

Winter storm blasts area with ice and frigid temps

By Janet Felderhoff
Texas residents shucked warm coats and wore short sleeves and even shorts as the end of January produced balmy daytime temperatures in the mid 70s. This seemed to displease Mother Nature. As the calendar page turned to Feb. 1 after midnight, Winter stepped forward in a fury to reclaim its dominance. Freezing rain and heavy blasts of wind, accompanied by thunder and lightning, assaulted the Texoma area. Then came sleet followed by snow. The worst of the winter storm passed soon after daybreak, but temperatures dipped into

the teens and would not pass 32° for several days. Road conditions were treacherous, bringing many businesses to a halt. Schools were closed Tuesday and Wednesday and it was unknown at press time what school officials would do for Thursday and Friday. Some county roads were impassable Tuesday morning after strong winds blew snow into high drifts over the roads. County crews were out pushing snow off them to allow residents access to and from their homes and farms.

Weather forecasts called for a possible record low

Wednesday night of 2° and called for a 29% chance of more snow on Friday. Forecasters noted that this is the coldest weather experienced here in 15 years. Wind chill temperatures for Tuesday night were minus 15°.

As always with Nature, all was not brutal and ugly. The blowing snow swirled into graceful mounds in yards and fields. It etched designs on windows and doors and feathered evergreen trees with snow icing. The trees shimmered in the icy coats when the sun peeked out.

Each day of winter weather brings Spring one day closer.

Many County roads remained treacherous mid-week due to continuous freezing conditions. Above, CR 448 was covered with drifts that made it undrivable, forcing motorists to back and find another route. County crews were out clearing roads as quickly as possible beginning Tuesday morning. Linda Flusche photo

Bad weather prompts change in trash pickup

The City of Muenster has been notified by IESI of a change in the trash pickup schedule. Due to the icy conditions, instead of collecting trash on Thursday, IESI plans to collect the trash on Saturday this weekend.

Growth celebrated at Chamber event

By Janet Felderhoff
A festive air predominated at the annual Muenster Chamber of Commerce Banquet Saturday evening. A crowd of 135 attended the event to celebrate the accomplishments of the past year and prepare to embark on new endeavors for the area.

Serving as 2011 officers for the Chamber are Matt Sicking president, Carolyn McPherson vice-president, Debbie Hess secretary, and Harold Flusche treasurer. Also serving on the 2011 Chamber Board of Directors are Kirk Klement, Danny Walterscheid, Matthew Natsche, and Neil Hesse.

Chamber Director John Broyles addressed guests, speaking of the importance of the Chamber's responsibility in the community to promote local businesses. He detailed aspects of new activities planned for Germanfest and spoke of progress at its future location. Broyles speculated that the Barbecue Cook-off could become the largest sanctioned event in the State of Texas this year if the number of entries grows as anticipated.

Broyles also remarked that despite the bad economy around the country, the Muenster Chamber grew in members last year. Muenster welcomed several new businesses and he announced the ground breaking planned for Monday, Jan. 31 for the new 80,000 sq. ft. MGW LTD Machining Facility, owned and operated by Giles and Marlene Walterscheid.

SHCS pays tribute to service of Olivetan Benedictine nuns

By Janet Felderhoff
This year, in lieu of selecting a single person to honor during the annual Fort Worth Diocesan Banquet, Sacred Heart Catholic School (SHCS) chose instead to honor the Olivetan Benedictine sisters who have served in Sacred Heart Parish and SHCS since 1895. Teaching in the classrooms and by example, the sisters left their mark on the community as their students have gone forth with various lessons from sister imprinted in their minds to do God's work raising families, following their careers, and sharing their various talents.

For many years, it was not unusual for students in SHCS to have a nun in every grade of their school career. The sisters' service helped hold down the cost of tuition while imparting rounded

educations to the students. As the number of women joining the convent became fewer over the years, there were fewer sisters available to continue the tradition of teaching in Catholic schools. Through the years, Muenster has been blessed to always have some sisters teaching at SHCS. Presently, there are two, Sr. Jeanette Bayer and Sr. Lillian Marie Reiter, both Muenster natives.

On Saturday, Jan. 22, the Fort Worth Diocese hosted its annual Celebration of Catholic Schools Banquet in the Fort Worth Convention Center Ballroom. Hundreds attended, including a sizable group from Muenster.

Bishop Kevin Vann presented the Diocese of Fort Worth Outstanding Service Award for 2011 to the Benedictine Sisters who were represented by Sr. Jeanette

Bayer, Sr. Lillian Marie Reiter, Sr. Georgia Felderhoff, Sr. Romana Rohmer, Sr. Mary John Seyler, and Sr. Pauline Morath.

Several of the sisters who served in Muenster shared their histories and memories of Muenster.

Sister Cabrini Arami grew up in neighboring Montague County. She is the daughter of Angelina and Amadeo Arami. She joined the Olivetan Benedictine order in 1947. She taught in SHCS. "I loved every minute I was there - good people," said Sr. Cabrini of her days in Muenster.

Now retired, Sr. Cabrini resides at Holy Angels Convent in Jonesboro, Arkansas. She enjoys spending her time tutoring individual students and crocheting.

Breaking ground for industry

A ground breaking, hosted by the Muenster Chamber of Commerce, was held Monday morning for a new facility to house Superior Machining and Fabrication owned by Giles and Marlene Walterscheid. They hope to move their four businesses to this central location. It will initially involve about 110 employees, but there are plans to expand as the business is growing. Besides the Waltersheids and their family, there were many attending from local businesses and the Industrial Foundation.

Severe Storm Program Feb. 9

The 2011 severe weather season is fast approaching. Are you ready for whatever this year has in store? Do you want to become part of the severe weather warning system in your county?

As part of its area-wide weather preparedness campaign, the National Weather Service (NWS) in Fort Worth will present their Skywarn severe weather program on Wednesday, Feb. 9, from 7 to 9 p.m. The program will be held at the Gainesville Civic Center, and is held in partnership with Cooke County Emergency Management and the City of Gainesville Office of Emergency Management.

The 2011 program will discuss thunderstorm formation, severe weather production, and features associated with severe storms. The presentation will also review tornado formation and behavior, non-threatening clues which may be mistaken for significant features, and safety when thunderstorms threaten. The program will discuss spotter operations and recommended reporting procedures. The two-hour presentation will be in multimedia format, featuring numerous pictures of storms and nearly 25 minutes of storm video clips. The program is free and open to the public.

The Cooke County severe weather program is one of over 60 that the Fort Worth

NWS Office will conduct between January and early April 2011. For more information on severe weather and the National Weather

Sr. Cabrini Arami, OSB

Sr. Jeanette Bayer was born to George and Anna Sandmann Bayer. Her family lived on a farm south of Muenster. She joined the convent in August 1955. Since coming to Muenster in 1997, Sr. Jeanette teaches a full day of remedial reading and advanced classes and at SHCS.

"Keep working, keep trying. Always believe you still don't know what you can achieve," are words of wisdom that Sr. Jeanette would like to share with students. Hobbies enjoyed by Sr.

Sr. Jeanette Bayer, OSB

Jeanette are reading, crocheting, listening to classical music, and working with plants.

"I have fond memories of my years attending SHCS," said Sr. Jeanette. "To this day I remember some poems I learned, special teachers, studying Bible History, states, capitols, important cities and major products, and multiplication tables.

"Now I have special memories of students preparing for First Holy Communion and learning about the Mass. I think too of those who struggled so hard and finally learned a concept, a lesson, and maybe a life lesson - you can do more than you ever dreamed if you don't give up."

Sr. Georgia Felderhoff

is a Muenster native, the daughter of Mr. and Mrs. Joseph Felderhoff. She joined the Benedictine order on Sept. 8, 1946. She returned to her home town to teach from 1967-79.

During her years as a student at Sacred Heart, Sr. Georgia recalls, "The Sisters, learning phonics - I thought it was funny to make all the sounds of the letters, especially a, e, i, o, u, which had so many different sounds, playing volleyball. When Father came over for Catechism and Bible history. I liked to write on the chalk board."

Sr. Georgia now lives at Holy Angels Convent where

Sr. Georgia Felderhoff, OSB

she does odd jobs around the house and helps with the Noviate. She also enjoys making note cards of various kinds.

"You have to be in school anyway, so make the most of it with a positive attitude and learn all you can," Sr. Georgia advises students. "Pray for teachers, classmates, and yourself."

grew up in Jonesboro. She joined the Benedictine order in 1943. Her years to teach at SHCS were 1945-46, 1957-58, and 1959-67.

She commented, "I had nine happy years at Sacred Heart. The nine years were spread over two different assignments. In 1945, I rode the train from Jonesboro with Sister Anastasia (Mis-

sion Superior) and several other Sisters to go on my first mission. We left Jonesboro at night and arrived in Dallas early the next morning, where we stopped and had breakfast before boarding another train. It was a totally new experience for me, having grown up in Jonesboro.

"That first year I was assigned to teach third and fourth grade girls, while Sister Gebharda taught the third and fourth grade boys. Later the class divisions were changed as they are now, with boys and girls both in the same room.

"On my second assignment to Muenster...I taught first or second grade the rest of my years in Muenster. It was a great joy to teach the First Communion class. I grew to love those students and their parents. It was hard to leave both times my assignment was changed to another location.

"Looking back, I have many happy memories of my teaching days at Muenster. I pray for my former students every day."

In her retirement years, Sr. Henrietta spends more time praying. She still writes for the *Holy Angels Convent Newsletter* and takes care of archives. Her hobbies include reading, walking, and bird watching.

Sr. Pauline Morath, OSB

Sr. Pauline Morath grew up in Blytheville, Arkansas. Her parents are Mike and Dulice Davis Morath. When a junior in high school (1944), she joined the Benedictine Sisters. She spent 12 years (1948-64) teaching at SHCS.

"I have great memories of SHCS. I loved my years there. The children were receptive to the teaching and respectful to the teachers. Parents worked with the teachers to bring this about," remarked Sr. Pauline.

After 60 years of teaching elementary school, Sr. Pauline notes that she was recycled to the Convent in

Jonesboro. There she repairs and alters clothing and does other odd jobs around the Convent. Her hobbies are crocheting for the gift shop, embroidering, reading, working crossword puzzles, and hand and machine sewing.

Her words of wisdom to today's students, "Study and love God and pray. Use your time profitably. Respect others - and God's Words. Remember: Happiness is not getting what you want, but wanting what you get."

Recalling her memories as a student at SHCS, Sr. Lillian said, "The Christmas play in the 1st grade. First Communion in the 2nd grade. Sister Pauline getting beautiful leaves - poison oak - and wearing sunglasses. Some of the Sisters laughing and having fun. Sister Patricia Lee teaching some of us to crochet in the 7th grade. Solemn Communion in the 6th grade and Confirmation in the 7th. In the 8th grade, the play we did when the girls sang and the boys performed."

Sr. Lillian offers these words of wisdom to students, "Keep God number one in your life and try to see God in everyone. Study, do the best you can do. Be respectful and loving to all you meet. Be thankful for all you have and share with others."

In 1955 and 1956, Sr. Romana taught grades 1 and 2 in SHCS. She taught 7th grade from 1964 to 1966. She served as the director of Religious Education from 1976-86. During those years, she said she lived with and cared for her elderly parents until their eternal retirement.

While a student at SHCS, Sr. Romana remembers practicing and performing with the Glee Club under the direction of Sister Geraldine Homer, OSB, and the privilege of attending daily Mass.

After 57 years of active parish ministry, Sr. Romana is retired at Holy Angels where she still remains active. She volunteers at Hospice House, is in charge of the gift shop, writes community thank you notes, is in charge of the audio visual library, takes her turn as receptionist, and does cleaning jobs.

Hobbies that Sr. Romana enjoys include caring for African violets, listening to classical music, reading, embroidering, and enjoying God's Creative Presence.

In her leisure time, Sr. Monica listens to music, crochets, and enjoys playing cards or any type of game.

Sr. Monica's memories as a student at SHCS vary with the grades, but as a teachers there for 14 years she recalls, "Daily Mass, friendly and dedicated teachers, good and wholesome students, excellent cafeteria meals, being sacristan for 10 years, and best of all, being across the street from my parents."

Sister's advice to current students, "Study hard, work hard, be obedient to your parents and teachers. Keep Christ in your hearts at all times. Be kind and loving to all your classmates, and be what you want to be. You can do it. Pray for your vocation that you will follow God's Will for you. 'In His Will is our peace.' Dante."

P.O. Box 691
Muenster, Texas 76252

Dear Friends and Neighbors,

It is time to begin thinking about the Youth Fair for 2011 and how we can help the students of our community achieve success and receive the proper awards for their countless hours of hard work and dedication to their animals and projects.

Please take a moment to understand who we are and what we do. We are a group of individuals who help raise donations that go to the premium money for the projects and animals that our students, from this community, sell at the Youth Fair Premium Sale. We also help those students who do not make the sale with money to help defray the cost of their projects or animals. One hundred percent of what you donate goes directly to the youth of our community. There is a great amount of expense and effort that the students put into their projects and animals, and your donations help tremendously.

Last year we had a total of 47 entries in the sale from our Muenster community. The Friends of Muenster paid \$20,925.00 to the youth of our schools for premiums on their sale animals and projects, and also those that did not make the sale. This year we are expecting to double the number of entries. We already have 130 animals from our area entered in the Youth Fair for this year.

The dates for the 2011 Cooke County Youth Fair are Feb. 22 - 26. The show schedule is as follows: Horses on Feb. 22 at the NCTC equine arena; hogs and chickens on Feb. 23 at Callisburg; goats and sheep on Feb. 24 in Muenster at the FFA barn; cattle and rabbits on Feb. 25 in Valley View. All of the fine arts, crafts, shop projects, and food will be in Muenster beginning Feb. 24, on display at the KC Hall. The premium sale will be on Saturday, Feb. 26 in Valley View beginning at 1 p.m. Please take the time to visit these locations and show your support of the youth of our community.

Thank you, in advance, for taking this request into consideration. You may send your contributions to the above captioned address or pass them along to any of the names listed below. We look forward to seeing you there!

Bereavement programs to be presented

Home Hospice, a non-profit hospice, will be offering two programs in February for all who grieve.

Seasons of the Heart is a four-part grief support and information seminar which is sponsored by Home Hospice and will be held Mondays, Feb. 7, 14, 21, and 28 from 5:30-7 p.m. at the Muenster State Bank Community Room in Gainesville. This is a four-week grief workshop offering insights on grief and coping skills including myths about grieving, factors that make our grief unique, and healthy coping skills.

This seminar will be facilitated by JoCarolyn Chambers, LCSW who is one of the social workers with Home Hospice of Grayson, Cooke, and Fannin counties. Sherry Little, executive director of

Home Hospice, said, "As we enter a new year, we often think about new beginnings. If you have experienced a loss, whether it is recent or in the distant past, it is a good time to begin your own healing journey through grief."

The seminar is free, but registration is requested to ensure the availability of materials. If you have questions about the program or would like to RSVP, contact Jolene Senek by email, jolene.senek@homehospice.org, kathi.kirby@homehospice.org or call 940-665-9891.

The second program is a one-evening program entitled "Dinner and A Movie." This free program, which includes dinner, will be offered on Tuesday, Feb. 10. You may come for dinner and

to watch *The Bucket List*, a movie that relates to grief, loss, and will offer a time for discussion relating fiction to reality. The event will be held at The Muenster State Bank in Gainesville.

This event is presented by Jolene Senek, LBSW, bereavement coordinator at Home Hospice. Reservations are required for this program. You may call 940-665-9891 or email kathi.kirby@homehospice.org to reserve a place for this program.

Home Hospice is a non-profit organization, which was founded in 1982 and is dedicated to the care of the terminally ill person and his/her family, regardless of ability to pay, and to the care of those who grieve as well as providing educational opportunities to all in communities.

Low-income consumers may qualify for assistance programs

Low-income consumers in Texas may qualify for assistance programs that will reduce the cost of initial telephone installation and basic monthly service, according to a recent announcement from CenturyLink. The company is spreading the word about the programs so consumers who potentially qualify for the services may apply for them.

The assistance programs, known as Link-Up and Lifeline, are available to qualifying consumers in every U.S. state (territory and commonwealth). Link-Up helps consumers pay the initial installation costs of get-

ting telephone service. The amount of the discounts varies by state and reduces up to one-half of the initial hook-up fee, up to \$30, for qualified households. Lifeline provides certain discounts each month on phone bills for qualified subscribers.

Qualifications for participation also vary by state. States with their own programs have their own criteria. In states that rely solely on the federal program, the subscriber must participate in any one of the following programs: Medicaid, food stamps, Supplemental Security Income (SSI), Federal Public Housing Assistance

or the Low-Income Home Energy Assistance Program (LIHEAP), Head Start, the National School Lunch Program's Free Lunch Program, Temporary Assistance to Needy Families (TANF), or if the household annual gross income is at or below 135% of the federal poverty level.

Residents of American Indian and Alaskan Native tribal lands may qualify for an additional \$25 of enhanced Lifeline support monthly and up to \$70 of expanded Link-Up support beyond current levels. An individual living on tribal lands may also qualify for Lifeline and Link-Up discounts if he or she participates in one of the above programs or the Bureau of Indian Affairs General Assistance or Tribally Administered Temporary Assistance to Needy Families.

To find out more about the Lifeline and Link-Up pro-

grams, log on to the www.lifeline.gov site. Individuals living in a CenturyLink service area should call 800-366-8201 or visit www.centurylink.com/lifeline to inquire about eligibility.

A trip to Texoma Christian in Sherman on Tuesday had Coach Jon LeBrasseur and the Tigerettes hoping for an upset, but the wintery weather conditions moved the game to next Tuesday, Feb. 8.

Lindsay and Era split wins

The Lady Knights lost to Era 43-31 while the Knights pulled out a 42-40 win over the Hornets. The outcome of the games placed the Lady Knights and the Knights in a three-way tie for 3rd, but Tuesday's games (postponed due to bad weather) at Valley View should make the call.

A cold-shooting night was a key contributor to the Lady Knights' loss according to Coach Don Neu. Lindsay was 0-11 from beyond the arc, shot 26% overall, and 43% from the line.

Jessica Block scored 11, with Allison Metzler adding 8 while pulling down 14 rebounds. Jalyn Anderle scored 5, Megan Caillier 3, and 2 each by Jordan Fleitman and Lucinda Krahl.

Up 26-19 at halftime and Era in foul trouble, the Knights let the Hornets back in the game. Midway through the 4th quarter, Era took a 5 point lead. A rare 4-point play by Thomas Rohmer turned the momentum and allowed Lindsay to escape with the win.

Rohmer was high scorer with 12. Garrett Yancey added 8, Madison Parkhill and Dawson Holt 7 each, Dean Fleitman 4, and 2 apiece by Kyle Johnson and Connor Fuhrmann.

The win, coupled with Collinsville's loss to Muenster, moved the Knights in a three-way tie for 3rd in District with Era and Collinsville. Lindsay holds the tiebreaker over Era because of two District victories.

Muenster victorious over Pirates and Dragons - Girls win District

The Lady Hornet and Hornet varsity basketball teams continue to put notches under the win column as both teams took wins from the Pirate and Dragon teams.

Last Friday, Muenster traveled to Collinsville, defeating the Pirate teams 121-68 in combined final scores.

The girls had a commanding 35-8 halftime lead before allowing the Lady Pirates into the game in the 4th quarter. The Lady Hornets brought home a 67-21 win.

Eleven players put points on the board, led by Demi Koelzer and Taylor Klement with 14 points each. Lana Heers added 9, Allison Pagel and Kalyn Dangelmayr 6 each, 4 apiece by Amber Walterscheid and Shelby Dangelmayr, 3 each by Andi Felderhoff and Lauren Rohmer, and 2 apiece from Paige Hennigan and Michelle Sicking.

JV ACTION

Muenster 64 Collinsville 16
The JV Hornets dominated the Collinsville team in a 64-16 one-sided District victory for Muenster. Nine Hornets put points on the board, led by Austin Hennigan and Hunter Klement with 15 and 13 points. JJ Horsman and Trevor Hess each added 8, Mason Binder 6, Corey Richey and Colton Lang 5 apiece, and 2 each by Clayton Hess and Clint Sidwell.

The Hornets dropped in seven 3-pointers and 15 of 29 free throws.

The JV Lady Knights were defeated by the Lady Hornets of Era 26-20 last Friday. Scoring for Lindsay were Elizabeth Wallace and Hayley Skinner 8 each, and 2 apiece by Lauren Gibbs and Hannah Zimmerer.

Lindsay 60 Era 7
The JV Knights burned the boards in Era last Friday night. Cade Hess and John Haverkamp led the scoring with 11 and 10 points. Tanner Kuhn added 7, Conner Polk 6, Garrett Cooper 5, 4 apiece by Chisam Reiter, Darryl Block, Travis Krahl, and Zac Mlinar, Cody Thurman 3, and Neely Rose 2.

Cole Walterscheid scored 21 points to help lead the Hornets to a 54-47 victory over the Pirates. Shane Presnall added 11, Scott Porter 8, Andy Flusche 6, Garrett Walterscheid and Blake Grewing 3 each, and Tyler Anderle 2.

Collinsville scored only 9 points in each of the 1st half periods to give Muenster a 13 point lead. The Pirates then out-scored the Hornets by 6 to get into the game for a final 54-47 score.

point making with 24. Pagel added 13, Heers 9, Walterscheid 6, Emily Hellman and Sicking 5 apiece, Paige Herr, Rohmer, and Koelzer 3 each, and 2 apiece by Felderhoff, K. Dangelmayr, and Hennigan.

Muenster Knights of Columbus crown Free Throw Champions

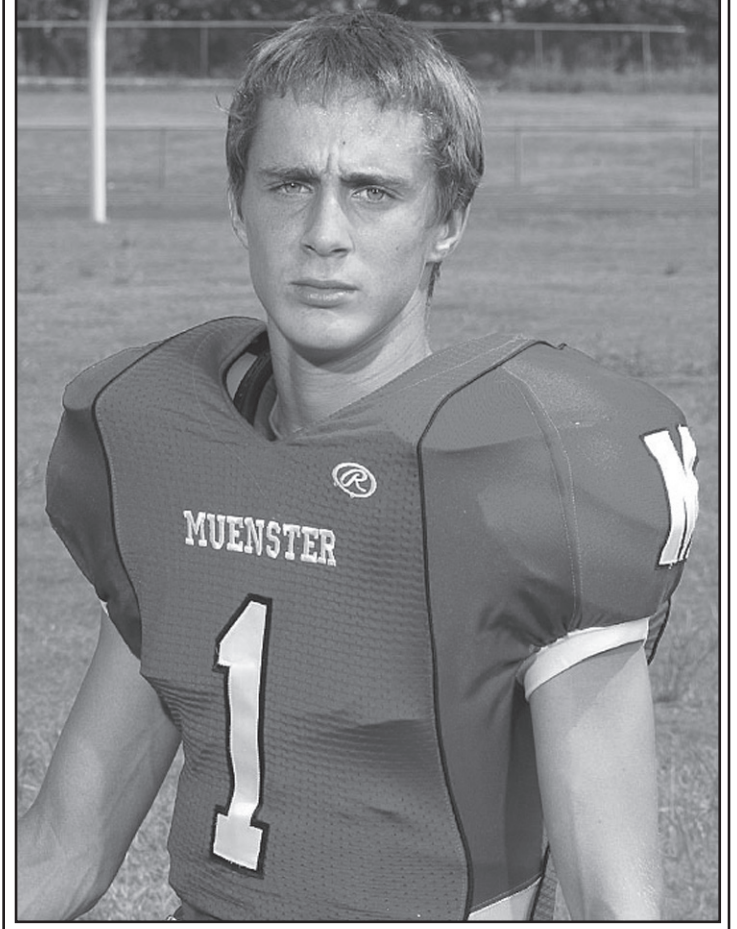

Boys and girls from the Muenster area, ages 10 to 14, were named local Champions of the 2011 Knights of Columbus Free Throw Championship and have earned the right to compete at the District level. KC Council #1459 sponsored the local competition at Sacred Heart Catholic School. All youngsters ages 10 to 14 were eligible to participate.

Kendra Flusche was the 10 year-old girls' champion and Julian Hesse was the winner of the 10 year-old boys' division. In the 11 year-olds' bracket, Katy Bezner was the girls' champion and Roy Endres was the boys' champion. Twelve year-old winners in the girls' and boys' divisions were Leah Knabe and Bryce Herr. The 13-year-old boys' division winner was Isaac Walterscheid. There were no contestants in the 13-year-old girls' division. Fourteen-year-old champions were Kristen Reiter in the girls' bracket and Darian Peters in the boys'.

Each contestant was allowed 15 free throw attempts in the contests. Ties were settled by successive rounds of five free throws per contestant until a winner emerged.

Each of these winners will compete in the District competition to be held on Feb. 5 at Lindsay with an eye toward moving on to the State and International levels.

PLAYER OF THE YEAR

Muenster High School Senior Jason Luke was named Player of the Year in Region I, Class A, Div. 1 Texas High School Football. Luke, a Muenster Hornet running back/wide receiver, also earned the District's Most Valuable Player award. He is the son of Melvin and Terri Luke. Dave Campbell's Winter 2011 Texas Football also placed the Muenster Hornets in the final top ten, rated 8th, with a 12-1 season. Campbell wrongly picked Muenster to finish 4th in District 5A.

PIP PLAYERS PERFORM

Forty-three Muenster Elementary students had the chance of a lifetime last Sunday when the Muenster PIPs (Players in Progress) performed at the American Airlines Center in Dallas. The group got to show their skills on the floor of the Dallas Mavericks court in a halftime show at a Harlem Globetrotters game. Before the game, PIP members got to meet a few of the Globetrotters, take pictures, and get autographs.

case hearing, the response to comments, and the Executive Director's decision on the application, will be mailed to everyone who submitted public comments and to those persons who are on the mailing list for this application. If comments are received, the mailing will also provide instructions for requesting reconsideration of the Executive Director's decision and for requesting a contested case hearing. The Commission will only grant a contested case hearing on disputed issues of fact that are relevant and material to the Commission's decision on the application. Further, the Commission will only grant a hearing on issues that were raised in timely filed comments that were not subsequently withdrawn. TCEQ may act on an application to renew a permit for discharge of wastewater without providing an opportunity for a contested case hearing if certain criteria are met.

Eminent domain reform in Texas property code will be positive for millions

The long battle to achieve meaningful protection of private property rights in Texas with reform of eminent domain laws seems to be nearing a conclusion. This change in the Texas property code will be important to every property owner in the state.

When Governor Rick Perry designated the issue as an emergency item for the Texas Legislature on Jan. 11, chances for speedy approval of the legislation were greatly enhanced. In the 2009 Legislature, the eminent domain reform bill—Senate Bill 18—had cleared the Senate and was awaiting House action, where near unanimous support was expected. Instead, the controversy over voter ID bogged down the House and eminent domain reform joined other important bills that did not get a vote. Similar issues, like the budget and redistricting, could have the same result this session.

Now, with the emergency designation, positive changes for eminent domain should be resolved early in the session, as it deserves to be. Once again, the bill is labeled Senate Bill 18 by Senators Craig Estes and Robert Duncan.

Farmers, ranchers, small businesses, and homeowners all have a stake in this. If you own property, then it might be taken from you for the public good. This is well established in law and no one is advocating repeal of eminent domain. It's a necessary evil in our society. The taking of a farm, home, or business that has been in a family for generations is always sad and sometimes tragic. Reforms have focused on the issue of compensation where current Texas law falls far short of other states.

It might surprise you to learn that a good faith offer to begin eminent domain proceedings is not required by the Texas property code. Though the law mentions "market value," that value is whatever the taking entity says it is. Only the most stubborn property owners and those with deep pockets can afford to appeal the offer. When they do, they often win, but at great expense. Under Senate Bill 18, if the taking entity loses the appeal, they will be required to pay legal costs.

The issue of "diminished access" is also addressed in Senate Bill 18. Currently, if the taking of a portion of

property restricts the access to the remaining property and lessens its value, those who take the property are not required to compensate for that lost value. Again, Senate Bill 18 clarifies that lost access requires fair compensation.

Other issues such as relocation expenses and an accounting of just which legal entities have the right of eminent domain are covered in Senate Bill 18. At present, a list of just who has this authority does not appear to exist. There are thousands of entities, ranging from governments to water districts to pipeline companies and many more.

Those previously victimized by this process have one complaint that is heard repeatedly: "We were told they are taking the land because they can." Everyone knows they can, but eminent domain should be a last, carefully considered resort and property owners must be fairly compensated when these takings occur. When private property is taken for the public good, the public must assume the true cost.

The farmers and ranchers of Texas appreciate Governor Perry's designation of eminent domain reform as an emergency item on the legislative agenda. When it is passed and signed into law, Texas will take its rightful place as one of the nation's leading property rights states.

TDA market recap

For the week ending Jan. 29, feeder cattle auction prices were mostly steady to \$7 lower per hundredweight, with a few to \$10 lower and some sales later in the week steady to \$5 higher. Lower fed cattle and high feed grain prices contributed to the decline.

Strong export sales also pulled wheat higher, and weaker sales pushed corn lower.

As for futures markets, cotton, wheat, and lumber were higher, while fed cattle, feeder cattle, and corn were lower.

Topsoil moisture remained mostly adequate to short in the eastern half of the state and mostly short to very short in West Texas.

Winter wheat was 96% emerged and reported in mostly fair to poor condition. Dry-rain wheat on the Plains and in the Cross Timbers region suffered from the very dry conditions.

Helping preserve Muenster's past

The "City Crew" assisted in moving several items from the Paul Endres Estate to the Muenster Museum earlier this week. The Endres family generously added many items to the Museum collection along with the proceeds from two estate sales conducted by the Muenster Historical Commission. USDA announces dates of Sorghum Checkoff

The U.S. Department of Agriculture has finalized procedures for the upcoming referendum on the continuation of the Sorghum Checkoff Program and is announcing the dates it will conduct the referendum.

For the program to continue, the Sorghum Promotion, Research, and Information order requires that a referendum be conducted no later than three years after the start of assessments, which began on July 1, 2008. The order requires a simple majority vote in the referendum for the program to continue.

USDA will conduct the referendum Feb. 1-28, at local Farm Service Agency (FSA) offices for producers and the Agricultural Marketing Service office, referenced below, for importers. Ballots may be obtained in person, by mail, or facsimile at county FSA offices, or via the Internet at www.ams.usda.gov/sorghumpage.

Foreign buyers notification

The Agricultural Foreign Investment Disclosure Act (AFIDA) requires all foreign owners of United States agricultural land to report their holdings to the Secretary of Agriculture.

All individuals who are not U.S. citizens and have purchased or sold agricultural land in the county are required to report the transaction to Farm Service Agency within 90 days of the closing.

County government offices, realtors, attorneys, and others involved in real estate transactions are reminded to notify foreign investors of these reporting requirements.

Any eligible person engaged in the production of importation of sorghum from July 1, 2008, to December 31, 2010, is eligible to participate. Individuals are required to provide documentation such as a sales receipt or remittance form that shows they engaged in the production or importation of sorghum.

The Sorghum Checkoff Program, and its 13-member board, is authorized by the Commodity Promotion Research and Information Act of 1996. The mandatory program is funded at the rate of 0.6% of the net market value of grain sorghum and 0.35% of the net market value of

sorghum forage. Sorghum Checkoff is a national, coordinated, self-help marketing program designed to strengthen the position of sorghum in the market place, maintain and expand existing domestic and foreign markets and uses for sorghum, and develop new markets and uses for sorghum.

The final procedures were published in the Nov. 18, 2010, *Federal Register*. The notice announcing the dates of the referendum were published in the Jan. 4, 2011, *Federal Register*.
