NUMBER 52

W. Flusche Named 4-H Gold Star Boy For Cooke County

After our experience of the past two years it isn't surprising that enthusiasm for a Christmas parade is gradually changing over in favor of a more permanent project. Having a display before the public for only a few minutes seems like a small compensation for all the time, money and effort that have gone into it.

Both years comments have been the same. People did not have time for a good look at any one float. The best they could hope for was a once-over look before turning their attention to the next exhibit... unless they decided to give more time to one while ignoring the next two or three. Either way the result comes out the same. Spectators missed a lot of the parade. What's more, the first chance to see was the only chance. Once the parade had passed each float with all its time, effort and expense became a thing of the past.

Those are the thoughts which lend merit to current ideas in favor of a Christmas display that is more permanent in nature. It seems far more practical, after creating a thing of beauty, to keep it for a while and give people the pleasure of looking at it thoroughly and leisurely. Likewise, if this display is to be symbolic of the Christmas season, it ought to be kept through all of the season.

Probably the most important feature in our past two Christmas parades is the fact that they attracted large crowds and made a notable event of the arrival of the Christmas season. Such an event admittedly is good for business and there is no doubt that it has additional value in community spirit as well as in the pleasure derived by kiddies.

Putting both of those ideas together it seems that the most pleasing way to mark the Yule season is to have a really beautiful and impressive display sponsored as a community project and to unveil or introduce it with a nice program featuring music, singing, give-aways for the kids, and any other good ideas that might be added.

Possibilities for such a display and event are fine, provided people will give it as much of their time and money as they gave the parade. For an idea, figure the effort and expense in all of last year's floats and imagine them as going into a single project.

Another intriguing thought is to add to the project every year, gradually developing it into an object of exceptional beauty and distinction. In time it could have tremendous value in edification, pride and prestige.

Most likely something will be done next week about community plans for the Yule season. As we take up the project again let's hope that our achievement will be of a more lasting nature. It would be nice to think of our Christmas project as we do of our community... as something that grows and improves every year.

This week yours truly has the pleasure of noting that an idea presented in this column last week has been expressed also by a very important and highly respected person. Commenting on the over emphasized Russian achievement in launching the two Sputniks, Former President Herbert Hoover says that this is but one first as compared with hundreds of first over here. He reminds us that we were first with electricity, the airplane, radio, TV, Radar, penicillin, sulfa drugs, the atomic bomb, the atomic submarine, automobiles, modern farm machinery, and hundreds of other things that we take for granted. He also emphasizes that we are far ahead in our standard of living and personal freedom. So why are we silly enough to shout Amen while the Moscow propagandists do their sounding off?

The man has something there. Why all this official raving and bellyaching which helps to emphasize the effect of red propaganda? While admitting that missile development is serious business we could at least get down to business and refrain from the blabbing which helps the reds.

Since the Hornets dumped Saint Jo last week and broke the district lead into a three way affair, there has been too much loose talk about the district championship. Too many are assuming that Muenster has a cinch for the co-champ title.

If pre-game dope were dependable that assumption might (Continued on Page 10)

Tigers Will Meet Jesuit B Thursday In '57 Grid Finale

The Sacred Heart Tigers have strong hopes of ending their 1957 football season on a pleasant note when they take on the B string of Jesuit High Thursday night on the parochial field.

Though they have no information on the record of their foe they are basing hopes on the assumption that Jesuit B will be about on a par with Sherman B whom the Tigers nudged by the slim count of 6-0. The assumption in turn is based on the fact Jesuit competes in 3-A and 4-A circles and it has plenty of enrollment to provide a good B squad along with its regulars.

Up to now the Tigers have a 2-6 record and they will be straining to put this last game in the win column.

Midget Speedster Leads Buckner to Win Over Tigers

A pint sized fleet footed youngster named Orville Griffin was the big operator in the 13-0 Buckner victory which took all the spice out of Sacred Heart's homecoming Friday night.

The 115 pounder was sensational. He looked completely out of place among 21 average size players and he was by far the outstanding gainer of the game.

In other respects as well the visiting Big D boys had a clear advantage. Other backs were good and the line was stout. Nevertheless the Tigers held their own through the first half and eventually gave way to a combination of rough breaks and increasing pressure in the second half.

Starting the game Buckner held on the first series and, after a good return on a short kick, started from the Tiger 26. The next play reached the 15 where a stout Tiger defense combined with a penalty to set the ball back 12 yards on the next series.

Following that four plays, featuring Mollenkopf's jaunts of 20 and 22, reached Buckner's 24. Gerald Hess made 4 more but then the drive ended rudely as Buckner intercepted almost on the goal line. The ball was put in play about a foot from the goal.

Two offside penalties on the Tigers went to the 10 and little Griffin scooted to the 46, but the next series failed and Buckner booted.

Through the second quarter the game was deadlocked until near the intermission when Sacred Heart threatened again. Mollenkopf intercepted then heaved a nice pass to Grewing for 21 yards. That was on the 19 but the drive bogged and ended on the 12.

Tiger troubles started early in the second half. After two first downs Buckner failed on its next series and kicked. The kick was (Continued on Page 2)

Steve Moster Gets Top State License For Waterworks

Steve Moster, superintendent of the Muenster waterworks and sewer departments, now rates with the best in the state in waterworks administration.

Monday of this week he received a certificate and a card from the State Health Department indicating that he had been issued a Class A license in the administrative field. The card has the number 181, which, Moster said, signifies how many such licenses have been issued to date in Texas.

He also said that the Class A license is regarded as about the equivalent of a college degree by waterworks operators of the state. Rigid requirements must be met before a person is eligible to take an examination for the license, and the exam itself is rough. Moster took his at Wylie on October 3, spending almost six hours at it.

To become eligible an applicant must have eight years of experience, five years of experience and a bachelor degree, or three years of experience and a master degree. In either classification the applicant must also have 120 credits earned at special courses and meetings.

Joe Moster, Steve's assistant in the water department, has also made good progress in his state rating. He has a Class B license in distribution.

Exes Enjoy Game, Dinner, Dance at MHS Homecoming

It was a cheering, high spirited, crowd that got together for Muenster High's annual homecoming events Saturday night after watching the Hornets beat this season's undefeated Saint Jo Panthers in a grid classic which started the homecoming program.

Before the game, Judy Cain was presented as the Hornet Football Sweetheart for 1957, and after the game she participated in the golden horseshoe ceremony.

At half-time the homecoming queen was crowned. Up until the ceremony took place her identity had been kept secret.

Jean Wieler, a senior, won the crown this year. She was elected by members of the Ex-Students Association.

Jean wore a bouffant blue formal and was escorted by David Flusche. She received her crown from Glenn Hellman, president of the association. Other officers, Herbert Meurer, Mrs. Ervin Hamric and Florence Henschel, participated in the ceremony by presenting the queen a bouquet of red carnations and pinning mum corsages on the other three contenders for the queen's title: Judy Cain, in blue, escorted by Dickie Cain; Jolene Carlton, in pink, escorted by Jimmy Hellman, and Jeanette Walterscheid, in yellow, escorted by David Walterscheid.

After the game, members of the Ex-Students Association and their guests had a dinner and dance. At the dinner members (Continued on Page 2)

WITH THE MEN IN SERVICE

Arrives In Germany
Pvt. James Hess has notified his parents, Mr. and Mrs. Gary Hess, of his safe arrival in Germany. He is based at Kirchgon, about 25 miles from Frankfurt, and is assigned to a headquarters and service company of an armed infantry battalion. His complete address is: Pvt. James D. Hess, US 54195825; 746th Armd. Inf. Bn., H&S Co.; A.P.O. 39, New York, N.Y.

Leaves For Europe
Pfc. and Mrs. C. J. Newman spent a day in Wichita Falls and C. J. left from there for a port of embarkation in New Jersey. He will go on to Europe for his overseas assignment. He has 13 more months in the service. His wife, Mary Nell, returned to Muenster for an indefinite visit with her parents, Mr. and Mrs. Clarence Hellman. During his 30-day overseas leave the Newmans visited her family here and his family members in Iowa Park and Wichita Falls.

Weekend Visitor
Harold Bindel of Fort Leonard Wood, Mo., was here for a weekend visit with his family, the Frank Bindels. He came as far as McAlester, Okla., with a buddy and joined him there again Monday afternoon. His brother Gilbert and Mr. and Mrs. Archie Livingston took him to McAlester for the trip back. Harold has three more weeks of special training at his present station. After that he'll receive a new assignment.

Telephone Visit
Sailor Don Flusche and his family, the J. P. Flusche, enjoyed a telephone visit Monday evening while Don was in port at California. Every member of the family here took a turn at the phone and it was an enjoyable occasion. Don left again Tuesday. He serves aboard the USS Mauna Kea and he won't be back in the states until next April. He'll be going to Hawaii, the Philippines, China and Japan.

Three Day Pass
Delbert Walterscheid and Wilmer Walterscheid, airman first class stationed at Dyess AFB, Abilene, returned to duty Monday after being here since Saturday with their families on three-day passes. Wilmer is due to receive a discharge this week, in advance of his enlistment period's expiration, so that he can assist his widowed mother with farm work. The boys had as guests two buddies from the base who divided their time visiting in the homes of Mr. and Mrs. Harold Walterscheid and Mrs. Alphon Walterscheid.

Over-Age Voters Are Not Required To Get Certificate

Voting requirements for persons over 60 are no different from those of past years. That statement was made Monday by Tax Assessor-Collector Rafe Piper along with his explanation that earlier reports about changes in regulations were not correct.

The confusion, he pointed out, results from mistaking proposed legislation for legislation that has been passed.

Some months ago Piper received a copy of a bill and thought it was a new law. Accordingly he stated that over-age voters of towns under 10,000 in population would no longer be permitted to vote without exemption certificates.

Now Piper is spreading the word that the certificates will not be required. As before, all over-age voters of the county who live outside of Gainesville may vote without certificates.

Hornets Can Share 10-B Champ Title By Win Over Era

A share in the District 10 B title will be at stake Friday night when Muenster's Hornets invade Era for the final tussle on their '57 grid schedule.

A win there will give the team a record of 5-1, which will also be claimed by the winner of the Valley View-Saint Jo battle at Saint Jo Friday night.

On the other hand a loss by Muenster would leave a clear title to the winner of the Panther-Eagle game.

If Muenster wins the co-champ title it may or may not become the district representative, depending again on the game at Saint Jo. If Saint Jo wins, Muenster will play the bi-district game because of its decision over the Panthers. If Valley View wins it gets the assignment because of its win over the Hornets.

According to records of the teams to date Muenster is a definite favorite over Era, which has a 2-3 loop record including a few long margin losses. However Coach Ansley and his charges have chosen to ignore those signs and concentrate on the fact that Era is traditionally double tough when it meets Muenster. Besides, for the statistically minded, there are records to show that the team did as well as Muenster against two of its foes.

As regards relative conditions of the players, Muenster probably enjoys a small advantage. On Wednesday Ansley's boys were all reported as mentally and physically ready whereas (Continued on Page 9)

Golden Horseshoe Dates Back to 1950

A ceremony that dates back to 1950 was held again Friday night as the sequel to the annual Muenster-Saint Jo football game. A gilded horseshoe, the prize at each game, was presented by a representative of the losing team for display in the winning team's trophy case for the next year.

Originally the horseshoe was intended as a roving trophy to be claimed permanently by the team which first won it three consecutive times. But it has done very little roving. The first two years Muenster claimed it, by scores of 13-0 and 18-0. In 1952 Saint Jo won 20-12. Then Muenster won three successive times, by scores of 13-0, 33-0 and 20-7 and brought the original trophy home for keeps.

Ready to continue the tradition, Muenster brought another horseshoe to the 1956 game, and claimed it afterward by the narrow margin of 24-20. This year the trophy was again at stake and returned to the Hornet trophy case after a 26-9 win.

When the new horseshoe was introduced a few changes were made. Instead of lying on a cushion it is mounted on a hardwood plaque and is surrounded by 10 small bronze plates to be engraved with the scores through 1965. Scores relating to the first horseshoes were written on a paper pinned to the cushion.

Another change was also made. The new horseshoe is much smaller. In fact the size and shape seem to indicate that it isn't a horseshoe at all, but rather a muleshoe.

Hornets Surprise Panthers 26-9 in Classic Contest

As a result of Saturday night's game the Hornet football season can be marked up as a success. That extra special big game in the bag and the Golden Horseshoe, special trophy at the annual Muenster-Saint Jo grid classic, is back in the MHS trophy case for another year.

Besides, Muenster now shares in the 3-way claim to District 10-B leadership. With Saint Jo and Valley View, it has a record of 4-1.

The score Saturday was 26-9 and the game was one of the hottest on record here... until the Hornets iced it away with two fourth quarter TDs. It presented a terrific lot of football to a terrific crowd of MHS Homecoming fans, a big turnout of Saint Jo supporters plus many others who came to see the crucial 10-B contest.

As the game opened the MHS outlook clouded in a hurry. Saint Jo recovered a fumble on the third play and promptly started a power drive toward the goal. However the Hornet defense held. The Panthers got as far as the 4 and lost possession on the 5.

As Muenster tried to kick out of danger Saint Jo blocked and the two teams scrambled for the loose ball in the end zone. Muenster got it allowing Saint Jo a safety rather than a TD. (Continued on Page 9)

Rain Measures .71, Year's Total: 49.78

The wettest year on record in Muenster continues to get wetter. Light showers this week followed the heavy rainfall of last week bringing the total for the month to 6.90 and the year's figure to an amazing 49.78, far ahead of the previous record of 43.53 for a full year.

Readings on Steve Moster's Weather Bureau gauge during the week were as follows: .13 on Tuesday, .38 on Wednesday and .20 on Thursday. The month's total up to this week was 6.19 inches.

Chest X-Ray Unit Assigned to County

Chest X-Rays will be available in Cooke County in April 1958 but it is not known at this time whether the machine will be set up only in Gainesville or also in Muenster.

Bill Lewie, treasurer of the Cooke County Tuberculosis Association received word last week from Senator Ray Roberts advising that the mobile unit has been booked for a stay in Cooke County starting on April 1.

The free chest X-Rays are sponsored jointly by the Cooke County Tuberculosis Association, the Cooke Medical Association and the State Health Department. Last year was the first time that free chest X-Rays were available here. The total taken here was 990 and the county total was 6066.

Parochial Cubs to Meet Cowtown Kids Here Sunday at 3

Another game has been added to the Sacred Heart Cubs grid season. Sunday afternoon at 3 the youngsters will entertain Father Patrick's proteges from St. Mary's School of Fort Worth.

Indications are that the contest will be a rugged one for the local fellows. According to information received by Father Christopher the visitors have had a good season playing other parochial teams of Fort Worth.

The Cubs have a 3-3 record in the North Texas parochial league, having beat Windthorst twice, split with St. Mary's and lost two to AMI.

SCHEDULE OF COMING EVENTS

THURSDAY, Nov. 14, SH Tigers vs Jesuit B, here.
FRIDAY, Nov. 15, Hornets vs Era, there, 7:30.
SUNDAY, Nov. 17, SH Cubs vs St. Mary's of Ft. Worth, here, 3 p.m.
SUNDAY, Nov. 17, CDA guest day luncheon meeting, parish hall dining room, 4 p.m.

NEWS OF SICK AND INJURED

Herbert McDaniel entered Gainesville Sanitarium Monday for treatment of influenza. Mrs. McDaniel is a bed patient at home on account of flu, and is being cared for by Tillie Barrier.

Mrs. Frank Seyler is still a bed patient at her home. She has a nurse from Fort Worth with her now. Her daughters had been taking care of her since she became sick Nov. 2. She's improving slowly.

Mrs. Charles Curran of Dallas — the former Mary Mosman of Lindsay — had a major operation at St. Paul's Sanitarium Monday. She'll be in the hospital about two weeks. Her room number is 202.

Andy O'Connor who underwent surgery last Thursday afternoon at Stevens Park Clinic in Dallas, has been dismissed to convalesce at the home of his daughter, Mrs. Bill Fry and family, 1926 Newport Ave., Dallas 24. He'll be there at least a week more to gain strength and check with his doctors. Sunday, Mrs. O'Connor and their son-in-law and daughter the Andy Mondays visited him at the hospital. He commented on the pleasure and encouragement he gets from the get-well greetings sent by his Muenster friends.

Mrs. Lena Bernauer, dismissed from Gainesville Sanitarium following treatment, is confined to her home here this week, regaining her strength.

C. F. Gobble spent the weekend at home and returned Monday to the VA Hospital in McKinney for continued medical care. He said he appreciates the get-well greetings immensely and thanks everyone for remembering him. He is back in Ward 63.

Mrs. Fred Hoedebeck was dismissed from Gainesville Sanitarium Saturday following treatment for influenza and continues to improve at home.

Mrs. Joe Tempel who underwent surgery Friday — the same day her new daughter arrived at Gainesville Sanitarium — is recovering satisfactorily and will probably be dismissed this weekend.

Dave Gillette is back at his home in Myra after being dismissed from Wichita General Hospital where he underwent major surgery. He is up and around the house.

A severe case of influenza sent Mrs. Frank Kathman Jr. to bed last Thursday and kept her there for a full week. She's showing improvement now but is still sick and weak.

Science Club is Organized at MHS

The Science Club organized at Muenster High School with election of officers. They are Johnny Fette, president; Billy Ray Otto, vice president, and Tim Mosman secretary.

Each member has to start a project and write a theme about it.

Mrs. John Mosman, science teacher, is the advisor.

MHS Business Club Elects Officers

The Business Club of Muenster High School, elected officers on Thursday, Nov. 7. They are Dolores Reiter, president; Patsy Dennis, vice president, and Florentine Vogel, secretary.

Meetings are to be held once a month. The club will sponsor field trips and speakers for meetings.

Mrs. Mack Smith and daughter Ruth, joined by Mrs. Augusta Huth of Bowie, enjoyed a recent trip through several states. They visited Mr. and Mrs. E. O. Wildgrube and family in Houma, La., and went to New Orleans for sight-seeing. They also visited places of interest in Biloxi, Miss., Pensacola, Fla., and Mobile, Ala.

Homecoming Crowd At SH Cheers as Queen is Crowned

A shivering homecoming crowd applauded Friday night when Lorette Mages was crowned football queen at Sacred Heart High's annual homecoming.

There was no let up in pomp and ceremony in spite of muddy ground and a chilling north wind. The coronation ritual preceded the game between the Tigers and Buckner of Dallas, and followed a pep rally which began at 7 p.m. down town and a parade up Main Street.

Tiger Co-captains Howard Mollenkopf and Sonny Walterscheid shared honors in the crowning, the former by placing the crown on the head of Her Majesty and the latter by presenting her a bouquet of white mums.

She in turn handed them the football for the game.

Queen Lorette's crown glittered with sequins and a royal white cape topped her full length formal of white taffeta and net sprinkled with red sequins. Tiny Mona Schmitz, Mary Jane Swirczynski, Carolyn Schoech and Cindy Lou Swirczynski, in wide-skirted pastel formals, were train bearers.

Princesses in the queen's court wore glamorous evening gowns. Ruthie Endres, runner-up in the queen's contest, wore white. Her escort was Pat Hess. Carolyn Swirczynski, in powder blue, was escorted by Charlie Bayer; and Margie Schoech, in pink, was escorted by Eugene Hartman.

After the pre-game ceremony on the 50-yard line the queen and her court were honored guests for the rest of the homecoming program and reigned over the homecoming dance in the parish hall.

Mrs. John Huchton and daughter Suzanne and her sister Mrs. Ray Tempel of Gainesville were in Dallas Tuesday for Suzanne's dental appointment.

Jerry Klement and Donny Whitt, juniors at Texas A&M College, will spend next week at Whitesboro High school to observe the operation of the vocational agriculture department in the school. The week of observation is a part of the training the boys receive in preparation for teaching high school vocational agriculture after graduation from A&M.

Blessed Events

Mr. and Mrs. Steve Moster are happy over the arrival of their son, weight eight pounds four ounces at birth. Mary and Steve went to Fort Worth Tuesday and brought him home. He was 12 days old. He'll be calling Mr. and Mrs. Frank Yosten and Mrs. Leo Moster grandpa and grandma. At christening services Wednesday afternoon he was named Frank Anthony. Mrs. Yosten and Tony Sicking of Gainesville were sponsors and Father Christopher officiated.

Mr. and Mrs. Joe Tempel are parents of a daughter, their fifth little girl. She arrived at Gainesville Sanitarium Friday, Nov. 8, at 1:12 a.m. weighing five pounds two and a half ounces. She's the granddaughter of Mrs. Luke Tempel, Muenster, and Mr. and Mrs. John Tucker of Houston. Her great-grandparents, Mr. and Mrs. Sam Epps, live at Myra.

It's a girl for Mr. and Mrs. Harry Scoggins and a sister for Bobby. She joined the family Friday, Nov. 8, when she arrived at Muenster Clinic at 6:30 a.m. Arrival weight was eight pounds ten ounces. Her grandparents are Mr. and Mrs. W. L. Scoggins and Katherine Herr. She's the first great-granddaughter for Fred W. Herr.

Mr. and Mrs. Van Morris of Sivel's Bend are parents of a daughter born at the Muenster Clinic Wednesday, Nov. 13, at 8:45 p.m. They have two other children. Mr. and Mrs. David E. Emmet of Colorado City are the grandparents.

Mr. and Mrs. J. W. Fletcher have a new grandchild... the baby daughter of Mr. and Mrs. Jack Fletcher of Denton. The little girl was born Friday, Nov. 8, at 11:30 p.m. She weighed seven pounds 11 ounces. Others welcoming her are her sisters Patricia and Sara Dianne. Mr. and Mrs. Fletcher drove to Denton Saturday to get acquainted with the new arrival and brought Sara Dianne, almost three, home with them for a several days' visit.

Mr. and Mrs. Frank Mages III of Gainesville have announced the arrival of their second son. He was born Nov. 6 at 11:03 a.m. in Gainesville Sanitarium, weighing six and a half pounds. His grandparents are Mr. and Mrs. Tony Walterscheid of Muenster and Mr. and Mrs. Frank Mages Jr. of Gainesville. And he has a great-grandfather, Frank Mages of Lindsay.

Mary Pick of Fort Worth was here for the homecoming program at Muenster High and spent the weekend with her family. She was last year's homecoming queen.

MHS Homecoming

held a short business session during which officers were elected and prizes awarded.

Bill Stelzer received a gift for being the oldest ex-student present among the men and Mrs. J. M. Weinzapfel was similarly honored among the ladies. Mrs. Willie Walterscheid won the prize for traveling the greatest distance to attend. She and her husband and their young son came from Fountain, Colo., to be present.

In the election, the exes approved the slate of officers presented by Earl Fisher, chairman of the nominating committee. Mrs. Ervin Hamric is president, Herbert Meurer is vice president, Rosa Driever is secretary-reporter; and Charley Hellman is treasurer.

Glenn Hellman, retiring president who served two terms, was presented a gift as a token of appreciation. He was general chairman of the homecoming program for two years.

Alvord Kids Edge Muenster Juniors

Weldon Holland's Muenster Pee Wees, though still not in the win column, have finally crossed the goal line. Monday afternoon on the local field they lost to Alvord's kids 13-12 and remained in the cellar of the 10-B junior race.

In a dramatic whirlwind finish the Muenster lads rubbed out 6 points in Alvord's margin and almost eliminated the other. Flusche's effort for the point after touchdown was short by inches. The drive was completed in less than two minutes after the visitors' last TD.

Alvord scored first toward the end of the first quarter and went over again for the all important extra point which later decided the game.

The next marker was Muenster's, and it came after a steady drive of about 70 yards. Wiesman went over for the score. The rest of the scoring was crammed into the end of the game. Alvord completed its 60 yard push just after the officials gave their 2 minute signal. Then Muenster, calling time out after every play, managed to get in five plays, the last of which was a 45 yard scoring gallop by Mark Hellman.

fumbled and Buckner was in possession on the 9. An offside penalty stretched the distance and their next four tries ended on the 2.

Sacred Heart promptly kicked out and Buckner kicked again after three tries. On their first play then the Tigers fumbled and Buckner had another chance from the 20. Five plays made it, Griffin going over from the 2.

Again the Tigers launched a drive but Buckner's defense squared off in time and took over on the 17 after allowing a 41 yard push.

Seven plays got the visitors back to midfield where Griffin got loose for the big run of the night. The kick after was good and the visitors led 13-0.

As the closing minutes ticked away Buckner seemed to be headed for another TD. The drive was good for 4 first downs and 53 yards finally ending on the Tiger 8.

Two beautiful passes, to Mollenkopf and Pat Hess got back to Buckner's 44 as time ran out.

Mrs. Walter Hosts Get-Together Club

Mrs. Al Walter entertained members of the Get-Together Club in her home for the November social on the first Wednesday of the month. She arranged three tables for a progressive 42 series and after the games served pumpkin pie and coffee. Eight members and four

guests were present. Award winners in the games were Mrs. Paul Endres, a guest, for high score, and Mrs. M. J. Endres for low tally. Mrs. Oscar Walter, another guest, secured the galloping award. Mrs. Clarence Wilson and Mrs. Frank Kaiser were the other guests. Receiving birthday gifts from their sunshine pals were Mrs. Joe Luke and Mrs. John Wieler.

Open House Honors Earl Robisons on Silver Anniversary

Mr. and Mrs. Earl Robison celebrated the 25th anniversary of their marriage Sunday with open house at their home north of Muenster. Their son and daughter-in-law, Mr. and Mrs. Douglas Robison of Spur, planned the observance and were host and hostess for the party.

Earl Robison and Effie Davison were married Nov. 12, 1932, at Marietta, Okla., by Rev. D. H. Hudson, Baptist minister, now retired and living at Thackerville. Best man was J. Calvin Dennis, now pastor of the Clovis Street Baptist church in Dallas. Miss Della Robison, sister of the groom, was maid of honor. Now Mrs. Otha Whaley she lives in Fritch, Texas.

In addition to Douglas the Robisons have one other son Jimmy Don and a 14-month-old grandson Mark.

Eighty-five guests called during the afternoon and registered in a satin covered guest book at

which Linda Hammer presided. Favors given as they registered were questions to be answered in a silver theme. From the reception room, those attending went to the dining room to be served.

A white crocheted cloth over blue taffeta covered the table and the centerpiece was a silver heart with carnations and greenery and a 25 in silver figures in the center. White napkins with silver bells were inscribed "Earl and Effie."

Mrs. Willis Robison presided at the silver coffee service and Mrs. John Richey and Mrs. George Hammer served the traditional three-tier decorated anniversary cake.

Mrs. A. S. Holcombe, sister of Mrs. Robison, Mrs. James Hammer and Mrs. Harold Cheaney assisted the honorees in opening their gifts.

Among guests were Mr. and Mrs. Robison's parents, Mr. and Mrs. D. O. Robison and Mrs. L. P. (Mattie) Davison of Gainesville.

Other decorations in the party rooms were arrangements of white mums and silver foliage, and on the table where guests registered a silver ship — inscribed "Ship of Happiness" was a container for mums.

Mrs. Robison attended the party in a powder blue dress with a white carnation corsage.

Mr. and Mrs. Robison have spent all their married life north of Muenster and are members of the Marysville Baptist church. He is a farmer and rancher. He has served as county commissioner of Precinct 4, as member of the Muenster school board and on the Cooke county school board.

Theresa Haverkamp And Joe Growing Say Wedding Vows

In Sacred Heart church Tuesday morning at 9:30 Theresa Haverkamp became the bride of Joe Growing during nuptial mass at which Father Christopher Paladino officiated. The couple exchanged their vows in a double ring ceremony.

The bride is the daughter of Mr. and Mrs. Charles Haverkamp and the groom is the son of Mr. and Mrs. John Growing.

For her wedding Theresa wore a gown of white bridal satin with lace bodice and net overskirt with a chapel length train. A crown of seed pearls held her veil of illusion and she carried white carnations. Her father gave her in marriage.

Pauline Haverkamp was her sister's maid of honor wearing a blue bouffant of taffeta and lace with a net overskirt. Her half-hat and shoes matched her dress and she carried a bouquet of yellow carnations.

Bernard Haverkamp, a cousin, was best man. Leonard Haverkamp and Leonard Growing, cousins, ushered.

White gladioli and greenery adorned the altar and Anthony Luke, organist, played the wedding music. After mass the bride placed a bouquet of white mums on the Blessed Virgin's altar.

Mrs. John Kathman gave the wedding breakfast for her niece in her home and the bride's parents were hosts for a reception and 6 o'clock dinner in the parish hall. Mrs. Joe Lehnertz catered the meal.

About 125 guests registered in the bride's book at which Mrs. Walter Growing presided.

For her daughter's wedding Mrs. Haverkamp wore a beige outfit with brown accessories and the groom's mother wore gray with dusty rose accessories. Both had white carnation corsages.

When Mr. and Mrs. Growing return from a short wedding trip they will make their home at 408 Sycamore Street here. He works for Growing Brothers on an oil rig. Both attended Sacred Heart school.

Guest Day Planned By CDA Court for Sunday, November 17

Catholic Daughters of America of the local court have made arrangements for a guest day next Sunday, Nov. 17, and plans for attendance at a district meeting in Dallas on Dec. 8.

The guest day program here will introduce Mrs. Gladys Polansky of Dallas, new district deputy, to members and prospective members they will invite. It will be a luncheon meeting in the parish hall dining room and will begin at 4 p.m.

A reception of new members will be held in connection with the district meeting in Dallas and all courts are being invited to bring candidates for initiation. During the business session courts of the district will give their annual reports. Mrs. John Mosman, grand regent of the Muenster court, will present the local report. A banquet will conclude the district meet. The Dallas Hotel will be headquarters for program events.

Plans for both the guest day and the district meeting were made during the local group's November meeting Thursday.

Mrs. Joe Swirczynski, parish mission chairman, reported that she shipped 100 pounds of clothing to St. Vincent's Store in Fort Worth and sent a large box of blouses and skirts to the State School for Girls in Gainesville. Members are now concentrating their efforts in this line on the Holy Father's annual Thanksgiving clothes drive.

The group bought a five dollar TB bond in the current campaign and after business heard Mrs. Ted Gremminger give a report of the recent NCCW convention held in Sherman.

Twenty young people from Sacred Heart parish attended the November Hour of Adoration for the Sherman Deanery CYC at Lindsay Wednesday night. Rev. Conrad Herda led the prayers in St. Peter's church and Rev. Frank Morgan of Gainesville, assistant at St. Mary's church, gave the sermon. After the services the group had a social hour and refreshments in the Lindsay parish hall.

FREEDOM-TO-PAY

Just in case Right-to-Work laws might become popular in this so-called "Land of the Free and Home of the Brave," the latest gimmick of organized Labor is to permit workers who do not wish to join unions to merely pay dues!

The theory is that since such workers will enjoy advantages the unions have fought for through the years, they should contribute toward union support whether they believe in unionism or not. To the unthinking, this position may appear just

and logical. All that is wrong with it is that the unions would continue to fatten on the toil of all who work in the areas they have staked out for themselves; those opposed would contribute to growing union power in the same measure as loyal members; and the Right-to-Work principle, even though established by law, would be nullified in practice.

Under such an arrangement, a non-union worker would still be pressured into paying tribute to a union for the privilege of working — in this case for trying to assert a freedom that he obviously would not have.

If this theory is right, a newly-fledged union member should pay back-dues for all the years his union may have been struggling for the wages and benefits he now enjoys — perhaps since he was born. Or a bricklayer (for instance) should perhaps make a contribution to the architect who decided on brick instead of something else for the building he is working on, to the brickyard and to the people

CAN SUICIDE BE NOBLE?

By Rev. Louis G. Miller, asst. editor of THE LIGURIAN

A RECENT book appearing on the newsstands and in the book-stores sets out to make a hero out of a man who deliberately cut his wrists and drained off his life blood. The book is written by the man's widow, who calmly confesses to having aided and abetted her husband in his act of self-destruction.

Coldbloodedly the author, Lael Wertebaker, describes the suicide of her spouse. It was all carefully planned ahead of time. Mr. Wertebaker was the victim of an incurable cancer and the disease brought progressively more frequent and more severe bouts with pain.

HUSBAND and wife talked things over quite candidly, and agreed that the only sensible thing to do was for Mr. Wertebaker to ease himself as gently as possible out of this life.

The time and circumstances were set. The scene that follows is described so realistically as to curdle the blood.

MRS. WERTENBAKER stood by (as it were, rendering moral support) while her husband gashed his wrists with a sharp razor. She provided basins to catch the blood so that the bedclothing would not be stained. When the end finally came,

she arranged the lifeless body in the bed with the reflection: "Tomorrow will be soon enough to tell the children."

What is a Christian to make of all this?

FIRST OF ALL, it should be pointed out that only God can judge and only God can condemn. Only God knows the strains and tensions under which people may act, and which may at times, unbalance their minds.

But, secondly, such a happening must bring forcibly to the mind of a Christian the fact that suicide is one of the greatest crimes a man can commit against his Creator, Who alone is Lord of life and death.

CERTAINLY an event of this kind dramatically points up the two contrary attitudes toward life; the pagan and the Christian. Suicide is the pagan's answer to suffering. The Christian accepts suffering as coming from God, and he prays, not so much that this cross be removed, but that he will have the strength to bear it.

If there is no God then suicide is logical. But if there is a God, then man must trust Him even in suffering and trial. There is no other choice and there is no compromise possible between these two attitudes.

THE CHRISTIAN must pity the pagan, but if he is a true Christian, he must regard the pagan as blindly, terrifyingly in the wrong.

whose lime and sand provide him with mortar. If this theory is right, the teacher who is voted a raise should bring apples to the kids — instead of vice versa.

Such a proposal is, purely and simply, a shake-down to provide unions with funds to fight Right-to-Work laws. And this in turn suggests that any organization that can maintain its position only through fear and force has outlived its usefulness.

Powerful and rich as they are, the unions should stop and reflect that the greatness of the labor movement stems from members who considered it a privilege to join — voluntarily. Union officials must revive this sentiment in the hearts of workers if organized labor is to live. It will not be done by taxing those who want no part of unionism.

THE GERMAN MIRACLE

The economic resurgence of Western Germany has been one of the authentic miracles of this chaotic age. She suffered almost unimaginable physical destruction, followed by years of occupation by the victorious military forces. Yet today Germany's industry is booming; the country is extremely prosperous by European standards, her trade balance is highly favorable, and her currency is remarkably stable. Incredible as it seems, Joseph Alsop writes that Germany is likely to supersede Britain as the world's third power, after the United States and the Soviet Union.

Mr. Alsop gives several reasons for the German miracle and two of them are of great significance. First, is the "toughly conservative economic policies" of Konrad Adenauer — policies largely based on maintaining and strengthening a true free enterprise system. Second, is the awareness of the powerful German labor unions that "... living standards must only rise as output rises." In other words, these unions believe in doing more and better work — and thus earning higher wages and other benefits.

There is a great lesson in this for every nation of the Western world — the United States included.

THE CALENDAR AND THE CLOCK

Government — Federal, state and local — costs the taxpayer \$216,666 a minute. That is the report of the Tax Foundation. During 1956, spending was at an hourly rate of \$13 million, seven days a week. And 1956 added insult to injury by piling on another 24 hours at \$13 million an hour because it was Leap Year.

Actually, that hardly mattered a bit, for what wasn't spent last February 29 would only have been spent March 1 and so on in the inexorable march of the spenders. But don't get the idea that we're a day behind in government spending because 1956 had an extra day. In fact, spending by Government at all levels has jumped from a mere \$2 million an hour to the present \$13 million since 1948.

The real, dedicated spender must feel sort of sheepish about this record since it is actually an increase of only 650 percent in 9 years. —Wall Street Journal.

TAX-MAN SAM SEZ:

A lot of folks who work at one place and live at another have trouble with Internal Revenue over where their home is. A man who has voted in Wise County during all of his adult 50 years is rather surprised to find out that his tax home is in Fort Worth when he has a full-time permanent job in Fort Worth. Generally speaking, for tax paying purposes, and especially for computing travel expense, your tax home is where you work, not where Mom and the kids stay.

INSTALLMENT BUYER

By H. P. Ladds, President of National Screw & Manufacturing Co.

Dear Bill:

You asked why I can't pay back that ten spot I borrowed from you last year. Well, here's the play-by-play right out of my diary:

Jan. 2 — Bought an automobile. Very easy terms. Fine car.

Ought to finish payment in eighteen months.

Feb. 2 — Paid installment due on car. Bought a TV set on easy terms. Fine set, and payments will be small and monthly.

Mar. 10 — A little late with payment on car this month. Have to let TV payment go until April, as I bought a set of books and paid \$10 down. Very fine books. Everybody should have this set of books.

April 12 — Borrowed \$50 from the boss to meet payment on car. TV man came to take away the

set but we put out the lights so he'd think we weren't at home. The chump hung around all evening so I couldn't read the books.

May 1 — Borrowed \$100 from Uncle Adolph to pay the \$50 I borrowed from the boss, and meet payment on car. Got behind a little on the book payments because I bought a piece of land in new real estate development. This land ought to jump in value. Paid \$50 down.

July 15 — Somehow I don't miss the TV set very much. And you can get all the books you want from the public library. The thing that hurts me is that Uncle Adolph should be so hard-boiled with his own nephew. Of course, I told him I'd pay the \$100 on July 1st, but one can't do the impossible. Trying to arrange a character loan from the bank. If I can borrow \$250, I can square up everything and have clear sailing.

July 16 — Bank says I have no character. What a gang of pirates.

Aug. 25 — The garage man is holding the car for that repair bill. What right have they to hold the car? It doesn't belong to me.

Sept. 11 — It wasn't any use. Had to let the car go. Anyway, I'd rather have that piece of land. They've given me a month's grace on that. Real estate people have more heart after all.

Nov. 1 — Well, they can have their old land. Good riddance. If I knew where to get \$35 to meet the payment on the record player, I'd be all right. Bought a new car today on the "pay out of income basis."

Nov. 15 — Income stopped. Got the gate at the office. One has to look well when it's a job you're after, so I bought a new suit this afternoon. Only five dollars down.

Ever (in debt) yours, Tom

Transplanting is Garden Club Topic

"Perennial Transplanting" as discussed by Mrs. Ben Luke at the Civic League and Garden Club's November meeting Monday night was a topic of high interest to the 23 members attending the session.

Mrs. Dick Cain and Mrs. L. B. Bruns were hostesses in the new cafe at the Livestock Auction. Mrs. Cain decorated with white mums and pot plants and the officers' table held an arrangement of wood fiber roses. Mrs. Edd McGannon presided in the absence of Mrs. T. S. Myrick.

Members voted to give a contribution to the current TB drive and heard a report on the recent cemetery collection and on the proposed fence for the front of the parish cemetery.

Mrs. Luke gave general instructions on transplanting perennials that do well in this area, along with helpful hints in this line and had a chart on when to divide and transplant. For mums and Shasta daisies this should be done in the spring every two years; for day lilies and Oriental poppies in the fall of the third year, asters and hardy plox in the spring of the third year, irises in the late summer of the fourth year and peonies in the fall of the tenth year.

After adjournment the hostesses served pie a la mode and coffee.

South Side Coffee Club Still Active

The South Side Coffee Club is still alive, meeting once a month in the homes of its eight members, all living in the country south of town. The neighborhood group gets together in the morning.

For October Mrs. Herman Hartman served. Pie and coffee were enjoyed. All members were present.

Sunday night . . . a change from the customary morning meeting . . . Mrs. Charles Taylor was hostess for November and named her party "Pamper the Men," and so it was. Husbands attended as special guests. Coffee and pumpkin pie were served.

Wilfred Koelzer Is Party Honoree

Wilfred Koelzer, on overseas leave and visiting family members here and in Madill, Okla., was the honoree at party Sunday evening in the home of his sister and family, the Arnold Knabes. It was a farewell gathering.

Wilfred leaves this Friday for Fort Dix, N. J., and will go from there to Germany.

Attending the going-away party were Wilfred's parents, Mr. and Mrs. Pete Koelzer and family of Madill, Mr. and Mrs. Joe Hermes and baby, Mr. and Mrs. Victor Koelzer and son, Mr. and Mrs. Earl Koelzer, Ivan Koelzer, Irma Starke, Betty Ann Hoenig and Joan Hennigan.

Reunion Held in John Huchton Home

Sunday guests in the home of Mr. and Mrs. John Huchton were family members for a reunion and an early Thanksgiving turkey dinner.

The Williams clan got together while Maynard Williams of Texas University and his girl friend Beryl McKinny of Washington, D.C., were here.

Other out of town guests were Mr. and Mrs. C. L. Williams of Bonita, Mr. and Mrs. Ray Tempel of Gainesville, Mr. and Mrs. Clinton Fletcher and son Mike of County Line, Okla.; and from here Mr. and Mrs. Henry Huchton and Mr. and Mrs. C. L. Williams Jr. and Sharon.

Local News BRIEFS

Sunday afternoon visitors with Mr. and Mrs. Joe Luke were her cousins, Mr. and Mrs. Herman Jungman of Munday.

Visiting the Needham family Sunday were Mrs. Eddie Green of Dallas and Mrs. Bud Leonard and Zada Green of Gainesville. Tuesday guests in the Needham home were Mr. and Mrs. Oscar Branson of Burkburnett.

Mrs. Billy Tilger is here for a visit with her mother Mrs. Kate Reynolds and family. She says many thanks to everyone who remembered her with kindnesses while she was in the hospital.

Mrs. Elwyn Hope of Fort Worth visited her mother Mrs. Frank Seyler Wednesday. She was accompanied to Muenster by Mrs. Hugh Jackson and two daughters who were guests in the home of her parents, the J. M. Weinzapfels.

Mr. and Mrs. Stan Wylie and children of Grand Prairie spent Friday night and Saturday with her parents, the Bill Kathmans, who entertained Saturday with a dinner honoring their other daughter, Mrs. W. E. Insel of Gainesville in observance of her birthday. She was accompanied here by her family. Sunday the Kathmans visited in the Wylie home and they all attend the open house at Chance Vaught where Stan works.

Attend Funeral of Leo Hoff, Windthorst Rancher, Saturday

Messrs. and Mmes. J. P. Flusche, Tony Otto and Gus Lutkenhaus and Mrs. Henry Henscheid and Mrs. Paul Fetsch were in Windthorst Saturday to attend funeral services for Leo Hoff, 59, father of Mrs. Al Flusche of Decatur.

Mr. Hoff, a native of Windthorst and a farmer and dairyman there, died Thursday in Archer City hospital following a short illness.

Rev. Cyril Lange officiated at the requiem mass in St. Mary's church and at burial in the Windthorst cemetery.

Mr. Hoff was a member of the parish St. Joseph's Society, of the Knights of Columbus and the Fourth Degree Assembly. He was serving as president of the Knights of Columbus Home Builders Association of Windthorst at the time of his death.

Survivors are his wife, three sons, five daughters, two sisters, three brothers, and 24 grandchildren.

Mr. and Mrs. Roy Plumlee of Wichita Falls returned home Monday after a weekend visit with her father, W. T. Richter and family, and attendance at the MHS homecoming. Mrs. Plumlee is the former Bobbie Richter.

CHOIR HAS TREAT

Members of Sacred Heart church choir were treated to their annual dinner party Wednesday night in the parish hall dining room. Father Louis Deuster was host and Father Bruno Fuhrmann was a special guest, as were wives or dates of choir members. Mrs. George Mollenkopf and Mrs. Al Walterscheid prepared and served the meal which featured country sausage.

AT GRANDSON'S FUNERAL

Mr. and Mrs. J. A. Sanders were in Fort Worth the past week to attend funeral services for their grandson Wednesday. The infant boy, son of Mr. and Mrs. C. A. Sanders, died shortly after birth Monday night.

THIRD ORDER MEETS

Members of the Third Order of St. Francis of Sacred Heart parish held their regular monthly prayer service Sunday in Sacred Heart church followed by a brief meeting during which Mrs. J. W. Fisher, secretary, read an article on membership and attendance. About 30 members were present.

PRE-NUPTIAL PARTY

Emma Neusch, bride-elect of Joe Moster, was honored at a gift shower given by members of the Gainesville Sanitarium staff. She is a registered nurse on duty there. The group held the party in the First State Bank community room and presented the honoree with gifts of crystal and pottery. Her marriage will be an event of Saturday, Nov. 23.

Fire Department Has Feast Sunday

Muenster Volunteer Firemen were feted Sunday at a six o'clock dinner in the parish hall. The once-a-year party is a treat the fire department gives for the members and their ladies and invites the city council as guests.

This year's dinner featured fried chicken and country sausage with all the trimmings, and attendance numbered about 50. Mrs. Joe Lehnertz catered the meal.

Centerpiece for the table was a handsome arrangement made by Mrs. Nick Miller. It consisted of tall, thin, white candles in fan shape with nandina berries and leaves and white mums.

Father Louis and Father Christopher were special guests and the former led the invocation. Fire Chief Herbie Herr gave a short address. Card and domino games entertained the group after dinner.

Hornets Win - - -

Saint Jo led 2-0.

After a short Hornet kickoff from the 20 Saint Jo was in possession on the 39 when the trend changed suddenly. Hamric intercepted a long pass and Muenster started from its 24. Four plays gained 33 and the Hornets fumbled. Two plays later they recovered a Panther fumble and resumed their drive from their own 41. Big gainers in the 59 yard push were passes to Harris for 23 and C. J. Hellman for 13 and runs of 9 and 11 by Hamric and Wolf. Finally, from the 5, the Hornets needed their full series of 4 plays to crack the stubborn Panther defense. The pay off play was for less than a foot, by Wolf.

Muenster promptly held the Panthers for their first series then started moving again. Two line plays netted 12 and a pass to Harris looked like a TD but he was hauled down on the 5 after a 32 yard gain.

There the Panther defense stood pat, setting the Hornets back a net of 2 on the 4 attempts.

Taking inspiration from that stand Saint Jo started moving in a very definite way. Only 11 plays were used in moving 93 yards to the double stripe, most of the totting being done by the power-house pair, Wayne and Jimmy Williams. Wayne went over from the 5 and Busby followed him for an extra point.

Starting the next half the Panthers still had going notions and advanced some 63 yards to the Hornet 6 on 8 plays. But again the Muenster defense rose up, allowing just 4 yards on the next four tries.

Starting from their own 2, the Hornets then got back into business. Six tries moved back to the Hornet 36 where James Wolf broke through for a beautiful 64 yard scoring sprint. Hamric crashed over and Muenster led 13-9.

Back on offense Saint Jo made a first down but lost its fourth down gamble on the next series, and Muenster got going again from its 45 as the last quarter opened. Three tries netted 5 and Wolf, on a kick formation option, got to the Panther 40. A pass to C. J. Hellman added 30 and Muenster was again threatening. Two tries made 6 and a pass on the next was intercepted. However, on the next play David Klemm pounced on a Panther fumble to put the Hornets back in business on the 1. Wolf went over setting the count at 19-9.

Once more Saint Jo snapped back with two rapid first downs to the Hornet 38, then was stopped cold on 3 tries. On the next play the attempted kick was blocked by C. J. Hellman and, after a penalty for roughness in the scramble, Muenster was in possession on the Panther 29.

Three plays made a first down but the next 4 made only 3 yards and Saint Jo took over on its 15.

From there one pass gained 9 but on the next Williams was badly crowded and made a desperation heave. Hudspeth got it and sprinted some 25 yards to the goal. Hamric's run was good for another point and the final count of 26-9.

Muenster-Era - - -

one of Era's boys has just been eliminated by a broken arm.

In another 10-B game this week Sanger is due to meet Callisburg in a tussle that will probably decide the cellar position of the district.

Last week Muenster beat Saint Jo 26-9 and Valley View beat Era 33-6. The other conference game between Sanger and Alvord, was not reported here up to Wednesday. Callisburg did not have a game.
