There was an air of satisfaction after the MVFD's annual Barbecue and Auction. All the hard work it takes to put on the event seemed well worthwhile after the totals were tallied. Muenster VFD Chief Herbie Knabe anticipated earning enough money to not have to take out a loan to help pay for the new fire truck which is in the process of being built for the Department. More than 900 plates were served - a number that was down slightly. The Auction, he said, did about 10% better than the prior year. It was pleasant weather to spend an evening visiting in the shady City Park. Besides delicious food, there was free swimming in the City pool. Knabe stressed that they could not have been so successful without all the people who came out and supported them. He said that they have applied for grant money to help pay for the truck, but so far have not received any. Janet Felderhoff photo

The Muenster Hornet Varsity Football team decided to play the 2009 season in memory of former MHS athlete Zach Swirczynski. Zach died last February, but continues to influence the Muenster Athletic department in many ways. His unending pride, prominent leadership, and devoted loyalty still linger in the minds of Hornet athletes. Zach's accomplishments were achieved with the best of character and the sincerest of modesty. Both on and off the field, Zach was a positive role model to students throughout the campus, always acting with class and faith. The 2009-10 senior class recognizes this more than anybody, as they began their high school career with Zach as their leader. As captain of his senior football and basketball teams, Zach gave to them his perseverance, poise, and integrity, qualities that they will hold forever. This season they wore his number, 45, on their helmets, and so with him in their hearts, they are dedicated this season to Zach Swirczynski. Janie Hartman photo
