

Muleshoe CofC Banquet Here Thursday

around muleshoe

Texas Tech University Agronomy Club hosted its 51st annual banquet last weekend at the Holiday Inn Civic Center, with Rep. Pete Laney as guest speaker.

Matt Sowder, immediate past secretary, is incoming president for the Tech club and also incoming president for the Texas Chapter of the American Society of Agronomy.

On Tuesday, April 24, the Jennyslippers will meet for a 'brown bag' luncheon at the Girl Scout Little House on West Second St.

The noon meeting has been changed from the Muleshoe Library because of the upcoming book sale.

Educator of the Week at Watson Junior High School is Jane Rudd, librarian.

Principal awards went to Josie Cortez, sixth grade; Fara Black, seventh grade and Ana Loewen, eighth grade.

Muleshoe High School's annual athletic banquet is scheduled for Tuesday, May 8 at the Muleshoe High School cafeteria.

Tickets are \$6.50 in advance and will be \$7.50 at the door. Athletes are asked to be at the cafeteria at 6:30 p.m.; parents at 7 p.m. and the program begins at 8 p.m.

It has been announced that the annual senior prom will be Saturday, May 12, 10 p.m.-2 a.m. at the Bailey County Civic Center.

Tickets are \$10 each or \$20 per couple and are available at Leal's, Trophies and More and Main Street Beauty Shop.

HECE, DECA Students Fete Parents, Employers

Magic Is In The Air was the theme for the annual DECA-HECE Banquet Tuesday night.

DECA and HECE students, along with their school advisors, honored their employers and parents at the Mexican buffet held at the Civic Center.

Nick Black and his Magic Show were introduced by Stacy Stroud after LaTavia Copley pronounced the invocation.

Leticia Garcia gave the welcome and Raymond Martinez recognized special guests, including MHS Principal Dr. David and Mrs. Weyer; and Assistant MHS Principal Gene and Mrs. McCain. Also introduced were parents and employers.

Tessa Akens recognized members of the Advisory board, including, Dorothy Hanes, Ray Day, Maxine Donaldson, Ed Cox, Rob Donaldson and Jeanine Gunstream.

Letty Barron, for DECA and Brenda Mudford for HECE, were presented the 1989-90 scholarships by Dorothy Hanes.

DECA advisor Lela Pylant presented the Outstanding DECA award to Leticia Garcia, while Raymond Martinez was given the Outstanding Marketing Education award.

A press conference was conducted Saturday at the Civic Center. (Journal Photo)

Five Retiring School Employees Receive Plaque At TSTA Banquet

With dinner music in the background, the Muleshoe Texas State Teachers Association (TSTA) and special guests enjoyed a dinner of baked ham, salads, and strawberry shortcake Thursday evening at the Old Depot.

Jo Jinks, outgoing TSTA president, welcomed the guests and introduced retired teachers Mable Wolfe, Jean Moore, Letha Patterson, Pauline Guinn, Ethel Allison and Wilma Smith.

Other guests recognized were school board members, Max King and Edwin Cox, along with his wife, Carol; and news media representatives, Jack and Magann Rennels, Channel 6; and

Cleta Williams, of *The Journals*.

Norma Jo Prather had the pleasure of presenting retirement plaques to five retiring school teachers and other personnel. The five had a cumulative total of 174 years in the teaching profession.

MAHD Okays Medical Staff For Hospital

Wednesday night, the board of directors of the Muleshoe Area Hospital District met to discuss the current condition of the Muleshoe Area Medical Center and the Muleshoe Area Health Care Center.

Following the hospital and nursing home financial reports, the following statistics were discussed for Muleshoe Area Medical Center:

During the month of March, 56 patients were admitted to the hospital, bringing the total for the year to 468.

These patients spent 196 patient days, bringing the total of patient days for the year to 1541.

During March, five babies were born at Muleshoe Area Medical Center and one surgical patient was admitted to the hospital.

The admissions bring the percentage of occupancy at the hospital during March to 20.4 percent.

At the same time, there were 130 emergency room visits at the hospital, for a total to date for the year of 840.

Radiology had 119 patients in March and Physical Therapy, 78. Respiratory had six and there were 28 (Medicare) observations.

Occupancy of the hospital for March, 1989 was 11 percent, which has nearly doubled during this year.

Board members approved a new check-signing system and approved Administrator Richard Murphy to obtain information prior to advertising for bids to repair the air conditioning system at the hospital.

A lengthy discussion was held on Physician Recruitment, and it was reported that at this time at least three surgeons are indicating an interest in relocating to Muleshoe. One surgeon will be in Muleshoe in the near future to meet with hospital officials and board members.

Local Library To Participate In Library Week

Anne Camp, librarian for the Muleshoe Area Public Library said **NATIONAL LIBRARY WEEK** is April 22-28, and the Library will celebrate with posters, bookmarkers, and balloons for children with the theme, *Make Friends With Books*.

Mrs. Camp added, "We hope to have some displays from the Junior High School History Fair, and we would like to cordially invite everyone to visit the library during this week."

"This is a special week in which we seek to inform the public of our many services to the community, and show our appreciation to friends and volunteers who help the library throughout the year."

Highlight of the week will be to name and honor the 1990 Library Family of the Year. This will be conducted Friday afternoon at 5 p.m. At this time, the library will also have appreciation certificates for several groups who have given their time the past year to the library in various ways.

The annual Big Book Sale, sponsored by the Muleshoe Study Club, will be held on Friday from 10 a.m.-6 p.m. and on Saturday from 9 a.m.-2 p.m. with a lot of books of all kinds, at low, low prices. There is something for everyone promised in the book sale.

In conjunction with the used book sale, there will be excellent encyclopedias for bidding. You are invited to go to the library at anytime during this week and bid on the encyclopedias.

In conclusion, Mrs. Camp, added, "If you have used books you would like to donate to the library for the book sale, please bring them to the back door. All your donations will be appreciated."

Extension Service Sets TAES Planning Meeting

As many as 50 leading citizens of Bailey County will gather April 30 to help identify critical issues facing the county over the next four years.

The purpose of the meeting, one of many being conducted in counties around the state this spring, is to assist in the development of educational programs by the Texas Agricultural Extension Service that are responsive to local needs.

"Local people usually have the best ideas on how to solve local problems," said Spencer Tanksley, County Extension Agent. "The Extension Service wants to tap into that collective wisdom and structure its programs in ways that make them relevant and effective."

In Bailey County, the meeting is scheduled for 7:30 p.m., April 30, in the Bailey County Civic Center. The Bailey County Extension Program Council is sponsoring this event and Lyndon Huckaby is chairman of the local executive board.

To begin the meeting, the study group will hear status reports on the economic, environmental and social conditions in the county. The group will then divide into task forces to identify the most critical issues facing the county in the broad fields of agriculture, community development, youth and home economics.

The work of the study group is one of the first major steps in an

Chamber of Commerce and Agriculture will hold their banquet in two locations next Thursday, April 26.

Tickets are now on sale at the CofC office, or from any board member for the banquet which will be held at the Muleshoe High School Cafeteria and the Muleshoe High School auditorium.

Tickets are \$10 in advance and will be \$12 at the door. With each two tickets purchased by a CofC member, one free commemorative Muleshoe belt buckle will be given, with each merchant or businessman restricted to only one buckle.

Blue Goose Catering will serve the buffet style dinner. Acting as Master of Ceremonies will be Max King, with Robert Lepard giving the invocation and George Nieman the benediction.

Muleshoe Mayor Darrell Turner will give the welcome and introduce special guests prior to the group moving the activities to the auditorium.

In the auditorium, Robert Montgomery will give past president's remarks and Mayor Turner will present the 1990 board of directors and administer the oath of office.

Preceding the awards, incoming president Lonnie Adrian will make a few remarks.

Ernest Ramm will present the award to the Conservation Farmer of the Year; Cliff Black will recognize the Farm Family of the Year and John Stevens will honor the MAC and Jennyslipper Merchant of the Year.

Ray Day will award the Employee of the Year and Merlyn Neel will honor the Man of the Year. Woman of the Year will be recognized by Inez Bobo and Robert Montgomery will present a Special Award.

To conclude the evening, Mary Marxen will entertain the group with her unique style of combining both message and

Student Transfers At 3-Way School Due By April 30

Three Way ISD Superintendent Don Parker said students wishing to transfer into the Three Way Independent School District for the 1990-91 school year must complete a request for transfer by April 30, 1990. All transfer requests will be sent to the Texas Education Agency for approval.

He said anyone having questions or wishing to complete a request for transfer may contact the Superintendent's office at the school no later than 4 p.m. on April 30.

MULESHOE ROADRIDERS MAKE DONATION--Friday morning, representatives of the Muleshoe Roadriders made a contribution to the Meals on Wheels program. Pictured from left are Rhonda Carpenter, secretary; Glen Williams, Meals on Wheels president; and Jenny McDaniel, Muleshoe Roadrider president. In the foreground is four year old Tabatha Obenhaus, who accompanied her grandmother, Jenny McDaniel to the presentation. (Journal Photo)

School Dismissal

Will Be Early

Next Tuesday

Muleshoe Independent School District will dismiss school early on Tuesday, April 24, in order for parents to pick up student report cards. Buses will leave the elementary schools at 1:20 p.m. and depart from the high school parking lot at 1:45 p.m.

Report cards may be picked up from the MISD teachers as per the following schedule:

Parents of students in *Dillman Elementary* may pick up their report cards between 1:30 and 4 p.m. on an arranged schedule.

Parents of students in *DeShazo Elementary* may pick up their report cards any time between 4 and 6 p.m.

Parents of students in *Watson Junior High* and *Muleshoe High School* may pick up their report cards from the student's home room teacher between 5 and 7 p.m.

Although both high school and junior high report cards are picked up in the home room class, parents are urged to visit with any teacher they wish to meet.

MISD said they want you to remember -- your child is our most precious success story; our only success story. MISD also says, "We succeed only when your child succeeds. Help us insure that your child is always a success."

Report cards not picked up at the appropriate times will be mailed to the parent's home address on Friday, April 27.

YOUNG MODEL--Terri Smith and daughter were among those modeling in a fashion show for the nursing home recently. The young lady's dress can be found at Latrell's. (Journal Photo)

Most people are limited by their inability to appreciate others.

The younger generation today is no sillier than you were at that age.

We suspect sentiment for tax reduction reached an all-time high this month.

Unpleasant as it usually is, people must be pushed if they are to work hard.

Lazbuddie Youth Participate In President's YES Program

Lazbuddie sophomores, Stacey Barber and Clint Farris, were chosen to participate in President Bush's Y.E.S. Program (Youth Engaged in Service to America). The students were selected for the honor based on their leadership abilities. They attended the Amarillo Area Y.E.S. Chapter's Public Leadership Forum held on March 9 and 10 at the Amarillo College.

The forum was established to answer President Bush's nation-

wide call for America's young people to get involved in community service. The Public Leadership Forum is a statewide organization offering young people the opportunity to learn leadership skills such as goal-setting and communication.

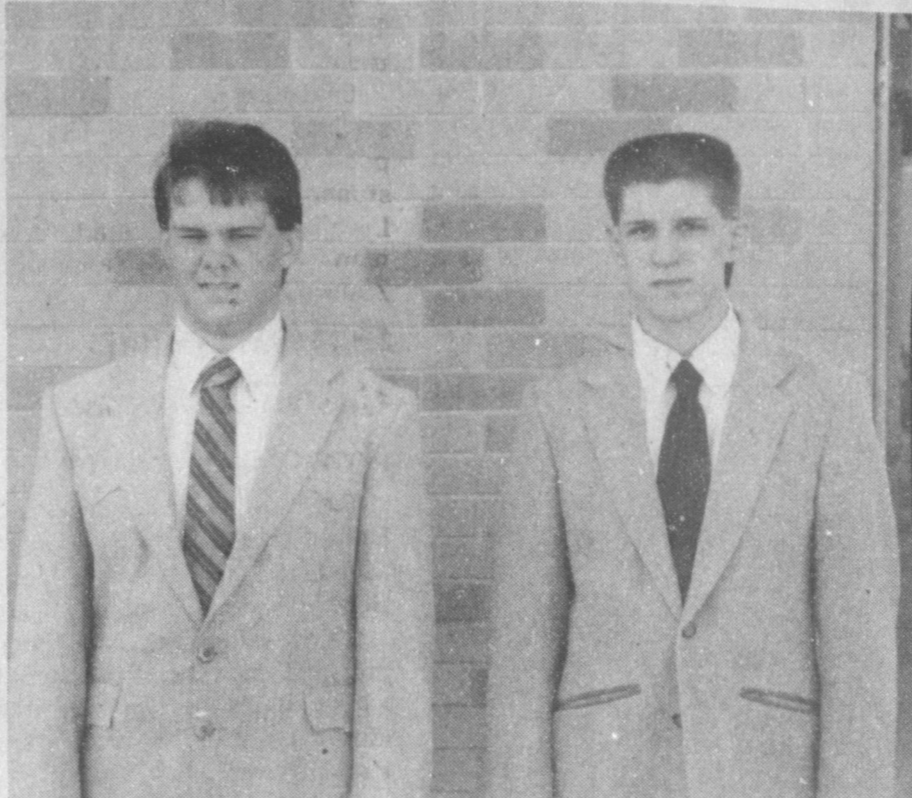

Barber and Farris were appointed to a select group of one hundred high school and college students from Amarillo area who demonstrate leadership potential to attend the conference. At-

tendees discussed community services that affect our local Panhandle communities and learned skills for affecting positive change.

Stacey is the son of Jerry and LaReta Barber. He is active in academic U.I.L. events, sports, and band. He is a member of the Student Council and the National Honor Society. Stacey is enrolled

in honors classes at Lazbuddie.

Clint is the son of Guy and Anne Farris. He is active in academics, MYF, band, sports, and the Tri-State High School Rodeo Association. Clint is very involved in Boy Scouts of America. He has attained Life rank and is working on Eagle rank and is Senior Patrol Leader.

Hobby Club News

The Muleshoe Hobby Club met Thursday, April 19, with nine members and a guest, Karen Mason, present.

Members present included: Sammie Ethridge, Jane Williams, Mable Caldwell, Katherine Hancock, Glenda Morris, Blanche Aubrey, LaDemma Wright, Laura Mae Stancell and Hazel Reeder.

Ms. Caldwell drew the hostess gift which was a canister.

The hostess, Glenda Morris, served cookies and punch.

EXENCIONES DE RESIDENCIA

PUEDEN REDUCIR LOS IMPUESTOS QUE PAGA POR SU CASA

Una exencion de residencia le ayuda a reducir los impuestos sobre la propiedad que tiene que pagar por su residencia reduciendo el valor que se utiliza como base para calcular sus impuestos. Por ejemplo, si su casa esta valorada de \$50,000 y usted recibe una exencion de residencia de \$5,000, usted va a pagar impuestos de residencia como si su valor fuese de \$45,000.

Usted puede recibir una exencion de residencia si usted era el dueño de su casa el primero de enero y la usaba como su residencia principal en la misma fecha. No importa si su residencia es una casa, un condominio o una casa remodelada.

Hay exenciones que cualquier persona que es dueño(a) de su residencia puede usar para rebajar sus impuestos escolares. Exenciones adicionales se ofrecen a duenos de residencia que estan incapacitados o tienen 65 años o mas. Otras exenciones pueden ofrecerse a propietarios por distritos escolares, condados, ciudades y distritos escolares.

Solicite todas las exenciones que usted puede recibir en la oficina local del distrito de valoracion en la direccion que se cita abajo.

Si usted recibio una exencion para su residencia actual en 1989, usted no necesita solicitarla para 1990 a menos que el jefe de valoracion pida que haga una nueva solicitud.

Sin embargo, si usted cumplio 65 años o quedo incapacitado antes del primero de enero haga una nueva solicitud para recibir exenciones adicionales.

Si usted no ha recibido una exencion para su residencia actual o si se cambio de casa haga una nueva solicitud para 1990.

Usted tiene que hacer su solicitud antes del 1 de mayo de 1990. Comuniquese con su distrito de valoracion antes de esa fecha si necesita mas tiempo para hacerla.

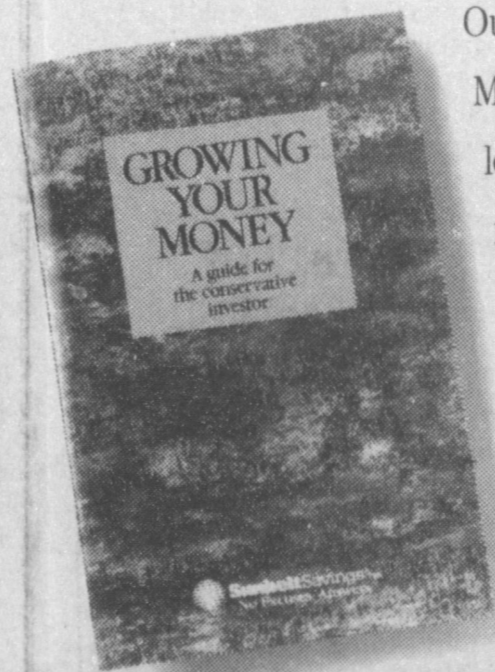

Para tener mas informacion usted puede recibir una copia gratis del folleto *Los Derechos, Remedios y Responsabilidades del Contribuyente de Impuestos* en la oficina del distrito de valoracion o puede pedirla del Consejo Estatal de Impuestos sobre la Propiedad (State Property Tax Board) en Austin.

Industrial Tech Students Qualify For State

Five Lazbuddie Junior high and high school students have qualified for State competition in several areas of industrial technology. Instructor, Mark Scisson, took eight students to the TSA area competition in Levelland and had five students perform well enough to advance to the State level.

Eddie Zamora qualified for state in Production System Exam, Computer Application Exam, and Computer-Aided Drafting.

Filemon Guzman qualified for state in Computer Application Exam, and Computer-Aided Drafting.

Paul Williams qualified for state in Technology Systems Exam and Graphics Solution.

Troy McBroom and Jarah Redwine qualified for state in Problem Solving, Introductory Technology II Exam, and Graphics.

This is the first year that Lazbuddie students have been able to compete in this competition. Although Scisson has had other students that he believes could have done well, Lazbuddie has only become affiliated with TSA this year, allowing its students to attend the contest.

Texas Technology Student Association (TSA) is a youth organization of, by, and for students enrolled in industrial technology education. It is

Boy Scouts

Spend Weekend At Camp Post

Boy Scouts from Cub Scout Pack 620 are camping this weekend at Camp Post. Each boy was accompanied by his dad or other adult sponsor.

All Scouts attending paid a \$12.00 fee, which included all meals on Saturday and a breakfast on Sunday.

A Sunday morning devotional was held Sunday morning for all boys who wished to stay.

Their Friday schedule included: 4:30 p.m. --- Meet at the 16th and D Church of Christ

5 p.m.---Leave as a group at 5 sharp

6 p.m. Supper at MacDonald's on 19th St. in Lubbock (each person was asked to take his own money for supper. The group left MacDonald's at 6:30 and arrived at Camp Post at 7:30 and everyone helped set up camp. Bed time was 9:30 p.m.

Saturday morning's schedule looked a little like this: 6:30 a.m. Rise and Shine!

7:30 Breakfast
8:30 Registration and then the fun began!

12 noon 1 p.m. lunch time
The group had supper at 5:30 and a campfire at 8:30.

Those who wished to return to Muleshoe on Saturday evening arrived home around 11:30 or 12. Those remaining over Saturday night arrived home around 2 to 2:30 Sunday afternoon.

sponsored by the Texas Education Agency. The purpose of TSA is to promote leadership and citizenship development while helping to assist students in making informed and meaningful career choices. The organization's activities are considered to be an integral part of the total industrial tech program.

For Lazbuddie to have so many students qualify for State in so many areas of competition this first year is an accomplishment that Lazbuddie ISD is very proud of. The school has promoted the industrial technology program with the most modern, up-to-date equipment and an instructor that is very knowledgeable and excited about the changes in the program. Mark Scisson has been willing to update his studies in the industrial technology program, which he believes will be a

vital part of a total education in America's schools.

In recent years, several schools have dropped industrial tech, or "woodworking", from their curriculums. However, Scisson believes that most Texas schools will be required to reinstate the program in the coming years. He said that the program has adapted to our technological society, and that the skills taught will be basic required knowledge for many jobs.

Lazbuddie is one of very few area schools still offering industrial technology courses. The school's facility and equipment allow students to choose from a variety of areas of study. Scisson said that most students are interested in computer applications in industrial technology. Lazbuddie ISD offers courses that begin in junior high and

continue through high school. A recent visiting representative from Amarillo's TSTI stated that several of Lazbuddie's courses will satisfy college requirements.

Scisson praised his students for their performance at Levelland. In the competition, each student was required to complete a test on a computer while judges looked on. The Lazbuddie students individually qualified for state in at least two areas each. This is an unusual accomplishment.

Lazbuddie will be taking students to TSA's project competition later this year. Other students who showed well at Levelland were Leland Brockman, Matt Cozby and Mario Zamora.

Bertha Vereen Hosts Methodist Women Meeting

The Morning Group of the United Methodist Women met Monday, April 2 at the church. Bertha Vereen served as hostess.

Rhoda Minyard, chairman, presided and opened the meeting with suggestions for improving life and quoted a prayer from Pauls Writing.

Margaret Smith gave lesson number five from the Book of Psalms, covering the Communal Thanksgiving Psalms. She closed by reading the 136 Psalms and members joining in unison on the last lines of each verse.

During the business, a letter was read reminding the members about the up-coming TRI-District Retreat to be held in Cota Canyon on April 20 and 21.

A petition against Madlyn O'Hair's latest drive against Christian Movements that is practiced was sent around.

Everyone was reminded about the Anchor Brothers program for Sunday evening, April 8.

The meeting closed by repeating the refrain from the 136th Psalm.

Others present were: Nell Lane, Ginia Nichols, Caroline Hawthorne, Hazel Gaston, Thelma May, Ann Black, Dew Rogers and Mary Olds.

ADVANCE TO STATE--Eddie Zamora, Filemon Guzman, Paul Williams, Jarah Redwine and Troy McBroom, Lazbuddie students, recently competed in the TSA area industrial competition and will advance to state. (Guest Photo)

Country Club Report

The Muleshoe Women's Country Club Association met Wednesday, April 18th for their monthly meeting and luncheon.

Cookie Bamert presided at the business meeting and each committee chairman made a report.

Charlotte Field, tournament member, reported that last month's scramble had 12 teams participating.

Analita Haley, Hi-Plains chairman, reported that Muleshoe won three points playing golf at Dimmitt's meet. Helen Templeton won low gross and low putts in the second flight. Analita won low net in the first flight.

Claudine Elliott, play-day chairman, announced that the

Naomi-Marie tournament will be held May 16th, the day of the next meeting. It will be a handicap tournament and \$5 will be the entry fee. All ladies who are members of the Country Club are invited to enter.

She then presented golf balls to the winners of the golf. Analita Haley and Jeanetta Precure won most bogies on March 28th. For the most pars April 9th the awards were given to Claudine Elliott, Lynn Campbell, Jeanetta Precure and Marlene St. Clair.

Genise Atkins won the raffle. Our birthday ladies for April were Evelyn Riley, Yolonda Bell, and Pamela Miller.

Those attending were: Charlotte Field, Evelyn Riley, Lynn Campbell, Analita Haley, Yolonda Bell, Jeanetta Precure, Dorothy St. Clair, Marlene St. Clair, Claudine Elliott, Helen Templeton, Mary Holt, Melzine Elliott, Cookie Bamert, Argilee Millen, Darlene Henry, Sherri Shipman, Careleen Hamilton, Neets Foster, Marilyn Young, Linda Elder and Genise Atkins.

No one played golf due to the weather, but the ladies enjoyed an afternoon of cards.

Children would be more religious if parents practiced religion more in everyday life.

New Arrivals

Ryan Scott Day

Tommy and Stephanie Day proudly announce the birth of their brother, Ryan Scott. The eight pound, one ounce boy was born to their parents, Ray and Kathy Day on Monday, April 16, 1990 at 8:33 p.m. in Methodist Hospital in Lubbock. The third child for the couple, he was twenty and three-fourths of an inch long.

Tommy Day is 12, and Stephanie, five.

Maternal grandmother is Ada Grubbs, Greenwood, Indiana and paternal grandmother is Nell Day, Odessa.

Jordyn Lyn Nelson

Baylie Nelson is proud to announce the arrival of her new sister, Jordyn Lyn. Jordyn was born on March 6 at 11:23 a.m. in St. Mary's Hospital in Lubbock.

The young lady weighed seven pounds and four ounces and was 20 and half inches long.

Their parents are Brent and Geyna Nelson.

Grandparents are Don and Donna McCarty and Bobby and Kay Nelson, all of Littlefield.

Great grandparents are Mr. and Mrs. Ernie Goertz and Mr. and Mrs. Alvis Tubbs, all of Littlefield, Mr. and Mrs. J.D. Smith of Sudan and Mr. and Mrs. Jim Nelson of Littlefield.

Great great grandparents are

Mrs. W.P. Neinst of Littlefield and Ollie Ratliff, also of Littlefield.

Efrain Rocha

Mr. and Mrs. Aviu Rocha of Friona are the proud parents of a son, Efrain, who was born at 10:44 a.m. Wednesday, April 18 in Muleshoe Area HealthCare Center.

Efrain weighed six pounds. He is the first child for the couple.

Grandparents are Reyes and Edilia Valdez of Friona and Efrain and Eustolia Rocha of Mexico.

Wisdom comes to individuals in broken doses and few human beings have much of it.

Speaking of surprises, have you ever occupied a chair that suddenly turned over backwards?

Sudan Womens Club News

On Thursday, March 29, the Sudan Women's Club met at Amherst Department Store. Artie Humphreys, owner, presented a program on spring fashions. She was assisted by Edith Humphreys.

Mrs. Humphreys showed the group a wide variety of new looks including spring/summer denim, knits and jewelery. She also demonstrated ways to update basic pieces of clothing with accessories.

Pam Maxwell, president, presided during the business meeting.

Plans Spring

Home Tour

Xi Omicron Xi has finalized plans for the 1990 Spring Home Tour. The tour will be held Sunday, May 20, beginning at 1 p.m. Featured homes include: Mr. and Mrs. C.L. Myers, Mr. and Mrs. Charles Lewis, Mr. and Mrs. Tom Bonds and Mr. and Mrs. Terry Hutto. Tickets are \$4.00 each and can be purchased in advance or at the door. There will be a drawing held for a door prize.

Ten members of the sorority met in the home of Susan Wedel Tuesday, April 10 to finalize the plans for the tour. A business meeting was also held and plans made for the upcoming Founder's Day Banquet to be held Monday, April 23, at 7 p.m. at the Civic Center.

Members attending included Dawn Williams, Susan Wedel, Annette Bonds, Debi Hutto, Ginger Caldwell, Debbie Nickels, Cindy Barrett, Nancy Barrier, Jacque Boutell, and Barbara Mutschler.

p.m. The Girl Scouts have adopted this section just outside Muleshoe.

Plans are being made to plant trees in honor of Arbor Day.

Girl Scout Leader Appreciation Day is April 22 and we hope that everyone finds time to say thank you to these great ladies.

Our troop leaders include:

1. Mary Ann Ramirez, Troop Leader, Troop No. 300. They meet at Scout Hut Friday afternoon. Mary Ann's assistant is Linda Tosh. They have 15 girls which are first grade Brownies.

2. Cherie Maddox, Troop Leader, Troop No. 200 meets at Scout Hut Tuesday afternoons. Pam Hancock, assistant. They have eight girls which are second grade Brownies.

3. Arelia Morris, Troop Leader Troop No. 152. They meet at the Scout Hut Thursday afternoons. Terry Radford, assistant, they have five girls. These are Jr. Girls.

4. Cheryl Puckett, Troop Leader Troop No. 322. They meet at the Scout Hut Tuesdays, also.

5. Lela Villareal, Troop Leader, Troop No. 228. They meet on Mondays at the Scout Hut. Linda Tosh and Nancy Castorena, Assistants. They have 15 girls who are both Brownies and Juniors.

Officers of the Muleshoe Girl Scouts are:

Chairman, Mary Ann Ramirez; treasurer, Nelda Merriott; other leaders serve in other capacities. Sheryl Jones, Field Executive from Plainview comes over often to help with all areas of the Muleshoe Girl Scouts, helping us to remain leaders in this great organization serving our girls and the community well.

ENGAGEMENT ANNOUNCED--Mr. and Mrs. Frank Wuerlein of Muleshoe, Texas and Mr. and Mrs. Donald Riley of Chickasha, Oklahoma announce the engagement and approaching marriage of their children, Janna Lou and Darrell Wayne. Vows will be exchanged Saturday, July 7, 1990, 3:00 p.m. at the First Baptist Church, Muleshoe, Texas. Miss Wuerlein is a 1985 graduate of Muleshoe High School, a 1988 graduate of the University of Science and Arts of Oklahoma with a Bachelor's Degree in Deaf Education, and a 1989 certification in Elementary Education. She is employed as a teacher with the Hearing Impaired Department of Northwest Kansas Educational Service Center in Colby, Kansas. Riley is a 1982 graduate of Klein High School, Spring, Texas and attended North Harris Jr. College. He is a Telecommunications major at the University of Science and Arts of Oklahoma in Chickasha. They will make their home in Colby, Kansas. (Guest Photo)

Three Way News by: Mrs. H.W. Garvin

Mr. and Mrs. Jack Robinson from Lubbock spent the weekend with his son, the Jack Robinsons.

Mr. and Mrs. Bobby Autrey and children from Tahoka and Mr. and Mrs. Cliff Herirrich and children from Maple were dinner guests in the Bob Foley home.

All of the Church of Christ members from Maple had lunch at Buddy's in Morton Sunday.

The Kindle families all had Easter dinner in the Bob Foley home Sunday.

H.C. Toombs is spending the week fishing at Lake Kemp.

Mrs. Larry Flowers and children from Missouri and Mrs. Baxter Vaughn and children from Plainview spent the weekend with their parents, the Adolph Wittners.

Rebekah Lodge News

Novella Price, Louise Allen and Fern Davis gave the draping of the charter ceremony during the Tuesday night meeting of the Rebekah's. Ruby Green sang Sweet Hour of Prayer and Mildred Kendricks and Sandi Robinson placed the drape. The ceremony was in honor of W.D. Berkey.

After a salad supper Patsy Chance called the meeting to order. The American Flag was presented by Sandi Robinson escorted by Mildred Kindrecks. The Rebekah banner was presented by Ruby Garner. The opening prayer was given by Fern Davis assisted by Linda Tosh.

Roll call was given by June Green showing 18 members and two visitors present. The visitors were Susie Kustsinger, District Deputy President accompanied by Uesdle Jacobs of Hereford.

The minutes of the previous meeting were read and approved.

An application for membership was read and the interviewing committee was appointed.

Susie Kirtsinger, District Deputy President gave a short school of instructions. She asked each of the members to take items for prizes for Bingo in the retirement home. She also gave a preview of the upcoming schools.

With no further business, lodge was closed.

Before saying "never" remember "never" is a long time.

Soil Stewardship Week

Scheduled April 26-May 6

The Blackwater Valley Soil and Water Conservation District has announced they will join in the national observance of Soil and Water Stewardship Week to take place on April 29-May 6, 1990, according to an announcement by Carl Bamert, chairman of the district.

Theme of this year's observance is *Citizens of All Creation*. This focus is especially appropriate as our need for stewardship is vital if we are to maintain the productive capabilities of our basic natural resources of soil and water, said Bamert. He added, "Together we must work for the good of all to utilize, conserve and properly manage those resources in our care."

"Participation in Soil and Water Stewardship Week activities offers an opportunity to reflect on the nation's natural renewable resource problems and consider actions to resolve them or reduce their impact."

Blackwater Valley SWCD was organized in 1941 for the purpose of offering farmers, ranchers, and the local community a voluntary conservation technical assistance program through which individuals could seek and request conservation assistance to meet their individual land's capabilities and needs.

MAHD...

Cont. From Page 1

All members of the active medical staff at Muleshoe Area Medical Center were reappointed by the board during the evening.

Administrator Murphy reported on the status of the FmHA Loan process, and said FmHA representatives would be in Muleshoe on May 1 to meet with the board. He also reported on the computer system installed for the hospital business office about four months ago.

After conducting routine business, the board adjourned to an executive session, with no formal action resulting from the executive session.

"Basically it is the district's responsibility to provide technical assistance when requested relative to proper soil use and treatment, erosion control practices and assist farmers and ranchers with crop, range and pastureland management," added Bamert.

The National Association of Conservation Districts has sponsored Soil and Water Stewardship Week in the United States since 1955, in cooperation with the nation's nearly 3,000 soil and water conservation districts.

Informative material on the Soil and Water Stewardship Week theme each year is distributed through local conservation districts to clergymen.

CofC Banquet...

Cont. From Page 1

song. The Floridian uses a distinct style to get a positive message across to her audience.

Incoming directors are Leon Logsdon, Pat Young, Pat Langfitt and George Nieman.

The 1990 officers are Lonnie Adrian, president; Robert Leonard, vice president and Gene Atkins, treasurer. Holdover directors are Inez Bobo, Robert Montgomery, Merlyn Neel, Ray Day, Cliff Black and Jeri Wiedebush.

Retiring from the board are Ronald Ashford and Sandi Robinson.

The ambassadorettes and ambassadors are Holly Huckaby, Kimberly Harris, Anna Mendoza, Heather Hutton, Amy Harrison, Amy Montgomery, Dayna Hamilton, Christi Pena, Cary Skaggs and Guy Wiley.

Nancy Kidd is manager of the Muleshoe Chamber of Commerce and Agriculture.

The banquet is scheduled to begin at 7 p.m.

Most of the new books are an insult to your intelligence, but you will probably buy some.

IT'S A TOUGH JOB---Elizabeth Anodaca No. 11 of the Copley Trucking team finds out that playing basketball is tough job. Here Anodaca and Julie Slayden fight over the basketball in an effort to regain possession for their teams. Slayden is a member of the Atkins Insurance Little Dribblers team. (Journal Photo)

TSTA Banquet

Cont. From Page 1

resident of Levelland, Lawson has been a teacher with the Levelland School system for 20 years. He recently was named Citizen of the Year by the Levelland Chamber of Commerce.

Lawson updated the group on the Texas Legislator's attempt to provide equalized school funding, and reminded that TSTA serves all school employees, not just retired school employees.

He spoke about the Texas Retirement System and the fact that TRS should increase benefits for retired teachers.

According to Lawson, a goal of TSTA is to provide statewide health insurance for active teachers and to have district level decision making for teachers.

He reminded "Challenges in and out of the classroom will continue. We will continue to have strong team effort for retiring teachers."

Lucy Faye Smith installed incoming local TSTA officers and outlined their duties of office. New officers installed were Stephanie Barrett, president; Nan Johnson, first vice president; Amy Gilliland, second vice president; Virginia Bowers, secretary and Jane Rudd, treasurer.

Solos were provided by Twyla Gear and Cari Faver.

In making your future plans, don't count heavily on what you think other people will do for you.

FmHA Starting New Loan Program For Businesses

The Farmers Home Administration is extending its guaranteed loans to community program projects, thereby expanding its lending ability, FmHA State Director, Neal Sox Johnson, said Thursday.

Until now, all of FmHA's loans for water and sewer systems, fire station, health clinics and other community facilities, have been direct loans from the agency to the borrower.

"With the addition of guaranteed loans, we can now assist communities that are able to qualify for commercial loans with the support of an FmHA guarantee," Johnson said.

Under this program, FmHA guarantees a loan made by a bank, savings and loan, insurance company, Federal Land Bank or other qualified lender against a certain percentage of loss. Since the mid-1980's guarantees have become the major component of FmHA's farm loan program, accounting for more than 50 percent of all

farm loans. The 1990 fiscal year appropriations bill authorizes \$74.5 million in guaranteed loans for water and waste disposal loans and \$23.9 million for other community facilities on a national basis.

Prospective borrowers and lenders interested in the program should contact the Farmers Home Administration State Office at 101 South Main, Suite 102, Temple, Texas 76501 (817-774-1306).

BIBLE VERSE

"And this is the condemnation, that light is come unto the world, and men loved darkness rather than light, because their deeds were evil."

1. Where is this verse recorded?
2. Who spoke these words?
3. Unto whom?
4. Is the discourse found elsewhere in the Bible?

Answers:

1. John 3:19.
2. Jesus.
3. Nicodemus.
4. No.

Due to delay in repairs, we will not re-open Tuesday, April 24th.

We will give advance notice before we re-open.

Thank you for your patience.

Elra Oden, Sr Funeral Services Held Friday

Funeral services for Elra Clinton Oden, Sr., 75, of Morton were held at 2 p.m. Friday, April 20 in the First United Methodist Church at Morton with the Rev. Al Jennings, pastor, and the Rev. Mike Hanks, pastor of the First Assembly of God Church of Morton, officiating.

Burial was in Morton Memorial Cemetery under the direction of Ellis Funeral Home of Morton. Oden died at 5:32 p.m. Wednesday in the Methodist Hospital at Lubbock.

Born Aug. 31, 1914, in Paris County, TX, he had been a resident of Morton since 1927, moving there from the Big Four Community. He was a retired City Manager of Morton, a member of the Morton First United Methodist Church, 32nd Degree Mason, with the Morton Masonic Lodge and was a Pastmaster. He taught a youth Sunday school class for many years and started the first scout troop in Morton. He married Mildred Shields on Nov. 11, 1933, in Morton.

Survivors include his wife, Mildred; four sons, Elra Clinton Oden, Jr. of Grafton, Virginia, Dalton R. Oden of Ranson Canyon, Eddie Lee Oden of Phoenix, Ariz., and Elra Clinton Oden, III of Wylie; two brothers, Willie Oden of Phoenix, Arizona and Edmond Oden of Houston; nine grandchildren; and seven great grandchildren.

Corn Growers Approve Referendum

Texas corn producers have approved a statewide referendum to establish a half-cent per bushel checkoff to fund crop research and market development.

The referendum was conducted under guidelines of the Texas Commodity Referendum Law. The measure passed with 68 percent of those voting casting a "for" vote.

The checkoff has been in effect in a seven-county area of the Panhandle-South Plains area for 10 years. The Texas Corn Producers Board, made up of growers from the seven-county area, requested the statewide referendum after receiving numerous requests for research and other assistance from growers in other producing areas of Texas.

With the passage of the referendum, the board was expanded from nine to 15 members. Three previous board positions were up for election at the same time as the referendum. These posts, along with six other at-large positions, were also voted upon by producers casting ballots in the referendum.

The nine producers elected to the board included: Carl King of Dimmitt, Weldon Davis of Kress and Bert Williams of Farwell, all

of whom were members of the previous board; John Baker of Temple, Jimmy Barger of El Campo, Neal Burnett of Plain-

view, Gerald R. Donaldson of Boling, Jack Thompson of Hartley, and Robert Young of Dalhart.

LITTLE DRIBBLERS TOURNEY ACTION--Last Thursday night in the Muleshoe High School Gym the Damron Drug and Sudduth-Field teams took to the court in the Little Dribblers Post-Season Tournament. The games are to continue through May 1 with the Championship game being played on May 1. (Journal Photo)

Three Way News by: Mrs. H.W. Garvin

The Jack Lane family were in Littlefield Sunday visiting his parents, Jack's mother, Mrs. V.A. Lane, is a patient in a hospital.

H.C. Toombs furnished fish for a fish fry at Three Way Baptist Church after services Sunday evening.

Mrs. H.W. Garvin visited Mrs. Bill Dolle and Darla Friday afternoon.

Mr. and Mrs. Bud Huff helped his sister, Mr. and Mrs. Jack Stanley move Saturday from Lubbock to Enochs.

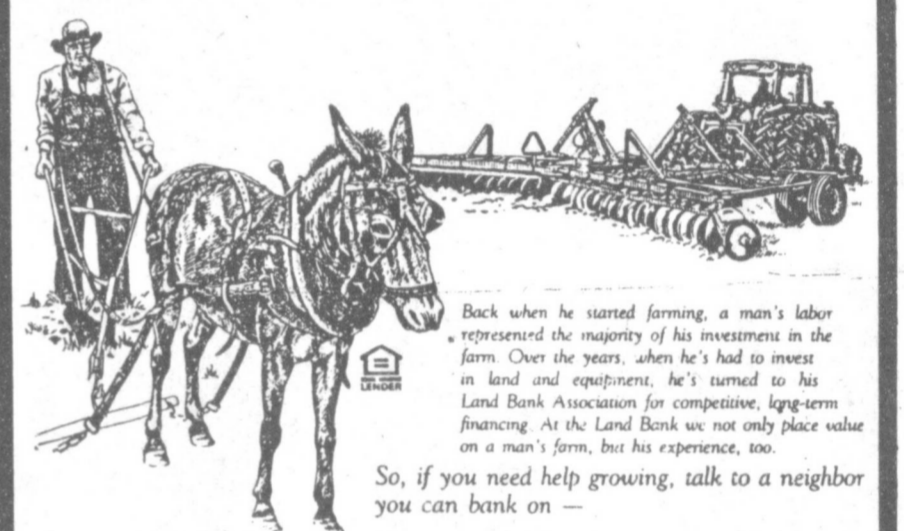

Mr. and Mrs. Jack Lane were in Lubbock Sunday on business.

LIMBERING UP FOR THE GAME--Preferring to practice in a 'secret' location, these air personalities from KMUL are getting ready for a Hawaiian Happening. They will play the MHS coaches in a benefit game for Mule Plex Production Co. on Tuesday, May 1. Pictured from left are Tom Crane, Eric Adams (partially obscured) Rosa (she's not playing, guys), Cadillac Jack and Reydon Stanford. Not pictured are R. G. Lee and Ad Godinez and a secret weapon. Admission will be \$2 for adults and \$1 for children under twelve years of age. (Journal Photo)

Experience — We consider it money in the bank.

A face lined by dry, hot summer days, harsh winter, and seven-day work weeks. But there is sparkle, too, remembering warm spring sun or gentle rains and acres of cotton.

Back when he started farming, a man's labor represented the majority of his investment in the farm. Over the years, when he's had to invest in land and equipment, he's turned to his Land Bank Association for competitive, long-term financing. At the Land Bank we not only place value on a man's farm, but his experience, too.

So, if you need help growing, talk to a neighbor you can bank on —

The man who gives advice to others rarely knows how to advise himself.

Tomato Production Local Garden Item

If you are still weary of those exorbitant tomato prices since the winter freeze, you may consider growing your own tomatoes.

Growing tomatoes in the backyard can be a fascinating and rewarding venture, but it can be frustrating, too. A sickly tomato plant that produces few if any fruit certainly doesn't help anyone's gardening spirit. Whether you're growing tomatoes for the first time or as an old pro, you may profit from some useful advice on avoiding some common pitfalls. The tips come from Dr. Sam Cotner, Extension horticulturist with the Texas Agricultural Extension Service.

First, don't grow tomatoes unless they can receive sunlight for at least six hours a day. Tomato plants placed between tall shrubs, under trees or between buildings simply will not produce a good tomato crop.

Second, good soil is essential for good growth and high yields. Often, poor soil can be improved with liberal amounts of organic matter and by proper fertilization. A dark, heavy clay or even a fine sand can be improved by working three to four inches of organic matter into the soil where the tomatoes are to be planted.

To raise a few tomato plants, prepare a space at least two feet square for each plant. The soil should be worked to a depth of at least 12 inches. Liberal amounts of organic matter and a small amount of fertilizer such as 10-20-10 or 12-24-12 should be mixed into the soil.

The key to growing tomatoes successfully is choosing the right variety of tomatoes. Select varieties that resist many of the common diseases. A few varieties most suited for Texas include: President, Whirlaway,

Celebrity, Big Set, Sunny, Carnival, or the small fruited Small Fry or Cherry Grande.

Transplants should be planted somewhat deeper than they were originally growing. Plants growing in peat pots or peat blocks should not be removed, but rather the entire container should be planted. Sometimes it is helpful to break the bottom of the pots, but avoid damaging any of the roots.

When setting tomato plants in the garden, use a starter solution to assure adequate fertility during the early stages of growth. Starter solutions can be purchased at local garden centers, or can be made by mixing one to two level tablespoons of a complete garden fertilizer in a gallon of water. About one cup of the starter solution should be applied in the plant hole prior to planting.

For best results, transplants should be set in the garden on

cloudy days or late in the afternoon. The plants should be protected from adverse conditions such as high winds or excessive heat for a week or so after transplanting.

Almost all tomato varieties should be staked, trellised or caged for best results. Any method is good if it keeps the fruit off the ground. Tomatoes that are allowed to contact the soil often develop fruit rot.

We know that the less one knows, the easier one forms an opinion.

Lazbuddie Citizens Of The Month

Lazbuddie Students Of The Month

Students at Lazbuddie Elementary received ribbons and were honored recently on being selected Citizen of the Month from their homerooms. This honor was initiated by the School Improvement Team, a ten-member group of parents, students, and teachers. The students show qualities of good citizenship and school-pride.

They are the following:
 Pre-kindergarten: Lucas DeLeon, son of Tommy and Elva DeLeon; Kindergarten, Cristobal Franco, son of Raul and Elisa Franco; first grade, Riley Willingham, son of Roy and Barbara Willingham; second grade, Brandon Randolph, son of LynEldon and Pat Randolph.

Also third grade, Erika Rivera, daughter of Salud and Maria Rivera and Shena Seaton, daughter of Rick and Mandi Seaton; fourth grade, Sarah Lea Cardona, daughter of Ubaldo and Sara Godinez; and fifth grade, Heath Brown, son of Scott and Clair Brown.

UP UP AND AWAY--Elizabeth Anodaca No. 11 of the Copley Trucking team, Julie Slayden of the Aktins Insurance team and others look upward towards the goal in hopes of the basketball making it through the net. The shot was no good, but a good effort was made by Elizabeth Anodaca. The game was played last Thursday night in the Muleshoe High School Gym. (Journal Photo)

Kiwanis News

By R.A. Bradley

On this beautiful spring, wet, morning, 20 Kiwanians, eight guests, four honorary members and Sweetheart Amy Montgomery, met Friday morning at the Old Corral, where the efficient and wonderful Johnnie Ferris served us all breakfast. It is good to see all the Kiwanians and their guest present. I think we should keep the membership drive on all year long. Our honorary members present were Lacy Morris, Jon Keith Turner, Robbie Clapp, and Chad Johnson. It is always good to have Lacy Morris back as she has been absent for quite some time. Welcome back Lacy. It is always good and wonderful to have Amy.

Our guests were Danny Dickerson, Cody Turner, Kent Wiley, John Soto, Mark Moore, Lavon Whitaker, Liberty Hernandez and Juan Pacheco. We thank you for being our guest. Come back

anytime.

President, Jim Lutz called the meeting to order and the honorary members led the club in the pledge to the flag. Hugh Young gave the invocation.

Larry Parker said that the friendship coin had been bad luck for team No. 3 so he was going to give it to another team. Larry gave the friendship coin to Don Clapp, who is on team No. 1. Don maybe the coin will be good luck for you.

It seems that team No. 3 thought they were picked on in last weeks article. Lyndon said that they were the A team and since only two of them were present, I thought that the A team ment ABSENT. But since Lyndon got on his soap box and preached this morning, it was decided that the A team must be the AMEN team. It is a shame though, that Huck had to coach everyone into saying Amen. Maybe a retraction is in order since I stated that Lyndon and Larry might not show this week since they had the program. I am proud to say that they, Larry and Lyndon, did show and even got two more of their members out. I am really proud of you two! Another reason there might should be a retraction, is that

there are rumors that the Sargent of the, peanut pancake eater who carries a gun (Lyndon) had been issued a bullet for his gun. Since yours truly is over weight, Huck may have me out on the side of the road weighing me!! Huck is this good enough??

Larry Parker was in charge of the program and he introduced Kent Wiley who is employed at Tolk Station. Kent showed a video about the things that the coal company goes through in Gillet, Wyoming to furnish us with the low sulphur and low ash coal that is used by SPS to produce electricity for us. All of the testing, removing of the top soil, storing it and after the coal is removed, replacing the top soil, seeding, planting of trees and leaving the land as pretty if not better than it was at the first. Black Thunder, Blue Skies was the title of the film. Kent this was a real good program and we sure enjoyed it. We all look forward to the film on how the coal is handled here. Again, Kent, We thank you so much and Larry thanks for the program.

Local Kiwanis Club To Observe Goodwill Week

Members of the Kiwanis Club of Muleshoe, Texas will mark Canada-United States Goodwill Week April 22-28.

Club president, Jim Lutz, indicated that this annual observance is designed to focus attention on the nearly two centuries that Canada and the United States have lived together in peace. Their 5,000 miles of undefended border are a constant reminder of the friendship that exists between them, and is a pattern for peace for all nations of the world.

Canada-United States Goodwill Week was originated in 1922 by Kiwanis International and now enjoys wide participation in both countries, said Jim Lutz. As a result of the observance, Kiwanians have shown a concern for maintaining and appreciating the excellent relations between the two countries by establishing many permanent and continuing projects. The most noteworthy of the permanent projects has been the dedication of some three dozen Kiwanis Peace Markers along the common border.

Last year, Kiwanis clubs raised and spent more than \$65 million on community service activities, with a special emphasis on underprivileged children. Today, Kiwanis numbers 8,500 clubs and 320,000 members in 73 nations around the world.

Child Abuse Prevention Highlighted In Area

The Parmer County Child Welfare Board says National Child Abuse Prevention Month will conclude at the end of April. Printed materials about child abuse and its prevention is being distributed to area churches.

This year, a new campaign has been launched against child abuse. Lollipops have been handed out in the schools in Parmer County to grades kindergarten through fifth grade. Each lollipop bears the slogan "Let's lick child abuse - we care."

Parmer County Child Welfare Board members are Jo Blackwell, June Rhodes, Carla Kaltwasser, Debbie Sweet, Tonya Gober, Joe Mejia, Leland Hart, Janice Stowers, Anne Norton, Kitty Gallman, Peggy Monroe, County Judge Porter Roberts and Joan Ahrlhart.

The Texas Child Abuse Hotline number is 1-800-252-5400.

Something to think about: *A Child's Ten Commandments To Parents*

1. My hands are small; please don't expect perfection whenever I make a bed, draw a picture, or throw a ball. My legs are short; please slow down so that I can keep up with you.
2. My eyes have not seen the world as yours have; please let me explore safely; don't restrict me unnecessarily.
3. Housework will always be there. I'm only little for such a short time - please take time to explain things to me about this wonderful world, and do so willingly.
4. My feelings are tender; please be sensitive to my needs; don't nag me all day long. (You wouldn't want to be nagged for your inquisitiveness.) Treat me as you would like to be treated.
5. I am a special gift from God; please treasure me as God intended you to do, holding me accountable for my actions, giving me guidelines to live by, and disciplining me in a loving manner.
6. I need your encouragement but not your praise, to grow. Please go easy on the criticism; remember, you can criticize the things I do without criticizing me.
7. Please give me the freedom to make decisions concerning myself. Permit me to fail, so that I can learn from my mistakes. Then someday I'll be prepared to make the kind of decisions life requires of me.

Enochs News

by: Mrs. J.D. Bayless

David and Bethany Nichols of Canyon spent a few days recently and Mrs. Dale Nichols, Paula Grant and children also visited with her parents, Mr. and Mrs. Dale Nichols.

Mrs. J.D. Bayless was in Muleshoe Saturday, April 7 to visit with relatives, Mrs. Clara Coffman and children, Mr. and Mrs. Harvey Coffman of Garden City, Mr. and Mrs. Wendell Speck of near Muleshoe, Mrs. Jeannine Rundell of San Angelo, and Mrs. Sandra Puckett of Lubbock.

Brenda George of Lubbock and Kelly Mosser of Slaton came Thursday evening to spend till Monday with her parents. Kelly got sick and his mother, Mrs. Steve Mosser, came after him Friday. She had lunch with her parents, the McCalls'.

TAXPAYERS' Rights, Remedies, Responsibilities

Want to learn more about the property tax system? That's possible by reading a pamphlet the State Property Tax Board has written and made available at the local appraisal district office.

It's called "Taxpayers' Rights, Remedies, Responsibilities" and it may help you save money. Learn about tax relief available through

- homestead exemptions
- disabled veteran exemptions
- special productivity value for farm, ranch, and timber land
- tax deferral for over-65 homeowners

You'll learn how your property is appraised. That way, you can decide if the appraisal district's value is reasonable.

If you think it isn't, the pamphlet tells you how to prepare an appeal to the appraisal review board. You'll learn the types of protests the appraisal review board can hear and useful evidence to bring to your hearing.

Important dates in the tax year are listed. You'll know what your responsibilities are and when you are obligated to satisfy them.

"Remedies" is free to taxpayers. Ask for yours today at

Home Doctors Play Role In Detection

There can be fewer illnesses and deaths due to cancer if primary-care physicians take a key role in early detection, according to an article published in the April issue of Texas Medicine.

Routine use of mammography, Pap smears, and other screening and diagnostic procedures can have a dramatic impact in reducing deaths from breast, cervical, colorectal, oral and other types of cancer, Dr. Margaret R. Spitz and Dr. Guy R. Newell write in the Texas Medicine article. Texas Medicine is the official journal of the Texas Medical Association.

"For the largest segment of the population, primary-care physicians represent a critical link in the delivery of educational messages and early diagnostic procedures," Drs. Spitz and Newell write. "Thus, it is being

Michael Richardson Has Been Named All-American Scholar

The United States Achievement Academy has announced that Michael Richardson has been named an All-American Scholar. This is the second year that Michael has received this honor.

The USAA has established the All-American Scholar Award Program in order to offer deserved recognition to superior students who excel in the Academic disciplines. The All-American Scholars must earn a 3.3 or better grade point average. Only Scholars selected by a secondary school instructor, counselor, or other qualified sponsor are accepted. These scholars are also eligible for other awards given by the USAA.

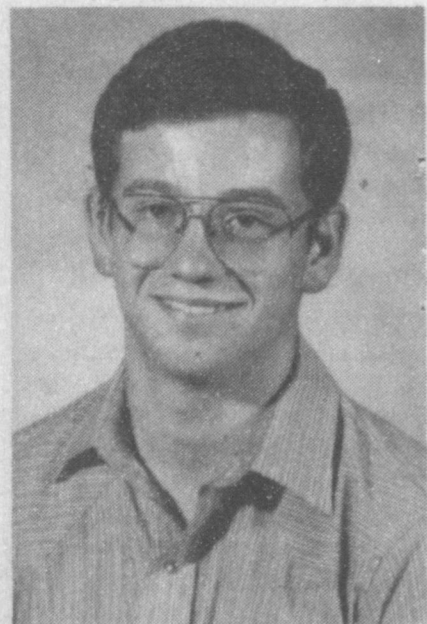

Michael who attends Muleshoe High School was nominated for this National Award by Linda Marr, Counselor.

Michael will appear in the All-American Scholar Directory, which is published nationally.

"Recognizing and supporting our youth is more important than ever before in American history. Certainly, winners of the All-American Scholar Awards should be congratulated," said Dr. George Stevens, Executive Director of the United States Achievement Academy.

The Academy selects All-American Scholars upon the exclusive recommendations of teachers, coaches, counselors, and other qualified sponsors. Once awarded, the students may be recognized by the USAA for other honors.

Michael is the son of Mike and Jean Richardson of Muleshoe. His grandparents are Mearl Davis of Littlefield and Mr. and Mrs. Ashel Richardson of Bula.

MICHAEL RICHARDSON

increasingly emphasized that the primary-care environment can be the first line of defense in cancer control, because of the physician's accessibility to large segments of the patient population."

Drs. Spitz and Newell work in the Department of Cancer Prevention and Control at The University of Texas M.D. Anderson Cancer Center in Houston. Their article summarizes information contained in "ReCap: Recommendations for Cancer Prevention," a physician reference manual developed by the Department of Cancer Prevention and distributed to more than 10,000 Texas physicians with funding from the TMA Physician Oncology Education Program.

The authors state that mammography already has been a major factor in early detection of breast cancer, but mammography is not used often enough because of misinformation, cost and other factors.

"Physician encouragement or direction is an important factor in getting patients to comply with mammography," the authors say.

They add that Pap smears are "highly effective" in detecting cervical cancer.

"The nationwide decline in incidence and mortality from invasive cervical disease is attributed to screening programs," Drs. Spitz and Newell write. "It is estimated that up to 90 percent of invasive cervical

cancers could be prevented by screening."

Early diagnosis also is essential in increasing survival rates for lung, prostate and other types of cancer, they say. Also, the two physicians point out that dentists may be even better able than physicians to detect early-stage oral cancer.

TMA is a professional organization of more than 29,000 physician and medical student members. It is based in Austin and has 117 component county medical societies around the state. The Association represents 82 percent of the state's physicians, and its goal is to improve the health of Texans through the professional and personal development of its members.

First Mistake
The original mistake was inventing the calendar. This led, in due course, to having Mondays.
-Detroit News.

Average
The average man is the fellow who spends a lifetime trying to prove he isn't

Little Miss Happiness

Sugar and spice and everything nice... that's what little girls are made of. And one look at this young lady and we all have to agree with that wise old saying. For surely the unknown author of that famous line was the father of just such a beautiful girl as this. Perhaps he saw her as we see her now... all dressed up in a cute frilly hat and a crisp, lacy wonderful dress waiting at the door for the family on their way to church. How proud that father was as he saw the deep shining love radiating in her eyes and the cheerful sweet smile on her face. And how thankful he must have been as he and his family knelt in church and prayed together. Yes, we all, no matter what our station in life might seem to be, have much for which to thank our God. Begin now to thank Him for the bountiful blessings He has bestowed upon us all. And most importantly, do not send your children to church... take them!

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Money Talk

By Charles B. Carlson
Dow Theory Forecasts

The interest-rate picture has been somewhat of a surprise over the last few months. Many analysts had projected lower rates.

One influence has been the movement of rates around the globe. Higher rates abroad seem to be influencing rates in this country to some extent, reflecting just how closely linked the world has become.

A big question in financial circles is whether rates have peaked.

While there are few tasks as difficult as predicting interest rates, one simple way is by looking at the Dow Jones Utility Average.

Electric utilities are interest-sensitive, due partly to their large capital needs. Currently, this barometer is not predicting good things for rates, at least in the short term; the Utility Average has been weak and recently moved to an intermediate low.
