Milk Surplus Here Drops as 3 Firms End NTPA Boycott

Milk receipts at the local NTPA plant fell off sharply during the past week as the result of a truce between three large milk distributors of Dallas and the NTPA.

Borden, Foremost and Cabell called off the boycott which they started when the association upped its milk price 30 cents per hundred on September 1. Another big distributor, Metzger was still holding out Wednesday of this week.

While all four were boycotting the association, and getting their milk supply from northern states, receipts at the local milk processing plant increased by almost a half million pounds daily, bringing total receipts here to more than 600,000 pounds daily.

With three of the milk firms again accepting NTPA milk, the association's surplus has been reduced accordingly, and the volume received here daily is down to about 350,000 pounds.

Tigers and Cowboys Will Tangle Friday On Parochial Field

The going will be much tougher for the Tigers this week... maybe too tough... when they take on the Ryan, Okla., Cowboys on the local turf Friday night at 8.

Reports reaching here are that the Sooner outfit was not badly hurt by last year's commencement and probably has as much or more power. The Tigers on the other hand lost most of their regulars at graduation and are starting this season with less strength.

Those facts, along with a comparison of figures in last year's game, lean strongly in favor of the Cowboys for Friday's clash. Last year the Tigers won 45-25 but other statistics showed the teams much more evenly matched. Sacred Heart had slightly more total yardage, Ryan led 15-14 in first downs.

Comparison of team lineups shows the scale tipping in Ryan's favor by an average of about 14 pounds per player. Other factors such as speed and style of game have not been revealed to Coach Petrus.

On the other hand the Tiger coach is pleased with his boys. Despite the feeble test they had against Windthorst, he feels that the Tigers show promise of developing nice speed and teamwork.

Each team will be seeking its second win in as many starts. Last week Ryan beat Elmore City, Okla., 12-0; Sacred Heart beat Windthorst 66-20.

Hornets Look Good Holding Rowdies To Score of 33-0

Though losers by a count of 33-0, Coach Ansley and his Muenster High Hornets... and Hornet fans as well... are pleased about that game with the Wichita Falls Rowdies last Saturday night. Holding their powerful visitors to only five touchdowns was a fair achievement.

The mere sight of the Rowdies trotting onto the field might have been enough to terrify the little squad of Hornets. There were 66 of them, fine husky youngsters, the pick of more than 100 who had reported for the team at the beginning of the season. By comparison Muenster had only 27 on its entire squad.

As it turned out fewer than half of the big Rowdy squad got into the game. Their top notchers were kept so well occupied that the coaches decided to leave them there for the full stretch.

It took the Rowdies only 5 plays, and slightly more than a minute to mark up their first score. The drive, following a short kick, was good for 42 yards and ended with a 4 yard plunge by Joe Moloch.

The next few plays indicated that the Hornets were out to make a showing against their rugged foes. Wimmer returned the kickoff 20 yards to the 35. Four downs later, with 6 to go Doug Hellman passed to Wimmer for a first down on the midstripe. The next play was a pass to Harris for 20 but a holding penalty brought the ball back. The series failed and the Hornets kicked, but they had

Hornets Prep for Conflict Saturday With VV Warriors

Encouraged by the game his boys played with the Wichita Falls Rowdies last week, Coach Boze Ansley has strong hopes for their upcoming clash with the Valley View Warriors Saturday.

The Hornets looked much better against the rugged and skilled Wichita crew than they did against Pilot Point the week before. They made nice improvements in teamwork and still more in confidence.

As regards comparison of the two outfits, Ansley feels that Valley View will have a weight advantage of about 10 pounds per man but Muenster may be slightly ahead in speed. And if the Hornet passing attack can click as well as last week he feels that his boys have an even better chance.

Figuring from another angle the prospect is not quite as good. For their season opener the Wichita County huskies trimmed Valley View of Cooke County 28-6. According to pre-season estimates the Eagles belong near the top in 12-B rating, and the team that bested them 4 TDs to 1 is entitled to lots of respect.

Something else bothering Ansley is the possible absence of Myrick and Otto from Saturday's tussle. Both are nursing foot injuries.

As in last week's game he expects to take Kenny Klement away from tackle and give him Otto's job at Fullback. If Otto sees any action it will be in the line.

Game time is 8 o'clock Saturday night on the Hornet field.

Tigers Start With 66-20 Romp Over Windthorst High

The Sacred Heart Tigers went on a scoring spree in their opening contest Friday night, stampeding over the light and inexperienced Windthorst Trojans 66-20.

First stringers who had the field for almost all the first half ran up a grand total of 52 points before intermission, but the second half was different as the reserves failed to play on even terms with their visitors.

From the opening play the game was decidedly one sided. Tim Wimmer, who crossed the goal line five times for keeps and twice for practice, sprinted 47 yards to the goal on the first snap. An offside ruling brought the ball back but on the next try Bobby Walterscheid went 52 yards for the score. Charles Bayer followed over making the count 8-0 before the end of one minute.

Four plays later the Tigers blocked a Trojan kick and Grewing went over from the 12. Again Bayer added 2.

The next score came slower. Holding Windthorst on its first series, the Tigers failed on theirs and had to hold the visitors again before they got their next chance. After that it was a 31 yard scoring drive in 6 plays, including one practice score by Wimmer. Bayer went over from the one and a pass for extra points failed.

The next two TDs came promptly after holding Windthorst on its first series. Wimmer scored both of them on runs of 17 and 20. A pass Bayer to Wimmer added 2 points after one TD and an attempted run failed after the other TD.

Only slightly different from the former procedure was the next TD. The Tigers failed to advance when they got the ball, but after the Trojans' next series Wimmer romped 46 yards to the goal on a kick return. Bayer's run was good for 2 more points.

He sends thanks and greetings to all and adds that according to the progress he's been making recently, he should be out of the hospital soon.

Lawmakers Attend Clear Creek Confab On Flood Control

Official interest in the proposed flood prevention program on Clear Creek was manifested last Thursday night when four legislators appeared at the annual meeting of the Clear Creek Watershed Association in Sanger.

Senators Ray Roberts and Floyd Bradshaw and Representatives Tony Koriath and Alonzo Jamison, all representing areas within the Clear Creek watershed, responded to invitations to come and discuss the program. Their purpose was twofold: first to explain the purpose and procedure in a water control and improvement authority for a watershed, secondly to check public opinion regarding creation of such an authority.

Reports made at the meeting indicate that a great deal of progress has been made on the Clear Creek flood control program in the past year. Fourteen detention dams are planned by Soil Conservation Service technicians and work on securing easements has been started. Landowners along the creek are confident of securing a system of detention dams which will put an end to its frequent flooding.

At the annual election of directors J. M. Weinzapfel of Muenster and Tom Muir of Sanger were re-elected and Frank Morris Jr. of Gainesville was named as a new director. The board has not met since then to name its officers. Weinzapfel is president and Muir is secretary of the association.

Half time activity at the game will feature a style show with the Junior boys modeling women's clothes, mostly sack dresses. Admission prices will be 50c and 25c.

Work in Progress To Improve Sound In Local Church

An improved sound system for Sacred Heart Church will likely be in use next Sunday. The equipment arrived early this week and F. A. Kathman started installing it Thursday.

The change consists of moving speakers from the sides of the church and installing them at the bottom of the chandeliers. According to sound engineers who recommended this arrangement, it will eliminate the present clash of sound waves coming from opposite sides of the church. Each unit is designed to confine most of its sound to a certain area so as not to interfere with those of the next area.

The speakers are to be installed in specially designed aluminum units which fit into the chandeliers. Since, however they will block off the light they had to be built to serve also as light fixtures. The light will be a circular fluorescent tube around the bottom of the unit. The light is regarded as another improvement. Now in use are incandescent bulbs of very high wattage, but too much of the light is lost by diffusion in the chandelier. The new light will be completely exposed and completely useful. It will give better illumination on far less electricity.

Father Christopher Paladino said the present installation is only one step in a determined effort to get a good sound system into the church. He hopes this will bring a vast improvement but he is prepared to make more changes if they will help. One small change already adopted is the use of a shoulder bracket to support the mike in exact position in relation to the speaker's mouth. Formerly every movement of the speaker changed the sound.

The cost of making the change is estimated at about \$600. This is \$100 less than it would have been if the speakers had not been salvaged from the old sound boxes.

Over half the money for the project was provided on Labor Day when the Muenster KC Council sponsored a benefit picnic for church improvements. Total income from that was near \$950. The two improvements on the current priority list are new sidewalks and the new sound system, at a total cost of about \$1200.

Jerry Fuhrman Weds Carolyn Brinker in San Antonio Rites

Mr. and Mrs. Jerry M. Fuhrman are honeymooning in New Orleans since their marriage Saturday morning in San Antonio. They will live in Corpus Christi.

Mrs. Fuhrman is the former Carolyn Brinker, daughter of Mr. and Mrs. Robert Allen Brinker of San Antonio and her husband is the son of Mr. and Mrs. H. J. Fuhrman of Muenster.

The couple was married in St. Margaret Mary's Church with Rev. Robert J. Murphy of Austin officiating at the double ring service and nuptial mass.

White silk tulle and imported Italian lace over taffeta fashioned the bride's gown. The tulle basque bodice was designed with beaded lace appliques outlining the shoulder-wide neckline. Long sleeves tapered to points. Garlands of the lace adorned the bouffant tulle skirt which billowed into a court train. Her tiered silk illusion fingertip veil was held by a crown of bridal jewels and her bouquet was a cascade of stephanotis centered with a white orchid. She carried an heirloom point lace handkerchief which was made by her grandmother in 1908.

The bride's five attendants included her godchild as flower girl. They wore identical dresses of light blue silk brocade and carried cascade arrangements of white roses.

Among the groom's attendants were his two brothers Bill Fuhrman of Fort Worth and Alvin Fuhrman of Muenster, and Joe Felderhoff of San Antonio groomsmen.

The bride's mother wore a beige lace dress over taffeta and Mrs. Fuhrman attended her son's wedding in royal blue costume. Both had corsages of tiny white rose buds.

The wedding reception was held in the Travis room of St. Anthony Hotel.

Mr. and Mrs. H. J. Fuhrman and family members were among those at the rehearsal dinner Friday night in Oak Hills Restaurant. There were 35 guests.

Among those attending the festivities in addition to the groom's parents were Mrs. Gilbert Endres and daughter Lou Ann, Mr. and Mrs. Alvin Fuhrman and Mr. and Mrs. Frank Bayer of Muenster, Mr. and Mrs. Bill Fuhrman of Fort Worth, Mr. and Mrs. Robert Pulte of Gainesville and Mr. and Mrs. Alex Flusche and daughter Louise Ann of Corpus Christi.

Reception, Dinner Observe Fleitman's Silver Anniversary

Twenty-fifth wedding anniversary of Mr. and Mrs. John Fleitman of Myra was observed with mass at Sacred Heart Church and reception and dinner at the family home. About 50 relatives and friends attended.

Mrs. Fleitman wore a becoming two-piece blue suit with a white carnation and silver ribbon corsage as she received guests and her husband had a matching boutonniere. Mrs. C. J. Berend of Hereford who was her sister's maid of honor at the wedding in 1933 was present for

the celebration, as was Bruno Fleitman who attended as best man.

Spacious lawn at the Fleitman home was the scene of dinner and pictures were made. Mrs. Joe Lehnertz and Mrs. Conrad Jostwerner catered and served.

Anna Mages and John Fleitman were married in Lindsay Sept. 12, 1933. The anniversary mass was in Sacred Heart Church on that date this year, Friday, and the celebration was held Sunday. The couple's three children are Alvin, Leon and James.

For several years after their marriage Mr. and Mrs. Fleitman lived in Muenster and he worked at the FMA cheese plant. Now they live on a farm southeast of Myra.

Mrs. Fleitman's father Frank Mages of Lindsay was among guests and others present in addition to those from Cooke County were Mrs. Thomas Albracht (Annette Berend) and her baby daughter Elaine of Hereford, Mr. and Mrs. Eddie Mages of Dallas, Mr. and Mrs. Leo Mages and Jerry of Fort Worth, Mr. and Mrs. Carl Mages of Waco, and Mrs. Hilda Self of Dallas. Father Christopher Paladino was a special guest. Unable to attend was Father James Fitzpatrick of Dallas who came Tuesday to spend the day with the Fleitman family and with students at Sacred Heart School.

Automobile drive took Mr. and Mrs. Charles Davidson and children to West View Sunday for a visit with his sister, Mrs. Bill Roe and family.

Georgia Owen Bride Of Jerry Henscheid In 2 Ring Service

—Boyd and Breeding Photo

During nuptial high mass in Sacred Heart Church Saturday afternoon Georgia Ann Owen and Jerry Henscheid pledged marriage vows in a double ring ceremony with Rev. Christopher Paladino officiating at the four o'clock service.

The bridegroom's father led the choir in singing the mass. Jerry is the son of Mr. and Mrs. Leo Henscheid and Georgia is the daughter of Mr. and Mrs. Ray Owen.

Matron of honor and best man were the bride's sister and brother-in-law, Mr. and Mrs. Jim Hermes of Lindsay. Two other sisters, Margaret and Lois Owen were bridesmaids, and Raymond Hesse and Ervin Henscheid were their cousin's groomsmen. Rufus Henscheid and Eugene Owen ushered.

The bride's three attendants wore identical ballerina length, full skirted dresses of French blue jacquard brocade with small blue velvet hats and carried white carnation nosegays.

Mr. Owen escorted his daughter to the altar and presented her in marriage. She wore an embroidered tulle dress over

layers of plain tulle and ruffled petticoats. The wide skirt had a brush train. A scalloped neckline and petal point sleeves were features of the moulded bodice.

A sequin cap held the bride's elbow length veil and she carried a white orchid atop a white prayer book. The prayer book, a crystal rosary and a gold cross and chain are gifts from the groom. Something borrowed was a handkerchief belonging to Frieda Koenig of Fort Worth.

After mass Mrs. Alfons Koessler Jr., cousin of the bride, sang "Mother at Your Feet" as the newly married couple went to the Blessed Virgin's shrine where Georgia placed a bouquet of white gladioli on the altar. Anthony Luke was organist.

A reception and buffet dinner in the parish hall were attended by about 250 relatives and friends. Mrs. Harold Neu of Gainesville and LaVerna Hess of Fort Worth presided at the guest book.

When Mr. and Mrs. Henscheid left on a short wedding trip she was wearing a blue chemise with black accessories and an orchid corsage. They're making their home in Dallas at 4117 B North Central Expressway. He is an insurance inspector. Before her marriage Georgia was employed in Fort Worth as a bookkeeper. Both are graduates of Sacred Heart High and he was graduated from St. Edward's University in Austin.

THE FARMERS SPEAK UP

A few months ago I happened to tune in on a radio program being broadcast from a southern city. The speaker was a U. S. Senator reporting from Washington to his constituency — via taped recording. The Senator was lambasting Secretary of Agriculture Ezra Taft Benson and calling for high rigid price supports for farm products as a permanent agricultural program for the nation. Undoubtedly many political office-holders feel that such a stand is what the farmers want from their Senators and Representatives in Congress.

However, Farm and Ranch, published in Nashville, Tennessee, one of the top agricultural publications going to southern farmers, has just taken a poll of farmers sentiment on national issues and the results may astonish many politicians. Nearly 90% of the more than 2,000 farmers participating in the poll,

favor returning farming to a free supply-and-demand system as soon as possible. And more than half of the farmers think Secretary Benson is doing a good job.

Return To Supply-And-Demand

Here are the results of questions in the poll pertaining directly or indirectly to the farmer:

Cooperatives should be taxed, nationally and locally, on the same basis as corporations. YES 72.2%, NO 27.8%.

Postal rates should be raised (including rates on magazines) to enable the Post Office Department to break even. YES 62.2%, NO 36.8%.

Government should guarantee support prices at 90 to 100 per cent of parity, and control production on major crops. YES 26.9%, NO 73.1%.

Farming should return to a free supply-and-demand system, as soon as possible, with minimum government control. YES 87.5%, NO 12.5%.

Public utilities should be developed and operated by private companies instead of by the government. YES 85%, NO 15%.

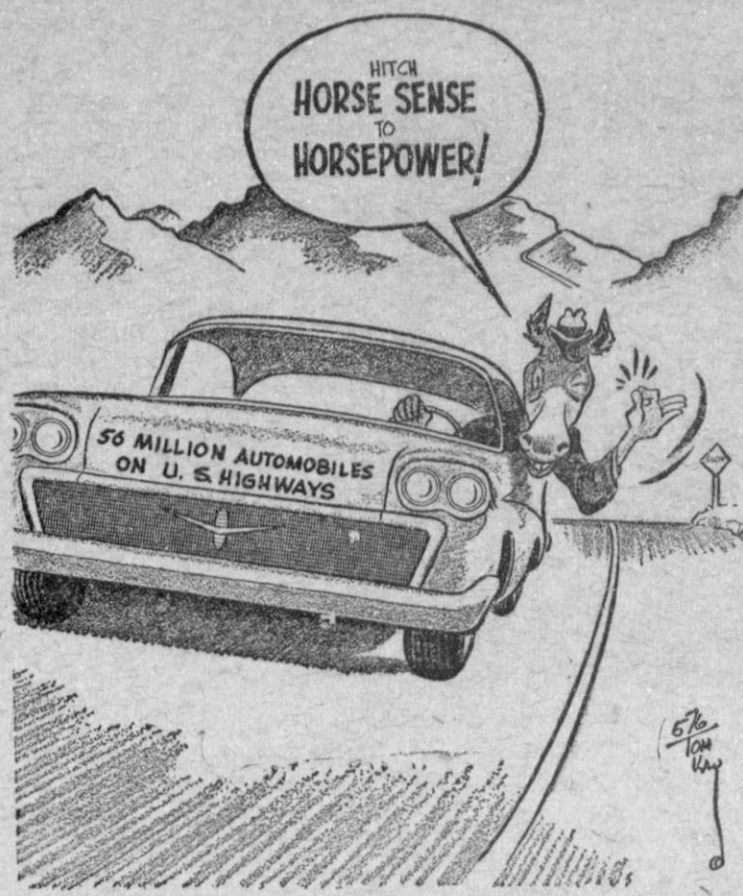

States should run their own schools without interference from federal government, and federal aid to schools should be stopped. YES 80.9%. Federal aid to schools is good and necessary. YES 19.1%.

Most Favor Benson

Federal aid to states means extravagance, high taxes, waste and federal control. It should be stopped. YES 75.3%.

Secretary Benson is doing a good job as Secretary of Agriculture. YES 55%, NO 45%.

Editor Tom Anderson of Farm and Ranch remarked: "The results of this survey indicate the southern farmer once more re-

For Safety's Sake!

asserts his historic independence, his fear of government, his devotion to self-help, and his love of freedom. We would not be truthful if we failed to state that we are greatly surprised — and greatly gratified — by what the response showed."

Welfare State Not Wanted

Even if the figures were adjusted to compensate for more "liberal" farmers who were apathetic to the poll, the results still would show a substantial majority of farmers who want to return the business of farming to the laws of supply-and-demand and to the personal principle of self-reliance. The popularity test on Secretary Benson reflects the results of a concerted campaign against him by many politicians. And yet 55% of the farmers participating in the poll felt he was doing a good job.

The poll results strongly indicate that it is the demagogic politicians and not the farmers generally who are demanding that the Federal Government expand its control over agriculture and underwrite the economic welfare of every farmer on a Welfare State basis. The poll should give courage to those members of Congress who have quietly gone along with the demagogues against their better

judgment. In fact it is encouraging to all Americans who want to keep our great competitive system and its incomparable benefits.

David Lawrence writes, in U. S. News & World Report. "The truth is that, because of industry-wide bargaining and the tremendous power wielded by national labor unions, a battle is being waged between Big Unionism and Big Business that concerns the future of our whole economy — from automobiles to kitchens. The public is the innocent bystander. The people as a whole suffer because the Congress hasn't the courage to tackle Big Unionism."

Making a Study of Getting Ahead

First lesson in successful living is to learn that systematic saving is usually indispensable to the achievement of any worthwhile project.

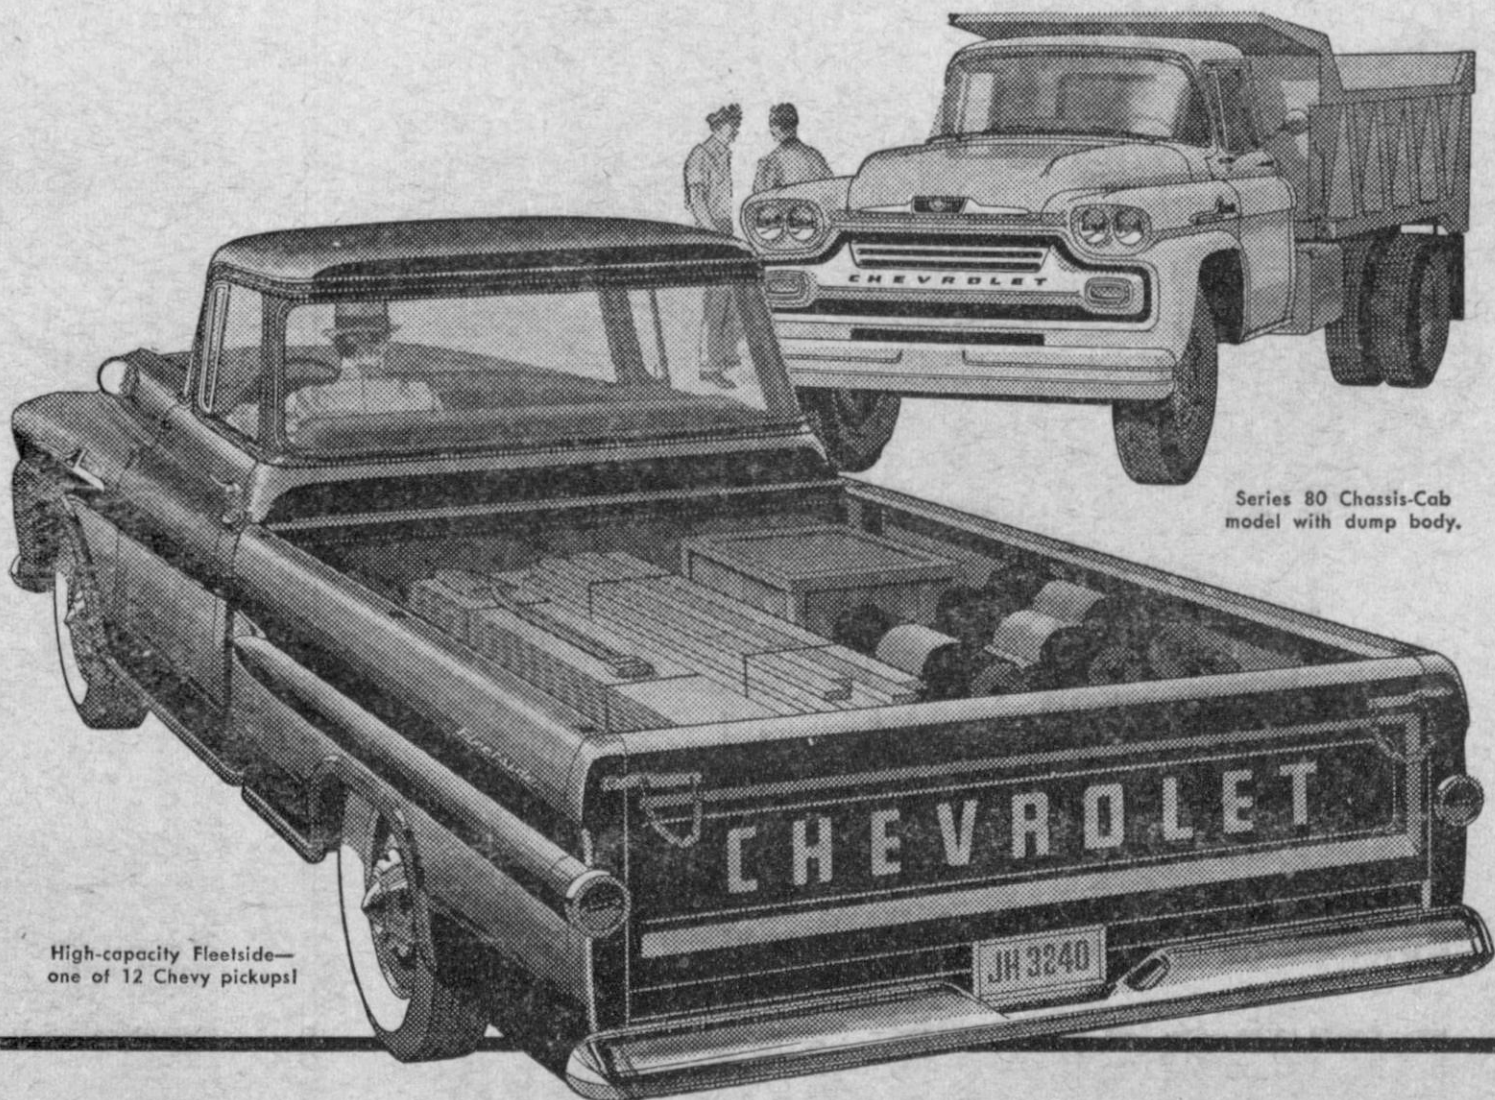

If higher education is your immediate aim (as in the case of this young man) stashing away savings from part-time earnings or allowance is the best way to make sure that you'll always have "what it takes" in the way of money.

If you are looking still farther into the future . . . to a home or a business of your own . . . to financial independence for your later years . . . regular saving is still the secret of turning dreams into realities.

Joseph Weinzapfel of Dallas to Muenster Sept. 12 for the ceremony and the former officiated at the morning service in Sacred Heart Church. Mr. and Mrs. Arthur Hellman were sponsors for their granddaughter.

Melisa Jane wore the traditional white baptism outfit worn by her paternal grandfather, J. M. Weinzapfel, at his christening and since then by all the Weinzapfel children and grandchildren. The baptismal shawl is also a tradition — with the Arthur Hellmans and has been used by all the babies in their family.

Members of both families attended the service and then all the Weinzapfel children gathered at their parents' home for dinner. Included in the group was Mrs. Paul Hellman of Tulsa.

The Oklahoma Hellmans, Paul and Agnes, flew in the night before, landing on Charley Hellman's air strip, to spend overnight with the G. H. Hellmans. Tigers Win - - -

Just before the period ended
Wimmer went over again from
13 yards out to end a 27 yard
push in five plays. Cunningham
added 2, making the half time
count 52-0. During that time the
Tigers had racked up 193 yards
from scrimmage and 7 touch-
downs but only 3 first downs.
Windthorst had no first downs
and a total net yardage of 2.

From there on the game was
different. Coach Petrus turned
it over to his youngsters, who
were not quite a match for their
visitors. The record during that
half was in Windthorst's favor:
160 total yardage, 4 first downs
and 3 TDs, as compared with
63 total yardage, 2 first downs
and 2 TDs.

Lindeman, the kingpin of the
visitors, put his team in the
scoring column early in the
period with a 10 yard scoot end-
ing a 49 yard push. Schreiber,
his outstanding helper followed
over for 2 more points.

Next Sacred Heart subs put
on a nice drive of 58 yards in
6 plays with Cunningham go-
ing for the last 29.

Windthorst got its next in-
spiration from a Tiger fumble
on the 47. From there Schreiber
promptly got away for a score
but a clipping penalty on the
16 brought the ball back to the
31 where Lindeman heaved to
Vieth for another score.

Again the Trojans held the
Tigers and marched on to an-
other counter. It was a 55 yard
drive ending in a heave to Vieth
for the final 4 yards.

From there on Tiger regulars
were on the job again, but the
long wait on the bench had ap-
parently chilled their style. They
muffed their first series but
managed to hold Windthorst.
On the kick that followed Wim-
mer almost got away, reaching
the 15 before being stopped. Two
plays later he went over. Grew-
ing made the final 2 points.

Lindsay News

William Flusche got off to A&M College Sunday when his parents took him to College Station. He's a freshman on a scholarship. A recent eye injury delayed William's enrollment, but fortunately was not as serious as at first thought.

Joe Schmitz and his brother John Schmitz of Thackerville have returned from a ten day visit in Iowa with relatives.

Mr. and Mrs. Clarence Owen and children of Fort Worth were weekend visitors with their daughter, Mrs. Raymond Laux and family.

Mr. and Mrs. Norb Mages, joined by Mr. and Mrs. Marcus Almon of Gainesville, attended the professional football game between the Detroit Lions and Philadelphia Eagles in Norman, Okla., Saturday.

Beatrice Zimmerer Ernest Wolf Say Vows at Lindsay

—Boyd and Breeding Photo

In St. Peter's church at Lindsay Beatrice Zimmerer became the bride of Ernest Wolf during nuptial high mass at 9 a.m. Saturday. Parents of the couple are Mr. and Mrs. John F. Zimmerer of Lindsay and Mr. and Mrs. Henry Wolf of Muenster.

Father Alcuin Kubis officiated at the mass and performed the double ring ceremony. The church choir and Mrs. William Schmitz, organist, presented the wedding music.

Beatrice was given in marriage by her father. She wore a bridal gown of frosty white imported hand clipped Chantilly lace and tulle. The skirt, aisle wide over underskirts of ruffled net, ended in a chapel sweep. A sparkle of sequins and pearl beads enhanced the sabrina neckline and the long sleeves tapered to petal points.

A Juliet cap of lace sprinkled with sequins and seed pearls held the bride's fingertip length veil of tulle net. Her flowers were an orchid and stephanotis prayer book arrangement. The prayer book and a blue rosary were gifts from the groom.

Attendants were the bride's sisters Cecilia and Dorothy Zimmerer, and Ernest's brother Cecil Wolf and his cousin James Wolf. Albert Zimmerer and

Mitchell Wolf ushered. Serving as acolytes were Jimmy, Tommy and Ronnie Zimmerer, Michael Bezner and Doyle Voth, cousins of the couple.

The bride's attendants wore Island blue crystalette bouffants, waltz length, and matching hats with pompadour veils. They carried blue fans covered with small white carnations.

Wedding day festivities consisted of breakfast for the bridal party, clergy and immediate members of both families in the home of the groom's parents here, lunch for the group at noon in the Zimmerer home at Lindsay, a reception and dinner in the Lindsay parish hall for some 300 guests and a wedding dance in the Muenster VFW hall.

Ginger Wolf of Fort Worth and Lou Rena Wolf of Houston presided at the bride's book and Rosemary Bezner and Dorothy Bengfort served the wedding cake.

Mothers of the couple both wore navy blue outfits with navy accessories and white carnation corsages.

When the newlyweds left on their honeymoon trip she was wearing a two-piece blue suit with black accessories and the orchid she carried at her wedding.

They will make their home in Gainesville where he is employed with the Texas Highway Department and she is a secretary in an insurance office. Both are graduates of Sacred Heart High and attended Gainesville College.

the Hornets started moving again. Three passes, Hellman to Harris for 6, 35 and 8 were key plays as Muenster went to the Rowdy 29 before losing on downs.

Next the visitors put on a power drive that netted 3 scores, two that were called back and one for the record. Hurn went over from the 18 for the counter.

Holding the Hornets on their next effort the Rowdies launched another quickie scoring drive. It was a one man show with Joe Watkins totting three times for a total of 36 out of the 38 yards, the last being 2 yards for the counter.

As the final minutes ticked away Muenster again put on a drive but failed to keep it going. Klement did most of the totting in a 40 yard push ending on the visitors' 29. Two first downs were completed in the drive and another was missed by a yard.

"The Ten Commandments are not rules to obey as a personal favor to God.

"They are fundamental principles without which mankind cannot live together.

"Armies are mighty. Atom bombs are mighty. Ideologies born of blind pride and passion are mighty. But the Truth of God is mightier than all — and it shall prevail.

"That is what we have tried to tell in 'The Ten Commandments.'"

"Motion pictures are the greatest medium in the world for transmitting thought vividly from one mind to another.

"The Ten Commandments were born in the Mind of God and given to the world through the mind of Moses.

"Through our picture, we hope they will be impressed anew upon the minds of hundreds of millions of people for generations.

"That is why we made 'The Ten Commandments,' and why I come here and ask you to use this picture, as I hope and pray that God Himself will use it, for

tasted a few gains. From their 24 the visitors went on to another TD, marking up four first downs along the way. The payoff was a 3 yard plunge by Weeks followed by Carr for 2 more points.

Shortly into the second quarter the Rowdies got their third score as Whitehill shook off three tacklers on his 43 yard run to the goal.

Then came Muenster's best drive of the game. Starting from their 28 the Hornets advanced to the Rowdy 18 before running out of steam. Big gainers on the push were passes from Doug Hellman to Joe Hellman for 11 and 12 and one to Larry Wimmer for 15.

Kenny Klement, who came out of the line to replace crippled Billy Otto on offensive, did most of the team's totting for the night.

After stopping the Hornets the visitors started moving again but did not have time to finish the drive.

Following intermission the Hornets started with a 20 yard gain on Hellman's heave to Harris then lost possession on an interception.

In three plays the Rowdies went from the 30 to the 3, then lost possession on a fumble and
