Attend Ceremonies
At Jonesboro, Ark.**

About one hundred Muenster people went to Jonesboro, Ark., last week to be present for ceremonies in which ten local girls participated at Holy Angels Convent on Wednesday and Thursday. Five of the six postulants being invested and five of the seven novice making their profession are from Sacred Heart parish.

The postulants are now Novices Jeanette Bayer, Lily Mae Reiter, Rosemary Walter, Mary Ann Eckart and Linda Yosten. The novices, since their profession, are Sisters Virginia Hellman, Kathleen Schmitt, Carmela Bayer, Ramona Owen and Yvonne Lerner.

All of their parents, most of their sisters and brothers and grandparents, along with other relatives and friends made up the delegation attending the ceremonies. They went by school bus, parish station wagon and private cars.

Making up the Muenster delegation were Rev. Louis Deuster, Sister Patricia, Sister Carmelita, Messrs. and Mmes. Oscar Walter and family, Felix Yosten and family, Alfons Reiter and family, J. W. Fisher, Eddie Schmitt and family, George Bayer and family, Charley Hellman and family, Ray Owen and sons Glenn and Jimmy, Ted Gremminger, J. W. Hess and Rosina, and Bob Swirczynski.

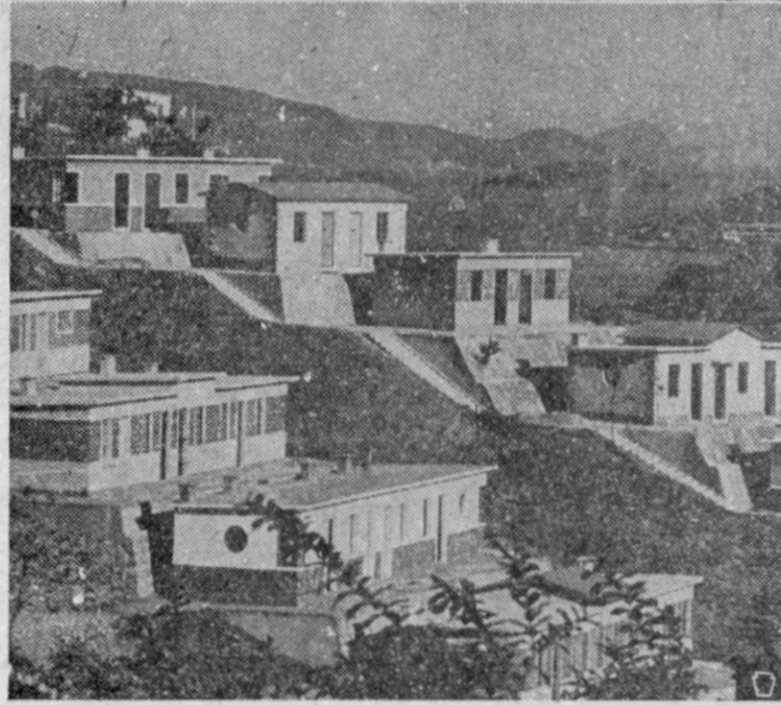

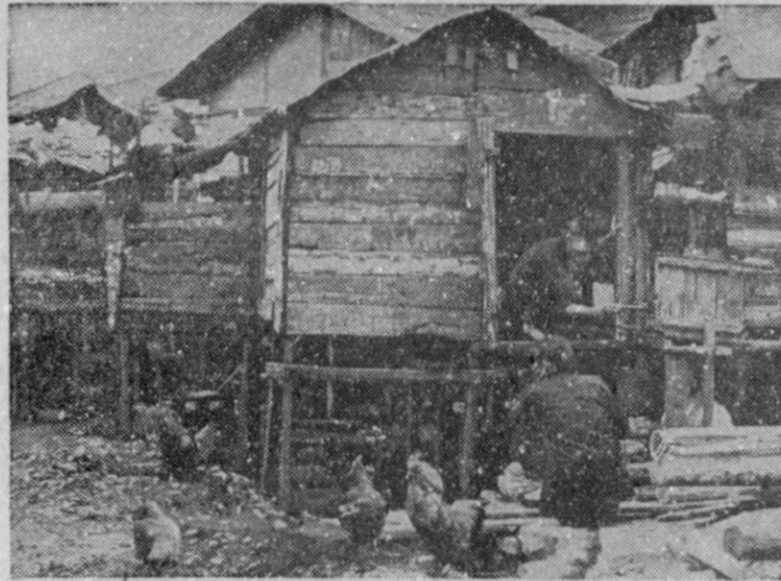

Mrs. Jim Hermes and Terry Sue, Ed Schmitt, Joe Mages, Johnny Knabe, Mrs. Albert Knabe Sr., Mrs. Alois Trubenbach and Judy, Mrs. Victor Hartman, Mrs. Paul Fisher and Betty, Mrs. Julian Walterscheid, and Mrs. James Eckart and Agnes, Mrs. Tony Gremminger, Veronica Hess, Cecilia Zimmerer, Florentine Vogel, Suzanne Hesse, Patsy Bayer, Patsy Vogel, Karen Endres, Margie Schoech, Judy Lutkenhaus, Margie Knabe, Jane Endres, Carol Fette, Betty Ann Dangelmayr, Helen Fleitman, Gerry Trubenbach, Charlotte Trubenbach, Jeanette Muller and Gloria Yosten.

Sister Patricia's niece Barbara Lewin of Dallas accompanied her, and John Lerner of Wichita Falls accompanied the Ted Gremmingers.

Several of the groups stopped at various points going or returning to visit friends, relatives, and go sight-seeing. Father Louis and those accompanying him stopped at Little Rock for a visit with Rt. Rev. Abbot Paul Nahlen, the Ted Gremminger group also stopped at Little Rock to see Father Anthony Schroeder and Father Herman Laux, the J. W. Hess group visited in Winn, Ark., with Sister Joan Hess, the Ray Owens and Mrs. Jim Hermes were overnight guests in Little Rock with the Owens' daughter, Sister Dorothy, and took her with them to Jonesboro.

Sister Carmelita got to visit her parents in Hot Springs, and a large group went from Jonesboro to Pocahontas where they visited Sisters Eymard, Aloysia, Anselma and Pauline, all former teachers here.

Jim Harris spent Friday night and Saturday in Oklahoma City visiting his parents.

A marked contrast in homes and living conditions is illustrated in these two photos taken in Hong Kong. The new homes have been built with the assistance of the American Catholic Bishops' Relief Fund and its agency Catholic Relief Services-N.C.W.C. Father Paul Duchesne, field director for C.R.S., reports that more than 1200 of these new homes have been built to house Chinese refugees. The 1957 Bishops' Appeal will be conducted March 24-31.

**Bishops' Collection
For Foreign Relief
Scheduled Sunday**

The 1957 appeal on behalf of the Catholic Bishops' Relief Fund, which is now underway in the 63 North Texas counties comprising the Dallas-Ft. Worth Diocese, will conclude on Sunday, March 31, with a special collection in all Catholic churches.

More than 200 parish churches, chapels and missions will participate according to the Rev. Charles L. Mulholland, diocesan director of the fund. Special sermons will be preached at all masses and a letter from Bishop Thomas K. Gorman, urging a generous response will be read.

The appeal in the North Texas diocese will be made simultaneously with a similar appeal in all Catholic churches throughout the nation.

Funds raised will be used to carry on a widespread overseas relief program in 40 countries without regard to race or religious affiliation. Last year the fund helped over 40 million of the world's needy persons with food, shelter and medicine.

In conjunction with the appeal some 70 Catholic schools in North Texas have conducted special programs which will also conclude on March 31.

Contributions may be sent directly to the Bishops' Relief Fund, 2122 Kidwell Street, Dallas 14, Texas.

My family joins me in this expression of thanks for the many kindnesses and the help while I was in the hospital. I want to thank everyone who remembered me with get-well cards, visits, flowers and prayers. Every thoughtful deed is appreciated.

Junior Class Play Slated for Sunday

"The Little Dog Laughed," and juniors of Sacred Heart High predict that everybody's funny-bone will be tickled aplenty Sunday night when the class presents its hilarious comedy in MHS auditorium. Curtain time is 8 p.m. and the cast looks forward to playing to a full house.

WORLD COMMUNISM GAINING

In spite of the psychological blow dealt against world Communism by the Hungarian freedom fighters, all evidence indicates that today the forces of freedom are losing in Southeast Asia. Nowhere did the United States or any other non-Communist nation adequately capitalize on the tragic Hungarian events which for a brief period showed up the Communist cruelty in some of its most horrifying aspects.

As they have so often done, the Communists have again outwitted the non-Communist nations. John C. Caldwell, one of our best authorities on Asia, has just returned from a third visit in 12 months to Southeast Asia, and has given testimony to the House Un-American Activities Committee. The Caldwell testimony will disturb the complacency of any American who reads it. His considered opinion is that the United States and its allies are losing Southeast Asia to the Communists.

Four Methods

Caldwell was born in China, son of an American missionary. He has spent much of his life in Asia. He has written several notable books on China. In his re-

cent trips to the Orient, he visited Cambodia, Thailand, Laos, Hong Kong, Formosa and other areas. He said the Chinese Communists are using four methods to expand their gains in Southeast Asia — education, newspapers, publications, and economic penetration. Their control of the press in the Asian nations is so dominant that during the Hungarian uprising against the Communist masters, "I did not see a single feature front-page story on Hungary," he said, "in any newspaper in southeast Asia."

In other words the Communists successfully blacked out the news of what was happening in Hungary — in an area of southeast Asia with a population as large as that of the U.S.A. They flooded these countries with false but beautiful propaganda publications showing a Red China living up to all the lofty promises of a Communist utopia. The countries are just south of China.

We Are Failing

The United States is spending millions trying to hold Cambodia, Laos, Thailand and the other southeast Asia areas out of the Communist orbit. And, as Caldwell shows with facts and figures, we are failing. Here is what his documented reported shows for each nation:

CAMBODIA: Neutralist government. Forty percent of Chinese population pro-Communist, 25 percent pro-Nationalist, 300 Chinese students sent to Red China in 1956; 34 to Free China. 160 Chinese schools heavily infiltrated. Four of five Chinese newspapers pro-Red or neutralist — bought with gifts of newsprint or bribery of editors. Forty new bookstores opened in last few months, all but one Communist operated. Country flooded with Red Chinese publications. Twenty-two million dollars economic aid offered by Red China and accepted. 120 Red technicians arriving.

Newspapers Pro-Red

THAILAND: Communist Party outlawed; recognizes Nationalist China. (However) 200 Chinese schools heavily infiltrated by Communists, and many illegal schools sponsored by Reds. Four of five Chinese newspapers are pro-Red, nearly all 27 newspapers anti-American. Greatly increased flow of Communist publications. Communists using films for propaganda purposes.

We're Losing Sunday

By Bob Senser, Author of "DON'T SHOP ON SUNDAY"

ARE YOU helping ruin Sunday? All over the country, more through carelessness than malice, we are falling into the habit of Sunday shopping. For many of us it begins with an occasional stop on the way home from church. Before long we are regular Sunday buyers. In this way we turn the Day of the Lord into the day of the dollar.

IN DENVER, a billboard pictures a lonesome little girl asking: "Please let my daddy stay home with me on Sunday. Let him go to church with me. Don't buy meats and groceries in Sunday stores, 'cause then my daddy will have to work on Sunday too."

It doesn't seem wrong, I'll admit, to buy a few groceries on Sunday instead of 24 hours earlier. 10 or 15 minutes in a store may not taint your Sunday observance. But your buying does help disrupt the Sunday of others.

IF WE IGNORE the whole problem, the whirlwind toward a seven-day business week will grow. Soon we may be tempted to get more of our goods and services—even a haircut or a permanent wave—on Sunday. Who knows where this trend will stop?

What we fail to see is that

each of our actions helps build a "social climate." Every family must at times do some buying on Sunday. These occasional purchases are not themselves the problem. But they set an example, and added to the shopping trips of thousands, set a community climate in which it becomes easy to violate the Sabbath. We must set a limit and buy what is only absolutely necessary.

SUNDAY BUSINESS is a sign that we are forgetting the preciousness of Sunday, the day we give to the Lord, the day He has coming Who made all the other days. What's more, it shows that we are ignoring the third commandment which binds the consciences of all men to "Keep holy the Sabbath."

"**HOW MUCH CAN I** get away with?" is hardly the Christian attitude toward this commandment. Rather we should ask, "What little extra can I do to make my Sunday more holy?"

Eliminating unnecessary buying and selling is only part of what must be done to make Sunday the Lord's day. We must also devote time to worship and prayer. Families should put aside their usual daily routine. Instead of going their separate ways, they should recreate together on Sundays.

SUNDAY OBSERVANCE, then, does not mean spending the day in a dull way. The true Sunday spirit is found in the words of the psalm: "This is the day the Lord hath made. Let us be glad and rejoice therein."

Girl Scout News
NEIGHBORHOOD CHAIRMAN
Mrs. Fred Savage has accepted duties of neighborhood chairman for the Münster Girl Scout troops and Mrs. Gene Hoedebeck has accepted the local secretary's job. The two council members received their appointments Monday when Katherine Donham, field worker, was here.
As the leader of local troop leaders, Mrs. Savage plans a series of meetings for leaders and mothers of the members and will announce dates when arrangements are complete.

Troop 85
Members of Mrs. Hank Walterscheid's Brownie Troop 85 held a social instead of a regular business meeting on March 20 when they celebrated Candy Fette's birthday. She was nine years old. Each member of the troop is complimented with a party when she observes her birthday.

Debbie Fette, troop president, called the meeting to order and Margie Sue Fuhrmann, secretary, called the roll. All members were present.
Mrs. Walterscheid served ice cream, birthday cake and cold drinks, and took group pictures. The youngsters played games after Candy displayed her birthday gifts.

Troop 89
Girl Scouts of Troop 89 baked cookies and cup cakes at their regular meeting Thursday afternoon in the home of their leader Mrs. R. N. Fette. Mrs. Lou Wolf, assistant leader, helped Mrs. Fette in lining the girls up in groups to make spice cake batter, chocolate drop cookies and ice box cookies. While the cookies baked, the troop cleaned up the kitchen and dishes, then had their baked products as refreshments. The business meeting followed, songs were sung, and the friendship circle and taps closed the afternoon.

Troops 101 and 80
Brownie Troops 101 and 80 met at the public school for their weekly meeting and after the opening ritual divided into groups for a lesson on cookie baking at homes of members. Mothers of the girls were present to take them to their destinations. Mmes. Paul Endres, Fred Savage, Larry Yosten, Bruno Fleitman and Gene Hoedebeck then conducted the baking program. The cookies were later served as refreshments with cold drinks.

Mr. and Mrs. James Schenk, formerly of Scotland, Texas, recently moved here and are occupying the apartment back of the Münster Beauty Shop. He is employed at the milk plant.

**Flusche Sells Store
In Pilot Point and
Moves to Dallas**

Announcement has been made of the sale of Andy Flusche's store in Pilot Point. Mr. and Mrs. Flusche and their children Leon and Laverne are now at home in Dallas. A short time ago Andy moved the family and has since sold their home in Pilot Point. He has not announced his future plans.

Andy and his brother, J. P. Flusche, left here in 1938, and as partners located their business in Pilot Point. The next year Andy bought his brother's interest in the store. In October 1951 the building was almost leveled by fire and was rebuilt immediately. Andy made a successful come-back from a great set-back. During the years he added to the store and expanded it into a flourishing business.

He has been a strong promoter of soil conservation and sometime ago was honored as the outstanding district custodian. His store was headquarters for district-owned equipment available for use to cooperators.

**Clem Reiter Home
Party Scene Sunday**

The Clem Reiter home was the scene of a family gathering Sunday honoring Basil Reiter in observance of his birthday. Basil, a student at Dallas University, was at home for the weekend.

A decorated cake and birthday gifts added a festive note to the family reunion. Out of town guests were Mr. and Mrs. Andy Arendt and children of Lindsay.

**Florene Horn Wins
In Windthorst Bee**

Florene Horn, 13, daughter of Mr. and Mrs. Jake Horn of Windthorst, formerly of Münster, was the spelling champion in the Windthorst Bee and represented her school in the Archer County Bee where she won runner-up honors and is the county's alternate to the district contest in Wichita Falls.

Florene is an eighth grader. She won the Windthorst Bee after her rival, Elizabeth Poirot, tripped on the word "lilac." In the county contest Saturday Florene skipped the "I" in "available" to give the championship to Gwen Yeager of Archer City.

CARD OF THANKS

Many thanks to everyone who remembered me so generously with get-well cards, prayers, flowers, visits and other kindnesses during my stay in the hospital and since I am back at home.

Dangerous Dope

Socialism is like a drug. It can bring temporary illusion of grandeur, but if long indulged in the result is destruction of a nation's character, and the loss of the people's liberties.

Politicians campaigning for government-owned business are peddling a type of dope that blinds the people who indulge, to the fate awaiting them.

During the first five days after their landing on Iwo Jima, Marine Corps communication crews laid more than 700 miles of telephone wire, although operating under heavy artillery fire and harassed by snipers.

The heavy cruiser USS Toledo has steamed enough miles since her commissioning in 1946 to have sailed around the world 10 times.

OF THE ROAD!**

Drive the car that proved its superior steering, braking, cornering, road-holding and passing ability in the world's first Auto Decathlon, a ten-way test of the driving qualities you want.

Chevy proved it's the champ in the world's first Auto Decathlon, certified by the NATA.* It showed how beautifully it handles, how quickly it recovers from emergency situations—like quick turns and stops—which can cause a car to lose its even-keel stance on the road.

Chevy waltzed through some of the roughest challenges ever laid down to measure how a car behaves when the going is tough. And it beat all other cars in its field and all the higher priced cars tested, too!

That's Chevrolet's sure and solid going for you. Come in and drive the winner!
