes, friend of the groom, with the Second Reading, and Valerie Holmes with the Responsorial Psalm.

Judy Beard was the organist and Valerie Holmes the vocalist. The prelude included "I Love You and You Are Mine", "Wherever You Go", and "Hail Mary Gentle Mother". "Trumpet Voluntary in D Major" was played for the bridesmaids' entrance. "Ode to Joy from Symphony No. 9" was played at the recessional.

Mr. and Mrs. Herman Hudson ... nee Stefanie Sedge ...

## COLLEGE NEWS

Ryan Joseph Fuhrmann, a graduate of Muenster High School, has been awarded a scholarship by the Texas Interscholastic League Foundation.

Fuhrmann received a TILF Diamond Anniversary Scholarship in the amount of \$500, payable \$250 each semester of the first year. This year the TILF Diamond Anniversary Scholarship was awarded to 40 students who participated in the University Interscholastic League Academic State Meet and who have compiled an outstanding record of academic and extracurricular

achievement. The Diamond Anniversary Fund also awarded eight other scholarships designated as Appreciation, Honorary, and Memorial.

Fuhrmann competed in headline writing at the 2006 UIL Academic State Meet. He also participated in UIL One Act Play, ready writing, editorial writing, and news writing throughout his high school career. He is the son of Ronald and Patricia Fuhrmann.

Fuhrmann is attending University of Texas at Austin and majoring in Communications.

### RECEPTION

A wedding reception held at the Indiana State Fair Grounds in the old National Bank Grand Hall was hosted by the parents of the groom. Chelsey Cowan and Jordan Cowan, cousins of the groom, attended the guest book.

A three-tier creation in marble and vanilla with ivory colored butter cream frosting, the wedding cake had stargazer lilies cascading down one side. The groom's cake was marble with the SMU Mustang.

The Friday evening before the wedding, a rehearsal dinner was held at the Corner Wine Bar in Indianapolis by Ray and Joan Sedge.

On June 3, the newlyweds were honored at a second reception at their home in Richardson for those friends who were unable to attend the wedding in Indianapolis.

A third reception took place on July 2 in Muenster. It was hosted by Ray and Joan Sedge to introduce the couple to the Erwin and Clara Fuhrmann family.

The couple took a delayed honeymoon to Playa del Carmen, Mexico after the bride graduated from UNT in August. They are now at home in Richardson.

## MEETING NOTICE

### NTMC Diabetic Support Group

A meeting of the NTMC Diabetes Support Group will be held on Tuesday, Sept. 19 at 7 p.m. in the North Texas Medical Center Classrooms. Our Kids and Diabetes: The Risks, the Symptoms, the Treatment is the topic to be presented by pediatrician Tsion Haileselassie, M.D.

Individuals with diabetes, their family members, and others interested are encouraged to attend this FREE program. For more information call 940-612-8377.

## It's a fact!

Impaired driving is one of America's deadliest problems. Overall in 2004, more than 15,000 people died in highway crashes involving a driver or motorcycle operator with a Blood Alcohol Concentration (BAC) of .01 or higher. Of those, nearly 13,000 were in crashes where the BAC was at or above the legal limit of .08.

Elfreda Fette received a teddy bear from "Red Hat Lady" Angela Antonetti at the Teddy Bear Picnic at St. Richard's Villa.

## SAINT RICHARD'S VILLA NEWS

By Elfreda Fette

Events of last week were recalled with pleasure. On Monday, Sept. 4, residents enjoyed cake for the monthly birthday party.

On Tuesday, Sept. 5, residents met for the monthly resident Council meeting.

On Wednesday, Sept. 6, the movie *Tombstone* was watched. Popcorn was made.

On Thursday, Sept. 7, Kathi Kirby of Home Hospice of Cooke County visited with the Romeos at 10 a.m. Also, Home Hospice of Cooke County returned at 2:30 p.m.

for a "Teddy Bear Picnic," produced by the "Red Hat Ladies." They sang the "Teddy Bears Picnic" song, served and ate snacks, visited, and presented gifts of toy bears to all the ladies present. The group was led by Rhelda Harris and Kathi Kirby. Volunteers were Faye Hamric, Angela Antonetti, Mary Barfush, Mary Jo Graham, Emma Pelzel, Jane Myrick, Carol Grewing, and Edna Klement. These ladies themselves had a wonderful time, recalling the years of their friendships.

Because they are so keenly interested in the news, residents met Monday at 9:30 a.m. to review current events, which included: the anniversary of Sept. 11 attacks; the successful docking of Atlantis; the earthquake in the eastern Gulf of Mexico; and sports events and scores.

The week of Sept. 18 - 21 is Country and Western Week. Monday, Sept. 18 will be making a country and western craft; Tuesday, residents will discuss the "Good Ole Days" (about Cowboys); Wednesday, will be cowboy trivia and a Western movie; Thursday, ranches will be discussed, and a watermelon festival will be held at 3 p.m.; Friday, residents will enjoy an ice cream cone social; Saturday, Bingo at 10 a.m., and a 65th anniversary party will honor Sam and Inez Sparkman from 1:30 to 3:30 p.m.

Walter and Celine Bartel of Muenster announce the engagement and approaching marriage of their daughter Adrienne Bartel to Matthew Bauer of Bedford. Mr. Bauer is the son of Charles and Vickie Bauer of LaFeria, Texas. The couple plans to be married on Oct. 14, 2006 in Sacred Heart Church of Muenster. Miss Bartel graduated from Sacred Heart High School in 2000 and from Midwestern State University in 2004. She is a pharmacy technician and will be employed at BGS Pharmacy in Grapevine starting in October. The future groom is a 1997 graduate of LaFeria High School and a 2002 graduate of Texas A&M. He is a project manager for Bob Moore Construction in Arlington. The couple will reside in Bedford after their marriage.

## El Niño could shift drought

In a recently-released statement, forecasters at the Climate Prediction Center (CPC) have predicted a likelihood of weak El Niño conditions developing by late 2006. El Niño is a shift in global patterns best identified by warmer than normal sea surface temperatures in the tropical Pacific Ocean.

If the weak El Niño does develop, it would be good news for drought-ravaged north Texas. "El Niño has its most visible effects on north Texas weather during the winter and early spring," noted Gary Woodall, warning coordination meteorologist for the National Weather Service's Fort Worth-Dallas Forecast Office. "Our El Niño winters are typically not exceptionally cold, and more importantly, they are wetter than normal. If the El Niño develops and persists through the winter, it would certainly be welcomed."

The current set of CPC temperature and precipitation outlooks, while based more on trends than on the specific El Niño forecast, do show encouraging signs for the area. The outlooks for November 2006 through March 2007 show a signal for above-average precipitation over much of north Texas. A signal for above-average temperatures is also present.

Woodall noted that a couple of cautions must be kept in mind when analyzing the

outlooks. "The CPC outlooks indicate the chances of the temperature and precipitation being somewhere above or below normal. They don't tell us how much above or below normal we will be. We must also remember that winter is one of our drier times of the year. We could end up with 'above normal' precipitation during this time, and still not make up the deficit that's built up since last January," he said.

The Fort Worth-Dallas NWS Forecast Office provides warning, advisory, forecast, and awareness services for 46 counties in north and north central Texas.

## Festival vendors sought

Saint Jo will be hosting their Fall Festival and Scarecrow Festival on Saturday, Oct. 21 from 10 a.m. to 2 p.m. They are seeking commercial vendors for the festival.

The cost to set up a commercial booth is \$10. There is no cost to nonprofit organizations to open booths to sell food, drinks, or crafts, and to provide fun activities suitable for Fall. Contact Marilyn Dial at 940-995-2368 to register as a vendor.

The engagement and approaching marriage of Stephanie Bierschenk of Muenster and Brent Krebs of Muenster has been announced by her parents Kenneth and Marilyn Bierschenk of Muenster. He is the son of Milton and Patsy Krebs of Gainesville. Saturday, Oct. 7, 2006 is the wedding day that they have chosen. They plan to be wed in Sacred Heart Catholic Church of Muenster at 2 p.m. with Father Ron Scheible, O.S.A. officiating. A reception will follow in the Lindsay Centennial Hall. Miss Bierschenk is a 1999 graduate of Muenster High School and a 2003 graduate of Texas A&M. She is employed as a teacher at Muenster ISD. Mr. Krebs graduated from Lindsay High School in 2000 and is employed at Autozone in Gainesville. They plan to reside in Muenster after the wedding.

## NEW ARRIVALS

### Sicking

Matt and Michell Sicking of Muenster joyfully announce the birth of their son on Thursday, Aug. 31, 2006. They have named him Jackson Bernard Sicking. He was born at 5:36 p.m. in North Texas Medical Center. He weighed 8 lb. 10 oz. and measured 19 inches in length. Jackson has two sisters Angel Hess and Mattie Hartman, and a brother Alex Sicking. Grandparents are Allen and Vickie Redmon of Gainesville and Bernice Sicking of Myra. Great-grandparents are Marvin and Marian Redmon of Arkansas.

Denton Regional Medical Center weighing 7 lb. 13 oz. and measuring 18 inches in length. He joins his big sister Megan, age 2 1/2 years. Grandparents are Hershell and Judy Hanks of Garland and Annette Fleitman of Lindsay and the late Henry Fleitman.

### Muller

Gary and Kathleen Muller of Muenster announce the birth of their first child, a son, Garrett Kade Muller on Saturday, Sept. 9, 2006. He was born at North Texas Medical Center at 9:49 a.m. weighing 6 lb. 4 oz. and measuring 20 inches in length. Grandparents are James and Carol Ann Hess of Muenster, Steve and Sharon Muller of Myra, and Bob and Mary Jane Henley of Fort Worth. Great-grandparent is Frances Stevens of Gainesville.

### Fleitman

Bobby and Mallorie Fleitman of Denton are proud to announce the birth of their son Brady Ryan Fleitman. Brady was born on Thursday, Aug. 24, 2006 at 3:49 a.m. in

## Two events set by Heritage Society

A one-man art show featuring works of illustrator/designer Joseph Paul Pershica are on display at the Santa Fe Depot Museum in Gainesville through Sept. 27. Pershica does custom paintings and art works, along with wrought iron designs in chandeliers and furniture. The show is free and open to the public on Wednesday through Sunday from 11 a.m. to 2 p.m. For more information, call 940-668-8900 or 940-668-4579.

On Thursday, Sept. 21 at noon, free-lance writer Allen G. Hatley will speak at the Morton Museum of Cooke County in Gainesville. The

subject will be his latest book *Reluctant Rebels: The Eleventh Texas Cavalry Regiment*, which is the history of the group that was organized by William Cöcke Young of Cooke County during the American Civil War.

The presentation is free and open to the public. For more information call the Morton Museum at 940-668-8900.

### Smart watering tip

Cut back on routine pruning. Pruning stimulates new growth, and new growth requires more water. Only prune your plants when they wilt or leaves die out. Toro

## SHCS faculty helps to Keep Muenster Beautiful

On Friday, Sept. 8, the Sacred Heart Catholic School faculty/staff had a service day to help out the elderly with all their inside and outside household chores.

The faculty/staff helped with many things which included: delivering food, mowing yards, cleaning the house, scrubbing walls and floors, building shelves, delivering furniture, hanging blinds, pulling weeds, trimming bushes, etc.

The people involved included: Jeffrey Lawson, Katrinka Zanchetta, Bernard

Bujard, Kelly Bayer, Dolores Hofbauer, Joe Caserta, Katherine Putnam, Mary Bayer, Jennifer Fuhrmann, Jon LeBrasseur, Dale Schilling, Charles Boles, Cecilia Ashley, Annette Bayer, Chad Riley, Chellie Mollenkopf, Michelle Knauf, Debbie Endres, Barbara LaChance, Glenda Mitchell, Beth Bartush, Don Rohmer, Susan Yosten, Kathy Berres, Pam Dangelmayr, and Laneta Martin.

Together these 26 people put in 156 hours of hard service work all in one day.

## SH Robotics team develops Laundry Quandry challenge

The Sacred Heart Machinators are all ready for another successful year of robotics. On Sept. 9, the team attended the North Texas Boosting Engineering, Science and Technology (NT BEST) Kick-Off Day at Howe High School and received their mission, "Laundry Quandry." This year, the team's robot has to be able to remove "dry laundry," a piece of cloth measuring 22x22 inches, from clotheslines of varying heights, put it in a

clothes basket, and then hang "wet laundry" on the line, all under a time limit of three minutes. The team receives points and bonuses on the basis of task difficulty and robot versatility.

Team Machinators has already held several meetings to discuss robot design and game strategies. With the regional level competition less than six weeks away, the Machinators have only a short time to

come up with a robot, mission logo, engineering notebook, marketing presentation, and some much-needed financial support from the local community, all of which are requirements in the BEST competition.

Based on the success they have achieved in previous years, the Machinators' goal for the year is to again compete at the national level and obtain the highest award for engineering excellence.

Submitted by Lauren Sepanski

## SCHOOL LUNCH MENUS

### WEEK OF SEPT. 18 - 22 SACRED HEART

Mon. - Pepperoni pizza, celery sticks, pineapple chunks.

Tues. - Chicken nuggets, potatoes, gravy, carrots, oranges, bread.

Wed. - Lasagna, green salad, mixed fruit, garlic bread.

Thurs. - Pork chops w/ brown gravy, potatoes, gravy green peas, peach cobbler, bread.

Fri. - Hoagies w/trimmings, tortilla chips, salsa, pineapple.

### MUENSTER ISD

Mon. - Corny dogs, pinto beans, carrot sticks, pears, blueberry muffins.

Tues. - Chicken nuggets for Elementary, baked chicken for JH/HS, creamed potatoes w/gravy, green beans, peaches, hot rolls.

Wed. - Sub sandwich, let-

tuce, tomatoes, chips and salsa, apples, cookies.

Thurs. - Chicken pot pie, lettuce salad w/dressing, pineapple, hot rolls.

Fri. - Barbecue sandwich, oven baked tater tots, pork and beans, pickles, onions, carrot sticks, applesauce.

### LINDSAY ISD

Mon. - Cheese pizza, corn, lettuce salad, fresh fruit, bread.

Tues. - Grilled chicken melt w/mozzarella, baked beans, carrot sticks, pineapple, banana pudding.

Wed. - Tacos w/trimmings, pinto beans, applesauce.

Thurs. - Turkey and noodles, green beans, lettuce salad, peaches, batterbread.

Fri. - Hamburger w/trimmings, oven fries, ice cream.

### ERA ISD

Mon. - Chicken spaghetti or mini corn dogs, green beans,

sliced peaches, tossed salad.

Tues. - Chicken patty or steak fingers, mashed potatoes, gravy, tossed salad, strawberry applesauce, hot roll.

Wed. - Soft tacos, trimmings, pinto beans, chocolate pudding.

Thurs. - Frito chili pie, shredded cheese, corn, tossed salad, fruit mix, chocolate chip cookie.

Fri. - Hamburgers, sliced cheese, potato wedges, trimmings, ice cream.

## We Live in a Very Special Place

The area to be impacted by FPL's proposed Wolf Ridge Wind Energy Center includes the woodlands of Montague County and parts of Cooke County known as the Western Cross Timbers of Texas. Significant portions of this post oak and blackjack oak woodland, interspersed with park-like grassland, have remained largely unchanged since first settled in the late 1800's.

Researchers led by David W. Stahle, PhD, Distinguished Professor in the Department of Geosciences at the University of Arkansas, have stated that "the Cross Timbers may be one of the least disturbed forest ecosystems that survives in the eastern United States." Recent fieldwork has identified many large tracts of outstanding ancient post oak woodlands in Montague County, extending into western Cooke County. Dr. Stahle goes on to state that "these ancient oak-dominated woodlands provide vital natural habitat in an increasingly human-dominated landscape, and present an unparalleled opportunity of uncorrupted ancient forest natural areas for a cooperative network of research and field oriented education." This research has been supported in part by the National Science Foundation, The Nature Conservancy, the McGee Foundation, and the Graduate School of the University of Arkansas.

Field work published in the doctoral dissertation of Krista Clements Peppers, PhD, "Old Growth Forest in the Western Cross Timbers of Texas", available from University Microfilms, Inc., indicates that some 33% of the region's post oak trees are pre-settlement at more than 150 years of age, 8% more than 200 years, with some as old as 400 years. The tree-ring analysis of these ancient trees provides a climatological history of rainfall in the area going back to the early 1600's, and is an important component in understanding climate-change.

After settlement, the bordering prairie regions were turned to productive farmland, while the highly erosive soils of the hilly Cross Timbers and their woodlands were left with large areas of less-altered and more-natural vegetation and wildlife habitat. That habitat and its ancient oaks are endangered today by the proposed Wolf Ridge Wind project.

Help save our woodlands. They belong to all of us!

## IRS tax tip for a job-related move

Moving expenses may be deductible if your move is job-related and you meet certain tests. If your employer reimburses you for moving expenses, that amount may be taxable income. Generally,

up to \$250,000 of gain (\$500,000 filing jointly) from the sale of your home is not taxable. New homeowners, be aware that mortgage interest, points, and real estate taxes may be deductible.

## Tigers walk the plank, again

### Hornets out-play Indians for 28-12 win

The Nocona Indians tried to capture Hornet Stadium Friday night, but the Muenster Hornets fought hard the 2nd half and took a 28-12 first season win.

"Great to get a win. It was a tough game like we thought it would be," commented Coach Monte Endres. "Hopefully we can get another win this week."

Bill Haverkamp got the game started when he returned the opening kick 16 yards to the Hornet 34. The first snap of the game had Tanner Herr complete a pass to Paul Crabtree for a 61 yard gain to the Indian 5 yard line. Two penalties and a quarterback sack backed the Hornets to the 22. An incomplete pass on 4th down gave the ball to Nocona.

Muenster's defense allowed only one good run, followed by a fumble recovered by Zach Swirczynski on the Nocona 28.

Crabtree picked up 4, a flag lost 5. Swirczynski got back 3, and Brad Endres 1. On 4th and 7, an incomplete pass ended the drive on the 25.

The Hornet defense, three plays later, dropped Nocona for a 22 yard loss, causing a fumble, which Chad Endres covered on the Nocona 7 yard line. A fumbled play and an incomplete pass were followed by a 3 yard gain by Swirczynski. On 4th and goal, B. Endres found Herr in the end zone for the touchdown. Swirczynski added the PAT for a 7-0 score with 1:42 remaining in the 1st quarter.

The Indians carried the ball into the 2nd period, with Micah Flusche and Cole Harrison each getting key tackles. The drive ended on the Hornet 20 yard line when Crabtree picked off a tipped pass.

Michael Faries picked up a quick 1st down on a pass from B. Endres. Runs by Swirczynski, Crabtree, and Herr got the ball to midfield, where the Hornet offense sputtered. A fake punt on 4th and 4 was fumbled and the Indians took the ball on the

Hornet 32. Five plays later, Nocona scored. The PAT failed for the 7-6 score with 5:31 left in the 1st half.

Swirczynski returned the Indian kick 18 yards, then picked up another 14 to midfield. A fumble in the backfield lost 3, but a B. Endres pass to Faries got a 1st down on the 40. Swirczynski and Crabtree gained 9, with a 4th down pass to Collin Walterscheid making 6 yards to the 25. Another fumbled play lost 10 yards and on 4th down, a pass play to Faries was short and Nocona took the ball on the 22. A flag and hard hitting defense forced a punt on 4th and 14. From midfield, two passes from B. Endres to Swirczynski got the Hornets to the Nocona 16. Two incomplete passes followed as time ran out.

The 2nd half gave the Indians the ball. They got in several plays before punting. From their 26, the Hornets made their way downfield blocking and opening holes for eight Swirczynski runs for 68 yards. A pass from B. Endres to Walterscheid took the Hornets to the 3 yard line. Swirczynski finished the drive, getting into the end zone, then adding the extra point for a 14-6 score with 4:35 on the clock. Nocona came back, scoring on a 67 yard touchdown pass play for a 14-12 game 30 seconds later.

The Hornets got in three plays and punted. An Indian pass was fumbled and returned 40 yards by Collin Walterscheid for a Muenster touchdown. The PAT failed for a 20-12 score with 1:06 still on the clock.

The Indians' next attempted drive was shortened by a quarterback sacking from Harrison and Flusche. A punt began the final quarter.

From the Nocona 44, Garrett Hennigan found an open field and scored 6 points. Swirczynski ran in 2 more for the 28-12 score with 11:31 still remaining in the game.

A few good runs put Nocona 9 yards from the end zone, but they were unable to score. The Hornets couldn't move the ball. A short punt put the Indians on the Hornet 22. Four plays later, Nocona was on the 1 yard line. A fumble on 4th and goal was covered by Faries, giving Muenster the ball on their 18 yard line. Five runs took the ball out to the 38 before the game ended.

**Next Action**  
 The Hornets travel to Aubrey this Friday night to take on the Chaparrals of District 13AA.

"They average 42 points per game," noted Coach Endres. "We have our work cut out for us." Aubrey this season beat Nocona 40-20 and Valley View 45-0. "It's going to be a tough one," Endres added.

Kickoff is set for 7:30 p.m.

For the second week, the Sacred Heart Tigers came up short against a Pirate team, this time from Collinsville. After a close 1st half, the Pirates found their treasure twice more before the game ended with a 20-6 score.

"As a team, we're playing with a lot of heart, playing very hard, but creating problems that shouldn't be there and we have to overcome," commented Coach Charles Boles. "Hopefully we'll get those things turned around and get going in the right direction."

Chris Marshall, after a fumbling start, returned the opening kick to the Tiger 46 yard line. Two plays later, Collinsville picked off a Tiger pass, placing the Pirates 11 yards from the end zone. Tackles by Nolan Hartman, Joshua Yosten, and Tyler Rohmer, and two flags were followed by a quarterback sack by Jordan Reeves, giving Sacred Heart the ball on their 35 yard line.

The Tiger offense continued to struggle. After two flags and a short run, Sacred Heart lost a fumbled ball on the 30 yard line. The next play, the Pirate quarterback found the end zone. The PAT gave a score of 7-0 with 7:19 on the clock.

From their 46, a completed Hartman to Yosten pass gained extra yardage from an interference flag. A quarterback sack lost 8, Marshall gained 8 back, then Theo Otto was caught in the backfield, forcing a Tiger punt.

Collinsville got in one good run before tackles by Yosten,

Hartman, Colt Spruill, and Dylan Flusche forced a Pirate punt.  
 The Tigers took the ball into the 2nd quarter. A Hartman to Colby Richey pass gained 13 yards. Runs by Otto and Yosten, and another pass to Richey moved

ting Spruill for a touchdown. The PAT kick went wide for a 7-6 score with 1:13 remaining in the 1st half. The Pirates ran a few plays and the half ended with Jake Hess dropping Collinsville for a 6 yard loss.  
 Tackles by Yosten,

Sacred Heart Tiger Chris Marshall (10) takes off on a 10 yard run. Quarterback Nolan Hartman (14) is ready to block.

Janie Hartman photo  
 The ball into Pirate territory. A clipping flag and three plays for no gain forced a punt on 4th and 25.

The Pirates again got in one good run, then Sacred Heart, led by a Reeves and Marshall tackle, forced a short punt. From their 47, Hartman connected with Mark Fleitman for a 25 yard gain. Hartman and Fleitman hooked up for 7 more, with Marshall getting a 1st down at the 12. Two plays lost 5 yards and one gained 3. On 4th down, the Tigers went airborne with Hartman hit-

Hartman, and Richey forced Collinsville to quickly punt away their first possession in the 2nd half.

From midfield, Spruill gained 4 yards in two runs, an Otto catch picked up 17, and a pass to Richey gained 8, taking the ball to the Pirate 18. A fumbled play lost 2. In the air, Spruill gained 3 and Otto 13 to the 4 yard line. Three plays lost 3 yards. On 4th down, a fumble gave the Pirates the ball on their 17 yard line. Two plays later, a quarterback keeper and penalty put the Pirates on the Tiger 6. Three short runs later and Collinsville took a 14-6 lead.

A Hartman to Otto pass picked up a quick 17 for Sacred Heart, but two plays later a fumbled ball and penalty gave the Pirates the ball 21 yards from paydirt.

As the final period began, the Tiger defense held Collinsville and got the ball on the 18 yard line. Next play, another fumble, Pirates' ball.

The Tiger defense tightened their belts with defensive plays by Yosten, Hartman, Spruill, Richey, Hess, and Zach Zanchetta giving the ball back to Sacred Heart on their 34.

A Hartman pass to Spruill gained 8, with Hartman running for 3, then losing 4. A pass to Richey picked up a 1st down, then Yosten ran for 13 to the pirate 32. Marshall and a 5 yard flag moved the ball to the 16, but an intercepted pass ended the drive and Collinsville took over on the 15.

Five plays later, Collinsville scored again for a 20-6 score with 2:30 remaining in the game.

Otto returned the kick to the Pirate 45. A Hartman to Otto pass picked up 13 more yards, but a sack, an incomplete and short pass gave the Tigers a 4th and 8. A late hit flag on the punt put the Pirates on their 15. The next play, Hartman recovered the ball on the 12. Sacred Heart's attempt to score failed after two incomplete passes, a quarterback sack, and a pass play for no gain. Collinsville then just killed the clock.

**Next Action**  
 The Tigers travel to Saint Jo Friday to tangle with the Panthers. "Saint Jo or even Era is not our concern right now," noted Coach Boles. "Our main concern is the Sacred Heart Tigers and fixing our problems."

"The Panthers have played two good teams and held them in check. This will be a good test for us," Boles said. Saint Jo lost to Colleyville Covenant 28-9 last week and Fort Worth Calvary 14-11 the week before. The game begins at 7:30 p.m.

Just a Thought

Finding fault is easy. It's improving that's hard.

The easiest thing to get, but the most difficult thing to get rid of, is a bad reputation.

Secrets are things we give to others to keep for us.

Things that never happen seem to worry us most.

Hornet Collin Walterscheid (88) is brought down by an Indian after gaining extra yards after a completed catch. Deborah Wood photo

## Lady Hornets run in two Cross Country meets

The Lady Hornet cross country teams have competed at two recent meets.

On Aug. 31, the teams ran at the Ponder Meet. The Muenster varsity finished in 4th place with 135 points, behind Ponder, Denton Guyer, and Sherman.

Individual runners, places, and times were: Leah Smith, 21, 14:59; Laura Heers, 23, 15:11; Shauna Felderhoff, 33, 15:38; Jackie Klement, 34, 15:39; Cassie Hale, 39, 16:03; Lindsey Watson, 55, 16:53; Lia Heers, 57, 17:00.

The Junior Varsity Lady Hornets settled for 6th place. They were led by Sandy Endres, who finished 25th with a time of 16:52. Following were: Erin Endres, 30, 17:07; Emily Stoffels, 34, 17:14; Sara Walterscheid, 38, 17:25; Anne Walterscheid, 42, 17:31.

Two Hornets also competed at Ponder. Johnny Green ran on varsity, clocking in at 23:21 for 23rd place. Junior varsity runner Toby Dyess placed 27th with a 27:32 time.

Last Saturday, Sept. 9, the varsity girls ran in the Val-

ley View meet. As a team, the girls placed 12th. Sanger, Lake Dallas, Celina, Ponder, Denton, and Pilot Point were the top six finishing teams. Individual results were as follows: Leah Smith, 28, 13:41; Shauna Felderhoff, 42, 14:00; Jackie Klement, 65, 14:22; Laura Heers, 72, 14:30; Sam Endres, 85, 14:48; Cassie Hale, 101, 15:19.

The JV girls scored 151 points for 4th place. Denton Guyer (41), Pilot Point, and Krum out-scored the Lady Hornets. Eleven girls ran. The top five were: Anne Walterscheid, 15:03; Lindsey Watson, 15:18; Jessika Hartman, 15:21; Sara Walterscheid, 15:34; Sandy Endres, 15:39.

Also running on the JV and their times were: Brandy Dangelmayr, 15:59; Lia Heers, 16:00; Erin Endres, 16:13; Emily Stoffels, 16:17; Megan Felderhoff, 16:30; Amanda Dangelmayr, 16:39.

Toby Dyess, JV Hornets, finished in 54th place with a time of 22:49.

The Muenster teams will be running at Decatur this Saturday.

## SH Cross Country competes at Valley View

The Sacred Heart Cross Country runners traveled to Valley View this past Saturday to compete at a large meet against some big schools. Sacred Heart fielded a varsity girls' squad and had three varsity boys participate in the meet. There were over 25 schools in the varsity girls' race with a total of 147 runners. Overall, the SH varsity girls placed 10th, however they were the only IA school in the top 10.

"It was a large meet, and we ran against some big

schools. The meet was very competitive," said Coach Bartush. The Tigerette varsity girls were led by Samantha Wimmer.

**VG results:** Samantha Wimmer, 13:47, 32; Ginger Bartush, 13:49, 35; Paige White, 13:58, 38; Charlotte Bartush, 14:17, 60; Kristin LeBrasseur, 14:21, 62; Kalyssa Pollard, 15:13, 98; Kara Felderhoff, 15:36, 111.

**VB results:** John Krawietz 21:17, 89; Joe Hesse, 21:28, 93; Ian Barnhill, 22:11, 111.

## Trojans joust Knights

The Lindsay Knights were handed their first loss of the season Friday night when the highly state-ranked Windthorst Trojans dominated the contest and took a 53-14 win. The Trojans battled for nearly 500 yards, completed every pass, and had no turnovers.

"The boys played hard, but we ran into a real good football team," noted Lindsay Coach Cody Bounds. "Windthorst is well-coached with lots of talent and lots of discipline. There's a reason they're the #1 team in Texas."

Action began early in the game, starting with Keith Hermes returning the opening kickoff 90 yards for a touchdown. The extra kick by Dustin Neu put Lindsay in the lead 7-0 with just 13 seconds off the clock.

The Trojans quickly got into the game, returning Lindsay's kick 42 yards. A quick 33 yard gain was followed by a 9 yard touchdown pass play. The PAT tied the

yards, but with 7:28 on the clock, the Trojans scored on a 13 yard pass play. The PAT gave Windthorst a 14-7 lead.

The Knight offense struggled and punted on 4th and 10. Four plays later, a 28 yard completed pass put Windthorst in the lead 21-7.

Lindsay took the kick on their 20 yard line. Runs by Jones, K. Hermes, Martin, and Neu, and passes to Neu and Endres carried the Knights into the 2nd quarter. Penalties then forced the Knights to punt from midfield on 4th and 17.

A 60 yard pass play quickly set up Windthorst's next touchdown. With 9:52 remaining in the 1st half, the Trojans took a 27-7 lead.

Lindsay, from their 36, got in several short runs, a 23 yard pass play from K. Hermes to Endres, and two helpful flags to get to the 11 yard line. Jones ran twice for 10 yards, then Martin finished the drive from the 1. Neu's PAT gave the Knights 14 points to Trojans' 27 with 4:36 on the clock.

A couple of good runs and Windthorst extended their lead 34-14 with 2:57 remaining in the 2nd quarter.

From their 22, runs by Martin and K. Hermes, and passes to Endres and Levi Hermes moved the Knights to the Trojan 26 before the 1st half ended.

Windthorst took the 3rd quarter kick on their 39 yard line, then took six plays to take a 40-14 lead.

The Knight offense could not move the ball and punted. The next play, a 72 yard pass play, a touchdown, and a 47-14 score.

Lindsay picked up 14 yards, then lost 13 before throwing an interception, giving Windthorst the ball 14 yards from paydirt. Two plays later, 53-14 with 3:33 still remaining in the 3rd quarter.

Again Lindsay's offense struggled, punting on 4th down. The Trojans carried the ball into the final period, running 20 plays and most of the time off the clock, getting to the Knight 6 yard line before giving up the ball.

Neu and Jones each got in two runs before the final second ticked off the clock.

Coach Bounds noted that the Knights fought till the end and never gave in, playing with heart and desire.

**Next Action**  
The Knights will host the Class 2A Jacksboro Tigers. "They are a tradition-rich school with a new coaching staff," Coach Bounds said. "It will be a tough game. I hope to bounce back and put on a good show. Playing at home should be to our advantage. Hopefully we'll get back on a winning streak."

The Tigers, members of District 9AA, have nine starters returning from a Division 2 Bi-District qualifying team. Game time is 7:30 p.m.

## Cubs start with loss

The Sacred Heart Junior High Cubs began their 2006 season last Thursday in Collinsville and came home with a 28-0 loss.

Sacred Heart took the opening kick, but could not get the needed yards and punted. A few plays later, the Pirates had an 8-0 lead.

The Cub offense again struggled, punting after losing 3 yards. Two plays into the 2nd quarter, Collinsville took a 14-0 lead after a 68 yard pass play.

The Cubs' third time to snap the ball quickly ended with a punt, but the next play was fumbled by Collinsville and covered by Alex Turner on the Pirate 26. Four plays picked up 3 yards and the Pirates had the ball on their 24. Michael Davis intercepted a Pirate pass, placing Sacred

Heart 9 yards from paydirt. Runs by Zach White and Matthew Hesse gained only 4 yards as the 1st half came to an end.

Twenty seconds into the 3rd quarter, Collinsville scored on a 65 yard run for a 20-0 score.

Unable to get a 1st down, the Cubs again punted. Two plays later, 28-0. Sacred Heart fumbled after the first snap as the Pirates carried the ball into the final quarter. A holding flag assisted in stopping the Pirate drive.

Starting on their own 33, the Cubs moved to midfield on three runs by Hesse. White carried the ball to the 15, but two plays later the Cubs lost the ball with a fumble. The Pirates killed the remaining time on the clock.

## Muenster Junior High wins Ponder meet

The Muenster Junior High Lady Stingers took home the Ponder Cross Country Championship on Aug. 31, scoring 47 points. Ponder (52), Lindsay (63), and Prosper (108) followed.

Muenster's top five finishers were all in the top 20. They were: Jacy Steelman, 4, 14:29; Emily Hellman, 5, 14:33; Shelby Dangelmayr, 9, 15:26; Lana Heers, 15, 16:15; Kalynd Dangelmayr, 17, 16:17.

Others finishing the race and their places were: Andi Felderhoff, 25; Chloe Schneider, 32; Kendall Reiter, 33; Andi Hess, 41; Briana Bindel, 43; Taylor Endres, 46; Paige Hennigan, 61; Allison Pagel, 71; Demi Koelzer, 83; Caleigh Wood, 87; Taylor Reiter, 88.

Last Saturday, the Lady Stingers competed in the Val-

ley View meet, settling for 2nd place with 88 points behind Gunter with 68. Sanger, Little Elm, and Celina followed.

Emily Hellman individually finished 1st with a time of 13:10. Jacy Steelman was 5th at 13:33, followed by: Lana Heers, 25, 14:56; Kendall Reiter, 28, 15:13; Shelby Dangelmayr, 29, 15:18; Kalynd Dangelmayr, 31, 15:22; Andi Felderhoff, 47, 15:57; Chloe Schneider, 57, 16:08; Taylor Endres, 63, 16:14; Paige Hennigan, 71, 16:27; Allison Pagel, 87, 16:50; Demi Koelzer, 136, 18:30; Caleigh Wood, 147, 18:57; Stormie Wilburn, 180, 22:11.

## Collinsville players ineligible

On Sept. 12, 2006, the UIL State Executive Committee DENIED the appeal from Collinsville ISD and the parents of two students who were ruled ineligible for transferring to Collinsville ISD from Pilot Point ISD for athletic purposes.

According to a story in the Aug. 25 Pilot Point Post Signal, the District Committee, composed of the District's superintendents, unanimously ruled that Colton Vest and Mitch Lawdermilk transferred to Collinsville for athletic purposes, a violation of University Interscholastic League rules. The two students transferred in October 2005.

The Signal stated that Pilot Point ISD officials signed a five page letter to Jason Ceyanes, chairman of the District Committee, detailing events concerning PPISD students and staff that have transpired since June 23, 2005, when former Pilot Point coach Danny David was hired as Collinsville's athletic director.

The District 11-A Executive Committee originally ruled that both students would be ineligible for three years in addition to the one year of ineligibility by UIL rule for not living in the district (four years total). The State Executive Committee did reduce the ineligibility for both rules to a total of two years for one student and three years for the other student, including the one year of ineligibility for residency.

"I was very pleased that the State Executive Committee supported the decision of the District Executive Committee that these

students moved for athletic purposes," commented Chairman Ceyanes. "Now, hopefully all of the superintendents in our district can focus more on our students and our educational programs."

## JV Tigers take 18-12 win over Pirates

The JV Tigers brought home a come-from-behind 18-12 victory from Collinsville last Thursday.

Sacred Heart took the opening kick, but fumbled away on the third play of the game. The Pirates then covered 30 yards in seven plays to take a 6-0 lead.

Starting on their 16 yard line, Ryan Bartush carried the ball to the 43 in three runs. A Nathan Berend pass to Sam Sparkman gained 8, but the Tigers punted on downs. The Pirates moved the ball into the 2nd quarter, then punted. Sparkman returned the ball to the Pirate 29. Bartush and Berend each ran two to the 15. Bartush then found paydirt to tie the game 6-6.

The Pirates fought back, taking seven plays to travel 67 yards for a 12-6 score. Both

teams got in three runs before the halftime break.

Tackles by Mitch Hesse and Gene Yosten forced Collinsville to punt away the first attempted drive in the 3rd quarter. The teams exchanged snaps, with Collinsville taking the ball into the final period and punting. The Tigers immediately fumbled, then allowed the Pirates to get inside the 20, but a fumbled ball was recovered by Kyle Knabe on the Tiger 15 yard line.

A major penalty gave the Tigers 15 yards. A Berend to Sparkman pass put Sacred Heart on the Pirate 42. The next play, Berend ran the ball in for 6 points to tie the game 12-12 with four minutes remaining in the game.

The Pirates got in a few good runs then ran out of downs. From the Tiger 24, Bartush found the hole and raced 76 yards to give the Cubs an 18-12 lead with 1:45 remaining in the game.

The Pirates fumbled the ball on 1st down and Mitch Hesse recovered for the Tigers. Sacred Heart took a knee, but left 19 seconds on the clock. The Pirates' last attempted play was a quarterback sack by Nathan Berend.

## Just a Thought

Do more than listen, understand.

We are shaped and fashioned by what we love.

Life is like an onion - you peel off one layer at a time, and sometimes you weep.

## Watch next week for Lindsay Cross County results.

## Lady Knights fall to Farmersville

"We need more game experience," commented Coach Don Neu on Lindsay's volleyball loss to Farmersville Tuesday night. "We look very good at times and then our lack of experience comes out." The Varsity Lady Knights lost the match 13-25, 11-25, 16-25. "We are getting better and will continue to get better because these girls are winners and they will continue to work."

The junior varsity teams also came up short against Farmersville 18-25, 21-25. "Communication is still a thorn in the team's side," said Coach Robin Hess.

# A very busy weekend ....

## Rain Dance

Muenster's first Rain Dance may not have produced any rain, but it did raise funds for the replanting of trees around Muenster Lake. The Keep Muenster Beautiful event was held last Saturday in the City Park. Courtesy photos

# ARCHERY SHOOTOUT

Three year old Benjamin Virgil Samford was the youngest competitor at last weekend's Archery Shootout. He is the son of C.A. and Connie Lutkenhaus Samford of Denton.

Also taking part in the shootout are Garrett Dangelmayr (at left), Glenn Voth (above), and Jeremy Lutkenhaus (below) using the traditional bow and arrow. Watch for results and more pictures next week. Janie Hartman photos

## Myra VFD BBQ Smokeout

People flocked to the Myra VFD fire station (at right) Saturday evening to enjoy the annual BBQ Cookout. Doug Martin (above) provided music. Janie Hartman photo.

## Rain Dance raises \$\$\$ for Lake project

Saturday evening, Sept. 9, proved to be a wonderful night for all who attended the "Rain Dance" at Muenster's City Park.

The opening band "Only In Tennesse" began the festivities at 7:30 and played a multitude of popular songs. The crowd of 200 plus people opened their lawn chairs and spread out their blankets while enjoying food, drink, and local talent.

Second on stage was "Willie Kickit" who played to a warmed up crowd ready to dance and have a good time. Donations toward the Muenster Lake Park Project

were steady throughout the night.

The prizes, donors, and winners of the raffle were as follows: \$100 cash, anonymous, Casey Bewley; Two Collectors' Edition Silver Dollar Coins, Muenster State Bank, Jake Bayer and Gehrig Hardware; Two oil filter changes, Klement Ford, Kristen Miller and Janie Hennigan; Decorative whirling sprinkler, Gehrig Hardware, Hoss Knabe; Heavy duty booster cable, Hennigan Auto Parts, Ken McColley; Hand-made quilt, Sue Fisher, Willie Fisher.

## United States Agriculture 1920

from the 1921 - 1922 USDA yearbooks

"The American Farmer is a philosopher, as every man must be who works with nature and is subject to nature's varying moods. And he feels responsibility to feed the people. If the farmers of America should cease work for a single crop season, millions upon millions of people would suffer for food.

They have never ceased to work, no matter what the trials and hardships."

Secretary of Agriculture report to the President, Nov. 1921

Percentage of the National income received by various industries, 10 year average, 1909-1918: commercial, clerical, banking, and professional - 40%;

manufacturing and hand trades - 30%; agriculture - 17.4%; transportation - 9.4%; mining - 3.2%.

Forty percent of all Americans live outside incorporated places, mostly on farms. A little over 50% live in cities of over 2500 and 8.5% in incorporated villages

under 2500.

The four years, 1916-1919, inclusive, were prosperous for farmers in general. Prices were relatively high and thrifty farmers got money ahead. The drop in prices for crops in 1920 caused many the loss of everything they had.

Over half (53.1%) of the agricultural department funds are spent for service and regulatory work of the government rather than for the direct development of agriculture.

In 1920, agencies with USDA extension work included: 2425 engaged in county agent work; 950 in home demonstration; and 305 in boys and girls clubs. Also 1,260 Farmers Bulletins, 1,037 technical and scientific bulletins, and approximately 17,000 publications were issued.

1921 - New federal highway act: Each state must have a properly organized and equipped state highway department, and is required to designate a system of highways not to exceed 7% of the total highway mileage of such state.

The number of employees in the USDA on June 30, 1921 was 18,748.

Annual wheat production countries, 20 year period 1895-1915: United States - 641 million bushels; Russia - 593 million; India - 283 million; Argentina - 113 million; Canada - 112 million; and Australia 63 million bushels.

A tabulation of cattle and calf receipts at public markets for five years shows that October is, on the average, the month of heaviest marketing, November second, and September third. As a rule, February is the lightest month. October averaged 2,709,148 head while February averaged 1,357,549.

A history of agriculture - from the Muenster Historical Commission

## AG BRIEFS

Last year 474 animals died of BSE, compared to 878 in '04 and 1,646 in '03.

78% of Americans say food dropped on the floor is not safe to eat. 10% follow the 3-second rule, with 4% allowing 10 seconds to pick up.

25% of the chicken eaten in the U.S. is done in fast food restaurants.

86% of Americans drink at least one caffeine beverage every day. 7% drink six or more.

In an experiment using pressure and heat, a group of researchers successfully extracted an aromatic ingredient of vanilla from cattle manure that can be used as a fragrance for shampoo and candles.

Caked-on, baked-on food on your grill does not add to the taste of the meat. It's a health hazard and makes food stick. 55% of Americans clean the grill after every use; 10% clean it if company is coming, and 4% never bother to clean the grill at all.

Hawaii's top five ag/commodities are pineapples, greenhouse, sugarcane, macadamia nuts, and coffee.

The top five ag career choices for FFA members are: veterinarian, farmer/rancher, welder, ag teacher, and ag mechanic.

A new web site, www.BestFoodNation.com, offers the facts about the U.S. food supply. It tells which foods are among the safest, the most affordable, and the most abundant in the world. It separates fact from fiction.

Illinois State University is proposing the nation's first degree program in renewable energy. Training includes wind and solar energy as well as production of liquid and solid fuels from biomass.

Research shows that unless more young people choose food-animal veterinary medicine as a career, demand will outstrip supply by 4 to 5% per year until 2016.

## COUNTY AGENT'S REPORT

WAYNE BECKER  
CEA - AG/NR

### Field Crickets

Cricket outbreaks are one of the most predictable pest events of the year in most areas of Texas. Late summer and fall are when adult crickets become especially abundant around homes and commercial buildings.

Field cricket eggs are laid in the fall, approximately two weeks after females mature and develop wings. Firm, bare soil sites are preferred for egg-laying. A single female cricket may lay from 150-400 eggs. Eggs remain in the soil throughout the winter and hatch the following spring.

Cricket nymphs can be identified by the incomplete development of the wings. Immature crickets require approximately three months to complete their development and become adults. Once the cricket reaches the adult stage it is capable of flight and mating. Cricket outbreaks occur when large numbers of nymphs complete their development and embark on nighttime mating flights.

The largest cricket outbreaks seem to occur during years of dry springs and summers. The reason for cricket outbreaks under such conditions is not fully understood; however, less fungal disease among eggs and cricket nymphs may provide a partial explanation. Although crickets can be locally abundant in any year, numbers appear to be highest in August and September when a summer drought is broken by rainfall and cooler weather. Field crickets are primarily outdoor insects, and as such are only accidental indoor invaders. Nevertheless, they can become a considerable household nuisance when abundant.

Indoors, crickets may damage clothing, drapes, or wall coverings by their feeding activities or by staining with their feces or regurgitations. Although crickets do not normally feed on fabrics, soiled clothing or clothes stained with perspiration may be damaged by crickets. During severe outbreaks, crickets can create an aesthetically unacceptable situation around places of business. Dead crickets quickly pile up, causing odors; and many people are repelled by the sight of large numbers of crickets on walls and sidewalks around offices and stores.

Outdoor lighting is the most important single cause of severe cricket infestations around homes and commercial buildings. Buildings that are brightly lit at night are most likely to

attract the largest numbers of crickets during the fall mating season. Reducing outdoor lights is the first, and most important, step in a cricket control program.

Outdoor lights should be turned off as early in the evening as practical, or should be replaced with lamps that are less attractive to insects. Low-pressure sodium vapor, lamps and yellow incandescent "bug lights" are less attractive to crickets than standard incandescent, fluorescent, mercury vapor or halogen lights. Floodlights that illuminate homes or buildings, and which are not necessary for security purposes, should be turned off, or the lighting schedule should be restricted to a few hours each night.

All potential points of entry for crickets should be caulked or sealed. Such sites include weep holes, soffits along the eaves of homes, windows, garage doors, etc. Crickets are especially likely to enter cracks and openings around outdoor lights, so check these areas carefully. Steel or brass wool may be stuffed in weep holes as temporary insect barriers, while allowing continued air circulation.

Crickets around building perimeters can be killed with any of several insecticidal baits and sprays. Baits are granular products that include a food that is tasty for crickets. They should be applied to ground covers and other areas where crickets are congregating next to buildings.

Liquid insecticide sprays may be applied to outdoor sites around weep holes, doorways, windows, and other cricket entryways. Indoor sprays are not very effective for field crickets and are not recommended.

Cricket control with insecticides should be considered as only a partial

solution to cricket problems. Insecticides should be used in combination with reductions in outdoor lighting for best control. When crickets are drawn to lighted buildings at night, they will continue to cause problems, regardless of the amounts of insecticides used. The heaviest cricket mating flights usually last only one to two weeks, although crickets will continue to remain active for many weeks, until cold weather arrives.

### Planting Wild Flowers

In the southern and western portions of the United States, the autumn months of September through December are most favorable to plant your wildflowers. These seeds will remain dormant in the soil until early spring and will begin to emerge under more favorable conditions.

It is not recommended to fertilize your wildflowers unless the area is depleted of nutrients. Fertilization of wildflowers will encourage the growth of unwanted weeds and/or produce lush foliage and very few blooms. If you must amend the soil, use a conservative amount of fertilizer at the time of planting.

NOTE: There are risks in sowing exotic garden varieties and "domesticated" species in the fall. Freeze damage may kill these varieties if unseasonably cold temperatures persist for long periods of time.
