

## Wringenmeisterschaft

The Muenster Chamber of Commerce and Wild West Wrestling Productions have joined forces to add world class wrestling to the list of Germanfest events for 2011. At a press conference last Saturday at Doc's Bar & Grill, the first participants officially signed. John Broyles, left, and Cowboy Johnny Mantell welcomed the wrestlers. See related story in Sports.

## United Way celebrates 55 year legacy in Cooke County

This year marks the 55th anniversary of Cooke County United Way. The organization has strong roots throughout Cooke County, especially in Muenster. Muenster businessman J. M. Weinzapfel was one of its first visionaries who helped to create an opportunity that concerned citizens could come together and work for the common good of all.

In the mid 1940s, United Way was known as the "Community Chest." Joe Leonard, Jr., Judge Carroll Sullivant, Leo Kuehn, Mrs. Rufus C. Whiddon, and A. Morton Smith were charter members. On March 24, 1955 the "Community Chest" became Cooke County United Fund. Charter members were Frank Morris, Jr. (First State Bank); Arley Daurity (Tyler & Simpson); J.M. Weinzapfel (Muenster State Bank); Mrs. Peter Hyde (housewife whose husband taught at the college) and Leroy Robinson (GNB). Cooke County United Fund's charter details the reasons the organization was formed:

- To promote social welfare of the community;
- To promote economy and efficiency in all such agencies (preventing duplication of efforts) and to combine and coordinate into a single organization all fundraising activities of such agencies;
- To advise in the undertaking of new work by existing agencies and the formation of new agencies;
- To study community conditions;
- To create and continue a

fund to be known as Cooke County United Fund.

In October 1985, it became known as Cooke County United Way. Cooke County's giving spirit grew with the years. In 1976, the community goal was \$75,000, in 1987 the goal was \$147,500, in 1996 the goal climbed to \$260,000 and marking the 55th anniversary the 2011 goal is \$360,000 funding 18 agencies serving Cooke County citizens.

Of the eight United Way Pacesetter Companies this year, three Muenster businesses have once again stepped up to the plate with strong support. Through employee and corporate giving; First State Bank, Muenster State Bank, and Nortex Communications, along with eight other county Pacesetter companies, helped raised

33% of the campaign goal. This truly "set the pace" for the community campaign that kicked off Sept. 3 with the traditional luncheon.

This year's campaign division leader for Muenster is United Way Board member, Debbie Hess of Turtle Hill Golf & Conference Center. Joining Debbie are United Way Board members Mary Rondon of Motorola and Kathy Boone of Cooke County Electric Co-op. Board member Shelley Carson of WinStar and her husband, Tom Carson will also be joining the team. Debbie will be finalizing her campaign team to work together in contacting area businesses and individuals asking for pledges and donations.

On Oct. 13, United Way will conduct Blitz Day between 10 a.m. and 1 p.m. See UNITED, pg. 8

## Motorcycle ride to benefit Weldon Sicking and family

On Nov. 10, 2009, Weldon Sicking was in a very serious motorcycle accident that left him with multiple fractures in the neck, both arms, and face. He spent 20 days in the hospital undergoing numerous surgical procedures to repair the damage. On Aug. 30, he underwent another surgery to further repair his injured shoulder.

Though God has blessed him in this process through

the generosity of individuals and organizations in and around Muenster, the hospital stays, surgeries, physical therapy, and lost income have been a severe financial strain on the family. And he still has many more rehabilitation appointments remaining.

Therefore on Sept. 25, there is a 100 mile benefit motorcycle ride to help defray some of the medical ex-

penses involved in his recovery. The ride will leave from First Baptist Muenster at 10 a.m., with registration starting at 9 a.m. There will be a spaghetti lunch and dessert for all participants following the ride.

For more information on this event, call Troy Lutkenhaus at 940-736-4294 or First Baptist Muenster at 940-759-2772.

## Come Sunday for community fun day

By Janet Felderhoff

For the fifth consecutive year, Muenster residents have the opportunity to gather for a day of fun, fellowship, and getting to know the neighbors. On Sunday, Sept. 26 beginning at 1 p.m. in the City Park, everyone is invited to bring themselves and their family to enjoy lunch and an afternoon packed with visiting and fun.

This year, in conjunction with their 100 year anniversary, the Muenster Knights of Columbus Council #1459 is sponsoring the annual Community-wide Family Day in the Park. This is an opportunity for the KCs to give back to the community that has supported them over the decades. In past years, it was sponsored by the Sacred Heart Unity and Fellowship Committee.

Meats such as brisket, sausage, fried chicken, and hot dogs will be available. See FUN, pg. 8

## Earth turned for Germanfest pavilion

A sizeable crowd gathered on Wednesday, Sept. 15 at 5:30 p.m. to take part in groundbreaking ceremonies for the Germanfest, Inc. Park. Anyone who brought a spade participated in turning the first shovels of dirt in the area that is to be the pavilion for a new Germanfest park.

Germanfest, Inc. purchased 64 acres of land located on the corner of Ash Street and Hwy. 82 for the

purpose of creating a permanent home for Germanfest. The location will also be suitable for other similar events.

Sponsors of the three-day Germanfest estimate that it brings over a million dollars into Muenster yearly and they hope that the Germanfest park will bring even more visitors and money into Muenster.

Alvin Fuhrman, who motivated the project, remarked,

"The whole area will benefit from the development of this park. There are many things that can be accomplished with the monies brought into town by this park. The various organizations that benefit from Germanfest each year could also benefit from monthly and quarterly events. Money from the events will help fund many of the organizations in town such as the Jaycees, KCs, Kiwanis, and the Bette M. Luke Library. Scholarships and donations could also be a benefit of this park."

Alvin and Gracie Fuhrman donated \$1.5 million to be used for the building of the pavilion. He said, "We only have a small portion of the funds needed to complete the park and will take any and all donations for the facility. We will need much more than what has been donated to date. Our plans are

## Hess convinces American Choppers to give ATVs a whirl

By Janet Felderhoff  
Shawn Hess of Muenster and his dad Glenn have been involved with riding ATVs (all terrain vehicles) for most of their lives. That is now paying off in a big way as they use their knowledge and love of ATVs and racing them to create innovative parts for their company Hess Motor Sports.

Soon their new products will be part of the TLC series American Chopper and they will participate in the show's first-ever ATV build. Typically, the show features Chopper motorcycles.

Shawn and Glenn were at a trade show in Fort Worth from July 9-11 when Paul "Junior" Teutul, Jr. approached them about using their products on some bike builds. "I asked him if he ever considered doing an ATV build because Bling Star, primarily, that's their business, is in the ATV side of things," recalled Shawn.

Junior promised to consider it. While in Fort Worth, a segment was filmed with Junior speaking with them about everything.

It was three weeks later that the call came telling Shawn and Glenn that Junior planned to do the ATV build for his show. The Muenster duo flew to New York as representatives of Bling Star overseeing the project. The ATV was being built for Bling Star's race team. Shawn said, "Bling Star wanted Paul, Jr. to build something that when it's at the track there's no question who's bike that is, what team it belongs to, something that's bold and really makes a statement - loud is a good term."

Junior and his team brainstormed on the project and came up with a design. "They really hit the nail on the head," observed Shawn. "Bling Star's whole company motto is that they're inno-

vative and they're different. That's one thing that they strove for in this."

Products produced by Bling Star were used in the ATV build. That included some parts made in Muenster. Shawn noted, "They used our parts that we make here in the shop. The parts that my Dad and I invited. They used those parts in the bike build along with Bling Star's other products. They built a really, really awesome ATV."

Filming for the American Chopper show featuring the ATV build is expected to air Jan. 13, 2011 on TLC. It was filmed on a motorcross track in Newburgh, New York. For those curious about the appearance of the ATV, they will have to remain in suspense until the show airs in January. It is being kept a guarded secret until then.

Both Shawn and Glenn have years of experience

## Agnes Sicking Prescher 1916 - 2010

Mass of Christian Burial was held for Agnes Sicking Prescher of Gainesville on Thursday, Sept. 16 at 10 a.m. in St. Mary's Catholic Church, officiated by Rev. Jeremy Myers. Mrs. Prescher died at age 93 on Monday, Sept. 13, 2010 at Denton Regional Medical Center.

Agnes Annie Sicking was born south of Muenster on Dec. 13, 1916 to August and Augusta Flies Sicking. She was the fifth of 12 children.

On April 22, 1936, she married Peter Bernard Prescher in St. Boniface Catholic Church in Scotland, Texas. They were blessed with three sons Raymond, Lloyd, and David. In 1946, Pete and Agnes moved to a dairy farm south of Gainesville.

Agnes was a loving wife and mother who worked hard to keep the house clean and have good hot meals on the table. She loved to cook and bake, particularly the best homemade bread and homemade fruit pies. The grandchildren looked forward to eating at Grandma's house. Agnes loved to can fruit and vegetables from the garden, and as a dairy farmer's wife, she packed their lunches when they went to work in the fields away from home. They always had plenty to eat, and when they got home, no matter how late, there was always a hot meal on the table.

Agnes loved to sew. She made a quilt for each member of the family. She prayed a lot (especially the rosary) and loved to go to church. Even when she did not feel well, she still wanted to go.

Agnes is survived by her son David Prescher; grandchildren Brett Prescher, Bart Prescher, Connie Reiter, Dianne Prescher, Ronnie Prescher, Monica Prescher, Michelle Cheaney, Debbie Deyo, Dana Prescher, and Brian Prescher; daughter-in-law Helen Prescher; great-grandchildren, Cody Prescher, Caylee Cheaney, Cutter Cheaney, and Aiden Prescher; two step-great-grandchildren Jessica Bilbrey and Lydia Hamlet; two step-great-grandchildren Lexi Hamlet and Zoey Bilbrey; sisters Hilda Prescher of Gainesville and Dorothy Buttrill of Fort Worth; brothers Victor Sicking and Louis Sicking, both of Muenster; and several nieces and nephews.

Agnes was preceded in death by her husband; sons Raymond and Lloyd;

## Marjorie French 1922 - 2010

Marjorie Biffle French was born Marjorie Irene Biffle at Myra Hospital on Sept. 25, 1922. She died Monday morning, Sept. 20, 2010, after a long, happy, and useful life. Marjorie was called "Maggie" by her husband and many of her friends. She was a fourth generation Texan and grew up on her parents' stock farm outside of Myra.

Marjorie graduated from Gainesville High School and Cooke County Junior College. During WWII, she worked as a supply clerk at Camp Howze Army Base near Gainesville where she met her future husband Roberts O. French, who died in 1981. They had three sons who survive her as well as

Agnes Prescher

daughters-in-law Frankie Jo Prescher and Stephonie Prescher; sisters Annie Hacker, Gertrude Koelzer, Hattie Jetselberger Zawko, Margaret Rainwater, Marie Ford, and Cecillia Perryman; brother Thomas Sicking; her parents; and parents-in-law, Joseph and Anna Prescher.

Rosary service and visitation were held at Geo. J. Carroll Funeral Home on Wednesday, Sept. 15, at 6:30 p.m., led by niece Vickie Self.

Participating in the liturgy of Christian Burial with Readings from the Old Testament and New Testament, respectively, were Jennifer Young and Vickie Self. Offeratory gifts were presented at the altar by granddaughter Dianne Prescher.

Eucharistic ministers were Vickie Self, Jimmy Krahl, Florence Prescher, and Sister Mary Helen Fuhrmann. Music ministers were members of the Angels of Mercy Choir accompanied by organist Pat Hennigan, Jr. Sacred songs included "Amazing Grace," "Psalm 23," "Just a Closer Walk with Thee," "In the Garden," and "How Great Thou Art." Altar servers were Jacob Goldsworthy, Suzanne Schmitz, and Joan Dill.

Burial in Fairview Cemetery was directed by Goo. J. Carroll Funeral Home. Pallbearers were grandchildren Bart Prescher, Connie Reiter, Ronnie Prescher, Monica Prescher, Michelle Cheaney, and Brian Prescher.

A family meal was served in St. Mary's Parish Hall, provided by St. Mary's Altar Society.

Memorial contributions may be made to St. Francis of Assisi, 727 S. Travis Street, Sherman, TX 75090.

two grandchildren and four great-grandchildren.

Marjorie and her husband lived in Dallas after the war, but she could never be away from the farm for long and came every weekend for most of her life. When she finally retired in 1990, she started work on a cabin at the farm, and after years of hard work eventually turned it into a real home, where she lived the rest of her life. She loved playing bridge and was a regular at bridge tables around Cooke County.

Her last days were happy and cheerful ones, as were most of those that preceded them.

Graveside funeral services were Wednesday, Sept. 22 at Reed Cemetery outside Myra.

You know you've read a good book when you turn the last page and feel a little as if you have lost a friend.  
Paul Sweeney

# HESS

riding ATVs. Glenn started when he was 17, but gave his son a much earlier start. Shawn was only 21 months old when he first rode. He rides both ATVs and dirt bikes. Shawn is a five time Texas ATV Cross Country Series Champion for 2004 through 2008.

They turned their love of the sport into a job that they enjoy doing. Combining their knowledge and experience, Glenn and Shawn come up with ideas for new products and now make them in their shop in Muenster. The shop is located in what was once Glenn's Paint & Body. Shawn said, "Prior to the shop closing, we did a lot of product testing and development with other companies, but not so much on our own. Since we have room, we started developing products on our own from our own standpoint. We CNC everything in-house. We can design and test it 100% here, which is a big plus. Most of these companies don't have their own testing facility. Once they develop something, they have to send it out to riders around the country to have it tested and then rely on that feedback. One thing that is unique with us is that we can design it, build it, and test it all in one place."

Wesley Sicking and Leroy Voth partner with Shawn and Glenn in the machining side of the business venture. Sicking and Voth have 30 years of experience in machining, and there are 50 years of experience between Glenn and Shawn in the ATV and motorcycle side.

Shawn explained, "Dad and I draw it up and Leroy takes from our ideas and figures out how it needs to be machined to be made. Then Wesley and I run the machine to the parts. It's a unique relationship, but it works out very well."

They have been testing parts for two years. The parts they make have been available to the public since this March when they were released at the Indianapolis dealer show at the end of February. The parts are sold across the world including Australia and Europe.

Parts developed and being marketed are a sprocket and rotor guard setup. Shawn noted, "The rotor guard had never been built for ATVs before. That whole setup eliminates the need for a skid plate. All a skid plate does is protect your sprocket, which

is your chain drive setup and it protects your brake rotor on the rear from rocks and that kind of stuff." Being a fixed object, the skid plate got the ATV stuck at times. Shawn said their design on the sprocket side rotates as the sprocket is moving so it is a spinning mass that protects the chain and crawls across anything that comes under it.

The rotor guard, he said, is a skid with a very narrow contact surface so the ATV doesn't lose momentum when something drags it. He added that it is also unique that the rotor guard works off the same cam as the rear end.

Shawn is sponsored in his ATV racing by Bling Star of Corona, California. Hess Motor Sports has Bling Star market their parts. Tucker Rocky Distributing, the sec-

ond largest distributor in the U.S., recently picked up the parts, and they are in negotiations with other distributors.

Shawn admitted it is something that he really loves to do. "Because it is something that I love so much, that's where my heart is. It's great to be able to work at something and if your heart's in it, work doesn't seem like work. Work seems like fun," he remarked. He added that he sometimes goes to bed thinking about new ideas.

"To me, with today's industry being so innovative, you have a lot of composite material being made that is very strong. So stuff is getting to be as strong as your alloys. They're pushing the envelope. That's the kind of stuff we like in this sport - stuff that pushes the envelope.... I just always think

outside the box and never be too satisfied with 'It's perfect' because when you think something is perfect, you're wrong.

"If you are on the leading edge of that, you don't even have to worry about your company suffering when the other people are lagging behind. You'll always have your customers that are following you because they know you are on top of things and that's what I'm trying to do," Shawn noted.

The young entrepreneur added that he builds products that have their function factors because that, especially in small town mentality, brings back the repeat customer.

Shawn and his Dad and mother Jeannie work together in their business located at 202 North Mesquite Street in Muenster.

to build with the funds as we receive them." There are plans by the Germanfest, Inc. Board of Directors to host fundraisers to cover some of the expenses of building the park such as utilities, parking, landscaping, and fencing.

Also, they are offering the purchase of bricks that can be inscribed with the donor's name or name of a loved one. These are available in assorted sizes and costs. The sale of these bricks began at the ground breaking and will continue for some time.

For more information, contact any member of the Board.

Chamber of Commerce Director John Broyles was master of ceremonies. Fr. Ken Robinson blessed the park. Muenster Mayor John Pagel welcomed guests.

All were interested to hear architect Terry Harden reveal plans for the future park.

Paul "Junior" Teutul, Jr., at right, of American Choppers explains to Shawn Hess all the interesting things done to the ATV they built for Bling Star. The public must wait to see the finished product. Photo courtesy of www.garretthamilton.com

# Anticipation High as Ohio Valley Gold and Silver Refinery Opens for Business Next Week in Gainesville!

By **CHRISTINA BUTLER**  
STAFF WRITER

Been following the gold and silver market lately? Well if you have a jewelry box or lock box full of gold or a coffee can full of old coins you should be according to Ohio Valley Refinery spokesperson John Miller. "The gold and silver markets have not been this strong for over 30 years" said Miller. Typically when the U.S. dollar is weak and the economy is flat gold and silver markets soar. "That's good news if you are setting on a few gold necklaces or an old class ring" says Miller.

Next week, starting Tuesday at 9am and every day next week through Saturday, the Ohio Valley Refinery will be setting up a satellite refinery right here in **Gainesville** at the **Hampton Inn & Suites**. During their 5 day stay, anyone can bring gold, silver or platinum items and turn them in for immediate payment, explains John Miller. "Just about everybody has some amount of gold or silver just lying around collecting dust and next week anybody can sell theirs direct to our refinery. Typically, selling direct to a refinery is reserved for larger wholesale customers like jewelry stores, pawn shops, and laboratories," says Miller. "We are changing how business is done," he explains. "We want to do business with everybody so we took our business to the streets. Our teams visits various cities around the country hosting 5 day events allowing the general public to take advantage of our services. The turnout has been overwhelming," says Miller. "Usually each day is busier than the previous day. It seems once people come to us and sell something, they are so amazed by what an old ring or gold coin is worth that they go home and start digging around for more and telling relatives, friends and neighbors. It's like a feeding frenzy by the third day. People line up with everything

Above • Refinery representatives will be on hand next week, starting Tuesday and continuing through Saturday, to purchase all gold, silver and platinum items, as well as coins. Public welcome!

from gold jewelry to sterling silver flatware sets to old coins. I think during this bad economy everybody can use extra money but most people say they are taking advantage of selling direct to our refinery because of the higher prices we pay." During this special event anyone is welcome to bring all types of gold, silver and platinum to the refinery and turn it in for instant payment. The types of items they will accept include all gold jewelry; gold coins; gold ounces; dental gold; old coins dated 1964 and before including: Silver Dollars, halves, quarters and dimes; anything marked "sterling" including: flat ware sets, tea pots, silver bars, silver ounces and all industrial precious metals. What should you expect if you go to the event to sell your gold and/or silver? Just gather up all gold silver and platinum in any form. If you are not sure if its gold or silver bring it in and they will test it for free. When you arrive at the event you will be asked to fill out a simple registration card and

will be issued a number. Seating will be available. When your number is called you will be escorted to a table where your items will be examined, tested and sorted. This only takes a few minutes using their expertise and specialized equipment. Items will be counted and/or weighed. The value of the items will be determined based on up to the minute market prices. Live feeds will be available at the event displaying current market prices of all precious metals. If you choose to sell your items, they will be bagged and tagged and you will be escorted to the cashier to collect your payment. Waiting time to sell your items may range from just a few minutes to 1 hour so bring something to read. If you are the owner of a jewelry store, pawn shop, dentist office or a dealer you are encouraged to call ahead to make an appointment with the smelt master to discuss their special dealer programs. They can be reached during refinery hours at **(940) 612-4300**.

Ohio Valley Refinery will open for business Tuesday from 9am-6pm. The event continues every day through next Saturday. No appointment is needed.

## Silver and Gold Coin Prices Up During Poor Economy.

*Collectors and Enthusiasts in Gainesville with \$200,000 to Purchase Yours!*

By **CHRISTINA BUTLER**  
STAFF WRITER

Got Coin? It might be just the time to cash in. Next week, starting Tuesday and continuing through Saturday, the International Collectors Association in conjunction with the Ohio Valley Gold & Silver Refinery will be purchasing all types of silver and gold coins direct from the public. All types are welcome and the event is free.

Collectors will be on hand to identify and sort your coins. Then the quality or grade will be determined. According to collectors I talked with, the better the grade the more they are worth. With the current silver and gold markets, high prices are being paid for older coins too. Any coins minted in 1964 and before in the U.S. are 90% silver except nickels and pennies.

The coins worth is determined by the rarity and the grade. Old silver dollars are worth a great premium right now. Even well worn and heavy circulated ones are bringing good premiums. Franklin and Kennedy halves, Washington quarters and Mercury and Roosevelt dimes are all worth many times their face value. While older types like Seated Liberty, Standing Liberties, and Barber coins are worth even more.

Gold coins are really worth a lot right now according to Brian Eades of the International Collectors Association. This country didn't start minting coins until 1792 says Eades. Before that people would trade goods using gold dust and nuggets. Some shop keepers would take more gold than needed to pay for items purchased. There was no uniform system of making change.

The government opened the first mints and began distributing the coins in 1792. By the beginning of the 19th century, coins and paper currency were wide spread and our monetary system was here to stay. In 1933 Roosevelt required all banking institutions to turn in all gold coins.

Once all banks turned in this gold, the president raised the gold standard from \$20.00 per ounce to \$33.00 per ounce. This was his way of stimulating the economy during the great depression. However, gold coins were never redistributed after the recall. Not all gold coins were turned in. Many folks during that time didn't completely trust the government and chose to keep their gold.

These gold coins are sought after by collectors today and bring many times the face value. Any gold coins with the mint marks of CC, D or O will bring nice premiums. Collectors at the event will be glad to show you where to look. Other types of coins will also be purchase including: foreign coins, Indian head cents, two cent pieces, half dimes, three cent pieces and buffalo nickels to name a few.

Collectors warn people against trying to clean their coins as significant damage can be done and the coins value lessened.

**Items we will accept include:**

- Scrap Jewelry
- Dental Gold
- Sterling Silverware
- Sterling Silver Tea Sets
- Silver Dollars
- All Coins Dated 1964 & Earlier
- Industrial Scrap
- All forms of Platinum

### Items of Interest:

- Vintage Guitars:** Martin, Gibson, Fender, National, Rickenbacker, Gretsch, Mandolins, Banjos and others
- Pocket Watches:** Hamilton, Illinois, Waltham, Patek Phillipe, Ball, Howard, South Bend, Elgin and others
- Wrist watches:** Omega, Accutron, Longines, Hamilton, Breitling and many more
- Old paper money:** United States, Confederate States, Blanket Bills, \$1000.00 bills and more
- Antique Toys:** Trains, Tin wind-ups, Mechanical Banks, Robots, Pressed Steel trucks, and many more

Local records reveal to our research department that recent vintage guitar sold for \$2400.00 and another for \$12,000.00 to a collector that will be tied into the event next week via live database feed.

### Local Residents are ready to cash in!

*International antique buyers in town next week and ready to stimulate economy!*

By **CHRISTINA BUTLER**  
STAFF WRITER

Hundreds of phone calls from local residents this week to the corporate office of the Ohio Valley Gold and Silver Refinery pour in inquiring about items to be purchased all next week by the team of antique buyers that is on site with OVGSR.

The team of buyers next week are purchasing a vast array of vintage items (see left) along with coins, gold jewelry, and sterling silver items the refinery deals in. It is a Local shot in the arm for our economy. The spokesperson for the event expects to spend in excess of \$200,000.00 next week at the **Hampton Inn & Suites** paying local residents on the spot. The spokesperson for the company explained that these collectors are paying collector price for vintage items. It's a great way for people to get a great value for their items.

**WE BUY 10¢ & 12¢ COMIC BOOKS!**

**Top Five Items To Bring**

- Gold Jewelry
- Silver Coins
- Gold Coins
- Sterling Silver
- Pocket Watches

Refinery representatives will be on hand next week starting Tuesday to purchase all gold, silver and platinum items, as well as coins. Public welcome!

## Keep Muenster Beautiful awards appreciation certificates

In attendance at the Sept. 13 Keep Muenster Beautiful Open House to receive recognition for support and contributions to KMB included, from left, above - Laura Marshall, Mike Marshall, John Pagel,

Jewel Otto, Rick Walterscheid, Tom Hesse, and Carla Zwinggi.

At left - Jesse Walterscheid; at right - Janie Hartman and Doug Lockhart; below - Muenster Boy Scouts, Troop 664.

Janie Hartman photos and courtesy photo

## KMB hosts Open House and presentation of many awards

Keep Muenster Beautiful (KMB) proudly showed off the renovations of the old Jaycee meeting room at the Muenster City Park. The meeting room is now called KMB Haus.

The City gave KMB permission to renovate and use the facility for storage and meetings. KMB recruited volunteers and businesses to perform tasks for reduced amounts or donated. German Bavarian trim was added to the outside by Laura and Mike Marshall. The walls and ceiling were repainted with recycled donated paint. Energy efficient windows, cabinets, and attic stairs were installed by Rudy Koesler. Curtis Hesse of Hesse Schniederjan cleaned and reinstalled the AC unit. Community Lumber provided materials. Rick's Electric wired outlets. Stick Lamar helped remove a tree crowding the foundation. Roger Endres painted cabinets.

Each received a certificate of appreciation during the open house.

Certificates were also presented to those who have helped KMB in the past year. These included *Muenster Enterprise* for publicity; City for partnership help; Nortex for publicity on Channel 2; Jesse Walterscheid and Dan Bezner for swing-man help; Muenster State Bank for feeding volunteers at each Trash Off campaign, as well as during the open house; Matt Sicking for help cleaning up an illegal dump; and Chris A. Dougherty for litter control within the City of Muenster.

The open house was also the fall kickoff for the final leg of the GCAA (Governor's Community Achievement Awards) contest. Muenster could win a \$90,000 landscaping prize. The attendees were reminded to begin and complete projects for their organizations before mid-

December. KMB can count all activities done by member organizations through 12-31-10 in these categories: 1.) Promoting Public Awareness, 2.) Education (schools), 3.) Beautification/Community Improvement, 4.) Litter Prevention and Cleanup, 5.) Solid Waste Management (household and commercial trash), 6.) Illegal Dump Cleanup and Litter Law Enforcement.

KMB reminds everyone that all community organizations are members, and all activities might have some worth to help Muenster win the GCAA contest if it can be associated with any one or more of these categories. Keep track of dates, man hours, donations, and people who saw or took part in the project. Report this information to any Board member or student vice presidents at either school as soon as it happens.

Submitted by Gary Fisher

## New members sought for VFW Auxiliary

The Muenster VFW Auxiliary will be accepting membership dues payment and are looking for new members. Ladies who are wives, widows, mothers, foster and stepmothers (who have performed the duty of parent), grandmothers, daughters, granddaughters, foster and stepdaughters (who attained the status prior to age 16), half-sisters, foster and step-sisters (who attained that status prior to age 16) of persons who were or are eligible for membership in the Veterans of Foreign Wars of the United States and not less than 16 years can join the

Auxiliary. Eligibility for membership in the Veterans of Foreign Wars is based on honorable service (in the Army, Navy, Marine Corps, Air Force, or Coast Guard) performed by officers or enlisted personnel, with service recognized by the award of a campaign or service medal of the U.S.A. or by any other criteria established by the Veterans of

Foreign Wars of the U.S. The veteran whom the person is wishing to join on does NOT have to be a member of the VFW. But the proof of the service to establish eligibility for membership rests with the applicant. If interested in joining the Auxiliary, contact Lucille Hesse, treasurer, or Frances Bayer, president, or Ethel Hesse, membership chair.

## New Arrivals

### Huchton

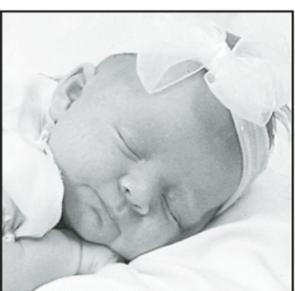

Travis and Elizabeth Huchton of Lindsay are happy to announce the birth of their daughter Landrie Elaine Huchton. Landrie was born Tuesday, Aug. 17, 2010 at 4:26 p.m. at Wilson N. Jones. She weighed 7 lb. 12.1 oz. and measured 21 inches long. Proud of their baby sister are siblings Madison, age 8, and Nathan, age 5. Grandparents are Charles and Alyce Cler and Margie and David Huchton, all of Lindsay. Great-grandparents are Armella Cler and Billye Huchton, both of Muenster, and William and Mary Hermes of Hood.

Zoe Warner

### Warner

Grant and Valerie Warner of Dallas proudly announce the birth of their daughter Zoe Caroline Warner on Tuesday, Aug. 31, 2010 at Presbyterian Hospital Dallas. Zoe was born at 2:25 p.m. weighing 9 lb. and measuring 21 1/2 inches in length. Welcoming Zoe to the family is her big sister Hannah Katherine, age 3. Grandparents are Warren and Martha Warner of Lubbock and Jim and Carol Fuhrmann of Muenster. Great-grandparents are the late Val and Girlie Fuhrmann and the late Ed and Gen Pels.

Landrie Huchton

## Bake sale by VFW Auxiliary to benefit cancer fund

Friday, Oct. 8, beginning at 7:30 a.m. at Fischer's Market, the annual Bake Sale fundraiser sponsored by the Veterans of Foreign Wars Ladies Auxiliary #6205 will be taking place. A variety of homemade baked goods will be provided by the ladies. They are hoping that customers will drop in to purchase the goodies and help to raise funds to aid those who are suffering with cancer.

Some of the monies are also used to help with other community and veterans programs in which the Auxiliary is required to participate.

The members hope to have enough baked goods to sell until 5 p.m. Donations will also be accepted with much appreciation. Lucille Hesse is the official chairperson of the fundraiser.

## Dallas Discount comes to Gainesville!

The North Texas Medical Center Auxiliary will be sponsoring a \$6 and More Jewelry and Accessory Sale on Thursday, Sept. 30 from 4 to 8 p.m., and Friday, Oct. 1 from 7 a.m. to 4 p.m. The sale will be held in the Board Room at NTMC and is open to the public.

Come check out the great selection of jewelry, handbags, accessories, and gift items! Shop early for Christmas and help out a great organization. Contact Gayla Blanton at 612-8373 for information.

## CCRW focus on service and sacrifice

Traditions of service and sacrifice in our nation will be the focus of the Cooke County Republican Women's meeting Thursday, Oct. 7, at the First Christian Church, 401 N. Dixon in Gainesville. The evening begins at 6:30 p.m. with a Chili Cook-Off, followed by a meeting and program, and wrapping up with more chili and announcement of the winners.

Russ Durstein, GOP chair in Tom Green County (San Angelo) and member of the State Republican Executive Committee, will speak on the new energy among conservatives and how that impacts the upcoming election.

Russ is a conservative activist and a six year Air Force Veteran who served under President Reagan during the Cold War. Russ' son has served in both Iraq and Afghanistan.

Come hungry for information and for good Texas chili. For more information, please contact Dianne Helms, 940-368-0007, or Pauline Lesch, 940-726-3954.

## Native son Klement begins a new position

David Klement of Bradenton, Florida, formerly of Muenster, has been installed in a newly created position for the county of Manatee in Florida. As the County's organizational development manager, he will be working to make the government of the County run more efficiently. He will also analyze the County's programs and services looking for waste.

With a show of great confidence in his abilities, Klement was hired for the position without advertisement to the public and began work

on Sept. 13. County Commissioner Ron Getman noted that "Klement is a highly qualified individual who will be an asset to the County."

David Klement is the son of the late Johnny and Ollie Klement. His sister Betty Jean "Sug" Bindel lives in Muenster.

Klement worked at the Bradenton Herald from 1975 to 2007. After he retired, he became director at the Institute of Public Policy and Leadership at the University of South Florida Sarasota-Manatee.

## ECI celebrates 30 years of services with Stroller-Thon

Early Childhood Intervention (ECI) Texoma will celebrate 30 years of service with a Stroller-Thon on Saturday, Sept. 25. ECI programs throughout the state will also be holding celebrations in their service areas. The local celebration for Grayson, Cooke, and Fannin counties will be held at Pecan Grove Park, Sherman, from 10 a.m. to noon.

Activities and light refreshments will be provided. Families who are currently enrolled, families who have received services in the past, and community members who have an interest in the services provided by ECI are invited to join in this celebration.

ECI serves children birth to three years of age that have developmental delays in some area. These children have varied problems and needs. The program is designed to encourage and assist parents with an infant or a child who appears to be slow in development or who has organic deficiency and/or medical conditions that usually result in developmental delay. The program provides developmental and support services for infants and children. Services include:

- screening, assessment, and referral;
- developmental services

provided in the home and community-based settings;

- related services such as occupational, speech, and/or physical therapy;
- family support and training;
- special equipment, toy, book, and video lending library;
- service coordination for the child and family;
- referral and transition services;
- other services specific to child and family needs.

ECI provides early intervention in families with developmentally delayed children. Early intervention is the most effective strategy to enable the child to live as a functional adult and is the most cost-effective time for intervention. Children in the ECI program have all types of problems. Some may have Down Syndrome; cerebral palsy; complications from premature birth; have sight, hearing, or speech problems; may show signs of failure to flourish; or be at risk for developmental delay.

Anyone can refer a child to ECI by calling 903-395-4445. After the child is referred to ECI, a team of professionals makes a determination of developmental delay through an interdisciplinary evaluation process.

KEEP MUEENSTER BEAUTIFUL YARD OF THE MONTH honors for September were awarded to Sacred Heart Elementary School at 153 East Sixth Street. Caretaker of the flowerbeds that surround the school is Imelda Rohmer who spends countless hours watering, weeding, and planting to keep them attractive and thriving. Lending summer color are crepe myrtle and althea bushes and many flowers including marigolds, periwinkles, tempos, moss roses, four o'clocks, and cannas. Cooler season plants include chrysanthemums, dianthus, snap dragons, and pansies. Many of the plants reseed from year-to-year, while some are donated by Whitecotton's or come from someone's garden. Imelda said she is most appreciative of all who have helped her with the garden chores from time to time. Some of those helpers are pictured. Pictured are, from left, Amanda Knabe, Emily Austin, Bella Walterscheid, Kelsey Reeves, Will Green, Donna Biffle, Leonard Vogel, Imelda Rohmer, Bob Bartush, Austin Miller, Michael Davis, and Andrew Ware. The SH KMB Club will be helping with fall planting. To nominate a Yard of the Month, call the Muenster Enterprise at 759-4311 or the Muenster Chamber of Commerce at 759-2227, or tell any member of KMB. Janie Hartman photo

## VFW Auxiliary members meet

The Ladies Auxiliary VFW #6205 held their regular meeting on Monday, Sept. 20 in the Post Home with Frances Bayer, president, presiding. Ethel Mae Hesse served as guard pro tem.

The opening ritual and pledge to the flag were given by Hilda Sicking, conductress pro tem, Mary Lee Hennigan, chaplain, and Eleanor Felderhoff, patriotic instructor. Secretary Ida Mae Bindel took roll call and read the minutes of the previous meeting, with the treasurer's report given by Lucille Hesse.

Members voted to make donations to the VA Hospital and to the local nursing home for their bingo games. The annual cancer benefit Bake Sale, set for Oct. 8 beginning at 7:30 a.m. at Fischer's Market was discussed. Members signed three get well and sympathy cards.

The voice of Democracy Essay title for this year is "Does My Generation Have

a Roll in America's Future?" The Patriot's Pen Essay title is "Does Patriotism still Matter?" District I President Vernell Flood will make her official visit at the Oct. 18 meeting beginning at 7:30 p.m.

Before the meeting, mem-

bers participated in a ceremony remembering POW (prisoners of war) and MIA (missing in action). Lighted candles and small flags representing all the various branches of service and the POW-MIA flag were used in the service.

## SHCS plans Homecoming celebration for Oct. 1 and 2

Sacred Heart Catholic School and Sacred Heart Alumni and Supporters have been busy preparing for the annual Homecoming festivities. Homecoming will be observed on Friday, Oct. 1 at the football game when Sacred Heart's Tigers play Lutheran Christian.

Members of the Homecoming Queen's Court were announced this week. They are Seniors Sydney Hoedebeck, daughter of Joe Hoedebeck and the late Shellie Hoedebeck; Rebekah Hesse, daughter of Bert and Christy Hesse; Hayley Hess, daughter of Gary and Clarissa Hess; and Taylor Reiter, daughter of Felicia Reiter and Dale Reiter. Class Princesses are Junior Kendall Reiter, daughter of Felicia Reiter and Dale Reiter, Sophomore Sarah Miller, daughter of Harry and Louise Miller, and Freshman Karleigh Reeves, daughter of Kevin and Sandra Reeves.

The theme selected by the student body for Homecoming is Holidays. Special events are:

Sunday - Decorate High School building halls and volleyball at the park

Monday - Tacky Day; Tuesday - Holiday Day and Powder Puff;

Wednesday - Hillbilly/Nerd Day and 8 p.m. - Pep Rally;

Thursday - Queen's Court Luncheon;

Friday - Spirit Day, Pre-game festivities 6 p.m., game 7:30 p.m.

Graduates from the years of 1940, 1950, 1960, 1970, 1980, 1990, and 2000 will be honored at the football game on Friday. A social will be held at the KC Hall after the game for all graduates. Refreshments will be provided.

Activities continue on Saturday as the Alumni and Supporters host a golf tournament at Turtle Hill as a fundraiser for the Sacred Heart Trust Fund. Tee off time is noon. Participants are still being accepted for the event. The cost to enter is \$550 per person or \$1,000 per team. All who enter

will receive tickets to Vegas Night and to the Trust Fund dinner.

For more information, call Drew Springer at 940-736-9493.

More fun is planned for Saturday night as the Alumni and Supporters hosts its annual Vegas Night. It will be held in the Community Center with doors opening at 6 p.m. Gambling begins at 6:30 p.m. Food, beer, and wine will be served.

Tickets to Vegas Night are

\$25 in advance and \$30 at the door. The price includes playing chips and food and drinks. Door prizes will be awarded throughout the evening.

Auction prizes include several large themed baskets and the grand prize is a travel voucher.

To purchase advance tickets, contact either of the following: Tammy Truebenbach, 736-5130, Vickie Fleitman, 736-1041, or Jennifer Aldriedge, 736-4809.

## MISD names Duke Talent Search qualifiers

The Duke University Talent Identification Program has been a national leader in identifying academically talented students and providing innovative programs to support the development of their optimal educational potential.

For Texas seventh grade students, the invitation to participate in the program is mainly based on the scores from the Texas Assessment of Knowledge and Skills (TAKS). This year, the students must have scored in the 99th percentile or higher to participate.

This year, 22% of Muenster ISD seventh graders are eligible and invited to participate in the 2010-11 Seventh Grade Talent Search. Qualifiers are Jordan Buddy, Mason Davis, James Lee, Alaina Reiter, Sammy Saucer, Claire Schneider, Kimber Walterscheid, and Reagan Weger.

Benefits of participating in the program are gaining the knowledge and experience of taking an above-level test like the SAT or ACT, receiving resources that provide guidance in test-taking

skills, strategies on working with schools, and information about the college process. Students also will be informed about summer and academic year programs across the United States.

Muenster ISD 7th Grade Duke University Talent Search qualifiers include, pictured from left, front - Alaina Reiter, Mason Davis, James Lee, Sammy Saucer; back - Claire Schneider, Kimber Walterscheid, Reagan Weger, Jordan Buddy. MISD Photo

## Muenster FCCLA remembers 9-11 with good deeds

In remembrance of Sept. 11, 2001, Muenster FCCLA members sponsored a "Good Deed Day." The goal was to encourage people to set aside time to perform good deeds of their choice. Their hope was to keep the spirit of giving and selfless service alive which unified the nation following the terrorist attacks. Also, during Family and Consumer Sciences classes throughout the day, a video was shown about 9/11 survivors.

### THE LADY BOOTMAKER FROM NOCONA

On the dusty roads of West Texas in the 1920s, an unlikely figure traveled from town to town in her Model T, signing up rough-necks and cowboys for custom boot orders and continuing her late father's bootmaking legacy.

Miss Enid Justin, as she preferred to be called during and after two marriages, was the daughter of H.J. "Daddy Joe" Justin, who in 1879 moved his leather craft business from Indiana to Spanish Fort, Texas, located on the Chisholm Trail. Justin hoped to build his business among the throngs of cowboys and ranchers traveling through on cattle drives. What started as a shoe repair shop soon evolved into a bootmaking business, and Justin quickly earned a reputation for his attention to detail and fine craftsmanship. Justin took cattlemen's measurements on their way through Spanish Fort, and by the time they made their way back, their custom-made boots would be ready.

When the railroad came through nearby Nocona in 1877, Justin saw an opportunity for growth and moved his family and business there. Once in Nocona, Justin began teaching his trade to each of his seven children, including Miss Enid. At 12, Miss Enid was working in her father's shop, helping to insert catalogs in order forms. After dropping out of school in the 8th grade, Miss Enid began working full-time for her father and was promoted from clerical work to boot-stitching. She would later admit regret for having dropped out of school, and she always encouraged young people to finish school.

By the early 1900s, the H.J. Justin Boot Company was growing, employing a staff of nearly 20, and gaining popularity due to Justin's standards for high quality craftsmanship. When Daddy Joe passed away in 1918, his children had acquired the training needed to take on his business successfully.

In 1925, the lure of the big city and new opportunities caused the Justin brothers to relocate H.J. Justin and Sons to Fort Worth. Miss Enid did not support the decision. She remained in Nocona and organized the Nocona Boot Company as a co-partnership with her husband Julius Steltzer and two others. As Miss Enid put it, "Daddy Joe would have wanted it that way." She borrowed \$5,000 from the bank to start the small shop with seven employees.

During the first years of Nocona Boot Com-

pany, Miss Enid converted her home into a boarding house to earn extra money and also did odd jobs such as managing credit and selling coal. This extra income kept the business afloat. Though some of her father's existing customers were skeptical at first, they soon decided Enid's craftsmanship was as good as Daddy Joe's.

In 1926, an oil boom nearby increased demand for high-laced work boots. That year, Miss Enid and her sister made their first road trip through West Texas as saleswomen. "Despite the hazards of the road, the trip was successful. We came back with a book full of orders and a new market for boots," she said.

The Great Depression delivered a setback, but it proved only temporary. Nocona Boot Company quickly recovered and surpassed pre-Depression sales. Miss Enid became president of the company in 1934 and began sales outside of Texas. She eventually opened additional plants, one east of Nocona on a site nicknamed "Nocona's Boot Hill," and another in Vernon, Texas. She would later boast that her long line of customers included Harry Truman, Henry Ford II, and George Burns.

Though profits soared, Miss Enid's work ethic never faltered. Even in old age, Miss Enid kept a strict routine, waking up at 5 a.m. and driving her white Fleetwood Cadillac with custom plates, "EJ Boot," to the office. When her health deteriorated in the 1980s, Miss Enid agreed to merge Nocona Boot Company with Justin Industries to keep it a family business. On Oct. 14, 1990, Miss Enid passed away in Nocona at the age of 96.

Miss Enid had no doubts when asked late in life about the secret to her success. "Hard work and treating your fellow man right, making good boots. I am no angel, but I have treated people right," she said. Staying true to her principles, Miss Enid not only carried on her Daddy Joe's tradition, but managed to build up one of the most successful bootmaking operations in the country and paved the way for generations of female entrepreneurs.

### UNITED .....continued from page 1

ginning at 10 a.m. Dozens of community volunteers giving of their time and with their employer's support will be literally "blitzing" businesses rounding up pledges and contributions. This is the first year that a Blitz headquarters has been set up for a special day in Muenster. Headquarters will be located in front of Muenster State Bank. Muenster Health and Rehab will be cooking up free hotdogs for the public to enjoy.

In the spring of each year, the United Way Allocation Committee reviews the prospective agencies and makes recommendations to the Board of Directors. This committee reviews financial and organizational information, visits the agencies, and interviews each agency. The Muenster area is always well represented on this committee.

Those serving this year were Brandon Bayer of Muenster State Bank, Danny Knight-Ray of Sunshine Sitting Service and Knight Insurance, and Carolyn McPherson of Nortex Communications. The Committee and Board approved the 2011 Campaign agency partnerships with 18 agencies: Abigail's Arms, American Red Cross, Boy Scouts, Boys & Girls Clubs, Boys Baseball, CASA, Cooke County Child Welfare Board, Cooke County Youth Fair, Girl Scouts, Home Hospice, Meals on Wheels, Muenster Youth Council, Reading & Radio Resources, Substance Abuse Council, SW Diabetic/Camp

Sweeney, TAPS, Texoma Senior Citizens/Area Agency on Aging, and VISTO.

Last year, these agencies provided programs and services to over 24,000 Cooke County citizens ranging from services for the very young and the most elderly, promoting youth and protecting youth, promoting healthy families and assisting families in need, responding to crisis and feeding the hungry. Cooke County United Way agencies also assisted over 500 residents in neighboring Montague County.

United Way's theme this year is LIVE UNITED. It is a commitment to make Cooke County a better place to live and work by helping others every day. It is giving back to the community around you and making it a better place to live, work, and grow. Money raised here, stays here and out of every dollar contributed, 93¢ goes directly to the agencies.

Prior to the campaign kick off, United Way has already been quite active in Muenster this year. In early May, dozens of volunteers cleaned up yards for four Muenster residents in Cooke County United Way's "Day of Caring" event. The event also included volunteer work in Myra, Valley View, and Gainesville. The Day of Caring event promotes volunteerism and community spirit. This was the second annual Day of Caring event for Cooke County United Way.

In mid May, Cooke County United Way brought its

"Kids Care" program which was offered to the third grade students of both Sacred Heart Elementary and Muenster Elementary classes. Over a two-day period, the students had the opportunity to participate in presentations made by five non profit agencies: American Red Cross, 4-H Safety Camp, Habitat for Humanity, Sacred Heart Outreach, and Special Olympics. Cooke County United Way is the first in the nation to offer the educational program teaching youth the importance of community spirit. Muenster area schools were the 5th in the nation to participate in this grass roots program.

In August, Cooke County United Way sponsored "Stuff the Bus" annual school supply collection. Supplies were collected in Muenster and Gainesville. The collected supplies were given to Sacred Heart Outreach and the Cooke County Boys and Girls Club to assist area students and parents.

Cooke County United Way is an active member of the Muenster Chamber. On Sept. 8, Muenster State Bank hosted a Muenster Chamber after hours networking mixer honoring United Way. At the event, Community Partner Awards were presented to: the citizens of Muenster - accepting the award was Jewel Otto; the businesses and members of the Muenster Chamber - accepting the award was John Broyles; and Muenster State Bank - accepting the award was Robert Weinzapfel. The awards honored the recipients for their continued support and community spirit.

United Way is the guest speaker at the Sept. 22 meeting of the Muenster Kiwanis Club. For more information on any of these activities or the campaign, please contact Cooke County United Way 940-665-1793.

### FUN..... cont. from pg. 1

dogs along with drinks are being furnished at no charge. Each family is asked to bring a favorite side dish to make the meal complete. There is no charge for anything at the event.

Activities for the afternoon include bounce house with obstacle course, train rides, Bingo with prizes, and face painting. There will be snow cones, kettle corn, and cotton candy available all afternoon.

This will be a Keep Muenster Beautiful litter free event.

### Beware of area mail scam

Gainesville and Cooke County residents need to be aware of a Work At Home mail scam that has been brought to the attention of the Gainesville Police Department.

A Gainesville resident received a letter in the mail from Opportunity Staff Financial. The letter indicated the recipient had been selected to participate in "a paid Consumer Research Program in your area of residence." Enclosed with this letter was a check made out to the recipient in the amount of \$3,750.00.

The letter goes on to ask the recipient to keep the information confidential and to deposit the enclosed check in their personal account. After waiting one to two days, the recipient is asked to withdraw \$3,250.00 from

their account and send it to Opportunity Staff Financial via Western Union.

This is a scam!! Residents need to keep in mind:

- Was this letter received unsolicited?
- Is it too good to be true?
- Are you being asked to keep it confidential?
- Does it require you to deposit a check and then withdraw funds from your personal account?

Every year, people fall victim to scams whether it be mail scams, roofing scams or home repair scams, internet scams, etc. Victims of this type of crime usually will not make a police report due to the embarrassment of the situation. If you lose money due to a scam or con, you are a victim and although it is hard to admit, it should be

reported.

So many people have fallen on hard times and that is what predators prey on; someone down on their luck and looking for an opportunity to make money. If you think you have received a scam letter, you can contact your bank, discuss it with a friend or family member, or contact your local law enforcement. The most important thing you can do is not to respond to the letter.

## Hornets sting Rams in win #4

Four in a row for the Muenster Hornets as they defeated the 2A S&S Rams 43-6 in last Friday's pre-district victory. The Rams scored first on a fumbled play, but didn't see the end zone the rest of the game.

"The 1st quarter was not pretty," commented Hornet Coach Brady Carney. "With six or seven penalties, we kept shooting ourselves in the foot, including two long plays that were called back. The 2nd quarter, we turned things around. The boys continued to play hard and things started going our way." Muenster scored 28 points in the 2nd and went into halftime with momentum on their side. Most of the 2nd half, the Hornets worked on their running game.

Muenster's defense held S&S to less than 90 yards total offense. "Our defense played aggressive with team tackles," added Coach Carney.

After a couple of punts and a Ram sack, the Rams completed a pass, fumbled the ball that was recovered by the Rams and carried into the end zone. The PAT failed and S&S had their only lead in the game.

The Hornets mixed passes and runs with good gains to get inside the Ram 20 before a fumbled play and three incomplete passes gave the ball to S&S. Unable to keep their drive going, the Rams punted, putting the Hornets deep in Ram territory. Four plays later, S&S picked off a Muenster pass. Working around midfield, the Rams lost yards and downs, turning the ball over to the Hornets at midfield. Tyler Anderle passes to Jason Luke and Blake Voth were topped by an Anderle completion to Andy Flusche for 6 points. Josiah Flaming added the extra point and the Hornets took a 7-6 lead with 8 minutes remaining in the 1st half. Muenster never looked back.

After losing 12 yards, the Rams fumbled on 4th down. Flusche covered the ball for the Hornets 6 yards from pay dirt. After a flag, Anderle and Flusche connected on an 11 yard scoring play. With 6:19 on the clock, Flaming added the PAT for a 14-6 score.

Six plays, a punt, and a 79 yard return by Jason Luke quickly put 6 more points on the board for Muenster. A Luke to Dalton Koelzer pass gave the Hornets a 22-6 lead.

The next round, the Rams got in five plays and punted. Luke returned the ball 27 yards to the Ram 16. An Anderle completion to Koelzer put Muenster in the lead 28-6 with a minute to go to the halftime break. The PAT failed.

The 3rd period began with both teams taking four snaps of the ball. Starting on their own 15, Muenster's next drive saw Luke, Chase Hammer, and Blake Voth make running gains, along with Anderle passes to Voth and Luke. From the 39, Anderle and Luke connected once again for a touchdown. Luke ran in the PAT and the Hornets had a 36-6 lead with 6:25 remaining in the 3rd.

The next three drives were three plays and punt, with Muenster ending up on the S&S 14 yard line as the final quarter got underway.

Killing out the clock, the Hornets stayed on the ground, running eight plays with Voth, Trevor Hess, and Hammer pounding away at the Ram defense to the 5 yard line. Voth took the final run into the end zone and Flaming added the extra point to extend Muenster's lead to 43-6 with just under 4 minutes remaining in the game.

S&S got in the last seven plays as time ticked off the clock.

**TACKLES:** Dillon Bayer, Trevor Hess, Andy Flusche, Mark Jones, Garrett Walterscheid, Chase Hammer, and Dalton Koelzer.

### FUMBLE RECOVERY:

Andy Flusche.

Coach Carney noted that the special teams again returned a punt for a touchdown and also blocked a punt.

### Next Action

Muenster will host last season's Bi-District Finalist, the Wolfe City Wolves this Friday night at Hornet Stadium.

"They have very athletic players in the skill positions," said the Hornet Coach. "If you give them a little, they'll be gone pretty quick. We need to control the line of scrimmage, which I think we can do. Keep the ball out their hands, into ours, we'll have a good shot at victory."

Game time is 7:30 p.m. in Hornet Stadium.

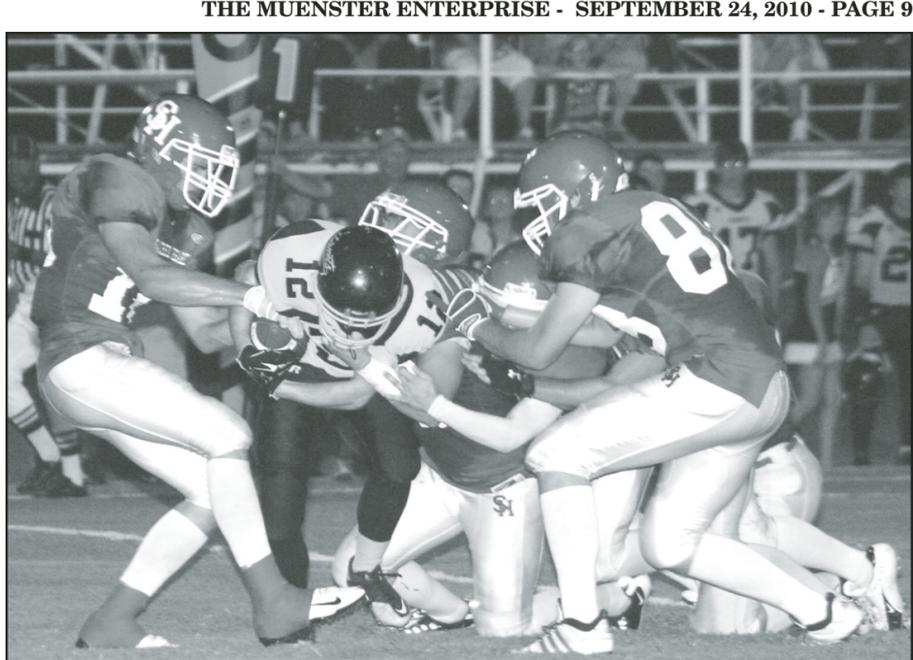

## Just a thought

*Tough times don't last, tough people do.*

*If you're going through hell, keep going.*

*No person should be so poor that they cannot give a compliment.*

*Hope is a walking dream.*

The Tiger defense teams up together to stop an Era runner for no gain. Tigers pictured include Bob Bartush (16) and Ryan Felderhoff (88). Janie Hartman photo

## Tigers swat Era in 54 point shutout

The Era Hornets arrived in town Friday night to challenge the Tigers of Sacred Heart. But it wasn't much of a challenge, as the Tigers shutout the Hornets by a score of 54-0.

"We recorded our second straight shutout thanks to our defense," noted Tiger Coach Dale Schilling. "We held Era to a total of only 60 yards."

Schilling added that the Tigers played their brand of football for four quarters and it paid off. "I'm also proud of the young kids stepping up, especially on the special teams," he continued.

Era gained a yard their first offensive attempt of the game and punted. Josh Biffle and Matt Hesse drove the ball to the 15 yard line. A Hesse to Ryan Felderhoff pass put the first points on the board at 7:27 in the 1st quarter. The PAT kick was blocked for a 6-0 score.

Starting on their own 20, the Hornet offense continued to struggle. A rolling punt put the Tigers on their 15. After crossing midfield, the Tigers were forced to punt, followed four plays later by a short Era punt. Five plays later, Hesse scored on a 4 yard run. Hesse added the PAT for a 13-0 score with 41 seconds remaining in the 1st period.

The Tigers lit up the scoreboard again two plays later when Bob Bartush intercepted a pass and returned it 45 yards. Hesse added the extra kick for a 20-0 score.

Era lost yardage their next possession. The punt placed the Tigers on the Hornet 44. After a flag, Michael Davis caught a one-hand pass and broke several tackles to get to the Hornet 24. A Hesse to Biffle connection gained 11, with Hesse taking the ball to the 10. Mark Bartush then found the end zone for the TD. Hesse added the point after for a 27-0 score with 6:14 remaining in the 1st half.

B. Bartush covered a mid-field fumble and the next play he scored on a 51 yard pass from Hesse. Hesse's PAT gave the Tigers a 34-0 lead with 5:14 on the clock.

Three plays later, John Paul Hesse intercepted an

Era pass near midfield. Several runs by Biffle got the ball to the 29. A Biffle to B. Bartush pass play found paydirt with 1:10 on the clock. M Hesse's PAT gave Sacred Heart a 41-0 halftime score.

The Tigers opened the 3rd period with a 55 yard Biffle touchdown run. M. Hesse added the point after for a 48-0 score with 19 seconds off the clock.

Tackles by Davis, Biffle, Benjamin Yosten, M. Hesse, and Greyson Evans held the Hornets. The teams exchanged possessions to finish out the 3rd, going into the final period. With 9 minutes remaining in the game, Keith Metzler scored on a 52 yard run for the final touchdown of the game.

Fumble Recovery - Bob Bartush.

### Next Action

The Tigers travel to Wichita Falls this Friday night to take on the 2A D II Mustangs. Last season, the Mustangs bounced back from a winless season in 2008 to win three games. They have 11 starters returning.

"They are a triple option team with loads of speed," Coach Schilling said of City View. "Their quarterback and two running backs are a potential threat to score every time they touch the ball. They are fast!"

The Mustangs post a 3-1 record so far this season, a big improvement over past seasons. "This is the best team City View has had in years. They play with a lot of confidence. Something we will have to change early in the game," Schilling concluded.

Kickoff is at 7:30 p.m.

Hornet Blake Voth (2) slips by a Ram defender for a little more gain in Muenster's big victory over S&S last Friday. Also pictured are Mark Jones (51), Garrett Hanes (62), Garrett Walterscheid (66), and Paul Crabtree (52). Melvin Luke photo

## Junior Varsity Volleyball

The Lindsay JV Lady Knights were victorious over Trenton on Tuesday with scores of 26-24, 25-19. Coach Robin Hess commented, "Although we played a little sluggish, we still managed to do some good things."

- 12, Jeff Hellman, L; 17, Caleb Anderle, L; 21, Blair Martinson, L; 31, Neal Fleitman, L; 38, Aaron Davis, M; 39, Collin Clark, L; 46, Zach Green, L.

# What is the Germanfest Wringenmeisterschaft Tournament?

Who will be the first ever Germanfest Wringenmeister at the largest gathering of professional wrestlers the world has ever seen?! Come to the press conference and be the first to be able to present this first tournament of this kind ever to be done. The Muenster Chamber of Commerce has teamed with Wild West Wrestling Productions to bring to North Texas the first ever Independent Wrestling Tournament of its kind. This tournament will be the purest form of "The Sport of Kings," Professional Wrestling.

kind Championship belt designed and created specifically for this Tournament. Other prizes are still being completed such as a trip to Japan for the winner with a partnering Japanese organization and a clothing sponsor for the trip. There will also be incentive for the numerous trainers, schools, and academies around the world to send some of their best students to the Tournament. The school that trained the winner will be awarded \$1,000 USD!

There are thousands of independent wrestlers throughout the United States and the world working for small independent promotions, never getting the chance to work in front of large crowds, with other guys from around the world, or ever get critiqued by legendary veterans from the business of professional wrestling that could help their careers by giving them a little bit of knowledge.

This Tournament will be open to independent wrestlers 18 years and up. There will be an entry fee of \$250 per person which will include a clinic/seminar on Thursday, April 28 with the legendary veteran judges, a three-day pass to Germanfest, and a printed critique sheet from each match when the participant has finished their Tournament rounds.

This tournament will be an eight to 12, 32-man bracket tournament, where winners will move on by points earned by judges based on things like Ring Presence, Ring Command, Wrestling Moves, Ring Psychology, Creativity, and more!

Space in the Tournament is limited! To enter, a participant must fill out and sign an entry form and send it in with the entry fee, a promo picture, and a DVD/VHS tape of them working a match or two. Deadline for entries will be March 1, 2011. Your entry fee will be returned if you are not selected for the Tournament.

The Championship round will be held Sunday, May 1, 2011. The Germanfest Wringenmeister will be awarded a one of a

You can look forward to an exciting weekend, with a great group of guys and the time of your lives!

# Lady Knights defeat Trenton

The Lindsay Lady Knights defeated Trenton on Tuesday, Sept. 21, by scores of 25-11, 25-16, 25-15. Lucinda Krahl had 2 aces (AC), 2 digs (D),

12 assists (A); Taylor Atkins, 7 AC, 2 kills (K), 7 D; Jordan Fleitman, 10 K, 2 blocks (B), 4 D; Katie Arendt 2 AC; Jaelyn Anderle, 3 AC, 4 K, 4 B,

4 D; Kendall McLeod, 6 A; Erin Copeland, 2 D; Alison Metzler, 5 K; Taylor Pelzel, 4 K, 4 B.

# JUNIOR HIGH FOOTBALL

**SACRED HEART**  
The Sacred Heart Cubs took a 2nd half beating last Thursday, losing 26-0 to the Era Bees. A defensive battle the 1st half saw Hayden Schilling and Isac Walterscheid covering fumbles and the Cub defense getting tackles from Schilling, Walterscheid, Garrett Trubebach, Kason Reeves, Grant Springer, and Daniel Hesse, for a scoreless two quarters. Era came out the 3rd, returned a punt 45 yards, and scored on a 62 yard run. In the 4th, the Bees had a 47 yard scoring pass play and a 60 yard interception return touchdown for the 26-0 final.

**Just a thought**  
When you can think of yesterday without regret and tomorrow without fear, you are near real contentment.

# JUNIOR VARSITY FOOTBALL

The Muenster Hornet Junior Varsity Football team hosted the S&S Rams for their third game of the season and came out with a 19-14 victory. The win improved their record to 2-1.

The Hornets jumped out to an early 19-0 lead in the 1st quarter. Clint Sidwell scored on a 60 yard punt return to make the score 7-0. Mason Binder threw a touchdown pass to Colton Lang and Hunter Klement threw a touchdown pass to Cole Walterscheid.

The Muenster Hornet JV Football team hosted the Anna freshman team Thursday, Sept. 22 for their fourth game of the season.

## Prayer to the Blessed Virgin

(Never known to fail)

*O most beautiful  
flower of Mount  
Carmel, fruitful vine,  
Splendor of Heaven,  
Blessed Mother of the  
Son of God,  
Immaculate*

*Virgin assist Me in  
my necessity O Star  
of the Sea, help me  
and Show me here  
you are my Mother.  
O Holy Mary Mother  
of God Queen of  
Heaven and Earth,  
I humbly beseech you  
from The bottom of  
my heart to Secure  
me in my  
necessity (Make  
Request) There are  
none that can  
withstand your  
power.*

*O Mary conceived  
without sin pray for  
us who have recourse  
to thee (say three  
times). Holy Mary  
I place this cause  
in your hands (say  
three times).*

Say this prayer for 3  
consecutive days and  
then you must have this  
published and it will be  
granted to you.

The Knights at attention before the start of their Homecoming victory over Leonard last Friday.  
Kathy Floyd photo

# Knights take 33-7 win over Leonard

It wasn't always pretty, but the Lindsay Knights pounced on the Leonard Tigers for a 33-7 victory Friday.

The Knights struggled with illegal procedure penalties during the first quarter as they looked for a rhythm behind a switch from quarterback Dawson Holt to Travis Skinner.

Lindsay's first score would not come until late in the second quarter after Dean Fleitman intercepted a Leonard pass at the Lindsay 39-yard line. In the drive, Jordan Lane caught a 16-yard Dawson Holt pass to take the ball into Tiger territory at the 41-yard line. For the score, Skinner threw a 41-yard pass to Jace Wann with 3:54 left in the half.

On their next possession, the Knights took the Leonard punt at the Tigers' 42-yard line. On third and seven, Blake Walker caught a 39-yard Holt screen pass in the end zone for a touchdown. A pass to Madison Parkhill for a two-point conversion try was no good with 1:49 left in the half, and the Knights went to the locker room with a 13-0 lead.

The Tigers tried an onside kick to start the second half, but the Knights took the ball at their own 45-yard line for good field position, and to start their next scoring drive. Skinner took the ball through the first set of downs to the Tiger 40-yard line. On second and seven in the next set of downs, Walker ran 11-yards through the middle for an 11-yard gain to the 28-yard line. In spite of two recovered fumbles, the Knights worked their way to the 4-yard line where Skinner ran in for the score. A bit of razzle-dazzle involving multiple passes for a two-point conversion did not work and the score was 19-0.

Skinner scored the Knights' next touchdown on a 32-yard interception. The PAT was good for a score of 26-0 in the third quarter.

Austin Hermes recovered a Leonard fumble at the Lindsay 39-yard line in the fourth quarter to set up the Knights' last score. Walker took the ball across midfield to the Leonard 45, and on the next play scrambled down to the 27-yard line. On second and one, Skinner ran 18 yards for the touchdown with 5:08 left in the game. The kick was good for a 33-0 score.

The Tigers' only score came with less than two minutes left in the game. On a second and 14, Leonard quarterback Jake Buchanan ran 49 yards and with the good PAT, the final score was 33-7.

Skinner rushed for 141 total yards in the game. Walker had 78 yards. Holt was two for six for 58 yards.

Lindsay Coach Cody Bounds was glad to see the win, but wants to see some emotion from the team before district play begins.

"I want to see some mental changes in the team," Bounds said. "We're not mentally tough now. We're still making mistakes, but we can get that fixed."

Last week was an emotional time for the team with the death of defensive lineman Will Taylor's father, Greg Taylor. Taylor did play and was credited with four assists on tackles.

Robert Arend suited up but did not play. He is listed as day to day with a knee injury.

The Knights' next match is against former district rival Era. Era has been struggling with injuries and it has been hard for Era Coach J.D. Henderson to keep enough kids on the field.

# FARM & RANCH

## Forecasts indicate record crops

Corn production is forecast at a record high 13.4 billion bushels, up 2% from the previous record set in 2009. Based on conditions as of Aug. 1, yields are expected to average a record high 165 bushels per acre, up 0.3 bushel from last year's record of 164.7. Soybean production is forecast at a record high 3.43 billion bushels, up 2% from last year. Based on Aug. 1 conditions, yields are expected to average 41 bushels per acre, unchanged from last year's record high yield. All cotton production is forecast at 18.5 million 480-pound bales, up 52% from last year's 12.2 million bales. Yield is expected to average 837 pounds per harvested acre, up 60 pounds from last year. Upland cotton production is forecast at 18 million 480-

pound bales, 53% above 2009. Texas producers are expecting a record high production at 8.80 million 480-pound bales. Producers expect to harvest 10.6 million acres of all cotton and 10.4 million acres of upland cotton, both up 41% from last year. American Pima harvested area is expected to total 207,000 acres, up 50% from 2009. All wheat production, at 2.26 billion bushels, is up 2% from the July forecast and up 2% from 2009. The United States yield is forecast at 46.9 bushels per acre, up 2.5 bushels from last year. If realized, this will be the highest yield on record, 2 bushels above 2008.

## Farm Bureau leader speaks out for eminent domain reform

Texas Farm Bureau President Kenneth Dierschke joined the Texas Agriculture Commissioner and other state leaders in a rally at the State Capitol on Sept. 16, and asked all Texans to join an online petition drive for eminent domain reform.

The protection of private property rights is a top priority of the state's largest farm organization. Texas Farm Bureau has pushed for true eminent domain reform for several years.

The petition may be found at [www.protectyourhomeandland.com](http://www.protectyourhomeandland.com)

### Statement made by Dierschke

Protecting our private property rights is a priority issue for the members of the Texas Farm Bureau. Our organization has served as a catalyst in changing inadequate eminent domain laws. Thank you, Commissioner Staples, for your leadership on this issue and for spearheading this very important petition drive.

As president of the Texas

Farm Bureau, I also want to thank all of the groups and organizations who are represented here today, and the thousands of Texans who will sign the "Protect Your Home and Land" petition in the coming days.

Those who are familiar with the Texas Farm Bureau know that we have been working for years to pass true eminent domain reform. I feel this petition will help us achieve that goal. I would like to thank some of the legislators who have tried to pass true eminent domain reform in the past—such as Senator Craig Estes, Sen. Glenn Hegar, Rep. Dennis Bonnen, Rep. Beverly Woolley, Rep. Jim Pitts, and a host of others.

We were pleased to work last year with Commissioner Staples and many of these same organizations represented here today to pass Proposition 11.

But Proposition 11 was only the first step. Now is the time to finish the job.

We hope the Texas Legislature will take a serious look at this petition, and realize that more needs to be done. Not because the people on this stage are asking the legislature to protect private property owner rights, BUT because the people of Texas—by signing this petition—are demanding they do so.

Protecting property owners' rights is one of the cornerstones of this great state. Reforming eminent domain laws is vital to our ranchers, farmers, and land owners. I am asking the Texas legislature to do their job by stepping forward and passing true eminent domain reform.

On behalf of Texas Farm Bureau, I want to thank Commissioner Staples and all Texans for their work on behalf of this very important issue.

I am asking all Texans to sign the petition today, and help us "Protect Our Home and Land" by finally passing true eminent domain reform.

## Researchers examining prevalent wheat disease

Texas AgriLife Research scientists are examining the effects of the wheat streak mosaic virus, a destructive and prevalent disease among southwestern wheat crops. The disease, which manifests similar symptoms as drought and nutrient deficiencies, is difficult to detect in time to prevent it from ruining crops.

where in this wheat growing region, and every couple of years, we have an epidemic of it," said Dr. Charlie Rush, AgriLife Research plant pathologist in Amarillo.

Through assistance from a Texas Cropping Systems grant, researchers have been working for more than a year to learn about behaviors of the disease, such as its root and what environmental factors cause it to thrive. They believe the disease is spread through the wheat

curl mite.

"We are monitoring the movement of the wheat curl mite where it lives on natural rangeland and Conservation Reserve Program grasses and monitoring movements on the southwest winds in the early spring and summer to wheat," said Jacob Price, a research associate working on the project.

At this time, there are no chemical controls for either the disease or the carrying insect.

## Producer explains the economics of egg farms

"To make it economical, we had to get large or sell out," says Ben Thompson, who co-owns an egg farm with his father. "We were at 525,000 hens, but you need to scale up to make it profitable."

That leaves two alternatives: Either stay small and sell more expensive niche eggs—either organic or cage-free—or get big enough that you can make a go of it in the commodity egg market, Thompson explains.

On average nationally, a dozen conventionally produced eggs cost \$1.10, cage-free are \$2.99, and organically are \$4.89, according to Iowa State University's Egg Industry Center.

Moving to an entirely cage-free system would not only cost more but would require a greater use of resources if American egg consumption remained at today's levels.

It takes 15-20% more feed to produce a pound of eggs in a cage-free environment because the hens move around more. Food also gets lost in the floor, says Hongwei Xin, director of the Egg Industry Center. It also would mean building a lot more henhouses.

"How much more land would be needed?" Xin asked. "How much more feed would we need?"

Were the U.S. to move to such a system—as California is set to do in 2015 based on a law passed in 2008—eggs would likely become more expensive, lowering overall consumption, says Maro Ibarburu-Blanc, an agricultural economist at Iowa State University.

Source: AFBF

## TDA market recap

For the week ending Sept. 18, feeder cattle prices at Texas auctions were mixed, mostly \$2 to \$6 lower per hundredweight, with a few locations to \$9 lower, a few to \$4 higher, and some steady. Increasing numbers of spring-born calves are coming to market, pulling prices seasonally lower, with higher grain prices adding to the decline. Fed cattle prices were modestly higher in spite of lower wholesale beef prices.

Ongoing concerns that actual corn yields are lower than the most recent USDA forecast pushed corn prices above \$5 per bushel for the first time since September 2008. Other grains followed corn higher.

As for futures markets, feeder cattle, fed cattle, cotton, wheat, and corn were higher while lumber was lower.

Topsoil moisture was reported to be mostly adequate to short with surplus conditions noted in parts of South Central Texas and along the Gulf Coast.

Corn harvest was behind normal at 57% complete, and 77% of the acreage was reported mature. Grain sorghum was 46% harvested and 66% mature. Winter wheat seedings were slightly ahead of normal at 25% complete.

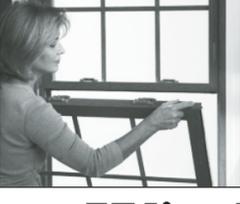

Cotton, grain sorghum, corn, rice, and pastures were reported in mostly good to fair condition, while peanuts were rated mostly good to excellent.

### Just a thought

Into each life some rain must fall; when it does, put on big boots.

You're not aging ... you just need repositing.

What isn't tried won't work.
