

Vandalism done to tree

"Service to humanity is the best work of life!" This is the last line of the Jaycee creed - the creed that is recited before every meeting the Muenster Jaycees have - the most important line we believe in. But we believe in much more!

We believe in the future of this community. Thus, most of our projects are aimed directly at our youth.

For the past several years, our major endeavor has been the new baseball complex! We're trying to create a ball park to entertain "all the kids," from T-ball to high school playoffs! Before it's all over, we'll have invested right at a million dollars before our dreams are complete!

Completeness is a long way off. But as we travel to our goals, we're paying tribute to some people we've lost along the way - some have left us way too soon, while others

Linda Flusche photo

have left a legacy of volunteering - their families still very active!

As there were absolutely no trees in the park, it was decided to plant and dedicate trees to the "young missed" or to deceased residents who still have family members working for the future of Muenster. Handsome monuments have been placed beneath these trees that line the outskirts of the park. Some trees are yet to be dedicated and many more will be planted in the future!

Some time, recently, someone entered the park on the south end and literally "sawed" down a beautiful young red oak tree. Sometimes when vandalism occurs, theft is committed for profit. This, however, was a senseless waste! The only good that can come out of this is the fact that the tree was not yet dedicated to a family! How devastating it would be to see a memorial to your loved one destroyed for no reason.

The tree that was so senselessly destroyed was purchased by the Muenster Jaycees and planted by Dustin Felderhoff as part of his Eagle Scout project.

We, as Jaycees, don't even consider the baseball complex our property. Yes, we purchased the land, built and fenced the fields, constructed needed facilities, etc., all with the City's blessing to take over and maintain the grounds. City property - yes - but even more - community property!!

We've had so much help and backing from this community to make this dream come true, that this act of disrespect is a slap in the face to all of us!

Dr. Roa sets up practice at MMH Family Health Clinic

By Janet Felderhoff
Muenster once again has two family medicine physicians practicing at Muenster Memorial Hospital. Mario Rizalino B. Roa, Jr., M.D. moved his family to Muenster and had his first day

in the MMH Family Health Clinic on Monday, Oct. 18.

Dr. Roa's wife Christine is a registered nurse and will be working at the Hospital. They have three children. Daughter Kyra, age 11, attends Sacred Heart Catho-

lic School and is in the 6th Grade. Son Isaiah, age nine, is in the 4th Grade at SHCS. The youngest daughter Ninni is 15 months of age. Both of the older children have been taking violin lessons for two years and are doing well. They are learning the Suzuki method.

Earning his medical degree in the Philippines, his home land, Dr. Roa graduated in 1991. The next year, he did post graduate internship, finishing in 1992. He worked until 1995 when he began a five year formal training for a general surgery residency. After completing the training, Dr. Roa spent four years as a general surgeon.

At that time, his wife decided that she would like to move to the United States. Dr. Roa's brother, also a practicing doctor in Las Vegas, encouraged the move. The Roas' parents live in Las Vegas. Christine has family in Corpus Christi.

"We've been in and out of this country for about four years until we decided we would settle here," noted Dr. Roa. He decided to train in family medicine. This took three years at Bryan-College Station Texas Health Science Center College of Medicine. He was a co-chief resident in the residency program and graduated in July 2010.

Muenster is the first place in the United States that Dr. Roa will be practicing medicine. He added, "I am a certified general surgeon back home, but I am not certified in the U.S., but as a family practice physician, I can do more than my other colleagues because I have that background and am very

Interest stirred for Tuesday's Election

By Janet Felderhoff

If early voter turnout is any indicator, there will be a good turnout of voters next Tuesday for the General Election. Cooke County has no contested positions on the local level. However, the Texas Governor's race and some seats in the Senate and Congress are drawing lot of voter attention.

According to the Cooke County Clerk's Office, early voting is popular in this Election. As of 5 p.m. on Friday, Oct. 22, 1,470 voters had cast their ballots. Early voting ends in Cooke County at 5 p.m. on Friday, Oct. 29.

Early voting numbers have already surpassed the total of early voters in the March Primary elections. That total was 1,465.

Polls will open at 7 a.m. Nov. 2 and close at 7 p.m. General Election Polling places, judges, and alternate judges for Cooke County are:

Pcts. 1, 3, 5, 30 - North Central Texas College Lyceum, 1525 W. California, Gainesville; judge - Chris McNamara, alternate Claudia Melugin.

Pcts. 2, 34, 35 - First Christian Church, 401 N.

Dixon, Gainesville, judge Dick Sparkman, alternate James Hurst.

Pcts. 4, 37 - Hillcrest Church of Christ, 1712 O'Neal, Gainesville; judge Mike Myers, alternate Farzana Ravajani.

Pct. 6 - Callisburg Community Center; judge Betty Henderson, alternate Sylvia McDaniel.

Pct. 7 - Tabernacle Baptist Church, 305 CR 194, Gainesville; judge Jim Yeargan, alternate Pauline Bashaw.

Pct. 8 - Callisburg Elementary School, Woodbine; judge Sharon McCormack, alternate Pauline Bashaw.

Pct. 9 - Violott Baptist Church, 15292 FM 678, Gainesville; judge Elizabeth Mendenhall, alternate Carolyn Hassell.

Pct. 10 - Mt. Springs Com. Center, 173 Mt. Springs Lane, Valley View; judge Dianne Helms, alternate Patrick Hermes.

Pct. 11 - 1st Baptist Church, Valley View; judge Stephen Gaylord, alternate Shellie Wallace.

Pct. 12 - Era Community Center; judge Ann Knight, alternate John Kubicek.

Pct. 14 - Rosston Fire De-

SH Church receives landscape update

A group of about 40 volunteers took up shovels to plant trees, shrubs, and ornamental grasses around Sacred Heart Catholic Church Wednesday morning. Landscaper Ashley Hartman planned and directed the beautification project. Future plans are to include two or three statues and benches for seating. Donations would be accepted for those projects. Pictured are, from left, Michael Tinsley, Rosemary Becker, and Bill Bayer. Tinsley photo

MMH ranks above average as CAH

By Janet Felderhoff

Members of the Muenster Memorial Hospital Board of Directors got several bits of good news at the Oct. 19 meeting. A graph prepared by Jerry Pickett, hospital investment officer, showed MMH compared to Texas Critical Access Hospitals (CAH) and U.S. CAHs.

Measuring the current ratio or the number of times MMH can pay current liabilities using its current cash for the months of June through September, MMH rated between 2.4 and 4.4 with Texas and US CAH's rating 2.4 to 2.3.

Days of cash on hand measured the number of days MMH can operate if no cash is collected. It's high was 139 in August and the low was 133.8 in June. The Texas average was 41.9 and the U.S. average 61.

St. Richard's Villa's final financial report showed a break-even situation for the months of January when MMH again began to operate it, until it sold in June.

Bids for the front entrance concrete work were opened. Three bids were submitted. Dangelmayr Construction bid \$90,000 and Huchton Construction, Inc. bid \$83,058, and Vessell bid \$85,000. Huchton's low bid was accepted. Also, the Board authorized MMH Administrator Lynn Heller to negotiate the price of additional sidewalk and handrails.

Signs for the FIT Center will be purchased by Mr. Heller and he will review all other signs to make a recommendation to the Board.

Diane Neu was commended for the super job she's done staying on top of compliance requirements and reporting results. Consultant Louise Grose, PhD submitted a CAH Program Periodic Evaluation report. The 14-page document noted that established policies were followed. She listed recommendations for some improvements in swing bed operations.

See MMH, pg. 2

Halloween arrives!

Arachnophobiacs beware! Several large spiders have been spotted at 105 CR 493, the home of Doug and Vickie Fleitman. The huge spiders have set up camp in the front yard and seem ready to attack. Below, Gus and Tammy Ashley have decorated their yard at 906 N. Main Street with scarecrows, chrysanthemums, and jack-o'-lanterns, bringing out the spirit of Fall.

Janet Felderhoff photos

TREEcontinued from pg. 1

You can help by keeping your eyes and ears open concerning this matter. If you learn anything, please contact the City. We invite you to drive the block and see our facilities, our trees, our sponsor signs, and our "fields of dreams"!

We're not finished by a long shot, but if we all can believe that "service to humanity is the best work of life," be assured that you will be proud of yet another asset of our great community.

Thanks for all your support,
The Muenster Jaycees
(See related ad on page 7)

ROAcontinued from pg. 1

comfortable with some procedures. I can do endoscopies and colonoscopies, and some small surgeries. I do not intend to do major surgery."

In the Philippines, Dr. Roa was active in an outreach program that enabled him to go to under-served areas to do some humanitarian service, including free surgeries. "I would like to continue that," he said. "In my current practice I would like to explore Africa and my hometown to continue my humanitarian service as a surgeon. I've been dreaming to do that."

Mario dreamed of becoming a doctor ever since he was in 2nd grade. "My parents were poor, but they were able to send me and my brother to college for medicine," remarked Dr. Roa. "I did not have to apply for any student loan to do that. My parents were lucky. My brother became an internal medicine physician."

Dr. Roa remarked, "I'm a straight forward doctor. I practice safe medicine. Make sure a patient is safe. My concern is my patient's well-being. I believe in the good referral system. I know my limitations and if I think I'm comfortable doing, I'll do it as long as it's in my comfort level."

Since beginning his residency training in family medicine, Dr. Roa felt family medicine is a good thing to do because it has a wider scope of practice. He received ob/gyn training with the family medicine training and was trained in doing some procedures. He doesn't plan to deliver babies locally since MMH does not offer that service any longer.

Hobbies enjoyed by Dr. Roa include running, but he

doesn't get a lot of time for that these days. He mostly spends time with his family, just enjoying being with his kids. He added, "I want to explore the outdoors. I like the outdoor stuff - fishing, hunting. I like sports shooting. I've been doing that since I was back home. I want to learn trap and skeet shooting." He also hopes to hunt for dove and quail.

"I think Muenster is an interesting place for me," reflected Dr. Roa. "I never thought I would end up here because even before I finished my residency, I thought that I would stay in the Bryan-College Station area. I love that place. It's a nice town. It's a good place to raise kids. It's very close to Houston, Austin, and San Antonio."

Doctors in residency often receive offers of places needing a physician, and Dr. Roa normally just dumped them. Something prompted him to open one telling of Muenster. Soon Dr Roa found himself in Muenster interviewing with MMH Administrator Lynn Heller. "That became a problem because I started liking the place and I still loved Bryan-College Station. I had a hard time deciding whether to settle here or stay back there. I'm here because it's a nice place for my kids. It's not too far from the city. Being a family doctor with a wide scope of practice this is not a bad place to be. It's rural setting, but it's pretty close to the urban areas. I think the people here are nice."

Dr. Roa will be taking his rotation covering the MMH Emergency Room. His office hours are 9 a.m. to noon and 1-5 p.m. Monday through Friday except that he is off on Tuesday afternoons.

DAYS GONE BY.....

65 YEARS AGO
Oct. 26, 1945

New 1946 Chevrolet expected soon at J. B. Wilde Motor Co. Postmaster A.J. Endres announces that the Post Office will now remain open over the noon hour to provide better service. R.L. McNelley, Robert Gruber, and Miss Loretta Hartman attend special REA book-keeper school in Austin. Herr Motor Co. advertises Friday, Oct. 26 for the first public showing of the new 1946 Ford.

Chamber/KMB launch beautification program

A new program mixes a new slogan with the tradition of being German clean. Keep Muenster Beautiful (KMB) is teaming up with the Muenster Chamber to begin the "To The Curb & Beyond" program in Muenster. The purpose of this program is to promote a visually pleasing and unified beautification plan for Division and Main streets of Muenster.

The program title is loosely borrowed from the lead character's line "To Infinity and Beyond" in a movie where all characters were toys. "We are pleased KMB has asked the Chamber to be partners because beautification and business promotion are so closely related," said John Broyles, Chamber director. "I have been asked by businesses what they could do to improve their own property and others along the business strip. After meeting with KMB, it became apparent we needed a long-term focused approach to make overall changes, and the first order of business is to help those who want it."

With the down economy, cities and towns face budget cuts to services which help maintain beautification along major tourist routes. Larger cities still have budgets, but smaller towns often

only did what they could, and now have to focus on providing just the basics. The affiliate program of Keep Texas Beautiful (KTB) helps small towns develop local groups such as Keep Muenster Beautiful, who in turn partner with local organizations to help solve their community beautification problems. Local KTB affiliates institute new programs that make long-term changes in the appearance of their community.

Most people would like to see immediate results but progress takes many years. We have the best example right in front of us," Broyles said referring to the many improvements made along Main and Division streets.

KMB Beautification Chairman Gary Fisher agrees, "Few recall what the street corners and vacant lots looked like 25 years ago, but we have the old photos to remind us how far we have come. We did it one year at a time." In 1986, Operation Clean Sweep was Muenster's organization for cleanup and beautification. "We asked the 5th, 6th, and 7th graders to tell us what they did not like about how Muenster looked," said Fisher. "And out of the mouths of babes came many improvements

which that generation now enjoys."

The program will take nine to 12 months to complete. During that time, each individual lot and property along these two roads will be surveyed by groups and judged to specific criteria from the center of the street to the rear of the lot. Much of the work will be done by the youth Board members and their assistants giving a fresh and unbiased perspective to problems they see. They will also be asked to make written constructive suggestions of what they would like to see done.

Area residents are also asked to add constructive comments by sending them specifically to KMB TCB Program, PO Box 327, Muenster, Texas 76252 giving locations. These suggestions will be reviewed and inserted into the final report and presented to the business or lot owner. The owner can ask for help from KMB if they need help on an improvement.

Anyone can join KMB and assist in any of the KMB programs as their time permits. A membership application can be picked up at the Chamber of Commerce or go to their website to see the kids in action or download an application at <http://keepmuensterbeautiful.org>

Letter to the Editor

To the Editor,

As we go to the polls this November, we all need to be informed about the candidates we are voting for as our future is at stake. The liberals who have taken over the Democratic party want to destroy the family by promoting same sex marriages, abortion on demand, and government run health care.

On the clock of the Obama administration, the national debt has spiraled out of control and the spending is to the point where our children and grandchildren will never have the freedoms our country was founded on unless we put a stop to them now. We think it is extremely

important in our own state that we take a close look at the candidates and make informed decisions about what they believe and how they will represent us and our views as Christians. Our governor's race is certainly no exception.

Obituaries

Monica Susan Stoffels 1953 - 2010

Mass of Christian Burial for Monica Susan "Sue" Stoffels of Stephenville was held at 10:30 a.m., Saturday, Oct. 23 in Sacred Heart Catholic Church of Muenster with Fr. Ken Robinson officiating. Burial followed in Sacred Heart Cemetery. A Rosary/Vigil led by Fr. Ken was held at 6 p.m., Friday, Oct. 22, at McCoy Funeral Home in Muenster.

Sue died at the age of 57 on Wednesday, Oct. 20, 2010 at Harris Methodist Hospital in Fort Worth with her loving family by her side.

Born Jan. 16, 1953 in Muenster, Sue was one of the seven children of Meinrad John and Anne Mae Fuhrmann Stoffels. She was a loving grandmother, mother, sister, and friend. Her family began calling her "Susie" at an early age, adapting to her role as a middle child by helping her mom cook, clean, and whatever it took to help out. She was a wonderful cook, had a good sense of humor, was compassionate, and had a good, giving heart.

Survivors include close friend Glenn Banks of Stephenville; daughters Kendra Macon of Lago Vista, Kristi and husband James Allison of Belton, Misty Macon of Lago Vista, Megan Wood of Fayetteville, Arkansas, and Michelle Banks of Arlington; sons and spouses James and Courtney Banks of Stephenville, and Chad and Joyce Ramsey of Gainesville; 11 grandchildren Landon, Kaylee, Gabriel, Jack, Lydia, Jeremy, Taylor, Hallie, Sampson, Xavier, and Aniyah; brothers Mike Stoffels of Muenster, Nick Stoffels and wife Bonnie of Gainesville; sisters Sara Woodmansee and husband Daniel of Gainesville, and Darla Hash and husband David of Springdale, Arkansas.

She was preceded in death by her parents, and brothers Doug and Donnie Stoffels.

Assisting during the funeral Mass was Imelda Rohmer who gave the First Reading, Sylvan Walterscheid who was altar server, and Viola Rohmer and Theresa Mae Walterscheid who were Eucharistic ministers. The Offertory Gifts were brought up by Courtney and Sampson Banks.

Music ministers were

Monica "Sue" Stoffels

Isaac Davis, pianist, and Karen Davis and Mary Del Olmo, vocalists. Songs included "Amazing Grace," "Shepherd Me, O God," "Only In God," "Do Not Let Your Hearts Be Troubled," and "I'll Fly Away." Instrumental music included "One Day At A Time" and "Will The Circle Be Unbroken."

The eulogy was given by James Allison and Kristi Allison, daughter. They remembered "...the wonderful Thanksgivings she provided for us all. She would plan and cook for weeks ahead of time. It was a holiday we looked forward to each year, because we knew she would make it special..."

"Susie was a woman with an extraordinary heart... If you came to visit, she had a meal for you. If it was your birthday, you knew she'd be first to call. If you were a friend of the family, you were family to her. If you were a beggar on the street, she would bring you some food... She painted the picture of unconditional love."

A poem written and read by daughter Misty Macon expressed a deep love for her mother. She said, in part, "She touched the lives of so many around. And seldom did she carry a frown. Her presence shared a certain glow. If she was near, it would surely show..."

"That light that shines in all of us, is the joy she gave without a fuss. Never selfish or wanting of finer things, her life was led by simpler means."

Pallbearers were Robert Lowrimore, Jeff Long, Michael Murphy, John Murphy, James Allison, and David Hash.

Josef Hesse 1918 - 2010

Josef Hesse

The former Community Director Josef Hesse of Engelskirchen in Germany died on Saturday, Oct. 16, 2010 at the age of 92. Josef was considered a great municipal official and a respected historian in Engelskirchen. He was lauded as an official who bore the responsibility in a decisive section of the community's history.

During Hesse's term of office from 1966 to 1982, important projects were completed, such as the building of the St. Josef Krankenhaus (Hospital named after him), the Aggertal gymnasiums, and several other schools. He was the initiator of the partnership with Plan-de-Cuques and received the Honor Medal from that city, located in Southern France. The city of Engelskirchen presented him with the Silvertaler.

Josef was born in Drolshagen in 1918. His professional career began in 1950 at county administration offices in Olpe. He worked for the Environmental Agency, until he took the job as Engelskirchener Community Director in 1966. He was voted to the same office again in 1975, after the merger with Ruenderoth.

In his hometown of Drolshagen and also in Engelskirchen, Hesse studied local history books and also at the same time showed his unwavering character. Hesse's book, *Engelskirchen in the 19th and 20th Century*, was published in 1985.

Josef Hesse was a relative to many in Muenster and the surrounding areas. His grandfather Gerhardt Hesse was brother to Franz Hesse, one of the original settlers of Muenster. Josef visited Texas, and Muenster in particular, several times. His last visit was in August, 2004. He was adamant that he attend Theresa Hesse's 100th birth-

day party, despite ill health and the Texas heat. Family connections were very important to him.

In the 1980s, Paul Hesse, grandson of Franz, connected with Josef and family, when Paul worked in Munich. Paul and wife Dorothy visited them and Josef was very happy to hear from his American relatives.

After hearing of Josef's death on Oct. 16, the children of Mrs. Meinrad Hesse said that he died on her birthday and went to bring her greetings! She would have been 100 years old.

The family remembers Josef as a person like their grandfather Franz. He displayed many of the same characteristics: a leader with vision and ability to see projects through to the end; a kind, gentle man; and one of immense integrity with a fine sense of humor.

Josef's family has requested that donations in his name be sent to: Sister Roberta Hesse - Our Lady of Victory Center - 909 West Shaw Street - Fort Worth, Texas 76110. Checks should be addressed to: Solidarity with Africa/Brazil Missions Fund. The donations are tax deductible and a donation receipt will be provided at the end year.

Margaret Schuengel Hellman

Margaret Schuengel Hellman died peacefully and painlessly on Sept. 22, 2010 after 99 years in our midst. Born and raised on 13th Street in the center of what is now the Marquette University Campus on Milwaukee's near west side, she graduated from West Division High School and passed up a Chemistry scholarship to the University of Chicago for studies with dancers such as Martha Graham and other artistic activities.

An MU graduate student, Muenster, Texas' Hugo Hellman won out over several rivals and became her permanent spouse in 1935 and she supported his ascendancy to become the longtime Dean of the MU School of Speech. Margaret's death was preceded by Hugo's in 1975, and that of their son Robert in 2008.

She is survived by her son John (Odile), four grandsons, one granddaughter, one daughter-in-law, four and one-half great-grandchildren, cousin Gary Josephson and his family, the Texas Hellmans, including nephew D. J. Hellman, nieces Janie Weinzapfel and Carol Aytes, and cousin-in-law Thelma Trubenbach all of Muenster, as well as numerous other relatives and friends.

Few people who met Margaret even once, ever forgot her. Nor did she forget them.

She was loving or acerbic; serious or playful; a worrywart or carefree; smiling or frowning - any or all depending on her mood, the moment or the degree of concern for the issue. She was sceptical of organized religion but faithful to the values of the Milwaukee Socialism of her lifelong friends such as the late Milwaukee Mayor Frank Zeidler. A remarkable atmosphere of affectionate, good-humored, caring surrounded her last months in St. Camillus.

Visitation, memorial service, and a reception were held Friday, Oct. 22 at the Chapel of San Camillo. Interment was at Stone Bank cemetery on Oct. 23.

Funeral services for Neil Tibbets of Gainesville were held Wednesday, Oct. 27 at First Baptist Church with the Rev. Hubert Wright officiating under the direction of Geo. J. Carroll & Son Funeral Home. A private burial followed in Fairview Cemetery. Visitation was held at the funeral home on Tuesday, Oct. 26.

Neil died at the age of 83 on Sunday, Oct. 24, 2010 at home surrounded by his family.

Born Dec. 7, 1926 on the

Gladys Marie Bezner, age 84 of Lindsay, died at The Vintage Skilled Nursing Home of Denton, joining her loved ones in Heaven at 1:20 a.m., Friday, Oct. 15, 2010. She was born June 10, 1926 in Sherman to Joseph B. Wilde and Loretta Eberhart Wilde.

Gladys grew up in Muenster and graduated from Sacred Heart High School in 1944. She graduated from Texas Tech University with a Bachelor of Arts degree in 1948. She married John Rufus Bezner of Lindsay on Nov. 9, 1949 in Muenster at Sacred Heart Catholic Church.

Gladys was a schoolteacher for 40 years, teaching at Gainesville State School, Muenster ISD, Lindsay ISD, and St. Mary's Catholic School in Gainesville. She also taught religion classes at St. Peter's and St. Mary's Parishes. For many years, she played the piano and organ for St. Peter's Choir and at Lindsay High School graduations. She also taught piano lessons in her home.

Survivors are daughters and spouses Carol Marie and Bruce Ravellette of St. Francisville, Illinois and Mary Kay and Richard Fisher of Denton; son John Rufus "Jay" Bezner of Lindsay; daughter-in-law Sharon Bezner of Lake Worth; brother and spouse, Ray and Marcy Wilde of Muenster; sister Laurie Bezner of Hurst; 12 grandchildren and five great-grandchildren; and numerous nieces and nephews.

She was preceded in death by her husband; children, infant daughter Sharol and sons Jeffrey and Rick Bezner; her parents; and infant brother Robert Wilde.

A Rosary led by Will Bezner, nephew and Godson, was held Tuesday, Oct. 19 at Geo. J. Carroll Funeral Home in Gainesville.

Mass of Christian Burial was held Wednesday, Oct. 20 at Centennial Hall in Lindsay, with Rev. Raymond McDaniel celebrating the Mass. Burial was in St. Peter's Cemetery.

Assisting at Mass were altar servers Brad Bezner and Matthew Block. Granddaughter Paige Fisher gave the First Reading. The Responsorial Psalm was given by Kenny Bezner, cousin. Jan Wilde Cain, niece, gave the Second Reading. Prayers of the Faithful were read by Lonnie Ray Bezner, nephew. Granddaughters April Fisher, Melissa and Amanda Bezner, and Sabrina Ravellette carried up the Offertory Gifts. Serving as Eucharistic ministers were Joe Bezner, Sr., Skipper Bezner, Suzanne Bezner, and Nancie

Gladys Bezner

Lippe. Presenting music was the Immaculate Conception church choir including Ray Guidrey, Myrna and Craig Guidrey, Diane Patin, Jane Korba, Diana and Larry Whitlock and the St. Peter's Church choir including Danny Nortman, Kenny Bezner, Margie Laster, LuElla and Evelyn Fuhrmann, and Roger Dieter, vocalists, and pianist Laura Neusch. Sacred songs included "Amazing Grace," "On Eagles Wings," "Here I Am Lord," and "Be Not Afraid." "Ave Maria" was sung by soloist Roger Dieter.

The eulogy was given by Susan Bezner Smith, niece, who remembered, "As a young adult, Gladys enjoyed flying airplanes, doing loops, tailspins, and stalls... She enjoyed flower gardening, playing bridge, decorating her house for holidays... and shopping for clothes, which was a passion of hers. Gladys always dressed to the 'T' and took pride in her appearance."

"Gladys will be remembered for her devotion and love of God, her German work ethic, and love for children... had a great passion for music, delighted in people, had a heartfelt generosity and hospitality, and of course her witty humor and endless stories..."

Susan also read *Peace and Solitude*, a piece written by Gladys which described her enjoyment of being alone which was "a time to let my mind wonder - filled with memories of the past, good and bad. When young, I... loved riding my bicycle alone out into the country... I loved playing the piano... Visits to church... the sense of His presence was overpowering..."

Pallbearers were Richard, Drew, and Wade Fisher, Bruce, Thomas, and Russell Ravellette, Rufus E. "Reb" Bezner, and Caleb Cox.

Memorials may be made to St. Peter's Catholic Church Renovation Fund.

Neil Tibbets 1926 - 2010

Survivors are his wife of 53 years Mary Hunsucker Tibbets; son and daughter-in-law Michael and Penny Tibbets of Paris, Texas; son and daughter-in-law Martin and Susan Tibbets of Newton, Kansas; seven grandchildren; sister and brother-in-law Verna Lou and Reagan Butler of Canadian, Texas; and brother-in-law Joe Holder of Bonham.

He is preceded in death by his parents and his sister Floyene Holder.

Thanks

The family of Monica Susan Stoffels "Susie" would like to thank the community of Muenster for all the support you have shown us this past week. Our mother always talked about how great Muenster was.

Now we have had the chance to fully experience the compassion and empathy the town has to offer. We have such peace of mind knowing that her final resting place is in a place as beautiful as Muenster. We would like to give special thanks to Father Ken for delivering a heartfelt sermon that helped put all our hearts and minds at ease. Thanks for all the time and effort everyone put into the food preparation to feed us all. The music was lovely. McCoy's Funeral Home did an amazing job and we thank you for that. All of the flowers and donations made by the people of the community could not be more appreciated.

I know that she is smiling down on all of us now. The funeral could not have been any more beautiful. Thank you all for helping us make our mother's final wishes come true.

The family of Monica Stoffels, Chad, Kendra, Kristi, Misty, James, Michelle, Megan, Nicky, Bonnie, Darla, Sara, Mike, Glenn, family spouses, nieces, nephews, and the grandchildren.

The best things in life aren't things.

CASA awards Annual Art Contest prizes

CASA of North Texas awarded prizes for its fourth annual art contest. Gwendolyn Perez, Sam Hesse, and Dania Castruita won first, second, and third prizes, respectively. Miss Perez and Mr. Hesse were presented art kits and certificates by District Judge Janelle Haverkamp.

"We are so happy to recognize the very special pictures that were done for our contest. Choosing a winner for the contest was difficult," said CASA's Director Vicki Robertson. "I think having Judge Haverkamp presenting the awards made it a special time for the children as well. She took the time to visit with each child and look at their art."

"CASA will use the winning artwork and incorporate it into our annual campaign. These children helped us to present what we do in a very sweet visual way. We appreciate their contribution to the abused and neglected children we serve."

CASA of North Texas is a non-profit organization that recruits, trains, and supervises everyday volunteers who speak up (advocate) for the best interests of abused and/or neglected children while they are a part of the foster care system. CASA volunteers give their time to get to know the children and their families. They check

on the children while they are in foster care, and check up on the efforts of parents as they work to make the changes necessary to have their families reunited. CASA volunteers then report their findings back to the District Judge, who has the tremendous responsibility of making decisions that affect the lives of these vulnerable children. In a sense, a CASA volunteer acts as "the eyes and the ears of the Court" on the children.

CASA is supported locally by the United Way, Cooke County Commissioner's Court and the City of Gainesville, as well as local individuals, businesses, and churches.

Southern Methodist University crowned Taylor Torcellini 2010 Homecoming Queen during last Saturday's game. She was one of 13 nominees. Taylor is the daughter of Tom and Sandi Torcellini. She is in her Senior year at SMU and is majoring in Creative Advertising and Photography. Taylor is vice-president foundation in her sorority Delta Gamma, where she organizes all community services programs and philanthropy events for Delta Gamma's Service for Sight. Last April, Taylor planned Anchor Splash, an on-campus fundraiser that raised over \$14,000 for Service for Sight. Many Muenster friends attended the event and were thrilled to see Taylor named Queen.

New Arrival

Hesse

Bert and Christy Hesse of Muenster joyfully announce the birth of their daughter Ruth Anne Hesse. She was born on Sunday, Oct. 17, 2010, at 8:17 p.m. in Denton Presbyterian Hospital. Ruth Ann weighed 6 lb. 11 oz. and measured 19 inches in length. Also welcoming the newest addition to the family are Joe, 19, Rebekah, 17, John Paul, 15, Daniel, 13, Julian, 10, Rachel, seven, Nathan, five, and Luke, two. Grandparents are Ethel

Hesse of Muenster and the late Leo Hesse, and the late Joe and Ruth Felderhoff.

Ruth Hesse

Jake turns one!

Jake Becker, son of Joe and Kristie Becker, celebrated his first birthday on Sunday, Sept. 19. His actual birthday is Sept. 18. Jake and his guests enjoyed pulled-pork sandwiches, cole slaw, and baked beans, and a smiley face birthday cake, all made by Jake's mother.

Guests of Jake and his parents included his sister Katie; great-grandparents Gloria Becker, Ed Sandmann, and Diamond and Evelyn Fuhrmann; grandparents Leo and Peggy Lutkenhaus, and Paul and Brenda Becker; aunts and uncles Diane Becker, Patrick and Tiffany Lutkenhaus, and Pamela and Chris Grewing; cousin Zac Grewing; great-aunt Lu-Ella Fuhrmann; great-great-aunt Lucille Hess; and friend Clyde Muller.

A second birthday party for Jake and his cousin Wyatt Muller, son of Matt and Yanna Mueller, was held on Wednesday, Sept. 29 at Pecan Tree Rehabilitation & Health Care Center. The guest of honor was the cousins' great-grandma Armella Lutkenhaus. All those attending enjoyed a picnic lunch and playing outside underneath the Center's pecan trees.

Jake Becker

Little Flowers learn hospitality

The Little Flowers are spending the year learning the art of hospitality. They will be learning proper techniques for the skills of cooking, cleaning, preparing guest rooms, setting/clearing tables, sewing/modesty, bringing hospitality to others, and correspondence. The girls will use these skills to serve others throughout the year. The final activity of the year will be a tea party,

hosted by the girls, for their mothers.

As part of the cooking lesson, some of the Little Flowers baked cookies for the Sacred Heart Food Pantry for distribution to the less fortunate of the community. The girls met with Kathy Vogel of Sacred Heart Outreach on Sept. 25 with collected canned goods to stock the food pantry.

Members of The Little Flowers helped stock the Sacred Heart Food Pantry as part of "learning the art of hospitality." They baked cookies and collected canned goods in order to help others. Pictured are, clockwise from left front, Sarah Davis, Rachel Hesse, Jena Dangelmayr, Amy White, Jesse Dangelmayr, Abby Walterscheid, and Grace White. Not pictured, Gracie Green and Lydia Hennigan. KEEP MUENSTER BEAUTIFUL YARD OF THE MONTH honors for October were awarded to Francis and Cathie Fuhrmann who live at 215 N. Oak Street. Their yard proclaims the beauty of Fall with pumpkins, chrysanthemums, and rows of pansies brightening the front. Tucked under the pansies are daffodil bulbs that will flower in early Spring. Other flowers in bloom now in the Fuhrmann yard include petunias in shades of purple, hot pink mandevilla, hot pink periwinkles, marigolds and zinnias planted because they reseed each year and attract monarch butterflies. Trees and shrubs include an oak tree, crepe myrtle tree, red tip photinia, wild roses, and wax leaf ligustrum. To nominate someone for Yard of the Month, contact the Muenster Enterprise at 759-4311, the Chamber at 759-2227, or any KMB member.

Firefighters award area poster contest winners

The Cooke County Firefighters Association (CCFA) treated winners of their annual fire poster contest to a hot dog supper Oct. 11.

The firefighters presented the title "Safety Story" based on the movie "Toy Story," with characters Woody, Buzz Lightyear, Fireman Frank, Andy, and flames teaching the children about safety practices.

The winners were presented certificates.

Winners were:
Kindergarten
 Grand champion - Grace Fitzgerald, Callisburg; Reserve champion - Faith Fitzgerald, Callisburg; First place - Trenton Blount, Lindsay; Second place - Ella Koberick, Callisburg; Third place - Bradley Lutkenhaus, Muenster; Honorable mentions - Madison Byerly, St. Mary's; Kailie Bradle, Lindsay; Emma Dieter, Lindsay; Debra Huchton, Muenster; Alexis Huerton, Edison.

First grade
 Grand champion - Anna Fleitman, Lindsay; Reserve champion - Nevaeh Johnson, Edison; First place - Kayden Luscomb, Edison; Second place - Emily Flusche, Sacred Heart; Third place - Blayne Sicking, Era; Honorable mentions - Haley Flusche, Muenster; Andee Renfro, Valley View; C.J. Corbell, Lindsay; Joie Kintz, Sacred Heart; Allison Becker, Sacred Heart.

Second grade
 Grand champion - Landrie Herr, St. Mary's; Reserve champion - Rachel Metzler, Lindsay; First place - Lily Kemp, Chalmers; Second place - River Robinson, Era; Honorable mentions - Mason Ford, Chalmers; Skylar Sneed, Valley View; Matthew Terry, Era; Desilee Stephens, Chalmers; Sarah Davis, Muenster; Lexi Rivers, Sacred Heart.

Third grade
 Grand champion - Marina Walterscheid, Chalmers; Reserve champion - Colby Endres, Muenster; First

place - Kate Jones, Lindsay; Second place - Dorcan Cancino, Chalmers; Third place - Kaitlin Hennigan, Muenster; Honorable mentions - Stephanie Rodriguez, Muenster; Molly Yarbrough, Era; Tara Banks, Chalmers; Kaylee Colwell, Lindsay; Rachel Weber, Era.

Fourth grade
 Grand champion - Brianna Craigie, Lindsay; Reserve champion - Angelica Meza, Muenster; First place - Autumn Lutkenhaus, Lindsay; Second place - Issac Dickison, Valley View; Third place - Colby Metzler, Lindsay; Honorable mentions - Matthew Rocha, Lee; Ashleigh Fisher, Sacred Heart; Francisco Cardiel, Valley View; Perla Flores, Valley View; Victoria Menendez, Era.

Prior to the County contest, each of the fire departments belonging to the CCFA held poster contests in local schools. Winners were selected from each school and then these were judged with all the County entries.

Poster winners from Kindergarten were: 1st Bradley Lutkenhaus, 2nd Emily Collins, 3rd Debra Huchton; First Grade - 1st Nate Hesse, 2nd Haley Flusche, 3rd Bobbie Batha; Second Grade - 1st Sarah Davis, 2nd Alyssa Hutchins, 3rd Audrey Carnes; Third Grade - 1st Colby Endres, 2nd Stephanie Rodriguez, 3rd Kaitlin Hennigan; Fourth Grade - 1st Angelica Meza, 2nd Garrett Bindel, 3rd Tom Davis.

Winners at the local level from Sacred Heart Catholic School were:

Kindergarten - 1st Charlotte Rondon, 2nd Lorelei Nottingham, 3rd Branden Berkley;

First Grade - 1st Alison Becker, 2nd Joie Kintz, 3rd Emily Flusche;

Second Grade - 1st Lexi Rivers, 2nd Lily Haley, 3rd Kaley Berkley.

Fourth Grade - 1st Ashleigh Fisher.

MISD 5th Grade at Wolf Ridge Wind Farm. MISD photo

Muenster 5th Grade learns on study trips

On Wednesday, Oct. 20, the Muenster Elementary 5th-Grade class toured the Wolf Ridge Wind Farm northwest of Muenster to study alternative forms of energy and the KXII Channel 12 News Station in Sherman to learn a form of telecommunications and discuss meteorology.

At the wind farm, students were given a tour of the operations room and explanations of the computer equipment for weather reports and maintenance. They were also given examples of how the wind farm is graded by their company just like the students are in school.

Safety was stressed as the students toured the facilities wearing hard hats. The tour guide led the students inside the base of the 300 foot wind turbine to see the inside workings of the turbine's computer systems. One student commented,

"They are just a big computer that takes wind energy and makes it into electrical energy."

After leaving the wind farm, the group headed to the Sherman to tour the KXII Channel 12 News Station. Meteorologist Megan Kranig led the students through the newsroom explaining the different sets and cameras. Megan demonstrated how the newsreaders read words from a teleprompter. The students were surprised to see that they did not have to memorize the words.

Everyone's favorite was getting a chance to stand in front of the chroma-key "green screen" and see what it was like to be a meteorologist. Students were able to see how the cameras changed views and backgrounds as they watched the noon broadcast live from above the set. A great surprise was at the end of the newscast when the class was introduced and the camera spanned showing all the smiling, waving students on LIVE television!

Muenster Volunteer Fire Department poster contest winners at Muenster Elementary were, from left, front - Debra Huchton, Haley Flusche, Robbie Batha, Bradley Lutkenhaus; row two - Colby Endres, Nate Hesse, Sarah Davis, Alyssa Hutchins, Stephanie Rodriguez; row three - Garrett Bindel, Tom Davis, Angelica Meza, and Kaitlin Hennigan. Not pictured, Emily Collins. MISD photo

Rheams makes Subico Academy Honor Roll

Subico Academy proudly announces that Alec Rheams, son of Connie Rheams of Dallas, made the 1st Quarter Honor Roll of the 2010-11 academic year.

To be on the Honor Roll, a student must achieve a grade point average of 93% or better with a minimum grade of 85% in each course. In addition, the student must demonstrate good character and respect for the rules of the Academy by receiving satisfactory ratings in conduct and application, and be considered by the Administration to be a responsible member of the community both in and out of the classroom.

Subico Academy is a college preparatory boarding and day high school in northwest Arkansas dedicated to Catholic Benedictine traditions of service to God, respect for self and others, mutual support, and the value of work.

FCCLA holds Leadership Training Workshop Oct. 13

Muenster FCCLA sponsored a regional Leadership Training Workshop on Wednesday, Oct. 13. Region II V.P. of Public Relations Hannah Weger led the event with local FCCLA officers and Adviser Joni Sturm assisting. Four schools attended the event including Muenster, Tom Bean, Prairie Valley, and Valley View FCCLA members.

A theme banner competition was held for the visiting schools. Valley View was 1st place, Tom Bean 2nd,

and Prairie Valley 3rd. The banners will be entered in competition Feb. 4 at the Region II leadership meeting in Granbury.

Muenster officers led the students in a variety of leadership training events and games. Door prizes were drawn for one student from each school, and refreshments prepared by Muenster Family and Consumer Sciences classes were served. Eighty-five FCCLA members attended the event.

ANNUAL FIELD TRIP - Muenster FCCLA traveled to Dallas on Tuesday, Oct. 5 to the State Fair of Texas for their annual field trip to conclude the membership drive. Seventy-two members attended with Coaches Amy Binder and Jason Atcheson driving the two buses. Adviser Joni Sturm and Tina Bindel also accompanied the group. **MISD photo**

A few precautions can help keep Halloween safe, fun for Trick-or-treaters

When making plans for that Halloween outing, be sure to include safety precautions in the evening's lineup, said Dr. Paul Pepe. "Parents should make sure that the costumes fit properly. If the length of the costume is too long, children may trip and fall," Dr. Pepe said. "Also, consider using cosmetic makeup rather than masks to keep vision optimal."

For a safer Halloween, Dr. Pepe recommends:

- Wear only flame-retardant costumes and make sure the costumes are bright and have reflectors.
- Carry a light so you can be seen after dark.
- Travel in a group with adult supervision; carry a cell phone in case of an emergency; use the buddy system.
- Avoid busy intersections and poorly lit areas.
- Steer clear of strangers' houses; beware of unfamiliar pets.
- Never eat unwrapped treats.

FASHION DESIGN CLASS PROJECT - Muenster High School Fashion Design Class joined the Homecoming festivities by decorating the classroom display case with four decades of cheerleading fashions and photos. The decades shown were '60s, '70s, '80s, and '90s. Pictured from left, Llogan Cheaney, Catherine Cho, Shelby Simpson, Michelle Sicking, Sadie Stoffels, and Jill Magee. Not pictured, Paige Morgan. **MISD photo**

Hornets take another victory

The Muenster Hornets got another win in last Friday's game to remain undefeated and on top of the District with Collinsville. After a 27 minute delay due to lightning, the Hornets came out to play. "We had a really good 1st half," noted Coach Brady Carney. "Though we left a few points on the field."

Twenty-one points in the 1st half were enough for the Hornets, who buzzed out 364 yards while grounding the Eagles to a total of 158, in their 21-8 District win.

"The defense did an outstanding job holding their offense in check the 1st half," Coach Carney continued. "In the 3rd quarter, we were too satisfied. We didn't have the same fire and intensity. The start of the 3rd quarter got

quarter clock.

The Hornet defense dropped the Eagles for a loss. A 15 yard punt put Muenster on the Valley View 35. Chase Hammer gained 14, but a penalty lost 15. Trevor Hess ran for 6 yards, Luke 20, and Hammer 8 to the 2 yard line. Hammer carried the ball over the goal line and Flaming booted the PAT to give Muenster a 14-0 lead 47 seconds into the 2nd quarter.

Once again, the Hornets forced an Eagle punt that buried Muenster on the 4 yard line. The teams exchanged punts, with Muenster's next drive beginning on the Hornet 24. Runs by Luke and Hammer got the ball to midfield. An Anderle to Andy Flusche pass play

said. "Getting three wins in District should get you into the playoffs."

Tigers shoot down Eagles

Sacred Heart traveled to Fort Worth Friday night for a District match with the Eagles of Lake Country. The Tigers took control of the game early, attempting to keep the Eagles grounded. Lake Country had a total of 135 yards, only 2 from rushing, while Sacred Heart ran for 382 and threw for 140 in their 52-13 win.

"I'm really pleased with the defensive side of the team, holding Lake Country to only 2 yards rushing," noted Tiger Coach Dale Schilling. "We're happy to get Matt (Hesse) back on track throwing the ball."

Tackles by Greyson Evans, Matt Hesse, and Benjamin Yosten allowed no gain in the Eagles' first possession. A punt return by Bob Bartush placed the Tigers on the Lake Country 26 yard line. Seven plays later, the

Tigers scored on a 3 yard run by Josh Biffle. The PAT kick was wide for a 6-0 score with 7:38 on the clock.

Mark Bartush and B. Bartush allowed no gain before Evans covered a loose ball on the Eagle 23. Four plays later, Biffle scored on a 4 yard run. Austin Aldriedge booted the extra point for a 13-0 Tiger lead with 5:38 remaining in the 1st period.

Lake Country went to the air, completing a few passes before running out of downs and punting. The Tigers threw an interception, allowing the Eagles to carry the ball into the 2nd period. A 4th and 7 punt gave Sacred Heart possession on their own 10 yard line. Six plays later, the Tigers scored on a 62 yard touchdown pass play from Hesse to B. Bartush. The PAT failed and the Tigers had a 19-0 lead.

The teams exchanged a few punts before an Eagle picked off a Tiger pass and returned the ball for a Lake Country touchdown. With 1:52 on the clock, the Eagles were on the board 19-6.

Sacred Heart came right

Sacred Heart scored on their first possession of the 2nd half. Biffle and M. Hesse carried the ball to the Eagle 19. A Biffle to Davis pass found the end zone. Aldriedge added the PAT for a 40-13 score.

The Tigers allowed no gain and took the Eagle punt at midfield. Eight plays later, M. Hesse scored from 7 yards out and Sacred Heart had a 46-13 lead with 5:14 remaining in the 3rd.

The teams both had three plays and punt, with Lake Country's offense taking the ball into the final period. The drive ended when Metzler intercepted an Eagle pass. Metzler and Austin Miller took turns running 11 plays, 86 yards to the Eagle 1. Miller finished the drive with 3:40 on the clock and a 52-13 score.

The Eagles got in two plays, the second an interception by Aldriedge. The Tigers then killed the clock, bringing home the District victory.

us down a bit. We kept killing ourselves. Things didn't go our way. Luckily we did good the 1st half and had a cushion."

Valley View took the opening kick, but the Hornets only gave up 2 yards, forcing an Eagle punt.

Muenster moved the ball 48 yards before throwing an interception inside the Eagle 5 yard line. Valley View got in nine plays before running out of downs on their own 39. Two Tyler Anderle passes to Jason Luke found the end zone for 6 points. Josiah Flaming added the PAT for a 7-0 score with 3:25 on the 1st

gave the Hornets another 6 points. Flaming's boot was good for a 21-0 Muenster lead with 1:29 remaining in the 1st half.

The Eagles went airborne, but their drive ended when Blake Voth intercepted a pass with 39 seconds on the clock. Muenster got off two good passes before time ticked away.

The Hornets got in eight plays and punted when action restarted. Ten plays later, the Eagles were on the board, 21-8.

The Hornets carried the ball into the final quarter, getting inside the Valley View 20. An interception ended the drive.

The Eagles attempted nine plays, punting on 4th and 16. The Hornets then took more than 5 minutes off the clock before punting with 1:24 remaining in the game. Valley View completed one of four passes before time expired in the Muenster victory over Valley View.

"It's a W and we're happy with that," Coach Carney

Andy Flusche, Chase Hammer, Cole Walterscheid, Dalton Koelzer. **TURNOVER:** Interception - Blake Voth.

Next Action

The Hornets host the Lindsay Knights this Friday for the 2010 Kraut Bowl Classic.

Muenster will attempt to keep their season undefeated while the Knights fight for a hopeful 2nd place after an earlier loss to Collinsville.

It's a great rivalry. Both towns take a lot of pride in their schools," commented the Muenster coach. "It's going to be a lot of fun. Coach Bounds does a great job with his guys and it will be a great game."

Carney added that Lindsay is big and fast on both offense and defense. "We have to come out ready to play. We must have the determination, will, and desire to have success."

The Hornets have lost senior Garrett Walterscheid to injury, but have Paul Mourning returning to the lineup.

Action begins at 7:30 p.m.

JUNIOR VARSITY FOOTBALL

Muenster vs Valley View

The Muenster Hornet JV football team hosted the Valley View Eagles last Thursday night to continue District play and came out with a 33-6 victory to improve their record to 7-1.

The Hornet offense scored on their first offensive drive when quarterback Hunter Klement completed a 30 yard touchdown strike to Colton Lang.

Klement also hooked up with tight end Clayton Hess for a 40 yard score in the 1st quarter.

Mason Binder had two touchdowns rushing and defensive end Blayne Styles intercepted a pass and returned it for a touchdown on defense.

The Hornet JV team face the Lindsay Knights in Lindsay Thursday night.

A cheerful heart does good like medicine. Proverbs 17:22

Tiger Michael Davis (30) snags a pass in Sacred Heart's District win last Friday. Thomas Otto photo

back at the Eagles when Keith Metzler scored on a 45 yard run less than a minute later. A Biffle to Michael Davis pass added the extra points for a 27-6 score with just under a minute remaining in the 2nd period.

Lake Country returned the Tiger kick to Sacred Heart's 25 yard line. The next play, an Eagle touchdown. With 35.7 seconds on the clock, the scoreboard read 27-13.

After a return by John Paul Hesse, a Biffle to B. Bartush to J.P. Hesse play gained 44 yards to the end zone for another 6 points and a 33-13 score with 19.5 seconds remaining till the halftime break.

The Tigers held the Eagles scoreless the 2nd half while scoring three more touchdowns for 52 total points.

Next Action

The Tigers finish up District play this Friday, hosting the Lubbock Christian Eagles.

"This is a big game for both of us," Coach Schilling said, noting it will determine the 2nd place winner in the District, who gets home field advantage. The 3rd place team will have to travel to Dallas or Waco for the first round playoff game.

Lubbock's only District loss was to Covenant, the team the Tigers lost to. The Eagles were a playoff team last season in a larger division, dropping down into Sacred Heart's district.

There has been a time change - Kickoff will be at 7 p.m.

JUNIOR HIGH FOOTBALL

Sacred Heart vs Lake Country

The Sacred Heart Cubs took a 36-14 victory from the Lake Country Eagles last Thursday night.

After a scoreless 1st quarter, the Cubs put 6 points on the board early in the 2nd with an Isaac Walterscheid run.

An interception by Hayden Schilling quickly returned the ball to the Cubs 16 yards from paydirt. A Kason Reeves pass to Brady Endres put another 6 points on the Board. The PAT run by Walterscheid gave Sacred Heart a 14-0 lead.

Walterscheid covered a Lake Country fumble to set up the Cubs' next score. A Reeves pass to Zach Flusche, and Schilling and I. Walterscheid runs moved the ball to the Lake Country 12 yard line. An Endres to Tyler Walterscheid pass found the end zone. I. Walterscheid ran in the extra points for a 22-0 score.

The young Eagles again fumbled the ball,

with Darian Peters covering. Schilling ran for 22 yards and Reeves 11 to the 1 yard line. A keeper by Reeves, and Sacred Heart was ahead 28-0.

Schilling got another interception before the halftime break.

The 2nd half began with the Cubs driving the ball to the 1 yard line before running out of downs. Peters and Schilling landed a Bird in the end zone for a safety, giving Sacred Heart a 30 point lead.

After the free kick, the Cubs took five plays to score 6 points for a 36-0 lead going into the final period.

The Cubs couldn't score after Treston Lutkenhaus intercepted a ball. Then Lake Country found running room, scoring on a 66 yard run for a 36-6 score.

Grant Springer covered an onside kick, but the next play, the ball was lost on a fumble. Three plays later, the Eagles scored on a 50 yard play, making the score 36-14.

Lady Knights take District Volleyball Championship

On Tuesday, Lindsay defeated the Collinsville Lady Pirates by scores of 25-17, 25-13, 25-9 to finish District play with an undefeated 10-0 record, 24-15 overall.

Lucinda Krahl had 4 aces (AC), 3 digs (D), 14 assists (A); Taylor Atkins, 3 AC, 7 kills (K), 8 D; Jordan Fleitman, 11 K; Katie Arendt, 4 AC, 6 D; Jalyn Anderle, 7 K, 4 blocks (B), 6 D; Kendall McLeod, 15 A; Erin Copeland, 2 AC, 6 D; Allison Metzler, 7 K; Elizabeth Wallace, 2 K; Katie Nortman, 3 D; Taylor Pelzel, 2 K, 3 B.

The Lady Knights will host Callisburg on Friday in a playoff warm-up game. On Friday, Oct. 22, the

Kendall McLeod

Lady Knights defeated the Forestburg Lady Longhorns by scores of 25-11, 25-20, 15-25, 25-15 to clinch the District Championship.

Krahl had 5 D, 12 A; Atkins, 3 AC, 9 K, 4 D; Fleitman, 12 K, 3 B, 3 D; Arendt, 3 AC, 8 D; Anderle, 5 AC, 9 K, 5 B, 8 D; McLeod, 18 A; Metzler, 8 K; Wallace, 2 K, 3 B; Nortman 5 AC, 8 D; Pelzel, 2 K.

The Lindsay Lady Knights' 1st place record of 10-0 is followed by 2nd place Collinsville with a 6-4 record. Saint Jo and Chico tied for 3rd place, both with a 5-5 record. Rounding out the District were Gold-Burg 3-7 and Forestburg 1-9.

Knight Blake Walker (11) runs behind Lindsay blockers, including Sean Willard (60). Kathy Floyd photo

Knights sink Pirates, 47-3

After a lightning delay of almost 40 minutes, the Lindsay Knights' defense put the brakes on the Petrolia Pirates, allowing only 54 total offensive yards on the night, all rushing.

On the first play back after the delay, Lindsay's Madison Parkhill intercepted a pass from Petrolia quarterback Brady Mataska and ran 35 yards for the score. Garrett Yancey's kick made the score 7-0. Yancey hurt his shoulder in the first quarter and will be out for the rest of the season.

Petrolia could not move the ball on their next possession and four plays after their punt, Robert Arend took the ball in from the 21-yard line to make the score 13-0. It was the first of three touchdowns Arend would make.

The Pirates recovered an Arend fumble on the Knights' 12-yard line to set up their only score of the game, a 30-yard field goal by Jared Smith with a minute left in the first quarter.

Lindsay's Connor Fuhrmann recovered a Pirate fumble at the Petrolia 38-yard line to set up the Knights' fourth TD late in the first half. Fuhrmann made it to the 1-yard line and Travis Skinner took the ball in for the score, bringing the score at the half to 26-3.

After the half, the Knights drove the ball in eight plays from their 34-yard line to the Pirate 21. Jace Wann took the Dawson Holt pass in for the score.

Arend's third TD was a 1-yard run in the fourth quarter. He ran for 123 yards on 22 carries in the game.

Just a thought

If at first you succeed, try harder.

A friend knows all about you and still likes you anyway.

Skinner scored his second TD on a 24-yard run with just over two minutes left in the game, and with his kick, the final score was 47-3. Skinner rushed for 126 yards in 14 carries.

The win brings the Knights' district record to 2-1, 6-2 overall, with just Muenster and Valley View left to play. This week's match up with Muenster in the Kraut Bowl takes on more meaning with Muenster's undefeated record. Lindsay has won the last five Kraut Bowls.

Lindsay coach Cody Bounds said that the team did well to keep focused on the game at hand against the Pirates, with the Hornets looming and the lightning delay. Bounds was happy with the defensive performance his team gave, but said that

the offense still has issues and could not seem to make the perfect play.

Bounds and the Knights will face former assistant Lindsay coach Brady Carney Friday, and Bounds is not surprised that Muenster is undefeated.

"He's doing a great job there with great kids," Bounds said. "He knew they had some good kids coming up. They have a good younger team, plus they have quality juniors and seniors. They have dynamite kids."

On stopping the Hornets, Bounds said, "I don't know if you can stop them, we'll just try to slow them down. This is by far the most talented Muenster team we've faced. We've got a tall order this week."

By Kathy Floyd

NON VARSITY VOLLEYBALL

JUNIOR VARSITY

The Lindsay JV Lady Knights brought their season to a close with a loss to Krum. The scores were 17-25, 23-25.

"It's not that we played bad. They were just better than us," noted Coach Robin Hess. "I am very proud of these young ladies and how they have progressed throughout the season." Briley Fleitman had 4 digs, Haley Skinner 2 kills, Rebecca Manon 2 blocks, and Chandler Herr 2 assists.

JUNIOR HIGH

The Lindsay 7th grade girls lost their District Tournament game over the weekend to Chico in two games 21-25, 6-25. "The girls didn't play as well as they have been, but I knew they would bounce back and play better on Monday," commented Coach Donald Neu. On Monday night, they got a rematch with Chico, this time taking them to three games. Lindsay lost a close match, 9-25, 27-25, 22-25. "I was extremely proud of how they played in games two and three," continued the coach.

The Lindsay 8th grade won the District Championship over the weekend. In the first game, they defeated Saint Jo, 25-14, 25-20. In game two, they defeated Forestburg in two games 25-13, 25-11. In the Championship match, they defeated Collinsville in two games 25-9, 25-13. Coach Neu stated, "I was very proud of how the girls played the entire tournament but especially proud of the Championship match."

On Monday, the 8th grade defeated Chico in two games to finish the season, 25-8, 25-7. "It was a very solid performance. These young ladies lost one match all season. That was to Gunter in a tournament. I am very proud of all these young ladies and look forward to good things in the future," concluded Coach Neu.

Hunting outlook optimistic for quail season

Wildlife biologists at Texas Parks and Wildlife Department are cautiously optimistic about quail prospects this season, which gets under way Saturday, Oct. 30 statewide.

This past winter, a two-year drought in the major quail hunting areas of the state was finally broken. Range conditions and more importantly, according to TPWD, nesting and brood rearing habitat greatly improved, setting the stage for a marked increase in production. Unfortunately, after two years of unfavorable weather, the number of quail available to breed had become quite low. In general, quail rebound fastest from the remaining pockets of survivors from last season.

"Low carryover is the biggest obstacle to recovering quail populations," said Robert Perez, TPWD upland game bird program leader. "Quail species are hardwired to take advantage of good reproductive environmental conditions. It's part of their survival strategy. So many are consumed each year, the species relies on a high reproductive output in order to persist on the landscape. We expect a greatly improved season over last year but a hen can only do so much in one year."

The daily bag limit for quail is 15, with 45 in possession. Legal shooting hours for all non-migratory game birds are 30 minutes before sunrise to 30 minutes after sunset. The bag limit is the maximum number that may be killed during the legal shooting hours in one day.

LEGAL NOTICES

The City of Muenster's Joint Planning and Zoning Commission (The City Council) will hold a Public Hearing on **November 1, 2010** at 7:30 pm during the regular City Council meeting. The hearing will be in response to a request to change the zoning from R-1 Single -Family District to B-1 local Business District. The property is located in Block 23 at the intersection of West Third Street and Elm Street, just south of the Muenster City Library. The General Public is welcomed to attend this Public Hearing. The purpose of zoning change is for the possible location of a Child Daycare Center.

Feral hogs the "poster pig" for a new animal rights movement

I need to stay on the subject of feral hogs this week to take note of the animal rights folks' attempt to derail the Texas Department of Agriculture's "Get the Hog Outta Texas" campaign. Agriculture Commissioner Todd Staples recently announced a county grant program to control feral hogs, which are rapidly becoming Texas' number one pest problem. Under the pretense of an effort to reduce cruelty to animals in Texas, some want to stop the program.

In a blog post titled "Hog Out is Out of Line" on the Care2 blog, Staples was urged to consider more "humane" means of dealing with this porcine menace. I'm sitting here scratching my head, trying to figure out what form that might take. Anyone out there know of a place we could keep 2 million wild hogs? How about petting zoos? No, scratch that, kids would lose fingers. Maybe a traditional zoo

would work, though I can't imagine anyone wanting to view them in their "natural" habitat, which is about anywhere they want to be. They are too wild to be companion pigs, guard pigs, drug sniffing pigs, or seeing-eye pigs. I can't come up with anything. Any help out there?

It will be interesting to see if feral hogs become poster pigs for the animal rights movement's perceived notion of cruelty to animals in Texas. They are poor choice as a symbol for any movement, even one as misguided as this. These animals are ugly, mean, destructive, wild, and carry diseases with the potential to devastate wildlife and livestock populations. They have been known to at-

tack people and cause traffic accidents. They are also very cunning.

I use the word "cunning" instead of smart. Don't misunderstand. They aren't studying for algebra tests, but they are very adept at escaping detection and fleeing from efforts to control them. They are also, apparently, quite amorous. They breed like rabbits.

Controlling feral hogs is absolutely essential. The damage they do to agriculture and increasingly, many urban areas, is costly. Their occasional clashes with people can be dangerous. No method of reducing their numbers will be easy, but we've got to start somewhere.

Solutions are like noses. Everybody has one. I suspect this is one of those cases where it's someone else's problem, so it's really not that important.

I admit it. I'm a people first kind of guy. This is not about cruelty to animals in Texas or anywhere else. This is about a serious problem with only one solution. It should be done as humanely as possible. But it has to be done.

By Gene Hall
Texas Farm Bureau

County Agent's Report

Soil pH

Soil pH is probably the most commonly measured soil chemical property and is also one of the more informative. Soil pH implies certain characteristics that might be associated with a soil.

A soil pH of 7 is considered neutral. Soil pH values greater than 7 signify alkaline conditions, whereas those with values less than 7 indicate acidic conditions. Soil pH typically ranges from 4 to 8.5.

Under conditions in which rainfall and leaching of soil nutrients are high during most of the year, calcium, magnesium, and potassium are gradually depleted and replaced with other elements held in soil reserves, leading to soil acidity. This may affect the retention and availability of fertilizer.

Soil acidification may also occur by addition of hydrogen, due to decomposition of organic matter, acid-forming fertilizers, and exchange of basic cations for H+ by the roots. Soil acidity is reduced by loss of nitrogen. Under flooded conditions, the soil pH value increases.

Soil pH has a profound influence on plant growth. Soil pH affects the quantity, activity, and types of microorganisms in soils which in turn influence decomposition of crop residues, manures, sludges, and other organics.

It also affects other nutrient transformations and the solubility, or plant availability, of many plant essential nutrients.

Phosphorus, for example, is most available in slightly acid to slightly alkaline soils, while all essential micronutrients, except molybdenum, become more available with decreasing pH. Aluminum, manganese, and even iron can become sufficiently soluble at pH < 5.5 to become toxic to plants.

Because of the important role that soil pH plays in allowing the needs of a plant to be met, it is important to test your soil so you will know how your soil rates. You can then make adjustments, such as adding lime for acidic soils, to improve the performance of your plants.

Leaf management

Leaves are truly a valuable natural resource! They contain 50 to 80% of the nutrients a plant extracts from the soil and air during the season. Therefore, leaves should be managed and used rather than bagged and placed at curbside to be picked up and hauled to landfills.

There are four basic ways in which leaves can be managed and used in the landscape. They can be mowed, mulched, tilled into the soil, or composted.

Recently, composting has been receiving a lot of attention. It is a useful and environmentally sound garden-

ing practice for anyone who has a garden, lawn, trees, shrubs, or even planter boxes or house plants.

Compost will benefit users by enriching the soil by adding a natural source of nutrients; loosening tight, heavy soils; helping sandy soils retain moisture and nutrients; adding to potting soils for container grown plants; and mulching around landscape plants.

Start collecting leaves for the compost pile now. Use extra soil, so that each six inch layer of leaves may be covered with several inches of soil. Always wet the layer of leaves thoroughly before adding the soil.

Also, add about one pound of a complete lawn or garden fertilizer to each layer of leaves to provide the necessary nitrogen for decomposition.

The layers of leaves should be watered thoroughly as they are spread out, and when the pile is completed, additional water should be added periodically to keep the material moist but not soggy. The compost should be turned or mixed with a garden fork or shovel every three or four months, and within six months to a year, it should be ready for use.

Dates to remember

Nov. 4 - North Texas Cattlemen's Conference, Myers Park in McKinney, 8-3:30, 3 CEUs.

Nov. 9 - Marketing Club Meeting - Gainesville Farm Bureau Building, 7 p.m.

Producers can learn more online

RanchTV.org, an online video library that offers instruction on beef production management and practices, has passed a milestone after one year of existence, according to a Texas AgriLife Extension Service expert.

Instructional topics on the website include effective stockmanship, Beef Quality Assurance practices, grid marketing, and chute-side processing, Hale said.

For more information, visit <http://ranchtv.org>.

America is the only country ever founded on the printed word.
