Clothing Drive for World's Needy Gets Generous Response

A recommendation which is sure to be viewed with alarm by school kids of Texas is the one just voted by the State Board of Education. If the idea gets the okay of the Legislature it will extend the school year from nine to ten months.

Obviously the purpose is to impart a greater measure of learning and training in each school year with the end result that youngsters will finish their scholastic careers with a better education than they are receiving now.

There can be no denying that the idea is good in principle, but from the practical angle it presents a number of big problems.

First of all there's the question of whether teachers are willing. Many of them would be glad, of course, to receive a proportionately larger annual salary but many others welcome the three months vacation as much as their students. Among them also are quite a number who spend the extra months at working on higher degrees and would have to spend additional summers to finish their work.

Family vacations would present another problem. As it is now, they are normally scattered through three months but after the change most of them would have to be crowded into two months. Can vacation schedules in Texas industry be re-arranged to allow all vacations in so short a period? And if so, would the increased vacationing during the two months cause overcrowding of vacation spots and travelers' accommodations?

It is reported that opposition has already been expressed by operators of summer camps and resorts. They are thinking about increased operating costs and still turning away customers during the rush period... then the loss of one third of their profitable season.

And there are other problems along with the mixup of vacation schedules. Many parents are glad to have their children occupied for another month. But some want the youngsters to have summer jobs or help at home.

Legislators will have to weigh the pros and cons of lots of parents in deciding the proposal. But perhaps they will not even get that far. Their first problem is deciding whether the state can finance another month of school each year. According to current reports on the state's budget they have their answer before they even start deliberating.

It's encouraging to note, nevertheless, that serious thought is being given toward raising the student's level of learning. With this need recognized there is a chance that improvement of some kind will be coming. If the time cannot be extended perhaps something can be done about achieving more in the time we have.

A proposal along that line was offered in this column a few weeks ago. Why not limit all athletic schedules to one game a week? Why not have all extra curricular activities limited as much as possible to weekends, so as to interfere less with scholastic work? The State Board of Education could go far toward achieving its primary goal by recommending such policies for all schools of the state.

Not related to this problem but still on the subject of education is the current effort to establish a bigger and better junior college in this county. The need for such an institution and the means by which it can be supported were explained Tuesday night to the Muenster PTA by Dean J. H. Parker of Gainesville College.

He quoted statistics showing the enormous increase in college enrollment during recent years and the expected enormous increase during the next decade, also the growing need for more small junior colleges to offer opportunities which are now beyond the reach of many students.

Economy and availability are big factors to many students who wish to continue their studies after high school. To some it means two years of additional school work. To some others it provides a way to stretch finances so that college work can be completed in a senior college. In many other cases it means an opportunity to attend special courses at night school while the student continues at his regular day time job.

At this time Gainesville College is a part of the Gainesville College system. (Continued on Page 10)

Clothing drive for the Holy Father's storerooms, for the world's needy, began in high gear Tuesday in Muenster and the first day of the three-day streamlined campaign saw over 1100 pounds of clothes and 105 pounds of shoes ready to go.

Wednesday's business was just as good, according to Mrs. Victor Hartman, president of St. Anne's Society, the sponsoring group. Meanwhile arm loads and boxes of clothing kept arriving after working hours to spell another big day Thursday.

A large group of women volunteers on duty at the collection depot, the city hall, almost kept up with incoming contributions during the two days. And they expect to finish on schedule when the final day ends. Several women brought their husbands who put in many hours roping and wiring the cartons, attaching shipping labels and moving boxes to the Katy depot to be weighed.

Big D Group Joins Muenster Choir for Songfest Sunday

Folks who like singing — including old time German numbers — have a treat in store Sunday afternoon when the Frohsinn Choir of Dallas will be here for a songfest in the parish hall at 3 o'clock. No admission charge.

The Dallas group of 40 singers will be guests of the Sacred Heart men's choir and Leo Henschel will lead the Muenster men in a concert as an added feature on the program.

After the songfest, refreshments will be available. Everyone is invited to attend the free program which promises to be highly entertaining.

Community Crops Get Welcome Boost From 2.41 in. Rain

Nicely timed showers starting last Friday and lasting four days did wonders for crops of the Muenster community. Following six weeks of dry weather, they brought a total of 2.41 inches of urgently needed moisture.

More than half of the rain came Friday. Starting at 5 a.m. it measured .49 at 7 o'clock the official reading time, and another .91 fell the rest of the day. Two other readings were .83 on Sunday and .18 on Tuesday.

This rain brings the year's total measure to 31.09 inches. October's total was only .44 inch.

40-Point Quarter Features Hornets' Loss to Panthers

The jinx that Muenster has held over Saint Jo's football team for the past five years was broken in a spectacular way last Friday night when the Panthers won the annual grid classic 34-12.

In what was probably the most active single quarter in the history of District 12-B football, the home team took a comfortable lead of 28-12 then added another touchdown in the final period.

As a result the golden horseshoe, traditional prize of the Hornet-Panther game, becomes the property of Saint Jo for the next year. It will be presented by a representative of the Muenster team at Saint Jo's football banquet.

Actually the game was not as one sided as the score indicated. The old jinx was working as hard for Saint Jo as it ever had for Muenster, and the fat margin of victory was out of proportion to other statistics. The team tied at 11 each on first downs and Saint Jo led on gains from scrimmage but Muenster almost evened the total yardage by longer gains on kick returns. On fumbles and interceptions Saint Jo had the better record.

For the first quarter the game was a defensive contest with each team allowing the other short yardage and only two first downs. But the storm broke with the second play of the next period. James Harris, receiving a Panther kick on his 30, seemed (Continued on Page 10)

Holiday Tourney Dates Are Set for December 26, 27, 30

There will be a break in the Muenster Holiday Tournament this year, because Christmas falls on Thursday and does not leave three suitable and consecutive dates between the two holidays.

So, according to an announcement this week by Superintendent Homsley, the tournament will have its preliminaries and semifinals on Friday and Saturday, Dec. 26 and 27, and the finals Tuesday night, Dec. 30.

Invitations for the event were sent out this week to all of the teams that participated last year. So far no answers have been received indicating how many will accept the invitation.

Achievements of 4-H Members Seen At Annual Program

It was like a county fair. Muenster 4-H clubbers showing their accomplishments in their annual Achievement Day program Wednesday displayed a variety of projects that left visitors marveling at the talent and skill of the young exhibitors.

Almost every one of the more than 170 club members entered into the competition and almost all won ribbons. More than 150 blue, red and white ribbons designated winners in the several divisions of the show.

Parents and friends joined the youngsters in the parish hall for the evening program at 7:30 and stayed until late. After seeing the exhibits there was a short meeting, then refreshments and folk dancing.

One section of the show was devoted to educational exhibits featuring displays done in geography classes, biology, and science. Men stood three and four deep at the booth showing an electric rocket launcher and proud mothers gathered in groups around the baked goods and dressmaking departments.

Mrs. C. L. (Yvonne) Jenkins and Bo Wheeler of the County Extension Service, Father Christopher Paladino and the Benedictine Sisters were among those attending.

Judging was a morning event by four county home demonstration council women: Mmes. Ray Holley, Billy Witt, Roberts and Jack Elkins, taking over that duty for girls' entries. Mrs. Lon (Continued on Page 10)

Officials at Austin Disqualify Era for Bi-District Game

Era's Hornets will not be permitted to represent District 12-B in bi-district competition even though they have been certified champs of their loop.

State officials of the Interscholastic League at Austin ruled Wednesday that the team is disqualified because of the ineligibility of one of its players, Lawrence Noggler.

In a previous discussion of the eligibility problem here last Saturday coaches of the district decided in Era's favor, awarded the loop trophy and designated the team as the district representative in bi-district play.

Saint Jo originally filed the eligibility protest. When district coaches here settled it to their satisfaction the Valley View Warriors, champs of 11-B and due to meet Era in bi-district, filed their protest with the state authorities. Superintendents of Era, Saint Jo and Muenster went (Continued on Page 9)

Muenster Exes Lick Sanger 18-0; Next Game Here Sunday

By a score of 18-0 Muenster's All-Stars slipped past Sanger's Old-Indians Tuesday night in the first of a two game series in the two towns.

Muenster's turn for the show will come next Sunday afternoon at 2, when the two outfits tangle on the Hornet field. Admission charges will be 75 cents and 35 cents and the revenue will go to the Muenster High athletic fund.

On an average Sanger had an advantage of about 20 pounds in weight, but Muenster had the edge in speed and ran up the higher total yardage. Fumbles were frequent on both sides, partly because of the muddy field, partly because of lack of (Continued on Page 10)

Tickets Ready for Traffic Violators Says Buck Wilson

A crackdown on traffic violators of all kinds can be expected here immediately, according to a "final warning" issued Wednesday by Deputy Sheriff Buck Wilson.

This action, Wilson said, is the result of decisions made by the city council and Sheriff Whisnand after many complaints from the people in town. In the future he will quit giving warnings and give traffic tickets instead.

Principal traffic violations listed by the deputy are speeding and careless driving. These offenses constitute not only the greatest nuisance but also the greatest danger, and they will get special attention in the present. (Continued on Page 9)

WITH THE MEN IN SERVICE

Settled in Spain

Jimmy Doughty has reached his overseas station and is settled in Spain. This is the address he gave his parents, Mr. and Mrs. Joe Doughty: A-3C Jimmy D. Doughty; 3970th Inst. Sqdn.; P. O. Box 3839; A.P.O. 233, New York, N.Y.

Leave for California

Sgt. and Mrs. Joe Galloway and daughter Jonann left Tuesday for California where he has been assigned to Vandenberg AFB at Lompoc. They visited her parents, the John Fishers, for about two weeks. Enroute to his station the Galloways are stopping for visits with his mother in Hamlin, his brother in Floydada, and Mrs. Galloway's brother Butch Fisher and cousin Jim Fisher in Lubbock.

Settled in Boot Camp

Recent enlistee Jere Friske writes his parents, the Martin Friskes, that he's settled and busy in Navy boot camp at San Diego. Jere looks forward to seeing his sister Myrtle and family, the Glenn Catheys, soon. They live about 90 miles away, at Norwalk. Jere's address is: Jere John Friske, SR 5284663; Co. 612, U.S. R.N.T.C., San Diego 33, Calif.

Weekend Visitor

Joe Carroll McElreath, on a pass from Fort Chaffee, Ark., was a weekend visitor with his parents, the H. E. McElreaths at Sivells Bend. Visiting him there Saturday evening were the Grady McElreaths and Reagon McElreaths and family and their guests the Walter Haverkamps and children of Electra.

Monte Hellmans Move to Germany

Captain Monte Hellman of the Army Hospital staff at Neubrucken, Germany, is here from Monday to Friday making arrangements for the transfer of his wife and three children to their new home over there. The family leaves Carter Field Friday by commercial plane and will transfer to an army plane at New York. Their furnishings were shipped when Monte went over and are waiting for them in their home at Hoppstaden, about 5 miles from the hospital.

Captain Hellman made arrangements for the move last week after escorting a patient to New York. Orders for the move, which were in process, were speeded to avoid the necessity for an extra trip. A farewell party for the family is planned for Thursday night by his parents, the Rudy Hellmans.

Community Plans Traditional Events For Thanksgiving

Muenster will observe Thanksgiving on the traditional last Thursday and in the traditional manner — church service, dinner, picnic and dance, in that order.

A dozen committees have been busy for weeks lining up the social program and scores of workers have been drafted to take charge on Thanksgiving day. The event, sponsored by Sacred Heart parish, will be a new church fund benefit, held in the parish hall.

Morning church service will be a high mass. Thanksgiving dinner will feature roast turkey, dressing and all the accessories. Picnic attractions will be games, eats and drinks.

Rev. Martin Fischer Returns to Parish After Long Illness

Rev. Martin Fischer is back in Sacred Heart parish, returned to his duties as assistant pastor following a leave of absence since June 16 on account of illness and surgery.

He was in St. Joseph's Hospital, Fort Worth, until the end of September and finished a period of convalescence with his family at Scranton, Pa. He arrived here Saturday evening. In the 10 o'clock mass Sunday Father Martin expressed his appreciation and thanks for kindnesses while he was in the hospital and for prayers for his recovery.

During his absence Rev. Bonaventure Machler of Subiaco Abbey assisted with parish work. He will return to Arkansas the latter part of this week, or early next week.

Twenty Men Join Local KC Council In District Degree

Forty nine candidates were admitted into the Knight of Columbus last Sunday in district initiation ceremonies held in the Muenster council chamber. The group was named the Father Christopher Paladino class, honoring the Muenster chaplain and pastor.

Twenty of that number were from Muenster. They are Herbert, William, Carl, David, Lambert and Wilmer Walterscheid, Alfred (Johnny) Rohmer and Maurus Rohmer, Herbert and Tony Yosten, James Fette, Ed Sicking, Gene Hoedebeck, Wilfred Reiter, Richard Grewing, Alphonse Felderhoff, C. J. Hellman, Dan Haverkamp, Ed Schneider and Alvin Fuhrman.

The other twenty nine candidates were from the Gainesville, (Continued on Page 9)

Caughy Baby Dies In Puerto Rico; to Have Burial Here

Funeral plans for infant John Caughy Jr. were still incomplete Thursday morning but the grandparents, Mr. and Mrs. Harry Caughy, had a message through Red Cross, that they would be advised as soon as plans are made.

That was the first word regarding the burial of the week-old son of Airman and Mrs. John Caughy of Quebradillas, Puerto Rico, since the message Sunday telling of the death Saturday at 9:30 p.m. Mrs. Caughy is the former Anselma Kathman.

The paternal grandparents received the death message in Peoria, Ill., Sunday morning. That telegram stated that the baby had died and funeral would be in Texas.

The child's maternal grandmother, Mrs. John Kathman, is with her daughter in Puerto Rico. Other relatives here learned of the baby's death through the Harry Caughys when they phoned to inquire about the funeral. They came to Muenster Tuesday accompanied by her uncle and aunt, Mr. and Mrs. Carl Keil, also of Peoria, expecting the funeral to be held this week.

When no information from Puerto Rico had arrived by Tuesday the Caughys asked help from Red Cross in Gainesville, Wednesday evening they received the following message: Funeral plans incomplete for John Frederick Caughy Jr. Military attempting to obtain authority to send wife as escort. Will advise soon as plans are made.

The baby, born at Ramey AFB Nov. 7, died Nov. 15.

City Seeks Ideas For New Fire Truck

With ideas of buying a new fire truck in mind six Muenster men went places last week to study special features before deciding what equipment they will want. The city council has indicated that it is willing to ask soon for bids and desired specifications must be worked out before the bids can be given.

Those who went looking are Mayor Urban Endres, Alderman David Trachta, City Manager Steve Moser, Fire Chief Ed Schneider and Firemen Joe and Earl Fisher. They saw equipment at Gainesville, Whitesboro, Bells and Whitewright.

Storm Passes Over Most of Muenster, Lashes Small Area

The storm which hit Cooke County early last Monday confined most of its damage to a small area of the community, but it went on a real rampage there.

Three places in the same neighborhood northeast of town received practically all the damage reported to the Enterprise. Two power houses went down on the Phillips lease. At the J. R. Winstead home a section of roof was blown away and a door was torn open with the lock left engaged to the door frame. And near by on the same place an oil least tool house was demolished.

Another hard hit place was the Ed Hess farm occupied by Leo Hesse, where a barn and windmill were destroyed. A witness described the wind as tearing roof and sides off the building and then sucking hay bales into the air.

In the city the only reported loss was a plate glass window at the Endres Motor Company display room. A sudden drop in outside pressure apparently caused the trouble. The shattered glass afterward was found outside, not inside the building. Some 7 miles north of town, (Continued on Page 10)

Early Arrival of Muenster Stickers Expected by Lions

Handsome decals boosting Muenster will soon be showing prominently on many cars of the community. According to a report at the Lions Club meeting Tuesday by President Steve Moser, the stickers should arrive here about December 1, after which they will go on sale promptly.

The decal is made in four colors with the name Muenster printed boldly across its ten inch width. Also shown is an outline map of Texas with a star showing the city's location in the state and an arrow directing attention toward the star. Above the state map and to the two sides are pictures of a dairy cow, an oil well and the phrase "Dairy and oil center of North Texas." The decal is just less than 4-inches high so that it can be attached low in the rear window of a car without obstructing vision.

Senior classes of the two schools will be given the first opportunity to sell the decals, and profits made from the project will go into respective class treasuries. The selling price will be 50 cents, half of which goes to the youngsters.

Tigers End Season With 38-0 Decision Over Greenhill Hi

The Tigers of Sacred Heart High closed their 1958 football season last Thursday night with an easy 38-0 win over the Greenhill High Hornets of Dallas.

From the moment they first got hold of the ball the Tigers left no doubt about the way the game was going. Holding the visitors for a loss on the first series they took a kick and started from the Greenhill 45. Ten plays covered the distance, Bayer scoring from the 1 then passing to Haverkamp for extra points.

Moments later Walterscheid intercepted a Hornet pass and dashed 25 yards for a TD. A pass from Bayer to Walterscheid made the count 16-0.

Just after the second quarter opened Bayer got loose for a 24 yard scoring sprint ending a (Continued on Page 10)

Silver Anniversary Brings Surprises For Ervin Hamrics

They hadn't planned on celebrating. Silver anniversary for Mr. and Mrs. Ervin Hamric was just another day — until that night when surprises came their way.

Employees at the Charm Shop planned the observance and, without warning the honorees, invited themselves as guests when the Hamrics closed shop and started for home. Then came the first surprise. An anniversary dinner and a four-tier decorated cake was waiting along with husbands of Mmes. Ray Evans, Arthur Endres and Lawrence Wimmer. Mrs. Endres had leave from clerking duties to prepare the meal. Another surprise was a shower of gifts in keeping with the occasion.

Mrs. Hamric is the former Bertha Wieler. The couple married Nov. 18, 1933, in Shawnee, Okla., lived there a short time before moving to Illinois while he was employed with Halliburton, and returned to Muenster to stay in 1941. They are owners and managers of Hamric's Store for Men and Boys since Dec. 1953. They have two sons, Burt Hamric, employed in Dallas, and Dan Hamric a freshman at Oklahoma U.

Mr. and Mrs. Melton Vrla of Mesquite came to Muenster Friday to spend overnight with her mother, Mrs. Hilda Reiter, who joined them Saturday on a drive to Dorchester. From there Mrs. Reiter and Mrs. Vrla, accompanied by Mrs. George Vrla, went to Greenville to spend the weekend with the Jackie Reiters and daughter Melanie, while Melton joined a group of men on a deer hunting trip to Honeygrove.

Prescher Herd is Tops for October In DHIA Averages

Cooke County's top dairy herd in October, both in milk and butterfat averages, was the Peter Prescher herd, according to the monthly summary of the Dairy Herd Improvement Assn.

The summary also reports that the county as a whole placed third in the state in both divisions in September, holding that position alone in milk production, but sharing it with five other associations in the butterfat totals.

Winner in both division was the Randall County group.

The Prescher herd topped the local averages in October with 1,190 and 44-pound totals. The H. H. Moody herd took second place with 40 pounds in butterfat, and 1,030 pounds in milk production.

The Richard Frasher herd was third with 960 and 37-pound averages.

In the September summary, Moody had placed first, Paul Fisher second and Prescher third.

Randall County's average of 800 pounds of milk and 30 pounds of butterfat led the 24 DHIA groups which reported in September. The Cooke averages were 730 pounds and 27 pounds respectively, compared with statewide averages of 630 and 25.

Blessed Events

Mr. and Mrs. Joe Starke have a new grandchild, the baby son of Mr. and Mrs. Leonard Pfaff (LaVerna Starke) of Denver, Colo. He has been named Dale Robert and is a brother for David.

Mr. and Mrs. Sammy Hromcik of Fort Worth — she's the former Angeline Wimmer of Muenster — have announced the birth of a daughter, Jane Marie who joined the family Nov. 11. The five pound ten and a half ounce girls is a sister for Kenneth and Sharon and the granddaughter of Mrs. Mathilda Wimmer of Muenster.

NEWS OF SICK AND INJURED

Former Muensterite E. S. Lawson, now a Gainesville resident, is a patient in Bethania Hospital, Wichita Falls, since Monday for medical care. He's in Ward 329 and will enjoy hearing from friends.

Kenneth Yosten, 7, son of Mr. and Mrs. Werner Yosten, is recovering from a tonsil and adenoid operation performed at Gainesville Sanitarium Friday. He had to miss classes at Sacred Heart school this week but will be back in the second grade Monday.

Mrs. Joe Russell is recovering normally from a thyroidectomy performed at Gainesville Sanitarium. She was dismissed Saturday after being a patient four days and is a shut-in until Saturday when she returns for a check-up.

One year old Billy Krahl, a patient at Gainesville Sanitarium four days for treatment of a respiratory infection, was dismissed Wednesday to continue recovery at home. He is the son of Mr. and Mrs. Eddie Krahl who divided their time at his hospital bedside.

Mrs. Eva Gottlob is quite ill at the home of her son Leonard Gottlob in Azle since a sick spell sent her to bed about two weeks ago. Visiting her Tuesday night were Mr. and Mrs. Matt Muller, Arnie and Jeanette Muller and Mrs. Chuck Blanton. They said Mrs. Gottlob would enjoy hearing from her friends while she is a shut-in. Address cards to her at Azle, Texas.

Phone call from Alfred Kuhn of Lubbock reports that his wife Marianne is recovering normally from an operation performed in Lubbock Sunday. Her parents, Mr. and Mrs. Ben Luke, plan to visit her this weekend.

Jimmy Lawson is out of classes in the first grade parochial school this week on account of asthmatic bronchitis and an ear infection. He's the son of Mr. and Mrs. Leo Lawson.

Relatives report that Mrs. Pete Koelzer of Madill, Okla., is recovering satisfactorily from an operation performed Friday in an Ardmore hospital. Among bedside visitors during the week were her children Mrs. Arnold Knabe, Mrs. Joe Hermes and Mr. and Mrs. Victor Koelzer.

Mrs. Andy Monday spent four days of the past week in Nocona Clinic for X-rays, tests and observation.

Dale Walterscheid, three-year-old son of Mr. and Mrs. Hank Walterscheid, is doing fine at home convalescing from bronchial pneumonia that kept him hospitalized at Gainesville for about a week. He's up and around and wants everyone to know how much he enjoyed the get-well cards while he was in the hospital.

Bernard Gieb of Lindsay is recovering normally from a concussion received in a fall last Wednesday. He struck his head on concrete and was unconscious until Friday evening. Doctors said he could leave Gainesville Sanitarium this weekend but will have to take it easy and not return to his job for about five weeks. Greeting cards will cheer him.

Cyril Yosten, 12, son of Mr. and Mrs. Felix Yosten, was dismissed from Gainesville Sanitarium Monday following three days of treatment, X-rays and

observation and returned to school Wednesday after a week's absence. A bruised nose in the Cubs football game Nov. 9 caused bleeding, headache and dizziness that cleared up after treatment.

Linda Lee Dickerson, 15, daughter of former Muensterites Mr. and Mrs. C. L. Dickerson now of Morris, Okla., is still unconscious as the result of a skull fracture received in a car accident Oct. 31. She is a patient at St. John's Hospital, Tulsa, Okla., Room 281. Mrs. A. T. Dickerson went to see her niece Sunday and spent a few days with the family. Doctors say that Linda Lee is healing and they think her general condition is good.

PTA Members Hear Expansion Plan of Gainesville College

Needs and means of expanding Gainesville's junior college into a county institution were explained to Muenster PTA members Tuesday night by J. H. Parker, dean of the institution.

He explained that in our present highly technical world the equivalent of a junior college education is as badly needed as the high school education was a decade ago. But there are factors which deprive many a deserving student of the opportunity to continue in school.

To students of Cooke County the most important factors are cost and accessibility. Students here can attend junior college while living at home and for about a third of the cost of attending a senior college. These factors determine in many cases whether the student gets a year or two of specialized college work, and sometimes whether he can save enough money to finish in a senior college.

Gainesville College, the speaker continued, is now operating as a unit of the Gainesville school district but present plans are to extend its scope to a county college. This is the method recommended by educational leaders of the state and the one which is followed by practically all public junior colleges in Texas.

Regarding costs, he pointed out that the average student's total expense is about \$500 a year. The state provides \$230 of this and the student's tuition pays another \$100, leaving about \$170 for the local district to provide. On the basis of about 200 enrollment the county's share could be supported out of a tax of about 15 cents. Assuming more enrollment and activities requiring more building, the tax might go as high as 25 cents.

A new college building, ground breaking for which will take place next Monday morning, is being financed by the Gainesville school district. If the school should become county wide, the new facilities would be leased over a long period with the agreement that they become the institution's property when final payments are made.

Dean Parker said that educational and civic leaders of Gainesville, aided by state school men, are proceeding to change the college from a city to a county school. When all the preliminary work is in order voters of the county will have an opportunity to approve or reject the proposal.

Mrs. Carl Pelzel and children of Ennis visited Sunday with her parents, the Joe Hoenigs, while Carl attended the Knights of Columbus program.

Make the Christmas Seal Sale great in 58.

GOVERNOR PROCLAIMS CHRISTMAS SEAL DAYS — Governor Price Daniel proclaimed Christmas Seal Days from November 14 to December 24 as he viewed Designer Alfred Guerra's original drawing for the 1958 seals. Mr. Guerra, a former San Antonian who now lives in New York, submitted the winning design for the seals in nation-wide competition. In the proclamation, Governor Daniel said, "Throughout most of the world tuberculosis remains as mankind's chief fatal disease. Modern drugs, medical science and better living conditions have lowered the once terrible death rate of tuberculosis in Texas, but new cases continue to be found each year. In our country today an American dies of tuberculosis every forty minutes and each six minutes another person becomes ill with this disease. The Christmas Seal Sale is the one annual appeal of the Texas Tuberculosis Association and its affiliated county associations for funds to make possible year-round work for the prevention and control of tuberculosis. Therefore I . . . urge all citizens to buy and use Christmas Seals . . ."

Patrol leaders for Boy Scout Troop 864 have been named and patrols have been organized. Heading the list is Johnny Yosten as senior patrol leader.

Leading Patrol One is Jerry Mosman. Wayne Trachta is assistant. Jerry Taylor is No. 2 Patrol leader with Dale Bayer assistant. Charles Sicking leads patrol No. 3 and Rickey Endres is assistant. Tommy Mosman is the troop's scribe.

In this week's meeting Monday night in the KC Hall several boys progressed on tests they are taking in their work to advance to first class Scouts and another group worked on initial tests for second class ratings. One new tenderfoot, Ray Wimmer, was welcomed.

At meetings with Scoutmaster Nick Miller and Assistant Maurice Pagel are members of the Scout Committee. They are Joe Sicking, co-ordinator, and Ray Wilde, Pat Hennigan, Paul Endres, John Mosman and Frank Felderhoff.

Werner Endres and Bill Becker of Muenster and Pete Block and Jake Bezner of Lindsay were in Temple last week attending a convention of Mutual Fire Insurance companies.

**Joe Luke Home is
 Get-Together Scene**

The home of Mr. and Mrs. Joe Luke was the meeting place for members of the Luke family while Mr. and Mrs. Carl Luke of Hereford stopped over here for a visit enroute to the Gulf coast on a fishing trip.

Twelve of the Luke clan including Mr. and Mrs. Martin Friske of Lindsay were together Thursday for visiting, card games and refreshments and the Hereford couple were overnight guests in the Joe Luke home. They also stopped for pop calls with members of her family, the Hartmans, while they were here, and left for South Texas Friday morning.

**Tuesday Club Plans
 Christmas Social**

Plans for their Christmas social next month were discussed and arranged by members of the Tuesday Nites Club at their November meeting. Regular meeting date, second Tuesday of December, will be Yule party night and Mrs. Melton Ramsey will be hostess in her home. Members drew names for a gift exchange.

For the social Tuesday the group played table games and had refreshments. Mrs. Jack Tuggle entertained in her home and served a dessert plate. Mrs. Ed Schneider drew the door prize.

Present were Mmes. Charles Davidson, Leonard Owen, Melton Ramsey, Ed Schneider, Bill Lindsay, Bill Hunt, Jim Grooms, Oscar Miller, R. L. Kreaeps, and Donald Endres. Brenda Tuggle helped her mother with hostess duties.

**43 VFW Auxiliary
 Members Get Pins**

When long-term members of the Muenster VFW Auxiliary were recognized and presented pins recently, 19 received ten-year pins and 24 received five-year pins.

Receiving ten-year pins were Mmes. Pat Hennigan, John Huchton, Steve Moster, Richard Swirczynski, Francis Wiese, F. A. Kathman, Joe Hess, M. H. King, Ferd Luttmmer, Maurice Pagel, J. M. Weinzapfel, Ray Wilde, Dick and David Trachta, J. C. Trachta, Ray Swirczynski, Hank Walterscheid, Ben Luke and Catherine Herr.

Five-year membership pins went to Mmes Wilfred Bindel, Dick Cain, A. T. Dickerson, Arthur Endres, Leo J. Haverkamp, Alois Haverkamp, Clarence Hellman, Arnie Hess, Frank Felderhoff, Richard Grewing, Bobby Lutkenhaus, Otto Walterscheid, Norbert and Tony Koesler, Frank Schilling, Paul Sicking, Ed Sicking, Al Walter, Arnie Wimmer, Eva Kemp, Elizabeth Nott, Ruth Needham, and Carrie Roberg and Dorothy Hartman.

**Relatives Attend
 Infant's Funeral**

Mr. and Mrs. Al Schmitt and her father Ben Otto and brother Jim Otto of Gainesville were in Graham Friday morning for the funeral of their infant nephew and grandson, Dennis Carl Otto, son of Mr. and Mrs. Charles Otto. The baby was born Tuesday at Graham and died Wednesday in a Wichita Falls hospital. He was the couple's first child.

Last rites were held in Immaculate Conception Church with the pastor officiating and burial was in the parish cemetery.

Mrs. Charles Otto is the former Birdie Matthews of Gainesville, daughter of Mr. and Mrs. Cecil Matthews of that city and they and their family also attended the baby's funeral.

Mr. and Mrs. J. S. Hogan of Burleson, accompanied by her sister Mrs. Harrison Hunter of Lawton, Okla., who is their guest, visited Monday and Monday overnight with the Hogans' daughter and family, the Dick Cains.

**Two Former Pastors
 Exchange Parishes**

Two former pastors of Sacred Heart Church have exchanged parishes. Rev. Anthony Schroeder is transferred from Fort Smith, Ark., to Rhineland, Texas, and Rev. John Walbe goes from Rhineland to Fort Smith.

During the three years Father John was at Rhineland a new parochial school and Sisters' home was built. Members of St. Joseph's parish honored him at a farewell gathering in the K of C hall. The transfer brings Father Anthony nearer home. He's a native of Windthorst.

LOOKING AHEAD

by Dr. George S. Benson
 DIRECTOR — NATIONAL EDUCATION PROGRAM
 Severy, Arkansas

THE COMMUNIST ADVANCE

One of the four greatest dangers to the life and liberty of every American citizen, in the opinion of Senator John L. McClellan, is the continuing advance of world Communism and the failure of the United States government to adequately deal with this monstrous force. Senator McClellan is one of the hardest working men in Congress and one of the most respected, in and out of Congress. He frankly says that both the Truman and the Eisenhower foreign policies have failed to cope with the constantly growing Communist menace.

Senator McClellan says that if present trends in our nation continue — together with the apathy of our citizenry — America will go down the road to terrible

tragedy. "The facts show," he says, "that Communism is winning the battle for the world." How many American citizens — how many readers of this column — realize that this is true, that the world is being gobbled up by a frightful fraternity of brutality which denies God and uses mass murder and human slavery to strengthen its dictatorship?

Full Picture Needed

The facts are all about us. Some of us have been focusing attention on them for years. Piecemeal they appear in the newspapers, on radio and TV. Seldom do we see them collected into a full picture of what's happening in the world. Shortly after Senator McClellan spoke out in warning to the American people, the United States News & World Report published an article entitled "Today's War — How the Reds are Operating in 72 Countries." The first paragraph says: "Today's war, as the Communists wage it, still is World War III, Communist style. And, in much of the world, the Communist forces are out ahead, making progress, winning battles."

Yet our foreign policy for the 13 years since the end of World War II has been spoken out of both sides of the mouth, has been working both sides of the street. Our governmental leaders have been wining and dining and toasting with Stalin and Khrushchev, constantly seeking truces, cease-fires, "understandings," and agreements with them, while telling the American people the Reds are international crooks bent on our destruction and that \$40 billion a year in tax money is needed to arm against them.

Reds Making Progress

The U. S. News & World Report article reports briefly on Communist activities in each of the 72 countries — how they are gaining outright political power, controlling labor unions, infiltrating schools and colleges and particularly the thought-shaping agencies such as newspapers, radio, television. In America, their cunning and effective propaganda apparatus has been concentrating in recent days on trying again to undermine Nationalist China and persuade the American people we should not concern ourselves with helping hold Quemoy and Matsu.

The magazine article reports: "EUROPE: Communists are waging war on the U. S., in Western Europe, by every means short of shooting. On Moscow's orders, local Reds are moving swiftly

Socialism -- Sneaky Style

into readymade crises, encouraging Algerian terrorists in France, unemployed workers in Italy, fisherman in Iceland, disgruntled minorities everywhere. Reds are strong in labor movements in many countries, and are strong in politics too.

Winning Battles

"SOUTH ASIA: Soviet Reds and Chinese Reds are fighting hard together for South Asia, using all means, including guerrilla wars in jungles. Local Communist parties control a major state in India, are powerful supporters of Indonesia's government. Soviet agents woo Afghanistan with loans and aid; Chinese Reds help local Communists to infiltrate Thailand, Burma, Laos, and Cambodia. Everywhere Reds encourage 'hate the U. S.' campaigns."

The article goes on to show the advances made by the Reds in Africa, Latin America, the Far East and the Middle East. When you have run down the list of these 72 countries and absorbed the shocking facts of Communist advances everywhere, you can understand Senator McClellan's grave concern for the survival of our nation. What can a citizen do? We can urge upon our representatives in government from the president down, the outlawing of Communists in our country, the re-

call of our recognition of Communist Russia, the gearing of our government to a state of war, and the establishment of a foreign policy founded upon morality and activated with the same moral courage that brought our great nation into being.

SLIPPING TOWARD SOCIALISM

Have you taken inventory lately of how far our American free enterprise system has taken on socialist characteristics?

We have the progressive income tax first proposed by the Marxists, but we have made it more radical than they could have imagined possible.

We have a great number of government manufacturing operations producing goods in competition with private firms.

The Federal Government is the largest land owner in the country, and the largest employer.

We have Federally owned and Federally financed utility systems.

We may not have collectivized our farms, but we have Government management of farm production, of farm acreage, of farm prices and of some kinds of farm labor.

We have Federally financed and subsidized housing.

We have various social welfare programs which tax Peter

GOD LIVES IN HOLLYWOOD

by LORETTA YOUNG, Star of THE LORETTA YOUNG SHOW NBC-TV

AN ACTOR lives in two separate worlds: the real world inhabited by all the children of God; the make-believe world inhabited by the fictional characters he portrays. In both of them he has grave responsibilities. In the real world the actor shares all the moral responsibilities of his fellow men. In his make-believe world by which a vast number of people are profoundly influenced, he must assume additional responsibilities of not influencing for evil.

We who have been blessed by Almighty God with a talent for acting have the obligation to do all in our power to use our God-given talent wisely and for the greater good.

UNFORTUNATELY, there exists an impression that in Hollywood there is a glamorous, gay, romantic, undisciplined, reckless way of life which ignores the controls of normal standards of conduct and responsibilities. Only continuous attention to our responsibilities can build an accurate impression.

The thoughtful, conscientious actor is aware of this fact, and it imposes an inescapable, serious obligation. We must do our utmost to see to it that the stories in which we appear are morally sound. We must refuse to have any part in films which would set a harmful example for the people who view them.

The late Richard Dana Skinner, drama critic for the COMMON-

WEAL, said in his book, *OUR CHANGING THEATRE*: "The theatre is always astonishing... it belongs neither to the temple nor to the market-place. It is too commercial for one and not practical enough for the other. It falls to pieces if you try to make a pulpit of it, yet you cannot turn it into a business without smashing the very power of illusion it lives by."

WHAT HE SAYS of the theatre equally embraces the actor's role in it, and whether he wishes it or not the actor has a part to play in helping to bring America to her proper fullness under God. We cannot become so idealistic as to ignore reality, nor so practical as to destroy the fragile loveliness of illusion and dreams. For we must always remember, the actor's first job is to entertain.

Because we are so personally a part of our industry's product, our profession places us as individuals in a personal spotlight which artists of no other profession need face.

Please pray for us!

PRAY not only that our work may bring joy, pleasure and inspiration, but that we may have: sensitivity — to recognize pitfalls; resourcefulness — to avoid them; discipline — to accept our obligations; humility — to withstand the temptations of adulation.

Yes, pray for us — that the gracious gifts bestowed upon us by Almighty God may be used to serve His holy purpose; that we continually seek to know His will and, as His obedient servants, play our part in enlarging the understanding between people and nations.

Ring Party Fetes MHS Senior Class

Arrival of class rings for Muenster High seniors brought a ring party Sunday afternoon with Mrs. H. H. Homsley entertaining in her home from 4:30 to 5:30. There are 13 candidates for graduation. Superintendent H. H. Homsley presided for the ring presentation and flash pictures were made.

Mrs. Homsley, class sponsor, served cake and hot chocolate at a table festive with the Thanksgiving theme. Centerpiece was a turkey surrounded by fruit, berries and autumn foliage.

Receiving rings were Judy Cain, Margie Flusche, Kathy Pagel, Verta Lee Bridges, Pat Otto, Becky Mosman, Walter Fette, Billy Otto, Jim Myrick, James Walterscheid, Kenny Klement, Ronnie Cannon and Gilbert Knabe.

Discussion Clubs Formed for Study In Advent Season

Forty-five discussion club groups have been organized in Sacred Heart parish for study during the season of Advent.

Confraternity of Christian Doctrine in arranging the groups throughout the city and rural area placed from ten to twenty neighbors together for convenience in attending meeting.

Suggested meeting night is Thursday and suggested time is from 8 to 9 o'clock. Individual groups may change the day and time if more convenient to members. Four meetings are requested, one during each week of Advent.

Old Fashioned Way To Rear Teen-Agers

PHOENIX, Ariz. — Deputies arrested a 6-1, 180-pound teenager for creating a disturbance at a drive-in restaurant and summoned his mother.

The mother came to the station, heard the report and borrowed a belt from a deputy. She then made her son lower his pants — as deputies watched — and then lowered the boom with the belt. Deputies marked the case closed.

Must Be Inflation!

ST. LOUIS — A lot of people were suspicious even though the opportunity to buy 25 two-dollar bills for \$95 struck them as a bargain.

Gary Stigall, in charge of the Secret Service office here, said he received several telephone calls last week from prospective purchasers.

The packages of two-dollar bills were marked "surplus."

Stigall said his agents were unable to find where a federal law had been violated. The agents decided it was a practical joke and advised the callers to practice multiplying 25 by two.

Postmaster Urges Planning Now for Card, Gift Mailing

Postmaster Arthur Endres said today, "Christmas may seem quite a way off, but nevertheless, we're starting our annual 'Mail Early For Christmas' Campaign immediately, because there's every indication that the 1958 Christmas season will set an all time mailing record."

The Postmaster said further that right now is the time to plan your Christmas card and gift mailings. The first thing to do is to check your Christmas card list very carefully — make sure that each address particularly on mail to larger cities includes full name, street and number, city, zone and state.

He went on to say that by a little advance planning, a lot of headaches can be avoided when the Christmas rush is on. The Postmaster suggests that you stock up now on heavy wrapping paper, sturdy corrugated cartons, strong cord, and paper adhesive tape, for use in securely packing and wrapping your Christmas gifts. Remember, also, that you can include your Christmas card or letter inside your gift package if you'll just add the appropriate First Class mail stamps to the postage for the package itself.

Be sure to use only First Class four cent, or seven cent Air Mail postage on your Christmas cards. All cards sent by First Class mail may include a personal handwritten message, whereas a signature only is authorized on cards that are mailed at the three cent, Third Class rate.

The Postmaster says it's especially important to include your return address on every Christmas card envelope. Besides being socially correct, this is a big help to both you and your friends in keeping your mailing lists up-to-date.

Speaking further, the Postmaster said, "With over 170,000,000 people in the U.S.A. today, that means more Christmas mail than ever before and that's why the Post Office needs your help in planning your Christmas mailings well in advance."

Christmas cards and gifts for most distant points should be mailed first preferably well before December 10th, and those for nearby points should be mailed by December 15th, or at least a week before Christmas.

Nineteen in Foreign Service Get Gifts From VFW Auxiliary

At least 19 overseas service men — Muenster's present number in the armed forces outside the United States — will be remembered with a Christmas gift from the VFW Auxiliary to Post 6205. This custom of sending holiday cheer was inaugurated during World War II and has continued each year.

Young men who went overseas from the west coast are Paul Hesse, Donald Reiter, Rodney Walter, Alfred Walter, Richard Hess, Don Flusche and David Endres. They're scattered through Hawaii, Formosa, the Philippines, China, Japan, Guam.

Jimmy Doughty is in Spain, Chuck Blanton is in Korea and John Ladd is in England.

Nine are in Germany including Muenster's only girl in uniform, Army Nurse Jane Hoehn. Soldiers stationed there are Harold Bindel, Jack Janicki, Wilfred Koelzer, Tommy Dankesreiter, Monte Hellman, Douglas Doughty, Virgil Henscheid and James Hess.

Edna Swirczynski And William Smith United in Dallas

Saint Monica's Church in Dallas was the scene of the Saturday night wedding of Edna Swirczynski and William Smith of Carrollton. Rev. Hubert Neu performed the nuptial ceremony at 7 p.m.

The bride is the daughter of Mr. and Mrs. Herman Swirczynski of Muenster and the groom is the son of Mrs. Etta Mae Smith of Carrollton and the late Dell Smith.

An uncle of the groom, J. G. Jenkins, and Mrs. Georgie Ann Johnson presented the wedding music.

Edna was given in marriage by her father. She wore a floor length dress of Chantilly lace, tulle and taffeta with a bouffant skirt of triple tiers of tulle and an overskirt of tulle edged in lace. A pearl tiara held her fingertip veil and she carried a white orchid surrounded by white chrysanthemums and showered with satin streamers.

Carolyn Swirczynski, bride's cousin, was maid of honor wearing an autumn green ballerina length dress. Her flowers were an arm bouquet of gold mums. Mrs. Dell Montgomery, cousin of the groom, was bride's matron in a bronze-gold dress. She also carried gold mums. David Nobles of Lewisville was best man for his cousin and Dell Montgomery was groomsman.

More than 150 relatives and friends attended the ceremony and a reception which followed.

After a wedding trip the couple will live in Carrollton at 1500 Denton Drive. Both are employed in Carrollton. Edna was graduated from Muenster High and a Dallas business college. Her husband is a graduate of Carrollton High and a veteran of the Korean war. For traveling Mrs. Smith wore a gray suit with accessories to match and the orchid from her wedding bouquet.

Among relatives at the wedding were Mr. and Mrs. Herman Swirczynski and their family, Mr. and Mrs. Ray Swirczynski and Carolyn, Mr. and Mrs. Tony Walterscheid and Mr. and Mrs. Richard Swirczynski, all of Muenster, the Ed Swirczynskis of Fort Worth, the George Swirczynskis of Garland, Mrs. Al Swirczynski and Mr. and Mrs. Virgil Doty of Mesquite, and Brother Gerald Swirczynski of San Antonio.

2 Share Honors at Birthday Reunion

H. H. Homsley and his namesake grandson shared honors Sunday at a birthday celebration in the Homsley home. Mrs. Homsley entertained with a dinner party for her husband and their grandchild, Howard Wayne Fincher of Fort Worth. It was the little boy's second birthday. There was a shower of gifts for both honorees and decorated birthday cakes.

Guests were Mr. Homsley's parents, Mr. and Mrs. B. T. Homsley of Poolville who spent three days here, Mr. and Mrs. Wayne Fincher and Mr. and Mrs. Glenn McCann and Jeanette, all of Fort Worth and Mrs. Willie Walterscheid and son Terry. Willie missed the celebration on account of being with the Knights of Columbus at their program but had a visit with the family before the out of town guests returned home.

It is better to remain silent and thought a fool, than to speak and remove all doubt.

4-H'ers to Parade Again During Chicago Congress

The 4-H parade pictured above is one of the exciting demonstrations that will be repeated in the amphitheater of the International Livestock Exposition during the 37th National 4-H Club Congress in Chicago. Thanksgiving weekend will usher in 1,300 champion 4-H Club members, several hundred state and national 4-H officials and many friends of 4-H who help to make the annual Congress possible. They arrive by train and plane from every state in the nation, and will be joined by delegates from Alaska, Hawaii, Puerto Rico, Canada and other foreign countries as well.

The Congress opens officially on Sunday morning Nov. 30, at the Conrad Hilton hotel and closes with a banquet for about 2,000 on Thursday night Dec. 4, when more than 200 national 4-H champions will be saluted.

This unique delegation of 1958 national, sectional, and state 4-H winners represent the best of 2,200,000 Club members.

By diligent and successful application of 4-H principals and techniques to project work these ambitious boys and girls have climaxed their 4-H career by attaining state honors. They have participated in one or more of some 50 different 4-H award programs conducted by the Cooperative Extension Service and ar-

ranged by the National Committee on Boys and Girls Club Work.

Among the wide range of projects and activities carried on in nearly 91,000 clubs are field crops, clothing, poultry, achievement, entomology, health, safety, leadership, foods, soil and water conservation, swine, and tractor. To be eligible for a state or national award, the 4-H'er must be over 14 years, and must have completed three years of club work.

Awards include \$400 college scholarships and all-expense trips to the National Club Congress. They are provided each year by half a hundred business firms, educational foundations

and private citizens. Some of these 4-H benefactors are: Ford Motor Co., International Harvester Co., Kerr Glass Mfg. Corp., Coats and Clark, Inc., Oliver Corporation, Carnation Company, Simplicity Pattern Co., Westinghouse Educational Foundation, Hercules Powder Co., Arcadian Products Department of Allied Chemical Corporation, Betty Crocker of General Mills, Whirlpool Corporation, Allis-Chalmers Mfg. Co., Montgomery Ward, Eli Lilly and Company, Sears-Roebuck Foundation, Edward Foss Wilson, General Motors, Firestone Tire & Rubber Company, and Moorman Manufacturing Company.

Play Cast for MHS Seniors Announced

Play cast has been announced, books distributed, and rehearsals called for "Good Gracious Grandma," this year's class presentation by seniors of Muenster High. Mrs. H. H. Homsley is directing the three-act comedy.

Nine of the 13 seniors have roles in the show and the other four are assisting in production.

Heading the cast in the title role — playing a dual part — is Walter Fette. Other boy characters are Billy Otto, Jim Myrick, James Walterscheid and Kenny Klement. Girls in the play are Judy Cain, Kathy Pagel, Pat Otto and Becky Mosman.

Margie Flusche is assisting with direction and is in charge of costuming. Ronnie Cannon is stage manager, assisted by Gilbert Knabe and Verta Lee Bridges will make announcements.

Time for the showing to the public will be announced as soon as practice progresses and an open date can be found.

During World War II, a buck private and a sergeant were court-martialed for striking a colonel.

Asked why he had done it, the sergeant explained that the colonel while passing down the line of review, had stepped on his sore foot.

"Instinctively," said the sergeant, "I threw up my guard, like anyone would do, and let him have it before I realized what had actually happened. It was an accident, I can assure you."

Then the buck private was asked for his explanation. "Well, you see, sir," he replied, "when I saw the sergeant strike the colonel, I thought the war was over."

Drunk Story

The clock in the station steeple had collected a coating of grime on its face and a steeplejack had been commissioned to clean it. "Boy, is he nearsighted!"

GEO. J. Carroll & SON

For many years a rancher employed a Chinese cook. After an unusually good dinner the rancher decided to raise his wages. The next day the cook noticed the extra money in his envelope. "Why you pay me more?" he asked.

The boss replied: "Because, Ming, you've been such a good cook all these years."

The Oriental thought deeply for a moment, then rejoined, "You been cheating me long time, eh?"

A country doctor in northern Ontario left his ancient Model-T Ford in front of the village drugstore, and on his return found several of the youths who customarily loitered there making merry at the old car's expense. As he climbed up into the well-worn driver's seat, the doctor in-

spected the group carefully, then leaned out and said: "The car's all right boys — it's paid for. You" — and the doctor looked deliberately from one boy to another — "are not."

Old Man

Andy was told by his doctor that he should undergo major surgery without delay. He was scared green, and before going to the operating table asked the surgeon what chance he thought he had of going through the operation without serious results. The surgeon replied that he thought his chances were excellent.

"On what do you base your opinion?" Andy asked.

"Well," said the doctor, "based on statistics, nine out of ten with your trouble die on the table and the last nine died."

SMALLEST — What he describes as the smallest real violin in the world, is held up for minute inspection by maker Maurice Bruyas in Paris, France. Roughly an inch and a quarter long, the instrument is made of 52 pieces of wood, and its strings can be tuned. Bruyas says it can be played but needs a thumb-sized virtuoso.

Local News BRIEFS

Jo Ann and Ella Dell Starke ended a 10-day vacation with their parents, the Joe Starkes and family, Monday and returned, in their car, to Denver, Colo., where both are nurses. Enroute they stopped at Perryton for a visit with their brother Ed Starke. While they were here the girls also drove to Oklahoma City for a visit with relatives.

Ending a six-week visit with his daughter Mrs. Joe Starke and family, H. B. Schettler has returned to Sterling, Okla. Mr. and Mrs. Starke took him home.

Burt Hamric of Dallas spent the weekend with his parents, Mr. and Mrs. Ervin Hamric.

Mr. and Mrs. A. J. Higgins of Myra were Sunday dinner guests in the home of their son A. J. Higgins Jr. and family in Sherman. A. J. Jr. still has his left leg in a cast but is back at his work. He fractured the bone above the ankle about two months ago.

Andy Yosten of Fort Worth spent the weekend here with family members and was among those attending the VFW party Saturday night.

Relatives and friends stopped by to extend best wishes to Mrs. Joe Hacker on her birthday Sunday. Mrs. Hacker, a shut-in, was 87.

Mr. and Mrs. Jim Stockman and children of Dallas drove to Muenster one day of the past week to visit her parents, the R. M. Zippers.

Mr. and Mrs. Walter Pulte of Gainesville were visitors here Wednesday and dinner guests in the R. R. Endres home. In the afternoon Mrs. Pulte joined a group of canasta players in the home of Mrs. Henry Fette for a card party.

Mr. and Mrs. Herman Jungman of Munday drove to Muenster to spend Sunday with their cousins Mr. and Mrs. Joe Luke.

Paul Joseph is the name of the infant son of Mr. and Mrs. Martin Becker. His christening ceremony was held in Sacred Heart Church Sunday with his grandparents Mrs. Bill Becker and Henry Voth as godparents. Father Bonaventure officiated.

Mr. and Mrs. Leroy Wiesmann were dinner hosts Sunday in their home at Gainesville, entertaining for the following guests: Mr. and Mrs. Lee Haverkamp and Joyce of Muenster, Mr. and Mrs. Walter Haverkamp and children Carla and Monte of Electra and Mr. and Mrs. Richard Schumacher and family of Gainesville. The Electrans spent the weekend with their parents, the R. D. Morris and Lee Haverkamps.

Two weeks' vacation is giving Mr. and Mrs. Ronnie Herr and children of Wichita Falls a chance to visit homefolks. They are guests of their parents, the Albert Henscheids and Frank Herrs and have also been in Fort Worth for a visit with relatives. This weekend, accompanied by the Frank Herrs and Joanie, they'll be in Lubbock with the Melvin Herr family and will attend the Texas Tech homecoming game and ceremonies Saturday.

Weekending with Mr. and Mrs. J. R. Winstead were their daughter-in-law and her son, Mrs. W. D. Winstead and Wayne of Amarillo.

Mr. and Mrs. R. M. Zipper had as guests Sunday Mr. and Mrs. Joe Zipper of Pilot Point. Mrs. Albert Berend and Mrs. Virgil Berend, also of Pilot Point, visited the Zippers while their husbands attended the KC program.

Mr. and Mrs. Martin Bayer, their sons Tommy and Billy, her mother Mrs. Joe Walterscheid and Betty Ann Dangelmayr drove to Fort Worth last Sunday to visit the Bayers' daughters, Patsy Bayer at St. Joseph's School of Nursing, and Sister Damien at O.L.V. Convent.

Stopping for a visit with Mrs. Mattie Doughty and the Joe Doughtys Thursday were the former's nephews Travis Wardell and Lloyd Gilley and their wives of Denver, Colo.

Birthday is Fun For Six Year Old

Six-year-old Jo Ellen Trubench celebrated her birthday with a party at the home of her parents, Mr. and Mrs. Joe Trubench where 12 young guests gathered for an afternoon of games, picture taking and refreshments of birthday cake, ice cream and soda pop.

Party favors were fancy hats and balloons and those attending brought a shower of gifts. Special guests were Jo Ellen's grandmother, Mrs. Tony Trubench and her godmother, Mrs. Alois Trubench.

Classmates Honored

Classmates Mary Catherine Walterscheid and Joanie Herr shared honors at a birthday party given by Joalene Mollenkopf in her home Friday. Ten schoolmate guests gathered at the home of the hostess before the Muenster-Saint Jo football game and surprised the honorees with a shower of gifts. The group went to the ball game, then returned to the Mollenkopf home for a slumber party.

Training Session

About 15 from Sacred Heart 4-H Clubs attended an officers training session in Gainesville Saturday at the home demonstration club building. Adult leaders accompanied the girls and boys. Taking cars were Mrs. Paul Fisher, Mrs. Cecil Sims and Mrs. Bob Swirczynski. About 70 officers from Cooke County 4-H clubs attended the meeting.

Four big reasons why FORD IS OUTSELLING ALL OTHER '59 CARS

AT THE BRUSSELS WORLD'S FAIR, the '59 Fords were awarded the Gold Medal for handsome new styling elegance by the Comité Français de l'Égance.

The world's best-selling car is the car with Thunderbird elegance

In the greatest styling decision of the year, the American public has already shown a clear preference for the new Fords. Ford sales are way ahead of all competition. Why? One reason is the classic simplicity of their Thunderbird-inspired design—clean, crisp lines that are pure automobile! And Fords are built for people—to sit in, to drive, to ride in—with comfort.

ANYONE CAN FIT IN A FORD: Our cars are built for people—full-size people who want space to stretch out. And all passengers ride in deep-cushion comfort.

The car in hottest demand across the land has greater roominess and comfort

Thousands of customers have bought the new Ford over all competition for another compelling reason—it's a true six-passenger car. (The only four-passenger car we recommend is the Thunderbird!) All six Ford passengers get plenty of every kind of room—from leg and head to elbow and hip. Rear seat passengers don't feel like they're riding with their feet in a bucket!

YOU'LL BE THANKFUL EVERY TANKFUL if you buy the new Ford, for you'll save up to a dollar a tankful with new engines that run superbly on regular gas.

The No. 1 car in sales saves money on gas, on oil, on maintenance bills

A new Ford will save you up to 5¢ a gallon on gas. That's because both standard engines—Six or Thunderbird V-8—thrive on regular gas. And Ford saves on oil, too, with a Full-Flow Oil Filter as standard equipment. Drive 4000 miles between oil changes! And you can forget about waxing your car. Ford's Diamond Lustre Finish stays gleaming bright without waxing—ever!

THE FAMOUS FORD LOW PRICES have already made a hit, because only in Fords will you find value and beauty coming together at down-to-earth prices!

The most popular American car is priced as much as \$102.75 lower

Ford costs you less right down the line than the competition. Compare price tags and you'll see that the manufacturer's suggested retail price of a Ford, equipped with radio, heater and automatic transmission, is as much as \$102.75 less than the major competition! And on an air-conditioned car, you can save up to \$219.85. So compare and save on a 1959 Ford!

REA Officials at Regional Meeting

Mike Sloan, Rural Electric Cooperative manager, and directors Al Wiesman and Joe Bengfort were in Brownsville this week attending a regional REA convention. Mrs. Wiesman and Mrs. Bengfort accompanied their husbands. Meetings were held Monday and Tuesday. Representatives from Co-ops in Texas, Arizona and New Mexico attended. Mr. and Mrs. Bengfort left early and spent the weekend visiting their daughter, Sister Josephine Elise, at Schulenburg.

Bulcher Club Packs Yule Box for Sick

Preparing Christmas cheer for patients at McKnight State TB Hospital occupied members of the Bulcher Home Demonstration Club at their regular meeting Thursday afternoon. The group brought gifts and packed them for shipment.

The club met in the home of Mrs. Eddie Fleitman who gave the program on hat making. Members answered roll call by telling about something dry they gathered from the roadside. Mrs. R. H. Sharp presided in the absence of the president and a social hour and refreshments followed adjournment of the business session. Mrs. Ernest Robinson will be hostess for the next meeting.

CALIFORNIA AND ILLINOIS VISITORS ON VACATION

These are lively days at the home of Mrs. John Felderhoff who has two daughters and their families as guests. Here from Salinas, Calif., are Mr. and Mrs. Urban Schrage and son Gregg, and from Bushnell, Ill., Mr. and Mrs. Monte Elliott and daughters Joyce and Mary Jane. They're on two-weeks vacations. Another daughter and her little girl, Mrs. John Wright and Renee, joined them Wednesday for a few days' visit and other family members are dropping in every day to see the visitors. Enroute to Muenster the Schrages stopped in Wichita Falls to spend a day and a night with her sister and family, the Aubrey Jennings, and the Elliots made a stop-over in Jonesboro, Ark., to see her aunts at Holy Angels Convent.

KC Initiation ... Sherman, Denison and Pilot Point councils, which with Muenster make up the Sixth KC District of Texas.

Initiation ceremonies were part of an all day program which started at the 8 o'clock mass in Sacred Heart Church and continued into the evening.

Members and candidates attended the mass and received Communion in a group. Afterward they gathered at the parish dining room for breakfast.

Headliner for that event was District Deputy Dan Gallagher of Abilene who spoke of the urgent need for Christian leadership in the country today. That leadership, he said, should be intelligent, with principles rooted in solid Christian doctrine, also conscientious and courageous, with a determination to stand by principles regardless of deals or pressures.

We need such leadership on global and national levels and on every other level down to the small community.

Father Christopher spoke briefly encouraging frequent reception of the sacraments as the personal means of living up to the ideals of the order. Grand Knight Pat Hennigan was master of ceremonies.

Initiation ceremonies, starting at 11 o'clock, consisted of explication of the second and third degrees. The first degree had been held the preceding Thursday night.

During the initiation visiting ladies were guests of the Muenster CD of A Court in the library of Sacred Heart High School for games and refreshments.

After ceremonies ladies joined the knights at a barbecue supper in the KC club room, then had a party upstairs in the KC hall.

Bi-District - - -

to Austin Wednesday for a hearing and the verdict of Interscholastic League officials. As a result the bi-district game scheduled for Saturday night at Gainesville is cancelled and the Warriors are automatically declared the winners.

The eligibility dispute concerns the transfer of Lawrence Noggler from Muenster to Era after being out of school for a year. It was assumed that the year's absence would satisfy the requirement of one year of non-participation in interscholastic league activity but the final verdict was that the student must complete two semesters of work in the new school before he can play.

Era had a perfect season, winning most of its games by decisive margins, and was rated as a slight favorite for the bi-district game. The Warriors had won over three 12-B teams but by smaller scores than Era.

Standings of other district teams are as follows. Saint Jo 5-1, Callisburg 4-2, Muenster 3-3, Valley View 2-4, Sanger 1-5, Alvord 0-6.

Last week, in final games of the season, Era beat Valley View 22-14; Saint Jo beat Muenster 34-12; Sanger beat Alvord 18-6 and Callisburg beat Chico 38-8.

Traffic Violations - - -

ent effort to establish more law and order in town.

Other offenses marked for elimination are double parking, center of the street parking, and left turns across the street into a parking space. Double parking and center of street parking both obstruct the view and take up space that is needed for safe driving by normal traffic. Left turns between intersections were described as serious hazards to

the opposite traffic. Hereafter drivers will be expected to make their turns at the end of the block.

Others due for stiff fines when caught are the fellows who have been scattering dead jackrabbits and other animal carcasses on the streets of town. Wilson intends to go his limit in cracking down on this repulsive and senseless nuisance.

When making his warning the deputy said he has no intention of offending anyone and he sincerely hopes he will not have to give a ticket. But orderliness must be restored, so he is asking the public to help him and at the same time avoid getting traffic tickets.

Prospect Dim for Tigers in Coming Basketball Season

Hard times are ahead for the Sacred Heart Tigers in the coming basketball season, according to the best reading Coach George Petrus can make of present signs. With only two lettermen back on the squad, and a few more who have had a fair amount of experience, Petrus will have a long hard job shaping his outfit into a slick team. And then he will still be short on reserve strength.

The lettermen back are Tim Wimmer and Joe Streng. Others in uniform are Charles Bayer, Anthony Knabe, Leon Hess, James Owen, Bobby Hess, Claude Bayer, Earl Hess, Roger Taylor, Pat Knabe, Charles Knabe, Robert Pels, Regi Bayer and Robert Vogel.

The important part of the Tiger season will be its competition in the Southwest Academic League. Opponents will be Laneri and Waco Catholic as usual, and a new member of the loop, St. John's of Ennis. All three of the teams are strong favorites to wallop the Tigers. Each team will play the Tigers two games, the dates to be announced later.

To date the Tigers have two games on schedule, at Collinsville next Tuesday and Thacker-ville on the local court a week later.

Quickie Deer Hunt

Venison for the Rich Graydays is due to arrive any day now. It's the deer he shot on a quickie hunting trip two weeks ago with Joe Townsley and Bob Brown of Gainesville. The trio left Gainesville Airport on Thursday morning in Brown's plane and landed early in the afternoon in northeast New Mexico. Their host met them there and all started hunting immediately. Before night all three had their bucks. Next morning they delivered the animals to a processing plant and made arrangements for packing and shipping, and returned home that afternoon.

Pee Wees Play Montague

The elementary kiddies of Muenster Public School, under direction of Coach George Lemons, will start their basketball season Friday night with the Montague youngsters. Both boys and girls are scheduled to play on the program which starts at 7 o'clock in the Muenster High gym.

Fight TB by answering that Christmas Seal letter.

Tigerettes Wallop State School 38-22 In Season Opener

The Tigerettes of Sacred Heart High got off to a good start in their 1958-59 basketball season Monday night by rolling up an easy 38-22 win over the State School for Girls of Gainesville.

Every girl on the squad got into the game as Coach George Petrus coasted through the second half. Dorothy Zimmerer, top scorer on last year's team, accounted for 22 of the points and Virgilla Schilling for 12 points.

Next action for the girls is participation in the Forestburg invitation tournament this weekend. The first game is with Bellevue at 7:30 Thursday night.

Next Tuesday the girls will go to Collinsville and a week later they will entertain Thacker-ville here. Both of these are twin bill affairs presenting both girls' and boys' games.

Four of last year's lettermen, Dorothy Zimmerer, Virgilla Schilling, Joanie Herr and Jolene Mollenkopf form the nucleus of the new Tigerette team. Others, who have had experience and give promise of both first string and reserve strength are Betty Danglmayr, Sarah Fleitman, Marilyn Hess, Helen and Joyce Hacker, Ruth Endres, Mary C. Walterscheid, Charlene Otto, Eunice Knauf and JoAnn Hess.

Cubs Will Tangle With Wichita Kids In '58 Grid Finale

For the final encounter of the '58 football season the Sacred Heart Elementary Cubs will go to Wichita Falls next Sunday and try to avenge the loss handed them by the Wichita kids earlier in the season.

A victory would give the Cubs a 3-3 record for the year. Up to now they have beat St. Mary's of Gainesville twice and have lost 2 to Windthorst and 1 to AMI.

In their last tussle the Cubs went on a scoring spree and rolled over St. Mary's 28-6. The fireworks started with the opening kickoff as Pat Klement sprinted 70 yards for a TD then went over again for bonus points.

Recovery of a Mustang fumble early in the second quarter put the Cubs in the scoring business again, on the 25 yard line. Four plays covered the distance, Virgil Hess going over from the 2. His after-TD try was good, making the count 16-0. Later in the same period Klement scored again, on a 25 yard jaunt, and also added extra points for a half-time score of 24-0.

In the third quarter Klement's 21 yard gain to the 4 provided a set-up for Pat Hess. He went over for the TD and Kement for the 2 points.

The Mustangs got their lone touchdown in the last period. Ken Hart breezed over from the 15 and Jerry Hoelker made the bonus points.

Tape a magnet to trouble-lamp holders to make it possible to place the light in just the right place when you're working on a tractor, car, or other machine. You can forget the hook, because the magnet will hold the lamp in place on any steel or iron part.

Lindsay News

Mrs. John Bezner is back at home after a two-week visit with her son Ralph and family in Fort Worth.

Mrs. Bobby Bezner of Dallas is doing fine following surgery at Gainesville Sanitarium Monday morning and will probably be dismissed Sunday. She'll spend the following week here with her husband's mother, Mrs. Joe Bezner. The Bobby Bezners came to Lindsay Sunday and had dinner with his mother before Ethel entered the hospital. Her husband was with her through Tuesday and their little son Stevie remained here for a two-week visit. Debbie, who is in school, stayed in Dallas.

MRS. JENKINS CONDUCTS PROGRAM FOR 4-H CLUB

Members of the Lindsay Junior 4-H Club heard a talk on "Money Management" at their November meeting when Mrs. Yvonne Jenkins met with the group. Mrs. Jenkins also presented Marcella Neu a check for her prize winning broilers in the recent broiler show.

Patsy Hermes conducted the business session and recreational leaders led the members in a sing-song. Mary Kathryn Flusche is club reporter.

Note Burning is Highlight of KC Debt-Free Dinner

Highlight of the debt-free celebration by Knights of Columbus of the Gainesville-Lindsay council Saturday night was a note burning ceremony conducted by William Pulte who was grand knight when the council built its hall in Gainesville.

More than 300 knights and their ladies attended the turkey banquet in the debt-free building.

Joe Bezner was master of ceremonies for the after dinner program which included addresses by Grand Knight James Bezner and Rev. Emil Gerlich.

Clothes Drive Date Set at Lindsay

St. Peter's parish annual clothing drive for the Holy Father will begin Sunday and continue through next week. Saint Anne's Society is in charge and will sort and pack the clothes. Parish Hall is the collection depot and everyone is urged to leave contributions early in the week.

Lindsay 4-H Clubs Show Achievements

Lindsay 4-H club boys and girls showed their achievements Wednesday night when they held their annual Achievement Day program in the parish hall. Displays were judged and tagged with ribbons.

As an entertainment feature club boys put on a style show, modeling ladies dresses.

Refreshments were sold at a snack bar.

A large number of parents and sponsors attended the program.

Lindsay Will Have Thanksgiving Picnic Sunday, November 23

Lindsay's annual Thanksgiving picnic will be held Sunday beginning at 2 o'clock in the afternoon and continuing into the night. It's a parish benefit and all church societies, adult and young people, are busy with details and arrangements.

Games, eats and drinks, and a variety of entertainment attractions are on the picnic program. Everybody's invited to meet their friends at the Lindsay picnic in the Gun Club Hall Sunday.

Mass and Reception Observe Zimmerers' Silver Anniversary

Silver wedding anniversary of Mr. and Mrs. John F. Zimmerer of Lindsay was celebrated Sunday with mass and renewal of nuptial vows in St. Peter's Church at 4:30 p.m. followed by a reception and buffet dinner in the Lindsay Parish Hall. About 100 relatives and friends attended.

Father Alcuin Kubis who 25 years ago performed his first wedding ceremony when he was officiant at the marriage of his cousin John Zimmerer and his bride Annie Voth, officiated again Sunday at the anniversary ceremonies. Altars were banked with white, yellow, and lavender chrysanthemums gathered by the silverweds from their yard.

Mr. and Mrs. Tony Voth again attended the couple. She was Geraldine Ray at that time, fiancée of Annie's brother Tony. Mrs. Zimmerer wore a navy lace dress with a white glitter hat and other accessories in navy. Her attendant was also in navy and both had white carnation corsages. The two men had matching boutonnières.

At the reception the guests were served a sumptuous buffet meal featuring roast turkey and baked ham.

Guests were present from Lindsay, Muenster and Gainesville with Joe Voth of Justin and Mr. and Mrs. John Strittmatter of Fort Worth also attending.

Mr. and Mrs. Zimmerer are both natives of Lindsay and have spent their entire lifetime there. He engages in farming. They have one son and three daughters, Albert Zimmerer, Cecilia and Dorothy Zimmerer of Lindsay and Mrs. Ernest Wolf of Gainesville, and one grandson Albert Zimmerer Jr.

The couple's wedding date in 1933 was Nov. 28 and the silver celebration came early so as not to conflict with a parish picnic Lindsay is sponsoring next Sunday. The following Sunday is the first Sunday of Advent.

Storm

on the Solomon lease three dead trees, which had been poisoned a year ago, were snapped off and laid across the road.

By contrast with Gainesville this area was lucky. Over there many roofs were damaged and some completely destroyed. Hundreds of TV antennas were bent over or broken off completely. Damage in rural areas around Gainesville also seems to have been more extensive.

The high wind was accompanied by a sharp drop in temperature marking the end of weeks of balmy weather. The community's first freeze came Tuesday night.

Hornets Lose

to be caught in his tracks but squirmed loose and drifted toward the left sideline where blockers lined up beautifully and cleared his way to the goal. The try for extra points failed and Muenster led 6-0.

On the following kickoff, however Kite got away for 71 yards and reached the Hornet 9 before Don Trubenbach hauled him down. The next two plays lost 2 yards and fate favored the Panthers with its first big smile. A pass, batted and fumbled by three players was finally caught by Dennis on the 1 foot line and Williams went over on the following play. A pass for bonus points failed, leaving the score tied 6-6.

That was only the beginning. On the next kickoff Wimmer took a hand off from Harris and got loose on the third sensational gallop. The play, good for 80 yards, put Muenster ahead 12-6.

As Williams started up field after the next kickoff it seemed that another TD was coming up, but he was nailed on the Hornet 48. Two plays later, however, he finished the job and tied the score with a 44 yard ramble.

At that time the scoreboard clock read 8:07, indicating that the four touchdowns had been scored in less than 4 minutes.

And still that was not all. Muenster made three first downs and lost the next series by inches. Saint Jo had to kick on its first series and got back into business the next play on a Hornet fumble. From the 24 Williams blasted to the 6 and three plays later he went over from the 9. Kite circled right end for 2 points putting the Panthers ahead 20-12.

By then there were less than 30 seconds left in the period, but still enough time for the Panthers to cash in on another big break. On the first play after kickoff Muenster tried a pass. Berry intercepted it in the open and dashed 22 yards for the fourth Panther score. Williams followed for 2 more points and the score board read 28-12 at intermission.

The next half got back to normal football with both teams again playing on fairly even terms. Saint Jo's final TD came early in the fourth period following a blocked kick just before the third quarter ended. Five plays covered the 28 yards, Williams making the last 3.

Just before the end of the game the Hornets lost on a desperate fourth down gamble and the Panthers barely missed another TD. From the 24 they made a first down but failed on the next series. Muenster took over on the 5 just before the final whistle.

Muenster-Sanger

A good portion of Muenster's yardage was stepped off by Hubert Richey in the first period when he got loose for 75 yards and the first touchdown. And in the fourth Wendell Richey reversed his field after being cornered and took advantage of nice blocking for a 35 yard scoring run. Another was an interception and 60 yard return by Joe Noggler. He was forced out of bounds on the 10 and went over from the 5 two plays later.

Starters for Muenster were C. J. Hellman and Gene Hartman at ends, Dickie Cain and James Harris at tackles, William Walterscheid and Butch Hudspeth at guards, Lloyd Trubenbach at center, and Boze Ansley, Joe Noggler, and Wendell and Hubert Richey as backs. Men who relieved them frequently were Wallace Dougherty, Sonny Bordeaux, George Lemons, Speedy Reiter, Johnny Fette, Glenna Hellman and Jimmy Hellman.

Two Sanger men, remembered as power-house backs in their school days, were Lovell and Bishop.

MAKING MONKEYS OUT OF PEOPLE is the special talent of these donkeys, which will be giving trouble to KC and VFW members in a so-called basketball game in the MHS gymnasium next Monday night, starting at 7:30 o'clock. The contest is a benefit event sponsored by the Muenster FFA chapter with a trick donkey act and races on mechanical donkeys as special features between quarters. Admission charges will be 75 cents for adults, 50 cents for high school students and 35 cents for elementary pupils.

of 56 yards but running out of steam on the 3 yard line.

From there Sacred Heart launched its longest drive of the evening. Twelve plays covered the 97 yards with Grewing making the final score from the 1 foot line.

Another chance to score was muffed by the Tigers in the last minute. Following Walterscheid's interception on the 27 they made a first down and fell short on their next series.

4-H Program

nie (Bernice) Thurman brought them to Muenster. Judges for the boys were G. W. Choat and Jack Criswell who came over with Mr. Wheeler.

For the short meeting Patsy Endres, senior club president, presided and introduced all officers of the six clubs, three boys and three girls groups, and announced county winners who had received awards at the County Achievement Day program.

For refreshments the cakes, pies, cookies and candy from the baked goods division were sold with coffee at a snack bar. Fourteen of the cakes were blue ribbon winners. Fourteen cookie entries also rated blue ribbons and six varieties of candy took top honors.

Among exhibits were field crops, poultry projects, painting, fancy work, canned products and pets. A list of winners will appear in next week's issue of the Enterprise.

ville school district and efforts are under way to make it a county institution partially supported by a county wide tax.

There can be no doubt that it offers much to county boys and girls in years to come. But will people of the county think enough of it to pay a tax for its support? That's the question that will likely be decided by a county wide election in the not too distant future.

OUTSTANDING MEMBER

Members of Marysville Methodist Church Sunday voted Mrs. Ada Walker, 86, the outstanding Christian of the community.

Tigers Win

quickie 68 yard push and went over again for 2 bonus points.

For the rest of the period the ball changed hands four times before the Tigers started moving again. There time ran out leaving the Tigers on Greenhill's 12.

Starting the second half the Tigers were halted once but went for a TD on their second attempt. Walterscheid went over from the 4 to complete a 33 yard drive. Bayer passed to Wimmer for extra points.

Greenhill's next effort was its best of the game, resulting in three first downs and total gains
