

## 93 Local Students Continue Studies Away from Home

Ninety-three Muenster young men and women are continuing studies away from home this year. They combine to set an all-time high figure in this community's history and top last year's total, the previous high number, by 13. In 1955 the total was 76; in 1954 it was 50.

Of the 92 young people, 46 are college students, 14 are in nursing schools, 17 are seminarians, 14 are in the convent, one is in business college and one is in beauty school.

Six are enrolled at Texas A&M College. Jerome Voth, Dee Kaderli and Claude Walter are freshmen, Lawrence Milner is a sophomore and Gene Walter and Jerry Klement are juniors.

Three are at Dallas University where Mary Weinzapfel is a beginner and Charles Felderhoff and Basil Reiter are second year students. Three are at St. Mary's University in San Antonio: Melvin Schoech, Joe Felderhoff and Kenny Otto. And three are continuing at ETSTC in Commerce.

## Dock Dudley, Aged Peace Officer, Dies Of Stroke Sunday

Dock Dudley, 77, a peace officer at Gainesville for more than 44 years, died Sunday at Gainesville Sanitarium a few minutes after reaching the hospital following a stroke at about 5 p.m. while he was driving his car accompanied by his wife.

Mrs. Dudley stopped the automobile and called for assistance. Several persons responded and called an ambulance. The couple were only a few blocks from their home, 1106 E. Garnett St., when he was stricken.

Funeral services were held Tuesday at 2:30 p.m. in the First Baptist church of which he was a member. Dr. J. Frank Murrell of Hugo, Okla., a former pastor of the church, officiated. He was assisted by Rev. C. M. Thomas of Gainesville. George J. Carroll and Son Funeral Home directed arrangements and Masonic rites were conducted at the grave in Fairview cemetery.

Known to hundreds of people in the Southwest, Dudley was Cooke County Highway Officer and Weight Inspector at the time of his death. He held the position since Feb. 21, 1931.

Born of pioneer parents in Lamar county July 2, 1880, Dudley lived on a farm until he moved to Gainesville in November 1911.

The following January he became county jailer and remained in that office until elected constable of precinct 1 in 1916. He joined the Gainesville police department on Jan. 1, 1918, and in April 1922 was elected chief of police serving in that capacity seven years and one month.

In 1925 he took the lead, along with other peace officers, in organizing the North Texas and Southern Oklahoma Peace Officers Association. He was elected the first president.

## St. Mark's Favored In Saturday Game Here With Tigers

All the signs point to hard times for the Sacred Heart Tigers when they encounter the St. Mark's Lions of Dallas Saturday night at 8 on the Tiger field.

The squad list received this week by Coach George Petrus reveals a starting lineup of considerably more weight and experience than the Tigers plus a long list of reserves with lots of additional brawn and experience.

The starters consist of 10 Seniors and one Sophomore. There are 13 lettermen on the squad. Starting the season this year the Lions extended the perfect record of last year. The 46-25 decision over DeSoto runs their winning streak to eleven straight. Included in the streak is a 38-21 win over the Tigers.

Coach Petrus, admitting that the odds are stacked heavily against his boys, is praying for the breaks and also urging the Tigers to overcome the Lion advantage by extra spunk and alertness. The team has been idle since its season opener at Windthorst two weeks ago but has shown improvement in a few scrimmage sessions with Muenster High.

## New Law Requires Over Age Voters To Have Certificate

Just to be known and recognized as a citizen over 60 years of age no longer qualifies a person for a vote in Texas. Hereafter the over-age citizens in small communities must secure their poll tax exemptions, like those in cities of over 10,000 population.

The change in regulation, adopted during the last session of the legislature, was brought to the attention of county voters last week by Tax Assessor-Collector Rafe Piper.

In the future every qualified voter must have either a poll tax receipt or a poll tax exemption. Formerly exemption certificates were not required of the over-age voters in cities of less than 10,000 because it was assumed that they would be known to election judges and there was no need for them to take the trouble and expense of securing a certificate. Now, however, the over-age citizens must have certificates like any other voters.

Persons eligible for the over-age exemption in next year's voting are those who reached 60 years of age before Jan. 1, 1957. They must have been 60 for a full year or more.

Because of accommodation offered by the Muenster State Bank, the new regulation need not cause serious inconvenience. A person who prefers not to make a special trip to the court house can fill out an application at the bank and receive an exemption certificate in the mail a few days later.

Poll tax and exemption certificates are available now and must be secured before Feb. 1 to qualify a person as a voter next year.

## Juniors Cast for Comedy; Set Date

Casting is complete and the date is set for the Sacred Heart Junior class play. Sister Patricia is directing rehearsals.

The farce-comedy in three acts, "Let Me Out of Here," will go on the stage October 22.

The cast of characters consists of Sarah Fleitman, Ruthie Endres, Joaline Mollenkopf, Mary Catherine Walterscheid, Virgilla Schilling, Patrick Hess, Roy Swirczynski, David Haverkamp, Billy Joe Dangelmayr.

## WITH THE MEN IN SERVICE

### Move To Alabama

1st. Lieut. and Mrs. C. C. Blanton have written her parents, the Matt Mullers, that they are now at Fort Rucker, Ala., where he is attending a special school. They were formerly at San Marcos. The new address is: Officer Student Co. Box 19-B, Fort Rucker, Ala.

### Arrives On Leave

Meinrad Yosten who spent the past two years in Japan with the Marine Corps arrived Saturday to spend a 30-day leave with his family, the N. J. Yostens. He will be reassigned for duty in the states.

### Four Finish Basic

Harold Bindel, Virgil Henschel, Tommy Dankesreiter and Douglas Doughty arrived Saturday to spend their first leaves at home. They enlisted in the army as a buddy team and left on July 15, taking basic training at Fort Carson, Colo. On Oct. 4 they will report for new assignments. Harold will go to Fort Leonard Wood, Mo., Virgil and Tommy will continue training at Fort Devens, Mass., and Douglas will be assigned at Fort Belvoir, Va.

### Reaches Hawaii

Richard Hess has let his parents, Mr. and Mrs. Ed Hess, know that he arrived safely in Hawaii and is settled there for further duty with the Marine Corps. He mentioned that he enjoyed the eight-day sea voyage from the west coast. His complete address is: PFC Richard Hess, 1653407; E-2-4, 1st Marine Brigade F.M.F.; c-o Postmaster, San Francisco.

### Visit In Fairbanks

Mrs. Max Runelhart and Mrs. David Bright have written their parents, the John Fishers and the J. M. Weinzapfels, of a recent enjoyable visit they had together at the Brights' home in Fairbanks. The Runelharts are stationed at Kodiak, about 100 miles distant, and Mrs. Runelhart visited while her husband was on a flying mission overnight and the next day.

## Father Michael Elected New Abbot At Subiaco Abbey

The Rt. Rev. Michael Lensing, 42, is the new abbot of Subiaco Abbey in Subiaco, Ark. He became the monastery's fourth abbot and the spiritual head of 117 members of the abbey in an election there Monday. He succeeds the Rt. Rev. Paul M. Nahlen who died August 31.

A native of Scranton, Ark., Abbot Michael studied at Subiaco and was ordained to the priesthood in 1939. Since that time he was a professor of theological studies at the abbey, served as director of the seminary for about 12 years and conducted missions and retreats. A talented writer as well as a gifted speaker, he edited the Abbey Message and is currently writing a history of the abbey.

He is well known in Muenster, having conducted a Marian Mission here in March of this year and is recognized over a wide area in the Southwest as a missionary and retreat master.

Sacred Heart parish pastors, Rev. Louis Deuster, Rev. Christopher Paladino and Rev. Bruno Fuhrmann left Sunday for Subiaco to participate in the selection of the new abbot and returned Tuesday night.

## Muenster-Newcastle Game Here Friday Looks Like Toss-up

It looks like a toss-up as Newcastle and Muenster High square off Friday night for the first game in the history of the two schools. They will do battle on the Hornet field starting at 8.

After seeing the visitors take a 33-0 licking at Archer City last week Coach Boze Ansley admits that he does not know quite what to expect. If the same group shows up here he feels confident. However, he noticed one detail that has him worried.

The Newcastle squad list shows 19 but only 15 were in uniform at Archer City. How about that missing four? Will they be in uniform here, and, if so, will they add substantially to the team's strength?

A few other facts stood out. The team goes strong for passes and three of its players, an end, a tackle and the fullback are big and good.

In general, according to Ansley, the team does not seem to measure up to those which have been winners or contenders in their district for the past several years. Nevertheless the Hornets have complete respect for them and are getting set for a tough struggle.

Physically and mentally the Hornets are ready for this one. (Continued on Page 8)

## Rain Measures 1.13

While other areas of the state and parts of Oklahoma were being deluged in the weekend's widespread rain, this community got another moderate rain further improving the generally excellent condition of fields and pastures.

Feed prospects at this time are good in two respects. Grazing is plentiful and it promises to be plentiful all winter on nicely growing grain fields. Besides, many hay fields seem likely to produce another cutting.

The weekend's rain measured 1.13, according to Steve Moser's official weather bureau gauge. That brings the month's total to 4.15 and the year's total to 39.26.

## Over 200 Expected At Dairy Meeting

Some 200 to 250 dairy producers of Cooke County will be guests of the Muenster State Bank and the First State Bank of Gainesville at a special barbecue supper and program Thursday night, the 26th, in the public school lunch room.

The purpose of the meeting, which will be conducted by County Agent Neil Tibbets, is to increase the county's milk production through better breeding.

The meeting will start with the barbecue supper at 7:30. From 8:15 to 10 the program will consist of colored slides of a dairy cow's organs, studies of production charts and discussions on how to build up the quality of a herd.

Another feature of the meeting is the drawing for three door prizes, \$15, \$10, and \$5 in cash.

## Rev. Gajda Stricken At Mass Sunday; Recovers in Dallas

Father Anthony Gajda, 40, pastor of St. John's Church, Valley View, was reported Tuesday to be "much improved" from the stroke which left him partly paralyzed Sunday morning. He is a patient at St. Paul's Hospital, Dallas.

Father Gajda was stricken while celebrating 7 a.m. mass at the Valley View Church. Signs of his illness were first noticed during the sermon but he continued with the service, apparently expecting to improve. Shortly later, just after the offertory, he was stricken, then tried to complete his mass while two members of the parish assisted him. His strength failed, however, and he had to quit after the consecration.

He was taken to Gainesville Sanitarium and was transferred later to St. Paul's.

The unfinished mass was finished by Father E. J. Gerlich of Gainesville. He came to Valley View promptly after being notified of the stroke.

## State School Men To Study Booklet On Muenster School

The booklet on Muenster and its school system will be brought to the attention of school leaders from all over the state at a meeting of the Texas Association of School Boards early next month in Austin.

It will be presented and discussed in a Public Relations panel which includes Dr. C. A. Nichols, president of the Dallas County School Board.

Nichols, accompanied by L. A. Roberts, superintendent of Dallas County schools, was here Monday to discuss the brochure, "A Look at Your Public School," which was prepared by Superintendent Homsley three years ago.

Nichols will recommend the booklet as an effective method of promoting good public relations between a school and its community.

## NEWS OF SICK AND INJURED

Elaine Otto, daughter of Mr. and Mrs. Earle Otto, had her tonsils and adenoids removed at the Muenster Clinic Wednesday morning.

Kenny Schmitz, 6, son of Mr. and Mrs. Eugene Schmitz, was back in first grade classes at the parochial school Monday. He broke his right arm at the wrist Thursday afternoon when he fell at his home.

Léo Rohmer was dismissed from Gainesville Sanitarium Thursday and is recovering satisfactorily at his home from major surgery on Aug. 26.

Rainard Walterscheid had surgery by a bone specialist on his left hand last week in Farmington, N. M. He broke his arm and mangled his hand in an oil field accident there in July.

Bobby and Brenda, children of the Johnny Bartholds, and Jeffrey Dale, son of the James Hammers, are recovering from measles at their homes.

Victor Hartman was dismissed from St. Joseph's Hospital in Fort Worth Monday after undergoing minor skin surgery and is at home until Friday when he returns to the hospital for a checkup.

Mrs. J. F. Heath was admitted to Gainesville Sanitarium Friday as a surgical patient.

Mrs. M. D. Kaderli had dental surgery in Gainesville Tuesday.

Rose Ann Sicking, young daughter of Mr. and Mrs. Wilfred Sicking, was at Gainesville Sanitarium Tuesday for examination by a specialist. The parents are making arrangements for the little girl to enter Baylor Hospital for eye duct surgery some time in November.

Henry Streng, 71, continues as a patient at Gainesville where his condition is reported as well as can be expected following a stroke last week Thursday.

He was stricken while he attended the funeral mass for Kathy Hess. His left side is paralyzed. Mrs. Streng has been in constant attendance at her husband's bedside and other family members visit him regularly at the Sanitarium.

## Paris Banker Will Address Lions on Promoting Industry

A shot in the arm for this city's industrial program is on schedule for Thursday of next week when the Muenster Lions and their ladies and a group of visitors meet for dinner and a conference on industrial development.

The event is scheduled for the public school lunch room starting at 7:15 o'clock. Lions are asked to notify H. H. Homsley at least a day before so the cooks can be told how many to expect.

Topping the program is a talk entitled "Why on Industrial Team" by Robert McWhirter, president of the First National Bank of Paris. He has previously talked on this subject in industrial meetings at Sherman and A&M and is slated for a meeting at Plano soon. He will be introduced by Stan Shively of the TP&L community development department.

Another feature is a question and answer session conducted by C. W. Garrard, assistant vice president of the Fort Worth National Bank, on industrial development problems. Also on the program is Rex Jennings of the industrial development division of the Fort Worth chamber of commerce.

Each of the principals on the program is expected to bring along one or more guests from his city. Other visitors are expected from Gainesville.

The meeting was arranged by H. H. Homsley, chairman of the industrial committee of the Lions club.

## District Members Decline to Settle Eligibility Problem

The problem of eligibility in District 10-B is still unsettled after a meeting of member school representatives Wednesday night at Muenster High School.

After the meeting Superintendent Homsley said the group had decided that each school must be responsible for the eligibility of its athletes. The men declined to pass judgment on the eligibility of any player.

The problem derives from the entry of several boys in a 4-H rodeo last summer. According to Interscholastic League regulations a boy who wins a prize of value loses his eligibility to compete in high school athletics. Two Saint Jo players are reported to have won prizes, however it has also been claimed that the chapter rather than the individuals received the prizes.

Learning of the problem only a short time before last week's game Coach Bynum Smith kept them out of uniform, hoping to have a ruling before this week's game.

At Wednesday's meeting the 10-B representatives would neither clear the players nor rule them as ineligible. They decided instead to let each school use its own judgment and accept responsibility for its players.

## Local FFA Sheep Win at Bowie Fair

Muenster FFA entries took top honors at the sheep show of the Montague County Fair in Bowie during the past weekend. Six sheep entered by Billy Otto, Doug Hellman and Roger Fleitman copped five blue and five red ribbons.

Otto's two rams placed first and second in the Southdown division and also won as champ and reserve champ rams. Hellman's ewes were first and second in the Southdown division and were judged the champ and reserve champ ewes. Fleitman took the two top ribbons for Suffolk ewes.

## SCHEDULE OF COMING EVENTS

THURSDAY, Sept. 26, Dairymen's program, public school lunch room, 7:30.

FRIDAY, Sept. 27, Hornets vs Newcastle, here, 8 p.m.

SATURDAY, Sept. 28, Tigers vs St. Mark's, here, 8 p.m.

WEDNESDAY, Oct. 2, Get-Together Club meeting in the home of Mrs. C. M. Walterscheid, 2 p.m.

THURSDAY, Nov. 3, Lions meeting, public school lunch room, 7:15.

Mrs. William Bergman had as guests Tuesday her grandson and his wife, the John Bergmans and six-month-old daughter of San Antonio. They were enroute home after spending his army leave in California with their parents.

Mrs. Richard Wehman and daughter Cynthia are here to spend the week with her parents, the Ted Gremmings. Mrs. Gremminger and Mrs. Andy Monday drove to Fort Worth to meet their train upon arrival from Pleasanton.

### Local News BRIEFS

Weekend visitors with the J. A. Klement family were Joan Klement of Greenville, Jerry Klement of Texas A&M College and Dick Schleicher of Dallas.

Edna Swirczynski of Dallas visited her parents, Mr. and Mrs. Herman Swirczynski, Saturday. She has finished business school and is a stenographer for a mattress factory.

Harriet Otto of Dallas spent Saturday with her family, the Harry Ottos.

Sunday guests in the A. F. Griffin home were Mrs. Griffin's nephew and niece, Mr. and Mrs. James L. Gentry of Fort Worth, and Mrs. Kurz Williams and granddaughter, Stephanie Williams of Nocona. When the Gentrys returned home his mother Mrs. Myrtle Gentry accompanied them. She had spent two weeks with her sister, Mrs. Griffin, and Mrs. John Thompson.

Mr. and Mrs. Ed King and children left this week Thursday for Piqua, Kansas, to make their home on a farm after living here two and a half years. Enroute they will visit in Oklahoma City with relatives and attend the Fair.

Mr. and Mrs. Joe Luke had as guests Tuesday her cousin, Mrs. Eugene Michels and sons Rickey and Gene Allen of Munday.

Mrs. Dick Cain, accompanied by Mrs. Herman Richey and daughter Wanda of Gainesville, spent the weekend in San Angelo with their children, Mr. and Mrs. Wendell Richey.

Mr. and Mrs. Al Wiesman and Jimmy drove to Fort Worth for a weekend visit with their son-in-law and daughter, Mr. and Mrs. Edward Guthrie.

LuRose and Florence Henscheid of Fort Worth and Ted Henscheid of Dallas were weekend visitors with their parents, Mr. and Mrs. Henry Henscheid. Another guest was J. C. Darelec of Fort Worth. Ted recently went to work in Dallas. He is employed by an insurance company.

Lightning Sunday during the Houston storm knocked Leo Appel, 48, from his parked car. He was not injured. The husband of the former Lillian Fisher of this city had stopped at the hospital where his wife nurses. It was her time to go off duty. As she came to the car he opened the door for her and at that moment was thrown from the automobile. He was unconscious for a short time but received no other ill effects. Family members here heard the report over Sunday night's news cast and phoned Lillian for further details.

Visiting Thursday in the home of Mr. and Mrs. Ted Gremminger were her aunt and uncle the Henry Ostermanns, their daughter Mrs. Frank Wachsmann and her daughter Evelyn, all of Windthorst.

**IS FT. WORTH CUB MASTER**  
Ferd Yosten has been elected to serve as cub master for Pack 173 in Fort Worth and Stan Yosten was named his assistant. Both are formerly of Muenster. Saturday the cubs and their families and the leaders and their families went on an all day outing that took them to Longhorn Caverns at Burnett, Texas.

**BIRTHDAY CELEBRATION**  
Pat Hennigan Jr. had 16 of his classmates over at his home Wednesday after school to help him celebrate his birthday. He was 10 years old. Gifts for the honoree and games and refreshments for the group made it a jolly observance. Pat's mother was hostess. She directed the entertainment and served birthday cake, ice cream and candy.

### Initiation Admits 11 to FHA Chapter

Eleven girls were admitted as members of the MHS Future Homemakers of America chapter Friday night in an informal initiation followed by a slumber party in the home economics department at Muenster High.

After the initiation routine, there were games, discussions and story telling, then a midnight snack. In the morning the group had breakfast and returned to their homes at about 7 o'clock.

Mrs. H. H. Homsley, chapter adviser, and about 25 girls attended the event.

The new members are Mary Alice Dickerson, June Jones, Mary Lee Dennis, Virginia Vogel, Gerry Trubenbach, Judy Lutkenhaus, Joan Hess, Carol Fette, Jeanette Walterscheid, Mary Catherine Walterscheid and Carolyn Swirczynski.

### FHA Chapter Hears Talk on Fashions

Monday night's meeting of the MHS Future Homemakers of America chapter was highlighted by a talk on fall fashion presented by Mrs. Ray Evans. She spoke on what's style this fall in general and elaborated on fashions for school girls.

During the business session Kathy Pagel presided and called for committee reports.

After adjournment cookies and punch were served to 20 chapter girls and ten mothers of members.

### Jonann Galloway Has First Party

The Joe Galloways and daughter Jonann of Fort Worth spent Friday through Sunday here with Mrs. Galloway's parents, the John Fishers at whose home a birthday celebration honored Jonann Friday afternoon. It was her first party. She was one year old.

All her little cousins were guests, along with their mothers, and everyone enjoyed birthday cake and ice cream and had their pictures taken.

### The American Way

#### People's Victory?

Seven long years ago, the Dominion of Canada and Uncle Sam entered into an agreement whereby each country was permitted to develop more electric power at Niagara Falls. Canada immediately proceeded to develop her share and for quite some time, Canadians have been enjoying the use of it.

But what has happened in the U.S.A. during this seven-year period? A squabble developed as to whether Uncle Sam, the State of New York, or privately-owned utility companies should do the job. Just recently the job was

awarded to N. Y. State, which hopes to have it in operation by 1959.

This award was supposedly a triumph for Robert Moses who was largely instrumental in landing the project for N. Y. State — also a great victory for the people. But was it? Moses, unlike his namesake of Biblical fame, didn't lead the people of his State "out of the wilderness" — he has led them into a wilderness of increased taxation.

But here's the real rub. The five investor-owned New York utilities that jointly offered to do the job (at no cost to the taxpayers) estimated the construction cost would be \$385 million. Today, 7 years later, it is going to cost N. Y. State taxpayers \$600 million. Old man inflation has taken his toll. Yes, 'tis surely a great victory for the people.

## THE "UNDER GOD" CASE

By George Hamilton III, attorney, Washington, D. C.

Last spring's decision in the "under God" case is proof that the struggle for freedom never ends and that true liberty is still hard won.

ON JUNE 4, 1954, Congress added the phrase "under God" to our pledge of allegiance to the flag so that it now reads:

"I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one nation under God, indivisible, with liberty and justice for all."

HOUSE OF REPRESENTATIVES REPORT No. 1693 gave the reason for the addition: "At this moment of our history . . . our American Government and the American way of life are under attack by a system whose philosophy is at direct odds with our own."

The Commissioner of Education in New York then recommended that the state's public schools include the words "under God" in the pledge of allegiance. But in November, 1956, Joseph Lewis and Alfred Klein of New York brought a suit to have the words "under God" struck from the pledge.

THEY CLAIMED that the insertion of the phrase referring to God violated their constitutional rights — that free-thinkers, non-believers, and atheists could not be compelled

to recite such a pledge.

But on February 23, 1957, Justice Isadore Bookstein of the New York Supreme Court upheld the words "under God" in our pledge of allegiance. His opinion speaks well of our religious heritage.

"If I properly apprehend the intent, design and purpose of the First Amendment ('Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof. . .') it was conceived to prevent and prohibit the establishment of a State Religion; it was not intended to prevent or prohibit the growth and development of a Religious State."

"The Declaration of Independence refers to 'the Supreme Judge of the world,' and 'the protection of Divine Providence.' Lincoln, at Gettysburg, spoke of 'this nation, under God.' Even the preamble to the New York Constitution expresses gratitude 'to Almighty God for our Freedom.' Indeed, the presidential oath of office concludes, 'So Help Me, God.' By Act of Congress, our coins are inscribed, 'In God we trust.'"

Since 1776 we have been a nation "under God." Faith in God, the God of the Old and New Testament, and faith in freemen as His responsible creatures have inspired our heroes and history from the earliest days of the Nation. Our recognition that we are a nation "under God" is our only guarantee of true liberty and freedom.

### The Why Of Inflation

As all of us know only too well, inflation has cut the purchasing power of the consumer's dollar in half since 1938.

Savings accounts, government bonds, building and loan shares, life insurance proceeds and all other forms of savings have been shrinking in value year after year.

Labor unions' monopolistic control and high wage demands force prices up as unions demand and get, under threat of strikes, increases which are not warranted by gains in production.

Although the average worker produces one and one-half times as much as he did in 1938, he now gets paid three times as much for doing it — and John Q. Public has to pay higher prices for goods and services.

less drivers as "petty offenders." Is a child killed by a kidnapper leader than one lifeless under a speeding car? he asks. Is a person crippled by an automobile less pitiable than a person permanently maimed by the gun of a robber?

He also finds that much of juvenile disrespect for law can often be traced to the "miserable examples" of adult motorists who "beat the law" on the highways and boast about outwitting traffic officers.

In concluding an editorial quoting Mr. Hoover, the Portland, Oregon, Journal states a plain fact: "There will be no safety on the roads until motorists obey the laws willingly or are made to under sure and certain sentences to jail, if necessary. Fines and suspended sentences are a cruel hoax."

### Cruel Hoax

J. Edgar Hoover ranks highway killings with major crimes such as kidnapping and armed robbery, and is convinced there should be an end to listing speeders and careless and reckless

### Unusual Merit

A bill which is strongly supported by both parties in Congress, including the liberal and conservative wings of those parties, obviously has unusual merit. That was the case with a measure which was approved in the closing hours of the first session of the current Congress. Its purpose is to protect the files of the Federal Bureau of Investigation — a protection which J. Edgar Hoover and other authorities regard as absolutely vital if this Bureau is to continue to deal effectively with subversion and other grave crimes.

Need for such a bill was brought about by a Supreme Court decision and a subsequent series of decisions by lower federal courts. Under precedents thus established, the government could be forced to open all its files on demand of the defense. In the case of the FBI, this meant that its sources of information and methods of investigation would become known to all — to the vast benefit of criminals. It also meant that serious harm might be done to innocent people if the contents of its "raw" or unedited files, which naturally contain unproven rumors and charges, were made public.

The matter was a very delicate one. On the one hand, it was necessary to protect defendants from proceedings of a Star Chamber nature. On the other hand, it was necessary to save the FBI from potential disaster. The new bill is designed to attain both objectives. It states that defendants are entitled only to reports relevant to a witness' testimony. Then it authorizes trial judges to examine wanted reports, and to decide which parts should legitimately be given to the defense.

Here is a bill which is really in the public interest.

The man who knows when to keep still should be given a prize for having a fine command of language.

### Speed Gobbles Gas

Although city driving uses up gas like a sponge, highway driving is costly too, if you go too fast. At a steady speed of 40 mph your gas mileage will drop 10% from what you would get at 30 mph. At 60, it will drop approximately 30%; at 80, 50%. Naturally, you can't loaf along a super-highway at 30 mph. But consider this: You can save one gallon of gas out of every four by driving 50 mph instead of at 70. And you will be safer besides.

### "AGONIZING REAPPRAISALS" NEEDED

Writing in Newsweek, Henry Hazlitt says that "There is no economic problem whatever to stopping inflation." But, he goes on, to stop inflation ". . . would involve not only courage in the monetary field but an 'agonizing reappraisal of the labor policy of the last 25 years that neither the Republicans nor the Democrats, as a party, have the courage to make.'"

What has happened is that increases in the cost of labor — that is, in wages, fringe benefits, etc. — have far outrun increases in the productivity of labor. When that happens, business has no choice but to raise prices if it is to keep from going broke. And inflationary labor costs are the result of labor monopolies created by virtue of the unions' freedom from the anti-trust and other laws which apply to everyone else.

**2 Local Herds on  
High Producer List  
In DHIA in August**

The Cooke County Dairy Herd Improvement Association's report for August lists two Muenster herds among the seven high herds for the month. They are those of Jerry Hoenig and Paul Fisher in fifth and sixth place.

The summary shows that the Hoedebeck & Myers and the H. H. Moody herds divided top honors. The former was first in butterfat production with an average of 38 pounds and second in milk production with 960 pounds. The Moody cows were best in milk production with 1020 pounds and second for butterfat with 36 pounds.

The report shows that 742 cows in 24 herds were tested and that 61 produced over 50 pounds of butterfat during August. Average butterfat production was 28 pounds and average milk production was 631 pounds.

Totals for the Hoenig herd were 31 and 719 pounds and for the Fisher herd, 28 and 765 pounds.

The Texas DHIA has just released a list of 41 honor herds for the state. It includes association herds completing a year of test during 1956 with a herd average of 10,000 or more pounds of milk. Nine Cooke county herds, with two from Muenster are on the list. Paul Sicking's is in fifth place with 12,914 pounds, and Paul Fisher's, 41st with 10,044 pounds.

A similar list of honor herds for butterfat production averaging 400 pounds or more during 1956 shows the Paul Fisher herd in 21st place with 426 pounds.

**SOIL CONSERVATION  
DISTRICT NEWS**

Grass strips or waterways are often the necessary foundation for a terrace system on the sloping fields in the Muenster area. Unless terraces can be made to empty onto good pasture sod, a safe outlet in the form of a pasture strip must be provided to offer a safe place to empty terrace water. Grass waterways usually follow natural drainage ways through the field and serve not only as a place to safely dispose of terrace water but also as an excellent pasture or meadow strip.

Cooperators of the Upper Elm-Red Soil Conservation District who have planned waterways in their overall conservation plan need to mark off the boundaries of the waterways that will be planted next spring so the land can be properly prepared this fall and so that grain or other crops will not be planted on acres that will be planted to grass next spring. Local SCS personnel will assist in the layout of waterway boundaries.

**Cover Crops**

Ideal moisture conditions are making it possible to successfully plant winter legumes for soil protection and improvement and at the same time raise some high protein feed for winter and early spring grazing to cut down feed and hay bills. Hundreds of acres of alfalfa, vetch, button clover and winter peas are being planted in the Muenster-Saint Jo area. Many plantings of these soil building crops are up to a good stand and already are rolling out the green carpet for winter and spring rains.

**Terraces**

Cooperators of the Upper Elm-Red Soil Conservation District are working at every opportunity to finish their terraces before planting time.

Eugene Klement, Thomas Sicking, Wilfred Reiter and Werner

Becker are all using farm equipment to build their terraces. The extra moisture has caused a delay but most of the work can be finished quickly as soon as the fields are workable again.

**MARYSVILLE** — Mr. and Mrs. Joe Wyatt of Callisburg spent Friday night with his sister and husband Mr. and Mrs. John Richey. Sunday the Richeys and Mr. and Mrs. Bill Moon drove to Callisburg to spend the day with the Wyatts.

The Bill Roes of Westview visited her parents, Mr. and Mrs. W. F. Davidson Tuesday.

Mr. and Mrs. Clifford Olney and sons Richard and Roland and Mrs. Lois Gaunt of Dallas visited last Sunday with Mrs. Alys Graye and her brother Oliver Walker.

Mr. and Mrs. E. J. Doughty of Glen Rose were guests of Mr. and Mrs. B. G. Lyons Sunday afternoon after visiting in Gainesville at the bedside of her brother W. C. Erwin who is a patient at the sanitarium since Friday when he suffered injuries in a fall while loading his truck. He sustained a severe eye injury when his glasses broke.

Elton Ballinger and son Minor, visiting here from Los Angeles, Calif., and Mr. and Mrs. B. G. Lyons attended funeral services for S. B. Wright of Fort Worth in Gainesville Thursday afternoon.

**Bulcher Club Has Achievement Day**

Mrs. Gid Prather was hostess to the Bulcher Home Demonstration Club Thursday afternoon when members met to compile their annual reports for the year. This is called Achievement Day in each club.

Mrs. August Hyman presided and Mrs. Albert Fleitman read the creed. Women answered to roll call naming what they considered their greatest achievement of the year.

Mrs. Earnest Robison was appointed to get flowers to fill members. Games were enjoyed and Mrs. Paul Tracy was honored with a shower of birthday gifts.

Refreshments were served to seven members and one child.

**Silas B. Wright  
Former Marysville  
Resident Passes**

Funeral services for Silas Brown Wright, 73, former resident of Marysville, were held Thursday afternoon at George J. Carroll and Son chapel and burial was in Fairview cemetery. Rev. Baxton Bryant, Methodist minister of Gainesville, officiated.

Wright died the preceding Tuesday night in a Fort Worth hospital. He had been suffering from a heart condition.

He was born Nov. 9, 1883, and in addition to living at Marysville resided in Dallas, Fort Worth, Ohio and Wisconsin. He was an insurance adjuster. He retired in 1945 and returned to Texas, settling in Fort Worth. His wife, the former Agnes Cerena Thompson, died in 1921.

Survivors include two sisters, two brothers, an aunt, Mrs. Nellie Bracken of Gainesville and cousins, among them Mrs. B. G. Lyons of Marysville.

Mr. and Mrs. Raymond Davidson and daughter Margaret of Fort Worth spent the weekend at their ranch home here.

An expensive car stalled in the country and, try as he would, the owner couldn't make the motor run. In desperation he sent word to town for help. When the mechanic arrived, he looked under the hood, took a screw driver out of his kit, and tightened a little thingamajig. The engine started immediately, and when the owner asked about charges, the mechanic said, "Fifty dollars."

"That's robbery and I won't pay it," the owner cried, but in the end he did, insisting on an itemized statement.

"I'll be glad to itemize it," the mechanic responded. "It's this way: Tightening screw \$ .25 'Knowing how' \$49.75"

Test run from Los Angeles to New York by the three leading low-priced cars showed Chevrolet costs less to operate, with up to 17% greater fuel economy!

When fuel and operating costs for cars are officially checked from Los Angeles to New York, that's an economy comparison! And what happened?

In certified NATA\* findings, Chevy delivered up to 17% greater fuel economy, and lower total cost for the trip—proof that Chevrolet costs least to operate of the three leading low-priced cars that were tested! But that's not surprising. You expect Chevrolet engines to wring extra miles out of a gallon of gas—just as you expect finer craftsmanship in the way a Chevy is built. Cubs Get 6-0 Win Over St. Mary's Kids

The Sacred Heart Cubs got off to a nice start in their 1957 Parochial League schedule last Friday night by nosing out the St. Mary's Mustangs of Gainesville 6-0.

It was a heartbreaker for the visiting lads who led statistics-wise and matched the Cubs in scoring but saw a beautiful TD run nullified by a clipping penalty. Except for that break St. Mary's would have tied the game at least, and perhaps it would have won on the extra point.

The apparent score came on a beautiful 60 yard romp by Donald Wiesman. Again, just a short time later, Wiesman cut loose for 20 yards to the Muenster 15 only to see another clipping penalty called.

Sacred Heart's winning TD came in the second quarter ending a fast moving 39 yard push. Earl Hess ripped off 20 yards and followed a few plays later with a 9 yard dash to the goal.

St. Mary's led Sacred Heart in total gains with 5 first downs and 109 yards rushing as compared with the Cubs' 3 first downs and 64 yards.

Gainesville Juniors Lick Pee Wees 26-0

Muenster's public school juniors were simply overpowered and outclassed when they played the seventh and eighth graders of Gainesville Junior High here Tuesday night. The final count was 26-0.

The first half was not so bad. During that time local kids held the visitors to one touchdown and made some nice gains of their own. But the advantage of superior power became apparent in the second period as the Muenster kids showed signs of tiring. After that Muenster gains were less frequent and Gainesville's progress was better.

Standouts for the Juniors were Mullins, Hellman, Pagel, Flusche and Vogel.

Blessed Events

Richard Lynn, eight pound four ounce son of Mr. and Mrs. Herbert Fette, born at the Muenster Clinic at 3:35 p.m. Sept. 19, is welcomed by his brothers Herbert Jr. and Jeffrey, his sister Sandra, and his grandparents Messrs. and Mmes. Henry Fette and Albert Knabe Sr. Rev. Bruno Fuhrmann officiated at the baby's baptism Sunday morning in Sacred Heart church with Mrs. Angelina Shumaker and Jerry Reiter, aunt and cousin of the little boy, as sponsors.

Mrs. Mathilda Wimmer has received word of the arrival of her newest grandchild. The tiny girl, Jennifer Marie, is the daughter of Mr. and Mrs. Albert Elpers of Denver, Colo., where she was born Sept. 13 weighing four pounds 15 ounces. She is the couple's first child. Her mother is the former Dorothy Wimmer.

Rev. and Mrs. Billy Whitt of Decatur are rejoicing over the arrival of their son, Jeffrey Dale, weight seven pounds. He was born Sept. 19 at 8:05 a.m. and is the first grandchild of Mr. and Mrs. W. B. Whitt of Muenster and Mr. and Mrs. G. A. Huckabee of Stephenville.

Mr. and Mrs. Lee Wolf, route 1, Gainesville, are parents of a five pound ten ounce girl, their second daughter, born at the Sanitarium Sept. 21 at 12:34 p.m. The baby's grandparents are Messrs. and Mmes. Adam Wolf Sr. and Ed Heitzman of Gainesville.

FFA Boys Compete At Iowa Park Fair

Sheep raisers, land judges and grass judges of the Muenster FFA chapter will be at the Texas-Oklahoma Fair in Iowa Park during the coming weekend competing for honors in their respective events.

Chapter Adviser Glenn Hellman disclosed Wednesday that the chapter will enter 13 sheep including the six which took top honors at the Bowie fair last week. The sheep were raised by Billy Otto, Doug Hellman and Roger Fleitman.

Hellman has not decided who will make up the grass judging and land judging teams. Membership on each will be determined by special tests to be held this week.

The bob-whites usually have only one brood a year, but it may contain anywhere from six to eighteen or more youngsters which are hardly larger than big marbles.

### Confetti

did he rather enforce a decision that was no more valid than the amendment it is based on?

The way it looks in this column, the time has come for an agonizing reappraisal in Washington. Obviously an injustice is being done today. To admit that is to admit that the Supreme Court goofed terribly in 1954, and so did the gang of integrationists who presented the case before the great tribunal. It is to admit also that the President has been a sucker for the Court and for the integrators. All this could make some official faces mighty red, but that does not excuse them from the obligation of correcting the wrongs that have been done.

Any day we should hear an official admission that the so called Fourteenth Amendment and the Supreme Court decision of 1954 are void. Until we hear it we are haunted by the fact that a sacred tradition of our government is being violated.

In his statement to the nation Tuesday night President Eisenhower emphasized that we must have government by law, not government by men. If the Lawrence editorial is correct the President's statement is all wrong and we actually are having government by men.

### FFA Grass Judging Teams Win Third In Elm-Red Contest

Muenster FFA teams, under direction of Glenn Hellman took third place in both divisions of the annual grass judging contest held last Saturday morning at the Community Center Building under sponsorship of the Upper Elm-Red Soil Conservation District.

Besides sponsoring the contest and providing the prizes the district was host to all contestants for the noon meal. Prizes consisted of plaques for the winning schools and medals for the high scoring individuals.

Teams from Whitewright and Tioga monopolized honors in the contest. Tioga was first in the senior division with a score of 1480 out of a possible 1500 and Whitewright was a close second with 1478 points. In the junior division Whitewright led with 1276 out of 1500 and Tioga was second with 1203.

Muenster scores were 1277 in the senior division and 1117 in the junior division.

Other teams in the senior division and their scores were Gainesville FFA 1240, Whitesboro FFA 877 and Gainesville 4-H 773. Other teams of the junior division were Whitesboro FFA 818, Gainesville FFA 781 and Saint Jo FFA 688.

Individual honors also were monopolized by the Tioga and Whitewright boys. One Whitewright lad, Bill McDowell had a perfect score of 500 and the other two members scored 498 and 480. Tioga's boys scored 499, 498 and 483.

Individual scoring by Muenster's senior FFA was as follows: Kenny Klement 428, Donny Trubenbach 427, Billy Otto 422, Roger Fleitman 368. Junior scores were John Reiter 429, Billy Richter 357, Clyde Walterscheid 331, Billy Owens 285. Four boys are allowed on each team and the top three scores are added for the team total.
