MUENSTER, COOKE COUNTY, TEXAS

NUMBER 2

A beautiful tradition will be observed here this weekend when jolly and big hearted old Saint Nicholas, better known to us moderns as Santa Claus, will make customary visits to lavish on the small fry from his bountiful stock of goodies.

The custom, brought over from Europe by the early settlers of this community, honors the memory of a saintly bishop who became famous during his life time for acts of kindness to children, especially the less fortunate ones who were more in need of his charity. He became so endeared to the people of his area that after his death they began observing his feast by visiting children and giving in his name.

Another feature of the tradition is inquiring into the behavior and habits of the kiddies. In his role as spiritual leader the good bishop was concerned with the welfare of young souls, and emphasized the importance of being good, saying prayers, obeying parents, etc.

There is little wonder that this charming and beloved custom spread to other countries of Europe and eventually came across the ocean. And that's how it happens that the spirit of St. Nicholas will be revived in many a pleasant visit here.

Through the years the legend of this beloved saint has been somewhat garbled. He's still a jolly, big-hearted fellow but his name has been changed to Santa Claus and his memory is honored by giving toys on Christmas rather than by giving goodies on December 6.

All of which does not detract from the memory of St. Nick, provided, of course, that people realize he is the original Santa Claus. Nevertheless it has brought on an unfortunate situation that St. Nick would never have approved. It has established him in too many minds as the dominant Christmas personality, repacing the Infant Jesus and detracting from the sublime beauty of His feast.

Because of this widespread misunderstanding there is special significance in the observance of St. Nick's feast in the traditional manner and on the proper day. It can help children understand who Santa really is and, once he is put in his proper place, to realize also that the great feast of Christmas belongs entirely to Jesus.

It would be wonderful if the observance of this real Santa Claus feast would become more popular and help to remove the tragic confusion that is now so prevalent in young minds . . . for that matter, in many of the older minds.

For quite a number of years devout Christians of several denominations have been striving to "put Christ back into Christmas." They want to see and hear more of the beautiful Nativity story and its relation to the salvation of mankind. Much of that could be accomplished by helping to revive the traditional legend of St. Nick . . . and the total lack of his connection with Christmas.

Good news from a civic standpoint is the announcement last week that the Garden Club will sponsor a Christmas lighting contest here. If that event will inspire an improvement over displays of former years we can rest assured that it will pay handsome dividends in beauty. Heretofore we have had good reason to be proud of Muenster Christmas scenes, with emphasis on the sacred side of the feast, have been abundant and lovely, a credit to the community. And now comes an inducement for extra efforts, and, we hope, a hearty response which will make the town outstanding in Christmas glory.

Obviously everyone cannot be a winner in the contest. But everyone can contribute to the beauty of the over-all effect and share in the pride of a beautiful town.

In this connection we might bear in mind that the Holiday Basketball Tournament will be held here again during the several days after Christmas. Hundreds of visitors will be expected, as usual, to follow their favorite teams to the games, and we hope all of them will be impressed by the appearance of our town. In bringing those people here the school presents the town with a fine opportunity to do things for its prestige.

Final Rites Held Here Saturday for Mrs. W. Morrison

A traffic accident early Thursday morning turned what had been planned as a happy Thanksgiving holiday for the Albert B. Knabe and Walter Morrison families into tragedy and sorrow.

Fatally injured in a car-truck crash at Vernon was Mrs. Walter Morrison of Berger, the former Lorine Knabe. She was 31, born in Muenster March 3, 1927.

Seriously injured in the accident are her husband and their two children, Gloria 8, and Wayne 6. They are in Vernon Hospital.

Also dead as a result of the crash is a friend of the Morrisons, Byron Edelen, 47, of Berger who was a passenger in the car and was going to Sherman to spend the holidays with relatives.

The accident occurred at about 12:45 a.m. just inside the east city limits of Vernon, and only a short time after the Morrisons had visited relatives in that city. The Morrison car struck the rear of a Miller and Miller Motor Freight Line truck parked at the curb outside a restaurant. Driver of the truck was inside the cafe at the time the accident happened.

Investigating officers said that four of the six traffic lanes where the mishap occurred are for moving traffic while two are used for parking.

The wreck happened only minutes after the Morrisons had stopped at a service station where a nephew works to have a tire repaired. As the Morrison car drove off the service station attendant locked up for the night. Before he left he heard an ambulance, followed it, found the accident scene and learned the victims were his relatives. He went to the hospital with the ambulance identified the dead and injured and notified next of kin.

Mrs. Morrison's body was (Continued on Page 9)

Rain Measures .68

Light rains and sleet here during the past week have improved this community's already excellent moisture condition by another .68 inch.

Last Thursday's rain and sleet combined for a total of .38 setting the November measure at 2.79 and the year's reading at 31.47 to that date. Lighter rains, measured Monday and since amount to .30 bringing the year's present total to 31.77.

KC Memorial Lists 55 Dead Members

Fifty five deceased members of the Muenster K of C Council were remembered last Sunday afternoon in the annual memorial service held in the K of C hall.

The memorial roll includes all members who died since the council was established on January 16, 1910. Two of them, John Kathman and Louis Steinberger were added to the list this year.

NEWS OF SICK AND INJURED

Reports on Walter Morrison and children Gloria and Wayne, patients in Vernon Hospital, are that all three seem to have passed the crisis and can look forward to recovery though they will be hospitalized for some time. The little boy, last to regain consciousness is conscious since Saturday night. The little girl is apparently the most seriously hurt. She has her skull fractured in three places.

Mrs. Joe Hoenig is out of bed, but still a shut-in this week, getting around the house with the help of a cane. Her bad knee is healing and should be well in another week.

E. S. Lawson has been dismissed from Bethania Hospital in Wichita Falls and is back at his home 423 Cunningham, Gainesville, following 12 days of medical care. Mrs. Lawson stayed with him about a week. Their son and daughter-in-law, the Leo Lawsons, went for them Saturday and they stayed here through Sunday. Others spending Sunday in the Leo Lawson home were Mr. and Mrs. Looney McGowan and four children of Wynne Wood, Okla.

Christmas Lights Create Hazard at Main Intersection

Christmas lights that have been stretched across the highway for the past two holiday seasons suddenly have become a traffic hazard. Because of them several persons have driven through the red signal of the traffic light at the intersection of Highway and Main.

Lately Deputy Sheriff Buck Wilson caught drivers going through the red light. Invariably their answer was that they did not notice it. They saw lots of Christmas lights but no traffic light.

A driver approaching the intersection from the east saw a mass of lights in line with the traffic light. If he did not notice closely he could easily overlook it.

That's why two of the strings of lights have not been burning lately. The signal is much easier to see when the other lights are out. But it seems a shame to leave about 75 unused bulbs hanging over the street, so the new plan is to leave a dark streak up the middle of the highway allowing the signal to show up more prominently. Five or six bulbs, more if necessary, will be taken out of strings of lights over the center of the highway.

All of which is causing some people to wonder why the hazard was not noticed before.

Muenster Hornets Have 3 Players on All District Team

Three-Muenster Hornets are on the dream team for district 12-B, according to the long delayed tally of votes of member coaches just completed by Boze Anasley. Those players are Jim Myrick, Billy Otto and Doug Hellman.

In addition Muenster has one representative, Don Trubenbach, on the second team and five on the honorable mention list. They are Joe Hellman, Kenny Klement, James Walterscheid, James Harris and Larry Wimmer.

The all-district selections, which are normally made at the meeting of coaches immediately after the football season, was postponed this year because of the more urgent matter of Era's eligibility. Coaches and superintendents spent too much time on that subject and did (Continued on Page 10)

Mrs. C. Strauss, 68, Of Gainesville, Dies; Services Tuesday

Mrs. Carl S. Strauss, 68, of Gainesville passed away at 9:05 p.m. Sunday in Gainesville Sanitarium. She had lived in Cooke County 67 years. The family farm was on old Hwy. 77, south of Gainesville.

Funeral services with requiem mass were held in St. Mary's Church Tuesday morning at 9:30 with Rev. E. J. Gerlich officiating. Burial was in Fairview Cemetery with George J. Carroll and Son Funeral Home in charge of arrangements. Rosary was recited at the Carroll Chapel Monday at 7:30 p.m.

Bearers were Otto and Conrad Hinzman, Ted Neu, Andrew Zimmerer, Julius Allman and Adam Wolf.

Mrs. Strauss, the former Ida Jagelky, was born Dec. 21, 1889, in Taylor and was less than a year old when her parents moved to Cooke County. She was married to Mr. Strauss in 1920.

Survivors include her husband; three daughters, Mrs. Mary Roach, Mrs. Juanita Harlow and Miss Lucy Strauss, and one son, Carl Strauss Jr., all of Gainesville; two brothers, Conrad and Otto Jagelky of Plainview; three sisters, Miss Joanna Jagelky of Plainview, Mrs. Anna Steinberger of Dallas and Mrs. Anna Nees of Noble, Okla., and five nieces.

KCs Plan Christmas Party for Children

The customary K of C Christmas party for children of the members will be held in the K of C hall Sunday night, December 21. The local council set the date and started the planning at its meeting Wednesday night.

Santa Claus will be there with a gift for every child and the hosts will have soda pop for every one. Starting time is after the regular Sunday night church service, about 8 o'clock.

Muenster FFA Boys Win Top Honors in District Contests

Future Farmers of Muenster High brought honors to their chapter by winning leadership contests in the Denton district competition this week. Four teams entered and four won. The boys came home with two firsts and two seconds. Chapter Adviser Glenn Hellman coached the teams.

The chapter team and the greenhand team were tops in farm skills. They tested milk for butterfat percentage. The boys won their seconds in the chapter conducting contest — parliamentary procedure. Muenster High was the only school entering teams in all four contests. Judges commended the local Future Farmers on their Schain testing method which is more practical, simpler, safer and more economical than the old Babcock method of testing milk for butterfat.

Members of the chapter team were Doug Hellman, Truman Wolf and Roger Fleitman. Greenhand teammates were Kenny Fette, Robert Voth and Jerry Endres.

Chapter team in the parliamentary procedure contest was composed of Johnny Reiter, Ferd Haverkamp, Jimmy Sicking, Donnie Trubenbach, Larry Wimmer, Charlie Wimmer, Ronnie Cannon and Tim Fette.

The greenhand team for this contest consisted of Mark Hellman, Harold Flusche, Ronnie Russell, Jimmy Wiesman, Johnny and Dickie Pagel and Choice Stephens.

The contests were held Monday night at NTSC in Denton and the Muenster group made the trip in a school bus.

First place winners will compete this Saturday in the area contests. Seven districts will participate in the elimination routine and top place winners will go to the state contests later.

No Grid Trophies Given in 12-B Loop

As far as season honors are concerned the District 12-B football season might as well be scratched off completely. There are no trophies of any kind. Trophies for district winner and runner-up were emphatically ruled out by Rhea Williams, athletic director of the state Interscholastic League, because of the district squabble over eligibility of an Era player, and especially because of the local district's original decision to overlook the Era infraction. In response to an inquiry about a sportsmanship trophy he said that it would be permissible but not advisable.

It was at their district meeting that coaches voted in favor of Era's eligibility and named the district champ and runner up. Trophies were not presented, however. Later the decision of district coaches was reversed by the Austin headquarters.

WITH THE MEN IN SERVICE

One Day Visitor

Don Wilson is back at army duty at Fort Meade, Maryland, after a one-day visit here with his family. Don was returning to his base from maneuvers in Washington state, telephoned his folks he could take a day's delay enroute. His parents Deputy Sheriff and Mrs. Buck Wilson and son Gene and Lorette Mages drove to Oklahoma City to meet him and brought him home for the day's visit.

Visit Air Force Base
Mrs. Harold Walterscheid and son Lambert enjoyed a visit Sunday at Dyess Air Force Base, Abilene, when they took their son and brother, Airman Delbert Walterscheid, back after a visit at home. They saw the plangs Delbert works on and toured the base. Next time Delbert comes home he'll be a civilian. He'll be separated from the service Dec. 13.

Christmas Greetings
Among the first Christmas greetings to arrive here is a lovely glitter card from Germany from the Jack Janickis and their five daughters. Mrs. Janicki is picking up German. Part of the message accompanying the greeting is handwritten in German. It ends in English with "Give all the locals our best regards." Mrs. Janicki is the former Marcella Pagel.

Muenster Stickers Are Now Available

Handsome four color decals advertising Muenster and its surrounding area are now available here. The stickers, designed for use on automobiles, were received Thursday morning by Lion President Steve Moster and went on sale promptly.

Selling has been turned over to senior classes of the two local schools, profits to go into their respective treasuries. The price is 50 cents.

The decal is made in four colors with the name Muenster printed boldly across its 10 inch width. It also has an outline map of Texas with a star indicating the city's location in the state and a prominent arrow pointing toward the star. Across the top are pictures of a dairy cow, an oil well and the phrase "Dairy and oil center of North Texas." Less than four inches high, it can be attached to the rear window of a car without obstructing the driver's rear view.

Lindsay Hi Teams Admitted to Local Athletic District

Lindsay High School is a new member of the local district of the Interscholastic League and will begin competing for district honors in the 1959-60 basketball season.

Formal notice of Lindsay's application and acceptance and its assignment to this district was received by Superintendent Homsley in a letter from Rhea Williams, athletic director of the Interscholastic League.

He pointed out that the new member may play others of the district and is expected to observe regular eligibility standards but cannot receive district honors before it becomes a member of the regular schedule. That will begin with the basketball season of the next school year.

Muenster's first contests with the new member were held here Tuesday night when boys and girls came here for a basketball game. Lindsay will not be on the '59 football schedule because Muenster is already committed to the full 10-game schedule.

Addition of Lindsay increases the district membership to nine schools. In football this means eight of the Hornet games will be with conference members, leaving only two non-conference opponents on the list.

This year and before there have been seven members allowing each school four non conference games. Next year, with Chico officially going on the list, each 12-B school will have seven loop contests. Muenster will discontinue its recent began games with Newcastle in order to get Chico on its schedule. Chico is eligible to compete for honors in this year's district basketball race.

Members of the local Interscholastic League district are Muenster, Lindsay, Era, Valley View, Callisburg, Saint Jo, Sanger, Alvord and Chico.

Livestock Auction Sponsors Team in County Cage League

The Muenster Auctioneers, a team of local basketball players sponsored by Muenster Livestock Auction, will compete this winter in a city-county league that has just been organized at Gainesville. There are eight teams in the loop.

Activity is due to get under way on Tuesday, Dec. 16 and games are scheduled on Tuesdays and Thursdays thereafter until a double round robin schedule is finished. Games are to be played at the gyms of Gainesville High and Muenster, Callisburg and Walnut Bend. Membership on the Auctioneers squad now consists of eleven men, but more are welcome. Anyone who is interested in joining the team can make arrangements by seeing Dickie Cain.

Present squad members are Dickie Cain, Wendell Richey, Wallace Dougherty, George Lemons, Glenn Hellman, George Petrus, C. J. Hellman, Gene Hartman, William Walterscheid, Carl Walterscheid and Sylvan Walterscheid.

Two More Boy Scouts
Add two more Boy Scouts to the Muenster troop. After passing their entrance tests Pat Hennigan Jr. and Donny Rohmer were admitted Monday night.

Joseph Hundt, 87, Pioneer Resident Of Lindsay, Dies

Death Wednesday night claimed a pioneer citizen of Lindsay, Joseph Hundt, 87, a resident of that community 65 years. He died at 7:30 p.m. in Gainesville Sanitarium where he was a patient since suffering a stroke Sunday.

Funeral services will be held Friday morning in St. Peter's Church with Rev. Alcuin Kubis officiating and burial will be in Lindsay Cemetery with George J. Carroll and Son in charge of arrangements.

Mr. Hundt, son of Mr. and Mrs. Christopher Hundt, was born in Festina, Iowa, and moved to Lindsay with his family in 1893. His father was one of the first school teachers in the Lindsay school.

Both Mr. Hundt and his wife, the former Antonia Flusche, have been active in parish and community work through the years.

Survivors are his wife; three sons, Joe and Gregory of Lindsay and Herbert Hundt of Dallas' two daughters, Mrs. Alois Hess of Muenster and Mrs. Francis Dieter of Dallas and 23 grandchildren. Mrs. Joe Pulte of Gainesville is a sister.

Schools Get Holiday For Church Feast

Next Monday will be a holiday at both of the Muenster schools. The occasion is the feast of the Immaculate Conception, a holy day on the Catholic calendar.

The holiday at both schools is in keeping with the local coordinated school schedule to facilitate cooperative use of the school bus system. Another reason is avoid possible conflicts in classes and religious services for Catholic students at the public school.

MHS Seniors Will Appear Wednesday In Three-Act Play

A three-act comedy "Goodness Gracious Grandma," will go on the stage Wednesday night, Dec. 10, in Muenster High Auditorium. It is this year's class presentation by MHS seniors. Mrs. H. H. Homsley is directing. Curtain time is 8 o'clock.

The hilarious and sometimes mysterious story revolves around "Grandma," a dual role portrayed by Walter Fette. Other boys in the cast are Billy Otto, Jim Myrick, James Walterscheid and Kenny Klement. Senior girls cast in the show are Judy Cain, Kathy Pagel, Pat Otto and Becky Mosman.

All members of the graduating class are participating in production. Margie Flusche is assisting with direction and is in charge of costuming. Ronnie Cannon is stage manager assisted by Gilbert Knabe, and Verta Lee Bridges will make announcements.

Sacred Heart and Muenster Hi Teams Will Play Thursday

Two lively contests are on tap for Muenster basketball fans Thursday night when Muenster High and Sacred Heart meet on the parochial court. Game time is 7:30.

From the little advance dope that is available at this time the boys' contest shapes up as a possible thriller. Neither of the teams has shown much class so far and it seems likely they will be running neck and neck in this affair.

Not so in the girl's game, however. Playing in the Forestburg tournament and again at Callisburg, Sacred Heart established itself as a definite favorite over MHS girls. Still the game cannot be rated as a run-away. Though not proven in action Muenster High has been looking good in practice.

SCHEDULE OF COMING EVENTS

THURSDAY, Dec. 4, Basketball, Sacred Heart vs MHS, 7:30.
MONDAY, Dec. 8, Sacred Heart vs Jesuit B and LGC Academy, Dallas, 3 p.m.
MONDAY, Dec. 8, Farm Bureau's annual Christmas party for members and their families, in the Community Center Building, Gainesville, 8 p.m.

Bernadette Yosten conducted the business session for the intermediate club with 36 members present. Rita Fisher is reporter.

Both groups were told about the annual county 4-H Christmas party to be held in the Community Center at Gainesville on Dec. 8.

Mr. and Mrs. Bernard Huchton and children of Big Springs spent the holidays with her parents, the Alex Pultes, at Gainesville and were in Muenster Saturday to visit relatives.

Ten Children and Families Help Dad Observe Birthday

Al Kuntz of Valley View says Thursday was truly a day of thanksgiving. For the first time in ten years all ten of his children and their families were together in reunion and it was a very happy occasion marking his 75th birthday.

Although birthdate of Mr. Kuntz is December 15 it was observed while the family could come together during the Thanksgiving holidays.

A turkey dinner with all the trimmings was served in the Community Center building at noon and the group spent the afternoon visiting and taking pictures.

Only one note of sadness crept into the joyousness of the reunion. That was when the Kuntz children recalled that the last

time they were all together was at the death of their mother in 1948.

Present were Messrs. and Mmes. Claude Billingsley and sons Lee and Tim of Albuquerque, N.M.; James H. Langston and daughter Linda of Tulsa, Okla.; Robert Hefner of Alhambra, Calif.; Hubert Bezner and son Ricky of New Orleans, La.; Wayne Plumlee and son Mike of Bowie, Gene Kuntz and daughters Vicky and Cindy of Garland, Al Kuntz Jr. and sons Stevie, Donnie and Pat of Fort Worth, Frank Kuhn and children Leslie and Joan of Gainesville, Ed Hacker and son Larry and John Kuntz and son Mark of Valley View. A grandson, Jim Hefner, was the only member of the family missing the celebration. School activities prevented his being present.

Rachel Richardson Becomes Bride of Allen D. Eberhart

—Boyd and Breeding Photo

In Saint Mary's Church at Gainesville Saturday afternoon Rachel Richardson became the bride of Allen Dale Eberhart with Rev. E. J. Gerlich officiating at the nuptial mass and double ring ceremony at 4 o'clock.

Parents of the couple are Mr. and Mrs. Jack Richardson of Gainesville and Mr. and Mrs. Al Eberhart of Muenster.

Rachel was given in marriage by her father. For her wedding she wore a floor length gown of white bridal satin with a Chantilly lace overskirt. The fitted bodice had long sleeves and an accent of lace at the neckline. A crown of lace and bridal jewels held her fingertip length veil and she carried an orchid and stephanotis atop a bride's prayerbook.

Her three attendants, June Reiter, Mrs. Bill Riley and Lindsay Kay Clark, all of Gainesville, wore identical waltz length taffeta bouffants in a deep pink shade, with lighter pink feather hats and gloves and carried pink carnation nosegays.

Attending the groom were his brother Gene Eberhart, his cousin Billy Ray Hellman and Bill Riley.

Mrs. Richardson attended her daughter's wedding in a blue lace dress with black accessories and Mrs. Eberhart, mother of the groom, wore a blue velvet dress with a white feather hat and other accessories in black. Their corsages were of white carnations.

After the service about 50 relatives and friends were guests at a reception in the home of the bride's parents. The newlyweds went to San Antonio on a honeymoon trip and will make their home in Dallas.

The American Way

KARL MARX CHUCKLES
 By Alfred P. Haake

What all the armies, navies and planes in the world could not do to America is being accomplished by the program laid down by a German atheist and materialist 110 years ago. The Communist Manifesto, published by Karl Marx in 1948 is already implemented in the factors that are bringing about collectivism in the United States. Among them are:

1) The heavy progressive or

graduated income tax, which gives the Federal Government unlimited power to tax and destroy.

2) The centralization of credit in the hands of the Federal Government.

3) The ultimate destruction of the right of inheritance, already heavily taxed.

The program can be summed up as government control of our economic life.

Lenin and Stalin both predicted the destruction of the United States through debauching of our currency, deficit spending and mounting government debt. It has been predicted that when the time comes for taking over the United States (in 1973) the forces of communism will not have to spend a single soldier or shot, for the United States will fall like an over-ripe fruit into the hands of the communist world leaders.

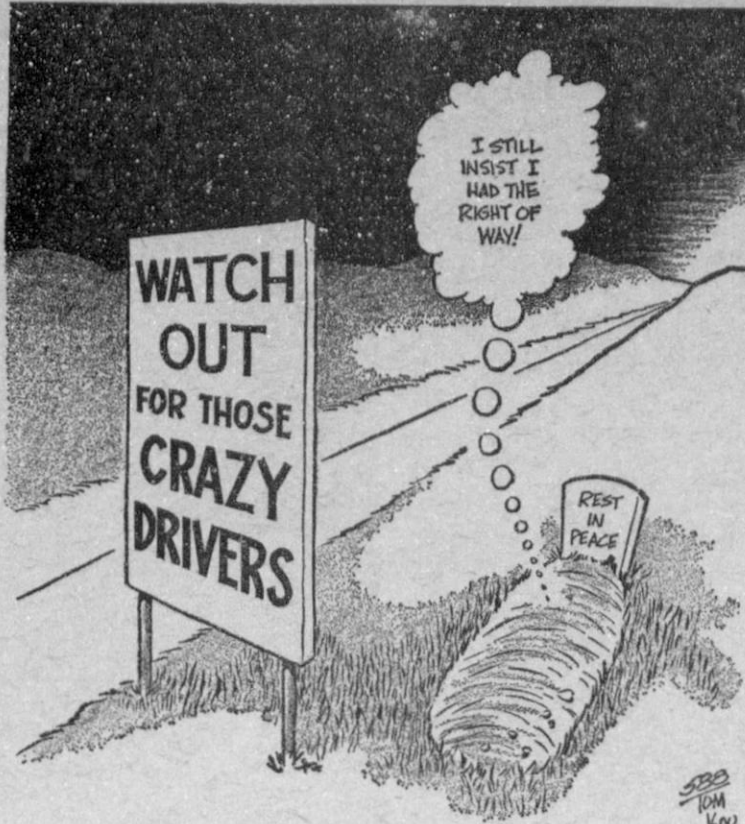

The tragedy is that we are doing to ourselves exactly what the communists know will destroy us as a nation of free men. See what has happened already.

While the purchasing power of our dollar has fallen to less than one-half of what it was in 1939, the total volume of our inflated money (deposits and currency) has increased from 66,950 million dollars in 1940 to 229,400 million dollars in 1958. And our national debt has gone from 42,968 million dollars in 1940 to about 175,000 million dollars in 1958, with a likelihood of close to 300 billion dollars within the fiscal year.

If you are not concerned over what happens to your country in the future, perhaps you will care what happens to your personal net income today and tomorrow.

You have been brain-washed with the assurance that you need not really worry about inflation because your wages or salary also go higher and higher. Well, let's look at that.

T. Coleman Andrews, former director of Internal Revenue and an outstanding authority, has worked out accurate tables showing what income you need now and will need in 1975 to give you the same real income you would have received for the job you are now holding, in 1939. Thus, if the job you hold now would have paid \$3,000 a year in 1939, you would have to have an income of \$7,370 to be as well off for purchasing power now as you were in 1939. And, even though inflation gets no worse, which it actually IS doing, you will need an income of \$16,867

Right to the End

to be as well off in 1975.

This table will show you what you will need now and in 1975 to be as well off for purchasing power as you were in 1939:

1939 Income	Need in 1958	Need in 1975
\$3,000	\$7,370	\$16,867
4,000	10,097	24,415
10,000	30,971	92,141
15,000	54,208	185,584
25,000	121,044	383,748
50,000	333,377	835,393

The difference between what you now get and ought to get has in effect been embezzled from you by your federal government for its extravagances and inflationary tactics.

The constant pressure for higher wages without compensating productivity has also contributed to the big steal.

Senator Harry F. Byrd of Virginia has said:

"Deficit spending is perhaps the greatest single factor in the cheapening of the value of money."

In the meantime, our communist heroes, Marx, Lenin and

Stalin, are probably chuckling between shovels of coal as they contemplate the silly people of America destroying themselves with weapons recommended by the very communist whom they fear and hate.

The big-business executive had died and had not gone to heaven. He had hardly settled down for a long smoke when a hearty hand hit him on the back. He turned and saw a salesman who had often pestered him.

"Well," said the salesman, "I'm here for the appointment."

"What appointment?" inquired the executive.

"Don't you remember?" the salesman replied. "Every time I entered your office on earth you told me you would see me here."

Army troops being trained for a secret mission were sent over an extremely tough obstacle course which included swimming across a raging river, running up a vertical cliff, scrambling through barbed-wire entanglements in full equipment.

"As they reached the end, a colonel barked to an Ozark Mountain boy in the company, 'How do you like it soldier?'"

"Shucks, Suh, it ain't nuthin'," drawled the boy. "Where I come from, we have to go through country like this to get to the barn."

"I'll send the house detective up right away, madam," the manager assured her, and motioned for his minion of the law to scoot upstairs and see what the hassle was about. Auxiliary to VFW Makes Plans for December Activity

Plans for the VFW Auxiliary's annual Christmas party for members' pre-school children were completed at the organization's meeting Monday night and committees were lined up to take charge of details.

Members also planned a gift exchange among themselves, deciding to keep the cost of the present around one dollar.

Date for the Christmas social is Friday, Dec. 19. It will be a morning event beginning at 9:30 in the VFW Hall. Each

child will receive a gift from Santa who will be present for the distribution around a decorated tree. And refreshments will be served to the children and Auxiliary members.

Mrs. John Huchton volunteered to take charge of securing the gifts for the youngsters and arranging for refreshments. Mrs. J. B. Golden accepted the responsibility of making arrangements for Santa Claus to appear at the right time and six members agreed to decorate the tree. They are Mmes. Huchton, Ray and Richard Swirczynski, Dick Cain, Francis Wiese and Frank Felderhoff.

The Christmas party is one of the December honor roll requirements. The others, also fulfilled, are a contribution to the National Muscular Dystrophy Foundation and collection of ten percent of dues.

As is customary, the Auxiliary will again give Christmas cheer to two handicapped children of the community. A twenty-five dollar check was written and mailed to the parents of each child.

The committee on gifts for those in uniform overseas reported that 22 packages were posted last week. Helping with the wrapping were Mmes. Huchton, Frank Felderhoff, Carene Hudspeth, F. A. Kathman, Rody Klement and Richard Swirczynski.

As a Christmas project members are selling boxed candy, pecan pralines and peanut brittle for a dollar a box.

About 30 members attended the session with Mrs. Huchton, president, presiding. One new member was initiated and five prospective members were approved. Agnes Noggler is the new member and candidates for reception are Mmes. Anthony Kement, Alvin Noggler and Mike Sloan, and Margie Walterscheid and Jo Ann Hess.

The bar was crowded, and the loaded customer in the derby hat called out to the bartender, "Drinks for everybody! And you have one, too, bartender!" Obediently, the barkeep served everyone and downed one himself. He then turned to the man in the derby and said, "That'll be \$16." "Haven't got any money," replied the customer. The bartender reached out, punched him in the nose and roughly projected him through the swinging doors. A few minutes later our friend in the derby was back. He staggered back to the center of the bar and, in a loud voice, declared, "Drinks for everybody!" Then, pointing sternly at the bartender, he hiccupped, "But none for you, my friend. When you drink, you get nasty"

The gambler was delivering a monologue: "For three nights straight I dreamed about salami, bolony, and liverwurst. Is that a hunch, or isn't it? I go to the track and in one race three horses by the names of Salami, Bolony, and Liverwurst are running. So I bet all three to win." At this point a friend interrupted. "Which horse won?" "A long shot by the name of Cold Cuts."

Stockmen Warned Frost May Create Poison on Grasses

College Station — The time is here when cattle owners should be warned that Johnsongrass or sorghum after a frost is sometimes extremely high in prussic acid content and is very dangerous to livestock.

When wilted by frost or drouth, certain chemical changes sometimes occur in the plant and it develops a content of prussic acid or hydrocyanic acid, explains Dr. C. M. Patterson, extension veterinarian. The poison acts quickly and can kill an animal within a short time after the damaged plant is eaten.

Symptoms described by Patterson include an appearance of nervousness, difficult breathing and difficulty in standing. Whether a poisoned animal can be saved depends upon how quickly a veterinarian can get to it. Treatment involves injecting antidotes directly into the blood stream.

Young plants will develop more prussic acid than those approaching maturity, points out the veterinarian. Their leaves will contain from 3 to 25 times more acid than leaves of plants in the boot stage. Upper, younger leaves will contain more acid than lower leaves.

Frosted Johnsongrass or sorghum should not be grazed until it is completely dry, advises Patterson. If Johnsongrass or sorghum is ready to cut before a frost, it may be cut the first day after the frost and used for hay if care is taken to see that it is completely cured before baling.

It may also be used for silage, he adds. Generally, enough prussic acid is lost in gaseous form during the ensiling process and as the silage is removed and fed to make it safe for livestock. However, it is not advisable to let the animals self-feed from the silo filled with frosted sudan or sorghum. If the silage is questionable — it should be chemically tested by a local veterinarian or by using one or two inferior animals as "guinea pigs."

Hard Fact

The young doctor was giving evidence in an assault case. His evidence was important, so opposing counsel tried to confuse him.

"I suppose, doctor," he said in doubting, gently ironic tones, "that you are perfectly familiar with all the symptoms of concussion of the brain?"

"I am," said the witness quite coolly.

"Then let me ask you a hypothetical question," went on the counsel with a meaning glance at the jury. "Suppose my learned friend, Mr. Murphy over there, and I should bang our heads together, should we get concussion of the brain?"

The young doctor looked at his questioner thoughtfully for a moment, then said quietly: "Mr. Murphy might."

Sacred Heart Loses One Sided Games to Thackerville Teams

Two smoothly operating teams from Thackerville breezed past the Sacred Heart cagers Tuesday night on the local court. In the opener the visiting girls took an early lead then coasted to their 46-33 win. Next the visiting boys annihilated the Tigers 54-19.

A strong first quarter for a lead of 13-4, and one almost as good in the next period, for a half time score of 25-11, practically decided the margin for the game. During the second half Thackerville extended its lead by a single point. Sacred Heart scorers were Zimmerman 21, Schilling 6, Dangelmayr 4, and Swirczynski 2.

In the next game the lanky Sooners had a picnic extending their lead all through the game. Tiger scorers were Steng 9, Wimmer 7 and Grewing 3.

Bezner Family Has Full Day Reunion

Thanksgiving holidays permitted members of Mrs. Joe Bezner's family to come home for visits with her and Sunday they were all together in reunion.

Nine of Mrs. Bezner's ten sons and daughters and their children had a full day get-together in the KC Hall at Gainesville with a covered dish dinner at noon. All but Mrs. Ed Corcoran of Los Angeles, Calif., were there. Honorees were Mr. and Mrs. Hubert Bezner and son Ricky, attending from the farthest distance. They live in Matairie, La.

Others present were Messrs. and Mrs. Leo Cutaja and daughters Carol and Margaret, Bob Young and son Jimmy, Frank Benenate and children Joey, Marguerite, Janie and Frankie, Bob Bezner and children Stevie and Debbie, Mrs. Isabel Galvan and Al Bezner, all of Dallas, the Joe Bezners and children Judy, Barbara, Skipper, Michael, Kenny, Chuck, Kathie and Jo Ann; the Bruno Zimmerers and children Jimmy, Tommy, Bobby, Joan, Jane and Donna. Others attending were Jack McMurtre of Dallas and Leonard Zimmerer.

All District - - -

not get to the selection of their mythical team. All were asked to write out their selections and mail them to Boze Ansley, secretary. Most of the votes came in promptly but one coach failed to respond. After three weeks of waiting Ansley decided to tabulate the lists he has and forget about the other.

Players who made the first team and their schools are as follows. ENDS: Don Davis (E) and Gail Parker (C). TACKLES: Elton Wilkerson (VV) and Griffin Van Zandt (SJ). GUARDS: James Myrick (M) and Billy Otto (M). CENTER Sidney Kite (SJ). BACKS: Cecil McFarlin (VV), Wayne Williams (SJ), David Galbreath (S), Don Fenley (E) and Doug Hellman (M). All members on the dream team are seniors except Hellman, who is a junior. Also the first three were unanimous selections by all coaches and the next two ran a close contest for the remaining position. Actually Hellman was a point behind Fenley but far ahead of any other district backs, so he was included with the first stringers.

The second team selections were: ENDS: Don Trubenbach (M) and Tom Sparkman (VV). TACKLES: Lee Lewis (E) and Ron Jones (S). GUARDS: Len Grewing (VV) and Joe Lake (SJ). CENTER: Bud Williams (C). BACKS: Neal Wilson (E), Don Parker (A), Richard Boley (C), Graydon Wilson (C), and Nathan Van Zandt (SJ).

Honorable mentions are ENDS: Joe Hellman (M), Jim Dennis (SJ), Bill Easley (S), John Brown (SJ), Carroll Lewis (E), Billy Nikirk (A). TACKLES: Kenny Klement (M), Ben Cowling (E), Leon Parker (C), Bedford Vestal (VV), Jim Pattinger (A). GUARDS: John Kubicek (VV), Wallace English (E), Jerry Lewis (E), Bob Martin (SJ). CENTERS: Ken McCool (E), James Walterscheid (M). BACKS: James Harris (M), Larry Wimmer (M), Bob Doty (VV), Gene Witherspoon (VV), Terry Kite (SJ), Ralph Banks (C), Ralph Amyx (S), Larry Lassister (C), Jim Nikirk (A), Dan Belz (E), Bill Monk (A).

Lindsay Parish Gives 1100 Pounds In Clothing Drive

Lindsay this year contributed 1100 pounds of clothing to the annual drive for the Holy Father's storerooms.

Members of St. Anne's Society, under supervision of the organization's officers gathered in the parish hall to sort and pack the articles.

The shipment has been dispatched to San Francisco, Calif., where it is taken over by National Catholic Welfare Council and re-routed overseas to be distributed to the world's needy. The sponsoring organization expresses thanks to all who helped in the campaign.
