

## Charles Barfknechts named 2010 KC Good Neighbors

**By Janet Felderhoff**  
Charles and Jane Barfknecht were revealed as the Muenster Knights of Columbus Council 1459 2010 Good Neighbor recipients. Deputy Grand Knight Craig Stoffels made the announcement after the 8 a.m. Mass in Sacred Heart Catholic Church on Sunday, Oct. 10. The actual award was presented during the KC's Award Breakfast following Mass.

Stoffels stated that in observance of Columbus Day, the KCs honor someone of another faith in the ecumenical spirit of encouraging greater harmony among the creeds. The award is presented to someone whose pursuit of excellence is exemplified by his or her love of God and love of his or her fellow men, whose contributions and services to the community are performed in a gentle, quiet manner, shunning all publicity.

Stoffels remarked, "Charles and Jane are two peas in a pod - you will rarely see one without the other!" Both have been very active in their communities wherever they have lived.

Charles is the fourth generation of his family to have lived and ranched their property in Lewisville. He met Jane at Saddle Club events in high school.

Since moving to Muenster a few years ago, the Barfknechts settled in and became active in the local community. Charles opened a saddle shop business on their property north of Muenster and the couple joined the Muenster Chamber of Com-

merce and the Muenster Kiwanis Club.

Stoffels said, "They have been very active in Kiwanis and he and Jane re-initiated and took on the responsibility as chairmen of the Club's Christmas float. Every year since, Charles and Jane have worked many tireless hours

on the Kiwanis floats. In 2009, Charles was president of the Muenster Kiwanis. He and Jane have also been very involved in the KMB trash cleanups and beautification. They have also worked the gates at Germanfest along with being active in many other local initiatives."

Both have numerous accomplishments in their past. A few are that Charles served as a fireman and paramedic for the City of Dallas, and as fire chief for Highland Village for 15 years. He has been a State instructor for EMT and CPR, a board member of the American Heart

Association, Lewisville Citizen of the Week, Lewisville Saddle Club member, president and long-time member of the Lewisville Parents and Friends of FFA and 4-H, charter member of the Highland Village Lion's Club, was instrumental in forming what is now Highland Village, and is a member of the Lewisville Northview Baptist Church.

Jane has been a member of the Lewisville Saddle Club, president of the Denton County 4-H, member of the Lewisville Parents and Friends of 4-H & FFA, Lewisville Citizen of the Week and Woman of the Year, and a member of the Lewisville Northview Baptist Church.

Grand Knight Ben Bindel welcomed guests to the Awards Breakfast. Chaplain Fr. Ken Robinson offered the invocation and Stoffels led the Pledge of Allegiance.

Grand Knight Bindel officially presented the Good

Neighbor Award plaque to the Barfknechts.

Stoffels and John D. Barfush presented Awards pins to KC members for various years of membership. Those included:

Honorary members - John D. Fleitman and Roy Monday;

Honorary Lifetime members - Norbert Bednorz, R.D. Hamric, and Bernard Hesse;

Five Year - James Fleitman, Mike Gehrig, Tony Grewing, Lonnie Henscheid, Chris Kubis, Brad Schilling, Charlie Schilling, Joe Stalling, and Rich Turner;

Ten Year - Ralph Rondon;

Fifteen Year - Kevin Anderle, Billy Felderhoff, Wade Walterscheid, Jesse Walterscheid, and Ronnie Walterscheid;

Twenty-five year - Ben Bindel, Chuck Fisher, Steven Fisher, and John D. Fleitman;

Thirty Year - John S. Barfush.

## KMB is making a clean difference

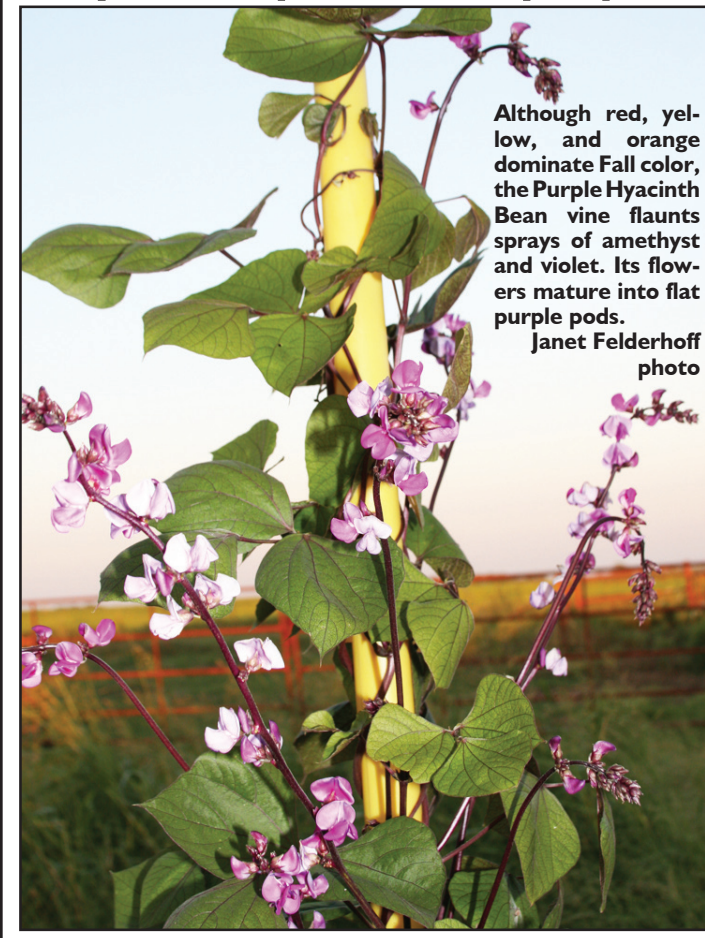

Forty members of Keep Muenster Beautiful (KMB) gathered at the KMB Haus for their annual Make a Difference Day trash pick-up event on Saturday, Oct. 9. Gary Fisher gave a safety briefing. The group collected 82 bags of trash in three hours, mostly from Hwy. 82 and Ash Street.

Imelda Rohmer, who was one of the original members

of KMB, commented that there really is less trash out there than when the group started doing this in 1996. She was also pleased at how many youth were involved.

Muenster State Bank provided a hot dog luncheon. Door prizes were given by KMB. Members of KMB also finished moving their things from storage into their new building.

## Hyacinth paints Fall purple

Although red, yellow, and orange dominate Fall color, the Purple Hyacinth Bean vine flaunts sprays of amethyst and violet. Its flowers mature into flat purple pods.

## Winters reports on housing prisoners

**By Janet Felderhoff**

Cooke County Commissioners plan to keep a close watch on the jail population since the fourth pod in the County Jail was kept open. This was made possible when Cooke County contracted with Wichita County to house some of its prisoners while that jail's roof is under renovation. The Sheriff's Office will be making a report at the first Commissioners Court meeting each month.

Cooke County Sheriff's Jail Administrator Larry Winter gave the report. He said that the first out-of-County inmates came on Aug. 18. In August, they averaged 44 Wichita County inmates and 110 inmates from Cooke County. For the last 20 days of August, they brought in \$33,300 for the housing of the prisoners.

In September, the Wichita County inmate count averaged 52.13 and the Cooke County average was 108 for an overall average of 160.

Winters said that the September invoice was \$58,650 for the housing of prisoners.

Eleven days into October, the Wichita County average is 40 and Cooke County is 101, bringing in \$15,825 so far in October.

Prisoners transferred from Wichita County have

been all males and according to Winters, 75% or better are felons, mostly repeat felons.

The Cooke County Jail has a capacity of 190 prisoners. Winters said that when they get more than 175, there could be problems depending on how many females are incarcerated at the time

since that allows less room to move people around.

Commissioner Gary Hollowell inquired about the overtime and comp time. Winters said there was no problem as long as they keep the five staff on.

Hollowell commented, "We've agree to fund the five positions, but if we begin to incur overtime or comp time as a result of that, then that should weigh into the equation. If we're accruing comp time to house these additional prisoners, then that's above and beyond the base pay."

Discussion followed on what was the actual cost of housing the prisoners considering fixed cost, etc. Commissioner Leon Klement used the analogy of a dairy farm with a barn milking 100 cows. When the herd is increased to 150 cows, the

## Quake shakes area

**By Linda Flusche**

If you felt a little shake and heard a little noise shortly after 9 a.m. on Wednesday, Oct. 13, you weren't the only one.

The second strongest earthquake in Oklahoma's history struck approximately six miles east of Norman. The quake that lasted about 15 seconds was 5.1 magnitude as reported by the Oklahoma Geological Survey. No injuries or significant damage was reported.

The quake was not only felt in Muenster, but also throughout North Texas, including the Dallas/Fort Worth area, all the way to Kansas.

## John V. Walter discovers petroglyphs in Mongolia

Muenster native John V. Walter is accustomed to hunting big game around the world. John and his wife Marie have traveled globally the past 30 years pursuing big game. That includes 10 safaris in numerous African countries. Marie makes the safaris as an observer.

Most recently, John and his son J. Brian Walter took a trip to Mongolia to hunt ibex. (Marie passed on this trip since it required a lot of strenuous back packing.) What John discovered on this hunt thrilled him more than the ibex he shot.

On his return home, instead of tales of his hunt, John related an extraordinary experience. He discovered something rare - centuries old granite petroglyphs in the mountains of the western geographic region.

Similar petroglyphs are presently on display in the National Museum of Mongolian History in Ulaanbatter, the capital city, and indicate that ibex have been hunted for centuries.

Ester Jacob-Topfer, a re-

nowned anthropologist with the department of Art History at the University of Oregon is proficient in Mongolian petroglyphs. She estimated that Walter's finds are dated to the Iron Age.

"What was really significant to me was that these should be dated in the Iron Age, which is circa 1000 to 500 BC," remarked John. "These were etched in granite and they had to use granite to etch it in. It's not painted. I've seen a lot of Indian paintings in the United States. This is not paintings."

When John came upon the ancient drawings, he was thrilled. "I had seen them in the museum on the way out," he noted of the petroglyphs. "I was really thrilled. I momentarily forgot about my hunt when I saw that! I was trying to imagine some guy thousands of years ago sitting right here in the same place. It is scary in a way."

John and J. Brian were accompanied on this hunt by professional hunters who acted as their guides on the

ibex hunt for this indigenous species. Father and son each took a trophy rated ibex.

Mongolia has minimal infrastructure outside of its major cities. One can drive on primitive roads for hundreds of kilometers over barren terrain.

The Walters stayed in a "ger," the traditional home of the Nomads of Mongolia. They ate only the local staple foods, which was more unique than their normal diets.

John related that his favorite bird shooting is in England where he hunts for driven pheasant and in the Cordoba area of Argentina.

The eldest son of Al "Shorty" and Marie Hartman Walter, John grew up on a farm south of Muenster.

John and Brian are business partners and have been active for more than 35 years as independent operators, producers, and explorers of oil and gas.

John and Marie own property north of Muenster near Bulcher where they spend some of their time.

John V. Walter, left, and his son J. Brian Walter pose with the ibex that John shot on a hunting trip to Mongolia. Also discovered on the trip were rare petroglyphs dated to the Iron Age. Courtesy photos

.....continued from pg. 1

profit margin increases because the fixed cost is spread out.

County Judge John Roane remarked, "So far from what you've said, it doesn't appear that it's costing the County money." Winters agreed that at this point they are covering the added cost.

EMS Director Kevin Grant reported that two weeks ago, the County's oldest ambulance was involved in an accident and its frame damaged beyond repair. There would be some money coming from insurance, but not enough to purchase another ambulance.

The County is using an ambulance borrowed from Wise County at no cost. It is offered until Nov. 1 and then must be returned. There are usually five am-

bulances in Cooke County with four operating and the fifth to replace the others as they are pulled out of service for repairs and maintenance. Grant's goal is to have six ambulances for times such as this when one is out of commission.

Grant reported that there are few used ambulances offered that meet the specs and those are high mileage.

Options offered by Grant included a demo offered by Frazier which is new with no mileage and available in two weeks. The cost is \$121,850. That option was approved by the Court. Expenditures will come from Contingency Funds.

Cooke County contracted with Government Record Services/Affiliated Computer Services (ACS) of Dallas

to scan documents back to 1974 and to add to public workstations in the County Clerk's Office for \$205,815.

Pending the County Attorney's approval of the contract, Cooke County Commissioners approved a contract with ACS for records expansion. The service will put the County records data online, allowing the public to have access online to public records. It will enable the public to print records for a fee, saving a visit to the County Clerk's Office. ACS will be responsible for the credit card fees. The contract is for \$144,000.

County Clerk Rebecca

Lawson also hopes to use \$26,625 to purchase 15 EA Pollbooks for use at the voting precincts. The funds will be taken from \$31,078 grant money for that purpose.

In other business, Commissioners Court:

- Approved contract with Southwest Museum Clocks and Watches for the restoration of the County Courthouse clock. Cost of restoration is \$27,930 and includes repairing the hands, cleaning it, removing the clock face, repairing gears, and teaching proper maintenance. The company was recommended and its plan approved by the Texas His-

torical Commission.

• Observed a moment of silence in memory of David McNerney, a Medal of Honor recipient who visited the area as a guest for a number of years. He died on Sunday.

• Approved County Choice Silver retiree medical benefits program for medical benefits with direct pay by retirees.

• Accepted a grant in the amount of \$22,500 from the Department of State Health Services for the Cooke County EMS Department.

• Accepted a grant from Northern Central Texas Trauma Regional Advisory Council in the amount of

\$10,118.

• Appointed Maureen Russell to Place 1 and Donna Bateman to Place 7 on the Cooke County Child Welfare Board.

• Accepted the NETLS subsidy for Cooke County Library's annual TexShare Database in the amount of \$220.

• Approved out of state travel for Phyllis Griffin, 4-H agent, to Phoenix, Arizona for the National 4-H Agents Association Conference, Oct. 25-29, and to Louisiana for the Leadership Extension Class XI, Nov. 16-19.

• Discussed need for purchase order procedures.

## NTMC hosts Health Information Exchange

The goal of a seamless, electronic exchange of health information between hospitals and other health care providers became one step closer to reality following a meeting Tuesday at North Texas Medical Center in Gainesville.

The Hospital and five physicians or physician practices were represented at the meeting. Ann Kitchens, a member of the Texas Health Information Exchange Coalition (THIEC), was on site to facilitate the two-hour meeting.

Kitchens provided a presentation showing the community benefits of a Health Information Exchange (HIE) and the different methods of exchanging health data. Attendees discussed how data could flow in Cooke County and the possibility of including some surrounding counties with the eventual goal of connecting to the Dallas/Fort Worth metro-area. Each area is in various stages of network development.

The Office of the National Coordinator (ONC) regulations for exchange of infor-

mation and qualifying for stimulus funding - "meaningful use" - were finalized in July 2010.

There are 24 criteria for hospitals and 25 for other eligible providers defined in that ruling. Hospitals and eligible providers who have electronic medical records that meet the criteria are entitled to receive stimulus funding.

Each Eligible Provider (EP) who is interested in meeting these requirements will be implementing an electronic health record (EHR), or upgrading their existing system. Therefore, there will be different EHRs in each office. In order to meet one of the criteria for meaningful use, providers need the ability to electronically exchange data.

There is an upcoming grant from the State of Texas to provide some funding for both planning and implementation of an HIE. Since the timeline for those grant funds will be very tight, further discussions will be taking place in the near future.

## What Does This Mean to Me? The Push for Electronic Health Records

Electronic health records can provide many benefits for providers and their patients:

Complete information. With electronic health records, providers have the information they need to provide the best possible care. Providers will know more about their patients and their health history before they walk into the examination room.

Currently, most health care providers still use medical record systems based on paper. New government incentives and programs are helping health care providers across the country make the switch to electronic health records.

### Why Electronic Health Records?

Electronic health records can improve care by enabling functions that paper medical records cannot deliver:

- EHRs can make a patient's health information available when and where it is needed - too often care has to wait because the chart is in one place and needed in another. EHRs enable clinicians to secure access to information needed to support high quality efficient care.
- EHRs can bring a patient's total health information together to support better health care decisions, and more coordinated care.
- EHRs can support better follow-up information for patients - for example, after a clinical visit or hospital stay, instructions and information for the patient can be effortlessly provided and reminders for other follow-up care can be sent easily or even automatically to the patient.
- EHRs can improve pa-

tient and provider convenience - patients can have their prescriptions ordered and ready even before they leave the provider's office, and insurance claims can be filed immediately from the provider's office.

### Background: Legislation and Regulations

The Health Information Technology for Economic and Clinical Health (HITECH) Act provides Health and Human Services with the authority to establish programs to improve health care quality, safety, and efficiency through the promotion of health information technology (HIT), including electronic health records and private and secure electronic health information exchange.

Under HITECH, eligible health care professionals and hospitals can qualify for Medicare and Medicaid incentive payments when they adopt certified EHR technology and use it to achieve specified objectives.

Two regulations have been released, one of which defines the "meaningful use" objectives that providers must meet to qualify for the bonus payments, and the other

which identifies the technical capabilities required for certified EHR technology.

Incentive Program for Electronic Health Records: Issued by the Centers for Medicare & Medicaid Services (CMS), this final rule defines the minimum requirements that providers must meet through their use of certified EHR technology in order to qualify for the payments.

Standards and Certification Criteria for Electronic

Health Records: Issued by the Office of the National Coordinator for Health Information Technology, this rule identifies the standards and certification criteria for the certification of EHR technology, so eligible professionals and hospitals may be assured that the systems they adopt are capable of performing the required functions.

## Sister Helen Swirczynski, OSB 1918 - 2010

Sr. Helen Swirczynski, OSB

Sister Helen Swirczynski, age 92, died at 12:10 a.m. on Oct. 8, 2010 in Holy Angels Infirmary.

She was born Dorothy (later taking the name Helen when she became a nun) on July 13, 1918 in Muenster, one of the 15 children of Joe and Margaret Yosten Swirczynski.

A Memorial Mass will be celebrated in Muenster at Sacred Heart Church on Saturday, Oct. 23 at 9 a.m.

Surviving her are her sisters and brother-in-law Rita Miller of Austin and Catherine and Clarence Erpelding of Colorado Springs, Colorado; brothers and sister-in-law Ed and Hazel Swirczynski of Richland Hills and George Swirczynski of Dallas. She is also survived by a sisters-in-law, Dorothy Swirczynski of Muenster, Dolores Swirczynski of Mineral Wells, and Isabelle Swirczynski of San Angelo; and a great number of nieces and nephews as well as many great-nieces and nephews.

Sister Helen attended school in Muenster and entered Holy Angels at a very early age. After Profession, she was assigned to the culinary department in many places, including St. John's Seminary cooking for the priests and seminarians there. Other places were Blytheville, Pocahontas, Benedictine Manor in Hot Springs, and also in Muenster. From 1975 to 1994, she was in charge of the Convent Kitchen, cooking for the many Sisters at Holy Angels. After 54 years of cooking, she retired and was living in the Infirmary for a number of years.

She had a great love for the outdoors, especially enjoying the birds that came to eat at her feeder outside her window. She also enjoyed all animals and loved to watch animals on video or TV.

Although confined to a wheelchair and on constant oxygen, Sister Helen always had a cheerful smile and pleasant greeting for all who came to visit her.

She made her Profession of Vows in 1935 and Final Vows in 1939. In 1960, she celebrated her Silver Jubilee and Golden Jubilee in 1985. On July 11, 2010, she celebrated her Diamond Jubilee (75 years) with 45 relatives attending.

Visitation and Rosary were held at Holy Angels Convent on Monday, Oct. 11 at 7 p.m. Mass of Christian Burial was Tuesday, Oct. 12 at 10 a.m. in Holy Angels Convent Chapel with burial in Mount Olivet Cemetery.

Pallbearers were the Knights of Columbus of Blessed Sacrament Parish under the direction of Emerson Funeral Home.

Memorials may be made to the Retirement Fund at Holy Angels Convent, P.O. Box 130, Jonesboro, Arkansas, 72403.

**Heaven has all the resources, and God has all the power. What more do we need to succeed?**

*On behalf of Evelyn Sicking, our family would like to express our profound appreciation for your generosity and kindness through our most difficult time.*

*Thank you so much for your continued support, kind words, and prayers throughout Mom's illness, and in our time of loss.*

*Your thoughts and prayers are deeply appreciated, and your kind expression of love and support will always be remembered.*

*With sincere and deep appreciation,*

*The Family of Evelyn Sicking*

## Phyllis Mary Schmitt 1940 - 2010

Phyllis Schmitt

Phyllis Mary Schmitt, respected teacher and committed naturalist, died Saturday, Sept. 25, 2010 in Santa Rosa, California, of cancer. Her death followed an active fulfilling week through Friday evening during which she attended a Madrone Audubon meeting, took a field trip to Healdsburg to see the swifts, and attended to other volunteer commitments.

After 30 years of teaching mostly third and fourth grades at Harmony Union School in Occidental, a chief joy in retirement was leading groups of children along paths and in tidal pools, teaching them about the nature she loved. Schmitt was president of the Bouverie Preserve Docent Council, a docent herself, and a trainer of docents. At Bodega Marine Laboratory, Schmitt led almost 170 tours, and taught over 3,000 school children about marine life since March 2003.

For the Madrone Audubon Society, she coordinated the Audubon Adventures program and the Lincoln School Heron Day, helped with heron and egret research, and organized the Mayacamas Audubon Sanctuary Spring Hike Series. An active member and past president of the Sonoma County Historical Society, she helped her students interview Occidental-area residents and compile an invaluable oral history of the community.

After retiring, she still volunteered giving classroom talks and accompanying classes on interesting walks. All her adult life as a teacher, Schmitt continued learning. From a geology course at Santa Rosa Junior College, she expanded her studies in the natural sciences through workshops and summer travel, enthusiastically sharing what she learned with her students. One year when accepted to work in an oceanographic project, and had to learn how to swim. Another summer, she helped excavate the home of the poet Horace, outside Rome. An avid traveler, she often took part in nature and historical projects all over the world.

Schmitt was listed in *Who's Who Among America's Teachers* in 1994, and gained the Alice Brown National History Week Award of the Sonoma County Historical Society in 1991, the Bentley-Smith award of the Madrone Audubon Society in 2002 for a lifetime committed to protection and enhancement of the environment, in 2006 the Sonoma County Conservation Council's Ernestine Smith Lifetime Environmental Commitment Award for volunteer work with Bouverie Preserve, Bodega Marine Lab, LandPaths, and Madrone Audubon, and a City of Santa Rosa Merit Award in 2010.

Born in Muenster, on Jan. 20, 1940, she came early to study nature and enjoy school activities. She completed a Bachelor degree and teacher training at University of Texas, Austin and a short time later found a permanent home at Harmony Union School in Occidental.

Daughter of Edward and Margaret Hess Schmitt, Phyllis is survived by her mother; siblings Edward and spouse Kay of Vancouver British Columbia; Barbara of Seattle, Washington; Daniel and spouse Donna of Prosser, Washington; and Mark and spouse Diane of Yakima, Washington; and several nieces and nephews and great-nieces and nephew.

Celebrations of Phyllis' life will take place at St. Leo's Catholic Church in Sonoma, California on Oct. 30 at noon, and Holy Family Catholic Church in Yakima, Washington on Nov. 6 at 2 p.m. A private celebration will be held at the Bouverie Preserve of Audubon Canyon Ranch in Glen Ellen.

Donations in her honor are welcome at The David Bouverie Scholarship Endowment Fund (Audubon Canyon Ranch, 4900 Shoreline Highway One, Stinson Beach, CA 94970). Please make checks payable to Audubon Canyon Ranch.

## Kathy Tate 1942 - 2010

Kathy Tate

Funeral services for Katherine Marie "Kathy" Fleming Tate, age 68 of Ratliff City, were held at 10 a.m. on Tuesday, Oct. 12 at the Countyline First Baptist Church with Rev. Bill Chate officiating. Interment followed at Alvord Cemetery.

Kathy was born Oct. 4, 1942 in Borger to Carl Edgar Fleming and Ethel Albertey Fleming. She departed this life Saturday, Oct. 9, 2010 at her home in Ratliff City.

Kathy was reared in Borger and graduated high school at Panhandle. She married Wayne Eugene Tate on Aug. 25, 1962 at Panhandle. They resided in Muenster from 1973 to 1989 when they moved to Ratliff City. She was self employed as a beautician and hair dresser all of her working years and as a beauty instructor while living in Ratliff City. She loved going to garage sales, making ceramics, and being involved in her church - teaching school and worshipping the Lord. She was a member of the Countyline Baptist Church.

Preceding her in death were her parents, and brothers Carl and Orville Fleming.

Survivors include her husband of almost 50 years, Wayne of the home; sons Marcus Tate and wife Sandy of Bridgeport, Garland Tate and wife Sharon of Fort Worth, and Chris Tate and wife Isabelle of Plano; sisters Annabelle Owens and husband Robert D. of Oklahoma City, and Pat Slyter of Borger; brothers Dale Fleming of Bartlesville, Sherman Fleming and wife Ada Ruth of Borger, and Wayne Fleming of Amarillo; grandchildren Crystal, Kyle, Jeff, Jeremy, Jake, Luke, Andrew, Kennedy, and Kevin; great-grandchildren Alyssa, Louis Anthony, and Samantha; and numerous other family and friends.

Pallbearers were Marcus Tate, Garland Tate, Chris Tate, Jeff Tate, Jeremy Tate, Kyle Tate, Luke Simmons, and Jake Simmons.

Family visitation was from 5-7 p.m., Monday at the funeral home in Ratliff City.

Condolences may be shared with the family online at [www.alexanderfuneralhome.org](http://www.alexanderfuneralhome.org)

## Robert Lee Uselton 1941 - 2010

Robert Lee Uselton, age 69 of Gainesville, died on Oct. 10, 2010 at Muenster Memorial Hospital. Services were held at First Baptist Church in Gainesville on Thursday, Oct. 14. A graveside service followed at 1 p.m. in the Nocona Cemetery in Nocona. Visitation was held Wednesday at the funeral home.

Robert Lee Uselton was born Sept. 7, 1941 in Wichita Falls to Doug and Thelma Crow Uselton. He graduated from Prairie Valley High School, then served in the Army and in the Reserves. After serving, he attended East Texas State University where he graduated with his Bachelor and Masters in Science. He was an agriculture teacher in Prosper from 1969 to 1972 and in Gainesville from 1972 to 2003. He was a member of the Masonic Lodge. Robert was married in 1963 to Carolyn Coleen Kennedy Uselton. He enjoyed fishing, hunting, cooking, gardening, and his family.

Survivors are his wife; sons and daughters-in-law Lee and Lisa Uselton, and Chris and Lynn Uselton; eight grandchildren and one great-grandchild on the way. He is also survived by brother Jim Uselton of Burkburnett and sister Mary Uselton Brandon of Quanah.

Robert was preceded in death by his parents.

Pallbearers were Bobby Randolph, Craig Evins, Ashley Spikes, Brian Cartwright, Chris Glass, David Porter, Travis Rosson, and Tye Terry.

216 N. Main, Muenster

We the family of Greg Taylor, would like to take this time to thank all of our friends, family, and our communities of Lindsay, Muenster, and Gainesville for the overwhelming support, prayers, and kindness shown to us during Greg's illness.

To all those individuals and organizations that helped with and donated to the fundraisers including the 2009 Lindsay Football Fundraiser Batting For Greg The Sacred Heart Class of 1986 Football Board

To all of the individuals and organizations that have made donations to our family over the past 16 months through the Social Concerns Committee, the Love Fund, and individually.

To our First Baptist Church Sunday School Class and all of the many others who so lovingly provided meals and gift cards to help us during the difficult times.

To the staff of Muenster Memorial Hospital, words cannot express how much the incredible care of Greg and our entire family means to us. Everyone on staff continually went above and beyond what was necessary and provided such loving care that went beyond any other care Greg and our family ever received.

To the hospice caregivers both at home and at the hospitals, your care of Greg and our family was a huge blessing to us.

To everyone at the Cooke County Sheriff's Department for your love, support, friendship, and care of Greg and our family throughout Greg's illness, and for driving him to treatments.

To the First Baptist Church, the musicians, and Reverend Hubert Wright for the beautiful services; and to the ladies of the First Baptist Church and the Catholic Daughters Association for coordinating a wonderful meal for our family and friends.

To the Cooke County Sheriff's Department and all of the area law enforcement agencies for the absolutely amazing escort of Greg to his final resting place. What a beautiful and meaningful tribute to Greg.

Once again we are reminded of how special and blessed we are to be from this community. Each and every one of you have been a huge blessing to each of us and we thank you from the very bottom of our hearts.

The Greg Taylor Family  
Charla, Will & Erica

If abnormal findings on Labs, you may be requested to see your PCP or have additional testing done which is not included in these prices.

Please drink water only after midnight for laboratory tests.

Come by for a tour of our brand new F.I.T. Center  
(Functional Innovative Therapy)

## Muenster Kiwanis support Cooke County United Way

Muenster Kiwanis Club President Butch Fisher presented Cooke County United Way 2011 Campaign Chair Rhonda Beam a check in the amount of \$500 at the Sept. 22 meeting.

Angie Hare, Cooke County United Way executive director, presented a program to the Kiwanis. She said that last year, over 4,500 residents of the Muenster area received support by United Way agencies. Ms. Hare shared statistics regarding the United Way campaign. She praised the Kiwanis for their good works and commitment to their community.

The Muenster community is very well represented in United Way. Every year, area volunteers serve as Board members and on the Allocation Committee. Current Board members are Brandon Bayer, Mary Rondon, Debbie Hess (Muenster campaign division chair), Kathy Boone, and Danny Knight. This year's Allocation Committee members representing the Muenster area are Danny Knight, Brandon Bayer, and Carolyn McPherson. First State Bank, Nortex Communications, and Muenster State Bank were among the eight County campaign Pacesetter companies. "As you can see, the Muenster community and United Way have a strong partnership," noted Ms. Hare.

The United Way display also included two additional reports which were made available to Club members. "Both of these reports truly

speak of the relationship and partnership that United Way and our agencies have with the Muenster community," commented Hare. The Top 30 Businesses Firm Ranking Report for last year's campaign list First State Bank as #2 in Top Ranking, Cooke County Electric Co-op as #12, Muenster State Bank as #15, Sisters as #17, Nortex Communications as #21, and ranking as the #26 Top Ranking Firm Givers is Prosperity Bank.

Another report displayed reflected last year's demographic reported totals indicating the total persons served by each of the (18) agencies. The agencies who provided services to Muenster area residents included: Abigail's Arms Cooke County Family Crisis Center assisted seven individuals, Area Agency on Aging assisted 52 individuals, Boys Scouts

troops totaled 97 youth and adults, 164 youth were part of the Boys & Girls Club program, 59 youth participated in the Boys Baseball of Cooke County summer league, Child Welfare Board assisted 18 children, 140 youth from Muenster participated in the Cooke County Youth Fair, 140 adults and youth with Girl Scouts, Home Hospice assisted five patients, Meals on Wheels assisted 48 individuals, there were 3,300 youth enrolled in the Muenster Youth Council, Reading & Resource assisted four individuals, Red Cross assisted 90 individuals, Substance Abuse Council provided support for 58, TAPS provided transportation for 382, and VISTO assisted 106 individuals and families.

For more information, call Cooke County United Way at 940-665-1793 or visit the website [www.cookeuw.org](http://www.cookeuw.org).

Several women have been members of the local Catholic Daughters for more than 50 years. Those pictured are, from left, Marcy Wilde, Aileen Cler, Lorena Taylor, Ginny Schneider, and Betty Felderhoff. Their spiritual director, Fr. Ken Robinson, pastor of Sacred Heart Church, is in the back. Other over 50 year members, not pictured, include Dorothy Fisher, Dorothy Hartman, Imelda Rohmer, Florence Fisher, Alice Hennigan, Johann Bezner, Betty Henscheid, Polly Fisher, Jewel Otto, Eileen Luke, and Thelma Trubenbach. ## Local CDA to celebrate National Catholic Daughters Day Oct. 16

National Catholic Daughters Day is Oct. 17. Women in the local Catholic Daughters court will be celebrating the day by attending the 5 p.m. Mass on Saturday, Oct. 16 in Sacred Heart Church. All new members will be introduced at a dinner following Mass at the Knights of

Columbus Hall. The local Catholic Daughters of the Americas serve Muenster by cooking meals for families after the funeral of a loved one and by visits to shut-ins. They are also involved in Right to Life/ABBA, and education and scholarships. They make

donations and support the missions, seminarians, and service men and women. Organized in 1903 in New York, the CDA has 95,000 members in 1,250 local courts. This service organization was formed to support the Church through social and charitable activities.

## Abigail's Arms gets \$35,000

Abigail's Arms - Cooke County Family Crisis Center announces the receipt of funding from the State of Texas Office of the Attorney General. The one-year Regional Victim's Assistance Grant for \$35,000 is a primary funding source for counseling, case management, and other assistance to victims of domestic violence.

For information on this and other funding or the emergency shelter project, contact Betty Kay Schlesinger at 940-665-2873.

Love of animals seems to run in the family as three generations of Bartel women attended a special blessing for pets last Saturday. Pictured is Sacred Heart Catholic Church Pastor Fr. Ken Robinson blessing pets brought by, from left, Juline Bartel Brogden, her daughter Emily, and her mother Celine Bartel. Fr. Ken invites pet owners to bring their critters to a blessing each year held in honor of the feast of St. Francis of Assisi. St. Francis is well-known for his compassion and care for animals. Pets attending included dogs of all sizes, cats, a chinchilla, and more. Linda Flusche photo

## Gainesville Christian Women's Connection

# Making a difference for life through 4-H

For more than 103 years, the 4-H Program of Texas has been engaging youth in activities that help develop skills for a lifetime. These skills range from communication to community service and from goal setting to leadership. Regardless of the skill learned, the benefits gathered from a young person participating in the 4-H Program are priceless.

The 4-H Program is a nationwide youth development program that has more than 6.5 million youth involved in it annually. Administered in Texas by the AgriLife Extension Service of the Texas A&M System, 4-H serves youth in all 254 counties in the state through a network of 250 County Extension Offices. 4-H is managed jointly by both a professional and volunteer staff.

Texas 4-H, the largest 4-H program in the country, has more than 550,000 youth members and more than 35,000 volunteers working together to deliver the more than 95 projects, opportunities, and events offered annually through the program. 4-H is unique in that it offers experiences to the most urban young person and youth in rural areas by providing the opportunity to participate in community 4-H clubs, learning experiences in school classrooms,

day and overnight camps, and other special interest opportunities.

Texas 4-H also serves the sons and daughters of our military personnel through the 4-H Military Program located throughout the state, primarily on military bases.

Youth members can participate in a variety of projects in the areas of technology, human sciences, animals and household pets, science and engineering, natural resources, and wildlife. Beyond the excitement of learning something new through a project, youth have the opportunity to participate in leadership conferences, travel the world, become involved in their community through service, and meet new friends in a safe and comfortable setting. A young person's experiences in 4-H makes a difference for a lifetime by allowing them to grow and appreciate the importance of being a good citizen, a strong leader, and a person of character.

If you would like to learn more about 4-H, or have a family member join 4-H, contact your local County Extension Office, located at 301 S. Chestnut St. in Gainesville (940-668-5412) or visit the Texas 4-H and Youth Development website at: <http://texas4-h.tamu.edu>.

Cooke County 4-H Week was celebrated last week. Area 4-H groups observed the occasion by bringing treats to various businesses that support them. Muenster Enterprise employee Linda Flusche accepts home baked cookies from Muenster 4-H members James Dangelmayr, center, and Jared Dangelmayr, right.

## Republican Women host Red State Alert Chili Cooke-Off

The Cooke County Republican Women meeting on Oct. 7 had a culinary twist, as members competed in the Red State Alert Chili Cooke-Off. Ten teams competed, raising money for the CCRW PAC.

Winner of the "Best Chili" was Dorothy Lewis, "Most Money PAC'd in for the PAC" was Nenia Kahl, and "Best Theme" was Deborah Barecky.

Rena Peden, Senate District 30's committeewoman on the State Republican Executive Committee (SREC) and a member of Parker County Republican Women, made a few remarks about her experiences to date on the SREC. With over 30 years of political activism in her resume, she said she was surprised to be called a

"freshman" when she joined the SREC following her election at the Republican Party of Texas (RPT) convention in June. She is involved in some committee work, most notably on re-districting.

Peden introduced the evening's speaker Russ Duerstine, SREC committeeman from Senate District 28 in West Texas. From San Angelo, Duerstine is also the Republican County Chairman in Tom Green County. An Air Force Veteran with six years of service, Duerstine comes from a family of military men. His grandfather served in World War I, his father is a decorated veteran of World War II, and his son has served in both Iraq and Afghanistan. Duerstine spoke about the sacrifices that we all must make to

insure the health and stability of our country and to preserve the conservative values on which our country was founded. "I want you to understand that this election is not the end, but the beginning," he noted.

Duerstine praised the strong conservative Republican leadership of Texas under Governor Rick Perry, and said that the "Texas model" of cutting spending and holding down taxes and regulation is what has made Texas shine in the midst of the recession. He noted that Texas is one of the only states adding private sector jobs, that Texas has the strongest economy of all the states, that many people and companies move here to take advantage of our State's prosperity, and that Govern-

nor Perry and other state-wide elected officials deserve to be reelected.

Duerstine also reported that new leadership at the RPT has resulted in an improved balance sheet and more effective methods of fundraising. Steve Munisteri took the helm of the RPT in June.

## Scarecrow Festival slated for Oct. 23

The Seventh Annual Scarecrow Festival on the Square in Saint Jo is set for Saturday, Oct. 23 from 10 a.m. to 5 p.m. It is sponsored by The Century Club and the Saint Jo Elementary School PTO.

The fun will include lots of games and activities for the kids, live and recorded music the entire day, and antique cars parked on the Square. Vendors will be on hand to sell various items. Call Marge Pullin at 759-4518 to reserve a commercial booth at the Festival.

The Century Club will sell

raffle tickets for a hand-embroidered wildflower baskets will have a book sale. And, of course, there will be scarecrows on the Square.

# SCHOOL

## 2009-10 Teachers of the Year announced at Muenster ISD

During in-service in August, "Teachers of the Year" were announced at Muenster ISD for the 2009-10 school year.

Elementary "Teacher of the Year" was Debra Sicking. Debra teaches English Language Arts for students in 5th grade and is web site coordinator for MISD. She also coaches UIL Ready Writing for 5th and 6th graders. Mrs. Sicking has been at MISD for seven years.

High School "Teacher of the Year" was Danna Hess. Danna teaches Math at the high school level. She is actively involved in coaching UIL Math events. Mrs. Hess is also the high school TMSA (Texas Math and Science Coaches Association) sponsor. She has been with MISD for 19 years.

**Sixth Grade** - Brennan Binder, Mark Davis, Morgan Eldridge, Bryce Herr, Amy Luttmmer, Macie Pagel, Sawyer Sanders.

### "A-B" HONOR ROLL

**First Grade** - Alexa Almejo, Yadira Ibarra, Landri Richardson, Mariela Rodriguez, Kennedy Schroeder, Clayton Spaeth.

**Second Grade** - Shae Budish, Justin Corcoran, Traci Corley, Tara Ferrell, Bryce Hacker, Dylan Huchton, Alyssa Hutchins, Katherine Klement, Denver Lutkenhaus, Sarah

Monday, Rallen Marie Tai, Ty Trubenbach, Wade Trubenbach, Jaxon Trubenbach, Alexa Waneck, Harleigh Wilkins.

**Third Grade** - Colt Bartling, Erik Bayer, Alexandra Deeken, Dayton Gressett, Gavin Grewing, Brett Hammer, Brooke Hammer, Kaitlin Hennigan, Hannah Lamar, Roger Looye', Anna Proffer, Estefana Rodriguez, Zachary Sanders, Jon Schinigo, Warren Williams, Victoria Zimmerman.

**Fourth Grade** - Isaiah Bayer, John Broyles, Nathan Hacker, Benjamin Hellman, Allison Henscheid, Dane Huchton, Ryan Huchton, Parker McGrew, William Medlock, Zachary Mills, Jacob Pierce, Sadie Sandman, MacKenzie Sicking, Lauren Trubenbach, Blair Waneck.

**Fifth Grade** - Alexis Batha, Rylee Cain, Sidney Carnes, Natalie Chism, Ethan Flaming, Mandy Hacker, Curtis Haverkamp, Savannah Hermes, Erin Osborn, Paige Saucer, Erin Schniederjan, Brandon Sicking.

**Sixth Grade** - Alyssa Barnes, Katie Bell, Devon Brinkley, William Felderhoff, Allison Haubold, Bradley Henscheid, Katie Hutson, Blayne Jones, Bailey Klement, Katie Kresge, Carrie Nasura, Mathew Porter, Haiden Shook, Emma Wood.

### "A" HONOR ROLL

**Grade 7** - Jordan Buddy, Mason Davis, Chase Deeken, Alison Morris, Alaina Reiter, Samuel Saucer, Allie Walterscheid, Kimber Walterscheid, Reagan Weger.

**Grade 8** - Alexandra Broyles, Kassie Dangelmayr, Aaron Davis, Morgan Flusche, Caroline Gressett, Tara Gunnels, Rachel Hare, Chance Herr, Mikaela Lamar, Collin Pagel, Kristen Reiter, Georgia Taylor Saavedra, Lora Walterscheid.

**Grade 9** - Hannah Bayer, Austin Creswell, Sydney Huchton, Garrett Miller, Jaisal Patel, Makayla Pumphrey.

**Grade 10** - Jeonglim Cho, Lauren Rohmer, Brooke Wal-

terscheid.

**Grade 11** - Lana Heers, Emily Hellman, Andrea Hess, Landon Presnall.

**Grade 12** - Briana Bindel, Logan Cheaney, Jason Luke, Calvin Wimmer.

### "AB" HONOR ROLL

**Grade 7** - Mahayla Bohl, Dylan Gressett, Dalton Hess, Cassandra Horsman, Zane Kemp, Trace Klement, James Lee, Abby Luttmmer, Nicole Rains, Claire Schneider, Kelsie Sicking.

**Grade 8** - Trey Anderle, Kevin Barnes, Trevor Cheaney, Jonathan Cooley, Blake Haubold, Kyla Haverkamp, Kalee Hennigan, Makayla Moster, Zachary Trubenbach, Delaney Wright.

**Grade 9** - ShyAnn Bartel, Mason Binder, Jared Endres, Jace Fredrick, Clayton Hess, Erin Hess, Shelby Klement, Jamie Magee, Jori Magee, Cristan Medlock, Rachel Mouring, Mariah Rocha, Adrien Rohmer, Shelbi Sicking, Clint Sidwell, Audrey Taylor Saavedra, Cole Walterscheid.

**Grade 10** - BriAnna Bayer, Andrew Flusche, Austin Hennigan, Hunter Klement, Brittany Pagel, Payton Sanders, Amber Walterscheid.

**Grade 11** - Caitlin Beavers, Luke Crabtree, Andi Felderhoff, Daniel Fleitman, David Fleitman, Paige Hennigan, Cole McAden, Joseph Monday, Angela Morgan, Allison Pagel, Rishi Patel, Chloe Schneider, Shelby Simpson, Blake Voth, Kendra Walterscheid.

**Grade 12** - Tyler Acuna, Catherine Aston, Zachary Gunnels, Michelle Henscheid, Brianna Klement, Taylor Klement, Devon Kubis, Jillian Magee, Ronald Nelson, Merle Porter, Shane Presnall, Danielle Sicking, Alexis Trubenbach, Lacey Trubenbach, Diana Velasquez, Garrett Walterscheid, Hannah Weger.

## MISD Elementary elects Student Council

Under the leadership of Amy Anderle and Cicily Waneck, Muenster Elementary Student Council (MESCC) sponsors, the MESCC elections were held on Friday, Sept. 10. The candidates gave a speech to third through sixth grade students on Thursday, Sept. 9.

The following students were elected for officer positions: President Morgan Eldridge; Vice-President Bryce Herr; Secretary Sawyer Sanders; Treasurer Brennan Binder; Reporter Macie Pagel; Historian Haiden Shook; and Parliamentarian Mathew Porter.

The Class Representatives elected were: 4th Grade - Nolan Bayer, Morgan Hennigan, Dane Huchton, Sadie Sandmann, and Rudy Saucer; 5th Grade - Bailey Anderle, Travis Dangelmayr, Max Herr, and Paige Saucer; 6th Grade - Zina Haverkamp, Blayne Jones, Bailey Klement, Katie Kresge, and Amy Luttmmer.

The 2010-11 Muenster Elementary Student Council has many ambitious goals for this year, including: fundraisers to help raise money for the benefit of the campus, assisting with the Veteran's Day Luncheon, a "personal

items" drive for Muenster Health and Rehabilitation, and a VISTO food drive.

President Morgan Eldridge stated that she would like to help the school in many ways this year. Vice-President Bryce Herr stated that they should help anybody in need. Both agreed that this should be a very successful year for the MESCC.

Faculty sponsors Amy Anderle and Cicily Waneck are very pleased with the energy and attitude this Student Council has and expect great contributions to the school, community, and those in need.

## Show your support for Sacred Heart and Muenster youths

This Friday, Oct. 15, Muenster Friends is sponsoring a hamburger and hot dog supper fundraiser. The proceeds benefit the students of Sacred Heart School and Muenster ISD who compete in the Cooke County Youth Fair in the Spring. Projects of the students are bought by Muenster Friends. The more

funds raised, the better price the students will receive for their efforts.

Serving for the supper begins at 5 p.m. in the Muenster ISD Cafeteria. The price is \$6 for a hamburger

meal, and \$4 for a hot dog meal, which also includes dessert. Children age six and under eat free.

Come out for a great meal and show your support for the youth of our community.

The shooting target

On Sept. 8, the Muenster Webelos 2 Cub Scouts made an overnight trip to the PG Ranch in Rubottom, Oklahoma to earn their Forestry Merit Award. Activities included camping, wood identification, racoon trapping techniques, tree identification, shootzenfest, introduction on how to make a leaf collection, how to perform a prescribed burn, forest fire safety, how to fell a tree, dendrochronology, and a muddy creek hike followed by a "Flour War." Participants included were, from left - Ethan Hellman, Andrew Stoffels, Jon Hess, Julian Hesse, Sam Hesse, Owen Tolar, William English, Calab English, Stone Lamar, and not pictured, Stetson McGrew. All 10 boys will be graduating into the Boy Scouts in February 2011.

- Wed. - Baked chicken, rice, mixed vegetables, peaches, bread.

### ERA ISD

- Mon. - Hot dog, baked beans, fruit mix, chocolate chip cookie.
- Tues. - Chicken patty, mashed potatoes, gravy, hot roll, applesauce.
- Wed. - Crisпитos, cheese sauce, broccoli, pears, jello.
- Thurs. - Taco pie, pinto beans, corn, pineapple.
- Fri. - Chicken pot pie, green beans, peaches, ice cream.

## What is the No. 1 cause of teen deaths?

Want to know the greatest threat to today's youth? Look no further than your driveway. Car crashes are the number one cause of death among teens, killing 4,054 teenagers ages 13 to 19 in 2008. Tons of metal — combined with inexperience and distractions — can be deadly. Now, studies have confirmed a connection between teen drivers transporting peer passengers and an increased risk of fatal crashes. In fact, adding just one passenger doubles the fatal crash risk for a teen driver. And although the risk of a crash increases with each additional passenger, recent research shows that few teens recognize the impact passengers have on driver safety.

To combat this trend, the Gainesville Police Department is promoting safe teen driver and passenger behaviors during National Teen Driver Safety Week, Oct. 17 to 23. Throughout the campaign, the Gainesville Police Department (GPD) will continue to enforce traffic laws for everyone, especially teens.

Teens can help friends who are driving by keeping distractions to a minimum, helping with directions when asked and wearing seat belts. GPD encourages teens to use positive peer pressure to persuade each other to buckle up, given that teens have the lowest seat belt use of any age.

See TEENS, pg. 13

## Muenster implements Career Portals class

Muenster I.S.D. has implemented a new curriculum for middle school students this year through the Family and Consumer Sciences Department. Replacing the

former Skills for Living offered to 8th graders, Career Portals is the latest course with the goal of creating a culture of high expectation and continuous improvement for these students with a foundation for success in high school, future studies, and careers.

Students are exploring college and career planning within specific career clusters. The students research labor market information, learn job-seeking skills, and create documents required for employment. Students use self-knowledge to explore and set realistic goals towards future careers.

Joni Sturm is the instructor for this new class.

Students in MISD's Career Portals Class include, from left, at right - Kristen Reiter, Morgan Flusche, Kassie Dangelmayr; and above - Mikaela Lamar, Caroline Gressett, Chance Herr, Collin Pagel, Kevin Barnes, and Aaron Davis.

## Tigers take win from Arbor

The Tigers of Sacred Heart clawed their way to a 22-21 District victory over the Lions of Arbor Christian last Friday. The long drive to Amarillo was worth the trip for the Tigers and their fans. After falling behind 21-0 at halftime, Sacred Heart came out the 2nd half to steal a 1 point win, starting District play on the right track.

Coach Dale Schilling was proud of the way the Tiger team kept it together. "The kids showed a lot of maturity and a lot of character by erasing the 21 point deficit. Give credit to Arbor. They were ready to play," he said. After allowing the Lions 100 rushing yards the 1st half, the Tiger defense shut down Amarillo's game plan, giving up only 4 yards on the ground in the 2nd half.

The Lions took the opening kick from Sacred Heart, and in five plays were up 7-0.

The teams exchanged possessions five times in the remaining 9 minutes of play in the 1st period. With 7:16 on the 2nd quarter clock, Arbor found paydirt on a 59 yard run, extending their lead to 14-0.

It was three plays and punt for the Tigers, followed by another Lion touchdown seven plays later for a 21-0 score with 3:47 on the clock.

A fumble on the kick placed the Lions 8 yards from the end zone. Their threat to score ended when Michael Davis intercepted a pass.

Runs by Matt Hesse and Josh Biffle got the ball out of the hole, but Sacred Heart soon had to punt as the 1st half came to a close.

The Tigers came out the 2nd half with a 65 yard touchdown run by Josh Biffle on the first play to get on the scoreboard. The PAT failed for a 21-6 score.

Arbor punted, Sacred Heart threw an interception, and Arbor punted before the Tigers' next scoring drive. Starting on their own 32, a facemask flag assisted in getting the Tigers to the Arbor 45. Another flag, short runs by Biffle and Hesse, and two more by Biffle and one by Mark Bartush took the Tigers to the 1 yard line. With 11.3 seconds on the clock, Bartush scored. Hesse ran in the PAT to close the score to 21-14.

The Lions got to the Tiger 18 before running out of downs. Six runs by Biffle assisted by short gains by M. Bartush and Bob Bartush set the Tigers on the Lion 28. An M. Hesse to John Paul Hesse pass play was good for 6 points, closing the score to 1 point. With 5:41 remaining in the game, M. Hesse ran in the extra points to give the Tigers a 22-21 lead.

Arbor got in eight plays, but soon ran out of downs. With just over a minute left in the game, the Tigers got in three plays and punted, putting the Amarillo team

deep on their own 12 yard line. Two unsuccessful passes were followed by an interception by M. Hesse. The Tigers killed out the remaining seconds to claim the victory.

### Next Action

The Tigers will host Colleyville Covenant this Friday night. The Cougars were an 8-4 playoff team last year in the division above Sacred Heart.

"They have blazing speed at every skill position and are very well coached," noted Coach Schilling.

Covenant was picked by *Dave Campbell's Texas Football* magazine to take the District Championship.

Game time is 7:30 p.m. at Tiger Field.

The Muenster Hornet defense sinks this Pirate in Muenster's big District opener victory last week over Petrolia. The Hornets are at home again this Friday, hosting the Chico Dragons for Homecoming Night. Melvin Luke photo

## Hornets start District with win

The Muenster Hornets added another notch to the win column last Friday, beginning District action with a 54-10 win over the Petrolia Pirates. The Pirates scored their 10 points early in the game before the Hornets got their game plan together to put 54 points on the board while keeping Petrolia out of the end zone for the remainder of the game.

"We were really flat the first 6 minutes when Petrolia jumped to an early 10-0 lead. After that, we marched down the field and scored. Then we settled down and played like we're supposed to," noted Coach Brady Carney.

Muenster out-distanced Petrolia by 209 total yards, lost no turnovers, and was penalized only three times. "Besides that first six minutes, the defense played really well," added the Coach, noting the Hornets allowed the Pirates only 35 yards the next three quarters. The Muenster special teams also had a good game, blocking two punts and punting the ball inside the 10 yard line.

After the teams exchanged punts, Petrolia got on the scoreboard at 6 minutes with a field goal. Muenster couldn't get a 1st and punted. The next play, the Pirates scored on an 88 yard run for a 10-0 lead.

A 20 yard kick return by Blake Voth started the Hornets' first scoring drive. Chase Hammer gained 10 followed by a Tyler Anderle pass to Andy Flusche for 26 more yards. After Hammer picked up 4 more, Anderle connected with Jason Luke to put Muenster on the scoreboard with 2:31 remaining in the 1st quarter. Josiah Flaming added the extra point for

a 10-7 score.

The Hornet defense allowed no gain, forcing a punt after a 12 yard sack by Luke Crabtree. Two plays later, Muenster took the lead 14-10 with a 42 yard Hammer run and a Flaming PAT.

Petrolia got in one good run before the Hornet defense shut them down. A blocked punt by Garrett Hanes, covered by Garrett Walterscheid, was followed by a 31 yard Anderle to Luke pass play to the 2 yard line. Two short runs by Hammer and the Hornets were on top 20-10 with 8:39 remaining in the 2nd period.

The Pirate offense continued to struggle. Dillon Bayer caused and covered a Petrolia fumble 29 yards from paydirt. Short runs by Hammer, Walterscheid, and Trevor Hess took the ball to the 11 yard line. A Voth to Scott Porter pass gave Muenster another 6 points. Flaming hit the PAT for a 27-10 score with 5:22 on the clock.

Petrolia gained only 4. A dropped Pirate punt attempt gave the Hornets the ball on the Pirate 22. After a few missed plays, Luke scored on a 25 yard pass from Anderle. With 2:15 still on the clock, the Hornets extended their lead 34-10 after the PAT point by Flaming.

After losing ground, Petrolia punted again, putting Muenster at midfield. Seven snaps and the Hornets scored again. A 33 yard Anderle to Luke pass play and Flaming's PAT put Muenster in the lead 41-10 with 27 seconds on the clock.

The Hornets took the 2nd half kick and pounded the turf with 13 runs, moving from the Pirate 29 to the Hornet 1 yard line. Walterscheid crossed the goal line

with 4:31 on the clock and Flaming booted the extra point for a 48-10 Muenster lead.

The teams exchanged punts, with Petrolia carrying the ball into the final period. But once again they punted. Three plays later, Hess scored on a 32 yard run to put the 54-10 score on the board.

The Pirates got in 15 plays and the Hornets five before time ticked off the clock.

### Next Action

District play continues Friday night when the Hornets host the Chico Dragons for Homecoming. The Dragons are coming off a big 63-6 loss to the Lindsay Knights. "They're young, starting seven sophomores, struggling, and can't get anything going," commented Coach Carney. "We need to come out and play from the first whistle. We need to focus on that."

Kick off is at 7:30 p.m.

Tiger team tackle - as Sacred Heart's defense stops Arbor for no gain in the Tigers' road trip District victory in Amarillo. Courtesy photo

# Fall Classic held at Turtle Hill

The Hornet golf teams finished the fall season last week at the MISD Fall Classic held at Turtle Hill Golf Course. Facing a strong field, the young Hornets finished in 5th place. The Lady Hornets continued their medal quest, earning 3rd place honors.

Mineral Wells defended their title from the '09 tournament with a very solid 313. Other scorers were Liberty 321, Wichita Falls Old High 354, Mineral Wells JV 369, Muenster 386, Poolville 418, and Celina JV.

Blake Grewing led the Hornets with a very respectable 41 on the front side only to fall to the golf demons on the back to post a 93. Cole McAden carded a 95, followed by Sean Chism 97,

Dalton Koelzer 101, Landon Presnal 105, and Rishi Patel 108.

The Lady Hornets were holding on to 2nd place until the last few holes as they saw their quest for the Silver medal slide away to the girls from Byron Nelson High. The Centennial Lady Titans, coached by Lisa Hamric Sadler, defended their '09 title, turning in a score of 331. Byron Nelson shot a 407, while the local girls recorded a 426.

The Lady Hornets were once again led by freshman Erin Hess who posted an 86. Chloe Schneider shot 108 for her low round of the season. Miranda Pagel also had her best round of the season posting a 112. Sophomore Payton Sanders rounded out

the scoring with a 120.

Both teams are coached by Dan Hamric who stated, "Fall golf is for those athletes that are in off season to keep their golf skills sharp. Right now, we're operating with very thin squads. Many of the kids are in football, cross country, and fall basketball and softball.

"In the spring, every golfer will be returning from the '09 teams and we'll only have one senior, Hannah Weger. The boys should get us down in the 350 range which could very easily vie for the District title. The girls won the District Championship last year by 25 strokes and should be much stronger this year. Both squads are excited about Spring Golf 2011." *Courtesy story*

# Knights slay Dragons ,63-6

The Lindsay Knights will need to look past their runaway 63-6 victory over the Chico Dragons last week to the much tougher opponent they will face Friday, the Collinsville Pirates.

The Knights improved to 5-1 on the season and scored their first district victory in Chico, but Lindsay coach Cody Bounds knows that the Pirates may be their toughest match yet.

"Collinsville is hard to stop," Bounds said. "It will be a long night if we can't stop the base plays and stop their rushing attack. It's going to be a tall order but I think our kids are capable. We'll just go at them, put the helmets on them and not give up."

To move the ball against the Pirates, Bounds said his team would need to be fundamentally sound and that they could not make mistakes.

"We're a running football team," Bounds said. "But we've got some receivers and I feel good about the passing game too. We'll just see who wants it the worst."

The Pirates are 4-2 on the season, and 1-0 in district after a 42-21 win over the Valley View Eagles last week. Last year, Lindsay beat the Pirates 37-14 to capture their first district championship. The Pirates' win over Lindsay two years ago earned them the district crown.

In the Chico victory, the Knights racked up 471 yards total offense, with two passes for 89 yards, each a touch-

down. "The boys played well and did what they had to do to get a victory," Bounds said.

On their first possession against the Dragons, Garrett Yancey took a 36-yard reception from quarterback Dawson Holt to start the scoring. Robert Arend, who ran for 110 yards on the

score to 35-0. Travis Skinner scored the first of his three touchdowns on a 5-yard run just before the end of the second period and with Yancey's sixth successful PAT of the night, the halftime score was 42-0.

Skinner would score two more touchdowns in the third quarter. He ran for 124

Jordan Lane blocks for Travis Skinner (7) in the Knights' 63-6 win over Chico. Kathy Floyd photo

night, scored the first of his two touchdowns on a 51-yard run with 6:26 left in the first quarter and with Yancey's kick, the score was 14-0. The next two touchdowns were scored within seconds of each other before the end of the first period, the first a 59-yard Arend run, then Dean Fleitman recovered a fumble and ran 11 yards for the score.

Holt's second touchdown pass, a 53-yard bootleg, went to Madison Parkhill in the second quarter to bring the

yards on the night. Holt was credited with four solo tackles.

The Dragons' only touchdown came in the fourth quarter. The try for two was no good. Even holding the Dragons to one TD, Bounds said the Knights gave up more defensively than he wanted to see.

"We'll get these things ironed out," Bound said. *by Kathy Floyd*

# J V FOOTBALL

## Muenster vs Petrolia

The Muenster Hornet JV Football team opened up District play in Petrolia last Thursday night for their fifth game of the season and came out with an impressive 33-0 victory to improve their record to 5-1.

The Muenster Hornet defense recorded its first shutout of the season and also scored on an 85 yard interception return for a touchdown by defensive end Cole Walterscheid. "The offense looked very good, with some personnel changes due to injuries," noted Coach Trey Gray. Hunter Klement took over at quarterback, while Mason Binder was moved to running back, because of the injured Clint Sidwell. Binder scored three touchdowns on the night, two rushing and one receiving. Klement had a rushing touchdown of his own and also included one passing.

The JV Hornets traveled to Chico, Oct. 14 to try and stay undefeated in District play.

# JR HI FOOTBALL

## Sacred Heart vs Krum

The Sacred Heart Cubs were on the road last week Tuesday to tangle with the Krum Kitties. The Cubs held their host scoreless until 6 seconds remained in the game in a 30-6 Sacred Heart victory.

The young Tigers took the opening kick, with Isac Walterscheid running eight consecutive plays for 58 yards, scoring on a 3 yard run. He then added the extra points for an 8-0 score.

Krum fumbled the kick. Runs by Brady Endres and Kason Reeves, and an Endres to Reeves pass play put the Cubs on the Krum 2. Walterscheid scored. The PAT gave the Cubs a 16-0 lead.

Tackles by Daniel Hesse and Hayden Schilling gave the ball back to the Cubs. Six plays later, Schilling scored on a 5 yard run. Endres ran in the PAT, 24-0 with 4 minutes remaining in the 1st half.

The Kittens' next offensive attempt ended quickly when Walterscheid intercepted a pass. The yellow flag took control of the game, with no more scoring before halftime.

Sacred Heart found the end zone under the 2 minute mark in the 3rd quarter when Schilling scored on a 5 yard run for a 30-0 Cub lead.

The Cub offense worked the clock, running a dozen plays to the 9 yard line. A last seconds pass put the Kitties on the board for the final 30-6 score.

# Muenster Cross Country

The Muenster Lady Hornets Cross Country team finished 10th on Thursday, Oct. 7 in the Ken Gaston Invitational hosted by Haltom Senior High School at Lynn Creek Park. Burlison, Crowley, and Castleberry took top honors in the 4A Varsity Girls competition.

Emily Hellman finished 14th with the time of 13:27.38. She was followed by: 20, Paige Herr, 13:47.57; 51, Michelle Sicking, 14:28.91; 81, Shelbi Sicking, 15:20.38; 85, Amber Walterscheid, 15:36.74; 100, Alyssa Stewart, 16:01.71; 121, Kallyn Dangelmayr, 17:34.94.

There were 227 runners in the 4A Junior Varsity race. The top three teams were Martin, Lamar, and Timberview. Individual runners for Muenster were Kyle Vogel, 136th; Garrett Dangelmayr, 177th, and Jared Porter, 194th.

Muenster has one more meet to run before the District race.

# Lindsay teams run at Decatur

The Lindsay Country teams ran in Decatur this past weekend and did well. "This was probably the most challenging course they will run this year. It was very hilly and had a lot of curves," commented Coach Robin Hess, adding "The times were very good, considering the course."

In the Varsity Girls division, the Lady Knights placed 2nd to Sanger, 44 to 45. Hockaday was 3rd with 69.

Lindsay's individual results were: Kelsey Hermes, 2, 12:15; Lauren Gibbs, 3, 12:36; Megan Caillier, 7,

12:57; Megan Holt, 15, 13:36; Jordan Fleitman, 23, 14:05; Rebecca Metzler, 39, 14:47; Alie Fogle, 43, 14:59; Taylor Atkins, 48, 15:27; Brianne Sandmann, 58, 17:15.

In the Boys division, the Knights placed 5th overall with 118 points. Sanger won the division with 23.

Knight individual results were: John Price, 14, 19:28; Travis Block, 18, 19:32; Chance O'Shel, 28, 21:08; Max Beebe, 41, 24:29; Conner Polk, 43, 25:03.

In the Junior High Girls division, there were approximately 190 runners. Sanger, Decatur, and Lake Cities took

the top honors, with Lindsay finishing in 4th place.

Individual results were: Jessica Martin, 2; Nikki Fleitman, 38; Hailey Cooper, 56; Hope English, 72; Courtney Neu, 79; Kailei Klement, 140.

In the Junior High Boys race, there were approximately 135 runners. Lake Cities, Sanger, and Valley View teams led in scoring. The young Knights finished in 6th place.

Individual results were: Caleb Anderle, 9; Jeff Hellman, 21; Neal Fleitman, 40; Collin Clark, 90; Blair Martinson, 95; Zach Green, 96.

# Educator Spotlight

## Danna Hess, Muenster ISD

Danna Hess, a high school math teacher, is proud to celebrate her 20<sup>th</sup> anniversary as an educator for Muenster ISD. Danna currently teaches Algebra II, Precalculus, Physics, and AP Calculus. Dedicated to her students through and through, Danna works extremely hard to make sure that all of her students are prepared for college and career advancement. In her own words, "I love math and it is my job to show each and every student how you cannot survive in the real world without it!" Danna has been voted Teacher of the Year for 2009-2010 by her colleagues, and acts as the High School TMSCA coordinator and UIL coach for Number Sense and Mathematics. Muenster ISD is fortunate to have you Danna!

# NTMC Halloween Hustle Oct. 30

The North Texas Medical Center Foundation's 14th Annual Halloween Hustle will add some bells and whistles this year, all to make the highly anticipated event even better for runners and walkers in the area.

According to Dennis Noblett, executive director of the NTMC Foundation and race coordinator, this year's Hustle will add a 10K course to appeal to long-distance runners, and digital timing, which will allow for a more efficient collection and recording of running times.

iliary has pledged \$20,000 toward the \$36,000 device, with the Foundation hoping to raise the remainder through the Hustle and related events.

"The handheld sono machine allows for instant views in the Emergency Department," said Audi Hayes, director of the Emergency Department and ICU at NTMC. "We can use it to better visualize veins when inserting central lines; we can image the throat and stomach to check for foreign objects. It is a fantastic piece

Highway 82, in Gainesville. Awards will be given to the top male and female finishers in each division and to the school district and business or organization with the highest number of participants. A costume contest, prize raffle, and Hospital Open House add to the morning's activities.

Entry fee is \$20 per person if turned in to the NTMC Administration Office by 4:30 p.m., Friday, Oct. 22, or post-marked Oct. 22 if mailed. Groups of five or more may receive a two dollar discount when submitted together. The first 600 registrants will receive a race tee shirt and a goody bag.

A \$10 entry fee is available for student teams of 10 or more when submitted together. Student teams must be composed of students and ISD personnel only. Parents have the opportunity to register as individuals or with a group of five or more.

Late registration is \$22 and available in the Administration office Monday through Wednesday, Oct. 25-27, from 8 a.m. to 4:30 p.m. On Thursday and Friday, Oct. 28-29, registration will take place in the NTMC Board Room from 7 a.m. until 8 p.m.

Packet/Goody Bag Pick-Up is Thursday and Friday, Oct. 28-29, from 7 a.m. to 8 p.m. in the NTMC Board Room.

For additional information call (940) 612-8600 or visit [www.ntmconline.net](http://www.ntmconline.net).

"We want to make this race one of the premiere running events in the area," said Noblett. "We want to provide runners with a challenge and then provide the technology they have come to expect when entering events like this."

A record number of 59 sponsors join the North Texas Medical Center Foundation in hosting the Hustle on Saturday, Oct. 30.

All Hustle proceeds will be used to purchase a handheld sonogram machine for the Hospital's Emergency Department. The NTMC Aux-

of equipment to have in our facility."

The entry form with all pertinent information, and individual adult registration, is available online at [www.ntmconline.net](http://www.ntmconline.net). Printed entry forms are available at sponsoring businesses, and at North Texas Medical Center located at 1900 Hospital Boulevard, off West

## Lady Knights remain undefeated in District

The Lindsay Lady Knights defeated the Collinsville Lady Pirates 3-1 to improve to 5-0 in District 11A play. Scores were 25-17, 25-27, 25-21, 25-21.

Stats were: Taylor Atkins, 5 aces (AC), 13 kills (K), 16 digs (D); Lucinda Krahl, 2 AC, 2 D, 27 assists (A); Jordan Fleitman, 15 K, 4 blocks (B); Allison Metzler, 13 K, 5 D; Erin Copeland, 11 D; Kendall McLeod, 2 AC, 5 D,

14 A; Jalyn Anderle, 6 K, 6 B, 7 D; Katie Arendt, 3 AC, 6 D; Elizabeth Wallace, 2 D.

On Tuesday, Lindsay hosted Gold-Burg, defeating them by scores of 25-8, 25-21, 20-25, 25-12. Fleitman had 17 K, 5 B; Krahl, 2 D, 23 A; McLeod, 2 D, 21 A; Anderle, 10 K, 8 B, 7 D; Atkins, 12 K, 9 D; Metzler, 11 K, 4 B; Arendt, 8 D; Copeland, 7 D; Katie Nortman, 3 D; Wallace, 3 K, 2 D.

## TEENS .....cont. from pg. 7

group. In Texas from 2003 to 2008, 52% percent of teens killed in car crashes were not buckled up.

Other research has shown that simple "rookie" mistakes or driver error attributed to inexperience are a major cause of teen crashes.

This year's National Teen Driver Safety Week is addressing the risk of teens driving teens. The "Ride Like A Friend" campaign is being rolled out in schools nationwide to encourage passenger behaviors that can reduce the crash risk for teens. More information for parents is available at [www.raising safedrivers.com](http://www.raising safedrivers.com). Teens can find tips on how to "Ride Like A Friend" at [www.ridelikeafriend.com](http://www.ridelikeafriend.com).

# Knights support to Scouts continues

The Muenster Knights of Columbus (right) presented the Muenster Boy Scout Troop 664 (left) with a donation of \$2500 last week. The gift will be used towards a new trailer for the troop. Courtesy photo

## Prospects looking good for Texas deer season

Texas deer hunters could be blessed with too much of a good thing this fall, at least early on, as excellent range conditions throughout the state have set the stage for what could be a season to remember.

The Texas deer hunting season opened Oct. 2 for bow hunting, with Nov. 6 starting the general gun season. A special youth-only weekend season is set for Oct. 30-31. For additional season deer hunting opportunities, consult the 2010-11 Outdoor Annual of hunting and fishing regulations.

Texas Parks and Wildlife Department (TPWD) biologists equate good habitat with healthy wildlife populations and suggest you don't have to look hard to find plenty of both this year. Timely rainfall that began last winter and continued throughout the first half of 2010 has helped maintain range conditions and provide an ideal environment for deer to flourish.

Estimates of high fawn production in most regions of the state with upwards of 100% fawn survival on some intensively managed ranches, coupled with quality native food supplies, should give hunters a lot to look forward to this season. It also means that like last year, hunting over corn feeders may not be as productive because of the abundant natural forage available.

"Acorn crops have been pretty good and there is plenty of vegetation in South Texas, so the deer have plenty to eat," said Alan Cain, TPWD whitetail deer program direc-

tor. "That's going to make it difficult for bowhunters to attract deer to supplemental feeding locations."

TPWD field biologists are concerned last year's drop in overall deer harvest could carry a double-edged sword into the 2010-11 season. Nearly half of all deer taken by Texas hunters occurs in the Edwards Plateau and last season marked the lowest harvest in 10 years, attributed mainly to reduced deer movement. The upside is there should be a greater percentage of older-aged bucks in the population due to the carry-over of bucks that weren't harvested last year. The downside is there likely are more deer in the population than the habitat in many areas can adequately support without being degraded when range conditions return to normal.

One aspect biologists are not concerned about this season is the overall health of Texas' deer herd. The abundance of acorns during the fall and winter of 2009, combined with the flush of cool-season and warm-season herbaceous plants produced from the rains provided high-quality forages for deer that helped them come through the winter in good condition and were adequately available to the deer throughout the early stages of antler production, throughout pregnancy, and during fawn-rearing.

This year, deer didn't have to go to browse until well into the growing season, unlike in dry years when they utilize browse earlier because herbaceous plants are lacking. With the steady and consistent supply of good nutrition that has been available to deer since last fall, all segments of the deer population should be in good body condition going into the fall, buck antler production should be above average for the 2010-11 season, and fawn production and recruitment should be above average.

In parts of the state having special antler restriction, landowners and hunters should reap the rewards of above average antler growth this season as more bucks meet the requirements for legal harvest.

## SUB VARSITY VOLLEYBALL

### JUNIOR VARSITY

The Junior Varsity Lady Knights won another District volleyball game against Collinsville. The scores were 25-20, 20-25, 25-13. Megan Schumacher had 2 aces and 3 kills, Haley Skinner 3 aces, Megan Holt 2 kills, and Chandler Herr 3 assists.

The JV Lady Knights won a non-district game in Prairie Valley on Tuesday by scores of 25-19, 25-17. Rebecca Manon had 5 kills and 2 blocks, with Megan Schumacher getting 3 kills. The team record is 12-15, 2-1 in District.

# FARM & RANCH

## Noble field day offers valuable information for new producers

The Samuel Roberts Noble Foundation and Oklahoma State University Extension Service will co-host an agricultural field day. The Basic AG Field Day is scheduled for 8:30 a.m. to 4 p.m., Friday, Oct. 22, at Cleveland County Fairgrounds in Norman, Oklahoma.

Registration will run from 8 - 8:30 a.m. followed by the morning session, which will include a keynote discussion on the expectations and realities of agricultural enterprises. Throughout the day, there will be breakout sessions focused on specialty crop opportunities, small scale livestock operations, insects and diseases in gardens/landscapes, pasture management, marketing and social networking, and pond management.

"The Basic AG Field Day will provide established farmers and ranchers with quality information that can be utilized immediately in their operations," said Hugh Aljoe, consulting program manager for the Noble Foundation. "It will also give those who are new to the agricultural field or who might be interested in starting an agricultural operation information they can pull from in the future."

A Master Gardener's Garden Tour will be

available after lunch and will include demonstrations. Attendees will also have the opportunity to visit different exhibitors during the day.

"This program will provide a diverse selection of basic topics targeting beginning farmers and ranchers, as well as those who might need a refresher course," said Matt Stockman, agriculture extension educator with Oklahoma State University. "Additionally, attendees have an opportunity to visit with experts in key agricultural disciplines including livestock, horticulture, economics, pasture and range, soils and crops, and wildlife and fisheries."

The Noble Foundation's Basic AG is an educational program to benefit those new to agriculture. The series provides practical, foundational knowledge that can be used in everyday operations. Basic AG events offer straightforward information and interactive experiences to give participants the understanding and new tools to achieve specific agriculture-related goals.

Registration for the Basic AG Field Day is \$15 and includes lunch. For additional information or to register, call Tracy Cumbie at 580.224.6411 or register online at [www.noble.org/agevents](http://www.noble.org/agevents).

## U.S. beef competes in export markets

The latest USDA cattle report indicates that feeder cattle prices and the current series of profitable months of feeding cattle have not been enough to motivate beef cow herd expansion. As a result, cow slaughter continues at a high rate, setting the stage for further declines in cow inventories.

In 2010, 2.19 billion pounds of U.S. beef are forecast to be exported, with Japan and South Korea providing the most momentum in the U.S. beef export market. The rate of exports to Vietnam seen earlier in the year may de-

crease in the second half of 2010. Regardless, U.S. beef should remain competitive in the global marketplace, particularly as the U.S. dollar remains relatively weak against the currencies of competing exporters, particularly the Australian dollar.

Imports of beef to the United States this year are forecast at 2.6 billion pounds, nearly even with 2009 levels. Cattle imports were strong through the first half of 2010, but weather and U.S. prices should determine the strength of cattle imports in the second half of the year.

Source: USDA

## County Agent's Report

### New Texas cattle trichomoniasis regulations become effective November 2010

A press release from the Texas Animal Health Commission outlined several changes to Texas' cattle trichomoniasis (or "trich") regulations. The changes will become effective in November 2010.

The releases stated, "Cattle trichomoniasis, a venereal disease of cattle, can cause cows to abort very early in their pregnancy and be slow to re-breed. Cows, given sexual rest, may clear the disease, but infected bulls become lifetime carriers and transmitters of the "trich" organism. To protect against the spread of the disease, testing regulations went into effect in January 2010 for Texas breeding bulls undergoing a change of possession, about nine months after rules were imposed for breeding bulls entering the state."

The rules adopted include: They will extend the validity of the negative cattle trichomoniasis test from the current 30 days to 60 days, provided the bulls are not commingled with heifers or cows during the 60 days.

The current 30-day 'virgin certificate' is extended to 60 days for young bulls that are exempt from testing prior to change of possession.

The virgin certificate will convey to the new owner, who may re-sell the young bull as a virgin within the 60-day time frame, provided the animal has not been commingled with female cattle.

Exempt out-of-state breeding bulls from an entry trichomoniasis test, if they come from Certified Semen Service (CSS) artificial insemination facilities, where they are isolated from female cattle.

The bulls must be accompanied by documentation, with an original signature by the veterinarian or manager of the facility.

Untested, non-virgin Texas bulls may be sold and moved to a feedlot prior to slaughter.

A negative trichomoniasis test still will be required within the previous 30 days

when non-virgin bulls, or bulls older than 24 months of age, are imported into Texas from other states. However, once the animals arrive in Texas, the negative test would be valid for the remainder of the 60-day test window, provided the bulls are maintained away from female cattle during that time.

For more information, contact the ICA office at 512-620-0162, or visit [www.icatexas.com](http://www.icatexas.com).

### Overseeding winter pasture

Many livestock producers have already planted small grains or winter annual forages in prepared fields; now many are beginning to think about over seeding their pastures. In general, planting recommendations are similar to planting in a prepared field. Small grains should be planted from one to 1.5 inches deep, and ryegrass should be planted approximately 1/8 to 1/4 inches deep. Clovers and medics have very small seed and should be either planted 1/8 to 1/4 inches deep or broadcast on the soil surface and packed or harrowed in. Seeding rates for cool-season small grains range from 90 to 120 pounds per acre, while ryegrass seeding rates range from 25 to 30 pounds per acre and clovers and medics range from four to 16 pounds per acre.

A very good web site to check for specific plant species recommendations is: [http://stephenville.tamu.edu/ag\\_programs/forages/forage\\_species/index.php](http://stephenville.tamu.edu/ag_programs/forages/forage_species/index.php).

Fertilization for cool-season forages should be based on soil test recommendation. Nitrogen fertilization of over-seeded small grains or ryegrass is usually split into two applications of 50 to 60 pounds per acre for each.

### Dates to remember

Oct. 26 - Marketing Club Meeting - Gainesville Farm Bureau Building; 7 p.m..

Nov. 4 - North Texas Cattleman's Conference; Myers Park in McKinney; 8-3:30; 3 CEUs.

Nov. 16 - Fall CEU Update; Landmark Bank Meeting Room in Gainesville, 6 - 9 p.m.

## Texas Native Plant Week Oct. 18-24

The Texas Parks and Wildlife Department, Austin's Lady Bird Johnson Wildflower Center, the National Wildlife Federation, and the City of Austin are joining together this year to commemorate the 2nd Annual Texas Native Plant Week and to encourage the public to learn more about the state's adaptive and hearty native plants.

On June 16, 2009, Gov. Rick Perry signed a bill into law proclaiming Native Plant Week, recognizing the value of native Texas plants and encouraging their use. Visit <http://txnativeplantweek.org/> to learn what native plants and trees are best for various regions throughout Texas, what educational resources are available on the topic, and where to go to attend scheduled native plant presentations during the week.

## Just a thought

## Get the Hog Outta Texas!

Texas Department of Agriculture (TDA) has declared October "Hog Out Month" as part of its "Get the Hog Outta Texas!" program to legally eradicate feral hogs throughout the Lone Star State.

As an estimated two million feral hogs are causing millions of dollars in property damage across Texas, the "Get the Hog Outta Texas!" program challenges all 254 Texas counties to reduce the number of feral hogs in their area by Oct. 31. TDA will award a grant to the counties with the most hogs removed. To date, 60 counties have committed to the challenge.

"I am asking Texans around the state to step up and join the county challenge to learn about feral hogs and how best to legally hunt and trap them in their area," Ag Commissioner Staples said. "These hogs, which number in the millions and are capable of breeding twice a year, wreak havoc on property and also can pose a health threat to humans through disease and automobile accidents."

More details about the "Get the Hog Outta Texas!" county challenge can be found at [www.texasagriculture.gov](http://www.texasagriculture.gov) under the Most Popular Links section.
