NUMBER 9

With the inaugural of President Jimmy Carter, a new team takes over the game of government in Washington. He and the new cabinet he has selected, plus a House and Senate leaning strongly to the liberal side, give us good reason to wonder what is in store for the American public for the next four years.

Up to now the political pundits and prognosticators basing their appraisal on cabinet selections along with remarks by Carter before and since the election, seem to be generally agreed that they have no idea what to expect. Our best hope, therefore, is that the president will live up to his campaign promise and not let us down. We hope that promise was meant for the over all benefit of the country as a whole rather than the liberal elements whose wants are pulling the country farther and farther down the road to socialism and fiscal folly.

A few things about Carter are encouraging. He claimed to be a conservative in spite of the fact that he sought support of the liberals in his campaign. There is a possibility that deep down convictions will prevail when he has to decide between the traditional American way and the new fangled socialist policies.

Another possibility is that he will make a realistic estimate of political obligations following the election. Whereas liberals are trying to claim the credit for his victory, the fact is that the conservative South can just as reasonably make the same claim. Actually his margin of victory was so small that either of several groups can say that they supplied it. So the president is in a position to ignore the claims of political debts on either side and follow his judgment.

For instance during the campaign Carter alleged that he was for passage of the extremist Humphrey-Hawkins or so called "full employment" bill, which has the makings of a terrific burden on taxpayers. However his selection of Blumenthal as secretary of the Treasury seems to indicate some second thoughts on the subject. Blumenthal is definitely opposed to the bill.

Of course it cannot be assumed that the liberal legislature will go along just because the president backs away from earlier commitments, however it is likely that he will get more cooperation than his Republican predecessors in the White House.

Destined to be one of the hot issues of the coming legislative session is national health insurance. Five proposals are expected to show up including one sponsored by Senator Edward Kennedy, a cradle to the grave program estimated to cost the taxpayers \$60 to \$80 billion a year besides practically turning over the entire health and insurance system to a federal bureaucracy. Somewhat like the British system, it brings up grave questions about deteriorated quality of medicine as well as the loss of freedom which inevitably follows socialism. Britain's dismal record is ample reason why that proposal ought to be brushed off.

Nevertheless something needs to be done. Skyrocketing medical costs in recent years have been out of proportion to the rest of the American economy. But that does not justify a take-over by the bureaucrats. The real responsibility of Congress is to find a way to do the job through traditional private medical and insurance institutions.

A related subject that has already been neglected far too long is Social Security. Since the day it started it has been plain socialism with benefits being paid out as the money comes in. Originally it was called an insurance plan but it was never operated that way. Benefits received from it are much smaller than returns from comparable investments in an insurance plan. Besides there are restrictions on payments that do not apply to insurance plans.

Obviously the system is not a good one. It ought to be changed, and a responsible Congress ought to be working out a program whereby Social Security can be gradually phased out while people are building up security accounts with private insurance companies. No doubt the transition would involve problems, but it can be done.

## Muenster Mutual Reports Best Year Ever in 1976

The best year ever in the history of Muenster Farm Mutual Fire Insurance Association was reported Monday at the 82nd annual general meeting of the association.

Ed Endres, secretary, told 42 representatives of the five districts that the association had experienced gains in membership and insured valuations while the loss ratio was the lowest on record.

Total losses from fire, lightning, storm and vandalism added to \$9,773.69 for the year, which was only slightly more than half the losses of the previous year. Other items of expense increased the total operation to \$40,618.18. Among those items are salaries and expenses to officers and appraisers, postage, printing and expenditure of \$16,218.66 for catastrophe and re-insurance.

The cost of insurance per \$100 of insured valuation was

## MHS Ignored on All State Teams

Publication of first and second all state teams in Class A football last week was a disappointment to the Muenster Hornets and their fans. Not one Muenster player was included in the list of some 50 offensive and defensive positions of the two teams.

In spite of the fact that Muenster advanced farther in the playoffs than some teams that were honored.

For instance, Whitewright, which Muenster clobbered in the regional, placed its quarterback on the first string dream team and two on the second team. Aledo also placed three on all state although it failed to survive bi-district.

The only representative of 13-A on the team is Gilmore of Holliday as a running back. More satisfaction for local fans is the selection of Mike Richardson of Boyd as second team linebacker. He's a son of Glenn Richardson, former Hornet coach.

## Buckout Planned By Local Jaycees

A buckout, which amounts to a rodeo confined to the bull riding event is the next major project on the calendar of Muenster Jaycees.

Identified as the First Annual Red River Buckout, it will be held March 17, 18 and 19 in the show barn of Twin Pine Farms, owned by Mr. and Mrs. Chuck Bartush.

The show is expected to feature 50 or 60 bulls a night and will host cowboys from far and near. Since the dates are at the beginning of the rodeo season many cowboys are expected in order to practice for the coming season. Stock will be furnished by Adrian Parker of Saint Jo.

## Hornets Break out Of Winless Column Nip Lindsay 51-48

Tuesday night was a big one for the Muenster Hornets who finally broke out of the winless column of the current 13-A basketball race. Their victims were the Lindsay Knights by a close shave of 51-48. However MHS girls lost their part of the double header and now stand at 0-4.

The boys contest was a hot one up to the final whistle. With Muenster leading 49-48 and seconds to go, Lindsay missed a golden opportunity to win on a lay-up shot. Hornets then froze the ball and Lindsay fouled in trying to take it, after which Tim Wolf made both free shots. Knights led 13-9 and 27-22 ending the first two quarters and Hornets pulled ahead 38-32 in a strong third period, then held out for the 51-48 triumph.

Wolf led MHS scoring with 17. Nick and Neil Walterscheid had 10 and 8, Todd Richey 9, Lenzy Dyer 7 and Terry Lewis 2.

Failure to find the basket was the big problem of the Hornets. Coach White said they played a good floor game and got their share of shots, but too many missed. They hit only 3 of 15 free throws, and field shots were worse. As a result Lindsay girls gained big for three quarters to a lead of 46-13, and coasted to their 56-27 win.

Scorers were Tracey Klement 8, Robin Walterscheid 7, Marla Sicking 6, Linda Endres 4, Thelma Lewis 2. Starting guards were Karen Barnhill, Kathie Fisher and Deb Zimmerer.

## City Quits Delivery Of Garbage Bags

In an effort to reduce garbage service expense, the City of Muenster has discontinued the distribution of garbage bags. Hereafter customers will be expected to pick up the bags as needed at the city hall. Since many come in monthly to pay bills they will be able to pick up their supply conveniently.

According to Leo Hess, sanitation commissioner, the city will save substantially in delivery expense, and will make an additional saving on the bags. This way people are expected to pick up a new bundle of bags when it is needed, whereas many have accumulated a surplus in the periodic deliveries.

At the present price of more than 15 cents a bag, the minimum customer receives \$15.60 worth a year. It means that an annual account of \$30.00 is mostly absorbed by cost of the bags.

## TP&L Rate Hike Request Delayed 120 Days by PUC

The Public Utility Commission of Texas has suspended for at least 120 days, the effective date of the rate increase requested by Texas Power & Light Company.

The rate request was filed December 22, with an effective date set for January 26. The Commission will convene a public hearing on the rate request on March 1.

The various cities in TP&L's service area, under the new Public Utility Regulatory Act, can also effect a 120-day suspension of the effective date, and a large number have done so already.

## SH Wins One of Four TCIL Games

Both Sacred Heart teams got a bad start on their TCIL schedule during their weekend trip to West Texas. Girls won 44-42 and boys lost 48-45 in a pair of good games with Alamo High of Amarillo. But their games with Christ the King of Lubbock were as exasperating as their bus breakdown. Tigenettes lost 53-28 and Tigers 91-57.

The opener at Amarillo started and ended as a hot one. Sacred Heart led 12-10 at the first quarter and took a 31-22 third quarter lead after the home team's cold streak. Finally they survived Alamo's fourth period rally and came out at the happy end of 44-42. Sharlene Pagel hit 23 points for SH, Marlene Pagel made 13, Liz Kralicke 7 and Julie Bayer 1.

At Christ the King they were outplayed all the way with quarter time scores of 14-5, 33-11, 45-12 and 53-28. Sharlene Pagel accounted for 12 of the points, Elizabeth Kralicke made 10 and Marlene Pagel 6. Starting guards in both games were Janet Henschel, Donna Swirczynski and Mary Luke.

The Tigers' game at Amarillo likewise was a dandy up to the final whistle. SH was behind 10-9 ending the first quarter and surged to a 26-21 lead at intermission. But Alamo trimmed down the lead to 36-35 at the third quarter and then gained again for the 48-45 final tally.

Joe Hoedebeck led the scoring with 14, Glenn Walterscheid made 12, Brent Hess 10 and Danny Stock 9.

At Lubbock the Tigers did fair in trailing 16-11 at the quarter, but after that the home team pulled away for leads of 39-22, 64-38 and 91-57 ending the next three quarters.

## Final Services Held Saturday for W. F. Davidson, 88

Funeral service for William F. Davidson, 88, a long time resident of the Hays community, was held last Saturday, January 15, at 2 p.m. in the Whaley United Methodist Church of Gainesville with The Reverend John Allen and The Reverend Richard Naylor officiating.

Burial was in the Valley View Cemetery under direction of Geo. J. Carroll & Son Funeral Home and pallbearers were Bill Snow, Richard Martin, Jim Blount, Houston Baker, Joe Siemund and J. H. Bayer.

Davidson died at 8 p.m. Thursday in Gainesville Memorial Hospital. He was hospitalized on January 2, had been in poor health for about five years.

William Davidson was born November 22, 1888 in Ector, Mo. He came to Cooke County in 1912 settling near Hood and moved in 1916 to the Hays community, which has been his home until two years ago when he went to live with a daughter at Callisburg. He was a farmer, retired in 1965, and a long time member of Marysville Methodist Church. He transferred to Whaley United when the Marysville church closed.

Davidson was a veteran of World War I, having served in France and Germany. He was married in 1920 to Sophrona Baker, who died in 1973.

Survivors are one son, Charles Davidson of Muenster; two daughters, Mrs. Bill Roe of Callisburg and Mrs. H. B. Snow of Willis Point; one sister, Mrs. J. W. Breckenridge of Gainesville; eight grandchildren and four great-grandchildren.

## Gains Reported in Deposits, Loans At Muenster Bank

Deposits and loans at Muenster State Bank gained during both the past quarters and the past year.

Responding to the state banking commission's request for a statement of condition as of December 31, 1976, the bank reports total deposits of \$9,449,257.69 and total loans of \$3,518,015.13.

This indicates an increase in deposits of \$469,991.62 for the past year and an increase in loans of \$270,729.01 for the year. During the past quarter deposits increased by \$1,161,304.21, while loans increased by \$369,582.13.

Combined deposits of the four Cooke County banks were \$74,348,555.13, and combined loans were \$43,749,941.59. This shows an increase of \$4.8 million in deposits and \$7.8 million in loans for the past year.

## Frank Sandmann Of Lindsay Dies

A funeral mass for Frank C. Sandmann, 82, of Lindsay was held Thursday morning at 10 o'clock in St. Peter's Church with Father Damian Wewers officiating and also reciting grave side prayers.

Burial was in Lindsay cemetery directed by Geo. J. Carroll & Son. Rosary service was held Wednesday at 4 and 8 p.m. in the Carroll chapel.

## More Severe Weather Hits District Proposed To Support Rural Fire Protection

The year's second cold wave moved into the community during the weekend and has had thermometers dropping down to the teens on four consecutive mornings. However it has been almost mild compared with lower temperature plus snow and ice of a week earlier.

The present cold wave arrived Saturday night for a low reading of 16, on Steve Moser's hi-lo thermometer the following morning. During the day the mercury got up to 36. Low and high readings since then, according to Moser, were 14 and 52 on the 17th, 12 and 38 on the 18th, 18 and 54 on the 19th. Meanwhile occasional gusty winds caused chill factors to below zero.

With temperature reaching the thawing stage daily for a week, ice and snow of the previous week have almost disappeared. Another help in melting it was rain, which measured .75 and .18 on the mornings of the 13th and 14th. Moisture of the month, including the ice and snow measures 1.90 inch.

## Daniel Fette Will Get Commission In Regular Army

COLLEGE STATION — Daniel Henry Fette of Muenster has been chosen for a Regular Army commission on graduation from Texas A&M University.

By gaining a regular commission, a cadet enhances career military opportunities. Most cadets commissioned at Texas A&M become reserve officers.

Regular army designation indicates the soon-to-be graduated student has qualities the U.S. Army desires in its officer corps, according to Col. Thomas R. Parsons, professor of military science.

Fette will be commissioned in Field Artillery. An English major at Texas A&M, he is a member of Company I-1 in the Corps of Cadets, a son of Mr. and Mrs. R. N. Fette.

## Albert Zimmerer Heads Hood Club

Election of officers, held during the January 11 meeting of Hood Community Improvement Club, places in office for 1977, Albert Zimmerer president, William Hermes vice president, Mrs. William Hermes secretary-treasurer, Mrs. Albert Zimmerer reporter and Mrs. Cecil Welch historian.

Members discussed plans for a domino tournament in February and decided to try to schedule CPR training in March.

Preceding the business session, members enjoyed a barbecue chicken supper.

## Sullivant Heads House Committee On Environment

AUSTIN — Rep. Bill Sullivant of Gainesville has been named chairman of the Environmental Affairs Committee by Speaker of the House Bill Clayton.

Sullivant, a third term member, will also serve on the Compact, Districts and Regions Committee.

He is one of 13 members on the Environmental Affairs Committee which will consider all matters pertaining to air and water pollution, state parks, preservation of wildlife, hunting, fishing and the regulation of Texas fish and oyster industries.

## District Proposed To Support Rural Fire Protection

The high cost of fighting rural fires in Cooke County has inspired a proposal to establish a special district with power to support the fire protection program by taxation.

The suggestion was made by County Judge Greg Underwood because the expense is becoming too much of a burden on the county's general fund. Special attention was directed to a charge of \$25,050 by the City of Gainesville for 334 rural fire runs made by the fire department in 1976 at \$75 a run. Also mentioned as an expense to the county was \$8000 for a fire truck chassis used in rural fires and payments to other local fire departments of the county.

The suggestion, to be brought before the commissioners court, is expected to also include some provision for ambulance service. Membership in the last drive by Professional Ambulance fell considerably short of its goal and the service has been assured for only nine months. Another view is that the responsibility of making the service available should be on the public in general rather than a small percentage of individual volunteers.

## 10 SH Students Compete in Jesuit Speech Tournament

The speech department of Sacred Heart High scored another big success at the Jesuit speech tournament in Dallas the past weekend. Cindy Sangster took the third-place trophy in Original Oratory, out of a field of one hundred and nineteen contestants.

Ten students from the junior and senior classes attended the Jesuit tournament competing with speech students of fifty high schools from five states. The tournament began Friday morning and continued through Saturday.

Representing Sacred Heart individual events were George Luke, Mary Caplinger, Cheryl Luke, Mary Margaret Rohmer and Cindy Sangster in Oratory; Chuck Koesler, Mary Margaret Rohmer and George Luke in Extemporaneous Speaking; Chris Schilling, Chuck Koesler, Sally Endres and Catry Bartush in Prose; Chris Schilling and Sally Endres in the Poetry division.

Two debate teams from Sacred Heart competed in a field of one hundred and forty five. Top performance for Sacred Heart was a two-win-two loss record for the team Craig Sangster and Cindy Sangster. Teamed together for the first time were Cheryl Luke and Mary Margaret Rohmer.

Mrs. Charles Bartush and Mrs. Tom Sangster accompanied the students to the tournament.

## City Gets \$884.68 Sales Tax Check

The city of Muenster has just received its latest sales tax rebate check from the state comptroller. Its amount is \$884.68 reflecting remittances by the state office for the period ending Jan. 7, 1977.

A statement accompanying the check explains that total receipts for the period were \$947.66, the 2 per cent collection fee amounted to \$18.96, and the amount retained was \$44.22.

Bullock said that Muenster was one of 620 Texas cities receiving a total of \$23.2 million for the pay period, also that \$152.8 million has been remitted to date for the fiscal year beginning September 1. The amount compares with \$115.3 million for the same five months a year ago, a gain of \$32.5 per cent.

Rebates received by other cities of the area were reported as follows: Gainesville \$18,594.05, Lindsay \$2,935.24, Nocona \$2,272.82, Pilot Point \$708.04, Saint Jo \$766.89, Sanger \$522.49, Whitesboro \$974.88.

Hospital Auxiliary Meeting — The Muenster Hospital Auxiliary will meet Thursday, January 20 at 8 p.m. in the hospital meeting room.

## Final Services Held Saturday for W. F. Davidson, 88

Funeral service for William F. Davidson, 88, a long time resident of the Hays community, was held last Saturday, January 15, at 2 p.m. in the Whaley United Methodist Church of Gainesville with The Reverend John Allen and The Reverend Richard Naylor officiating.

## Belinda Blevins Weds John Wheat In Double Ring Ceremony at Odessa

Belinda Blevins became the bride of John Wheat on Saturday afternoon, January 1, in double ring vows and a nuptial mass at St. Mary's Catholic Church of Odessa. Reverend Francis Frey, pastor, officiated.

The bride is the daughter of Mr. and Mrs. Barry E. Blevins of Odessa, and the granddaughter of Mr. and Mrs. Joe Walter of Gainesville. Parents of the bride-

groom are Mr. and Mrs. Hubert L. Wheat of McCamey. The altar was decorated with holiday greenery. Pots of red poinsettias trimmed in red and white accented the Christmas crib.

Mrs. Mary Anne Heaps, organist, played traditional wedding selections including Wagner's "Lohengrin" and Mendelssohn's "Wedding March."

The bride was given in marriage by her father. She

wore a simple wedding gown of crinkled voile. Wide crocheted lace accented the empire bodice, the sleeves and skirt. The skirt was finished with a ruffled flounce attached with the same lace. The double-tiered veil of illusion fell from a delicate headpiece enscorced with tiny white lace flowers. Her bouquet was a colonial nosegay of pink rose buds, gold daisies, and baby's breath with white lace and satin streamers. She carried a crystal rosary from St. Peter's Cathedral in Rome, borrowed from her grandmother, Mrs. Joe Walter.

Miss Jana Myrick of McCamey was maid of honor and Miss Susan Blevins, sister of the bride, was bridesmaid. They wore identical white long-sleeved, French-cuffed blouses with a large white bow tied at the neck. Their fitted skirts were made of wine-colored satin crepe. Each carried a single pink long stem glabella with wine trim.

Tommy and Philip Blevins, brothers of the bride, served as best man and groomsmen. Mr. and Mrs. Walter presented the gifts of bread and wine at the altar during the ceremony. Joseph Blevins, brother of the bride, was the acolyte.

Serving as ushers were Terry Little of Midland and Tim Sicking of Muenster. A reception was held immediately after the ceremony in the parish reception room. Members of the house party were Misses Jan, Martha and Diana Pauley, nieces of the groom, of McCamey and Mrs. Tom Pulliam of Monahan.

The bride received her BA in Psychology from the University of Texas at Austin and is in her second year of graduate study in Psychology there. The groom received a BA in Government from UT, Austin and is a second year student at the University of Texas Law School. Following a ski trip to Winter Park, Colorado, the young couple will reside in Austin where they will continue their studies.

Among guests at the wedding were Mrs. Wilfred Sicking and daughter Nancy of Muenster, and Mr. and Mrs. Bill Graham and sons Kyle and Kirk. Mrs. Sammy Sparkman and Mrs. Keith Clegg of Gainesville.

### Public School Happenings

The students of M.P.S. were excused from school on January 10 and 11, because of icy roads. They reported back to school on January 12.

Report cards were given out Thursday, January 13, to end the first thirty days of the second quarter.

Bad weather has caused the need to redo the M.P.S. calendar. The quarter was scheduled to end on February 21, 1977. Due to the two-day absence on the 10 and 11, the quarter will end on the 23rd of February.

Muenster Junior High basketball teams were entered in the Montague Junior High tournament last week. The teams lost to Bellevue in the first round.

Nine band members went to North Texas State Honor Band try-outs Saturday, January 15. 3 members will participate in the Honor Band concert, January 29, at North Texas State University.

The color football pictures that were lost in the mail came in last week and can be picked up from Cathy Flusche.

The annual staff is steadily working on completing the annual. By the end of this month, they must have forty-six more pages completed and sent to the publisher.

### Kindergarten

Chris Klement's 8th birthday was Friday, January 14. His mother, Mrs. Wayne Klement sent brownies, candy bars and balloons as a special

treat for Chris and his classmates. They lit the candles on the class birthday cake and sang the birthday song for him.

The afternoon kindergarten class has a new pupil, Buster Johnson, son of Mrs. Charlotte Johnson. The family moved to Muenster from Krum, Texas. Buster has 3 sisters, Jeri, in the 3rd grade, Sheri, 2nd grade and Teri Kaye, age 16 months. Mrs. Johnson is employed at Jr. Elite. Buster's grandparents are Mr. and Mrs. Pete Rice of Era.

A coincidence of enrollment statistics in Kindergarten shows 27 children in the morning class — 13 girls and 14 boys. Also in the afternoon class are 27 children — 13 girls and 14 boys.

### Second Grade

Second grade students participated in a Japanese tea party at the end of a Social Studies unit on Japan. They were seated on the floor, with shoes removed, as they were served hot tea and cookies. Mrs. Biffle assisted with activities.

### Third Grade

Students in the third grade are studying communities in warm lands, in Social Studies classes. This study has been enriched by eating fresh pineapple and sugar cane, when learning about the two main crops of Hawaii. Also, Robert McDaniel, Muenster High School Spanish teacher, gave an interesting presentation when the third graders studied Mexico. He told the class about its history and people and showed pictures and souvenirs that he has acquired on trips there.

### Sixth Grade

The sixth graders are studying ancient cultures and so-

cieties. Mrs. David Bright visited the class recently to show slides and offer commentaries of Greek, Roman and Egyptian ruins, monuments and excavations. Some slides were made by others acquired by Mrs. Bright while living in Europe. The students were very interested in the excellent presentation — especially of the Parthenon on the Acropolis — which gave them a good idea of the magnificence of the architectural structure of that era.

**Basketball Teams Have Trip Spoiled By Bus Breakdown**

Sacred Heart's weekend basketball trip to Amarillo and Lubbock was a calamity in more ways than one. Besides losing three of the four

games the teams had about all the troubles that can be associated with a broken down school bus.

It all started about noon Saturday near Kress, on the road from Amarillo to Lubbock, as the dual left wheels came off their vehicle, and

left them stranded in the wide open spaces of West Texas.

After an hour and a half of waiting a Greyhound bus came along and girls took it to Lubbock. But the boys and Coach Eddie Stock remained in Kress to complete arrangements for a repair job while

awaiting a school bus from Christ the King High to carry them and luggage and equipment to Lubbock.

Their games, scheduled for 2 p.m., eventually got started at 4:30, and condition of players was hardly up to par after the breakdown and tiresome

wait. Both teams showed the strain of their experience, Coach Stock said.

After their games and supper the teams still faced the problem of getting home. They solved it by buying commercial bus tickets from Lubbock to Wichita Falls. Aware that the next scheduled connection

from there to Muenster was the next morning, Charles Bartush had chartered a bus to finish their trip home. It arrived in Muenster at 4:30 a.m. Sunday.

Arrangements were to have a driver go to Kress for the bus when word is received that it is ready.

**Forestburg News**

By Myrt Denham

Mr. and Mrs. Hoyt Mann of Midland were recent visitors of her parents Mr. and Mrs. Fred Campsey.

Aunt Mollie Howell and Wynona Greenwood made a trip up to Lawton, Okla., recently. They visited Wynona's sister Mrs. Wanda Magee and Mollie's brother and wife Mr. and Mrs. Frank Higgins. Mrs. Magee returned home with them for a few days.

W. T. Reynolds visited his sister Mrs. Lillian Lee of Wheeler Tues., Jan. 4 and Wed., Jan. 5.

The Forestburg United Methodist Women met in the home of Mrs. Laura Belle Jackson Thurs., Jan. 6 at 2 p.m. Mrs. Betty Reynolds was in charge of the program for the day. Present were the hostess, Mmes. Betty Reynolds, Marion Sockwell, Lucille Littell, Vera Mae McGee, Alice Shears and Myrt Denham.

It is a sad thing to report but at this writing Mr. and Mrs. Enos Steen are both seriously ill in the Saint Josephs Hospital in Fort Worth. Mrs. Steen is the daughter of Mrs. Ada Jackson and sister of Ted Jackson.

Rev. Rick Ricker partook of supper with the Ted Jacksons Fri., p.m. Jan. 7. Then on Saturday the 8th the Jackson's son Bill of Decatur visited with them.

Mrs. Herschel Knox is in the hospital at Muenster. Has been a patient there for about a week at this writing. We wish Olga a speedy recovery.

On Saturday a.m. Jan. 8 Vera Mae McGee and Dicie Ellsey were in Bowie to meet Nell Gilliland who was coming in via bus from Amarillo visiting the Mayo McGees since Dec. 22. Mrs. Mayo McGee is the former Jeanette Gilliland-Nell's daughter.

Plywood is made by bonding layers of veneers of wood together. The veneers are placed so that the grain of a layer is at right angles with grains of adjacent layers. This gives plywood the ability to resist stress in all directions.

**YOU CAN BANK ON IT!**

Commonly called the FDIC, the Federal Deposit Insurance Corporation was created by Congress in the Bank Act of 1933, and became effective on the first of January, 1934, during the depths of the Great Depression.

Deposits in virtually all banks in the country are insured up to \$40,000 by this agency of the federal government. Coverage extends to bank checking accounts, savings accounts and certificates of deposit.

Increases in the amount of the insurance stand as something of a yardstick to measure the affluence and savings habits of Americans. When the FDIC first began insuring accounts the limit was a \$2,500. That amount has steadily increased up to the present level which went into effect on November 27, 1974.

Contrary to some misconceptions, this valuable service is not financed by the government, but rather by the banks themselves. Presently, banks are assessed one-half of one percent of their year-end deposits.

**THANKS**

I want to thank my relatives and friends for many kindnesses while I was in the hospital; also the staff of Muenster Memorial Hospital and Dr. Juarez; thanks to Father Placidus Eckart for prayers, and to all who sent cards, flowers and gifts. My husband joins me in this note of thanks.

— Mrs. Ernie Martin

To all personnel of Muenster Memorial Hospital and Dr. Antonetti, to all nurses of the third floor of Wichita General Hospital, to Dr. Robert Higgs, Father Aaron and Father Judge of Sacred Heart Church of Wichita Falls, for care and concern, for prayers, visits, cards and floral bouquets, for the many kindnesses shown to both of us, to our neighbors who helped us, we offer our sincere appreciation. May God bless each and everyone of you.

— Clem and Frances Reiter

### Mrs. Aytes Visits Kin in Washington

Jackie Aytes of Myra returned recently from a month's vacation visit to Spokane Washington, where she was the guest of her daughter and family, the Dean Forneys.

While in Spokane, Mrs. Aytes and the Forneys visited one of several Longhorn Barbecue Restaurants owned by former Muenster residents, the Lehnertz Brothers.

During lunch at the Longhorn the group visited with Duke Fette, also formerly of Muenster. He is the manager of the restaurant. Duke and Mrs. Aytes' daughter, Jeannie Aytes Forney were classmates at Muenster High School, nineteen years ago. The Aytes family are also former Muenster residents.

### Bluebonnet HD Meeting Features Family Records

Mrs. Evelyn Yeatts presented a program on "Family Records" for the Bluebonnet Home Demonstration Club meeting on Tuesday, January 18 at 7:30 p.m. in the home of Linda Vogel.

The meeting was opened with prayer and an inspiration by Judy McDaniel. Members arranged a Valentine party for Hillcrest Manor on February 8, with Eileen Fisher in charge.

The club also began plans for participation in the Germanfest and will have a booth. Betty Rose, Walter-scheid will be in charge of organizing activities for that event.

The hostess served a dessert plate following adjournment to 11 members and 1 guest, Mrs. Anita Wike of Grapevine.

Clem Reiter is back at home and "doing fine" following major surgery in Wichita General Hospital and 17 days of hospitalization.

Mr. and Mrs. Johnny Britain of Forestburg announce the engagement and approaching marriage of their daughter, Terri to Val Escobedo of Myra, son of Mrs. Martha Orona of Myra. The wedding will be held on February 5 at 5 p.m. in Forestburg Church of Christ. The bride-elect is a 1976 graduate of Muenster High School and is employed at J. Elite in Muenster. The future groom is a 1971 graduate of Prosper High School and is employed at Valenite in Gainesville. They will reside in Muenster.

### Six Sisters Gather For Annual Party

Six sisters who meet annually to observe the birthday of Mrs. Gene Pelzel of Lindsay, were together Tuesday noon in Muenster.

Daughters of the late Mr. and Mrs. Joe Magee, they are Mrs. George Schmidtkofer, Mrs. Johnny Schmitz, Mrs. Nick Dieter, Mrs. Doug Reiter, Mrs. Harold Schmitz and the honoree.

Also attending were Harold Schmitz, Mrs. Victor Hartman and Mrs. Norbert Klement who had lunch together at the Center and then visited in the Hartman home. Mrs. Johnny Schmitz also visited her father-in-law John Schmitz in Muenster Hospital.

### Courtesy Urged in Operation of CBs

Members of the Muenster CB Club have asked for the co-operation of all CB owners and have urged the use of a number of courtesies by all CBers.

Leading their list is, quoting them: "1. Courtesy and common sense when using the radio. 2. A reminder that there is a 5 minute allowance for conversations. 3. When it becomes necessary to interrupt, a request should be made for a break. 4. At that point, use of another channel is suggested, especially if the party called was reached on channel 19. 5. Since channel 19 is an extremely busy channel, any procedure to help 'unclutter' is appreciated."

### On Dean's List

In an announcement by Cooke County College, Sharon Rohmer was recognized for superior academic achievement during the fall semester recently concluded. She was named to the Dean's Honor List and achieved a 3.8 grade point average (on a perfect 4.0 scale). Sharon is a graduate of Sacred Heart High and is a daughter of Mr. and Mrs. Urban Rohmer.

### Square Dances

Square dance lessons will be offered in the Gainesville Community Center on January 27 at 7:30 p.m. The first 3 lessons are free. Toby Thomason of Denton, who called for the square dance demonstrations during last year's German Week will be the teacher. ### SH Juniors Win 1 of 3 at Lindsay

Juniors of Sacred Heart won one of their three basketball games with the Lindsay youngsters Monday night. Junior High girls were 24-21 winners whereas Junior boys were buried 61-16 and Junior Varsity boys were 47-42 losers in a hot contest.

SH grade school girls have the distinction of handing the Lindsay girls their first defeat of the season. They did the job mostly with good opening quarters for leads of 8-0 and 13-3. The margin was enough to pull them through with leads of 19-13 and 24-21 in spite of Lindsay's rally in the second half.

Scorers were Colleen Fette 9, Shelly Walterscheid 9, Tammy Henscheid 6. Starting guards were Gina Hofbauer, Virginia Bartush and Angie Bartush.

SH was behind to the final buzzer in the junior varsity game but was always threatening. Scores by quarters were 11-8, 21-20, 35-33 and 47-42. Ken Hartman and Mark Nasche shared scoring honor with 10 each, Mel Walterscheid added 9, Angelo Nasche 8 and Gene Luttmier 5.

Junior High boys game was no contest, with a score of 61-16. SH scorers were Wayne Richards 8, Brian Herr 4, Monty Endres 4.

### Local News BRIEFS

Johnny Swirczynski and children, Carrie Jo, Deanne and Gregory of Carrollton were weekend guests of his parents, Mr. and Mrs. Herman Swirczynski, while Mrs. Johnny Swirczynski was visiting her sister in Houston. Other recent guests of the Herman Swirczynskis have been their son, Brother Gerald of Oklahoma City, their daughter, Sister Monica of Little Rock and another daughter and son-in-law, Mr. and Mrs. W. L. Smith of Denver.

Mrs. Robert Beyer of Lindsay and her mother Mrs. Joe Vogel spent Sunday in Denton where the latter visited her daughter Mrs. Danny Hoenig and family and Mrs. Beyer visited with Mrs. Frank Sandmann who was staying in Denton to be near her husband while he was in the intensive care unit of Westgate Hospital. Mrs. Beyer also visited her daughters, Brenda and Janie.

**Julie Sicking and Terry Huchton Exchange Vows in 2-Ring Ceremony**

Mr. and Mrs. Terry J. Huchton were married here in Sacred Heart Church on Saturday, January 8 at 5 p.m. Father Stephen Eckart officiated for their vows in a double ring ceremony and celebrated the nuptial Mass. The couple is at home in Corpus Christi where she is a Medical Lab Technician at Driscoll Children's Hospital and attends Del Mar College and he is a Naval Meteorological Technician and Third Class Petty Officer at the Naval Air Station of Corpus Christi. The bride is a graduate of Muenster High School

The best man was Neil Huchton and a groomsman was Bill Huchton, both groom's brothers. Also groomsmen were Cliff Sicking, bride's brother and Jerry Hyden, a friend of the groom from Muskogee, Oklahoma.

Ushering guests were Mike Stoffels, Steve Stoffels, Mark Sicking and A. J. Felderhoff. Michael Sicking of Muenster and Linus Fuhrmann of Lindsay were altar boys.

Wedding music was given by Linda and Gayle Miller, Lynda Klement, Laura Kralicke and Mary Hess, with organ and guitar accompaniment.

**Reception**

The bride's parents hosted a reception and supper for 250 guests in the Community Center, following the church service.

Mrs. Jim Endres of Muenster and Mrs. Harold Owen of Lindsay registered guests.

The bride's table was decorated with a pair of silver candelabra entwined with greenery and green tinted carnations. Centerpiece was the double wedding bell groom's cake, iced in white and decorated with red and green poinsettias, and the couple's names.

The four tiered bride's cake was placed on a separate table and was decorated with holly and topped with a bridal figurine. Mrs. Albert Zimmerer cut the wedding cake which was served by Barbie Hess, Karla Yosten and Lynda Klement.

The bride's mother wore a peach full length dress and the groom's mother wore a pink formal. Both had matching corsages.

The rehearsal dinner was hosted by the groom's parents at Rohmer's, for the wedding party and immediate family members. A gift shower honoring the bride was given by Mrs. Cliff Sicking in her home on January 5 with Lois and Laura Sicking and Mrs. James Lutkenhaus as co-hostesses.

We're constantly amazed at those young things with their fancy hair-dos and skin-tight pants. And the girls are even worse!

"The atom was the father of the universe and the universe was the mother of the atom," says a nuclear physicist. That's comparable to saying the first hen was hatched from an egg she laid herself.

A vacation is a succession of 2's. It consists of 2 weeks which are 2 short. Afterwards, you are 2 tired 2 return 2 work and 2 broke not 2.

"Have you heard about Walter? They took him to the hospital this morning."

"That can't be. I saw him last night, out dancing with a girl."

"So did his wife."

Charles and Janie Wilson of Midland were here the week of Jan. 3. They were joined here by friends from Houston. Charles and Janie maintain a home here in Forestburg.

Recent visitors in the Wylie Edwards' home were Mr. and Mrs. Charles Colwell and daughter Haggie and Mr. and Mrs. Mike Burris and Misty all of Alvord.

### Forestburg News

By Myrt Denham

Henry and Loyd Golightly had themselves a rather exciting but frightening experience about 3 a.m. the morning of Jan. 8. Seems a very muchly intoxicated man turned into their place from the highway. Loyd said she didn't know where the feller thought he was going but he sure was trying to blaze out a new trail for himself cross-country way. He just kept circling and turning around in their place, went thru a fence and finally hit a tree. By then the Golightlys had called the law and they arrived to haul the "trail-blazer" away.

Guess the biggest topic around this whole area is the weather. We did have us a

"rip-snorter" this time. Come in a howling about 10 p.m. Sat., Jan. 8, and by 11 p.m. it was raining, sleet, icing and snowing. Sunday was a "ripper" — the wind made it so cold. At day break it was down to 5 degrees here in Dewey and them "ole long-johns" sure felt good all day. Here it is Wed., Jan. 12 — still snow on the ground, still cold and a light rain. Well, be thankful you don't live in Michigan, Minnesota or Wisconsin or Montana. It could be a lot worse.

Ann told that Juanita Bailey's son Larry, who resides in Denton, and his Don got caught up here. They had come to see about Larry's pigs. Seems he has himself about twenty mama pigs over at his mothers — and no "Pig Parlor" for 'em either. Bet them twenty gals would like a Parlor these days.

There have been several birthdays around the area lately Betty Reynolds started it on the 2 of Jan., then on the 7th of Jan. Howard Sockwell tucked another one away — his daughter and family — the Bill Kenas and son Trey came up from Argyle to help him celebrate. On Sat. Jan. 8 Gladys Barclay's came around — us Denhams honored her with a Spaghetti Supper. Then on Sun., Jan. 9, Naomi Shears' birthday made the scene and she was honored with a birthday dinner in the Homer Shears' home. Vesta Lee Carter was not gonna be left out of it as she had her day on Jan. 12. Next lady to celebrate will be Ruth Smith on Jan. 19. Guess Buford Huddleston and young Charles Edwards started it all on Dec. 30 — when Charles celebrated his 14th and Buford his 51st.

Gerald and Olita Lanier and sons Jeff and Tracey had themselves a few days vacation in cool Colorado between Christmas and New Years.

Our little first lady Cleo Lanier says if "they" predict another winter like this for next year she is gonna make different arrangements and head for California. Now Cleo you don't need to take such drastic measures as the Rio Grande Valley is much closer and nicer too.

The David Hunts have returned home to Springfield, Calif., after visiting with the Joe Hunts and V. G. Greenwoods. Then on Jan. 7 Mr. and Mrs. Jack Poteet left for their home in Newport Beach, California.

### Planning Starts For Miss Pageant

Plans for the Little Miss Pageant sponsored by Kappa Theta were discussed during the January 11th meeting held in the home of Mrs. Peggy Sparkman. The pageant is scheduled for the last weekend in March, with orientation on February 26. Proceeds will benefit Southwest Diabetic Foundation and Camp Sweeney.

The hostess, who is also Social Service chairman, said that the chapter will accompany a group of singers who will entertain at Hillcrest Manor on January 27. Members will be hostesses and will serve refreshments.

Among items discussed during the business meeting was a salad supper on February 14 in the Cooke County Electric Co-op Building. Members were also told that International Headquarters is compiling a dessert recipe book as a fund raising project. Members have completed the sale of cookbooks on Casseroles and Breads.

The February 9th meeting will be held in the home of Genie Gilliland. Information on Kappa Theta may be obtained from Mrs. Gilliland, 665-4697 or Mrs. Betsy Fleitman, 736-2249.

The December 14th meeting of Kappa Theta featured a program on Babe Didrickson Zaharias, presented by Mrs.

Peggy Sparkman. Mrs. Linda Welch was hostess in her home.

### Muenster JV Teams Trimmed Twice by Callisburg Kids

Junior varsity teams of Muenster High lost a pair of games to the Callisburg youngsters Thursday night in the Hornet gym. MHS girls went down 55-38 in the opening contest after which the boys lost theirs 37-35 in overtime. Hornets jumped to an early lead and held it until 9 seconds before the end, when the visitors tied it at 32-32. Even then they could have won with either of two free shots but missed both. Then in the overtime period they kept missing and the Callisburg kids moved ahead 37-35. Scores by quarters in the hot contest were 11-6, 17-14 and 27-24, all in Muenster's favor, until the final of 32-32.

Scorers were David Felderhoff 11, Phil Wolf 9, Floyd Felderhoff 7, Mark Felderhoff 6, Don Grewing 2.

The girls game was a tragedy of fouls in which eventually 4 Hornets fouled out of the game and the opposition got 38 free shots making 22 of them. Muenster girls on the other hand got 10 free tries and made 8 of them.

By periods the scores were 15-2, 24-12, 40-22 and 55-38 with Callisburg ahead all the time. Disregarding the foul points they made a good game of it, a 33-30 count in spite of playing short handed in the last quarter. Point makers were Lou Dyer 14, Toni Dittfurth 10, Wanda Schneider 8, Karen Walterscheid 6.

**Why is Texas Power & Light asking for a rate increase?**

On December 22, 1976, Texas Power & Light Company applied to all incorporated cities and towns it serves and to the Public Utility Commission of Texas for authority to increase its rates for electric service. The rate schedules will result in a 34 percent increase in the average rates charged. However, due to greater customer conservation, the rate changes are expected to increase the adjusted gross revenue of Texas Power & Light Company by 27 percent. In coming weeks, our application will be under consideration by the cities and towns served by the Company and by the Public Utility Commission. Texas Power & Light wants you to know why we are asking for this rate increase.

- 1 TP&L MUST CHANGE THE FUELS NEEDED TO PRODUCE ELECTRICITY FROM NATURAL GAS . . .**
  1. The State of Texas requires a phase-out of the use of natural gas for generation of electricity.
  2. Gas supplies are limited.
  3. Rising cost of gas: Our average cost in 1974, \$ 48 per million BTU's in 1975, \$ 89 per million BTU's in 1976, \$1.21 per million BTU's. New supplies cost \$2.00 per million BTU's.

**... TO LIGNITE AND NUCLEAR POWER**

  1. A large supply of lignite is available in Texas.
  2. Lignite is cheaper. Average cost in 1976 was \$ 27 per million BTU's.
  3. The use of lignite instead of gas saved our customers \$80 million in one year.
  4. The future also favors nuclear power as a cheaper means of producing electricity. First nuclear unit in 1981.
- 2 TP&L MUST BUILD MORE ELECTRICITY PRODUCING PLANTS**
  1. Our customers are increasing at the rate of over 20,000 per year, and . . .
  2. The demand for electricity will double in 10 years.
  3. Plants using high-priced natural gas must be phased out, held for peak-use periods, or rebuilt to use coal.
- 3 THE COSTS OF NEW PLANTS ARE INCREASING**
  1. Today, lignite plants cost 3 times as much as gas-fueled plants: in 1972, \$135 per kilowatt\* in 1975-80, \$275 per kilowatt\* in 1980-85, \$450 per kilowatt\*
  2. Nuclear plants cost 6 times as much as gas-fueled plants: in 1981-83, \$600 per kilowatt\*
- 3. Our construction costs have increased** from \$64 million in 1968, to \$269 million in 1976, to \$299 million in 1977\*. \*estimated.
- 4 TP&L MUST INSTALL COSTLY POLLUTION-CONTROL DEVICES**
  1. Government regulations now require pollution-control devices that cost millions of dollars.
  2. On a new plant in 1972, anti-pollution devices cost \$2.50 per kilowatt. Today, these costs have jumped to \$62.00 per kilowatt.
  3. On four units now under construction, cost of anti-pollution devices will be \$186,000,000.
  4. Anti-pollution devices increase generating costs 15 to 20%.
- 5 TP&L MUST STAY FINANCIALLY STRONG IF WE ARE TO PROVIDE FOR THE FUTURE, BUT . . .**
  1. Interest coverage (earnings available to pay interest) is down from 6 times in 1968 to 3 times in 1976.
  2. Average interest cost is up from 4.3% in 1968 to 7.6% in 1976.
  3. Rate of return on investment is not adequate.

**TP&L'S PRESENT RATES WILL NOT SUPPORT . . .**

- COSTS TO MEET INCREASING CUSTOMER DEMAND FOR ELECTRICITY
- CONSTRUCTION COSTS NECESSARY TO CHANGE FUELS USED TO PRODUCE ELECTRICITY
- AN ADEQUATE RETURN ON INVESTMENT, NOR A RETURN NECESSARY TO ATTRACT NEW INVESTMENT DOLLARS

**Construction Starts on Poly Pipe Factory**

A new oilfield-oriented company recently broke ground near Gainesville.

Poly Pipe Industries, Inc. will manufacture and distribute to the oilfield polyethylene pipe and all accessory equipment.

The company is owned by business men, all of whom are actively involved in the oilfield in Texas, Oklahoma, New Mexico, and Kansas. Poly Pipe's aim is to have an oilfield-oriented company that will produce the highest quality pipe and always be sensitive to the needs of the oilfield industry.

The pipe is especially designed for use as flow lines, salt-water transmission, and low-pressure gas gathering lines.

The home of Poly Pipe Industries, Inc. is located on Highway 82, south of Weber Drive about three miles west of Gainesville. Its mailing address is Box 1219, Gainesville, Texas 76240.

Plans call for a \$120,000

building to be completed by late February and production to begin by mid-March.

Pipe sizes will range from one-half inch to six inches initially.

The company's stockholders extend an invitation to their oilfield friends to visit the plant for informal tours, once production begins.

President of the company

is Don Flusche and general manager is Pete Shauf. Jack Satterfield will be plant manager.

Members of the board of directors who were present for the ground-breaking are Jack Thompson of Wichita Falls, August Koch of Harrold, Guy Rosson of Gainesville, Derald Box of Granbury and Rusty Wilson of Electra.

Mr. and Mrs. John Mosman returned last week Wednesday from a two week vacation. They visited their son and daughter-in-law, Mr. and Mrs. Tom Mosman in San Angelo, then drove to Los Angeles to visit another son, Tim Mosman and to Mojave, California, where they were guests of their daughter Becky and family, the Marc Edwards and children. Together, Mr. and Mrs. Mosman and Mr. and Mrs. Edwards visited in Las Vegas, stayed at the Frontier Hotel and attended the show presenting Roy Clark and the Oak Ridge Boys. They also visited briefly with Jim and Lynette Harris and then returned to Mojave. Coming home the roads were clear, but snow was piled on both sides of the highways for 1300 miles.

**Muenster HD Club Hears Mrs. Yeatts On Record Keeping**

Mrs. Evelyn Yeatts led the program for the Muenster Home Demonstration Club's January meeting. She spoke on "Setting your Household in Order," emphasizing especially the importance of keeping and updating family records.

She also told of several coming events of interest to members of Cooke County Home Demonstration Clubs, including a meeting on February 1, at 1:30 p.m. in the Farm Bureau Building. An entomologist from Texas A and M University will speak on "Household Pests and Termites."

Mrs. Henry Henseheid was hostess in her home and served refreshments to 9 members and 4 guests, Mrs. Yeatts, Mrs. Paul Petsch, Mrs. Ted Henseheid and Mrs. Rufus Henseheid.

Andy Serna, a freshman and Terry Walterscheid, a sophomore at Grayson County College, began classes Monday, following the holidays and between-semester vacation.

**Reiter Baptism**

Cynthia Gayle, infant daughter of Mr. and Mrs. Johnny Reiter was baptized Sunday, January 16 at 2 p.m. in Sacred Heart Church. Father Stephen Eckart officiated.

Baptismal sponsors were Mr. and Mrs. Jimmy Kupper of Valley View. Cynthia's special christening gown was hand made by her mother and she wore a sterling cross and chain, a gift from her godparents.

Grandmothers attending were Mrs. Alphons Walterscheid and Mrs. Albert Reiter. Special guests were Mr. and Mrs. Martin Klement and Kirk. Other family members attended for a total of twenty-four.

Cynthia Gayle's parents hosted a family gathering and buffet meal in their home following the church services.

**4-H Club News**

Cooke County 4-H Adult leaders — both project and organization will meet Monday night, January 31 at 7:30 p.m. at the Cooke County Farm Bureau Building, Highway 82, in Gainesville. Deductible out-of-pocket expenses for volunteer 4-H adult leaders will be discussed. Mrs. Albert Zimmerer, Cooke County representative on the District Leaders Operating Council, will report on district activities. Assistant County Extension Agents, Mary Hinton and Larry Weise, will discuss program evaluation and upcoming 4-H activities.

Other outstanding students included the John Koerschner 41 selections; Karen Wolf 38 selections; and Joe Koerschner 30 selections.

A trophy was awarded to the first place winner and gold charms to second and third place winners.

A new contest began January 17.

### Price Increases For Aluminum Cans

A 2c per pound increase in the price paid for all-aluminum beverage cans by the Cooke County Distributing Company, the Pearl Beer distributor here, has been announced.

Effective immediately, all distributors in Pearl's statewide environmental program will pay 17c per pound for used all-aluminum beverage cans.

Cooke County Distributing, which is owned and operated by Urban Endrey, operates an all-aluminum can collection center at the distributorship, 315 North Mesquite.

### Sickings Attend FB Convention And Tour Hawaii

A trip to Hawaii to attend the Farm Bureau Convention, and arrival there on January 6, their 29th wedding anniversary, was a memorable event for Mr. and Mrs. Ray Sickings. They spent twelve days in the Islands, the first five in Honolulu and enjoyed 70 to 80 degree temperature in January.

One morning they were guests of Mr. and Mrs. Alfred Walter, who took them on a tour of the city, and that afternoon on a boat trip around Oahu. Saturday they toured the inner island by bus and took another boat trip in the afternoon.

Sunday, Monday and Tuesday were spent at the Farm Bureau Convention, attended by 14,000 members. On Wednesday they resumed their sight-seeing on Kauai, then to Hilo, Kona and Maui. They departed the following Sunday night and arrived at D-FW Monday.

Visits to national monuments and military areas on the Islands were of special significance to the Sickings, who paused at the National Cemetery and other places of interest, in memory of her brother, Bill Eberhart, who was in military service and lost his life there.

Mr. and Mrs. Harvey Watson of Gainesville traveled with the Sickings.
