

Three Events Mark Local Observance Of Boy Scout Week

Observance of Boy Scout Week in Muenster began Sunday morning with a church service, included a theatre party in the afternoon and featured a covered dish supper and entertainment program Monday night.

The troop was in full uniform for attendance at the 8 o'clock mass in Sacred Heart Church and reception of the Eucharist in body. That afternoon Scoutmaster Nick Miller treated them to the current attraction at the Relax Theatre.

The Knights of Columbus Hall was the scene of the program Monday night and was attended by 65 persons. Joining the 22 Scouts were their parents, Scoutmaster and Mrs. Miller, Scout committee members and their wives, Scout Officials Oscar Borin of Durant and Pete Brazale of Gainesville, and the big attraction of the evening, Skippy Truitt of Gainesville, who told about his trips to the National Scout Jamboree at Valley Forge and the World Jamboree in England. He showed colored slides he took on the two trips with pictures of special interest from England, France, Belgium, Switzerland, Germany and Holland.

Skippy is the 16-year-old son of Dr. and Mrs. J. Wellington Truitt and Dr. Truitt accompanied his son to Muenster.

Also on the program was Mr. Borin, district representative of Circle Ten Council, who talked on summer camping for boys and on dad patrols.

The program followed a covered dish supper arranged by members of the Scout Mothers Auxiliary.

Believed to have been caused by a near by trash fire, the blaze was making rapid progress on the old wooden building when the firemen arrived. By that time it had done extensive damage to a side and the roof and had destroyed several truck tires inside.

Firemen and other volunteer helpers quickly moved a number of items outside the building and got at the flames from inside and outside. Things saved included other tires, greases and supplies for well servicing equipment.

Despite all this, we are ashamed to note, there is no apparent change in our relationship with the Soviet scoundrels. There is no evidence of strain on diplomatic relations. We go on talking about high level meetings and official visits. And we recall with disgust that the top brass of Washington knew all about the episode while extending its recent courtesies to the murderer, Mikoyan.

If you are alarmed about the size of the national debt and the lavish spending of the people in Washington, it's time to revise your opinion, says an economist quoted by National Review. The man calculates that if the federal government during the past ten years had gone into debt as fast as the average American family our national debt now would be about \$650 billion instead of \$283 billion. Of course, you can still retort that the average family is being liberal with its own money, which it hasn't got, instead of goofing off money that it takes from guys like you and me.

Incidentally, in case you did not know, Congressman Frank Icard advises that the total debt in this country is fairly close to \$850 billion. The federal debt is \$283 billion, and state and municipal debts run the total public deficit to about \$350 billion. The other \$500 billion is an estimate of the total of private indebtedness. All of which means, if it's any comfort to us, that we individuals are still getting more use out of our credit than the government does.

From the Worker, communism's official publication, comes a gleeful report of a thriving communist commune in Red China where 21,530 people now live and work. "Free, completely free," it enthuses, "are rent, food, clothing... including tailoring and shoes... theatres

(Continued on Page 10)

Date Changed for Valentine Carnival; It'll Be Thursday

An eleventh hour change of date, to avoid conflict with a basketball game, has been announced for the Valentine Carnival at Muenster Public School. The carnival has been advanced from Friday night to Thursday, but the Valentine Queen coronation will remain on Saturday, as formerly scheduled.

Originally the plan was to have the carnival on Friday and preparations were proceeding accordingly. Then it was discovered that the event conflicted with the Era basketball game. Era was asked to move the game forward a day and agreed to do so, but then discovered a conflict of its own and asked to change back. So the altered schedule now reads Carnival on Thursday and Basketball on Friday.

The two Valentine events make up the annual school promotion in which all classes and organizations operate concessions for the benefit of their treasury. Previously it was held on Halloween.

FFA Teams Miss Prize Brackets in Ft. Worth Contests

Muenster FFA boys who entered the Poultry and Grass Judging Contests at the Fort Worth Stock Show last week discovered that they were competing in the big league. In spite of a good showing in both events they were not good enough to get into the prize brackets. Teams were there from the far corners of the state.

In poultry judging the Muenster entries made 1256 out of a possible 1800 as compared to 1470 by the winning team. The event was held in two sections, one each for FFA and 4-H contestants and the top five teams were named in each. Muenster failed to make the top 5 in its group but its score was better than No. 5 of the other group. Members of the team were Dickie Pagel, Mark Hellman and Gary Cler. There were 43 FFA teams in the contest.

There were no separate divisions for FFA and 4-H in the grass judging contest, so the ten highest scoring teams were announced. Muenster was not listed in that group, nor did it receive a report on individual or team scores. The information is to be sent to chapters in the near future and Chapter Adviser Glenn Hellman is confident that the report will show his boys near the top 10. 58 teams entered the contest. Members on Muenster's team were Kenny Fette, Roger Fleitman, Jerry Endres and Ronnie Russell.

Fenoglio Is Speaker

State Representative Tony Fenoglio of Montague County has accepted an invitation to be guest speaker at the annual Future Farmers Parent-Son Banquet here on the evening of February 23. Chapter Adviser Glenn Hellman received word this week from Mr. Fenoglio saying he'll be here.

NEWS OF SICK AND INJURED

Illness sent Mrs. Fred Hoedbeck to bed Sunday, and Tuesday night her family took her to Gainesville Sanitarium for medical treatment. The doctor said she would be hospitalized several days.

Mrs. Keith Tompkins who had a major operation at Harris Hospital in Fort Worth Friday night is making a satisfactory recovery, according to a report from her mother, Mrs. Victor Hartman, who is staying with the family this week. Edna will be dismissed from the hospital this weekend to continue recovery at her home, 3821 Norton Dr., Fort Worth 18.

Veronica Rollman continues as a patient at M&S Hospital where she underwent surgery Jan. 26.

Mrs. Ed Eberhart, recovering nicely from virus pneumonia and convalescing at home, suffered a relapse and was back in Gainesville Sanitarium for a week of treatment. She was dismissed again Tuesday and is staying with her daughter and family, the Ray Sickness, until she regains her strength.

Mrs. Al Walterscheid was back at Pagel's Store Thursday after two days at home on account of illness.

Mrs. H. R. Eberhart And Son Injured in Automobile Crash

Mrs. Herman R. Eberhart and eight-year-old son Larry are patients at Gainesville Sanitarium with injuries suffered in a car accident at about 11:30 p.m. Saturday. Their condition Wednesday was reported improved by family members who attended their bedsides.

Worst hurt is Mrs. Eberhart, 27, who has a broken left leg, cuts and bruises. The fracture, near the hip, will require surgery later. The limb was placed in traction Tuesday.

Larry also has his left leg broken, though less seriously. It has been placed in a walking cast and his doctor believes he can leave the hospital next week.

Herman Eberhart, 34, escaped serious injury in the crash and was dismissed from the Sanitarium after X-rays and examinations.

The family was returning home Saturday night when they had the accident. Their car struck the southeast corner of the building across the overpass, formerly the Drive-Inn, and took out a section of wall.

Set in a Y, the building separates the highway from the farm road that leads to the Eberhart home. Neither Mr. nor Mrs. Eberhart can recall just what happened that caused the car to miss the turn and hit the building. Their '54 Mercury was a total wreck.

First on the scene after the accident was Leo Becker who helped the trio in his car and took them to the local clinic. From there they were taken to the Sanitarium in a Vernie Keel ambulance.

Win Thursday Will Place Auctioneers In League Play-off

A game at Sacred Heart gym Thursday night may decide whether the Muenster Auctioneers will be in the play-offs of Gainesville's City Basketball League.

By winning they take fourth place standing, by losing they tie with First Baptist for fourth place and still need a play-off to decide the issue.

Three of the four teams in the play off tournament are already determined. They are Wyatt, Eagles and Clowns. Games will be played next Tuesday and Thursday nights.

In Thursday night's game the Auctioneers will meet the Indians in a make-up game. Starting time is 8:30.

Tuesday night they walloped the Gainesville College Lions by the convincing score of 52-35. Wendell Richey paced his teammates with 14 points.

Parochial Teams Win Two, Lose One In Week's Contests

A sizzling 56-52 win over Our Lady of Good Counsel Academy of Dallas was the big event in basketball activity at Sacred Heart High the past week. In other contests the Tigers were walloped 55-15 by Lanier's Micks and the Tigerettes rolled up an easy 47-18 win over Our Lady of Victory Academy.

Playing OLCG here Monday night, the Tigerettes got off to an early lead and kept it all the way. However they did not enjoy a comfortable majority at any time, their best being a 13 point lead early in the third quarter. The count by periods was 16-9, 31-22, 42-38 and 56-52.

Another feature of the game was a scoring contest between Zimmerer and Bouska. They finally broke even at 46 each.

At Fort Worth last Friday night Sacred Heart had an easy time beating OLV 47-18. Dorothy Zimmerer, playing only the first half, took scoring honors with 28 points.

The following game was equally one sided with Sacred Heart on the losing end. With the odds stacked against them, the Tigers resorted to a stalling game, which held back the Micks somewhat but also left the Tigerettes (Continued on Page 10)

Mrs. Corbin's Father Dies

A. W. Harvin, resident of Achille, Okla., and father of Mrs. M. C. Corbin of route 2 Muenster, passed away Feb. 5 at his home and funeral services were held Feb. 7 in the Methodist Church at Achille with burial in Achille Cemetery.

School Election to Name Two Trustees

Two trustees will be named on the Muenster School Board at an election to be held on Saturday, April 4. The election was officially ordered and a filing deadline for candidates was set by the board in its regular meeting last Thursday night.

Persons whose terms expire this year, and whose places will be filled by the election, are Dr. T. S. Myrick and Albert Fleitman. Neither has indicated whether he intends to seek reelection.

The filing deadline has been set at March 14. To have his name printed on the ballot a candidate must submit his name to Jerome Pagel, secretary of the board on or before that date, and must also qualify for candidacy by taking an oath asserting loyalty to the country and denying membership in any subversive organization.

Farm Bureau Plans Membership Drive

Cooperating in a state wide membership drive nine members of the Cooke County Farm Bureau were in Dallas Thursday attending a state meeting for membership workers. Headliner of the event was Millard Shivers of Waco, state director of the organization.

Representing Cooke County were L. G. Gentle, Ben Davis, Frank Neu, J. W. Sicking and their wives and J. E. Pybas.

The Farm Bureau membership drive is timed in most parts of the state to begin next week, during Texas Farm Bureau Week. In Cooke County it will begin next Thursday, the 19th.

Adult Short Course In Electric Welding Being Organized

Another adult vocational short course is in the making here. Glenn Hellman, agriculture teacher, announced this week that he has made arrangements for classes in farm electric welding to be held in the vocational agriculture building of the public school on February 24, 25, 26 and 27. The instructor will be Robert L. Cates of the Forney Arc Welders.

The course, like the farm electrification course being completed this week, is one of several sponsored by the Texas Education Agency and brought to Muenster through the area and local vocational ag departments.

Class membership will again be limited to 18, and persons wishing to enroll are reminded to contact Glenn Hellman. Unlike the first course, Hellman said, there are no commitments to accept persons from outside the community, so the full membership can be made up of Muenster people. If, however, local applications do not fill the quota others will be admitted. Muenster people are given the priority in this, on a first come first enrolled basis, and they have until Saturday, Feb. 21, to fill the quota. If any vacancies are left then Hellman will accept applications from outside the community.

The fee for the course is \$4.00, to cover the cost of materials.

Local FBLA Preps For 4 Contests at State Convention

Seven members of the Muenster High Chapter of Future Business Leaders of America are spending their spare time lately preparing for participation in four contests to be held in connection with the organization's state convention in Denton February 27 and 28.

The contestants and their chosen subjects are: Margie Flusche and Kay Aytes in spelling and vocabulary; Kenny Fette in public speaking; Kathy Pagel, Judy Cain, Doug Hellmann and Fred Haverkamp in parliamentary procedure.

The chapter has also named candidates to compete for the state titles of Miss FBLA and Mr. FBLA representing the state in a nation wide contest to be held at the national convention. They are Kathy Pagel and Jim Schumacher, and their alternates are Judy Cain and Doug Hellman.

Muenster's FBLA chapter, though organized in the 57-58 school year is a brand new unit this year... because every member of last year's group was a senior. That situation will not prevail next year because the present membership includes a strong representation of under (Continued on Page 10)

Porch-Light Drive By CYC for MOD Scheduled Monday

Monday night, Feb. 16, the teens' march on polio will be conducted in Muenster. Members of the parish Catholic Youth Council will conduct the march throughout the city.

Residents who wish to contribute to the National Foundation in this porch light drive are asked to have their porch lights burning between the hours of 7 and 8 so the young people will know where to stop for donations.

Meanwhile the local MOD fund has gained \$25.36 from student envelopes at Muenster Public School and \$8.75 from a collection at the First Baptist Church. This brings the local fund to date to \$157.41.

Still to be counted are the contributions in the polio banks in business houses and the envelope donations from students of Sacred Heart School.

The Ladies Auxiliary to the VFW Post is sponsoring the drive in Muenster.

Muenster Juniors Win Consolation at Montague Tourney

Elementary youngsters of the Muenster public school gave a good account of themselves at the Montague basketball tournament. The boys were consolation winners and the girls lost by a close score in the semifinal of the champ bracket.

A 27-17 loss to Goldburg in the preliminary tussle put the Muenster boys in the consolation bracket, after which they coasted to a 29-8 win over Sunset in the semifinal and bested Nocona 35-22 in the final. Noble McElreath was Muenster's top performer in all three of the games. In the opener he accounted for 16 of the 17 points, next he hit 17 of the team's 29 against Sunset, and finally he scored 26 in the Nocona game. For their consolation trophy the boys received 10 individual medals, one of which is in the trophy case and the other nine were distributed among the 8 players and Coach Lemons.

Muenster girls got into the championship bracket by taking a 26-16 decision from Goldburg in the opening game, then lost out by the tight margin of 18-16 to Montague, which later lost 21-20 to Bellevue in the champ final.

Burglary Nets \$150 At Trachta Drug

A burglary at J. C. Trachta's drug store Sunday night resulted in the loss of over \$150 in cash and cigarettes plus damage to the front door. The break-in and theft were discovered early Monday when Trachta came to the store and found it open.

Items lost were some 60 cartons of cigarettes along with about \$20 in change which had been left in the cash drawer. Nothing else was missed.

Entrance had been gained by forcing both the main lock and a padlock with a bar. Investigating officers took finger prints in the store.

On Honor Roll

Basil Reiter, junior at Dallas University, qualified for the honor roll for the first semester. He has consistently been an honor student beginning in his freshman year. His parents are Mr. and Mrs. Clem Reiter.

FETTE RELATIVE DIES

John Steffensmeier, 78, youngest brother of Mrs. John Fette, died Friday in Saint Paul, Iowa, and funeral services were held there Tuesday. Mr. Steffensmeier had visited here on several occasions, the last time when Mr. and Mrs. John Fette celebrated their golden wedding anniversary ten years ago.

SCHEDULE OF COMING EVENTS

- THURSDAY, Feb. 12, Valentine Carnival, Public School.
- FRIDAY, Feb. 13, CID of A meeting, after church services.
- FRIDAY, Feb. 13, MHS vs Era, here.
- SATURDAY, Feb. 14, Valentine queen coronation, Public School.
- SUNDAY, Feb. 15, SHHS vs St. John's of Ennis, here.
- TUESDAY, Feb. 17, MHS vs Callisburg, there.
- TUESDAY, Feb. 17, PTA meeting, MHS Auditorium, 8:15.

Local News BRIEFS

Marilyn Horn and Kathy Pagel spent the weekend in Austin with the former's sister Pat Horn.

Henry Loerwald has ended a two-week visit with his sister, Mrs. Al Walterscheid and family, with another sister, Theresa Loerwald at Lindsay, and his brother Joe Loerwald at Gainesville. He returned to Luverne, Iowa, Monday evening by train.

Eleven Benedictine Sisters from here were among the large number of nuns attending a series of lectures in Dallas Saturday. Termed an "Institute of Spirituality on Sister Formation," the program was held at Dallas University and was conducted by Sister Mary Emil I.H.M. of the Catholic University in Washington, D.C. Mother Phillipa, head of the Benedictine Order in Jonesboro, and a companion, Sister Benedicta, also attended the institute.

A dinner party Sunday in the home of Mr. and Mrs. Anthony Luke observed three events: the wedding anniversary of Mr. and Mrs. Steve Moster, wedding anniversary of the hosts and the seventh birthday of their son Frank. Attending with the Mosters were their son Frankie and other guests were Mr. and Mrs. R. N. Fette and sons David and Danny and Mr. and Mrs. Ben Luke. Those observing anniversaries received gifts.

Mr. and Mrs. Leo Hoedebeck and daughter Kathy of Gainesville were here Sunday to visit his parents and other family members.

Mr. and Mrs. Walter Wolf of Gainesville have named their baby son Christopher George. His christening took place Sunday afternoon in St. Mary's Church. Godparents for Chris are his grandparents, Mrs. Adam Wolf Sr. of Gainesville and Victor Hartman of Muenster.

Returned home after a visit in Cooke County are Mr. and Mrs. Louis Wiesman and children of Farmington, N.M. They were guests of his parents, the Tony Wiesmans at Gainesville, her mother Mrs. Ed Moster at Lindsay, and other relatives. Enroute home they stopped in Abilene to visit Mrs. Wiesman's sister.

Weekending here were Mr. and Mrs. Willie Joe Matthews of Sulphur Springs who were guests in the home of her parents, the Bernard Sickings.

Blessed Events

Mr. and Mrs. Johnny Rohmer are parents of a son, a tiny two pound 14 ounce boy who was in a hurry to get here and be a playmate for his sister Darlene. He arrived at M&S Hospital midnight beginning Feb. 9 and was reported "doing fine" in an incubator Wednesday and has been taking nourishment. A special nurse has been on duty with him. Mrs. Rohmer was dismissed from the hospital Wednesday. The baby will remain there indefinitely. He's the grandson of Mr. and Mrs. Joe Fette and Mr. and Mrs. John Rohmer and is the 12th great-grandchild for Mr. and Mrs. Joe Otto.

Mr. and Mrs. Morton Wright of Irving have named their baby son James Ronald. His christening was held Sunday with Mr. and Mrs. Emil Rohmer as godparents for their nephew. Mrs. John Rohmer accompanied them to Irving and remained to spend a week in her daughter's home. James Ronald arrived Feb. 3 weighing eight pounds 13 ounces. The Wrights have two other children Michael and Mary Lou.

Mr. and Mrs. Alvin Rauscher of Valley View have announced the birth of a daughter — their sixth girl. She arrived Friday, Feb. 6, weighing nine pounds 11 ounces. Her grandparents are Mrs. Will Bierschenk and Mr. and Mrs. Frank Rauscher of Valley View. Mr. and Mrs. Vincent Felderhoff are their niece's godparents. Her christening was held Tuesday afternoon in St. John's Church with Father Anthony Gajda officiating. The little girl's name is Alice Jane.

Mrs. Ben Seyler is in Midland getting acquainted with her new grandchild, the baby son of Mr. and Mrs. Darrell Adams, and enjoying the company of her other grandchildren Paul, Pete, Aggie Lou and Ben. The baby, born Jan. 14, is the great-grandson of Mr. and Mrs. John Fette.

Former Muensterites Mr. and Mrs. L. Burchfiel of Saint Jo are grandparents for the first time. Their grandchild is the infant son of Mr. and Mrs. Joe Burchfiel of Denton.

Birthday Observed

Nick Yosten's birthday brought a group of sheephead-playing relatives to his home for an evening card party to help him celebrate. The men's wives accompanied them and visited with Mrs. Yosten. She served refreshments of birthday cake and coffee to the guests.

Altar Society at Valley View Names Officers for 59-60

Members of Saint John's Altar Society at Valley View have elected new officers for two year terms.

Heading the roster as president is Mrs. John Kupper to replace Mrs. Will Bierschenk who retires from office this year. Mrs. Tony Hacker is the new vice-president following Mrs. Ben Luttmir, and Mrs. John Kuntz is secretary-treasurer replacing Mrs. Marvin Rauscher.

The 11-member group meets once a month. Present project is to assist bereaved families of the parish and community. Requiem mass was said for a recently deceased member, Mrs. Ferdinand Hundt, the past week.

Father Anthony Gajda is spiritual director of the altar society.

Reunion Observes Justin W. Hess' 45th Anniversary

Family gathering observed the 45th wedding anniversary of Mr. and Mrs. J. W. Hess who shared honors of the occasion Sunday with their son-in-law and daughter, Mr. and Mrs. Eddie Schmitt, married 20 years, and their son and daughter-in-law, Mr. and Mrs. Bill Hess of Ardmore, Okla., married ten years. Mrs. Schmitt is the former Margaret Hess.

The three anniversaries were observed at a housewarming given for Mr. and Mrs. Leroy Schmidtkofer at their home in Lindsay. Mrs. Schmidtkofer is the former Rosina Hess.

Covered dishes brought by those attending provided a sumptuous feast for the noon meal and Carol Hess baked and presented a handsome large anniversary cake.

All the children and grandchildren of Mr. and Mrs. Hess were present with the exception of two daughters: Sister Joan, a member of the Benedictine community of Jonesboro, Ark., and Mrs. Leo Schmitt and her family of Mabton, Wash.

The other children are Joe, Alois and Tony Hess and Miss Helen Hess of Muenster.

Justin Hess is one of the best-known farmers in Texas. He and his wife, the former Margaret Klement, live on a farm four and half miles north of Muenster. They were married here in 1914.

Long a booster of soil conservation, Mr. Hess served as chairman of the board of directors of the Upper Elm-Red Soil Conservation District for about 15 years, resigning about two years ago. He received several awards for conservation practices and outstanding service in the district.

He has also been active in other fields, serving as chairman of the parochial school building committee and again of the building committee of Sacred Heart High School.

He has been a member of St. Joseph's Society for more than 40 years and held almost every office in the society. He is currently serving his third term as prefect of the parish Third Order of St. Francis of which he has been a member over 30 years.

Mr. Hess helped organize the Cooke County Electric Co-operative Association of which he was chairman for two years. He was a director in the FMA from its beginning in 1922 until it was bought by NTPA in 1942. And he is a director of Muenster State Bank and of Muenster Mutual Fire Insurance Association. Mr. Hess has always been active in the Catholic State League of Texas and served as its rural life chairman for several years.

Mrs. Hess has devoted her time to her home and children and has encouraged and assisted her husband in his various religious and civic activities.

4-H Boys Learn About Auto Care

A study of automobile maintenance furnished an absorbing topic for members of Sacred Heart Boys Junior 4-H club's February meeting. D. B. Wheeler, assistant county agent, told about care of cars and how to get the maximum good out of them at a minimum cost.

Mr. Wheeler also announced the Share-The-Fun Contest March 2. Danny Wilde, club president, was in charge of the meeting and Ricky Endres, reporter, counted 18 members present.

"Hangover — something to occupy a head that wasn't used the night before."

Royalty Crowned at Mardi Gras Dance

A round of applause cheered Joalene Mollenkopf and Anthony Knabe Tuesday night when announcement was made that they were chosen queen and king of the Mardi Gras Ball sponsored by Sacred Heart High juniors as a class benefit.

A brief coronation ceremony was held at intermission and Carolyn Swirczynski and Jimmy Owen made announcements. They presented a crown to King Anthony and he in turn crowned Queen Joalene. Her crown was a coronet of red and silver hearts. She wore a blue

chiffon and taffeta formal. A good crowd of students and parents attended the school's last party before Lent and those present cast their votes for the royal pair. Each of the high school classes had previously selected two favorites for candidates. The others were Alice Walter, Paul Dangelmayr, Jane Endres, Ann Stoffels, Eddie Joe Schmitt and Herman Grewing.

CARD OF THANKS

Thanks a million to the Muenster firemen and all the others who helped at the fire in our storage shed Tuesday. We are deeply grateful.
Mr. and Mrs. Leo J. Haverkamp

DRY your CLOTHES ELECTRICALLY — for only PENNIES

... that's all it costs . . . only pennies (less than five pennies per load) to dry your clothes the modern way — electrically. For the softest, fluffiest and sweetest-smelling clothes imaginable, see your electric appliance dealer soon for an electric dryer. You'll save time . . . save work . . . save money . . . and save clothes.

TEXAS POWER & LIGHT COMPANY

Mrs. Endres Hosts Get-Together Club

Mrs. M. J. Endres entertained the Get-Together Club in her home for the February social hosting 11 members and two guests for a progressive 42 series, followed by refreshments of Bavarian cream pie and coffee.

Mrs. J. B. Wilde was high point winner in the games, Mrs. Joe Luke drew the door prize and Mrs. Al Waiter received a birthday gift from her sunshine pal. The guests were Mrs. Henry Fette and Mrs. R. R. Endres.

Sermonettes Heard At St. Anne's Meet

Sermonettes by Father Christopher and Father Bonaventure highlighted the January meeting of St. Anne's Society Sunday. And tentative plans for a reception of new members and for the annual Communion breakfast furnished discussion during the business session conducted by Mrs. Victor Hartman.

Father Christopher urged the society as a whole to participate in activity of the Confraternity of Christian Doctrine and National Council of Catholic Women.

Father Bonaventure's subject was "Sacrifices of Motherhood." He explained that making the morning offering does in fact transform trials and work into a prayer pleasing to God and beneficial to both children and parents.

Mrs. Joe Swirczynski's mission report revealed three boxes of clothing sent to Father William Lane at Gainesville for a rummage sale.

Thirty-four members were present and Mrs. Frank Yosten won the attendance prize, a potted ivy.

Former Muensterite Mrs. Joe Sharp and her son Jim Sharp of Tulsa stopped here to exchange greetings with the J. C. Trachtas Friday enroute to West Texas to visit relatives.

GOV. PRICE DANIEL is shown signing a proclamation designating the week of Feb. 15-22 as "Farm Bureau Week" in Texas. Looking on are J. H. West, Bishop, president of the Texas Farm Bureau; and Millard Shivers, Waco, organization director. A big rally of Farm Bureau county and community membership chairmen in Dallas Feb. 12 will kick off the annual state-wide membership drive. Texas ended its 1958 membership year with 76,032 farm and ranch families enrolled. Daniel, who is a member of the Liberty County Farm Bureau, congratulated the state organization for having the largest membership gain in the nation last year — 3,351 members.

Attend Wedding of Kin in Windthorst

A Saturday wedding in Windthorst was attended by a group of relatives from here. Carolyn Jo Schroeder, daughter of Mr. and Mrs. Joe Schroeder, became the bride of Clarence Hoelscher of Houston in a 5 p.m. ceremony at which Father Cyril Lange officiated.

Mr. and Mrs. Gary Hess, godparents of the bride, and their children and the bride's grandmother, Mrs. John Knabe, were among guests as were Mr. and Mrs. Tommy Knabe, Mr. and Mrs. Norbert Knabe, Mr. and Mrs. Leo Sicking and daughter Carol Lee, and LaVerna Hess of Fort Worth who came here to join her parents in attendance at the wedding and came back with them to remain here through Sunday.

A reception with dinner followed by a dance were wedding day events held in the KC Hall.

Richard Hellinger And Denver Girl to Marry After Easter

Announcement has been made of the engagement and approaching marriage of Mary Borghenck of Denver, Colo., to Richard Hellinger son of Mrs. Ben Fleitman of Muenster. The couple will be married here after Easter.

The bride-to-be has returned to her home after a week's visit here getting acquainted with the Fleitman family and making plans for the wedding.

Richard met his bride-to-be when he was in Denver following his discharge from the service. He is employed in Gainesville and lives there now.

The best way to develop your reputation is to develop your conscience.

give the unique shirt with the soft collar that **WON'T WRINKLE... EVER!**

VAN HEUSEN CENTURY SHIRT

\$4.00 and \$5.00

Here is the shirt you can wear, and wear, and wear! Its revolutionary soft collar won't wrinkle... ever! That's why it makes a wonderfully practical gift for Valentine. Any man will appreciate this shirt... for the way it keeps him looking neat, around the clock... for its unequalled comfort, with a collar that's always soft because it needs no starch. So make this a special Valentine. Give a Van Heusen Century shirt. It's one of the wonders of the shirt world.

79th Birthday

Seventy-ninth birthday of I. A. Schoech brought his daughter and family, Mr. and Mrs. Ferd Yosten, Judy, Harry and Teddy of Fort Worth to Muenster Saturday to help him celebrate. Mr. and Mrs. Schoech's other children from here stopped at the family home for afternoon visits. The Ferd Yostens also visited members of his family, the Frank Yostens, before they returned home in the evening.

Family Entertained At Buffet Supper

Mr. and Mrs. Ben Luke were hosts in their home Sunday for a buffet supper and 42 party for which his brothers and sisters and the Lukes' children were present. Mr. and Mrs. Martin Friske attended from Lindsay and other guests were Mr. and Mrs. R. R. Endres and their son Hugh Endres, visiting here from Albuquerque.

LOOKING AHEAD

by Dr. George S. Benson
 DIRECTOR — NATIONAL EDUCATION PROGRAM
 Secoy, Arkansas

SHOCKING REVELATIONS

When the Chinese Communist instructors conducted their classes for American GI prisoners of war in North Korea — brain washing most of them into a degree of cooperation — they used books by American authors who had overemphasized our defects, the unattractive things in America — vice, political corruption, racial conflict, the greediness of some employers, the failure of some people to prosper. The brain washers played up these things, distorting the full picture until in the minds of the GIs, who were educationally unprepared for such an experience, the good things about America faded from the consciousness and our American system became something bad.

In his examination of today's high school textbooks in American history, as reported in his new book, "Brain Washing in the High Schools," Dr. E. Merrill Root found that some of the most widely used texts similarly overemphasize unattractive conditions and incidents and give a distorted picture of important events in the founding and growth of our American system. Onesided or distorted presentation of history tends to make children disrespectful of their heritage. In such a misinformed state of mind they are ripe targets for the sly propaganda beckoning toward various forms of Socialism — "the wave of the future."

One-Sided Picture

"Cartoons in several of these texts," Dr. Root reports, "splash the ills of American life across the pages. The craze for gambling in stocks in the late 1920's is made graphic . . . One cartoon stresses child labor, another reveals in an industrial slump, other pictures gloat over 'a typical tenement,' the corruption of the Republican Party, the Senate of the United States as subservient to 'the trusts.' One picture reiterates an industrial slump, another plays up the Homestead Strike luridly (beset with violence and bloodshed), another the Pullman Strike . . .

"The point is not," observes Dr. Root, "that the dark areas of American history should be hidden, but that the undoubted excellences of America are hidden (in 10 textbooks studied); the authors make vivid much of the real ro fancied evil of the American story, but one wonders why the story is not balanced with its glory, as historical proportions require."

Shocking Facts

The authors cite as their authorities a number of Left Wing writers and propagandists, for instance: Howard Fast, Communist propagandist who just recently announced he had broken with the Party, Gunnar Myrdal, Swedish Socialist who has shown a warmth toward Soviet Russia; Carey McWilliams, who has one of the longest Communist-front records in U. S. government files; Gene Weltfish, vigorous Communist-fronter who publicly asserted that the United States engaged in germ warfare in Korea, and who was dismissed from Columbia University because she refused to testify as to her membership in the Communist Party.

These and others of their ilk are among the "authorities" cited in book after book among the 11 examined by Dr. Root. Books by Albert E. Kahn, cited commendably as an "authority" by some of these textbook authors, actually were used by the Reds in Korea to "brain wash" American GIs. Kahn took the Fifth Amendment before a Senate committee on the question of his Communist Party membership. The Senate Internal Security Committee reported: "American boys were forced by their captors to read and report favorably on these works of Albert E. Kahn (degrading America and praising Soviet Russia) or face starvation, torture and probable death."

Special Pleading

These high school history textbooks show an easily discernible (to the mature mind) bias against conservative politicians and for "liberals." They discount Communist Fifth

Column activities within our government and in defense industries as the "Red Scare." They do not bring forth the historical details of the Alger Hiss case or the Harry Dexter White case in which Communist agents were found to be entrenched and wielding influential power in the most sensitive areas of our national government. The impression given is that our Congressional and Justice Department anti-Communist activities largely constitute "witch hunting."

Every citizen should read Dr. Root's book and then, in co-operation with local school authorities, see that contaminated teachings are replaced with books by authors who clearly shows an objective fairness toward American institutions and our American system.

THE PRICE OF A STRIKE

Robert U. Brown writes in Editor & Publisher:

"It has been estimated that the deliverers' strike against New York newspapers cost about \$50,000,000 — about \$25,000,000 in lost newspaper advertising and circulation revenue, \$5,000,000 in lost wages to newspaper employees, \$10,000,000 in lost retail sales, and another \$10,000,000 in lost revenue to other businesses which depend upon newspapers and newspaper advertising."

Despite all this, Mr. Brown goes on, the strikers didn't gain anything. They finally accepted wage increases and fringe benefits which were virtually the same as those they had been offered and had refused weeks earlier.

According to a House Committee, Americans are being bilked of something like \$100 million a year for preparations advertised as weight reducers. They include wafers, machines, appetite satiants and other devices. Their advertising, the report says: "Is an area fraught with deception and outright fraud."

PENNIES FOR DOLLARS

As long as the people vote for candidates for office who seek votes by promising ever increasing public expenditures instead of government economy, they have no one but themselves to blame if they are bled white by taxation.

Don't kick at your taxes if you vote for "free" handouts and tax-spending politicians — they take dollars from your earnings to give you pennies for your votes.

The Big Bully

SCHOOL INVASION NEXT

Soviet propagandists are now ready to move into American high schools and colleges in a bold frontal movement to impress American youth with the superiority of Kremlin collectivism. And, unless our school boards and college and university administrators realize what is going on and exhibit courage, foresight and patriotism, this latest Communist invasion will yield a quick and easy victory.

On exhibit at the joint meetings of the American Physical Society and the American Association of Physics Teachers in New York at this writing are Russian microscopes, projectors, electronic equipment and other apparatus for the study of physics, and which are offered to American school people at prices that will be tempting low to budget-conscious buyers. After paying import duties averaging about 40 percent, the Soviet instruments will sell for one half to one third the cost of those made in the U.S.

It is explained that the low prices are possible because this equipment is mass-produced. Don't you believe it. What the Russians know about mass production they learned from us. And what the Russians make — in any category — is made by slave labor, if not in the USSR then in the satellite countries or in the vastness of teeming Red China. No matter what the demands for their goods, the Kremlin masters are not about to run out of faceless people whose abject toil earns only the meaneast existence. Thus, whatever the price of their goods, it will be lower — if that will make Americans buy. To the Reds,

trade is now, as it always has been, a strictly political weapon. Its only objectives are propaganda and the destruction of capitalism.

This newest move is shrewdly conceived. The Soviets appreciate the advantage of confronting impressionable American boys and girls in their schoolrooms with that "made-in-Russia" label. These highly useful instruments (even if they are inferior by U S standards) can be silent salesmen for the perilously fallacious idea that Russia is just another country, that since there's nothing sinister-looking about this apparatus, why get in an uproar over Communism. And the Russians know, too, that our school people must count their pennies to make hard-won appropriations cover the necessary expenditures. A bargain is nowhere more seductive than among school administrators.

Americans who resent this latest Soviet effrontery will support their school boards in refusing to fall in with this plot. In fact, they will instruct those who spend their school money not to traffic with the enemy. There could be, in the long run, no more costly bargain.

The vanity of two ancient Romans is responsible for shortening the month of February. The World Book Encyclopedia says February had 30 days until Julius Caesar took off one day to add to the month of July named after him. The emperor Augustus took off another day from February to lengthen his namesake, the month of August.

Poverty they say is no disgrace — but that's about all you can say for it.

Movies, TV, And Your Children

by J. Edgar Hoover, Director, Federal Bureau of Investigation

As a law enforcement officer and as an American citizen, I feel duty-bound to speak out against a dangerous trend which is manifesting itself in the field of film and television entertainment. In the face of the Nation's terrifying juvenile crime wave, we are threatened with a flood of movies and television presentations which flaunt indecency and applaud lawlessness. Not since the days when thousands filed past the bier of the infamous John Dillinger and made his home a virtual shrine have we witnessed such a brazen affront to our national conscience.

Hoover

AS AN ILLUSTRATION, two brothers, aged 10 and 12, who recently terrorized a town in Oklahoma in a shooting spree that left one man dead and two others wounded, told the police they got the idea from watching television and movie crime stories.

There are, of course, many responsible leaders in the motion picture and television industries who dedicate their efforts to producing wholesome entertainment and to upholding the worthwhile principles of established production codes of ethics. Again and again, they serve the best interests of law enforcement and the public welfare by genuine portrayals of criminals in their true light — wretched, unglamorous leeches who bring nothing but degradation to themselves and human suffering to their fellow men.

REGRETTABLY, however, there

are some unscrupulous individuals who value money above morals, and whose actions should be exposed in the searching klieg light of public opinion. In their lust for bigger and bigger profits, they glorify violence, glamorize corruption, and picture criminals as heroes for youth to idolize.

I deplore censorship — and certainly law enforcement officials have no right to dictate what should or should not be shown on the rectangular screens. They do have, however, the obligation to insist on the observance of the moral law which binds men in all matters. They also have the right to speak out when law enforcement is held up to ridicule and the criminal is elevated to heroic proportions.

NO STANDARD of decency or code of operations can justify portraying vile gangsters as modern-day Robin Hoods. Film trash mills, which persist in exalting violence and immorality, spew out celluloid poison which is destroying the impressionable minds of youth.

Parental supervision over the entertainment fare of children, discretion on the part of movie and television viewers, fulfillment of community responsibility by film exhibitors and television station executives, and citizen protests to producers of offensive shows can solve this problem.

Unless the leaders in the television and motion picture industries take the initiative to correct this ominous trend of crime glorification, they may be assured it can be accomplished by the strong pressure of public opinion. Time after time, the voice of the citizen has brought action, and it can be done again.

V'Ball Tournament Plans Discussed At Alumni Meeting

Sacred Heart Alumni's February meeting concerned principally the volley ball tournament the association will sponsor in March. No definite date was set after the previous date was ruled out because it would conflict with the annual volley ball tournament at Nocona.

Fifteen teams have sent word that they'll be here for the tournament and others are still expected to report. The Alumni has three teams practicing, two girls' and one boys' team.

Treasurer Mrs. Sylvan Walterscheid read the financial report and reminded members this is the time to pay 1959 dues. Herbie Miller, president, presided for the meeting attended by 30 members and Sister Celine and Sister Theresina.

Mrs. Herbie Miller, refreshment hostess, served the group and volley ball practice followed.

1959 Heart Fund Chairmen Named In County Drive

Mrs. Tony Dulock of Gainesville will be vice-chairman of the 1959 Heart Fund, Dr. A. L. Burris, president of the Cooke County Heart Association, has announced. Mrs. Dulock will share responsibility in conducting the drive with Dr. R. L. McLeroy who earlier accepted the post of campaign chairman.

The drive will be conducted during February with Heart Friday set for Feb. 20.

Heart Fund dollars have been used in placing educational literature and heart models in the schools, displays at the County Fair and training for Home Demonstration Clubs. The county chapter also has a loan fund which has been used for emergency measures during the past few years.

A large proportion of the funds raised in the county is used locally. About 50 per cent is turned over to the American Heart Association, parent organization, and is automatically earmarked for research.

Prize Winners

Two couples received prizes at the VFW Auxiliary's Valentine dance Saturday night. Presented a box of chocolates for being the couple with the biggest family were Mr. and Mrs. Ed Endres, parents of ten. Candy also went to Mr. and Mrs. Walter Haverkamp of Electra for being present from the farthest distance.

Auxiliary President Mrs. John Huchton made the awards at intermission. A large crowd attended and lauded the music of Tommy Harkness and his Stardusters, playing in Muenster for the first time.

Attend CYC Meet

Sacred Heart Parish CYC was represented at the diocesan Catholic Youth Council convention in Fort Worth during the weekend by three members: President Ruth Endres, Joanie Herr and Dorothy Zimmerer. Father Bruno Fuhrmann, director of the CYC in the parish, also attended the convention Saturday and Sunday.

Valley View and Sanger Lick MHS In Double Headers

(Held over from last week)
Four more losses during the past week leave Muenster High teams firmly settled in the cellar of the 37-B basketball conference. The teams lost double headers to Valley View last Friday and to Sanger Tuesday.

There was a certain amount of satisfaction in defeat, however, as the MHS boys made their best showing so far against Sanger, which is currently tied with Alvord for the district lead.

During the first half, while Sanger played a man to man defense the Hornets did fairly well, trailing only 25-22. But a switch to zone defense wrecked the Hornets. They lost ground in the second half for a loss of 58-36. Top Hornet scorers were Harris, Joe Hellman and Myrick with 14, 10 and 8.

The girls game was one sided in a big way. Muenster got over half of its scores in the final period after Sanger turned the games over to its beginners. The score: 46-23. Leading for MHS were Fisher and Dyan Hellman with 6 each.

At Valley View reserves played all the game and finished at the small end of a 62-22 count. Otto, the only regular, and Kenny Klement led the Hornet effort with 7 each.

The girls game was a defensive affair in which Muenster's only satisfaction was holding Valley View to a fairly small count. 28-12 was the score.

As a preliminary to those games freshman girls of the two teams played a game that did not count for the records. Angela Dern with a keen eye on the net scored 12 points in leading her team to a 13-8 decision. As a substitute in the next game she accounted for 4 of her team's 12 points.

Days are Numbered For Miniature Mail

Signs that recently went on display in the local post office remind the public that the days are numbered for miniature size cards and envelopes. After July 1 the Post Office Department will not accept mail smaller than 2 3/4 x 4 inches.

Postmaster Arthur Endres states that the regulation was adopted months ago, about the time of rate increases, but its effective date was postponed in order to give manufacturers and merchants time to clear their stocks. Individuals also are reminded to use their under-size cards and envelopes before the deadline.

Reasons for ruling out the small mail are the difficulty in handling and the danger of losing it.

While standing at the bar of a Texas hotel, an Easterner was forced to listen to one rancher brag about the many acres of land he owned.

After the boastful Texan left, the Easterner remarked to the bartender, "He sure isn't modest about all the ground he owns, is he?"

The bartender drawled, "Oh, he does a lot of talking, but his story is no brag. I know, because I'm his neighbor on four sides."

Operation Waterway Under Way in Area

Operation waterway is off to a running start in the Muenster area. Taking advantage of the slight let-up in severe weather conditions, cooperators of the Upper Elm-Red Soil Conservation District began planting Bermuda grass on areas to be used for terrace outlets.

In planting these waterways landowners are one step nearer their goal of installing a coordinated soil, water and plant conservation plan to their land to protect and improve the soil. Often a grassed waterway is the foundation of a good terrace system and must be established before terraces can be built to protect sloping cropland.

District cooperators who have started the waterway planting operation are Herman Carlton on the Buckner Ranch north and Dangelmayr Brothers on the D. R. Rosson farm south of Muenster. The latter are also planting about 50 acres of old field areas to Bermuda grass roots on the former army camp land.

Sailor Louis Roberg completes leave here and returns to east coast. Charlie Wimmer begins trip overseas to the ETO. Mary Lou joins the Ray Owen family. Mrs. E. P. Buckley is recovering from surgery performed in Sherman. The

Al Schmitts announce the birth of Loreta. Harry Otto breaks his right arm cranking a motor. The Jesse Sanner family moved here this week from Olney.

10 YEARS AGO

Feb. 11, 1949

One extra hour of school each day will make up time lost during ice storm. Ninety per cent of REA line repairs will be completed this weekend. Five local Scouts receive Ad Altare Dei awards at Dallas Scout rally. Return of fair weather speeds up old church demolition job. City tax rate remains at \$1.50 for another year. Election of mayor and three aldermen is called for April 5. Mrs. Catherine Huchton broke her left arm in a fall on the ice. Group of 13 friends organize Dizzy Dozen Birthday Club. Urban and Gilbert Endres combined pleasure with business on a trip to Arkansas during the weekend and stopped at Camp Chaffee to see Leonard Hartman, Walter Luttmer, Leo Becker, Arnold Knabe, Leonard Walterscheid, Buddy Yosten, Henry Felderhoff, Johnny Schmitz and Dick Pulte who are in army training there.

5 YEARS AGO

Feb. 12, 1954

Construction on new parish high school is ahead of schedule. Milk receipts at cheese plant boom with 150,000 pounds daily. Billy Lucas of Gainesville dies in auto accident. St. Anne's Society has reception for 28 members, bringing total enrollment to 243. Service in church opens Boy Scout Week here. PFC James Bayer has returned from

Hawaii and is awaiting his discharge from the Marines. The Jack Janicki family leaves Japan for the states. Sylvia Boerner and Leonard Bindel marry in Pilot Point. Virginia Fleitman is bride of George Krahl at Lindsay. Sister Genevieve has returned to teaching duties after a week of treatments at St. Paul's Hospital in Dallas. New arrivals: boys for Messrs. and Mmes. George Swirczynski and Jerry Pels; a girl for the Thurman Reids.

**Brother Thomas Has
Birthday Observance**

All the altar boys of Sacred Heart Parish — about 80 of them — joined to help Brother Thomas Moster observe his birthday Feb. 5. Two of the mass servers brought huge decorated cakes for refreshments during the noon recess, then the group went on a hike.

The boys had a half holiday from classes and went to the parish picnic grounds where they had a marshmallow toast. The group of servers presented Brother Thomas a spiritual bouquet and also gave him individual birthday remembrances.

The cakes were brought by Cyril Yosten who baked the fluffy angel food cake himself and by Gene Kleiss. Both cakes were blessed in the morning following mass when the blessing of bread took place on the feast of St. Agatha.

**Father Louis Goes
To Jonesboro, Ark.**

Father Louis Deuster, former Muenster pastor, has been assigned to Jonesboro, Ark., as chaplain pro tem of Holy Angels Convent and St. Bernard's Hospital. Since leaving here January of last year he was pastor of St. Edward's Parish in Little Rock.

Father Louis' transfer is one of several announced by the Rt. Rev. Abbot Michael Lensing of Subiaco Abbey.

In other changes Father Aloys Fuhrmann, a native of Lindsay and son of Mike Fuhrmann, has been transferred from Little Rock where he was an assistant to Windthorst as assistant to Father Cyril Lange.

On Television Show

A big thrill for Linda and Donna Marie Rohmer was being on TV, and it was rather thrilling for their mother, Mrs. Arnold Rohmer, too, when she saw the television show. The little girls were part of the group of children televised at the Mickey and Amanda Puppet Show in Fort Worth. They attended the program which originated at Will Rogers Coliseum during the Stock Show.

**Franklin Insurance
Reports Big Year**

New sales of \$750 Million in 1958, bringing the company's outstanding insurance to \$3,166,000,000, featured the year-end report of Franklin Life Insurance Company, Springfield, Illinois, according to an announcement received this week by Emmet Fette, local agent. The company again exceeded the industry performance by a considerable margin.

Franklin will celebrate its Diamond Anniversary throughout the year. Founded in 1884 it is one of the oldest in America, and is the largest legal reserve stock life insurance company in the United States devoted exclusively to the underwriting of Ordinary and Annuity plans.

Morning—Chevy panel hustles over causeway to St. Petersburg.

**Chevy panel steps lively in Florida...runs day
and night, delivers 19.3 miles per gallon!**

This '59 Chevy panel is on the go, morning, noon and night; it covers as much as 587 miles a day... runs so constantly that its engine never cools off completely. Yet Mr. Clark Farber, the Tampa Tribune's circulation manager, reports that the truck is delivering 19.3 miles per gallon!

This year, the light-, medium- and heavy-duty trucks of the 1959 Chevrolet Task-Force fleet are out to whip anything that comes their way—and they've got what it takes to do it!

Take the panel pictured above, for example. Powered by the '59 Thriftmaster 6 with new economy-contoured camshaft, it's building a sensational economy record, despite the sizzling pace of its work. That's typical of the way Chevies of all sizes are turning-to on the most challenging jobs in America. The way they're made, with tough-built truck components, they make the hardest hauls look easy!

If you have a job that puts a truck on its mettle, see your Chevrolet dealer!

No job's too tough for a Chevrolet truck!

See your local authorized Chevrolet dealer

Marysville News

By Mrs. B. G. Lyons

MARYSVILLE — Mr. and Mrs. Bill Moon had as Sunday guests their daughter and family, the Max Harrells, Rhonda Kim and Rex, of Sherman. Joining them in the afternoon and for supper was Don Gaston of Gainesville.

Rev. and Mrs. Jack Wallis of Dallas spent the weekend at the Methodist parsonage and conducted the regular Saturday meeting on Mission Work. Members of the congregation brought covered dishes for a pot luck supper. Sunday Brother Wallis visited the sick and shut-ins of the area including Mrs. Alys Graye and her brother Oliver Walker, Mrs. Ada Walker and Mrs. B. G. Lyons.

Mrs. J. N. Shaw entertained with a dinner Sunday at noon

honoring her granddaughters, Sandra and Paula Shaw of Gainesville in observance of their birthdays . . . both occurring on Feb. 9. Sandra was 14 and Paula was 11. Guests included their father, Albert Shaw, and Rev. and Mrs. Jack Wallis.

Mr. and Mrs. Bo Snow, now living in Ennis, spent Wednesday overnight with her parents, the W. F. Davidsons, and also visited her brother and family, the Charles Davidsons. Other guests of the Davidsons on Saturday were Mr. and Mrs. Bill Roe and daughters Elizabeth and Reba of Westview.

Mr. and Mrs. Bill Moon spent Saturday in Fort Worth attending the Stock Show and visiting Mr. and Mrs. John Marcus Duffy and Mr. and Mrs. Sam Duffy.

MARYSVILLE — Weekending with Mr. and Mrs. Jim Shiflet were their son-in-law and daughter, Mr. and Mrs. Robert Porath and Sandra of Dallas.

Miss Sally Seigmund of Dallas spent the weekend with her sister and family, the Charles Davidsons.

Mrs. B. G. Lyons returned home Saturday after spending most of the week in Gainesville with her daughter, Mrs. Marie Stiles, and taking medical treatments. Visiting in the Lyons home Saturday afternoon were Mrs. Lyon's sister Mrs. Flor-

ence Young of Tyler, Mr. and Mrs. Paul Young of Chandler, Texas, Mrs. Arlton Branch of Fort Worth and Mrs. Stiles. Mrs. Florence Young stayed overnight and Sunday accompanied Mr. and Mrs. John Richey to Gainesville to attend the wedding of Donna Binford and Gene Tupman.

Charlie Winchester of Grand Prairie visited over the weekend with his mother, Mrs. Nelly Kelly and his sister, Mrs. Lloyd Barnhart and family.

Visiting Saturday with the John Richeys were Mr. and Mrs. John Barnes and son Mark and Mr. and Mrs. Raymond Reed and son Scott of Gainesville.

SOIL CONSERVATION DISTRICT NEWS

By Emmitt Yoder

Want a crop that will protect and improve your soil and build up fertility? Then follow the example set by many landowners in the Muenster area who are planning to resow those frozen out oat fields to Madrid or Biennial White Sweet Clover or a mixture of oats and clover.

Sweet Clover is a many handed servant that will work to build up your land. When properly managed it will add 50 to 75 pounds of nitrogen per acre through the action of the nitrogen fixing bacteria in its root nodules. This is the equivalent of spreading about 200 pounds per acre of ammonia Nitrate on your land.

In addition to adding fertility, the sweet clover roots go deep to break up plow pans and allow more water and plant roots to go down into the soil.

Meanwhile the dense forage produced by sweet clover protects the soil from beating rains and stops excessive water and soil loss. This same forage can be utilized for grazing during certain parts of the two year life span of sweet clover. The top growth or plant residue from a mature crop of clover when returned to the soil greatly increases the organic matter content of the soil and improves the soil texture and productivity.

Why not put this farm helper to work on your land? Sweet clover pays for itself many times over and the benefits will pay good dividends over a long period of time.

LONG ODDS—Quintuplets in the world of sheep are expectable about once in 20,000 lambings. Mother sheep, left, beat the percentages and came up with five healthy youngsters on the James Risk farm near Roachdale, Ind. Four of the Risk children display the prize family. The children, from left: James, Mike, Sonny and John.

Wash loads of clothes and still have plenty of clear, cleansing hot water for every other household need! And a RUUD copper-nickel-lined automatic GAS Water Heater will meet your hot water demands . . . rust-free for longer and for less!

You name the down payment on a new Ruud copper-nickel GAS water heater NOW. Easy Terms.

LONE STAR GAS COMPANY

To get sweet clover seed contact your local seed dealer or one of the cooperators of the Upper Elm-Red Soil Conservation District who harvested the seed last year. Cooperators who harvested seed include Eddie and Bruno Fleitman, Wilfred Reiter, Ted Redman, and H. N. Fuhrmann.

Fire! And Phones Ring in 70 Homes

GARDEN CITY, N.Y. — A system of ringing 70 telephones at the same time has been introduced for calling volunteer firemen.

The fire dispatcher, on receiving an alarm, picks up a special telephone on his desk and simply dials 2. Phones in the homes of 70 volunteer firemen ring simultaneously. The dispatcher then reports the location of the fire.

The firemen get the calls on their regular telephones. No special equipment is needed.

The system of using horns and sirens to alert firemen will continue to be used, particularly during daytime hours when the firemen are away at their jobs.

The new system was developed by the Bell System and the Western Electric Co. and can be extended to sound as many as 450 telephones simultaneously.

MHS Teams Continue In Cellar; Lose to Chico and Saint Jo

The drought for Muenster High basketball players has continued through another week as both teams went down in contests with Chico and Saint Jo. The Hornets missed one of their best chances Tuesday night when Saint Jo had to get along for three quarters without the services of its hot shot, Wayne Williams. He went out on fouls. However Muenster lost its leading guard when Myrick turned his ankle, so both outfits were working under handicaps.

The visitors led all the way with counts of 16-9, 29-17, 40-22 and 55-39 ending the four periods. Leading Muenster scorers were Joe Hellman with 14 and Doug Hellman with 11.

Action was about the same in the girls game as Saint Jo took an early lead and extended it gradually for the rest of the contest. Scores at the quarters were 12-9, 28-17, 37-25 and 48-34. Flusche and Fisher scored 18 and 11 for Muenster.

The one bright part of the program for Muenster fans was the 27-7 win by local Juniors over those of Saint Jo. Teams were made up of freshmen and eighth graders of both schools. McElreath led the Muenster boys with 12 points and Flusche was next with 8.

At Chico last Friday night Muenster boys did their best so far, but not quite good enough. During the first half they fell behind 32-23, but the rest of the game was even, the final count being 55-46. Doug Hellman with 13 and Joe Hellman and Harris with 12 each sparked the Hornet effort.

Muenster girls also played on even terms for two quarters but the other two were Chico's by good margins. The count by quarters was 13-2, 25-15, 45-26 and 53-32. Fisher's 16 and Cain's 13 topped the Muenster effort.

Guests of Mr. and Mrs. W. L. Scoggins for the weekend were their daughter and family, the V. K. Barriers of Wichita Falls. Sunday the visitors and her parents, accompanied by Bobby and Vickie Lynn Scoggins, drove to Rock Creek, Lake Texoma, for an outing.

Demonstrations on Dairy Foods Given For 4-H Members

Sacred Heart Junior 4-H Club, meeting Tuesday, saw their president, Rita Trubench, give a demonstration she will present at the Dairy Foods Show next month. Rita made a chocolate milk shake. Forty-four girls attended the meeting. Nancy Haverkamp is reporter.

Mrs. Yvonne Jenkins, assistant county home demonstration agent, was here for the program and talked to the members about good arrangement for storage in drawers and closets. Shirley Vogel and Debby Fette led the group in a song before adjournment.

Thirty-nine members were present for the Intermediate 4-H meeting and Mrs. Jenkins also told them about neatness and convenience in arranging clothing in drawers and closets.

This group also watched a dairy foods demonstration. Charlotte Wolf prepared a cheese dip, Kathy Trubench made a wagon wheel salad using peach slices and cottage cheese, and Virginia Taylor and Rita Fisher, working together, demonstrated a dip made of sour cream and onion soup.

These demonstrations will be the girls' entries in the Dairy Foods Show to be held in Gainesville on Feb. 21. Other coming events announced by Mrs. Jenkins are the Share the Fun contest, scheduled for March 2, and the annual dress review slated for April 7.

To end the Intermediate group's meeting Carol Hess and Jane Henscheid led the group in singing. Bernadette Yosten is president and Rita Fisher is reporter.

45 Study Groups Organize for Lent

Forty-five discussion clubs have been organized in Sacred Heart Parish for study during Lent with the meetings beginning this week Thursday. The course will be completed in six sessions. The topic for discussion is "The Seven Sacraments." In connection with the study course, Father Martin Fischer will base his Lenten sermons each Tuesday night on the material in the text book for that week.

Past Year's Work Told at Meeting of Franciscan Order

February meeting for the parish Third Order of Saint Francis reviewed activity of the past year and planned the fraternity's annual triduum to be conducted by Father Elias Koppert on Feb. 24, 25 and 26.

Prefect J. W. Hess conducted the meeting in the parish hall following recitation of the office in church at 2:30. Mrs. J. B. Wilde gave the treasurer's report showing receipts and expenditures during the past 12 months. The financial summary revealed help to needy of the parish and an offering to keep the sanctuary light burning in church for one year. A sanctuary light offering was again made for another year.

Plans are to start the triduum services with an 8 o'clock mass on each of the three days and further schedule of conferences will be announced after Father Elias arrives from Chicago.

Members were reminded to keep their hour of adoration from 4 to 5 p.m. during the Forty

Hours services here.

In other reports it was told that the fraternity has 102 members and six novices. During 1958 the society lost four members by death.

Concluding the afternoon meeting, Mrs. Leo Henscheid gave a reading dealing with the spiritual benefits in connection with membership in the Third Order. More than fifty members were present.

Garden Club Hears Illustrated Talk On Foliage Plants

Muenster Civic League and Garden Club members had an informative and entertaining program at their February meeting Monday night when Mrs. J. M. Weinzapfel spoke on "Foliage Plants." She illustrated her talk with a variety of potted plants telling the fine points of "how to" and what "not to."

Twenty members were present for the meeting in the home of Mrs. Frank Trubench with Mrs. Lee Toothaker as co-hostess. Mrs. T. S. Myrick, president, conducted the business session and those attending answered roll call by telling the number of shrubs, trees and roses they planted during the past year. This is included in the annual report for Texas Garden Clubs, Inc.

Mrs. R. N. Fette was voted in as secretary with new officers who will take over next September. This office was not filled when the annual election took place in January. Mrs. Fette, previously elected as the new vice president, is replaced in that office by Mrs. Edd McGannon.

Committee reports included Mrs. Tony Gremminger's on cemetery improvement which revealed that sixty dollars worth of shrubbery has been planted to replace that which died. Mrs. Lee Toothaker gave the highlights of the year's conservation practices in the area and the park committee reported replacement of one liveoak tree in Memorial Park.

After adjournment, refreshments were served in the dining room where the Valentine theme predominated in decorations and on the attractively set table.

Covered with a white lace cloth, the board had as a centerpiece an arrangement of rose-tinted Bells of Ireland, pink bachelor buttons and white primrose pods. Decorative accessories were Cupid and a mail box and Valentine hearts. Members helped themselves to a variety of dainty finger foods and hot Russian team. Mrs. Earle Otto and daughter Elaine were guests.

Yosten Gathering Held in Ft. Worth

Mr. and Mrs. Frank Yosten, Mr. and Mrs. Felix Yosten and children and Mr. and Mrs. Henry Yosten and family were in Fort Worth Sunday for a family gathering in the Ferd Yosten home. Joining them were Mr. and Mrs. Nick Mayer and children of Fort Worth and First Sgt. and Mrs. John Durbin and family of Lawton, Okla., who were cause for the reunion.

The Durbins were enroute to San Antonio to make their home. He will be at Brooks Army Hospital. He was previously stationed at Fort Sill.

This weekend the Mayer family is moving into a new home. They bought a place near St. Mary's Church and are members of Father Patrick Hannon's parish.

Another Good Sale In Sight

Livestock prices are still holding up fine, and the sign early this week is that we can expect another good market at Saturday's sale.

AND DON'T FORGET: Our prices are usually better than the current market top.

Lindsay News

LeAnne, infant daughter of Mr. and Mrs. Ralph Bezner of Fort Worth, was christened Sunday in St. George Church and Mr. and Mrs. Bomar Woods were godparents for their niece. Others happy over the baby girl's arrival Jan. 25 are her brothers Johnny, Steve and Russell Max and her grandmothers, Mrs. John Bezner of Lindsay and Mrs. John House of Era. Mrs. House who had spent two weeks with her daughter and family returned to her home Sunday. Accompanying Mr. and Mrs. Woods to Fort Worth for the visit were their sons.

Officers of the Lindsay Confraternity of Christian Doctrine held their regular meeting at the rectory the past week. Mrs. Adolph Fuhrmann, president conducted the business and Stella Bengfort was appointed secretary.

Messrs. and Mmes. Bruno Zimmerer, Weldon Bezner and Vincent Zimmerer, accompanied by the Ray Voths of Muenster, spent Thursday evening in Fort Worth attending the Fat Stock Show and Rodeo.

Efforts are being made to organize a Boy Scout troop in Lindsay and boys interested in Scouting are invited to see Bomar Woods who is in charge of the project.

Joan Kuhn, 8-year-old daughter of Mr. and Mrs. Frank Kuhn, is a shut-in with a broken leg. She sustained the fracture in a fall during play at school. Cards to cheer her should be addressed Route 2, Gainesville.

Norbert Zimmerer and his crew of carpenters left Sunday for Hereford to build a new home for Mr. and Mrs. Ewald Berend.

Mr. and Mrs. Ewald Hoelker have observed their 15th wedding anniversary. They marked the day with an evening party for friends in their home.

An improvement in St. Peter's Church is the remodeling of the confessional from a single to a double. Bill Gruber did the work.

A Red Cross First Aid class now being organized in Lindsay will have its first meeting next week Thursday in the Parish Hall. The course will consist of six classes, one a week. Anyone interested is urged to be present at the organizational meeting. An instructor from Gainesville will be in charge.

Mrs. Jake Bezner's birthday brought her children and grandchildren over for surprise visits and gifts during the day. Friends also called to say happy birthday.

Mr. and Mrs. Adolph Dudenhoefler have gone to LaFeria to spend the rest of the winter with their daughters, Mrs. Isidore Bauer and Mrs. Carl Bauer.

Gilbert Kubis accompanied Mr. and Mrs. Weldon Howard of Gainesville to Hobbs, N.M., combining business and pleasure on the weekend trip.

Two were honorees at a supper party when Mrs. Albert Kubis entertained in her home and all members of the family were present. Sharing honors of the occasion in observance of their birthdays were Mrs. A. J. Felderhoff of Gainesville, daughter of the hostess, and Mrs. Theresa Schriver, housekeeper for Father Alcuin.

Rickey Francis, infant son of Mr. and Mrs. Wilfred Hess was christened Sunday at St. Peter's Church with Rev. Alcuin Kubis officiating and Mr. and Mrs. Henry Zimmerer, maternal grandparents, as sponsors.

Mr. and Mrs. Larry Yosten and children Connie, Alane and Matt of Muenster, joined by her mother, Mrs. N. L. Arend of Lindsay, spent the weekend in Bossier City, La., where their brother and son, S. Sgt. Nick Arend is on duty at Barksdale Field. Sgt. and Mrs. Arend have two children, Debbie and Nickie. Sgt. Arend will be leaving next week for Labrador. He is a member of an Air Force Refueling Squadron.

Dorothy Bengfort presided for the February meeting of members of the Lindsay 4-H senior club with Mrs. Yvonne Jenkins giving a talk on clothing care. A committee was appointed to plan an entry in the Share The Fun contest March 2 and members received entry blanks for the dress review April 7. Carolyn Schmitz led the group in a song after the business session.

Mr. and Mrs. Ewald Fuhrmann of Terrell weekendend in Lindsay and Muenster with their family.

Mrs. Matt Neu is back at home following medical care at M&S Hospital.

The ten commandments of driving, though humorous, were appreciated for their worth by members of Lindsay's senior 4-H club members at their February meeting when D. B. Wheeler, assistant county agent, listed them in connection with his talk on automobiles and their maintenance. Henry Sandmann presided and Michael Bezner reported all but two members present.

Womanless Wedding With Star Acting Draws Full House

A womanless wedding presented at Lindsay Sunday night as a benefit for the Parent-Teacher Club treasury was termed a terrific success. It showed to a full house, the actors gave star performances and the audience howled. It was hilariously funny, side-splitting comedy.

The show started with the processional of the entire cast through the hall to the stage. After the performance actors took off their costumes and wigs so those attending could tell who was who.

Harold Schmitz was the bride in white satin with a long train, and Henry Hess was the bride's father in overalls toting a double-barrel shotgun. Bomar Woods was a stand-out as the bride's weeping mother and William Bezner was the timid groom.

Ed Schad was maid of honor and Milton Gossett, Joe Hundt, Clem Sandmann and Joe Bezner were bridesmaids. Weldon Bezner and Leroy Neu were train-bearers and Rufus Bezner was ring bearer. They wore short trousers and knee-length socks. Leonard Bengfort was the flower girl.

Curley Fuhrmann was best man and Damond Fuhrmann, Robert Beyer, Paul Arendt Jr. and Tony Hermes were ushers. Vincent Zimmerer was the preacher and Walter Nortman was organist.

The production was directed by Mrs. Bruno Zimmerer and Nick Block. It was held at 8 o'clock, supplementing a benefit card party where eats and drinks were available.

FBLA Preps - - -

Present officers are Kathy Pagel, president; Margie Flusche, vice-president; Judy Cain, secretary; Pat Otto, treasurer; Theresa Fisher, reporter; Doug Hellman, parliamentarian.

Parochial Teams - - -

er score in a pitiful condition. The first period score was 6-0 and the half-time count 22-0. After intermission Sacred Heart changed to an aggressive style and both teams made a better showing on the scoreboard. The final tally: 55-15.

One more twin program will complete the basketball season at Sacred Heart High. Next Sunday at 1:30 the Tigers and Tigerettes will meet St. John's of Ennis on the local court.

Confetti - - -

and movies, barbering and shampoos, baths, toothbrushes, paste and cosmetics." Not free, the article might have added, are the 21,530 workers.

The item recalls the story a few years ago about the East German official who, while on a tour, sent back a series of post cards. One said "Hans greets you from Free Poland." Another, "Hans greets you from Free Russia." Still another, "Hans greets you from Free Bulgaria" and finally "Free Hans greets you from West Germany."

If the coal mined in the U.S. in a single year were used as paving material, it would build 12 superhighways 50 feet wide and one foot thick all the way from New York to San Francisco.

Salt Lake City, Utah, put the sea gull on a pedestal. The Sea Gull Monument was built in memory of the flocks of gulls that saved the settlers' crops by eating swarms of crickets in 1848.

Edward Grewing, Dorothy Geray Say Vows at Lindsay

—Boyd and Breeding Photo

Saint Peter's Church in Lindsay was the scene of the wedding of Dorothy Geray and Edward Grewing Saturday morning at 9:30 with Rev. Alcuin Kubis officiating at the double ring ceremony and nuptial high mass.

Parents of the couple are Mr. and Mrs. Al Geray of Lindsay and Mr. and Mrs. Henry Grewing of Valley View, formerly of Muenster.

White snapdragons, greenery

and candles decorated the altar space and Mrs. William Schmitz, organist, and St. Cecilia's choir presented the music.

The bride's father gave her in marriage. She wore an original gown of imported Chantilly lace and French tulle in bridal white. It was fashioned with a pointed long stem figurine bodice, scalloped Sabrina neckline encrusted with seed pearls and crystal sequins. The very bouffant lace skirt billowed over layers of scalloped lace ruffles and pleated tulle ruffles ending in a formal train.

The bride's veil of imported illusion fell in misty tiers to fingertip length from a crown of lace sprinkled with pearls and sequins. She carried an orchid atop a white prayerbook, a gift from the groom, and a pearl rosary borrowed from Miss Pat Neu.

Mrs. Wilfred Bezner, bride's sister, was matron of honor and Delores Grewing, sister of the groom, and Pat Neu were bridesmaids. Their dresses, identically designed, were of net over taffeta with scalloped ruffles accenting the wide shirts worn over hoops and crinolines. Mrs. Bezner's was in light orchid, the bridesmaids' in lavender.

They wore matching halo hats, gloves and slippers and carried colonial bouquets of orchid mums. Their aurora borealis jewelry was a gift from the bride.

Henry Grewing Jr., was his brother's best man, another

brother, Eugene Grewing, and Alvin Fleitman, cousin, were groomsmen. Wilfred Bezner and Kenneth Zwinggi ushered.

For her daughter's wedding Mrs. Geray wore a light blue dress with blue and black accessories and Mrs. Grewing, mother of the groom, wore copen blue with black accessories. Both had white carnation corsages.

Wedding day festivities included brunch for immediate members of both families, a five o'clock reception and dinner and a dance, all events taking place in the Lindsay Hall.

Mrs. Joe Lehnertz catered the wedding dinner for more than 250 guests who were registered by Mrs. Ted Noggler and Helen Neu. It was a candle-light meal, though it had not been planned that way. Electric lights in the hall failed and before the trouble was cleared up the dinner was over. Candles were part of the table decorations and furnished enough illumination.

When Mr. and Mrs. Grewing left on their wedding trip she was wearing an aqua suit with matching hat and other accessories in black and the orchid she carried at the ceremony. When they return they will make their home in Gainesville.

She is a graduate of Lindsay High and is employed in the county ASC office. He attended Sacred Heart School and had just received his discharge from the army at Fort McClellan, Ala.
